MESSAGES FROM THE SENATE

SENATE CHAMBER, June 21, 1963

MR SPEAKER I am directed to inform your honorable body that the Senate on this day respectfully refused to concur in Assembly amendments to

Senate Bill No. 1117—An act to amend Sections 19, 101, 102, 108, 112, 113, 114, 114 1, 114 5, 116, 118, 118 2, 119, 119 5, 120 5, 120 65, and 123 of, to repeal Sections 7 1, 7 5, 103, 103 5, 103 6, 103 8, 104, 104 1, 104 2, 104 3, 104 5, 104 6, 105, 105 5, 106, 111, 119 6, and 130 of, to amend and renumber Sections 103 1, 103 3, 103 4, and 103 7 of, to add Article 2 (commencing with Section 445) to Chapter 5 5 of Division 1 of, and to add Sections 100 5, 103 5, 103, 104, 104 5, 107 5, 114 2, 119 6, 119 7, 119 8, 200, 200 2, 201, and 201 1 to, the Welfare and Institutions Code, relating to public social services, and making an appropriation

And appointed Senators Cobey, Gibson, and Weingand as a Committee on Conference to meet a like committee from the Assembly.

J A. BEEK, Secretary of the Senate
By R. W. LYONS, Chief Assistant Secretary

APPOINTMENT OF COMMITTEE ON CONFERENCE CONCERNING SENATE BILL NO. 1117

The Speaker appointed Messrs Winton, Lunardi, and Veneman as a Committee on Conference concerning Senate Bill No. 1117.

RESOLUTIONS

The following resolutions were offered:

By Assemblyman Winton:

House Resolution No. 617

Relative to school apportionment

Resolved by the Assembly of the State of California, That the State Department of Education is directed to submit on the first legislative day of each Budget Session of the Legislature the proposal for the apportionment of the State School Fund which the department plans to submit at the following General Session of the Legislature, and be it further

Resolved, That the Chief Clerk of the Assembly transmit a copy of this resolution to the Director of the State Department of Education.

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules

By Assemblyman Zenovich.

House Resolution No. 618

Relative to extending statewide health care and retirement programs to all state employees

WHEREAS, The Legislature, through the enactment of the State Employees' Retirement Law and the Meyers-Geddes Medical and Hospital Care Act has made available sound plans of retirement and health insurance coverage for state employees, and

WHEREAS, Civil service, state college and other state personnel, except employees of the University of California, participate in these programs, and

WHEREAS, The nonacademic employees of the University of California were permitted to participate in the state retirement program from 1937 to 1961 when the University required new nonacademic employees to come under a separate University system; and

WHEREAS, The University of California did not elect to participate, as authorized by law, in the Meyers-Geddes Hospital and Medical Care Act and established a health insurance program of its own; and

WHEREAS, It appears that it would be in the State's best interest in view of both financial and personnel consideration to include all civil service, state college and university employees within the retirement and health insurance programs established by the Legislature, now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Committee on Rules is hereby directed to assign to the appropriate committee for interim study the subject of extending coverage under the State Employees' Retirement System and the Meyers-Geddes Medical and Hospital Care Act to all state employees, and to direct such committee to report to the Assembly no later than the fifth legislative day of the 1965 Regular Session of the Legislature.

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules

By Assemblyman Knox.

House Resolution No. 619

Relative to an interim study of the subject matter of Assembly Bill No. 700 of the 1963 Regular Session

WHEREAS, Assembly Bill No. 700 of the 1963 Regular Session would revise various provisions of the Business and Professions Code as to subdivision maps, and

WHEREAS, *There is a need for clarification in the laws relating to preparation* and recordation of subdivided lands, as contained in Chapter 1 (commencing with Section 11000) of Part 2 of Division 4 of the Business and Professions Code, and the Subdivision Map Act (commencing with Sec. 11500, B. & P. C.), those laws being of great importance in the preparation of subdivisions and the recordation of titles to real property; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Committee on Rules is directed to assign to the appropriate interim committee for study

the subject matter of Assembly Bill No 700 of the 1963 Regular Session, and to direct such interim committee to report thereon to the Assembly not later than the fifth calendar day of the 1965 Regular Session

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules

By Assemblymen Petris, Bee, Crown, Rumford, Mulford, Knox, and Waldie

House Resolution No. 620

Relating to Alameda and Contra Costa Counties

WHEREAS, Alameda and Contra Costa Counties, California, have grown into one of the great metropolitan areas of the State of California with a population exceeding one million three hundred thousand people; and

WHEREAS, The City of Oakland, the largest city in Alameda and Contra Costa Counties, with a population of 367,518 is the fourth largest city in California, second largest in Northern California, and 33d largest in the United States; and

WHEREAS, There were 24 incorporated cities in Alameda and Contra Costa Counties representing over 75 percent of the total 1960 population, and

WHEREAS, The nonagricultural labor force of the area exceeds 95 percent of the total population, and

WHEREAS, Well in excess of 80 percent of the working population of Alameda and Contra Costa Counties and their cities is employed or works within the boundaries of Alameda and Contra Costa Counties and their cities, and

WHEREAS, Less than 7 percent of the total work forces of Alameda and Contra Costa Counties respectively work in San Francisco County, and

WHEREAS, All of the above statistical figures meet or exceed the minimum criteria for establishing a separate standard metropolitan statistical area, and

WHEREAS, Alameda and Contra Costa Counties are now and have been included in the San Francisco-Oakland Standard Metropolitan Statistical Area without being separately identified in official federal government reports, and

WHEREAS, Business and industry look to these federal reports for the necessary information on population, labor force, employment, markets and production, and

WHEREAS, The many advantages of Alameda and Contra Costa Counties as a site for industrial and trade expansion would be better known if the federal government would grant recognition to Alameda and Contra Costa Counties as a standard metropolitan statistical area and include Alameda and Contra Costa Counties in its frequent reports on such areas, and

WHEREAS, It has been the policy of the federal government during the past years to add to the list of standard metropolitan statistical areas, year by year, those new areas that qualified for such recognition; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly of the State of California respectfully memorializes the Committee on Standard Metropolitan Statistical Areas, Bureau of the Budget, Office of the President of the United States to recognize the tremendous growth and development that has taken place in Alameda and Contra Costa Counties and grant recognition by naming Oakland (Alameda and Contra Costa Counties) as one of the standard metropolitan statistical areas of this nation, and be it further

Resolved, That copies of this resolution be sent to the President and Vice President of the United States, to the Speaker of the House of Representatives, and to each Senator and Representative from California in the Congress of the United States, urging them to assist in securing for Alameda and Contra Costa Counties the recognition to which they are entitled as a standard metropolitan statistical area

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules.

CONSIDERATION OF HOUSE RESOLUTION NO. 609

By Assemblyman Petris:

House Resolution No. 609—Relative to interim study of the uses of state funds granted to the Council of State Governments.

Resolution read

Consideration of Committee Amendments

The following amendments, proposed by the Committee on Rules, were read, and adopted:

Amendment No. 1

Strike out the second "WHEREAS" clause of the measure, as printed on pages 5909 and 5910, of the Assembly Journal for June 20, 1963

Amendment No. 2

In lines 4 and 5 of the "*Resolved*" clause strike out "to insure that such funds will not be used to support causes which are contrary to the interests and policies of this State"

House Resolution No. 609, as Amended

By Assemblyman Petris.

House Resolution No. 609

Relative to interim study of the uses of state funds granted to the Council of State Governments

WHEREAS, Three amendments have been proposed to the Constitution of the United States which would permit a coalition of the highest courts of the several states to overrule the Supreme Court of the United States, would remove from the jurisdiction of the Supreme Court of the United States questions of state legislative apportionment and would change the process of amending the Constitution of the United States, increasing the power of the smaller states, and

WHEREAS, Although these amendments have been adopted by several of the states, the Legislature of this State has rejected them and the President of the United States has voiced his opposition to them, and

WHEREAS, These amendments were initiated by a committee of the Council of State Governments, which council has indicated its support of these amendments, and

WHEREAS, The State of California will contribute approximately sixty-three thousand dollars to finance the activities of the Council of State Governments during the next two years; and

WHEREAS, The position of the Council of State Governments does not reflect the official position of this State with respect to the proposed amendments, now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Committee on Rules is directed to refer for study to an appropriate interim committee the subject of the use of the funds which are contributed by this State to the Council of State Governments and to direct such committee to report its findings and recommendations for legislation no later than the fifth legislative day of the 1965 Regular Session of the Legislature

Resolution, as amended, re-referred to the Committee on Rules; and the subject matter referred to the Committee on Rules for assignment to the proper interim committee for study

Assembly Bill No. 2628—An act to add Part 7 (commencing with Section 70000) to DIVISION 10 of the Public Utilities Code, to provide for the creation of the Marin County Transit District, prescribing the powers and duties thereof.

The question being Shall the Assembly concur in the following Senate amendments to Assembly Bill No 2628?

Amendment No. 1

On page 6, strike out lines 35 to 52, inclusive, of the printed bill, as amended in the Assembly on June 7, 1963, strike out page 7, and on page 8, strike out lines 1 to 27, inclusive, and insert

"70120 Employees shall have the right to self-organization, to form, join, or assist labor organizations, to bargain collectively through representatives of their own choosing, and to engage in other concerted activities for the purpose of collective bargaining or other mutual aid or protection It is declared to be in the public interest that the district shall not express any preference for one union over another Notwithstanding any other provision of this part, whenever a majority of the employees employed by the district in a unit appropriate for collective bargaining indicate a desire to be represented by a labor organization, the district, upon determining as provided in Section 70122 that such labor organization represents the employees in the appropriate unit, shall enter into a written contract with the accredited representative of such employees governing wages, salaries, hours and working conditions In case of a dispute over wages, salaries, hours or working conditions, which is not resolved by negotiations in good faith between the district and the labor organization, upon the request of either, the district and the labor organization may submit said dispute to the decision of the majority of an arbitration board, and the decision of the majority of such arbitration board shall be final The arbitration board shall be composed of two representatives of the district, and two representatives of the labor organization, and they shall endeavor to agree upon the selection of the fifth member If they are unable to agree, the names of five persons experienced in labor arbitration shall be obtained from the Supervisor of Conciliation of the DIVISION of Conciliation, Department of Industrial Relations The labor organization and the district shall, alternately, strike a name from the list so supplied, and the name remaining after the labor organization and the district have stricken

four names, shall be designated as the arbitrator The labor organization and the district shall determine by lot who shall first strike from the list The decision of a majority of the arbitration board shall be final and binding upon the parties thereto. The expenses of arbitration shall be borne equally by the parties. Each party shall bear his own costs

In the event the board and the representatives of the employees do not agree to submit said dispute to an arbitration board as herein provided, the State Conciliation Service may be notified by either party that a dispute exists and that there is no agreement to arbitrate Said service shall determine whether or not the dispute may be resolved by the parties and, if not, the issues concerning which the dispute exists, upon such determination the service shall certify its findings to the Governor of the State of California who shall, within 10 days of receipt of certification appoint a fact finding commission consisting of three persons which shall immediately convene and inquire into and investigate the issues involved in the dispute Said commission shall report to the Governor within 30 days of the date of its creation

After the creation of such commission and for 30 days after such commission has made its report to the Governor, no change, except by mutual agreement, shall be made by the parties to the controversy in the conditions out of which the dispute arose and service to the public shall be provided

70121 No contract or agreement shall be made with any labor organization, association, group, or individual, or be assumed under the provisions of this section, where such organization, association, group, or individual denies membership to or in any manner discriminates against any employee on the grounds of race, creed, color or sex, provided, that such organization may preclude from membership any individual who advocates the overthrow of the government by force or violence The district shall not discriminate in regard to employment against any person because of his race, creed, or color

70122 If there is a question whether a labor organization represents a majority of employees or whether the proposed unit is or is not appropriate, such matters shall be submitted to the State Conciliation Service for disposition The State Conciliation Service shall promptly hold a public hearing after due notice to all interested parties and shall thereupon determine the unit appropriate for the purposes of collective bargaining In making such determination and in establishing rules and regulations governing petitions, the conduct of hearings and elections, the State Conciliation Service shall be guided by relevant federal law and administrative practice, developed under the Labor-Management Relations Act, 1947, as presently amended

The State Conciliation Service shall provide for an election to determine the question of representation and shall certify the results to the parties Any certification of a labor organization to represent or act for the employees in any collective bargaining unit shall not be subject to challenge on the grounds that a new substantial question of representation within such collective bargaining unit exists until the lapse of one year from the date of certification or the expiration of any collective bargaining agreement, whichever is later, provided, that no collective bargaining agreement shall be construed to be a bar to representation proceedings for a period of more than two years

70123 Whenever the district acquires existing facilities from a publicly or privately owned public utility, either in proceedings by eminent domain or otherwise, the district shall assume and observe all existing labor contracts To the extent necessary for operation of facilities, all of the employees of such acquired public utility whose duties pertain to the facilities acquired shall be appointed to comparable positions in the district without examination, subject to all the rights and benefits of this act, and these employees shall be given sick leave, seniority, vacation and pension credits in accordance with the records and labor agreements of the acquired public utility Members and beneficiaries of any pension or retirement system or other benefits established by that public utility shall continue to have the rights, privileges, benefits, obligations and status with respect to such established system No employee of any acquired public utility shall suffer any worsening of his wages, seniority, pension, vacation or other benefits by reason of the acquisition

The district may extend the benefits of this section to officers or supervisory employees of the acquired utility

70124 The district shall not acquire any existing system or part thereof whether by purchase, lease, condemnation, or otherwise, nor shall the district dispose of or lease any transit system or part thereof, nor merge, consolidate or co-ordinate any transit system or part thereof, or reduce or limit the lines or service of any existing system or of its system, or terminate any lease arrangement or management contract, unless it shall first have made adequate provision for any employees who are or may be displaced The terms and conditions of such provision shall be a proper subject of collective bargaining

70125 Notwithstanding the provisions of the Government Code, employees of this district may authorize and, upon such authorization, the district may make deductions from wages and salaries of such employees

(1) Pursuant to a collective bargaining agreement with a duly designated or certified labor organization for the payment of union dues, fees, or assessments

(2) For the payment of contributions pursuant to any health and welfare plan or pension or retirement plan

(3) For any purpose for which deductions may be authorized by employees of any private employer

70126 The obligation of the district to bargain in good faith with a duly designated or certified labor organization and to execute a written collective bargaining agreement with such labor organization covering the wages, hours and working conditions of the employees represented by such labor organization in an appropriate unit, and to comply with the terms thereof shall not be limited or restricted by the provisions of the Government Code or other laws or statutes and the obligation of the district to bargain collectively shall extend to all subjects of collective bargaining which are or may be proper subjects of collective bargaining with a private employer, including retroactive provisions Notwithstanding the provisions of the Government Code or other laws or statutes, the district shall make deductions from wages and salaries of its employees upon receipt of authorization therefor for the payment of union dues, fees or assessments, for the payment of contributions pursuant to any health and welfare plan or pension plan or for any other purpose for which deductions may be authorized by employees of any private employer, where such deductions are pursuant to a collective bargaining agreement with a duly designated or certified labor organization

70127. The district may provide for a retirement system; provided, that the adoption, terms and conditions of any retirement system covering employees of the district represented by a labor organization in accordance with this section shall be pursuant to a collective bargaining agreement between such labor organization and the district

70128 The district shall take such steps as may be necessary to obtain coverage for the district and its employees under Title II of the Federal Social Security Act, as amended, and the related provisions of the Federal Insurance Contributions Act, as amended

70129 The district shall take such steps as may be necessary to obtain coverage for the district and its employees under the Workman's Compensation, Unemployment Compensation Disability and Unemployment Insurance Laws of the State of California"

RESOLUTIONS

The following resolution was offered:

By Assemblymen Conrad, Collier, Cusanovich, Thelin, Lunardi, Lanterman, and Stevens:

House Resolution No. 621

Relative to the Dictionary of American Slang

WHEREAS, It has come to the attention of the Legislature that various public elementary and secondary school libraries possess and make available to students a book titled "Dictionary of American Slang" by Dr Harold Wentworth and Mr Stuart Flexner, published by Thomas Y Crowell Company, and

WHEREAS, This book contains many words relating to sex and other matters that are vile and cause the book to be unfit for use by school children; and

WHEREAS, The Assembly recognizes that it does not have the power to direct either the State Board of Education or local school boards to remove this book from school libraries, it is nevertheless fitting for the Assembly to call attention to this matter and to urge school boards to take appropriate action; now, therefore, be it

Resolved by the Assembly of the State of California, That school boards are urged in such cases as their elementary and secondary school libraries contain said dictionary to cause its removal therefrom

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules.

Consideration of House Resolution No. 82, as Amended

By Assemblymen Meyers, Gaffney, Foran, Burton, and Marks

House Resolution No 82

Relative to the 100th Anniversary of the founding of Saint Mary's College

WHEREAS Saint Mary's College, founded on July 9, 1863, now celebrates its Centennial Anniversary, which is keyed to the theme, "The Liberal Arts Language of Free Men", and

WHEREAS, Saint Mary's College lies in the beautiful and peaceful Moraga Valley, in a setting ideal for thought and meditation, and

WHEREAS, The college is conducted by the Brothers of the Christian Schools, a teaching order founded over 300 years ago whose members have dedicated their lives to the education of men, and

WHEREAS, Saint Mary's College has been in the forefront in developing new approaches to education, as witnessed by its World Classics Program, its use of closed circuit television for biology experiments, and its foreign language teaching laboratories, and

WHEREAS, Often described as a "gem of a liberal arts college," Saint Mary's exemplifies the best in such schools, a select student body, many of whom live on campus, an air of informality encouraging a close association with a devoted faculty, an approach to learning which is related to but independent of the present trend of educational philosophy, an institution keyed to an emphasis upon the individual, and

WHEREAS, The students of Saint Mary's College will be among tomorrow's leaders, schooled in the sciences but appreciative of the humanities; capable of communicating with the scientist, the businessman, or the artist in a world so specialized that even the learned often misunderstand one another, and

WHEREAS, Saint Mary's College stands with enviable eminence among liberal arts colleges in this State and in the Nation, and

WHEREAS, This State is justly proud of having within its borders an institution such as Saint Mary's College which has made so many contributions to the welfare of mankind and the State during the 100 years of its existence, and

WHEREAS, The centennial observance will be marked by a full year of special activities culminating in the last three months with banquets and other functions at which business, civic and religious leaders will express their appreciation of the outstanding contribution of Saint Mary's to California by the distinctive individuality that the college seeks to develop in its students, who will continue to enrich the life of this State by the initiative, imagination, and other qualities of the intellect so much in evidence in previous graduates, now, therefore, be it

Resolved by the Assembly of the State of California, That the Members of the Assembly hereby congratulate Saint Mary's College on its Centennial Anniversary and express their sincere admiration of the achievements of that institution, and be it further

Resolved, That the Chief Clerk of the Assembly is directed to transmit a suitably prepared copy of this resolution to Brother Timothy Michael, F S C, President of Saint Mary's College

RESOLUTIONS

The following resolutions were offered:

By Assemblyman Soto

House Resolution No. 622

Relative to a study of the farm labor problem in California

WHEREAS, The United States Congress has recently declined to extend the bracero program; and

WHEREAS, Braceros, farmworkers from Mexico who have performed seasonal farm labor chores in California for many years, under existing federal legislative conditions will not be available to help reap our California crops after December 31, 1963, and

WHEREAS, It is vital to the economy of our farm industries, commerce and industry, and to the general welfare of the people of California, that steps be taken immediately to prepare a satisfactory program to provide for the proper utilization of the labor force which is available to replace the bracero labor group in California when that reservoir of seasonal farm laborers no longer is available, and

WHEREAS, In resolving this situation, time is of the essence, now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Committee on Rules is directed to assign to the appropriate interim committee for study the subject of the impact on our economy, our agricultural industries, our agricultural workers, and the people of California in general, by reason of the failure of the extension of Public Law No 78 (82d Congress, as amended), and be it further

Resolved, That the interim committee assigned to this study should prepare a report of its findings, with recommendations for necessary legislation or creation of programs to help remedy problems found to exist, and to insure orderly and timely reaping of affected crops in our agricultural areas, and to require such committee to report its findings to the Legislature not later than the fifth legislative day of the 1964 Budget Session

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules.

By Assemblyman McMillan

House Resolution No. 623

Relating to privately supported education

WHEREAS, It is the intent of this Legislature to encourage privately supported education and protect the integrity of diplomas, degrees or certificates conferred by privately supported as well as publicly supported educational institutions, and

WHEREAS, In the present period the need for educational services for the youth is so great that it cannot be met by tax-supported institutions alone The contribution of privately supported educational institutions to the preservation of our liberties is essential These objectives can best be achieved by protecting the integrity of diplomas, degrees or certificates issued by such institutions, now, therefore, be it

Resolved by the Assembly of the State of California, That it is the intent of the Legislature to encourage the recognition by tax-supported institutions and assure recognition by state agencies of work completed and diplomas, degrees or certificates issued by privately supported institutions, to the end that students may have equal opportunities for equal accomplishment and ability

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules.

By Assemblyman McMillan

House Resolution No. 624

Relative to a study of the administration of zoning ordinances

WHEREAS, It has come to the attention of the Legislature that grave inequities and discriminatory practices exist in the administration of zoning ordinances and in the granting of variances thereunder, and

WHEREAS, Such inequities and discriminatory practices often result in the disruption and forced evictions of long established businesses when they are not permitted to continue their activities, causing economic loss to their owners and to the public, and

WHEREAS, There does not appear to be any adequate means by which individuals affected by such inequitable and discriminatory practices may appeal in ordinary cases, thus depriving them of due process of law, now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Committee on Rules is directed to assign to an appropriate interim committee for study the subject matter of the administration of zoning ordinances, and in particular the granting of variances or nonconforming uses thereunder and the remedies of the individuals affected thereby, and to require such interim committee to report its findings and recommendations to the Assembly not later than the fifth legislative day of the 1965 Regular Session

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules

By Assemblyman Kennick

House Resolution No. 625

Relating to a study of gas supplies in California

Resolved by the Assembly of the State of California, That the Assembly Committee on Rules is directed to assign to an appropriate interim committee for study the subject matter of the natural gas supplies in the State of California, including the relation of such supply to the total consumer demand in this State, and to direct

such interim committee to report its findings and recommendations to the Assembly no later than the fifth legislative day of the 1965 Regular Session of the Legislature.

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules

By Assemblyman Stevens·

House Resolution No. 626

Relative to a study and investigation of the Housing Authority of the City of Los Angeles

WHEREAS, The Housing Authority of the City of Los Angeles has been subject to much controversy, and

WHEREAS, Serious questions have been raised concerning the operations of said Authority, and

WHEREAS, The State has a vital interest in said Authority, and

WHEREAS, The Los Angeles City Council has requested an investigation of the Authority; now, therefore, be it

Resolved by the Assembly of the State of California, That the Rules Committee of the Assembly is requested to direct an appropriate interim committee to undertake a study and investigation of the Housing Authority of the City of Los Angeles and to direct such interim committee to report its findings thereon to the Assembly not later than the fifth legislative day of the 1965 Regular Session.

Resolution read, and referred by the Speaker pro Tempore to the Committee on Rules

"17703 (a) Upon request of the district in respect to computation of district aid, or upon request of the county superintendent of schools in respect to computation of county aid, the Superintendent of Public Instruction shall use in computing district aid or county aid the difference between the total assessed valuation of property in a district as shown on the equalized assessment roll for the fiscal year and the assessed valuation of property as shown on the equalized assessment roll for the fiscal year, in excess of 2 percent of such total assessed valuation, with respect to which revenues of the district taxes levied in the 1954-1955 fiscal year, or thereafter, are impounded by the county auditor pursuant to Section 20901

(b) Whenever, after July 1, 1955, the county auditor notifies the Superintendent of Public Instruction and the Controller of the release of impounded tax revenues to the school district, the Superintendent of Public Instruction shall compute and certify to the Controller the amount to be deducted, and the Controller shall deduct,

from the apportionment or apportionments from the State School Fund to the district, in the first fiscal year or the second fiscal year succeeding such notification of release, that amount apportioned to the district in any prior year or years by reason of the exclusion of assessed valuation with respect to tax revenues impounded and thereafter released

The provisions of this section shall not apply to impounded tax receipts derived from assessment of water, where the procedures of Section 17704 have been utilized

SEC 36 Section 17704 of said code is amended to read

17704 When the total tax revenues realized in respect to any school district from the levy of district taxes and county school taxes for any fiscal year are less than would have been realized from the total assessed value of property in the district because of allocations of tax receipts to a redevelopment agency pursuant to Article 4 (commencing at Section 33950) of Chapter 5 of Division 24 of the Health and Safety Code, the governing board of a school district in connection with the computation of district aid, or the county superintendent of schools in connection with the computation of county aid may request the Superintendent of Public Instruction to compute district aid or countywide aid for the district under this section Upon receipt of such a request, the Superintendent of Public Instruction shall, in computing district aid or county aid, reduce the amount of the total assessed valuation in the district or the county as shown by the equalized assessment roll for the year by the amount of such assessed valuation upon which such tax receipts for such fiscal year are to be allocated to the redevelopment agency

SEC 37. Section 17705 of said code is amended to read

17705. (a) Upon request of a district, in respect to the computation of district aid or upon request of the county superintendent of schools in respect to the computation of county aid, the Superintendent of Public Instruction shall use in computing district aid or county aid the total assessed valuation of property in a district or county as shown on the equalized assessment roll for the fiscal year, reduced by the portion thereof representing the total assessed valuation of water with respect to which revenues of the district taxes levied in the 1958-1959 fiscal year or thereafter or revenues of the county school taxes are impounded by the county auditor pursuant to Section 26906 1 of the Government Code.

(b) Whenever, after July 1, 1959, the county auditor notifies the Superintendent of Public Instruction and the Controller of the release of such impounded tax revenues to the school district or county, the Superintendent of Public Instruction shall compute and certify to the Controller the amount to be deducted, and the Controller shall deduct, from the apportionment or apportionments from the State School Fund to the district or county, in the first fiscal year or the second fiscal year succeeding such notification of release, that amount apportioned to the district in any prior year or years by reason of the exclusion under this section, of assessed valuation with respect to tax revenues impounded and thereafter released.

SEC 37 5 Section 17706 is added to said code, to read

17706 Commencing with the fiscal year 1964-1965, the Superintendent of Public Instruction shall determine the individual county aid for each elementary district, by (1) dividing the total county aid derived by the elementary school districts under the jurisdiction of the county superintendent of schools under Section 17702 1, by (2) the total number of units of average daily attendance of all such elementary school districts, and (3) multiplying the quotient by the number of units of average daily attendance for the elementary school districts

He shall determine the individual county aid for each high school district under the jurisdiction of the county superintendent of schools, by (1) dividing the total county aid derived for the high school districts under the jurisdiction of the county superintendent of schools under Section 17702 1, by (2) the total number of units of average daily attendance of all such high school districts, and (3) multiplying the quotient by the number of units of average daily attendance for the high school district

SEC 37 6 Section 17707 is added to said code, to read

17707 Commencing with the fiscal year 1964-1965, the Superintendent of Public Instruction shall compute the district aid for each elementary school district and each high school district by dividing the county aid derived under Section 17702 2 by the countywide foundation program derived under Section 17680 and multiplying the quotient by the foundation program computed for such district under Sections 17651 to 17667, inclusive, and by adding to the amounts determined under (1) and (2) the applicable percentage of federal funds, as federal funds are defined in Section 17605

The applicable percentage of federal funds for purposes of subdivision (3) of the preceding paragraph shall be

(a) Twelve percent (12%) of such federal funds, if the assessed valuation of the district, modified where necessary pursuant to Section 17262, divided by the average daily attendance of the district, is less than three thousand dollars ($3,000).

(b) That percentage which is four percent (4%) of the assessed valuation of the district, modified where necessary pursuant to Section 17262, divided by the average daily attendance of the district, if such assessed valuation so modified and divided is more than three thousand dollars ($3,000), but not more than four thousand dollars ($4,000)

(c) In the fiscal year 1963-1964 forty percent (40%) of such federal funds and in the fiscal year 1964-1965 and fiscal years thereafter sixty percent (60%) of such federal funds, in all other cases."

18055 (a) He shall allow to each elementary school district, high school district, and junior college district, except as to any to which subsections (b), (c) and (d) of this section or Section 18057 is applicable, which during the preceding fiscal year provided for the transportation of pupils, an amount which shall be computed as follows

He shall determine the total current expenses of the district for such transportation during the preceding fiscal year He shall then determine what rate of tax levied on each one hundred dollars ($100) of the assessed valuation of the district as shown by the equalized assessment roll of the district for the preceding fiscal year, hereinafter referred to in this section as computed tax rate, would, if levied, produce such amount If the computed rate of tax is more than two cents ($0 02) he shall allow to the district (1) 50 percent of the amount which would be produced by not more than eight cents ($0 08) of the computed tax rate less two cents ($0 02) 75 percent of the amount which would be produced by not more than 16 cents ($0 16) of computed tax less eight cents ($0 08), 80 percent of the amount which would be produced by not more than twenty-four cents ($0 24) of the computed tax less sixteen cents ($0 16), and 90 percent of the amount which would be produced by not more than one dollar ($1) of the computed tax less twenty-four cents ($0 24)

(b) He shall allow to each high school district maintaining a junior college, or maintaining 13th and 14th grades, except as to any to which Section 18057 is applicable, which during the preceding fiscal year provided for the transportation of pupils, an amount which shall be computed as follows

He shall determine the total current expenses of the districts for such transportation during the preceding fiscal year He shall then determine what rate of tax levied on each one hundred dollars ($100) of the assessed valuation of the district as shown by the equalized assessment roll of the district for the preceding fiscal year, hereinafter referred to in this section as computed tax rate, would, if levied, produce such amount If the computed rate of tax is more than three cents ($0 03) he shall allow to the district (1) 50 percent of the amount which would be produced by not more than twelve cents ($0 12) of the computed tax rate less three cents ($0 03), 75 percent of the amount which would be produced by not more than twenty-four cents ($0 24) of the computed tax rate less twelve cents ($0 12), 80 percent of the amount which would be produced by not more than thirty-six cents ($0 36) of the computed tax rate less twenty-four cents ($0 24), and 90 percent of the amount which would be produced by not more than one dollar ($1) of the computed tax rate less thirty-six cents ($0 36)

(c) He shall allow to each elementary school district which is not a part of a high school district and which during the preceding fiscal year provided for the

transportation of pupils to the elementary schools of the district and to one or more high schools in other districts an amount which shall be computed as follows

He shall determine the total current expenses of the districts for such transportation during the preceding fiscal year He shall then determine what rate of tax levied on each one hundred dollars ($100) of the assessed valuation of the district as shown by the equalized assessment role of the district for the preceding fiscal year, hereinafter referred to in this section as computed tax rate, would, if levied, produce such amount If the computed rate of tax is more than four cents ($0 04) he shall allow to the district (1) 50 percent of the amount which would be produced by not more than sixteen cents ($0 16) of the computed tax rate less four cents ($0 04), 75 percent of the amount which would be produced by not more than thirty-two cents ($0 32) of the computed tax rate less sixteen cents ($0 16), 80 percent of the amount which would be produced by not more than forty-eight cents ($0 48) of the computed tax rate less thirty-two cents ($0 32), and 90 percent of the amount which would be produced by not more than one dollar ($1) of the tax rate less forty-eight cents ($0 48)

If an elementary district which is not a part of a high school district provides only for the transportation of pupils to a high school, an amount shall be computed as provided in subdivision (a) of this section

(d) He shall allow to each high school district not a part of any junior college district which during the preceding fiscal year provided for the transportation of pupils to the high schools of the district and pupils attending junior colleges maintained by other districts an amount which shall be computed as follows

He shall determine the total current expenses of the districts for such transportation during the preceding fiscal year He shall then determine what rate of tax levied on each one hundred dollars ($100) of the assessed valuation of the district as shown by the equalized assessment roll of the district for the preceding fiscal year, hereinafter referred to in this section as computed tax rate, would, if levied, produce such amount If the computed rate of tax is more than four cents ($0 04) he shall allow to the district (1) 50 percent of the amount which would be produced by not more than sixteen cents ($0 16) of the computed tax rate less four cents ($0 04), 75 percent of the amount which would be produced by not more than thirty-two cents ($0 32) of the computed tax rate less sixteen cents ($0 16), 80 percent of the amount which would be produced by not more than forty-eight cents ($0 48) of the computed tax rate less thirty-two cents ($0 32), and 90 percent of the amount which would be produced by not more than one dollar ($1) of the computed tax rate less forty-eight cents ($0 48)

If a high school district which is not a part of a junior college district provides only for the transportation of pupils to a junior college, an amount shall be computed as provided in subdivision (a) of this section

SEC 52 1 Section 18056 of said code is amended to read

18056 (a) He shall allow to each unified school district formed under the provisions of Sections 3001 to 3451, inclusive, of this code, the formation of which became effective on July 1, 1948, or thereafter, an amount equal to the total current expenses of the district during the preceding fiscal year for the transportation of pupils, determined by the Superintendent of Public Instruction to have been required because of a change of the location of schoolhouses or the reorganization of attendance centers within the district during such preceding fiscal year No allowance shall be made under this paragraph subsequent to the close of the fifth fiscal year following that in which the district was formed and thereafter the provisions of subsection (b) or (c) of this section shall control as to such district

(b) He shall allow to each unified school district not maintaining a junior college which during the preceding fiscal year provided for the transportation of pupils, an amount which shall be computed as follows

He shall determine the total current expenses of the district for such transportation during the preceding fiscal year He shall then determine what rate of tax levied on each one hundred dollars ($100) of 90 percent of the assessed valuation of the district as shown by the equalized assessment roll of the district for the preceding fiscal year, hereinafter referred to in this section as computed tax rate, would, if levied, produce such amount If the computed rate of tax is more than three cents ($0 03) he shall allow to the district (1) 50 percent of the amount which would be produced by not more than twelve cents ($0 12) of the computed tax rate less three cents ($0 03), 75 percent of the amount which would be produced by not more than twenty-four cents ($0 24) of the computed tax rate less twelve cents ($0 12), 80 percent of the amount which would be produced by not more than thirty-six cents ($0 36) of the computed tax rate less twenty-four cents ($0 24), and 90 percent of the amount which would be produced by not more than one dollar ($1) of the computed tax rate less thirty-six cents ($0 36)

(c) He shall allow to each unified school district maintaining a junior college which during the preceding fiscal year provided for the transportation of pupils, an amount which shall be computed as follows

He shall determine the total current expenses of the district for such transportation during the preceding fiscal year He shall then determine what rate of tax

levied on each one hundred dollars ($100) of 90 percent of the assessed valuation of the district as shown by the equalized assessment roll of the district for the preceding fiscal year, hereinafter referred to in this section as computed tax rate, would, if levied, produce such amount If the computed rate of tax is more than four cents ($0 04) he shall allow to the district (1) 50 percent of the amount which would be produced by not more than sixteen cents ($0 16) of the computed tax rate less four cents ($0 04), 75 percent of the amount which would be produced by not more than thirty-two cents ($0 32) of the computed tax rate less sixteen cents ($0 16), 80 percent of the amount which would be produced by not more than forty-eight cents ($0 48) of the computed tax rate less thirty-two cents ($0 32), and 90 percent of the amount which would be produced by not more than one dollar ($1) of the computed tax rate less forty-eight cents ($0 48)

SEC 52 2 *Section 18057 of said code is amended to read*

18057 He shall compute for each group of two or more school districts which have been continuously from a time prior of July 1, 1949, governed by boards of identical personnel during the preceding fiscal year and have *maintained a single* transportation system for all of such districts which provided for the transportation of pupils, an amount which shall be computed as follows

He shall determine the total current expenses of the districts for such transportation during the preceding fiscal year

(a) He shall, if such group comprises an elementary school district and a high school district not maintaining a junior college and each district provided for the transportation of pupils, or comprises an elementary school district, a high school district, and a junior college district and each district except the junior college district provided for the transportation of pupils residing in the district, or comprises a high school district and a junior college district and each district provided for the transportation of pupils, then determine what rate of tax levied on each one hundred dollars ($100) of the assessed valuation of that one of such districts providing for the transportation of pupils which has the largest assessed valuation as shown by the equalized assessment roll of the district for the preceding fiscal year, hereinafter referred to in this section as computed tax rate, would, if levied, produce such amount If the computed rate of tax is more than three cents ($0 03) he shall allow the district (1) 50 percent of the amount which would be produced by not more than twelve cents ($0 12) of the computed tax rate less three cents ($0 03), 75 percent of the amount which would be produced by not more than twenty-four cents ($0 24) of the computed tax rate less twelve cents ($0 12), 80 percent of the amount which would be produced by not more than thirty-six cents ($0 36) of the computed tax rate less twenty-four cents ($0 24) and 90 percent of the amount which would be produced by not more than one dollar ($1) of the computed tax rate less thirty-six cents ($0 36)

(b) He shall, if such group comprises an elementary school district, and a high school district maintaining a junior college, each of which provided for the transportation of pupils, including those attending the junior college, or comprises an *elementary school district, a high school district, and a junior college district (other* than one providing transportation only for pupils not residing in the district) each of which provided for the transportation of pupils, then determine what rate of tax levied on each one hundred dollars ($100) of the assessed valuation of that one of such districts providing for the transportation of pupils which had the largest assessed valuation as shown by the equalized assessment roll of the district for the preceding fiscal year, hereinafter referred to in this section as computed tax rate, would, if levied, produce such amount If the computed rate of tax is more than four cents ($0 04) he shall allow to the district (1) 50 percent of the amount which would be produced by not more than sixteen cents ($0 16) of the computed tax rate less four cents ($0 04), 75 percent of the amount which would be produced by not more than thirty-two cents ($0 32) of the computed tax rate less sixteen cents ($0 16), 80 percent of the amount which would be produced by not more than forty-eight cents ($0 48) of the computed tax rate less thirty-two cents ($0 32), and 90 percent of the amount which would be produced by not more than one dollar ($1) of the computed tax rate less forty-eight cents ($0 48)

He shall then allow to each district in the group the same ratio of the total amount computed for the group as the governing boards of the districts in the groups certify to him is the ratio the amount expended for such transportation in such district during the preceding fiscal year was of the total expenditures of all districts in the group for such transportation during the preceding fiscal year

SEC 52 3 Section 18102 of said code is amended to read

18102 The Superintendent of Public Instruction shall allow to each school district an amount equal to the excess current expense of education to such district of educating physically handicapped minor pupils but not in excess of nine hundred ten dollars ($910) for each unit of average daily attendance of physically handicapped minor pupils in the district during the next preceding fiscal year, and an additional amount not in excess of nine hundred ten dollars ($910), or the cost to

the district, whichever is the lesser, for each unit of average daily attendance of blind pupils, when a reader has actually been provided to assist him with his studies, or for the purchase of Braille books, the cost of transcribing ink print materials into Braille, the purchase or making of sound recordings and the purchase of special supplies and equipment for blind pupils

SEC 52.4 Section 18103 of said code is amended to read

18103 The Superintendent of Public Instruction shall allow to the county school service fund of each county an amount equal to the excess current expense of education to the county superintendent of schools of educating physically handicapped minor pupils but not in excess of nine hundred ten dollars ($910) for each unit of average daily attendance of physically handicapped minor pupils educated by the county superintendent of schools during the preceding fiscal year, and an additional amount not in excess of nine hundred ten dollars ($910), or the cost to the county superintendent, whichever is the lesser, for each unit of average daily attendance of blind pupils, when a reader has actually been provided to assist him with his studies, or for the purchase of Braille books, the cost of transcribing ink print materials into Braille, the purchase or making of sound recordings and the purchase of special supplies and equipment for blind pupils

The allowance made under this section shall in no case exceed the difference between the actual expense of maintaining the emergency schools during the preceding fiscal year and the amount of foundation program support allowed under Section 18355 and district aid under Section 17707

SEC 52.5 Section 18106 of said code is amended to read:

18106 The total amount which may be allowed to school districts and county superintendents of schools under Sections 18102 and 18103 for readers provided blind pupils to assist them with their studies, or for the purchase of Braille books, the cost of transcribing ink print materials into Braille, the purchase or making of sound recordings and the purchase of special supplies and equipment for blind pupils shall not exceed one hundred fifteen thousand dollars ($115,000) in any fiscal year If the total amount which may be allowed under this section during any fiscal year is less than the total allowances computed under Sections 18102 and 18103 for that purpose, the amounts allowed shall be reduced proportionately

SEC 52.6 Section 18152 of said code is amended to read

18152 The Superintendent of Public Instruction shall allow to each school district an amount equal to the excess current expense of education, including transportation, to the school district, of educating mentally retarded minors who come within the provisions of Section 6902 during the preceding fiscal year in special schools or classes but not in excess of three hundred seventy-five dollars ($375) per unit of average daily attendance of such minors

SEC 52.7 Section 18153 of said code is amended to read:

18153 The Superintendent of Public Instruction shall allow to the county school service fund of each county an amount equal to the excess current expense of education, including transportation, to the county superintendent of schools of educating mentally retarded minors coming within the provisions of Section 6902, during the preceding fiscal year in special schools or classes but not in excess of three hundred seventy-five dollars ($375) per unit of average daily attendance of such minors

SEC 53 Section 18202 of said code is amended to read:

18202 The Superintendent of Public Instruction shall allow to each school district an amount equal to the excess current expense of education to the district, excluding transportation, of educating mentally retarded minors who come within the provisions of Section 6903 during the preceding fiscal year but not in excess of six hundred seventy dollars ($670) per unit of average daily attendance of such minors

SEC 54 Section 18203 of said code is amended to read

18203 The Superintendent of Public Instruction shall allow to each county school service fund an amount equal to the excess current expense of education to the county superintendent of schools excluding transportation, of educating mentally retarded minors who come within the provisions of Section 6903 during the preceding fiscal year but not in excess of six hundred seventy dollars ($670) per unit of average daily attendance of such minors

SEC 54.5 Section 18302 of said code is amended to read

18302 A project-connected pupil, as used in this article (commencing at Section 18301), means a child of a parent, guardian, or other person standing in loco parentis who has enrolled in the regular full-time day schools of the district subsequent to the commencement of a project, and (a) whose parent or guardian is employed by a contractor or subcontractor in connection with the project, or by the State of California whose work is in connection with the project, or (b) whose parent or guardian is employed in the school district or in a contiguous school district and such child is in addition to the number of children who would other-

wise normally be expected to be in the district, as approved by the Superintendent of Public Instruction in accordance with regulations that he is herewith authorized to adopt The records identifying, and accounting for the attendance of project-connected children shall be prescribed by the Superintendent of Public Instruction

SEC 54 6 Section 18303 of said code is amended to read

18303 The Superintendent of Public Instruction shall allow to each eligible district, for each unit of average daily attendance in the regular full-time day schools of the district of project-connected pupils, as project-connected pupils are defined in Section 18302, an amount equal to the foundation program of the district, less basic and equalization aid

SEC 54 7 Section 18356 of said code is repealed

SEC 54 8 Section 18355 of said code is amended to read

18355 The Superintendent of Public Instruction shall allow, in addition to all other allowances, to the county school service funds (a) for all emergency schools maintained in each elementary school district of the county by the county superintendent of schools, (b) all special schools or classes for mentally retarded minors and severely mentally retarded minors maintained in each elementary school district of the county by the county superintendent of schools, and (c) all elementary schools maintained in juvenile halls, juvenile homes, and juvenile camps, by the county superintendent of schools, the same amount as he would compute as the foundation program of the elementary school district under subdivision (b) of Section 17635 5 or subdivision (b) of Section 17656

No allowance shall be made for emergency schools which is in excess of the actual expense of maintaining the emergency school

SEC 55 Section 18357 of said code is repealed

SEC 55 5 Section 18358 of said code is amended to read

18358 For all physically handicapped pupils and mentally retarded minors of secondary grade educated by the county superintendent of schools and for all secondary schools maintained in juvenile halls, juvenile homes and juvenile camps by the county superintendent of schools, the Superintendent of Public Instruction shall compute the same amount as he would compute for the foundation program of a high school district under subdivision (b) of Section 17664 or under Section 17665

SEC 55 6 Section 18401 of said code is amended to read

18401 The Superintendent of Public Instruction shall allow to each county school tuition fund one hundred twenty-five dollars ($125) for each unit of average daily attendance of pupils residing in the county and attending school in an adjoining state during the fiscal year Such average daily attendance shall not be included in the computations of foundation program support or supplemental support provided for in Sections 17702, 17702 1, 17702 2, and 17706"

On page 25, strike out lines 50 and 51, and on page 26, strike out lines 1 to 8, inclusive, and insert

"SEC 60 Chapter 3 5 (commencing with Section 20910) is added to Division 16 of said code, to read:

CHAPTER 3 5 COUNTY SUPPORT FOR ELEMENTARY SCHOOLS AND HIGH SCHOOLS

Article 1 County Taxes

20910 For purposes of this chapter

(a) Each elementary school district shall be deemed to comprise the kindergartens and grades 1 to 8, inclusive, maintained by the district, and the seventh and eighth grades of the district not maintained by the district because of the attendance upon a junior high school of pupils who would otherwise attend upon seventh and eighth grades maintained by the district

(b) Each high school district shall be deemed to comprise all of grades 9 to 12, inclusive, maintained within the high school district whether maintained by a high school district or by a junior college district

(c) Each high school district maintaining grades 13 and 14 shall be deemed to be a junior college district comprising grades 13 and 14

(d) Each unified school district shall be deemed to be an elementary school district comprising the kindergartens and grades 1 to 8 inclusive maintained by the district and the seventh and eighth grades of the district not maintained by the district in elementary schools because of the attendance upon a junior high school of pupils who would otherwise attend the seventh and eighth grades maintained in elementary schools by the district, and a high school district comprising all of grades 9 to 12, inclusive, and a junior college district comprising the 13th and 14th grades maintained by the district

(e) Schools and classes of elementary level maintained by a county superintendent of schools, for which expenditures are made from the county school service fund, shall be deemed to be an elementary school district Such schools and classes of secondary level shall be deemed to be a high school district

(f) In determining to which particular districts apportionments shall be made, the rules prescribed by Sections 17608, 17609, and 17610 for purposes of apportionments from the State School Fund shall be utilized

20911 Commencing with the fiscal year 1964-1965, the board of supervisors of each county, and city and county, shall annually, beginning with the 1963-1964 fiscal year, at the time and in the manner of levying other county, and city and county, taxes, levy and cause to be collected in the county, or city and county, taxes for the support of the elementary school districts and high school districts as follows:

(a) For elementary school support, at the rate of sixty cents ($0 60) for each one hundred dollars ($100) of assessed valuation of property in the county

(b) For high school support, at the rate of fifty cents ($0 50) for each one hundred dollars ($100) of assessed valuation of property in the county

In any county, or city and county, where the territory under the jurisdiction of the county superintendent of schools comprises a single school district, the levy of district taxes on each one hundred dollars ($100) of assessed valuation of property in the district at a rate of at least sixty cents ($0 60) if an elementary school district, fifty cents ($0 50) if a high school district, or one dollar and ten cents ($1 10) if a unified district will be deemed to have met the requirements of this section

20912 The moneys received from such county taxes shall be deposited in the county treasury to the credit of the elementary school fund and the high school fund, respectively, the establishment of which funds in the county treasury is hereby authorized

20913 Of the moneys received from such county taxes, there shall be segregated, by the county treasurer, the portion thereof derived from the territory within any elementary school district, or high school district, which is situated only partially within the county and which is not placed by law under the jurisdiction of the county superintendent of schools The moneys so segregated shall be transferred to the county treasury of the county whose county superintendent of schools has jurisdiction of the district, to be deposited to the credit of the elementary school fund or high school fund, and such county treasury shall thereafter be the legal depositary of the funds

20914 The distribution of all tax moneys collected upon property of the unsecured roll after the most recent lien date of taxes, for elementary school and high school purposes for the fiscal year 1963-1964, shall be made and an amount be credited to, and allocated from, the elementary school fund or high school fund equal to the amount that would have been deposited to the fund and allocated to each school district had the rates under Section 20911 been applied to the unsecured roll

Article 2 Apportionment of the County Tax

20921 The moneys deposited to the credit of the elementary school fund and the high school fund in the county treasury pursuant to Article 1 (commencing with Section 20910) of this chapter, shall be apportioned by the county treasurer to the elementary school districts and high school districts under the jurisdiction of the county superintendent of schools Apportionments shall be made upon order of the county auditor issued from time to time and as soon as practicable after deposit of the moneys to the credit of the funds

The elementary school fund shall be apportioned to the elementary school districts under the jurisdiction of the county superintendent of schools and the high school fund shall be

20922 The county auditor shall compute the amounts of the county tax moneys to be apportioned from the elementary school fund to each elementary school district under the jurisdiction of the county superintendent of schools by dividing the amount of the annual county tax moneys received and credited to the elementary school fund, by the countywide elementary school foundation program and by multiplying the quotient so derived by the foundation program of the district

The county auditor shall compute the amounts of the county tax moneys to be apportioned from the high school fund to each school district under the jurisdiction of the county superintendent of schools by dividing the amount of the annual county tax moneys received and credited to the high school fund, by the countywide high school foundation program and multiplying the quotient so derived by the foundation program of the district

For purposes of this section, the Superintendent of Public Instruction shall make a special computation of elementary school district and high school district foundation programs, and the respective countywide foundation programs derived therefrom, which differs from the computations prescribed by Article 2 (commencing with

Section 17651) and Article 2.5 (commencing with Section 17680) of Chapter 3 of Division 14, as follows

(a) In making computations under Section 17656 with respect to elementary school districts with an average daily attendance during the fiscal year of 101 or more, he shall in all cases use the factor of thirty-three (33) for the fiscal year 1964-1965 and thirty-two (32) for the fiscal year 1965-1966 and fiscal years thereafter as the ratio of average daily attendance to the number of full-time equivalent elementary classroom teachers employed by the district during the school year, the factor of five thousand six hundred dollars ($5,600) for the fiscal year 1964-1965 and five thousand seven hundred dollars ($5,700) for the fiscal year 1965-1966 and fiscal years thereafter as the average salary expended by the district per full-time equivalent elementary school classroom teacher during the school year, and the factor of two thousand five hundred dollars ($2,500) for the fiscal year 1964-1965 and two thousand five hundred seventy-five dollars ($2,575) for the fiscal year 1965-1966 and fiscal years thereafter as the "essential services component."

(b) In making computations under Section 17657 with respect to high school districts with an average daily attendance during the fiscal year of 301 or more, he shall in all cases use the factor of twenty-eight (28) for the fiscal year 1964-1965 and twenty-seven (27) for the fiscal year 1965-1966 and fiscal years thereafter as the ratio of average daily attendance to the number of full-time equivalent high school classroom teachers employed by the district during the school year, the factor of six thousand three hundred dollars ($6,300) for the fiscal year 1964-1965 and six thousand four hundred dollars ($6,400) for the fiscal year 1965-1966 as the average salary expended by the district per full-time equivalent high school classroom teacher in grades 9 through 12 during the school year, and the factor of three thousand seventy-five dollars ($3,075) for the fiscal year 1964-1965 and three thousand twenty-five dollars ($3,025) for the fiscal year 1965-1966 as the essential services component.

The Superintendent of Public Instruction shall, as early in each fiscal year as practicable, certify to each county auditor the school district foundation programs and the countywide foundation programs, and subsequent adjustments thereof, to be utilized in apportioning the elementary school fund and the high school fund.

Article 3 Adjustment of School District Tax Rates

20930 The maximum rate of school district tax otherwise authorized by law to be assessed for any school district for elementary school purposes shall be reduced by

(a) The applicable county rates provided for in Section 20911, except that when the amount of county tax moneys allocated under Article 2 of this chapter to a district is less than the amount that such a rate would raise if levied for the district, the maximum rate shall be reduced by the amount of the tax rate that would raise the amount of the allocation, and

(b) The tax rate that would raise an amount consisting of (1) the excess of the amount of county tax moneys allocated under Article 2 of this chapter to a district over the amount which would have been raised by such a rate levied for the district, less (2) the amount, if any, by which the amounts of basic state aid and state equalization aid computed for the district for the fiscal year 1963-1964, less than the amount which would have been computed for the fiscal year 1963-1964 had the computation for that year been made using the same procedures as were used in making the computation of basic state aid and state equalization aid for the fiscal year 1962-1963.

The maximum rate of school district tax under this section, shall not be reduced to any rate lower than thirty cents ($0.30) for elementary purposes and twenty-five cents ($0.25) for high school purposes.

For purposes of this section, the phrase "maximum rate of school district tax otherwise authorized by law to be assessed" shall mean the maximum rates prescribed by Section 20751 for elementary school or high school purposes and any increases in such maximum rates adopted pursuant to Sections 20803 and 20804.

Notwithstanding the preceding provisions of this section, any reduction in district taxes effected by operation of this section, or any portion of such rate, shall be reinstated if the governing board of the district so resolves, by resolution adopted by a majority of at least two-thirds of its membership at a public meeting, on or before August 15, 1965, and filed with the county auditor.

Article 4 Additional County Taxes

20936 Notwithstanding any provisions of this chapter (commencing with Section 20910) to the contrary, the board of supervisors shall increase the rates prescribed by Section 20911 for the county taxes to be levied and collected for the support of the elementary school districts and high school districts under the jurisdiction of the county superintendent of schools to the extent necessary to produce revenue

equal to the amount necessary to offset the decrease in county aid under Section 17706 resulting from the modification of assessed valuations of counties pursuant to Chapter 15 (commencing with Section 17261) of Division 14

No increase in tax rates effected by this section shall be utilized under Section 20930 to reduce the maximum rates of school district tax

SEC. 61. Section 6426 of said code is amended to read

6426. The Superintendent of Public Instruction, if he approves, shall apportion to each applicant school district an amount equal to the total excess expense incurred by the school district in providing a program, except that the amount apportioned shall not exceed forty dollars ($40) for each pupil participating in the program for one school year

Apportionments made during a fiscal year pursuant to this section shall be made on account of more than 2 percent of the average daily attendance during the preceding fiscal year to all kindergarten, elementary, high school, and junior college schools in the State and to county school tuition funds.

SEC. 62. Section 6903 of said code is amended to read

6903. The education of mentally retarded minors who do not come within the provisions of Section 6902, who are 8 or more, and less than 18 years of age, and who may be expected to benefit from special educational facilities designed to educate and train them to further their individual acceptance, social adjustment, and economic usefulness in their homes and within a sheltered environment, may be provided for in the manner set forth in Sections 6901 to 6913, inclusive, and in Sections 8951 to 8956, inclusive. The education of such mentally retarded minors who are five or more and less than eight years of age may be provided for in the manner set forth in Sections 6901 to 6913, inclusive, and in Sections 8951 to 8956, inclusive.

Any such minor who becomes 18 years of age while in attendance upon a special training school or class shall be permitted to continue to attend thereon for the remainder of the time such school or class is maintained during the then current school year.

SEC. 63. Section 6904 of said code is amended to read

6904. The governing board of any elementary or unified school district which has an average daily attendance of 900 or more in the elementary schools of the district, or any high school district which has an average daily attendance of 900 or more shall provide for the education in special training schools or classes of mentally retarded minors residing in the district who come within the provisions of Section 6902 and who are not in attendance upon other special training schools or classes maintained under the provisions of Sections 6901 to 6913, inclusive.

The governing board of any elementary or unified school district which has an average daily attendance of 8,000 or more in the elementary schools of the district and any unified or high school district which has an average daily attendance of 8,000 or more in the high schools of the district shall provide for the education in special training schools or classes of mentally retarded minors residing in the district who come within the provisions of Section 6903 and who are not in attendance upon other special training schools or classes maintained under the provisions of Sections 6901 to 6913, inclusive.

With the approval of the county superintendent of schools, the governing board of any elementary or unified school district which has an average daily attendance of less than 8,000 in the elementary schools of the district, and any unified or high school district which has an average daily attendance of less than 8,000 in the high schools of the district may provide for the education in special training schools or classes of mentally retarded minors residing in the district who come within the provisions of Section 6903 as may be admitted to such schools or classes.

The governing board of any elementary, unified or high school district, required to provide for the education in special training schools or classes of mentally retarded minors residing in the district who come within the provisions of Section 6903, may with the approval of the Superintendent of Public Instruction, enter into an agreement with a county superintendent of schools for the latter to provide for the education of such mentally retarded minors.

The governing boards of elementary, unified, and high school districts may enter into agreements for the education in special training schools or classes of mentally retarded minors residing in the districts parties to such agreements providing such agreements are reported through the county superintendent of schools to the Superintendent of Public Instruction.

SEC. 64. Section 6913.1 of said code is amended to read

6913.1. The maximum rate of school district tax for any school year is hereby increased by such amount as the governing board of any school district which maintains or has entered into an agreement with another district for educational services or facilities, including the rental of property or purchase of equipment, for mentally

retarded minors who come within the provisions of Sections 6902 and 6903 may include in its budget and the board of supervisors shall levy a school district tax necessary to raise such amount No amounts shall be included in its budget for the purchase or improvement of school sites or the construction of school buildings

If at the end of any school year there remains an unencumbered balance derived from the revenue of the increase in the tax rate hereby provided, such balance shall be used exclusively in the following fiscal year for the expenditures of the school district during that fiscal year required or authorized for the education of mentally retarded minors who come within the provisions of Sections 6902 and 6903

SEC 65 Section 8951 of said code is amended to read

8951 (a) The county superintendent of schools shall establish and maintain special training schools or classes for mentally retarded minors who reside in the county and in elementary or unified school districts which have an average daily attendance of less than 901 in the elementary schools of the district and who come within the provisions of Section 6902 Such schools and classes shall be established at centrally located places and the county superintendent of schools shall provide transportation to the pupils attending them The district shall pay to the county school service fund of the county in which the district is located all costs of the education of such minors which are in excess of the amounts apportioned from the State School Fund for the average daily attendance of such minors

Any elementary or unified school district which has an average daily attendance of less than 901 in elementary schools of the district, with the approval of the county superintendent of schools, may establish and maintain special training schools or classes for mentally retarded minors who come within the provisions of Section 6902

(b) The county superintendent of schools may, with the approval of the county board of education, establish and maintain special training schools or classes for mentally retarded minors who reside in the county and who come within the provisions of Section 6902 and contract with an elementary or unified school district with an average daily attendance of 901 or more in the elementary schools of the district, or with a high school district with an average daily attendance of less than 901, subject to such terms and conditions as may be agreed upon The contract shall be approved by the county board of education and shall require the district to pay to the county school service fund of the county in which the district is located all costs of the education of such minors which are in excess of the amounts apportioned from the State School Fund for the average daily attendance of such minors

Whenever a special training school or class is established under the provisions of this subdivision, the computations prescribed by Sections 17658 and 17663, or Sections 17658 1 and 17663 1, whichever are in effect, shall not apply

(c) The county superintendent of schools shall establish and maintain special training schools or classes for mentally retarded minors who reside in the county and in elementary or unified school districts which have an average daily attendance of less than 8,000 in the elementary schools of the district and in unified or high school districts which have an average daily attendance of less than 8,000 in the high schools of the district and who come within the provisions of Section 6903 Such schools and classes shall be established at centrally located places and the county superintendent of schools shall provide transportation to the pupils attending them In an instance where it would be impracticable because of the transportation distances existing to bring a sufficient number of mentally retarded minors, within the meaning of Section 6903, together in one place to form a special training class, the county superintendent of schools upon the annual approval of the Superintendent of Public Instruction may defer compliance with the provisions of this section for the year in question

Any elementary or unified school district which has an average daily attendance of less than 8,000 in elementary schools of the district and any unified or high school district which has an average daily attendance of less than 8 000 in high schools of the district, with the approval of the county superintendent of schools, may establish and maintain special training schools or classes for mentally retarded minors who come within the provisions of Section 6903

A county superintendent of schools, required to provide for the education in special training schools or classes of mentally retarded minors residing in the district who come within the provisions of Section 6903, may with the approval of the Superintendent of Public Instruction enter into agreement with an elementary, unified or high school district for the latter to provide for the education of such mentally retarded minors

SEC 66 Section 8955 1 of said code is amended to read

8955 1 The county superintendent of schools shall, with the approval of the county board of education, certify to the county auditor and the county board of supervisors, on or before July 15th of each year, the amount of money required

to be raised by a county tax for the education of mentally retarded minors who come within the provisions of Section 6903 and for rental of property and the purchase of equipment by the county superintendent of schools for special training schools or classes for such minors The amount shall be determined by subtracting from the total cost of the education of such minors, including transportation, to the county superintendent of schools the total amount to be apportioned by the Superintendent of Public Instruction to the county school service fund for the education of such mentally retarded minors and by adding to the result the amount required for rental of property and the purchase of equipment The board of supervisors may include in such amount a sum for capital outlay

The board of supervisors shall, at the time of levying other county taxes, levy a tax in each school district for whom the county superintendent of schools maintains special training schools or classes pursuant to Section 6904 or 8951 for the education of mentally retarded minors who come within the provisions of Section 6903 upon the taxable property in such district sufficient to produce an amount equal to all costs of the education of such minors which are in excess of the amounts apportioned from the State School Fund for the average daily attendance of such minors The amount received from this tax shall be deposited in the county school service fund.

SEC 67 Funds transferred to the credit of the County School Service Fund Surplus Account in the General Fund, established by Section 4 of Chapter 1006 of the Statutes of 1961, shall be transferred to the State School Fund immediately after the effective date of this act, subject to the limitation that the amount in the account shall not be reduced below five hundred thousand dollars ($500,000) by such transfer to the State School Fund

SEC 68 Sections 6903, 6904, 6913 1, 8951, and 8955 1, as amended by Sections 62 to 65, inclusive, of this bill, shall become operative on July 1, 1964

SEC 69 It is the intent and purpose of the Legislature to authorize the transfer, on the effective date of this act, from the General Fund in the State Treasury to the State School Fund of the additional moneys (as needed) provided for the 1963-1964 fiscal year by the amendments to Section 17301 of the Education Code effected by this act, with the same to be available for apportionment during the said 1963-1964 fiscal year It is the further intent and purpose of the Legislature that the provisions of this act, insofar as they conflict with the provisions of Assembly Bill No 888 of the 1963 Regular Session, shall, on the effective date of this act, supersede any such provisions of said Assembly Bill No 888 which shall be effective and operative prior to and until such time It is the further intent and purpose of the Legislature that the Superintendent of Public Instruction, on and after the effective date of this act, shall undertake all measures reasonably necessary to effectuate the provisions of this act by way of adjusting allowance computations, apportionments, disbursements, and in all other respects "

House Resolution No. 630

Relative to congratulating Speaker Jesse M Unruh on his outstanding record of legislative experience and accomplishment

WHEREAS, The wise and judicious leadership of our good friend and distinguished colleague the Speaker of the Assembly, the Honorable Jesse M Unruh, during the current session of the Legislature has been in the highest and best traditions of the Assembly and has added further luster to the already brilliant and remarkable record of achievement of one of the most outstanding men who has ever graced the political scene of this State; and

WHEREAS, During the course of this session Speaker Jesse M Unruh has conducted the proceedings of this House and the numerous duties of his office with high ability, efficiency and fairness, demonstrating once again the wise choice this House made in re-electing him to the office of Speaker for this session after his successful tenure in that position since September 30, 1961, and

WHEREAS, In his capacity as Speaker, Jesse M Unruh has not only ably and effectively represented the 65th Assembly District and conducted the affairs of Office of the Speaker, but has also served as a member of the Board of Regents of the University of California, the Board of Trustees of the State College System, the California State Disaster Council, and the Assembly Interstate Co-operation Committee, and

WHEREAS, Jesse M Unruh has compiled, in his years of service as a legislator, a most enviable record of authorship of major bills affecting the growth and proper conduct of matters important to the entire State, such as the bills he authored which did away with many special funds, which prohibited discrimination against older workers solely on the basis of age, bills which regulated the practices of mortgage loan brokers, and particularly those measures which have gained national attention such as the "Unruh Civil Rights Act," a sweeping and far-reaching protection of civil rights, and the "Unruh Retail Installment Sales Act," which gives consumers the protection they have long needed from unscrupulous persons, and

WHEREAS, Jesse M Unruh has also served his Nation by volunteering for the Naval Air Corps in 1942, in which he served for three years, with service including a period at Attu in the Aleutian Islands; and

WHEREAS, Since his college days at the University of Southern California, when he was active in many campus organizations and was elected to numerous positions, including the Student Senate, the Trojan Knights, Blue Key, Skull and Dagger, and the Honorary Economics Organization, he has continued to be a leader in his community, participating in numerous civic and public organizations, and

WHEREAS, Our Speaker has been aided in his accomplishments by his fine wife, Virginia June, and has a family of five children, four boys and a girl; now, therefore, be it

Resolved by the Assembly of the State of California, That the Members of the Assembly hereby heartily congratulate Speaker Jesse M. Unruh on his outstanding accomplishments, both as Speaker and as a Member of the Legislature, and wish him continued outstanding success, and be it further

Resolved, That the Chief Clerk of the Assembly shall transmit a suitably prepared copy of this resolution to the Honorable Jesse M Unruh

Resolution read, and adopted unanimously.

LETTER OF TRANSMITTAL

JOINT LEGISLATIVE BUDGET COMMITTEE
CALIFORNIA LEGISLATURE
SACRAMENTO, April 17, 1963

Hon Tom Bane, Chairman
Assembly Rules Committee
Room 3016, State Capitol
Sacramento, California

DEAR ASSEMBLYMAN BANE I am submitting attached a report of the Joint Legislative Budget Committee which has been prepared at your request pursuant to the requirements of H R 414 of the 1961 session relating to the microwave system of the State of California

Sincerely,

GEORGE MILLER, JR , Chairman

STUDY OF THE STATE MICROWAVE SYSTEM
REPORT OF THE JOINT LEGISLATIVE BUDGET COMMITTEE
April 17, 1963

Senate Resolution No 189 and House Resolution No. 414 of the 1961 General Session directed that the appropriate interim committee study and report upon the State's communication requirements Of particular reference in these resolutions was the State's use of microwave.

The Rules Committees of the respective houses referred these resolutions to the Joint Legislative Budget Committee

As a basis for its consideration of this matter, the Budget Committee requested the Department of Finance to prepare, or have prepared, a complete inventory, for each using agency of the State, of all pertinent equipment and locations in the state microwave system together with the historical costs of the system The committee further requested that projections of need be made by the using agencies for five years

Upon receipt of these data, the committee acquired from the State's DIVISION of Communication a list of major communication companies which seemed by reputation competent to evaluate the data and to proffer alternative methods of providing the current and projected service needs if the State's best interests would, in their opinion, be better served thereby These companies were offered access to the data and their suggestions or proposals were solicited

Concurrently with these actions, the Legislative Analyst's Office prepared a background resumé of the State's microwave system (Appendix A) which described microwave and the history of the growth of the State's system, including costs, locations, using agencies, etc.

Upon completing their examination of the inventory and projection data which had been submitted to them, the several communication companies responded to the committee. With one exception each declined to submit proposals (see p. 11, Appendix A).

Pacific Telephone was the exception. It submitted a preliminary report indicating the benefits it felt would accrue to the State if it were allowed to purchase the state microwave system and then provide the necessary service to the State The committee reviewed this report and requested the company to submit a more detailed and specific proposal. This is contained in Appendix B—"Microwave Communications of the State of California" by Pacific Telephone, dated January, 1963.

In this proposal Pacific Telephone offers to purchase the State's existing microwave system for $1,069,690. The State's historical investment in this system is approximately $1,233,000.

The proposal estimates an annual savings in operating expense to the State of approximately $55,000 per year. In addition, acceptance of the proposal will eliminate future state capital outlays which are expected to increase to a total of approximately $3,750,000 by 1966.

In response to this proposal the Department of Finance and the State's using departments prepared a report which disagrees with Pacific Telephone's proposal in many specifics. This report is Appendix C.

With these reports before it, the committee held a hearing on February 20, 1963, at which time representatives of the telephone company and the Department of Finance appeared and presented their respective positions.

On March 6 the committee again met and discussed in detail the material before it During its deliberations, the committee kept always in mind the emergency nature of the communication needs of the State's public safety agencies, as well as the State's future needs and projected costs.

Upon concluding its deliberations, the committee, by unanimous vote, adopted a motion recommending to the Department of Finance that it enter into a contract with the Pacific Telephone Company which would incorporate the proposal made by the company to the Budget Committee in the company's final report, dated January 1963, with the further guarantee that Pacific Telephone, in rendering the service proffered in its proposal, shall utilize at all times equipment and other elements of service consistent with the most modern communication developments and economy in operation.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 1493—An act to amend Sections 2655 and 3254.5 of the Unemployment Insurance Code, relating to unemployment disability insurance.

The question being: Shall the Assembly concur in the following Senate amendments to Assembly Bill No. 1493?

Amendment No. 1

In line 1 of the title of the printed bill, as amended in the Assembly on June 4, 1963, strike out "Section 2655", and insert "Sections 2655 and 3254.5".

Amendment No. 2

On page 2, between lines 37 and 38, insert

"SEC. 1.5. Section 3254.5 of said code is amended to read:

3254.5. A voluntary plan in force and effect at the time a successor employing unit acquires the organization, trade, or business, or substantially all the assets thereof, or a distinct and severable portion of such organization, trade, or business, and continues its operation without substantial reduction of personnel resulting from such acquisition, shall not terminate without specific request for cancellation thereof. The successor employing unit *and the insurer* shall be deemed to have consented to the *provisions of the* plan ~~, and agreed to make the payroll deductions required, if any, and transmit the proceeds to the plan insurer, if any,~~ unless written request for cancellation *, effective as of the date of acquisition,* is transmitted to the director *, by the employer or the insurer,* within 30 days after the acquisition date *, or within 30 days after notification from the director that the plan is to continue, whichever is later. Unless the plan is terminated as of the date of acquisition by the successor employer or the insurer, a* ~~The~~ written request for cancellation shall be effective only on the anniversary of the effective date of the plan next occurring on or after the date of acquisition, except that the plan may be terminated on the operative date of any law increasing the benefit amounts provided by Sections 2653, 2655, and 2801, if notice of the termination of the plan is transmitted to the director not less than 30 days prior to the operative date of such law. If the plan is not terminated on such 30 days notice because of the enactment of a law increasing benefits, the plan shall be amended to conform to such increase on the operative date of the increase. Promptly upon notice of change in ownership any insurer of such a plan shall prepare and issue policy forms and amendments as required, unless the plan is canceled. Nothing herein contained shall prevent future cancellation of any such plans on an anniversary of the effective date of the plan upon 30 days notice, except that the plan may be terminated on the operative date of any law increasing the benefit amounts provided by Sections 2653, 2655, and 2801, if notice of the termination of the plan is transmitted to the director not less than 30 days prior to the operative date of such law. If the plan is not terminated on such 30 days notice because of the enactment of a law increasing benefits, the plan shall be amended to conform to such increase on the operative date of the increase."

~~The information contained in the financial statement shall be confidential and not a public record, but, where relevant, shall be admissible in evidence in any administrative hearing or judicial action or proceeding.~~

SEC 3 Section 6915.1 is added to said code, to read

6915.1 As of the close of its fiscal year or as of June 30 of each year, every licensee shall have its accounts audited in accordance with generally accepted auditing standards by independent certified public accountants or independent licensed public accountants. On or before 60 days after the end of its fiscal year, or on or before August 31 of each year if the licensee elects to have the audit performed as of June 30, there shall be filed by the licensee with the director an audit report in which the certified public accountant, or public accountant, shall express an unqualified or qualified opinion or, if appropriate, disclaim an opinion on the statements taken as a whole, in accordance with standards for the accounting profession

established by the rules and regulations of the State Board of Accountancy, except that the preparation of statements without audit will not constitute compliance with this section

(a) The examination and audit shall disclose:

(1) Whether or not accurate, current books of account are maintained by the licensee as required by this chapter and the regulations of the director adopted pursuant to this chapter.

(2) An opinion on compliance by the licensee with accounting procedures required by this chapter and the regulations of the director adopted pursuant to this chapter.

(3) A balance sheet of the general account and customer trust accounts of the licensee and a profit and loss statement of the licensed collection agency.

(4) The data required by Section 6915 applicable to the close of the licensee's business on June 30

(b) The audit provided for in this section shall not require verification of a debtor's work cards or files

(c) Neither the licensee or the accountant retained to perform an audit under the provisions of this section shall be required to submit an audit of a scope enlarged beyond that specified in this section or performed to standards more stringent than those specified in this section.

SEC 4 Section 6915 2 is added to said code, to read:

6915 2. Every licensee shall advise the director on or before January 15, 1964, or at the time of filing an application for an original license if such application is filed after January 15, 1964, of the date of the close of the licensee's fiscal year and whether the audits required by Section 6915 1 will be performed as of the close of the fiscal year or as of June 30 of each year Thereafter any licensee who desires to change the annual date on which his audit as required by Section 6915 1 shall be performed shall request permission for such change from the director who shall grant or deny such permission within 30 days of the receipt by the director of such request

SEC 5 Section 6915 3 is added to said code, to read:

6915 3 Each audit shall contain a declaration, which shall be signed by the licensee, stating that under penalty of perjury he has examined the audit and to the best of his knowledge and belief it is true and accurate If the audit is not true and accurate in any respect, the licensee shall set forth the exceptions

SEC 6 *Section 6915 4 is added to said code, to read:*

6915 4 The provisions of Sections 6915 and 6915 1 shall not preclude the director from inspecting, examining, or investigating the business, including the books, accounts, records, and files used therein by the licensee, on such basis and on such occasion as shall be necessary to insure compliances with this chapter and any rule or regulation adopted by the director pursuant to this chapter For the purposes of this provision, the director shall have free access to the offices and places of business, books, accounts, records, papers, files, safes, and vaults of all licensees No charge shall be assessed to the licensee for any inspection, examination, or investigation made under the provisions of this section.

SEC 7. Section 6915 5 is added to said code, to read:

6915 5 The director may destroy all financial statements which have been on file for a period of at least four years

The information contained in the financial statement shall be confidential and not a public record, but, where relevant, shall be admissible in evidence in any administrative hearing or judicial action or proceeding

SEC 8 Section 6916 of said code is amended to read:

6916 If the financial statement is not filed within the time required, the director shall make written demand therefor by registered mail, with return receipt requested, addressed to the licensee's place of business of record, and if the statement *or report* is not filed within thirty (30) days after the date of such demand the license of such licensee shall be forthwith revoked.

A financial statement *or a report of an examination and audit* filed subsequent to its due date and prior to expiration of the 30-day period following written demand therefor shall be accompanied by the delinquency fee provided by Article 12. If the delinquency fee is not paid before the expiration of the 30-day period, the license shall be forthwith revoked.

SEC. 9 Section 6956 1 of said code is amended to read:

6956 1 Commencing June 1, ~~1962~~ *1964*, and through May 31, ~~1964~~ *1965*, the original license fee required by this chapter shall be in the amount of four hundred dollars ($400) and the continuation fee shall be in the following amounts:

(a) For licensees with less than four (4) employees, two hundred dollars ($200).

(b) For licensees with more than three (3) employees but less than eight (8) employees, two hundred fifty dollars ($250)

(c) For licensees with more than seven (7) employees, three hundred dollars ($300).

For purposes of this section the number of employees shall be determined as of March 31, ~~1962~~ *1964*, and the term "employees" shall exclude every individual having an ownership interest in the licensed business, and his spouse Commencing June 1, ~~1964~~ *1965*, the original license fee and the continuation fee shall be in the amounts prescribed by Section 6956.

SEC. 10 Section 9 of this act provides for a tax levy within the meaning of Article IV of the Constitution and shall go into immediate effect

TEXT OF PROPOSED CONSTITUTIONAL AMENDMENTS WHICH HAVE BEEN APPROVED BY BOTH HOUSES OF THE LEGISLATURE, TOGETHER WITH THE YEAS AND NAYS TAKEN THEREON

Pursuant to the provisions of Article XVIII, Section 1, of the Constitution of the State of California, the following proposed constitutional amendments, two-thirds of all the members elected to each of the two houses of the Legislature having voted in favor thereof, are

hereby entered in the Journal, together with the yeas and nays taken thereon.

Assembly Constitutional Amendment No. 13

A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by amending Section 13 of Article XII thereof, relating to investment of retirement funds in stocks

Resolved by the Assembly, the Senate concurring, That the Legislature of the State of California at its 1963 Regular Session commencing on the seventh day of January, 1963, two-thirds of the members elected to each of the two houses of the Legislature voting therefor, hereby proposes to the people of the State of California that the Constitution of the State be amended by amending Section 13 of Article XII thereof to read

SEC 13 The State shall not in any manner loan its credit, nor shall it subscribe to, or be interested in the stock of any company, association, or corporation, except that the State and each political subdivision, district, municipality, and public agency thereof is hereby authorized to acquire and hold shares of the capital stock of any mutual water company or corporation when such stock is so acquired or held for the purpose of furnishing a supply of water for public, municipal or governmental purposes, and such holding of such stock shall entitle such holder thereof to all of the rights, powers and privileges, and shall subject such holder to the obligations and liabilities conferred or imposed by law upon other holders of stock in the mutual water company or corporation in which such stock is so held

Notwithstanding provisions to the contrary in this section and Section 31 of Article IV of this Constitution, the Legislature may authorize the investment of moneys of any public pension or retirement fund other than the Teachers Retirement Fund provided for in Section 13901 of the Education Code, or any successor thereto, in the stock, shares, or other obligations of any corporation

Assembly Constitutional Amendment No. 27

A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by amending subdivision (f) of Section 14¾ of Article XIII, relating to retaliatory taxation of insurers

Resolved by the Assembly, the Senate concurring, That the Legislature of the State of California at its 1963 Regular Session commencing on the seventh day of January, 1963, two-thirds of the members elected to each of the two houses of the Legislature voting therefor, hereby proposes to the people of the State of California that the Constitution of the State be amended by amending subdivision (f) of Section 14¾ of Article XIII thereof to read

(f) The tax imposed on insurers by this section is in lieu of all other taxes and licenses, state, county, and municipal, upon such insurers and their property, except

(1) Taxes upon their real estate

(2) That an insurer transacting title insurance in this State which has a trust department or does a trust business under the banking laws of this State is subject to taxation with respect to such trust department or trust business to the same extent and in the same manner as trust companies and the trust departments of banks doing business in this State

(3) When by or pursuant to the laws of any other state or foreign country any taxes, licenses and other fees, in the aggregate, and any fines, penalties, deposit requirements or other material obligations, prohibitions or restrictions are or would be imposed upon California insurers, or upon the agents or representatives of such insurers, which are in excess of such taxes, licenses and other fees, in the aggregate, or which are in excess of the fines, penalties, deposit requirements or other obligations, prohibitions, or restrictions directly imposed upon similar insurers, or upon the agents or representatives of such insurers, of such other state or country under the statutes of this State, so long as such laws of such other state or country continue in force or are so applied, the same taxes, licenses and other fees, in the aggregate, or fines, penalties or deposit requirements or other material obligations, prohibitions, or restrictions, of whatever kind shall be imposed upon the insurers, or upon the agents or representatives of such insurers, of such other state or country doing business or seeking to do business in California. Any tax, license or other fee or other obligation imposed by any city, county, or other political subdivision or agency of such other state or country on California insurers or their agents or representatives shall be deemed to be imposed by such state or country within the meaning of this paragraph (3) of subdivision (f).

The provisions of this paragraph (3) of subdivision (f) shall not apply as to personal income taxes, nor as to ad valorem taxes on real or personal property nor as to special purpose obligations or assessments heretofore imposed by another state or foreign country in connection with particular kinds of insurance, other than property insurance, except that deductions, from premium taxes or other taxes otherwise payable, allowed on account of real estate or personal property taxes paid shall be taken into consideration in determining the propriety and extent of retaliatory action under this paragraph (3) of subdivision (f).

For the purposes of this paragraph (3) of subdivision (f) the domicile of an alien insurer, other than insurers formed under the laws of Canada, shall be that state in which is located its principal place of business in the United States.

In the case of an insurer formed under the laws of Canada or a province thereof, its domicile shall be deemed to be that province in which its head office is situated.

The provisions of this paragraph (3) of subdivision (f) shall also be applicable to reciprocals or interinsurance exchanges and fraternal benefit societies.

(4) The tax on ocean marine insurance.

(5) Motor vehicle and other vehicle registration license fees and any other tax or license fee imposed by the State upon vehicles, motor vehicles or the operation thereof.

Senate Constitutional Amendment No. 21

A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by amending Section 6 of Article VI thereof, relating to the election of judges

Resolved by the Senate, the Assembly concurring, That the Legislature at its 1963 Regular Session commencing on the seventh day of January, 1963, two-thirds of the members elected to each of the two houses of the Legislature voting therefor,

hereby proposes to the people of the State of California that the Constitution of the State be amended by amending Section 6 of Article VI, thereof, to read

SEC 6. There shall be in each of the organized counties, or cities and counties, of the State, a superior court, for each of which at least one judge shall be elected by the qualified electors of the county, or city and county, at the general state election, except that in any county or city and county containing a population of more than 700,000, as determined by the last preceding federally published decennial census, in which only the incumbent has filed nomination papers for the office of superior court judge, his name shall not appear on the ballot unless there is filed with the county clerk or registrar of voters, within 20 days after the final date for filing nomination papers for the office, a petition indicating that a write-in campaign will be conducted for the office and signed by 100 registered voters qualified to vote with respect to the office.

If a petition indicating that a write-in campaign will be conducted for the office at the general election, signed by 100 registered voters qualified to vote with respect to the office, is filed with the county clerk or registrar of voters not less than 45 days before the general election, the name of the incumbent shall be placed on the general election ballot if it has not appeared on the direct primary election ballot

There may be as many sessions of a superior court, at the same time, as there are judges elected, appointed or assigned thereto The judgments, orders, and proceedings of any session of a superior court, held by any one or more of the judges sitting therein, shall be equally effectual as though all the judges of said court presided at such session

If, in conformity with this section, the name of the incumbent does not appear either on the primary ballot or general election ballot, the county clerk or registrar of voters, on the day of the general election, shall declare the incumbent reelected

Senate Constitutional Amendment No. 25

A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by amending Section 6 of Article XI, relating to municipal corporations

Resolved by the Senate, The Assembly concurring, That the Legislature of the State of California at its 1963 Regular Session commencing on the seventh day of January, 1963, two-thirds of the members elected to each of the two houses of the Legislature voting therefor, hereby proposes to the people of the State of California that the Constitution of the State be amended by amending Section 6 of Article XI to read as follows

SEC 6 Corporations for municipal purposes shall not be created by special laws; but the Legislature shall, by general laws, provide for the incorporation, organization, and classification, in proportion to population, of cities and towns, which laws may be altered, amended, or repealed, and the Legislature may, by general laws, provide for the performance by county officers of certain of the municipal functions of cities and towns so incorporated Cities and towns heretofore organized or incorporated may become organized under the general laws passed for that purpose, whenever a majority of the electors voting at a general election shall so determine, and shall organize in conformity therewith Cities and towns hereafter organized under charters framed and adopted by authority of this Constitution are hereby

empowered, and cities and towns heretofore organized by authority of this Constitution may amend their charters in the manner authorized by this Constitution so as to become likewise empowered hereunder, to make and enforce all laws and regulations in respect to municipal affairs, subject only to the restrictions and limitations provided in their several charters, and in respect to other matters they shall be subject to and controlled by general laws Cities and towns heretofore or hereafter organized by authority of this Constitution may, by charter provision or amendment, provide for the performance by county officers of certain of their municipal functions, whenever the discharge of such municipal functions by county officers is authorized by general laws or by the provisions of a county charter framed and adopted by authority of this Constitution

Any agreement entered into before the effective date of this amendment between a city and a county pursuant to general laws enacted by the Legislature which agreement provides for the performance by county officers of certain municipal functions of such city is hereby validated

TEXT OF SENATE BILL WHICH WILL BE SUBMITTED TO A VOTE OF THE ELECTORS, TOGETHER WITH THE YEAS AND NAYS THEREON

The following proposed Senate bill, which has been passed by both houses of the Legislature and approved by the Governor, will be submitted to a vote of the electors The text thereof is hereby entered in the Appendix Journal, together with the yeas and nays thereon

Senate Bill No. 153

An act to add Chapter 1 6 (commencing with Section 5096 1) to Division 5 of the Public Resources Code, relating to financing of a program of acquiring and developing state and municipal beach, park, recreational, and historical facilities by providing the funds necessary therefor through the issuance and sale of bonds of the State of California, and by providing for the handling and disposition of said funds, and making an appropriation therefor and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1964

[Approved by Governor July 15, 1963 Filed with Secretary of State July 17, 1963, Chapter 1690]

The people of the State of California do enact as follows

SECTION 1 Chapter 1 6 (commencing with Section 5096 1) is added to Division 5 of the Public Resources Code, to read

CHAPTER 1 6 STATE BEACH, PARK, RECREATIONAL, AND HISTORICAL FACILITIES BOND ACT OF 1964

5096 1 This chapter may be cited as the Cameron-Unruh Beach, Park, Recreational, and Historical Facilities Bond Act of 1964

5096 2 The Legislature of the State of California hereby finds and declares that

(a) It is the responsibility of this State to provide and to encourage the provision of outdoor recreation opportunities for the citizens of California.

(b) When there is proper planning and development, open space lands contribute not only to a healthy physical and moral environment, but also contribute to the economic betterment of the State, and, therefore, it is in the public interest for the State to acquire areas for recreation, conservation, and preservation and to aid local governments of the State in acquiring and developing such areas as will contribute to the realization of the policy declared in this chapter

5096 3 The Legislature further finds and declares that

(a) The present public outdoor recreation areas and facilities in the State are inadequate to accommodate the demands made on them at the present time and will become critically inadequate as time progresses

(b) Land values are increasing at a steady rate and any delay by the State in securing additional lands for park and recreation purposes will result not only in the loss of suitable lands for recreation purposes, but also will reduce the economic ability of the State to acquire such lands

(c) At the next general election the people of the State of California will vote upon a proposition authorizing a state bond issue in the amount of one hundred fifty million dollars ($150,000,000) to provide the moneys for the acquisition and development of lands needed for recreation purposes

(d) It is desirable for the people of this State to have prior notice of the proposed disposition and allocation of the proceeds of this bond issue

5096.4 Bonds in the total amount of one hundred fifty million dollars ($150,000,000), or so much thereof as is necessary, may be issued and sold to provide a fund to be used for carrying out the purposes expressed hereinafter. Said bonds shall, when sold, be and constitute a valid and binding obligation of the State of California, and the full faith and credit of the State of California are hereby pledged for the punctual payment of both principal and interest on said bonds as said principal and interest become due and payable

5096 5 There shall be collected each year and in the same manner and at the same time as other state revenue is collected such sum in addition to the ordinary revenues of the State as shall be required to pay the principal and interest on said bonds maturing in said year, and it is hereby made the duty of all officers charged by law with any duty in regard to the collection of said revenue to do and perform each and every act which shall be necessary to collect such additional sum

5096 6 There is hereby appropriated from the General Fund in the State Treasury for the purpose of this act, such an amount as will equal the following:

(a) Such sum annually as will be necessary to pay the principal and interest on bonds issued and sold pursuant to the provisions of this chapter, as said principal and interest become due and payable

(b) The sum of twenty-five thousand dollars ($25,000) to pay the expenses incurred by the State Treasurer in preparing and advertising the sale or prior redemption of bonds issued pursuant to this act, to defray expenses incurred by the State Park and Recreation Finance Committee pursuant to Section 16758 of the Government Code, and for the payment of legal services upon approval of the State Board of Control, pursuant to Section 16760 of the Government Code

(c) Such sum as is necessary to carry out the provisions of Section 5096 7, which sum is appropriated without regard to fiscal years

5096 7 For the purposes of carrying out the provisions of this chapter the Director of Finance may by executive order authorize the withdrawal from the General Fund of an amount or amounts not to exceed the amount of the unsold bonds which have been authorized to be sold for the purpose of carrying out this chapter Any amounts withdrawn shall be deposited in the State Beach, Park, Recreational, and Historical Facilities Fund, which fund is hereby created Any moneys made available under this section shall be returned to the General Fund from moneys received from the sale of bonds sold for the purpose of carrying out the provisions of this chapter

5096 8 The proceeds of bonds issued and sold pursuant to this chapter shall be deposited in the State Beach, Park, Recreational, and Historical Facilities Fund The money in the fund may be expended only for the purposes specified in this chapter and only pursuant to appropriation by the Legislature in the manner hereinafter prescribed

5096 9 All proposed appropriations for the program contemplated by this chapter shall be included in a section in the Budget Bill for each fiscal year for consideration by the Legislature, and shall bear the caption "State Beach, Park, Recreational, and Historical Facilities Bond Act Program" The section shall contain separate items for each project for which an appropriation is made

Such appropriations shall be subject to all limitations contained in the Budget Bill and to all fiscal procedures prescribed by law with respect to the expenditure of state funds The section shall contain proposed appropriations only for the program contemplated by this chapter, and no funds derived from the bonds authorized by this chapter may be expended pursuant to an appropriation not contained in that section of the Budget Act

5096 10 The bonds authorized by this act shall be prepared, executed, issued, sold, paid and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3, Division 4, Title 2 of the Government Code) and all of the provisions of that law are applicable to the bonds and to this chapter, and are hereby incorporated in this chapter as though set forth in full herein

5096 11 The State Park and Recreation Finance Committee is hereby created The committee consists of the Governor, the State Controller, the Director of Finance, the State Treasurer, and the Administrator of the Resources Agency For the purposes of this chapter the State Park and Recreation Finance Committee shall be "the committee" as that term is used in the State General Obligation Bond Law The Administrator of the Resources Agency is hereby designated as the board for the purposes of this chapter and for the purposes of the State General Obligation Bond Law

5096 12 Out of the first money realized from the sale of bonds issued pursuant to this chapter there shall be redeposited to the credit of the appropriation made by subdivision (b) of Section 5096 6 such sums as have been expended for the purposes specified in subdivision (b) of Section 5096 6 The amounts so redeposited may be used for the same purposes whenever additional sales of bonds are made pursuant to this chapter. When all the bonds authorized by this chapter have been sold, the unexpended and unobligated balance of the appropriation made by subdivision (b) of Section 5096 6 shall revert to the General Fund

5096 13 All money deposited in the State Beach, Park, Recreational and Historical Facilities Fund which is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest

5096 14 As used in this chapter and for the purposes of this chapter as used in the State General Obligation Bond Law, the following words shall have the following meanings

(a) "State grant" or "state grant moneys" means moneys received by the State from the sale of bonds authorized by this chapter which are available for grants to counties for acquisition and development of real property for park and recreation purposes

(b) "Regional project" means the acquisition and development of real property for park and recreation purposes by a county, a city, or by two or more counties, a city, district or regional agency engaged in a project with the use of state grant moneys to serve regional recreational needs

(c) "Minimum development" means the providing of public access, sanitary and water facilities, and public safety requirements

5096 15 Except as otherwise provided herein, all money deposited in the State Beach, Park, Recreational, and Historical Facilities Fund shall be available for appropriation as set forth in Section 5096 9 for the purposes set forth below in amounts not to exceed the following except as may be provided hereafter

(a) For the acquisition of real property for the state park system, including public beaches $85,000,000
(b) For minimum development of real property acquired under subdivision (a) of this section $20,000,000
(c) For the acquisition, development, or acquisition and development, of real property for wildlife management in accordance with the provisions of the Wildlife Conservation Law of 1947 (Chapter 4 (commencing with Section 1300), Division 2, Fish and Game Code) and in accordance with a master plan drafted as an element of the State Development Plan $5,000,000
(d) For grants to counties, cities, or cities and counties for the acquisition, development, or acquisition and development, of real property for park and beach purposes $40,000,000

5096 16 The forty million dollars ($40,000,000) authorized by Section 5096 15 for grants shall be allocated to the counties, such allocation to be based upon the estimated population of the counties on July 1, 1975, as that population is shown in the document "Provisional Projections of California Areas and Counties to 1980" published by the State Department of Finance and dated February 15, 1963, as follows:

One dollar and twenty-five cents ($1 25) per person per county, plus an additional twenty-five cents ($0 25) per person per county for those counties which participate in an areawide or regional plan, or which assume planning responsibility for an urban area as a whole, in either case sufficient to qualify for federal financial assistance pursuant to the provisions of Title VII of the Federal Housing Act of 1961 (Public Law 87-70), provided however, that each county shall be entitled to receive an allocation of not less than seventy-five thousand dollars ($75,000), and provided further, that any grant made to a city, district, or regional public agency shall be subtracted from the total otherwise allocable under the provisions of this chapter to the county or counties in which the city, district, or regional public agency is located Any city, district or regional public agency may participate with a county or counties in an application for a state grant under the provisions of this section, provided that a city, district, or regional public agency may apply for a grant only after receiving the approval of the boards of supervisors of the county whose allocation is affected and of the county or counties in which the city proposes to acquire real property

5096 17 On July 1, 1970, the Resources Agency Administrator shall cause to be totaled the unencumbered balances remaining in the State Beach, Park, Recreational and Historical Facilities Fund A program shall be submitted in the Budget for the 1971-72 fiscal year to appropriate this balance This program shall consist of projects deemed to be of highest priority from among the purposes expressed in Section 5096 15 (a) through (d), inclusive and shall not be subject to the maximum amounts allocated to those purposes in Section 5096 15

5096 18 Projects involving state funds only, pursuant to subdivisions (a) and (b) of Section 5096 15, shall originate by legislative resolution, resolutions, or resolutions of the State Park Commission directing studies of the projects included therein or upon initiative of the Administrator of the Resources Agency directing a study of the projects included therein

Allocations for the purposes of subdivision (c) of Section 5096 15 that are authorized by the Legislature and approved by the Governor shall be made from the State Beach, Park, Recreational and Historical Facilities Fund and shall be expended in accordance with the provisions of the Wildlife Conservation Law of 1947 (Chapter 4 (commencing with Section 1300), Division 2, Fish and Game Code) and in accordance with a master plan drafted as an element of the State Development Plan

5096 20 An application for a state grant pursuant to subdivision (d) of Section 5096 15 shall be submitted to the Resources Agency Administrator The application for the state grant shall be accompanied by a countywide area, or regional master or general plan as set forth in Section 65402 of the Government Code for the county or counties wherein the project lies. This plan shall contain a recreation element, as defined in Section 65465 of the Government Code, and shall have been adopted by the board of supervisors of the county or counties applying for state funds The Resources Agency Administrator, in co-operation with the State Office of Planning, shall review the material submitted by the county or counties for completeness and conformity with the State Development Plan

Upon completion of the Resources Agency Administrator's review, approved projects shall be forwarded to the Governor for inclusion in the Budget Bill

5096 21 Projects proposed pursuant to subdivisions (a), (b) and (c) of Section 5096 15 shall be submitted to the office of the Resources Agency Administrator for review. The Director of the Department of Parks and Recreation shall provide

the Resources Agency Administrator with a statement concerning each project originated pursuant to subdivisions (a) and (b) of Section 5096 15, which statement shall include at least the following data

(a) The demand giving rise to the necessity for the project,

(b) The existing supply of opportunities for meeting such need and the relationship of the proposed project to said supply,

(c) The economic factors associated with the project, and

(d) The nondemand factors, if any, associated with the proposed project, including historical importance, unique scientific or scenic value

The administrator as part of his review shall refer the projects to the State Office of Planning for the purpose of determining their general compliance with the State Development Plan

5096 22 The administrator, after completing his review, shall forward those projects recommended by the appropriate board or commission together with his comments thereon to the Governor for inclusion in the Budget Bill

In submitting the list of projects recommended for inclusion in the annual budget, the administrator shall organize the projects on a priority basis within each of the purposes as set forth in subdivisions (a), (b), and (c) of Section 5096 15 This priority ranking shall take into account and be based upon at least the following factors

(a) Location with respect to pressures arising from user demand,

(b) Project size and the reason for such size or extent,

(c) The kinds of real property interests to be acquired,

(d) Whether the project is new or an addition to existing state property,

(e) Estimates of direct or indirect capital costs,

(f) Estimates of annual gross and net operating costs for the ensuing five years, and

(g) Compliance with the concept of orderly statewide recreational development consistent with the State Development Plan

In addition, the statement setting forth the priorities shall include the relationship of each separate project on the priority list to a proposed time schedule for the acquisition and development expenditures associated with the accomplishment of the projects contained in said list All projects proposed in the Governor's budget of each fiscal year shall be contained in the Budget Bill as provided in Section 5096 9 of this act

5096 23 Projects authorized for the purposes set forth in subdivisions (a) and (b) of Section 5096 15 shall be subject to augmentation as provided in Section 16352 of the Government Code The unexpended balance in any appropriation heretofore or hereafter made payable from the State Beach Park, Recreational, and Historical Facilities Fund which the Director of Finance, with the approval of the State Public Works Board, determines not to be required for expenditure pursuant to the appropriation may be transferred on order of the Director of Finance to and in augmentation of the appropriation made in Section 16352 of the Government Code

5096 24 The Director of the Department of Parks and Recreation may make agreements with respect to any land acquired pursuant to subdivision (a) of Section 5096 15 of this chapter for continued tenancy of the seller of the property for a period of time and under such conditions as mutually agreed upon by the State and the seller so long as the seller promises to pay such taxes on his interest in property as shall become due, owing or unpaid on the interest created by such agreement and so long as the seller conducts his operations on the land according to specifications issued by the Director or the Department of Parks and Recreation to protect the property for the public use for which it was acquired A copy of such agreement shall be filed with the county clerk in the county in which the property lies Such arrangement shall be compatible with the operation of the area by the State, as determined by the Director of the Department of Parks and Recreation

5096 25 Notwithstanding any other provisions of law, for the purposes of this chapter acquisition may include gifts, purchases, leases, easements, eminent domain, the transfer of property for other property of like value, purchases of development rights, and other interests unless the Legislature shall hereafter otherwise provide Acquisition for the State Park System by purchase or by eminent domain shall be under the Property Acquisition Law, notwithstanding any other provisions of law

5096 26 All grants, gifts, devises or bequests to the State, conditional or unconditional, for park, conservation, recreation or other purposes for which land may be acquired and developed pursuant to this chapter, may be accepted and received on behalf of the State by the appropriate department head with the approval of the Director of Finance

5096 27 There shall be an agreement or contract between the State and the applicant in the case of a state grant project which shall contain therein the provisions that the property so acquired shall be used by the grantee only for the purpose for which the state grant funds were requested and that no other use of the area shall be permitted except by specific act of the Legislature

Notwithstanding any other provision in this chapter, state grant moneys to be used for park acquisition purposes only shall be restricted to those projects contemplating the acquisition of 50 acres or more of real property, or as an addition to an existing park to provide a total park area of 50 acres or more. Such projects shall also be devoted to multiple recreation purposes, as opposed to restrictive, single interest usage

5086 28 Lands acquired by the State shall consist predominantly of open or natural lands, including lands under water capable of being utilized for multiple recreation purposes No funds derived from the bonds authorized by this section shall be expended for the construction of any reservoir designated as a part of the "State Water Facilities," as defined in subdivision (d) of Section 12934 of the Water Code, but such funds may be expended for the acquisition and development of beaches, parks recreational facilities and historical monuments at or in the vicinity of any such reservoir

SEC 2 Section 1 of this act shall become operative January 1, 1965, if the people at the next general election adopt the State Beach, Park, Recreational, and Historical Facilities Bond Act of 1964, as set out in Section 1 of this act

SEC 3 The State Beach, Park, Recreational, and Historical Facilities Bond Act of 1964, as set forth in Section 1 of this act, shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1964, and all ballots of said election shall have printed thereon and in a square thereof, the words "For the State Beach, Park, Recreational, and Historical Facilities Bond Act of 1964," and the same square under said words the following in eight-point type "This act provides for a bond issue of one hundred fifty million dollars ($150,000,000) to be used to meet the recreational requirements of the people of the State of California by acquiring and developing lands for recreational purposes" In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the State Beach, Park, Recreational, and Historical Facilities Bond Act of 1964,' and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred fifty million dollars ($150,000,000) to be used to meet the recreational requirements of the people of the State of California by acquiring and developing lands for recreational purposes" Opposite the words "For the State Beach, Park, Recreational, and Historical Facilities Bond Act of 1964," and "Against the State Beach, Park, Recreational, and Historical Facilities Bond Act of 1964," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the State Beach Park, Recreational, and Historical Facilities Bond Act of 1964," and those voting against the said act shall do so by placing a cross opposite the words "Against the State Beach, Park, Recreational, and Historical Facilities Bond Act of 1964" Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this action, such use of such voting machines and the expression of the voters', choice by means thereof, shall be deemed to comply with the provisions of this section The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election

SEC 4 The votes cast for or against the State Beach, Park, Recreational, and Historical Facilities Bond Act of 1964 shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers, and if it appears that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof, but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

O God Who Art the Creator, Sustainer, and Redeemer of This Universe, We confess our dealing with legislation is like building castles of sand unless we have an adequate foundation We confess our need for a spiritual telescope which can penetrate beyond the low clouds and smog and our ever myopic vision Enable us to see the stars and be guided by Thy great magnetic north of truth, righteousness, and concern for the well-being of the individual. With the inevitable forces

which cause us to drift off course, may we often look to Thee who art the same yesterday, today, and forever

Perhaps this is the meaning of the scriptural admonition, "Pray without ceasing" In Our Saviour's Name—AMEN

PRAYER

Upon invitation of Speaker Unruh, the following prayer was offered by the Reverend F. Douglas Ferrell, Member of the Assembly from the 55th District:

Dear God Our Father. Thou, the Infinite, the Unsearchable, the Inscrutable, before whose unseen presence we bow in brief but humble worship and quiet trust.

Guide us as we grope and seek for light to understand what is our duty in difficult circumstances; guide us surely through our increasing discontent with the

wrong, and our increasing thirst and fervor for the right, and direct and bless all efforts thus inspired to meet and remedy suffering conditions.

Bless us in all things, Thou fountain of good, in our efforts to help and succor, in our attempts to project and invent for the improving of what is imperfect around us, in our daily work with steadfast integrity and purity of ambition and aim.

We ask Thee and thank Thee it is done, through the power of Thy Grace Divine.—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson:

O God, Our Father, We recognize our human frailties and limitations A smiling exterior may conceal a civil war going on within We pray for a measure of composure this day.

May we see the folly of holding ill will for anyone Malice and hatred are luxuries we can't afford; like cancer they poison our system and unfit us for our best In our close dealings with others, may we speak our minds, stand for our convictions, yet not harbor lingering animosities May this body be a family where the crucial issues of life are lived, the greatest stresses faced, yet the deepest loyalties developed
In the name of our Master —AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Bee, the following prayer was offered by Rev. Robert Burns McAulay of the Fremont Presbyterian Church:

God of Our Fathers and Our God, We lift up our hearts to Thee for all Members of the Assembly that those who feel successful may lay hold of the humility of Thy Son and realize their dependence on Thee and that those who feel a failure may

take hold of the patience of Thy Son and our Saviour, and realize Thy will concerns their faithfulness and loyalty to the best interests of the people of our State. Grant that all may care for Thine approval more than for that of man

So for all of the Assembly may this day be one of happy and rewarding service without overanxious hustling but fulfilling the demands of their loyalty to Thee and the people

We ask for Christ's sake —AMEN

PRAYER

Upon invitation of Speaker pro Tempore Bee, the following prayer was offered by Hon. E Richard Barnes, Member of the Assembly from the 78th District:

Almighty God, Our Heavenly Father, By whose providence we all share the rich heritage of this blessed land.

Increase our understanding, dedication, and faith in our Country—these United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic,

a perfect union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes

Help us to love our Country, to support its Constitution, to obey its laws, to respect its Flag and defend it against all enemies

Bind us more closely together in one common dedication to God and freedom's victory. Help us to keep sacred the priceless trust committed unto us in this crucial hour and may we be uplifted with the reassurance that when we obey Thee, we are never left alone, never alien from Thy thought, never out of Thy sight, never orphaned from Thy care, never bereft of Thy concern, never deprived of Thy guiding love

In Thy holy name, we pray —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R. Ferguson

Grant, O God, to Thy Servants, A profound sense of awe in dealing with laws In this age of conformity, may we not be afraid to hammer out truths on the anvil of hard thought and debate Give us convictions, yet may we not be brittle and unable to change attitudes when new light is given Without any consciousness of wearing a halo, may we have the insight to be willing to lose in a cause which will ultimately win, rather than to win in a cause which will ultimately lose
We pray in our Lord's name —AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R. Ferguson

Eternal God, Our Father, We are Thy children who find it so easy to get off course We know Thou art a God not only of wisdom righteousness and justice but Thy attributes are also of mercy, compassion and love

So we pray that—
Where we have sinned, forgive us,
Where we have weakness, strengthen us,
Where we have pride, humble us,
Where we have low motives, elevate us,
Where we have a sense of futility, give us purpose,
And to what we may become through Thy grace, encourage us
We pray in our Master's name—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson.

Thou, Who Art Infinite, Eternal and Unchangeable, We pray to Thee each morning through custom, but may something of Thy Infinity break through into our unimaginative little lives Give us the perspective of the ancient Jewish seer who said, "O Lord, Thou hast searched me and known me! Thou knowest when I sit down and when I rise up, Thou discernest my thoughts from afar * * * and art acquainted with all my ways * * * Whither shall I flee from Thy Presence? If I ascend to Heaven, Thou art there! If I make my bed in hell, Thou art there! If I

take the wings of the morning and dwell in the uttermost parts of the sea, even there Thy hand shall lead * * * If I say, 'Let only darkness cover me, and the light about me be night,' even the darkness is not dark to Thee, the night is bright as day; for darkness is as light with Thee."

Give us something of this majestic truth as we make our decisions this day—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R. Ferguson·

God of all Wisdom, We are grateful for the physical progress of Mr. Stewart Hinckley

We confess we need guidance in life As decisions are made in this Assembly involving the lives and well-being of the people of this State, we confess our short-

comings Give us a more adequate platform from which to make evaluations We often major in the minors of life, and minor in the majors May we be discerning as to how to utilize our time Sometimes we give a person only a minute when we should talk with him for an hour; and with another we talk for hours when we should spend only minutes

We say we are too busy to spend time with our families, as we are here, but often when the opportunity is given, we try to gain the love of wife and children with things rather than with ourselves

We ask for wisdom in dealing with the unretrievable time Make us good stewards of this precious ingredient

We pray in Thy holy name —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

O, Thou Holy God, At the beginning of this week give to us a new sense of purpose and a deeper dedication to face the decisions and problems confronting us. Thou seest the world under the aspect of eternity. We find difficulty seeing it beyond our own prejudices We want honesty, yet rationalizing seems logical, we desire purity, but sin is so enticing, we would be just and honorable in all our dealings, yet compromising seems compelling We pray for courage not to yield to immediate

temptations but to take the longer look and the steeper path if we would reach the heights of service and benefit to our fellow man
Inspire us anew, we pray in our Lord's name —AMEN

PRAYER

Upon invitation of Speaker pro Tempore Bee, the following prayer was offered by Rev. Leon King of the St Stephens Community Presbyterian Church of North Highlands

Almighty God, Who art the creator of the heavens and the earth and who art at the same time, the Father and Lord of us all, we render to Thee the tribute of our praise for this new day, for the everlasting hopes that rise within the human heart, and for Thy revelation which tells of Thy concern for us. We invocate Thy presence this day at the meeting of the State Assembly, that whatever is done, whatever is

said, is the result of Thy teachings and Thy concerns for the peoples of California May we all be cognizant, not only of our responsibility to the people of this State, but also of our added responsibility to Thee to legislate wisely —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson

Eternal God, Who art nearer than breathing, may we be strengthened by our faith in Thee so as to carry nobly the increase of responsibilities We know that the worth of our lives is not dependent upon the material things which we can master, but rather Thy divine challenge which masters us Give us adequate loyalties, enlarged commitments and deeper reverence. Lift us above the clouds of our

animosities, hurt feelings, and deep-seated prejudices. As we ask Thy forgiveness for our sins, give us the grace to forgive those who have wronged us.
We pray in our Master's name—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson

Eternal God, Judge of all nations, we are grateful for living in this land of privilege and opportunity. We are thankful for those who have sacrificed with their lives that we might enjoy our freedoms Yet we know freedom is never won once and for all, but that it requires eternal vigilance and sacrifice. May we neither through apathy or frustrated activity destroy our foundations. Help us clearly to see that

we cannot keep our land free through shortcuts May we cherish our freedom of speech but may we use it responsibly Keep us from calling others with whom we disagree, subversive names, so that the real subversives may go unrecognized. May we not through good intentions cast suspicion upon equally patriotic citizens, thus bringing about ill-will and disseminating confusion which are the potential seeds for our destruction

May we keep our Nation strong and free through living the principles we profess: equality of opportunity for all, respect for each individual, and creating a moral and spiritual fabric for our Nation which will be impervious to sabotage—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson

God of All Nations, We thank Thee for the inspiration of men like St Patrick who, through radiant life and faith, dispersed doubt, superstition and ignorance May we in these days seek to shed forth light amidst the ills and perplexing problems of our times Allow St Patrick's prayer to be ours also this day: "May the strength of God pilot us May the power of God preserve us May the wisdom of God instruct us May the hand of God protect us. May the way of God direct us May the shield of God defend us"
Through Christ our Lord —AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Eternal God, Our Loving Father, we know that Thou dost love the world, for Thou hast given Thyself to us May we not become so enmeshed in grinding out laws that we forget the people for whom these laws are made Keep us from an aloof impersonalness May we empathize with those afflicted with miseries, calamities and injustices Allow us to be developing a basic integrity of life which cannot be swayed by every wind that blows, but give us the courage to chart our decisions by the compass pointing toward justice, mercy, and paths that lead to peace.

In the name of our Lord, we pray.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson·

Eternal God, Our Father, As we begin another week, help us to continue to do serious thinking about how our actions affect other people's lives As we deal with numerous problems, astronomic budgets, and think concerning millions of people,

may we look inside at our own lives for a moment May we honestly pose and answer these personal questions:

Do I *demand from others a morality higher than I consider seriously myself?* In public do I stand for principles which I do not adhere to in private? Am I allowing thought of personal gain to take priority over the public good? Am I tending to be part of the world's problem rather than part of its cure?

Help us to be honest this morning, we pray in our Lord's name—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Bee, the following prayer was offered by Reverend Don Schilling, assistant pastor of the Fremont Presbyterian Church:

Almighty God, Thou Who Art Our Creator and Sustainer, We pause a moment from our busyness to reflect upon Thee. We praise Thee for Thy goodness not only to us but to all men. We thank Thee that Thou hast not left us to stumble and

falter through life on our own, but rather hast entered into our human situation desiring to be in the very midst of our every day affairs Grant, we pray Thee, that as legislators we may understand our work as being service unto Thee Give to each one a heart and mind sensitive to the leading of Thy Spirit and eager for the living out of Thy truth Through our Lord and Saviour, Jesus Christ, we pray —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Eternal God, Our loving Father, Thou who hast put us in a world which is part of a cosmos rather than chaos, give to Thy servants ordered minds that they may face calmly and intelligently the matters before them.

As we look back we realize there have been great men who have made decisions which now make our decisions possible May we have respect for them, but never be intimidated by them As crises and difficult times bring out latent potentials, among this body release hidden springs of statesmanship

May all the men in this Assembly be challenged by this hour to live up to their God-given potential to lead this State in the ways of creative righteousness and peace We pray in our Master's name—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson

Eternal God, We confess that we need that inner quality of life which the early Christians called "Joy" We've increased in our scientific knowledge and are skilled in the art of putting certain ingredients together so that we have a momentary hit and the illusion of happiness, but our songs soon become blurred

We pray for an inner quality of life not dependent upon external happenings May our lives not be mere weathervanes turning with the current winds, tides, and stimuli

May we find steadfastness through Thy gift of joy and peace which qualities of life are so deep, no external happenings can upset our ability to do our work and destroy the quality of inner integrity.

In our Master's name.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

We pray, O God Our Father, For the Assemblymen, the clerks, Sergeant at Arms, secretaries, and all connected with this Assembly. A law of life is that our output is commensurate with our intake. Give to each spiritual and mental refreshment so their tasks become not heavy burdens to bear but opportunities to meet. May they

not become weary with well-doing. They cannot draw new and creative ideas from dry minds As spring is taking over from winter and new evidence of life is appearing in nature, so may there be a renewed vitality and productivity among each of us here this morning

We pray to Thee who art the author of all life —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson.

O Lord, Our God, In these times which try our souls, give us that faith which is an inescapable optimism and the midst of an irresistible pessimism May we have the grace to resist fatigue, depression, and the weight of our inadequacy and have

the vision of the Apostle who said, "All things work together for good to them that love God" We know this is not empirically evident but may it be verified by a long look at Thee, our ultimate concern.
We pray in our Lord's name.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

O God, Our Loving Father, Stretch our minds to the clear realization that our highest concern should be to recognize that we are individually accountable to Thee. Thou art not visible to our physical eyes, Thy thoughts are not our thoughts, and Thy ways are beyond our keenest probings. Yet Thou hast breathed something of Thy life into each of us, Thou hast given us minds forever seeking Thee; Thou hast given us an eternal restlessness, until we make our peace with Thee. May we see the folly of clinging to little prides which can keep us from Thy eternal fellowship and the joy of abundant living. May we be conscious throughout this day that Thou art nearer than breathing, closer than hands or feet.

We pray in our Master's name.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

God, Our Father, Give us vision to see beyond the obvious. May we not have closed minds and then complain because we cannot see Thou dost teach that spiritual things are spiritually discerned, that if any man will do Thy will he shall know We pray for real knowledge concerning our lives, our purpose and destiny here on earth. May we not settle for half-truths which so often are more

dangerous than obvious falsehoods Give us, O God, insight as to what truths to stand for, where to stand, and the courage to stand, or we are apt to fall for anything

Give us Thy grace this day. In our Master's name —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

O Merciful God, As we continue to deal with laws, may we not forget the first and second commandments That we love Thee our God with all our heart, our soul, and our mind. Then we can love our neighbor as ourself.

May we see clearly that if we are faithful to Thee, we cannot be false to any man

We pray in our Lord's name.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

O God, In Whom We Live and Move and Have Our Being, May we never be so immersed in our problems of government that the joys of life escape us We thank Thee for the beauty of this morning hour May we also be inspired by integrity, honor, courage and steadfastness, in the lives of our colleagues We are grateful for

social victories, and for light which has come out of darkened understandings; for love which has proved stronger than hate Grant, our Father, to the Members of this Assembly deep reservoirs of patience, faith, and goodness, as they make their decisions this day

In Thy *strong Son's name*, we *pray* —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Almighty and Eternal God, As we begin the second half of this session, clearly bring before us the purpose for which we are here—to serve Thee and the people of this State and not ourselves As the tempo increases, the pressures become greater and the hearings seem endless, give us a depth of calmness and serenity May we not needlessly alienate others through thoughtlessness or planned action In our better moments we know the stakes are too great to take out our inner frustrations and discontents on others

May we be at peace with Thee, with ourselves and our fellow man. Be with the wife of our Sergeant at Arms May she and the family have sustaining faith and courage We pray in the name of the Prince of Peace.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson:

Eternal God, Help us ever to take a long look before we make quick decisions Forgive us for often complaining when we live in one of the most gifted spots in the universe We realize that our luxuries are, for others, necessities, what we waste would enable others to survive We do thank Thee for our natural resources and the abundant ingredients for life here in our State May we be good stewards of what we have and administer wisely, not thinking merely of ourselves, but of others and the generations yet to come
We pray in our Lord's name —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Everlasting and Gracious God, As the Christian world celebrates Palm Sunday, when our Saviour came into the city of Jerusalem, not in pomp, but in humility, not to storm its gates, but to change its heart; enable us spiritually to discern the signs of his teachings for our city.

May we not with our lips acclaim Him as our King on Sunday, and then by our deeds of pride, self-interest, myopic vision for others, crucify Him on Friday. May we look more deeply within so we may serve more adequately without
We pray in His Name.—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson.

Gracious God and Father, Give us the needed perspective in life so that on occasion when we are pessimistic by the days, we may ever be optimistic by the centuries Although forces of evil win many battles, we know the final victory is with Thee May we choose long-term right, rather than short-term wrong.

We pray Thy blessing to be with Members of our Assembly going through physical stress May Thy grace be sufficient for them, for Thy strength is made perfect in our weakness

In our Lord's name, we pray —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

Everlasting and Gracious God, As we enter this "Holy Week," keep us aware of its historical significance, and also its contemporary implications Only by the highest of our deeds and actions are days holy May we be inspired by Him who lived in another section of the world, under different circumstances, and yet spoke to mankind of love, self-sacrifice, justice, mercy, and peace. Give us grace to be worthy of Him and his march through the centuries; who came not to storm and break down lives, but to elevate them.

In His holy name we pray.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson.

God, Our Father, Thou dost teach, that forgiveness is one of the deep therapies which each of us needs May we have no alienations between ourselves and Thee, our families, or with one another So often we have dull minds but sharp tongues, may we not allow ourselves the seeming luxury but deteriorating factor of harboring ill will toward another for past grievances. Keep our minds warm and our hearts

rational With our total being may we desire to fulfill to the best of our abilities the strategic tasks which lie before us.
In our Lord's name we pray —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Gracious God and Eternal Father, May we not be afraid to speak of right and duty for fear of sounding pious We confess our decisions can be so often swayed by our prejudices rather than a sense of rightness May we not allow our pride to become an idol, our laziness lull us to false security with second-rate goals, or our busyness and activity be confused with accomplishment May we be quiet long enough to hear that still small voice within, which says, "This is the way, walk ye in it"

We pray in our Lord's name —AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson·

O Thou Who Art Our Creator and Redeemer, Give to us the spiritual discernment to know something of the mysteries of this Holy Week Thy Son didst embody humility by washing the dirty feet of men, didst create an eternal fellowship through the Last Supper; allowed goodness to be crucified, but didst reveal that Thy love overcomest our evil, and that death is but the launching platform into eternal life with Thee

May we live in the realism of Good Friday and with the everlasting hope of Easter morning

We pray in our Master's name.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson

O Lord, Our Father, In this post-Easter season, may we not get back in old ruts, but have courage to launch forth along new highways of the spirit May we see clearly that Thy love and truth outlast death; that righteousness will ultimately triumph over all wrong and that our ultimate destiny is never annihilation, but

transformation Give us assurance to walk forth facing difficult decisions but with the confidence that the smallest matter can be of utmost importance, and may we endeavor to our maximum abilities to do Thy will, and serve the people of this State

In our Master's name —AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson .

God, Our Father, Give us a deeper sensitivity to the feelings of other people May we realize that we are persons who will to live in the midst of other persons who will to live We desire fullness of life and expression, so do they. Help us not to juggle people as we would columns of figures, or try to fit them into neat patterns so our little blueprints are accurate

May we ever endeavor to live with the consciousness that we are all children of an everlasting Father, and Thou hast no favorites as we are all equally precious in Thy sight

In the name of Thy Son —AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Eternal God, We could not seek Thee hadst Thou not already found us. Our spiritual seismographs and radio-telescopes are not adequate to search Thee out and find Thee. Unless Thou dost come down the avenues leading to our little lives, we shall miss Thee. As Thou dost come to enrich and ennoble our dwellings, may we not be so busy with things, that we fail to give Thee entrance; or intrigued with our plans that we miss our eternal destiny. We pray for a fulfillment of life, in the name of Him who came that we might have life and have it more abundantly.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

O God Our Father, Look kindly upon this Assembly Most of our citizens can think, talk, and speculate about issues Here decisions must be made and thoughts and words become deeds affecting our entire people Speak to us through the initial goal which inspired the running for office Shame us from losing the vision and settling for low motives of greed and selfishness Give us courage ever to contend for the right as we see it.

May we set our sights above mere partisanship, and work for international brotherhood and peace Beyond all visible goals may our work here be of such a nature that we have a part in bringing about the Kingdom of God —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

God and Father of All Mankind, We pray that Thou wouldst forgive our foolish ways We are striving for liberty and freedom, our priceless treasures, yet too often we turn them into license.

We pray for the motivation to find the right disciplines for our lives May we discipline our minds so our speeches are not rivers of words and trickles of thought.
Help us to discipline our actions so we are not moral weather vanes turning with every wind of temptation
May we discipline our time Take from us the subconscious egotism that our minutes are most important and others can always wait for us. But may discipline always be exerted in a framework of goodwill
In our Master's name —AMEN.

PRAYER

To following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

Our Father, May we not be sleeping through world revolution Guard us against a brittle mentality which cannot encompass new situations demanding novel decisions Save us also from accepting as new and exciting that which has been tried and discarded millennia ago. Give to us the zest and throb of anticipation in living in these days, facing these problems, and making decisions as Thou dost give us light to see the right

We pray for stature sufficient to see clearly our own immediate problems, but the ability to look over and beyond them and see the world and thus have better perspective in facing immediate issues

We pray for the daughter of Carlos Bee Wilt Thou give sustaining grace to her and the family.

In the name of the Great Physician.—AMEN.

Quorum present

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R. Ferguson.

We Thank Thee for the Mystery of Life Though we hold no blueprints, only in weak moments do we hold it is "a tale told by an idiot full of sound and fury, signifying nothing" Thou hast given us life as the highest trust Help us to use this trust as the most precious of gifts

For those who have lost the way and who live in the shadows and cause misery to themselves and others, give guidance to this Body as they consider this age-long problem.

Give us the balance to think of society, yet never lose the inestimable value of the individual

The Scriptures say, if any man lacks wisdom, let him ask God Very humbly, our Father, we ask wisdom from Thee this day —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson·

Eternal God, Our Loving Father, The Scriptures say many are called but few are chosen In a real sense these members have been chosen by the people and have the privilege of co-operating with Thee in helping to make this a better world Be with them as they face their tasks this day May their spirits not be seared by defeats, vindictive by victories, dulled by monotony, or gilded by glamor Give that fortitude to work when the inspiration has vanished, to think when the mind must plow deep for ideas, to do one's duty when we crave only our own pleasure

We pray for stability this day in our Master's name —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson.

God, Our Loving Father, We confess we experience something of Whitman's reaction to a learned astronomer's lecture, with proofs, figures, columns, charts and diagrams Suddenly the poet became tired and sick, 'til rising and gliding out he wandered off by himself in the mystical moist night air and from time to time looked up in perfect silence at the stars

We pray, O God, that the dome of this Capitol may be something of our observatory When we become confused with issues, blurred with budgets, sick of pressures, may we from time to time in silence look up and see beyond the stars In Our Master's name —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson

Eternal God, Our Compassionate Father, Help us to be aware of our part in this vast world Enable us to be developing into real people and total personalities May we not settle for a nation of intellectual giants, but moral pygmies Give us a moral equivalent for war May we see that spiritual and Christian values are not negative, but explosively creative

As we are exploring the atom and giving top priority in our march toward outer space, may we not forget the quality which can help us to walk confidently upon this earth May we love Thee our God, and then our fellow man, as ourselves

In Thy name we pray —AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Eternal God, In the midst of all of our planning, budgeting, influencing, may we not forget who we are and who all our actions are for Thou dost teach that man is spirit That he must have self-respect, not given or taken by dollars His freedom can never be purchased His character can never be found in the social register.

Thou knowest, O God, our continual action for more and better things, but along with these, give us the insight to see that man's deepest needs are for dignity, value and worth. In our Master's name.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson

Eternal God, Our Loving Father, Help us to take our gang of fighting emotions and conflicting interests and organize them into a unified army which advances with poise and purpose to fulfill our life's mission May we, who are created in Thine image, not abdicate the intellectual and moral generalship of our lives and allow some corporal of an emotion or whim to give the commands and hold our entire being in captivity Lift us above the easy cynicisms and give us the vision that we have been brought to this place of responsibility and prepared by the past for leading in this hour

We pray in our Lord's name —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson:

Eternal God, Our Loving Father, We can easily become discouraged because Thy mills grind so slowly; that justice is often blocked; that righteousness is seldom as alluring as evil; that expediency wins so often over principle and that the way to better laws must climb such a precarious trail

Give us the vision to see that our historic faith did not roll out of a featherbed and yawn across the world Rather it came down from a Cross, climbed out of dungeons, walked through the flames of persecution, and for centuries lived on the brink of annihilation. Forgive us for becoming soft and craving ease May we live creatively for that for which others have died.

In our Lord's name.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

Eternal God our Loving Father, May we have before us the spiritual and legal goals of attainment which the climbers had when they set out to climb Mt Everest Thou hast put something of the eternal in our hearts which drives us on to the heights May we not have the motivation to conquer physical ultimates and then settle for a foothill walk in the realms of human relations, better understandings among people and our own personal integrity.

May we too strive for the zenith in our personal lives and live in fellowship with Thee, our God, and our fellow man.

In our Master's name, we pray.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Bee the following prayer was offered by Rabbi Irving I. Hausman, of the Temple B'nai Israel.

Lord Our God—We pray that the name of America be inscribed forever in the history of mankind as one of its greatest benefactors We pray that our wisdom and inventiveness will break the paths, through which the new world can march into peaceful and prosperous uplands, into the heights on which our children and grandchildren will live, unhaunted by those nightmares which have been the portion of so many people May our ingenuity help bring about the salvation of mankind and the inauguration of a new era of peace for all men —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Eternal God, Father of Us All, We pray this morning for our Country Give guidance to our President and national officials Be with our Governor, his staff, and all officers of our State. As we give affirmation of our belief in Thee, in our flag salute, and on our coins, may we not defy Thee and Thy laws in our dealings with each other. Remove from us race prejudice, and may no actions be foolishly taken now which weaken the moral structure of our people and Nation

Forgive those of us who call ourselves Christian, yet do not give equality of opportunity to other races May we see our hypocrisy in sending money overseas to the people we humiliate here at home. Take away our masks and may we see ourselves as all forgiven sinners needing Thy grace —AMEN.

Quorum present

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson.

God Our Father, As we approach Mother's Day and Christian Home Sunday, may we be neither cynical nor overly sentimental. As many of our friends through their office must pay the sacrifice of spending much time away from home, may its strength

be an inspiration to them while performing their legislative duties Give us the unsophisticated wisdom and humility of the father who said

Last night my little boy confessed to me
Some childish wrong,
And kneeling at my knee,
He prayed with tears—
"Dear God, make me a man
Like Dad—wise and strong;
I know you can"
Then while he slept
I knelt beside his bed,
Confessed my sins,
And prayed with low-bowed head
"O God, make me a child
Like my child here—
Pure, guileless,
Trusting Thee with faith sincere"

—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Our Eternal Father, We ever pray for peace and are so often frustrated by what we read of strife in distant places. Yet Thou dost show that world wars are only individual tensions multiplied We pray that as persons we may be growing toward maturity and unified beings rather than individual civil wars which are the world problems Guide the special areas of strife in our own land that they may be contained and reasonable solutions achieved

As we condemn others for prejudices which bring about hostilities, may we look honestly within and see that we are not harboring this disease

In Thy name we pray.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson

God, Our Loving Father, We thank Thee for important work to do May we take it neither too lightly nor too heavily. Thou dost allow us to live in the midst of happiness and unhappiness, hope and dread, good and evil, fear and faith Grant us strong vision so our horizons are not darkened by the problems of life

Rekindle the flames of faith and gratitude so that we walk steadily along the sometimes narrow pathway of service May no obstacles keep Thy servants from doing their best this week

In our Lord's name—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R. Ferguson:

God, Our Loving Father, As in our Country and throughout the world, there are so many potential eruptions which would engulf us in conflict; give us cool heads and warm hearts as we face our daily decisions Take from us a parochial complex and may we see we are all closely related on this little planet and our actions or indifference to act have world implications Keep us from frustration at the many decisions to be made, and calmly may we continue to act within our strength and judgment

We ask Thy divine presence to sustain our friends the Pattees May they and we have such an adequate philosophy and faith that the crises of life never thwart but only more certainly draw us within Thy divine orbit of everlasting love.

We pray in our Lord's name—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson

Eternal God, For the privilege of living in these exciting times we give Thee thanks We are awed by the intelligence of our scientists who are opening new vistas and intellectual frontiers before us

May our expanded knowledge give us *not pride but greater humility* as we contemplate the distance we travel in space compared to the slow progress we make in human understanding Thou alone knowest how much easier it is to guide a missile than a man May we see that the greatest advances need now to be made in the field of human brotherhood and love for all mankind

We are grateful that we live in a universe which has at its center not a formula but a person Forgive us for doubting Thy love for us when we can hear a heartbeat in outer space—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

Grant to us, O God, The ability to put aside the layers of deceit, impurity of life and motive, and amidst the temptations pulling in so many directions, help us to steer a course toward truth to the best of our abilities

May the faith of the constituents, the people of our State, our families, and Thy faith in us be fulfilled through the words and actions of Thy servants—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson

Eternal God, We thank Thee for the privilege of living in these days although they oscillate between the possibilities of a fuller life or extinction Save us from living small and sheltered lives in these expanding times May we see it is not merely what we do and accomplish, but what we identify ourselves with that leaves the deepest footprint May we not be content in winning little issues when we should face the challenge of losing, but for great issues Give to these, Thy servants, eyes seeking the right pathway, ears which hear evidence impartially, minds which evaluate accurately and seek truth tenaciously Equip them morally and spiritually for meeting the challenge of this hour

In our Lord's name —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson·

Eternal God, Grant us the ability to find balance in life yet not be on dead center or settle for mediocrity

May we seek truth and then be willing to follow what we find, may we be strong without oppressiveness; moral without being stuffy; may we speak our minds without losing our heads, help us to stand for convictions without having closed minds May we speak to issues and fight for our principles without intentionally wounding our opponents

In our Lord's name we pray.—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

God of Abraham, Isaac, Jacob and Our Father, Thou hast spoken to us in many ways through nature, the Prophets, the Scriptures, Christ, and fallible men in our own Nation. May we have the insight to pray as did Benjamin Franklin in the Constitutional Convention: "We have been assured, Sir, in the sacred writings, that except the Lord build the house, they labor in vain that build it. I firmly believe this, and I also believe that without His concurring aid we shall succeed in this political building no better than the builder of Babel. I, therefore, beg leave to move that henceforth prayers asking the assistance of Heaven and its blessings on our deliberations be held in this Assembly every morning before we proceed to business."

May we have this sense of urgency and receive divine guidance given to those who diligently seek.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Eternal God, Creator of This Wondrous, Mysterious Universe, We humbly bow in Thy presence under the dome of this Capitol

May we this morning reflect upon the circumstances and the prayer prayed by Astronaut Cooper on his 17th orbit around our planet. Give all of us something of his humility and insight:

"I want to thank you especially for letting me fly on this flight Thank you for the privilege of being able to be in this position, to be in this wondrous place, seeing all these startling wonderful things that you have created Help guide and direct all of us that we may shape our lives to be much better Christians, so that we may help one another and work with one another rather than fighting and bickering Help us to complete this mission successfully . being with our families Give us guidance and encouragement and let them know that everything will be okay We ask in Thy name"—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson:

God Our Eternal Father, We pray this morning for the Christian ingredient of patience We confess that some of us are so wound up that when we have a moment of calmness, we are tense We can be perturbed at missing an elevator Thou knowest our need for help when our decisions must be made at a given second and we must decide often without sufficient evidence.

Give us stability to act under pressure But may we occasionally throughout the day have an oasis of thought and spirit with the realization that we are Thine
With Thee a thousand years is as a day, and a day as a thousand years May we use our time, not nervously, but effectively Give us deep spiritual resources upon which to draw in making hard decisions
We pray in Thy name —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson.

Eternal God, In the maze of life may we be quiet long enough to hear Thy still small voice saying "this is the way, walk in it"

May our physical accomplishments never explode our egos but deepen our sensitivity to our goals We have climbed Mt Everest, now may we make progress in surmounting racial inequalities here in our own Nation We have circled our world and reach for the moon and planets, may we now have the will to make bridges between different peoples, nations, and ideologies We have gone to the depths of the sea; may we have courage to look within our lives and deal with our inner frustrations which keep us from knowing ourselves and one another

In Thy name we pray —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson·

Eternal God, Lord of Life. We pause for a moment at the beginning of this new week and pray for strength, courage, and perspective As one of the ancients stated that if he had a place to stand and the needed equipment, he could move the earth

Give us a place to stand so that we may endeavor to hold the world together Our scientists never understood the earth 'til they looked at the stars We don't understand ourselves and our relationship to one another until we realize Thou art the Father of us all and each individual is equally precious in Thy sight

May we stand with Thee this day and strive for righteousness and justice In Thy name —AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R Ferguson:

God Our Eternal King, In this moment fill our silence with Thy presence, our emptiness with Thy love, our inadequancies with Thine abundance May we ever be close enough to our work and constituents to be relevant, yet sufficiently detached to make objective decisions

While during the course of a spring day we go through many inner storms, may we ever have a quiet center which stills the tempest and gives us the motivation to serve Thee, our God, and our fellow man May our social imperatives never be dulled by selfish options.

In Thy name we pray.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson:

Eternal God, We direct our prayers toward our Roman Catholic brothers and their Pope John XXIII in his critical illness.

We are grateful for his breadth and vision and initiative through Thy spirit in revealing Thy love which crosses all sectarian boundaries May there continue to be better understanding between peoples of all faiths May we not by narrowness, lack of sensitivity and charity, cause our brothers outside the faith to stumble because of our unchristian attitude and actions May we live and work for the fulfillment of our Lord's prayer that we may all ultimately be one.

In our Master's name we pray.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson:

Eternal and Ever Present God, In this season of Pentecost, we pray for an infilling of our little lives with Thy grace

Long ago a group of perplexed men, lacking motivation, were assembled in a room Suddenly these lives were filled with Thy Holy Spirit and they became known as those who turned the world right side up As they were given new insight, love for their fellow man, deeper compassion for the needs of others, and the confidence that they could do something to make this a better world, so may this group of Thy servants receive this same experience this morning. Our opportunities for helping our fellow man are limited by our humanity.

May something of Thy divinity merge with our endeavors In Thy name we pray.—AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson

Gracious God, Our Father, We pause in Thy presence at the beginning of this new day May we not mar it with low motives, caustic words or shabby deeds Wilt Thou sound trumpets in our souls this day Grant us such a margin of spiritual reserve that our minds and nerves become not frayed before our tasks are completed Dispel from our lives needless tensions and false anxieties

May we be developing into mature people who can afford to be candid and open in our lives because we have nothing to hide

In the spirit of our Master we pray.—AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev. Robert R. Ferguson:

Eternal God Our Father, This morning we pray for a keen sense of responsibility without an accompanying halo or spiritual pride May our citizens not always wait for Washington or Sacramento to act but realize our government is effective in proportion to individual moral and intellectual integrity plus spiritual vitality. Thou hast taught us that laws may be helpful but they can never make men good, and as we tend morally to decay we produce more laws

May our citizenry not put blame on our capitols but realize national health is only personal integrity written with a large pen May we be moral without being offensive

In the name of Christ, our Lord —AMEN

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R Ferguson:

Eternal God, Who hast created this mysterious universe and pronounced it good; may we use the freedom Thou hast given us to elevate life rather than degrade it We pray for balance between the brilliance of our scientific advance and our moral

and spiritual regression May we learn to accelerate goodness or face the possibility of mass suicide by the very instruments we have created.

May we, a proud people, see the need for humility, and creative good will; may we use the same tenacity to break down racial barriers and inter-personal problems that we used for splitting the atom —AMEN.

PRAYER

The following prayer was offered by the Chaplain, Rev Robert R. Ferguson.

God, Our Father, In the midst of these trying, yet potentially such fulfilling days, wilt Thou illumine our darkness As we come toward the close of this course, may we not coast home, but give our best to finish strongly These, Thy servants, were willing to be elected to tasks whose responsibilities are more exacting and demanding than they imagined Give them physical, mental and spiritual strength to rise to this occasion and have the sense of destiny that they have been born for such an hour as this. In this assurance may they proceed till the end of this session.
In our Lord's name —AMEN.
