Assembly Bill No. 160 ordered to unfinished business file.

Explanation of Vote

My reasons for desiring reconsideration of Assembly Bill No. 160, equal pay for equal work

I was co-author on Assembly Bill No. 160 because it provided for unconditional equal pay for equal work as between the sexes. The Senate amendments provide for unequal pay for equal work. Burden of proof of injury is placed upon the injured party, therefore I have now voted to reconsider this bill, as amended in the Senate and passed yesterday.

VERNON KILPATRICK

MOTION TO TAKE UP NOTICE OF MOTION TO RECONSIDER ASSEMBLY BILL NO. 1536, AT THIS TIME

Mr. Collier moved that the motion by Mr. Lewis to reconsider the vote whereby Assembly Bill No. 1536 was this day passed be taken up, at this time.

Mr. Yorty seconded the motion.

Point of Order

Mr. Waters arose to the following point of order: That the motion is out of order because, pursuant to an opinion rendered by the Legislative Counsel, the Rules must first be suspended for the purpose of taking up a notice of motion to reconsider a bill on the day such notice is given.

Ruling by Speaker

Speaker pro Tempore Maloney ruled the point of order well taken.

ADJOURNMENT

At 2.22 p.m., on motion of Mr. Dickey, Speaker pro Tempore Maloney declared the Assembly adjourned until 10 a.m, Monday, June 13, 1949.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

Spirit of Loyalty: As we approach Flag Day may we look with loving eye upon the historic banner of our Country.

May we see it waving over Lexington, in the epoch making shot that changed the maps of the world, and see it waving over the Bon Homme Richard when it began the glorious history of the American Navy.

See it leading the Rough Riders up San Juan Hill, driving despotism from this Western Continent, and see it leading at Argonne and at Normandy to free all the world from the menace of tyrannies.

May we feel the outburst of hope that springs up in the hearts of the oppressed everywhere and of every loyal citizen, whenever its glistening bars and stripes unfold and flash in the sunlight.

Now may the Red, White and Blue forever proclaim those rights and freedoms of the mind and soul from which spring the fame and greatness of America.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of the Speaker pro Tempore, the Assembly gave the pledge of allegiance to the Flag.

"SECTION 1. Section 253 of the Vehicle Code is amended to read:

253. Instruction Permits. Any person over the age of 14 years may apply to the department for an instruction permit. The department for good cause may issue to the applicant an instruction permit which shall entitle the applicant while having such permit in his immediate possession to drive a motor vehicle upon the highways for a period not exceeding [90 days] *six months* when accompanied by, and under the immediate supervision of, a licensed operator or chauffeur, but the applicant need not be so accompanied when operating a motorcycle. The department may further restrict such permits as the department may determine to be appropriate to assure the safe operation of a motor vehicle by the permittee.

SEC. 2. Section 254.6 is added to the Vehicle Code, to read:

254.6. Student Licenses. (a) Any student over fourteen years of age taking a course in automobile driver training, maintained pursuant to Article 2 of Chapter 1 of Division 5 of the Education Code in a secondary school may apply to the principal of the school for a student license. Application shall be made upon a form provided by the department. The application form must be signed by the applicant before the principal of the school, or a staff member assigned to such duty. The application must be accompanied by a statement, on a form provided by the department, signed by the parents or guardian or person having custody of the minor, consenting to the issuance

of a student license to the student and accepting liability for civil damages arising out of the student's driving a motor vehicle upon a highway as provided for in Section 352 of this code.

(b) The principal or staff member assigned such duty may issue or reissue a student license without cost whenever in his opinion the applicant is qualified to take the course of instruction and has filed a proper application therefor.

(c) Upon the issuance of a student license the application together with the statement of consent signed by the parents, or other persons required to sign, shall be forwarded to the department for filing.

(d) A student license shall limit the operation of a motor vehicle to such times as the licensee is taking driver training in connection with the driver education program and then only at the direction and under the supervision of the instructor, and shall be valid only for the period covered by the course and for not more than six months from the date of issuance.

(e) A student license may be canceled by the principal of the school or by the department whenever in the opinion of either the safety of the licensee or other persons requires such action, and shall be canceled upon the written request of the parent or other person who signed the consent to issue the license.

(f) All student licenses shall be surrendered and returned to the department whenever canceled or upon completion of the course of instruction for which issued.

(g) The department may make rules relative to the issuance of a student license."

"SECTION 1. Article 4, comprising Sections 98 to 98.10, inclusive, is added to Chapter 3 of Division 1 of the Agricultural Code, to read:

Article 4. Civic Centers

98. The term "governing boards" as used in this article shall refer to the governing board of a district agricultural association, the board of supervisors of a county owning fairgrounds or fair facilities, or the governing board of the State Agricultural Society.

98.1. There is a civic center at each building, surrounding grounds and properties of each district agricultural association, fairgrounds and fair facilities owned by any county and at the buildings, grounds and properties of the State Agricultural Society, where the citizens, civic associations and clubs, voluntary recreation agencies, public recreation agencies, clubs and associations formed for recreational, educational, political, economic, artistic, or moral activities may engage in supervised recreational activities and where they may meet from time to time to discuss as they may desire, any subjects and questions which in their judgment appertain to interests of the community in which they reside. Governing boards may authorize the use, by such citizens and organizations, of any properties under their control for supervised recreational activities.

98.2. The use of any public buildings, surrounding grounds and properties for any meeting or for supervised recreation is subject to such reasonable rules and regulations as the governing board prescribes and shall in no way interfere with the use and occupancy of the public buildings, grounds or properties as is required for the purposes of fairs and expositions or for other purposes under the law.

98.3. The management, direction, and control of the civic center is vested in the governing board having jurisdiction over fair buildings, grounds and properties and such governing board may delegate management of these facilities to public recreation agencies operating under the jurisdiction of counties, cities and counties, cities, recreation districts, school districts or any combination of them. The governing board may designate one or more members, officers, or employees as members of board of recreation commissioners when such board of commissioners has been legally established by some other jurisdiction of government.

98.4. The governing board shall make all needful rules and regulations for conducting the civic meetings and for such supervised recreational activities which aid, assist, and lend encouragement to the organization and operation of these activities.

98.5. The governing board may appoint a person or persons who shall have charge of the grounds, preserve order, protect the property, plan, promote and supervise recreation activities, and do all things necessary in the capacity of a representative of the governing board. The person or persons shall have the power of a peace officer, to carry out the provisions, intents and purposes of this article.

98.6. The use of these public buildings, grounds and properties pursuant to this act shall be granted on the following basis:

a. (When charge is to be made.) In the case of entertainment or meetings where admission fees are charged or contributions are solicited and the net receipts of the admission fees or contributions are not expended for charitable purposes, a charge shall be made for the use of the facilities.

b. (Authority to permit use without charge.) The governing board may, however, permit such use, without charge, by organizations, clubs, associations, voluntary and public recreation agencies, when membership dues or contributions are used solely for the support of the organization, club, association, agency or for the advancement of a recreation program for citizens of the community.

98.7. Lighting, heating, janitor service, and the services of the persons or persons needed, and other necessary expenses, in connection with the use of fair buildings, ground and properties pursuant to this act shall be provided out of any money appropriated by the State for the encouragement of district or county fairs or for the State Fair.

98.8. Any use, by any individual, society, association, club or organization which has as its object or as one of its objects, or is affiliated with any group, society, or organization which has as its object or one of its objects, the overthrow or the advocacy of the overthrow of the present form of government of the United States or of the State by force, violence, or other unlawful means shall not be granted, permitted, or suffered.

98.9. No use shall be granted of such public buildings, grounds and properties in such a manner as to constitute a monopoly for the benefit of any persons or organizations.

98.10. No privilege of using the buildings or grounds or properties shall be granted for a period exceeding one year. The privilege is renewable and revocable in the discretion of the governing board at any time."

Amendment No. 4

On page 1 of said bill, strike out lines 2 to 26, inclusive.

Amendments read, and adopted.

Bill ordered reprinted, engrossed, and to be re-referred to Committee on Agriculture.

The question being: Shall the Assembly concur in the following Senate amendment to Assembly Bill No. 160?

Amendment No. 1

On page 1 of the printed bill, strike out lines 3 to 15, inclusive, and insert

"1197.5. No employer shall pay any female in his employ at wage rates less than the rates paid to male employees in the same establishment for the same quantity and quality of the same classification of work; provided, that nothing herein shall prohibit a variation of rates of pay based upon a difference in seniority, length of service, ability, education, experience, training, skill, difference in duties or services performed, whether regularly or occasionally, or in the shift or time of day worked, *or in availability for other operations normally performed in the business of the* employer or other reasonable differentiation, factor or factors other than sex.

A variation in rates of pay as between the sexes is not prohibited where the variation is provided by contract between the employer and the recognized bargaining agent of the employees

Differences in time, hours of work, interruptions of work for rest periods or restrictions or prohibitions on lifting or moving of objects in excess of a specified weight, when in good faith based on such differences, whether or not required by any statute or regulation or order of any board or commission, whether federal, state or local, authorized to issue the same shall justify a difference in the rate of pay for male and female employees engaged in the same classification of work.

Any action based upon or arising under this section shall be instituted within six months after the date of the alleged violation, but in no event shall any employer be liable for any pay due under this section for more than thirty days prior to receipt by the employer of written notice of claim thereof from the employee.

The burden of proof shall be upon the person bringing the claim to establish that the differentiation in rate of pay is based upon the factor of sex and not upon other factors"

CONSIDERATION OF DAILY FILE (RESUMED)
CONSIDERATION OF HOUSE RESOLUTION NO. 183

By Messrs. Stanley, Tomlinson, Sherwin, Way, Burke, Thompson, Grunsky, Reagan, Dolwig, Weber, Conrad, Kirkwood, Huyck, Connolly, Caldecott, Waters, Silliman, Lincoln, and Babbage:

House Resolution No. 183

Requesting the Assembly Interim Committee on Governmental Efficiency and Economy to study and investigate building laws and regulations and the administration and effect thereof

WHEREAS, Statements in the press and communications to Members of the Assembly indicate a growing feeling that the costs of building construction and the

time and difficulty encountered in such construction is increased because of overlapping and uncoordinated regulations by state agencies; and

WHEREAS, The laws administered by such agencies and the numerous regulations adopted pursuant thereto affect the regulation of building construction by city and county governments; and

WHEREAS, It appears that in the construction of some types of buildings the architect must anticipate all the requirements of the State Fire Marshal, the Division of Industrial Welfare, including those set forth in the Labor Code, the Health and Safety Code, and the regulations adopted thereunder, and in addition must satisfy the requirements of the city or county relating thereto; and

WHEREAS, Such overlapping regulation may force departments of the cities and counties into conflict and duplication of functions because of duties delegated to them with respect to enforcement of state laws; and

WHEREAS, It is necessary that the Assembly be fully informed as to all facts relating to any phase of this subject, in order that it may determine what, if any, legislative action is needed; and

WHEREAS, The ascertainment of such facts and the investigation of such subject falls within the scope of the powers and duties conferred and imposed upon the Assembly Interim Committee on Governmental Efficiency and Economy; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Interim Committee on Governmental Efficiency and Economy be, and it hereby is, requested to study and investigate all laws and regulations of the State of California or its agencies in any way affecting building construction, including but not limited to those relating to buildings, exits, ventilation, sanitation and safety, and all other matters relating to or in any way bearing upon the recitals of this resolution including the operation, effect, administration, enforcement and need revision of any and all laws or regulations relating thereto, and to report thereon to the Assembly, including in its reports its recommendations for appropriate legislation.

The following resolution was offered:

Assembly Concurrent Resolution No. 101: By Mr. Waters—Relative to five certain amendments to the charter of the City of Los Angeles, a municipal corporation, in the County of Los Angeles, State of California, voted for and ratified by the electors of said city at a general municipal election held therein on the thirty-first day of May, 1949.

Referred to Committee on Rules.

ANNOUNCEMENTS

Acting Speaker McCollister announced, on behalf of Mr. Stanley, a breakfast meeting and Republican Caucus at the Hotel Sacramento at 7.30 a.m., tomorrow morning, Tuesday, June 14th.

RESOLUTIONS

The following resolutions were offered:

By Mr. Conrad:

House Resolution No. 249

Relative to directing the Assembly Interim Committee on Governmental Efficiency and Economy to study traffic-management procedures of the State Government and its agencies

WHEREAS, It appears that a saving to the State might be effected by establishing an agency qualified and authorized to see that shipments made by the State or its agencies, and goods shipped to the State or its agencies, are routed and accomplished in the most expeditious, economical and efficient manner possible; and

WHEREAS, It appears that further savings could be effected by adequate state representation, through such agency, before administrative and other bodies authorized to act on rates, tariffs, traffic and related matters; and

WHEREAS, In order to ascertain whether legislation to create such an agency is necessary, and to determine the nature and extent thereof, it is essential that the Assembly be fully informed as to the adequacy and efficiency of existing procedures in state governmental agencies with respect to such shipments, rates, tariffs and traffic problems, and as to the qualifications, experience and efficiency of the persons engaged therein or dealing therewith; and

WHEREAS, Such study falls within the scope of the duties generally imposed on the Assembly Interim Committee on Governmental Efficiency and Economy; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Interim Committee on Governmental Efficiency and Economy to be created at this session of the Legislature is hereby authorized and directed to ascertain, study and analyze all facts relating to or in any way bearing upon the subjects expressed in the recitals of this resolution, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing thereon or

relating thereto, and to report thereon to the Assembly, including in its reports its recommendations for appropriate legislation.

Resolution read, and ordered referred to the Committee on Rules.

By Messrs. Dickey, Hollibaugh, Anderson, Silliman, Dolwig, Doyle, Crowley, and McCollister:

House Resolution No. 250

Relative to the creation of a Fact-Finding Committee on Problems of Water Pollution resulting from sewage and industrial waste disposal

WHEREAS, The problem of water pollution resulting from the disposal of industrial wastes and sewage is a subject of vital concern to the entire State of California; and

WHEREAS, It is a problem requiring exhaustive analysis, intelligent treatment and widespread education of all concerned; and

WHEREAS, Substantial progress toward solution of this problem by proper legislation has been made out of an investigation and study by an interim committee, and continuation of this progress is essential to the health and welfare of the people; and

WHEREAS, It is essential that the Legislature be thoroughly informed on the continued progress made toward eventual solution of this problem; and

WHEREAS, In the interests of the welfare of the public health, agriculture, industry and all others concerned, it is deemed advisable that continued study be given to the subject of this resolution; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Fact-Finding Committee on Water Pollution is hereby created and authorized and directed to ascertain, study and analyze all facts relating to procedures designed to abate, prevent and control pollution of

1 The underground waters of the State; and

2. The lakes, streams and other surface waters, and

3. The lower reaches of the river systems, and harbor, bay and coastal waters; including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution, and to report thereon to the Legislature, including in the reports its recommendations for appropriate legislation.

2 The committee shall consist of _____ Members of the Assembly appointed by the Speaker thereof Vacancies occurring or existing in the membership of the committee shall be filled by the appointing power. The chairman shall be appointed by the Speaker

3. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the next regular general session, with authority to file its final report not later than the _____ legislative day of the next regular general session.

4 The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members

Until the adoption of Joint Rules at this session, the Joint Rules of the last preceding regular session are incorporated herein and made applicable to this committee and its members.

5 The committee or any subcommittee may meet and travel within or outside of this State in pursuing the investigations committed to it

6. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership

(b) To contract with such other persons or agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purpose for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this resolution and to direct the sheriff of any county to service subpenas, orders and other process issued by the committee

(d) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(e) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

7 The sum of _____ or so much thereof as may be necessary is hereby made available from the Contingent Funds of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under

this resolution to be disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

By Messrs. Erwin, Doyle, Hahn, Butters, Heisinger, Burkhalter, and Lindsay:

House Resolution No. 251

Relative to the creation of the Assembly Interim Committee on Fish and Game

WHEREAS, The Constitution of this State guarantees to the people the right to fish upon and from the public lands of the State and authorizes the Legislature to enact such laws for the protection of fish and game as it may deem appropriate; and

WHEREAS, It is necessary that a careful and continuous study be made of all factors directly or indirectly affecting fish and game (including but not limited to the propagation and protection thereof and the taking thereof by sportsmen and commercial interests), in order that proper legislation may be enacted to protect and make fruitful the constitutionally guaranteed rights mentioned above; and

WHEREAS, All matters generally referred to the Assembly Standing Committee on Fish and Game are comprehended within the matters hereinabove referred to, and the members of said committee have acquired some knowledge and experience relating thereto; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Standing Committee on Fish and Game is hereby designated and constituted the Assembly Interim Committee on Fish and Game and is authorized and directed to ascertain, study and analyze all facts relating to or in any way bearing upon the matters expressed in the recitals of this resolution including, but not limited to: Game farms; game and management areas; game refuges; fish hatcheries; the opening and closing of waters around Catalina Island; netting in the inland waters of the State; the utilization of the public domain for the propagation of fish and wildlife, the taking of fish and wildlife by sportsmen and commercial interests and the effect of both upon the rights of present and future generations of citizens; and all other matters directly or indirectly dealing with, related to or affecting fish and game or the enjoyment by the people of their constitutionally guaranteed interest therein; including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation

2. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until March 15, 1951, with authority to file its final report not later than the last legislative day of the 1951 Regular Session. Vacancies shall be filled by the Speaker.

3. The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members.

4. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership

(b) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purposes for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee

(d) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(e) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

5. The sum of ten thousand dollars ($10,000) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under this resolution, to be paid from the said Contingent Fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer

Resolution read, and ordered referred to the Committee on Rules.

COMMUNICATIONS

By the Chief Clerk:

A communication from the Director of Public Works, relative to a proposed study of the feasibility of reclaiming sewage of the principal metropolitan areas for possible re-use for irrigation and industrial purposes, was received, and ordered referred to the Committee on Rules.

By the Chief Clerk:

A communication from W. M. Cornish, Deputy City Clerk, City of Arcadia, with several letters attached, relative to racing at Santa Anita Park, Arcadia, was received, and ordered referred to the Committee on Public Morals.

By Speaker Sam L. Collins:

A communication from P. Merlino, Acting Secretary, Los Angeles Cloak Joint Board, relative to protesting passage of 13 bills, being presented by Senator Tenney, was received, and ordered referred to the Committee on Education.

RE-REFERENCE OF BILLS

By order of the Speaker, the following bill was withdrawn from the file, and re-referred as follows:

Senate Bill No. 958 ordered re-referred to Committee on Public Health.

RESOLUTIONS

The following resolution was offered:

By Mr. Lowrey:

House Resolution No. 252

WHEREAS, In 1939 Assembly Bill 773 was passed adding to the California Fish and Game Code Chapter 5, Division 1, wherein landowners were licensed to collect fees for the privilege of shooting pheasant or quail thereon; and

WHEREAS, In 1943 Assembly Bill 1692 amending sections of Chapter 5 of the Fish and Game Code proposing to "foster and increase the upland game bird population in the State of California" and further stating that "such area must be open to any license hunter for shooting during the entire game management season upon payment of the fee as set forth in the application"; and

WHEREAS, In 1947 Section 50 of the Fish and Game Code was so amended that such an area would be classed as a "commercial" area and that another area would be established as a "non-commercial" area which would restrict hunters to the landowners or lessees choice upon payment of certain fees; and

WHEREAS, Section 51 of the Fish and Game Code states, "if the commission is satisfied, after investigation, that the tract is suitable for the purpose of a game management area and that the establishment of such an area will not conflict with the public interest"; and

WHEREAS, The Bureau of Game Conservation, Division of Fish and Game, has indicated in their reports that such areas can be construed as in conflict with the public interest because records at hand show these areas are recovering not in excess of 17 percent on the average of the birds they are releasing; and

WHEREAS, It follows that a large percentage of the balance of the birds taken under such permits can logically be assumed to be state raised and released birds which have taken refuge on these areas; and

WHEREAS, The 60-day hunting season allowed on such areas as against the 10 days allowed the balance of the State generally, and the seasonal bag limit, on such hunting areas, of 360 pheasants of either sex per hunter as against the seasonal bag limit of 10 male pheasants allowed for the balance of the State generally, creates in the minds of the general public a feeling of being discriminated against; now, therefore, be it

Resolved, That the Fish and Game Commission shall examine in greater detail the evidence as presented by the Bureau of Game Conservation, Division of Fish and Game, *which shows a preponderance of unbanded birds being taken on such game* management areas; and be it further

Resolved, That the commission shall establish additional rules and regulations, prior to the renewal of game management permits for the season 1950, that will bring into better balance the ratio of birds legally taken upon such areas with the number of birds released, to the end that greater assurance may be had that the percentage of game management area banded birds taken will be appreciably increased.

Copies of this resolution to be forwarded to the members of the Fish and Game Commission and the Executive Officer of the Division of Fish and Game.

Resolution read, and ordered referred to the Committee on Rules.

SECOND READING OF ASSEMBLY BILLS (BY UNANIMOUS CONSENT)

Assembly Bill No. 1956—An act to repeal the Judges' Retirement Act and the Judges' Retirement Fund Act, and to add Sections 20041, 20301.1, 20685, and 21210 to the Government Code, relating to the retirement of judicial officers, abolishing the Judges' Retirement System, making members thereof members of the State Employees' Retirement System with the status of state miscellaneous members, providing for the membership of judicial officers in the State Employees' Retirement System, and for the payment of benefits to retired judges and justices by the State Employees' Retirement System, and transferring the moneys in the Judges' Retirement Fund to the State Employees' Retirement Fund.

Bill read second time.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Judiciary:

Amendment No. 1

In line 1 of the title of the printed bill, strike out "repeal", and insert "amend Section 1 of, and to add Sections 3.5, 6.1, 6.2, 6 3, 6.4, 6 5, 6.6, and 6.7 to,".

Amendment No. 2

In line 1 of the title of said bill, after "Act and", insert "to amend Section 5 of, to repeal Sections 6 and 7 of, and to add Section 6 to,".

Amendment No. 3

In the title of said bill, strike out lines 2 to 12, inclusive, and insert "Retirement Fund Act, relating to the retirement of judicial officers, providing for the administration of the Judges' Retirement System by the Board of Administration of the State Employees' Retirement System, and for the administration, investment, and custody of the Judges' Retirement Fund."

PRINTER'S NOTE—There being no 7-point strikeout type available, the material which should appear in strikeout type in the following amendment is indicated by being enclosed within brackets.

Amendment No. 4

On page 1 of said bill, strike out line 1, and insert

"SECTION 1. Section 1 of the Judges' Retirement Act is amended to read:

Section 1. (a) Every justice of the Supreme Court, or of a district court of appeal, or judge of a superior court or municipal court

(1) Who has attained the age of 70 years and who has been a Judge or Justice of the Supreme Court, a district court of appeal or superior court or municipal court, or any two or more of said courts, for 10 years in the aggregate within the period of 15 years immediately preceding, or

(2) Who has attained the age of 65 years, and who has been a Judge or Justice of the Supreme Court, a district court of appeal or superior court or municipal court, or any two or more of said courts, for 20 years in the aggregate within the period of 24 years immediately preceding, or

(3) Who has attained the age of 70 years and who has been a Judge or Justice of the Supreme Court, a district court of appeal, superior court or municipal court, or any two or more of said courts, for 20 years in the aggregate, the last five years of which period or periods shall have been served as said judge or justice immediately prior to the filing of the notice of retirement herein provided, and who has paid into the Judges' Retirement Fund a sum equal to the amount he would have paid had he been a Judge or Justice of the Supreme Court, a district court of appeal, superior court or municipal court for a period of 10 years immediately preceding the filing of said notice, may [retire by filing written notice of retirement with the Secretary of State] *be retired after filing written application therefor with the Board of Administration*, and a successor shall thereupon be appointed to fill the vacancy.

(b) Every Justice of the Supreme Court, or of a district court of appeal, or judge of a superior court

(1) Who has attained the age of 70 years and who has been a judge of a municipal court or a Judge or Justice of the Supreme Court, a district court of appeal or superior court, or any two or more of said courts, for 10 years in the aggregate within the period of 15 years immediately preceding, having served over six years of that

period as a Judge or Justice of the Supreme Court, a district court of appeal, superior court, or any two or more of said courts, or

(2) Who has attained the age of 65 years, and who has been a judge of a municipal court or a Judge or Justice of the Supreme Court, a district court of appeal or superior court, or any two or more of said courts for 20 years in the aggregate within the period of 24 years immediately preceding, having served over six years of that period as a Judge or Justice of the Supreme Court, a district court of appeal or superior court, or any two or more of said courts, may [retire] *be retired after filing written application therefor with the Board of Administration* if he pays into the Judges' Retirement Fund a sum equal to the amount he would have paid had he been a Judge or Justice of the Supreme Court, a district court of appeal or superior court during the time he was a judge of the municipal court during the 15- or 24-year period. Any sums paid into any State Retirement Fund under any existing law or under any law hereafter adopted for the retirement of judges of a municipal court, shall be deemed paid into the fund for the retirement of Judges or Justices of the Supreme Court, a district court of appeal or superior court or municipal court if such funds are transferred to the fund for the retirement of such judges or justices.

Any justice or judge who has served 30 days less than the aggregate number of years required for retirement shall be deemed to have been a justice or judge for such aggregate number of years within the meaning of this section.

Any justice or judge whose term of office expires within 30 days before he shall have attained the age required for his retirement, shall be deemed to have attained such age within the meaning of this section at any time during the 30-day period immediately preceding his actual attainment of such age

SEC. 2. Section 3.5 is added to the Judges' Retirement Act, to read:

Sec. 3.5. When there is filed with the Secretary of State a certificate of retirement of any judge or justice for disability, pursuant to Section 3 of this act, the Secretary of State shall immediately cause a copy thereof, certified by him to be a true copy, to be transmitted to the Board of Administration.

SEC. 3. Section 6.1 is added to the Judges' Retirement Act, to read:

Sec. 6.1. Except as otherwise expressly provided in this act, the Judges' Retirement System established by this act shall be administered by the Board of Administration of the State Employees' Retirement System. Wherever in this act or in the Judges' Retirement Fund Act reference is made to the Board of Administration" or to "the board," such reference means and shall be construed to refer to the Board of Administration of the State Employees' Retirement System, and wherever in this act or in the Judges' Retirement Fund Act reference is made to "this system," such reference means and shall be construed to refer to the Judges' Retirement System established by this act.

SEC. 4. Section 6.2 is added to the Judges' Retirement Act, to read

Sec. 6.2. The board may make such rules as it deems necessary and proper for the administration of this system. The board shall determine who are the members of this system, and is the sole judge of the conditions under which persons may be admitted to and continue to receive benefits under this system. Each member of this system shall file with the board such information affecting his status as a member as the board may require.

SEC. 5. Section 6.3 is added to the Judges' Retirement Act, to read:

Sec. 6.3. The Secretary of State shall give the board immediate written notice of any change in status of any judge or justice resulting from induction into office, resignation, expiration of term, death, or any other circumstance terminating his office as judge or justice, of which the Secretary of State has official knowledge, and the county clerk shall give the board written notice of any such change in status of which he has official knowledge.

SEC. 6. Section 6.4 is added to the Judges' Retirement Act, to read:

Sec. 6.4. If it is impractical for the board to determine from the records the length of service, compensation, or age of any member of this system, or if any member refuses or fails to give the board a statement of his judicial service, compensation, or age, the board may estimate such length of service, compensation, or age.

SEC. 7. Section 6.5 is added to the Judges' Retirement Act, to read:

Sec. 6.5. In addition to other records and accounts, the board shall keep such records and accounts as may be necessary to show at any time:

(a) The total accumulated contributions of members

(b) The accumulated contributions of the State held on account of members, which shall include the amounts available to meet the obligation of the State on account of benefits granted to retired members.

SEC. 8. Section 6.6 is added to the Judges' Retirement Act, to read.

Sec. 6.6. If more or less than the correct amount of contribution required of members or the State is paid proper adjustment shall be made in connection with subsequent payments, or such adjustments may be made by direct cash payments between the member or the State and the board. Adjustments to correct any other errors in payments to or by the board may be made in the same manner.

SEC. 9. Section 6.7 is added to the Judges' Retirement Act, to read:

Sec. 6.7 As soon as practicable after the close of each fiscal year, the board shall file with the Governor a report of its work for such fiscal year. Not later than March 15th next following the close of the fiscal year, the board shall transmit a copy of such report to each house of the Legislature.

SEC. 10. Section 5 of the Judges' Retirement Fund Act is amended to read:

Sec. 5 Should any justice or judge of any of the said courts die, resign or cease to be a justice or judge of any of the said courts, except in the event of his appointment or election to a court of higher rank, prior to the time he shall have been retired as provided by law, the amount of his accumulated contribution shall be paid to his beneficiary nominated by written designation duly filed with the [Secretary of State] *Board of Administration*, or to him, as the case may be.

SEC. 11. Sections 6 and 7 of the Judges' Retirement Fund Act are repealed.

SEC. 12 Section 6 is added to the Judges' Retirement Fund Act, to read

Sec 6 The board has the exclusive control of the administration and investment of the Judges' Retirement Fund, with the same powers and duties, and subject to the same restrictions, that are applicable to the administration and investment of the State Employees' Retirement Fund All of the provisions of the State Employees' Retirement Law applicable to the administration, investment, and custody of the State Employees' Retirement Fund are hereby made applicable to the Judges' Retirement Fund, to the same extent and with the same effect as if the Judges' Retirement Fund were expressly mentioned therein."

Amendment No. 5

On page 1 of said bill, strike out lines 2 to 21, inclusive; and on page 2, strike out lines 1 to 51, inclusive.

Amendments read, and adopted.

Bill ordered reprinted, engrossed, and to be re-referred to Committee on Judiciary.

Net Increase	$14,144,255	

Changes Made by the Senate by Elimination and Addition of General Restrictive Provisions

The Assembly placed certain restrictive provisions in Assembly Bill No 1100. Some of these were eliminated and certain other restrictive provisions originating in the Senate Finance Committee were inserted. These changes were as follows:

Page 1, Section 1.5, which set up a priority for capital outlay expenditures so that they would first take care of overcrowded and distressed living conditions in mental institutions and hospitals, unanimously approved by the Assembly, was stricken.

Item 138, a restriction placed in this item by the Ways and Means Committee, approved by the Assembly and added thereto on the floor of the Assembly, *that no part of this appropriation shall be used to print or issue passes to the State Fair was eliminated, largely through the fact that it was not brought up for consideration in the subcommittee of the Senate.*

Item 139.1, which provided that savings of $69,122 from capital outlay for fairs from the Fair and Exposition Fund should be transferred to the General Fund.

Item 248, a loan to the Toll Bridge Authority. Besides striking out the Assembly amendment that this was to be a loan from the State Highway Fund, which was agreed to by the Division of Public Works, the Senate likewise struck out the Geddes Amendment placing a restriction on the expenditure of this money until the Congress of the United States enacts legislation permitting construction of such bridge.

In Item 348, acquisition of state parks, the Senate provided that this money had to be matched. The same provision was placed in Items 349 and 350.

Item 16.1. *On the floor of the Assembly a section numbered 16.1 was* placed in the bill providing that no appropriation could be expended by any state agency for passes or free permits to state or district fairs. Without considering this specific amendment already existing in Assembly Bill No. 1100, an amendment was presented by the Senate Finance Committee numbered 16.1 providing that no appropriation could be used for furnishings for houses or dwellings rented by the State to employees, except to superintendents of institutions, wardens and doctors. The Senate Finance 16.1 was substituted for 16 1 in the Assembly version of the bill without any discussion of it by the Senate Finance Committee.

Section 16.2 by the Senate, an added section, provides that no money appropriated by this act shall be used to furnish rugs or carpets for state offices.

Section 16.3, a new section, provides that no money appropriated by this act shall be used to pay salaries of positions which were vacant

between October 15, 1948, and July 1, 1949, except with specific approval of the Director of Finance.

The Assembly likewise had a provision that provided that any money saved from specific appropriations for capital outlay which were limited to the specific items would revert to the fund from which appropriated. This was made unnecessary by setting up individual items of appropriations for the specific capital outlay projects in the Budget so that anything left over would revert to the particular appropriation from which they were made. This is not quite as specific as the other procedure, and it is believed that the intent of the Legislature can be more definitely expressed in determining what these appropriations for capital outlay are to be as a basis on which savings are to be calculated.

Item 372.12 appropriates $3,000,000 for plans for future building. The Senate put in a restrictive provision that the Legislature does not commit itself expressly or impliedly for any particular project for which plans are drawn. This is in keeping with the previous action of the Legislature as respects the Postwar Employment Reserve.

Miscellaneous Items

There are some miscellaneous items of change, although not very important. Some should be noted as follows:

Item 148 for $10,000 for the survey of the Torrens Lands Title Act was eliminated by the Assembly on a floor amendment. It was not further considered by the Senate Finance Committee and so was amended back in.

Item 272, the reappropriation of the money for the Centennials Commission, which was stricken out by floor amendment in the Assembly, was placed back in the appropriation as it originally appeared in the Budget.

RESOLUTIONS

The following resolutions were offered:

By Mr. Stewart:

House Resolution No. 253

Relative to the creation of the Assembly Interim Committee on Governmental Efficiency and Economy

WHEREAS, The complicated machinery of State and local Government in this State, erected to serve the citizens of this State can function only under law; and

WHEREAS, Numerous changes in the organization and administration of State and local Government are proposed at each session of the Legislature by reason of new circumstances constantly arising which previous statutes did not contemplate; and

WHEREAS, It is necessary for the Legislature to study these circumstances carefully, with a view to revising and amending the laws relating thereto, in order that the most efficient, economical and equitable administration of the laws may be fostered; and

WHEREAS, During the interim between sessions it is desirable to ascertain and collate the facts upon which legislation may be based, which fact-finding work can best and most expeditiously be performed through a legislative committee charged with the duty of considering every phase of the subject; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Interim Committee on Governmental Efficiency and Economy is hereby created and authorized and directed to ascertain, study, and analyze accurately and in detail all facts relating to the State Government and the government of counties, cities, and districts in this State and of any department, agency, or subdivision thereof, particularly with respect to their organization, functions, and administration, for the purpose of recommending changes and proposing legislation in order to promote efficiency, to reduce and eliminate costs, to provide for the consolidation of functions and removal of duplication, and to do all other things necessary and proper to increase the efficiency and effectiveness of the state and local governments and the agencies and subdivisions thereof, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation.

2. The committee shall consist of eleven Members of the Assembly appointed by the Speaker thereof. The chairman shall be appointed by the Speaker. Vacancies occurring or existing in the membership of the committee shall be filled by the appointing power.

3. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the 1951 Regular Session, with authority to file its final report not later than the final legislative day of the 1951 Regular Session.

4. The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members.

5. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership.

(b) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purposes for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee

(d) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(e) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

(f) To meet at the State Capitol or at any other place in this State or within the United States.

6. The sum of _____ dollars ($_____) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under this resolution, to be paid from the said Contingent Fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

By Mr. Rosenthal:

House Resolution No. 254

Relative to the creation of the Assembly Interim Committee on Fire Hazards and Prevention

WHEREAS, Disastrous fires in hotels and other buildings and disastrous explosions, both resulting in great loss of life and damage to property, continue to occur throughout the Nation and in the State of California; and

WHEREAS, It is necessary that the facts be ascertained concerning the origins and causes of fires and explosions in hotels, apartment houses, manufacturing plants and other buildings, and that modern fire prevention methods be studied and investigated, in order that the Legislature may enact proper legislation to remedy the situation; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Interim Committee on Fire Hazards and Prevention is hereby created and authorized and directed to ascertain, study and analyze all facts relating to the subject of this resolution as expressed in the recitals thereof, including but not limited to facts concerning the origins, causes and methods of prevention of fires and explosions in hotels, apartment houses, manufacturing plants, and other buildings, establishments and facilities, and any proposed plans, methods or systems for fireproofing buildings, plants and property and combating or preventing the spread of fires, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation.

2. The committee shall consist of three Members of the Assembly appointed by the Speaker thereof. The chairman shall be appointed by the Speaker. Vacancies occurring in the membership of the committee shall be filled by the appointing power.

3. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the 1951 Regular Session, with authority to file its final report not later than the fifteenth legislative day of that session.

4. The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members.

5. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership.

(b) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purposes for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee.

(d) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(e) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

6. The sum of five thousand dollars ($5,000) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under this resolution, to be paid from the said Contingent Fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

By Messrs. Huyck, Levering, Smith, and Connolly:

House Resolution No. 255

Relative to the creation of the Assembly Interim Committee on Equalization of Salaries, Qualifications and Job Classification of Public Employees

WHEREAS, Each session of the Legislature is confronted with numerous bills affecting the salaries of persons employed in various capacities in local governmental subdivisions of the State; and

WHEREAS, The enactment of laws affecting these matters in some local governmental subdivisions and failure to enact similar laws affecting other subdivisions widens the existing disparity between salaries, classifications and qualifications among city, county and state governmental agencies; and

WHEREAS, These conditions hamper the efforts of the state and local governmental subdivisions to stabilize and equalize governmental wage scales, job classifications and qualifications of public employees and to insure the payment to all of the prevailing wage for similar work, and result in the 'pirating' of employees among such agencies; and

WHEREAS, In order that the Assembly may take appropriate action to alleviate these conditions it is necessary that it be fully informed on all matters relating to wage scales, job classifications and qualifications in all branches of public employment, federal, state and local, and on all other matters relating thereto; now, therefore, be it

Resolved by the Assembly of the State of California, As follows

1. The Assembly Interim Committee on Equalization of Salaries, Qualifications, and Job Classification of Public Employees is hereby created and authorized and directed to ascertain, study and analyze all facts relating to or in any way bearing upon the subjects expressed in the recitals of this resolution including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing thereon, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation.

2. The committee shall consist of five Members of the Assembly appointed by the Speaker thereof. Vacancies occurring in the membership of the committee shall be filled by the appointing power The chairman shall be appointed by the Speaker.

3. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the 1951 Regular Session, with authority to file its final report not later than the fifteenth legislative day of that session.

CONSIDERATION OF HOUSE RESOLUTION NO. 205

By Mr. Hawkins:

House Resolution No. 205

Relative to immediate provision for the continuation of child care centers

WHEREAS, Under the present law all child care centers must be closed on or before June 30, 1949, and the moneys made available by the Budget Act of 1948 for their administration and support will cease to be available on that date; and

WHEREAS, There are pending in the Legislature bills to permit the continuance of child care centers after June 30, 1949, and to provide funds for their support until June 30, 1950, namely Assembly Bill No. 707, now in the Senate Committee on Finance, and Assembly Bill No. 1138, now in the Assembly Committee on Ways and Means, after having received from the Assembly Committee on Education the recommendation "Do pass, and re-refer to Committee on Ways and Means"; and

WHEREAS, Unless provision for the continuation of child care centers and provision for funds for their administration and support are made at once the parents of the children cared for in such centers will be notified of their immediate closing, and preparations will be made therefor; and to alleviate the fears and mental anguish of such parents and prevent the disruption of the child care center program through loss of personnel and otherwise it is necessary that such legislative action be taken at once; and

WHEREAS, The passage of Assembly Bill No. 707, providing for the continuation of child care centers without the passage of Assembly Bill No 1138, making the necessary funds available, would not allay the apprehensions of the parents nor assure the continued operation of the child care centers; and

WHEREAS, Section 34a of Article IV of the Constitution provides that until the Budget Bill has been finally enacted, neither house shall place upon final passage any other appropriation bill, except emergency bills recommended by the Governor or appropriations for the salaries, mileage, and expenses of the Senate and Assembly; and, therefore, Assembly Bills Nos. 1138 and 707 cannot be placed upon final passage in the Assembly or Senate without such recommendation from the Governor; now, therefore, be it

Resolved by the Assembly of the State of California, That the Governor is hereby requested to issue the letters of recommendation necessary to permit the Assembly and the Senate to place Assembly Bills Nos. 1138 and 707 upon final passage prior to the final enactment of the Budget Bill; and be it further

Resolved, That the Chief Clerk of the Assembly is directed immediately to transmit a copy of this resolution to the Honorable Earl Warren, Governor of California.

Resolution read.

Quorum present

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

O God of Silence: In this world of strain and pressure, when heavy problems weigh upon us and sap our nervous energy, let us cherish these moments of stillness as a health giving tonic

May this be a moment when we silence our busy thoughts, and seek to be in tune with Thy Infinite mind.

Let us beware of living in a state of emotional tension, which overtaxes brain and heart, and creates the irritability of temper which makes us hard to work with.

May we see the many people today who live at the breaking point, who fret and fume, and disorder thereby their health and hasten their departure from this earthly scene.

During the course of the day, may we take time for the pauses which enhance our efficiency for public service and, like the musical rests on the score of a song, add to the harmony of life —AMEN.

By the Chief Clerk:

The following communication was received, read, and ordered printed in the Journal:

STATE OF CALIFORNIA, DEPARTMENT OF MENTAL HYGIENE
SONOMA STATE HOME, ELDRIDGE, CALIFORNIA, June 14, 1949

Mr. Arthur A. Ohnimus, Chief Clerk
Assembly, California Legislature
State Capitol, Sacramento 14, California

DEAR MR. OHNIMUS: I wish to acknowledge receipt of the copy of House Resolution No. 247, which was adopted by the California Assembly on June 9, 1949. I have carefully studied this resolution and I wish you to know that as Superintendent of the Sonoma State Home I am doing as requested and directed by this Assembly resolution, namely "To take every precaution to enforce stronger discipline among the inmates of said home and to prevent any inmates of said home from escaping" The 160 patients who may be considered to be potentially dangerous are securely locked on the two locked cottages of this institution, and will be given no freedom whatsoever without adequate guard. We are taking every possible precaution to prevent any further escapes of any patients that may be a menace to the surrounding community.

Sincerely yours,

M. E. PORTER, M. D.
Superintendent and Medical Director

By Speaker Sam L. Collins:

A communication and resolution from the Hon. Winifred McDonald, Secretary of State of the State of Connecticut, relative to making application to Congress to call a Constitutional Convention to consider amendments to the United States Constitution to facilitate participation in a World Federation was received, and ordered filed with the Secretary of State.

MESSAGES FROM THE SENATE

SENATE CHAMBER, SACRAMENTO, June 14, 1949

MR SPEAKER: I am directed to inform your honorable body that the Senate appointed Senators Rich, Hatfield, and Miller as a Committee on Conference concerning:

Assembly Bill No. 1100—An act making appropriations for the support of the Government of the State of California and for several public purposes in accordance with the provisions of Section 34 of Article IV of the Constitution of the State of California, to take effect immediately.

J. A. BEEK, Secretary of the Senate
By C. V. TAYLOR, Assistant Secretary

CONSIDERATION OF DAILY FILE (RESUMED)

CONSIDERATION OF HOUSE RESOLUTION NO. 224

By Mr. Morris:

House Resolution No. 224

Relating to public transportation facilities in highway construction

WHEREAS, The 1946 Report on "Engineering Facts" to the California Legislature following extensive investigation and public hearings by the "Joint Fact-Finding Committee On Highways, Streets and Bridges" (Collier Committee) recommended a network of freeways or expressways; and

WHEREAS, Said report recommended that design should take into consideration all elements of use including provision for mass transportation where necessary, off-street parking facilities and terminals for transit systems, and stated that modern urban freeway design incorporates separate lanes for bus loading and off-street bus terminals; and

WHEREAS, Said report stated "In the proposed State Expressway System design standards must be high enough to accommodate all types of vehicles that will constitute the traffic over the system * * *. It is essential that bus routes be determined before expressways are designed, because special provision must be made for the safety of bus passengers and the general traffic, with facilities for loading and unloading passengers outside the traffic lanes.", and stated that "Bus lines operating over expressways properly designed to handle such traffic will add materially to the State's highway transportation facilities and serve large numbers of people who rely on mass transportation."; and

WHEREAS, Increased highway user taxes have been imposed to construct expressways or freeways for the purposes of relief of traffic congestion and more rapid travel; and

WHEREAS, There is an ever increasing need for more rapid travel by public transit vehicles as well as by private automobile; and

WHEREAS, Present patrons of motor coach operations are contributing to the construction cost of freeways through the increased highway user and fuel taxes imposed for that purpose; and

WHEREAS, Many more persons would undoubtedly use this means of travel if adequate facilities for the handling of passengers by bus were included in freeways or expressways with resulting benefit to the public at large through reduced traffic congestion because of the far greater carrying capacity of the bus as compared to the private vehicle; now, therefore, be it

Resolved by the Assembly of the State of California, That the State Division of Highways be requested to give diligent attention to the incorporation in the design and construction of such expressways and freeways of those features which will insure to the public at large the fullest possible advantages from freeways by mass transit as well as by private vehicle, all in keeping with the above mentioned engineering recommendations; and be it further

Resolved, That the Chief Clerk of the Assembly be instructed to transmit a copy of this resolution to the State Highway Engineer.

Resolution read.

Consideration of Committee Amendments

The following amendment was proposed by the Committee on Rules:

Amendment No. 1

In paragraph 18 of the measure, as printed in the Assembly Journal of June 1, 1949, at pages 3940 and 3941, in line 6, after "recommendations", insert "and report its recommendations for enabling legislation to the Legislature at the 1950 Budget Session".

MESSAGES FROM THE GOVERNOR

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO, June 14, 1949

To the Honorable Members of the Assembly
State of California, Sacramento, California

GREETINGS. I am returning herewith, without my signature,

Assembly Bill No. 2849, entitled: "An act to add Section 6404 to the Revenue and Taxation Code, relating to exemption of livestock from the use tax."

My objections to this bill are as follows:

Although this bill purports to provide an exemption from the use tax for any livestock, including horses, cattle, sheep and swine, purchased outside the State for use within the State for breeding purposes, or in the case of horses, for racing purposes, it actually only adds the exemption for horses brought into the State for breeding or racing purposes. This is true since cattle, sheep and swine are now exempt from the sales and use tax under Section 6358 of the Revenue and Taxation Code, (Ruling 47 on the Sales and Use Tax Law, interpreting Section 6358 of the Revenue and Taxation Code).

As effecting only the use tax on horses for breeding or racing purposes, this bill is discriminatory on at least two points. Since racing is a luxury sport, it discriminates in tax exemption in favor of a luxury as against the many necessity items which remain subject to the tax. As an exemption from the use tax only and not the sales tax, it discriminates against California horses which would remain subject to the sales tax, in favor of out-of-State horses which would be exempt from the use tax. This discrimination violates the purpose of our Horse Racing Laws, which are designed to encourage the breeding of horses in this State, and violates the purpose of our Use Tax Law which is designed to remove any discrimination against sales made in this State, and not to promote such discrimination.

Not only does this bill introduce these two objectionable discriminations into our tax system, but it increases tax exemptions and constitutes a certain invitation to further exemptions. It has always been the history of any sales or use tax exemption that other exemptions are asked on the basis of a precedent set.

I find no justification whatever for this new and discriminatory tax exemption.

Respectfully submitted,

EARL WARREN, Governor

Mr. Morris asked for, and was granted, unanimous consent that he be permitted to take up further consideration of House Resolution No. 224, temporarily passed on file, at this time.

FURTHER CONSIDERATION OF HOUSE RESOLUTION NO. 224, AS AMENDED

By Mr. Morris:

House Resolution No. 224

Relating to public transportation facilities in highway construction

WHEREAS, The 1946 Report on "Engineering Facts" to the California Legislature following extensive investigation and public hearings by the "Joint Fact-Finding Committee On Highways, Streets and Bridges" (Collier Committee) recommended a network of freeways or expressways; and

WHEREAS, Said report recommended that design should take into consideration all elements of use including provision for mass transportation where necessary, off-street parking facilities and terminals for transit systems, and stated that modern urban freeway design incorporates separate lanes for bus loading and off-street bus terminals; and

WHEREAS, Said report stated "In the proposed State Expressway System design standards must be high enough to accommodate all types of vehicles that will constitute the traffic over the system * * * It is essential that bus routes be determined before expressways are designed, because special provision must be made for the safety of bus passengers and the general traffic, with facilities for loading and unloading passengers outside the traffic lanes.", and stated that "Bus lines operating over expressways properly designed to handle such traffic will add materially to the State's highway

transportation facilities and serve large numbers of people who rely on mass transportation."; and

WHEREAS, Increased highway user taxes have been imposed to construct expressways or freeways for the purposes of relief of traffic congestion and more rapid travel; and

WHEREAS, There is an ever increasing need for more rapid travel by public transit vehicles as well as by private automobile; and

WHEREAS, Present patrons of motor coach operations are contributing to the construction cost of freeways through the increased highway user and fuel taxes imposed for that purpose; and

WHEREAS, Many more persons would undoubtedly use this means of travel if adequate facilities for the handling of passengers by bus were included in freeways or expressways with resulting benefit to the public at large through reduced traffic congestion because of the far greater carrying capacity of the bus as compared to the private vehicle; now, therefore, be it

Resolved by the Assembly of the State of California, That the State Division of Highways be requested to give diligent attention to the incorporation in the design and construction of such expressways and freeways of those features which will insure to the public at large the fullest possible advantages from freeways by mass transit as well as by private vehicle, all in keeping with the above mentioned engineering recommendations and report its recommendations for enabling legislation to the Legislature at the 1950 Budget Session; and be it further

Resolved, That the Chief Clerk of the Assembly be instructed to transmit a copy of this resolution to the State Highway Engineer.

Resolution read, as amended, and adopted.

RESOLUTIONS

The following resolution was offered:

By Mr. Clayton A. Dills:

House Resolution No. 258

Relating to the creation of the Assembly Investigating Committee on Cemetery, Mausoleum, Crematorium and similar associations

WHEREAS, The Assembly has been informed that a need exists for new and additional legislation concerning the associations named in the title hereof; and

WHEREAS, Such organizations are quasi-public corporations and their activities affect the health, welfare and safety of the citizens of the State; and

WHEREAS, It is necessary that the Assembly be fully informed on all facts relating to such organizations in order that it may intelligently legislate thereon; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Investigating Committee on Cemetery, Mausoleum, Crematorium and similar associations is hereby created and authorized and directed to ascertain, study and analyze all facts and laws in any way bearing upon or relating to the subject of this resolution and the recitals thereof, including, but not limited to, the investment and management of perpetual care funds of such associations, and to report thereon to the Assembly, including in its reports its recommendations for appropriate legislation.

2. The committee shall consist of five Members of the Assembly appointed by the Speaker thereof. The chairman shall be appointed by the Speaker. Vacancies occurring in the membership of the committee shall be filled by the appointing power.

3. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the 1951 Regular Session, with authority to file its final report not later than the fifteenth legislative day of that session

4 The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members.

5. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership

(b) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purposes for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee.

(d) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(e) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

(f) To employ auditors and other technical and clerical assistance

6. The sum of_____dollars ($_____) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under this resolution, to be paid from said Contingent Fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

RESOLUTIONS

The following resolution was offered:

By Mr. Doyle:

House Resolution No. 259

Relating to commending the Chaplain of the Assembly, Reverend Torrance Phelps, and authorizing the printing of the prayers of the Assembly in book form

WHEREAS, During this session of the Legislature it has been the good fortune of the Assembly to secure Reverend Torrance Phelps as its Chaplain; and

WHEREAS, Reverend Torrance Phelps, by his prayers each morning, has brought to this body spiritual guidance and inspiration in the day's work; and

WHEREAS, His devout utterances have reminded the members of their obligation not only to their God, but to their fellow men, the State and the Nation, and have aided them in their efforts to merit the trust imposed in them by the people of California; and

WHEREAS, The broad vision, the tolerance, the human understanding and the intellectual attainments of Reverend Torrance Phelps have compelled the admiration of all within his hearing and won the personal regard of each Member of this Assembly; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly does hereby express to Reverend Torrance Phelps its sincere appreciation for the spiritual guidance he has rendered this body during this session of the Legislature, and for the inspiration which the members have derived from his prayers; and be it further

Resolved, That the Chief Clerk is hereby authorized and instructed to have printed 350 copies of a booklet containing the prayers offered in the Assembly at this session; that he send one of said copies to each Member of the Assembly; and that he transmit the remaining copies to Reverend Torrance Phelps together with an engrossed copy of this resolution.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

Almighty God: In this age of doubt and uncertainty may we see the evidence of Thy presence in the sky above and the world about us.

In the universal Principle that organizes the stars into constellations and upholds them in their vast orbits.

In the spectacle of universal law and order that pervades all nature from distant nebula to the flowers of the earth.

May we acknowledge the Divine in the urge for truth and peace that have enlightened history, and in the warm desires of goodwill within us

Above all in the mystic feelings of felicity that breathe from the silence when the rush of the world is still —AMEN

Amendment No. 1

On page 1 of the printed bill, strike out line 1, and insert

"SECTION 1 Section 6624 of the Welfare and Institutions Code is amended to read:

6624. The provisions of this section apply to any person who has been lawfully committed to any state hospital, and who is afflicted with, or suffers from, any of the following conditions:

(a) Mental disease which may have been inherited and is likely to be transmitted to descendants.

(b) Feeble-mindedness, in any of its various grades.

(c) Perversion or marked departures from normal mentality.

(d) Disease of a syphilitic nature.

Before any such person is released or discharged from a state hospital, the State Department of Institutions may, [in its discretion] *if authorized by order, as herein provided,* cause such person to be sterilized [Such sterilization] *To obtain such order, the department shall file a petition in the superior court of the county from which such person was committed, setting forth the facts which, in its opinion, make it proper that such person be sterilized. Upon the filing of such petition, the court shall set it for hearing not less than thirty (30) days from the time of its filing. A copy of the petition, together with a copy of the notice of the time and place appointed for the hearing thereof, shall be served upon the person who has been lawfully committed to any state hospital and upon the legal guardian of such person, or, if he or*

she be a minor, then upon his or her guardian, if any, and also upon the parent or parents who would be entitled to his or her custody except for the fact of commitment. Upon the hearing, if the court shall find that the facts stated in the petition are true and that such person is suffering from conditions that will probably be transmitted to his or her offspring unless he or she is sterilized, or that sterilization will be medically beneficial to such person, the court may order such sterilization. Any sterilization performed in accordance with such an order following the procedure herein set forth shall be lawful, whether performed with or without the consent of the patient [, shall be lawful and shall not render] *and neither* the department [,] *nor* its officers or employees, [or] *nor* any person participating [in the operation] *therein, shall be* liable, either civilly or criminally *therefor.*"

REPORTS OF STANDING COMMITTEES

Committee on Education

ASSEMBLY CHAMBER, SACRAMENTO, June 16, 1949

MR. SPEAKER Your Committee on Education, to which was referred:

Assembly Bill No. 2260

Has had the same under consideration, and reports the same back with amendments with the recommendation: Amend, and do pass, as amended.

DUNN, Chairman

Above reported bill ordered to second reading.

SECOND READING OF ASSEMBLY BILLS (BY UNANIMOUS CONSENT)

Assembly Bill No. 2260—An act to add Chapter 1.6 to Division 3 of the Education Code, providing for school district public works, declaring the urgency thereof, to take effect immediately.

Bill read second time.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Education:

Amendment No. 1

On page 1 of the printed bill, strike out lines 1 and 2, and insert

"SECTION 1. Chapter 1.6 is added to DIVISION 3 of the Education Code, to read:

CHAPTER 1 6. STATE SCHOOL BUILDING AID

5041. The Legislature hereby declares that it is in the interest of the State and of the people thereof for the State to aid school districts of the State in providing necessary and adequate school sites and buildings for the pupils of the Public School System, such system being a matter of general concern inasmuch as the education of the children of the State is an obligation and function of the State.

In adopting this act, the Legislature considers that the great need in school construction is for adequate classrooms for the education of the pupils of the Public School System. It is the intent of the Legislature to first satisfy this primary need to the greatest extent possible before providing additional educational facilities, regardless of how desirable such additional facilities may be. To the end that school classrooms may be made available at once and to all school districts in need of such classrooms, provision for other needed school facilities is necessarily subordinated.

5042. As used in this chapter:

(a) "Board" means the State Allocation Board, created by Section 7 of the Construction and Employment Act as amended."

(b) "Director" means the Director of Education,

(c) "Project" means the purposes for which a school district has applied for an apportionment under this chapter,

(d) "Grade level maintained by a district" means (1) the kindergarten, if any, and grades 1 to 6, or grades 1 to 8, inclusive, maintained by an elementary school district or a unified school district; or (2) grades 7 to 12, grades 9 to 12, inclusive, or grades 7 to 10, inclusive, maintained by a high school district or unified school district; and (3) grades 13 and 14 maintained by a high school district, unified school district, or junior college district, but not more than one grade level shall be claimed by any district under any one of the subdivisions of this paragraph,

(e) "Apportionment" means an apportionment made under this chapter unless the context otherwise requires.

5043. The Director of Finance shall administer this chapter and shall provide such assistance to the board as it may require.

5044. The State Allocation Board is continued in existence for the purposes of this chapter. The members of the board and the Members of the Legislature meeting with the board in an advisory capacity shall receive no compensation for their services under this chapter but shall be reimbursed for their actual and necessary expenses incurred in connection with the performance of their duties hereunder, to be paid out of the Public School Building Loan Fund.

5045. In addition to such other powers and duties as are granted the board by this chapter, the board shall (1) establish such qualifications not in conflict with other provisions of this chapter as it deems will best serve the purposes of this chapter for determining the eligibility of school districts to apportionments of funds under this chapter; (2) establish such procedures and policies in connection with the administration of, and the expenditure of funds made available for the purposes of, this chapter as it deems necessary and which are not in conflict with the powers and duties of the Department of Education or of the director granted or imposed by this chapter; and (3) adopt such rules and regulations for the administration of this chapter, requiring such procedure, forms, and information, as it may deem necessary.

5046. Apportionments from the Public School Building Loan Fund to school districts shall be made in the manner and subject to the conditions herein provided and in accordance with policies adopted by the board, for the following purposes: (a) the purchase and improvement of school sites which have been approved by the State Department of Education; (b) the purchase of built-in or fixed equipment, except desks, as listed in Part III of the California School Accounting Manual contained in the Bulletin of the California State Department of Education, Volume XIII, No. 2, June 1944, or as amended or revised, and (c) the planning and construction, reconstruction, alteration of, and addition to, school buildings for such facilities as are approved by the Department of Education as essential, all of which purposes are hereby declared to be, and are, public works.

5047. In making application for, and in expending, apportionments of funds under this chapter, a school district acts as an agent of the State and all sites purchased and improved, all equipment purchased, and all buildings constructed, reconstructed, altered, or added to through the expenditure of funds apportioned under this chapter, are declared to be, and are, the property of the State. Upon the payment by the district of the amounts required to be paid by it to the State under this chapter, the board shall, in the name of the State, convey such property to the district.

5048. Each school district which desires an apportionment for a grade level maintained by it, shall submit through its governing board to the director an application therefor in such form and number of copies as the State Allocation Board shall prescribe Each copy of the application shall be accompanied by a statement of the estimated cost of the project certified by an architect or structural engineer, and by layout plans showing the entire project for which the district desires an apportionment. Estimates of cost for new construction appearing in an application shall not exceed typical current costs of comparable new construction by school districts in the same area not receiving or not eligible for apportionments under this chapter, as determined by the Director of Finance, or if there has been no new construction by school districts in the area, the estimates of cost shall not exceed the reasonable current cost of similar construction in the area as determined by the Director of Finance Immediately upon receipt of an application in the prescribed form accompanied by the required estimate of cost, a copy thereof shall be transmitted by the director to the Director of Finance.

A school district may at any time amend or supplement its application.

The Director of Finance shall determine the school district's financial ability to meet all or a portion of the cost of the project and the amount which the school district can contribute toward the cost of the project out of its available funds, and shall submit his report thereon to the board.

The director shall as promptly as possible prepare a report and recommendation with respect to the application and refer the application, report, and recommendation to the Director of Finance, who shall, if he finds said documents to be in proper form and otherwise sufficient, refer them to the board. If the Director of Finance finds said documents to be lacking in any respect as to any matter which is subject to the jurisdiction or approval of the director or Department of Education, he shall refer them to the director who shall take such action as may be necessary The board shall, subject to the provisions of this chapter approve or reject each application referred to it by the Director of Finance If the board approves of the application, either in whole or in part, it shall, by a resolution adopted by it, apportion to the district from the Public School Building Loan Fund the amount applied for, or such portion thereof as the board may deem appropriate. This shall be known as a conditional apportionment and shall become final only if the vote provided for in Section 5050 is favorable and if bonds are authorized and sold in the amounts prescribed by the board, and the proceeds of the bonds sold earmarked for the project as approved. The conditional apportionment shall remain effective for a period of nine months from the date of said resolution of the board, and if it does not become a final apportionment by that date, it shall become void and the money so apportioned shall become again available for apportionment pursuant to this chapter.

5049. No apportionment shall be made for new construction which when added to the area of adequate school construction existing in the applicant school district at

the time of application, will provide a total area of school building construction per pupil of the estimated enrollment in excess of that computed under the following schedule:

Type of school	Enrollment	Sq. ft. per pupil
Elementary school comprising kindergarten and grades 1 to 6, inclusive	300 or more	55
Elementary school comprising grades 7 and 8	750 or more	75
Junior high school comprising grades 7 to 9, inclusive	750 or more	75
Junior high school comprising grades 7 to 10, inclusive	750 or more	75
High school comprising grades 7 to 12, inclusive	750 or more	80
High school comprising grades 9 to 12, inclusive	750 or more	80
High school comprising grades 10 to 12, inclusive	750 or more	80
Junior college comprising grades 13 and 14	750 or more	80
Junior college comprising grades 11 to 14, inclusive	750 or more	80

The maximum total building areas per pupil allowed to applicants having schools with smaller estimated enrollments than shown in the above schedule shall be determined by the Department of Education, and shall be building areas to provide comparable facilities to those enumerated above, and shall be the least building area required to house adequately the estimated enrollment and the normal instructional and other services.

No estimate of enrollment made by an applicant for the purpose of justifying an apportionment shall be made for a longer time than the second fiscal year beyond the fiscal year in which an application is made, and in no case shall be given effect unless approved by the Department of Education.

5050. No apportionment to a school district shall become final unless: (a) the total amount of bonds of the district exceeds ninety-five percent (95%) of the total amount of the bonds of the district permitted by the Education Code, or any law, to be issued, or (b) if the total amount of the bonds of the district outstanding and unpaid is less than ninety-five percent (95%) of the amount of the bonds permitted to be issued by the district, the amount of district bonds outstanding is within ten thousand dollars ($10,000) of the total bond limit permitted. At the time the board makes a conditional apportionment pursuant to Section 5048, it shall determine the amount of bonds required to be issued and sold by the district, the proceeds of which shall be applied to the cost of the project for which the apportionment is sought, and shall make such apportionment conditioned upon the approval and sale of such bonds by the district.

No apportionment to a school district shall become final unless, at an election called by the governing board of the district, two-thirds of the qualified electors of the district voting thereat have authorized the governing board of the district to accept, expend, and repay, as provided in this chapter, an apportionment under the provisions of this chapter. Such election shall be combined with and held at the same time as the bond election to authorize the amount of bonds required by the board, if any, and shall be called, held, and conducted in the same manner as are elections to authorize the issuance of school district bonds, except that the ballot, in addition to the bond proposition, shall contain substantially the following words:

"Shall the governing board of the _____ school district be authorized to accept and expend an apportionment in an amount not to exceed $_____ from the State of California under and subject to the provisions of Chapter 16 of Division 3 of the Education Code which amount is subject to repayment as provided by said Chapter? Yes_____ No_____"

5050.1 Immediately after the result of the election has been determined, the county superintendent of schools shall make a certificate in duplicate stating whether the bonds have been authorized in the amount prescribed by the board and whether the school district has authorized the acceptance and expenditure of the apportionment. One copy of the certificate shall be sent to the board and one copy to the State Controller. When the bonds authorized have been issued and sold and the proceeds thereof made available for the purposes of the application, the county superintendent of schools shall also certify this fact to the board and the State Controller. Upon the receipt by the board of the certificate stating that the bonds have been issued and sold and the proceeds thereof made available for the purposes of the application, the apportionment shall become final.

5051. No apportionment shall be made to a school district for any grade level if the estimated cost of the project, as approved by the Director of Finance, is (1) an amount which would result in an apportionment to the district exceeding the amount authorized at the district election held under Section 5050, or (2) is an amount which if raised by the issuance and sale of bonds of the district running for 25 years bearing the current going rate of interest as determined by the board and the principal of which is payable in 25 equal annual payments, would require the levy of a tax under Section 7516 upon property in the district which would, when added

to the tax actually being levied upon property in the district for the grade level as determined by the Director of Finance under said section, amount to less than thirty cents ($0.30) on each one hundred dollars ($100) of assessed valuation of property in the district during the next fiscal year.

At the time the board makes an apportionment, it shall, with the approval of the Director of Finance fix the interest to be paid by the district on the sum apportioned to it at a rate equal to the effective rate paid by the State upon the bonds sold from the proceeds of which the apportionment is made, giving effect to the price at which the bonds are sold and the premium, if any, paid thereon, adjusted to the next highest one-eighth of 1 percent, to cover the costs of sale and issuance of the bonds and costs of administration, to be compounded annually on the first day of January of each year.

5052. No apportionment shall be made to a district for the construction, reconstruction, or alteration of, or addition to, school buildings if the requirements prescribed by this code for the construction of school buildings are not met by the plans for the entire building program of the district in connection with which the district applied for an apportionment or for any project or part thereof which has not been approved by the Department of Education.

5053. Each district to which an apportionment has been made under this chapter shall repay the principal amount of such apportionment and the accrued interest thereon in the amount and in the manner hereinafter provided in this chapter.

5054. On or before the first day of January of each fiscal year, the State Controller shall compute for each grade level of a district for which an apportionment has been made during any preceding fiscal year the amount that would be produced by a tax of thirty cents ($0.30) on each one hundred dollars ($100) of assessed valuation for the current fiscal year within the district. Such amount is designated as the "first computation."

5055. On or before the first day of December preceding the first day of January of each fiscal year, the Director of Finance shall determine and certify to the State Controller the amount raised and to be raised by the district during the current fiscal year for the payment of principal and interest on that portion of the bonded indebtedness of the district that was incurred for each such grade level prior to the making of the apportionment referred to in Section 5054, which amount is designated as the "second computation." The Director of Finance shall determine the amount of the bonded indebtedness that was incurred by the district for each grade level, when bonds were issued and sold for purposes of more than one grade level.

5056. On or before the first day of December preceding the first day of January of each fiscal year, the Director of Finance shall determine and certify to the State Controller for each grade level the amount that was or will be produced by the rate of tax levied under Section 7516 of this code, but not exceeding the first ten cents ($0.10) thereof, that is required to pay during the current fiscal year the principal and interest on that portion of the bonded indebtedness of the district that was incurred for each such grade level prior to the making of the apportionment referred to in Section 5054, which amount is designated as the "third computation."

5057. On or before the first day of January of each fiscal year, the State Controller shall compute the "annual" repayment, if any, due from each district during the next succeeding fiscal year as herein provided. If, for any grade level of a district, the amount, if any, by which the second computation exceeds the third computation is greater than the first computation, the amount of such excess, herein called a "negative difference," shall be disregarded, and no reimbursement shall be due the State from such district with respect to such grade level during the next succeeding fiscal year. If, for any grade level of a district, the amount of the first computation is greater than the amount, if any, by which the second computation exceeds the third computation, the amount of such excess, herein called a "positive difference," shall constitute the amount of reimbursement due the State from such district with respect to such grade level during the next succeeding fiscal year. The sum of the "positive differences" so computed for all grade levels having a "positive difference" within each district is herein designated as the "annual repayment" of such district.

5058. The State Controller shall, during the next fiscal year following that in which he determines the annual repayment as herein provided, deduct the total amount of the annual repayment of each district in equal amounts from each installment of the apportionments made to such district from the State School Fund under Chapter 15 of this division; and, on order of the State Controller, the amount so deducted shall be transferred to the State General Fund.

5059. The State Controller shall make the deduction provided by Section 5058 during each fiscal year, as herein provided, until the principal amount of the apportionment made to the district for such grade level, and all accrued interest due thereon, has been withheld; but no interest shall accrue or become due and payable to the State with respect to the principal amount of any such apportionment after the expiration of 25 years from the first day of January of the fiscal year next succeeding the date of the warrant issued by the State Controller covering the payment to the county treasurer of the original amount of such apportionment. At the expiration of 30 years from the first day of January of the fiscal year next succeeding the date of

the warrant issued by the State Controller covering the payment to the county treasurer of the original amount of such apportionment, any unpaid balance of the principal amount of any such apportionment, including all interest included in such principal amount, shall be canceled on the books of the State Controller, and the State shall have no further right to the repayment of such unpaid balance.

5060. The State Controller shall certify to the board the cancellation of the unpaid balance of the principal amount of such apportionment; and upon receipt of such certification, the board shall, in the name of the State, convey to the district all sites purchased and improved, all equipment purchased, and all buildings constructed, reconstructed, altered, or added to, from moneys provided by the apportionment covered by such cancellation.

5061. The State Controller shall determine and maintain a record of the amount due the State in connection with each apportionment made to each grade level of a district under the provisions of this chapter. He shall compute interest on the original amount of the apportionment at the rate fixed by the board, from the date of issuance of the State Controller's warrant covering the payment to the county treasurer of the original amount of the apportionment until the first day of January of the fiscal year next succeeding that in which the warrant was issued. Thereafter, interest shall accrue to and be compounded as a part of the principal amount due the State pursuant to such apportionment, on the first day of the following January of each year, until the principal and interest have been paid, or until the interest ceases to accrue, as provided in this chapter. No interest shall accrue on the principal amount of any apportionment because of the withholding of the annual repayment from apportionments made to school districts from the State School Fund on dates subsequent to the first day of January of the year in which the computation of the annual repayment is determined.

5062. Upon computing in any fiscal year the amount to be deducted from the apportionments to the district from the State School Fund during the succeeding fiscal year, the State Controller shall notify the governing board of the district of the amount to be deducted.

5063. The maximum tax rate fixed by Section 6357 or authorized by Section 6358 for any district which under this chapter will have moneys withheld by the State Controller from the apportionments to be made to it from the State School Fund during any fiscal year is hereby increased, for such fiscal year, by such amount as will produce an amount equal to that to be deducted by the State Controller during the fiscal year from apportionments made to the district from the State School Fund.

5064. The board shall prescribe in such detail as it deems necessary, the purposes for which moneys apportioned by it to a school district under this chapter may be expended and such prescription shall be binding upon the governing board of such district except as it may be, for good cause, modified by the board.

5065. Unless the board has received the certificates of the county superintendent of schools required by Section 5050.1 within nine months from the date of the conditional apportionment, it shall, at the expiration of said nine-months' period, void said conditional apportionment and shall certify this fact to the State Controller. Each final apportionment made by the board under this chapter shall be certified by it to the State Controller who shall thereupon draw his warrant on the State Treasurer in favor of the county treasurer of the county having jurisdiction over the district. The warrant shall be exempt from the provisions of Division 4 of Title 2 of the Government Code and shall be paid by the State Treasurer from the Public School Building Loan Fund.

5066. A public school building fund is hereby created in the county treasury in each county for each school district in such county. The county treasurer of each county shall pay into the public school building fund of each school district, exactly as apportioned by the board, all moneys received by him under this chapter with respect to each such school district.

5067. A fund in the State Treasury is hereby created, to be known as the Public School Building Loan Fund. All money in the Public School Building Loan Fund, including any money deposited in said fund from any source whatsoever after the effective date of this chapter, is hereby continuously appropriated without regard to fiscal years for expenditure pursuant to apportionments made under the provisions of this chapter.

5068. The governing board of each school district to which an apportionment has been made under this chapter shall expend the moneys in the Public School Building Fund of the school district exactly as apportioned by the board and only for the purposes for which said moneys were apportioned to the district, and for no other purpose, and shall make such reports relating to the expenditure of such moneys as the board and the State Controller shall require.

5069. A complete detailed report of expenditure of funds allocated pursuant to this chapter shall be made by the board annually to the Legislature. The report shall contain a detailed statement of facilities provided, type of construction, square footage provided and all other items which will enable the Legislature fully to understand the nature of the construction performed by the school districts.

5070. It shall be the duty of the State Controller to make such audit or audits of the books and records of counties and school districts receiving apportionments

under this chapter, as he may deem necessary from time to time, for the purpose of determining that the money received by school districts as apportionments hereunder has been expended for the purposes and under the conditions authorized by this chapter.

5071. Whenever the State Controller determines that any money apportioned to a school district has been expended by such school district for purposes not authorized by this chapter, or exceeds the final cost of the project which is authorized by this chapter to be paid therefrom, the State Controller shall furnish written notice to the board, the governing board of the school district, the county superintendent of schools, the county auditor, and the county treasurer of the county whose county superintendent of schools has jurisdiction over the school district, directing the school district and the county treasurer to pay into the State Treasury, at the time of the next county settlement following receipt of such notice, the amount of such unauthorized expenditures, or the amount of such excess apportionment, as the case may be. Upon receipt of such notice, such governing board shall, at the time specified herein, order the county treasurer to pay to the State Treasurer, out of any moneys in the county treasury available to the school district for that purpose, the amount set forth in such notice. Such amount shall, upon order of the State Controller, be deposited in the State Treasury to the credit of the Public School Building Loan Fund.

It shall be the duty of such governing body and county treasurer to make the payments to the State Treasurer as provided in this section, and it shall be the duty of the State Controller to enforce such collection on behalf of the State

5072. An apportionment paid to a school district under this chapter shall be available for expenditure by its governing board for three years after the date on which the warrant covering the apportionment was issued by the State Controller For the purposes of this chapter, an apportionment shall be deemed to be expended at the time and to the extent that the amount thereof on deposit in the county treasury has been encumbered by the creation of a valid obligation on the part of the school district. Upon the expiration of its period of availability, the unencumbered balance of any apportionment made under this chapter shall become due and payable to the State of California; and the governing board of the school district and the county treasurer shall, at the time of the next county settlement following the expiration of such period of availability, pay the amount of such unencumbered balance to the State Treasurer, out of the funds, and in the manner specified in Section 5071 of this code. Such payment shall, on order of the State Controller, be deposited in the Public School Building Loan Fund in the State Treasury.

It shall be the duty of such governing body and county treasurer to make the payments to the State Treasurer as provided in this section, and it shall be the duty of the State Controller to enforce such collection on behalf of the State

5073. Whenever a school district receives an apportionment under this chapter for the purchase or improvement of a school building site and within a period of three years after the date on which the warrant covering the apportionment was drawn on the State Treasurer from the Public School Building Loan Fund, sells or otherwise disposes of such site or the improvements thereon, or any portion thereof, purchased or improved in whole or in part from such apportionment, or within said period of three years does not begin to use such site or the improvements thereon for the purpose or purposes for which such apportionment was made, the board shall demand the return by the school district of the total amount apportioned to and received by the school district for such purpose or purposes or, in the case of a sale of a portion of such site or the improvements thereon, a proportionate share of such apportionment, taking into consideration any improvement of the site from such apportionment. Written notice of such demand, setting forth the amount due the State pursuant thereto, shall be furnished by the board to the governing board of the school district, the county superintendent of schools, the county auditor, the county treasurer of the county whose county has jurisdiction over the school district, and the State Controller Upon receipt of such notice and demand, the governing board of the school district shall, at the time of the next county settlement following receipt of such notice, order the county treasurer to pay to the State Treasurer, out of any moneys in the county treasury available to the school district for that purpose, the amount set forth in such notice. Such amount shall, upon order of the State Controller, be deposited in the State Treasury to the credit of the Public School Building Loan Fund.

It shall be the duty of such governing body and county treasurer to make the payments to the State Treasurer as provided in this section, and it shall be the duty of the State Controller to enforce such collection on behalf of the State

SEC 2. This act is hereby declared to be an urgency measure necessary for the immediate preservation of the public peace, health, and safety within the meaning of Section 1 of Article IV of the Constitution and shall therefore go into immediate effect. A statement of the facts constituting such necessity is as follows:

There are hundreds of impoverished school districts in California that do not have the financial means to provide either suitable buildings or adequate instruction. Many of these districts and other districts have had tremendous population increases as well as a disproportionate increase in the number of children of kindergarten and grammar school age. The children living in those districts are being denied their birthright of a good education There must be equalization of educational opportunities by helping the poorer districts to render more adequate service to the children upon whom

the future of the State depends They are our future citizens, and it is clearly our duty to give them every opportunity to become useful and happy people. The need is great, and the State is under a direct obligation

In order that the benefits arising from this measure may inure to the children of the State at the earliest possible time, it is necessary that this act take effect immediately."

Question of Personal Privilege

Mr. Hinckley arose to a question of personal privilege.

Point of Order

Mr. Hawkins arose to the following point of order: That Mr. Hinckley is not speaking to a question of personal privilege because the remarks by Mr. George D. Collins involved the Speaker, and not Mr. Hinckley.

Ruling by Speaker

Speaker pro Tempore Maloney ruled the point of order well taken.

Point of Order

Mr. Silliman arose to the following point of order: That Mr. George D. Collins is not in order because he is reading from a periodical.

Ruling by Speaker

Speaker pro Tempore Maloney ruled the point of order well taken.

Parliamentary Inquiry

Mr. Thomas arose to the following parliamentary inquiry: How do you rule, Mr. Speaker, on how far a member may go on arguing on a motion to withdraw a bill from committee?

Ruling by Speaker

Speaker pro Tempore Maloney ruled that the answer to this parliamentary inquiry may be found in Mason's Manual of Legislative Procedure on page 254, Section 309.

Demand for Previous Question

Messrs. Silliman, Levering, Connolly, Clarke, and Reagan demanded the previous question.

Demand for previous question sustained.

The question being on the motion by Mr. George D. Collins that Assembly Bill No. 3027 be withdrawn from the Committee on Governmental Efficiency and Economy, and be placed upon the file.

The roll was called.

Explanation of Vote

As chairman of a committee, I favor the legislative processes; therefore, I am opposed to efforts to withdraw bills from committee. The committee procedure is the democratic process, and should we begin withdrawing bills, we will be here all summer. While I would support an FEPC bill that is fair to everyone, I must, in this instance, refuse to withdraw any bill from a committee that has held a hearing on it.

G. DELBERT MORRIS

APPRECIATION EXPRESSED

Speaker pro Tempore Maloney expressed appreciation, on behalf of the Members of the Legislature, officers, and attaches, to Mr. Frank Sebastian, president of the Hotel Senator, for his delightful party, given yesterday, at the Hotel Senator.

RESOLUTIONS

The following resolutions were offered:

By Mr. Crichton:

House Resolution No. 260

Relative to the creation of the Assembly Interim Committee to Investigate Waste of Forest Resources Through Unregulated Cutting and Sale of Christmas Trees

WHEREAS, More than 500,000 Christmas trees are cut annually within this State, and more than 2,000,000 Christmas trees cut in other states are imported into this State annually; and

WHEREAS, A large number of those trees are not sold and are wasted, the number of such wasted trees ranging from 275,000 to 825,000 annually; and

WHEREAS, If this situation continues unchecked the forests and timber resources of this State may be laid waste and the needs of future generations of citizens made impossible of fulfillment; and

WHEREAS, In order to protect the public welfare through proper legislation on this subject it is essential that the Assembly be fully informed on all phases thereof, and on all matters relating to, affecting or in any way bearing thereon; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Interim Committee to Investigate Waste of Forest Resources Through Unregulated Cutting and Sale of Christmas Trees is hereby created and authorized and directed to ascertain, study and analyze all facts relating to, bearing upon, or in any way affecting the subjects expressed in the recitals of this resolution, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing thereon or relating thereto, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation

2. The committee shall consist of five Members of the Assembly appointed by the Speaker thereof The chairman shall be appointed by the Speaker Vacancies occurring in the membership of the committee shall be filled by the appointing power.

3. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the 1951 Regular Session, with authority to file its final report not later than the fifteenth legislative day of that session.

4. The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members.

5. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership.

(b) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purposes for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee.

(d) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(e) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

(f) To meet and act at any place within this State or within the United States in carrying out the duties imposed upon it.

6. The sum of ten thousand dollars ($10,000) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under this resolution, to be paid from the said Contingent Fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

By Mr. Geddes:

House Resolution No. 261

Relating to highway maintenance and driveway entrances

Resolved by the Assembly of the State of California, That the California State Highway Commission be, and hereby is requested to review the policies and methods of the Division of Contracts and Rights of Way of the Department of Public Works relative to the width and number of Driveway Entrances granted business establishments in incorporated and unincorporated areas traversed by state highways; and be it further

Resolved, That C. H. Purcell, Director of the Department of Public Works, be, and he hereby is, requested to make an initial survey and report the policies and procedure of said Division of Contracts and Rights of Way to the Highway Commission at its July meeting and to the Assembly by June 30, 1949; and be it further

Resolved, That the Chief Clerk of the Assembly be, and hereby is, directed to transmit copies of this resolution to the California State Highway Commission and to C. H. Purcell, Director of the Department of Public Works.

Resolution read, and ordered referred to the Committee on Rules.

NOTICES OF MOTION TO RECONSIDER CONTINUED

By unanimous consent, the consideration of notices of motion to reconsider votes on the following bills were continued until the next legislative day:

Assembly Bills Nos. 1734 and 1733, on request of Mr. Brady.

REQUEST FOR UNANIMOUS CONSENT TO TAKE UP ASSEMBLY BILL NO. 491

Mr. Rosenthal asked for, and was granted, unanimous consent that he be permitted to take up Assembly Bill No. 491, temporarily passed on file, for purpose of amendment, at this time.

CONSIDERATION OF ASSEMBLY BILL NO. 491

Assembly Bill No. 491—An act to amend Section 7 of an act entitled "An act authorizing the establishment of municipal courts, prescribing their constitution, regulation, government, procedure and jurisdiction, and providing for the election and appointment of the judges, clerks and other attaches of such courts, their terms of office, qualification and compensation and for the selection of jurors therein," approved May 23, 1925, relating to judges and attaches in municipal courts of cities of the first and one-half class.

Bill read third time.

Motion to Amend

Mr. Rosenthal moved the adoption of the following amendments:

Amendment No. 1

On page 2, lines 7 and 8, of the printed bill, as amended in the Assembly on June 15, 1949, strike out "twelve thousand five hundred dollars ($12,500)", and insert "thirteen thousand five hundred dollars ($13,500)".

Amendment No. 2

On page 2, line 21, of said bill, strike out "twelve thousand five hundred dollars ($12,500)", and insert "thirteen thousand five hundred dollars ($13,500)".

Amendment No. 3

On page 5, line 6, of said bill, strike out "twelve thousand five hundred dollars ($12,500)", and insert "thirteen thousand five hundred dollars ($13,500)".

Amendments read, and adopted.

Bill ordered reprinted, and re-engrossed.

BILL WITHDRAWN FROM ACTIVE FILE, AND PLACED ON THE INACTIVE FILE

Assembly Bill No. 1136, on motion of Mr. Burkhalter.

CONSIDERATION OF DAILY FILE (RESUMED)
UNFINISHED BUSINESS (RESUMED)
NOTICE OF MOTION TO RECONSIDER CONTINUED

By unanimous consent, the consideration of notice of motion to reconsider vote on the following bill was continued until the next legislative day:

Assembly Bill No. 385, on request of Mr. Way.

REQUEST FOR UNANIMOUS CONSENT TO USE ASSEMBLY CHAMBER

Mr. Weber asked for, and was granted, unanimous consent that the Committee on Conservation, Planning, and Public Works be permitted to use the Assembly Chamber tomorrow, Friday, June 17, 1949, at 3 p.m., for the purpose of holding a meeting.

Speaker Presiding

At 4 p.m., Hon. Sam L. Collins, Speaker of the Assembly, presiding.

QUESTION OF PERSONAL PRIVILEGE

Mr. Dickey arose to a question of personal privilege.

MOTION THAT STATEMENTS BE PRINTED IN THE JOURNAL

Mr. Doyle moved that the Joint Statement in Opposition to the Dickey Bills, as printed in the Senate Journal on Wednesday, June 15, 1949, on pages 2743, and 2744, followed by Mr. Dickey's statement, just given in rebuttal when he arose to a question of personal privilege, be ordered printed in the Assembly Journal, in 10-point type.

Mr. Brady seconded the motion.

Motion to Amend

Mr. Waters moved the adoption of the following amendment:

That those persons named by Mr. Dickey in his remarks, while speaking on a question of personal privilege, be granted the privilege of having their statements printed in the Assembly Journal.

Ruling by Speaker

Speaker Sam L. Collins ruled that, until such time as these statements are presented, there is nothing before the House, and for this reason must rule the amendment offered by Mr. Waters to Mr. Doyle's motion not in order.

Parliamentary Inquiry

Mr. Crowley arose to the following parliamentary inquiry: Is it understood that the joint statement, as printed in the Senate Journal, will precede the remarks just made by Mr. Dickey?

Ruling by Speaker

Speaker Sam L. Collins ruled that this is to be the order in which the above mentioned material will appear in the Journal.

The question being on the motion by Mr. Doyle.

Parliamentary Inquiries

Messrs. Hinckley, Waters, and Weber arose to questions of parliamentary inquiries.

The question being the motion by Mr. Doyle.

Motion carried unanimously.

EXCERPT FROM SENATE JOURNAL OF WEDNESDAY, JUNE 15, 1949, ON PAGES 2743 AND 2744

COMMUNICATIONS

The following communications were received and read and on motion of Senator Hulse, ordered printed in the Journal:

JOINT STATEMENT IN OPPOSITION TO THE DICKEY BILLS (A.B. 2034 AND A.B. 2156)

June 15, 1949

To the Senate of the State of California:

The undersigned representatives of public and private water works and state and local governmental organizations and agencies, mindful of their obligation to protect the public welfare and all users of water, urge the State Senate to defeat the Dickey Water Pollution bills (A.B. 2034 and A.B. 2156) because:

1. They endanger the purity of the water supply of the people of the entire State;

2. They endanger the public health because of inadequate controls to prevent the dangerous pollution of waters;

3. They jeopardize the quality of industrial water supply;

4. They threaten the interests of the farmers because the quality of waters used for agricultural purposes cannot be protected.

These statements are not made without awareness of their grave implications. We submit them to the Senate because, believing them to be true, we strongly feel that the Members of the Senate should not act on these bills without full knowledge in advance of what the result of such action would be.

It is not often in the career of any legislator that proposals so dangerous to the health, safety and welfare of the State are presented for adoption. It is difficult for us even now to believe that such legislation is so close to final passage.

The Senate is confronted with contending forces. On the side of these Dickey bills are the very industries causing pollution, who seek to be excused from the financial burden of regulations requiring them to provide proper treatment of their industrial waste. Inquiry will reveal that this is the real and the *only* real support for these bills. All else is

token support stemming in one way or another from this basic industrial sponsorship.

And on the other side, opposing these bills, what does the Senate find? The representatives of public and private water works and State and local government whose only purpose is to serve and protect the public interest. There is no selfish purpose to be served by this opposition and the loose charges of bureaucracy do not alter that fact.

We have tried in good faith for months to correct the deficiencies in these bills by submitting amendments to the author. Numerous amendments have in fact been adopted to conceal the real purpose of these bills so boldly stated in earlier drafts. Adequate amendments have never been adopted and the proponents of these bills refuse to accept amendments essential to protect the people and the quality of the waters of the State.

Therefore, to protect the waters of the State upon which all the people depend for their lives and livelihood, we urge the Senate to defeat A.B. 2034 and A.B. 2156.

STATEMENT OF ASSEMBLYMAN RANDAL F. DICKEY ON POINT OF PERSONAL PRIVILEGE

Mr. Speaker and Members of the Assembly:

I rise at this time on point of personal privilege to speak upon a matter of great seriousness. It is a matter which affects not only myself personally, but which is also an affront to every Member of this Assembly, to every Member of the Senate, and to every citizen of this State.

I wish to speak upon a matter which primarily involves a flagrant breach of faith with this Legislature—and which *may* possibly involve outright fraudulent or corrupt actions.

The things which I am about to say are not easy to say. I have not wanted to say them before this; I would rather not have to say them now. However, I *must* rise now to say these things in order to carry out my oath of office. And so that there may be no uncertainty about the things which I will say, I have reduced them to writing so that if it is the wish of this body they may be printed in the Journal.

Specifically I wish to speak to three points. First, a most serious breach of faith; second, a possible fraudulent action, and third, a possible corrupt action—all of which, as I have said, are of serious concern to me personally, but are of far greater concern to this Legislature and to the citizens of this State.

I wish to direct your attention to a communication which is printed in the Senate Journal of June 15th which you have on your desks; on page 2743, entitled "JOINT STATEMENT IN OPPOSITION TO THE DICKEY BILLS (A.B. 2034 and A.B. 2156)," dated June 15, 1949.

I do not direct your attention to the matter contained in the statement. The things which are said are *untrue,* and they must certainly be known to be untrue by the persons whose signatures purport to be on the document. The statements made are scurrilous and vicious; they are intended to create a fear among you for the purpose of covering up actual conditions which exist today which are far more fearful. They are absolutely insupportable by any facts or by any logic.

But I say to you, I do not direct your attention to those statements. It is not to those that I rise to a point of personal privilege. I cannot quarrel with the *right* of anyone to make such statements, whether true or untrue, whether out of ignorance or out of intentional deceit. By now

I am accustomed to such thoughtless and irresponsible tactics on the part of persons opposing these bills.

I do direct your attention to the signatures which are subscribed to this document. There are 11 names, four of which are the names of directors of departments of this State. In the hectograph copy of this document, which you have no doubt received and which has been widely circulated, these signatures appear, as they do also in the Senate Journal, *in print. It would seem that a director of a state department might take* the time to affix his signature to a communication which he directs individually to the Members of this Legislature—and even if that were too great a burden, I respectfully submit that the process of hectograph which has been used to reproduce this piece is fully capable of reproducing written signatures.

The questions therefore arise, first, as to whether or not the original of this document was actually signed by these men, and second, if they did sign their names, whether the document, as they saw it, is the one which is today printed in the Senate Journal.

Several other things give rise to these doubts. First, it is almost *impossible for me to believe that any one of these four men* would subscribe to these statements. Second, I call your attention to the fact that the name of General Hannum does not carry his proper initial—which is "T", not "G" as printed in the Journal. And, finally, doubt is raised by the unusual action which is ascribed to the persons who organized this broadside, when they took advantage of our good friend Senator Dilworth to substitute alterations of their Senate Bill 1639 between the time that the bill crossed the Senate desk and the time it was returned from the printer.

For all these reasons, therefore, I must demand that each of these four officials of our government immediately communicate with the Chairman of the Senate Committee on Public Health, and either affirm that on June 15th they did sign this statement as printed in the Journal, or else repudiate it.

As to the signatures of the other officials, I have no concern to know whether they are spurious or not. However, I do wish to direct your attention to each of the signatures to this document separately. Before doing so I must briefly review the events which led up to the action which I consider to be the most flagrant breach of faith which could be perpetrated upon this Legislature or upon any Member of the Legislature.

The Assembly bills referred to were introduced by the Assembly Interim Committee on Water Pollution to effectuate the recommendations contained in the committee's preliminary and second reports. Some time ago they were passed out of this Chamber to the Senate by an overwhelming majority. With my consent and agreement, the bills were held in abeyance for some weeks in the Senate Committee on Public Health until a counter proposal could be completed by the men whose signatures we find on this document in the Senate Journal. After that counter proposal had been prepared, introduced by Senator Dilworth (and, as I have said, irregularly amended in transit), and referred to the same committee of the Senate, a full hearing was held on Tuesday, June 7th—and the two Assembly bills *and* the Senate bill were debated before the Senate committee in a hearing in the Senate Chamber which lasted for some four

hours. At the conclusion of that hearing, the committee saw fit to hold the matter over for one week.

We now go to *the heart* of this matter. During the intervening week, realizing there were still some issues which were controversial, I directed my secretary to continue the effort—which has persisted since the bills were first introduced in skeleton form in January—to continue to attempt to develop amendments which would be acceptable to all concerned. Fortunately, at that time, at my specific request, the principal attorney of the Los Angeles Department of Water and Power, Mr. Gilmore Tillman, came to Sacramento to sit in these continued deliberations. Mr. Tillman is a gentleman who is extremely skilled in these matters, is one of the outstanding attorneys on water problems in the Nation today, and represents the largest and most important organization of all those who up to that time had been unable to agree with the full detail of the Assembly bills.

The work of attempting to define proper amendments continued actually night and day for a full week with conferences between Mr. Tillman and myself, my secretary, representatives of other interests, and the Legislative Counsel. At the end of that week, final agreement had not been reached although there remained only two points to be composed.

Therefore, in the second hearing before the Senate Public Health Committee, I gave my assurance to the committee, and to all of the persons concerned, that an effort to reach agreement would be continued and amendments finally introduced on the Senate floor.

Now, at that second hearing, upon my assurance that this work would be continued with Mr. Tillman, representatives of the four organizations which head this list of signers of this statement—as well as representatives of other groups—gave their assurance to the Senate committee that the provisions which would be finally acceptable to Mr. Tillman would be acceptable to them and would enable them to support the bills.

Conferences with Mr. Tillman again continued literally night and day with agreement reached yesterday; and at 5 o'clock in the afternoon Mr. George Murphy, of the Legislative Counsel, was drafting the last words of the amendments agreed upon. IT WAS AT THAT TIME THAT THIS DOCUMENT WAS HANDED TO ME.

Here, Gentlemen of the Assembly, is the counterpart of the methods employed by our enemy at Pearl Harbor. While the negotiations were in progress, the bombing was ordered—with this exception however, that, in this case, the negotiator was not a party to the treachery.

This, Gentlemen of the Assembly, to my mind constitutes the most flagrant breach of faith upon the part of the men here involved, and forces me to look further into the motives and the real purpose behind this treacherous action. To do that, I must direct your attention successively to each of the names which appear here.

The first name is that of Lauren W. Grayson by R. V. M., who is, according to the authorization printed below, Mr. Roy O. Van Meter. Mr. Van Meter, to whom Mr. Grayson has assigned his authority, was fully aware of the continued effort which was being made with Mr. Tillman, and he had himself assured the Senate committee that an agreement reached by Mr. Tillman would be subscribed to by the American

Water Works Association Mr. Van Meter in his private capacity is a Sanitary Engineer for the Los Angeles Department of Water and Power, the largest single operation supplying public water in the West. For his information I will merely read from the endorsement which has been handed to me by Mr. Tillman following the agreement on amendments which was reached yesterday.

> "If these latter amendments be incorporated, we believe that the bills, as so amended, will constitute a definite and constructive contribution toward the solution of the water pollution problem in California; legislation of which the members of your Committee may properly be proud. We sincerely hope that the bills, in that form, will be adopted and become law.
>
> "In conclusion I should like to say that we consider that the work done by your Committee in its investigation and report upon water pollution conditions in California constitutes an invaluable public service."

Proceeding now to the next name we find Mr F. V. Frey, of the California Municipal Utilities Association, which *also* gave their assurance in purported good faith to the Senate committee that agreements reached by Mr. Tillman would be acceptable to them.

The next name is that of Robert T Durbrow of the Irrigation Districts Association of California. Mr. Durbrow, likewise in purported good faith, gave the same assurance to the Senate committee I wish to return to the subject of Mr. Durbrow's signature in a moment.

Next signature is that of Brennan S Thomas, California Water Association. Mr. Thomas was present when similar assurance in purported good faith was made by Mr. Van Meter and he did not object to it.

The remaining gentlemen on this list did not participate in these assurances to the Senate committee, but let us see who they are and what their purposes and motives may be.

First there is Dr. William E. Turner as signed by Dr. Zipf of Sacramento for the Conference of Local Health Officers. This signature upon this document will lead the Members of this Legislature to believe that all of the local health officers of this State support the statement that the proposals which have resulted out of two years study and negotiation between honest and sincere and capable men—that these proposals will "endanger the purity of the water supply * * * (and) * * * endanger the public health" of the people of this State.

The alternative which is here recommended is continuation of the present statutes and administrative procedures. I therefore wish to ask Dr. Turner if, in this statement, he represents the Health Officer of San Diego County, where contamination of a public reservoir is this day continuing in spite of every effort to bring action under the state law?

Does he represent the Health Officer of Riverside County, where, under the present law it has been said that people in one district are literally drinking the effluent from sewage settling tanks? Does he represent the Health Officer of Los Angeles County where a so-called irrigation district, serving 80 percent of its water through meters for domestic use, has continued in operation for years without the permit required by law until publicly exposed by the interim committee—and where the permit in any case could not have been granted for the simple

reason that the principle wells of the district were practically located in an underground sewage field?

Does he represent the Health Officer of Sonoma County where the newspapers carry the pictures of children playing in pools of sewage? Does he represent the Health Officers of Alameda County, of Contra Costa County, of San Mateo, of Marin, in all of which serious problems exist under the present law?

Does he represent the eminent and nationally known public health authority who was able to obtain action to correct the condition in the resort areas on the Donner Summit only after some 100 people contracted an intestinal disease and only through intervention of Dr. Gieger did the State Department of Public Health correct same.

Does he represent the Health Officer of Sutter and Yuba Counties who says "We are sitting on a keg of dynamite"? Finally, does he represent the health officer who states that "continuing epidemics of dysentery exist in the mountain counties of the Central Valley" from the contaminated water served *illegally* from irrigation systems throughout that area?

I do not believe that he represents any of these men, and, particularly, he does not represent the men who have been unable over the years to get relief under state law from the practices which have resulted in this continuing epidemic of dysentery, and which every day and every hour threatens more serious diseases, or for all we know, may actually be causing them now!

On this subject I turn now to the next name, that of Dr. Wilton L. Halverson, Director of the State Department of Public Health. I do not impugn the integrity or the intention of Dr. Halverson. However, I may be able to give him some information concerning his department which he may not now have. Dr. Halverson is aware of the conditions surrounding the distribution and sale of irrigation ditch water for private use. He is aware, certainly, of the statements made by officials of his department, that they were helpless, or unwilling, to go behind the perjured affidavits which are forced from the consumers of these water systems which state that the water is being used solely for agricultural purposes, when it is, in fact, piped and metered into the homes, and charged at a different rate from that which is actually used for agricultural purposes.

Dr. Halverson must also know, that following the exposure of this horrible condition by the interim committee, officials from his department went into the mountain counties to crack down upon these flagrant violations. This crack-down operation has occurred very belatedly, only within the past month or so, although the matter was exposed one year ago.

This following piece of information, however, Dr. Halverson may not have.

And it is here that I wish to return to the name of Robert T. Durbrow of the Irrigation Districts Association above. Dr. Halverson may not know that Mr. Durbrow, who represents here the companies which are engaging in this fraudulent and illegal practice, some week or so ago, following the excursion of the Department of Health officials into the mountains, wrote a lengthy letter to the Chief of the Bureau of Sanitary Engineering in vigorous complaint against the program of the Health

Department to clean up this situation. I do not have a copy of that letter but it is in the files of the department, and I think that Dr. Halverson should see it.

Is it possible here that there is only a coincidence that the names of Dr. Halverson, who is charged with the duty of protecting the health of the citizens of this State, and the name of the representative of the persons who are wilfully and illegally creating the condition most threatening to the public health—is it only coincidence that these two names appear on a statement opposed to legislation to adequately control this grave problem?

Can it be possible that, perhaps unknown to Dr. Halverson, the endorsement of Mr. Durbrow has been obtained here in exchange for something?

Now, this, Gentlemen of the Assembly, I submit is a matter which *must* be fully investigated by this Legislature, and I demand that a copy of the letter to which I refer be furnished to the Senate Committee on Public Health for action.

The following three names, the Directors of Public Works, Agriculture, and Natural Resources, I have mentioned previously, and I again state that these gentlemen either affirm their genuine signatures to this document or else repudiate.

We now come to Mr. Frederic L. Alexander, of the County Supervisors Association of California. In the interests of brevity, I ask merely whether Mr. Alexander does actually represent the position of the supervisors of the counties of California. Does he represent the County of Orange? I have in my hand a letter from Mr. Joel E. Ogle, County Counsel of Orange, which reads in part "acting for and on behalf of the Board of Supervisors of Orange with specific instructions from them" . . . that county supports and approves the Assembly Water Pollution Bills as modified by the Tillman Amendments.

Briefly, does Mr. Alexander represent the Supervisors of San Francisco County, of Los Angeles County, of Alameda County? I submit that he does not.

We now come to the final name on the list, that of Mr. Richard Graves, League of California Cities. Mr. Graves, out of his thorough and competent knowledge of this subject which he has developed without benefit of attending any single one of the 30 full days of hearings of the interim committee, and even prior to reading the complete second report of the committee—out of this thorough knowledge of this complex subject, Mr. Graves has been the principle organizer of the opposition to the Assembly bills. I will not ask whether or not Mr. Graves does actually represent the cities of California.

But I submit that, on behalf of his clients, Mr. Graves did not attend one *single* meeting of our interim committee, he did not offer one single suggestion for drafting these bills, he did not offer one single amendment at *any* time during the lengthy conferences which have been conducted to develop these bills to their present form. For what devious purpose does Mr. Graves follow this course on behalf of the Cities of California?

Now, for Mr. Graves' information, I refer him here to the written statement of the representative of the City of Los Angeles which supports without qualification the Assembly bills and the Tillman Amendments. I advise him also that he does not represent the City of San Francisco in

this matter. I do not know how many other cities he does *not* represent, but I venture the opinion that it will turn out to be many of them.

An interesting point develops with this final signature on the document. I have here in my hand a set of amendments which were handed to the secretary of our interim committee by Mr. Graves, and which are said to be acceptable to the cities and to the state departments. These amendments incorporate the substance of the Tillman Amendments with two major differences. Those two differences represent basic and fundamental changes both in the concept of government and in principles of law. They are as follows:

First, they propose that the laws and ordinances of all cities and local agencies be subject to review and acceptance or approval by a state bureau. Likewise a state bureau would pass upon the competence of any local agencies to enforce its own laws. The second proposal involves a principal of law wherein the courts would be required to issue injunctions upon simple violations of administrative orders. Now, who is it that proposes these major changes? It is Mr. Richard Graves who does have the well earned reputation of being possibly the most able *amateur lawyer* in Sacramento. And in this problem of water pollution, which is admitted by all to be the most complex and most critical problem facing the State today, our Governor has taken as his advisor this amateur practitioner of the law.

As I have said from the beginning of this controversy, it is my firm belief that our Governor, without his own knowledge, has been poorly advised and intentionally mislead. This "Joint Statement of Opposition to the Dickey Bills" is another step in this long process of misinformation which is being handed to the Governor, for what reasons I can NOT guess.

Is it so, as has been reported, that the hectograph copies of this statement were distributed by Mr. Vasey, the Governor's Confidential Secretary?

Can it be that the Governor's Office, possibly without his knowledge, is violating the principle which he enunciated in his address opening this session of the Legislature of the purpose to support the constitutional separation of the Legislative, Judicial, and Administrative functions?

If this is so, Gentlemen of the Assembly, I submit that the Governor owes it to this body, he owes it to the people of California, and he owes it to himself to personally inform himself upon this grave subject of water pollution so that he may properly know both what conditions exist now under our present laws and administration, and the tremendous forward step which can be made by adoption of the legislation which is now before the Senate.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

Infinite Spirit: How sublime it is that in the midst of the furor of life, there are a few minutes in which we can escape into the presence of that which is altogether beautiful and altogether perfect

We would tarry in this moment in the presence of the perfect truth, the perfect beauty and peace so that every discord and ugliness about us might pass away.

May some gleam of that Divine beauty and Divine majesty that dwells at the heart of things enter into our spirit and lighten us with a touch of the Infinite

Some touch of indescribable awe, some feeling of unutterable exaltation that sets our hearts asinging to the rhythm of Eternity and makes our noisy days seem but a second in the great Eternal Stillness.

A transcendent moment when we dwell in thought on the margin of the horizonless vastness.—AMEN.

Consideration of Committee Amendments

The following amendment was proposed by the Committee on Constitutional Amendments:

Amendment No. 1

On page 1 of the printed measure, as amended in the Senate on May 26, 1949, strike out lines 9 to 18, inclusive, and insert

"SEC. 18¼. Whenever under the laws of this State or under its charter any city, county, city and county, parking authority, district, or other public body is authorized to acquire or construct public parking lots, garages, or other automotive parking facilities, and for the payment of the cost of any thereof, to issue any bonds or other securities payable in whole or in part from revenues of any such parking facilities, such public body, and any other public body within the territorial area of which such public parking facilities are or will be situated, is also authorized to pledge, place a charge upon, or otherwise make available, as additional security for the payment of such securities, any or all revenues from any or all street parking meters then owned or controlled or to be acquired or controlled by it."

Amendment read, and adopted.

Resolution ordered reprinted, and to third reading.

MESSAGES FROM THE GOVERNOR

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO, June 17, 1949

To the Assembly of the State of California
Sacramento, California

GENTLEMEN: I am transmitting to you herewith a copy of a message with reference to Assembly Bill No. 820, entitled: "An act to amend Section 20060 of the Government Code, relating to the State Employees' Retirement System, authorizing the employment by contracting agencies of retired members to render consulting services."

This bill, with my message relative thereto, I (through my Legislative Secretary) delivered to Arthur A. Ohnimus, Chief Clerk of the Assembly, at 6 o'clock p.m. on the sixteenth day of June, 1949, at which time your honorable body had adjourned for the day but not for the session.

Respectfully submitted,

EARL WARREN, Governor

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO, June 16, 1949

To the Honorable Members of the Assembly
State of California, Sacramento, California

GREETINGS: I am returning herewith, without my signature,

Assembly Bill No. 820, entitled: "An act to amend Section 20060 of the Government Code, relating to the State Employees' Retirement System, authorizing the employment by contracting agencies of retired members to render consulting services."

This bill would break down the policy of the State Retirement System and is contrary to the policy which the Legislature has strengthened at this session. Heretofore state employees, under the interpretation given to our retirement statute, could receive compensation from public agencies provided they did not actually receive retirement benefits although entitled thereto.

In order to strengthen the policy of compulsory retirement, the Legislature unanimously passed Senate Bill No. 330, which I have signed and which is now Chapter 298 of the Statutes of 1949, the purpose of which was to prohibit any employment by the State or a contracting agency so long as the retired employee was entitled to receive a retirement allowance. This bill would undo what was done by Chapter 298 and would reverse the State's policy on this subject.

The Executive Officer of the State Employees' Retirement System points out the inconsistency of the bill and requests that it be vetoed, as does also the California State Employees Association, which claims that it is discriminatory against state employees. I vetoed a similar bill two years ago for this reason. Every department of State Government at one time or another is faced with the compulsory retirement of valued employees whose services would be of great benefit to state service, but who are compelled to leave in view of the compulsory features of the State Retirement System. If this feature is broken down for one agency there is no valid reason why it should be retained for another.

Respectfully submitted,

EARL WARREN, Governor

Receipt of Bill Acknowledged

I acknowledge receipt this sixteenth day of June, 1949, at 6 o'clock p.m., of Assembly Bill No. 820 without the Governor's signature, together with a statement of his objections thereto signed by the Governor, delivered to me personally by Beach Vasey, Legislative Secretary to the Governor.

ARTHUR A. OHNIMUS
Chief Clerk of the Assembly

REPORTS OF STANDING COMMITTEES

Committee on Ways and Means

ASSEMBLY CHAMBER, SACRAMENTO, June 17, 1949

MR. SPEAKER: Your Committee on Ways and Means, to which was referred: Assembly Bill No. 1402

Has had the same under consideration, and reports the same back with amendments with the recommendation: Amend, and re-refer to the committee.

SHERWIN, Chairman

Above reported bill ordered to second reading.

SECOND READING OF ASSEMBLY BILLS (BY UNANIMOUS CONSENT)

Assembly Bill No. 1402—An act relating to the prevention of the introduction of injurious agricultural pests and providing for controlling and preventing the spread of the same and making an appropriation therefor.

Bill read second time.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Ways and Means:

Amendment No. 1

In line 1 of the title of the printed bill, as amended in the Assembly on April 7, 1949, after "act", insert "to add Sections 153.1, 153.2, and 153.3 to the Agricultural Code,".

Amendment No. 2

In line 4 of the title of said bill, after "therefor", insert "declaring the urgency of this act, to take effect immediately".

Amendment No. 3

On page 1 of said bill, strike out line 1, and insert

"SECTION 1. Section 153.1 is added to the Agricultural Code, to read:

153.1. It is hereby declared that the prevention of the introduction or the spread within this State of the Oriental fruit fly (Dacus dorsalis) is essential to the welfare of the agricultural industry of this State. Once introduced this pest is likely to spread very rapidly and inflict a calamitous loss on agriculture. It is therefore essential that all steps possible must be taken to eradicate this pest before it obtains a foothold by finding and destroying the plants affected as soon as the pest is introduced. It is hereby declared to be the policy of the State, in order to encourage the owners of plants which might be infested to report the same immediately to the appropriate authorities and in order to minimize resistance to the destruction of plants found to be, or to be likely to be, infested, to provide for the reimbursement to the owners of plants which it is found necessary to destroy.

SEC. 2. Section 153.2 is added to said code, to read:

153.2. All plants which are hosts of Oriental fruit fly (Dacus dorsalis) are hereby declared to be a public nuisance. The director and each commissioner or the authorized agents of either shall cause the destruction of any such host in a summary manner.

SEC. 3. Section 153.3 is added to said code, to read:

153.3. To the extent that money is available for the purpose the director may pay to the owner of any plant destroyed pursuant to Section 153.2 the value thereof determined as provided in this section. The director may establish a table of values for plants likely to be infested with Oriental fruit fly (Dacus dorsalis) which as to any type of plant may vary in accordance with its stage of maturity or other conditions. The price so established shall be that which will reimburse the owner of the plant which is destroyed for the loss which he would have sustained if the plant had not been infested and had not been destroyed. For the purpose of facilitating payments pursuant to this section the director may establish as a revolving fund all or any portion of the money appropriated to carry out the purposes of this section and may authorize withdrawals from said revolving fund for payments in accordance with the table or tables of values provided for in this section.

SEC. 4. There is hereby appropriated out of the General Fund the sum of one hundred thousand dollars ($100,000) to be expended by the Director of Agriculture for the making of payments pursuant to Section 153.3 of the Agricultural Code.

SEC. 5. This act is an urgency measure necessary for the immediate preservation of the public peace, health or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting such necessity are:

Oriental fruit fly is an extremely dangerous agricultural pest which is not susceptible to any effective method of eradication or control. This pest has recently spread rapidly over the Hawaiian Islands and there is imminent danger that it will be introduced into and spread within this State. Such an occurrence would be a calamity of the greatest magnitude to the agriculture of this State and the United States. Precautionary measures of the greatest intensity must therefore be taken to detect the presence of this pest immediately upon its arrival within the State and to destroy the pest and host plants which harbor it without delay. Unless provision is made at once for the detection and destruction of this pest whenever found it may get a foothold in the State and spread rapidly until it is beyond effective control. Therefore, in order that the necessary preventive steps may be taken before it is too late it is necessary that this act take effect immediately."

Amendment No. 4

On page 1 of said bill, strike out lines 2 to 22, and strike out page 2.

Amendments read, and adopted.

Bill ordered reprinted, engrossed, and to be re-referred to Committee on Ways and Means.

Motion to Place Rush Order on Printing of Assembly Bill No. 1402

Mr Sherwin moved that a rush order be placed upon the printing of Assembly Bill No. 1402.

Motion carried.

Request for Unanimous Consent That Name Be Placed Upon Roll Call

Mr. Morris asked for unanimous consent that his name be placed upon the roll call on the report of the Committee on Conference concerning Assembly Bill No. 1100, and that he be recorded as voting "No."

Mr. Dunn withheld unanimous consent.

Reason for Not Voting on Report of Committee on Conference Concerning Assembly Bill No. 1100

Just before the vote on the budget of over a billion dollars was taken, I was called to the telephone. Had I been in the Assembly Chamber when the vote was taken I would have voted "No."

Upon my return, I asked the Speaker of the Assembly for recognition for the purpose of recording my vote on the budget On being recognized I explained to the members the reason for my not being on the roll call and asked for unanimous consent to be recorded as voting "No" stating that I could not in good conscience vote for a budget calling for the expenditure of over a billion dollars of tax money for one year. Unanimous consent was withheld by one member, therefore I am not recorded as voting "No" on the Budget for 1949-50.

G. DELBERT MORRIS

REQUEST FOR UNANIMOUS CONSENT THAT OPINION OF ATTORNEY GENERAL BE PRINTED IN JOURNAL

Mr. Heisinger asked for, and was granted, unanimous consent that the following opinion of the Attorney General be ordered printed in the Journal in 10-point type:

OPINION OF ATTORNEY GENERAL

STATE OF CALIFORNIA, DEPARTMENT OF JUSTICE
OFFICE OF THE ATTORNEY GENERAL
STATE BUILDING, SAN FRANCISCO 2, June 16, 1949

Honorable S. L. Heisinger
Member of the Assembly
State Capitol, Sacramento, California

DEAR MR. HEISINGER: Reference is had to your favor of May 27, 1949, as well as to our previous correspondence on the same subject and to Opinion 49/68.

In that opinion we pointed out that the Statutes of California have not stated specifically that the use of water for recreational purposes or for the maintenance of fish life is a beneficial use, although the latter may be reasonably inferred from Sections 29 and 525 of the Fish and Game Code. We also noted that the courts have held such use to be beneficial. Hence when you ask whether the provisions of Assembly Bill No. 3108 "represent the law of this State", the answer is that it represents the case law of this State and is inferentially, but not specifically, a part of its statutory law.

Trusting this will clarify the situation to your satisfaction, we are

Yours very truly,

FRED N. HOWSER, Attorney General
By RALPH W. SCOTT, Deputy Attorney General

RESOLUTIONS

The following resolutions were offered:

Resolved by the Assembly of the State of California, That in addition to any money heretofore made available, the sum of forty-five thousand dollars ($45,000) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the Assembly Fact-Finding Committee on Tideland Reclamation and Development in Northern California, Related Traffic Problems, and Relief of Congestion on Transbay Crossings (created by House Resolution No. 44, 1949 Regular Session) and its members and for any charges, expenses or claims it may incur under said resolution, to be paid from said contingent fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

By Mr. Lindsay:

House Resolution No. 263

Relative to adjournment in respect to former Assemblywoman Mrs. Cora M. Woodbridge

WHEREAS, The Members of this Assembly are deeply grieved to learn of the death on June 14, 1949, in Sacramento, California, of a former Member of this Assembly, Mrs. Cora M. Woodbridge of Placer County; and

WHEREAS, A native of Franklin, California, Mrs. Woodbridge came to Roseville in about 1906 with her husband, Dr. Bradford Woodbridge, who served as mayor for 25 years; and

WHEREAS, Mrs. Cora M. Woodbridge quickly attained a position of fraternal, civic, and political leadership, and was at the time of her election to this Assembly in 1922 from the then Ninth Assembly District, a member of the Republican State Central Committee and Chairman of the Placer County Republican Central Committee; and

WHEREAS, As a Member of this Assembly Mrs. Woodbridge was the possessor of great womanly grace and charm as well as unusual ability as a legislator, and during her three terms in office she accomplished much in the enactment of legislation beneficial to the welfare of women and children; now, therefore, be it

Resolved by the Assembly of the State of California, That the Members of this Assembly deeply regret the passing of Mrs. Cora M. Woodbridge and extend sincere sympathy to her family in their bereavement; and be it further

Resolved, That the Chief Clerk of the Assembly transmit copies of this resolution to Mrs. Anna M. Young of San Francisco, daughter of Mrs. Woodbridge, and to her grandson, Dr. Bradford Young of San Jose; and be it further

Resolved, That when this Assembly this day adjourns, it do so out of respect to the memory of former Assemblywoman, Mrs. Cora M. Woodbridge.

CONSIDERATION OF DAILY FILE (RESUMED)

CONSIDERATION OF HOUSE RESOLUTION NO. 221

By Mr. Evans:

House Resolution No. 221

Relative to investigation of the activities and conduct of the Office of the State Insurance Commissioner

WHEREAS, It has come to the attention of this Legislature that the Insurance Commissioner of this State has been charged with conducting himself in a high-handed and dictatorial manner with regard to the regulation of insurance and with undertaking to act arbitrarily, either in excess of his powers as they are set out in the Insurance Code or not in accord with the dictates of good reason or prudence; and

WHEREAS, The following is typical of numerous complaints and comments by persons engaged in the insurance business:

"For two years California's autocratic Insurance Commissioner, Wallace K. Downey has been engaged in what seems to be persecution against . . . (out of state insurers) (and their) Pacific Coast representatives;" and

WHEREAS, It appears that the activities of the Insurance Commissioner have been such as to embroil him in litigation, and that at the present time one insurance company has filed suit against him for $50,000 damages alleged to have been caused by illegal destruction of the company's business by the Insurance Commissioner; and

WHEREAS, The Insurance Commissioners of a majority of the states by mutual cooperation have set up a method whereby through the process of a "Conference Examination" investigation may be made of any insurance company to determine its solvency while protecting its policy holders from the effects of premature publicity or other impairment of their policies; and

WHEREAS, The Insurance Commissioner is a member of the Interstate Organization of Insurance Commissioners and failed to attend although invited to a "Conference Examination" requested by the commissioner of the home state of a company doing business in California; and

WHEREAS, The California Commissioner proceeded to institute other action which has destroyed the value of policies held by more than a hundred thousand California policy holders; and

WHEREAS, It has further been charged that the commissioner has authorized the expenditure of state funds to send operatives outside of the State for the purpose of investigating and securing information, which work might as effectively be done by correspondence with the insurance commissioners of the various states or by investigations conducted entirely within the State; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Standing Committee on Finance and Insurance is hereby authorized and directed to immediately ascertain, study and analyze all facts relating to the activities of the Insurance Commissioner of this State and all subjects and facts referred to in the recitals hereinabove set forth, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation.

2. The committee is authorized to act during this session of the Legislature, including any recess, but not after final adjournment, with authority to file a final report not later than June 25, 1949.

Resolution read, and adopted.

Motion to Amend

Mr. Weber moved the adoption of the following amendment:

Amendment No. 1

On page 5 of the printed bill, between lines 7 and 8, insert

"Article 6 1. The State Planning and Conservation Board

SEC. 56. The State Planning and Conservation Board is the State Reconstruction and Reemployment Commission, and any state board or commission which succeeds to the powers of said commission in relation to planning.

SEC. 57. The board shall adopt rules for the transaction of its business and shall keep a record of its official actions, making reports as may be requested to the Governor, the Legislature and the Director of Finance. It shall annually select a chairman from its appointive members and a secretary who need not be a member of the board.

SEC. 58. The board shall employ a director of planning who shall be qualified by special training, experience and demonstrated ability in the field of planning and may employ subject to the approval of the Governor such other persons as may be necessary for its work.

SEC. 59. The board shall have authority to cooperate with any persons or organizations interested, for devising means to develop the natural and economic resources of the State, and it is authorized to accept grants from the Federal or State Governments or their agencies, and may accept gifts for the purposes of state planning. The board shall encourage the extension and correlation of state planning by agencies of the State Government and participate in interstate and national planning efforts, both with a view to benefit to be derived by the larger region or Nation, and by the State.

SEC 60. The board shall ascertain from each department, board or other agency of the State, and where possible, from agencies of the Federal Government, all contemplated public improvements or projects and where necessary shall implant upon the master regional and county plans those things which it considers pertinent to such master plans. Any agency of the State concerned with any public improvement or project may request the imposition of such improvement or project on any regional or county master plan. The board shall make available to each state department, board

or other agency all regional and county master plans, as well as information concerning other state projects. Each state department, board or agency shall given consideration to such other state projects and to the regional and county master plans, to the end that, where in the judgment of such state department, board or other agency it is practical and feasible, its projects may be properly coordinated with those of all other governmental agencies."

MESSAGES FROM THE GOVERNOR

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO, June 18, 1949

To the Honorable Members of the Assembly
State of California, Sacramento, California

GREETINGS: I am returning herewith, without my signature,

Assembly Bill No. 2308, entitled: "An act to amend Section 6487 of the Revenue and Taxation Code, relating to sales and use taxes, and providing that this act shall take effect immediately."

As introduced by the author, at the request of the State Board of Equalization, this bill established a statute of limitations on deficiency assessments with regard to the sales and use tax of eight years in cases of fraud, intent to evade the law, or failure to make a return. This bill was amended in the Senate to reduce this period of limitation to five years. As so amended the measure no longer has the support of the State Board of Equalization as it is the belief of the board that five years is too short a period of limitation in cases of actual fraud or intent to evade the law. Under the circumstances, the author of the bill has agreed to its return without my approval.

Respectfully submitted,

EARL WARREN, Governor

Above bill ordered to unfinished business file.

Receipt of Assembly Bill No. 2308 Acknowledged

I acknowledge receipt this eighteenth day of June, 1949, at 11 o'clock a.m., of Assembly Bill No. 2308 without the Governor's signature, together with a statement of his objections thereto signed by the Governor, delivered to me personally by Beach Vasey, Legislative Secretary to the Governor.

Parliamentary Inquiry

Messrs. Sherwin and Hinckley arose to the following parliamentary inquiry: Because Assembly Bill No. 1403 has been re-referred to the Committee on Ways and Means, is it now properly before the House for consideration at this time?

Ruling by Speaker

Speaker Sam L. Collins ruled that, as Assembly Bill No. 1403 has been previously considered by the Committee on Ways and Means, it is now properly before the House, and may be considered at this time.

The question being on the adoption of the urgency clause to Assembly Bill No. 1403.

The roll was called, and the urgency clause adopted by the following vote:

AYES—Anderson, Babbage, Beck, Brady, Brown, Burke, Burkhalter, Butters, Caldecott, Clarke, Coats, George D. Collins, Condon, Connolly, Conrad, Cooke, Crichton, Dickey, Clayton A. RESOLUTIONS

The following resolutions were offered:

By Mr. Evans:

House Resolution No. 264

Relative to the creation of the Assembly Interim Committee on Public Utilities and Corporations

WHEREAS, At each session of the Legislature numerous bills relating to or affecting public utilities and corporations and related matters are introduced; and

WHEREAS, In order to properly consider such measures it is necessary that the Assembly be fully informed as to all facts directly or indirectly bearing thereon; and

WHEREAS, The Assembly Standing Committee on Public Utilities and Corporations, and the members thereof, have acquired experience and knowledge of the problems peculiar to this subject; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Standing Committee on Public Utilities and Corporations is hereby constituted the Assembly Interim Committee on Public Utilities and Corporations and is authorized and directed to ascertain, study and analyze all facts relating to, bearing upon or in any way affecting the Public Utilities and Corporations and other subjects which, under the Standing Rules and the legislative practices of the Assembly, would be referred to the Standing Committee on Public Utilities and Corporations, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation.

2. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the 1951 Regular Session, with authority to file its final report not later than the fifteenth legislative day of that session.

3. The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members. Vacancies shall be filled by the Speaker.

4. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership.

(b) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purposes for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee.

(d) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(e) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

5. The sum of ten thousand dollars ($10,000) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under this resolution, to be paid from the said Contingent Fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

By Mr. Weber:

House Resolution No. 265

Relative to the resignation of Chief Deputy Legislative Counsel Clarence H. Langstaff

WHEREAS, Since 1932 Clarence H. "Nic" Langstaff has served the State in the capacity of Deputy Legislative Counsel, and has held the position of Chief Deputy Legislative Counsel since July 1, 1936, except for the period from January 1, 1943, to June 17, 1946, during which he served in the United States Navy, where he rose to the rank of Lieutenant Commander, U.S.N.R.; and

WHEREAS, During all of his state service the Members of the Legislature have received from Nic Langstaff legal counsel of the highest quality, and constant, courteous, unfailing devotion to the welfare of the State and the interests of the Legislature and its members, and the individual Members of the Legislature have come to have the greatest confidence in and reliance upon him, and feelings of the warmest friendship for him; and

WHEREAS, In the position of Chief Deputy Legislative Counsel Nic Langstaff has demonstrated not only outstanding legal and administrative ability and effective leadership, but also such kindliness, consideration, and geniality as to win him the admiration and affection of the Members of this Assembly, as well as of his colleagues in the Office of the Legislative Counsel; and

WHEREAS, The Assembly has learned with regret that Nic Langstaff has resigned from the position of Chief Deputy Legislative Counsel, as of June 17, 1949, in order to direct his professional activities into a different legal field in his home County of Los Angeles; now, therefore, be it

Resolved by the Assembly of the State of California, That the Members of the Assembly do hereby express their appreciation of the invaluable services that Clarence H. "Nic" Langstaff has rendered to the State of California and to the Legislature, their confidence that he will continue to further the interests of and serve the people of California, directly or indirectly, in whatever channel his professional activities may be directed, and their very sincere good wishes to him for success in his chosen field. "Well done, Commander!" And be it further

Resolved, That the Chief Clerk of the Assembly is hereby directed to transmit a copy of this resolution to Clarence H. Langstaff, former Chief Deputy Legislative Counsel.

Resolution read, and ordered referred to the Committee on Rules.

Almighty God of Our Fathers: Upon this day when the statue of the Goddess of Liberty was received from France, let us pledge allegiance to all for which it stands.

Stands for the innate importance of every man of every race, for his ability to think for himself and govern himself without dictation.

Stands for universal education that trains brain and soul to think and act wisely and nobly for the welfare of the Country.

Stands for the right of every man to enjoy the fruits of his labor, to own and control his own possessions and stands for unlimited opportunity for growth.

Stands as a sentinel guarding our shores from the alien anarchy that would destroy us, and stands for America's dream of Liberty enlightening the world.—AMEN.

Amendment No. 10

On page 16 of said bill, between lines 24 and 25, insert

"SEC. 29. Notwithstanding Section 3720 of the Political Code, the Sonoma County Flood Control and Water Conservation District is validly created for the purposes of assessment and taxation. The creation of any zone in the district shall not be effective for purposes of assessment or taxation for the Fiscal Year 1949-1950 and shall not be effective for such purposes for any fiscal year thereafter unless the statement and map or plat required by Section 3720 of the Political Code are filed with the county assessor and the State Board of Equalization on or before the first of February of the year in which the assessments or taxes are to be levied. Until such time as the creation of any zone shall be effective for purposes of assessment or taxation, any tax or assessment levied by the board shall be levied at a uniform rate on all property in the district.

For the Fiscal Year 1949-1950, but for no other fiscal year, notwithstanding Section 28 of this act, the assessment and equalization of property for the purpose of district taxation shall be effected as provided in this section.

Assessments of the district for the Fiscal Year 1949-1950 are liens on the property the same as if they were county taxes, except that the district assessment liens attach as of noon on the day after this act becomes effective.

It is presumed that the assessments of property made by the county assessor and by the State Board of Equalization for county taxation purposes for the Fiscal Year 1949-1950 are the correct assessments for purposes of assessment by the district and the rolls prepared by the county assessor and the State Board of Equalization shall be used for purposes of levying and collecting the assessments for the district. If the ownership or taxable situs or value of any property changes between noon on the first Monday in March, 1949, and the date on which attaches the lien for assessments of the district for the Fiscal Year 1949-1950, then, on petition of the taxpayer affected to the assessing authority, suitable entry shall be made on the assessment roll, in the manner prescribed by the State Board of Equalization, to indicate such change in the ownership or taxability or value of the property for purposes of assessment by the district.

In equalizing the assessments made by the county assessor, the Board of Supervisors of Sonoma County, sitting as the county board of equalization, in addition to its regular equalization duties, shall also, in the same manner and under the same rules, equalize the valuation of property for purposes of assessment by the district in accordance with the requirements of this section and any such changes made by the county board of equalization in the assessment roll shall be entered in the manner prescribed by the State Board of Equalization.

If, for purposes of assessments by the district, a change in the assessment for county taxation purposes is not sought under this section before the end of the period during which such assessment may be equalized, or corrected on a petition for reassessment, such assessment, if valid for county taxation purposes, is conclusively presumed to be the correct assessment for assessment purposes of the district.

The board may prescribe by ordinance any necessary procedure, in accordance with the policy of this act, for the purpose of assessing, equalizing, levying, and collecting taxes or assessments for the district for the Fiscal Year 1949-1950. Except as provided in this section, Section 28 of this act is applicable to the assessment and equalization of property for the purpose of district assessments for the Fiscal Year 1949-1950."

Amendment No. 11

On page 16, line 25, of said bill, strike out "29", and insert "30".

Amendment No. 12

On page 16, line 46, of said bill, strike out "30", and insert "31".

Amendment No. 13

On page 17, line 4, of said bill, strike out "31", and insert "32".

Amendment No. 14

On page 17, line 12, of said bill, strike out "32", and insert "33".

Amendment No. 15

On page 17, line 16, of said bill, strike out "33", and insert "34".

Amendment No. 16

On page 17, line 18, of said bill, strike out "34", and insert "35".

Amendments read, and adopted.

Bill ordered reprinted, and to third reading.

Senate Concurrent Resolution No. 69—Relative to protection at locations where school children cross state highways in rural areas.

"SEC. 2. Section 4881 of said code is amended to read:

4881. Any person, firm or corporation, or any group or combination thereof, owning or controlling brush covered land within an area the fire protection of which is primarily State responsibility may apply to the Division of Forestry for permission to burn the brush from such lands. The application shall be on a form prescribed by the division and shall contain a description of the lands[, the period of time during which the burning is proposed to be conducted, a statement of the precautions and preventive measures that the applicant proposes to prevent the spread of fire to other lands,] and such other pertinent information as the division may require.

SEC. 3. Section 4882 of said code is amended to read.

4882. Upon receipt of an application the division shall [make such investigation as may be necessary to determine whether a permit shall be granted and may require the applicant to submit additional information if needed for that purpose] *inspect such land in company with the applicant and shall suggest such precautions to be taken by the applicant as may be considered reasonable to prevent damage to the property of others by reason of such burning. Such suggested precautions shall, if deemed necessary, include the advance preparation of firebreaks and the fire fighting equipment and personnel desirable to conduct such controlled burning.*"

CONSIDERATION OF DAILY FILE (RESUMED)

CONSIDERATION OF HOUSE RESOLUTION NO. 248

By Messrs. Huyck, Silliman, Waters, Hawkins, and Stewart:

House Resolution No. 248

Relative to the operation of the State Personnel Board and the State Civil Service System

WHEREAS, The State of California employs over 40,000 employees to make effective the various laws and policies enacted by the Legislature covering many fields of activity; and

WHEREAS, The Legislature of the State of California is greatly concerned with the operation of the State Personnel Board and the State Civil Service System and desirous of facilitating the most efficient operation of said board and system; and

WHEREAS, The Legislature has demonstrated such concern by the creation of the Assembly Interim Committee on Governmental Efficiency and Economy; and

WHEREAS, This committee, after considerable effort and expenditure of public funds, has rendered a Partial Report of the Study of the Personnel Board and Its Operations; and

WHEREAS, This committee has commended to the attention of the Legislature the Final Staff Report to the Committee on the Investigation of the State Personnel Board by Louis J. Kroeger and Associates; now, therefore, be it

Resolved by the Assembly of the State of California, That the State Personnel Board and the Director of Finance are hereby requested to render to the Legislature by January 4, 1951 separate reports which are to include:

1. Summary of progress made in putting into effect each of the 157 recommendations made in the Final Staff Report on the Investigation of the State Personnel Board;

2. Explanation as to why any of these recommendations have not been put into effect;

3. Estimates of the savings which are expected to accrue in the 1951-52 Annual Budget as the result of these recommendations, and be it further

Resolved, That the Chief Clerk of the Assembly is directed to transmit copies of this resolution to the State Personnel Board and the Director of Finance.

Resolution read, and adopted.

CONSIDERATION OF HOUSE RESOLUTION NO. 259

By Mr. Doyle:

House Resoluiton No. 259

Relating to commending the Chaplain of the Assembly, Reverend Torrance Phelps, and authorizing the printing of the prayers of the Assembly in book form

WHEREAS, During this session of the Legislature it has been the good fortune of the Assembly to secure Reverend Torrance Phelps as its Chaplain; and

WHEREAS, Reverend Torrance Phelps, by his prayers each morning, has brought to this body spiritual guidance and inspiration in the day's work; and

WHEREAS, His devout utterances have reminded the members of their obligation not only to their God, but to their fellow men, the State and the Nation, and have aided them in their efforts to merit the trust imposed in them by the people of California; and

WHEREAS, The broad vision, the tolerance, the human understanding and the intellectual attainments of Reverend Torrance Phelps have compelled the admiration

of all within his hearing and won the personal regard of each Member of this Assembly; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly does hereby express to Reverend Torrance Phelps its sincere appreciation for the spiritual guidance he has rendered this body during this session of the Legislature, and for the inspiration which the members have derived from his prayers; and be it further

Resolved, That the Chief Clerk is hereby authorized and instructed to have printed 350 copies of a booklet containing the prayers offered in the Assembly at this session; that he send one of said copies to each Member of the Assembly; and that he transmit the remaining copies to Reverend Torrance Phelps together with an engrossed copy of this resolution.

Resolution read, and adopted.

SEC. 13 8. Part 13, comprising Sections 30001 to 30473, inclusive, is added to Division 2 of the Revenue and Taxation Code, to read:

PART 13. CIGARETTE TAX

CHAPTER 1. DEFINITIONS

30001. This part is known and may be cited as the "Cigarette Tax Law."

30002. Except where the context otherwise requires, the definitions given in this chapter govern the construction of this part.

30003. "Cigarette" means any roll for smoking, made wholly or in part of tobacco, irrespective of size or shape and irrespective of whether the tobacco is flavored, adulterated or mixed with any other ingredient, where such roll has a

wrapper or cover made of paper or any other material, except where such wrapper is wholly or in the greater part made of tobacco.

30004. "Untaxed cigarette" means any cigarette which has not yet been distributed in such manner as to result in a tax liability under this part.

30005. "Sale" includes any transfer of title or possession for a consideration, exchange or barter, in any manner or by any means whatever.

30006 "Distribution" includes

(a) The first sale of cigarettes manufactured in this State,

(b) The use or consumption by the manufacturer of cigarettes manufactured in this State,

(c) The first sale of untaxed cigarettes after transportation to this State, and

(d) The use or consumption by the first person in possession in this State of untaxed cigarettes transported to the State in quantities of 200 or more in a single shipment.

30007 "Use or consumption" includes the exercise of any right or power over cigarettes incident to the ownership thereof, other than the sale of the cigarettes or the keeping or retention thereof for the purpose of sale

30008. "Person" includes any individual, firm, copartnership, joint venture, association, social club, fraternal organization, corporation, estate, trust, business trust, receiver, trustee, syndicate, this State, any county, city and county, municipality, district, or other political subdivision of the State, or any other group or combination acting as a unit.

30009. "Distributor" includes

(a) Every person who, after 4 o'clock a m on July 1, 1949, and within the meaning of the term "distribution" as defined in this chapter, distributes cigarettes, and

(b) Every person who sells or accepts orders for cigarettes which are to be transported from a point outside this State to a consumer within this State in quantities of 200 or more in a single shipment.

30010. "Dealer" includes every person other than one holding a distributor's license, who engages in this State in the sale of cigarettes.

30011 "In this State" or "in the State" means within the exterior limits of the State of California and includes all territory within these limits owned by or ceded to the United States of America.

CHAPTER 2. IMPOSITION OF TAX

Article 1. Tax on Distributors

30101 For the privilege of distributing cigarettes, a tax is hereby imposed upon every distributor at the rate of $ 0015 for the distribution after 4 o'clock a m. on July 1, 1949, of each cigarette weighing not more than three pounds per thousand and at the rate of $.003 for the distribution after 4 o'clock a.m. on July 1, 1949, of each cigarette weighing over three pounds per thousand.

30102 Every distributor maintaining a place of business in this State and selling or accepting orders for cigarettes with respect to the sale of which the tax imposed by Section 30101 is inapplicable, shall at the time of making the sale or accepting the order, or if the distribution of the cigarettes is not then taxable hereunder at the time the distribution becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the board.

30103. Unless the contrary is established, it shall be presumed that all cigarettes manufactured in this State, or transported to this State and no longer in the possession of the distributor, have been distributed.

Article 2 Only One Distribution Taxed

30104. Any cigarette with respect to which a tax has once been imposed under Article 1 or Article 3 of this chapter shall not be subject upon a subsequent distribution to the tax imposed under Article ___ of this chapter.

Article 3. Floor Stocks Tax on Dealers

30121. For the privilege of distributing cigarettes, a floor stocks tax is hereby imposed upon every dealer at the rate of one mill ($ 0015) for each cigarette weighing not more than three pounds per thousand in his possession or under his control at 4 o'clock a m on July 1, 1949, and at the rate of two mills ($ 003) for each cigarette weighing over three pounds per thousand in his possession or under his control at that time.

30122 The tax imposed by this article is due and payable on or before July 15, 1949.

30123 Each dealer, on or before July 15, 1949, shall file a report with the board in such form as the board may prescribe The report shall state the number of cigarettes on hand at 4 o'clock a m. on July 1, 1949, and the amount of tax due thereon Each report shall be accompanied by a remittance payable to the board for the amount of tax due.

30124. All the provisions of Chapters 3 to 9, inclusive, of this part, relating to the tax imposed by Article ___ of this chapter, shall be applicable, so far as pertinent, to the tax imposed by this article.

CHAPTER 3. LICENSES, BONDS AND REGISTRATION

Article 1. Licenses and Bonds

30150. Every person desiring to engage in the sale of cigarettes as a distributor, except a person who desires merely to sell or accept orders for cigarettes which are to be transported from a point outside this State to a consumer within this State, shall file with the board an application, in such form as the board may prescribe, for a distributor's license. The application shall be accompanied by a license fee of one dollar ($1) payable to the board.

30151 The board, whenever it deems it necessary to insure compliance with this part, may require any person subject thereto, to deposit with it such security as the board may determine. The amount of the security shall be fixed by the board but shall not be greater than three times the estimated average liability of persons required to file monthly reports, determined in such manner as the board deems proper, or ten thousand dollars ($10,000), whichever amount is the lesser. The amount of the security may be increased or decreased by the board subject to the limitations herein provided. The board may sell the security at public auction if it becomes necessary so to do in order to recover any tax or any amount required to be collected, interest, or penalty due Notice of the sale may be served upon the person who deposited the security personally or by mail; if by mail, service shall be made in the manner prescribed for service of a notice of a deficiency determination and shall be addressed to the person at his address as it appears in the records of the board. Security in the form of a bearer bond issued by the United States or the State of California which has a prevailing market price may, however, be sold by the board at private sale at a price not lower than the prevailing market price thereof. Upon any sale any surplus above the amounts due shall be returned to the person who deposited the security.

30152. On receipt of an application and license fee and after the deposit of such security as may be required pursuant to Section 30151, the board shall issue a distributor's license to the applicant. The license is not transferable and is valid until canceled or revoked.

30153. Whenever any distributor fails to comply with any provision of this part or any rule or regulation of the board prescribed and adopted under this part, the board upon hearing, after giving the distributor at least ten days' notice in writing specifying the time and place of hearing and requiring him to show cause why his license should not be revoked, may revoke the license held by him. The notice may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination The board shall not issue a new license to a distributor whose license has been revoked unless it is satisfied that he will comply with the provisions of this part and the rules and regulations of the board.

30154. Any person required to obtain a license as a distributor under this chapter who engages in business as a distributor without a license or after a license has been canceled or revoked, and each officer of any corporation which so engages in business, is guilty of a misdemeanor.

Article 2. Registration

30161. Every distributor, except one to whom a license is issued under Article 1 of this chapter, required under Section 30102 to collect the tax imposed under this part from a purchaser shall register with the board and give the names and addresses of all agents operating in this State, the location of all distribution or sales houses or offices or other places of business in this State, and such other information as the board may require.

CHAPTER 4. DETERMINATIONS

Article 1. Reports and Payments

30181. The tax imposed by this part is due and payable monthly on or before the fifteenth day of the month following each calendar month in which a distribution of cigarettes occurs.

30182. On or before the fifteenth day of each month, every distributor shall file on forms prescribed by the board a report showing the number of cigarettes distributed during the preceding calendar month by the distributor in this State and such other information as the board may require to carry out the purposes of this part.

30183. The distributor shall accompany each report with a remittance payable to the board for the amount of tax due.

30184. The board for good cause may extend for not to exceed fifteen days the time for making any report or paying any amount of tax required under this part. The extension may be granted at any time provided a request therefor is filed with the board within or prior to the period for which the extension may be granted.

Any distributor to whom an extension is granted shall pay, in addition to the amount of tax, interest at the rate of one-half of 1 percent per month, or fraction thereof, from the date on which the amount of tax would have been due without the extension to the date of payment.

Article 2. Deficiency Determinations

30201. If the board is dissatisfied with the report filed, it may compute and determine the amount to be paid upon the basis of any information available to it.

One or more deficiency determinations may be made of the amount of tax due for one or for more than one month.

30202 The amount of the determination, exclusive of penalties, shall bear interest at the rate of one-half of 1 percent per month, or fraction thereof, from the fifteenth day after the close of the month for which the amount of the tax, or any portion thereof, should have been reported until the date of payment.

30203 In making a determination the board may offset overpayments for a month or months against underpayments for another month or months and against the interest and penalties on the underpayments.

30204. If any part of the deficiency for which a deficiency determination is made is due to negligence or intentional disregard of this part or the rules and regulations adopted under this part, a penalty of 10 percent of the amount of the determination shall be added thereto

30205. If any part of the deficiency for which a deficiency determination is made is due to fraud or an intent to evade this part or the rules and regulations adopted under this part, a penalty of 25 percent of the amount of the determination shall be added thereto

30206. The board shall give the distributor written notice of its determination The notice may be served personally or by mail; if by mail, service shall be made pursuant to Section 1013 of the Code of Civil Procedure and shall be addressed to the distributor at his address as it appears in the records of the board, but the service shall be deemed complete at the time of deposit of the notice in the mail without extension of time on account of the distance between the place of deposit and the place of address

30207 Except in the case of fraud, intent to evade the tax, or failure to make a report, every notice of a deficiency determination shall be given within three years after the date when the amount should have been reported

Article 3 Determinations if No Report Made

30221. If any distributor fails to make a report, the board shall make an estimate of the number of cigarettes distributed by him The estimate shall be made for the month or months in respect to which the distributor failed to make a report and shall be based upon any information available to the board. Upon the basis of this estimate the board shall compute and determine the amount required to be paid to the State, adding to the sum thus fixed a penalty equal to 10 percent thereof. One or more determinations may be made for one or for more than one month

30222. In making a determination the board may offset overpayments for a month or months against underpayments for another month or months and against interest and penalties on the underpayments

30223 The amount of the determination, exclusive of penalties, shall bear interest at the rate of one-half of 1 percent per month, or fraction thereof, from the fifteenth day after the close of the month for which the amount, or any portion thereof, should have been reported until the date of payment

30224. If the failure of a distributor to file a report is due to fraud or an intent to evade the tax, a penalty of 25 percent of the amount required to be paid by the distributor, exclusive of penalties, shall be added thereto in addition to the 10 percent penalty provided in Section 30221.

30225 Promptly after making its determination the board shall give to the distributor written notice of its estimate and determination, and penalty, the notice to be served personally or by mail in the manner prescribed for service of notice of a deficiency determination.

Article 4. Jeopardy Determinations

30241 If the board believes that the collection of any amount of tax imposed under this part will be jeopardized by delay, it shall thereupon make a determination of the amount of tax, noting that fact upon the determination. The amount determined is immediately due and payable

30242 If the amount of the tax, interest, and penalty specified in the jeopardy determination is not paid within ten days after service upon the distributor of notice of the determination, the determination becomes final, unless a petition for redetermination is filed within the ten days, and the delinquency penalty and interest provided in Article 6 of this chapter shall attach to the amount specified

30243 The distributor against whom a jeopardy determination is made may petition for the redetermination thereof pursuant to Article 5 of this chapter He shall, however, file the petition for redetermination with the board within ten days after the service upon him of notice of the determination The distributor shall at the time of filing the petition for redetermination deposit with the board such security as it may deem necessary to insure compliance with this part The security may be sold by the board in the manner prescribed by Section 30151

Article 5 Redeterminations

30261 Any distributor against whom a determination is made under Article 2 or 3 of this chapter may petition for a redetermination within fifteen days after service upon the distributor of notice thereof. If a petition for redetermination is not

filed within the 15-day period, the determination becomes final at the expiration of the period.

30262. If a petition for redetermination is filed within the 15-day period, the board shall reconsider the determination and, if the distributor has so requested in his petition, shall grant him an oral hearing and shall give him at least 10 days' notice of the time and place of the hearing. The board may continue the hearing from time to time as may be necessary.

30263. The order or decision of the board upon a petition for redetermination becomes final 15 days after mailing of notice thereof.

30264. All determinations made by the board under Article 2 or 3 of this chapter are due and payable at the time they become final. If they are not paid when due and payable, a penalty of 10 percent of the amount of the determination, exclusive of interest and penalties, shall be added thereto.

30265 Any notice required by this article shall be served personally or by mail in the manner prescribed for service of notice of a deficiency determination.

Article 6. Interest and Penalties

30281. Any distributor who fails to pay any tax, except taxes determined by the board under Article 2 or 3 of this chapter, within the time required shall pay a penalty of 10 percent of the amount of the tax, in addition to the tax, plus interest at the rate of one-half of 1 percent per month, or fraction thereof, from the date on which the tax became due and payable until the date of payment.

CHAPTER 5. COLLECTION OF TAX

Article 1. Suit for Tax

30301. At any time within three years after any amount of tax becomes due and payable and at any time within three years after the last recording of a certificate under Section 30322, the board may transmit notice of the delinquency to the Attorney General who shall at once proceed by appropriate legal action to collect all sums due the State.

30302. In the action a writ of attachment may issue, and no bond or affidavit previous to the issuing of the attachment is required.

30303. In the action a certificate by the board showing the delinquency shall be prima facie evidence of the levy of the tax, of the delinquency of the amount of tax, interest, and penalty set forth, and of compliance by the board with all provisions of this part in relation to the computation and levy of the tax.

Article 2. Priority and Lien of Tax

30321. The amounts required to be paid by any person under this part together with interest and penalties shall be satisfied first in any of the following cases:

(a) Whenever the person is insolvent

(b) Whenever the person makes a voluntary assignment of his assets.

(c) Whenever the estate of the person in the hands of executors, administrators, or heirs is insufficient to pay all the debts due from the deceased.

(d) Whenever the estate and effects of an absconding, concealed, or absent person required to pay any amount under this part are levied upon by process of law.

This section does not give the State a preference over any recorded lien which attached prior to the date when the amounts required to be paid became a lien.

The preference given to the State by this section shall be subordinate to the preferences given to claims for personal services by Sections 1204 and 1206 of the Code of Civil Procedure.

30322 If any amount required to be paid to the State under this part is not paid when due, the board may within three years after the amount is due file for record in the office of any county recorder a certificate specifying the amount, interest, and penalty due, the name and address as it appears on the records of the board of the person liable for the same, and the fact that the board has complied with all provisions of this part in the determination of the amount required to be paid. From the time of the filing for record, the amount required to be paid together with interest and penalty constitutes a lien upon all real property in the county owned by the person or afterwards and before the lien expires acquired by him. The lien has the force, effect, and priority of a judgment lien and shall continue for five years from the time of the filing of the certificate unless sooner released or otherwise discharged. The lien may, within five years from the date of the filing of the certificate or within five years from the date of the last extension of the lien in the manner herein provided, be extended by filing for record a new certificate in the office of the county recorder of any county and from the time of such filing the lien shall be extended to the real property and such county for five years unless sooner released or otherwise discharge.

30323. The board may at any time release all or any portion of the property subject to any lien provided for in this part from the lien or subordinate the lien to other liens and encumbrances if it determines that the amount, interest, and penalties are sufficiently secured by a lien on other property or that the release or subordination of the lien will not jeopardize the collection of the amount, interest, and penalties.

30324. A certificate by the board to the effect that any property has been released from the lien or that the lien has been subordinated to other liens and encumbrances shall be conclusive evidence that the property has been released or that the lien has been subordinated as provided in the certificate.

Article 3. Warrant for Collection of Tax

30341. At any time within three years after any person is delinquent in the payment of any amount herein required to be paid, or within three years after the last recording of a certificate under Section 30322, the board or its authorized representative may issue a warrant for the enforcement of any liens and for the collection of any amount required to be paid to the State under this part. The warrant shall be directed to any sheriff, marshal or constable and shall have the same effect as a writ of execution. The warrant shall be levied and sale made pursuant to it in the same manner and with the same effect as a levy of and a sale pursuant to a writ of execution.

30342. The board shall pay the sheriff, marshal or constable, upon the completion of his services pursuant to a warrant, the same fees, commissions, and expenses for his services as are provided by law for similar services pursuant to a writ of execution. The board, and not the court, shall approve the fees for publication in a newspaper.

30343. The fees, commissions, and expenses are the obligation of the person required to pay any amount under this part and may be collected from him by virtue of the warrant or in any other manner provided in this part for the collection of the tax.

Article 4. Miscellaneous Provisions

30351 The remedies of the State provided for in this chapter are cumulative, and no action taken by the board or Attorney General constitutes an election by the State to pursue any remedy to the exclusion of any other remedy for which provision is made in this part.

30352 In all proceedings under this chapter the board may act on behalf of the people of the State of California.

CHAPTER 6. OVERPAYMENTS AND REFUNDS

Article 1. Claim for Refund

30361. If the board determines that any amount not required to be paid under this part has been paid by any person, the board shall set forth in its records and certify to the State Board of Control the amount paid in excess of the amount legally due and the person by whom the excess was paid to the board. If the State Board of Control approves, the excess shall be credited on any amounts then due and payable from the person under this part, and the balance shall be refunded to the person, or his successors, administrators, executors, or assigns.

30362. No credit or refund shall be allowed after three years from the date of overpayment unless a claim therefor is filed with the board within three years from the date of overpayment.

30363. The claim shall be in writing and shall state the specific grounds upon which it is founded.

30364. In the case, however, of a determination by the board that an amount not exceeding twenty-five dollars ($25) was not required to be paid under this part, the board without obtaining approval of the State Board of Control, may credit the amount on any amounts then due and payable under this part from the person by whom the amount was paid and may refund the balance to the person or his successors, administrators, or executors.

Article 2. Recovery of Erroneous Refunds

30381. The board may recover any refund or part thereof which is erroneously made and any credit or part thereof which is erroneously allowed in an action brought in a court of competent jurisdiction in the County of Sacramento in the name of the people of the State of California.

30382 The action shall be tried in the County of Sacramento unless the court with the consent of the Attorney General orders a change of place of trial.

30383. The Attorney General shall prosecute the action, and the provisions of the Code of Civil Procedure relating to service of summons, pleadings, proofs, trials, and appeals are applicable to the proceedings.

Article 3. Suit for Refund

30401. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action, or proceeding in any court against this State or against any officer of the State to prevent or enjoin the collection under this part of any amount of tax or to prevent or enjoin the revocation of any license issued under this part or any other action whereby it is sought to enforce the payment of any amounts required to be paid

30402. After payment of any amount, the person making the payment may bring an action against the board in a court of competent jurisdiction in the County of Sacramento for the recovery of the amount paid.

30403. No action may be instituted more than ninety days after the payment of the amount sought to be recovered. Failure to bring suit within ninety days constitutes a waiver of any demand against the State on account of alleged overpayments.

30404. If judgment is rendered for the plaintiff, the amount of the judgment shall first be credited on any amounts due from the plaintiff under this part, and the balance of the judgment shall be refunded to the plaintiff. In any judgment, interest shall be allowed at the rate of 6 percent per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment or to a date preceding the date of the refund warrant by not more than thirty days, the date to be determined by the board.

30405. A judgment shall not be rendered in favor of the plaintiff in any action brought against the board to recover any amount paid when the action is brought by or in the name of an assignee of the person making the payment or by any person other than the person making the payment.

Article 4. Cancellations

30421. If any amount has been illegally determined, the board shall set forth in its records and certify to the State Board of Control the amount determined in excess of the amount legally due and the person against whom the determination was made. If the State Board of Control approves, it shall authorize the cancellation of the amount upon the records of the board.

CHAPTER 7. ADMINISTRATION

30451. The board shall enforce the provisions of this part and may prescribe, adopt, and enforce rules and regulations relating to the administration and enforcement of this part. The board may prescribe the extent to which any ruling or regulation shall be applied without retroactive effect.

30452. The board may employ accountants, auditors, investigators, assistants, and clerks necessary for the efficient administration of this part and may designate representatives to conduct hearings, prescribe regulations, or perform any other duties imposed by this part or other laws of this State upon the board.

30453. Every distributor and every person dealing in, transporting, or storing cigarettes in this State shall keep such records, receipts, invoices, and other pertinent papers with respect thereto in such form as the board may require.

30454. The board or its authorized representative may examine the books, papers, records, and equipment of any person dealing in, transporting, or storing cigarettes and may investigate the character of the disposition which the person makes of the cigarettes in order to ascertain whether all taxes due under this part are being properly reported and paid.

30455. It is unlawful for the board or any person having an administrative duty under this part to make known in any manner whatever the business affairs, operations, or information obtained by an investigation of records and equipment of any person visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any report, or to permit any report or copy thereof or any book containing any abstract or particulars thereof to be seen or examined by any person. However, the Governor may, by general or special order, authorize examination of the reports by other state officers, by tax officers of another state, by the Federal Government, if a reciprocal arrangement exists, or by any other person.

Any violation of this section is a misdemeanor and is punishable by a fine not exceeding one thousand dollars ($1,000), by imprisonment not exceeding one year, or by both in the discretion of the court.

CHAPTER 8. DISPOSITION OF PROCEEDS

30461. All amounts required to be paid to the State under this part shall be paid to the board in the form of remittances payable to the State Board of Equalization of the State of California. The board shall transmit the payments to the State Treasurer to be deposited in the State Treasury to the credit of the Cigarette Tax Fund, which fund is hereby created.

30462. All money deposited in the Cigarette Tax Fund under this part shall, upon order of the State Controller be drawn therefrom for refunds under this part, for the support of the State Board of Equalization in administering this part, or be transferred to the State School Fund.

30463. The sum of two hundred and fifty thousand dollars ($250,000), or so much thereof as may be necessary, may be expended in the administration of this part by the State Board of Equalization during each fiscal year.

CHAPTER 9. VIOLATIONS

30471. Any person who fails or refuses to file any report required to be made, or who fails or refuses to furnish a supplemental report or other data required by the board, or who renders a false or fraudulent report is guilty of a misdemeanor and subject to a fine of not exceeding five hundred dollars ($500) for each offense.

30472. Any person required to make, render, sign, or verify any report who makes any false or fraudulent report with intent to defeat or evade the determination

required by law to be made is guilty of a misdemeanor. He shall for each offense be fined not less than three hundred dollars ($300) and not more than five thousand dollars ($5,000), or be imprisoned for not exceeding one year in the county jail, or be subject to both fine and imprisonment in the discretion of the court.

30473 Any violation of the provisions of this part, except as otherwise provided, is a misdemeanor and is punishable as such

SEC. 14. Section 13 8 of this act, inasmuch as it provides for a tax levy, shall, under the provisions of Article IV of the Constitution, take effect immediately."

SECOND READING OF ASSEMBLY BILLS (BY UNANIMOUS CONSENT)

Assembly Bill No. 2263—An act making an appropriation for school district public works, declaring the urgency thereof, to take effect immediately.

Bill read second time.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Ways and Means:

Amendment No. 1

Strike out lines 1 and 2 of the title of the printed bill, and insert

"An act to provide for school district public works, and for that purpose to add Part 13 comprising Sections 30001 to 30043, inclusive, to Division 2 of the Revenue and Taxation Code, imposing a state tax on cigarettes, prescribing the method and manner of levying and collecting the tax, conferring powers and imposing duties on the State Board of Equalization, providing penalties for violations thereof, and making an appropriation, declaring the urgency thereof, to take effect immediately."

Amendment No. 2

On page 1 of said bill, between lines 11 and 12, insert

"SEC. 2. Part 13, comprising Sections 30001 to 30473, inclusive, is added to Division 2 of the Revenue and Taxation Code, to read:

PART 13. CIGARETTE TAX

CHAPTER 1. DEFINITIONS

30001. This part is known and may be cited as the "Cigarette Tax Law."

30002. Except where the context otherwise requires, the definitions given in this chapter govern the construction of this part.

30003. "Cigarette" means any roll for smoking, made wholly or in part of tobacco, irrespective of size or shape and irrespective of whether the tobacco is flavored, adulterated or mixed with any other ingredient, where such roll has a wrapper or cover made of paper or any other material, except where such wrapper is wholly or in the greater part made of tobacco.

30004. "Untaxed cigarette" means any cigarette which has not yet been distributed in such manner as to result in a tax liability under this part.

30005. "Sale" includes any transfer of title or possession for a consideration, exchange or barter, in any manner or by any means whatever.

30006. "Distribution" includes

(a) The first sale of cigarettes manufactured in this State,

(b) The use or consumption by the manufacturer of cigarettes manufactured in this State,

(c) The first sale of untaxed cigarettes after transportation to this State, and

(d) The use or consumption by the first person in possession in this State of untaxed cigarettes transported to the State in quantities of 200 or more in a single shipment.

30007. "Use or consumption" includes the exercise of any right or power over cigarettes incident to the ownership thereof, other than the sale of the cigarettes or the keeping or retention thereof for the purpose of sale.

30008. "Person" includes any individual, firm, copartnership, joint venture, association, social club, fraternal organization, corporation, estate, trust, business trust, receiver, trustee, syndicate, this State, any county, city and county, municipality, district, or other political subdivision of the State, or any other group or combination acting as a unit.

30009. "Distributor" includes

(a) Every person who, after 4 o'clock a.m. on July 1, 1949, and within the meaning of the term "distribution" as defined in this chapter, distributes cigarettes, and

(b) Every person who sells or accepts orders for cigarettes which are to be transported from a point outside this State to a consumer within this State in quantities of 200 or more in a single shipment.

30010. "Dealer" includes every person, other than one holding a distributor's license, who engages in this State in the sale of cigarettes.

30011. "In this State" or "in the State" means within the exterior limits of the State of California and includes all territory within these limits owned by or ceded to the United States of America.

CHAPTER 2. IMPOSITION OF TAX

Article 1. Tax on Distributors

30101. For the privilege of distributing cigarettes, a tax is hereby imposed upon every distributor at the rate of $ 0025 for the distribution after 4 o'clock a.m. on July 1, 1949, of each cigarette.

30102. Every distributor maintaining a place of business in this State and selling or accepting orders for cigarettes with respect to the sale of which the tax imposed by Section 30101 is inapplicable, shall at the time of making the sale or accepting the order, or if the distribution of the cigarettes is not then taxable hereunder at the time the distribution becomes taxable, collect the tax from the purchaser and give to the purchaser a receipt therefor in the manner and form prescribed by the board

30103. Unless the contrary is established, it shall be presumed that all cigarettes manufactured in this State, or transported to this State and no longer in the possession of the distributor, have been distributed.

Article 2 Only One Distribution Taxed

30104. Any cigarette with respect to which a tax has once been imposed under Article 1 or Article 3 of this chapter shall not be subject upon a subsequent distribution to the tax imposed under Article ___ of this chapter.

Article 3. Floor Stocks Tax on Dealers

30121 For the privilege of distributing cigarettes, a floor stocks tax is hereby imposed upon every dealer at the rate of $ 0025 for each cigarette in his possession or under his control at 4 o'clock a.m on July 1, 1949.

30122 The tax imposed by this article is due and payable on or before July 15, 1949.

30123. Each dealer, on or before July 15, 1949, shall file a report with the board in such form as the board may prescribe. The report shall state the number of cigarettes on hand at 4 o'clock a.m. on July 1, 1949, and the amount of tax due thereon. Each report shall be accompanied by a remittance payable to the board for the amount of tax due.

30124. All the provisions of Chapters 3 to 9, inclusive, of this part, relating to the tax imposed by Article ___ of this chapter, shall be applicable, so far as pertinent, to the tax imposed by this article.

CHAPTER 3. LICENSES, BONDS AND REGISTRATION

Article 1. Licenses and Bonds

30150. Every person desiring to engage in the sale of cigarettes as a distributor, except a person who desires merely to sell or accept orders for cigarettes which are to be transported from a point outside this State to a consumer within this State, shall file with the board an application, in such form as the board may prescribe, for a distributor's license. The application shall be accompanied by a license fee of one dollars ($1) payable to the board.

30151. The board, whenever it deems it necessary to insure compliance with this part, may require any person subject thereto, to deposit with it such security as the board may determine. The amount of the security shall be fixed by the board but shall not be greater than three times the estimated average liability of persons required to file monthly reports, determined in such manner as the board deems proper, or ten thousand dollars ($10,000), whichever amount is the lesser. The amount of the security may be increased or decreased by the board subject to the limitations herein provided. The board may sell the security at public auction if it becomes necessary so to do in order to recover any tax or any amount required to be collected, interest, or penalty due. Notice of the sale may be served upon the person who deposited the security personally or by mail; if by mail, service shall be made in the manner prescribed for service of a notice of a deficiency determination and shall be addressed to the person at his address as it appears in the records of the board. Security in the

form of a bearer bond issued by the United States or the State of California which has a prevailing market price may, however, be sold by the board at private sale at a price not lower than the prevailing market price thereof. Upon any sale any surplus above the amounts due shall be returned to the person who deposited the security.

30152. On receipt of an application and license fee and after the deposit of such security as may be required pursuant to Section 30151, the board shall issue a distributor's license to the applicant. The license is not transferable and is valid until canceled or revoked.

30153. Whenever any distributor fails to comply with any provision of this part or any rule or regulation of the board prescribed and adopted under this part, the board upon hearing, after giving the distributor at least ten days' notice in writing specifying the time and place of hearing and requiring him to show cause why his license should not be revoked, may revoke the license held by him. The notice may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination. The board shall not issue a new license to a distributor whose license has been revoked unless it is satisfied that he will comply with the provisions of this part and the rules and regulations of the board.

30154. Any person required to obtain a license as a distributor under this chapter who engages in business as a distributor without a license or after a license has been canceled or revoked, and each officer of any corporation which so engages in business, is guilty of a misdemeanor.

Article 2. Registration

30161. Every distributor, except one to whom a license is issued under Article 1 of this chapter, required under Section 30102 to collect the tax imposed under this part from a purchaser shall register with the board and give the names and addresses of all agents operating in this State, the location of all distribution or sales houses or offices or other places of business in this State, and such other information as the board may require.

CHAPTER 4. DETERMINATIONS

Article 1. Reports and Payments

30181. The tax imposed by this part is due and payable monthly on or before the fifteenth day of the month following each calendar month in which a distribution of cigarettes occurs.

30182. On or before the fifteenth day of each month, every distributor shall file on forms prescribed by the board a report showing the number of cigarettes distributed during the preceding calendar month by the distributor in this State and such other information as the board may require to carry out the purposes of this part.

30183. The distributor shall accompany each report with a remittance payable to the board for the amount of tax due.

30184. The board for good cause may extend for not to exceed fifteen days the time for making any report or paying any amount of tax required under this part. The extension may be granted at any time provided a request therefor is filed with the board within or prior to the period for which the extension may be granted.

Any distributor to whom an extension is granted shall pay, in addition to the amount of tax, interest at the rate of one-half of 1 percent per month, or fraction thereof, from the date on which the amount of tax would have been due without the extension to the date of payment.

Article 2. Deficiency Determinations

30201. If the board is dissatisfied with the report filed, it may compute and determine the amount to be paid upon the basis of any information available to it. One or more deficiency determinations may be made of the amount of tax due for one or for more than one month.

30202. The amount of the determination, exclusive of penalties, shall bear interest at the rate of one-half of 1 percent per month, or fraction thereof, from the fifteenth day after the close of the month for which the amount of the tax, or any portion thereof, should have been reported until the date of payment.

30203. In making a determination the board may offset overpayments for a month or months against underpayments for another month or months and against the interest and penalties on the underpayments.

30204. If any part of the deficiency for which a deficiency determination is made is due to negligence or intentional disregard of this part or the rules and regulations adopted under this part, a penalty of 10 percent of the amount of the determination shall be added thereto.

30205. If any part of the deficiency for which a deficiency determination is made is due to fraud or an intent to evade this part or the rules and regulations adopted under this part, a penalty of 25 percent of the amount of the determination shall be added thereto.

30206. The board shall give the distributor written notice of its determination. The notice may be served personally or by mail; if by mail, service shall be made pursuant to Section 1013 of the Code of Civil Procedure and shall be addressed to the distributor at his address as it appears in the records of the board, but the service

shall be deemed complete at the time of deposit of the notice in the mail without extension of time on account of the distance between the place of deposit and the place of address.

30207. Except in the case of fraud, intent to evade the tax, or failure to make a report, every notice of a deficiency determination shall be given within three years after the date when the amount should have been reported.

Article 3 Determinations if No Report Made

30221. If any distributor fails to make a report, the board shall make an estimate of the number of cigarettes distributed by him The estimate shall be made for the month or months in respect to which the distributor failed to make a report and shall be based upon any information available to the board. Upon the basis of this estimate the board shall compute and determine the amount required to be paid to the State, adding to the sum thus fixed a penalty equal to 10 percent thereof. One or more determinations may be made for one or for more than one month.

30222 In making a determination the board may offset overpayments for a month or months against underpayments for another month or months and against interest and penalties on the underpayments.

30223 The amount of the determination, exclusive of penalties, shall bear interest at the rate of one-half of 1 percent per month, or fraction thereof, from the fifteenth day after the close of the month for which the amount, or any portion thereof, should have been reported until the date of payment.

30224 If the failure of a distributor to file a report is due to fraud or an intent to evade the tax, a penalty of 25 percent of the amount required to be paid by the distributor, exclusive of penalties, shall be added thereto in addition to the 10 percent penalty provided in Section 30221.

30225. Promptly after making its determination the board shall give to the distributor written notice of its estimate and determination, and penalty, the notice to be served personally or by mail in the manner prescribed for service of notice of a deficiency determination.

Article 4. Jeopardy Determinations

30241. If the board believes that the collection of any amount of tax imposed under this part will be jeopardized by delay, it shall thereupon make a determination of the amount of tax, noting that fact upon the determination. The amount determined is immediately due and payable

30242. If the amount of the tax, interest, and penalty specified in the jeopardy determination is not paid within ten days after service upon the distributor of notice of the determination, the determination becomes final, unless a petition for redetermination is filed within the ten days, and the delinquency penalty and interest provided in Article 6 of this chapter shall attach to the amounts specified.

30243 The distributor against whom a jeopardy determination is made may petition for the redetermination thereof pursuant to Article 5 of this chapter. He shall, however, file the petition for redetermination with the board within ten days after the service upon him of notice of the determination. The distributor shall at the time of filing the petition for redetermination deposit with the board such security as it may deem necessary to insure compliance with this part. The security may be sold by the board in the manner prescribed by Section 30151.

Article 5 Redeterminations

30261 Any distributor against whom a determination is made under Article 2 or 3 of this chapter may petition for a redetermination within fifteen days after service upon the distributor of notice thereof. If a petition for redetermination is not filed within the 15-day period, the determination becomes final at the expiration of the period

30262 If a petition for redetermination is filed within the 15-day period, the board shall reconsider the determination and, if the distributor has so requested in his petition, shall grant him an oral hearing and shall give him at least 10 days' notice of the time and place of the hearing The board may continue the hearing from time to time as may be necessary.

30263. The order or decision of the board upon a petition for redetermination becomes final 15 days after mailing of notice thereof.

30264. All determinations made by the board under Article 2 or 3 of this chapter are due and payable at the time they become final. If they are not paid when due and payable, a penalty of 10 percent of the amount of the determination, exclusive of interest and penalties, shall be added thereto

30265 Any notice required by this article shall be served personally or by mail in the manner prescribed for service of notice of a deficiency determination.

Article 6. Interest and Penalties

30281. Any distributor who fails to pay any tax, except taxes determined by the board under Article 2 or 3 of this chapter, within the time required shall pay a penalty of 10 percent of the amount of the tax, in addition to the tax, plus interest at the rate of one-half of 1 percent per month, or fraction thereof, from the date on which the tax became due and payable until the date of payment.

CHAPTER 5. COLLECTION OF TAX

Article 1. Suit for Tax

30301. At any time within three years after any amount of tax becomes due and payable and at any time within three years after the last recording of a certificate under Section 30322, the board may transmit notice of the delinquency to the Attorney General who shall at once proceed by appropriate legal action to collect all sums due the State.

30302 In the action a writ of attachment may issue, and no bond or affidavit previous to the issuing of the attachment is required.

30303. In the action a certificate by the board showing the delinquency shall be prima facie evidence of the levy of the tax, of the delinquency of the amount of tax, interest, and penalty set forth, and of compliance by the board with all provisions of this part in relation to the computation and levy of the tax.

Article 2. Priority and Lien of Tax

30321. The amounts required to be paid by any person under this part together with interest and penalties shall be satisfied first in any of the following cases:

(a) Whenever the person is insolvent.

(b) Whenever the person makes a voluntary assignment of his assets.

(c) Whenever the estate of the person in the hands of executors, administrators, or heirs is insufficient to pay all the debts due from the deceased.

(d) Whenever the estate and effects of an absconding, concealed, or absent person required to pay any amount under this part are levied upon by process of law.

This section does not give the State a preference over any recorded lien which attached prior to the date when the amounts required to be paid became a lien.

The preference given to the State by this section shall be subordinate to the preferences given to claims for personal services by Sections 1204 and 1206 of the Code of Civil Procedure.

30322. If any amount required to be paid to the State under this part is not paid when due, the board may within three years after the amount is due file for record in the office of any county recorder a certificate specifying the amount, interest, and penalty due, the name and address as it appears on the records of the board of the person liable for the same, and the fact that the board has complied with all provisions of this part in the determination of the amount required to be paid. From the time of the filing for record, the amount required to be paid together with interest and penalty constitutes a lien upon all real property in the county owned by the person or afterwards and before the lien expires acquired by him The lien has the force, effect, and priority of a judgment lien and shall continue for five years from the time of the filing of the certificate unless sooner released or otherwise discharged. The lien may, within five years from the date of the filing of the certificate or within five years from the date of the last extension of the lien in the manner herein provided, be extended by filing for record a new certificate in the office of the county recorder of any county and from the time of such filing the lien shall be extended to the real property and such county for five years unless sooner released or otherwise discharged.

30323 The board may at any time release all or any portion of the property subject to any lien provided for in this part from the lien or subordinate the lien to other liens and encumbrances if it determines that the amount, interest, and penalties are sufficiently secured by a lien on other property or that the release or subordination of the lien will not jeopardize the collection of the amount, interest, and penalties.

30324. A certificate by the board to the effect that any property has been released from the lien or that the lien has been subordinated to other liens and encumbrances shall be conclusive evidence that the property has been released or that the lien has been subordinated as provided in the certificate

Article 3. Warrant for Collection of Tax

30341. At any time within three years after any person is delinquent in the payment of any amount herein required to be paid, or within three years after the last recording of a certificate under Section 30322, the board or its authorized representative may issue a warrant for the enforcement of any liens and for the collection of any amount required to be paid to the State under this part. The warrant shall be directed to any sheriff, marshal or constable and shall have the same effect as a writ of execution. The warrant shall be levied and sale made pursuant to it in the same manner and with the same effect as a levy of and a sale pursuant to a writ of execution.

30342. The board shall pay the sheriff, marshal or constable, upon the completion of his services pursuant to a warrant, the same fees, commissions, and expenses for his services as are provided by law for similar services pursuant to a writ of execution. The board, and not the court, shall approve the fees for publication in a newspaper.

30343. The fees, commissions, and expenses are the obligation of the person required to pay any amount under this part and may be collected from him by virtue of the warrant or in any other manner provided in this part for the collection of the tax.

Article 4. Miscellaneous Provisions

30351. The remedies of the State provided for in this chapter are cumulative, and no action taken by the board or Attorney General constitutes an election by the State to pursue any remedy to the exclusion of any other remedy for which provision is made in this part.

30352. In all proceedings under this chapter the board may act on behalf of the people of the State of California.

CHAPTER 6. OVERPAYMENTS AND REFUNDS

Article 1. Claim for Refund

30361 If the board determines that any amount not required to be paid under this part has been paid by any person, the board shall set forth in its records and certify to the State Board of Control the amount paid in excess of the amount legally due and the person by whom the excess was paid to the board If the State Board of Control approves, the excess shall be credited on any amounts then due and payable from the person under this part, and the balance shall be refunded to the person, or his successors, administrators, executors, or assigns.

30362. No credit or refund shall be allowed after three years from the date of overpayment unless a claim therefor is filed with the board within three years from the date of overpayment.

30363. The claim shall be in writing and shall state the specific grounds upon which it is founded.

30364. In the case, however, of a determination by the board that an amount not exceeding twenty-five dollars ($25) was not required to be paid under this part, the board without obtaining approval of the State Board of Control, may credit the amount on any amounts then due and payable under this part from the person by whom the amount was paid and may refund the balance to the person or his successors, administrators, or executors.

Article 2. Recovery of Erroneous Refunds

30381. The board may recover any refund or part thereof which is erroneously made and any credit or part thereof which is erroneously allowed in an action brought in a court of competent jurisdiction in the County of Sacramento in the name of the people of the State of California.

30382. The action shall be tried in the County of Sacramento unless the court with the consent of the Attorney General orders a change of place of trial.

30383. The Attorney General shall prosecute the action, and the provisions of the Code of Civil Procedure relating to service of summons, pleadings, proofs, trials, and appeals are applicable to the proceedings.

Article 3. Suit for Refund

30401. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action, or proceeding in any court against this State or against any officer of the State to prevent or enjoin the collection under this part of any amount of tax or to prevent or enjoin the revocation of any license issued under this part or any other action whereby it is sought to enforce the payment of any amounts required to be paid

30402. After payment of any amount, the person making the payment may bring an action against the board in a court of competent jurisdiction in the County of Sacramento for the recovery of the amount paid.

30403 No action may be instituted more than ninety days after the payment of the amount sought to be recovered. Failure to bring suit within ninety days constitutes a waiver of any demand against the State on account of alleged overpayments.

30404. If judgment is rendered for the plaintiff, the amount of the judgment shall first be credited on any amounts due from the plaintiff under this part, and the balance of the judgment shall be refunded to the plaintiff. In any judgment, interest shall be allowed at the rate of 6 percent per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment or to a date preceding the date of the refund warrant by not more than thirty days, the date to be determined by the board

30405 A judgment shall not be rendered in favor of the plaintiff in any action brought against the board to recover any amount paid when the action is brought by or in the name of an assignee of the person making the payment or by any person other than the person making the payment.

Article 4 Cancellations

30421. If any amount has been legally determined, the board shall set forth in its records and certify to the State Board of Control the amount determined in excess of the amount legally due and the person against whom the determination was made. If the State Board of Control approves, it shall authorize the cancellation of the amount upon the records of the board.

CHAPTER 7. ADMINISTRATION

30451 The board shall enforce the provisions of this part and may prescribe, adopt, and enforce rules and regulations relating to the administration and enforcement of this part The board may prescribe the extent to which any ruling or regulation shall be applied without retroactive effect.

30452 The board may employ accountants, auditors, investigators, assistants, and clerks necessary for the efficient administration of this part and may designate representatives to conduct hearings, prescribe regulations, or perform any other duties imposed by this part or other laws of this State upon the board.

30453 Every distributor and every person dealing in, transporting, or storing cigarettes in this State shall keep such records, receipts, invoices, and other pertinent papers with respect thereto in such form as the board may require

30454 The board or its authorized representative may examine the books, papers, records, and equipment of any person dealing in, transporting, or storing cigarettes and may investigate the character of the disposition which the person makes of the cigarettes in order to ascertain whether all taxes due under this part are being properly reported and paid.

30455. It is unlawful for the board or any person having an administrative duty under this part to make known in any manner whatever the business affairs, operations, or information obtained by an investigation of records and equipment of any person visited or examined in the discharge of official duty, or the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any report, or to permit any report or copy thereof or any book containing any abstract or particulars thereof to be seen or examined by any person However, the Governor may, by general or special order, authorize examination of the reports by other state officers, by tax officers of another state, by the Federal Government, if a reciprocal arrangement exists, or by any other person.

Any violation of this section is a misdemeanor and is punishable by a fine not exceeding one thousand dollars ($1,000), by imprisonment not exceeding one year, or by both in the discretion of the court.

CHAPTER 8. DISPOSITION OF PROCEEDS

30461. All amounts required to be paid to the State under this part shall be paid to the board in the form of remittances payable to the State Board of Equalization of the State of California The board shall transmit the payments to the State Treasurer to be deposited in the State Treasury to the credit of the Cigarette Tax Fund, which fund is hereby created.

30462. All money deposited in the Cigarette Tax Fund under this part shall, upon order of the State Controller be drawn therefrom for refunds under this part, for the support of the State Board of Equalization in administering this part, or be transferred to the Public School Building Fund

CHAPTER 9. VIOLATIONS

30471 Any person who fails or refuses to file any report required to be made, or who fails or refuses to furnish a supplemental report or other data required by the board, or who renders a false or fraudulent report is guilty of a misdemeanor and *subject to a fine of not exceeding five hundred dollars ($500) for each offense.*

30472 Any person required to make, render, sign, or verify any report who makes any false or fraudulent report with intent to defeat or evade the determination required by law to be made is guilty of a misdemeanor. He shall for each offense be fined not less than three hundred dollars ($300) and not more than five thousand dollars ($5,000), or be imprisoned for not exceeding one year in the county jail, or be subject to both fine and imprisonment in the discretion of the court.

30473 Any violation of the provisions of this part, except as otherwise provided, is a misdemeanor and is punishable as such."

REPORT OF THE SUBCOMMITTEE OF THE COMMITTEE ON REVENUE AND TAXATION ON REVENUE DERIVED FROM HORSE RACING LICENSES

June 16, 1949

Honorable Jonathan J. Hollibaugh, Chairman
Assembly Committee on Revenue and Taxation
State Capitol, Sacramento, California

MR. CHAIRMAN: Your subcommittee appointed to hear Assembly bills relating to revenue and taxation derived from horse racing licenses desires to make a preliminary report which follows herewith.

There were before us those bills which are tabulated, on the attached sheet immediately following, in order to show sections of the Business and Professions Code effected, the purposes of the bill and the action taken by the subcommittee.

In hearing these bills, statement was made by the chairman of the subcommittee that it was felt revenue measures should be considered from four viewpoints. (1) Necessity, including the purposes for which revenue is to be used; (2) Source from which the revenue is to be derived; (3) The amount to be derived from adopting any particular proposal; (4) The equity of the proposal.

While there was a great deal of argument concerning several of the bills we believe that there was no objection against viewing the proposed legislation in the light of the above criteria. As will be noted from the above referred to tabulation, the majority of the bills were not pressed by their authors or authority was given the chairman to withdraw them from consideration.

We particularly call attention to Assembly Bills Nos. 70 and 71 which are allocation measures, and contain no racing revenue provisions.

1841	19485, 19597, 19627	License take increase and allocation for special purpose	See report
2534	19485, 19597	License increase, allocation for special purpose	Not taken up by author

Assembly Bill No. 381 does not purport to increase the revenues but makes a division of the revenue by dividing the present 4 percent of revenue which now goes to Fairs and Expositions Fund equally with the General Fund.

We also point out that in Assembly Bill No. 1841, which increases the license rate, the additional money received by the State is dedicated to a special purpose, to wit: Support of the Recreation Commission set forth in the policy bill, Assembly Bill No. 1840. Proponents of this measure stated that their interest in the bill was to receive the revenue as a subvention from the State, and if there were sufficient funds in the State Treasury, the support of the program from the General Fund or any other source would be just as acceptable.

Assembly Bill No. 1521 is a measure which would repeal all allocations and continuing appropriation provisions of the code so that the

money would all go to the General Fund for appropriation by the Legislature each year to whatever purpose intended and does not propose any increase, but merely a different use of the fund. In view of Senate action on a similar measure, Mr. Sherwin did not press for consideration of this bill.

This leaves for consideration by the entire committee the following: Assembly Bill No. 478 by Mr. Anderson, Assembly Bill No. 1833 by Mr. Waters, and, as stated above, Assembly Bill No. 1841 by Mr. Dolwig.

It was clearly stated by the author of Assembly Bill No. 1833 that the purpose of the bill was to seek increased revenue for the State by leveling an increased license fee on that track or tracks bettter able to afford it because of higher earnings recorded for the past years. The author of the bill definitely stated, in speaking to the equity of the proposal, reliance was had on the fact that the State provides "a guaranteed monopoly" to licensees of horse racing establishments in California and that because two of the tracks, namely, Santa Anita and Hollywood, being in the upper brackets and having made excessive earnings and paid large salaries should per se be subject to, and, by converse reasoning, willing, to pay higher license. Data provided the committee by the author of 1841 made a comparison between that bill and 1833. The bill would provide an increase of some $3,000,000.

Your subcommittee thoroughly disagrees with the position taken by the author of 1833 inasmuch as the legislation seems to be punitive, and was so labeled by spokesmen for the two major tracks more affected, as well as by Golden Gate Fields, who, because of the fact that they have had a fortunate year, find themselves over the $30.000,000 mark, and would also be subject to being included under the provisions of the bill. The author stated that he was sorry that they had been inadvertently included.

Assembly Bill No. 478 not only makes an increase in the license fees in each of the $10,000,000 brackets, but provides more revenue than would be provided by either of the other bills mentioned herein. Such a proposal will not be well received by all the tracks, but it is in accord with the theory that no particular establishment should be singled out for discriminatory action,.

Your subcommittee feels that it should be noted in passing that a statement was made by representatives of the larger tracks affected by the proposal contained in Assembly Bill No. 1833 that they had been in conference with the Department of Finance, endeavoring to show from their books and records that the administration's proposal is unfair and would result in greatly diminished earnings and impairments of the services.

Attached hereto are Exhibits A, B, and C, which are: (a) statement of the Los Angeles Turf Club, Incorporated, being a copy of the exhibit offered to the Senate Committee on Governmental Efficiency which had a bill of similar nature to 1833, (b) a sheet furnished the chairman of the committee in conformity with the stipulation made by the representative of the Hollywood Turf Club, Incorporated, and (c) a sheet introduced by Mr. Dolwig, which was prepared by the Department of Finance and shows estimated pari-mutuel pools for the season 1949-50,

that expected revenue which would be derived under the existing code sections and the revenue which would be expected from either Assembly Bill No. 1833 or Assembly Bill No. 1841, as amended May 13, 1949.

It should be noted before closing that the Turf Clubs provided a court reporter who took a transcript of all the testimony and it is understood that a copy thereof will be made available to this committee when completed. It is the recommendation of the subcommittee that this transcript be fully studied and the data analized before action is taken.

In addition to this recommendation, we add the recommendation that this entire subject matter is one which might properly come before an Interim Committee on State and Local Taxation.

Respectfully,

ERNEST R. GEDDES, Chairman
CLAYTON A. DILLS
AUGUSTUS F. HAWKINS

SENATE COMMITTEE ON GOVERNMENTAL EFFICIENCY LEGISLATURE, STATE OF CALIFORNIA

REVENUE TO STATE OF CALIFORNIA FROM RACING AND PROPOSED CHANGES IN CALIFORNIA HORSE RACING LAW

I. Introduction

This committee has the task of considering numerous bills proposing changes in the California Horse Racing Law and the request of Governor Earl Warren for additional revenue to the State of California from racing.

We know that you will want to base your decisions on a consideration of the facts with regard to the conduct of racing at the present time. For this reason, we are pleased to have the opportunity to be of assistance by presenting some of these facts for this purpose. For your future reference we are submitting this memorandum to you to supplement our oral presentation.

II. The Desired Additional Revenue to the State of California Cannot Be Produced by Reduction of Commission Rates on Pari-mutuel Gross Handle to the Tracks With Corresponding Increase in Rates on Tax to the State

1. We believe that it is generally agreed that it is not possible to produce additional revenue to the State of California by reducing the revenue to the smaller race tracks in the State.

2. Therefore, this leaves for consideration only the two large race tracks, Santa Anita Park and Hollywood Park. Based on what has happened at Santa Anita Park during the last two years and the general downward trend, it is likewise obvious that additional revenue to the State of California from racing cannot be obtained by decreasing the commission rate on the pari-mutuel gross handle in the upper brackets affecting Santa Anita Park and Hollywood Park for the purpose of a corresponding increase in the tax rate on the pari-mutuel pools to the State of California. This is evidenced by the following:

A. The costs of operations have continued to increase every year up to this year due primarily to increases in purses and wages and to the

expanded facilities which have made possible the increase in the volume of business. For example, the daily average expenses for the fiscal year ended November 30, 1948 in connection with the 45 regular racing days in the 1947-1948 meeting amounted to $144,719.83 as compared to the daily average expenses of $21,055.40 for the fiscal year ended June 30, 1935, in which the first race meeting was conducted at Santa Anita Park. This is an increase to nearly seven times the daily average expenses in the first year. In the fiscal year ended June 30, 1941, in which the last race meeting before the war was conducted, the daily average expenses amounted to $58,319.62, so that even since that time the expenses have increased to approximately two and one-half times that amount.

B. On the other hand, in the last two years at Santa Anita Park, there has been a drastic reduction in volume in pari-mutuel wagering accompanied by a reduction in attendance, which resulted in a tremendous decrease in the gross income. The daily average gross handle in the 1948-1949 meeting at Santa Anita Park was $1,748,389 as compared to a daily average gross handle of $2,468,737 in the 1946-1947 meeting. This is a decrease in the daily average gross handle of $720,348, which is a decrease of 29.18 percent.

The total pari mutuel gross handle in the 1947-1948 meeting, including the five charity days, was $14,709,123 less than the pari mutuel gross handle in the 1946-1947 meeting. This was a decrease of 11.92 percent. In the 1948-1949 meeting which has just recently closed, the decrease was even greater, showing a decrease of $21,308,265 as compared to the 1947-1948 meeting, which is a decrease of 19.60 percent.

On the 45 regular racing days, exclusive of the five charity days, in the 1947-1948 meeting the reduction in the average pari mutuel gross handle was $302,730 per racing day, which was a decrease of 12.14 percent as compared to the 1946-1947 meeting. The decrease in the average pari mutuel gross handle in the 1948-1949 meeting was even greater, being $438,956 per day, which is a decrease of 20.03 percent as compared to the 1947-1948 meeting.

Likewise, there was also a decrease of 7.22 percent in the attendance on the 45 regular racing days in the 1947-1948 meeting as compared to the 1946-1947 meeting, and a decrease of 14.34 percent in the attendance on the 45 regular racing days in the 1948-1949 meeting as compared to the 1947-1948 meeting.

C. Under a change in the California Horse Racing Law effective September 19, 1947 the breakage on the pari mutuel gross handle in excess of $27,000,000 in any one meeting goes to the State of California, whereas prior to the 1947-1948 meeting under the law the breakage was income of the track. The actual loss of gross income to the track at Santa Anita Park on breakage which went to the State of California in the 1947-1948 meeting, exclusive of charity days, was $525,360. Likewise, the actual loss of gross income to the track on breakage which went to the State of California in the 1948-1949 meeting, exclusive of charity days, was $384,556.43.

D. As a result, the daily gross income from racing at Santa Anita Park, in the 1947-1948 meeting, exclusive of charity days was down 15.22 percent, and there was a further reduction in the daily gross income on the regular racing days in the 1948-1949 meeting of 17.94 percent, as compared to the 1947-1948 meeting. The total reduction in

daily gross income for the two years as compared to the 1946-1947 meeting was $3,499,230.17. This is a reduction of 30.43 percent as compared to the daily gross income for the 1946-1947 meeting.

E. With the expenses increasing during the same period, this drastic reduction in the gross income reflects itself in a very large reduction in the net income to the corporation even after offset for reduction in federal income taxes. Based on actual figures to date and estimates for the balance of the fiscal year the estimated net income after federal income taxes from racing operations at Santa Anita Park during the current fiscal year ending November 30, 1949 is $1,210,958.97. This is based on the present federal income tax rates on corporations and if the federal income taxes of the corporation are increased in the present session of Congress this net income will be still further reduced. The net income to the corporation from the racing operations conducted at Santa Anita Park in the year 1947-1948 was down 31.83 percent as compared to 1946-1947. The estimated net income for the year 1948-1949 is down 44.71 percent as compared to 1947-1948. This estimated net income for the year 1948-1949 is down 62.31 percent as compared to the year 1946-1947. This is certainly an alarming decrease in a two-year period!

F. The estimated net income to the corporation from racing operations in the year ending November 30, 1949 is 8.01 percent of the total revenue produced from racing at Santa Anita Park during the 1948-1949 meeting, as compared to 37.22 percent of the total revenue paid to the State of California for taxes. Other taxes amount to 10.06 percent, making the total taxes 47.28 percent of the total revenue produced.

The increase in the size of the operations and the volume of pari mutuel wagering at Santa Anita Park has not reflected itself in any substantial or assured increase in net income to the corporation. This estimated net income for the current fiscal year is very little more than the average net income during the first seven years of operations at Santa Anita Park prior to the war when the daily average pari mutuel gross handle ranged from approximately $244,000 in the first year to approximately $707,000 in the 1940-1941 meeting. On the other hand, the fact that we have increased the size of the operations and the volume of wagering has directly reflected itself in a very large increase in revenue to the State of California resulting from the increased tax on the pari mutuel pools. For example, the total direct revenue to the State of California from pari mutuel wagering in our first meeting was $635,907.36 as compared to $8,235,718.51 in the 1945-1946 meeing, and approximately $5,450,000 in our 1948-1949 meeting.

III. Allocation of the Revenue Dollar From Racing

1. For the purpose of seeing what has actually happened with regard to the revenue produced from racing operations and the allocation of the revenue dollar from racing, we have developed figures showing the total revenue produced from racing operations at Santa Anita Park and the allocation of this revenue for the first year of operation in 1934-1935, the last year before the war, 1940-1941, and the last two years, 1947-1948 and 1948-1949. A true reflection of this comparison can best be shown in percentages of the revenue dollar. In order to show this comparison pictorially we have attached to this memorandum a chart, designated as Chart Number 1, which shows the allocation of the total revenue in comparative form for each of these four years.

2. This chart clearly shows that as previously stated in this memorandum the increase in the size of operations and volume in pari mutuel wagering at Santa Anita Park has not reflected itself in any substantial or assured increase in net income to the corporation but on the other hand the tremendous increase in the volume of wagering has been directly reflected in a very large increase in revenue to the State of California, this increase resulting from the increased tax on the pari mutuel pools. A glance at this chart shows that over the period of years with an increasing volume of business the percentage of revenue remaining as net income of the corporation has continued to decrease from 27.06 percent in the first year to 8.01 percent in the current year. On the other hand, the percentage of the revenue dollar paid as taxes to the State of California showed a continual increase from 21.69 percent in the first year to 37.53 percent in 1947-1948 and 37.22 percent in 1948-1949.

3. Chart Number 2 shows even more graphically this comparison of the revenue to the State of California from racing operations at Santa Anita Park to the net income of the corporation with 37.22 percent of the total revenue in the year 1948-1949 going to the State of California as compared to 8.01 percent net income to the corporation.

4. Who gets what out of the revenue from racing? Some of the net income to the corporation each year has been retained in the business for investment in additional land, plant and facilities, and therefore the actual real participation of the stockholders of the corporation in the revenue produced from racing is represented by cash dividends. Chart Number 3 shows a comparison of the revenue received by the State of California in the first year, 1934-1935, the last year before the war, 1940-1941, and the year 1947-1948, to the cash dividends paid to the stockholders in those years. This shows the tremendous increase in the percentage of the revenue dollar going to the State of California resulting from the increased volume of business with a greatly reducing percentage of the revenue dollar going in cash dividends to the stockholders. The 37.53 percent of the revenue dollar which went to the State of California in 1947-1948 is approximately seven times as much as the 5.40 percent paid in cash dividends to the stockholders.

Including the city, county, and federal taxes, the percentage of the revenue dollar in 1947-1948 paid in taxes amounted to 49.13 percent as compared to 5.40 percent in cash dividends to stockholders. Thus, over nine times as much was paid in taxes as was received by the stockholders.

IV. Total Revenue to the State of California From Racing Operations

1. During the Fiscal Year 1934-1935 the total direct revenue to the State of California from racing throughout the State was $1,005,103.36. During the peak year, 1945-1946, this amounted to $22,778,671.67. The estimated total revenue from this source included in the Governor's Budget is $17,685,380 for the Fiscal Year 1948-1949 and $16,040,392 for the Fiscal Year 1949-1950. Therefore, even with the reduced volume of wagering this is still 16 times the revenue from pari mutuel operations in the State in 1934-1935. This, of course, is exclusive of other revenue produced for the State as a result of racing operations, such as corporation franchise tax and sales tax.

2. During the period that racing has been conducted at Santa Anita Park commencing with the 1934-1935 meeting and even with three years when no racing was conducted because the property was in the possession of the United States Government during the war, the total taxes paid by Los Angeles Turf Club, Inc. to the State of California resulting from racing operations to and including the current year amounted to approximately $44,000,000. This certainly is a large amount of revenue to the State resulting from the operations of one corporation.

V. Policy of Los Angeles Turf Club, Inc., to Increase Investment in Plant and Facilities for the Public

1. It has always been the policy of Los Angeles Turf Club, Inc. to increase its investment in plant and facilities for the public which has resulted in the tremendously increased volume of pari mutuel wagering and the resulting direct increase in revenue to the State of California. Since the first year the actual cost of additional investment in fixed assets is over $3,100,000. This includes the additional improvements made during the last year at a cost of approximately $800,000. This is an increase of approximately 271 percent in the cost of the fixed assets, and the present cost of the total fixed assets is nearly three and three-quarter times the total original cost.

As a result of the continued increase in the investment in plant and facilities for the conduct of racing operations at Santa Anita Park the same dollar profit is a much smaller return on the investment.

Furthermore, Los Angeles Turf Club, Inc., has announced a major improvement program at Santa Anita Park to be completed before the next race meeting, in which it will spend approximately the same amount as the net income from racing operations at Santa Anita Park in the current fiscal year. This expenditure of $1,250,000 will consist principally of a 261 foot x 103 foot reinforced concrete and steel extension to the grandstand with related expansion of the paddock gardens, new stable buildings which will give accommodations to approximately 250 additional horses, and the re-building of the entire main mile racing course with its chutes so that it will be serviceable in all weather conditions. These additional facilities for the public will reflect themselves in an increased volume of pari mutuel wagering with a direct increase in the revenue to the State of California. We believe that this is one of the best ways that we can continue to maintain the large revenue to the State from racing operations.

VI. State of California Is Principal Beneficiary From the Conduct of Racing

1. Aside from other taxes, such as corporation franchise tax and sales tax, the State of California receives a tax and breakage based on the pari mutuel gross handle and also uncashed winning tickets regardless of the results of operations of the race tracks. In other words, the very fact that racing operations are conducted produces large revenue for the State of California.

2. This large revenue is without any investment by the State of California and for all practical purposes the State's gross income is also its net income.

3. As has been shown above, the increased investment which has been made by the stockholders in plant and facilities which has made possible the tremendous increase in the volume of pari mutuel wagering

has resulted in a direct large increase in the revenue to the State of California, but this has not resulted in any material lasting increase in income to the corporation and cash dividends to the stockholders. As stated before the actual dollars of net income for the current year will be no more than the average net income to the corporation in the first seven years of its operation prior to the war on a comparatively much smaller operation and with a much smaller investment.

4. Furthermore, the original investment and continued increase in investment in buildings and improvements at Santa Anita Park has no value to the corporation and to the stockholders except for the continued use in the conduct of racing. If racing should be discontinued these improvements would have to be removed at tremendous cost in order to make the land useable for any other purpose, and therefore this investment would actually become a liability. This is because the investment is in a specialty plant designed for the conduct of horse racing.

5. It should also be remembered that the value of the inflationary dollar at the present time is much less than the value of the dollar in 1935 and that the profit dollars are worth less to the corporation and the stockholders in the same way that dollars are worth less to anyone else.

6. Earnings in terms of dollars in any business may appear to be large but percentagewise they may not be large enough. In his statement before the Subcommittee on Profits of the Joint Congressional Committee on the Economic Report, Washington, D. C., on December 21, 1948, Mr. Enders M. Voorhees, Chairman of the Finance Committee, United States Steel Corporation, stated:

> "It is equally an abuse of the elemental principles of comparison to compare dollars in one period with dollars of widely different purchasing power in other periods. The simplest and quickest way of avoiding this error is to express the income or less as a percent of the sales dollar, thus establishing a ratio of profit compensation to economic contribution, with both being measured in the same kinds of dollars."

This is what we have done in the use of percentages in the attached charts showing the allocation of the revenue dollar from racing in the various years since racing has been conducted at Santa Anita Park.

7. As is shown on Charts Number 2 and 3 the percentage of the total revenue from racing at Santa Anita Park which was paid to the State of California in 1947-1948, was 37.53 percent as compared to 8.01 percent for net income of the corporation and 5.40 percent for the cash dividends paid to stockholders. This certainly is not an excessive return to the stockholders. This fact is evidenced by a comparison to percentages in the case of other businesses For example, in the May 16, 1947 issue of the United States News an advertisement of the Standard Oil Company of New Jersey shows that of the total income dollar of that company for the year 1946 the net income amounted to 10.08 percent, of which 5.08 percent was put back into the business and 5 percent paid in dividends to the stockholders. In the statement of Enders M. Voorhees, Chairman of the Finance Committee of United States Steel Corporation, before the Subcommittee on Profits of the Joint Congressional Committee

on the Economic Report, referred to above, he stated that the net income of United States Steel Corporation in 1947 as a percentage of sales was 6 percent and that this was the smallest percentage for any year of anywhere nearly comparable rates of operation in United States Steel's entire peacetime history.

The published annual report for 1948 of Lane-Wells Company, a national oil well supply company, shows a statistical comparison of various figures for the years 1946, 1947, and 1948. These figures indicate that the percentages of gross income remaining as net income in the three years were 12.15 percent in 1946, 17.73 percent in 1947, and 17.64 percent in 1948.

The published annual report for the year ended December 31, 1948 of National Gypsum Company, a large national building materials company, shows that the net income for the year was 11.74 percent of sales.

In a recent newspaper advertisement of the Union Oil Company of California, a chart is shown of the division of the 1948 sales dollar. This shows that the total profit for the year consisted of 15 percent of the sales dollar, of which 9.6 percent was retained in the business and 5.4 percent paid in dividends to the stockholders This is exactly the same percentage as in the case of cash dividends to the stockholders of Los Angeles Turf Club, Inc. in the fiscal year ended November 30, 1948 as shown in the charts referred to above.

8. As evidenced by the percentages based on actual figures, there is no question as to who is the principal beneficiary of the expansion and increase in the size of racing operations conducted at Santa Anita Park. This is the State of California, and the State receives by far the greatest share of the revenue produced from racing at Santa Anita Park, amounting to 37.53 percent of the total revenue in 1947-1948 and 37.22 percent in 1948-1949. Therefore, the State's principal interest at this time should be in the preservation of conditions which will make possible a continuation of this large revenue to the State.

VII. Effect of Any Reduction in Commission Rates With Corresponding Increase in Tax Rates to the State of California on Pari Mutuel Pools

1. As has been shown above, over a period of the last two years the gross income from racing at Santa Anita Park has reduced approximately $3,500,000 and the estimated net income for the current year to the corporation even assuming no increase in federal income tax rates shows a decrease of 62.31 percent as compared to the year 1946-1947.

2. Even in actual dollars the net income of Los Angeles Turf Club, Inc. from racing operations for the current year is down to the point that it is obvious that the profits are not excessive and that additional revenue to the State of California cannot be obtained by taking it out of the profits of the race track. There is also the possibility that the downward trend in the attendance and the pari mutuel wagering may continue with a further reduction in the gross income which will result in a drastic reduction in the net income unless steps are taken to reduce purses and wages, which are the principal items of expense, to offset the reduction in gross income.

3. In the same way if the gross income should be reduced by a reduction of the commission rate to the track on the pari mutuel gross handle it would also necessitate consideration of the matter of reduction of

purses and wages and a change in the present standard of operations. This in turn would naturally reflect itself in a further reduction in the pari mutuel wagering with a resulting direct reduction in the revenue to the State. We are satisfied that the same situation would be true in the case of Hollywood Park.

VIII. Conclusion

As has been shown above, a drastic change has taken place in the past two years in the conduct of racing at Santa Anita Park which has reflected itself in a tremendous reduction in the profits of the race track. There is reason to believe that the present trend in reduction in attendance and wagering may continue. Under these circumstances the present standard of operations at Santa Anita Park, which produces very large revenue to the State under the present law, cannot be maintained if the pari mutuel commission rate is reduced for the purpose of increasing the tax rate to the State.

The net income to the race track from the conduct of racing under conditions existing at the present time is not too large and is a much smaller return on the investment in dollars which are worth less than the dollars earned on a smaller investment and much smaller operation in the years prior to the war. The State of California enjoys a huge revenue from the racing operations conducted at Santa Anita Park and a similarly large revenue from the operations conducted at Hollywood Park, and the State receives by far the greatest share of their revenue produced by racing. The best way to assure continued maximum revenue to the State from racing is to permit the continuation of the present standards of operation and continued expansion of facilities for the public. It is our earnest desire to conduct racing for the best interests of the State and the racing industry in California as a whole. To be permitted to do so requires a consideration of conditions as they now exist and not the unusual conditions which existed for a short time but which are now history. Therefore, we respectfully urge your consideration of the facts under present conditions, and we are confident that based on this consideration this committee will agree that no change should be made in the California Horse Racing Law with regard to the tax and commission rates on the pari mutuel gross handle.

Respectfully submitted.

Supplement

Since this memorandum was originally prepared, the major portion of the plant at Hollywood Park was destroyed by fire on the night of May 5, 1949, and Los Angeles Turf Club, Inc., has turned its plant and all facilities over to Hollywood Turf Club for the conduct of the Hollywood Park meeting during the period from May 17, 1949, to July 23, 1949 inclusive. Not only is the use of the property at Santa Anita Park for the conduct of the Hollywood Park meeting of assistance to Hollywood Turf Club at a time when it has suffered a catastrophe, but the conduct of this meeting at Santa Anita Park is of great benefit to the racing

industry in California as a whole. Furthermore, this will save approximately $5,000,000 in revenue to the State of California which otherwise would have been lost to the State.

This catastrophe at Hollywood Park is very concrete evidence of the fact that present-day profit-dollars of race tracks should be considered in relation to values in present-day dollars of plant and facilities, and not to the book values or costs in terms of dollars of an entirely different value in earlier years when the plants were built. Now we will have a situation where although some portion of the plant at Hollywood Park was not destroyed, the major portion will have to be re-built at present-day inflated costs, so that property values and profits will both be in terms of the present-day dollar. Therefore, Hollywood Turf Club will be faced with the necessity of earning a reasonable return on an investment in plant and facilities at present-day costs. We have stated above in this memorandum that there has been an indication that the trend in reduction in pari mutuel wagering and attendance will continue. This has been more than borne out in the Hollywood Park meeting at Santa Anita Park to date, on which we have been informed that the reduction in pari mutuel wagering as compared to the meeting at Hollywood Park in 1948 is approximately 25.58 percent and the reduction in attendance is approximately 19.65 percent. These drastic reductions which reflect themselves in a direct reduction in the gross income of the race track following the reductions which have been experienced by Los Angeles Turf Club, Inc., at Santa Anita Park during the past two years accentuate the problems which are faced by Hollywood Turf Club and Los Angeles Turf Club, Inc. Even without any reduction in gross income by changes in the California Horse Racing Law. Certainly, it should be clear to anyone who looks at the facts that additional revenue from racing to the State of California cannot be produced by taking this out of the profits of Los Angeles Turf Club, Inc. and Hollywood Turf Club.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

Infinite Sympathy: We commend to Thee today all those who are sick and in pain, who suffer from bodily afflictions, or physical handicaps and pray for the recovery of health.

May they cherish the tonic belief that tomorrow will be brighter than today because healing forces which Thou hast implanted perform their curative office.

Believe that the genius which has unlocked the atom will yet discover some new knowledge that will come to their relief.

We pray that those who have the means will establish and promote research for mysterious afflictions so that numberless people in city and village may return to useful life.

May the philanthropic spirit which has distinguished our citizens show its generosity for the well-being of the stricken who cry out from the depths of misery for health and happiness.—AMEN.

Speaker Pro Tempore Presiding

At 10.05 a.m., Hon. Thomas A. Maloney, Speaker pro Tempore of the Assembly, presiding.

CONSIDERATION OF HOUSE RESOLUTION NO. 252

By Mr. Lowrey:

House Resolution No. 252

WHEREAS, In 1939 Assembly Bill 773 was passed adding to the California Fish and Game Code Chapter 5, Division 1, wherein landowners were licensed to collect fees for the privilege of shooting pheasant or quail thereon, and

WHEREAS, In 1943 Assembly Bill 1692 amending sections of Chapter 5 of the Fish and Game Code proposing to "foster and increase the upland game bird population in the State of California" and further stating that "such area must be open to any license hunter for shooting during the entire game management season upon payment of the fee as set forth in the application"; and

WHEREAS, In 1947 Section 50 of the Fish and Game Code was so amended that such an area would be classed as a "commercial" area and that another area would be established as a "noncommercial" area which would restrict hunters to the landowners or lessees choice upon payment of certain fees; and

WHEREAS, Section 51 of the Fish and Game Code states, "if the commission is satisfied, after investigation, that the tract is suitable for the purpose of a game management area and that the establishment of such an area will not conflict with the public interest"; and

WHEREAS, The Bureau of Game Conservation, Division of Fish and Game, has indicated in their reports that such areas can be construed as in conflict with the public interest because records at hand show these areas are recovering not in excess of 17 percent on the average of the birds they are releasing; and

WHEREAS, It follows that a large percentage of the balance of the birds taken under such permits can logically be assumed to be state raised and released birds which have taken refuge on these areas; and

WHEREAS, The 60-day hunting season allowed on such areas as against the 10 days allowed the balance of the State generally, and the seasonal bag limit, on such hunting areas, of 360 pheasants of either sex per hunter as against the seasonal bag limit of 10 male pheasants allowed for the balance of the State generally, creates in the minds of the general public a feeling of being discriminated against; now, therefore, be it

Resolved, That the Fish and Game Commission shall examine in greater detail the evidence as presented by the Bureau of Game Conservation, Division of Fish and Game, which shows a preponderance of unbanded birds being taken on such game management areas; and, be it further

Resolved, That the commission shall establish additional rules and regulations, prior to the renewal of game management permits for the season 1950, that will bring into better balance the ratio of birds legally taken upon such areas with the number of birds released, to the end that greater assurance may be had that the percentage of game management area banded birds taken will be appreciably increased.

Copies of this resolution to be forwarded to the members of the Fish and Game Commission and the Executive Officer of the Division of Fish and Game.

Resolution read.

Motion That House Resolution No. 252 Be Withdrawn From File, and Be Re-referred

Mr. Heisinger moved that House Resolution No. 252 be withdrawn from the file, and be re-referred to the Interim Committee on Fish and Game.

REQUEST FOR UNANIMOUS CONSENT THAT OPINION OF LEGISLATIVE COUNSEL BE PRINTED IN JOURNAL

Mr. Hahn asked for, and was granted, unanimous consent that the following opinion of the Legislative Counsel be ordered printed in the Journal in 10-point type:

STATE OF CALIFORNIA
OFFICE OF LEGISLATIVE COUNSEL
SACRAMENTO 2, CALIFORNIA, June 21, 1949

Honorable Gordon R. Hahn
Assembly Chamber

Healing Arts—Senate Bill No. 797—No. 8030

DEAR MR. HAHN: You have requested an opinion as to the extent Senate Bill No. 797 as amended in the Assembly June 9, 1949, would, if enacted, change the existing law.

The bill would amend Sections 2141, 2142, 2319, 2426, and 2435 of the Business and Professions Code, relating to the practice of the healing arts.

Section 2141 presently prohibits the practice of any branch of the healing arts without an appropriate license. This bill would make it clear that the prohibition against practicing without a license refers to the treatment of mental and nervous as well as physical diseases and disorders.

A reading of the bill does not disclose the scope of the prohibition against the treatment of mental conditions and disorders. It seems clear that educational, vocational, marriage, religious, and similar types of counseling would not be prohibited.

Section 2141 presently makes any violation of that section a misdemeanor, but does not define the punishment. This bill would provide that the punishment shall be by fine not to exceed $1,500, by imprisonment not to exceed six months, or by both such fine and imprisonment.

Section 2142 presently provides that any unlicensed person, who uses in any sign or in an advertisement the terms "doctor," "Dr.," "M.D.," or any other term implying that he is a physician, surgeon, or practitioner, is guilty of a misdemeanor. This bill would specifically prohibit the use of such terms on business or social cards, letterheads, envelopes or other means of visual presentation intended to or likely to be read by members of the public.

Section 2319 provides that an applicant for a reciprocity certificate shall have been a resident of the state issuing the certificate on which his application is based for a period of one year subsequent to its issuance or he may show, by evidence satisfactory to the Board of Medical Examiners, two years of licensed practice of his profession in another state. This bill would recast the section to require that the certificate on which his application is based must have been issued at least one year prior to the date of application.

Section 2426 presently provides that unless it is otherwise expressly provided, any person who violates any provision of Chapter 2, Division 2 of the Business and Professions Code, is guilty of a misdemeanor and shall be punishable by a fine of not less than one hundred dollars nor more than six hundred dollars or by imprisonment for a term not less than sixty days nor more than one hundred eighty days or by

both such fine and imprisonment. This bill would delete the minimum punishment provisions and would increase the maximum fine to $1,500.

Section 2435 presently provides that every physician who, in a state of intoxication does any act as a physician which endangers the life of another person, is guilty of a misdemeanor. This bill would recast this section to provide that every physician who, while practicing as a physician, is intoxicated to such an extent as to impair his ability to conduct the practice authorized by his certificate with safety to the public and his patients, is guilty of a misdemeanor.

Very truly yours,

FRED B. WOOD, Legislative Counsel
By DELBERT E. WONG, Deputy

MESSAGES FROM THE GOVERNOR

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO 14, June 20, 1949

Honorable Arthur A. Ohnimus
Chief Clerk, California State Assembly
State Capitol, Sacramento, California

DEAR MR. OHNIMUS: This will acknowledge receipt of your letter of June 16th, enclosing a copy of House Resolution No. 205. In this resolution the Assembly asked the Governor for a letter permitting consideration of the appropriation bill for child care centers before the adoption of the budget.

Inasmuch as the Governor signed Assembly Bill No. 1100, now Chapter 700, on June 18th, there is now no occasion for the writing of such a letter.

Sincerely,

BEACH VASEY, Legislative Secretary

RESOLUTIONS

The following resolutions were offered:

By Mr. Maloney:

House Resolution No. 270

Relative to the preparation and printing of a Summary Digest

Resolved by the Assembly of the State of California, That the Legislative Counsel is directed to prepare a Summary Digest of statutes enacted and constitutional amendments proposed at the 1949 Regular Session of the Legislature; and be it further

Resolved, That copies of the Summary Digest be mailed to all Members of the Legislature as soon as possible after the "bill-signing" period; and be it further

Resolved, That the Chief Clerk of the Assembly is instructed to cause to be printed not to exceed 2,000 copies of the Summary Digest, the cost thereof to be paid from the legislative printing appropriation.

Request for Unanimous Consent

Mr. Maloney asked for, and was granted, unanimous consent to take up House Resolution No. 270, at this time, without reference to committee or file.

By Mr. Evans:

House Resolution No. 271

Relating to the completion of exhibits for the Sixth District Agricultural Association

WHEREAS, The Sixth District Agricultural Association of the State of California operates a permanent exposition which operates 363 days per year; and attracts upward of 400,000 visitors per year, and

WHEREAS, Said exposition consists of exhibits depicting the agriculture and industry and other resources and activities of the State; and

WHEREAS, Said exhibits are permanent in nature, in that they are constructed as part of the Exposition Building and stand until torn down and remodeled; and

WHEREAS, Many exhibits now in the exposition have not been remodeled for more than fifteen years and hence do not correctly depict and represent their subject matter; and

WHEREAS, Two major exhibits, namely mining and minerals, and water and other natural resources have been under preparation and considerable sums have been expended upon them during the past year; and

WHEREAS, Although they are approximately half completed, funds are lacking to complete them under the operating budget of the Sixth District; and

WHEREAS, There is available to the Director of Finance and the Board of Public Works a certain fund known as the Second Balance of the Fair and Exposition Fund which is specifically allocated for permanent improvements such as the above, on the grounds of district agricultural associations; now, therefore, be it

Resolved by the Assembly of the State of California, That the Director of Finance and the Board of Public Works are hereby requested to make available to the Sixth District Agricultural Association sufficient funds from the Emergency Fund, not to exceed $50,000, in the next two fiscal years, for the completion of these exhibits; and be it further

Resolved, That the Chief Clerk of the Assembly be hereby directed to send copies of this resolution to the Director of Finance and the Board of Public Works

Resolution read, and ordered referred to the Committee on Rules.

By Mr. Burke:

House Resolution No. 272

Relative to commending Herbert G. Klein

WHEREAS, Herbert G. Klein has served during 1948-1949 as President of the Alhambra Junior Chamber of Commerce; and

WHEREAS, During Mr. Klein's term of office 27 projects of community development were successfully completed, redounding to the benefit of the people of the City of Alhambra and the San Gabriel Valley; and

WHEREAS, Largely due to the efforts and tireless endeavor of Mr. Klein, the Alhambra Junior Chamber of Commerce succeeded in sponsoring and electing one of its own members, Clifford D Cooper, as President of the United States Junior Chamber of Commerce at the National Convention of the organization at Colorado Springs, Colorado, in June, 1949; and

WHEREAS, Mr. Klein, by his clearness of vision, his principles and outstanding leadership, has contributed in large measure to the civic betterment of the City of Alhambra and the San Gabriel Valley; now, therefore, be it

Resolved by the Assembly of the State of California, That Herbert G. Klein be hereby commended for his career of constructive service; and be it further

Resolved, That the Chief Clerk of the Assembly be directed to transmit to Herbert G. Klein a copy of this resolution.

Resolution read, and ordered referred to the Committee on Rules.

By Mr. Babbage:

House Resolution No. 273—Congratulating Assemblyman and Mrs. Earl W. Stanley on their Twenty-seventh Wedding Anniversary.

Resolution read.

Request for Unanimous Consent That All Members Present Be Named Co-authors

Mr. Babbage asked for, and was granted, unanimous consent that the names of all members present be placed upon House Resolution No. 273, as co-authors.

REQUEST FOR UNANIMOUS CONSENT TO HOLD SPECIAL MEETING OF COMMITTEE

At 2.45 p.m., Mr. Waters asked for unanimous consent to hold a special meeting of the Committee on Elections and Reapportionment in the Cloak Room, at this time. Subject: Senate Bill No. 191.

Mr. Levering withheld unanimous consent, because Senate Bill No. 191 has not been scheduled for a public hearing.

Point of Order

Mr. Waters arose to the following point of order: That yesterday a committee held a meeting under similar circumstances, and that, if the Committee on Public Morals was in order, he is in order.

Ruling by Speaker

Speaker Sam L. Collins ruled the point of order well taken, and ruled the action of the Committee on Public Morals, yesterday, not in order.

REQUEST FOR UNANIMOUS CONSENT THAT ASSEMBLY BILL NO. 3168 BE WITHDRAWN FROM FILE, AND BE RE-REFERRED

Mr. Thompson asked for, and was granted, unanimous consent that Assembly Bill No. 3168 be withdrawn from the file, and be re-referred to the Committee on Public Morals.

Parliamentary Inquiry

Mr. Lowrey arose to the following parliamentary inquiry: Is it proper to present amendments to Senate bills on either the second or third reading?

Ruling by Speaker

Speaker Sam L. Collins ruled that, as long as the amendments are germane to the subject, such action is proper.

ANNOUNCEMENT OF COMMITTEE MEETING

Mr. Waters announced that the following committee would hold a meeting today, upon adjournment, at his desk:

Elections and Reapportionment.

REQUEST FOR UNANIMOUS CONSENT THAT ASSEMBLY BILL NO. 363 BE WITHDRAWN FROM FILE, AND BE RE-REFERRED

Mr. Weber asked for, and was granted, unanimous consent that Assembly Bill No. 363 be withdrawn from the file, and be re-referred to the Committee on Municipal and County Government.

REQUEST FOR UNANIMOUS CONSENT TO TAKE UP ASSEMBLY BILL NO. 1346

Mr. Morris asked for, and was granted, unanimous consent that he be permitted to take up Assembly Bill No. 1346, temporarily passed on file, at this time.

WHEREAS, Roads from Westport northeasterly through Hale's Grove to a point about three miles northeast of said Hale's Grove and from a point about ten miles southerly of the Mendocino-Humboldt County line northerly through Four Corners to the said county line have been improved; and

WHEREAS, The section of roadway between these two improved sections is in need of improvement to a standard similar to that of the improved sections; and

WHEREAS, It is desirable that the State Division of Highways make a preliminary survey for this section of incomplete road about ten miles in length as soon as possible, as authorized by Section 75 of the Streets and Highways Code, and

WHEREAS, It is possible funds for the construction of said section of unimproved road may be available from other than state sources; now, therefore, be it

Resolved by the Assembly of the State of California, That the California Highway Commission and the Department of Public Works are hereby requested to make a preliminary survey of said section of road to ascertain a possible alignment thereof that would meet the requirements of the Federal Government with respect to federal aid secondary highways; and be it further

Resolved, That in the event, upon completion of said survey, funds are made available to the Department of Public Works by the County of Mendocino or from any other source, pursuant to the provisions of Section 131 of the Streets and Highways Code of the State of California, said department shall use such funds for the preparation of detailed plans and specifications to be used in the construction of said highway; and be it further

Resolved, That this resolution shall completely supersede House Resolution No. 202, adopted by this Assembly on June 1, 1949 (Assembly Journal, June 1, 1949, Pages 3918, 3919); and be it further

Resolved, That the Chief Clerk of the Assembly be directed to transmit copies of this resolution to the California Highway Commission, to the Director of Public Works, and to the State Highway Engineer.

Resolution read, and adopted.

Resolution ordered transmitted to the Senate.

Explanation of Vote Against Assembly Joint Resolution No. 45 by Assemblyman Sam Yorty

The university officials are in disagreement over the particular oath the resolution commends. If Communist Party members are teaching at our university they should be fired. The oath would not accomplish this. Dr. Sproul is university president. If he tolerates Communist Party members on the faculty, he should be dismissed.

SAM YORTY

Explanation of Vote

The reason for my "No" vote on Assembly Joint Resolution No. 45 was that I believe that this resolution tends to drive a wedge between the Board of Regents of the University of California and the faculty members of this outstanding university, in that it is made to appear that the faculty are opposed to a loyalty oath, and inferentially indicating a lack of loyalty and patriotism.

As indicated by a Member of the Assembly, the faculty of the University of California have subscribed to a loyalty oath since 1942, and have indicated every desire to subscribe to an additional loyalty oath if one is requested of them. The faculty and the board of regents are at this moment engaged in the preparation of a loyalty oath to which these outstanding educators would subscribe. Our hasty action of this date indicts the faculty members as being: 1. Disloyal, 2 Unpatriotic, and 3. Un-American.

It would have been wiser had we permitted both these bodies to iron out their simple difficulties, and then a resolution from this body commending both the board of regents and the faculty upon their intelligent approach to the current desire for loyalty oaths would be in order.

I sincerely hope that the action taken by the Legislature will in no way intrude upon the negotiations between the board of regents and the faculty for I have the utmost faith in the spirit and loyalty of both these outstanding bodies.

REQUEST FOR UNANIMOUS CONSENT THAT REMARKS BY MR. GAFFNEY RELATIVE TO ASSEMBLY JOINT RESOLUTION NO. 45 BE PRINTED

Mr. Doyle asked for, and was granted, unanimous consent that the remarks by Mr. Gaffney relative to Assembly Joint Resolution No. 45 be reduced to writing, and ordered printed in the Journal, in 10-point type.

REMARKS BY MR. GAFFNEY ON PASSAGE OF ASSSEMBLY JOINT RESOLUTION NO. 45

Mr. Speaker and Members of the Assembly:

I rise to support this resolution commending the Board of Regents of the University of California in seeking means to assure the loyalty of members of the faculty.

Communism is not only a theory of economics, which if expounded on the economic level would fall from its innate fallacy, it is interwoven with a philsosophy which is the very negation of the Jewish-Christian concept of civilization, which for 5,000 years has been built on the dignity of the individual man, woman, and child. This concept we Americans hold is that man derives that dignity from being created in the image and likeness of God, and being endowed with an horizon of moral action

that permits him to sink to the level of a beast and yet rise again to be the envy of the angels.

Objectively, college professors, in their claim of academic freedom, can discuss economic systems that may or may not improve man's material status, but, to expound a theory of philosophy and government that condemns man to a dead, common, slave level in economics and degrades him to the common level of beasts by robbing him of his belief in God, which is the only guarantor of his dignity and freedom, is subversive of the whole American concept of life.

The chief exponent of this decadent, politico-economic atheistic doctrine joined up with Nazi Germany to crush and divide liberty loving Poland, and despite this spoliation we were, because of the stratagems of war obliged to accept this totalitarian nation as an ally. The war of force has been followed by an interminable cold war of irreconciliable ideologies. You cannot fight a cold war with force, guns or atom bombs. It can only be fought and won by the counter-militant affirmation of Americanism and the American way of life.

In any discussion or lecture on foreign "isms" or governments, or comparisons with our own, an American scholar, teacher or professor will spontaneously project an affirmative Americanism which is the last, one hope of a troubled world, and our young men and women students are entitled to just such affirmation and no other.

I ask an "Aye" vote.

At 5.15 p.m., Hon. Sam L. Collins, Speaker of the Assembly, presiding.

Demand for Previous Question

Messrs. Rosenthal, Clayton A. Dills, Silliman, Thompson, and Smith demanded the previous question.

Demand for previous question sustained.

The question being on the adoption of the urgency clause to Assembly Bill No. 2120.

The roll was called, and the urgency clause adopted by the following vote:

AYES—Anderson, Babbage, Beck, Bennett, Berry, Brady, Brown, Burke, Burkhalter, Caldecott, Coats, Collier, George D Collins, Condon, Connolly, Cooke, Crichton, Crowley, Davis, Dickey, Clayton A. Dills, Dolwig, Doyle, Dunn, Elliott, Erwin, Evans, Fletcher, Fleury, Gaffney, Geddes, Grant, Grunsky, Hagen, Hahn, Hawkins, Heisinger, Hoffman, Hollibaugh, Huyck, Kilpatrick, Lewis, Lincoln, Lindsay, Lipscomb, Lowrey, Luckel, Maloney, McCarthy, McCollister, McMillan, Meyers, Morris, Moss, Niehouse, Rosenthal, Rumford, Silliman, Smith, Stanley, Stewart, Thomas, Thompson, Tomlinson, Way, Weber, and Yorty—67.

NOES—Butters, Hinckley, Kirkwood, Levering, Reagan, Sherwin, and Waters—7.

The roll was called, and the bill passed by the following vote:

AYES—Anderson, Babbage, Beck, Bennett, Berry, Brady, Brown, Burke, Burkhalter, Caldecott, Coats, Collier, George D. Collins, Condon, Connolly, Cooke, Crichton, Crowley, Davis, Dickey, Clayton A. Dills, Dolwig, Doyle, Dunn, Elliott, Erwin, Evans, Fletcher, Fleury, Gaffney, Geddes, Grant, Grunsky, Hagen, Hahn, Hawkins, Heisinger, Hoffman, Hollibaugh, Huyck, Kilpatrick, Lewis, Lincoln, Lindsay, Lipscomb, Lowrey, Luckel, Maloney, McCarthy, McCollister, McMillan, Meyers, Morris, Moss, Niehouse, Rosenthal, Rumford, Silliman, Smith, Stanley, Stewart, Thomas, Thompson, Tomlinson, Way, Weber, and Yorty—67.

NOES—Butters, Hinckley, Kirkwood, Levering, Reagan, Sherwin, and Waters—7.

Bill ordered transmitted to the Senate.

Explanations of Vote

I voted "No" on Assembly Bill No. 2120 upon the basis of a complete lack of any means of financing the program, the unsound principle of state financed purchase of transportation equipment, the lack of any real reason for any fourth round salary increases for teachers, and the precarious economic outlook.

BRUCE V. REAGAN

It is our desire to provide all that is necessary for the proper education of the school children of our State. The only wise and honest course in recognizing these necessities requires that we must raise the money that will finance these services.

That money is not presently available and the Assembly has rejected every effort to raise the money This action by the Assembly is a direct repudiation of the principle of economy to which this session was presumably dedicated. And further, this measure, without adequate financing, directly evades the responsibility of providing sufficient funds and will, in our opinion, ultimately work a serious disservice to the cause of education itself by deluding the people as to our ability to finance the program on a long range basis.

For these reasons we are compelled to vote "No" on Assembly Bill No. 2120.

HAROLD K. LEVERING
MARVIN SHERWIN
GEORGE R. BUTTERS
L. STEWART HINCKLEY
LAUGHLIN E. WATERS
ROBERT C. KIRKWOOD

I voted for Assembly Bill No. 2120 because I recognize that tax legislation will have to be enacted to pay the cost thereof.

The bill is complicated and much time has been consumed in research. I believe that the bill will be amended in the Senate to raise the taxes to cover the expenditure.

A. I. STEWART

Explanation of "Aye" Vote on Assembly Bill No. 2120

We are proud to support this "Aid-to-Education" Bill.

One-half of state income derives from sales tax; only one-third of tax dollar goes to education. Reversion of sales tax to 3 cents on June 30th will itself produce an extra $50,000,000 a year which is $18,000,000 more than Assembly Bill No. 2120 will cost. If a sales tax is justified at all, it is to help education and not to be spent on big departmental agencies.

There is $75,000,000 in Revenue Deficiency Fund and millions in other reserves.

If we can spend millions for fairs, expositions, and celebrations, certainly we can support the education of our children.

STATE OF CALIFORNIA, DIVISION OF REAL ESTATE, June 20, 1949

RE. SECTION 11000 ET SEQ. OF THE BUSINESS AND PROFESSIONS CODE OF THE STATE OF CALIFORNIA

Honorable Bernard Brady
Assemblyman, Nineteenth District
State Capitol, Sacramento, California

DEAR MR. BRADY: Confirming my conversation with you this date on the telephone, this is to advise that I am immediately initiating a revision of the Rules and Regulations of the Real Estate Commissioner in respect to "Article 10 subdivisions" to eliminate the mandatory requirement that a subdivision questionnaire be filed on all subdivisions and a filing fee be paid on all subdivisions.

My revision of said Rules and Regulations will permit the commissioner to waive the filing of a questionnaire and the payment of a filing fee at his discretion.

I am quite sure the above will satisfactorily take care of the San Francisco situation.

With kind personal regards, I am

Sincerely yours,

(Signed) D. D. WATSON, Commissioner

CC: Mr. Eugene P Conser, Secretary, California Real Estate Association
Hotel Senator
Sacramento, California

Quorum present.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

Divine Spirit: How tiny a spot of the boundless dimensions of time has been appointed to us In but a moment measured by infinity, every one will enter into the palace of memory.

How short lived are all mortal things that worry us, and how evanescent the treasures of yesterday when we think of the eternal centuries before we were, and the flying centuries that follow us

Our lives are but a ripple on the far swelling waves of the future and each wave but a ripple on the flowing river of eternity.

What are the names that resounded yesterday, but a far off echo

But while we have time let us work with justice, live with reverence and charity and rejoice that we live on the boundary of immensity.—AMEN.

READING OF THE JOURNAL DISPENSED WITH

On motion of Mr. Rumford, further reading of the Journal of the previous legislative day was dispensed with.

Senate Bill No. 1250—An act to add Chapter 8, comprising Sections 5500 to 5656, inclusive, to Part 3, Division 5, of the Health and Safety Code, to provide for the formation, organization, and operation of sanitation districts within the counties of the State.

Bill read second time.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Public Health:

Amendment No. 1

On page 5 of the printed bill, as amended in the Senate on May 4, 1949, strike out lines 4 to 14, inclusive.

Amendment No. 2

On page 17 of said bill, strike out lines 7 to 51, inclusive; and on page 18, strike out lines 1 to 14, inclusive, and insert

"5645.20. All or any portion of the unincorporated territory within a district, or all or any portion of territory within a district which territory was, subsequent to the formation of the district, annexed to a city, may be withdrawn from the district when all of the following conditions exist:

(a) The district has been in existence for at least one year;

(b) In the event the district has indebtedness evidenced by bonds and the indebtedness is outstanding and owing either on the date of the election or upon receipt of the verified petition by the board of supervisors, the property within any territory withdrawing from the district shall nevertheless be liable for assessment and payment of the tax for its pro rata share thereof.

Provided, however, that no portion of a city shall be withdrawn from a sanitation district under the provisions of this article if such city is in its entirety within one or more sanitation districts.

5645.21. The withdrawal may either be effected by the vote of majority of the qualified electors of the territory seeking to withdraw voting at an election on the proposition to withdraw, in which case the election procedure as hereafter provided in Sections 5645.22 to and including Section 5645.28 shall be followed, or by verified petition presented to the board of supervisors in the manner as hereafter provided in Sections 5645.31 to and including Section 5645.34.

5645.22. The election shall be called and conducted by the board of directors of the district whenever a petition signed by twenty-five percent (25%) of the qualified electors residing in the territory seeking to withdraw, is presented to the board. The

petition shall describe the exterior boundaries of the unincorporated territory seeking to withdraw, and request that an election shall be called and conducted on the proposition to withdraw.

5645.23. The election then shall be called and conducted in the same manner as other elections of the district except that the resolution calling the election shall be published in a newspaper having a general circulation within the territory seeking to withdraw.

5645.24. The board of directors shall canvass the returns of the election within thirty days after the election, and if a majority of the votes cast are in favor of the proposition to withdraw from the district, then the board shall so find and declare, and thereupon the territory no longer shall be a part of the district.

5645.25. A certified copy of the resolution shall be filed with the clerk of the board of supervisors of the county in which the district is situated, within fifteen days after the resolution is adopted.

5645.28. The unincorporated territory shall not thereafter become a part of the same or any other county sanitation district unless the question of annexation or inclusion within a district is approved by a majority of the qualified electors of the territory so withdrawing, voting at an election on the proposition of annexation or inclusion.

5645.31. A verified petition signed by the owners of real property in the portion to be excluded, said owners owning more than fifty percent (50%) in value of the assessed real property, shall be presented to the board of supervisors of the county within which the district is located. Said petition shall contain the following:

(a) A legal description of the area to be withdrawn together with a map thereof;

(b) The amount of indebtedness of a district presently outstanding, if any;

(c) Factual data establishing that the exclusion will not interfere with the operation of the sewage system in the balance of the district;

(d) A statement by the county assessor of said county that the petition appears to be signed by the owners of more than 50 percent of value of the assessed real property of the area described in the petition as appears from the current assessment roll of the county or city within which the area to be withdrawn is situated.

5645.32. Upon receipt of such petition, the board of supervisors shall set the same for hearing on a day not less than twenty days nor more than thirty-five days thereafter. The clerk of the board of supervisors shall cause a notice of the hearing, which shall contain a description of the property to be excluded, to be published once prior to the date fixed for such hearing, in a newspaper of general circulation circulated within the district and within the area proposed to be withdrawn which the board deems most likely to give notice to the inhabitants thereof.

5645.33. The board of directors of the county sanitation district in which the area proposed to be excluded is situated shall report in writing to the board of supervisors at the time set for the public hearing as to the extent of the district, indebtedness, present obligations, and the effect of such exclusion upon the operation of its sewage system.

5645.34. At the time designated, the board of supervisors shall hear the petition and any person interested and may adjourn the hearing from time to time not to exceed sixty days. The board of supervisors, if it finds that the portion of the district sought to be withdrawn will not be benefited by remaining in the district, and that the territory not sought to be withdrawn will be benefited by continuing as a district, may upon the conclusion of final hearing upon said petition, grant such withdrawal, describing the area withdrawn, from the district; and subject to Sections 54900 to 54903, inclusive, of the Government Code said portion thereafter is no longer a portion of the district for any purpose, except that in the event district indebtedness or district expense is outstanding and owing on the date of the order granting said exclusion, the property within any territory so excluded from the district shall nevertheless remain liable for assessment and payment of the tax for its pro rata share thereof until the extinguishment of said indebtedness or expense."

Amendments read, and adopted.

Bill ordered reprinted, and to be re-referred to Committee on Public Health.

Senate Bill No. 468—An act to add Section 32100.5 to the Health and Safety Code, relating to local hospital districts.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Public Health:

Amendment No. 1

In line 1 of the title of the printed bill, as amended in the Assembly on June 2, 1949, strike out "Sections 32100 3," and insert "Section 32100 3 and".

Amendment No. 2

In line 2 of the title of said bill, strike out "32100 5, and 32100 6".

Amendment No. 3

On page 1 of said bill, strike out lines 5 to 25, inclusive; and on page 2, strike out lines 1 to 5, inclusive, and insert

"32100.3 Not less than ninety days prior to the day fixed for the hospital district general election, the secretary shall publish at least once, in a newspaper of general circulation published in the district, if there is one, and if not, in a newspaper of general circulation in the county, a notice stating the date of the election and the number of offices to be filled at said election, together with a statement that nominations for said offices may be filed with him on forms to be supplied by the district not later than sixty-five days prior to the election.

SEC. 2. Section 32100.4 is added to said code, to read:

32100.4. If, on the sixty-fifth day prior to the day fixed for the hospital district general election, only one person has been nominated for each office of member of the board of directors to be filled at that election, or no one has been nominated for such office, and if a petition signed by 5 percent of the qualified electors in the district, requesting that the hospital district general election in the district be held, has not been presented to the board of directors of the district, said board of directors shall by resolution entered in their minutes order that an election shall not be held, and shall immediately request that the board of supervisors of the county in which the district, or a greater portion thereof, is situated at a regular or special meeting held prior to the day fixed for the election, appoint, and the board of supervisors shall thereupon appoint, to the office or offices the person or persons, if any, who have been nominated. If no person has been nominated for any office, the board of supervisors shall appoint any qualified person to the office prior to the date when the election would have been held. The person appointed shall qualify and take office and serve exactly as if elected at a hospital district general election.

In such instances notices shall be posted in three public places in the district at least ten days before the date fixed for the election, which notices shall state that no election is to be held and that the board of supervisors will appoint, or has appointed, a member or members of the board of directors to serve for the ensuing term."

Amendments read, and adopted.

Bill ordered reprinted, and to be re-referred to Committee on Public Health.

RESOLUTIONS

The following resolutions were offered:

By Messrs. Lewis and Hagen:

House Resolution No. 274

WHEREAS, The people of Kern County have indicated their interest and desire that a four-year state college be established in Kern County; and

WHEREAS, The tax revenue contributed by Kern County to the State Treasury, both as to General Fund and as to the expenses of higher education, is more than some areas where a state college or university now exists; and

WHEREAS, The population of Kern County and adjoining counties is larger than some areas where a state college or university now exists; and

WHEREAS, The number of residents of college age is larger than in some areas where a state college or university now exists; now, therefore, be it

Resolved, That the State Assembly respectfully urges any legislative Interim Committee on Education make a survey and study of the needs and potentialities of establishing a four-year state college in Kern County in the vicinity of Bakersfield.

Resolution read, and ordered referred to the Committee on Rules.

By Mr. Reagan:

House Resolution No. 275

Relative to requesting the Assembly Interim Committee on Governmental Efficiency and Economy to Investigate Transportation Facilities in Metropolitan Areas

WHEREAS, Public utilities operating rapid transit and other public transportation facilities in heavily populated metropolitan areas have failed to expand existing facilities sufficiently to meet the public need caused by the unprecedented increase in population in such areas; and

WHEREAS, This failure may be due to a number of reasons, including inability to finance renewals, extensions and improvements; and

WHEREAS, Officials and citizens of such metropolitan areas are vitally interested in the problem and have expressed their desire to cooperate with the State in the solution thereof; and

WHEREAS, In order to properly legislate on this subject it is vital that the Assembly be fully informed as to all facts relating thereto or bearing thereon; and

WHEREAS, The Assembly Interim Committee on Governmental Efficiency and Economy created at this session is well equipped by experience to ascertain such facts; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Interim Committee on Governmental Efficiency and Economy or a duly constituted subcommittee thereof is hereby authorized and directed to ascertain, study and analyze all facts relating to or in any way bearing upon the subject expressed in the recitals of this resolution, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing thereon or relating thereto, and to cooperate with and secure the cooperation of, local governmental agencies in such metropolitan areas in ascertaining such facts, and to report thereon to the Assembly, including in its reports its recommendations for legislation.

Resolution read, and ordered referred to the Committee on Rules.

By Messrs. Thomas and Fletcher:

House Resolution No. 276

Relative to the creation of the Assembly Interim Committee on Fish and Game

WHEREAS, It is important that the pertinent facts bearing upon the fish and game problems of the State of California be ascertained, assembled and analyzed to the end that the Assembly shall be fully informed thereon and be enabled thereby to act advisedly upon legislation designed to preserve to the people their constitutionally guaranteed rights in and to fish and game and to fully protect the interests of sportsmen and commercial interests with respect thereto; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Interim Committee on Fish and Game is hereby created and authorized and directed to ascertain, study and analyze all facts relating to fish and game; including specifically: Game farms, game and management areas, game refuges, fish hatcheries, the opening and closing of waters around Catalina Island, netting in the inland waters of the State, the utilization of the public domain for the propagation of fish and wildlife, and all other matters dealing with, relating to or otherwise pertaining to fish and game, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation.

2. The committee shall consist of five Members of the Assembly appointed by the Speaker thereof. The chairman shall be appointed by the Speaker. Vacancies occurring in the membreship of the committee shall be filled by the appointing power.

3. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the 1951 Regular Session, with authority to file its final report not later than the fifteenth legislative day of that session.

4. The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members.

5 The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership.

(b) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purposes for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope

of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee.

(d) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(e) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

6. The sum of _____ dollars ($_____) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under this resolution, to be paid from the said Contingent Fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

By Mr. Luckel:

House Resolution No. 277

Relating to straight percentage reductions in the next annual budget estimates of the various state departments

WHEREAS, The economic stability of the State depends in large measure upon an intelligent and thrifty spending of public moneys; and

WHEREAS, The effects of unnecessary high expenditures of public moneys touch all citizens in the form of higher taxes and higher costs of living; and

WHEREAS, It is of paramount importance in these days of high costs of government to recognize the economic consequences of such costs upon the taxpayers, manufacturers, businessmen, farmers, and consumers in this State; now, therefore, be it

Resolved by the Assembly of the State of California, That the responsible officers of the various state departments, when preparing their next annual budgets, be required to make such straight percentage reductions on all estimates as may be deemed practicable; and be it further

Resolved, That the Director of Finance is hereby directed to transmit copies of this resolution to each department of the State of California which submits annual budget estimates.

Resolution read, and ordered referred to the Committee on Rules.

Collins, Condon, Connolly, Conrad, Cooke, Davis, Dickey, Dolwig, Doyle, Elliott, Erwin, Evans, Fletcher, Fleury, Gaffney, Geddes, Grunsky, Hagen, Hahn, Hawkins, Hinckley, Hoffman, Hollibaugh, Huyck, Kirkwood, Levering, Lincoln, Lindsay, Lowrey, Luckel, Maloney, McCarthy, McCollister, McMillan, Meyers, Morris, Moss, Mrs. Niehouse, Messrs. Reagan, Rosenthal, Rumford, Sherwin, Silliman, Smith, Stanley, Stewart, Thomas, Thompson, Tomlinson, Way, Weber, and Yorty:

House Resolution No. 278

Relating to honoring the memory of Colonel Robert Bradford Marshall, outstanding proponent for the conservation of the water resources of this State

WHEREAS, In 1867 in the State of Virginia, Robert Bradford Marshall, a descendant of Chief Justice Marshall of the United States Supreme Court, was born; and

WHEREAS, In 1891 Robert Bradford Marshall, a young civil engineer, came to California like so many other courageous and energetic citizens; and

WHEREAS, As a topographer employed by the United States Geological Survey and traveling by mule team and buckboard over the mountains and valleys of California, Robert Bradford Marshall became thoroughly familiar with the lands of this great State; and

WHEREAS, During the course of these travels Robert Bradford Marshall conceived visions of mighty dams impounding great quantities of water formed by the melting snows of the Sierras; and

WHEREAS, Robert Bradford Marshall further foresaw the effective utilization of these waters so as to transform barren valleys into lands as verdant and productive as the land of Canaan upon which the messengers of Moses and the children of Israel gazed; and

WHEREAS, In 1921 Robert Bradford Marshall went before the California Legislature seeking an appropriation to further his water conservation and irrigation studies; and

WHEREAS, Robert Bradford Marshall, although subjected to severe censure and vilification, persevered and secured an appropriation of two hundred thousand dollars; and

WHEREAS, When the blue waters flowed through Shasta Dam, Robert Bradford Marshall knew that a great victory for his State and his people had been won; and

WHEREAS, On June 21, 1949, at his home in San Francisco, at the sunset of a long, good life with his loving wife and daughters beside him, Robert Bradford Marshall, father of the Central Valley Project and a great American citizen, passed away; now, therefore, be it

Resolved by the Assembly of the State of California, That the Legislature of this State hereby acknowledges its debt of gratitude to the wisdom and foresight of Colonel Robert Bradford Marshall and humbly thanks Colonel Marshall for his vast contributions to the development of the wealth and heritage of this State; and be it further

Resolved, That the Chief Clerk of the Assembly be hereby directed to transmit copies of this resolution to each member of the immediate family of Colonel Robert Bradford Marshall.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

O God of Hope: In this generation, when the world seems to be growing worse, let us behold the steady rise of man since Time began

Survey the past and see how barbarism, bigotry, and superstition have steadily declined, how Caesars, feudalism, and dynasties have vanished and how intelligence and Democracy have extended their emancipating sway

Hope in the deep seated love of freedom and justice in human nature, which is intolerant of any tyranny over the mind or the soul

Hope in the intellectual faculties of man, in the imperious faculty of reason, which despises error and ignorance, and incessantly searches for Truth, and fearlessly proclaims it.

Let us see that the innate social qualities of altruism, sympathy, and the kindly impulses to help a neighbor in distress make all races feel akin, and hasten the age of universal brotherhood—AMEN

RESOLUTIONS

The following resolutions were offered:

By Mr. McMillan:

House Resolution No. 280

Relating to the retirement of Joseph S. Hunter

WHEREAS, Joseph S. Hunter is retiring after 42 years service with the Division of Fish and Game; and

WHEREAS, Joseph S. Hunter entered the Division of Fish and Game on May 16, 1907, as a field deputy and was brought into the head office in 1910; and

WHEREAS, He has assisted in building up the Division of Fish and Game from a staff of less than one hundred employees to more than six hundred employees and has assisted in building up the income of the Division of Fish and Game from $119,000 to over $3,000,000, and

WHEREAS, He has been in attendance at every legislative session since 1913 as advisor on conservation problems; and

WHEREAS, He has drafted many of the conservation acts adopted by the Legislature and has helped to place California in the lead among conservation states; now, therefore, be it

Resolved by the Assembly of the State of California, That the Members of the Assembly extend their congratulations and appreciation to Joseph S. Hunter for his long and faithful service to the Division of Fish and Game and to the people of the State of California and extend their best wishes for his future happiness; and be it further

Resolved, That the Chief Clerk of the Assembly be directed to transmit a copy of this resolution to Joseph S. Hunter.

Resolution read, and ordered referred to the Committee on Rules.

By Messrs. Morris and Geddes:

House Resolution No. 281

Relative to the creation of the Assembly Fact-Finding Committee on Highways, Streets and Bridges and the allocation of costs for the construction, maintenance and improvement thereof

WHEREAS, The public highways, streets and bridges of California are useful, necessary and indispensable arteries of travel and commerce and have been constructed and improved at great public expense; and

WHEREAS, Such facilities have been built and are maintained by the use of funds derived from taxes on property, from federal aid, and from registration fees, gasoline taxes and other fees collected as compensation for road use; and

WHEREAS, The development and growth of this State during and since the war have subjected the streets and highways of this State to unusual and destructive burdens; and

WHEREAS, It is recognized that pavements and other highway improvements are not permanent, but must be rebuilt, resurfaced and modernized, indicating the need of foresight in the treatment of financial problems in connection with the inevitable program of reconstruction; and

WHEREAS, The planning and construction of highways, streets and bridges in California must include a complete analysis of all the problems involved, including the fullest economic development of the State by opening up under-developed areas to economic opportunity and to provide proper transportation to meet changing economic and industrial conditions; and

WHEREAS, Careful study is required to determine whether the funds contributed for highway, street and bridge construction and maintenance have been levied equitably either on property or business in relation to its benefits or upon the users in direct proportion to their use; and

WHEREAS, Complete information should be available to the Legislature as to the actual annual cost of roads and streets and the fair apportionment of such costs between those who use them; and to that end the Legislature is in need of data as to the total mileage of roads and streets, the capital investment therein, the total sum which should be collected each year in road use charges or other fees in order to maintain, replace and modernize the same, and the proper amount which should be paid each year by users of public thoroughfares to meet the total annual cost of all public roads and streets; and

WHEREAS, The Legislaure is in need of additional information on the foregoing matters, including (a) the present status of the highway system, state, county and local, (b) existing deficiencies therein to meet present demands, (c) a schedule of progressive improvements necessary to keep abreast of future demands, (d) a schedule of maintenance to keep the capital investment up to standard, (e) a schedule of improvements necessary to develop areas of the State that should be opened up to economic opportunity, (f) special problems relating to highways and matters incidental thereto, (g) the financing of highways and the administration of the highway system including alternate plans to those heretofore proposed for financing a highway construction program with the purpose of reducing as much as is equitable the burden of taxation which the motorist of the next decade must bear, (h) the interrelationship between state and local governments in relation to the foregoing and the interrelationship of the State and Federal Government, and (i) the control of traffic on the highways in the interest of safety, which information should include

so far as feasible both present needs and future needs for a period of at least ten years; now, therefore, be it

Resolved by the Assembly of the State of California, As follows:

1 The Fact-Finding Committee on Highways, Streets and Bridges is hereby created and appointed and authorized and directed to ascertain, study and analyze all facts and matters relating or pertaining to the subjects set forth in the foregoing recitals, including but not limited to all facts relative to the cost of constructing, maintaining and improving public highways, streets and bridges in the State, the need and cost for bringing them up to acceptable standards, the cost of maintaining them in such condition, and the need and cost of expanding the highway system of the State to meet the increasing demands for travel, the demands arising from changing economic and industrial conditions, and the opening up of undeveloped areas, the use now and hereafter to be made of such highways, streets and bridges, and the proper distribution and allocation of the cost and burden of construction and maintenance in proportion to benefits both to users and to property as demonstrated by impartial engineering studies, and also including but not limited to the operation, effect, administration, enforcement, and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution, and to report thereon to the Legislature, including in the reports its recommendations for appropriate legislation.

2. The committee shall consist of five Members of the Assembly, one of which shall be the Speaker of the Assembly, appointed by the Speaker thereof. Vacancies occurring or existing in the membership of the committee shall be filled by the appointing power. The chairman shall be appointed by the Speaker.

3. The Committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the next regular general session, with authority to file its final report not later than the fifteenth legislative day of the next regular general session. The committee may prepare and submit preliminary reports containing such information and data as then may be available to it to be submitted to the Legislature and the Governor during any recess or at the next regular budget session or at any extraordinary session which is convened to act upon problems bearing upon or related to the subject of this resolution

4 The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members.

5. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership.

(b) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter, within the scope of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee.

(c) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided

(d) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

6 The committee is authorized to meet in the State Capitol, or at any other place within this State or within the United States, and to expend the funds made available to it by this resolution for charges, expenses, or claims incurred or expended for traveling, living or other expenses within or outside the limits of the State of California.

7. The sum of ten thousand dollars ($10,000) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its employees, and for any charges, expenses or claims it may incur under this resolution, to be paid from the said Contingent Fund, and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

By Messrs. Doyle, Geddes, and Hollibaugh:

House Resolution No. 282

Expressing the gratitude of the Members of the Assembly to the Christian Science Monitor and the Los Angeles Daily News for free copies of newspapers supplied during the 1949 Regular Session

WHEREAS, The consideration and enactment of sound laws for the State depend in large part upon a familiarity with many facts of current political and social significance; and

WHEREAS, The Christian Science Monitor and Los Angeles Daily News have sent free copies of their respective newspapers to Members of the Assembly during the 1949 Regular Session; and

WHEREAS, Such service has been highly successful in bringing to the attention of the Members of the Assembly those political and social realities with reference to which all enlightened legislative activities should be framed; now, therefore, be it

Resolved by the Assembly of the State of California, That the Members of this Assembly do hereby express their gratitude to the Christian Science Monitor and to the Los Angeles Daily News for the service rendered; and be it further

Resolved, That the Chief Clerk of the Assembly is hereby directed to transmit copies of this resolution to the central offices of the Christian Science Monitor and the Los Angeles Daily News.

Resolution read, and ordered referred to the Committee on Rules.

Quorum present.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

God of Mankind: Upon this day when John Cabot sailed to discover the New World, may we see that another frontier is opening in the great Pacific Area.

A vast and undeveloped Eldorado, where the missionaries of the Cross pioneered, and where the bold and resourceful can carve out new Americas.

The immense areas in the South Seas, Africa and Asia, with their billion inhabitants, primitive in circumstances, offering us a fabulous market to develop, and

Enough purchasing power in virgin territory to keep the machinery of America operating day and night for decades to come.

Let us face the opportunity of spreading our American ideals, and of raising the living standards in the backward lands, so the countless peasants of the Orient may not only possess our comforts and agencies of enlightenment, but may also help solve the unemployment problem of the machine age.—AMEN.

Explanation of "No" Vote on Senate Bill No. 583

There has been, at every election, a flock of candidates for Supervisors in Fresno County, and there is no need to raise salaries and travel expense accounts to get good officers

The same applies to Superior Judges in Fresno County.

The bills increase the number of judges by 50 percent, and increase their salaries from $10,000 to $12,500 annually, or 25 percent.

Explanation of Vote

Had there been a recorded vote, I would have voted in favor of the Tenney Bills.

GORDON A. FLEURY

Explanation of Vote Against Re-reference of Senate Bill No. 132, Senate Bill No. 280, Senate Bill No. 515, and Senate Constitutional Amendment No. 14, to the Assembly Rules Committee

We wish to express our disapproval of the motion whereby the so-called Loyalty Bills were this day re-referred to the Committee on Rules. We are satisfied that the motion was designed to cut off debate on these bills and to cause them to die in

committee. We believe these bills are of such importance to the people of this State, that we, as their representatives should have been recorded on a roll call vote after a full and complete debate thereon.

Request for Unanimous Consent That Remarks by Speaker Be Printed in the Journal

Mr. Doyle asked for, and was granted, unanimous consent that the remarks of Speaker Sam L. Collins, relative to Senate Bill No. 132, be reduced to writing, and ordered printed in the Journal in 10-point type.

REMARKS BY SPEAKER SAM L. COLLINS RELATIVE TO SENATE BILL NO. 132

We are in the midst of celebrating the Centennial, the Golden Jubilee of the beginning, the birth, the advance, and the progress of the State of the Golden West. A hundred years has seen California develop from the rowdyism and rough and tumble Days of '49, (1849) to the present development of 1949—through the Governors of Pio Pico and Pacheco, and on down through the line of renowned Governors down to and including our inimitable and illustrious Governor Earl Warren.

Why do I say these things? Well, because the oath of office that was taken by the Governors and by the Members of the Assembly and the Senate, and by all the public officials throughout the history of the State of California has been substantially in the words, "I do solemnly swear that I will support the Constitution of the United States and the Constitution of the State of California, and perform the duties of the office to which I am elected to the best of my ability."

When you repeat that oath and you contemplate it, those illustrious men that I have enumerated standing with their right hands raised before God and repeating the oath that I have just recited, don't you thrill? Doesn't your pulse quicken? Doesn't your heart swell with pride that you are an American, and that you have taken that oath to support the Constitution of the United States of America and the Constitution of the State of California? The word "support" is all inclusive. To stand and support means as Atlas stood with the world upon his shoulders to support it. You can't support it and step aside and let it fall asunder. When you said that you were supporting it, there was no mental reservation. There was no equivocation in your heart. You meant just what you said, and so these men before you meant just what they said. When you thrill to a classic such as this oath or you recall those words that were spoken when Old Ironsides was to be demolished, "Aye, tear her tattered ensign down. Long has it waved on high." Another one of the classics that you were taught in school that makes you thrill at the thought of America and swell with pride that you, too, have played a part in the growth and development of California and of America. Ah, you remember too, "Breathes there a man with soul so dead that never to himself hath said: 'This is my own, my native land'."

Friends, you are dealing in classics—the classics of your childhood and the classics of your growth from childhood to manhood and your growth from child to the stature of a man in the support of the Constitution. Not only in public office but on the battlefields. What are we asked

to do now? We are asked to substitute for the classics. Words such as these, "to defend it against all enemies, foreign and domestic." If you are supporting it, whom do you support it against? These meaningless phrases add nothing—could add nothing—to the solemnity of the oath that has been taken throughout the years. "I'll bear true faith and allegiance to the same." To the same what? To the same enemies, foreign and domestic? They would write confusion into the Constitution, ambiguity into the law. That's what they want to do. "That I am not now a member secretly or openly." What's all that have to do with the oath of your office? All the recitation in there has nothing to do with your oath of office but a negative allegation of the fact that you have no mental reservation or equivocation in your heart concerning your oath of office. We hired someone to tell us of the presence of our enemy, to keep our house in order, and they have mistook their mission. They now try to rewrite the classics. Probably, their next endeavor will be to rewrite the Star Spangled Banner. It would be just as pretentious on their part and just as presumptive on their part as to rewrite this classic that through the ages has stood the test. They would substitute this mumble jumble of words for this classic oath that has meant so much and proved its worth throughout the years. When you substitute this mumble jumble of meaningless phrases, words, period, commas, colons, etc., you accomplish naught. Naught except the tinkling of cymbals and the sounding of brass.

By Mr. Stewart:

House Resolution No. 284

Relating to a study of problems of air pollution

WHEREAS, The problems of air pollution resulting from industrial operations and other causes are a vital concern in many areas of the State; and

WHEREAS, Air pollution in many instances constitutes an imminent hazard to health, cripples industry, and results in the depreciation of the value of property; and

WHEREAS, Since the correction of conditions of water pollution caused by disposal of industrial wastes often result in the pollution of air, the problems of air pollution can not be divorced from those of water pollution; and

WHEREAS, An exhaustive study of conditions of water pollution must necessarily include a study of all matters related to air pollution; now, therefore, be it

Resolved by the Assembly of the State of California, That the Assembly Interim Committee on Water Pollution be requested to include problems of air pollution in its studies and investigations; and be it further

Resolved, That the Chief Clerk of the Assembly is directed to transmit a copy of this resolution to the Chairman of the Assembly Interim Committee on Water Pollution.

Resolution read, and ordered referred to the Committee on Rules.

By Messrs. Davis, Geddes, and Hoffman:

House Resolution No. 285

Relative to the creation of the Assembly Interim Committee on Fairs and Expositions

Resolved by the Assembly of the State of California, As follows:

1. The Assembly Interim Committee on Fairs and Expositions is hereby created and authorized and directed to ascertain, study, and analyze all facts relating or in anywise appertaining to fairs and expositions, the allocation of state moneys thereto, the advisability of establishing additional agricultural fairs or other expositions or exhibitions, and all facts relating to the feasibility and desirability of the purchase by the State of the interests of the City of Los Angeles and the County of Los Angeles in the Coliseum and Coliseum Park in Los Angeles, including but not limited to the operation, effect, administration, enforcement and needed revision of any and all laws in any way bearing upon or relating to the subject of this resolution, and to report thereon to the Assembly, including in the reports its recommendations for appropriate legislation.

2. The committee shall consist of five Members of the Assembly appointed by the Speaker thereof. The chairman shall be appointed by the Speaker. Vacancies occurring in the membership of the committee shall be filled by the appointing power.

3. The committee is authorized to act during this session of the Legislature, including any recess, and after final adjournment until the commencement of the 1951 Regular Session, with authority to file its final report not later than the thirtieth legislative day of that session.

4 The committee and its members shall have and exercise all of the rights, duties and powers conferred upon investigating committees and their members by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to this committee and its members.

5. The committee has the following additional powers and duties:

(a) To select a vice chairman from its membership.

(b) To contract with such other agencies, public or private, as it deems necessary for the rendition and affording of such services, facilities, studies and reports to the committee as will best assist it to carry out the purposes for which it is created.

(c) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of this resolution and to direct the sheriff of any county to serve subpenas, orders and other process issued by the committee.

(d) To confer with the Department of Finance with respect to the allocation of money to the various fairs and to state agencies which receive money from the Fair and Exposition Fund.

(e) To report its findings and recommendations to the Legislature and to the people from time to time and at any time, not later than herein provided.

(f) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of this resolution.

6 The sum of five thousand dollars ($5,000) or so much thereof as may be necessary is hereby made available from the Contingent Fund of the Assembly for the expenses of the committee and its members and for any charges, expenses or claims it may incur under this resolution, to be paid from the said Contingent Fund and disbursed, after certification by the chairman of the committee, upon warrants drawn by the State Controller upon the State Treasurer.

Resolution read, and ordered referred to the Committee on Rules.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

Infinite Presence: May we rise in thought for a moment into that mysterious world beyond the visible and tangible about us.

The world of mystery—the mystery of the Heavenly realms in which Thou and all the holy presences and the saints in glory dwell.

"Beyond the spectrum's violet bar other spheres there are,
And realms that touch us not, voyaging afar."

The mystery of Thy spirit, omniscient and omnipresent, where the morning stars sing together, and yet the light of our minds and the love of our hearts.

"Lord of all being throned afar, Thy glory streams from star to star
Centre and soul of every sphere, yet to each human heart how near."—AMEN.

Senate Bill No. 61—An act to add Article 5, comprising Section 9126, to Chapter 1, Part 1, Division 2, Title 2 of the Government Code, providing for the establishment of special accounts for certain appropriations for expenses of the Legislature.

Bill read second time.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Rules:

Amendment No. 1

In the title of the printed bill, as amended in the Assembly on April 26, 1949, strike out lines 3 to 10, inclusive, and insert

"An act to amend Section 9744 of, to add Section 9704 to, to add Article 5 to Chapter 1, Part 1, Division 2, Title 2, of, and to repeal Sections 9027, 9028, 9029, and 9030 of, the Government Code, relating to the Legislature and the administration of the Senate and Assembly, creating special funds in the Treasury, providing for the administration and disbursement of the funds available for the contingent expenses of the two houses and for legislative printing, and making an appropriation."

Amendment No. 2

On page 1, line 4, of said bill, strike out "Accounts", and insert "Funds and Administration".

Amendment No. 3

On page 1 of said bill, strike out lines 6 to 18, inclusive; and on page 2, strike out lines 1 to 6, inclusive, and insert

"9126. Unless specifically exempted from this section, all appropriations for contingent expenses of the Senate and legislative committees thereof, including appropriations previously made which have not reverted to the General Fund, shall be deposited in and credited to the Senate Contingent Fund, which fund is created in the State Treasury. The money in the fund shall be available for the expenses of the Senate and legislative committees thereof, and shall be disbursed under or pursuant to the direction of the Senate as provided in the Rules, orders, and resolutions of the Senate, or as provided by the Senate Committee on Rules (which committee has a continuing

existence during sessions and between sessions with such powers, duties and responsibilities as the Senate from time to time shall prescribe) as and when thereunto authorized by the Senate. The money in the fund shall be disbursed, pursuant to the powers, duties and responsibilities of the Senate Committee on Rules as provided by the Rules, orders and resolutions adopted by the Senate at the 1949 Regular Session unless modified or superseded by Senate action at a subsequent session.

9127. Unless specifically exempted from this section, all appropriations for contingent expenses of the Assembly and legislative committees thereof, including appropriations previously made which have not reverted to the General Fund, shall be deposited in and credited to the Assembly Contingent Fund, which fund is created in the State Treasury. The money in the fund shall be available for the expenses of the Assembly and legislative committees thereof and shall be disbursed under or pursuant to the direction of the Assembly as provided in the Rules, orders, and resolutions of the Assembly, or as provided by the Assembly Legislative Process Committee as and when thereunto authorized by the Assembly

9128. Unless specifically exempted from this section, all appropriations for legislative printing, including appropriations previously made which have not reverted to the General Fund, shall be deposited in and credited to the Legislative Printing Fund, which fund is created in the State Treasury The money in the fund shall be available for legislative printing and shall be disbursed under or pursuant to the direction of the Senate or Assembly as provided in the Rules, orders, and resolutions of the Senate or Assembly or their Joint Rules and resolutions

9129. Appropriations deposited in and credited to the Senate Contingent Fund, the Assembly Contingent Fund, and the Legislative Printing Fund shall be continuously available without regard to fiscal years, except that appropriations made at budget sessions and at extraordinary or special sessions for the expenses of said sessions shall be maintained as special accounts within the particular funds and shall be available for expenditure for such purpose for a period of one year after the date upon which the appropriation first becomes available for expenditure, and the unexpended balance of any such appropriation shall revert to the fund from which the appropriation was made upon the expiration of one year following the last day of the period of its availability.

9130. Expenditures from the Senate Contingent Fund, the Assembly Contingent Fund, and the Legislative Printing Fund are not subject to the provisions of Sections 16003 or 13320 of this code, except that the State Controller is not required to draw warrants thereon until the original claims and vouchers, itemized and properly sworn to, are filed with him."

Amendment No. 4

On page 2, line 18, of said bill, strike out "Account provided for in Section 9126", and insert "Fund established by Section 9128".

Amendment No. 5

On page 2 of said bill, after line 20, insert

"SEC. 4. Sections 9027, 9028, 9029, and 9030 of said code are repealed."

Amendments read, and adopted.

Bill ordered reprinted, and to third reading.

REQUEST FOR UNANIMOUS CONSENT THAT BILLS ON SECOND READING FILE BE DEEMED READ

Mr. Hollibaugh asked for, and was granted, unanimous consent that the remaining bills on the Senate second reading file, with proposed committee amendments, be deemed read, and that the proposed committee amendments be deemed unanimously adopted.

CONSIDERATION OF DAILY FILE (RESUMED)
SECOND READING OF SENATE BILLS (RESUMED)

Amendment No. 2

In lines 2 and 3 of the title of said bill, strike out "definition of public agencies authorized to become local members of the State Employees' Retirement System.", and insert "membership of county employees' retirement systems."

PRINTER'S NOTE—There being no 7-point strikeout type available, the material which should appear in strikeout type in the following amendment is indicated by being enclosed within brackets.

Amendment No. 3

On page 1 of said bill, strike out line 1, and insert

"SECTION 1. Section 31460 of the Government Code is amended to read:

31460. *(a)* "Compensation" means the remuneration paid in cash out of county or district funds controlled by the board of supervisors plus the monetary value, as determined by the board, of board, lodging, fuel, laundry, and other advantages furnished to a member in payment for his services.

(b) In respect to employees of districts as defined in subdivision (c) of Section 31468, "compensation" means the remuneration paid in cash out of funds of the district plus the monetary value, as determined by the board, of board, lodging, fuel, laundry, and other advantages furnished to a member in payment for his services.

SEC. 2. Section 31468 of said code is amended to read:

31468 (a) "District" means a district, other than school district, formed under the laws of the State, and required by law to deposit its funds in the county treasury.

(b) "District" also includes any institution operated by two or more counties, in one of which there has been adopted an ordinance placing this chapter in operation.

(c) "District" also includes any organization or association authorized by Chapter 26, Statutes of 1935, as amended by Chapter 30, Statutes of 1941, or by Section 50024 of this code, which organization or association is maintained and supported entirely from funds derived from counties, and the board of any retirement system is authorized to receive the officers and employees of such organization or association into the retirement system managed by the board.

SEC. 3. Section 31469 of said code is amended to read:

31469. (a) "Employee" means any officer or other person employed by a county whose compensation is fixed by the board of supervisors or by statute and whose compensation is paid by the county, and includes any officer or other person employed by any district within the county whose compensation is fixed by the board of supervisors or by the board in ex officio capacity and whose compensation is paid from the funds of the district.

(b) "Employee" includes any officer or other person employed by a district defined in subdivision (b) of Section 31468 and whose compensation is paid from the funds of the district.

(c) "Employee" includes any officer or attache of any superior court or municipal court which has been brought within the operation of this chapter.

(d) "Employee" includes any officer or other person employed by a district as defined in subdivision (c) of Section 31468 and whose compensation is paid from funds of the district.

SEC. 4. Section 31502 of said code is amended to read:

31502. This chapter may be made effective by a resolution adopted by a majority of the governing board or committee of any institution operated by two or more counties, *or by a majority of the governing board or committee of any district as defined in subdivision (c) of Section 31468,* if one of the counties involved in the operation of the institution has adopted its provisions [.] *, or, in the case of a district as defined in subdivision (c) of Section 31468, if one of the counties comprising the organization or association has adopted its provisions.* Upon the adoption of the resolution the employees of the institution shall become members of the retirement system of the county designated by the governing board or committee of the institution, and all contributions made by the employees and by the institution shall be paid into the county retirement system of the county selected. The governing board or committee shall cause to be paid the county operating the retirement system, the institution's proportionate share of the cost of operation of the system."

Amendment No. 4

On page 1 of said bill, strike out lines 2 to 18, inclusive.

Amendments read, and adopted.
Bill ordered reprinted, and to third reading.

Senate Bill No. 1323—An act to amend Section 20361 of the Government Code, relating to exclusions from membership in the State Employees' Retirement System.

Senate Bill No. 850—An act to add Chapter 1.6 to Division 3 of the Education Code, providing for school district public works, declaring the urgency thereof, to take effect immediately.

Bill read second time.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Education:

Amendment No. 1

On page 1 of the printed bill, as amended in the Senate on June 20, 1949, strike out line 6, and insert

"5041. The Legislature hereby declares that it is in the interest of the State and of the people thereof for the State to aid school districts of the State in providing necessary and adequate school sites and buildings for the pupils of the public school system, such system being a matter of general concern inasmuch as the education of the children of the State is an obligation and function of the State.

In adopting this act, the Legislature considers that the great need in school construction is for adequate classrooms for the education of the pupils of the Public School System. It is the intent of the Legislature to first satisfy this primary need to the greatest extent possible before providing additional educational facilities, regardless of how desirable such additional facilities may be. To the end that school classrooms may be made available at once and to all school districts in need of such classrooms, provision for other needed school facilities is necessarily subordinated.

5042. As used in this chapter:

(a) "Board" means the State Allocation Board, created by Section 7 of the Construction and Employment Act as amended.

(b) "Director" means the Director of Education,

(c) "Project" means the purposes for which a school district has applied for an apportionment under this chapter,

(d) "Grade level maintained by a district" means (1) the kindergarten, if any, and grades 1 to 6, or grades 1 to 8, inclusive, maintained by an elementary school district or a unified school district; or (2) grades 7 to 12, grades 9 to 12, inclusive, or grades 7 to 10, inclusive, maintained by a high school district or unified school district; and (3) grades 13 and 14 maintained by a high school district, unified school district, or junior college district, but not more than one grade level shall be claimed by any district under any one of the subdivisions of this paragraph,

(e) "Apportionment" means an apportionment made under this chapter unless the context otherwise requires.

5043. The Director of Finance shall administer this chapter and shall provide such assistance to the board as it may require.

5044. The State Allocation Board is continued in existence for the purposes of this chapter. The members of the board and the Members of the Legislature meeting with the board in an advisory capacity shall receive no compensation for their services under this chapter but shall be reimbursed for their actual and necessary expenses incurred in connection with the performance of their duties hereunder, to be paid out of the Public School Building Loan Fund.

5045. In addition to such other powers and duties as are granted the board by this chapter, the board shall (1) establish such qualifications not in conflict with other provisions of this chapter as it deems will best serve the purposes of this chapter for determining the eligibility of school districts to apportionments of funds under this

chapter; (2) establish such procedures and policies in connection with the administration of, and the expenditure of funds made available for the purpose of, this chapter as it deems necessary and which are not in conflict with the powers and duties of the Department of Education or of the director granted or imposed by this chapter; and (3) adopt such rules and regulations for the administration of this chapter, requiring such procedure, forms, and information, as it may deem necessary.

5046. Apportionments from the Public School Building Loan Fund to school districts shall be made in the manner and subject to the conditions herein provided and in accordance with policies adopted by the board, for the following purposes: (a) the purchase and improvement of school sites which have been approved by the State Department of Education; (b) the purchase of built-in or fixed equipment, except desks, as listed in Part III of the California School Accounting Manual contained in the Bulletin of the California State Department of Education, Volume XIII, No. 2, June 1944 or as amended or revised; and (c) the planning and construction, reconstruction, alteration of, and addition to, school buildings for such facilities as are approved by the Department of Education as essential, all of which purposes are hereby declared to be, and are, public works.

5047. In making application for, and in expending, apportionments of funds under this chapter, a school district acts as an agent of the State and all sites purchased and improved, all equipment purchased, and all buildings constructed, reconstructed, altered, or added to through the expenditure of funds apportioned under this chapter, are declared to be, and are, the property of the State. Upon the payment by the district of the amounts required to be paid by it to the State under this chapter, the board shall, in the name of the State, convey such property to the district.

5047.5. A school district shall not expend money apportioned under this chapter unless the contracts under which the funds are expended have been let after competitive bids thereafter pursuant to this code.

5048. Each school district which desires an apportionment for a grade level maintained by it, shall submit through its governing board to the board an application therefor in such form and number of copies as the board shall prescribe. Each copy of the application shall be accompanied by a statement of the estimated cost of the project certified by an architect or structural engineer, and by layout plans showing the entire project for which the district desires an apportionment Estimates of cost for new construction appearing in an application shall not exceed typical current costs of comparable new construction by school districts in the same area not receiving or not eligible for apportionment under this chapter, as determined by the Director of Finance, or if there has been no new construction by school districts in the area, the estimates of cost shall not exceed the reasonable current cost of similar construction in the area as determined by the Director of Finance. Immediately upon receipt of an application in the prescribed form accompanied by the required estimate of cost, a copy thereof shall be transmitted by the board to the director and to the Director of Finance.

A school district may at any time amend or supplement its application.

The Director of Finance shall determine the school district's financial ability to meet all or a portion of the cost of the project and the amount which the school district can contribute toward the cost of the project out of its available funds, and shall submit his report thereon to the board.

The director shall as promptly as possible prepare a report and recommendation with respect to the application and refer the application, report, and recommendation to the Director of Finance, who shall, if he finds said documents to be in proper form and otherwise sufficient, refer them to the board If the Director of Finance finds said documents to be lacking in any respect as to any matter which is subject to the jurisdiction or approval of the director or Department of Education, he shall refer them to the director who shall take such action as may be necessary The board shall, subject to the provisions of this chapter approve or reject each application referred to it by the Director of Finance It the board approves of the application, either in whole or in part, it shall, by a resolution adopted by it, apportion to the district from the Public School Building Loan Fund the amount applied for, or such portion thereof as the board may deem appropriate This shall be known as a conditional apportionment and shall become final only if the vote provided for in Section 5050 is favorable and if bonds are authorized and sold in the amounts prescribed by the board, and the proceeds of the bonds sold earmarked for the project as approved The conditional apportionment shall remain effective for a period of nine months from the date of said resolution of the board, and if it does not become a final apportionment by that date, it shall become void and the money so apportioned shall become again available for apportionment pursuant to this chapter.

5049. No apportionment shall be made for new construction which when added to the area of adequate school construction existing in the applicant school district at the time of application, will provide a total area of school building construction per

pupil of the estimated enrollment in excess of that computed under the following schedule:

Type of school	*Enrollment*	*Sq. ft. per pupil*
Elementary school comprising kindergarten and grades 1 to 6, inclusive	300 or more	55
Elementary school comprising grades 7 and 8	750 or more	75
Junior high school comprising grades 7 to 9, inclusive	750 or more	75
Junior high school comprising grades 7 to 10, inclusive	750 or more	75
High school comprising grades 7 to 12, inclusive	750 or more	80
High school comprising grades 9 to 12, inclusive	750 or more	80
High school comprising grades 10 to 12, inclusive	750 or more	80
Junior college comprising grades 13 and 14	750 or more	80
Junior college comprising grades 11 to 14, inclusive	750 or more	80

The maximum total building areas per pupil allowed to applicants having schools with smaller estimated enrollments than shown in the above schedule shall be determined by the Department of Education, and shall be building areas to provide comparable facilities to those enumerated above, and shall be the least building area required to house adequately the estimated enrollment and the normal instructional and other services.

No estimate of enrollment made by an applicant for the purpose of justifying an apportionment shall be made for a longer time than the second fiscal year beyond the fiscal year in which an application is made, and in no case shall be given effect unless approved by the Department of Education.

5050. No apportionment to a school district shall become final unless: (a) the total amount of bonds of the district exceeds ninety-five percent (95%) of the total amount of the bonds of the district permitted by the Education Code, or any law, to be issued, or (b) if the total amount of the bonds of the district outstanding and unpaid is less than ninety-five percent (95%) of the amount of the bonds permitted to be issued by the district, the amount of district bonds outstanding is within ten thousand dollars ($10,000) of the total bond limit permitted. At the time the board makes a conditional apportionment pursuant to Section 5048, it shall determine the amount of bonds required to be issued and sold by the district, the proceeds of which shall be applied to the cost of the project for which the apportionment is sought, and shall make such apportionment conditioned upon the approval and sale of such bonds by the district.

No apportionment to a school district shall become final unless, at an election called by the governing board of the district, two-thirds of the qualified electors of the district voting thereat have authorized the governing board of the district to accept, expend, and repay, as provided in this chapter, an apportionment under the provisions of this chapter. Such election shall be combined with and held at the same time as the bond election to authorize the amount of bonds required by the board, if any, and shall be called, held, and conducted in the same manner as are elections to authorize the issuance of school district bonds, except that the ballot, in addition to the bond proposition, shall contain substantially the following words:

"Shall the governing board of the _____ school district be authorized to accept and expend an apportionment in an amount not to exceed $_____ from the State of California under and subject to the provisions of Chapter 1.6 of Division 3 of the Education Code which amount is subject to repayment as provided by said chapter? Yes_____ No _____."

5050.1 Immediately after the result of the election has been determined, the county superintendent of schools shall make a certificate in duplicate stating whether the bonds have been authorized in the amount prescribed by the board and whether the school district has authorized the acceptance and expenditure of the apportionment. One copy of the certificate shall be sent to the board and one copy to the State Controller. When the bonds authorized have been issued and sold and the proceeds thereof made available for the purposes of the application, the county superintendent of schools shall also certify this fact to the board and the State Controller. Upon the receipt by the board of the certificate stating that the bonds have been issued and sold and the proceeds thereof made available for the purposes of the application, the apportionment shall become final.

5051. No apportionment shall be made to a school district for any grade level if the estimated cost of the project, as approved by the Director of Finance, is (1) an amount which would result in an apportionment to the district exceeding the amount authorized at the district election held under Section 5050, or (2) is an amount which if raised by the issuance and sale of bonds of the district running for 25 years bearing the current going rate of interest as determined by the board and the principal of which is payable in 25 equal annual payments, would require the levy of a tax under Section 7516 upon property in the district which would, when added to the tax actually being levied upon property in the district for the grade level as determined by the Director of Finance under said section, amount to less than thirty cents ($0.30) on each one hundred dollars ($100) of assessed valuation of property in the district during the next fiscal year.

At the time the board makes an apportionment, it shall, with the approval of the Director of Finance fix the interest to be paid by the district on the sum apportioned to it at a rate equal to the effective rate paid by the State upon the bonds sold from the proceeds of which the apportionment is made, giving effect to the price at which the bonds are sold and the premium, if any, paid thereon, adjusted to the next highest one-eighth of 1 percent, to cover the costs of sale and issuance of the bonds and costs of administration, to be compounded annually on the first day of January of each year.

5052. No apportionment shall be made to a district for the construction, reconstruction, or alteration of, or addition to, school buildings if the requirements prescribed by this code for the construction of school buildings are not met by the plans for the entire building program of the district in connection with which the district applied for an apportionment or for any project or part thereof which has not been approved by the Department of Education.

5053. Each district to which an apportionment has been made under this chapter shall repay the principal amount of such apportionment and the accrued interest thereon in the amount and in the manner hereinafter provided in this chapter.

5054. On or before the first day of January of each fiscal year, the State Controller shall compute for each grade level of a district for which an apportionment has been made during any preceding fiscal year the amount that would be produced by a tax of thirty cents ($0.30) on each one hundred dollars ($100) of assessed valuation for the current fiscal year within the district. Such amount is designated as the "first computation."

5055. On or before the first day of December preceding the first day of January of each fiscal year, the Director of Finance shall determine and certify to the State Controller the amount raised and to be raised by the district during the current fiscal year for the payment of principal and interest on that portion of the bonded indebtedness of the district that was incurred for each such grade level prior to the making of the apportionment referred to in Section 5054, which amount is designated as the "second computation." The Director of Finance shall determine the amount of the bonded indebtedness that was incurred by the district for each grade level, when bonds were issued and sold for purposes of more than one grade level.

5056. On or before the first day of December preceding the first day of January of each fiscal year, the Director of Finance shall determine and certify to the State Controller for each grade level the amount that was or will be produced by the rate of tax levied under Section 7516 of this code, but not exceeding the first ten cents ($0.10) thereof, that is required to pay during the current fiscal year the principal and interest on that portion of the bonded indebtedness of the district that was incurred for each such grade level prior to the making of the apportionment referred to in Section 5054, which amount is designated as the "third computation."

5057. On or before the first day of January of each fiscal year, the State Controller shall compute the "annual" repayment, if any, due from each district during the next succeeding fiscal year as herein provided. If, for any grade level of a district, the amount, if any, by which the second computation exceeds the third computation is greater than the first computation, the amount of such excess, herein called a "negative difference," shall be disregarded, and no reimbursement shall be due the State from such district with respect to such grade level during the next succeeding fiscal year. If, for any grade level of a district, the amount of the first computation is greater than the amount, if any, by which the second computation exceeds the third computation, the amount of such excess, herein called a "positive difference," shall constitute the amount of reimbursement due the State from such district with respect to such grade level during the next succeeding fiscal year. The sum of the "positive differences" so computed for all grade levels having a "positive difference" within each district is herein designated as the "annual repayment" of such district.

5058. The State Controller shall, during the next fiscal year following that in which he determines the annual repayment as herein provided, deduct the total amount of the annual repayment of each district in equal amounts from each installment of the apportionments made to such district from the State School Fund under Chapter 15 of this division; and, on order of the State Controller, the amount so deducted shall be transferred to the State General Fund.

5059. The State Controller shall make the deduction provided by Section 5058 during each fiscal year, as herein provided, until the principal amount of the apportionment made to the district for such grade level, and all accrued interest due thereon, has been withheld; but no interest shall accrue or become due and payable to the State with respect to the principal amount of any such apportionment after the expiration of 25 years from the first day of January of the fiscal year next succeeding the date of the warrant issued by the State Controller covering the payment to the county treasurer of the original amount of such apportionment. At the expiration of 30 years from the first day of January of the fiscal year next succeeding the date of the warrant issued by the State Controller covering the payment to the county treasurer of the original amount of such apportionment, any unpaid balance of the principal amount of any such apportionment, including all interest included in such principal amount, shall be canceled on the books of the State Controller, and the State shall have no further right to the repayment of such unpaid balance.

5060. The State Controller shall certify to the board the cancellation of the unpaid balance of the principal amount of such apportionment; and upon receipt of such certification, the board shall, in the name of the State, convey to the district all sites purchased and improved, all equipment purchased, and all buildings constructed, reconstructed, altered, or added to, from moneys provided by the apportionment covered by such cancellation.

5061. The State Controller shall determine and maintain a record of the amount due the State in connection with each apportionment made to each grade level of a district under the provisions of this chapter. He shall compute interest on the original amount of the apportionment at the rate fixed by the board, from the date of issuance of the State Controller's warrant covering the payment to the county treasurer of the original amount of the apportionment until the first day of January of the fiscal year next succeeding that in which the warrant was issued. Thereafter, interest shall accrue to and be compounded as a part of the principal amount due the State pursuant to such apportionment, on the first day of the following January of each year, until the principal and interest have been paid, or until the interest ceases to accrue, as provided in this chapter. No interest shall accrue on the principal amount of any apportionment because of the withholding of the annual repayment from apportionments made to school districts from the State School Fund on dates subsequent to the first day of January of the year in which the computation of the annual repayment is determined.

5062. Upon computing in any fiscal year the amount to be deducted from the apportionments to the district from the State School Fund during the succeeding fiscal year, the State Controller shall notify the governing board of the district of the amount to be deducted

5063. The maximum tax rate fixed by Section 6357 or authorized by Section 6358 for any district which under this chapter will have moneys withheld by the State Controller from the apportionments to be made to it from the State School Fund during any fiscal year is hereby increased, for such fiscal year, by such amount as will produce an amount equal to that to be deducted by the State Controller during the fiscal year from apportionments made to the district from the State School Fund.

5064. The board shall prescribe in such detail as it deems necessary, the purposes for which moneys apportioned by it to a school district under this chapter may be expended and such prescription shall be binding upon the governing board of such district except as it may be, for good cause, modified by the board

5065. Unless the board has received the certificates of the county superintendent of schools required by Section 5050.1 within nine months from the date of the conditional apportionment, it shall, at the expiration of said nine months' period, void said conditional apportionment and shall certify this fact to the State Controller. Each final apportionment made by the board under this chapter shall be certified by it to the State Controller who shall thereupon draw his warrant on the State Treasurer in favor of the county treasurer of the county having jurisdiction over the district. The warrant shall be exempt from the provisions of Division 4 of Title 2 of the Government Code and shall be paid by the State Treasurer from the Public School Building Loan Fund.

5066. A public school building fund is hereby created in the county treasury in each county for each school district in such county. The county treasurer of each county shall pay into the public school building fund of each school district, exactly as apportioned by the board, all moneys received by him under this chapter with respect to each such school district.

5067. A fund in the State Treasury is hereby created, to be known as the Public School Building Loan Fund. All money in the Public School Building Loan Fund, including any money deposited in said fund from any source whatsoever after the effective date of this chapter, is hereby continuously appropriated without regard to fiscal years for expenditure pursuant to apportionments made under the provisions of this chapter.

5068. The governing board of each school district to which an apportionment has been made under this chapter shall expend the moneys in the Public School Building Fund of the school district exactly as apportioned by the board and only for the purposes for which said moneys were apportioned to the district, and for no other purpose, and shall make such reports relating to the expenditure of such moneys as the board and the State Controller shall require.

5069. A complete detailed report of expenditure of funds allocated pursuant to this chapter shall be made by the board annually to the Legislature. The report shall contain a detailed statement of facilities provided, type of construction, square footage provided and all other items which will enable the Legislature fully to understand the nature of the construction performed by the school districts.

5070. It shall be the duty of the State Controller to make such audit or audits of the books and records of counties and school districts receiving apportionments under this chapter, as he may deem necessary from time to time, for the purpose of determining that the money received by school districts as apportionments hereunder has been expended for the purposes and under the conditions authorized by this chapter.

5071. Whenever the State Controller determines that any money apportioned to a school district has been expended by such school district for purposes not authorized by this chapter, or exceeds the final cost of the project which is authorized by this

chapter to be paid therefrom, the State Controller shall furnish written notice to the board, the governing board of the school district, the county superintendent of schools, the county auditor, and the county treasurer of the county whose county superintendent of schools has jurisdiction over the school district, directing the school district and the county treasurer to pay into the State Treasury, at the time of the next county settlement following receipt of such notice, the amount of such unauthorized expenditures, or the amount of such excess apportionment, as the case may be. Upon receipt of such notice, such governing board shall, at the time specified herein, order the county treasurer to pay to the State Treasurer, out of any moneys in the county treasury available to the school district for that purpose, the amount set forth in such notice. Such amount shall, upon order of the State Controller, be deposited in the State Treasury to the credit of the Public School Building Loan Fund.

It shall be the duty of such governing body and county treasurer to make the payments to the State Treasurer as provided in this section, and it shall be the duty of the State Controller to enforce such collection on behalf of the State.

5072. An apportionment paid to a school district under this chapter shall be available for expenditure by its governing board for three years after the date on which the warrant covering the apportionment was issued by the State Controller. For the purposes of this chapter, an apportionment shall be deemed to be expended at the time and to the extent that the amount thereof on deposit in the county treasury has been encumbered by the creation of a valid obligation on the part of the school district. Upon the expiration of its period of availability, the unencumbered balance of any apportionment made under this chapter shall become due and payable to the State of California; and the governing board of the school district and the county treasurer shall, at the time of the next county settlement following the expiration of such period of availability, pay the amount of such unencumbered balance to the State Treasurer, out of the funds, and in the manner specified in Section 5071 of this code. Such payment shall, on order of the State Controller, be deposited in the Public School Building Loan Fund in the State Treasury.

It shall be the duty of such governing body and county treasurer to make the payments to the State Treasurer as provided in this section, and it shall be the duty of the State Controller to enforce such collection on behalf of the State.

5073. Whenever a school district receives an apportionment under this chapter for the purchase or improvement of a school building site and within a period of three years after the date on which the warrant covering the apportionment was drawn on the State Treasurer from the Public School Building Loan Fund, sells or otherwise disposes of such site or the improvements thereon, or any portion thereof, purchased or improved in whole or in part from such apportionment, or within said period of three years does not begin to use such site or the improvements thereon for the purpose or purposes for which such apportionment was made, the board shall demand the return by the school district of the total amount apportioned to and received by the school district for such purpose or purposes or, in the case of a sale of a portion of such site or the improvements thereon, a proportionate share of such apportionment, taking into consideration any improvement of the site from such apportionment. Written notice of such demand, setting forth the amount due the State pursuant thereto, shall be furnished by the board to the governing board of the school district, the county superintendent of schools, the county auditor, the county treasurer of the county whose county has jurisdiction over the school district, and the State Controller Upon receipt of such notice and demand, the governing board of the school district shall, at the time of the next county settlement following receipt of such notice, order the county treasurer to pay to the State Treasurer, out of any moneys in the county treasury available to the school district for that purpose, the amount set forth in such notice. Such amount shall, upon order of the State Controller, be deposited in the State Treasury to the credit of the Public School Building Loan Fund.

It shall be the duty of such governing body and county treasurer to make the payments to the State Treasurer as provided in this section, and it shall be the duty of the State Controller to enforce such collection on behalf of the State.

SEC. 2. This act is hereby declared to be an urgency measure necessary for the immediate preservation of the public peace, health, and safety within the meaning of Section 1 of Article IV of the Constitution and shall therefore go into immediate effect. A statement of the facts constituting such necessity is as follows:

There are hundreds of impoverished school districts in California that do not have the financial means to provide either suitable buildings or adequate instruction. Many of these districts and other districts have had tremendous population increases as well as a disproportionate increase in the number of children of kindergarten and grammar school age. The children living in those districts are being denied their birthright of a good education. There must be equalization of educational opportunities by helping the poorer districts to render more adequate service to the children upon whom the future of the State depends. They are our future citizens, and it is clearly our duty to give them every opportunity to become useful and happy people. The need is great, and the State is under a direct obligation.

In order that the benefits arising from this measure may inure to the children of the State at the earliest possible time, it is necessary that this act take effect immediately."

Amendment No. 2

On page 1 of said bill, strike out lines 7 to 18, inclusive; and strike out pages 2 to 11, inclusive.

Amendments read, and adopted.

Bill ordered reprinted, and to third reading.

Senate Bill No. 1417—An act to add Chapter 1.7 to Division 3 of the Education Code to provide for the preparation, issuance and sale of state bonds to create a fund to provide aid to school districts of the State; defining the powers and duties of state officers in respect to the administration of the provisions hereof; providing ways and means for the payment of the interest of such bonds as such interest falls due, and also for the payment and discharge of the principal of such bonds as such principal matures; and appropriating money for the expense of preparing and of advertising the sale of bonds herein authorized to be issued, and for the administration of this chapter.

Bill read second time.

Consideration of Committee Amendments

The following amendments were proposed by the Committee on Education:

Amendment No. 1

On page 2, lines 8 and 9, of the printed bill, as amended in the Senate on June 10, 1949, strike out "four hundred million dollars ($400,000,000)", and insert "two hundred fifty million dollars ($250,000,000)".

CONSIDERATION OF HOUSE RESOLUTION NO. 266

By Mr. Burke:

House Resolution No. 266

Congratulating Cliff Cooper of Alhambra, California upon his election as President of the United States Junior Chamber of Commerce

WHEREAS, At the conclusion of a whirlwind campaign, which wound up in an unrestrained demonstration of cheering, parading bands, and extended ovations worthy of a major political convention, Cliff Cooper of Alhambra, California, was elected President of the United States Junior Chamber of Commerce on June 11, 1949, at a convention in Colorado Springs; and

WHEREAS, California can well be proud of Alhambra's handsome and youthful candidate, already known as an up and coming industrialist, and who has demonstrated his ability and leadership in winning the election and national recognition for himself, his home community, and his State; now, therefore, be it

Resolved by the Assembly of the State of California, That Cliff Cooper of Alhambra, California, is hereby congratulated upon the successful outcome of the hard fought campaign which elected him President of the United States Junior Chamber of Commerce, and the Members of this Assembly extend to him good wishes for a successful administration; and be it further

Resolved, That the Chief Clerk of this Assembly transmit a copy of this resolution to Cliff Cooper of Alhambra.

Resolution read, and adopted unanimously.

CONSIDERATION OF HOUSE RESOLUTION NO. 272

By Mr. Burke:

House Resolution No. 272

Relative to commending Herbert G. Klein

WHEREAS, Herbert G. Klein has served during 1948-1949 as President of the Alhambra Junior Chamber of Commerce; and

WHEREAS, During Mr. Klein's term of office 27 projects of community development were successfully completed, redounding to the benefit of the people of the City of Alhambra and the San Gabriel Valley; and

WHEREAS, Largely due to the efforts and tireless endeavor of Mr. Klein, the Alhambra Junior Chamber of Commerce succeeded in sponsoring and electing one of its own members, Clifford D. Cooper, as President of the United States Junior Chamber of Commerce at the National Convention of the organization at Colorado Springs, Colorado in June, 1949; and

WHEREAS, Mr. Klein, by his clearness of vision, his principles and outstanding leadership, has contributed in large measure to the civic betterment of the City of Alhambra and the San Gabriel Valley; now, therefore, be it

Resolved by the Assembly of the State of California, That Herbert G. Klein be hereby commended for his career of constructive service; and be it further

Resolved, That the Chief Clerk of the Assembly be directed to transmit to Herbert G. Klein a copy of this resolution.

Resolution read, and adopted unanimously.

CONSIDERATION OF HOUSE RESOLUTION NO. 268

By Messrs. Moss and Fleury:

House Resolution No. 268

Relative to the public service career of Captain Joseph Calvin Beard

WHEREAS, Joseph Calvin Beard entered the state service in 1911 and through the intervening years has well and faithfully performed all duties imposed upon him; and

WHEREAS, By reason of his efficiency he has attained the rank of Captain in the California State Police; and

WHEREAS, His devotion to the service and his neverfailing tact and courtesy in performing the duties of his office have won for him the friendship, admiration and respect of all who came in contact with him, including the Members of the Legislature; and

WHEREAS, Captain Beard's long and distinguished career of public service is about to be terminated by his retirement in August of 1949; now, therefore, be it

Resolved, by the Assembly of the State of California, the Senate thereof concurring, That Captain Beard be congratulated upon his fine career of public service and that he be hereby assured of the best wishes of all members for his continuous good health and prosperity; and be it further

Resolved, That the Chief Clerk of the Assembly is directed to transmit a copy of this resolution to Joseph Calvin Beard.

CONSIDERATION OF HOUSE RESOLUTION NO. 265

By Mr. Weber:

House Resolution No. 265

Relative to the resignation of Chief Deputy Legislative Counsel Clarence H. Langstaff

WHEREAS, Since 1932 Clarence H "Nic" Langstaff has served the State in the capacity of Deputy Legislative Counsel, and has held the position of Chief Deputy Legislative Counsel since July 1, 1936, except for the period from January 1, 1943, to June 17, 1946, during which he served in the United States Navy, where he rose to the rank of Lieutenant Commander, U S.N.R.; and

WHEREAS, During all of his state service the Members of the Legislature have received from Nic Langstaff legal counsel of the highest quality, and constant, courteous, unfailing devotion to the welfare of the State and the interests of the Legislature and its members, and the individual Members of the Legislature have come

to have the greatest confidence in and reliance upon him, and feelings of the warmest friendship for him; and

WHEREAS, In the position of Chief Deputy Legislative Counsel Nic Langstaff has demonstrated not only outstanding legal and administrative ability and effective leadership, but also such kindliness, consideration, and geniality as to win him the admiration and affection of the Members of this Assembly, as well as of his colleagues in the Office of the Legislative Counsel; and

WHEREAS, The Assembly has learned with regret that Nic Langstaff has resigned from the position of Chief Deputy Legislative Counsel, as of June 17, 1949, in order to direct his professional activities into a different legal field in his home County of Los Angeles; now, therefore, be it

Resolved by the Assembly of the State of California, That the Members of the Assembly do hereby express their appreciation of the invaluable services that Clarence H. "Nic" Langstaff has rendered to the State of California and to the Legislature, their confidence that he will continue to further the interests of and serve the people of California, directly or indirectly, in whatever channel his professional activities may be directed, and their very sincere good wishes to him for success in his chosen field. "Well done, Commander!" And be it further

Resolved, That the Chief Clerk of the Assembly is hereby directed to transmit a copy of this resolution to Clarence H. Langstaff, former Chief Deputy Legislative Counsel.

Resolution read, and adopted unanimously.

By Mr. Evans:

House Resolution No. 271

Relating to the completion of exhibits for the Sixth District Agricultural Association

WHEREAS, The Sixth District Agricultural Association of the State of California operates a permanent exposition which operates 363 days per year; and attracts upward of 400,000 visitors per year; and

WHEREAS, Said exposition consists of exhibits depicting the agriculture and industry and other resources and activities of the State; and

WHEREAS, Said exhibits are permanent in nature, in that they are constructed as part of the Exposition Building and stand until torn down and remodeled; and

WHEREAS, Many exhibits now in the exposition have not been remodeled for more than 15 years and hence do not correctly depict and represent their subject matter; and

WHEREAS, Two major exhibits, namely mining and minerals, and water and other natural resources have been under preparation and considerable sums have been expended upon them during the past year; and

WHEREAS, Although they are approximately half completed, funds are lacking to complete them under the operating budget of the Sixth District; and

WHEREAS, There is available to the Director of Finance and the Board of Public Works a certain fund known as the Second Balance of the Fair and Exposition Fund which is specifically allocated for permanent improvements such as the above, on the grounds of district agricultural associations; now, therefore, be it

Resolved by the Assembly of the State of California, That the Director of Finance and the Board of Public Works are hereby requested to make available to the Sixth District Agricultural Association sufficient funds from the Emergency Fund, not to exceed $50,000, in the next two fiscal years, for the completion of these exhibits; and be it further

Resolved, That the Chief Clerk of the Assembly be hereby directed to send copies of this resolution to the Director of Finance and the Board of Public Works.

REQUEST FOR UNANIMOUS CONSENT THAT REMARKS BY MR. TOMLINSON BE PRINTED IN THE JOURNAL

Mr. Maloney asked for, and was granted, unanimous consent that the remarks by Mr. Tomlinson relative to Senate Concurrent Resolution No. 78 be reduced to writing, and ordered printed in the Journal, in 10-point type.

REMARKS BY MR. TOMLINSON RELATIVE TO SENATE CONCURRENT RESOLUTION NO. 78

It is with profound regret and genuine sorrow that I address you this morning to the memory of a former State Legislator and my fellow native townsman.

The passing yesterday of Senator Ed Stow brings to a close the career of a distinguished gentleman and statesman, and it takes away another member of that rapidly diminishing group of native Californians whose zeal, high principle and energetic leadership have contributed so much in making California great.

During his terms of office in the Assembly and Senate, he brought to State Government the many qualities of leadership that had made him universally admired and loved in his own community. As a descendant of families long associated with the growth and development of California, he was thoroughly imbued with the traditions of California. His many accomplishments in behalf of his Country, State, and home community will serve as an everlasting monument to this great man.

We of Santa Barbara who have known Senator Stow all of our lives are deeply grieved at his passing because we have lost a devoted friend and a great leader.

Mr. Speaker, I therefore move you that when this Assembly adjourns today, it adjourn to the memory of Edgar W. Stow.

PRAYER

The following prayer was offered by the Chaplain, Dr. Torrance Phelps:

Almighty God: May we pledge allegiance this morning to Thee, knowing that our political ideals are derived from our religious principles.

From the belief in the dignity and sacredness of every human soul—that man is made in the image and likeness of God—has sprung the belief in the inalienable rights of liberty and self government.

Let us remember that the founders of this Nation solemnly declared, "In God we trust," and that His moral laws are our guide, and that this concept is the guarantee of the survival of the sacred freedoms of this glorious Republic

Let us look around the world and see that the nations without God are without conscience, without mercy, without any moral sense, and bent on the destruction of their decent rivals.

In this great hour, let us pledge allegiance to the God of Our Fathers, whose political purpose for us is symbolized in the Star Spangled Banner.—AMEN

MESSAGES FROM THE GOVERNOR

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO 14, June 27, 1949

To the Assembly of the State of California
Sacramento, California

GENTLEMEN: I am transmitting to you herewith a copy of a message with reference to **Assembly Bill No. 1729,** entitled, "An act to validate the organization boundaries, acts, proceedings, and bonds of public bodies, as herein defined"

This bill, with my message relative thereto, I (through my Legislative Secretary) delivered to S. L. Heisinger, a Member of the Assembly, at 4.20 o'clock p m

on the twenty-fifth day of June, 1949, at which time your honorable body had adjourned for the day but not for the session.

Respectfully submitted,

EARL WARREN, Governor

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO, June 25, 1949

To the Honorable Members of the Assembly
State of California, Sacramento, California

GREETINGS: I am returning herewith, without my signature,

Assembly Bill No. 1729, entitled: "An act to validate the organization, boundaries, acts, proceedings, and bonds of public bodies, as herein defined."

This bill is a general validating act identical with Assembly Bill No. 1730, except for the fact that that bill contains an urgency clause. These bills are acceptable and the only reason for returning them is that the Legislature has also passed Senate Bill No. 314 and Senate Bill No. 315, which likewise are general validating acts.

I am informed by the Legislative Counsel that the Senate bills are more comprehensive than the Assembly bills, and that they will accomplish everything accomplished by the Assembly bills and in addition will validate other actions not comprehended within the terms of the Assembly bills.

For this reason and to avoid the approval of unnecessary bills, I am returning this bill and Assembly Bill No. 1730 without my signature.

Respectfully submitted,

EARL WARREN, Governor

Assembly Bill No. 1729 ordered to unfinished business file.

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO, June 25, 1949

To the Assembly of the State of California
Sacramento, California

GENTLEMEN: I am transmitting to you herewith a copy of a message with reference to **Assembly Bill No. 1730,** entitled, "An act to validate the organization, boundaries, acts, proceedings, and bonds of public bodies, as herein defined, declaring the urgency of this act, to take effect immediately."

This bill, with my message relative thereto, I (through my Legislative Secretary) delivered to S. L. Heisinger, a Member of the Assembly, at 4.20 o'clock p m., on the twenty-fifth day of June, 1949, at which time your honorable body had adjourned for the day but not for the session.

Respectfully submitted,

EARL WARREN, Governor

STATE OF CALIFORNIA, GOVERNOR'S OFFICE
SACRAMENTO, June 25, 1949

To the Honorable Members of the Assembly
State of California, Sacramento, California

GREETINGS: I am returning herewith, without my signature,

Assembly Bill No. 1730, entitled: "An act to validate the organization, boundaries, acts, proceedings, and bonds of public bodies, as herein defined, declaring the urgency of this act, to take effect immediately."

This bill is a general validating act identical with Assembly Bill No. 1729, except for the fact that that bill does not contain an urgency clause. These bills are acceptable and the only reason for returning them is that the Legislature has also passed Senate Bill No. 314 and Senate Bill No. 315, which likewise are general validating acts.

I am informed by the Legislative Counsel that the Senate bills are more comprehensive than the Assembly bills, and that they will accomplish everything accomplished by the Assembly bills and in addition will validate other actions not comprehended within the terms of the Assembly bills.

For this reason and to avoid the approval of unnecessary bills, I am returning this bill and Assembly Bill No. 1729 without my signature.

Respectfully submitted,

EARL WARREN, Governor

Assembly Bill No. 1730 ordered to unfinished business file.
