REPORTS

The following letters of transmittal were presented by the Speaker and ordered printed in the Journal:

California State Auditor

2014-135
May 7, 2015

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor presents this audit report concerning the Magnolia Science Academies (academies), a network of 11 charter schools located throughout the State operated by a charter management organization called the Magnolia Educational and Research Foundation (Foundation). Our report concludes that the Foundation and the academies have improved their financial position, but should strengthen some of their financial controls.

Our review confirmed that some of the academies were insolvent at points during the past three fiscal years, partly because of state funding delays. To help financially struggling academies, the Foundation facilitated loans between academies and did not charge some academies its full management fee. Our review found that the academies that loaned funds were not negatively impacted by this practice and that these loans served a useful purpose by enabling struggling academies to continue to serve their students. As of July 2014 the Foundation and academies had repaid all but one loan—from the Foundation to one of its academies most in need of financial assistance—and all of the academies were solvent under the three financial measures we applied.

Even so, the Foundation must strengthen its financial and management processes. For example, the Foundation could not provide either clear authorization or sufficient support for 52 of the 225 transactions we reviewed. Moreover, the Foundation's reliance on verbal authorization for debit-card purchases may have at least partially led academy principals to make debit-card purchases that could have been made using purchasing mechanisms with better financial controls. We also reviewed a selection of the Foundation's vendor agreements

and questioned its method of payment to one of its primary vendors. The Foundation should also strengthen its process for collecting and reviewing the payroll data it submits to its payroll vendor to ensure the information is accurate. Further, we found that academies did not always follow the Foundation's procedures when holding fundraisers.

In recent years the academies and the Foundation have been the subject of scrutiny by the Los Angeles Unified School District (LAUSD)—the authorizing entity for eight of the 11 academies. In June 2014 LAUSD rescinded its conditional approval of two academies' charter petitions. We found that LAUSD may have acted prematurely as its decision was based on a summary of draft findings that did not provide key context about the financial situations of those academies and it did not provide sufficient time for the Foundation to respond to its criticisms. To ensure its academies remained open, the Foundation took legal action against LAUSD. In March 2015 a settlement agreement between the two parties resolved this litigation and resulted in the renewal of the academies' charters.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Education.

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: In accordance with California Government Code, Section 8546.4, which requires the California State Auditor's Office to annually issue an auditor's report on the State of California's basic financial statements, we have issued an audit opinion on the State of California's basic financial statements for the fiscal year ended June 30, 2014. Our Independent Auditor's Report appears on page 2 of the *Comprehensive Annual Financial Report* for fiscal year 2013–14 located on the California State Controller's Office Web site at <http://www.sco.ca.gov/Files-ARD/CAFR/cafr14web.pdf>.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America.

Respectfully submitted,
