As used in this rule, "meeting" means a gathering of a quorum of the Members of the Assembly or a committee in one place for the purpose of discussing legislative or other official matters within the jurisdiction of the Assembly or committee. As used in this rule, "committee" includes a standing committee, joint committee, conference committee, subcommittee, select committee, special committee, research committee, or any similar body.

(b) Any meeting that is required to be open and public pursuant to this rule, including any closed session held pursuant to subdivision (c), shall be held only after full and timely notice to the public as provided by the Joint Rules of the Assembly and Senate.

(c) The Assembly or a committee thereof may hold a closed session solely for any of the following purposes:

(1) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Assembly.

(2) To consider matters affecting the safety and security of Members of the Legislature or its employees or the safety and security of any buildings and grounds used by the Legislature.

(3) To confer with, or receive advice from, its legal counsel regarding pending or reasonably anticipated, or whether to initiate, litigation when discussion in open session would not protect the interests of the Assembly or committee regarding the litigation.

(d) A caucus of the Members of the Assembly which is composed of members of the same political party may meet in closed session.

(e) A closed session may be held pursuant to paragraph (3) of subdivision (c) under any of the following circumstances:

If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be discussed, unless the presiding officer or chair states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property which the negotiations may concern and the person with whom the negotiations may take place.

(g) The legal counsel for the Assembly or the committee shall prepare and submit to the Assembly or the committee a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is held pursuant to paragraph (1) of subdivision (e), the memorandum shall include the title of or other identification of the litigation. If the closed session is held pursuant to paragraph (2), (3), or (4) of subdivision (e), the memorandum shall set forth the existing facts and circumstances on which the closed session is based. The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the closed session. The memorandum shall be exempt from disclosure under the Legislative Open Records Act (Art. 3.5 (commencing with Sec. 9070), Ch. 1.5, Pt. 1, Div. 2, Title 2, Gov. C.).

(h) For purposes of paragraph (3) of subdivision (c), "litigation" includes any adjudicatory proceeding, including eminent domain,

before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(i) For purposes of this rule, all expressions of the lawyer-client privilege other than those provided in this section are hereby abrogated. This section is the exclusive expression of the lawyer-client privilege for the purposes of conducting closed-session meetings pursuant to this rule.

(j) Disclosure of a memorandum required under this section shall not be deemed a waiver of the lawyer-client privilege provided for under Article 3 (commencing with Section 950) of Chapter 4 of Division 8 of the Evidence Code.

Assembly Investigating Committees

11.5. (a) The standing committees of the Assembly created pursuant to Rule 11, with the exception of the Committee on Rules, are hereby constituted Assembly investigating committees and are authorized and directed to ascertain, study, and analyze all facts relating to any subjects or matters which the Committee on Rules shall assign to them upon request of the Assembly or upon its own initiative.

(b) Each of the Assembly investigating committees shall consist of the members of the standing committee on the same subject as most recently constituted. The chairperson and vice chairperson shall be the chairperson and vice chairperson of the standing committee. Vacancies occurring in the membership of the committee shall be filled by the appointing power. The Speaker may increase or reduce the size of the committees.

(c) Each committee and any subcommittee, and its members, shall have and exercise all the rights, duties and powers conferred upon investigating committees and their members by law and by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to the committee or subcommittee and their members.

(d) In order to prevent duplication and overlapping of studies between the various investigating committees herein created, no committee shall commence the study of any subject or matter not specifically authorized herein or assigned to it unless and until prior written approval thereof has been obtained from the Committee on Rules.

(e) The Committee on Rules shall provide for the expenses of the above committees and their members and for any charges, expenses, or claims they may incur under this resolution, to be paid from the Assembly Operating Fund and disbursed, after certification by the Chairperson of the Committee on Rules or his or her authorized representative, upon warrants drawn by the Controller upon the State Treasury.

Membership of Standing Committees

12. The membership of the several standing committees shall be proportional to the partisan composition of the Assembly, to the extent practicable. Majority party members of each committee shall be recommended to the Speaker for his or her consideration by the majority party in a manner to be determined by the majority party

caucus. Minority party members of each committee shall be recommended to the Speaker for his or her consideration by the minority party in a manner to be determined by the minority party caucus. In appointing Members to serve on the several standing committees, the Speaker shall consider the preferences of the Members as well as the recommendations of the respective party caucuses. A Member should not be appointed to serve on more than one committee that meets at the same time. The Speaker shall make every effort to consider gender and ethnicity in making appointments to committees. The Speaker thereafter shall determine the number and Members to serve on each standing committee, except the Committee on Rules. Upon publication in the Journal of the number of Members on each standing committee, no further change in the number of Members of the committee shall be made otherwise than by an affirmative recorded vote of 41 or more Members.

Committee on Rules

13. There is a Committee on Rules, which shall act as the executive committee of the Assembly. The committee shall consist of the chairperson, who shall be the Speaker or a Member appointed by the Speaker, and eight other Members, four of whom shall be members of the minority party and four of whom shall be members of the majority party. The chairperson of each minority and majority party caucus shall within 72 hours after the operative date of this rule, convene the party caucus of which he or she is chairperson and provide the members thereof with ballots showing the names of the members. The members of each party caucus shall thereupon select four Members as nominees for membership on the Committee on Rules. Following the selection by the party caucus, the chairperson thereof shall file with the Chief Clerk the list of the four nominees for membership on the Committee on Rules. Upon the filing of each list, the Speaker shall immediately present the name of each nominee to the Assembly for its approval or rejection in the order filed. If approved by an affirmative recorded vote of 41 or more Members, the nominee shall be declared elected as a member of the committee. If a nominee fails to receive approval, the committee membership to which he or she would have been elected remains vacant until the chairperson of his or her party caucus files the name of another nominee who shall be a member of the party caucus selected in the same manner as the names of those previously presented. That person shall be the nominee who shall be thereafter approved by an affirmative recorded vote of 41 or more Members.

Vacancies in the elected membership of the Committee on Rules occurring during any session of the Legislature shall be filled as herein provided, and vacancies occurring during joint recesses shall be filled temporarily, and until the session reconvenes, by the remaining committee members who are members of the same party as that of the member causing the vacancy. Vacancies in the appointive membership shall be filled by the Speaker.

In the event of an excused absence of an elected committee member of the majority party, the Majority Floor Leader, or his or her designee, shall serve as a temporary member of the committee. In the event of an excused absence of an elected committee member

of the minority party, the Minority Floor Leader, or his or her designee, shall serve as a temporary member of the committee. In the event of an excused absence of the committee chairperson, the Speaker, or his or her designee, shall serve as the temporary chairperson of the committee. A temporary member or temporary chairperson shall serve until the absent member or chairperson returns. Five duly qualified members of the committee shall constitute a quorum.

No member of the Committee on Rules is eligible to serve as the chairperson of a standing committee.

The following Members, unless otherwise appointed or elected as a member, shall each be ex officio a member of the Committee on Rules with all of the rights and privileges of that membership except the right to vote:

(a) Speaker
(b) Speaker pro Tempore
(c) Majority Floor Leader
(d) Minority Floor Leader
(e) Majority party caucus chairperson
(f) Minority party caucus chairperson

Organization of Party Caucuses

13.1. Within two days after the general election held in November of each even-numbered year, the minority and majority caucuses shall meet for the purposes of electing their officers and their nominees for members of the Rules Committee for the next regular session. The rules and procedures of each caucus shall be determined by each caucus, but in no way shall they be inconsistent with these rules.

Powers of the Committee on Rules

14. The Committee on Rules shall have the following powers:

To refer each bill and house resolution to a committee, as provided by these rules.

To appoint all employees of the Assembly not otherwise provided for by statute. It shall have authority to terminate, to discipline, to establish and to modify the terms and conditions of employment of, or to suspend, with or without pay, any employee of the Assembly.

To make studies and recommendations designed to promote, improve, and expedite the business and procedure of the Assembly and of the committees thereof, and to propose any amendments to the Rules deemed necessary to accomplish these purposes.

Both during sessions, and after final adjournment and until the convening of the next regular session, the Committee on Rules has the following additional powers and duties:

(a) To contract with other agencies, public or private, as it deems necessary for the rendition and affording of these services, facilities, studies, and reports to the committee that will best assist it to carry out the purposes for which it is created.

(b) To cooperate with and secure the cooperation of county, city, city and county, and other local law enforcement agencies in investigating any matter within the scope of these rules and to direct the sheriff of any county to serve subpoenas, orders, and other process issued by the committee.

(c) To report its findings and recommendations to the Legislature and to the people from time to time and at any time.

(d) To do any and all other things necessary or convenient to enable it fully and adequately to exercise its powers, perform its duties, and accomplish the objects and purposes of these rules.

(e) To make available to the Assembly, or to any Assembly or joint committee, or to any Member of the Assembly assistance in connection with the duties of the committee or other legislative matters as the personnel under direction of the committee or its other facilities permit. Expenditure of funds for staffing and other resources for partisan purposes shall be proportional to the partisan composition of the Assembly. The committee shall allocate annually an amount for the operation of each Assembly committee, which shall constitute the annual budget of the committee.

A. Bills and Resolutions

Bills Defined

46. (a) Whenever the word "bill" is used in these rules, it includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

(1) It shall be given only one formal reading.

(2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

(3) It shall not be deemed a bill for the purposes of Rule 96.

Introduction and Reference of Bills

47. Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced which does not contain the signature of its author or coauthor, the same, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members. In each legislative session, on the first day when bills are introduced under "Introduction and Reference of Bills," the roll shall be called from A to Z, and as each Member's name is called, the Member may introduce one bill, constitutional amendment, concurrent or joint resolution. After this roll call, the preprint bills shall be introduced in numerical order.

After the introduction of preprinted bills, and subject to the provisions of the Joint Rules, any Member desiring to introduce bills, constitutional amendments, concurrent and joint resolutions may at any time during a session send the same to the Chief Clerk's desk.

When received at the Chief Clerk's desk it shall, under the proper order of business, be numbered, read the first time, be printed, referred to a standing committee, and a copy placed upon the desk of each Member before final passage.

All bills, constitutional amendments, concurrent and joint resolutions introduced before the standing committees of the Assembly are appointed, shall be referred to committees, references to take effect when the committees shall be appointed.

Any committee may introduce a bill germane to any subject within the proper consideration of the committee in the same manner as any Member. No committee bill may be introduced unless it contains the signatures of a majority of all the members, including the chairperson, of the committee. If all the members of a committee sign the bill, at the option of the committee chairperson, the committee members' names need not appear as authors in the heading of the printed bill.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly by an affirmative recorded vote of 41 or more Members shall refer it to some other committee. A motion to refer a bill shall not be debatable.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill which upon introduction makes no substantive change in or addition to existing law and which would not otherwise affect the ongoing operations of state and local government, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 20 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Introduction of House Resolutions

53. All house resolutions shall be numbered and shall be referred to the appropriate committee by the Committee on Rules.

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of their immediate families. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk shall not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee meetings. Each committee may adopt, by a majority vote of its entire membership, those additional rules, not in conflict with the Standing Rules, that it may deem necessary for the conduct of any business referred to the committee.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by schedule, unless otherwise ordered by the Assembly. No committee or subcommittee shall meet during any session of the Assembly, nor shall any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly, without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area which is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee shall not be held in the Assembly Chamber.

No bills shall be set for hearing nor shall any notice thereof be published by any Assembly committee or subcommittee until that bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons are directed to adopt a procedure which assures that no committee or subcommittee shall commence the hearing of any bill after the hour of six o'clock p.m. at an afternoon meeting of the committee or subcommittee or after the hour of 11 o'clock p.m. at an evening meeting, but the hearings on a bill commenced prior thereto may be continued thereafter for that period of time that the committee or subcommittee deems necessary.

The several standing committees and subcommittees and their chairpersons shall adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Committee Analyses

56.5. Except as otherwise noted in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of special

meetings, or in the case of meetings of the Ways and Means Committee and its subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring and tracking bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly Floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing and approval of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee shall constitute a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee shall be required to report a bill out of committee. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to the provisions of Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Sec. 81000), Gov. C.) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to

the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. No action taken by a committee may be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith, and the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Ways and Means Suspense File

58.2. The Committee on Ways and Means may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote shall be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a weekly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and shall have that explanation printed in the appendix to the Journal in the appropriate place, provided that explanation shall not exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time shall a bill be passed out by a committee without a quorum being present.

The provisions of this rule shall not apply to:

(a) Adoption of author's amendments to a bill.

(b) Withdrawal of a bill from a committee calendar at the request of an author.

(c) Return of bills to the house where the bills have not been voted on by the committee.

(d) Votes of subcommittees of the Ways and Means Committee when considering the Budget Bill.

(e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for assignment by it of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. No chairperson of a standing committee shall preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Ways and Means may preside at the hearing of the Budget Bill by the Committee on Ways and Means.

Reports of Committees

61. Reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal, and a copy transmitted to the Assembly Office of Research, unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills

Daily File

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, providing compliance has been had with Rule 58 in the order of their listing, unless otherwise ordered by unanimous consent or an affirmative vote of two-thirds of the Members present. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action Upon Bill on Floor

64. No bill may be considered or acted upon on the floor of the Assembly unless and until a copy of the printed bill as introduced and a printed copy of each amended form of the bill have been placed upon the desks of the Members.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day and shall not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Bills Requiring General Fund Appropriation

66.6. A bill which, if enacted and implemented, would provide for any new or expanded activity that would require the expenditure of money appropriated from the General Fund of the state, except money appropriated for the public schools, shall not be taken up on third reading file, if both (1) the bill does not contain an appropriation from the General Fund to meet that expenditure, and (2) either of the Budget Bills which are then pending, or the Budget Bill as enacted does not contain provisions that appropriate money from the General Fund for that expenditure.

Bills that require a state department or agency to prepare a study shall not be subject to the provisions of this rule.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading, whether by committee amendment or amendment from the floor, shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared by, or approved as to form by, the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills must be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee or on the third reading of the bill, of those amendments, or any part thereof, by the Assembly.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding the provisions of any other rule, that bill shall not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments which may have been made to it. A vote on passage of an amended bill when the amended form of the bill is not in print may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the amendment is of such a nature that its effect upon the bill can be readily understood by all the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. No bill may be considered on third reading unless and until an analysis of the measure has been prepared by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

As used in this rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Analysis of Conference Committee Amendments

68.7. No report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may be considered unless and until an analysis of the proposed amendment has been prepared by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. No conference report may be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading and that motion to amend may be adopted by a majority vote of the Members present and voting.

No amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion

to amend and re-refer a bill to committee, amendments deleting any number of words, amendments adding a total of not more than 25 words, or amendments previously printed in the Journal, shall be in order unless and until a coy of the proposed amendments has been placed upon the desks of the Members. If a copy of amendments adding a total of 25 words or less is not placed on the desks of Members, it shall be made available to the author of the bill, and the amendments shall be read in their entirety by the Chief Clerk prior to debate.

Amendments offered from the floor during a bill's second or third reading shall be prepared by, or approved as to form by, the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, must be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) Amendments from the floor during a bill's third reading that would make a substantive change in the bill shall have an analysis prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendment, unless otherwise ordered by the Speaker. As used in this subdivision, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Consideration of Bills Re-referred to Committee

70. Whenever a bill which has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and shall not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. No bill shall be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. Concurrent resolutions and joint resolutions may be amended by a majority vote of the Members present and voting. The ayes and noes shall not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute, or required by the Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded shall require an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money shall require an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption it shall be printed in the Assembly Daily Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the Constitution for the passage of the bill. The vote on concurrent shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been prepared by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this paragraph, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker, a brief digest summarizing the effect of the Senate amendment. The Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Chief Clerk of the Assembly, with the approval of the Speaker, to the committee of first reference. If the Speaker, after evaluation of the amended bill, determines that the committee of first reference is not an appropriate committee to hear the amended bill, the Speaker may direct the clerk to refer the bill to the Assembly Committee on Rules for appropriate action.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Chief Clerk of the Assembly, with the approval of the Speaker, to the committee of first reference. If the Speaker, after evaluation of the amended bill, determines that the committee of first reference is not an appropriate committee to hear the amended bill, the Speaker may direct the clerk to refer the bill to the Assembly Committee on Rules for appropriate action.

Inactive File

78. Whenever a bill has been passed twice on third reading file, it shall forthwith be placed upon a special file to be known as the inactive file. A bill may also be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by a request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or unfinished business file respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills which shall come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be forthwith ordered by the Speaker to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

First—To adjourn;
Second—To recess to a time certain;
Third—To lay on the table;
Fourth—For the previous question;
Fifth—To set as a special order;
Sixth—To postpone indefinitely;
Seventh—To refer to or to re-refer;
Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. No appeal is in order when another is pending,

or when other business has been transacted by the Assembly prior to the appeal being taken.

Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker shall forthwith put this question to the Assembly: "Shall the decision of the Speaker be sustained?"

An appeal cannot be amended and yields only to a motion to recess or adjourn, to lay on the table, or a question of personal privilege. If an appeal be laid on the table, that action shall have no effect on the pending question.

An appeal cannot be debated when relating to indecorum, transgression of rules, or priority of business. A majority vote of the Members present and voting shall decide any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or upon the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation shall not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and cannot be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment and also the hour at which the motion was made and adjournment taken shall be entered in the Journal. A motion to adjourn must be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement shall not occupy more than two minutes and shall not be debatable.

To Recess to a Time Certain

85. A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and cannot be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution requires an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it; provided, however, that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table may be adopted by a majority vote of the Members present and voting.

A motion to lay on the table cannot be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending; except that the proponent of the matter pending shall be allowed not to exceed five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business must be adopted by an affirmative recorded vote of 54 or more Members. It is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain shall be deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. When a motion is made to postpone indefinitely any bill, motion, or amendment, it opens the main question to debate. Should the motion to postpone indefinitely prevail by an affirmative recorded vote of 41 or more Members, the main question shall not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but no "amendment to an amendment" may be amended. A motion to substitute shall be deemed to be a motion to amend and shall be considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend having been decided in the negative shall not again be in order on the same day, or at the same stage of proceeding. A motion to amend by striking out certain words having been decided in the negative, shall not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words; but in no case shall a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule, a motion to amend is in order during the second or third reading of any bill.

Amendment to Be Germane

92. No amendment to any bill, whether reported by a committee or offered by a Member, shall be in order when the amendment relates to a different subject than, or is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

No motion or proposition on a subject different from that under consideration shall be admitted as an amendment.

No amendment shall be in order that changes the original number of any bill.

No Member shall be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. No motion, whether oral or written, shall be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw and Recall Bills

96. A motion to withdraw a bill from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer shall only be debated as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

No bill shall be withdrawn from committee and placed upon the file, except upon two days' notice thereof and except by an affirmative recorded vote of 41 or more Members. No resolution shall be withdrawn from committee and placed upon the file.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion shall only be debatable as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution shall not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly any action may be rescinded and its record ordered expunged by an affirmative recorded vote sufficient to take that action originally; except that no action shall be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. No motion to rescind the action and expunge the record shall be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged shall not

appear in any form whatsoever, but the record of the proceedings on the motion to rescind and expunge shall appear in the Assembly Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day must be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members, except that it shall require a vote of 54 or more Members or 60 or more Members, respectively, to reconsider the vote on any matter originally requiring 54 or more votes or 60 or more votes, as the case may be. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote must be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered shall forthwith be placed upon the unfinished business file, and no further action shall be taken prior to the next legislative day. When a motion to reconsider has once been made, the same is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status as it was prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate or the vote whereby a conference committee report is adopted shall be in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption shall be in order on the last legislative day preceding the interim study recess.

The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include joint or concurrent resolutions.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate shall be in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading shall be in order on the last legislative day preceding January 31 of the even-numbered year.

The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include Senate bills, constitutional amendments, or joint or concurrent resolutions.

(3) Final Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated shall be in order on the day of the final recess.

The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion to reconsider the vote thereon, previously made by another Member. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of two-thirds of the Members present and voting. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and upon demand of any Member the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question shall not be in order nor is a motion to reconsider reconsideration in order.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and shall direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms. Thereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker. No person shall be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Those Members who are found to be absent, and for whom no leaves of absence have been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms or his or her assistants or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, the State Police, and sheriffs or their deputies, and brought to the Assembly Chamber.

No recess or adjournment shall be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition shall remain for the decision of the Assembly.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly shall, by a majority vote of the Members present and voting, excuse him or her.

No Member shall operate the voting switch of any other Member; except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the presiding Member's voting switch, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum, of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal of the Assembly, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and have the explanation printed in the Journal, provided no explanation shall exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule shall not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and have the explanation printed in the Journal immediately following the vote, provided no explanation shall exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote which had been taken during his or her absence, as long as the outcome of the vote is not changed. The Chief Clerk shall record any vote additions.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting Not to Be Interrupted

106. When once begun, voting shall not be interrupted, except that before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer will instruct the Chief Clerk to record verbal votes from Members not at their desks.

Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, as long as the outcome of the vote is not changed. The Chief Clerk shall record any vote changes.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES

Order in Speaking to Questions

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor.

No Member shall speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question shall have the right to open and close the debate thereon. No member shall be allowed to speak more than 10 minutes to open and five minutes to close the debate thereon, and no Member other than the author or the mover of the question shall be allowed to speak more than five minutes thereon. No Member shall yield to any other Member the time for which he or she is entitled to speak on any matter.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case shall not speak to the merits of the motion at that time and shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate thereon.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member shall not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. No Member shall absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. No Member shall obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business or is excused for nonattendance for personal business shall waive his or her per diem allowance for attendance

upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within one-half hour after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is recorded on the roll call for any votes. If a Member does not explain his or her reason for being late, any other Member may raise a point of order and the tardy Member's vote shall not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member shall forthwith be recognized by the Speaker, but shall not discuss a question in that explanation. Those matters of personal privilege yield only to a motion to recess or adjournment.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. After that objection, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement of its substance by the Speaker.

Members at Chief Clerk's Desk

113. No Member or other person shall be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order shall immediately take his or her seat, until the Speaker, without debate, shall have determined whether the Member is in order or not. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member shall be held to answer, or be subject to censure by the Assembly, for language used in debate, if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

Committee of the Whole

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any

Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole "do now rise and report back to the Assembly," shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but shall not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

(2) Establish means to coordinate the research work of the Assembly in order to avoid unnecessary duplication of staff effort.

Use of Assembly Chamber

118. The Assembly Chamber shall not be used for any public or private business, other than legislative matters during the sessions or joint recesses of the Legislature, except by consent of 41 or more Members or, during a joint recess, the Assembly Rules Committee.

Persons Admitted to Floor of the Assembly

119. No person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests shall be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member shall be admitted only upon presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued. No lobbyist, as defined by Section 82039 of the Government Code, shall, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, shall not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

All guests shall be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber and shall not be permitted to sit at the desks of the Members. No person other than an accredited

newspaper representative shall be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except Members of the Legislature, shall engage in influencing the passage or defeat of legislation in the Assembly Chamber.

No person other than a Member of the Legislature, the Sergeant at Arms or his or her assistants, the Chief Clerk or his or her assistants, or the Legislative Counsel or his or her representatives, shall be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Qualifications and Elections of Members

119.5. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the Constitution of California.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended and his or her membership on any committee is suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice to the Controller, directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller shall not draw any warrant payable to that Member except as provided in this rule.

Gracious God, Whose Presence Surrounds Us, On whatever path we take, in the beauty of the morning sky or the quickening traffic of busy streets; in the myriad of opportunities as they come alive in each day; in things to be done and recognitions to be made as in this week we pay honor and appreciation for members of this Assembly staff, without whose help and labor our work could not be done. You come to us with intimations and insights fitting the needs of people of this state. Yet more than these You meet us in the depth of conscience, where heritage enlivened with hope bids us, "to be, and to act", that Your will shall be done, here, for the healing and nourishment of California. As You always find us with Your love and care, sustain us as we work today.—AMEN.

Gracious God, Who Knows the Well-Meant Goodness in Our Every Intention but Views with Patience the Weakness in What We Do, Be near to us. We lift up our hearts with gratitude for the beauty of today as we feel it in the quiet and green of the capitol grounds. We are grateful for the encouraging prospects which loom in possibility for this day. Yet we pray, Lord, to be strengthened and enlivened to attain the good purposes we seek because we are here. Search our commitment and compassion which we bring to this Floor as we would cope with issues and problems besetting California. May it never be said, that we should be satisfied with half measures, with knotty tasks unfinished, or hope and dreams defeated. May the light of Your truth, guide us in every high endeavor, rewarding completion of the goals we seek today.—AMEN.

Memorial Speech in Honor of
Cesar Chavez

Mr. Speaker . . . my fellow members . . . I rise to ask that this House adjourn in the memory of one of the greatest men in this century . . . Cesar Chavez . . . Many will write about him but few really knew the man . . .

Cesar Chavez was an inspiration . . . an inspiration to a whole generation of young and old . . . black, white, yellow, red, brown . . . This man, who was of small stature and spoke ever so softly commanded an army of thousands who marched forward, not with the weapons of war, but with weapons of conscience . . .

He taught us, that no one, can go alone against social injustice.

I learned a lot from the talks I had with this spiritual man . . . I will greatly miss him . . . and I know that his work will go on through individuals that worked with him and believed in his fight for humanity . . .

As Cesar often said at the end of his speeches . . . so simple yet powerful . . . Sí sé puedé . . . Yes we can . . . And I say to you . . . We will.

The human conscience . . . that which tells each and every one of us, that we must give to one another respect and receive that same respect in order to live with the dignity, that God intended . . .

Cesar had a mission that he pursued . . . Never did he waiver in his commitment to human rights . . . Many times he was confronted with death threats, not only to himself but to his family as well . . .

But Cesar knew, that the mission he was on was more important that life itself . . . He had to go on . . . He was destined by a power that was far greater than himself . . . It consumed him day and night . . .

Members, we all need to understand that his mission, while it dealt with farmworker issues . . . goes much further than that . . . He taught the downtrodden, those in poverty, those who are ridiculed, those who feel they have been knocked down for the final count . . .

He taught them that inside each and every one of us . . . there is something much greater than ourselves, that tells us . . . we must go on . . . and we can go on together . . . we join our forces . . . and we become that stream, that eventually mergers, with powerful rivers and becomes, that mighty waterfall.

Gracious God, Who Makes the Shadows of Night into Brightness for Another Day, Be near to us as we assemble here. We pause in the quiet of Your presence seeking direction for our living and work today. Grant us, O Lord, that, from the abundance of so many concerns before us, we might weave into the fabric of our allotted time, some fulfilling service for the healing of our state. Some relief to the troubled and anxious, the burdened and discouraged. Some inspiration for children and doors of opportunity flung wide for the young. Bring us closer to a better life for all, because we are here. This we pray in the names of all those who were never in a hurry, but finished the work they came to do.—AMEN.

An Anonymous Prayer

Gracious God, Your justice is like rock, and Your mercy like pure flowing water. Judge and forgive us. If we have turned from You, return us to Your way; for without You we are lost people. Lord, it is not those who deny Thy existence who are the problem. It is we who profess to believe in Thee and live as though Thou art non-existent. It is we who say we believe, and behave as though it makes no difference. Forgive us Lord, for the contradiction in our lives. With our lips we worship You, but our hearts are far from You. Forgive us the vanity, the emptiness, the fruitlessness of lives whose faith in God is a charade.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore O'Connell, Assembly Member Hoge then led the Assembly in the pledge of allegiance to the Flag.

Carry us away from the gloom and mist of tragedies and hurt which overwhelms much of our world, into light, everlasting light. Lift us from discouragement and being content with mediocrity, into hopefulness through the work in hand and before us to be done. Lead us from barrenness into fruitfulness, that our session may bring forth a good harvest. We are distracted by fear of exploding events in many places, and our common sense is tossed about by the turbulence of storm and wind. As once again we come to these desks, clarify our minds and uplift our spirits. Give us great ideas that in unity of purpose, sense, and meaning, and faith, and hope we shall overcome the malaise in California. Lift us up into better days and make us more equal to the tasks and opportunities before us as we labor here, today.—AMEN.

Trusting that Your love and presence embraces us, we pause, awaiting Your healing power. We come to these desks, this morning, as one body of elected officials, yet we are aware of our brokenness and division. In high expectancy and sincere hope, we come to You, the Giver of every good and perfect gift, standing, mentally on tiptoe, to receive the living water to make us whole and able to do this work.—AMEN.

Bill ordered transmitted to the Senate.

At 11:20 a.m., Speaker pro Tempore Jack O'Connell, 35th District, presiding

CONSIDERATION OF SPECIAL ORDER—HOUSE RESOLUTION NO. 21

The hour having arrived, House Resolution No. 21 was taken up.

HOUSE RESOLUTION NO. 21 (Burton)—Relative to the Standing Rules of the Assembly for the 1993–94 Regular Session

Resolution read.

Point of Order

Assembly Member Conroy arose to the following point of order:

That House Resolution No. 21 is not necessary because this Assembly has adopted de facto rules by following the most recently adopted rules of the 1987–88 session. These proposed rules are an amendment to the 1987–88 rules and, therefore, require 54 votes for adoption.

Ruling by Speaker pro Tempore

The Speaker pro Tempore ruled the point of order not well-taken; that a 1986 California Supreme Court Decision (*People's Advocate, Inc.* v. *Superior Court*) clearly provides that the Assembly may adopt rules at each session by 41 votes; and that a prior legislative body cannot bind a subsequent Legislature. The state Constitution does not require more than a majority vote to adopt rules for a legislative session.

Motion to Appeal from the Decision of the Chair

Assembly Member Conroy moved to appeal from the decision of the Chair.

The question being: Shall the decision of the Chair that House Resolution No. 21 requires 41 votes for adoption be sustained?

The roll was opened and the decision of the Chair sustained by the following vote:

AYES—44

Alpert	Cannella	Hauser	Napolitano

(3) To confer with, or receive advice from, its legal counsel regarding pending or reasonably anticipated, or whether to initiate, litigation when discussion in open session would not protect the interests of the Assembly or committee regarding the litigation.

(d) A caucus of the Members of the Assembly which is composed of members of the same political party may meet in closed session.

(e) A closed session may be held pursuant to paragraph (3) of subdivision (c) under any of the following circumstances:

If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be discussed, unless the presiding officer or chair states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage. If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property which the negotiations may concern and the person with whom the negotiations may take place.

The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the

closed session. The memorandum shall be exempt from disclosure under the Legislative Open Records Act (Art. 3.5 (commencing with Sec. 9070), Ch. 1.5, Pt. 1, Div. 2, Title 2, Gov. C.).

(h) For purposes of paragraph (3) of subdivision (c), "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

11.5. (a) The standing committees of the Assembly created pursuant to Rule 11, with the exception of the Committee on Rules, are hereby constituted Assembly investigating committees and are authorized and directed to ascertain, study, and analyze all facts relating to any subjects or matters which the Committee on Rules shall assign to them upon request of the Assembly or upon its own initiative.

(b) Each of the Assembly investigating committees shall consist of the members of the standing committee on the same subject as most recently constituted. The chairperson and vice chairperson shall be the chairperson and vice chairperson of the standing committee. Vacancies occurring in the membership of the committee shall be filled by the appointing power. The Speaker may increase or reduce the size of the committees.

(c) Each committee and any subcommittee, and its members, shall have and exercise all the rights, duties and powers conferred upon investigating committees and their members by law and by the provisions of the Joint Rules of the Senate and Assembly and of the Standing Rules of the Assembly as they are adopted and amended from time to time, which provisions are incorporated herein and made applicable to the committee or subcommittee and their members.

(d) In order to prevent duplication and overlapping of studies between the various investigating committees herein created, no committee shall commence the study of any subject or matter not specifically authorized herein or assigned to it unless and until prior written approval thereof has been obtained from the Committee on Rules.

(e) The Committee on Rules shall provide for the expenses of the above committees and their members and for any charges, expenses, or claims they may incur under this resolution, to be paid from the Assembly Operating Fund and disbursed, after certification by the Chairperson of the Committee on Rules or his or her authorized representative, upon warrants drawn by the Controller upon the State Treasury.

Membership of Standing Committees

12. The membership of the several standing committees shall be proportional to the partisan composition of the Assembly, to the extent practicable. Majority party members of each committee shall be recommended to the Speaker for his or her consideration by the majority party in a manner to be determined by the majority party caucus. Minority party members of each committee shall be recommended to the Speaker for his or her consideration by the minority party in a manner to be determined by the minority party caucus. In appointing Members to serve on the several standing committees, the Speaker shall consider the preferences of the Members as well as the recommendations of the respective party caucuses. A Member should not be appointed to serve on more than one committee that meets at the same time. The Speaker shall make every effort to consider gender and ethnicity in making appointments to committees. The Speaker thereafter shall determine the number and Members to serve on each standing committee, except the Committee on Rules. Upon publication in the Journal of the number of Members on each standing committee, no further change in the number of Members of the committee shall be made otherwise than by an affirmative recorded vote of 41 or more Members.

The members of each party caucus shall thereupon select four Members as nominees for membership on the Committee on Rules. Following the selection by the party caucus, the chairperson thereof shall file with the Chief Clerk the list of the four nominees for membership on the Committee on Rules. Upon the filing of each list, the Speaker shall immediately present the name of each nominee to the Assembly for its approval or rejection in the order filed. If approved by an affirmative recorded vote of 41 or more Members, the nominee shall be declared elected as a member of the committee. If a nominee fails to receive approval, the committee membership to which he or she would have been elected remains vacant until the chairperson of his or her party caucus files the name of another nominee who shall be a member of the party caucus selected in the same manner as the names of those previously presented. That person shall be the nominee who shall be thereafter approved by an affirmative recorded vote of 41 or more Members.

Vacancies in the elected membership of the Committee on Rules occurring during any session of the Legislature shall be filled as herein provided, and vacancies occurring during joint recesses shall be filled temporarily, and until the session reconvenes, by the

remaining committee members who are members of the same party as that of the member causing the vacancy. Vacancies in the appointive membership shall be filled by the Speaker.

When necessary, the Chief Clerk of the Assembly or the Chief Administrative Officer of the Assembly may order certain printed matter completed in advance of its regular order by the issuance of a rush order.

Ordering of Printing

36. The Chief Clerk is authorized and shall have the responsibility for ordering printing of bills, resolutions, journals, daily files, histories, and related documents.

The Chief Clerk of the Assembly, or the Chief Administrative Officer of the Assembly, shall order other printing as directed or authorized by the Committee on Rules, and the written order for that printing shall be countersigned by the Speaker or a person designated by the Speaker. The Chief Clerk of the Assembly or the

Chief Administrative Officer of the Assembly shall also order other printing as directed or authorized by resolution or motion of the Assembly.

Printing Assembly History and Legislative Handbook

37. During the session, the Chief Clerk shall cause to be printed and placed upon each Member's desk prior to convening on Monday of each week a complete history showing all actions taken upon each measure up to and including the legislative day preceding its issuance. For each legislative day intervening between the issuance of the Weekly History, there shall be printed a Daily Supplemental History showing only actions taken upon any measure since the issuance of the preceding Weekly History.

The Chief Clerk of the Assembly shall, as soon as practicable, in each even-numbered year, commence to compile a legislative manual or handbook, pursuant to Section 9740 of the Government Code.

Guests of the Assembly

38. Nothing in these rules shall prevent the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests.

Printing of Maps

39. Maps or charts accompanying documents other than bills shall not be printed without special authority from the Assembly by an affirmative recorded vote of 41 or more Members.

Pledging of Allegiance to the Flag

41. At each session, following the prayer by the Chaplain, the Members of the Assembly and its officers and employees present in the Assembly Chamber shall pledge their allegiance to the Flag of the United States of America. The Speaker shall invite guests present in the Assembly Chamber to join in the pledge of allegiance to the Flag of the United States of America.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with on motion by a majority vote of the Members present and voting.

(b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.

(c) A motion to correct any day's Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or be referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules shall refer each bill to a committee, unless upon a motion the Assembly by an affirmative recorded vote of 41 or more Members shall refer it to some other committee. The action to refer a bill shall not be debatable. The reference shall be entered in the Journal. Assembly bills which have been passed without amendment by the Senate shall be ordered to enrollment.

Assembly bills amended by the Senate shall be placed upon the unfinished business file.

A. Bills and Resolutions

Bills Defined

46. (a) Whenever the word "bill" is used in these rules, it includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

(1) It shall be given only one formal reading.

(2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

(3) It shall not be deemed a bill for the purposes of Rule 96.

Introduction and Reference of Bills

47. Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced which does not contain the signature of its author or coauthor, the same, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an

affirmative recorded vote of 41 or more Members. In each legislative session, on the first day when bills are introduced under "Introduction and Reference of Bills," the roll shall be called from A to Z, and as each Member's name is called, the Member may introduce one bill, constitutional amendment, concurrent or joint resolution. After this roll call, the preprint bills shall be introduced in numerical order.

After the introduction of preprinted bills, and subject to the provisions of the Joint Rules, any Member desiring to introduce bills, constitutional amendments, concurrent and joint resolutions may at any time during a session send the same to the Chief Clerk's desk.

When received at the Chief Clerk's desk it shall, under the proper order of business, be numbered, read the first time, be printed, referred to a standing committee, and a copy placed upon the desk of each Member before final passage.

All bills, constitutional amendments, concurrent and joint resolutions introduced before the standing committees of the Assembly are appointed, shall be referred to committees, references to take effect when the committees shall be appointed.

Any committee may introduce a bill germane to any subject within the proper consideration of the committee in the same manner as any Member. No committee bill may be introduced unless it contains the signatures of a majority of all the members, including the chairperson, of the committee. If all the members of a committee sign the bill, at the option of the committee chairperson, the committee members' names need not appear as authors in the heading of the printed bill.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly by an affirmative recorded vote of 41 or more Members shall refer it to some other committee. A motion to refer a bill shall not be debatable.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill which upon introduction makes no substantive change in or addition to existing law and which would not otherwise affect the ongoing operations of state and local government, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 20 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Introduction of House Resolutions

53. All house resolutions shall be numbered and shall be referred to the appropriate committee by the Committee on Rules.

Each house resolution shall be signed by each Member who is an author or coauthor of the house resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of their immediate families. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk shall not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee meetings. Each committee may adopt, by a majority vote of its entire membership, those additional rules, not in conflict with the Standing Rules, that it may deem necessary for the conduct of any business referred to the committee.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by schedule, unless otherwise ordered by the Assembly. No committee or subcommittee shall meet during any session of the Assembly, nor shall any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly, without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area which is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee shall not be held in the Assembly Chamber.

No bills shall be set for hearing nor shall any notice thereof be published by any Assembly committee or subcommittee until that bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons are directed to adopt a procedure which assures that no committee or subcommittee shall commence the hearing of any bill

after the hour of six o'clock p.m. at an afternoon meeting of the committee or subcommittee or after the hour of 11 o'clock p.m. at an evening meeting, but the hearings on a bill commenced prior thereto may be continued thereafter for that period of time that the committee or subcommittee deems necessary.

The several standing committees and subcommittees and their chairpersons shall adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Committee Analyses

56.5. Except as otherwise noted in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of special meetings, or in the case of meetings of the Ways and Means Committee and its subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring and tracking bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly Floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing and approval of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee shall constitute a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee shall be required to report a bill out of

committee. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to the provisions of Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Sec. 81000), Gov. C.) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. No action taken by a committee may be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith, and the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Ways and Means Suspense File

58.2. The Committee on Ways and Means may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote shall be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a ~~weekly~~ *monthly* basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and shall have that explanation printed in the appendix to the Journal in the appropriate place, provided that explanation shall not exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time shall a bill be passed out by a committee without a quorum being present.

The provisions of this rule shall not apply to:

(a) Adoption of author's amendments to a bill.

(b) Withdrawal of a bill from a committee calendar at the request of an author.

(c) Return of bills to the house where the bills have not been voted on by the committee.

(d) Votes of subcommittees of the Ways and Means Committee when considering the Budget Bill.

(e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for assignment by it of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. No chairperson of a standing committee shall preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Ways and Means may preside at the hearing of the Budget Bill by the Committee on Ways and Means.

Reports of Committees

61. Reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal, and a copy transmitted to the Assembly Office of Research, unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills

Daily File

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, providing compliance has been had with Rule 58 in the order of their listing, unless otherwise ordered by unanimous consent or an affirmative vote of two-thirds of the Members present. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action Upon Bill on Floor

64. No bill may be considered or acted upon on the floor of the Assembly unless and until a copy of the printed bill as introduced and a printed copy of each amended form of the bill have been placed upon the desks of the Members.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day and shall not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Bills Requiring General Fund Appropriation

66.6. A bill which, if enacted and implemented, would provide for any new or expanded activity that would require the expenditure of money appropriated from the General Fund of the state, except money appropriated for the public schools, shall not be taken up on third reading file, if both (1) the bill does not contain an appropriation from the General Fund to meet that expenditure, and (2) either of the Budget Bills which are then pending, or the Budget Bill as enacted does not contain provisions that appropriate money from the General Fund for that expenditure.

Bills that require a state department or agency to prepare a study shall not be subject to the provisions of this rule.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading, whether by committee amendment or amendment from the floor, shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared by, or approved as to form by, the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills must be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee or on the third reading of the bill, of those amendments, or any part thereof, by the Assembly.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding the provisions of any other rule, that bill shall not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments which may have been made to it. A vote on passage of an amended bill when the amended form of the bill is not in print may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the amendment is of such a nature that its effect upon the bill can be readily understood by all the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. No bill may be considered on third reading unless and until an analysis of the measure has been prepared by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

As used in this rule, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Analysis of Conference Committee Amendments

68.7. No report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may be considered unless and until an analysis of the proposed amendment has been prepared by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. No conference report may be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading and that motion to amend may be adopted by a majority vote of the Members present and voting.

No amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, amendments adding a total of not more than 25 words, or amendments previously printed in the Journal, shall be in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. If a copy of amendments adding a total of 25 words or less is not placed on the desks of Members, it shall be made available to the author of the bill, and the amendments shall be read in their entirety by the Chief Clerk prior to debate.

Amendments offered from the floor during a bill's second or third reading shall be prepared by, or approved as to form by, the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, must be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) Amendments from the floor during a bill's third reading that would make a substantive change in the bill shall have an analysis prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendment, unless otherwise ordered by the Speaker. As used in this subdivision, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Consideration of Bills Re-referred to Committee

70. Whenever a bill which has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and shall not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. No bill shall be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. Concurrent resolutions and joint resolutions may be amended by a majority vote of the Members present and voting. The ayes and noes shall not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute, or required by the Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded shall require an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money shall require an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption it shall be printed in the Assembly Daily Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the Constitution for the passage of the bill. The vote on concurrent shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been prepared by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this paragraph, "bill" does not include joint or concurrent resolutions, but does include constitutional amendments.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker, a brief digest summarizing the effect of the Senate amendment. The Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as

amended, may be referred by the Chief Clerk of the Assembly, with the approval of the Speaker, to the committee of first reference. If the Speaker, after evaluation of the amended bill, determines that the committee of first reference is not an appropriate committee to hear the amended bill, the Speaker may direct the clerk to refer the bill to the Assembly Committee on Rules for appropriate action.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Chief Clerk of the Assembly, with the approval of the Speaker, to the committee of first reference. If the Speaker, after evaluation of the amended bill, determines that the committee of first reference is not an appropriate committee to hear the amended bill, the Speaker may direct the clerk to refer the bill to the Assembly Committee on Rules for appropriate action.

Inactive File

78. Whenever a bill has been passed twice on third reading file, it shall forthwith be placed upon a special file to be known as the inactive file. A bill may also be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by a request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or unfinished business file respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills which shall come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be forthwith ordered by the Speaker to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

First—To adjourn;
Second—To recess to a time certain;
Third—To lay on the table;

Fourth—For the previous question;
Fifth—To set as a special order;
Sixth—To postpone indefinitely;
Seventh—To refer to or to re-refer;
Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. No appeal is in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken.

Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker shall forthwith put this question to the Assembly: "Shall the decision of the Speaker be sustained?"

An appeal cannot be amended and yields only to a motion to recess or adjourn, to lay on the table, or a question of personal privilege. If an appeal be laid on the table, that action shall have no effect on the pending question.

An appeal cannot be debated when relating to indecorum, transgression of rules, or priority of business. A majority vote of the Members present and voting shall decide any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or upon the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation shall not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and cannot be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment and also the hour at which the motion was made and adjournment taken shall be entered in the Journal. A motion to adjourn must be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement shall not occupy more than two minutes and shall not be debatable.

To Recess to a Time Certain

85. A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that the motion is debatable when no

business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and cannot be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution requires an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it; provided, however, that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table may be adopted by a majority vote of the Members present and voting.

A motion to lay on the table cannot be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending; except that the proponent of the matter pending shall be allowed not to exceed five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business must be adopted by an affirmative recorded vote of 54 or more Members. It is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain shall be deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. When a motion is made to postpone indefinitely any bill, motion, or amendment, it opens the main question to debate. Should the motion to postpone indefinitely prevail by an affirmative recorded vote of 41 or more Members, the main question shall not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but no "amendment to an amendment" may be amended. A motion to substitute shall be deemed to be a motion to amend and shall be considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend having been decided in the negative shall not again be in order on the same day, or at the same stage of proceeding.

A motion to amend by striking out certain words having been decided in the negative, shall not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words; but in no case shall a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule, a motion to amend is in order during the second or third reading of any bill.

Amendment to Be Germane

92. No amendment to any bill, whether reported by a committee or offered by a Member, shall be in order when the amendment relates to a different subject than, or is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

No motion or proposition on a subject different from that under consideration shall be admitted as an amendment.

No amendment shall be in order that changes the original number of any bill.

No Member shall be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. No motion, whether oral or written, shall be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to *Withdraw or* Re-refer Bills

~~96. Subject to the provisions of this rule, a motion to re-refer a bill or resolution from one committee to another committee may be made during the regular order of business. A motion to re-refer shall only be debated as to the propriety of the reference, and shall require an affirmative vote of 41 or more Members.~~

~~No bill or resolution shall be withdrawn from committee and placed upon the file.~~

96. A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer shall only be debated as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

No bill or resolution shall be withdrawn from committee and placed upon the file, except upon two days' notice thereof and except by an affirmative recorded vote of 41 or more Members.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of

business. The motion shall only be debatable as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution shall not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly any action may be rescinded and its record ordered expunged by an affirmative recorded vote sufficient to take that action originally; except that no action shall be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. No motion to rescind the action and expunge the record shall be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged shall not appear in any form whatsoever, but the record of the proceedings on the motion to rescind and expunge shall appear in the Assembly Journal as and when printed

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day must be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members, except that it shall require a vote of 54 or more Members or 60 or more Members, respectively, to reconsider the vote on any matter originally requiring 54 or more votes or 60 or more votes, as the case may be. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote must be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered shall forthwith be placed upon the unfinished business file, and no further action shall be taken prior to the next legislative day. When a motion to reconsider has once been made, the same is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status as it was prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate or the vote whereby a conference committee report is adopted shall be in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption shall be in order on the last legislative day preceding the interim study recess.

The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include joint or concurrent resolutions.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate shall be in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading shall be in order on the last legislative day preceding January 31 of the even-numbered year.

The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include Senate bills, constitutional amendments, or joint or concurrent resolutions.

(3) Final Recess:

No motion to reconsider the vote whereby a bill is passed shall be in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated shall be in order on the day of the final recess.

The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion to reconsider the vote thereon, previously made by another Member. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of two-thirds of the Members present and voting. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day shall take precedence over the motion to reconsider and upon demand of any Member the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question shall not be in order nor is a motion to reconsider reconsideration in order.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and shall direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms. Thereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker. No person shall be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Those Members who are found to be absent, and for whom no leaves of absence have been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms or his or her

assistants or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, the State Police, and sheriffs or their deputies, and brought to the Assembly Chamber.

No recess or adjournment shall be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition shall remain for the decision of the Assembly.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly shall, by a majority vote of the Members present and voting, excuse him or her.

No Member shall operate the voting switch of any other Member; except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the presiding Member's voting switch, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum, of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal of the Assembly, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and have the explanation printed in the Journal, provided no explanation shall exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule shall not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and have the explanation printed in the Journal immediately following the vote, provided no explanation shall exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote which had been taken during his or her absence, as long as the outcome of the vote is not changed. The Chief Clerk shall record any vote additions.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting Not to Be Interrupted

106. When once begun, voting shall not be interrupted, except that before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer will instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, as long as the outcome of the vote is not changed. The Chief Clerk shall record any vote ~~changes~~ *change only after the Member making the change has announced it to the Assembly.*

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES

Order in Speaking to Questions

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor ~~except that the Speaker shall have first priority to the floor, the Majority Floor Leader shall have second priority to the floor, and the Minority Floor Leader shall have third priority to the floor~~.

No Member shall speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question shall have the right to open and close the debate thereon. No member shall be allowed to speak more than 10 minutes to open and five minutes to close the debate ~~thereon~~ *on any question other than proposed amendments to a bill, resolution, or motion*, and no Member other than the author or the mover of the question shall be allowed to speak more than five minutes thereon. *No Member shall be allowed to speak more than five minutes to open, and no more than five minutes to close, on proposed amendments to a bill,*

resolution, or motion. No Member shall yield to any other Member the time for which he or she is entitled to speak on any matter.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case shall not speak to the merits of the motion at that time and shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate thereon.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member shall not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. No Member shall absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. No Member shall obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business or is excused for nonattendance for personal business shall waive his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within one-half hour after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is recorded on the roll call for any votes. If a Member does not explain his or her reason for being late, any other Member may raise a point of order and the tardy Member's vote shall not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member shall forthwith be recognized by the Speaker, but shall not discuss a question in that explanation. Those matters of personal privilege yield only to a motion to recess or adjournment.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. After that objection, the question of reading shall be determined without debate by a

majority vote of the Members present and voting, upon a brief statement of its substance by the Speaker.

Members at Chief Clerk's Desk

113. No Member or other person shall be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order shall immediately take his or her seat, until the Speaker, without debate, shall have determined whether the Member is in order or not. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member shall be held to answer, or be subject to censure by the Assembly, for language used in debate, if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

A motion that the Committee of the Whole "do now rise and report back to the Assembly," shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but shall not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Committee on Policy Research Management

117. (a) There is a Committee on Policy Research Management which shall consist of the Majority Floor Leader, the Minority Floor Leader, and 12 other Members appointed by the Speaker. The chairperson of the committee shall be appointed by the Speaker from among the committee's membership.

(b) It shall be the duty of the Committee on Policy Research Management to ascertain the research needs of the Assembly and its committees with regard to policy development, legislative oversight and interim studies and to assist the committees in conducting these activities. In performing its duties, the Committee on Policy Research Management shall do all of the following:

(1) Develop procedures for establishing research priorities for the Assembly with regard to policy development, legislative oversight, and interim studies and recommend appropriate methods and resources to achieve these priorities.

(2) Establish means to coordinate the research work of the Assembly in order to avoid unnecessary duplication of staff effort.

(3) Review all bills that require policy research or studies for the purpose of advising the Committee on Rules as to the need for the research or studies and the appropriate methodology and staff resources necessary to conduct the research or studies.

Smoking of tobacco products is prohibited within any building or portion of a building occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. No person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests shall be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member shall be admitted only upon presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued. No lobbyist, as defined by Section 82039 of the Government Code, shall, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, shall not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

All guests shall be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber and shall not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative shall be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except Members of the Legislature, shall engage in influencing the passage or defeat of legislation in the Assembly Chamber.

No person other than a Member of the Legislature, the Sergeant at Arms or his or her assistants, the Chief Clerk or his or her assistants, or the Legislative Counsel or his or her representatives, shall be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended and his or her membership on any committee is suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice to the Controller, directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller shall not draw any warrant payable to that Member except as provided in this rule.

Eternal God, May the healing of Your presence be with us as we assemble on this Floor. Make what is done here this day a blessing for the people of California. Anoint these leaders, members and staff with an abundance of working energy that great tasks may be done in this room. Keep their hands to the plow and ever mindful of the perils which afflict our state. Save them from indifference and distractions which lead to neglect. Let not their feet tread safe paths or roads with a plethora of caution. Let sound and just legislation be the goal of all who labor here. May Your purposes challenge their eagerness and courage, so that when the day's end shall come, they may go forth rejoicing bringing their sheaves behind them.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Brown, Assembly Member Snyder then led the Assembly in the pledge of allegiance to the Flag.

An Anonymous Prayer

O Lord, Open my eyes that I may see the needs of others
Open my ears that I may hear their cries;
Open my heart so that they need not be without succor;
Let me not be afraid to defend the weak because of
the anger of the strong,
nor afraid to defend the poor because of the anger of the rich.
Show me where love and hope and faith are needed,
and use me to bring them to those places.
And so open my eyes and ears
that I may this coming day
be able to do some work of peace for Thee.

Almighty and Everliving God, Who is Beyond the Grasp of Our Highest Thought, but in Easy Reach of a Humble Prayer, Be near to us, as the beauty of the morning sun fills this room. Come to us in the wonder of Your light, as we deliberate and work the agenda of the day. Enrich our understanding of the heritage of our state's great need and current plight. Quicken our minds with new insights, as we embrace the task of keeping faith with the goals of yesteryears, and equating the promise today. O God, put courage into our hearts and wisdom into our minds. Let us not by any failure, be swayed. Give us a good look and a deeper faith in the possibilities of tomorrow in the life of California. Be with us, O Lord, at these desks, that we may live and work, some great purpose, this day.—AMEN.

Explanation of Vote—Assembly Bill No. 1684

May 24, 1993

TO: Assembly Desk
FROM: Margaret Snyder
RE: Explanation of Vote on AB 1684

When I returned from the ladies room today during Assembly Session, I confused AB 1684 with another bill. Thus, my vote was recorded as "aye" on this item, when I had intended to vote "no" on AB 1684.

Thank you for noting this misunderstanding.

PRAYER

Gracious God, How thankful we are for the night through which we have come, for sleep and rest and Your unending care. In this moment of quiet we ask Your blessing and guidance as we begin the work of the day. Grant that we may live this day abundantly, without hurt, sickness, or death. So undergird us, that we can match every responsibility and task before us. In everything, keep us mindful that we are ever in Your presence and You hear every word and know our every thought. Direct us as we deliberate on this floor. Bring to pass, in what we do, all that is good and just. Help us to keep in mind as we labor here, the people of this state, their needs and hope, their fears and pains, the belief they have in us. For all these, may we reaffirm our solemn pledge, to remember the peoples' needs, but guided by You.—AMEN.

COMMUNICATIONS

The following communication was presented by the Chief Clerk, and ordered printed in the Journal:

Explanation of Vote—Assembly Bill No. 155

May 27, 1993

Mr. E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

Dear Mr. Wilson: I would like to request that you print this letter in the Assembly Journal to clarify a change of vote that was not recorded on my behalf last week.

On May 20, 1993, at the end of the session I changed my vote on AB 155 (Connolly) from "no" to "aye" in the usual manner of signing a card indicating the change at the Assembly Desk. However, I inadvertently failed to announce the change aloud at that time, and consequently it was not recorded in the official record of the day.

Thank you for your attention to this matter.

Sincerely,

TERRY B. FRIEDMAN, Assembly Member
Forty-first District
