Dear Mr. Meyers:

Referring to your memorandum of May 15 addressed to Everall L. Adcock, past President of the California Federated Institute:

Mr. Adcock was appointed as the Legislative Advocate for this Association at the 1957 Legislature but the expense allowance as specified by our Executive Board for that purpose ceased when the Legislature adjourned. Therefore no financial reports were filed from that time.

The Executive Board has not as yet confirmed the appointment of the Legislative Advocate for the 1959 Legislature.

Dear Mr. Meyers.

I am in receipt of your letter of May 15, 1958, addressed to me as Legislative Advocate of the California Association of Chiropodists In it you indicate that I have not filed a financial report on Form 3 in recent months. This is true since I have not engaged in any legislative activity since my last report was filed with office of A Alan Post, Legislative Auditor.

Furthermore, I wish my name to be removed from the list of Legislative Advocates, since I will not be engaging in such work in the future. I would appreciate your office or that of Mr. Post sending me whatever forms are necessary to fill out to officially resign from such status.

Yours very truly,

Attention: Mrs. M.B. Smith

Dear Mrs. Smith:

Instead of sending you a carbon of the list which I sent you on August 23, 1958 I am making a new list as I omitted one name. I cannot understand how this list got lost, since I see by the carbon that it was sent to your office, addressed to Mr. Post.

I have also a carbon of the letter from the AAUW State President authorizing me to be an advocate, so I assume you have received this. In the past this has been sufficient authorization for me to submit my list of alternates. I hope this arrangement will be satisfactory this time.

Re: Registration of Advocates

Mrs. Smith--page #2

I am sending you another copy of the opinion of the Legislative Counsel regarding our filing of Form #3 in case this, too, was misplaced.

I will remind my advocates to pick up their Advocates' Certificates but, since only one or two of them will actually appear in the Capitol I expect they will have to be mailed to them. You know more about this than I.

As I think I explained before, we need this large group to insure an appearance at a given time, since these women are not always available. Also, our interests are wide, albiet mostly in the field of education.

Thank you for your patience and kindness in helping me with this.

Sincerely,

Wilda Towle Huffman

Thanks for your form letter and also the analysis of the law.

It is true that I have not engaged in such activity since my last report was filed in 1957.The fact is that I did not attend a single session during the year of 1957.

A complete report was made of the funds received during 1957 in the order they were received.No expenditures were made whatso ever.

I am not employed as a Legislative Advocate and do not receive remuneration for such.On occasion I appear merely as the Secretary of the above Association.

At present I have no plans for attending the next regular Session of the State Legislature.In fact I am hoping to retire by January 1, 1958,however that is not conclusive at this moment.

The reason I have refrained from reporting on a monthly basis I have nothing to report either in receipts or expenditures.Thanks very much for calling the matter to my attention.

Hoping to seeing you soon.With kind regards to you and yours Many thanks for yourpast favors.Would like to receive a late copy of the yearly Hand Book.The last one I received is dated 1955.

Very truly yours,

Instead of sending you a carbon of the list which I sent you on August 23, 1958 I am making a new list as I omitted one name. I cannot understand how this list got lost, since I see by the carbon that it was sent to your office, addressed to Mr. Post.

I have also a carbon of the letter from the AAUW State President authorizing me to be an advocate, so I assume you have received this. In the past this has been sufficient authorization for me to submit my list of alternates. I hope this arrangement will be satisfactory this time.

Dear Mr. Meyers:

This will acknowledge your recent form letter advising that a review of the reports filed by Legislative Advocates indicates that I have not filed any financial reports in recent months.

I have not engaged in any legislative activity during either the 1957 regular session of the Legislature or during the budget session in 1958. My registration as a Legislative Advocate was filed simply in the event that it became necessary at some time to appear before any committee of the Legislature or to consult with any member of the Legislature regarding problems of concern to this Association. It has not been necessary for me so to act since Mr. Herbert C. Davis of our staff has been able to take care of this work for us. I am sure you will find that Mr. Davis' reports have been filed in timely fashion as required by Section 9906 of the Government Code.

I trust the foregoing is the information you are seeking.

Yours sincerely,

Chas R Carry

Attention: Mrs. M.B. Smith

Dear Mrs. Smith:

Instead of sending you a carbon of the list which I sent you on August 23, 1958 I am making a new list as I omitted one name. I cannot understand how this list got lost, since I see by the carbon that it was sent to your office, addressed to Mr. Post.

I have also a carbon of the letter from the AAUW State President authorizing me to be an advocate, so I assume you have received this. In the past this has been sufficient authorization for me to submit my list of alternates. I hope this arrangement will be satisfactory this time.

My dear Mr. Meyers

Your List of Legislative Advocates and Organizations for 1957 shows that C. B. Moore is a duly qualified Legislative Advocate to represent the Western Growers Association.

However, under date of June 10, 1958, I advised you that Mr. Moore has been succeeded by Mr. Frank W. Castiglione who would present his credentials as Legislative Advocate for the Western Growers Association.

Inasmuch as the opening of the Legislature is fast approaching, will you please send me copies of all material and reports that will have to be filed by Mr. Castiglione to appear as a duly qualified Legislative Advocate to represent the Western Growers Association.

Your earliest attention to this request will be appreciated inasmuch as it is Mr. Castiglione's intention to be in Sacramento frequently.

Yours very truly,

Dear Mrs. Smith:

Instead of sending you a carbon of the list which I sent you on August 23, 1958 I am making a new list as I omitted one name. I cannot understand how this list got lost, since I see by the carbon that it was sent to your office, addressed to Mr. Post.

I have also a carbon of the letter from the AAUW State President authorizing me to be an advocate, so I assume you have received this. In the past this has been sufficient authorization for me to submit my list of alternates. I hope this arrangement will be satisfactory this time.
