ATTENTION Mrs. Margaret Smith

Dear Mrs. Smith:

This will acknowledge receipt of a form letter from Chairman Charles W. Meyers of the Special Assembly Committee on Legislative Representation, together with attachment, suggesting the possibility of registration during the month of December in order to comply with the provisions of Section 9906 of the Government Code, as amended by the 1955 session. In reference to such communication, I hereby depose and say that:

I incorporate by reference the statements set forth by me in my letter of February 5, 1951, addressed to Mr. A. Alan Post, Legislative Auditor. The undersigned is retained as a full time elected Secretary-Treasurer of the California Labor Federation, AFL-CIO, which was formed this month as the result of merger of the former California State Federation of Labor and the California Industrial Union Council. The California Labor Federation, AFL-CIO, is in all respects similar to the California State Federation of Labor, for which I formerly was Secretary-Treasurer, and is a bona fide labor organization with which most of the AFL-CIO unions in the State of California are affiliated. It is basically, fundamentally and primarily a labor organization, and is not concerned primarily with the influencing of legislatures or the members thereof. In view of the above, it is my opinion that neither I, nor the California Labor Federation, AFL-CIO, would be required to comply with the provisions of Section 9900 and following of the Government Code.

In order, however, to cooperate fully with the State Government, the undersigned has registered on a voluntary basis with both houses of the legislature, and has voluntarily submitted various statements, called for under provisions of the Government Code from time to time.

LEGISLATIVE ANALYST

December 29, 1958

At this time I wish to call your attention to my letter of May 20, 1958, and to state that I have not performed any services incurring any expenses or obtained any fees with respect to any period since that mentioned in my letter of May 20, 1958. As full time elected Secretary-Treasurer of the California Labor Federation, AFL-CIO, I receive a salary of $25,000 per year in addition to the actual expenses incurred while serving as the representative of that organization during legislative sessions as indicated by my previous filings made to your office, pursuant to Section 9906 of the Government Code.

With respect to matters which would otherwise be included within the provisions of the Government Code herein above referred to, I have never been convicted of a crime other than a traffic violation. I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code.

I assume that this communication will now bring my filing up to date currently, and will enable the prompt renewal of my certificate for the coming session, as indicated by you in your communication. Should any further information be required, I would be happy to furnish same upon request.

Yours very truly,

C. J. Haggerty

TO: LEGISLATIVE ADVOCATES

A review of the reports filed by Legislative Advocates pursuant to Section 9906 of the Government Code indicates that you have not filed any financial reports in recent months

The duty to file such reports is not confined to the period when the Legislature is in session, since the law specifies that monthly reports are to be filed by a Legislative Advocate "so long as his activity continues " Enclosed is a copy of the "Analysis of Law Relating to Influencing or Attempting to Influence Legislation" for your information

It may be that you have not engaged in such activity since your last report was filed On the other hand, if you have engaged in such activity since filing your last report, your report should be filed in compliance with the law

You will appreciate that this letter is written to enable this committee to carry out the duties imposed upon it by Section 9909 of the Government Code

Dear Sir:

Re: Legislative Advocate
Report Form No. 3

I find that I have not filed any monthly reports for 1958 as probably I should have under provisions of the Government Code, Sections 9900-9911. Will you please accept this letter in lieu of the twelve monthly forms. I am attempting to give you all of the data you request on Form 3.

My name is H. Harold Leavey. My business and Sacramento addresses and the address of my employer, California-Western States Life Insurance Company, is 2020 L Street, Sacramento. I received a salary during the year of 1958 of $25,980. I also received advances and reimbursements for travel and other expenses incurred, which under the rules of my employer I am required to account for on a weekly report basis. This aggregated $10,333.58.

In line with my understanding of the intent of paragraph 2 of your report form, I show hereafter the expenditures made relating in any way to legislative matters in the State of California. Those items having to do with Congressional matters, personal expenses relating to my family, and non-legislative matters I have not included.

In response to question 3, the total of all expenditures for the year is $2,194.00.

I have not caused to be published any articles or editorials in any paper, magazines or other publications.

The proposed legislation I am employed to support or oppose pertains to proposals affecting life and disability insurance and taxes upon companies writing such insurance.

If this letter does not suffice for 1958 reporting please advise.

Dear Sir

This is in reply to memorandum to Legislative Advocates which I received today.

I am enclosing a form of report which covers my activity during the 1957 session of the Legislature. The work which I did was principally legal in character. I did not contact any Legislators other than the author of the bills indicated on my report. I did not direct the activity of any other person in making such contacts. My sole function was to draft the bills and then present them to the committees to which they were assigned.

Since I am not now engaged in handling any Legislative matter, or contemplated Legislative matter, I believe my name should be striken from the list of representatives

Very truly yours,

Frank Loughran
