Attention Mrs. Margaret Smith

Dear Mrs. Smith

This will acknowledge receipt of a form letter from Chairman Charles W. Meyers, together with attachments, suggesting the possibility of registration during the month of December in order to comply with the provisions of Section 9906 of the Government Code as amended by the 1955 session. In reference to such communication, I hereby depose and say that.

In my opinion I am not employed by the California Labor Federation AFL-CIO to act as a lobbyist on its behalf. On the contrary I, as its president, am employed in the conduct of many of its activities and relationships with the organizations affiliated with the Federation in completely separate and different functions. It is basically, fundamentally, and primarily a labor organization, and it is not concerned with the influencing of legislatures or the members thereof.

In view of the above, it is my opinion that neither I nor the California Labor Federation AFL-CIO would be required to comply with the provisions of Section 9900 and following, of the Government Code.

However, in order to cooperate fully with the State government, the undersigned does register on a voluntary basis with both houses of the Legislature, and does voluntarily submit various statements called for under the provisions of the Government Code from time to time.

I previously reported as a representative of the California State Federation of Labor. Since my last report on the date of May 23, 1958, addressed to Assemblyman Meyers, I

Legislative Analyst
January 9, 1959

have not engaged in any activities concerning legislation until the current session. Since my last report the California State Federation of Labor and the California Industrial Union Council have merged into a single organization known as the "California Labor Federation AFL-CIO."

Ihave been advised that C. J. Haggerty, Secretary-Treasurer of the California Labor Federation AFL-CIO, has submitted to your office an authorization for me to represent the California Labor Federation AFL-CIO.

My salary for my total employment, which involves many matters aside from Legislative activities, is $1,250.00 per month.

I have never been convicted of a crime other than a traffic violation. I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code.

I assume that this communication will now bring my file up to date currently, and will enable prompt issuance of my certificate for the coming session as indicated by your communication.

Very truly yours,

Attention: Mrs. Margaret B. Smith

Dear Sir:

Please remove Mr. Robert Sherman and myself from the list of accredited legislative advocates representing the California Society of Designers. The original request came about due to ignorance on the part of Mr. Sherman and myself concerning the rules regarding legislative advocates. We are not paid legislative advocates. We are both officers in the California Society of Designers and in error thought that it was necessary to register as legislative advocates as long as we were representing the Society.

Attention Mrs. Margaret Smith

Dear Mrs. Smith:

This will acknowledge receipt of a form letter from Chairman Charles W. Meyers, together with attachments, suggesting the possibility of registration during the month of December in order to comply with the provisions of Section 9906 of the Government Code, as amended by the 1955 Session. In reference to such communication, I hereby depose and say that:

I incorporate by reference the statements set forth by me in my letter of August 6, 1952 addressed to Mr. Louis A. Boli, III, with copy to A. Alan Post, Legislative Auditor, and in that regard further state that in my opinion I am not retained by the California Labor Federation, AFL-CIO, to act as a lobbyist on its behalf. On the contrary, I am retained as General Counsel for that organization and as General Counsel have the obligation to advise it on all legal matters, including pending legislation, as well as to represent it in various types of litigation in which it may be involved. As a result, I am not employed as a lobbyist within the meaning of the provisions of the Government Code. In this respect, I also incorporate by reference my letter dated December 28, 1956 addressed to the Legislative Auditor, with copies to Assemblyman Meyers and Senator Murdy. It is to be noted, however, that effective this month the California State Federation of Labor was merged with the California Industrial Union Council and became the California Labor Federation, AFL-CIO. The California Labor Federation, AFL-CIO, is in all respects similar to the California State Federation of Labor, for which I formerly was General Counsel, and is a bona fide labor organization with which most of the AFL-CIO unions in the State of California are affiliated. It is basically, fundamentally and primarily a labor organization, and is not concerned with the influencing of legislatures or the members thereof. In view of the above, it is my opinion that neither I, nor the California Labor Federation, AFL-CIO, would be required to comply with the provisions of Section 9900 and following of the Government Code.

In order, however, to cooperate fully with the state government, the undersigned has registered on a voluntary basis with both houses of the legislature, and has voluntarily submitted various statements, called for under the provisions of the Government Code from time to time.

Accordingly, I desire to supplement my letter of August 10, 1955, addressed to Mr. Louis A. Boli, III, Executive Secretary and Counsel, Special Senate Committee on Legislative Representation, a duplicate copy of which was forwarded to A. Alan Post, Legislative Auditor, State Capitol, my letter of December 28, 1956 addressed to Legislative Auditor, with copies to Assemblyman Meyers and Senator Murdy, and my letter of May 19, 1958 addressed to A. Alan Post, Legislative Auditor, with copies to Assemblyman Meyers and Senator Murdy, and in that regard I allege that I have not performed any services, incurred any expenses or obtained any fees with respect to any period since that mentioned in my letter of May 19, 1958 with respect to matters which would otherwise be included within the provisions of the Government Code hereinabove referred to.

I have never been convicted of a crime other than a traffic violation.

I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code.

With respect to any appearance made by me during the legislative session on behalf of the California Labor Federation, AFL-CIO, in my capacity as General Counsel, I would be paid, in addition to my retainer of $500.00 per month, whatever fee is mutually agreed upon, depending upon the nature, type and extent of the work involved, in the same manner as I am paid for all other services rendered as General Counsel of the Federation.

There is no special arrangement with respect to any of my appearances before the Legislature while it is in session in Sacramento, nor are there any special provisions with respect to any expenses to be paid to me while I am so engaged.

I assume that this communication will now bring my filing up to date currently, and will enable the prompt renewal of my certificate for the coming session as indicated by you in your communication.

With respect to my authorization to act as General Counsel for the California Labor Federation, AFL-CIO, I am attaching herewith a copy of an authorization duly signed by C. J. Haggerty, Secretary-Treasurer of California Labor Federation, AFL-CIO.

Should you desire a separate specific communication regarding my authorization, please advise and I will comply with your request.

Very truly yours,

Charles P. Scully.

Dear Sir:

I hereby depose and say that everything contained in this letter is true and correct to the best of my knowledge, information and belief. This will supplement my letter of December 19, 1958 and I incorporate by reference the statements therein made in which I indicated that in my opinion I am not a lobbyist within the concept of the law but I am complying voluntarily in order that the Legislature might be fully advised.

Since my letter of December 19, 1958, I have received no compensation for services performed during the month of January, 1959 with respect to any activities which would come within the requirements of the so-called lobby law.

During the month of January, 1959, however, I incurred expenses in the sum of $74.34 with respect to my presence in Sacramento, no single item of which exceeded the sum of $25.00 and accordingly it is not itemized.

I hope this bring me in full compliance with the law.

Very truly yours,

Charles P. Scully.

This will supplement my letter of February 10, 1959, and I incorporate by reference the statements therein made in which I indicated that in my opinion I am not a lobbyist within the concept of the law but I am complying voluntarily in order that the Legislature might be fully advised.

Since my letter of February 10, 1959, I have received no compensation for services performed during the months of January and February, 1959, with respect to any activities which would come within the requirements of the so-called lobby law.

During the month of February, 1959, however, I incurred expenses in the sum of $170.99 with respect to my presence in Sacramento, no single item of which exceeded the sum of $25.00 and accordingly it is not itemized.

I hope this brings me in full compliance with the law.

Very truly yours,

Dear Mr. Post:

Having heretofore registered with you pursuant to Section 9906 of the Government Code, I file this statement pursuant to the third sentence of that Section.

During the month of April I spent less than one and one-half days in Sacramento on legislative work and spent about $16.00 for my own hotel accommodations and meals for which I was reimbursed. During the remainder of the month I was active at my desk in San Francisco as Manager of Public Affairs and Agricultural Departments of the San Francisco Chamber of Commerce. My duties here included, among many other assignments, correspondence with members of the State Legislature as to the position of the San Francisco Chamber on various bills. It is estimated that less than $200.00 of my regular monthly salary could be attributable to this type of activity.

Very truly yours,

Randle P. Shields

Instead of sending you a carbon of the list which I sent you on August 23, 1958 I am making a new list as I omitted one name. I cannot understand how this list got lost, since I see by the carbon that it was sent to your office, addressed to Mr. Post.

I have also a carbon of the letter from the AAUW State President authorizing me to be an advocate, so I assume you have received this. In the past this has been sufficient authorization for me to submit my list of alternates. I hope this arrangement will be satisfactory this time.

Attention Mrs. Margaret Smith

Dear Mrs. Smith

Pursuant to provisions of the Government Code, I am hereby filing for registration under the legislative advocate's law as a representative and staff member of the California Labor Federation AFL-CIO, and hereby depose and say

The California Labor Federation is basically, fundamentally and primarily a labor organization and is concerned only incidentally with the influencing of legislation. In view of the above, it is my opinion as a staff member and representative of the California Labor Federation that I am not required to comply with the provisions of Section 9900 and following of the Government Code. I nevertheless wish to cooperate with the state, and hereby attest to the following (1) That I have never been convicted of a crime other than a traffic violation, (2) that I have not engaged in any conduct which would be considered a violation of Section 9910 of the Government Code and (3) that with respect to any appearance by me before the legislature, such appearance is part of my continuing employment with the California Labor Federation at the salary of $10,000.

Further, in regard to my duties I am reimbursed for my natural expenses incurred in my usual activities.

I assume that this information will enable the prompt issuance of my certificate for the present session.

With respect to my authorization to act as a staff member and representative of the California Labor Federation AFL-CIO, I am attach-
