(F) Available reports by the independent auditors, with a notice of the place and the expected time at which auditors' reports not yet available can be examined.

Section 909 of Article IX is amended to read as follows:

Section 909. BONDED DEBT OR TAX LEVY. Whenever the City Council shall determine that the public interest requires the construction or acquisition or completion of any public improvement or utility, the cost of which, in addition to the other expenditures of the City, will exceed the income and revenue provided for in any one year, it may, by ordinance, submit a proposition to incur a general obligation bonded indebtedness and specifying the maximum interest rate thereof, or levy a special tax for such purpose, and proceed therein as provided in Section Eighteen of Article Sixteen of the Constitution of this State and general law or laws thereof, and that the bond issue therefor shall be sold to the highest bidder, after advertising for sealed proposals; provided that the City Council may reject any and all bids.

Sections 912 thru 913 of Article IX are amended to read as follows:

Section 912. INDEPENDENT AUDIT. At the beginning of each fiscal year, the City Council shall employ a certified public accountant who shall, at such times as may be specified by the City Council, examine the records, books, inventories, and reports of all officers and employees who receive, handle, or disburse City money, and the books, records, inventories, and reports of such officers, employees, or departments as the City Council may direct. The accountant shall make such periodic reports to the City Council as it may direct, and as soon as practicable following the close of the fiscal year, the accountant shall make a final audit and report in writing to the City Council.

Section 913. CAPITAL PROJECT FUND. There is created a special fund known as the "Capital Project Fund" which shall be used to account for financial resources which are to be expended only for the acquisition, construction, replacement or repair of municipal improvements, as defined in California Government Code 43601 as of July 1, 1971, or for payments of principal and interest on funds borrowed for such purposes. The Capital Project Fund shall receive monies as designated by the Charter or City Council from time to time. Expenditures and transfers from the fund, other than for specific municipal improvements projects as defined above, shall be authorized only upon a majority vote of the people.

Sections 1001 thru 1003 of Article X are amended to read as follows:

Section 1001. CONTRACTS. All contracts shall be in writing, and shall be executed in the name of the City of Pasadena by an officer or officers authorized to sign the same. All contracts shall be approved as to form by the City Attorney before the execution thereof.

All contracts shall be approved by the City Council except contracts under $75,000 or such lower limit as may be established by ordinance.

Section 1002. CONTRACTS REQUIRING COMPETITIVE BIDS. Except as otherwise provided in this Charter, no contract for supplies, material, labor, or other valuable consideration, to be furnished to the City shall be authorized by the City Council except with the lowest and best bidder after competitive bidding. The City Council may reject any and all bids.

Competitive bidding shall not be required under this Charter for:

(A) Labor or services rendered by any City officer or employee.

(B) Labor, material, supplies or services furnished by one City department to another City department.

(C) Contracts for labor, material, supplies, or services available from only one vendor.

The City Council shall prescribe by ordinance a system of competitive bidding including such definitions, publication requirements, conditions, terms, rules and regulations and with such exceptions as the City Council shall prescribe not inconsistent with this Article.

Sections 1005 thru 1006 of Article X are amended to read as follows:

Section 1005. SALE OF PROPERTY. The City Council shall provide, by ordinance, for uniform methods for the sale or exchange of real and personal property not needed by the City.

Section 1006. CONTRACTS FOR PUBLIC UTILITIES. The respective officers in charge of water and power utilities operated by the City may contract for the sale of the products, commodities, and services of their departments in accordance with forms and regulations approved by the City Manager and City Attorney, and at rates fixed by the City Council.

Sections 1010 thru 1011 of Article X are amended to read as follows:

Section 1010. DEMANDS. All demands against the City must be in writing, must specify the date, nature, and amount of each item included therein and may be in the form of a bill, invoice, payroll, or formal demand. Each such demand shall be presented to the Director of Finance, who shall examine and audit the same. If the amount is legally due and there remains on his or her books an unexpended balance of an appropriation against which it may properly be charged, he or she shall approve such demand and cause the same to be paid from the City treasury, charging the proper fund. Otherwise, he or she shall reject it.

The City Council may overrule such rejection and order the demand paid. If funds are insufficient, the demand shall be registered, and all registered demands shall be paid in the order of their registration when funds therefor become available.

Section 1011. CLAIMS AGAINST THE CITY.

(A) To the extent that the laws of the State of California set forth a procedure applicable to claims specified therein against local public entities and public officers and employees thereof, such State laws shall, from and after January 14, 1963, govern such claims to the exclusion of the provisions of this Charter and all ordinances of this City.

(B) Subject to the provisions of subsection (A) of this Section, and except in those cases where a different period of time is otherwise specified by law, all claims or demands which are based on a cause of action accruing from and after January 14, 1963, against the City, or any board or department thereof, or any officer or employee thereof for an act or omission during the course of his or her service or employment, shall be presented within one year after the accrual of the cause of action.

(C) For the purpose of computing the time limit prescribed by this Section, the date of the accrual of a cause of action to which a claim relates is the date upon which the cause of action accrued within the meaning of the applicable statute of limitations.

(D) Any claim rejected in whole or in part by any officer of the City whose approval may be required, may be presented to the City Council within thirty days after such rejection, and must be so presented before the bringing of any suit against said City or any officer, employee, board or department thereof in his or her or its official capacity, and suit on any claims shall be brought within six months after the rejection of such claim in whole or in part by such City Council. When any claim is in part allowed and in part rejected by said City Council, the claimant may refuse to accept such partial allowance and bring suit for the entire amount of such claim, but if any such partial allowance is accepted, no suit shall be brought or maintained upon such claim.

Section 1101 of Article XI is amended to read as follows:

Section 1101. GRANTING OF FRANCHISES. The City Council may grant a franchise to any person, partnership, corporation, or other legal entity capable of exercising the privilege conferred, whether operating under an existing franchise or not, and may prescribe the terms, conditions and limitations of such grant, including the compensation to be paid to the City. The City Council may, by the affirmative vote of five members, prescribe by ordinance the method for granting franchises, together with additional terms and conditions for making such grants. In the absence of such provision, the method provided by the general laws of the State of California shall apply.

Section 1104 of Article XI is amended to read as follows:

Section 1104. PROCEDURE FOR GRANTING FRANCHISE. Before granting any franchise, the City Council shall adopt a resolution declaring its intention to grant a franchise and stating the name of the

proposed grantee, the character of the proposed franchise, and a general summary of the terms and conditions upon which it is proposed to be granted. Such resolution shall set forth the day, hour, and place when and where any person having an interest in or objecting to the granting of such franchise may appear before the City Council and be heard. Said resolution shall be published at least once, not less than ten days prior to said hearing in a newspaper of general circulation in the City. After hearing all persons desiring to be heard, the City Council may, by ordinance, grant the franchise. No ordinance granting a franchise shall be adopted as an emergency measure, but shall be subject to the referendary power reserved to the people.

Sections 1201 thru 1208 of Article XII are amended to read as follows:

Section 1201. DISTRICTS. The City Council shall, by ordinance, establish seven districts which shall be used for all elections of Councilmembers. Said districts shall be as nearly equal in population as practicable and such redistricting shall be in compliance with applicable laws.

Section 1202. DISTRICT PRIMARY ELECTIONS. On the sixth Tuesday preceding the general municipal, a district primary election shall be held in those districts of the City wherein the terms of office of Councilmember expire in that year, for the purpose of nominating candidates to be voted on at the general municipal election, and for such other purposes as the City Council may prescribe.

Section 1203. NOMINATING PETITION. Any voter residing within a district who desires to become a candidate for the office of Councilmember from that district to be filled at such general election shall file with the City Clerk, not earlier than 75 days and not less than 60 days prior to the primary nominating election, nominating papers signed by not less than 25 qualified voters of such district, and accompanied by a filing fee of $25.00.

Section 1204. CANDIDATES. The two persons receiving the highest number of votes at the primary election for the candidates for office of Councilmember from that district shall be the candidates for election by that district's voters and only their names shall be printed upon the ballot to be used in that district at the general municipal election. Any person who, at the district primary election, shall receive a majority of the total vote cast for candidates for said office shall be elected to such office as such member of said City Council.

Section 1205. GENERAL MUNICIPAL ELECTION. For the election of Councilmembers under this Charter, and for such other purposes as the City Council may prescribe, a general municipal election shall be held biannually throughout the City on the third Tuesday in April of every odd-numbered year.

Section 1206. SPECIAL ELECTIONS. Any other municipal election that may be held by authority of this Charter, the Constitution of the State of California, or any law under which the City may act shall be known as a special municipal election. A special election may be called by the City Council by ordinance or resolution.

Section 1207. CANVASS OF ELECTIONS. The City Council shall canvass the returns of election on the first Monday after the election and at their usual time and place of meeting, unless otherwise provided for in the ordinance or resolution calling the election.

Section 1208. PROCEDURES FOR CONDUCTING ELECTIONS. Unless otherwise provided by ordinance, all municipal elections shall be held in accordance with the provisions of the Elections Code of the State of California, as the same now exists or may hereafter be amended, governing municipal elections. The conduct of all City elections shall be under the control of the City Council, and the City Council shall, by ordinance or resolution, provide for the holding of each City election.

Section 1404 of Article XIV is amended to read as follows:

Section 1404. SEPARATION OF FUNDS. All money and property received by the City in payment for water or electrical energy and for any service rendered in connection therewith, or from the sale, lease, or other disposition of any property acquired with funds or property of either of said utilities; from the proceeds of any bonds issued for the purpose of either of said utilities; or from any special taxes at any time authorized for the purposes of either of said utilities shall be exclusively devoted to and appropriated for the purposes of said utilities as in this Section required. However, nothing herein shall be deemed to prevent uses of such property for purposes not inconsistent with the purpose for which such property is held. Funds of each utility shall be kept separate and shall be limited to the use of that utility. The funds of the water and the power utilities shall be known and designated as "Water Fund" and "Light and Power Fund", respectively. No transfer of real property, nor of any personal property exceeding in value $10,000.00, shall be made from either of said utilities to the other or to any other department of the City in any manner other than by ordinance or resolution of the City Council.

Sections 1406 thru 1409 of Article XIV are amended to read as follows:

Section 1406. INVESTMENT OF FUNDS. On authorization of the City Council, any surplus utility funds may be invested in any bonds issued by the City of Pasadena, or any bonds issued by any school district situated in whole or in part in the City, or any bonds or certificates of indebtedness issued by the State of California or the United States, or in banks in interest-bearing accounts, and any such securities may be sold and the proceeds of such sale may be invested in other such securities. Interest earned from such funds shall go to the credit of the respective utility interest expense account. In authorizing the investment of any such surplus funds, preference over other securities shall be given by the City Council to the bonds of the City issued for the purposes of either utility. No officer shall be personally liable for any loss to the City arising out of any such investment, unless such loss shall be the loss of the securities themselves due to the negligence or malfeasance of such officer.

Section 1407. ANNUAL CONTRIBUTION FOR MUNICIPAL IMPROVEMENTS AND BOND REDEMPTION. Each fiscal year the City Council shall transfer from the Light and Power Fund an amount equal to eight percent (8%) of the gross income of the electric works received during the immediately preceding fiscal year from the sale of electric energy at rates and charges fixed by ordinance. The sum so determined shall not exceed one-half of the net income of the electric works as shown by the books of account of the power utility, after payment of the maintenance and operating expenses of such works, the expense of conducting the power utility, depreciation, and the principal, interest and premiums, if any, upon the redemption thereof, of electric works revenue bonds. Said sum shall be transferred to the General Fund of the City by resolution not earlier than the receipt of the report by an independent certified public accountant on the examination of such books of account nor later than the first day of June next succeeding the date of determination of the amount to be transferred. Nothing herein contained shall prohibit an advance of not to exceed seventy-five percent (75%) of the estimated amount prior to the receipt of the said report.

Notwithstanding anything herein contained, if the City Council at the time of or before the adoption of the budget shall determine that the transfer of such amount from the Light and Power Fund would be detrimental to the proper functioning and administration of the utility during the budget year under consideration, the City Council may so declare by resolution. In this event no transfer of such amount shall be made thereafter within that fiscal year. If, however, it shall determine that the transfer of an amount less than the eight percent (8%) would not be detrimental to the proper functioning and administration of said utility during the budget year under consideration, the City Council may so declare by resolution and shall transfer the smaller amount.

The sum thus transferred in any fiscal year shall be expended only for the following purposes and shall be applied first to the payment of interest and principal on any bonds of the City which are or shall become wholly payable that fiscal year out of monies received from general taxes of the City, and second to municipal improvements included in the budget of City for that fiscal year. For the purposes of this section "municipal improvements" are those items included in Section 43601 of the Government Code as of July 1, 1971.

Section 1408. ANNUAL CONTRIBUTION FOR ANY MUNICIPAL PURPOSE. Each fiscal year the City Council shall transfer from the Light and Power Fund an amount equal to eight percent (8%) of the gross income of the electric works received during the immediately preceding fiscal year from the sale of electric energy at rates and charges fixed by ordinance, and from the Water Fund an amount equal to six percent (6%) of the gross income of the water works received during said preceding fiscal year from the sale of water at rates and charges fixed by ordinance. Said amounts shall be in addition to the amount authorized to be transferred by Section 1407, and shall be transferred at the same

time and in the same manner as the amount provided in Section 1407. The amounts thus transferred may be expended for any municipal purpose.

The amount to be so transferred from the Light and Power Fund shall not exceed one-half of the net income of the electric works as said net income is defined in the first paragraph of Section 1407. The amount to be so transferred from the Water Fund shall not exceed the net income of said Fund as shown on the books of account of the water utility after payment of the maintenance and operating expenses of the water works, the expenses of conducting the water utility, depreciation, and the principal, interest and premiums, if any, upon the redemption thereof, of water works revenue bonds.

Notwithstanding anything herein contained, if the City Council at the time of or before the adoption of the budget shall determine that the transfer of such amount from the Light and Power Fund or from the Water Fund would be detrimental to the proper functioning and administration of the two utilities during the budget year under consideration, the City Council may so find by resolution, and, in such event, no transfer of such amount shall be made within that fiscal year. If the City Council shall determine that the transfer of an amount less than eight percent (8%) from the Light and Power Fund or of an amount less than six percent (6%) from the Water Fund would not be detrimental to the proper functioning and administration of these utilities during the budget year under consideration, the City Council may so declare by resolution, and shall transfer a smaller amount.

Section 1409. OTHER APPROPRIATIONS. Whenever the City Council determines that the surplus or reserve in the Light and Power Fund is in excess of reasonable future needs of the power utility, such excess may be appropriated for other municipal purposes, provided that such appropriation be made by an ordinance stating its purpose, and further provided that such ordinance shall not be effective until submitted to the people and approved by two-thirds of the qualified electors voting.

Sections 1412 thru 1414 of Article XIV are amended to read as follows:

Section 1412. REVENUE BOND ORDINANCE. Whenever the City Council proposes the issue revenue bonds pursuant to this Article, it shall adopt an ordinance authorizing the issuance of such bonds which shall recite the objects and purposes for which the bonds are to be issued, the principal amount of the bonds, the maximum rate of interest to be paid, the date of issue of said bonds, the maturity dates thereof, and the fund from which the bonds and the interest thereon and premiums upon the redemption of any thereof are to be payable and such provisions authorized by Section 1413 of this Article as the City Council deems desirable. Said bonds shall be negotiable. The recitals of regularity of proceedings in any revenue bond issued and sold under this Article shall be conclusive evidence of compliance with the provisions of this Article and of the validity of such bond.

Section 1413. REVENUE BONDS: TERMS AND CONDITIONS. In the ordinance authorizing the issuance of said bonds, the City Council may also fix additional terms and conditions thereof and may in any article, section or clause thereof make such provision as it may deem necessary or desirable to facilitate the issuance and sale of the bonds or for the protection or security of the holders thereof, including, without affecting the generality of the foregoing, provision for any or all of the following:

(A) The denomination or denominations of the bonds, the medium payment thereof, the place or places of payment thereof, which may be within or without the State of California, the form of said bonds (including recitals of regularity) and of interest coupons pertaining thereto, the form, denomination, and conditions of any temporary bonds or interim certificates, and the manual and facsimile signatures to be affixed to said bonds or certificates (one signature upon which must be manual) and the manual or facsimile signature to be affixed to interest coupons.

(B) The terms and conditions under which said bonds may be issued, sold, paid, redeemed before maturity (including the premiums, if any, to be payable upon bonds redeemed prior to maturity), exchanged, registered, transferred, and negotiated.

(C) Rates to be charged for services furnished by the public utility added to, extended, improved, or repaired with the proceeds of said bonds (or in the case of refunding bond, with the proceeds of the bonds to be refunded), such rates to provide revenue at least sufficient to pay, as the same become due, principal and interest of such bonds, and all other obligations payable from the Revenue Fund of such works (or from any fund derived therefrom) and the necessary expenses of maintaining and operating such works, and the extent to which such services may be furnished or rendered to the City or to any public corporation or body, free or at lower rates than otherwise charged.

(D) The Revenue Fund from which said bonds and the interest thereon shall be paid; the collection, deposit, and safekeeping of the revenue; the permissible uses thereof, including restrictions upon or prohibitions against any contributions provided for in this Article; provided, however, that nothing in this Article or in any ordinance authorizing the issuance of revenue bonds hereunder or in any resolution or order in the revenue bond proceeding shall prevent, restrict, or prohibit the payment from the revenues of the necessary or proper expenses of maintenance and operation and conduct of the utility prior to the payment of principal and interest of the revenue bonds or the setting aside in the bond service, sinking, redemption, reserve, or other fund, monthly or otherwise, of funds therefor; the special fund or funds to be pledged and kept for the payment of principal and interest of the bonds, including reserve, sinking, bond service, redemption, and trust funds, and any revenue bond payable from the Revenue Fund of a public utility may be paid from any such special fund set up therefor; the permissible

investments for monies in said funds or any thereof; the accounts and records to be kept, audits thereof and examination thereof by bondholders and others.

(E) The carrying of insurance upon such public utility or any part thereof against any or all risks, and in case of loss the application of the insurance proceeds.

(F) Prohibitions against or limitations upon the sale, lease, or other disposition of such public utility.

(G) Prohibitions or limitations upon the issuance of any additional bonds payable from the revenues of the public utility so added to, extended, improved, or repaired with the proceeds of said bonds, but no bonds shall be issued pursuant to this Article or under any other provision of this Charter or any other law having any priority in payment of principal or interest out of such revenues over revenue bonds theretofore or thereafter issued and payable out of said revenues.

(H) Provisions whereby the consent or agreement of a stated percentage or number of the holders of the bonds may bind all holders to modifications of the provisions of any ordinance, resolution, or order authorizing or providing for the issuance of such bonds, or to a refunding of said bonds and to calls or exchanges in connection with such refunding.

(I) For the issuance of a duplicate in the manner and upon such terms and conditions as the City Council may determine, in the event any bond, temporary bond, coupon or interim certificate of any such issue is lost, stolen, destroyed, or mutilated.

(J) Any other provision valid under the Constitutions of the State of California and the United States of America which the City Council deems necessary or desirable to facilitate the issuance and sale of said bonds or for the protection of holders thereof.

Such ordinance shall be subject to referendum in the manner that other ordinances of the City are subject to referendum. The ordinance authorizing the issuance of said bonds and all other ordinances, resolutions or orders in the proceeding for the issuance of said bonds shall constitute a contract with the holders of the bonds, and such contract may be enforced by any holder by mandamus, injunction, or any applicable legal action, suit, proceeding, or other remedy.

Section 1414. REVENUE BONDS: LIMITATIONS. The following limitations shall apply to the issuance of bonds under this Article:

(A) Said bonds shall be payable within not more than forty years from the date of issue thereof, and not less than one-fortieth part of the whole of any issue of bonds shall be payable annually beginning not later than ten years from the date of such issue.

(B) Said bonds shall be designated "Revenue Bonds" and such bond shall state on its face that it does not constitute an indebtedness of the City of Pasadena but is an obligation payable, principal and interest, only from the Revenue Fund of the utility for which the proceeds of the bonds will be used.

(C) Said bonds shall be sold only at public sale following such notice as the City Council by resolution or order may prescribe; provided, however, that if no satisfactory bid is received pursuant to such notice the City Council may reject all bids received, if any, and thereafter sell said bonds at public or private sale: provided, further, that the provisions of this subsection shall not apply to the exchange of any refunding bonds. Any such revenue bonds may be sold at a fixed rate of interest or the bidders may be invited to state the rate or rates of interest at which they will purchase said bonds, but no rate on any of the bonds shall exceed the maximum rate stated in the ordinance authorizing the issuance of such bonds. If the bidders are invited to state the interest rate or rates, then upon the acceptance of a bid the City Council shall by resolution or order, which shall not be subject to referendum, fix such interest rate or rates as have been bid by the successful bidder as the rate or rates of interest on the bonds.

(D) Said bonds shall be sold for not less than par and accrued interest to date of delivery. The proceeds from the sale (except premium and accrued interest which shall be paid into the Bond Service or other fund designated or established for the payment of principal and interest of the bonds) shall be paid into the construction fund designated by the ordinance authorizing the issuance of such bonds, and not into the "Water Fund" or the "Light and Power Fund", and shall be applied exclusively to the objects and purposes set forth in such ordinance; provided, however, (1) that the Revenue Fund from which the bonds are payable may be reimbursed from such proceeds for expenditures for purposes for which the bonds were issued made from such Revenue Fund after the ordinance authorizing the issuance of such bonds became effective, (2) that said proceeds may be used for the payment of interest on said bonds during the period of acquisition and construction and for the first six months thereafter, and (3) that when the objects and purposes for which the bonds were issued have been accomplished any remaining unexpended funds derived from the sale of said bonds shall be used for the payment of the principal and interest of said bonds.

Section 1509.15 of Article XV is amended to read as follows:

Section 1509.15. SERVICE RETIREMENT; RETIREMENT ALLOWANCE. (A) Members have the optional right to retire for service as set forth herein upon electing the right to so retire and upon retirement for service shall receive a service retirement allowance equal to 1/50 of the member's final compensation, times the member's number of years of service, times an actuarial equivalent at his or her actual retirement age as set forth in the following table, provided that in no event shall the initial service retirement allowance exceed seventy-five percent (75%) of the member's final compensation:

AGE AT RETIREMENT	ACTUARIAL EQUIVALENT
46	.8226
47	.8678
48	.9085
49	.9522
50	1.0000
51 and over	1.0516

(B) The following table of age at retirement and actuarial equivalents shall be operative in whole or in part to the calculations set forth in subsection (A) of this Section when the cost to the City as contributions for current and past service, including benefits added by modification of the System from time to time, excluding contributions of City concerning charter provisions in effect prior to July 1, 1935, does not exceed 15.50 percent of members' compensation paid during the said year the following table becomes operative. If, as the result of a periodical actuarial valuation and investigation taking into consideration reductions in prior service obligations of City and the earnings of the Fund, the foregoing conditions are met, the City Council shall, by ordinance or resolution, establish the effective date of the new retirement rates, which date shall be within 90 days of the filing of the said actuarial report.

Said equivalents shall be applicable only to those members retiring after said valuation, investigation and determination by the said City Council and subject to the formula and limitations of subsection (A) of this Section:

AGE AT RETIREMENT	ACTUARIAL EQUIVALENT
52	1.1078
53	1.1692
54	1.2336
55 and over	1.3099

Section 1509.73 of Article XV is amended to read as follows:

Section 1509.73. CONTINUATION OR EXTENSION OF BENEFITS TO HANDICAPPED DEPENDENT CHILDREN. Notwithstanding anything to the contrary herein, benefits payable herein to an unmarried child under the age of 21 years shall not terminate or otherwise be withheld or denied regardless of age, if such person shall be a handicapped dependent child as defined in Section 1504. Should said child be determined to be a handicapped dependent child then benefits otherwise payable to an unmarried child under the age of 21 years shall continue or be initiated regardless of age, for so long as said child remains an unmarried handicapped dependent child. The City Council shall establish, by ordinance, standards and procedures for the determination

and termination of eligibility for benefits payable herein to handicapped dependent children. The Retirement board shall determine eligibility for benefits payable to a handicapped dependent child in accordance with the aforesaid ordinance standards and procedures.

Section 1509.81 of Article XV is amended to read as follows:

Section 1509.81. COST OF LIVING BENEFITS, FUNDING OF. For the purpose of paying increased benefits according to Section 1509.8 hereof, the City and members shall, for the 10 consecutive years ending June 30, 1987, each contribute to the Retirement Fund an amount equal to 2.5% of the member's compensation and thereafter, the City and members shall each contribute to said Retirement Fund either an amount equal to 2.5% of the member's compensation or an amount equal to that percentage of the member's compensation as determined by and based upon an actuarial reserve basis pursuant to the then current actuarial studies at the discretion of the City Council for such period of time as the said City Council shall determine. The required contributions of members shall be required as a deduction from the compensation of each member.

ARTICLE XVI
PARK PRESERVATION

Sections 1601 thru 1603 of Article XVI are amended to read as follows:

Section 1601. USE AND DISPOSITION OF PARK PROPERTY. All dedicated park land owned by the City shall be used only for park and recreational purposes, and shall not be sold, transferred or used for other purposes, except upon the approval of a majority of the voters at an election held for such purpose. The City Council shall adopt by ordinance regulations to preserve and protect such dedicated park land. For purposes of this Charter, "dedicated park land" means property now owned or hereafter acquired which has been dedicated by ordinance and used for park and recreation use.

Nothing in this Article shall supersede the provisions of Article XIV of this Charter, nor shall it prohibit or preclude the transfer between the funds or the general fund of real property paid for out of the Water or Light and Power Funds of City without a vote of the people, so long as the use is compatible with park and recreation use in the discretion of the City Council.

As used in this Article, "park and recreation use" means and includes active recreational uses such as organized and leisure athletic and sports activity and unorganized play; cultural activities such as plays, concerts, festivals, exhibitions and shows; passive recreational activities such as picnics and public gatherings; the use of existing structures by community organizations; commercial activities incidental to park and recreational activities such as the sale of food and beverages; and parking.

Section 1602. STREETS—OPENING AND WIDENING. The City Council may, without a vote of the people, authorize by resolution the opening and widening of streets or the installation of public utilities or

sanitary sewers through dedicated park land by the City. After notice and hearing and upon a finding that the public interest requires such action, said resolution shall be adopted by vote of not less than 2/3rds of the members of the City Council. The City Council may impose terms and conditions upon the authorization consistent with this Article.

Section 1603. PRESERVATION OF PARK PROPERTY. When dedicated park land is sold or its use changed pursuant to the provisions of Section 1601, land of comparable area or value in the same region of the City shall be acquired or dedicated for park purposes, unless otherwise approved by the voters at said election. If replacement is impractical, the market value of such land shall be placed in a "Park Acquisition Fund" for park acquisition or development as the City Council may determine.

(2) The provisions of Subsection (a) shall not prevent such retired person from serving on any board or commission of the city and county and receiving the compensation for such office, provided said compensation does not exceed $100 per month.

(3) If such retired person is elected or appointed to a position or office which subjects him/her to membership in the retirement system under Section 8.588, he/she shall re-enter membership under Section 8.588 and his/her retirement allowance shall be cancelled immediately upon his/her re-entry. The provisions of Subsection (a) of this section shall not prevent such person from receiving the compensation for such position or office. The rate of contributions of such member shall be the same as that for other members under Section 8.588. CHARTER AMENDMENTS—GENDER NEUTRALITY.

Section 405. Judge of qualifications.

The Council shall be the judge of the election and qualification of its members, including the Mayor, and of any other elective officer, and of the grounds for forfeiture or loss of their respective offices, and for that purpose shall have the power to subpoena witnesses, administer oaths and require the production of evidence. A member, or the Mayor, or the holder of any other elective office, charged with conduct constituting grounds for forfeiture or loss of his or her office shall be given, if he or she so demands, an opportunity to be heard in his or her own defense at a public hearing after reasonable notice to such members.

Section 406. Holding Other Office.

Except as authorized by this Charter, no member of the Council shall hold any other City office or City employment, other than Mayor, during the term for which he or she was elected to the Council; provided and excepting, however, that a member of the Council may become a member of any advisory, administrative or governing body of any special purpose district, entity, organization or committee when such is authorized by State law or where the offices are not incompatible.

Section 409. When Office Becomes Vacant.

The office of a member of the Council or of the Mayor becomes vacant on the happening of any of the following events before the expiration of such officer's term:

(a) The death of the incumbent;

(b) Insanity of the incumbent, when determined by a final judgment or final order of a court of competent jurisdiction;

(c) Resignation of the incumbent;

(d) The incumbent ceases to satisfy any requirements for retention of his or her office which are set forth elsewhere in this Charter;

(e) Removal of the incumbent from office;

(f) Absence of the incumbent from the State of California for more than sixty (60) days, unless either upon business of the City or with the consent of the Council. In the case of illness or other urgent necessity, and upon a proper showing thereof, the time limited for absence from the State shall be extended by the Council;

(g) The incumbent ceases to discharge the duties of his or her office for a period of three (3) consecutive months except when prevented by sickness or when absent from the State with permission required by this Charter;

(h) The incumbent being convicted of a felony or of any offense involving a violation of his or her official duties;

(i) The refusal or neglect of the incumbent to file his or her official oath or bond, if such is required by law, within the time prescribed by law;

(j) The decision of a competent tribunal declaring void the incumbent's election or appointment;

(k) The making of an order vacating the incumbent's office or declaring his or her office vacant when he or she fails to furnish an additional or supplemental bond if such is required of him or her by law;

(*l*) The commitment of the incumbent to a hospital or sanitarium, by a court of competent jurisdiction, as a drug addict, dipsomaniac, inebriate, or stimulant addict; but in such event the office shall not be deemed vacant until the order of commitment has become final;

(m) The incumbent's absence from five (5) consecutive regular meetings of the Council, unless excused by written resolution of the Council. No such excuse shall operate retroactively. No resolution shall excuse an incumbent's absence from more than five (5) consecutive regular meetings immediately following the date of adoption of such resolution although additional resolutions may be adopted excusing an incumbent's absence from not more than five (5) additional regular meetings immediately following the date of each such resolution. For purposes of this subsection, regular meetings from which an incumbent has been absent shall not be deemed consecutive if separated by one or more regular meetings at which such incumbent has been present or his or her absence from which has been excused by the Council. Also, for

purposes of this subsection, "regular meetings" shall not be deemed to mean or include "regular adjourned meetings", "special meetings", or any committee meetings.

Section 503. Vice-Mayor.

At the second meeting of the Council following July 1, 1973, and at the second meeting of the Council following the end of each even-numbered year within which a general municipal election is required to be held, and also at the second meeting of the Council following the appointment of a person to the Council to fill a vacancy, the Council shall elect one of its members as Vice-Mayor who, until a person is appointed to succeed him or her, or until his or her office otherwise becomes vacant, shall serve as Vice-Mayor during the temporary absence or inability of the Mayor to discharge the duties of his or her office. In case of the temporary absence or disability of both the Mayor and Vice-Mayor, the Council shall elect one of its members to act as Mayor Pro Tempore.

Section 704. Acting City Manager.

The City Manager may appoint, subject to approval of the Council, or if he or she fails to do so the Council may appoint, an officer of the City as Acting City Manager to exercise and perform the powers and duties of the City Manager during the temporary absence or disability of the City Manager.

Section 803. Office Of City Attorney.

The office of City Attorney is hereby established. The City Attorney shall be an attorney at law, and shall be licensed to practice law in the State of California. (c) Advise the Council and all City boards, commissions and officers in all matters of law pertaining to their offices or their powers and duties;

(d) Perform other legal services required by the Council.

The Council may retain or employ, by contract or otherwise, other attorneys to take charge of any litigation or legal matter or to assist the City Attorney therein, or may purchase insurance which requires the insurer to provide for the defense of the City and/or of its officers and employees in connection with any matter covered by such insurance.

Except as may be otherwise provided by the Council, the City Attorney shall be under the direction and supervision of the Council.

Section 803.1 City Attorney; Power Of Appointment.

Subject to the Civil Service provisions of this Charter and of any Civil Service Rules adopted pursuant thereto, the City Attorney shall appoint all officers and employees, exclusive of clerical, employed in the Office of the City Attorney, and when he or she deems it necessary for the good of the service, he or she may, subject to the above-mentioned limitations, suspend without pay, demote, discharge, remove or discipline any such officer or employee whom he or she is empowered to appoint. Neither the Council nor any of its members nor the Mayor shall in any manner dictate the appointment or removal of any such officer or employee whom the City Attorney is empowered to appoint, but the Council may express its views and fully and freely discuss with the City Attorney anything pertaining to the appointment and removal of such officers and employees.

Section 804. Office Of City Clerk.

The office of City Clerk is hereby established. The City Clerk shall have the following powers and duties:

The City Manager, the City Attorney and such other officers as the Council may designate, or their representatives, may meet with the Planning Commission and may participate in its discussions but shall not have a vote.

Those persons who immediately prior to the effective date of this Section (as it now reads) were members of the Planning Commission established by and pursuant to this Section as it read immediately prior to the effective date of this Section (as it now reads) shall continue to be members of this Planning Commission and, subject to other provisions of this Charter, shall hold such offices until the expiration of the terms for which they were appointed, to wit: the three members appointed for

Also, the office of a member shall become vacant upon the happening before the expiration of his or her term of any of the events set forth in subsections (a), (b), (c), (e), (g), (h), (i), (j), (k), and (*l*) of Section 409 of this Charter, or upon such member's absence from five (5) consecutive regular meetings other than adjourned regular meetings, of the Commission, unless excused by resolution of Council. Also, the Council may remove a member from office at any time for misconduct, inefficiency or willful neglect in the performance of the duties of his or her office providing it first states in writing the reasons for such removal and gives such member an opportunity to be heard before the Council in his or her own defense. If a vacancy occurs before the expiration of a member's term, the Council shall appoint a qualified person to fill such vacancy for the remainder of the unexpired term of such member.

The Planning Commission shall have the following powers and duties:

The person who is appointed to fill the one (1) office of the member whose term expires at noon December 1, 1965, and each person who is thereafter appointed to fill such one (1) office whenever it becomes vacant, regardless of whether it becomes vacant during or at the end of an incumbent's term of office, shall be appointed by the Council from a list of three (3) persons to be nominated in each case by all full-time officers and employees in the Civil Service of the City (other than members of the Council and members of boards and commissions) at elections to be held for such purpose. Only full-time officers and employees shall be eligible to vote at such elections, and no officer or employee shall be permitted to vote for more than one person at any one election. The names of three (3) persons receiving the highest number of votes at any such election shall be referred to the Council, and the Council, without consideration of the number of votes received by each, shall appoint to such office the one of the three whom it believes is best qualified for such office. Said nomination elections shall be conducted by the City Clerk in accordance with an election procedure prepared by the City Clerk and approved by the Council.

(c) VACANCIES. The office of a member shall become vacant upon the happening before the expiration of his or her term of any of the events set forth in subsections (a), (b), (c), (d), (e), (g), (h), (i), (j), (k), and (*l*) of Section 409 of this Charter, or upon such member's absence from five (5) consecutive regular meetings, other than adjourned regular meetings, of the Commission unless excused by resolution of Council. Also, the Council may remove a member from office at any time for misconduct, inefficiency or willful neglect in the performance of the duties of his or her office providing it first states in writing the reasons for

such removal and gives such member an opportunity to be heard before the Council in his or her own defense. If a vacancy occurs before the expiration of a member's term, the Council shall appoint a qualified person to fill such vacancy for the remainder of the unexpired term of such member.

Two (2) of the members so appointed shall be appointed for a term expiring on December 31, 1982; and three (3) of the members so appointed shall be appointed for a term expiring on December 31, 1984. Commencing in December of

1982, the Civil Service Commission shall, during the month of December of each even-numbered year, make appointments to fill the offices of the members whose terms are expiring at the end of such even-numbered year. Such appointments shall be for regular terms of four (4) years commencing on the first day of January of the following odd-numbered year and expiring on the 31st day of December of the second even-numbered year thereafter.

(c) VACANCIES. The office of a member shall become vacant upon the happening before the expiration of his or her term of any of the events set forth in subsections (a), (b), (c), (d), (e), (h), (i), (j), (k), and (*l*) of Section 409 of this Charter. Also, the Civil Service Commission may remove a member from office at any time for misconduct, inefficiency or willful neglect in the performance of the duties of his or her office providing it first states in writing the reasons for such removal and gives such member an opportunity to be heard before the Civil Service Commission in his or her own defense. If a vacancy occurs before the expiration of a member's term, the Civil Service Commission shall appoint a qualified person to fill such vacancy for the remainder of the unexpired term of such member.

(d) POWERS AND DUTIES. The Council Salary Setting Commission shall biennially make recommendations respecting salaries for members of the Council, including the Mayor, as provided in Section 407 of this Charter.

Section 1101. Civil Service System; Classified And Unclassified Service.

The Civil Service of the City shall be divided into the Classified Service and the Unclassified Service, as follows:

(a) The Unclassified Service shall comprise and include all of the following officers and employees:

(1) The Mayor and the members of the Council;

(2) All members of boards and commissions, and if so desired by the Civil Service Commission, the Secretary of the Civil Service Commission;

(3) The City Manager and all his or her assistants, deputies and secretaries; the City Attorney and one assistant; the City Clerk and one assistant; the head of each department and one assistant in each department;

(4) Persons temporarily employed to make or conduct a special inquiry, investigation, examination or installation, or to render professional, scientific or technical services of an occasional or exceptional character; provided that no person employed in the Unclassified Service pursuant to this subsection for any purpose shall continue in such employment pursuant to this subsection for a period in excess of six (6) months for each special inquiry, investigation, examination, installation or particular service unless an extension is approved by the Civil Service Commission;

(5) Persons employed in the event of an emergency to perform services required because of and during such emergency for a period of time not to exceed six (6) months unless an extension is approved by the Civil Service Commission;

(6) Persons employed to temporarily fill positions in the classified service when no eligible lists of applicants for such positions exist, until such time as eligible lists are created and persons can be hired therefrom to fill such positions;

(7) Volunteer members of the police, fire or civil defense departments or of any police, fire or civil defense force or organization.

(8) The Public Information Officer, and all persons employed in the Public Information Office, exclusive of clerical.

(9) The City Auditor and the professional and technical employees in the Office of the City Auditor.

(b) The Classified Service shall consist of all persons employed in positions in the City Civil Service which are not in the Unclassified Service;

(c) Nothing herein shall be construed as precluding the appointing authority from filling any position in the manner in which positions in the Classified Service are filled.

Section 1104. DISCIPLINARY ACTION.

No officer or employee of the City holding a regular position in the classified service, other than persons holding such positions by virtue of emergency or provisional appointments, may be suspended without pay, demoted or dismissed from his or her position in the classified service after satisfactorily serving his or her probationary period of service in such position, except for cause such as, but not limited to, malfeasance, misconduct, incompetence, insubordination, inefficiency or for failure to satisfactorily perform the duties of his or her position, to observe applicable rules and regulations, or to cooperate reasonably with his or her superior or fellow officers or employees.

Any such officer or employee, excepting persons holding such positions by virtue of emergency or provisional appointments, who is suspended without pay, demoted or dismissed from his or her position in the Classified Service after satisfactorily completing his or her probationary period of service shall be given, in the manner and within the time specified in the Civil Service Rules, not to exceed seventy-two (72) hours from and after the time of such reduction in pay, suspension, demotion or dismissal, a written notice of his or her suspension, demotion or dismissal, which said notice shall contain a statement of the specific reason or reasons for his or her suspension, demotion or dismissal. Within the time specified in the Civil Service Rules, not to exceed thirty (30) days from and after the date he or she is given said written statement, said officer or employee may appeal to the Civil Service Commission for a review of said suspension, demotion or dismissal by filing a written notice of appeal with the Secretary of said Commission. Such notice of appeal shall contain such answer as such officer or employee may have to the charges made

against him or her. The Secretary of said Commission shall immediately transmit a copy of said notice of appeal, containing said answer, to the appointing authority.

Within forty-five (45) days from and after the date on which the notice of appeal is filed, or at such other time as may be agreed to by said officer or employee and the Civil Service Commission, a hearing on the appeal, at which shall be reviewed the action of suspension, demotion or dismissal, shall be held by the Commission or by a hearing officer designated, as hereinafter specified, to hear the appeal, as the Commission may determine; provided, however, that if such appeal be to an action of dismissal, the hearing may be held by a hearing officer only with the express consent of the officer or employee. Each hearing officer shall be selected as follows: If the Commission determines that the hearing shall be held by a hearing officer, it shall note such order in its minutes, and the Clerk of the Commission shall forthwith notify the parties of such order; within not less than ten (10) days before the date of hearing, the appellant and the appointing authority, if they are otherwise unable to agree upon the person to act as hearing officer, shall each designate the names of five (5) proposed hearing officers, and from the list thereof names shall be stricken individually in succession by the parties alternately commencing with the appointing authority or his or her representative, until there remains but one name upon such list; if the Commission approves the person so designated, he or she shall be appointed by the Commission as the hearing officer to hear the appeal; if the Commission does not approve of such person acting as hearing officer in such appeal, the parties shall propose additional names and alternately strike names from the list or lists thereof as aforesaid, until the Commission shall approve a person so selected, and such person shall be appointed by the Commission as the hearing officer to hear the appeal. Reasonable fees and expenses of such hearing officers shall be paid by the City from moneys appropriated therefor by the Council.

At such hearing both the appellant officer or employee and the authority whose action is being reviewed, and their respective representatives, shall have the right to be heard and to present evidence. If such appeal is heard by a hearing officer, he or she shall prepare a proposed decision, in such form as may be adopted by the Commission as the decision in the case. A copy of the proposed decision shall be filed by the Commission as a public record, and copies thereof shall be furnished to each party within ten (10) days after the proposed decision is filed with the Commission. Either the Commission or the appellant officer or employee may order a transcript of the hearing to be prepared, and such transcript shall be filed with the Commission as a public record. If such transcript be ordered by the appellant officer or employee, he or she shall pay the cost thereof. If such transcript be ordered by the Commission, the cost thereof shall be paid from moneys appropriated therefor by the Council.

Within a reasonable time after the proposed decision is filed, the Commission shall consider the same.

If the proposed decision is not adopted as recommended by the hearing officer, each party shall be notified of such action and the Commission may decide the case on the record, including the transcript, if any, with or without taking any additional evidence, or may hear the case *de novo,* or may refer the case to the same or another hearing officer to take additional evidence. If oral evidence in addition to the written record is introduced before the Commission, no member thereof may vote unless he or she heard such additional oral evidence. If the case is so assigned to a hearing officer, he or she shall prepare a proposed decision as provided above upon the additional evidence and the transcript, if any, and other papers which are part of the record of the prior hearing. A copy of such proposed decision shall be furnished to each party and filed by the Commission as hereinabove provided. Either the Commission or the appellant officer or employee may request a transcript of such additional evidence to be prepared, and such transcript shall be filed with the Commission as a public record. If such transcript be ordered by the appellant officer or employee, he or she shall pay the cost thereof. If such transcript be ordered by the Commission, the cost thereof shall be paid from moneys appropriated therefor by the Council.

If, after such hearing, the Civil Service Commission concludes that the suspension, demotion or dismissal was without cause, it shall order reinstatement without loss of pay, and such order shall be binding upon the appointing authority who shall forthwith comply with the same. In the event that the Civil Service Commission, after such hearing, concludes that there was cause for disciplinary action but that the type of penalty was not warranted under the circumstances, it may, in its discretion, order reinstatement with loss or partial loss of pay and such order shall be binding upon the appointing authority, who shall forthwith comply with the same. If time permits, such ordinance shall be enacted no earlier than three (3) months and no later than eight (8) months following receipt by the City Clerk of data containing an enumeration of population by blocks derived from such census. In no event shall such ordinance be enacted later than October 31 in the year following the decennial census.

The redistricting ordinance shall be adopted according to the provisions of Article VI, Section 604 of this Charter and shall become effective at the expiration of thirty (30) days after adoption of the ordinance; provided, however, that if the redistricting ordinance becomes effective on or after the first day on which nomination papers may be filed for an election to the office of member of the Council, excepting the Mayor, then the ordinance shall not apply, or be deemed to apply, to that election or to the person elected to the office of member at such election.

By no later than February 1 in the year following the decennial census, the Council shall appoint an Advisory Commission whose purpose shall be to study and make appropriate recommendations with respect to such redistricting. This Advisory Commission shall consist of one (1) member from each District, who shall be appointed by the Council member from that District, and a Chairperson chosen from the City at large, who shall be appointed by the Mayor. The membership of the Commission shall be representative of the ethnic makeup of the City at large, to the extent practicable.

The Advisory Commission shall conduct at least three public hearings, at various locations in the City, concerning its recommendations regard-

ing District boundaries, and shall submit its report and recommendations to the Council, within one hundred twenty (120) days following its appointment.

The Council shall duly consider the report and recommendations of the Advisory Commission in adopting any redistricting ordinance. However, the Council is required to adopt an ordinance within the period of time required under this Section even if the Advisory Commission fails to provide recommendations or reports as specified in this Section.

Except as provided hereinabove, such Districts shall be used for all elections of members of the Council, including their recall, and for filling any vacancy in the office of member of the Council, subsequent to the effective date of such ordinance and until new Districts are established.

Any territory which is annexed to or consolidated with the City but not included within a District shall, prior to or concurrently with completion of the proceedings therefor, be added to an adjacent District or Districts by the Council by ordinance, which shall become effective at the expiration of thirty (30) days after adoption and shall apply to all elections held on and after its effective date.

Any ordinance adopted by the Council and establishing, changing, or altering the boundaries of any District shall describe the new boundaries by reference to a map on file in the office of the City Clerk and/or by a metes-and-bounds description.

In any redistricting, the Council shall make the Districts as nearly equal in population as may be practicable, and may, in establishing the boundaries of the Districts, give consideration to (a) natural boundaries, street lines and/or City boundaries; (b) geography; (c) cohesiveness, contiguity, integrity and compactness of territory; and (d) community of interests within each District.

Upon any redistricting pursuant to the provisions of this Charter, each incumbent member of the Council will continue, during the remainder of the member's term, to hold office and to represent the District by which the member was elected prior to such redistricting, notwithstanding any provision of Section 404 requiring a member to be a resident of the District represented by such member.

All specialized agencies created by the City and in existence on the effective date of this Charter shall continue to perform their duties and operate pursuant to their existing legal authority, unless and until City Council may otherwise provide by ordinance or resolution.

ARTICLE III. CITY COUNCIL

SECTION 300. Powers Vested in the City Council.

All powers of the City shall be vested in the city council except as otherwise provided in this Charter.

SECTION 301. Elective Officers.

The elective officers of the City shall consist of a city council of five members, one of whom shall be the mayor. The members of the city council shall be elected from the city at large at the time and in the manner provided in this Charter. The five members of the city council in office at the time this Charter takes effect shall continue in office until the termination of their current terms.

Those candidates for city council offices for terms which expire on the fourth Tuesday following June 7, 1994, and who are elected in the same general municipal election at which this Charter is passed, shall serve a term lasting until no later than the fourth Tuesday following the November 4, 1997 general municipal election. The mayor shall serve as the primary, but not exclusive, spokesperson of the City. The mayor shall perform such other duties consistent with his or her office as may be prescribed by this Charter, or as may be imposed by the city council.

At the first regular city council meeting following a general municipal election, in which newly elected councilmembers are sworn and seated, and at the first regular city council meeting following the anniversary of that date for any year in which no general municipal election is held, the city council shall designate one of its members as mayor pro tempore, who shall serve in such capacity at the pleasure of the city council. The mayor pro tempore shall perform the duties of the mayor during any period of the mayor's absence or disability.

SECTION 303. Eligibility.

No person shall be eligible to hold an elective office unless he or she is, at the time of issuance of nomination papers for the elective office, a qualified elector of the City, or of territory annexed thereto. Any elective officer of the City who shall accept or retain any other elective public office, or any other public office whose duties are incompatible with the duties of a member of the city council of the City, except as may be otherwise provided by this Charter, shall be deemed thereby to have vacated his or her office under the City government.

Those members of city council in office on the effective date of this Charter shall continue to be compensated at the level of compensation effective immediately prior to the effective date of this Charter, and shall continue to be compensated at such level for the remainder of their terms. No ordinance of the city council shall increase the compensation of any member of the council during that member's term of office, provided that nothing herein shall prevent the adjustment of the compensation of all members of a council serving staggered terms whenever one or more members of such council becomes eligible for a salary increase by virtue

of beginning a new term of office. Each member of the city council shall receive reimbursement on order of the city council for council-authorized traveling and other expenses when on official duty.

SECTION 305. Vacancies.

If a member of the city council is absent from all regular meetings of the city council for a period of sixty days consecutively from and after the last regular city council meeting attended by such member, unless such absence is by permission of the city council expressed in its official minutes, or is convicted of any felony, any offense involving a violation of his or her official duties, or a crime involving moral turpitude, or ceases to be an elector of the City, the office shall become vacant. The city council shall declare the existence of any such vacancy, and the office shall be deemed vacant from the date of such declaration.

A vacancy in the city council, from whatever cause, may be filled by appointment by a majority of the remaining members of the city council, or by special election. Any person appointed or elected to fill a vacancy in the city council shall serve the remaining unexpired term of the office. In the event it shall fail to fill a vacancy by appointment within forty-five days after such office shall become vacant, the city council shall cause an election to be held forthwith to fill such vacancy. If city council calls a special election to fill the vacancy, the city council may make an interim appointment to fill the vacancy until the date of the special election. The times and procedures for the calling of any special election to fill a city council vacancy may be established by ordinance.

SECTION 306. Interference in Administrative Service.

Except as otherwise provided in this Charter, neither the city council nor any of its members shall interfere with the execution by the city manager of his or her powers and duties, or order, directly or indirectly, the appointment by the city manager or by any of the department heads in the administrative service of the City, of any person to an office or employment, or his or her removal therefrom. Except for the purpose of inquiry, the city council and its members shall deal with the administrative service under the city manager solely through the city manager, and neither the city council nor any member thereof shall give orders to any subordinates of the city manager, either publicly or privately.

SECTION 307. Regular Meetings.

Unless otherwise provided by ordinance, or resolution of the city council, the city council shall hold regular meetings at least twice each month. City council meetings shall be held at such times as it shall fix by ordinance or resolution and city council may adjourn or re-adjourn any regular meeting to a date and hour certain which shall be specified in the order of adjournment and when so adjourned each adjourned meeting shall be a regular meeting for all purposes. If the hour to which a meeting is adjourned is not stated in the order of adjournment, such meeting shall be held at the hour for holding regular meetings. If at any time any regular meeting falls on a holiday, such regular meeting shall be held on the next business day.

SECTION 308. Special Meetings.

Special meetings may be called at any time by the mayor, or by three members of the city council, by written notice delivered personally to each member at least twenty-four hours before the time specified for the proposed meeting. A special meeting may also be validly held without the giving of such written notice, if required to be held by this Charter or if all members shall give their consent, in writing, to the holding of such meeting and such consent is on file in the office of the city clerk at the time of such meeting. At any special meeting only such matters may be acted upon as are referred to in such written notice or consent.

SECTION 309. Place of Meetings.

Unless otherwise provided by ordinance or resolution of the city council, all meetings shall be held in the council chambers of the city hall, or in such place to which any such meeting may be adjourned, and except for any closed sessions permitted under the laws of the State of California shall be open to the public. If, by reason of fire, flood or other emergency, it shall be unsafe to meet in the place designated, the meetings may be held for the duration of the emergency at such place as is designated by the mayor, or, if he or she should fail to act, by three members of the city council.

SECTION 310. Quorum; Proceedings.

Three members of the city council shall constitute a quorum to do business, but a less number may adjourn from time to time. In the absence of all the members of the city council from any regular meeting or adjourned regular meeting, the city clerk may declare the meeting adjourned to a stated day, hour, and place. Notice of a meeting adjourned by less than a quorum or by the clerk shall be given by the clerk or may be waived by consent in the same manner as specified in this Charter for the giving or waiving of notice of special meetings of the city council, but need not specify the matters to be acted upon. The city council shall judge the qualifications of its members as set forth by the Charter. It shall judge all election returns. It may establish rules for the conduct of its proceedings and evict or prosecute any member or other person for disorderly conduct at any of its meetings, or for violation of the rules for conduct of city council proceedings.

Each member of the city council shall have the power to administer oaths and affirmations in any investigation or proceeding pending before the city council. The city council shall have the power and authority to compel the attendance of witnesses, to examine them under oath and to compel the production of evidence before it. Subpoenas may be issued by the city council in the name of the City and be attested by the city clerk. Disobedience of such subpoenas, or the refusal to testify (upon other than constitutional grounds), shall constitute a misdemeanor, and shall be punishable in the same manner as violations of this Charter are punishable.

SECTION 311. Citizen Participation.

No person shall be denied the right, personally or through counsel, to address the city council at any regular meeting regarding any item within its subject matter jurisdiction. City council may, by ordinance or resolution, impose reasonable regulations on the exercise of such right to preserve the orderly nature of its proceedings.

SECTION 312. Adoption of Ordinances.

With the sole exception of ordinances which take effect upon adoption, referred to in this article, all ordinances shall be first introduced by the city council, and shall be adopted no sooner than five days after the date of their introduction. All ordinances shall be introduced, deliberated, and passed upon at a regular, adjourned regular or special meeting of the city council. At the time of its introduction, an ordinance shall become a part of the proceedings of such meeting, and a copy of the introduced ordinance shall be kept in the custody of the city clerk. At the time of adoption of an ordinance, it shall be read in full, unless after the reading of the title thereof, the further reading thereof is waived by unanimous consent of the councilmembers present. In the event that any ordinance is altered after its introduction, the same shall not be finally adopted except at a regular or adjourned regular meeting held not less than five days after the date upon which such ordinance was so altered. The correction of typographical or clerical errors shall not constitute the making of an alteration within the meaning of the foregoing sentence.

No order for the payment of money shall be adopted or made at any meeting other than a regular, adjourned regular, or special meeting.

Unless a higher vote is required by other provisions of this Charter, or by the laws of the State of California which supersede this Charter, the affirmative votes of at least three members of the city council shall be required for the enactment of any ordinance, or for the making or approving of any order for the payment of money, or for entering into any contract where the amount to be paid by the City exceeds fifty thousand dollars ($50,000.00), or such other amount as city council may establish by ordinance. All ordinances shall be signed by the mayor and attested by the city clerk. Resolutions shall be signed by the city manager, and attested by the city clerk.

Any ordinance declared by the city council to be necessary as an emergency measure for preserving the public peace, health or safety, and containing a statement of the reasons for its urgency, may be introduced and adopted at one and the same meeting if passed by at least four affirmative votes.

SECTION 313. Ordinances, Publication.

The city clerk shall cause each ordinance or a summary of each ordinance to be published at least once in a newspaper of general circulation in the City, within fifteen days after its adoption.

SECTION 314. Codification of Ordinances.

Any or all ordinances of the City which have been enacted and published in the manner required at the time of their adoption, and

which have not been repealed, may be compiled, consolidated, revised, indexed and arranged as a comprehensive ordinance code, and such code may be adopted by reference, with the same effect as an ordinance, by the passage of an ordinance for such purpose. Such code need not be published in the manner required for other ordinances, but not less than three copies thereof shall be filed for use and examination by the public in the office of the city clerk prior to the adoption thereof. Amendments to the code shall be enacted in the same manner as ordinances.

Detailed regulations pertaining to the construction of buildings, plumbing and wiring, mechanical devices, abatement of dangerous buildings, or similar matters consisting of part of a uniform code adopted by the County of Riverside, or generally adopted on a statewide or region-wide basis, when arranged as a comprehensive code, may likewise be adopted by reference to the full extent permitted by the general laws of the State of California, and pursuant to procedures established therein. Maps, charts and diagrams also may be adopted by reference in the same manner.

SECTION 315. Ordinances, When Effective.

No ordinance shall become effective until thirty days from and after the date of its adoption, except the following, which shall take effect immediately upon adoption:

(a) An ordinance calling or otherwise relating to an election.

(b) An improvement proceeding ordinance adopted under some special law or procedural ordinance relating thereto.

(c) An ordinance declaring the amount of money necessary to be raised by taxation, or fixing the rate of taxation, or levying the annual tax upon property.

(d) An emergency ordinance adopted in the manner provided for in this article.

SECTION 316. Ordinances; Violation; Penalty.

Unless specifically designated as an infraction, a violation of any ordinance of the city shall constitute a misdemeanor and may be prosecuted in the name of the people of the State of California or may be redressed by civil action. The maximum fine or penalty for any violation of a city ordinance, whether a misdemeanor or an infraction, shall be as established by ordinance, resolution, or minute order of the city council.

SECTION 317. Publishing of Legal Notices.

In the event there is no newspaper of general circulation published and circulated in the City, then all legal notices or other matter may be published by posting copies thereof in at least three public places in the City.

No defect or irregularity in proceedings taken under this section, or failure to designate an official newspaper, shall invalidate any publication where the same is otherwise in conformity with this Charter, or ordinance, or other law.

SECTION 318. Contracts; Execution.

The City shall not be bound by any contract, except as hereinafter provided, unless it is in writing, approved by the city council and signed on behalf of the City by the mayor and city clerk or by such other officer or officers as shall be designated by the city council. Any of said officers shall sign a contract on behalf of the City when directed to do so by ordinance, resolution, or other order of the city council.

If because of an emergency the city council does not adopt the budget in a timely fashion, one-twelfth of the amount of the total prior fiscal year's budget may be expended each month until the budget is adopted, provided that, if the city manager's estimates project a decrease in revenues from the prior fiscal year, the amount which may be expended in any month shall be reduced by one-twelfth of the total revenue decrease projected. A copy of the approved budget, certified by the city clerk, shall be filed with the

director of finance and treasurer and a further copy shall be placed, and shall remain on file, in the office of the city clerk where it shall be available for public inspection. The budget so certified shall be reproduced and copies made available for the use of the public and of departments, offices and agencies of the City.

At any meeting after the adoption of the budget, the city council may by resolution amend or supplement the budget by motion adopted by the affirmative votes of at least three members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose, or to appropriate available funds not included in the budget, or to cancel any appropriation not expended or encumbered.

SECTION 906. Tax Limits.

(a) Except as may be otherwise specifically provided in this Charter, the City shall have the full power to enact any taxes, assessments, fees, or any other measures for the purpose of raising revenue which charter cities in the State of California may enact.

(b) The city council shall not levy a property tax for municipal purposes, except as otherwise provided in this section, in excess of the maximum amount permissible to the City on the effective date of this Charter, unless authorized by the affirmative votes of two-thirds of those electors voting on a proposition to increase such levy at any election at which the question of such additional levy for municipal purposes is submitted to the electors, or unless authorized for general law cities under the general laws of the State of California.

(c) There may be levied and collected at the same time and in the same manner as other property taxes for municipal purposes are levied and collected, in addition to the above limit, a tax sufficient to meet all liabilities of the City for principal and interest of all bonds and judgements due and unpaid, or to become due during the ensuing fiscal year, which constitute general obligations of the City.

(d) Special levies, in addition to the above limits, may be made annually for the purposes, within the limits, and to the extent that cities may make special levies in addition to their general tax limit, under the codes and statutes of the State as they may exist from time to time.

The proceeds of any such special levy shall be used only for the respective purposes for which it is levied.

SECTION 907. Tax Procedure.

For all claims not otherwise covered by the general laws of the State of California, all claims for damages against the City must be verified and presented to the city clerk within ninety days after the occurrence, event or transaction from which the damages allegedly arose, or within such shorter time as is otherwise provided by law, and shall set forth in detail the name and address of the claimant, the time, date, place and circumstances of the occurrence and the extent of the injuries or damages sustained. All such claims shall be approved or rejected by order of the city council and the date thereof given. City council may delegate its authority to reject claims to the city manager, city attorney, risk manager or other appropriate officer or department head. Any claim not approved or rejected by the city council within forty-five days of presentation of the claim to the city clerk shall be deemed rejected by operation of law.

All other demands against the City must be in writing and may be in the form of a bill, invoice, payroll, or formal demand. Each such demand shall be presented to the director of finance and treasurer within ninety days after the last item of the account or claim accrued, but claims presented after ninety days may be honored in the discretion of the director of finance and treasurer. The director of finance and treasurer shall examine all claims presented. If the amount thereof is legally due and there remains on the books an unexhausted balance of an appropriation against which the same may be charged, the demand shall be approved and a warrant drawn therefor, payable out of the proper fund. Otherwise the claim shall be rejected, but any such rejection may be overruled by the city council.

The director of finance and treasurer shall transmit such demand, with his approval or rejection thereof endorsed thereon, and warrant, if any, to the city manager. If a demand is one for an item included within an approved budget appropriation, it shall require the approval of the city manager, otherwise it shall require the approval of the city council, following the adoption by it of an amendment to the budget authorizing

such payment. Any person dissatisfied with the refusal of the city manager to approve any demand, in whole or in part, may present the same to the city council which, after examining into the matter, may approve or reject the demand in whole or in part.

SECTION 910. Registering Warrants.

Warrants which are not paid for lack of funds shall be registered. All registered warrants shall be paid in the order of their registration when funds therefor are available and may bear interest from the date of registration at such rate as shall be fixed by the city council by resolution.

SECTION 911. Actions Against City.

No suit shall be brought for money or damages against the City or any board, commission or officer thereof until a claim or demand for the same has been presented as provided herein and such claim and demand has been rejected in whole or in part. If rejected in part suit may be brought to recover the whole. The city attorney shall respond to any such suit on behalf of the City.

SECTION 912. Independent Audit.

The city council shall employ, at the beginning of each fiscal year, a qualified certified public accountant who shall, at such time or times as may be specified by the city council, and at such other times as the accountant shall determine, examine the books, records, inventories and reports of all officers and employees who receive, handle or disburse public funds and of all such other officers, employees or departments as the city council may direct. SECTION 1000. Granting of Franchises.

Any person, firm or corporation furnishing the City or its inhabitants with transportation, communication, terminal facilities, water, light, heat,

electricity, gas, power, television, refrigeration, storage or any other public utility or service, or using the public streets, ways, alleys or for the operation of plants works or equipment for the furnishing thereof, or traversing any portion of the City for the transmitting or conveying of any such service elsewhere, may be required by ordinance to have a valid and existing franchise therefor. The city council is empowered to grant such franchise to any person, firm or corporation, whether operating under an existing franchise or not, and to prescribe the terms and conditions of any such grant. It may also provide, by procedural ordinance, the method of procedure and additional terms and conditions of any such grant or the making thereof, all subject to the provisions of this charter.

Nothing in this section, or elsewhere in this article, shall apply to the City, or to any department thereof, when furnishing any such utility or service.

SECTION 1001. Resolution of Intention; Notice and Public Hearing.

Unless otherwise provided by ordinance of the city council, before granting any franchise, the city council shall pass a resolution declaring its intention to grant the same, stating the name of the proposed grantee, the character of the franchise and the terms and conditions upon which it is proposed to be granted. Such resolution shall fix and set forth the day, hour and place when and where any persons having any interest therein or any objection to the granting thereof may appear before the city council and be heard thereon. It shall direct the city clerk to publish said resolution at least once, within fifteen days of the passage thereof, in a newspaper of general circulation in the City. Said notice shall be published at least ten days prior to the date of hearing.

At the time set for the hearing the city council shall proceed to hear and pass upon all protests and its decision thereon shall be final and conclusive. Thereafter it may by ordinance grant the franchise on the terms and conditions specified in the resolution of intention to grant the same, subject to the right of referendum of the people, or it may deny the same. If the city council shall determine that changes should be made in the terms and conditions upon which the franchise is proposed to be granted, a new resolution of intention shall be adopted and like proceedings had thereon. In connection with granting any franchise, city council may set and collect any franchise fee it deems reasonable, so long as such fee is not arbitrary or confiscatory.

SECTION 1002. Term of Franchise.

Every franchise shall state the term for which it is granted, which shall not exceed fifteen years. Any franchise agreement entered into by the city and effective on the effective date of this Charter, whose term extends beyond twenty years after the effective date of this Charter, shall continue in effect for a period of fifteen years beyond the effective date of the Charter, and no further, provided that any franchisee whose franchise is in effect on the effective date of this Chapter may seek an extension of the franchise from city council beyond the fifteen year limit,

which city council may grant if it finds the fifteen year limit would impair the franchisee's ability to realize a reasonable return on investment of funds invested prior to the effective date of this Charter, in reliance on the franchise. City council may promulgate rules and regulations for the making and consideration of applications for such extensions of franchises.

SECTION 1003. Franchise Inapplicable to City.

No franchise requirement of the City shall apply to the City, nor any subdivision, department, or division thereof.

SECTION 1004. Eminent Domain.

No franchise grant shall in any way, or to any extent, impair or affect the right of the City to acquire the property of the grantee thereof either by purchase or through the exercise of the right of eminent domain, and nothing therein contained shall be construed to contract away or to modify or to abridge, either for a term or in perpetuity, the City's right of eminent domain with respect to any public or private utility. In such a proceeding, no value shall be assigned to the franchise rights themselves, but only to any fixtures or equipment, or other interests arising out of the exercise of the franchise rights, as may be compensable under the general laws of the State of California.

Charter Chapter 10—City of Napa

Amendments to the Charter of the City of Napa

[Filed with the Secretary of State July 13, 1994.]

Terms of Office.

Section 8. The terms of all elective officers shall be for four years, commencing on the first Tuesday of the month succeeding their election and until their successors have qualified.

Vacancies in elective office, how filled.

Section 12. In case of a vacancy in any elective office, however created, the same shall be filled by appointment made by a majority vote of the remaining members of the City Council within forty-five days from the date of such vacancy. In the event such an appointment is not so made within said forty-five days, the City Council shall immediately call a special election to fill such vacancy or vacancies in the same manner as election of elective officers at a regular municipal election; provided, however, that such special election to fill vacancies need not be called if a General Municipal Election is scheduled within one hundred eighty days from the date of such vacancy or vacancies, nor shall such special election be held within sixty days prior to a State-wide election unless

consolidated with it, nor shall such special election be held within sixty days after such State-wide election.

Council appointees to fill such vacancy or vacancies shall hold office until the first Monday the month following the next General Municipal Election, at which election a person or persons shall be elected to serve for the remainder of said unexpired term, or for a new term if the term of the vacated seat has expired.

Vice-Mayor.

Section 59A. At the first regular meeting of the City Council, within thirty days following a General Municipal Election, the City Council shall annually select a Vice-Mayor to serve a one-year term from the duly qualified Councilmen by a majority vote of said Council.

In the event that the office of Vice-Mayor shall become vacant for any reason, then within not more than thirty days from and after the date of such vacancy, the City Council shall appoint a Vice-Mayor as hereinbefore provided.

In the event that no appointment of a Vice-Mayor is made by the City Council as aforesaid, the senior Council member shall become Vice-Mayor, based on the longest period of continuous Council service to the City of Napa. In the event that two or more Council members have the same period of continuous Council service, the Council member having received the largest number of votes at the time of his election shall be considered the senior Council member for the purpose of determining the right to become Vice-Mayor.

If by reason of absence from the City, sickness or any other cause, the Mayor is unable to perform the duties of his office, the Vice-Mayor shall act in his place and he shall have all the power and authority which the Mayor would have possessed if personally present to attend to such duties.

The Vice-Mayor shall be available to assist and perform such duties as may be requested at the pleasure of the Mayor.

In the event the position of Mayor becomes vacant, the Vice-Mayor shall serve as Mayor until the City Council appoints a Mayor or until the vacancy is filled by a vote of the electorate as set forth in Section 12 hereof. Such service by the Vice-Mayor as Mayor as herein provided shall not affect his elected tenure of office.

Meetings.

Section 60. On the first Tuesday of the month following a General Municipal Election, the City Council shall meet at the usual place for holding its meetings, at which time any newly elected Mayor or Councilmember shall assume the duties of his office. Thereafter the City Council shall meet at such times and places as may be prescribed by ordinance or resolution, except that it shall meet regularly at least once a month. The City Council shall prescribe the manner in which special meetings may be called.

At all meetings of the City Council a majority shall constitute a quorum to transact business; a smaller number may adjourn from day to day and

may compel the attendance of absent members in such a manner and under such penalties as the City Council previously by ordinance may have prescribed. The Mayor shall preside at all meetings of the City Council and shall be entitled to vote upon all meetings coming before the City Council.

Public works to be done by contract.

Section 101. In the erection, improvement or repair of all public buildings and works, in all street and sewer work, and in all work in and about streams or waterfronts or, in or about embankments or other works for protection against overflow and erosion, and in furnishing any supplies or materials for the same when the expenditure required exceeds the sum prescribed by Section 20162 of the Public Contract Code of the State of California, or as amended, the same shall be done by contract and shall not be let to other than the lowest and best bidder as determined by the City Council after advertising for sealed proposals for the work contemplated, or supplies or materials required, for five consecutive days in some newspaper printed and published in the City of Napa, or after posting notice inviting sealed proposals therefor for five days on or near the Council Chamber door. Such notice shall distinctly and specifically state the work contemplated to be done or supplies or materials to be furnished; provided, however, the City Council may reject any and all bids, if deemed excessive, and re-advertise for bids or provide for the work to be done by the proper City department, or the supplies or materials to be purchased in the open market; but in no case shall such supplies be bought at a price as high as the lowest bid received from the responsible bidder. In case no bid is received, the City Council may likewise provide for the work to be done by the proper department or the supplies to be purchased in the open market.

The City Council, in its discretion, shall have the authority to adopt, by ordinance or resolution, criteria and requirements for determining the lowest and best bidder in the award of City contracts under this section and otherwise, including but not limited to, criteria and requirements; (1) affording preference in the award of City contracts to businesses located and persons residing within the City of Napa; and (2) requiring non-discrimination on basis of race, religion, color, national origin, gender, creed or affiliation by persons and businesses bidding on and receiving City contracts. The City Council, in its discretion, also shall have the authority to adopt all or part of the State of California Uniform Construction Cost Accounting Act, Public Contract Code Section 22000, et seq., as amended. If the City Council adopts the expenditure limits and requirements set forth in Public Contract Section 22032, as amended, those limits and requirements shall prevail over the limits and requirements otherwise set forth in Public Contract Code Section 20162 and this section.

Amendment to the Charter of the City of San Diego

[Filed with the Secretary of State August 18, 1994.]

Section 12 of the Charter of The City of San Diego is amended to read as follows:

SECTION 12. THE COUNCIL.

(a) The Council shall be composed of nine (9) Councilmembers, including the Mayor, and shall be the legislative body of the City, each of the members of which including the Mayor, shall have the right to vote upon all questions before it.

(b) At the municipal primary and general election in 1979, a Mayor shall be chosen by the electors for a term of five (5) years. A Mayor shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of this Charter. The Mayor shall hold office for the term prescribed from and after 10 a.m. the first Monday after the first day of December next succeeding the election and until a successor is elected and qualified.

(c) At the municipal primary and general elections in 1993, the Council members for Districts 1, 3, 5, and 7 shall be chosen by the electors for a term of three (3) years. Council members for Districts 1, 3, 5, and 7 shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of this Charter.

(d) At the municipal primary and general elections in 1995, Council members for Districts 2, 4, 6, and 8 shall be chosen by the electors for a term of three (3) years. Council members for Districts 2, 4, 6, and 8 shall thereafter be elected for a term of four (4) years in the manner prescribed by Section 10 of this Charter.

(e) Except as provided in this Section, Council members shall hold office for the term of four (4) years from and after 10 a.m. the first Monday after the first day of December next succeeding their election and until their successors are elected and qualified.

(f) Notwithstanding any other provision of this Charter and commencing with elections held in 1992, no person shall serve more than two consecutive four-year terms as a Council member from any particular district. If for any reason a person serves a partial term as Councilmember from a particular district in excess of two (2) years, that partial term shall be considered a full term for purposes of this term limit provision.

Persons holding office prior to the November 1992 election shall not have prior or current terms be counted for the purpose of applying this term limit provision to future elections.

(g) Upon any redistricting pursuant to the provisions of this Charter, incumbent Council members will continue to represent the district in which they reside, unless as a result of such redistricting more than one incumbent Council member resides within any one district, in which case the City Council may determine by lot which Council member shall represent each district. At the next municipal primary and general elections following a redistricting, Council members shall be elected from those districts not represented and from those districts represented by incumbent Council members whose terms expire as of the general election in said year. If as a result of any redistricting more than a simple majority of the City Council as redistricted shall be elected at either the municipal primary or general election next following any such redistricting, the City Council prior to any such election shall designate one or more new districts for which the initial council term shall be two (2) years in order to retain staggered terms for Council members.

Any person appointed by the Council to fill a vacant Council District seat shall not be eligible to run for that office for the next succeeding term; or,

(B) If the vacancy occurs with more than one (1) year remaining in the term, the Council shall call a special election to be held within ninety (90) days of the vacancy, unless there is a regular municipal or statewide election scheduled to be held within 180 days of the vacancy. If there is a regular municipal or statewide election scheduled to be held within 180 days of the vacancy, the Council may consolidate the special election with that regular election.

(i) If one candidate receives the majority of votes cast for all candidates in the special election, the candidate receiving the majority of votes cast shall be deemed to be and declared by the Council to be elected to the vacant office.

(ii) If no candidate receives a majority of votes cast in the special election, a special run-off election shall be held within forty-nine (49) days of the first special election, unless there is a regular municipal or statewide election scheduled to be held within ninety (90) days of the proposed special run-off election date, at which time the City Council may consolidate the special run-off election with that regular election. The two (2) candidates receiving the highest number of votes cast for the vacant seat in the first special election shall be the only candidates for the

vacant Council seat and the names of only those two (2) candidates shall be printed on the ballot for that seat.

(2) If a vacancy occurs by reason of a successful recall election, the Council shall adopt procedures to fill the vacancy.

Whether a person is appointed or elected to fill a vacant Council District seat, whatever the reason for the vacancy, that person shall serve as that District's Councilmember for the remainder of the unexpired term.

For purposes of Charter section 12(h), a vacancy may result from death, resignation, recall, or unexcused absences as described in Charter section 12(i). If vacancy occurs by reason of a resignation, the date of the vacancy will be the date specified in the written letter of resignation or, if there is no date certain specified in the letter, upon the date of receipt of the letter by the City Clerk.

(i) It is the duty of the Council members to attend all Council meetings. The Council shall vacate the seat of any Councilmember who is absent from eight (8) consecutive meetings or fifty percent (50%) of any scheduled meetings within a month unless the absence thereof is excused by resolution of the Council.

(j) Council members, including the Mayor, shall devote full time to the duties of their office and not engage in any outside employment, trade, business or profession which interferes or conflicts with those duties.

(k) Council members shall not be eligible during the term for which they were appointed or elected to hold any other office or employment with the City, except as Mayor or City Attorney and as a member of any Board, Commission or Committee thereof, of which they are constituted such a member by general law or by this Charter.

In its discretion, the Council may reject any or all bids presented. If it rejects all bids, the Council may, in its discretion, readvertise. If two or more bids are the same and the lowest, the Council may accept the one it chooses. If no bids are received, the Council may readvertise, or may acquire the materials, supplies or equipment for which no bids are received, or have the "public works project" for which no bids are received done, without further complying with this Section. If, after rejecting all bids for any supplies, materials or equipment, the Council finds and declares that the bids were excessive, it may have such supplies, materials or equipment purchased at a lower price without further complying with this Section. If, after rejecting all bids for any "public works project" and after readvertising for bids, the Council finds and declares that the bids were excessive, it may have such "public works project" done by City employees without further complying with this Section.

For purposes of this Section, "public works project" shall be deemed to mean and is hereby defined as a project for the construction, erection, improvement or demolition of any public building, street, bridge, drain, ditch, canal, dam, tunnel, sewer, water system, fire alarm system, electrical traffic control system, street lighting system, parking lot, park or playground; provided and excepting that "public works project" shall not be deemed to mean or include the maintenance of any of said things, or any repairs incidental to such maintenance, or the planting, care or maintenance of trees, shrubbery or flowers. Also, the provisions of this Section shall not apply to any of the following: (a) the purchase or acquisition of any supplies, materials or equipment from any public or governmental body or agency or from any public utility which is either publicly owned or is regulated by the Public Utilities Commission of the

State of California; (b) the purchase of any supplies, materials, or equipment which can be obtained from only one vendor or manufacturer; (c) any public work done for the City by any public or governmental body or agency; (d) any public work done by any public utility which is either publicly owned or is regulated by the Public Utilities Commission of the State of California where such work involves any property of such public utility or is otherwise of direct concern to both the City and such public utility; (e) any public work done by a subdivider, developer or owner of real property in connection with the subdivision or development by him or her of any real property, notwithstanding the fact that such may be subject to entire or partial reimbursement from the City; (f) work involving highly technical or professional skill where the peculiar technical or professional skill or ability of the person selected to do such work is an important factor in his or her selection; (g) expenditures deemed by the Council to be of urgent necessity for the preservation of life, health or property, provided the same are authorized by resolution of the Council adopted by the affirmative vote of at least eight (8) members of the Council and containing a declaration of the facts constituting the urgency; and (h) situations where solicitation of bids would for any reason be an idle act.

The composition of the Council shall be as follows:

(a) NUMBER OF MEMBERS. The Council shall consist of eleven (11) members, one of whom shall be the Mayor, each of whom shall have the right to vote on all matters coming before the Council.

(b) DISTRICTS. Except as otherwise provided elsewhere in this Charter and excepting the Mayor who shall be elected at a Regular Municipal Election from the City at large, each member of the Council shall be elected at a Regular Municipal Election by one of ten (10) Districts designated by number within the City. The term "by Districts" shall mean the election of eligible persons, as defined in Section 404, to the office of member of the Council by the voters of each District alone.

SECTION 402. MAYOR AND COUNCILMEMBER TERM LIMITS.

The regular term of office of each member of the Council shall be four (4) years. The Mayor and Councilmembers shall be subject to the following term limits:

(a) MAYOR. No person who has been elected to the office of Mayor for two (2) successive four-year terms shall be eligible to run for election to the office of Mayor, nor to serve as such, for any additional successive term; but the above shall not disqualify any person from running for election to the office of Mayor, nor from further service as Mayor, for any term or terms which are not successive; nor for any parts of terms which are not successive.

(b) COUNCILMEMBER. No person who has been elected to the City Council as a Council member in any Council District in the City for two (2) successive four-year terms, after the effective date of this Section, shall be eligible to run for election as a member of the Council in any Council District, nor appointed to serve as a Council member for any additional successive term. Any person appointed or elected to the City Council as a City Council member to fill an unexpired term of two years or less in length shall be eligible to serve two successive four-year terms upon the expiration of the unexpired term for which that person was appointed or elected. Any person appointed or elected to the City Council as a City Council member to fill an unexpired term of more than two years in length shall only be eligible to serve one successive four-year term. The above shall not disqualify any person from running for election to the Office of Mayor or for any term or terms which are not successive. The effective date of this Section shall be January 1, 1991.

SECTION 404. ELIGIBILITY.

A person shall not be eligible to take office as a member of the Council, including Mayor, unless the person satisfies all of the following conditions:

(a) The person must have been a citizen of the United States for at least one year immediately preceding the commencement of the term for which the person is elected or the date upon which the person is appointed.

(b) The person must have been a resident of the City of San Jose and, excepting the Mayor, of the District represented by the person as member, for at least thirty (30) days immediately preceding the last day specified by law for the filing of nomination papers with the City Clerk for such office or, if appointed, preceding the date of the person's appointment to fill a vacancy.

(c) If elected to office at a Regular Municipal Election, the person must have been a registered elector of the City of San Jose on the last day specified by law for the filing of nomination papers with the City Clerk for such office.

(d) If appointed to such office, the person must have been a registered elector of the City of San Jose at the time of the person's appointment.

A person shall not be eligible to be a candidate at any election for any Council office, if the person would not be eligible under the above provisions of this Section to take office if elected. Any determination as to whether a person has met the eligibility requirements shall be made at the time the nomination papers are filed and at the time of taking office.

The incumbent must, at all times, during the term of office continue being:

(a) a citizen of the United States;

(b) a resident of the City of San Jose and, except as provided in Section 403, of the District which he or she represents;

(c) and a registered elector of the City.

SECTION 410. FILLING OF VACANCIES.

If, for any reason, a vacancy, as defined by Charter Section 409, occurs in the office of Mayor or Councilmember, the Council shall either fill the vacancy by appointment by a majority of its remaining members, or call an election for the purpose of filling such vacancy.

(a) APPOINTMENT. If the vacancy is filled by appointment, the appointment shall be effective until the end of the unexpired term of office or January 1st following the next Regular Municipal Election after the appointment, which ever first occurs.

(b) ELECTION. If the vacancy is to be filled by election, the election will be for the entire unexpired term of the office. The election will either be conducted at a Regular Municipal Election, a General Election or at a Special Municipal Election, as determined by the Council. The election will be conducted in accordance with Section 1600.

(c) INTERIM APPOINTMENT. If a vacant office is to be filled by election, the Council may make an interim appointment to fill the office until a candidate has been duly elected and the results of the election have been officially certified. A person who is appointed during the interim period shall meet the eligibility requirements to hold office under Section 404 of this Charter.

(d) ADVANCE REPLACEMENT. When a vacancy is, for any reason, anticipated in advance of its actual occurrence, the Council may initiate the appointment or election process in anticipation of the vacancy. The member who will be vacating the position may participate in the process.

(e) NO REMAINING MEMBERS. If the offices of all of the Councilmembers and also of the Mayor should become vacant and no member of the Council remains to fill any vacancies, the City Clerk, shall call and conduct a Special Municipal Election, as soon as reasonably possible, to fill such offices for the remainder of the unexpired terms.

(f) ELECTION DATES. All dates for elections to fill vacancies shall be set by resolution.

(g) ELECTION IN 1994. The election held on November 8, 1994 to fill a vacancy effective January 1, 1995 in Council District 7 shall be deemed to be an election pursuant to this Section. The person so elected shall serve for the full term of that office.

ARTICLE V

The office of each member of the Council, including the office of the member who is Mayor, is a separate office to be separately filled. Any incumbent member of the Council may run for the seat of Mayor, and the Mayor may run for the seat of Mayor or for any other seat on the Council for which the Mayor is otherwise eligible; however, no member of the Council shall hold more than one seat, and no person may be a candidate for more than one seat.

SECTION 503. VICE-MAYOR.

At the second meeting of the Council following the end of each even-numbered year within which a Regular Municipal Election is required to be held, the Council shall elect one of its members as Vice-Mayor who, until a person is appointed to succeed him or her, or until his or her office otherwise becomes vacant, shall serve as Vice-Mayor during the temporary absence or inability of the Mayor to discharge the duties of his or her office.

In case of the temporary absence or disability of both the Mayor and Vice-Mayor, the Council shall elect one of its members to act as Mayor Pro Tempore.

ARTICLE XVI
ELECTIONS

SECTION 1600. MUNICIPAL ELECTIONS.

All municipal elections shall be held in accordance with the following:

(a) REGULAR MUNICIPAL ELECTIONS. A Regular Municipal Election is either a regularly scheduled Primary or Run-off Municipal Election. Such elections shall be held every two years, with the election for Mayor and for the odd numbered Council Districts being every four (4) years beginning with 1994, and the election for the even numbered Council Districts being every four (4) years beginning in 1996. Each member's term shall commence on the first day of January next following, and end on the last day of December in the fourth calendar year succeeding, the date of the member's election. The dates of all Regular Municipal Elections shall be set by ordinance.

(b) GENERAL ELECTIONS. Elections which are held simultaneously in all districts of the City, whether municipal, county or state elections are referred to as General Elections.

(e) TIES. Anything elsewhere to the contrary notwithstanding, all ties in any municipal election shall be decided by lot during open meeting of the Council, under the direction of the Council.

(f) DEATH OF A CANDIDATE. If a candidate dies after the filing of nomination papers for the primary election, the deceased candidate is treated as a candidate for all election purposes. If the deceased candidate is elected, the office will be declared vacant as of the beginning of the term of office for which the election was held. The position shall be filled in accordance with Section 410.

(g) MAJORITY OF VOTES. No person shall be declared elected to the office of the Mayor or Councilmember at any municipal election unless the person receives a majority of the votes cast for such office.

SECTION 1601. SPECIAL MUNICIPAL ELECTIONS.

All municipal elections, other than Regular Municipal Elections, shall be deemed to be Special Municipal Elections.

No Special Municipal Election shall be held at any time other than at the time of a Regular Municipal Election or a General Election, except in any of the following situations:

(a) where such election is held pursuant to Section 410 to fill a vacancy in the Council;

(b) where such election is held pursuant to the initiative, referendum and recall provisions of Sections 1603 and 1604;

(e) where the holding of a Special Municipal Election at another time is authorized by the affirmative vote of ten (10) members of the Council.

Subject to the above provisions, Special Municipal Elections shall be held at such times and for such purposes as the Council may authorize.

SECTION 1603. INITIATIVE, REFERENDUM AND RECALL.

The powers of initiative, referendum and the recall of elected municipal officers are hereby reserved to the electors of the City. ation, at the regular meeting at which it is presented by the City Clerk and adopt said ordinance within ten (10) days after it is presented, or immediately call a special election at which the ordinance, without alteration, shall be submitted to a vote of the voters of the City.

(2) If the petition is signed by duly qualified electors of the City equal in number to at least five percent (5%) of the number of persons eligible to vote according to the last report of registration filed by the County Registrar of Voters with the Secretary of State, which is in effect at the time the notice of intent to circulate the petition is published, and the ordinance petitioned for is not required to be, or for any reason is not, submitted to the voters at a Special Municipal Election, and is not adopted without alteration by the Council, then the proposed ordinance, without alteration, shall be submitted by the Council to the voters at the next General Election.

In the event that a petition is submitted in accordance with the provisions of either subparagraphs (1) or (2) of the subsection (a), and the Council submits said proposed ordinance to a vote of the voters of the City, the Council may not at the same time submit an alternative ordinance.

(b) REFERENDUM. To initiate proceedings for the exercise of the power of referendum, the petition shall be signed by duly qualified electors of the City equal in number to at least eight percent (8%) of the number of persons eligible to vote according to the last report of registration filed by the County Registrar of Voters with the Secretary of State, which is in effect at the time of adoption of the ordinance or measure which is the subject of the petition.

(c) RECALL OF THE MAYOR. PART TWENTY-TWO

Department of Building Inspection

Sec. 3.698. Establishment.

Recognizing that the provision of safe and sanitary buildings is essential to the welfare of the inhabitants of the City and County of San Francisco, there is hereby established a Department of Building Inspection which shall consist of a Building Inspection Commission, a Director of Building Inspection, and such employees as may be necessary to carry out the functions and duties of said department. The commission shall organize, reorganize, and manage the department. When the commission assumes management of the department, the Bureau of Building Inspection shall cease to exist. Unless modified or repealed by the commission, all orders, regulations, rules, and policies of the Bureau of Building Inspection will remain in effect. Except as limited below, positions in the Bureau of Building Inspection of the Department of Public Works legally autho-

rized on the date the commission assumes management of the department shall be continued, and incumbents therein legally appointed thereto shall be continued as officers and employees of the department under the conditions governing their respective appointments.

Sec. 3.698-1. Commission; Composition.

The Department of Building Inspection shall be under the management of a Building Inspection Commission consisting of seven members. Four members shall be appointed by the mayor for a term of two years; provided that the respective terms of office of those first appointed shall be as follows: two for one year, and two for two years from the effective date of this section. Three members shall be appointed by the President of the Board of Supervisors for a term of two years; provided that the respective terms of office of those first appointed shall be as follows: three for one year from the effective date of this section. The initial appointments shall be made no later than fifteen days after the effective date of this section, and the commission's management shall begin no later than forty-five days after the effective date of this section. Vacancies occurring in the offices of appointive members, either during or at expiration of term, shall be filled by the electoral office that made the appointment. The four mayoral appointments shall be comprised of a structural engineer, a licensed architect, a residential builder, and a representative of a community-based non-profit housing development corporation. The three Supervisorial appointments shall be comprised of a residential tenant, a residential landlord, and a member of the general public. The members of the commission shall serve without compensation.

Pursuant to Government Code Section 87103, individuals appointed to the commission under this section are intended to represent and further the interest of the particular industries, trades, or professions specified herein. Accordingly, it is found that for purposes of persons who hold such office, the specified industries, trades, or professions are tantamount to and constitute the public generally within the meaning of Government Code Section 87103.

Sec. 3.698-2. Director of Building Inspection; Other Executives.

The Director of Building Inspection shall be the department head and appointing officer of the Department of Building Inspection and shall be qualified by either technical training or administrative experience in the enforcement of building and other construction codes. The Director shall serve as the building official of the city and county and, upon his or her appointment, shall assume all of the powers and duties of the Director of Public Works with respect to the administration and enforcement of the building code and other construction codes. Subject to the provisions of Sections 6.302, 6.312, and 6.313 of this Charter, the commission may also contract with engineers or other consultants for such services as it may require.

Sec. 3.698-4. Powers and Duties.

The Building Inspection Commission shall organize, reorganize, and manage the Department of Building Inspection which shall have responsibility for the enforcement, administration, and interpretation of the city's Housing, Building, Mechanical, Electrical, and Plumbing Codes, except where this Charter specifically grants that power to another department. The Central Permit Bureau, formerly within the Bureau of Building Inspection, shall also be managed by the commission.

The commission shall inspect and regulate additions, alterations, and repairs in all buildings and structures covered by the San Francisco Housing, Building, Mechanical, Electrical, and Plumbing Codes. Nothing in this chapter shall diminish or alter the jurisdiction of the Planning Department over changes of use or occupancy under the Planning Code. The commission shall ensure the provision of minimum standards to safeguard life or limb, health, property, and the public welfare by regulating and controlling the safe use of such buildings and structures. The commission shall ensure the vigorous enforcement of city laws mandating the provision of heat and hot water to residential tenants. The commission shall have the power to hold hearings and hear appeals on all decisions made by the Department of Public Works regarding permits under one or more of the codes enumerated in this section and

on sidewalk or encroachment permits. The commission may reverse, affirm or modify determinations made by the Department of Public Works, Water Department, or Department of Building Inspection on all permits required for a final certificate of completion. The commissions jurisdiction under this section, however, shall not extend to permits appealable to the Planning Commission or Board of Permit Appeals. Departmental decisions on permits subject to commission review shall be made within the time mandates of the state Permit Streamlining Act. Appeals of decisions must be filed with the commission within fifteen days of the challenged determination. The commission shall act on the appeal within a reasonable time. The commission's action shall be final.

Sec. 3.698-5. Actions of Commission.

The commission shall adopt rules and regulations consistent with fulfilling its responsibilities under this Charter. The commission shall also adopt rules and regulations governing commission meetings and also adopt requirements for notification and mailing for commission business. The commission shall hold public hearings on all proposed amendments to the San Francisco Building Code, Electrical Code, Housing Code, Plumbing Code, and Mechanical Code.

The Building Inspection Commission shall have the sole authority to contract for the publication of the San Francisco Housing, Building, Mechanical, Electrical, and Plumbing Codes, and any amendments thereto. Other provisions of this charter and the Administrative Code notwithstanding, the selection of a publisher shall be based on the lowest retail cost to the public of a complete set of these codes.

Sec. 3.698-6. Approval of Budgets.

The commission shall initially be funded out of the 1994–95 budget approved for the Bureau of Building Inspection, and subsequent funding shall come from the budget of the Department of Building Inspection.

The Director of Building Inspection shall submit a proposed department budget for each upcoming fiscal year for approval by the commission. The proposed budget shall be compiled in such detail as shall be required on uniform blanks furnished by the controller. The Building Inspection Commission must hold at least two public hearings on the respective budget proposal.

The final budget for the Department of Building Inspection must be approved by a favorable vote of at least five commissioners.

Sec. 3.698-7. Technical Boards and Advisory Committees.

The technical boards and advisory committees established in the Building Code by ordinance of the Board of Supervisors shall continue in existence as boards and committees within the Department of Building Inspection. Members of the boards and committees shall be appointed by the commission. Incumbents legally appointed to these respective bodies prior to the commission's assumption of management of the department shall serve at the pleasure of the commission.

Sec. 3.698-8. Severability.

If any provision of this section, or its application to any person or circumstance, shall be held invalid or unenforceable, the remainder of the section and its applications shall not be affected; every provision of this section is intended to be severable.

Section 3.708 is added to read as follows:

Sec. 3.708. Commission on the Status of Women.

A commission on the status of women is hereby established. The commission shall consist of seven members broadly representative of the diversity in ethnicity, race, age, and sexual orientation of the City and County. The commissioners shall be appointed by the Mayor for a term of office of four years, except that vacancies occurring during a term shall be filled for the unexpired term. The commissioners may be removed only for official misconduct pursuant to section 8.107 of this charter.

Members of the commission shall be compensated for each commission meeting actually attended in an amount which may be established and amended by ordinance of the board of supervisors, but not less than $25 per meeting, for up to two commission meetings per calendar month.

Section 8.107 is amended to read as follows:

Sec. 8.107. Suspension and Removal.

Any elective officer, and any member of the civil service commission, health commission, ethics commission, commission on the status of women or public utilities commission or school board may be suspended by the mayor and removed by the board of supervisors for official misconduct, and the mayor shall appoint a qualified person to discharge the duties of the office during the period of suspension. On such suspension, the mayor shall immediately notify the ethics commission and supervisors thereof in writing and the cause therefor, and shall present written charges against such suspended officer to the ethics commission and board of supervisors at or prior to their next regular meetings following such suspension, and shall immediately furnish copy of same to such officer, who shall have the right to appear with counsel before the ethics commission in his or her defense. Hearing by the ethics commission shall be held not less than five days after the filing of written charges. After the hearing, the ethics commission shall transmit the full record of the hearing to the board of supervisors with a recommendation as to whether the charges should be sustained. If, after reviewing the complete record, the charges are deemed to be sustained by not less than a three-fourths vote of all members of the board, the suspended officer shall be removed from office; if not so sustained, or if not acted on by the board of supervisors within 30 days after the receipt of the record from the ethics commission, the suspended officer shall thereby be reinstated.

The mayor must immediately remove from office any elective official convicted of a crime involving moral turpitude, and failure of the mayor so to act shall constitute office misconduct on his or her part.

Any appointee of the mayor, exclusive of civil service, health, recreation and park, status of women and public utilities commissioners, and

members of the school board, may be removed by the mayor. Any nominee or appointee of the mayor whose appointment is subject to confirmation by the board of supervisors, except the chief administrative office and the controller, as in this charter otherwise provided, may be removed by a majority of such board and with the concurrence of the mayor. In each case, written notice shall be given or transmitted to such appointee of such removal, the date of effectiveness thereof, and the reasons therefor, a copy of which notice shall be printed at length in the journal of proceedings of the board of supervisors, together with such reply in writing as such official may make. Any appointee of the mayor or the board of supervisors guilty of official misconduct or convicted of crime involving moral turpitude must be removed by the mayor or the board of supervisors, as the case may be, and failure of the mayor or any supervisor to take such action shall constitute official misconduct on their part.

Section 8.400 is amended to read as follows:

Sec. 8.400. General Rules for Establishing and Paying Compensation.

(a) The board of supervisors shall have power and it shall be its duty to fix by ordinance from time to time, as provided in Section 8.401, all salaries, wages and compensations of every kind and nature, except pension or retirement allowances, for the positions, or places of employment, of all officers and employees of all departments, offices, boards and commissions of the city and county in all cases where such compensations are paid by the city and county.

(b) The board of supervisors shall have power by ordinance to provide the periods when salaries and wages earned shall be paid provided, that until such ordinance becomes effective, all wages and salaries shall be paid semi-monthly. No salary or wage shall be paid in advance. It shall be official misconduct for any officer or employee to present or approve a claim for full-time or continuous personal service other than in the manner provided by this charter.

(c) All personal services shall be paid by warrants on the basis of a claim, bill, time roll or payroll approved by the head of the department or office employing such service. The claims, bills or payrolls, hereinafter designated as payrolls, for salaries, wages or compensation for personal services of all officers, assistants and employees of every class or description, without regard to the name or title by which they are known, for each department or office of the city and county shall be transmitted to the civil service commission before presentation to the controller.

(d) The secretary of the civil service commission shall verify that all persons whose names appear on payrolls have been legally appointed to or employed in positions legally established under this charter. In performing such verification said secretary may rely upon the results of electronic data processing. Said secretary shall direct his attention to exception reports produced by such processing; he shall approve or disapprove each item thereon and transmit said exception reports to the

controller. The controller shall not draw his warrant for any claim for personal services, salary, wages or compensation which has been disapproved by the said secretary.

(e) For the purpose of the verification of claims, bills, timerolls, or payrolls, contractual services represented by teams or trucks hired by any principal executive or other officer of the city and county shall be considered in the same manner as personal service items and shall be included on payrolls as approved by said principal executive or other officers, and shall be subject to examination and approval by the secretary of the civil service commission and the controller in the same manner as payments for personal services.

(f) The salary, wage or other compensation fixed for each officer and employee in, or as provided by this charter, shall be in full compensation for all services rendered, and every officer and employee shall pay all fees and other moneys received by him, in the course of his office or employment, into the city and county treasury.

(g) No officer or employee shall be paid for a greater time than that covered by his actual service; provided, however, that the basic amount of salary, wage or other compensation, excluding premium pay differentials of any type whatsoever of any officer or employee who may be called upon for jury service in any municipal, state or federal court, shall not be diminished during the term of such jury service. There shall, however, be deducted from the amount of basic salary, wage or other compensation, excluding any pay premium differentials of any type whatsoever payable by the city and county to the officer or employee for such period as such officer or employee may be absent on account of jury service, any amounts which the officer or employee may receive on account of such jury service. Any absence from regular duty or employment while on jury duty shall be indicated on timerolls by an appropriate symbol to be designated by the controller.

(h) Notwithstanding any other limitation in the Charter to the contrary, and subject to meet and confer obligations of state law, the Mayor may request that the Board of Supervisors enact, and the Board shall then have the power to so enact, an ordinance entitling City officers or employees called to active duty with a United States military reserve organization to receive from the City the following as part of the individual's compensation: for a period to be specified in the ordinance which may not exceed 180 days, the difference between the amount of the individual's military pay and the amount the individual would have received as a City officer or employee had the employee worked his or her normal work schedule, including any merit raises which otherwise would have been granted during the time the individual was on active duty. Any such ordinance shall be subject to the following limitations and conditions:

1. The individual must have been called into active service for a period greater than 30 consecutive days.

2. The purpose for such call to active service shall be extraordinary circumstances and shall not include scheduled training, drills, unit training assemblies, or similar events.

3. The amounts authorized pursuant to such an ordinance shall be offset by amounts required to be paid pursuant to any other law in order that there be no double payments.

4. Any individual receiving compensation pursuant to such an ordinance shall execute an agreement providing that if such individual does not return to City service within 60 days of release from active duty, or if the individual is not fit for employment at that time, within 60 days of return to fitness for employment, then that compensation shall be treated as a loan payable with interest at a rate equal to the greater of (i) the rate received for the concurrent period by the Treasurer's Pooled Cash Account or (ii) the minimum amount necessary to avoid imputed income under the Internal Revenue Code of 1986, as amended from time to time, and any successor statute. Such loan shall be payable in equal monthly installments over a period not to exceed 5 years, commencing 90 days after the individual's release from active service or return to fitness for employment, as the case may be.

5. Such an ordinance shall not apply to any active duty served voluntarily after the time that the individual is called to active service.

6. Such ordinance shall not be retroactive. (Added November 1991)

Section 8.401 is hereby deleted.

Section 8.401-1 is hereby deleted.

Section 8.407 is hereby deleted.

Section 8.409 is amended to read as follows:

Sec. 8.409. Declaration of Policy.

It is hereby declared to be the policy of the City and County of San Francisco that strikes by city employees are not in the public interest and that, in accordance with Government Code Section 3507(e), a method should be adopted for peacefully and equitably resolving disputes. It is the further purpose and policy of the City and County of San Francisco that the procedures herein adopted except as otherwise provided herein, shall supersede and displace all other formulae, procedures and provisions relating to wages, hours, benefits and other terms and conditions of employment found in this charter, in the ordinances and resolutions of the City and County of San Francisco, or in the rules, regulations or actions of boards or commissions of the City and County of San Francisco.

If any officer or employee covered by this part engages in a strike as defined by section 8.346 (a) of this charter against the City and County of San Francisco, said employee shall be dismissed from his or her employment pursuant to charter section 8.346.

In accordance with applicable state law, nothing herein shall be construed to restrict any legal city rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the City. The City shall also have the right to determine the mission of its constituent departments, officers, boards

and commissions; set standards of services to be offered to the public; and exercise control and discretion over the city's organization and operations. The City may also relieve city employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the city's operations are to be conducted.

However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequences of any such actions on wages, hours, benefits or other terms and conditions of employment whenever memoranda of understanding providing a grievance procedure are in full force and effect.

It is the declared intent of the voters that the state statutes referenced in this part be those in effect on the effective date of this part.

Section 8.409-1 is amended to read as follows:

Sec. 8.409-l. Employees Covered.

These Sections 8.409 through 8.409-6, inclusive, shall apply to all miscellaneous officers and employees and including employees of San Francisco Unified School District and San Francisco Community College District to the extent authorized by state law. The provisions of charter sections 8.400 (h), 8.401, 8.401-1, and 8.407 are hereby repealed and shall be of no further force and effect.

Employee organizations representing employees in classifications covered by section 8.403 and 8.404 of this Charter may elect to include those classifications within the coverage of this part as separate bargaining units, provided, however, that the election shall not become effective without the written approval of the Mayor and Board of Supervisors. The election shall be irrevocable and such employees shall not thereafter be subject to the provisions of section 8.403 and 8.404.

Employees in classifications not represented by a recognized employee organization shall be entitled to represent themselves with the city and county over wages, hours and other terms and conditions of employment to the extent required by state law and shall not be subject to the arbitration provisions of Section 8.409-4 of this charter. The Mayor annually shall propose all forms of compensation for unrepresented employees including salaries, hours, benefits, and other terms and conditions of employment subject to approval or disapproval of the board of supervisors. Consistent with other provisions of this charter, the civil service commission may adopt rules and procedures relating to said unrepresented employees.

Except as otherwise provided by this charter the Civil Service Commission shall set the wages and benefits of all elected officials of the City and County of San Francisco as follows: wages shall be frozen for fiscal year 1994–95 and 1995–96 at the rates in effect on June 30, 1994, thereafter wages and benefits may be adjusted on July 1, of each fiscal year to reflect upward change in the CPI as of the preceding January 1, however, wage increases may not exceed 5%. Benefits of elected officials may equal but

may not exceed those benefits provided to any classification of miscellaneous officers and employees as of July 1 of each fiscal year.

In addition, subject to the approval or disapproval of the Board of Supervisors, the Mayor may create, for employees designated as management, a management compensation package that recognizes and provides incentives for outstanding managerial performance contributing to increased productivity and efficiency in the work force. In formulating such a package, the Mayor shall take into account data developed in conjunction with the civil service commission regarding the terms of executive compensation in other public and private jurisdictions.

Section 8.409-3 is amended to read as follows:

Sec. 8.409-3. Obligation To Bargain In Good Faith.

Notwithstanding any other ordinances, rules or regulations of the city and county of San Francisco and its departments, boards and commission, the city and county through its duly authorized representatives, and recognized employee organizations representing classifications of employees covered by this part shall have the mutual obligation to bargain in good faith on all matters within the scope of representation as defined by Government Code Section 3504, relating to the wages, hours, benefits and other terms and conditions of city and county employment, including the establishment of procedures for the resolution of grievances concerning the interpretation or application of any agreement, and including agreements to provide binding arbitration of discipline and discharge; provided, however that, except insofar as they affect compensation, those matters within the jurisdiction of the civil service commission which establish, implement and regulate the civil service merit system shall not be subject to bargaining under this part: the authority, purpose, definitions, administration and organization of the merit system and the civil service commission; policies, procedures and funding of the operations of the civil service commission and its staff; the establishment and maintenance of a classification plan including the classification and reclassification of positions and the allocation and reallocation of positions to the various classifications; status rights; the establishment of standards, procedures and qualifications for employment, recruitment, application, examination, selection, certification and appointment; the establishment, administration and duration of eligible lists; probationary status and the administration of probationary periods, except duration; pre-employment and fitness for duty medical examinations except for the conditions under which referrals for fitness for duty examinations will be made, and the imposition of new requirements; the designation of positions as exempt, temporary, limited tenure, part-time, seasonal or permanent; resignation with satisfactory service and reappointment; exempt entry level appointment of the handicapped; approval of payrolls; and conflict of interest. As to these matters, the Civil Service Commission shall continue to be required to meet and confer pursuant to state law.

Unless and until agreement is reached through bargaining between authorized representatives of the City and County of San Francisco and

authorized representatives of recognized employee organizations for the employee classifications covered by this part, or a determination is made through the procedure set forth in section 8.409-4 hereinafter provided, no existing wages, written terms or conditions of employment, fringe benefits, or long-standing past practices for said employees shall be altered, eliminated or changed except in cases of emergency. This paragraph shall be effective only until the approval of the first memorandum of understanding with a covered employee organization or six months from the effective date of this part whichever occurs sooner.

During the term of an MOU, disputes regarding changes in wages, hours, benefits and other terms and conditions of employment shall not be subject to the impasse procedures provided in this part, but may be subject to grievance arbitration.

No bargaining unit may be included in more than one memorandum of understanding with the City and County of San Francisco. Consistent with charter sections 3.100-2 and 3.103 and subject to the prior written approval of the Human Resources Director which shall not be unreasonably withheld, appointing officers shall have the authority to negotiate agreements with recognized employee representatives. Appointing officers shall consult and coordinate such negotiations with the Human Resources Director. Such memoranda of understanding shall be restricted to non-economic items within the jurisdiction of the department appointing officer which do not conflict with a city-wide memoranda of understanding. Such memoranda of understanding shall come into full force and effect only upon approval by the mayor and thereafter by a majority vote of the board of supervisors or other appropriate governing body. Upon such approval, departmental memoranda of understanding shall be attached as Appendices to the employee organization's city-wide memoranda of understanding as negotiated under this part. No memoranda of understanding negotiated pursuant to this paragraph during the term of a city-wide memoranda of understanding shall be subject to the arbitration provisions of this part until re-negotiation of the employee organization's city-wide memoranda of understanding.

Agreements reached pursuant to this part by the authorized representatives for the City and County of San Francisco, on behalf of its departments, boards and commissions, and the authorized representatives of recognized employee organizations, once adopted by ordinance of the board of supervisors, shall be binding on the City and County of San Francisco, and on its departments, boards, commissions, officers and employees and on the recognized employee organizations and their successors, and all employees in classifications they represent. Except as specifically set forth in this part, said agreements shall supersede any and all other conflicting procedures, provisions and formulae contained in this charter, in the ordinances of the board of supervisors, or in the rules or regulations of the City and County of San Francisco, relating to wages, hours, or other terms and conditions of employment.

Section 8.409-4 is amended to read as follows:

Sec. 8.409-4. Impasse Resolution Procedures.

(a) Subject to Section 8.409-4(g), disputes pertaining to wages, hours, benefits or other terms and conditions of employment which remain unresolved after good faith bargaining between the City and County of San Francisco, on behalf of its departments, boards and commissions, and a recognized employee organization representing classifications of employees covered under this part shall be submitted to a three-member mediation/arbitration board ("the board") upon the declaration of an impasse either by the authorized representative of the City and County of San Francisco or by the authorized representative of the recognized employee organization involved in the dispute; provided, however, that the arbitration procedures set forth in this part shall not be available to any employee organization that engages in a strike unless the parties mutually agree to engage in arbitration under this section. Should any employee organization engage in a strike either during or after the completion of negotiations and impasse procedures, the arbitration procedure shall cease immediately and no further impasse resolution procedures shall be required.

(b) Not later than January 20 of any year in which bargaining on an MOU takes place, representatives designated by the City and County of San Francisco and representatives of the recognized employee organization involved in bargaining pursuant to this part shall each select and appoint one person to the board. The third member of the board shall be selected by agreement between the City and County of San Francisco and the recognized employee organization, and shall serve as the neutral chairperson of the board.

In the event that the City and County of San Francisco and the recognized employee organization involved in bargaining cannot agree upon the selection of the chairperson within ten (10) days after the selection of the city and county and employee organization members of the board, either party may then request the American Arbitration Association or California State Mediation Service to provide a list of the seven (7) persons who are qualified and experienced as labor interest arbitrators. If the city and county and the employee organization cannot agree within three (3) days after receipt of such list on one of the seven (7) persons to act as the chairperson, they shall randomly determine which party strikes first, and shall alternately strike names from the list of nominees until one name remains and that person shall then become the chairperson of the board.

(c) Any proceeding convened pursuant to this section shall be conducted in conformance with, subject to, and governed by Title 9 of Part 3 of the California Code of Civil Procedure. The board may hold public hearings, receive evidence from the parties and, at the request of either party, cause a transcript of the proceedings to be prepared. The board, in the exercise of its discretion, may meet privately with the parties to mediate or mediate/arbitrate the dispute. The board may also adopt

other procedures designed to encourage an agreement between the parties, expedite the arbitration hearing process, or reduce the cost of the arbitration process.

(d) In the event no agreement is reached prior to the conclusion of the arbitration hearings, the board shall direct each of the parties to submit, within such time limit as the board may establish, a last offer of settlement on each of the remaining issues in dispute. The board shall decide each issue by majority vote by selecting whichever last offer of settlement on that issue it finds by a preponderance of the evidence presented during the arbitration most nearly conforms to those factors traditionally taken into consideration in the determination of wages, hours, benefits and terms and conditions of public and private employment, including, but not limited to, changes in the average consumer price index for goods and services; the wages, hours, benefits and terms and conditions of employment of employees performing similar services; the wages, hours, benefits and terms and conditions of employment of other employees in the City and County of San Francisco; health and safety of employees; the financial resources of the City and County of San Francisco, including a joint report to be issued annually on the City's financial condition for the next three fiscal years from the Controller, the Mayor's budget analyst and the budget analyst for the board of supervisors; other demands on the city and county's resources including limitations on the amount and use of revenues and expenditures; revenue projections; the power to levy taxes and raise revenue by enhancements or other means; budgetary reserves; and the city's ability to meet the costs of the decision of the arbitration board. In addition, the board shall issue written findings on each and every one of the above factors as they may be applicable to each and every issue determined in the award. Compliance with the above provisions shall be mandatory.

(e) To be effective the beginning of the next succeeding fiscal year, an agreement shall be reached or the board shall reach a final decision no later than sixty days before the date the Mayor is required to submit a budget to the board of supervisors, except by mutual agreement of the parties. After reaching a decision, the board shall serve by certified mail or by hand delivery a true copy of its decision to the parties. The decision and findings of the arbitration board shall not be publicly disclosed until ten (10) days after it is delivered to the parties. During that ten (10) day period the parties shall meet privately, attempt to resolve their differences, and by mutual agreement amend or modify the decision and findings of the arbitration board. At the conclusion of the ten (10) day period, which may be extended by mutual agreement between the parties, the decision and findings of the arbitration board, as it may be modified or amended by the parties, shall be publicly disclosed for a period of fourteen (14) days after which time the decision shall be final and binding. Except as otherwise provided by this part, the arbitration decision shall supersede any and all other relevant formulae, procedures and provisions of this charter relating to wages, hours, benefits and terms

and conditions of employment, and it shall be final and binding on the parties to the dispute. However, the decision of the board may be judicially challenged by either party. Thereafter, the City and County of San Francisco, its designated officers, employees and representatives and the recognized employee organization involved in the dispute shall take whatever action necessary to carry out and effectuate the final decision.

(f) The expenses of any proceedings convened pursuant to this part, including the fee for the services of the chairperson of the board, the costs of preparation of the transcript of the proceedings and other costs related to the conduct of the proceedings, as determined by the board, shall be borne equally by the parties. All other expenses which the parties may incur are to be borne by the party incurring such expenses.

(g) The impasse resolution procedures set forth in Section 8.409-4, or in any other provision of the charter, ordinance or state law shall not apply to any rule, policy, procedure, order or practice which relates or pertains to the purpose, goals or requirements of a consent decree, or which is necessary to ensure compliance with federal, state or local laws, ordinances or regulations. In the event the city acts on a matter it has determined relates to or pertains to a consent decree, or in the event the city acts to ensure compliance with federal, state, or local laws, ordinances or regulations, and the affected employee organization disputes said determination, that determination or action shall not be subject to arbitration, but may be challenged in a court of competent jurisdiction.

(h) The impasse resolution procedures set forth in section 8.409-4, or in any other section of the charter shall not apply to any proposal pertaining to the right to strike.

(i) Charter sections 8.590-1 through 8.590-7 shall remain in full force and effect; provided, however, that the wages and other economic benefits and compensation of all classifications of employees covered by these sections shall be frozen for fiscal year 1995–96 at the rates in effect on June 30, 1995, except that wages and other economic benefits and compensation of all classifications of Airport Police shall be frozen for the fiscal year following expiration of the Memorandum of Understanding covering those classifications in effect on the effective date of this amendment.

(j) Subject to the election provisions of section 8.409-1, Charter section 8.403 and 8.404 shall remain in full force and effect; provided, however, that the wages and other economic benefits and compensation of all classifications of employees covered by section 8.404 shall be frozen for fiscal year 1995–96 at the rates in effect on June 30, 1995.

Section 8.500-2 is added to read as follows:

Sec. 8.500-2. Domestic Partner Benefits.

As used in Charter sections 8.428, 8.509, 8.559, 8.584, 8.585, 8.586 and 8.588, 'surviving wife' shall also mean and include a 'surviving spouse'. As used in these sections, the phrases 'surviving wife' and 'surviving spouse' shall also mean and include a domestic partner, provided that:

(a) there is no surviving spouse, and

(b) the member has designated his or her domestic partner as beneficiary with the Retirement System, and

(c) the domestic partnership was established according to those provisions of Chapter 62 of the San Francisco Administrative Code which require the filing of a signed Declaration of Domestic Partnership with the County Clerk. In addition, the Certificate showing that the Declaration of Domestic Partnership was filed with the County Clerk must be filed with the Retirement System at least one full year immediately prior to the effective date of the member's retirement or the member's death if the member should die before retirement.

A monthly allowance equal to what would otherwise be payable to a surviving spouse, shall be paid to the said surviving domestic partner, until he or she dies, marries or establishes a new domestic partnership. The domestic partner benefits under this section will be limited by Section 415 of the Internal Revenue Code of 1986, as amended from time-to-time. No domestic partner benefits will be effective if they have an adverse impact on the tax qualified status of the retirement system under Section 401 of the Internal Revenue Code of 1986, as amended from time-to-time.

Certified to be a true copy by Angela Alioto, President, Board of Supervisors, and John L. Taylor, City Clerk.

An amendment to an existing charter, or the repeal of an existing charter, may be proposed either by the Board of Supervisors or by a petition signed by at least 10% of the electors who voted at the last gubernatorial election. The amendment or repeal is placed before the voters at the next general or special Countywide election. Alternatives may be voted on at the same election. If a majority of the electors voting at the election vote in favor of the amendment or repeal, it is deemed ratified and takes effect when filed by the Secretary of State.
