If the department shall determine at any time for due cause that any such manufacturer or dealer to whom the certificate of registration provided for in this section has been issued and to whom such general distinguishing number or symbol has been assigned has failed to comply with the requirements of this section hereinafter contained with reference to notices or reports of transfer of motor vehicles, or has caused or suffered, or is causing or suffering, the unlawful use of such certificate or number, the department may revoke said certificate of registration and recall and cancel said general distinguishing number of symbol, in which event said manufacturer or dealer, after notice of such action on part of the department, shall, without further demand, return to the department any and all number plates that may have been furnished him by the department under said certificate so revoked; *provided*, that no manufacturer or dealer or any employee of such manufacturer or dealer, shall cause or permit the display, or other use, of any number plate, or certificate of registration which may have been furnished to such manufacturer or dealer under the general distinguishing number or symbol hereinbefore provided for, excepting upon motor vehicles owned by such manufacturer or dealer within the meaning and intent of this act: *provided, further*, that no person shall display or otherwise use or have in his possession any number plate, or certificate of registration furnished by the department under a general manufacturer's or dealer's distinguishing number or symbol, except such

manufacturer or dealer or his employees; *and provided, further*, that if the department, upon receiving from any manufacturer or dealer an application for the issuance for the ensuing calendar year of the certificate of registration and general distinguishing number or symbol provided for in this section, shall determine upon due cause that such manufacturer or dealer during the previous calendar year has failed to comply with the requirements of this section hereinafter contained respecting the filing of notices or reports of transfer of motor vehicles, or has caused or suffered, or is causing or suffering, the unlawful use of such certificate or number, the department may refuse such application.

When it shall become necessary for a manufacturer of, or dealer in, or consignee of, motor vehicles to move any vehicles owned by or consigned to him, not being registered under any of the provisions of this act, from any vessel, railroad depot, or warehouse, to the salesrooms or other place of business of such manufacturer or dealer, or to a warehouse or other place of storage, over the public highways, he may operate such vehicle, either under its own power or otherwise, over such public highways as are necessary for said purpose, without first registering said motor vehicle or affixing thereto any number plates issued to him under the general distinguishing number or symbol hereinabove specified, *provided, however*, that in such event he shall first obtain from the police authorities or marshal of the city or town in which said vessel, railroad depot or warehouse is situated, a written permit authorizing such operation; and there is hereby conferred upon police authorities, including town marshals, within the State of California, authority to issue such permits in proper cases as hereinbefore provided.

Upon the transfer of any motor vehicle by a manufacturer or dealer, whether by sale, lease or otherwise, such motor vehicle not being registered under the provisions of section 3 hereof, such manufacturer or dealer shall, forthwith upon such transfer, file with the department, upon a blank to be furnished by the department, a notice or report containing the date of such transfer, a description of such motor vehicle, and the name and post office of the purchaser, lessee or other transferee. Before any person, firm or corporation shall wreck, dismantle or dissemble any motor vehicle, or substantially alter the form thereof, such person, firm or corporation shall give notice in writing upon forms to be furnished by the Motor Vehicle Department of the intention so to do to the chief of police or marshal of the city or town in which such work is to be done or if such work is to be done outside of an incorporated city or town, such notice shall be given to the sheriff of the county in which the work is to be done.

Upon the transfer of any automobile engine or motor, except a new engine or motor transferred with intent that the same be installed in a new automobile, and whether such transfer be made by a manufacturer or dealer or otherwise, and whether by sale, lease or otherwise, the transferor shall within three days after such transfer file with the department, upon a blank to be furnished by the department, a notice or report containing the date of such transfer and a description, together with the maker's number of said engine or motor, the name and post-office address of the purchaser, lessee or other transferee.

SEC. 3. Section 15 of said act is hereby amended to read as follows:

Sec. 15. (*a*) Other than on vehicles actually engaged at the time in construction or repair work on public highways, no tire on any motor or other vehicle operated on or over any public highway or bridge shall have on its periphery any block, stud, flange, cleat, ridge, bead or any other protuberance of metal or wood which projects beyond the tread or traction surface of the tire, but this section shall not be so construed as to prohibit the use of tire chains of reasonable proportions on motor vehicles when required for safety because of snow, ice or other conditions tending to cause such motor vehicle to slide or skid; *provided, however*, that traction engines or tractors the propulsive power of which is exerted not through wheels resting upon the ground but by means of a flexible band or chain, known as a movable track, may be operated upon the public highways with transverse corrugations upon the periphery of said movable tracks, on condition that a permit shall first have been obtained as hereinafter in this section provided.

(*b*) No motor or other vehicle shall be operated on or over any public highway or bridge, nor shall any object be moved over or upon any public highway or bridge on wheels, rollers, or otherwise, except when transported in or upon vehicles running exclusively on stationary rails or tracks, in excess of a total weight, including load, of thirty thousand pounds, when said motor or other vehicle or contrivance is equipped with four wheels running on the highway, or in excess of a total weight, including load, of forty thousand pounds when said motor or other vehicle or contrivance shall be equipped with six wheels running on the highway and with three axles not less than ninety-six inches apart, without first obtaining a permit as hereinafter in this section provided.

(*c*) No motor or other vehicle or other object, or contrivance for moving loads, except as hereinafter otherwise provided, shall be operated or moved upon or over any public highway or bridge, the weight of which, including the load, resting upon the surface of said highway or bridge exceeds seven hundred pounds upon any inch of channel base width of tire, when said vehicle is equipped with tires made of other material than metal; and no motor or other vehicle, object, or contrivance for moving

loads shall be operated or moved upon or over any public highway or bridge the weight of which, including the load, resting upon the surface of said highway or bridge exceeds four hundred fifty pounds upon any inch of width of tire, roller, wheel or other object supported on the surface thereof when such tires or the rolling surface of such rollers, wheels or other objects are made in whole or in part of metal, without first obtaining a permit as hereinafter in this section provided, *provided, however*, that traction engines or tractors the propulsive power of which is exerted not through wheels resting upon the ground but by means of a flexible band or chain, known as a movable track, shall not be subject to the foregoing limitations upon permissible weights per inch of width of tire if the portions of the movable tracks in contact with the surface of the highway present plane surfaces, *and provided, further*, that cities heretofore or hereafter organized under freeholders' charters may permit or prohibit the increase, beyond the maximum weight per inch of width of tire hereinabove prescribed, of the weight of loads carried within the limits of such cities in or upon metal tired vehicles drawn by muscular power, but where any such city has not by proper and suitable ordinance or other regulation permitted or prohibited such increase of maximum weight of loads, the regulations and limitations prescribed by this act shall not apply.

No solid rubber tire shall be used on any motor or other vehicle or contrivance for moving loads over any public highway or bridge unless such tire has rubber on its entire traction surface at least one inch thick above the edge of the flange.

The supervisors of any county shall have power to require a lighter load on county roads in their respective counties. Any person violating the provisions of this subsection shall be guilty of a misdemeanor and is liable to a penalty of twenty dollars for each full ton in excess of the limitation herein imposed, and any peace officer making the arrest of the owner or driver of any vehicle violating the provisions of this subsection shall keep said vehicle with its load in his custody until such time as said penalty shall have been paid: *provided*, that the owner or driver of any such vehicle may give to said peace officer a bond in favor of the State of California in case of State highways, and in the name of the county in which the offense has occurred in the case of county roads, conditioned to secure the payment of said penalty within the time prescribed in said bond. Furthermore, any peace officer may require the owner or the driver to drive any such vehicle to the nearest public scales to be designated by such peace officer for the purpose of establishing the weight and the load of any such vehicle.

(*d*) No motor vehicle shall be operated or driven over any public highway or bridge drawing or having attached thereto more than two trailers; *provided*, that all four-wheeled trailers excepting light camping trailers shall be equipped with suitable brakes.

(*e*) Anything to the contrary herein notwithstanding, upon application in writing to the State Department of Engineering, said department of engineering in its discretion may issue a special permit to the owner or operator of any vehicle allowing heavier or wider loads than hereinabove in this section or elsewhere in this act permitted to be moved or carried over and on the public highways and bridges, or allowing more than two trailers to be drawn by a motor vehicle; and may also issue such special permit to increase the permissible weights per inch of width of tire and may also permit the use of corrugations on the periphery of the movable tracks of traction engines or tractors propelled not by wheels resting upon the ground but by flexible bands or chains. Such permits shall be in writing and they may limit the time of use and operation over the particular highways and bridges which may be traversed and may contain such special conditions and provisions and require such undertaking or other security as the said department of engineering shall deem to be necessary to protect the public highways and bridges from injury, or provide indemnity for any injury resulting from such operation. All such special permits shall be carried in the vehicles to which they refer and shall upon demand be open to the inspection of any peace officer, any authorized agent of the Department of Engineering or of the Motor Vehicle Department, or any officer or employee charged with the care or protection of the public highways. It shall be unlawful for any person to violate, or to cause or permit to be violated, the limitations or conditions of such special permits and any such violation shall be deemed for all purposes to be a violation of the provisions of this act.

(*f*) Anything to the contrary herein notwithstanding, the State Department of Engineering may in its discretion limit the maximum load to be carried over or on any public bridge, causeway, viaduct, trestle or dam, below the maximum established by law; *provided, however*, that in such event said Department of Engineering shall cause suitable signs to be erected and maintained, specifying such limitation of load, such signs to be placed at a distance of not less than one hundred feet nor more than one hundred fifty feet from the approaches to such bridge, causeway, viaduct, trestle or dam.

(*g*) Anything to the contrary in this act notwithstanding, the owner and the operator, driver or mover of any vehicle, object or contrivance over a public highway or bridge, shall be jointly and severally responsible for all damages which said highway or bridge may sustain as the result of so operating or driving or moving such vehicle and the amount of such damages may be recovered in an action at law by the authorities in control of such highway or bridge.

SEC. 4. Section 32 of said act is hereby amended to read as follows:

Sec. 32. (*a*) Excepting as in this act otherwise provided, or where a different penalty is expressly fixed by this act, any person violating any of its provisions, or knowingly making a false statement or knowingly concealing a material fact or otherwise committing a fraud in an application for the registration of a vehicle, or in an application for an operator's or chauffeur's license, shall be guilty of a misdemeanor, and upon conviction thereof, unless in this act otherwise provided, shall be punished by a fine not exceeding five hundred dollars or by imprisonment in the county jail not exceeding six months, or by both such fine and imprisonment.

(*b*) Immediately upon receipt by the department of information concerning the conviction of any person for the violation of section seventeen of this act, or concerning the third conviction within one year of any person for the violation of any of the provisions of section twenty-two of this act, the department shall forthwith revoke the operator's or chauffeur's license issued to such person by the department and shall issue no operator's or chauffeur's license to any such person within one year thereafter.

A plea of guilty or a failure to appear in court or forfeiture of bail by a person charged with a violation of this act shall be deemed to constitute and be tantamount to conviction for the purposes of this subdivision.

Upon the suspension or revocation of any chauffeur's or operator's license, the department shall demand the surrender of the license certificate, and any duplicates thereof that may have been issued, and also the license badge, if any, and it shall be unlawful for any person whose license has been suspended or revoked as herein provided to fail or neglect forthwith to surrender to the department any such certificates or badge in his possession or under his control Upon receiving within one year verified written complaints made by one or more persons of two or more separate instances of reckless, negligent or unlawful operation of a vehicle on any public highway in this State by any person to whom the department has issued a valid unrevoked operator's or chauffeur's license the department may, in the discretion of the superintendent thereof, fix a time and place for a hearing to determine whether or not the operator's or chauffeur's license held by such person should be revoked on the ground that such person is an unfit person to be so licensed. The person so complained of shall be served with a written notice, at least ten days prior to the date of said hearing, to appear and show cause, at such hearing, why his license to operate a motor vehicle upon the public highways should not be suspended or revoked. Such hearing shall be held by the superintendent of the department or by any person or persons, not exceeding three, officers or employees of the department whom he may designate. If upon such hearing it is determined that there is good and sufficient reason therefor findings and an order shall be made by the superintendent or by the person or persons holding such hearing on his behalf to the effect that such license should be revoked. The department shall thereupon cause such person's license as an operator or chauffeur to be forthwith revoked if the findings hereinbefore provided for show or declare that such operator or chauffeur is a reckless or negligent driver or that he is incompetent or unfit to operate a motor vehicle because of mental or physical infirmities or disabilities.

If in any case the respondent shall fail to appear at the time and place fixed by any such hearing as is provided in this section, he shall be in default, and if in the opinion of the superintendent or of the person or persons holding such hearing on his behalf, there is sufficient reason therefor, the license of the respondent may be ordered revoked or suspended, whereupon the department shall upon notice of such order, revoke or suspend, as the case may be, such license.

The superintendent or the person or persons holding such hearing may summon witnesses in behalf of the State and may administer oaths and take testimony, may cause depositions to be taken, and may order the production of books, papers, agreements and documents

The fees for the attendance and travel of witnesses shall be the same as for witnesses before the superior court, and shall be paid by the State upon demand by the department filed with the Controller.

The Supreme Court, any District Court of Appeal or any superior court shall have jurisdiction, upon the application, to enforce all lawful orders of the department under this section

(*c*) In addition to any or all other punishments provided in this act and imposed by the court upon any person for violation of any of the provisions of this act, the court may in its discretion, suspend an operator's or chauffeur's license for a period of not to exceed thirty days, in which case the court shall take up the license certificate of such person together with, in case of a chauffeur, the license badge, and shall forward them to the department.

(*d*) Upon the expiration of the period of suspension of any license as hereinbefore in this section provided for, the department shall return to the licensee his license certificate, or in its discretion may issue to him a new certificate, and such license shall be valid for the remainder of the current calendar year, subject to the other provisions of this act; and in like manner the department shall return to any chauffeur whose license badge may have been forwarded to the department upon suspension of his license, such license badge or issue to such licensee a new badge.

SEC. 5. Section 34 of said act is hereby amended to read as follows:

Sec. 34. There is hereby created in the State treasury a fund which shall be known as the "Motor Vehicle Fund" During each business day the department shall file with the State Controller and the State Treasurer a report of all transactions completed during the preceding business day, involving the collection of moneys under any of the provisions of this act, and shall at the time of the filing of such report deposit in the State treasury to the credit of the Motor Vehicle Fund, all moneys so reported as collected, *provided, however*, that there is also hereby created in the State treasury a fund which shall be known as the "Transfer and Operators' License Fund," and the moneys so deposited by the department for transfers and for operators' and chauffeurs' licenses shall not be credited to the Motor Vehicle Fund but to the said Transfer and Operators' License Fund. The unencumbered balance remaining in the "Operators' License Fund", created by chapter 218 of the Statutes of 1917, is hereby transferred and credited to the "Transfer and Operators' License Fund" One-half of the net receipts under this act except those credited to the Transfer and Operators' License Fund shall be paid from the Motor Vehicle Fund to the counties from which the moneys were received, as determined by the places of residence of the persons to whom the registration certificates are issued, and all such amounts so returned shall be paid into the road funds of the several counties receiving the same, and shall be expended by such counties exclusively in the construction and maintenance of roads, bridges and culverts in said counties respectively. In the event that any county has not established a road fund, its proportion of said net receipts shall be retained by the State until provision for such road fund has been made, and it shall then be paid over. In the months of February and August of each year the department shall make to the Controller a report setting forth the gross and net receipts for the preceding six months, and thereafter the Controller shall draw his warrants upon the Motor Vehicle Fund in favor of the county treasurer of each county for the amount to which such county is entitled; *provided, nevertheless*, that the Controller shall not draw such warrant in favor of any county which theretofore shall not have established a road fund or which shall be delinquent in its annual report to the State Department of Engineering as hereinafter required. Of the moneys in said "Transfer and Operators' License Fund", when such action has been authorized by the Board of Control, the department may draw, without at the time furnishing vouchers and itemized statements, sums not to exceed in the aggregate ten thousand dollars, said sums so drawn to be used as a revolving fund where cash advances are necessary. At the close of each fiscal year, or at any other time upon demand of the Board of Control, the moneys so drawn must be accounted for and substantiated by vouchers and itemized statements submitted to and audited by the Board of Control and by the Controller. All moneys remaining in the Motor Vehicle Fund after the expenditure herein authorized, in addition to all sums that have been heretofore or that may be appropriated hereafter by the Legislature for the same purpose, shall be expended under the direction of the State Department of Engineering for the maintenance and improvement of the State roads and highways under the jurisdiction of said Department of Engineering, and for the maintenance and improvement of roads and highways in State parks subject to the approval of the official or officials charged by law with the management and control of such parks, such moneys to be so drawn from said Motor Vehicle Fund for the purpose of such maintenance and improvement upon warrants executed by the State Controller upon demand made by the State Department of Engineering, and allowed and audited by the Board of Control. The Transfer and Operators' License Fund and so much of the Motor Vehicle Fund as may be necessary is hereby appropriated to be expended by the department in carrying out the provisions of this act: *provided, however*, that the total so expended from the Motor Vehicle Fund during any license year shall not exceed ten per cent of the receipts of said fund less the amounts refunded therefrom during the same year; *and provided, further*, that the board of supervisors of each county in the State shall make an annual report to the State Department of Engineering not later than three months after the close of the county's fiscal year, upon forms to be provided by the State Department of Engineering, showing the amount of moneys received from the Motor Vehicle Fund during the preceding fiscal year and the disposition of said moneys, specifying in such detail as may be required by said Department of Engineering the roads, bridges and culverts constructed or maintained out of said moneys and the sums applied to the several items of such construction or maintenance; *and provided, further*, that whenever said report shall not have been duly filed in the manner and form hereby provided at or before the time hereinbefore specified, no further warrants shall be drawn upon the Motor Vehicle Fund in favor of the county treasurer of such delinquent county until said report has been furnished"

after citation thereto, or from the earnings, property or estate of said ward, and in such case shall state the amount to be so paid. If it is found, however, that the parent, parents, guardian of said ward, or other person liable therefor, are unable to pay or that the earnings, property, or estate, of said ward is insufficient to pay the whole expense of support and maintenance of said ward, the court may direct such additional amount as may be necessary for the maintenance and support of said ward to be paid from the country treasury of the county for the support and maintenance of said ward, the amount so ordered to be paid from the treasury of said county not to exceed, in the case of any one ward, the sum of twenty dollars in any one month. It shall be the duty of the probation officer to see that such parent, guardian, or other person liable therefor, comply with such orders, or upon three months failure to make such payment to report such failure to said court. Authorizing the Attorney General to institute and prosecute such suits in equity, actions at law, or other appropriate proceedings as may be necessary to protect certain rights and enforce certain remedies of the State of California.

WHEREAS, There has arisen and does now exist a controversy between the State of California on the one hand and the United States on the other concerning the proper construction and application of the provisions of that certain act of the Legislature of the State of California, entitled "An act authorizing the United States government to lower the water levels of any or all of the following lakes. Lower or Little Klamath Lake, Tule or Rhett Lake, Goose Lake, and Clear Lake, situated in Siskiyou and Modoc Counties, and to use any part or all of the beds of said lakes for the storage of water in connection with the irrigation and reclamation operations conducted by the Reclamation Service of the United States; also ceding to the United States all right, title, interest or claim of the State of California to any lands uncovered by the lowering of the water levels of any or all of said lakes not already disposed of by the State," approved February 3, 1905; and

WHEREAS, Though more than sixteen years have elapsed since the passage and approval of said act, the United States has not constructed the contemplated, or any works for lowering the waters of Lower or Little Klamath Lake, or of Goose Lake, or made the contemplated, or any provision for using all or any part of the beds of said lakes last named, or either of them, for the storage of water, and has not made any beneficial use of the waters of either of said lakes or of any lands uncovered by lowering the water levels of said lakes, or either thereof; and

WHEREAS, Subsequent to said date last mentioned the Congress of the United States has passed, and the President has approved, legislation providing for the disposition of certain of said lands in a manner other than that prescribed by the provisions of said reclamation act of June 17, 1902, and without making any provision for the reclamation or irrigation of such lands; and

WHEREAS, In the judgment and determination of this Legislature the subject matter of such existing controversy is one which may properly be submitted to the courts for adjudication; now, therefore, be it

Resolved by the Senate and Assembly, jointly, That the Attorney General of the State of California be and he hereby is authorized, in the name of the State of California and as the act and deed thereof, to institute and to prosecute to final judgment any and all suits in equity, actions at law, and other proceedings which he may deem adequate and appropriate to enforce any and all rights and remedies of the State of California in any manner arising from or growing out of or pertaining to said act of February 3, 1905, including all rights and remedies in any

By Mr. Kline:

RIVERSIDE, CALIFORNIA, April 5, 1921.

DEAR ASSEMBLYMAN: It is natural that all legislators wish to know how people feel concerning matters introduced in the Legislature for consideration; and, believing such to be the case, we are writing you concerning the California fish and game conservation, which is being operated under the State law, with funds that are not taxes, but are contributed by sportsmen and the friends of wild life for the propagation and preservation of wild life.

The present system of wild life conservation has been so satisfactory that any change would be a serious error.

We are unalterably opposed to consolidating it with any department of the State, or to any change whatever in the present system.

Respectfully yours,

A. R. COFFIN, Riverside,
And 65 others.

All assessments, plans and funds intended for or connected with the execution of each particular portion or project shall be designated by such name and number and shall be kept separate and shall be used only for the purpose of carrying out such particular portion or project. For the purpose of making any such assessment the board shall appoint three assessors who shall be disinterested persons, and shall have no interest in any real estate within said district, and each of whom, before entering upon his duties, shall make and subscribe an oath that he is not in any manner interested in any real estate within said district, directly or indirectly, and that he will perform the duties of an assessor to the best of his ability. Said assessors must assess upon the lands within said district the said sums so estimated by the board, and shall apportion the same according to the benefits that will accrue to each tract of land in said district, respectively, by reason of the expenditure of said sums of money After said assessors have examined the plan or plans of the works contemplated and the said estimates of the cost, they shall make a preliminary report to the board indicating the exterior boundaries of the lands that in their opinion will be benefited by the expenditure. The board shall then appoint a time and place in Kern county when and where they will hear objections to the said report and also evidence concerning the manner in which said assessment shall be apportioned. They shall give notice of said hearings by publication once each week for three consecutive weeks in a newspaper of general circulation published in Kern county. They shall exclude any land that will not be benefited by the expenditure of said sums and shall assess all lands that will be benefited thereby. Said assessors shall make a separate list of the lands so assessed which list shall contain a description of the tracts of land assessed, by swamp land surveys, legal subdivisions, or other boundaries or references sufficient to identify the same, the name of the owner, if known, or if unknown, that fact, and the amount of the charge assessed against each tract No mistake in the name of the owner or supposed owner of any real estate shall invalidate the assessment. Said lists when completed shall be filed with the secretary of the board and said secretary shall forward to the county treasurer of Kern county the assessment list and the same shall be open for inspection by the public for at least thirty days. The compensation of said assessors shall be fixed and allowed by the board. The board shall appoint a time and place not less than thirty days after said list has been filed with said treasurer when and where it will meet for the purpose of hearing objections to said assessments, and notice of such hearing shall be filed with the county treasurer and published once each week for two consecutive weeks in some newspaper of general circulation published in Kern county. At any time before the date of such hearing any person interested in any real estate upon which any charge has been assessed, may file in the office of the secretary of the board written objections, which said objections shall be verified by the affidavit of such person or some other person who is familiar with the facts. At such hearing the board shall hear such evidence as may be offered touching the correctness of such assessment, or the manner of its apportionment, and may modify or amend the same and may reapportion all or any part of the entire assessment If said assessment shall be reapportioned, the board shall give two weeks' notice as before, and proceed to hear objections as before, and shall then reconsider said assessment and make an order approving said assessment as finally fixed and the decision of said board shall be final, and thereafter said assessment list shall be conclusive evidence, except in the suit hereinafter provided, that the said assessment has been levied and apportioned according to law. Any person interested in any land upon which any charge has

been so assessed, aggrieved by the decision of the board approving said assessment, may commence an action against the district in the Superior Court of Kern County to have said assessment upon such land modified or annulled. Such action must be commenced within thirty days after said approved assessment list has been deposited in the office of the County Treasurer of Kern County, as provided in the next section, and such action shall have preference over all civil actions in fixing the time of trial. No objection to said assessment shall be considered by the court unless such objection shall have been presented in writing to the board as hereinbefore prescribed.

SEC. 10. After such hearing has been had by the board, such assessment list shall be certified by the secretary of the board to be correct, and said list shall be deposited in the office of the County Treasurer of Kern County, and such assessment shall thereafter constitute a lien upon the lands so assessed and shall impart notice to all subsequent purchasers or encumbrancers or other person acquiring any interest in or lien upon said land, and all unpaid assessments shall bear interest at the rate of seven per cent per annum from the time they are due, and shall be paid to the County Treasurer in separate installments of such amounts, and at such times, respectively as the board, from time to time, in its discretion, may, by order entered in its minutes, direct, if any such installment shall remain unpaid at the expiration of sixty days from the date of the order, then said installment shall become delinquent, together with the accrued interest thereon, and ten per cent of the amount of said installment and interest shall be added thereto, and collected for the use of the district; *provided*, that if an action is pending in any court to have the assessment on any tract of land reviewed, modified or annulled, as provided herein, such assessment, if not annulled, in said action, shall become delinquent thirty days after any judgment rendered therein shall become final. Immediately after the said installment has become delinquent, the board must publish a notice at least once a week for three consecutive weeks in some newspaper of general circulation published in Kern County which notice shall contain a description of the property assessed, the name of the person to whom it is assessed, or a statement that it is assessed to unknown owners, if such is the fact, the amount of the delinquent installment, the amount of the interest at the date of delinquency, the amount of the penalty that has been added as above provided, and notice that the property assessed will be sold on a date therein stated, in front of the court house of said county, to pay said installment with accrued interest and the penalty hereinbefore specified. At the time stated in said notice or such other time to which said sale may have been postponed, the board must cause said property to be sold to the highest bidder for lawful money of the United States. Out of the proceeds of said sale the board must pay the amount of said installment with accrued interest thereon and the penalty herein provided for to the County Treasurer of Kern County and the board must pay to the owner of said property any surplus remaining after such payment to the county treasurer. The board may postpone said sale from time to time by a written notice posted at the place of sale. If no bid is made for said property equal to the amount of said installment, accrued interest and penalty, the district shall become the purchaser, and the said property must be struck off to the district for the amount of said installment, accrued interest and penalty. A certificate of such sale shall be executed by the president of the board to the purchaser, or to the district, if the property shall have been struck off to the district, and said certificate of sale shall be recorded in the office of the county recorder of the county in which the land is situated. Any person interested in said property may redeem the same at any time within one year after the date of said sale, by paying to the county treasurer the amount for which said property was sold, and interest on the said sum at the rate of ten per cent per annum from the date of said sale. If no redemption shall be made within said one year, the purchaser, or the district, if said property shall have been sold to the district, shall be entitled to a deed executed by the president of said board, after notice to any encumbrancer of said land whose encumbrance is of record, and the right of such encumbrancer to redeem said land shall continue for a period of thirty days after such notice. The effect of such deed shall be to convey said property free of all liens and encumbrances, excepting state, county and municipal taxes, assessments levied or assessed by statutory authority and the unpaid balance of assessments made by said district, which said balance must be called in and collected in the same manner as other assessments; *provided*, that where property shall have been deeded to the district and shall not have been sold, the same shall not be offered for sale for subsequent installments of assessments so long as the district shall remain the owner of said property, but the board may sell said property at any time at public auction after notice given for the same period and in the same manner as herein provided for sale for delinquent installments, but not for a sum less than all delinquent unpaid installments with accrued interest and penalties, and the deed executed in pursuance of each sale shall convey said property free of all encumbrances, except state, county and other municipal taxes, assessments levied or assessed by statutory authority and the unpaid balance of said assessments of said district, which balance must be called in and collected in the same manner as other assessments.

SEC. 11. All money collected upon sales or otherwise shall be paid to the county treasurer of Kern county and said money, together with all other money collected by the treasurer shall be deposited in the county treasury to the credit of said district,

in a fund which is hereby created and known as the Kern county conservation district fund, specifying the number of the assessment from which such money was derived and shall be paid out upon warrants of the county auditor and the auditor is hereby directed to issue warrants upon said funds whenever drafts of the board shall be presented to him, and the county treasurer is hereby directed to pay such auditor's warrants when there is sufficient money in the funds of said district; *provided*, that all moneys collected from assessments, shall be paid out only on warrants issued for works or other expenses covered by the assessment from which such money was derived, which assessments must be numbered consecutively, to the end that all moneys raised by assessment upon any of the lands embraced in said district, shall be expended only for the works of conservation or irrigation or other expenses beneficial to the lands so assessed, and for the payment of warrants issued for the construction of the works and other expenses for which such assessment was levied and each warrant must designate the number of the assessment from which it is to be paid. In case there are not sufficient funds for such purpose, the treasurer shall endorse on such warrants the date of presentation and register the same, and thereafter such warrants shall bear interest at the rate of seven per cent per annum, and must be paid in the order of their registration Such warrants shall be considered as contracts in writing for the payment of money by said district and the period prescribed for the commencement of an action upon said warrants is four years from the date thereof. Said warrants shall be received in payment of any assessment for work or expenses for which such warrants were issued. The board may extend the period for payment of any warrant for an additional period of four years upon application of the owner of such warrant. Whenever there is sufficient money in the treasury applicable to the payment of any outstanding warrants of the district, the treasurer shall give notice that there is money in the treasury to pay certain warrants, giving their numbers in the order of their registration, said notice shall be published for ten days in a newspaper of general circulation published in the county of Kern. After the last publication of said notice the warrants therein mentioned shall cease to bear interest. The board shall designate a paper in said county which shall be the official paper of said district for the purpose of such publication.

SEC. 12. In all cases in which an assessment shall be levied upon the lands embraced within said district, and if the assessment upon any tract or tracts of land shall have thereafter been adjudged invalid by any court of competent jurisdiction, or, if, for any reason, such tract or tracts of land shall not have been legally charged with said assessment, then such tract or tracts of land shall be charged in any subsequent assessment with such proportion of the former assessment as the benefits derived by said land from the purposes for which said former assessment was levied bears to the whole amount of said former assessment; or a subsequent reassessment of such tract or tracts of land may be made separately for the purpose of charging said land with its proper proportion of said assessment.

SEC. 13. Whenever, in the opinion of said board, it shall be necessary to levy an assessment upon any lands within said district for the purpose of constructing or purchasing necessary irrigation canals and works, and acquiring the necessary property and rights therefor, and for the purpose of acquiring waters, water rights, reservoirs, reservoir sites, and other property necessary for the purposes of said district, the board of trustees of said district must estimate and determine the amount of money necessary to be raised For the purpose of ascertaining the amount of money necessary to be raised for such purposes, or any of them, said board shall cause such surveys, examinations, drawings and plans to be made as shall furnish the proper basis for said estimate. Said surveys, examinations, drawings and plans, and the estimate based thereon may provide that the works necessary for a completed project shall be constructed progressively during a period of years In the estimate of the amount of money necessary to be raised by the first issue of bonds for any particular project, the board of trustees may include a sum sufficient to pay the interest on all of such bonds for three years or less. All such surveys, examinations, drawings and plans shall be made under the direction of a competent irrigation engineer and shall be certified by him. The plans to be carried out may be divided by said board into separate portions or projects in such manner as will in its judgment best facilitate the levying of assessments or issue of bonds, for each particular portion or project in a just and equitable manner according to benefits upon the lands in said district. Said board shall enter in the minutes of the board, a resolution to the effect that the execution of each such separate portion or project which they may determine upon is a public necessity. Each such particular portion or project shall be designated by the board in such resolution by name and number. All assessments, plans, bond issues and funds intended for or connected with the execution of each particular portion or project shall be designated by such name and number and shall be kept separate and shall be used only for the purpose of carrying out such particular portion or project. For the purpose of apportioning the cost of any such project, the board shall cause an assessment of benefits to be made as hereinbefore provided. The same proceedings and hearings shall be had and said assessment list shall thereupon be filed by the board in the office of the county treasurer of Kern county.

SEC. 14. The board of trustees shall then submit to the commission authorized by law to approve bonds of irrigation districts for certification as legal investments

for savings banks and for the other purposes specified in the act creating said commission a copy of an estimate of the cost of the proposed work or works, based upon such surveys, examinations and investigations as shall furnish a proper basis for said estimate, together with a report on said work or works certified by a competent irrigation engineer. Said commission shall forthwith examine said report and any data in its possession or in the possession of said district and shall make such additional surveys and examinations at the expense of the district as it may deem proper or practicable, and as soon as practicable thereafter shall make to the board of trustees of said district a report which shall contain such matters, as in the judgment of said commission may be desirable; *provided*, that it may state generally the conclusions of said commission regarding the supply of water available for the project, the nature of the soil proposed to be irrigated as to its fertility and susceptibility to irrigation, the probable amount of water needed for its irrigation, and the probable need of drainage, the cost of works, water rights and other property necessary for a complete and satisfactory project, the proper dates of maturity for the bonds proposed to be issued and whether in its opinion it is advisable to proceed with the proposed bond issue. If the estimate of the amount of said bond issue shall have included any amount for the payment of interest on the bonds of such issue, as provided in section thirteen of this act, and such estimate for the payment of interest, or any part thereof, is approved by the commission in said report, it shall be lawful for the board of trustees, if the issuance of such bonds is thereafter authorized by vote of the electors of the district, to use for the payment of interest on any bonds of such issue so much of the proceeds of the sale of said bonds as may have been approved for that purpose in said report of the commission

SEC. 15. If after such examination and investigation the said commission shall deem it advisable that the said plans be modified or that the amount of the bonds proposed to be issued be changed, or that certain conditions should be prescribed to insure the success of the project, or that in its opinion it is not advisable to proceed with the proposed bond issue, it shall so state in its report to the board of trustees. After receiving said report, or if no report is received within ninety days after the submission of said data to said commission, said board of trustees, if it shall determine and shall declare by resolution that the proposed plan of works or some modified plan recommended by said commission is satisfactory and that the said project or said modified plan is feasible, shall make an order determining the amount of bonds that should be issued in order to raise the money necessary therefor; *and provided, further*, that if any district shall issue bonds to carry out any plans approved by said irrigation district bond commission as herein provided it shall be unlawful for said district to make any material change in said plans thereafter without the consent of said commission.

SEC. 16. Within thirty (30) days after said resolution is adopted, an election shall be called and held by the board in that part of said district affected by said assessment or the issuance of said bonds, to determine whether the money necessary to pay the cost of the works and other expenses to be paid out of such assessment shall be raised and whether it shall be raised by calls to be made upon such assessment in such installments as may from time to time be determined by said board, or whether bonds of the district shall be issued in an amount equal to the amount of such assessment, which amount shall be entered by the board in its records and stated by said board in its order for said election, which order shall be entered by the board upon the minutes of said board.

SEC. 17. The board shall in its order providing for said election specify the day on which said election shall be held and shall specify and designate one or more polling places as it may determine to be necessary for the holding of such election. In case the board shall consider it necessary or proper to provide more than one polling place for the holding of such election, the board shall in said order divide the lands affected by said assessment, into separate voting districts, and shall designate and provide one polling place for and within each such voting district at which shall be cast the votes of the owners of land within such voting district.

SEC 18. The board shall also in said order providing for such election appoint a board of election for each such polling place, which board of election shall consist of three owners of land assessed in and by said assessment and situated within such voting district where such polling place is located Each member of such board of election, whether so appointed by the board or whether acting as a substitute as hereinafter provided, shall be entitled to the sum of five dollars for his services as such, to be paid by said board out of any fund of the district or of said board applicable thereto.

SEC. 19. Notice of such election must be given by the board by posting notices thereof in at least three public places in each voting district at least twenty-one days prior thereto, and also by publication for the same length of time in some newspaper of general circulation published in said Kern County Such notice must specify the time and place of holding such election, the aggregate sum of money proposed to be raised, and the names of the persons appointed to act as the board of election. Affidavits of publication and posting of such notices must be filed with the county clerk of said county, together with a copy of said order calling such election certified to by the

secretary or assistant secretary of the board Duplicate original affidavits of publication of posting of such notice shall also be filed in the office of the board.

SEC. 20. At all elections held for the purpose of voting upon a proposed assessment or bond issue, or both, the owner or owners of each tract of land assessed in and by such assessment shall have the right to cast one vote in person or by proxy for each one dollar of the amount for which said tract is assessed by such assessment. At all other elections held pursuant to the provisions of this act, the owner or owners of each tract of land in the district shall be entitled to cast one vote in person or by proxy for each one dollar of the assessed value of such tract, as determined by the last preceding assessment roll of Kern County. In case there shall be more than one owner of any tract of land, all of such owners shall unite in the ballot to be cast at such election for and on behalf of such tract of land, or shall authorize one of their number or some other person to cast such vote for them by proxy.

SEC. 21. Guardians, executors, administrators and other persons holding land in a trust capacity under appointment of court may vote at said election without obtaining special authority therefor. The vote of any public or private corporation or any district, levee district, drainage district or other public agency entitled to vote at such election, may be cast by any person authorized by the board of directors or trustees or other managing body thereof, which authorization shall be in writing and certified to by the secretary or clerk thereof and attested by its seal duly acknowledged and filed with the board of election. No person shall vote by proxy at such election unless authority to cast such vote shall be evidenced by an instrument in writing duly executed, acknowledged and certified in the same manner as grants of real property and filed with the board of election. In case of the change of ownership of any tract of land, or in case the name of the owner of any tract of land be not correctly stated in the voting list, or in case it be assessed to unknown owners, the right to vote shall belong to the owner of such land at the time of the holding of such election; and if the right of any person to vote as the owner of any such tract of land be disputed or challenged, the question of his right to vote shall be determined by the board of election after examining him under oath, which oath any member of such board of election is hereby authorized to administer, and any person testifying falsely upon such examination shall be guilty of perjury. Any person voting or attempting to vote at such election who is not entitled to vote at such election, as herein provided, shall be subject to the same penalties and punishments as provided by the general election laws of this state, for voting or attempting to vote illegally.

SEC. 22. The board shall, prior to every election, cause to be prepared and certified by its secretary or assistant secretary, and furnished to the board of election in each voting district, a true and correct voting list containing the reference number of each tract, the number of votes to be cast for each such tract, and the name of the person or persons entitled to cast such votes, which voting list shall be used by the board of election in determining the right to vote by each voter, and shall be sufficient evidence thereof.

SEC 23. For the purpose of determining the so-called "reference number" of each tract of land, the board shall, before preparing such voting list, cause each tract for which votes are entitled to be cast as herein provided to be given a separate number, to be designated as the "reference number" of such tract. In every election such reference numbers shall be entered upon the several tracts separately assessed.

SEC 24. The ballot cast at such election shall contain the words "Assessment—Yes" or the words "Assessment—No" and the words, "Bonds—Yes" or the words "Bonds—No," and also the signature of the person casting the ballot, with the number of votes cast by such voter. If a ballot is cast by proxy, it shall also contain the name of the land owner for whom the ballot is cast and the signature of the person casting the said vote as such proxy. A list of the ballots cast shall be made by the board of election, containing the name of each voter, and if the ballot be cast by proxy, the name of the person casting it and the number of votes cast by each and whether the same be cast for or against the issuing of the bonds and for or against the levying of the assessment If any person appointed as a member of the board of election shall fail to attend at the opening of the polls, the voters then present may appoint in his place any landowner of the district then present and entitled to vote at such election at such polling place, to fill the position of any such absent member thereof. Each member of such board of election must before entering upon the discharge of his duties as such, take and subscribe an official oath, which oath may be administered by any officer authorized by law to administer oaths, or by any landowner in said district. Such oath shall be to the effect that he will support the constitution of the United States and the constitution of the State of California, and that he will faithfully perform the duties of member of such election board to the best of his ability.

SEC. 25. The polls at each such polling place for said election shall be kept open from eight o'clock in the forenoon until six o'clock in the afternoon of the day appointed for such election. At the close of the polls the board of election shall at once proceed to canvass the votes and declare the result, and shall forward a certificate showing each result and the number of votes cast for and against the issuing of bonds and for or against the levying of the assessment, to the board of trustees

Thereupon the board shall examine and canvass said certificates received from such boards of election, and shall determine therefrom and declare, and enter in its minutes as the managing body of said district, the total result of such election. Any person interested may within ten days after the result thereof has been so determined and declared by the board contest such election by bringing suit in the superior court of Kern county, and if no contest shall be so commenced within said time, the declaration of the result by the board shall be final and conclusive.

SEC. 26. If a majority of the votes cast at such election are in favor of said assessment and in favor of the issuance of bonds, the board shall cause bonds of the district, in the amount stated in said order calling such election, to be prepared and executed and delivered to the county treasurer. Said bonds shall be of the denomination of not less than one hundred dollars nor more than one thousand dollars each. They shall be signed by the president of the board and attested by the secretary of said board with the seal of said board affixed thereto, and shall be numbered consecutively in the order of their maturity and shall bear date either January first or July first and shall bear interest at a rate to be fixed by the order of the board for issuance of the bonds not to exceed six per cent per annum payable semiannually on the first day of January and the first day of July in each year, at the office of the county treasurer upon presentation of the proper coupons therefor. Coupons for each installment of interest shall be attached to said bonds and shall bear the facsimile signature of the county auditor.

SEC. 27. The principal of said bonds shall, on order of said board entered in its minutes, be made payable on the first day of July or the first day of January and in such years as the board may prescribe, but such bonds shall be payable serially within twenty years from their date in the manner following, to wit: Not less than ten per cent of the aggregate face value of such bonds issued shall be payable within ten years from their date, and not less than nine per cent of the aggregate face value of such bonds issued shall be payable each year beginning with the eleventh year from their date until the whole amount of said bonds have been paid.

SEC. 28. Out of the bond fund of such assessment the county treasurer shall, on presentation at or after its maturity pay to the holder thereof each such bond or interest coupon which shall have been sold or which shall have been issued and delivered upon an order of the board payable in bonds as hereinafter provided. If any bond or interest coupon shall not be presented to the county treasurer for payment when the same becomes due, it shall cease to bear interest, but if presented at or after such time and not paid for want of funds, the county treasurer shall so endorse such bond or coupon, together with the date of presentation and thereafter such bond or coupon shall bear interest at the rate expressed in the bond until paid or until funds have been provided in the county treasury applicable to its payment.

Such action shall be in the nature of a proceeding in rem and the defendants in such action shall be designated as "All persons owning or claiming any interest in or lien upon any lands within the district affected by that certain assessment levied by the board known and designated as (giving the name and number of the assessment)." It shall be sufficient to describe said lands as all lands affected by such assessment, without a more specific description. A summons shall be issued in such action, which summons, besides the matters required by section four hundred seven of the Code of Civil Procedure, shall contain a statement that the action is brought to determine the validity of the bonds of the district to the amount stated therein executed by the board and delivered to the treasurer of Kern county and based upon and to be paid out of an assessment levied by said board upon lands within the district assessed in and by that certain assessment known and designated as (giving name and number of the assessment). In drawing any such order upon the county treasurer payable in such bonds as aforesaid, the board may specify the maturity of the bonds which are to be delivered in compliance with such order and such specifications shall be complied with by the county treasurer as far as possible.

SEC. 32. The money derived from the sale of any of said bonds shall be received by the county treasurer and shall be by him safely kept and placed to the credit of the district in a fund to be designated as the "construction fund of (giving name and number of the assessment upon which the bonds are based)", and may be drawn and expended upon warrants drawn by the county auditor at the request of the board upon and payable out of said construction fund.

SEC. 33. The bonds of the district issued pursuant to this act which are investigated and approved by any commission or officer now or hereafter authorized by any law of this State to conduct such investigation and give such approval and by authority of which approval said bonds are declared to be legal investments for savings banks, may be lawfully purchased or received in pledge for loans by banks, trust companies, insurance companies, guardians, executors, administrators and special administrators, or by any public officer or officers of this State or of any county, city, or city and county, or other municipality or corporate body within this State having or holding funds which they are allowed by law to invest or loan.

SEC 34. From the first money received from the sale of any such bonds the county treasurer shall, if authorized in accordance with section 14 hereof, retain an amount which with the other funds in his hands applicable to the payment of such interest will be sufficient to pay the interest which will fall due during the period of one year thereafter upon all such bonds which have been so sold, or which have been issued and delivered on orders of the board payable in bonds, and which are still outstanding; and the county treasurer shall, in that event, at all times retain in his hands sufficient money from the sale of such bonds which, with other funds applicable thereto in his hands will be sufficient to pay all interest to accrue within the period of one year next succeeding upon all such bonds so sold or issued and delivered and still outstanding, and the money so withheld by the county treasurer shall be applied on said bonds and interest thereon and shall not be used for any other purpose.

SEC. 35. Whenever any of such bonds are sold or delivered by the county treasurer either to a purchaser thereof or upon an order from said board payable in such bonds, the county treasurer shall first detach therefrom and cancel all past due interest coupons and deliver such cancelled coupons to the board or its secretary, and shall also at once certify and deliver to said board or its secretary a list of such bonds so sold or delivered, showing the serial numbers, denominations and date of maturity of the bonds so sold or delivered, the price received for each bond sold, and the date of maturity of the earliest maturing interest coupon left attached to each bond so sold or delivered. The county treasurer shall also certify and deliver to the said board or its secretary whenever requested, a statement of all such bonds and coupons for interest thereon paid by him and of all bonds or coupons presented for payment and not paid for want of funds, with the date of presentation.

SEC. 37. In case there shall be several bond issues under this act, based upon several different assessments, respectively, all of the proceedings, records and transactions of every kind herein provided for shall be had and kept separately with reference to each such bond issue.

SEC 38. If a majority of the votes cast at any election held under the provisions of this act to determine the questions set forth in section sixteen of this act are in favor of the proposed assessment, such assessment shall constitute a lien upon the lands assessed from the time the result of such election is declared by the board of

trustees. The secretary of the district shall enter in the minutes of said board the time of such declaration immediately after the same is made.

SEC. 39. If, at any such election the majority of all votes cast are in favor of the proposed assessment and a majority of all the votes cast are against a bond issue, the assessment may be collected at one time or in installments as may be determined by the board of trustees. The board of trustees shall declare the whole or any installment of said assessment to be due at any time by resolution duly adopted. A copy of such resolution shall be forthwith filed with the treasurer of Kern county, who shall cause notice of the call for payment of such assessment or installment thereof to be published in a newspaper of general circulation published in said county for two successive weeks, the first publication to be at least twenty days before the date when unpaid part of said assessment or installment shall be delinquent. Said resolution of the board shall fix a time when said assessment or installment shall be payable and a date when the unpaid parts of the same shall be delinquent. The published notice shall be in form substantially as follows:

Notice is hereby given that an installment of assessment (giving name and number) in the sum of $---------- is payable within ---------- days from date, ----------, by all landowners of Kern County Conservation District subject to said assessment, to the treasurer of Kern County. All or any part of said installment which shall remain unpaid on the ---------- will be delinquent, with ten (10) per cent of such installment and interest added as penalty.

County treasurer.

All parts of said assessment or installment not paid by the delinquent data fixed by the board shall have added a penalty of ten percent of the amount due. Delinquent assessments shall be collected in the same manner as hereinafter provided for the collection of delinquent assessments for the payment of bonds.

SEC. 40. With the money received from the sale of bonds, or with the said bonds as hereinbefore provided, or with the money collected by assessment as hereinabove provided, the board as the managing body of said district shall proceed with the construction and completion or carrying into execution of the works or project for the purpose of which the assessment upon which such bonds are based is levied, in order that the same may be carried out and completed according to the best judgment of said board and without unnecessary delay. For the purpose of paying the cost and expenses of such works or project, and the expenses of making, bonding and collecting the assessment therefor the board shall from time to time as may be necessary present its written requests to the county auditor for the issuance of warrants, specifying the amount of the warrant and the name of the payee thereof, and upon receipt of such written request the county auditor shall draw his warrants upon the county treasurer payable out of the said construction fund of the assessment upon which such bonds have been issued, and the county treasurer shall pay the same or make delivery of such bonds as provided herein. Warrants issued by the auditor and payable out of such assessment as provided herein shall be paid by the county treasurer out of and only out of the construction fund of such assessment, and in their proper order of registration as herein provided.

SEC 41. No warrant issued pursuant to any of the provisions of this act shall be accepted or received by the county treasurer in payment of all or any part of any assessment upon which bonds have been authorized.

SEC 42 When the bonds of the district have been authorized and issued as herein provided, based upon any assessment levied by the board, the board shall annually thereafter before the first day of July of each year, by an order entered in its minutes, ascertain and determine the total amount necessary to be collected upon such assessment for the payment of principal and interest of all such bonds which will or may become due on the first day of January and the first day of July of the succeeding year, and thereafter and before the first day of September of each year said board shall prepare in duplicate, retaining one original thereof, and causing the other original thereof to be certified by its secretary and delivered to the county treasurer a statement of the installment of such assessment necessary to be collected for such year, to which there shall be added and collected an additional amount of fifteen per cent of the installment so due to cover possible delinquencies, which said additional sum, together with such installment, shall constitute the amount to be collected for bonds. Such installment for bonds shall, unless otherwise determined by the board by an order entered in its minutes, a copy of which duly certified shall be transmitted to the county treasurer, be payable in two equal portions, the first of which shall be due and payable to such county treasurer, on the third Monday in October and shall be delinquent on the first Monday in December next thereafter at six o'clock p.m., and the remaining portion may be paid at any time before the last Monday in April next thereafter at six o'clock p m., at which time the same shall become delinquent.

SEC 43. For convenience in entering payment of such installment for bonds, the board shall furnish to the county treasurer an annual collection list in which shall be set forth the reference number of each tract of land assessed and the name of the

owner to whom assessed as stated in the original assessment list, and the total amount assessed upon each tract and the amount to be collected thereon for that year, together with appropriate columns for the entry of payments, sales and redemptions; and the county treasurer shall enter thereon in the proper column all payments, with date of payment, the word "sold" with date of sale, in case of sales for delinquency, and the words "sold to the district" with the date of sale, in the case of sales to the district; and shall also enter the word "redeemed" with the date of payment, in case such redemption be made. Said county treasurer shall also make a report to the board as often as requested of all entries so made by him on such collection list.

SEC. 44. When either portion of any such installment for bonds shall become delinquent, a penalty of one dollar, together with ten per cent of the amount of said installment on each tract so delinquent, shall be added thereto and collected for the use of the bond fund of said assessment. All money so collected by the county treasurer upon such installment for bonds or for the penalty thereon in case of delinquency shall be by him credited to the bond fund of such assessment.

SEC. 45. If both portions of said installment are not paid before the last Monday in April at six o'clock p. m., the board shall publish in one notice, a list of all of said delinquencies at least once a week for two consecutive weeks in some newspaper of general circulation published in Kern county, which notice shall contain a description of each parcel of land assessed whereon such installment or installments are delinquent, as such description appears on the assessment list, the name of the owner to whom it is assessed or a statement that it is assessed to unknown owners if such be the fact, the amount of the installment or installments delinquent on such parcel, the amount of the penalty thereon, and a notice that each of said parcels will be sold at public auction by said county treasurer in front of the court house of said county at a specified day and hour, which shall not be less than thirty nor more than ninety days from the date of delinquency to pay such delinquent installment or installments and penalty. At the time and place stated in said notice the county treasurer shall sell each parcel of land described in said notice to the highest bidder unless prior thereto he shall have received payment in full of said delinquent installment or installments together with such penalty. No bid for any parcel shall be accepted less than the aggregate sum then due for said installment or installments thereon, together with such penalty, except that the treasurer may receive from any purchaser at their face value, in lieu of cash, bonds of said district or their interest coupons, which bonds or coupons shall be then matured or will mature within one year after such sale. Any such bonds or coupons so received in payment shall be by the treasurer forthwith canceled. If the entire amount of any such bond or coupon tendered in payment shall not be required to complete payment of the purchase money, the county treasurer shall endorse thereon as paid the amount of such purchase money credited thereon. There shall be credited to the bond fund of such assessment the amount of purchase money so paid in bonds or coupons on such delinquent sales, and of all sums endorsed as paid upon account of purchase money on any such bonds or coupons specifying the same.

SEC. 46. If no bid is made for any parcel at such delinquent sale equal to the amount of installment or installments delinquent thereon including such penalty, the county treasurer shall bid in and sell said parcel to the said district for the amount of said installment or installments and penalty.

SEC. 47. The county treasurer shall execute to each purchaser at such delinquent sale including said district, a certificate of such sale, which certificate of sale shall be recorded by said purchaser in the county recorder's office of said county.

SEC. 48. Out of the proceeds of said sales the county treasurer shall place to the credit of the bond fund of said district for the particular bond issue based upon said assessment the amount due on the property so sold as shown in said notice, together with the penalty thereon. The county treasurer shall pay to the owner of said property any surplus remaining after such credit.

SEC. 49. The county treasurer may if directed by the board postpone the said delinquent sale from time to time for not less than ten nor more than thirty days by a written notice posted at the place of sale.

SEC. 50. Any person interested in any tract of land sold at such delinquent sale may redeem the same at any time within one year after the date of sale by paying to the county treasurer for such purchaser a sum equal to the purchase price stated in the certificate of sale with interest thereon at the rate of twelve per cent per annum from the date of sale to such redemption, together with the amount remaining due and unpaid of any installment upon any assessment on said land under this act, with the penalty prescribed for delinquency, if any. If no redemption shall be made within one year the board upon demand and the surrender of such certificate of purchase and the delivery of a certificate of the county treasurer that no redemption has been made within such year from date of sale, shall execute to the purchaser, his heirs or assigns, a deed of conveyance of the parcel of land described in such certificate, which deed shall convey to the grantee therein named the said land free and clear of all encumbrances except state, county and municipal taxes, assessments levied or assessed by statutory authority and the unpaid balance of the said or any

assessment made by said district, each installment whereof may be called and collected as by law provided except that no parcel sold and conveyed to the district shall thereafter, until redeemed or until sold and disposed of by the board be subject to sale by the treasurer for delinquent installments of any assessment as in this act provided. Every deed by the board purporting to be executed under this act shall be prima facie evidence of the truth of the matters therein recited and of ownership by the grantee of the lands therein described. All deeds herein required to be executed by the board may be executed by the president and secretary thereof on behalf of said board.

SEC. 51. Any parcel of land bid in and purchased by the district at such delinquent sale shall be held in trust for the bond fund of the assessment upon which the same was sold and may be sold and conveyed by said board or their successors in office at any time after the expiration of said redemption period of one year at public or private sale and with or without notice to any person paying not less than the amount for which said parcel was bid in by said county treasurer at such delinquent sale for said district, with interest thereon at the rate of twelve per cent per annum compounded yearly from the date of such delinquent sale, and also the amount of all subsequent installments then delinquent, with accrued interest and penalties thereon. Payment for the land so purchased may be made by the purchaser either in cash or matured bonds and coupons issued upon said assessment taken at their face value, and the board shall execute a deed to such purchaser at such sale conveying said property, free of encumbrances except state, county and other municipal taxes, assessments levied or assessed by statutory authority, and the unpaid balance of the said or any assessment thereon levied by the board on lands in said district. The purchase price so received in cash shall be by the board forthwith paid over to the county treasurer; and any bonds or coupons so received in payment by the board shall be by said board cancelled and delivered to the county treasurer, and all such money so paid over and such cancelled bonds or coupons so delivered to the county treasurer shall be by him credited to the bond fund of such assessment. If any land so held by the district shall remain unsold after the final installment of the assessment shall have been collected by payment or sale, then the board shall sell all such lands so held by said district at public auction to the highest bidder for cash, upon two weeks published notice substantially in the manner provided for notice upon such delinquent sales, and shall execute to the purchaser a conveyance thereof free of encumbrance except state, county and municipal taxes, and assessments levied or assessed by statutory authority, and shall deposit the proceeds of such sale with the county treasurer to the credit of the bond fund of such assessment

SEC. 52. Any surplus remaining in the bond fund of such assessment greater than is necessary to pay all of the amounts due or to become due during the ensuing year may, in the discretion of the board, be devoted to the purchase in the open market and at the fair market price thereof of any bonds other than bonds of said district available for purchase by savings banks in this State, which shall thereupon be delivered to the county treasurer to be held by him for the benefit of said bond fund until the board shall direct him to sell the same, whereupon the county treasurer shall sell the same and credit the proceeds to the said bond fund; and said board shall direct such sale to be made whenever necessary for payment of such bonds of the district or interest thereon

SEC. 53. The said bond fund of each such assessment shall be held and safely kept by the county treasurer and shall be applied by him toward the payment of the bonds and coupons thereon based upon such assessment, as such bonds and coupons fall due; and if any balance shall remain in the bond fund of such assessment after payment in full of the principal and interest of all outstanding bonds issued upon such assessment, such balance shall be held for the benefit of the lands upon which said assessment was made and in proportion to the amounts assessed thereon, and may be distributed to the owners or other persons interested in such lands by the board.

SEC 54. If within one year from the time said bonds have been authorized to be issued as in this act provided, the same shall not have been sold or disposed of, the board may at its discretion by an order duly made and entered in its minutes and copy duly certified sent to the county treasurer cancel all proceedings taken in connection with such bond issue, and may hereafter call for the payment of such assessment in such installments from time to time as they shall determine and as provided in this act.

SEC. 55. No officer shall charge or receive any fee for any services required to be performed by him under the provisions of this act; but any reasonable and necessary expense actually incurred by any officer in carrying out any of the provisions of this act relating in any manner to the collection or enforcement of any assessment, shall be paid out of the funds of said district applicable thereto.

SEC. 56 If the board or any member thereof or any officer or appointee or employee thereof or any public officer in this act mentioned or referred to shall fail to perform any duties imposed by this act, at the time and in the manner in this act provided, the district attorney of Kern County shall have the power and it shall be his duty to compel the performance of such act by mandamus proceedings or by any other appropriate remedy, legal or equitable; and in case said district attorney shall fail, neglect or refuse so to do, it shall be the duty of the Gov-

SEC. 58. In case the money raised by the original assessment or by the sale of bonds issued be insufficient, or in case the bonds be unavailable for the completion of the plan of canal and works adopted, and the acquisition of the necessary property, waters and water rights therefor, and additional bonds be not voted, it shall be the duty of the board of directors to provide for the completion of said plan, and the acquisition of such necessary property, waters and water rights, by levy of assessments therefor; *provided, however*, that such levy of assessments shall not be made except first an estimate of the amount required for such purposes has been made by said board and the question as to the making of said levy submitted to a vote of the landowners affected thereby in the manner hereinabove provided for the original assessment. Before such question is submitted the order of submission shall be entered in the minutes of the board, stating the amount to be levied and the purpose therefor. At such election the ballots shall contain the words "Assessment—Yes," or "Assessment—No," or words equivalent thereto. If a majority of the votes cast are "Assessment—Yes," the board of directors shall cause an assessment in the amount named in the order of submission to be levied; if a majority of the votes are "Assessment—No," the result of such election shall be so declared and entered of record. The said supplementary assessment shall be collected and the proceeds disposed of in all respects as hereinabove provided for an original assessment upon which no bonds were issued.

SEC. 59. If the amounts raised by means of and upon such assessments as herein provided shall in the end prove insufficient to pay in full all of said bonds and the interest thereon, the board shall levy and cause to be collected in the same manner as herein provided a supplementary annual assessment or assessments from time to time as may be necessary upon the same lands previously assessed in the original assessment, which supplemental assessment or assessments shall be levied by resolution of the board entered in its minutes. COMMUNICATION.

The Speaker announced that he was in receipt of the following communication from Lieutenant Governor C. C. Young:

OFFICE OF LIEUTENANT GOVERNOR, STATE OF CALIFORNIA,
SACRAMENTO, April 21, 1921.

My Dear SPEAKER WRIGHT: Will you please make it clear to the Assembly that if any Assemblymen have been denied admittance to the Senate Chamber during the past two days, it has been entirely through misunderstanding of our temporary rule on the part of Senate doorkeepers.

We have had one or two similar reports where an Assembly doorkeeper has denied Senators admittance to the Assembly Chamber, but we realize in that case, as we trust you will realize in this case, that such action was entirely due to misunderstanding and to commendable desire on the part of the doorkeeper in each case to safeguard what he understood to be the rule of his House.

I was informed that Assemblymen had been denied admittance to the Senate Chamber only fteen minutes ago, and immediately publicly requested the Sergeant-at-Arms to instruct his doorkeepers that our temporary rule, adopted yesterday, does not in any degree abrogate our general rule, which properly gives to Assemblymen full rights upon the Senate floor. Our only request is that Assemblymen will take care not to loiter in the lobby behind the rail—a rule which applies to our own Senators, as well as to anybody else.

I am very sorry that I had not sooner learned that Assemblymen had been kept out of our Chamber, since neither I as presiding officer, nor any Senator, has the slightest idea of shutting out any Assemblymen who may have occasion to consult with one of our own body. We fully realize that such free intercourse between the two Houses is absolutely necessary in closing up the work of this session.

Very respectfully,

C. C. YOUNG, President of the Senate.

ASSISTANT CLERK BOOTH READING.

Resolved by the Assembly, the Senate concurring, That the Legislature of the State of California, at its forty-fourth session, commencing on the third day of January, 1921, two-thirds of all the members elected to each of the two Houses of said State Legislature voting in favor thereof, proposes to the people of the State of California to amend section 16 of article IV of the constitution of said State, to read as follows:

SEC. 16. Every bill which may have passed the Legislature shall, before it becomes a law, be presented to the Governor. If after such reconsideration, it again pass both Houses, by yeas and nays, two-thirds of the members elected to each House voting therefor, it shall become a law, notwithstanding the Governor's objections. If any bill shall not be returned within ten days after it shall have been presented to him (Sundays excepted), the same shall become a law in like manner as if he had signed it, unless the Legislature, by adjournment prevents such return, in which case it shall become a law in like manner as if the Governor had signed it, unless the Governor within thirty days after such adjournment shall indorse his veto thereon and deposit the same in the office of the Secretary of the State together with a written statement of his objections thereto. If any bill presented to the Governor contains several items of appropriation of money, he may object to one or more items, while approving other portions of the bill. In such case he shall append to the bill at the time of signing it, a statement of the items to which he objects and the reasons therefor, and the appropriation so objected to shall not take effect unless passed over the Governor's veto as hereinbefore provided. If the Legislature be in session, the Governor shall transmit to the House in which the bill originated a copy of such statement, and the items so objected to shall be separately reconsidered in the same manner as bills which have been disapproved by the Governor.

EXPLANATION OF VOTE.

The following explanation of vote was received and ordered printed in the Journal:

By Mr. Kline:

I am voting for Assembly Bill No. 226 because I believe in the excellent work done by Frances E. Willard in the cause of prohibition, yet I do protest against the continual intrusion into the progress of education by creating new holidays and setting aside additional school days for exercises instead of teaching. A halt must be made sometime, or we will have a continual succession of holidays and exercises instead of "the three R's," and competition to succeed in life is so strenuous that our children need all the training they can secure.

CHESTER M. KLINE.

ASSEMBLY JOINT RESOLUTION No. 31.

Relative to revision of the Federal Transportation Act of 1920 to establish a just and equitable rule of rate making.

WHEREAS, By section 422 of the Transportation Act, 1920, amending the Interstate Commerce Act by adding section 15*a* thereto, the Congress of the United States prescribed a rule of rate making whereby the Interstate Commerce Commission shall fix rates so that carriers as a whole will under honest, efficient and economical management and reasonable expenditures for maintenance of ways, structures and equipment earn an aggregate annual net railway operating income of six per cent upon the aggregate value of railway property held for and used in the service of transportation; and

WHEREAS, Said Transportation Act as now framed applies to and assures a six per cent income return to all railway properties, regardless of whether or not said property was reasonably acquired for, or properly applied to, transportation uses; and

WHEREAS, Such rule of rate making in effect guarantees to carriers annual net earnings and removes the incentive for efficiencies in operation and economy in expenditures; and

WHEREAS, Such rule of rate making imposes upon shippers and the public an excessive transportation burden making it impossible for producers to market their products and destroying the value of producing properties especially agricultural and horticultural lands and has in its operation wholly failed to accomplish any beneficial results for the carriers but on the contrary has been detrimental to the interests of producers and the public at large; now, therefore, be it

Resolved by the Assembly and Senate, jointly, That the Legislature of the State of California at its forty-fourth session petitions the Congress of the United States to reconsider the Transportation Act of 1920, and urges Congress to eliminate the objectionable features herein pointed out, and to grant a rate structure that will not place a false earning power on a large fictitious railroad capital, the payment of which is stifling to industries of the Pacific Coast; and be it further

Resolved, That a copy of this joint resolution be sent to the President of the United States, to the Interstate Commerce Commission, to the members of the Committee on Interstate Commerce of the Senate, and to the members of the Committee of Interstate and Foreign Commerce of the House of Representatives, to the governors of each of the western states, and to each member of the Senate and House of Representatives of the United States from the State of California.

Resolved by the Assembly, the Senate concurring. That the Legislature of the State of California at its forty-fourth session, commencing on the third day of January, 1921, two-thirds of all members elected to each of the two houses of the Legislature voting in favor thereof, proposes to the people of the State of California to amend section 2 of article IV of the constitution of the State, to read as follows:

SEC 2. The sessions of the Legislature shall be annual, and the Governor in the interim between the adjournment of one session and the commencement of the following session may convene the Legislature, by proclamation, in extraordinary session. All sessions, other than extraordinary, shall commence at twelve o'clock m. on the first Monday after the first day of January of each year

duced if a statement of the facts constituting such necessity is set forth in one section of the act, which section must be passed only by a two-thirds vote of all the members elected to each house upon a separate roll call thereof; *provided, however,* that no measure ratifying a proposed amendment to the constitution of the United States, or creating or abolishing any office or changing the salary, term or duties of any officer, or granting any franchise or special privilege, or creating any vested right or interest, shall be construed to be an urgency measure

EXPLANATION OF VOTE.

The following explanation of vote was received, and ordered printed in the Journal:

I am opposed to the principle of an ad valorem tax for State purposes so long as we have the system of a corporation tax. It leads to extravagance and to a disregard of economy. I voted for the tax levy bill only because that, in the absence of this bill, an extra session of the Legislature would ensue.

I hope the Senate will strike out the part of the bill providing for the ad valorem tax.

Joint Resolution No. 7 ordered transmitted to the Senate.

ASSEMBLY JOINT RESOLUTION No. 7.

Relative to a direct primary for the selection of presidential candidates.

WHEREAS, The present method of selecting party candidates for the offices of President and Vice President of the United States tends to defeat the will of the people; and

WHEREAS, This could be easily remedied by providing for the selection of all party candidates for the said offices on the same day in all of the states of the Union; and

WHEREAS, The adoption of such a presidential primary by Congress for all of the states would avoid a repetition of the last presidential campaign wherein speakers and money were sent from one state to another in order to defeat certain candidates who had proved their strength in certain other states, now, therefore, be it

Resolved by the Assembly and the Senate, jointly, That the Legislature of the State of California hereby memorializes the Congress of the United States to enact a Presidential Primary Act that will provide for the nomination of all party candidates on the same day in all the states; and be it further

Resolved, That California's Senators and Representatives in Congress be and they are hereby requested and urged to use their utmost endeavor to secure the enactment of such a measure; and be it further

Resolved, That a copy of these resolutions be forwarded by the Chief Clerk of the Assembly to the President of the Senate of the United States, the Speaker of the House of Representatives and to each of California's Senators and Representatives in Congress.

Such application shall be verified by the applicant, or if it be a corporation, by an officer thereof, and shall set forth the name and address of the applicant, a description of such tide lands owned by the applicant, the nature and extent of the applicant's interest therein, a reference to the patent or other source of the applicant's title thereto, a description by surveyed subdivisions (not less in any case than one-quarter section) of the submerged lands adjacent thereto which the applicant desires to lease, a statement of the term (which shall not exceed thirty-five years from the date of the lease) for which a lease is desired by the applicant, and such other facts as will show that such lands are not excluded from lease by the provisions of section 2 of this act, and shall file with such

application, in addition to the certified plat hereinafter required, a map or plat showing the submerged lands which the applicant desires shall be leased, the lands adjacent owned by the applicant, the depths of water on such submerged lands at low tide as shown, and so far as shown, by any map thereof issued (or if more than one has been issued, by the map most recently issued) by authority of the United States and the location of such harbor lines or pierhead lines if any as may have been established by authority of the United States

Any person desiring to make application that there be leased pursuant to the provisions of this act, any submerged lands which shall not have been sectionized by authority of the United States may apply to the surveyor or engineer of the county in which the whole or the greater portion of such lands is situated to have the same surveyed and such county surveyor or engineer shall thereupon at the expense of the applicant make a survey thereof, under instructions from the Surveyor General, and make and certify a plat of such survey, and such plat so certified must be filed with the application for the lease of such lands. If such county surveyor or engineer shall fail to make such survey and furnish to the applicant a certified plat thereof within ninety days after application therefor, the Surveyor General shall upon request of the applicant designate another person to make such survey and to make and certify such plat and a survey made and plat certified by the person so designated shall have the same force and effect as if made by such county surveyor. All surveys made pursuant to the provisions of this section shall conform as nearly as practicable to the system adopted by the United States for the survey of public lands and wherever practicable shall connect with a United States survey.

SEC. 4. Whenever any such application is so approved with respect to any submerged lands described in it, the Surveyor General shall forthwith fix the annual rental per acre therefor (subject to the approval of the State Board of Control) and he shall prepare in duplicate a lease of such lands from the State to the applicant and his or its successors or assigns, which lease shall be dated as of the date of the approval of such application and shall be for the term from and after its date specified in such application, but in no case exceeding thirty-five years. Each such lease shall by its terms provide (*a*) that the lessee or his or its successors or assigns shall pay annually in advance, as rental, to the State Treasurer for the general fund the amount per acre, fixed by the Surveyor General as above provided, for the area of submerged lands leased thereby, the first of such payments to be made on or before the delivery of such lease and the other installments of rental to be payable annually, during the continuance in force of such lease, upon or before the expiration of each successive year from and after its date; (*b*) that if any such annual installments of rental are not paid within thirty days after the same has become due and payable, the State acting through the Surveyor General at its option, by written notice addressed to the lessee and delivered at his or its address as set forth in the application (or if the lessee or his or its successors or assigns shall have specified another address by a notice filed with the Surveyor General, then at such other address) cancel such lease and terminate all future rights thereunder of the lessee and his or its successors or assigns; (*c*) that in consideration of the rental payable under such lease, the lessee or his or its successors or assigns may at any time and from time to time during the continuance in force of such lease, by dredging or otherwise alter the surface conformation of the leased lands and remove therefrom any earth or other materials of any kind contained therein and for any purpose use or redeposit any such materials on any portion of the leased lands or elsewhere; *provided*, that no such use shall be made of any of such leased lands by the lessee by his or its successors or assigns as will prevent the ebb and flow of tidal waters thereover or substantially lessen the depth of water thereon; and (*d*) that there is reserved from the operations of such lease, and that such lease is subject to, the public right and easement to use the waters over the leased lands for navigation and fishing.

Such lease when so prepared shall be forthwith signed in duplicate in the name and on behalf of the State by the Governor, attested by the Secretary of State, sealed with the Great Seal of the State, and countersigned by the Register of the State Land Office, and when the same has been so signed, attested, sealed and countersigned, the Surveyor General shall forthwith give notice by registered mail to the applicant at his or its address as stated in the application that such lease is ready at the office of the Surveyor General for execution by and delivery to the applicant. Within thirty days after the mailing of such notice the applicant shall sign such lease in duplicate as lessee and pay to the State Treasurer for the general fund the installment of rental which by the terms of such lease is to be paid on or before its delivery and upon the issuance by the Treasurer to the applicant and the filing with the Register of the State Land Office a certificate of such payment, the Surveyor General shall deliver one of the duplicates of such lease to the applicant and shall file the other duplicate thereof in the State Land Office, and such lease shall thereupon be in force and effect. If the applicant shall fail to sign such lease in duplicate or make such initial payment of rental, within thirty days after the mailing to the applicant of the notice herein provided for, that such lease is ready for signature by and delivery to the applicant, the applicant shall be deemed to have waived all right to obtain such lease upon the application theretofore filed and a lease of any submerged lands covered by such application shall not thereafter be made except upon another application for lease being filed and approved pursuant hereto.

SENATE JOINT RESOLUTION No 16

Relative to remount appropriation.

WHEREAS, During the World War a shortage of proper type of cavalry and riding horses in the United States was most noticeable, not only to our army but to all other nations who attempted to secure them in the United States;

WHEREAS, A misconception exists in no small degree that horses are no longer needed in warfare and that cavalry has been rendered obsolete;

WHEREAS, This statement is in error on the face of it, the number of animals used per man in the World War being almost identical with the number used in the Civil War; therefore, be it

Resolved by the Senate, the Assembly concurring, That we ask that the remount appropriation as presented to Congress in the sum of two hundred fifty thousand dollars ($250,000), be adopted without reduction, to the end that the growing of proper horses for artillery and cavalry purposes may be increased, and be it further

Resolved, That the Secretary of the Senate be and she hereby is instructed to forward copies of these resolutions to the Honorable Secretary of War, the Chairman of the Committee on Military Affairs in the House of Representatives, the Chairman on Military Affairs in the United States Senate, and to each of California's Senators and Representatives in Congress.

SENATE JOINT RESOLUTION No 25.

Relative to the cooperation of the National Government in securing for the American petroleum industry foreign sources of supply.

WHEREAS, The State of California produces about twenty-five per cent of the total annual petroleum output of the United States; and

WHEREAS, Its petroleum products find a ready market in the Pacific Coast and Rocky Mountain states, and in the territory bordering upon the Pacific Ocean from Alaska to Chili and in the Hawaiian Islands and the Orient; and

WHEREAS, The known oil-bearing areas of the State have been increased less than ten thousand acres during the past ten years, and from past experience it is improbable that new discoveries will be made with sufficient rapidity to keep pace with the constantly increasing demands from the territory served by California petroleum and its products; and

WHEREAS, The situation in other states of the Union is comparable to that confronting California, in that reserves are unsatisfactory when compared with consumption over any long period of years; and

WHEREAS, The United States consumes over two-thirds of the petroleum produced in the world, and it is of the highest importance that every effort be made by the American petroleum industry to secure, against the time of need, sources of supply in addition to those existing within the boundaries of the United States; now, therefore, be it

Resolved, by the Senate and Assembly of California, That we respectfully urge upon the National Government the wisdom of and necessity for the adoption of a cooperative and sympathetic attitude toward the American petroleum industry in its efforts to secure foreign sources of supply, and be it further

Resolved, That we believe American nationals should be assured of government protection in so far as is compatible with international law and the comity of nations, and that the American government should make every endeavor to secure for its nationals equal rights with the nationals of other countries.

EXPLANATION OF VOTE.

The following explanation of vote was received, and ordered printed in the Journal:

By Mr. Ross:

I preferred this matter to be again submitted to the people; but on further deliberation, and for personal reasons also, I now feel that I would not want my vote to be responsible for the continuance of blind-pigging by dirty, low-down, indecent foreigners, who compose over fifty per cent of the bootleggers in this State.

EXPLANATION OF VOTE.

The following explanation of vote was received, and ordered printed in the Journal:

By Mr. Crittenden:

During my campaign prior to the primary election, to all who asked me my position on whether or not I would vote for another similar regulatory measure if the Harris bill failed, I answered, that I should be guided entirely by the result of the election in November, 1920. The Harris bill was defeated both in my county and in the State. Therefore, to vote for the Wright bill I believe is contrary to the spirit of the referendum and contrary to the principle of majority rule. Therefore, I cannot concur in the Senate amendment to the Wright bill.

REPORTS OF STANDING COMMITTEES—(OUT OF ORDER).

The following reports of standing committees were received and read:

ON JUDICIARY.

ASSEMBLY CHAMBER, SACRAMENTO, CALIFORNIA, April 26, 1921.

MR. SPEAKER: Pursuant to the action of Hon. H. W. Wright, Speaker of the Assembly, on the twentieth day of April, 1921, referring to the Committee on Judiciary the complaint of Charles L. Pryal against Theodore Wittschen, employed

as a prosecuting attorney in the district attorney's office of the county of Alameda, State of California:

That on the twenty-fifth day of April, 1921, at a regular meeting of the said Committee on Judiciary, the following report was adopted, and the Judiciary Committee herewith presents its findings, conclusions and recommendations.

FINDINGS AND CONCLUSIONS.

Your Committee on Judiciary finds that Charles L. Pryal, a consulting electrical engineer in San Francisco, filed under date of April 20, 1921, with the Hon. H. W. Wright, Speaker of the Assembly, a certain complaint against one Theodore Wittschen, employed as a prosecuting attorney in the district attorney's office of the county of Alameda, State of California.

That said complaint contains some ten specifications purporting to alleged facts constituting grounds for impeachment.

Your committee finds that the defendant, Theodore Wittschen, is employed in the district attorney's office of the county of Alameda, State of California

Section 18 of article IV of the constitution of this State specifies that certain State officers therein designated shall be "liable to impeachment for any misdemeanor in office," and that "all other civil officers shall be tried for misdemeanor in office in such manner as the Legislature may provide." Sections 37 of the Code of Civil Procedure and 737 of the Penal Code likewise enumerate the officers who may be tried by the Senate sitting as a court of impeachment. Such office as the defendant may hold is certainly not one of the offices designated in any of these sections.

The Legislature has provided for removal of any "district, county, township or municipal officer by the superior court for wilful or corrupt misconduct in office" upon accusation in writing filed by the grand jury of the county. (Penal Code, Secs. 758 to 771.) Provision has also been made for the filing of an accusation in writing in certain cases "verified by the oath of any person (Penal Code, Sec. 772). Under either procedure the matter is heard by the superior court. Section 889 of the Penal Code also provides that when the proceedings are had for the removal of district, county, municipal or township officers they may be commenced by an accusation or information in writing as provided in sections 758 and 772.

If the defendant may be said to hold a "civil office" within the meaning of section 18 of article IV of the constitution, he is certainly not one of the officers therein designated as being liable to impeachment. He is a county officer, for whose removal the Legislature has provided in the Penal Code sections herein cited.

Your Judiciary Committee therefore has come to the following conclusion:

That the complaint of Charles L. Pyral vs. Theodore Wittschen does not present a case within the Assembly's power of impeachment.

RECOMMENDATION.

WHEREFORE, Your Judiciary Committee, after due consideration of the complaint, recommends that said complaint be dismissed.

ELMER P. BROMLEY,
Chairman Assembly Committee on Judiciary.

MOTION.

Mr. Bromley moved that the report of the Judiciary Committee be adopted

Report unanimously adopted.

ASSEMBLY CHAMBER, SACRAMENTO, CALIFORNIA, April 26, 1921.

MR. SPEAKER: Pursuant to the action of Hon. H. W. Wright, Speaker of the Assembly, on the fourteenth day of April, 1921, referring to the Committee on Judiciary the complaint of A. H. Carpenter against the Hon. Albert G. Burnett, and the Hon. Elijah C. Hart, Judges of the District Court of Appeal, State of California, Third Appellate District, your Committee on Judiciary appointed on eighteenth day of April, 1921, a subcommittee consisting of Messrs. Manning, Coombs, Rosenshine, Spence and Weber, to examine into said matter and report back to this committee;

That on the twenty-fifth day of April, 1921, said subcommittee made the report to said committee hereunto annexed, marked exhibit "A" and made a part hereof;

That thereupon, at a meeting of said Committee on Judiciary, held on the twenty-fifth day of April, 1921, the said report of said subcommittee was adopted as the report to be submitted to this Assembly on the part of said Committee on Judiciary.

In accordance with said report of said subcommittee, adopted as aforesaid, your Committee on Judiciary recommends that the complaint of said A. H. Carpenter be dismissed.

ELMER P. BROMLEY,
Chairman, Assembly Committee on Judiciary.

EXHIBIT "A."

To the Judiciary Committee of the Assembly.

Your subcommittee, appointed to investigate certain charges made against the Honorable Albert G Burnett and the Honorable Elijah C Hart, as Judges of the District Court of Appeal of the State of California, Third Appellate District, requesting the impeachment of said judges, has investigated the complaint filed herein and herewith presents its findings, conclusions and recommendations.

FINDINGS AND CONCLUSIONS.

Your subcommittee finds that A. H. Carpenter, an attorney at law, residing in the city of Stockton, filed under date of April 11, 1921, with the Honorable H. W. Wright, Speaker of the Assembly, a certain complaint against the Honorable Albert G. Burnett and the Honorable Elijah C. Hart, Judges of the District Court of Appeal of the State of California, Third Appellate District; that said complaint contains some thirty specifications purporting to allege facts constituting grounds for impeachment.

Your subcommittee finds that the alleged grounds for impeachment, attempted to be set forth by the complainant, when stripped of all irrelevant language, consist of—

First—Charges set forth in thirty specifications that said judges have incorrectly decided various cases and points involved therein, and

Second—Charges in general terms contained at the opening and conclusion of said complaint, to the effect that such cases have been so decided by said judges, knowing their decisions to be incorrect, and for the purpose of favoring one class of litigant as against another.

On the last page of his complaint the complainant sets forth as follows: "That none of the charges herein detailed require oral evidence to substantiate them, or any argument of counsel, for they are all based and founded upon the written records of said District Court of Appeal, Third District, and the Supreme Court of this State, which may be found in the respective offices of the clerks thereof".

Your subcommittee's investigation has, therefore, upon the suggestion of the complainant himself and by reason of the nature of the complaint, been confined solely to a perusal of the complaint and the records therein referred to, and such other records as the subcommittee deemed pertinent. No oral testimony has been taken on behalf of either the complainant or the accused.

Your subcommittee has come to the following conclusions

First—That the facts set forth in the first class of charges contained in said thirty specifications are solely to the effect that said judges erred in their decisions. If said charges are true, the proper relief for any individual injured thereby would be by petition for rehearing before the Supreme Court. The present complaint is the first time that this subcommittee has heard it suggested that impeachment be had because the judge of a court holds a different legal opinion from that of the unsuccessful and disgruntled counsel.

Second—The second class of charges above mentioned, to the effect that said decisions were wrongfully made for the purpose of aiding one class of litigants against the other, consists merely in a general accusation found at the opening and closing of said complaint, without any specific allegations to substantiate said charges. Said charges we believe to be a cowardly attack upon the public officials against whom they were directed, and made without any intention of proving them. If the complainant desires, as he apparently does, to have this subcommittee pass on such charges merely from an investigation of the cases referred to, your subcommittee finds said charges to be unqualifiedly false. Your subcommittee has come to the conclusion that said charges were not made in good faith, and were made without thought of substantiating the same.

Your subcommittee can not help but further conclude that none of the charges made in said complaint were made in good faith, or with the thought that a deliberative body, such as this Assembly, should recommend impeachment thereon. Your subcommittee's investigation of the cases referred to in the complaint, and other cases in which the complainant has been directly or indirectly interested, lead your subcommittee to the conclusion that any bias or prejudice which exists, lies in the heart of the complainant rather than the accused. We find that from an investigation of the cases appealed by the complainant, that the errors in legal opinion have been on the side of the complainant rather than the judges against whom he directed his attack.

Finally—Your subcommittee would feel derelict in its duty, should it not in making this report, condemn, in no uncertain terms, the action of this complainant in filing such charges as are here presented. The charges made in said complaint are those which may, without foundation, be directed against every man holding a judicial position. The ease with which such charges can be made, and the practical impossibility for the accused to defend themselves, impel your subcommittee to state that when such charges are made in written form, without hope or thought of proving the same, that this subcommittee and this Legislature should not hesitate to put the stamp of disapproval on such actions

Your subcommittee believes it singular that, although these charges have been given the widest publicity throughout the State, that your subcommittee has heard

from no one who is in accord with the complainant in his views and conclusions, and has received no requests to be heard by any one in substantiation of these or any other charges against said judges On the contrary, your subcommittee has received numerous communications from Bar Associations and individuals, condemning the action of this complainant, and strongly commending the integrity, ability and faithful public service of the Judges above named.

RECOMMENDATION.

Wherefore your committee, after due consideration of the complaint and the matters therein referred to, recommends that said complaint be dismissed.

FRANK L. COOMBS
ALBERT A. ROSENSHINE.
HOMER K. SPENCE.
ARTHUR A. WEBER.
