PRAYER

Upon invitation of Speaker Hertzberg, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Johann Wolfgang von Goethe spoke on the capacity of the human spirit. He wrote:

If you treat me as if I were what I ought to be and could be, I will become what I ought to be and could be.

If we look into our own lives we can find that because of at least one or two people who had faith not so much in who we are, but in who we could become, we found the strength and ability within us to rise to greater heights.

Similarly, each of us has the capacity to help others reach their higher potential if we simply treat them in a way that reflects what they can and ought to be.

May we be so blessed to live in a world where we both see and nurture the potential for greatness that dwells in those around us, and may we have the resolve to help them fulfill those expectations. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Hertzberg, Assembly Member Kuehl then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

Further reading of the Journal of the previous legislative day was dispensed with on motion of Assembly Member Romero, seconded by Assembly Member Baugh.

PRAYER

Upon invitation of Speaker Hertzberg, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfí:

In 1787, while serving as the Ambassador to France, Thomas Jefferson wrote to James Madison. Ever the revolutionary, Jefferson wrote:

“A little rebellion now and then is a good thing.”

While Jefferson was writing in a political context, the same can be said when speaking about one’s own personal perspective. Each of us *needs* a little rebellion in our thinking now and then. When we force ourselves to look at our world from a different perspective, from outside our paradigm, we can then see life with renewed creativity and passion.

We often think of rebellions as being chaotic and violent, or destructive. However when we challenge even our most deeply held assumptions, we allow ourselves to be open to both growth and personal clarity.

May the Holy One of Blessing give us the freedom to change, and may we find peace in the process. May this be God’s will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Hertzberg, Speaker Emeritus Villaraigosa then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

Further reading of the Journal of the previous legislative day was dispensed with on motion of Assembly Member Aroner, seconded by Assembly Member Baugh.

At 8:50 a.m., Speaker pro Tempore Fred Keeley, 27th District, presiding

PRAYER

Upon invitation of Speaker Hertzberg, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Surely, Louis Pasteur could have been commenting on his own astounding accomplishments, when he observed:

Blessed is he who carries within himself an ideal and who obeys it. Therein lies the seeds of great thoughts and great actions.

It is sad that citizens so often believe that those who serve in public office are rarely motivated by great thoughts or strong ideals.

In truth it is difficult to hold fast to one's idealistic aspirations when faced with a complicated bureaucracy, exasperating schedules, and unrealistic expectations.

However, what is so extraordinary about politics is that in the midst of all of this chaos and difficulty, great thoughts and great actions are so often found at the very heart of our legislature.

May we be so blessed to always be conscious of our ideals, and may we never be afraid to allow our ideals to grow into great thoughts and even greater actions. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Hertzberg, Assembly Member Strom-Martin then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

Further reading of the Journal of the previous legislative day was dispensed with on motion of Assembly Member Romero, seconded by Assembly Member Thompson.

PRAYER

Upon invitation of Speaker Hertzberg, the following prayer was offered by Assembly Alternate Chaplain Rev. Constantine C. Pappademos:

God in Heaven, You have revealed to us that You are love. Each one of us shows that Your revelation is true and that we believe God is love, when we show love to others. We confess, Lord, that it is difficult to show the type of selfless benevolence that love requires and we ask for Your help. Fill our hearts with love for You and for those around us.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Hertzberg, Assembly Member Robert Pacheco then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

POINT OF ORDER

Assembly Member Brewer arose to the following point of order:

That she had inquired of the Chief Clerk as to whether or not Assembly Bill No. 2412 requires 54 votes for passage and the Chief Clerk has requested that Legislative Counsel come to the Assembly Floor to advise on the reason the bill was keyed as a majority vote bill.

BILLS PASSED ON FILE

Assembly Bills Nos. 2544, 2708, and 2858—Passed on file.

PARLIAMENTARY INQUIRY

Assembly Member McClintock arose to the following parliamentary inquiry:

Will the point of order raised by Assembly Member Brewer be entered into the Journal record?

Reply by Speaker pro Tempore Keeley

The Speaker pro Tempore replied in the affirmative.

POINT OF ORDER

Assembly Member McClintock arose to the following point of order:

Assembly Bill No. 2412 is a tax increase and therefore requires 54 votes for passage.

Ruling by Speaker pro Tempore Keeley

The Speaker pro Tempore ruled the point of order not well-taken; that the information available to the Presiding Officer is the opinion of Legislative Counsel. He has opined that Assembly Bill No. 2412 is revenue-neutral, not a tax increase, and therefore requires 41 votes for passage.

POINT OF ORDER

Assembly Member McClintock arose to the following point of order:

A point of order is raised as to the ruling of the Chair that Assembly Bill No. 2412 requires a majority vote for passage, and it is his judgment that such ruling is a flagrant violation of Article XIII A of the California Constitution and calls for judicial redress; and further that his point of order be reflected in the Assembly Journal.

Reply by Speaker pro Tempore Keeley

The Speaker pro Tempore replied that he was now in possession of the written opinion of Legislative Counsel relative to Assembly Bill No. 2412, and without objection such opinion would be printed in the Journal; and that the point of order raised by Assembly Member McClintock and the ruling of the Chair would also be entered in the Journal record.

PARLIAMENTARY INQUIRY

Assembly Member Thompson arose to the following parliamentary inquiry:

Is there another level of opinion to determine the vote requirement for passage of Assembly Bill No. 2412?

Reply by Speaker pro Tempore Keeley

The Speaker pro Tempore replied that the Body may make such determination and that a motion to appeal from the decision of the Chair is in order.

Request for Unanimous Consent to Print in Journal

Speaker pro Tempore Keeley was granted unanimous consent that the following opinion of Legislative Counsel be printed in the Journal:

Legislative Counsel Opinion—Assembly Bill No. 2412

May 24, 2000

*Honorable Carole Migden
2114 State Capitol*

USE TAX COLLECTION (A.B. 2412)—#10248

Dear Ms. Migden: You have asked us to discuss the impact Assembly Bill No. 2412 of the 1999–2000 Regular Session, as amended on May 15, 2000, would have, if enacted, upon current law; whether the passage of that bill requires the approval of two-thirds of each house of the Legislature; and whether that bill constitutes a tax levy within the meaning of the California Constitution.

Assembly Bill No. 2412 of the 1999–2000 Regular Session, as amended May 15, 2000 (hereafter A.B. 2412), would amend Section 6203 of the Revenue and Taxation Code,¹ which currently requires each retailer “engaged in business in this state” to collect use tax with respect to a purchase of tangible personal property “for storage, use, or other consumption in this state” (subd. (a), Sec. 6203).

By way of background, the Sales and Use Tax Law (Pt. 1 (commencing with Sec. 6001), Div. 2) provides for the imposition and

¹ All further section references are to the Revenue and Taxation Code, unless otherwise indicated.

collection of two separate and distinct taxes: a sales tax (Secs. 6051, 6051.2, 6051.3, and 6051.4) and a use tax (Secs. 6201, 6201.2, 6201.3, and 6201.4).

The sales tax is imposed on retailers for the privilege of selling tangible personal property at retail in this state and is measured by the gross receipts of retailers derived from those sales (Sec. 6051; *Bigsby v. Johnson* (1941) 18 Cal.2d 860, 862–863). Even though a retailer collects the tax from the consumer insofar as it can be done (Sec. 6052), the tax is a direct obligation of the retailer and, as far as the customer is concerned, it is a part of the price paid for goods and nothing else (*Western L. Co. v. State Bd. of Equalization* (1938) 11 Cal.2d 156, 164).

In contrast, the use tax is an excise tax on the privilege of utilizing tangible personal property in this state (Sec. 6201; *Union Oil Co. v. State Bd. of Equal.* (1963) 60 Cal.2d 441, 452). In *Brandtjen and Kluge v. Fincher* (1941) 44 Cal.App.2d Supp. 939, at page 942, the court had the following to say concerning the purposes of the use tax:

“ . . . One of the purposes of the Use Tax Act is to help retailers in the state, who are subject to the sales tax, to compete on terms of equality with retailers out of the state who are exempt from the sales tax. This purpose could not be fully accomplished by imposing the direct liability for the use tax on the retailer, who would in many cases be outside of the state and not subject to its laws at all. It can be carried out by levying the tax on the purchaser who brings the property into this state for use. Accordingly . . . the Use Tax Act imposes the tax, not on ‘the privilege of selling tangible personal property,’ as does the Sales Tax Act, but on the ‘storage, use or other consumption’ of such property in the state, and makes the purchaser, not the seller, liable for the tax.” (Citations omitted.)

Thus, while the sales tax is an obligation of the retailer (*Western L. Co. v. State Bd. of Equalization*, supra, at p. 164), the purchaser is primarily liable for the use tax (*Brandtjen and Kluge v. Fincher*, supra, at p. 943). However, the Sales and Use Tax Law generally requires the collection of the use tax from purchasers by retailers “engaged in business in this state” (Sec. 6203). For purposes of this requirement, Section 6203 defines a “retailer engaged in business in this state,” in pertinent part, as follows:

“6203. . . .

* * *

“(c) ‘Retailer engaged in business in this state’ as used in this section and Section 6202 means and includes any of the following:

“(1) Any retailer maintaining, occupying, or using, permanently or temporarily, directly or indirectly, or through a subsidiary, or agent, by whatever name called, an office, place of distribution, sales or sample room or place, warehouse or storage place, or other place of business.

“(2) Any retailer having any representative, agent, salesperson, canvasser, independent contractor, or solicitor operating in this state under the authority of the retailer or its subsidiary for the purpose of selling, delivering, installing,

assembling, or the taking of orders for any tangible personal property.

“(3) As respects a lease, any retailer deriving rentals from a lease of tangible personal property situated in this state.

“(4) (A) Any retailer soliciting orders for tangible personal property by mail if the solicitations are substantial and recurring and if the retailer benefits from any banking, financing, debt collection, telecommunication, or marketing activities occurring in this state or benefits from the location in this state of authorized installation, servicing, or repair facilities.

“(B) This paragraph shall become operative upon the enactment of any congressional act that authorizes states to compel the collection of state sales and use taxes by out-of-state retailers.

“(5) Notwithstanding Section 7262, a retailer specified in paragraph (4) above, and not specified in paragraph (1), (2), or (3) above, is a ‘retailer engaged in business in this state’ for the purposes of this part and Part 1.5 (commencing with Section 7200) only.

“(d) (1) For purposes of this section, ‘engaged in business in this state’ does not include the taking of orders from customers in this state through a computer telecommunications network located in this state which is not directly or indirectly owned by the retailer when the orders result from the electronic display of products on that same network. The exclusion provided by this subdivision shall apply only to a computer telecommunications network that consists substantially of online communications services other than the displaying and taking of orders for products.

“(2) This subdivision shall become inoperative upon the operative date of provisions of a congressional act that authorize states to compel the collection of state sales and use taxes by out-of-state retailers.

“(e) Except as provided in this subdivision, a retailer is not a ‘retailer engaged in business in this state’ under paragraph (2) of subdivision (c) if that retailer’s sole physical presence in this state is to engage in convention and trade show activities as described in Section 513(d)(3)(A) of the Internal Revenue Code, and if the retailer, including any of his or her representatives, agents, salespersons, canvassers, independent contractors, or solicitors, does not engage in those convention and trade show activities for more than seven days, in whole or in part, in this state during any 12-month period and did not derive more than ten thousand dollars (\$10,000) of gross income from those activities in this state during the prior calendar year. Notwithstanding the preceding sentence, a retailer engaging in convention and trade show activities, as described in Section 513(d)(3)(A) of the Internal Revenue Code, is a ‘retailer engaged in business in this state,’ and is liable for collection of the applicable use tax, with respect to any sale of tangible personal property occurring at the

convention and trade show activities and with respect to any sale of tangible personal property made pursuant to an order taken at or during those convention and trade show activities.

“(f) The Legislature finds and declares that the deletion of language by the act adding this subdivision that was contained in paragraphs (5) and (8) of subdivision (c) is intended to codify the holdings of recent court cases.”

Furthermore, the courts have described the fundamental nature of a retailer’s duty to collect use tax as follows:

“ ‘The liability of the retailer is not . . . for the use tax itself but for an *amount equivalent* to it because of his default in his duty as collection agent. The taxpayer is the person ultimately liable for the tax itself, and not the person who pays the tax liability. [Citation omitted.] . . . the retailer is merely paying the debt of another when he pays the purchaser’s tax, and as such stands in a position analogous to that of a surety for the purchaser so as to entitle him to reimbursement. Accordingly, the liability of the retailer under section 6204, by virtue of its wording and as construed by the cases, is for a debt rather than for taxes.’ ” (*Montgomery Ward & Co. v. State Bd. of Equalization* (1969) 272 Cal.App.2d 728,743; citation omitted.)

Notwithstanding the breadth of a retailer’s duty under state law to collect use tax, the United States Supreme Court has indicated in *Quill Corp. v. North Dakota* (1992) 119 L.Ed.2d 91 (hereafter *Quill*) that the commerce clause of the United States Constitution (cl. 3, Sec. 8, Art. I, U.S. Const.) precludes a state from requiring an out-of-state seller to collect and remit the use tax of that state unless, among other things, both of the following apply: (1) the tax is applied to an activity with a substantial nexus with the taxing state, and (2) the tax is fairly related to the services provided by the state (*Quill*, supra, at pp. 105–106). Moreover, with respect to the first of these criteria, the United States Supreme Court has concluded that a seller’s activities do not have a “substantial nexus” with a taxing state unless that seller has some sort of physical presence in the taxing state (*Quill*, supra, at pp. 105–106, 110). Thus, notwithstanding the expansive definition of a “retailer engaged in business in this state” that is set forth in Section 6203, *Quill* stands for the proposition that a taxing state cannot compel an out-of-state seller to collect and remit an amount of use tax unless the circumstances of the levy of that particular amount of tax meet certain criteria as to the proper reach of a state’s taxing authority (see *Quill*, supra, at p. 107).

A.B. 2412 would amend Section 6203 to add a subdivision (g) to establish, in the context of the electronic ordering of goods from that retailer and the use by that retailer of related business entities, a presumption that a retail seller is “engaged in business in this state.” Proposed subdivision (g) of Section 6203 reads as follows:

“(g) (1) The processing of orders electronically, by fax, telephone, the Internet, or other electronic ordering process, does not relieve a retailer of responsibility for collection of

the tax from the purchaser if the retailer is engaged in business in this state pursuant to this section.

“(2) For purposes of this section, a retailer is presumed to have an agent within the state, as defined in paragraphs (1) and (2) of subdivision (c), if both of the following conditions exist:

“(A) The retailer holds a substantial ownership interest, directly or through a subsidiary, in a retailer maintaining sales locations in California or is owned in whole or in substantial part by such a retailer, or by a parent or subsidiary thereof.

“(B) The retailer sells the same or substantially similar line of products as the retailer maintaining sales locations in California under the same or substantially similar business name, or facilities or employees of the related retailer located in this state are used to advertise or promote sales by the retailer to California purchasers.”

Section 2 of A.B. 2412 would make legislative findings and declarations with respect to the construction, purpose, and intent of proposed subdivision (g). That section would read as follows:

“SEC. 2. The Legislature finds and declares all of the following:

“(a) The amendment to Section 6203 of the Revenue and Taxation Code by this act is intended to clarify existing law.

“(b) This amendment is necessary in order to clarify that a retailer that is engaged in business in the state cannot be relieved of the nexus created by its location in the state through use of an affiliate, subsidiary, or related company, the purpose of which is to engage in similar transactions through the processing of orders by electronic means.

“(c) In amending Section 6203 of the Revenue and Taxation Code, it is not the intent of the Legislature to in any way extend or broaden the definition of retailer engaged in business in the state, but solely to clarify the definition for use by all retailers.

“(d) Pursuant to Section 3.5 of Article III of the California Constitution, the Legislature hereby directs the State Board of Equalization to fully enforce this act.”

Although subdivision (a) of Section 2 of A.B. 2412 would declare that the addition of the proposed subdivision (g) to Section 6203 is intended to clarify existing law, this legislative declaration of intent would not be conclusive as to the effect of that proposed subdivision. In this regard, the courts are not bound by the statements of the Legislature, although a legislative statement is a factor to be considered in determining the meaning and effect of statutory provisions (*West Pico Furniture Co. v. Pacific Finance Loans* (1970) 2 Cal.3d 594, 609–610).

Consequently, proposed subdivision (g) of Section 6203 must be examined to determine whether it would, if A.B. 2412 is enacted, only clarify the current meaning of the phrase “engaged in business in this state” as used in Section 6203, or instead substantively modify or change the current meaning of that phrase.

In this connection, paragraph (1) of proposed subdivision (g) specifies that a retailer is not, by virtue of the electronic processing of

orders, relieved of its duty to collect use tax, but would apply this specification only to a retailer that is otherwise “engaged in business in this state pursuant to this section.” By conditioning the application of its substantive provisions upon a retailer being “engaged in business in this state” as otherwise provided by Section 6203, paragraph (1) of the proposed subdivision (g) indicates that it would not, by its own terms, purport to expand the current legal scope of that phrase. Instead, paragraph (1) only would purport to clarify that a retailer, required by other provisions of Section 6203 to collect use tax from purchasers, is not relieved of that requirement by reason of the electronic processing of orders placed with that retailer.

Paragraph (2) of proposed subdivision (g) specifies that a retailer is presumed to have an agent within the state, for purposes of “being engaged in business in this state” as described by paragraphs (1) and (2) of subdivision (c) of Section 6203, if certain conditions, regarding a nexus to a retailer maintaining sales locations in California, are met with respect to both a parent or subsidiary ownership interest (subpara. (A), para. (2), proposed subd. (g), Sec. 6203) and the types of products sold and the marketing of those products (subpara. (B), para. (2), proposed subd. (g), Sec. 6203).

An agent is generally defined to mean “one who represents another, called the principal, in dealings with third persons” (Sec. 2295, Civ. C.). Within the specific context of Section 6203, the decision in *Current, Inc. v. State Bd. of Equalization* (1994) 24 Cal.App.4th 382 (hereafter *Current*) sets forth those factors that would be utilized by a court to determine whether one retailer is an agent of another. In *Current*, the court relied upon the federal commerce clause “nexus” principles set forth in *Quill* to hold that California use tax collection responsibilities could not be properly imposed upon an out-of-state mail order company, wholly owned by a wholesale check corporation with a physical presence in California, under the authority of former subdivision (g) of Section 6203² (*Current*, supra, at p. 391). In support of its holding, the court noted, among other things, that neither of the entities was “the alter ego or agent of the other for any purpose” (Ibid.). The court explained the basis for this statement, as follows:

“Neither Current nor Deluxe was the alter ego or agent of the other for any purpose. Neither solicited orders for the products of the other, and neither accepted returns of the merchandise of the other or otherwise assisted or provided services for customers of the other. Each owned, operated and maintained its own business assets, conducted its own business transactions, hired and paid its own employees, and maintained its own accounts and records. Current and Deluxe did not have integrated operations or management.

“Current and Deluxe were organized and operated as separate and distinct corporate entities. Neither held itself out to customers or potential customers as being the same as, or an

² Former subdivision (g) of Section 6203 was removed from that section by Section 7 of Chapter 555 of the Statutes of 1995. That former subdivision included as a retailer “engaged in business in this state” any “retailer owned or controlled by the same interests which own or control any retailer engaged in business in the same or a similar line of business in this state.”

affiliate of, the other. Each had its own trade name, goodwill, marketing practices and customer lists and each marketed its products independently of the other. Neither exploited the trade name, corporate identification or goodwill of the other or purchased goods or services from the other.” (*Current*, supra, at p. 388; emphasis added.)

The factors set forth in the second paragraph above appear to be generally consistent with those criteria set forth in subparagraph (B) of paragraph (2) of proposed subdivision (g) of Section 6203. In particular, the issues in *Current* of whether two entities hold themselves out as being identical or affiliated; share goodwill, trade names, or marketing practices; or exploit the trade name, corporate identification, or goodwill of the other, closely resemble the criteria utilized by subparagraph (B) of paragraph (2) of proposed subdivision (g) of Section 6203, namely, whether a retailer sells, under substantially the same business name, products similar to products sold by a retailer with sales locations in California, or whether the California facilities or employees of an in-state retailer are used to advertise or promote sales by an out-of-state retailer. As a result, paragraph (2) of proposed subdivision (g) of Section 6203 could be reasonably construed to create a presumption, consistent with the nexus restrictions set forth in *Quill*, that an out-of-state retailer is engaged in business in California through an agent in this state only if, in addition to a parent or subsidiary relationship to the purported agent, an agency relationship is indicated by factors similar to those common identity factors identified as requisite by the court in *Current*.

Subdivisions (a), (b), and (c) of Section 2 of A.B. 2412, when read in light of basic principles of statutory construction, support this construction that A.B. 2412 would reflect existing law. In particular, subdivision (a) of Section 2 of A.B. 2412 would declare the Legislature’s intent to “clarify” existing law, while subdivision (c) of Section 2 of A.B. 2412 would expressly state that “it is not the intent of the Legislature to in any way extend or broaden the definition of retailer engaged in business in this state.” In addition, subdivision (b) of that same section indicates that the purpose of the proposed amendments made by A.B. 2412 to Section 6203 is to ensure that a retailer, engaged in business in this state, does not eliminate its tax “nexus” to California by means of a related entity engaged in the same types of sales made by electronic orders. It is axiomatic that the guiding star of statutory construction is the intention of the Legislature and that a statute is to be read in the light of its historical background and evident objective (*State Compensation Ins. Fund v. Workers’ Comp. Appeals Bd.* (1979) 88 Cal.App.3d 43, 53). In view of this principle, we think that paragraph (2) of proposed subdivision (g) of Section 6203 would, consistent with the Legislature’s stated legal and policy objectives, be construed as requiring the application of existing principles of agency law, to clarify the circumstances under which a retailer that is processing orders electronically is properly deemed to be “engaged in business in this state” under Section 6203, including the principles set forth in *Quill*.

In light of the foregoing discussion, it is our opinion that the amendment of Section 6203 as proposed by A.B. 2412 would (1) confirm the duty of a retailer processing orders electronically to collect California use tax if that retailer is otherwise required by law to collect that tax, and (2) presume that a retailer is “engaged in business in this state,” by reason of having an agent in this state, only in those circumstances in which such an agency relationship is indicated by certain factors recognized by current law. Thus, we conclude that, in statutorily articulating the presumption set forth in paragraph (2) of proposed subdivision (g) of Section 6203, A.B. 2412 would only clarify, rather than expand, the substantive factors applied by existing law to determine whether an out-of-state retailer is, through the use of an agent, “engaged in business in this state” for purposes of Section 6203.

In addition, in our view, the substantive nature of the amendments to Section 6203 proposed by A.B. 2412 precludes that bill from being subject to the two-thirds legislative vote requirement of Section 3 of Article XIII A of the California Constitution.³ In this connection, Section 3 of Article XIII A requires any change in state taxes enacted for the purpose of increasing revenues collected pursuant thereto to be passed by a two-thirds vote of each house of the Legislature. Section 3 of Article XIII A reads as follows:

“Section 3. From and after the effective date of this article [June 7, 1978 (Sec. 5, Art. XIII A and Sec. 4, Art. XVIII)⁴], any changes in state taxes enacted for the purpose of increasing revenues collected pursuant thereto whether by increased rates or changes in methods of computation must be imposed by an Act passed by not less than two-thirds of all members elected to each of the two houses of the Legislature, except that no new ad valorem taxes on real property, or sales or transaction taxes on the sales of real property may be imposed.” (Emphasis added.)

The California Supreme Court found that Section 3 of Article XIII A is part of an interlocking package of provisions intended to achieve effective real property tax relief (*Amador Valley Joint Union High Sch. Dist. v. State Bd. of Equalization* (1978) 22 Cal.3d 208, 231). The court also stated that, because any tax savings resulting from the operation of property tax limitation provisions of the article (see Secs. 1 and 2, Art. XIII A) otherwise could be withdrawn or depleted by additional or increased state or local levies of other than property taxes, the provisions of the article relating to state taxes and local special taxes combine to place restrictions upon the imposition of those taxes (Id., at p. 231).

Section 3 of Article XIII A expressly applies to “changes in State taxes . . . whether by increased rates or changes in methods of

³ All further article references are to the California Constitution, unless otherwise specified.

⁴ Section 3 of Article XIII A was adopted by the voters as part of their approval at the June 7, 1978, statewide primary election of a constitutional initiative, Proposition 13, that added Article XIII A.

computation.” As a result, that section would not apply to the amendments to Section 6203 proposed by A.B. 2412, which address only a retailer’s duty to collect amounts of use tax, rather than the rate of the tax or the methods of computing that tax. Moreover, as discussed above, a retailer required to collect taxes by Section 6203 is not liable for the use tax itself, but is instead liable for an equivalent amount acting in the role of a collection agent (see *Montgomery Ward & Co. v. State Bd. of Equalization*, supra, at p. 743). Also, a retailer’s use tax liability is in the nature of a debt, rather than a tax (Ibid.; see also Sec. 6204).

As a result, even if the amendments to Section 6203 proposed by A.B. 2412 would, if enacted, result in retailers increasing their collections of California use taxes, those increased collections would be the result of a clarification of collection requirements rather than a “change in State taxes” as described in Section 3 of Article XIII A. In this regard, the substantive legal distinction between the use tax collection burdens of retailers and use taxes themselves is, in our view, indicated by the separate set of limitations on those collection burdens set forth by the United States Supreme Court in *Quill*, supra.

In light of the foregoing discussion, we conclude that A.B. 2412 is not subject to the two-thirds legislative vote requirement of Section 3 of Article XIII A.

The final issue to be addressed is whether A.B. 2412 constitutes a tax levy measure as described in paragraph (3) of subdivision (c) of Section 8 of Article IV. In this regard, there is very little legal authority as to the definition of a tax levy measure as described by that constitutional provision. However, it is our view that a bill constitutes a tax levy if the principal purpose and object of that bill proposes a material change in tax burdens borne by taxpayers (see Senate Journal, 1963 First Ex. Sess., at pp. 103, 105; see also *Jones-Hamilton v. Franchise Tax Board* (1968) 268 Cal.App.2d 343). In contrast, it is also our view that this standard is not met by a bill that addresses only the administration or implementation of an existing tax.

As discussed above, the amendments to Section 6203 proposed by A.B. 2412 apply only to a retailer’s use tax collection duties, and not to the rate or manner of calculation of the use tax itself. Thus, because A.B. 2412 addresses matters related only to the administration and implementation of the use tax, we conclude that A.B. 2412 does not constitute a tax levy.

Very truly yours,

Explanation of Vote on Assembly Bill No. 2412

We vigorously disagree with the Speaker’s ruling that AB 2412 is not a tax levy and therefore requires only a majority vote. It is both in letter and spirit a new tax, imposed in flagrant violation of Article XIII A of the California Constitution and cries out for judicial redress.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The great British thinker, Bertrand Russell, spoke on his philosophy of life. He said:

I have lived in the pursuit of a vision, both personal and social.

Personal: To care for what is noble, for what is beautiful, for what is gentle; to allow moments of insight to give wisdom at more mundane times.

Social: To see in imagination the society that is to be created, where individuals grow freely, and where hate and greed and envy die because there is nothing to nourish them.

At first glance, it seems that Russell speaks of separate visions. A separate set of ideals; one personal, the other social. However, these separate ideals are simply different ways to express a singular goal. He speaks of a desire to see beauty, goodness and God in the world around him, and he dreams to live in a world where others will look at those around them and be able to see beauty, goodness and God as well.

May we be so blessed to live in pursuit of personal and social visions that hold ourselves and the world to the same set of standards, and may these visions bring us closer to living in a world that is at peace with itself. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Ackerman then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

PRAYER

Upon invitation of Speaker Hertzberg, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The great 20th Century American, Marian Anderson spoke about the effects of prejudice on an individual. She observed:

As long as you keep a person down, some part of you has to be down there to hold him down, so it means you cannot soar as you otherwise might.

Anderson observed that two people are hurt by prejudice, the oppressed *and* the oppressor. It takes energy to hate, to scorn, to suppress another human being. When one becomes consumed by hatred, he becomes blinded and trapped by the very prejudice that he had intended to harm another with. Energy that *might* have been used to create instead is turned towards destruction.

May the Holy One of Blessing enable us to use our energies to elevate ourselves and others, and may we learn to work in partnership with those whom we do not always understand. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Hertzberg, Assembly Member Cardoza then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

Further reading of the Journal of the previous legislative day was dispensed with on motion of Assembly Member Wayne, seconded by Assembly Member Thompson.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The late humorist, Erma Bombeck, took a moment to make a serious observation about life. She said:

When I stand before God at the end of my life, I would hope that I would not have a single bit of talent left, and could say, "I used everything you gave me."

What makes this statement extraordinary, is not that Bombeck was able to recognize the many talents she was given, but rather than view that talent with arrogance or vanity, she saw it as a gift from God to be utilized and nurtured.

She looked within herself for the resources she needed, instead of demanding of God or the world to provide them to her.

Bombeck recognized that each of us is endowed with our own special gifts and talents. At the end of our life, whether standing before God, our families, or ourselves, one of the most powerful statements that we can make is that we delved into ourselves to find and to fully utilize the many blessings that we were given.

May the Holy One of Blessing help us to recognize what makes us unique, and may we learn to appreciate and use those talents to their fullest capacities. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Ashburn then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

Further reading of the Journal of the previous legislative day was dispensed with on motion of Assembly Member Shelley, seconded by Assembly Member Thompson.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

President Herbert Hoover said that “Wisdom consists not so much in knowing what to do in the ultimate as in knowing what to do next.”

The questions of right or wrong on the big issues of life are, ironically, often the easy decisions to make. It is the seemingly little questions, in the day in and day out of life, that determines who is truly wise.

As Hoover said, wisdom can be found in simply knowing what to do next. Living in the moment, with the choice in front of you, with decisions to be made, now, in *this* moment, these are the times when we are tested, and this is where wisdom is demanded of us.

May the Holy One of Blessing guide us in our actions and give us the ability to live our lives with wisdom. May this be God’s will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Honda then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

Further reading of the Journal of the previous legislative day was dispensed with on motion of Assembly Member Shelley, seconded by Assembly Member Leonard.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Member Bill Leonard of the 63rd Assembly District.

God, Grant us each day the will to do our jobs, to speak our piece and make our decisions. Grant us the humility to accept rebuff with grace, discourtesy with a grin, disappointment with resolve.

Grant us the courage to face all obstacles, competitive or otherwise, with determination and grit.

Grant us loyalty to family, our principles, and our associates.

Grant us stability that we may remain true to ourselves in times of success.

Grant us vision that we may conserve the profit of today's success against the expense of tomorrow's failure.

Grant us the respect of good men and women.—AMEN.

PRAYER

Upon invitation of Speaker Hertzberg, the following prayer was offered by Assembly Alternate Chaplain Rev. Constantine C. Pappademos:

Holy God, You surpass understanding and at Your word light came forth out of darkness. In Your mercy, You gave us rest through our night-long sleep and raised us up to glorify Your goodness and offer our supplication to You. Now, also, in Your own tender love, O Lord, accept us who adore You and give thanks to You with all our heart. Grant us all our requests if they lead to salvation; make us all children of light and of the day, and heirs to Your eternal rewards.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Hertzberg, Assembly Member Alquist then led the Assembly in the pledge of allegiance to the Flag.

Senate Bill No. 1391.

BILLS RETURNED TO THIRD READING FILE

Pursuant to Assembly Rule 78, the following bill was withdrawn from the inactive file, and placed upon the third reading file.

Senate Bill No. 977, on request of Assembly Member Battin.

MESSAGES FROM THE GOVERNOR

The following item veto message from the Governor was received and ordered printed in the Journal and the bill ordered to the unfinished business file:

Item Veto Message—Assembly Bill No. 1740

Governor's Office, Sacramento

June 30, 2000

I object to the following appropriations contained in Assembly Bill 1740.

Item 0450-101-0932—For local assistance, State Trial Court Funding. I am deleting Provisions 6 and 9.

I am deleting Provision 6, which would require that any funds for salary increases for trial court judicial officers only be distributed to those trial courts that are unified to the fullest extent of the law.

I am also deleting Provision 9, which would require that funding for new trial court judicial officers shall be provided to those courts that are unified to the fullest extent of the law.

The 56th and final eligible county has recently unified, and this language is no longer necessary.

Item 0505-001-0001—For support of Department of Information Technology. I delete Provision 2.

I am deleting Provision 2 which would require \$500,000 of the funds appropriated in this item to be used to conduct a study that will research, analyze, and report on the lack of access to advanced technologies among low-income and minority communities, otherwise known as the "digital divide". While a study of this issue may be meritorious, I am deleting this language because when it was added, \$500,000 was available for this purpose. However, this item no longer contains resources for this study. Additionally, several national studies have been conducted on this issue.

Item 0505-101-0001—For local assistance, Department of Information Technology. I reduce this item from \$190,000 to \$150,000 by deleting:

- (a) Sacramento Police Department—Racial Profiling Technology (\$40,000)

Consistent with my action in Item 2720-101-0001, which provides \$5,000,000 for grants to local law enforcement agencies that collect racial profiling data, I am deleting the \$40,000 legislative augmentation to the Sacramento Police Department for Racial Profiling Technology. Since it is my intention that the grant funds be used to offset a portion of local agency costs to report data to the Highway Patrol, the additional funding provided in this item is unnecessary.

Item 0530-001-0001—For support of Secretary for California Health and Human Services Agency. I reduce this item from \$2,274,000 to \$1,874,000 by reducing:

- (a) 10-Secretary for California Health and Human Services Agency from \$3,272,000 to \$2,872,000, and by revising Provision 1.

I am deleting \$400,000 and 0.9 personnel years of the \$600,000 and 0.9 personnel years legislative augmentation to implement Chapter 990, Statutes of 1999 (SB 480) and conduct a study regarding universal

health care coverage options. While these resources were added for the purpose of conducting an additional study, Chapter 990 does not require such a study. Instead, Chapter 990 requires the Agency to examine and use the results of an existing University of California study, meet with interested parties, and report back to the Legislature on options regarding universal health care coverage. Given that Chapter 990 contained no appropriation and requires no additional study, \$200,000 is sufficient funding for the Agency to complete the required tasks.

I am revising the language in the item to conform to this action.

- “1. Of the amount appropriated in this item, ~~\$500,000~~ *\$200,000* shall be used to ~~conduct a study pursuant to Division 25 (commencing with Section 25000) of the Welfare and Institutions Code,~~ to develop options for achieving universal health care coverage. The Secretary of the California Health and Human Services Agency may utilize an interagency agreement, or conduct a competitive process, for allocating all or any portion of these funds. These funds may be leveraged to obtain additional federal funds, grant moneys or foundation assistance, including in-kind support. It is the intent of the Legislature for the Secretary to utilize recommendations as contained in the report prepared by the Universal Health Care Technical Advisory Committee, dated April 2000, where applicable and deemed appropriate by the Secretary.”

Item 0540-001-0001—For support of Secretary for Resources. I reduce this item from \$11,781,000 to \$7,781,000 by reducing:

- (a) 10-Administration of Resources Agency from \$13,673,000 to \$9,673,000

and revising Provision 1.

I am reducing the \$8,000,000 legislative augmentation by \$4,000,000 for projects associated with removing the Auburn Dam diversion tunnel. While I am supportive of restoring the American River, closure of the tunnel is primarily a federal responsibility. It is premature to fully fund a state contribution toward the closure until the federal government has made clear its plans for and commitment to restoration of the river.

I am revising Provision 1 as follows:

- “1. Of the funds appropriated in this item, ~~\$8,000,000~~ *\$4,000,000* may be allocated by the Secretary for Resources for the joint restoration, with the U.S. Bureau of Reclamation, of the natural stream channel of the North Fork of the American River to its previous free-flowing condition, in conjunction with the U.S. Bureau of Reclamation’s closure of the Auburn Dam diversion tunnel for the purpose of restoring navigable flows and installation of a permanent, midchannel instream diversion and a pumping station for the Placer County Water Agency. Notwithstanding any other provision of law, these funds shall be available for expenditure during the 2000–01, 2001–02, and 2002–03 fiscal years.”

Item 0540-101-0001—For local assistance, Secretary for Resources. I reduce this item from \$4,007,000 to \$3,397,000 by revising:

- (2) Special Projects (Baldwin Hills) from \$860,000 to \$250,000 by deleting:
 (b) Baldwin Hills Conservancy (100,000); and
 (c) Baldwin Hills Planning Fund (510,000).

I am deleting the legislative augmentation of \$610,000 for these two projects. I have sustained \$250,000 for support of the Baldwin Hills Conservancy if it is created by legislation during the 1999–2000 Regular Session.

Item 0540-102-0005—For local assistance, Secretary for Resources. I deleted this item.

These legislative augmentations would over subscribe the allocation to the Resources Agency from the 2000 Safe Neighborhood Parks, Clean Water, Clean Air and Coastal Protection Bond Fund. Specifically, I am deleting the funding for all of the projects related to the San Gabriel and Lower Los Angeles River and Mountains area (subschedules (l), (m), (n) and (o) because, while these projects are meritorious, funding for these projects is premature. The newly established San Gabriel and Lower Los Angeles River and Mountains Conservancy has not yet had an opportunity to develop an implementation plan of priority projects for the region. Further, I believe it is important that project selection include community participation in order to keep faith with the voters to allow community groups to have a role in project selection.

Item 0552-001-0001—For support of Office of the Inspector General. I reduce this item from \$10,348,000 to \$10,248,000 and delete Provision 1.

I am deleting the \$100,000 legislative augmentation to contract with independent social science researchers to study the incidence of violence in State prisons and Youth Authority institutions in order to fund higher competing priorities.

I am deleting Provision 1 to conform to this action.

Item 0555-001-0001—For support of Secretary for Environmental Protection. I reduce this item from \$4,477,000 to \$4,177,000.

I am deleting the \$300,000 legislative augmentation for the California Border Environmental Education Program. This augmentation would provide technical assistance and training for government officials and community-based organizations on environmental issues at the Mexican border, and fund minor capital outlay projects for emergency situations. The Administration's California-Mexico Border Initiative already provides \$2.8 million to address environmental pollution at the Mexican border, including approximately \$306,000 for technical assistance and training.

Item 0555-001-0028—For support of Secretary for Environmental Protection. I delete this item.

I am deleting the \$700,000 legislative augmentation to develop and implement a geographical information management system for Unified Program data tracking. I believe it would be premature to fund this information technology project prior to an approved feasibility study report. If a feasibility study for a geographical information management system is completed and approved, funding for development and implementation costs could be considered in a future budget.

I am deleting Provision 1 to conform to this action.

Item 0555-001-0044—For support of Secretary for Environmental Protection. I revise this item by reducing:

- (b) 20-Special Environmental Programs from (\$5,424,000) to (\$4,724,000);
- (4) 20.25-Information Technology from \$746,000 to \$46,000;

(d) Amount payable from the General Fund (Item 0555-001-0001) from -\$4,477,000 to -\$4,177,000; and by deleting:

(bx) 20.55-California Border Environmental Education Program (\$300,000);

(ex) Amount payable from the Unified Program Account (Item 0555-001-0028) (\$700,000).

I am revising this item to conform to the actions taken in Items 0555-001-0001 and 0555-001-0028.

Item 0650-011-0001—For support of the Office of the Secretary for Education. I reduce this item from \$6,453,000 to \$6,273,000 by reducing:

(a) Office of the Secretary for Education from \$6,463,000 to \$6,283,000.

I am reducing this item by \$180,000 and two positions which I proposed to support the expansion of the Academic Volunteer and Mentor Service Program. The expansion of the Program was not supported by the Legislature; thus these positions are no longer necessary.

Item 0690-103-0001—For support of the Office of Emergency Services. I reduce this item from \$7,685,350 to \$6,935,350 and revise Provision 1.

I am deleting funding for the East County Fire Protection District's fire rescue equipment. I am also reducing the appropriation for the San Mateo County emergency shelter facility from \$500,000 to \$250,000. While these projects may be meritorious, I am reducing or deleting the funding for them to fund higher competing priorities.

I am revising Provision 1 as follows:

“1. The funds appropriated in this item are for various grants for emergency projects or emergency equipment as follows:

- | | |
|---|----------------------------|
| (a) Hanford Fire Department: 3 automated external defibrillators | 13,000 |
| (b) City of San Diego: East County Fire Protection District fire truck | 169,500 |
| (c) East County Fire Protection District: Wildland Type III fire engine | 169,850 |
| (d) East County Fire Protection District: fire rescue equipment | 500,000 |
| (e) City of South San Francisco: San Mateo County emergency shelter facility | 500,000 250,000 |
| (f) City and County of San Francisco Offices of Emergency Services: Conversion of 911 Building into a community resource computer learning center | 700,000 |
| (g) City of Long Beach: Fire safety house and tow vehicle | 63,000 |
| (h) City of Signal Hill: Emergency operation center | 250,000 |
| (i) Walnut Grove Fire District: Fire truck | 250,000 |
| (j) Ceres Fire Department: Breathing apparatus | 40,000 |
| (k) City of Dinuba: Fire safety equipment | 30,000” |

Item 0750-001-0001—For support of the Office of the Lieutenant Governor. I reduce this item from \$2,571,000 to \$1,829,000.

I am deleting the \$532,000 legislative augmentation for the Commission for Economic Development. Funding for this commission was eliminated in 1995, and has not since been funded because other state agencies are now responsible for these activities.

I am reducing the legislative augmentation to establish a San Diego office by \$210,000 from \$265,000 to \$55,000. Currently, the Lt. Governor has three offices, which are located in Sacramento, Los Angeles, and Fresno. Although I believe the existing offices provide the Lt. Governor sufficient flexibility in accomplishing existing duties, I am sustaining \$55,000 for related operational needs.

Item 0845-001-0217—For support of Department of Insurance. I reduce this item from \$123,590,000 to \$122,399,000 by reducing:

(c) 20-Fraud Control from \$29,967,000 to \$28,776,000.

I am deleting the \$1,191,000 legislative augmentation for the Employment Misrepresentation Task Force. I believe there is insufficient justification for additional efforts by the Department of Insurance in this area at this time.

Item 0845-101-0217—For local assistance, Department of Insurance. I reduce this item from \$32,416,000 to \$31,903,000.

I am deleting the \$513,000 legislative augmentation for local assistance for the Employment Misrepresentation Task Force to conform to my previous action regarding Item 0845-001-0217. There is not sufficient justification for additional efforts by the Department of Insurance in this area at this time.

Item 1100-001-0001—For support of California Science Center. I revise this item by deleting Provision 2.

I am deleting Provision 2, which would require the Secretary of State and Consumer Services to represent the state's interests in any lease negotiations for Exposition Park. This provision is unnecessarily restrictive and interferes with the Executive Branch's ability to manage its programs. I also note that the state's interests are already protected by Section 4102 of the Food and Agricultural Code which provides that the California Science Center may lease, let, or grant licenses for the use of a stadium or any arena, pavilion, or other building, with the approval of the State and Consumer Services Agency. Additionally, Provision 1 of this item protects the interests of the state since it requires (1) the Director of General Services to approve any contract, permit, or lease agreement that reduces state revenues or increases state costs by \$25,000 or more, and (2) a written, 30-day notification of the intent to approve such an agreement to the Chairperson of the Joint Legislative Budget Committee.

Item 1111-002-0960—For support of the Bureau for Private Postsecondary and Vocational Education, Department of Consumer Affairs. I reduce this item from \$2,400,000 to \$400,000 by reducing:

(a) 27.30-Student Tuition Recovery Program from \$2,400,000 to \$400,000.

I am revising this item to conform to the action I have taken in Item 1111-003-0001.

Item 1111-003-0001—For transfer to the Student Tuition Recovery Fund. I delete this item and Provisions 1 and 2.

I am deleting the \$2,000,000 legislative augmentation. Existing law provides for a special assessment upon private post-secondary

institutions for deposit in the Student Tuition Recovery Fund (STRF) to pay student tuition reimbursement claims in the event the STRF does not have sufficient resources for payment of the claims. A General Fund augmentation to this fund would inappropriately relieve the institutions of their statutory responsibility to students and could set an undesirable precedent for General Fund payment of any future judgments against the STRF.

I am deleting Provisions 1 and 2, and revising Item 1111-002-0960 to conform to this action.

Item 1111-102-0001—For local assistance, Bureau of Automotive Repair, Department of Consumer Affairs. I delete this item.

I am deleting the \$2,000,000 legislative augmentation for smog check remote sensing. Smog check remote sensing is more appropriately funded by the Vehicle Inspection and Repair Fund, and the budget already provides sufficient funding from that source for those purposes.

Item 1760-001-0001—For support of Department of General Services. I reduce this item from \$24,690,000 to \$24,290,000 and delete Provision 3.

I am deleting the legislative augmentation of \$400,000 for the public school construction businesses process review. Chapter 401, Statutes of 1998, authorizing statute for the School Facilities Program, recently streamlined the cumbersome and complex Lease-Purchase School Construction Program in an effort to allow local districts more flexibility to build schools as efficiently as possible. It would be premature to initiate actions related to further program modifications until the program has been operational for a sufficient length of time to warrant effective evaluation.

I am deleting Provision 3 to conform to this action.

Item 1760-001-0666—For support of Department of General Services. I revise this item by reducing:

- (a) Program support from \$591,547,000 to \$591,147,000, and
- (c) Amount payable from the General Fund (Item 1760-001-0001) from -\$24,690,000 to -\$24,290,000.

I am revising this item to conform to the action taken in Item 1760-001-0001.

Item 1760-491—Reappropriation, Department of General Services. I delete Provision 1.

I am revising this Item by deleting Provision 1, which declares the intent of the Legislature not to reappropriate funding for the projects listed in this Item and states that the Department of General Services should identify new eligible projects for which any unexpended funds could be used. This language is an infringement on the Executive Branch's budget development process and restricts my authority to prepare a budget that reflects my spending priorities within available fiscal resources.

Item 2240-107-0001—For transfer by the Controller to the Housing Rehabilitation Loan Fund (0929). I reduce this item from \$288,000,000 to \$213,000,000 and revise Provision 1.

I am reducing the legislative augmentation for the Multifamily Housing Program by \$75,000,000, sustaining \$188,000,000 for the program and revising Provision 1 accordingly. This represents more than twice the amount of funding for multifamily housing than I

proposed, even though the total for all housing augmentations now matches the \$500 million proposed in the May Revision. New multifamily housing funds will assist in the development of 5,200 to 7,200 rental units for low- and very low-income Californians.

I am deleting all but the first sentence of Provision 1 to eliminate \$19,000,000 that the Legislature set aside within the Multifamily Housing Program for low-income housing that is at risk of converting to market rate rents as federal loans or subsidies expire. This language is unnecessary since the multifamily housing funds can already be used to preserve such at-risk units.

“1. Of the amount transferred by this item ~~\$263,000,000~~ \$188,000,000 shall be utilized for the purposes of the Multifamily Housing Program as set forth in Chapter 6.7 (commencing with Section 50675) of Part 2, Division 31 of the Health and Safety Code. ~~\$19,000,000~~ of the funds identified in this provision shall be reserved for projects which are at risk of conversion to market rate rents as a result of prepayment of their federally insured or federally held mortgage or termination of their federal subsidy program, as those terms are set forth in paragraphs (4) and (5) of subdivision (a) of Section 65863.10 of the Government Code. In regard to the preservation funds, these may be used for innovative programs that leverage private funding and that result in the preservation of housing units at a relatively low cost per unit. The Legislature encourages the Department of Housing and Community Development to investigate methods of using the funds on a revolving basis.”

Item 2400-001-0933—For support of Department of Managed Care. I reduce this item from \$36,827,000 to \$33,017,000 by reducing:

(a) 30-Health Plan Program from \$36,827,000 to \$33,017,000; and by deleting Provision 2.

I am reducing the legislative augmentation for consumer education and outreach by \$3,000,000, because it is premature to fund a large marketing campaign during the Department’s first year of operations. I am sustaining \$2,000,000 of this augmentation to develop and begin implementing a targeted education program to inform health plan enrollees of the Department’s existence and purpose and how to reach the Department. These activities will be evaluated to determine the level and types of educational efforts required for the next year and on an ongoing basis.

I am reducing by \$250,000 the legislative augmentation for consulting services to develop the report card for health care organizations required by Chapter 525, Statutes of 1999. I am sustaining \$500,000 of the augmentation to develop the report card structure and complete the initial report. This amount should be sufficient for the first year of this program.

I am also reducing by \$560,000 the legislative augmentation for consumer call center services and for consultants to assist with design and development of the Office of Patient Advocate. Consistent with my May Revision proposal, I am sustaining \$140,000 of the augmentation to handle any temporary surges in consumer calls during the Department’s initial year. The Patient Advocate should take the lead in organizing the Office of Patient Advocate, in accordance with the legislation creating the office.

I am also signing AB 2877, the omnibus health care trailer bill, which includes sections addressing the industry assessments that fund the activities of the Department. However, these assessment provisions are inconsistent with what I proposed in the May Revision, because AB 2877 effectively eliminates any cap on assessments. Therefore, I request that the Legislature pass subsequent legislation to establish an assessment cap more consistent with my May Revision proposal. The assessment cap must allow the Department to provide increased consumer services without creating an unreasonable financial burden on the managed care system. I am also deleting Provision 2 of this item to conform to my signing AB 2877.

Item 2660-001-0042—For support of Department of Transportation. I reduce this item from \$1,994,470,000 to \$1,988,601,000 by reducing:

- (d) 20.40 Highway Transportation—Program Development from \$103,711,000 to \$102,842,000, and
- (f) 20.70 Highway Transportation—Operations from \$143,273,000 to \$138,273,000.

I am deleting the augmentation of \$869,000 and 10 positions for the Bicycle Transportation Program. In January, I proposed \$415,000 and 4 positions to centralize the operations that assist local agencies in the planning and construction of bicycle pathways. The Legislature augmented this program without a compelling rationale and also decentralized operations among the districts. In deleting this augmentation, I am returning the responsibility of this function to Caltrans' headquarters to coordinate new bicycle transportation planning efforts on a statewide basis.

I am deleting the augmentation of \$5,000,000 for the Freeway Service Patrol, which supports patrols of tow truck drivers that provide services free-of-charge to motorists along 1,200 miles of freeways in the more congested areas of the State. Although this increase is characterized as a one-time request, this augmentation may commit Caltrans to higher on-going service and funding levels. I agree that the current Freeway Service Patrol provides valuable assistance to motorists and helps reduce traffic congestion; however, the need for more funds at this time has not been demonstrated.

Item 2660-012-0001—For transfer by the Controller to the Abandoned Railroad Account, State Transportation Fund. I delete this item and Provision 1.

I am deleting the legislative augmentation of \$5,000,000 that would have provided a transfer from this item to the Abandoned Railroad Account within the State Transportation Fund. The Legislature's action would restrict the use of the funds to acquiring land for non-motorized purposes (such as pedestrian or bicycle paths), while ignoring the original intent of the Account, which was to provide funding to acquire inactive railroad rights-of-way for public transit use. The State already provides \$1 million for bike trails in 2000–01, which is scheduled to increase in increments pursuant to Chapter 644, Statutes of 1997, to \$5 million by 2004–05. In addition, existing federal programs, such as the Transportation Enhancement Activities Program or the State's Environmental Enhancement and Mitigation Program, would be a more appropriate source of funding available to local agencies for bike paths or trails.

I am deleting Provision 1 to conform to this action.

Item 2660-101-0001—For local assistance of Department of Transportation. I reduce this item from \$77,992,500 to \$75,082,500 by reducing:

- (a) 30-Mass Transportation from \$72,549,000 to \$71,249,000; by deleting:
 - (6) Southern California Regional Rail Authority (\$400,000);
 - (8) San Francisco Muni Nextbus Program (\$300,000); and
 - (b) 20-Highway Transportation from \$1,633,500 to \$1,383,500; by deleting:
 - (1) City of Rio Vista Traffic Signals (\$150,000);
 - (6) City of Isla Vista, Sidewalks (\$100,000); and
 - (bx) 10-Aeronautics from \$310,000 to \$200,000; by reducing:
 - (1) Burbank-Glendale-Pasadena Airport Authority from (\$310,000) to (\$200,000)
 - (c) 500010-Special Projects from \$3,500,000 to \$2,250,000; by deleting:
 - (3) City of Roseville Pedestrian/Bicycle Bridge (\$250,000);
 - (4) City of Lakewood Pavement Improvement Project (\$700,000);
- and by reducing \$300,000 from the following subschedule:
- (5) Watsonville High School, Bridge from (\$1,500,000) to (\$1,200,000).

I am reducing this item by \$2,310,000 to fund higher competing priorities, including \$71,000,000 for transportation projects I proposed in the January Budget to assist two of the State's most congested areas—Los Angeles and the Silicon Valley. Additional high priority projects are proposed for funding through my Traffic Congestion Relief Plan.

As a technical correction to this item, I am reducing Program 30—Mass Transportation by an additional \$600,000 to record a legislative change not reflected in the program total. Program 30 initially contained \$600,000 for the Orinda School Safety Program. The Legislature decided that this issue was best budgeted within another department, and the issue was removed without adjusting the program funding total accordingly.

Item 2660-102-0001—For local assistance, Department of Transportation. I delete this item and Provision 1.

I am deleting the legislative augmentation of \$12 million from the General Fund for the Bay Area Water Transit Authority to fund the environmental impact reports and design functions specified in Chapter 1011, Statutes of 1999, to purchase ferries and appropriate infrastructure to establish a high-speed water transit system for San Francisco Bay. In signing this chapter, I stated that the General Fund should not be used for this project. For this reason, I proposed \$12 million for the Bay Area Water Transit Authority from the Public Transportation Account in my January Budget, and I continue to support this phase of the project from that source. Therefore, I request that the Legislature pass a bill this year that provides \$12 million for the Authority from the Public Transportation Account.

The Public Transportation Account will receive about \$45 million in new funds annually from the State Highway Account as I proposed in January and can clearly support the initial planning efforts of the Authority.

I am deleting Provision 1 to conform to this action.

Item 2720-001-0044—For support of Department of the California Highway Patrol. I reduce this item from \$914,917,000 to \$901,085,000 by reducing:

- (a) 10-Traffic Management from \$878,517,000 to \$867,486,000;
- (b) 20-Regulation and Inspection from \$98,812,000 to \$96,011,000; and revising Provision 1.

I am reducing the \$14,500,000 legislative augmentation for 146 additional CHP motorcycle officers to address traffic congestion in urban areas by \$6,451,000 for 65 officers, and sustaining \$8,049,000 of the augmentation for 81 officers. In addition to these funds, the Budget provides \$1,690,000 for an additional 15 motorcycle officers to provide concentrated congestion relief efforts. I believe a total of 96 additional CHP motorcycle officers will provide sufficient staffing to implement this program on the state's most congested highways.

I am revising Provision 1 to conform to this action.

- “1. Of the funds appropriated in this item, ~~\$14,500,000~~ \$8,049,000 shall be used for the support of approximately ~~146~~ 81 motorcycle officers, including equipment and support staff, to improve freeway safety and efficiency in congested areas. The officers shall be deployed in 15 selected operational areas. The operational areas shall be selected, and may be modified as necessary, by the Commissioner of the Highway Patrol, who shall ensure that the areas reflect a geographically diverse group of the state's most congested freeways. The officers shall perform normal freeway patrol activities, but shall be deployed so as to maximize their patrol during normal commute hours. The Department of the California Highway Patrol shall monitor the impact of these additional officers on various safety and efficiency factors, including collision rates, the number of moving violations, average traffic speed, and other factors. The department shall provide an interim report by January 1, 2001, and a final report by January 1, 2002, to the Legislature on the project. The report shall (a) assess the impact of the additional officers on the various safety and efficiency factors and (b) provide recommendations as to whether and how the programs should be continued or expanded.”

I am reducing the \$10,433,000 legislative augmentation for 123 additional CHP officers to improve traffic safety, enhance motorist services, and provide additional assistance to allied agencies in rural areas by \$4,580,000 and 54 officers, and sustaining \$5,853,000 of the augmentation for 69 officers. I believe that 69 additional CHP officers will provide a substantial increase in service capacity in rural areas.

I am revising Provision 2 to conform to this action.

- “2. Of the funds appropriated in this item, ~~\$10,400,000~~ \$5,853,000 shall be used for the support of approximately ~~123~~ 69 officers, including equipment, to improve traffic safety, enhance motorist services, and provide additional assistance to allied agencies. The officers shall be deployed on routes in unincorporated areas selected by the Commissioner of the Highway Patrol. The Department of the California Highway Patrol shall monitor the impact of these additional officers on traffic safety, including collision rates, motorist services, response times, allied agency

services, and other factors. The department shall provide a report by January 1, 2003, to the Legislature on the project. The report shall (a) assess the impact of the additional officers on the various safety and efficiency factors and (b) provide recommendations as to whether and how the program should be continued or expanded.”

I am deleting the \$2,801,000 legislative augmentation for 20 additional CHP officers for farm labor vehicle inspections and safety enforcement. In my January Budget, I proposed \$1,750,000 and 10 officers for farm labor vehicle inspection and safety certification. CHP will use these officers in many areas of the state based on seasonal needs and will train other officers throughout the state to help in this program. This program has only been in operation a few months. The need for additional resources should be evaluated based on more experience with this new program before staffing is expanded. I am directing the CHP to monitor the progress of this program and to reassess the need for additional staff.

Item 2720-101-0001—For local assistance, Department of the California Highway Patrol. I sustain this item.

I am sustaining the \$5,000,000 legislative augmentation for grants to local law enforcement agencies that collect racial profiling data. These funds are to encourage local agencies to report data to the Highway Patrol by offsetting some of the local agencies’ costs, but not to establish an entitlement for any particular level of reimbursement. I am directing the CHP to allocate these funds to local agencies on a pro rata basis to offset a portion of their costs.

Item 2740-001-0044—For support of Department of Motor Vehicles. I delete Provision 1.

I am deleting Provision 1 that relates to preparations to procure a replacement of all the department’s main database applications. The provision restricts the availability of \$988,000 for the project to no sooner than 30 days after the Legislature receives from the Department of Information Technology (DOIT) a report that evaluates the Department of Motor Vehicles’ efforts to replace its occupational licensing, vehicle registration, and driver license database systems. DOIT has already reviewed this project; additional reviews at this stage of the project would result in unnecessary delays. This project is already scheduled to be reviewed again in the fall of 2000 and the fall of 2001 before any additional funding will be committed.

Item 2920-101-0001—For local assistance, Trade and Commerce Agency. I reduce this item from \$44,732,000 to \$43,432,000 by reducing:

- (a) 10.09-Economic Development (Office of Military Base Retention) from \$800,000 to \$400,000;
- (b) 10.30-Economic Development (Strategic Technology Program) from \$27,248,000 to \$26,598,000; and
- (d) 10.50-Economic Development (Small Business Development Centers) from \$3,434,000 to \$3,184,000.

I am deleting \$1,300,000 in legislative augmentations to this item to fund higher competing priorities. Specifically, I am deleting: \$200,000 for Project Sirius: China Lake Naval Air Station; \$200,000 to support

the Southwest Defense Alliance; \$650,000 for the City of Clovis Research and Technology Park; and \$250,000 for the Central Valley Business Incubator.

Item 3340-001-0001—For support of California Conservation Corps. I reduce this item from \$37,071,000 to \$35,071,000 by reducing:
(a) 10-Training and Work Program from \$44,944,000 to \$42,944,000.

I am deleting the \$2,000,000 legislative augmentation for emergency response training for corpsmembers. An augmentation of this nature should be considered in the future as a component of a multi-faceted approach to re-define the mission of the CCC.

Item 3340-102-0005—For local assistance, California Conservation Corps. I delete this item.

I am deleting this item because there is insufficient information about these projects to determine if they qualify under the provisions of the 2000 Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Act. The project proponents are encouraged to participate in the California Conservation Corps' grant selection process and compete, along with the State's other local conservation corps groups, for bond funding.

Item 3340-301-0001—For capital outlay, California Conservation Corps. I reduce this item from \$1,335,000 to \$1,290,000 by reducing:
(4.6) 20.10.150-Delta Service District Relocation/
Construction-Study from \$100,000 to \$55,000.

I am reducing the legislative augmentation to fund a site search and study for a residential facility at the Stockton Multi-Campus Regional Center by \$45,000. The Department of General Services has indicated that \$55,000 will be sufficient to perform the site search and study.

Item 3480-001-0001—For support of Department of Conservation. I delete Provision 4.

I am deleting Provision 4 because it prohibits the expenditure of funds for the North Coast Watershed Assessment unless Assembly Bill 717 or similar legislation is enacted during the 1999–00 Regular Session. Although I am deleting this language, I wish to express my commitment to work with the Legislature during the remainder of this Session on the development of a watershed proposal to address logging-related impacts to salmon and water quality.

I have taken conforming actions in Items 3540-001-0928, 3600-001-0001, 3860-001-0001, and 3940-001-0001.

Item 3480-101-0001—For local assistance, Department of Conservation. I revise this item by deleting Provision 2(d).

I am deleting Provision 2(d) which would require the Department to receive and evaluate grant applications for resource conservation district needs other than for watershed coordinators. The criteria used for the evaluation of grant applications and the award of watershed coordinator grants to resource conservation districts will be made available to the Legislature.

Item 3480-101-0005—For local assistance, Department of Conservation. I reduce this item from \$25,000,000 to \$5,000,000.

I am reducing the \$25,000,000 legislative augmentation for California Farmland Conservancy grants by \$20,000,000. This

augmentation over allocates the fund and is premature. This reduction represents a more realistic rate of expenditure for this program in Fiscal Year 2000–01.

Item 3540-001-0001—For support of Forestry and Fire Protection. I reduce this item from \$335,288,000 to \$332,318,000 by reducing:

- (a) 100000-Personal Services from \$342,195,000 to \$340,114,000;
- (b) 300000-Operating Expenses and Equipment from \$202,662,000 to \$201,773,000;

and by deleting Provision 4.

I am sustaining the \$4,580,000 legislative augmentation to fund the reactivation of inmate conservation camps in those areas of the State that have the most critical need for expanded wildland fire suppression. I am directing the Department of Forestry and Fire Protection to develop a plan, to be approved by the Department of Finance, before these resources can be expended. I am also reducing the number of new positions related to this expansion to two positions.

I am deleting the \$750,000 legislative augmentation for new firefighter uniforms because it is not a priority at this time. I am also deleting the \$2,000,000 legislative augmentation to increase the Department's staffing level to four firefighters on 25 percent of the State's engines because a needs assessment and workload analysis have not been presented to justify this expansion. In addition, this appears to represent a significant policy expansion with emphasis on structural fire protection, which is not the main mission of the Department. Expanded staffing levels also could create significant capital outlay costs for training and housing of additional firefighters.

I am sustaining \$2,490,000 for additional staff for the Department's Training Academy on a limited-term basis to meet immediate needs. This augmentation is necessary to respond to a higher than normal number of retirements expected in the next few years. Because this situation is temporary, it is my intention to continue this level of funding only through 2002–03.

I am deleting the \$220,000 legislative augmentation to fund the reactivation of one fire crew at the Delta Conservation Camp. This item provides a \$4,580,000 augmentation for expansion of the conservation camp program statewide. Reactivation of a fire crew at the Delta Conservation Camp may be accomplished with this funding if the Department determines this to be a high priority wildland fire suppression need.

I am deleting Provision 4 to conform with this action.

Item 3540-001-0928—For support of Department of Forestry and Fire Protection. I delete Provision 3.

I am deleting Provision 3 because it prohibits the expenditure of funds for the North Coast Watershed Assessment unless Assembly Bill 717 or similar legislation is enacted during the 1999–00 Regular Session. Although I am deleting this language, I wish to express my commitment to work with the Legislature during the remainder of this Session on the development of a watershed assessment proposal to address logging-related impacts to salmon and water quality.

I have taken conforming actions in Items 3480-001-0001, 3600-001-0001, 3860-001-0001, and 3940-001-0001.

Item 3540-102-0005—For local assistance, Department of Forestry and Fire Protection. I reduce this item from \$9,308,000 to \$1,425,000 by reducing:

- (a) Grants from \$9,308,000 to \$1,425,000, by reducing \$7,383,000 from the following subschedules:
- (1) City and County of San Francisco: Tree Corps for planting and maintaining trees in San Francisco from (\$500,000) to (\$100,000);
 - (2) City and County of San Francisco: Friends of the Urban Forest from (\$500,000) to (\$100,000);
 - (3) City of Milpitas: Neighborhood and Streetscape beautification from (\$1,250,000) to (\$100,000);
 - (4) City of Los Angeles: Greening along Burbank-Chandler Bikeway, including trees, landscaping, irrigation, and fencing from (\$2,000,000) to (\$100,000);
 - (5) Sacramento County: Mather Urban Forest Tree Planting Project from (\$150,000) to (\$100,000);
 - (6) Los Angeles County: Fox Field Urban Forestry Project from (\$150,000) to (\$100,000);
 - (7) City of Palmdale: Urban Forestry Tree Planting Project from (\$200,000) to (\$100,000);
 - (8) City of Victorville: Urban Forestry Planting Project (\$200,000) to (\$100,000);
 - (9) City of San Jose: Urban Forestry Planting Project from (\$200,000) to (\$100,000);
 - (12) City of Tehachapi: Tree planting from (\$300,000) to (\$100,000);
 - (13) City of Calexico: Tree planting from (\$750,000) to (\$100,000);
 - (14) County of Stanislaus: Tree planting from (\$887,000) to (\$100,000);
 - (15) County of Orange: Tree planting from (\$1,000,000) to (\$100,000); and
 - (16) Merced County: O'Bannion Park in Dos Palos from (\$696,000) to (\$100,000);
- and by deleting \$500,000 for the following subschedule:

- (10) City and County of San Francisco: Friends of the Urban Forest for tree planting (\$500,000).

I am deleting \$500,000 for the City and County of San Francisco: Friends of the Urban Forest for tree planting (subschedule (10)) because it appears to duplicate the project shown in subschedule (2) above. I am reducing each of the remaining projects to \$100,000 to reserve bond funds for other urban forestry proposals to be evaluated on a statewide basis based on merit compared to other eligible projects. This reduction is necessary in order to keep faith with the voters to ensure that organizations throughout the state can compete for funding for this popular program.

Item 3540-302-0001—For capital outlay, Department of Forestry and Fire Protection. I sustain this item.

I am sustaining the \$500,000 legislative augmentation for the acquisition of land for the Alma Helitack Base. Notwithstanding the total amount available in this budget for acquisition of a site for this project, only the amount up to the appraised value of a site as approved

by the Department of General Services may be expended. Any amount in excess of the appraised value would be considered a gift of public funds which is prohibited by Section 6 of Article XVI of the California Constitution.

Item 3600-001-0001—For support of Department of Fish and Game. I am reducing this item from \$88,670,000 to \$65,062,000 and deleting Provisions 2 and 3.

I am reducing the \$25,258,000 legislative augmentation to \$2,000,000 and eliminating 170.5 positions. My May Revision plan reflects a deliberative analysis of the critical base funding needs of the Department, which resulted in an augmentation of \$25 million. With the \$2,000,000 I am sustaining, General Fund resources for various baseline programs will have been increased by 75 percent.

I am also deleting the \$350,000 legislative augmentation to the Department's Marine Wildlife Veterinary Care and Research Center to expand its sea otter research. There is no analytical basis for the augmentation nor is it clear how this project is prioritized along with other competing needs within the Department. I am deleting Provision 3 to conform with my action.

Lastly, I am deleting Provision 2 because it prohibits the expenditure of funds for the North Coast Watershed Assessment unless AB 717 or similar legislation is enacted during the 1999–00 Regular Session. Although I am deleting the language, I wish to express my commitment to work with the Legislature during the remainder of this Session on the development of a watershed assessment proposal to address logging-related impacts to salmon and water quality.

I have taken conforming actions in Items 3480-001-0001, 3540-001-0928, 3860-001-0001, and 3940-001-0001.

Item 3600-001-0200—For support of Department of Fish and Game. I revise this item by reducing:

- (a) 20-Biodiversity Conservation Program from \$117,144,000 to \$109,798,000;
- (b) 25-Hunting, Fishing & Public Use from \$44,471,000 to \$44,452,000;
- (c) 30-Management of Department Lands and Facilities from \$39,513,000 to \$38,065,000;
- (d) 40-Conservation Education & Enforcement from \$66,081,000 to \$51,643,000;
- (e) 50-Spill Prevention and Response from \$23,480,000 to \$23,123,000;
- (f) 70.01-Administration from \$34,644,000 to \$34,144,000;
- (g) 70.02-Distributed Administration from -\$34,644,000 to -\$34,144,000; and
- (i) Amount payable from the General Fund (Item 3600-001-0001) from -\$88,670,000 to -\$65,062,000.

I am revising this item to conform to the actions I have taken in Item 3600-001-0001.

Item 3600-101-0001—For local assistance, Department of Fish and Game. I reduce this item from \$14,431,000 to \$13,481,000 by reducing:

- (b) Grants from \$1,450,000 to \$500,000 by deleting \$950,000 for the following subschedule:
 - (1) County of Orange: East Bluff Slopes Stabilization (\$350,000)

- (3) Wetlands and Wildlife Care Center of Orange County: Improvements to Animal Hospital (\$600,000).

While these projects may be meritorious, I am reducing this item to fund higher competing priorities.

Item 3600-101-0005—For local assistance, Department of Fish and Game. I delete this item.

I am deleting the \$6,150,000 legislative augmentations because these projects would over subscribe the funding available to the Department of Fish and Game from the 2000 Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Fund. Additionally, most projects are not eligible for funding under the provisions of the 2000 Park Bond.

Item 3640-303-0001—For capital outlay, Wildlife Conservation Board. I reduce this item from \$2,600,000 to \$1,000,000 by reducing:

- (a) 80.10.600—Wildlife Conservation Board Projects from \$2,600,000 to \$1,000,000 and deleting the following projects:
- (1) City of Laguna Niguel (\$600,000)
 - (3) Puente Hills landfill: Native habitat preservation (\$1,000,000)

I am deleting these projects to fund higher competing priorities.

Item 3640-304-0005—For capital outlay, Wildlife Conservation Board. I delete this item and Provisions 1 and 2.

I am deleting this legislative augmentation because it would over subscribe funding available to the Wildlife Conservation Board (WCB) from the 2000 Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Fund. I am also eliminating all of the specified projects included in this item. I believe that the Board should conduct a deliberative process to identify and negotiate projects that are in the best interest of the people and natural resources of this State. I encourage the proponents of these projects to participate in this process. Further, while many of these projects may be meritorious, I am unable to determine at this time whether all projects have been evaluated for their fish and wildlife values, whether appraisals have been completed, or whether there are willing sellers. I look forward to evaluating these projects through the WCB process.

I am also deleting Provisions 1 and 2 to conform to my action in this item.

Item 3680-001-0516—For support of Department of Boating and Waterways. I sustain this item.

I am sustaining the \$500,000 legislative augmentation for wave modeling equipment. However, none of these funds shall be encumbered or expended until the Scripps Institution of Oceanography completes a plan, to be approved by the Resources Agency and the Department of Finance, detailing how the equipment to be acquired with these funds will be used.

Item 3680-101-0001—For local assistance, Department of Boating and Waterways. I sustain this item.

I am sustaining the legislative augmentation of \$10,000,000 for beach erosion control project grants. The funds appropriated in this item shall be for one-time expenditures. A priority for use of the funds shall be research to determine what actions would prevent beach erosion.

Item 3680-102-0001—For local assistance, Department of Boating and Waterways. I reduce this item from \$580,000 to \$230,000 by reducing:

- (1) Grants from \$580,000 to \$230,000 by deleting the following subschedule:
 - (b) City of Huntington Beach: Reconstruction of Warner Dock (\$350,000)

I am reducing this item to fund higher competing priorities.

Item 3720-001-0001—For support of California Coastal Commission. I reduce this item from \$11,517,000 to \$11,463,000 by reducing:

- (a) 10-Coastal Management Program from \$14,307,000 to \$14,253,000

I am deleting the \$54,000 legislative augmentation to provide interpretation services to non-English speakers during the Commission's monthly public hearings. While this augmentation may have merit, in the past the Commission has provided translation services within its existing resources on an as-needed basis. I believe this approach is appropriate.

Item 3720-101-0001—For local assistance, California Coastal Commission. I reduce this item from \$1,210,000 to \$650,000 by reducing:

- (b) Grants from \$710,000 to \$150,000 by deleting \$560,000 for the following subschedules:
 - (2) Coastal Conservancy: Coastal Acquisition—Wetlands (\$160,000)
 - (3) City of Huntington Beach: Beach Maintenance Facility (\$400,000)

To the extent that additional funds are needed to acquire coastal wetlands, I believe such funds should be appropriated directly to the State Coastal Conservancy to fund its longstanding efforts in the acquisition of coastal wetlands.

Item 3760-301-0005—For capital outlay, State Coastal Conservancy. I delete Provision 3.

I am deleting Provision 3 because this language is unnecessarily restrictive in that it precludes the State Coastal Conservancy from expending newly appropriated funds for the Salmon Habitat Restoration Program prior to 20 days following submission of a report to the Legislature identifying criteria, priorities, and process by which the funds will be allocated. The State Coastal Conservancy and the Department of Fish and Game are working together on their salmon habitat restoration efforts; therefore, this language is unnecessary.

Item 3760-302-0001—For capital outlay, State Coastal Conservancy. I reduce this item from \$4,640,000 to \$4,050,000 by reducing:

- (a) 80.97.030-Conservancy Programs \$4,640,000 to \$4,050,000, by reducing \$590,000 for the following subsections:
 - (3) City of Imperial Beach: Repay loan from State Coastal Conservancy for wetlands purchase from (\$140,000) to (\$50,000); and
 - (4) Rural/Coastal: Grants to rural, coastal communities to assist in their efforts to identify sources of river and stream sewage

effluent, and to develop plans for the remediation of contamination problems from (\$1,500,000) to (\$1,000,000).

I am reducing the \$140,000 legislative augmentation to \$50,000 to the City of Imperial Beach. I believe this represents the appropriate level of state participation for this local agency obligation.

Although the rural/coastal grants may be meritorious, I am reducing the funding to a level that can be implemented in 2000–01.

Item 3760-302-0005—For capital outlay, State Coastal Conservancy. I reduce this item from \$154,882,000 to \$104,927,000 by reducing:

- (1) 80.00.023-San Francisco Bay Area Conservancy Program from \$6,160,000 to \$2,000,000, by deleting \$4,160,000 for the following subsections:
 - (B) San Francisco Bay Joint Venture: Bay Point restoration project (\$160,000);
 - (C) San Francisco Bay Joint Venture: Martinez Regional Shoreline-marsh restoration (\$2,000,000);
 - (D) San Francisco Bay Joint Venture: Lower Walnut Creek restoration-Walnut Creek (\$1,000,000);
 - (E) San Francisco Bay Joint Venture: Big Break Regional Shoreline-Oakley (\$1,000,000);
- (2) 80.97.030-Conservancy Programs from \$148,722,000 to \$102,927,000 by deleting \$42,795,000 for the following subsections:
 - (D) City of Mountain View: Stevens Creek Trail (\$550,000);
 - (E) City of San Jose: Coyote-Alamitos Trail-Planning, design, and environmental documentation (\$400,000);
 - (F) Midpeninsula Open Space District: To fund improvements to selected trail easements (\$450,000);
 - (G) Richardson Bay: Audubon Center-Trail Restoration (\$95,000);
 - (K) Muir Heritage Land Trust: Acquire land to link the Carquinez Strait Regional Shoreline Park to Briones Regional Park and the East Bay Municipal Utility District watershed lands (\$1,500,000);
 - (L) East Bay Regional Park District: Development of a rustic group camp and trail access for the Round Valley Regional Preserve (\$130,000);
 - (M) East Bay Regional Park District: Develop a trail connection for the Delta de Anza Regional Trail (\$1,820,000);
 - (N) East Bay Regional Park District: West Contra Costa Shoreline Trail-Completion of a major section of the San Francisco Bay Trail in West Contra Costa County connecting communities of Richmond, Pinole, Hercules and Rodeo (\$2,000,000);
 - (O) East Bay Regional Park District: Briones/Las Trampas Trail Corridor-To complete scenic trails and wildlife corridors on Lafayette and Burton Ridges (\$1,000,000);
 - (P) Muir Heritage Trust: Pacheco Marsh, 140 acres (Carquinez Straits), Burton Ridge 27 acres, Lafayette, Gustin 80 acres/Franklin Ridge in Martinez (\$750,000);
 - (V) Santa Barbara County: Bridle Ridge-conservation easement (\$3,000,000);

- (X) Santa Barbara County: J.J. Hollister property acquisition of watershed (\$4,000,000);
- (Y) Santa Barbara County: Elwood Bluffs-Acquisition (\$5,000,000);
- (DX) City of Nipomo: Guadalupe Nipomo Dunes Preserve (\$10,000,000);
- (FX) County of San Luis Obispo: Preservation of the Monterey Pine Forest in Cambria (\$3,000,000);
- (GX) Solano County: Lynch Canyon (\$240,000);
- (JX) Port of San Diego, National City, City of Chula Vista: Sweetwater River Wetland Restoration-removal of riprap and reestablishment of wetland habitat (\$5,000,000);
- (KX) City of Seal Beach: Sand replenishment at Surfside-Sunset (\$3,700,000);
- (QX) State Coastal Conservancy: Coastal acquisition-wetlands (\$160,000);

and by reducing \$3,000,000 from the following subschedule:

- (U) State Coastal Conservancy: Gaviota Coast property and conservation easement acquisition from \$5,000,000 to \$2,000,000.

Although these projects may be meritorious, I am deleting and reducing the funding because this funding level over subscribes various allocations to the State Coastal Conservancy from the 2000 Safe Neighborhood, Clean Water, Clean Air, and Coastal Protection Bond Fund. Additionally, based on an evaluation by the Conservancy, these projects do not meet the Conservancy's criteria for funding.

Also, I am reducing the \$5,000,000 legislative augmentation for the Gaviota Coast property and conservation easement acquisition because substantial funds remain unspent from the \$5 million General Fund legislative augmentation that I sustained in the 1999 Budget Act. These funds, when combined with a reduced level of \$2 million as sustained in the 2000 Budget Act, reflect an appropriate level of state funding for the project.

Lastly, the Budget Bill contains a technical error in subschedule (TX); the project name is reflected as "San Francisco Bay *rail* Project." Therefore, I am including a statement that clarifies the intent of my action to sustain the \$7,500,000 legislative augmentation for the "San Francisco *Trail* Project."

Item 3780-001-0001—For support of Native American Heritage Commission. I reduce this item from \$393,000 to \$318,000.

I am reducing this item by a one-time \$75,000 legislative augmentation to study the Commission's ability to review, monitor, and track all relevant environmental documents. There is no analytical basis for the level of proposed augmentation, and it is unclear what would be achieved with these funds.

Item 3790-001-0001—For support of Department of Parks and Recreation. I reduce this item from \$145,589,000 to \$120,439,000:

I am reducing this item by the legislative augmentation of \$10,000,000 and 293 limited term, seasonal positions. When I announced my plan to reduce fees at state parks effective July 1, 2000, it was expected that attendance at all state parks would increase. In anticipation of increased attendance, my May Revision plan included \$10,600,000 and 101.5 positions. This level of funding was determined

to be appropriate to accommodate the increased number of visitors while still maintaining facilities and protecting natural and cultural resources.

I am also reducing this item by the legislative augmentation of \$15,000,000 and 177 positions for ongoing maintenance. The Budget already includes a \$3,000,000 augmentation proposed in January which is the appropriate level of funding for this program at this time.

Lastly, I am deleting the \$150,000 legislative augmentation for portable bathroom facilities and staffing for Caspar State Beach. Although this project may be meritorious, I am deleting the funding for it at this time to fund competing projects with higher priorities.

Item 3790-001-0392—For support of Department of Parks and Recreation. I revise this item by reducing:

- (a) For support of the Department of Parks and Recreation from \$277,845,000 to \$252,695,000;
- (d) Amount payable from the General Fund (Item 3790-001-0001) from -\$145,589,000 to -\$120,439,000;

and by revising Provision 1.

I am revising the schedules in this item to conform to the actions taken in Item 3790-001-0001.

In addition, I am revising Provision 5 to conform to this action:

- “5. Of the funds appropriated in Schedule (dx) of this item, ~~\$400,000~~ ~~\$250,000~~ shall be used for the following projects: (a) ~~\$250,000~~ for oversight and maintenance of the California State Mining and Mineral Museum Association in Mariposa. (b) ~~\$150,000~~ for portable bathroom facilities and staffing at Caspar State Beach.”

Item 3790-101-0001—For local assistance, Department of Parks and Recreation. I reduce this item from \$111,687,094 to \$75,290,000 by reducing:

- (a) Grants from \$111,687,094 to \$75,290,000 by deleting \$20,527,605 for the following subschedules:
 - (3) City of San Luis Obispo: Bob Jones bike trail (\$600,000);
 - (4) Rio Caledonia Adobe (\$500,000);
 - (9) City of Huntington Beach: Replace beach rail at Huntington Beach State Park (\$300,000);
 - (10) City of Pico Rivera: Summer Youth Employment and Training Program (\$40,000);
 - (48) City of Manhattan Beach: New playground equipment to replace old-Polliwog Regional Park (\$300,000);
 - (78) City of San Jose: Guadalupe River Parkway (\$240,000);
 - (79) City of Oakland: Studio One Recreation Center (\$500,000);
 - (83) City of San Diego: Old Town San Diego marketing plan (\$75,000);
 - (91) Lakeport Senior Activity Center: Building purchase for program providing recreational activities for seniors (\$100,000);
 - (103) City of Anaheim: Maxwell Park expansion (\$510,000);
 - (109) Friends of San Leandro Creek Environmental Education Center and Natural History Museum: Funds for project (\$1,500,000);

- (121) City of San Diego: La Mirada Joint Use Facility/multipurpose field design (\$300,000);
- (136) City of Pomona: Creation of the Ralph Welch Park (\$200,000);
- (138) City of Chino: Expansion of the 7th Street Community Theater (\$350,000);
- (147) City of San Francisco: Restoration of the Tori Gate and Pagoda located in the Japanese Tea Garden (Golden Gate Park) (\$500,000);
- (165) The Bay Center Coalition: Construction of the Bay Center (Environmental learning resource center) (\$1,000,000);
- (167) San Francisco Beautification Fund: Creation of the "Lefty" Gordon Park on Ocean Avenue in San Francisco (\$300,000);
- (171) County of San Mateo: Fitzgerald marine reserve visitor center improvements (\$250,000);
- (182) San Mateo County: Police Activities League (\$160,000);
- (187) City of Los Alamitos: Improvements to the USA Water Polo National Aquatics Center (\$490,000);
- (190) Western Center for Archeology and Paleontology: Operation and maintenance costs (\$1,000,000);
- (191) City of Tehachapi: Rebuild Beekay Theater (\$250,000);
- (192) Barstow Parks and Recreation District: Swimming pool for Barstow Parks and Veterans Home (\$200,000);
- (193) Los Angeles County: Construction of community center in Lake Los Angeles (\$3,500,000);
- (194) Tehachapi Parks and Recreation District: Development of an aquatic facility (\$1,200,000);
- (198) Camarillo Ranch Foundation: Preserve, restore, and maintain the Camarillo Ranch (\$492,605);
- (203) Kern County: Boron Chamber of Commerce expansion project (\$100,000);
- (208) Inyo County: Pleasant Valley Campground Project (\$180,000);
- (209) Jurupa Area Recreation and Park District: Paramount Park Rehabilitation (\$180,000);
- (211) Inyo County: Diaz Lake Campground Project (\$200,000);
- (214) City of Lafayette: Pedestrian bridge (\$250,000);
- (215) City of Brentwood: PAL Program Building (\$250,000);
- (217) City of Yucaipa: Dunlap Park site (\$350,000);
- (218) City of Norco: Ingalls Regional Esquestrian Park (\$350,000);
- (222) City of Walnut: Community Sports Complex (\$1,000,000);
- (224) Tulare County: Auditorium restoration project (\$200,000);
- (238) City of Artesia: Artesia Youth Academy for after school enrichment programs for at risk youth (\$50,000);
- (241) Foothill Citizens for a Community College: Development of the Sierra Foothills Regional Educational Center (\$1,970,000);
- (244) Tehachapi Parks and Recreation District: Youth Center-Old Post Office (\$300,000);
- (247) Manila Dune Public Access (\$250,000);
- (249) Lakeport Senior Activity Center: Building purchase for

program providing recreational activities for seniors (\$100,000);

(250) Monterey Park: Expansion of Langley Senior Center (\$350,000); and

(251) Martinez Police Activities League: purchase computer and a van (\$100,000)

and by reducing \$15,869,489 from the following schedules:

(1) City of Whittier: The Greenway Trail from \$2,000,000 to \$500,000;

(11) City of Whittier: Parnell Park restoration from \$250,000 to \$150,000;

(49) Marjaree Mason Center: General repairs and maintenance from \$250,000 to \$150,000;

(51) Rotary Playland at Roeding Park in Fresno: Repair and construct new rides for the park from \$250,000 to \$150,000;

(52) Southeast Fresno: Construction costs for a park located in Kings Canyon and Huntington Avenue areas from \$447,360 to \$250,000;

(53) City of Reedley: Second phase of the Reedley Rail Trail Parkway from \$400,000 to \$200,000;

(55) City of San Gabriel: Expand Asian Youth Center with the addition of a second floor from \$500,000 to \$400,000;

(58) East Los Angeles: Build a community facility in the City Terrace neighborhood of East LA for senior citizens, Creative Thinking Program and facility for community meetings and other events from \$250,000 to \$200,000;

(64) Sacramento Boys and Girls Club from \$750,000 to \$350,000;

(65) City of Sacramento: Construction of the Sacramento Youth Sports Complex from \$700,000 to \$500,000;

- (229) City of Lakewood: Mae Boyar Park improvements from \$750,000 to \$500,000;
- (230) Western Center for Archeology and Paleontology: Construction from \$3,000,000 to \$2,250,000.

Although these projects may be meritorious, I am deleting or reducing the funding to fund competing projects with higher priorities. Additionally, some of the local parks and recreation projects may qualify for funding through the various grant programs established in the 2000 Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Act. I encourage the project proponents to seek funding from those programs.

I am deleting the \$40,000 legislative augmentation in subsection (10) for the City of Pico Rivera: Summer Youth Employment and Training Program. While I am supportive of efforts in this area, I am sustaining part of a legislative augmentation in the Employment Development Department since the budgets in the Employment Development Department and the Department of Education provide substantial state and federal funds for youth employment programs. These programs provide training and services for economically disadvantaged youth to prepare them with the skills necessary to obtain unsubsidized employment, to complete secondary or post-secondary education, to gain entrance to military service, or to obtain qualified apprenticeship.

I am deleting the \$500,000 legislative augmentation in subsection (147) for the City of San Francisco: Restoration of the Tori Gate and Pagoda located in the Japanese Tea Garden (Golden Gate Park) because I believe it would be more appropriate for this project to be funded from

the Park Bond allocation set aside for projects located within Golden Gate Park. The 2000–01 Budget includes \$13.5 million in expenditure authority from the Golden Gate Park allocation.

I am deleting the legislative augmentation in subsection (241) Foothill Citizens for a Community College of \$1,970,000 for the acquisition of land, purchase of portable classrooms, computers, and infrastructure improvements for the Sierra Foothills Regional Education Center. This funding is intended to assist a non-profit organization in establishing a state regional community college center in the Sierra foothills. While I am committed to increasing access to all segments of higher education, this augmentation has been made by the Legislature without regard to the existing review process by the California Postsecondary Education Commission. Constructing or acquiring sites for higher education enrollment needs should be developed in the context of overall priorities, cost standards, guidelines, instructional purposes, enrollment related needs, and scope standards. Further, projects should secure the appropriate programmatic and site review and approval prior to receiving state funds, and funding should be allocated to the Chancellor's Office of the California Community Colleges rather than directly to non-profit organizations.

I am deleting the legislative augmentations in subsections (182), (249), (250), and (251) as technical vetoes because these appropriations duplicate appropriations made elsewhere in the Budget.

Item 3790-101-0005—For local assistance, Department of Parks and Recreation. I reduce this item from \$64,730,000 to \$64,085,000 by reducing:

- (a) 80.25-Recreational Grants from \$64,730,000 to \$64,085,000 by reducing \$645,000 from the following subschedule:
 - (10) City and County of San Francisco: Golden Gate Park from (\$14,169,000) to (\$13,524,000).

I have sustained three legislative augmentations in Item 3790-102-0005 (7) totaling \$645,000. I am reducing the appropriation in this item by \$645,000 to conform to my actions in Item 3790-102-0005 (7) and to prevent the 2000 Safe Neighborhood Parks, Clean Water, Clean Air and Coastal Protection Bond Fund from being over subscribed.

Item 3790-102-0005—For local assistance, Department of Parks and Recreation. I reduce this item from \$211,760,000 to \$79,580,000 by reducing:

- (a) 80.25-Recreational Grants from \$211,760,000 to \$79,580,000:
 - (1) Competitive grants (non-project specific) from (\$80,005,000) to (\$1,740,000) by deleting \$77,865,000 for the following:
 - (a) California Heritage Program, State Office of Historic Preservation (\$10,000,000);
 - (b) Riparian habitat acquisition (\$10,000,000);
 - (d) Murray-Hayden Urban Parks and Youth Service Program (\$50,000,000);
 - (e) Museums and Wildlife Education Facilities (\$7,865,000);

and by reducing \$400,000 from the following:

- (c) Non-motorized Trails Grants from (\$2,140,000) to (\$1,740,000);

- (2) Specific Projects from (\$18,000,000) to (\$10,836,000) by deleting \$6,000,000 for the following:

- (k) Western Center for Archeology and Paleontology: Construction of the Western Center for Archeology and Paleontology (\$2,015,000);
- (l) Western Center for Archeology and Paleontology: Construction for the Western Center for Archeology and Paleontology (\$4,500,000);
- (m) Kern County: Build and equip the San Joaquin Valley Discovery Center in the Kern County Museum in Bakersfield (\$5,000,000);
- (6b) Marine Sanctuary from (\$500,000) to (\$472,000) by reducing \$28,000 from the following:
 - (n) Wildlife Conservation Board: O'Neill Sea Odyssey facilities improvements from (\$500,000) to (\$472,000).

I am deleting and reducing the funding for the above projects to ensure that the various allocations in the 2000 Safe Neighborhood Parks, Clean Water, Clean Air and Coastal Protection Bond Fund are not over subscribed, and that the projects are consistent with the intent and provisions of the 2000 Park Bond.

Specifically, the legislative augmentations for various competitive grants in subschedule (1) are essentially reduced to the level in the May Revision because the Department of Parks and Recreation needs further opportunity to prepare for the implementation of these grant programs. I am sustaining, however \$1,740,000 for the non-motorized trails grant program, which the Department indicates can be implemented in 2000-01.

Legislative augmentations for subschedules (2a) and (2b) are being deleted because they are duplicative of my May Revision. Further, I am reducing subschedules (2c), (2d) and (2e) to ensure there are sufficient funds in those allocations to meet various bond and program costs.

I am deleting all legislative augmentations in subschedule (3) because those grants only provide funding to five of 40 locally operated State park units. I believe it is more appropriate for the Department to determine the priority use of those bond funds.

I am sustaining all legislative augmentations made from the non-competitive Murray-Hayden allocation of the 2000 Park Bond [subschedule (5)]. To ensure that there are sufficient funds in those allocations to meet various bond and program costs associated with this grant program, I am reducing each legislative augmentation by approximately 5.4 percent.

I am deleting subschedule (6a) because (1) this allocation of the bond is over subscribed, (2) there is insufficient information to determine the merits and benefits of these projects in comparison to other similar projects statewide, and (3) several of these projects do not qualify under this allocation.

I am reducing subschedule (6b) to ensure that there are sufficient funds in that allocation to meet various bond and program costs necessary to implement this grant.

Lastly, I am sustaining the legislative augmentations in subschedules (4) and (6c) with the understanding that the Department will determine if these projects are eligible for funding under the provisions of the 2000 Park Bond.

Item 3790-103-0005—For local assistance, Department of Parks and Recreation. I reduce this item from \$388,000,000 to \$366,522,000 by reducing:

Grants (per capita) from \$388,000,000 to \$366,522,000.

I am reducing this item by \$21,478,000 to ensure that there are sufficient funds in that allocation to meet various bond and program costs necessary to implement and administer this grant over a multiple number of years.

Item 3790-104-0005—For local assistance, Department of Parks and Recreation. I delete this item and Provision 1.

I am deleting the \$200,000,000 legislative augmentation for Roberti-Z'berg-Harris grants because it is premature. Funding will not be allocated until the results of the federal 2000 census are known. Moreover, program complexities warrant a more deliberative process. I am, however, sustaining the per capita bond grant program to begin the allocation of grants to local entities for park and recreation purposes.

I am deleting Provision 1 to conform to this action.

Item 3790-302-0001—For capital outlay, Department of Parks and Recreation. I reduce this item from \$2,350,000 to \$1,200,000 by deleting:

(1) 90.EC.401-Kenneth B. Hahn State Recreation Area: Expansion-Study (150,000),
and by deleting Provision 1;
and by reducing:

(2) 90.KX.100-Acquiring and restoring space to house the Office of Historic Preservation from \$2,200,000 to \$1,200,000.

I am deleting the \$150,000 legislative augmentation to fund additional study work on the Kenneth B. Hahn State Recreation Area Master Plan from funds that were appropriated by the Budget Act of 1999. I direct the Department of Parks and Recreation to fund any additional and necessary study work out of its existing appropriation for master plan development of this State Recreational Area.

I am deleting Provision 1 to conform to this action.

I am reducing the \$2,200,000 legislative augmentation for the acquisition and restoration of office space to house the Office of Historic Preservation to \$1,200,000 to fund higher competing priorities.

Item 3790-302-0005—For capital outlay, Department of Parks and Recreation. I reduce this item from \$141,568,000 to \$25,594,000 by reducing:

(20) 90.6L.100-Tomales Bay State Park for acquisition and easements from \$5,000,000 to \$1,200,000;

(43) 90.9H.121-Colonel Allensworth SHP restoration from \$8,000,000 to \$4,000,000;

and by deleting \$108,174,000 for the following projects:

(1) 90.6F.200-Angel Island Immigration Facility (\$15,000,000);

(2) 90.E4.200-Chino Hills and Citrus State Historic Park Visitor Center (\$2,600,000);

- (29) 90.GI.100-Red Rock Canyon State Park: Trail Rehabilitation Project (\$1,000,000);
- (30) 90.E4.100-Providence Mountains SRA: Facility Rehabilitation Project (\$1,000,000);
- (31) 90.3I.100-Shasta SHP: McGlaughlin House Visitor Center (\$1,230,000);
- (33) 90.CO.102-Acquisition of Conservation Easements on the Silacci Ranch adjacent to Henry W. Coe State Park (\$1,500,000);
- (35) 90.H6.100-Cuyamaca Rancho State Park: Green Valley Falls Campground Rehabilitation (\$2,000,000);
- (36) 90.GG.103-Silverwood Lake SRA: Construct New Visitor Center (\$2,200,000);
- (37) 90.3V.100-Bidwell Mansion SHP: Mansion Restoration Project (\$2,255,000);
- (38) 90.GG.102-Silverwood Lake SRA: Rehabilitate Miller Canyon Day Use Area (\$2,500,000);
- (40) 90.CO.103-Acquisition of Conservation Easements in Santa Clara and Stanislaus Counties adjacent to the Henry W. Coe State Park (\$8,000,000);
- (41) 90.GY.100-Purchase Headlands Reserve adjacent to Doheny State Beach (\$18,000,000);
- (42) 90.FB.103-Pio Pico SHP: Restoration Project to provide vital services and facilities for urban youth (\$1,500,000);

- (44) 90.93.100-City of Woodland: Woodland Opera House SHP (\$75,000);
- (45) 90.68.100-Solano County: Benicia State Recreation Area (\$205,000);
- (46) 90.68.100-Solano County: Benicia State Recreation Area (\$205,000);
- (50) 90.5N.103-Mt. Diablo State Park: Facilities Rehabilitation (\$2,000,000);
- (51) 90.GY.100-Coal Canyon acquisition (\$9,000,000);
- (52) 90.5P.100-San Bruno Mountain State Park—San Bruno Mountain, addition (\$405,000);
- (53) 90.G3.100-Antelope Valley Indian Museum: Cultural Artifact Preservation Project (\$500,000);
- (54) 90.8G.100-Marshall Gold Discovery SHP: Gold Discovery Museum (\$1,625,000);
- (55) 90.72.102-John Marsh Home (\$5,000,000); and
- (56) 90.5Y.100-Candlestick Point SRA Volunteer Building (\$500,000)

I am reducing the legislative augmentation for the Tomales Bay State Park acquisition and the Colonel Allensworth SHP restoration project to more accurately reflect the level of effort needed for these two projects.

While consistent with the Safe Neighborhood Parks, Clean Water, Clean Air, and Coastal Protection Bond Fund, I am deleting subschedules 1 through 8 because these proposals are in need of further development and are not yet ready for implementation.

I am deleting the remaining projects because they have not been reviewed by the Department against other competing priority park system needs.

Item 3790-491—Reappropriation, Department of Parks and Recreation. I revise this item by deleting schedule (183) for City of Westminster (\$125,000).

I am deleting the reappropriation for the City of Westminster: Little Saigon Cultural Heritage Museum, Item 3790-101-0001, Budget Act of 1999. Although this project may be meritorious, I am deleting this reappropriation to fund higher competing priorities.

Item 3820-001-0001—For support of San Francisco Bay Conservation and Development Commission. I reduce this item from \$4,967,000 to \$3,807,000 by reducing:

- (a) 10-Bay Conservation and Development from \$5,676,000 to \$4,516,000

I am deleting the \$1,160,000 legislative augmentation, including eight positions and four temporary help personnel years, for the Commission's regulatory and planning programs. My proposed budget for the Commission included an augmentation of \$379,000 to expedite the review of the Bay Plan, augment the enforcement program, and enhance the review of permit applications based on workload information provided by the Commission.

Item 3860-001-0001—For support of Department of Water Resources. I reduce this item from \$194,860,000 to \$193,860,000 by reducing:

- (a) 10-Continuing Formulation of the California Water Plan from \$67,279,000 to \$66,279,000; and by deleting Provision 5.

I am deleting the legislative augmentation of \$1,000,000 and 4.2 personnel years for a more extensive update of the Department's publication titled "California's Groundwater" Bulletin 118. The budget already includes \$1,000,000 for the second of three years' funding to complete this project.

I am deleting Provision 5 to conform to the actions taken in Items 3480-001-0001, 3540-001-0928, 3600-001-0001, and 3940-001-0001.

Item 3860-101-0001—For local assistance, Department of Water Resources. I reduce this item from \$79,360,000 to \$51,200,000 by reducing:

(b) Flood Control Subventions from \$68,000,000 to \$40,300,000;

(c) Grants from \$1,360,000 to \$900,000;

and by deleting \$460,000 for the following project:

(1) City of Whittier: Flomar Drainage Project (460,000).

I am reducing the legislative augmentations to this item by \$28,160,000 to fund higher competing priorities. I am sustaining \$40,300,000 for local flood control subventions which will allow payment of all claims through June 30, 2001.

Item 3860-101-6006—For local assistance, Department of Water Resources. I delete Provision 1.

I delete Provision 1 which allocates \$300,000 to the Fresno Metropolitan Flood Control District. The proposed use of the allocation is not eligible for funding through the local flood control subvention program.

Item 3910-101-0005—For local assistance, California Integrated Waste Management Board. I reduce this item from \$10,635,000 to \$2,558,000 by reducing:

(1) 11-Waste Reduction and Management from \$10,635,000 to \$2,558,000,

by deleting:

(b) Special Projects (8,077,000)

(1) County of Yolo, Town of Clarksburg: Restore and rehabilitate a playground (125,000);

(2) City of San Diego: Ocean Beach Recreation Center Tot Lot upgrade for ADA compliance (175,000);

(3) City of Glendale: Public parks ADA compliance (200,000);

(4) City of San Francisco: Playground upgrades to meet ADA standards (500,000);

(5) County of Plumas: Play area for youth and ADA compliance (150,000);

(6) City of El Centro: City Parks playground equipment enhancements (125,000);

(7) City of Orange: Replacement of tot lots and ADA compliance (75,000);

(8) Fair Oaks Recreation and Park District: Bannister Park ADA compliance and improvements (50,000);

(9) City of Willows: Play equipment pathway from recycled materials and ADA compliance (20,000);

(10) County of Tuolumne: Patterson field play area for kids (25,000);

- (11) City of Anaheim: Play equipment replacement at Peter Marshall, Pearson, Boysen, and Rio Vista Parks (230,000);
- (12) City of Covina: Replace playground and ADA compliance (100,000);
- (13) Fulton-El Camino Recreation and Park District: District playground improvements and ADA compliance (50,000);
- (14) Elk Grove Community Services Center: Clarence Frank Baker Park playground equipment and ADA compliance (50,000);
- (15) Cordova Recreation and Park District: Play structure replacements and ground surface improvements at Larchmont-Roosmoor, Lincoln Village, Hensley and Rosswood Parks (50,000);
- (16) Fulton-El Camino Recreation and Park District: Improvements to area playgrounds and ADA compliance (50,000);
- (17) Elk Grove Community Services District: King Park Tot Lot improvements and ADA compliance (50,000);
- (18) Elk Grove Community Services District: Johnson Park Tot Lot improvements and ADA compliance (50,000);
- (19) Elk Grove Community Services District: Caterino Park Tot Lot and hardscape improvements (75,000);
- (20) City of Palmdale: Replacement of playground equipment at Courson, Manzanita and Pelona Vista Parks (100,000);
- (21) City of Santa Ana: Sand Point Park—Refurbish playground equipment (50,000);
- (22) City of Santa Ana: Santa Anita Park—Renovation and purchase playground equipment (75,000);
- (23) City of Santa Ana: Morrison Park equipment replacement (50,000);
- (24) National City: Installation of ADA approved playground for Kimball Park (50,000);
- (25) East Bay Regional Park District: Camp Ohloine ADA improvements (600,000);
- (26) City of Stockton: City park playground facility upgrade to meet current state requirements (300,000);
- (27) Manhattan Beach: Polliwog Regional Park—New playground equipment (300,000);
- (28) City of Reedley: Mueller Park—Repairs to damaged playground (20,000);
- (29) City of Fresno: Roeding Regional Park playground improvements (75,000);
- (30) City of Tulare: Cecil Berkeley activity center—construction of play structure (20,000);
- (31) City of Lakeport: Westside Community Park—Phase I improvements (250,000);
- (32) City of Watsonville: Playground upgrades and rehabilitation (500,000);
- (33) City of Salinas: Playground upgrades and rehabilitation (500,000);
- (34) City of Ceres: Playground upgrades (887,000);

- (35) City of Fresno: Tree planting (150,000);
- (36) City of San Bernardino: New children's park construction (750,000);
- (37) City of San Bernardino: Purchase new equipment for children's tot lots throughout city and install new tot lot (310,000);
- (38) City of Escondido: Construction of a regional, universal accessible playground in Kit Carson Park (250,000);
- (39) City of Tulare: Construction of a play structure adjacent to the Cecil Berkeley Activity Center (20,000);
- (40) Kern County: Bring Wofford Heights up to ADA standards (60,000);
- (41) Kern County: Bring Mountain Mesa up to ADA standards (60,000);
- (42) Kern County: Bring Scodie Parks up to ADA standards (60,000);
- (43) Livermore Area Recreation and Park District: Karl Wente Neighborhood Park—Renovation of playground equipment (120,000);
- (44) Livermore Area Recreation and Park District: Maitland Henry Neighborhood Park—Renovation of playground equipment (110,000);
- (45) Livermore Area Recreation and Park District: Watenburger Neighborhood Park—Renovation of playground equipment (60,000);
- (46) Livermore Area Recreation and Park District: Ravenswood Neighborhood Park—Renovation of playground equipment (100,000);
- (47) Livermore Area Recreation and Park District: Summit Neighborhood Park—Renovation of playground equipment (100,000)

I am deleting the \$8,077,000 legislative augmentation to fund various projects for the purchase of safe playground equipment made from recycled materials. Because the Park Bond only provides \$7,000,000 for the grant program, this augmentation would significantly oversubscribe the program's allocation. Furthermore, it is unclear whether these projects would meet the program's 50 percent local matching requirement, and in the case of the Fresno tree planting project [subschedule (35)], the project is not related to the purchase of safe playground equipment made from recycled materials. Since the Budget already provides \$2,813,000 for the grant program, I believe that qualifying and meritorious projects should be funded through the competitive grant process to be established by the Integrated Waste Management Board.

Item 3930-001-0001—For support of Department of Pesticide Regulation. I reduce this item from \$19,441,000 to \$14,241,000 by reducing:

(b) 17-Enforcement, Environmental Monitoring, and Data Management from \$36,963,000 to \$31,763,000, and by deleting Provisions 2, 3, 4, 5, and 6.

I am deleting the \$5,200,000 legislative augmentation for the University of California Sustainable Agriculture Research Program.

The Department already administers a \$1.5 million Pest Management Alliance Program, which funds alternative pest management strategies.

I am deleting Provisions 2, 3, 4, 5, and 6 to conform to this action.

Item 3940-001-0001—For support of State Water Resources Control Board. I reduce this item from \$103,347,000 to \$87,197,000 by reducing:

(a) 10-Water Quality from \$405,339,000 to \$389,189,000; and by deleting Provisions 3 and 4.

I am deleting the following legislative augmentations: \$7,500,000 for University of California total maximum daily load (TMDL) education and research programs, \$2,000,000 for organophosphate TMDL development, and \$2,500,000 for ambient water quality monitoring. I am also reducing the following legislative augmentations: \$1,000,000 of the \$5,000,000 for total maximum daily load development and \$2,500,000 of the \$7,500,000 for storm water management. I am sustaining over \$25,500,000 in the budget for these water quality activities, including \$13,900,000 in new funding. I believe that this significant increase in funding will ensure that the highest priority water quality issues are addressed.

I am deleting the \$500,000 legislative augmentation for storm drain pollutant research by the Southern California Water Research Project to fund higher competing water quality priorities.

I am deleting the \$150,000 legislative augmentation for a study of white croaker fish off the Palos Verdes Shelf. Since the State already has conducted a white croaker fish study, established fish closure boundaries, and received \$3,100,000 in federal funds to enforce the existing fish closure, there is no need for another study.

I am deleting Provision 3 to conform to this action.

I am deleting Provision 4 to conform to actions taken in Items 3480-001-0001, 3540-001-0928, 3600-001-0001, and 3860-001-0001. Although I am deleting this language, I wish to express my commitment to work with the Legislature during the remainder of this session on development of a watershed assessment proposal to address logging-related impacts to salmon and water quality.

Item 3940-101-0001—For local assistance, State Water Resources Control Board. I reduce this item from \$27,155,000 to \$13,365,000 by reducing:

(1.5) Special projects from \$27,155,000 to \$13,365,000; by deleting \$5,890,000 for the following projects:

- (c) Yucaipa: Water recycling project development and implementation (\$4,000,000);
- (g) Orange County: Top Rate water quality laboratory establishment (\$1,240,000);
- (o) County of Amador: Newton Copper Mine Passivation Technology Pilot Project (\$250,000);
- (q) City of Los Angeles Department of Water and Power: Pacoima Community-based Watershed Management Plan (\$200,000); and
- (r) City of Seal Beach: Boardwalk and Flood Protection Wall Improvement Project (\$200,000);

and by reducing \$7,900,000 for the following projects:

- (a) San Diego: Rose and Tecolote Creek water quality improvement from (\$5,000,000) to (\$2,000,000);

- (b) County of Orange: Urban runoff action plan from (\$4,750,000) to (\$1,000,000);
- (e) County of Siskiyou: McCloud Sewer System replacement project from (\$2,000,000) to (\$1,000,000); and
- (n) City of Santa Rosa: Santa Rosa Creek restoration from (\$250,000) to (\$100,000).

I am deleting and reducing the funding for these projects because of the need to fund higher competing priorities, and in addition, in the case of Yucaipa: Water recycling project development and implementation [subschedule (c)], because this project should be addressed through the Water Resources Control Board's normal application, review, and selection process for funding water recycling and other water quality projects. This budget contains over \$50 million of General Fund augmentations for various water quality, coastal protection, and urban runoff programs. Additional, there are special fund and Proposition 13 Water Bond resources available for these purposes.

Item 3980-001-0001—For support of Office of Environmental Health Hazard Assessment. I reduce this item from \$12,877,000 to \$12,777,000 by reducing:

- (a) 10-Health Risk Assessment from \$17,163,000 to \$17,063,000.

I am deleting the \$100,000 legislative augmentation to evaluate the health and environmental risks of genetically modified organisms. The National Academy of Sciences already has evaluated genetic modification, and additional evaluation by the Office of Environmental Health Hazard Assessment is not an effective use of funds at this time.

Item 4110-001-0001—For support of Area Boards on Developmental Disabilities. I revise this item by reducing:

- (a) 10-Area Board Services from \$7,725,000 to \$7,623,000; and
- (b) Reimbursements from -\$7,585,000 to -\$7,483,000.

I am reducing by \$102,000 the \$283,000 legislative augmentation provided for the Client's Rights Advocacy program because the full amount of the augmentation is not needed to meet workload and contractual obligations.

Item 4120-101-0001—For local assistance, Emergency Medical Services Authority. I reduce this item from \$9,707,000 to \$7,207,000.

I am deleting the \$2,500,000 legislative augmentation for the California Poison Control System. The base budget of \$4,000,000 General Fund and existing federal matching funds fully support the Poison Control System. Consistent with Budget Act language, I am requesting the Director of the Emergency Medical Services Authority to continue to seek this federal fund match to the General Fund dollars appropriated for the California Poison Control System. Such a match was obtained in the current year and should be available again in the budget year. I also support continued efforts to seek support from stakeholders and others who benefit from the system, such as health plans, insurance companies, hospitals, and physicians' groups.

Item 4140-101-0001—For local assistance, Office of Statewide Health Planning and Development. I reduce this item from \$9,535,000 to \$8,235,000 by reducing:

- (b) 30-Health Professions Development (Family Physician Training) from \$7,935,000 to \$6,635,000; and by deleting provisions 2, 3, 4, and 5.

I am deleting the \$800,000 legislative augmentation for the proposed Physician Assistant Recruitment/Training Program for international medical graduates. I believe that such a program would be duplicative of programs already in place in the Office of Statewide Health Planning and Development, including the Song-Brown program. Existing physician assistant programs funded by Song-Brown currently accept international medical graduates on a competitive basis, and there is no demonstrated need for a separate program.

I am deleting the \$500,000 legislative augmentation for the proposed California Health Service Corps Loan Repayment Program that would provide the match required from medical care and dental service practice sites under an existing federal program, in response to claims that some sites are unable to afford this match. I believe that these sites should be required to make an investment in the health professionals they attract through this program by providing the local match required for participation. Additionally, there is currently insufficient information regarding the number of practice sites that are reportedly unable to provide the match and why these sites are not able to make the match.

Additionally, I am deleting Provisions 2, 3, 4, and 5 to conform to the actions in this item.

Item 4170-001-0001—For support of Department of Aging. I reduce this item from \$8,052,090 to \$7,297,090 by reducing:

(c) 30-Supportive Services and Centers from \$6,312,000 to \$5,696,000;

(d) 40-Special Projects from \$6,325,090 to \$6,103,090; and

(g) Reimbursements from -\$3,060,000 to -\$2,977,000;

and by revising Provision 4.

For community-based programs for seniors, I am sustaining the legislative augmentations of \$371,090 for the Multipurpose Senior Services Program and \$75,000 for the Health Insurance Counseling and Advocacy Program to meet the increased demand for these worthwhile services. I am, however, deleting the augmentations of \$216,000 and 3.8 personnel years for the Ombudsman Program, \$61,000 and 0.9 personnel years for the Linkages Program, and \$161,000 (\$78,000 General Fund and \$83,000 reimbursements) and 1.9 personnel years for the Adult Day Health Care Program. This conforms with action taken in Item 4170-101-0001.

I am also reducing, by \$400,000, the legislative augmentation of \$750,000 for support of my Long-Term Care Innovation Grants Initiative. Of that \$750,000, \$375,000 was for program evaluation and \$375,000 was for technical assistance. I am reducing the amount for the evaluation by \$275,000 since many of the programs will not start until late in the fiscal year. I am reducing the amount for technical assistance by \$125,000, leaving a more appropriate level of funding for the anticipated workload.

Finally, I am revising Provision 4 to conform to the action in this item.

“4. Of the funds appropriated in this item, up to ~~\$375,000~~ \$100,000 shall be used to contract for an evaluation of the programs funded through the Long-Term Care Innovation Grants Program funded by this act. At a minimum, the evaluation shall assess the effectiveness of the grantees at enabling program participants to

remain in their homes rather than enter long-term care facilities, with an emphasis on the programs' ability to provide a good quality of life outside of an institutionalized setting. The department shall provide copies of the report to the fiscal and policy committees of the Legislature by March 1, 2002. In addition, ~~\$375,000~~ \$250,000 shall be used to fund technical assistance, distribution of information, and support of regional conferences to assist in proposal and grant planning and information sharing about effective grant programs."

Item 4170-101-0001—For local assistance, Department of Aging. I reduce this item from \$66,352,000 to \$55,377,000 by reducing:

- (a) 10-Nutrition from \$69,393,000 to \$68,814,000;
- (c) 30-Supportive Services and Centers from \$59,192,000 to \$55,389,000; and
- (d) 40-Special Projects from \$34,140,000 to \$27,547,000;

and by deleting Provisions 3, 5, 8, and 10, and revising Provision 12.

I am sustaining the legislative augmentations of \$3,321,000 for the Multipurpose Senior Services Program and \$1,190,000 for the Health Insurance Counseling and Advocacy Program. Of the \$4,105,000 augmentation for the Linkages program, I am sustaining \$1,499,000 and deleting \$2,606,000. Additionally, I am deleting a total of \$7,369,000, which the legislature augmented for community-based programs for seniors. These reductions include: \$2,803,000 for the Long-Term Care Ombudsman Program, \$1,644,000 for the Adult Day Health Care Planning and Development Grants Program, \$781,000 for the Foster Grandparent Program, \$781,000 for the Senior Companion Program, \$781,000 for the Information and Assistance Program, and \$579,000 for the Home-Delivered Meals Program.

I am also deleting the legislative augmentation of \$1,000,000 for the construction of a new senior center in the City of Laguna Beach in order to fund higher competing priorities.

This budget includes significant augmentations I have proposed for seniors' programs. My Aging with Dignity Initiative, which includes augmentations for community-based programs for seniors as well as long-term care facilities, was adopted by the Legislature and contains over \$270 million in new General Fund monies. Of this amount, \$15.2 million of one-time funding is in the Department of Aging to support Long-Term Care Innovation Grants to implement and expand community-based adult care alternatives to nursing homes. I am challenging private foundations to sustain these grants at much higher levels for the next 10 years.

I am deleting Provisions 3, 5, 8, and 10 to conform to this action.

I am also revising Provision 12 to conform to the action in this item.

"12. Of the funds appropriated in this item, ~~\$4,105,000~~ \$1,499,000 shall be used to expand the Linkages Program; ~~\$2,803,000~~ shall be used to expand the Ombudsman Program; ~~\$781,000~~ shall be used to expand the Foster Grandparent Program; ~~\$781,000~~ shall be used to expand the Senior Companion Program; ~~\$579,000~~ shall be used to expand the Home-Delivered Meals Program; and ~~\$781,000~~ shall be used to expand the Information and Assistance Program. Included in this funding are administrative costs for participating Area Agencies on Aging."

Item 4180-001-0001—For support of Commission on Aging. I delete this item.

I am deleting the legislative augmentation of \$235,000 and 2.8 personnel years for the Commission on Aging. I believe that the current budget for the Commission is sufficient for the accomplishment of its mandated tasks. Further, I continue to believe that the varied non-General Fund sources that contribute to the Commission are the appropriate funding sources.

Item 4200-101-0001—For local assistance, Department of Alcohol and Drug Programs. I reduce this item from \$63,428,000 to \$56,828,000 by reducing:

(a) 15-Alcohol and Other Drug Services Program from \$384,893,000 to \$378,293,000; and by deleting Provision 3.

I am deleting the \$4,300,000 legislative augmentation to expand the Adolescent Treatment Program begun under Chapter 866, Statutes of 1998 (AB 1784). The Budget contains over \$420 million in state and federal funds for local drug and alcohol treatment programs including approximately \$20 million for youth treatment and prevention services. Of this amount, \$20.9 million in federal carryover funds has been reserved for youth substance abuse prevention and treatment. I am also sustaining \$5,700,000 for discretionary substance abuse treatment services for youth. Given the existing base budget and the augmentations I am sustaining, which represent more than a doubling of funding for youth services, I am deleting this \$4,300,000.

I am also deleting Provision 3 to conform to this action.

I am reducing by \$2,300,000 the \$10,000,000 legislative augmentation for expansion of alcohol and drug treatment programs for adults. While I am supportive of efforts in this area, I cannot support all of this augmentation as the Budget includes \$420 million for substance abuse and treatment, the majority of which is already used for adult prevention, intervention, and treatment services. I am sustaining the \$7,700,000 to allow the counties to expand services based on local priorities and needs.

Item 4260-001-0001—For support of Department of Health Services. I reduce this item from \$260,472,000 to \$253,233,000 by reducing:

- (1) 10-Public and Environmental Health from \$306,172,000 to \$300,872,000;
- (2) 20-Health Care Services from \$466,633,320 to \$464,139,000; and
- (43) Amount payable from the Federal Trust Fund (Item 4260-001-0890) from -\$296,294,320 to -\$295,739,000.

I am deleting the \$113,000 legislative augmentation and three positions to develop rate models for disabled and elderly persons who are eligible for Medicare and Medi-Cal. This proposal is overly prescriptive as it requires commitment of rate development staff to a narrowly defined, specialized area which may not represent the highest priority at any given point in time. I am also deleting \$113,000 from the Federal Trust Fund, Item 4260-001-0890, to conform with this action.

I am deleting the \$547,000 legislative augmentation and six positions for unannounced hospital inspections. The Budget includes \$47.6 million (General Fund) for the licensing and certification

of health facilities, including hospitals. The Department of Health Services (DHS) already investigates complaints involving serious threat of imminent danger of death or serious bodily harm, and is currently developing criteria for evaluation of nurse-patient ratios as required by AB 394, Chapter 945, Statutes of 1999. It is premature to require additional inspection staff at this time.

I am deleting the \$2,000,000 legislative augmentation for the California Health Interview Survey. The 1999–00 Budget Act contained language specifying that no more than \$2,000,000, including federal funds, was to be used for this purpose. The Department of Health Services was also directed to seek any additional funding required for this survey from other non-state sources. Therefore, it is current policy that funding from other sources, including foundations, is to be sought. The initial General Fund augmentation provided in 1999–00 was intended as start-up to be used to match outside sources of funding.

I am deleting the \$239,000 legislative augmentation and five positions for California Children's Services credentialing and increased county and provider site reviews. The Department of Health Services is currently staffed to provide oversight and enforcement of this program. In addition, the department currently performs site reviews and is clearing an existing backlog. Therefore, the additional positions are not necessary.

I am also deleting the \$222,000 from the Federal Trust Fund, Item 4260-001-0890 to conform with this action.

I am deleting the \$3,000,000 legislative augmentation and 11 positions for asthma intervention grants, education, and technical assistance. The Budget contains a \$2.1 million augmentation to provide treatment to asthmatic children under age 6. In addition, recent significantly increased local resources from health account realignment funds, Proposition 10 and the Master Tobacco Settlement should provide the resources for this program to be funded at the local level, if deemed a priority. Lastly, expansions in the Medi-Cal and Healthy Families Programs should provide increased access to care for all children, including those with asthma.

I am also deleting the \$6,000,000 legislative augmentation in Item 4260-111-0001 to conform with this action.

While I am sustaining the \$2,550,000 legislative augmentation to the California Cancer Registry, I am deleting the six positions added by the Legislature for this purpose. The current staffing level is sufficient to continue thorough and accurate cancer data collection.

I am deleting the \$103,000 legislative augmentation and one position to expand the American Indian Infant Health Initiative. The Budget currently includes \$424,000 to promote the health of American Indian infants. The proposed General Fund augmentation would constitute a 94.3 percent increase and would establish a precedent of providing General Fund for a program that has been funded exclusively by federal funds.

I am also deleting \$297,000 legislative augmentation in Item 4260-111-0001 to conform with this action.

I am deleting the \$238,000 legislative augmentation and six positions for California Children's Services treatment authorization requests and case management assistance. The Budget contains a \$567,000 augmentation and nine positions for this purpose. This augmentation

and additional positions are commensurate with the increase in workload, and will provide effective case management and service delivery.

I am also deleting the \$220,320 from the Federal Trust Fund, in Item 4260-001-0890 to conform with this action.

I am deleting the \$180,000 legislative augmentation and two positions to expand the Children's Dental Disease Prevention Program, to conform to the action taken in Item 4260-111-0001.

I am deleting the \$169,000 legislative augmentation and two positions for administrative activities associated with the community-based clinic programs, to conform with the action taken in Item 4260-111-0001.

I am deleting the one-time \$300,000 legislative augmentation for compliance and enforcement of the Safe Needle Law (Chapter 999, Statutes of 1998 [AB 1208]). The Safe Needle Law requires the DHS to compile and make available a list of needle-less systems and needles with engineered needle stick protection. The DHS has complied with the law by compiling a list of these devices. This augmentation is for an educational component to advise health practitioners on better practices. Educational materials on needle-less systems and needles engineered with needle stick protection are currently available. The Administration has not seen workload data to justify this effort. Additionally, while the appropriation was provided on a one-time basis, DHS advises that the need to educate health practitioners would be ongoing. Thus, ongoing General Fund costs would result.

I am deleting the \$150,000 legislative augmentation for a baby abandonment study. Although this program may have merit, considerable research has been conducted in this area, and further research should be considered as part of legislative efforts currently being developed.

I am deleting the \$200,000 legislative augmentation to the Granada Hills Community Hospital for the Maternity Services Expansion Program. While I am supportive of maternity health services, the Medi-Cal, Healthy Families, and Access for Infants and Mothers (AIM) programs already provide comprehensive prenatal and perinatal care to low-income California residents.

Item 4260-001-0890—For support of Department of Health Services. I reduce this item from \$296,294,320 to \$295,739,000.

I am reducing this item by \$555,320 to conform with actions taken in Item 4260-001-0001.

Item 4260-101-0001—For local assistance, Department of Health Services. I reduce this item from \$9,236,793,000 to \$9,193,054,000 by reducing:

- (a) 20.10.030-Benefits (Medical Care and Services) from \$21,004,224,000 to \$20,934,334,000;
 - (b) 20.10.010-Eligibility (County Administration) from \$1,223,185,000 to \$1,205,185,000;
 - (e) Amount payable from the Federal Trust Fund (Item 4260-101-0890) from -\$13,213,096,000 to -\$13,168,945,000;
- and by deleting Provisions 13,15,16, 18 and 19.

I am deleting the \$5,359,000 General Fund legislative augmentation for long-term care rate increases for intermediate care facilities for the developmentally disabled. I am supportive of the services provided by

these facilities; however, the budget already contains \$13,424,000 General Fund for an 8.9 percent average rate increase for these facilities. In addition, I am deleting \$5,359,000 from the Federal Trust Fund, Item 4260-101-0890, to conform to this action.

I am deleting the \$2,950,000 legislative augmentation for transfer to the Emergency Services and Supplemental Payments Fund to be allocated by the California Medical Assistance Commission for the first year of a two-year pediatric nurse intern program. Although I have sustained a one-time \$12,000,000 General Fund appropriation for equipment and capital improvements for Children's Hospitals, I do not support appropriations to this fund that are not of a one-time nature. Contributions to this special fund, which are then matched by federal funds, should continue to be made by the public hospitals themselves, not by the State. In addition, I am deleting \$2,950,000 from the Federal Trust Fund, Item 4260-101-0890, and am deleting Provision 13, to conform to this action.

I am deleting the \$1,000,000 legislative augmentation for increased Medi-Cal outpatient rates for hospitals qualifying for federally defined critical access hospital status. The intent is to enable Medi-Cal to match the higher Medicare reimbursement rate for those hospitals. The May Revision includes \$2,000,000 to double the funding of the existing program of supplemental payments to small and rural hospitals, many of which are the same hospitals intended to benefit from this legislative augmentation. Further, any attempt to tie Medi-Cal rates to those under the Medicare program would reduce the State's rate-setting flexibility and create a General Fund pressure to provide increased rates to all other providers. In addition, I am deleting \$1,000,000 from the Federal Trust Fund, Item 4260-101-0890, to conform to this action.

I am reducing by \$2,630,000 the \$5,542,000 legislative augmentation to increase reimbursement rates for Medi-Cal pap smears. Rate increases included in the May Revision already provide a 53 percent increase, which is sufficient to maintain access to these important services. I am deleting \$2,630,000 from the Federal Trust Fund, Item 4260-101-0890, to conform with this action.

I am deleting the \$9,347,000 legislative augmentation to increase Medi-Cal dental rates. These rates have increased significantly more than other Medi-Cal rates as a result of the Clark lawsuit. Therefore, the average 6.8 percent rate increase included in the May Revision is sufficient. I am also deleting \$9,347,000 from the Federal Trust Fund, Item 4260-101-0890, to conform with this action.

I am deleting the \$9,000,000 legislative augmentation for processing Healthy Families and Medi-Cal applications through a single point-of-entry. Although I support processes that will simplify these two programs and contribute to increased enrollment, this proposal is the most costly and complex means possible of interpreting the Medi-Cal mail-in application requirement, and would add a new and unnecessary layer of state administration and contracted services. Further, this proposal would actually delay the Healthy Families Program application approval. I am also deleting \$9,000,000 from the Federal Trust Fund, Item 4260-101-0890 and deleting Provision 19 to conform with this action.

I am deleting the \$7,500,000 legislative augmentation to provide a \$25 facility fee for each special care center visit provided to Medi-Cal eligible children under the California Children's Services (CCS)

program. The budget includes \$5 million to increase rates for services provided to CCS children receiving care in these centers, including those who are Medi-Cal eligible. In addition, I am sustaining augmentations which result in a 39 percent CCS physician rate increase. I am deleting \$7,500,000 from the Federal Trust Fund, Item 4260-101-0890, to conform with this action.

I am reducing by \$5,193,000 the \$13,519,000 legislative augmentation to conform to actions taken in Item 4300-101-0001 related to In-Home Respite and Day Programs in the Department of Developmental Services. In addition, I am reducing \$5,482,000 from the Federal Trust Fund, Item 4260-101-0890, to conform to this action.

I am reducing by \$760,000 the \$2,584,000 legislative augmentation to conform to the action taken in Item 4300-101-0001 related to supported living services rates. In addition, I am reducing \$800,000 from the Federal Trust Fund, Item 4260-101-0890, to conform with this action.

I am deleting the \$83,000 legislative augmentation of the Federal Trust Fund, Item 4260-101-0890, to conform to the action taken in Item 4170-001-0001 regarding increased administrative costs associated with the Adult Day Health Care program in the Department of Aging.

I am deleting Provision 15 which would require the Department of Health Services (DHS) to implement a simplified appeals system for denied emergency room Medi-Cal claims. This language is unnecessary as DHS has already begun the process of implementing a simplified claims appeals process.

I am deleting Provision 16 which would require DHS to conduct a second, more comprehensive evaluation of the Transitional Inpatient Care Program. The first evaluation of this program was completed in January 2000. A second evaluation of this program would result in unnecessary administrative costs to DHS. It is already proven that this program allows Medi-Cal to purchase this level of care from hospitals at a savings of over \$15 million General Fund annually.

I am sustaining the \$10,700,000 General Fund one-time legislative augmentation for distinct part nursing facilities, but am deleting Provision 18 because it would require a significant and unacceptable departure from existing rate methodology, a public notice process, a change in the state's Medicaid plan, and approval by the federal government of that change. Instead, I am directing the Department of Health Services (DHS) to allocate these funds, not as a change in the rate of payment, but as a one-time, lump-sum supplemental payment, on or about February 1, 2001, to each distinct part nursing facility which receives the maximum rate for the 2000-01 rate year, distributed in proportion to each such facility's 1999 distinct part nursing facility Medi-Cal patient days.

Item 4260-101-0890—For local assistance, Department of Health Services. I reduce this item from \$13,213,096,000 to \$13,168,945,000.

I am reducing this item to conform to the action I have taken in Item 4260-101-0001.

Item 4260-111-0001—For local assistance, Department of Health Services. I reduce this item from \$498,973,000 to \$450,978,000 by reducing:

- (4) 10.30.030-Childhood Lead Poison Prevention from \$8,500,000 to \$2,500,000;

- (5) 10.30.040-Chronic Diseases from \$139,486,000 to \$139,466,000;
- (6) 10.30.050-Communicable Disease Control from \$67,984,000 to \$66,604,000;
- (7) 10.30.060-AIDS from \$252,537,000 to \$245,537,000;
- (8) 20.30-County Health Services from \$130,399,000 to \$95,318,000;
- (9) 20.40-Primary Care and Family Health from \$1,480,882,000 to \$1,448,965,000;
- (15) Amount payable from the Hospital Services Account, Cigarette and Tobacco Products Surtax Fund (Item 4260-111-0232) from -\$79,680,000 to -\$70,665,000;
- (16) Amount payable from the Physician Services Account, Cigarette and Tobacco Products Surtax Fund (Item 4260-111-0233) from -\$9,166,000 to -\$6,838,000;
- (17) Amount payable from the Unallocated Account, Cigarette and Tobacco Products Surtax Fund (Item 4260-111-0236) from -\$67,517,000 to -\$45,457,000;

and by deleting Provisions 7 and 9.

I am deleting the \$350,000 legislative augmentation for continuation and expansion of the California Children's Services Assistance to Children At Home Demonstration Project. Although preliminary outcomes of this program have been positive, I cannot support expansion of the pilot project until a complete evaluation of the program can be conducted and its cost effectiveness demonstrated.

I am deleting the \$440,000 legislative augmentation to provide the varicella vaccine to public health clinics for children not eligible under state-funded health care programs. Although I recognize the importance of disease prevention, the State currently provides the varicella vaccine to children enrolled in Medi-Cal and the Healthy Families Program. In addition, recent increased local funding in excess of \$1.1 billion from the Children and Families Commission, local realignment health account funds, and the Master Tobacco Settlement should provide resources to fund this program at the local level.

I am deleting the \$340,000 legislative augmentation to assist county health departments to monitor parolees with tuberculosis. This augmentation could be funded using local resources. In 2000-01, local realignment funds are estimated to increase by \$93.6 million. In addition, the Master Tobacco Settlement awards local government in California an additional \$389 million. These funds may be used for any public health purpose deemed a local priority. Further, the Medi-Cal program has been expanded and will improve access to care.

I am deleting the \$1,000,000 legislative augmentation for an expansion of the HIV/AIDS partner counseling and referral pilot program. The Budget provides \$1.4 million for continuation of the five-county pilot program begun in 1999-00. While I am supportive of the pilot programs, expansion of this program should be delayed until an analysis of the existing pilot is available and the effectiveness of the program is determined.

I am reducing \$6,000,000 of the \$8,000,000 legislative augmentation for HIV/AIDS health outreach, education, and prevention for communities of color. The Budget currently includes \$3.6 million for these activities. This \$2,000,000 augmentation, when combined with all other HIV/AIDS augmentations, results in a Budget which contains

increases of \$12.7 million. These augmentations and the existing base level of funding result in total HIV/AIDS program expenditures in excess of \$325 million. This provides significant resources to fight the spread of the disease.

I am deleting the \$600,000 legislative augmentation to provide the Hepatitis A vaccine to public health clinics for individuals not eligible under state-funded programs. The State currently provides the Hepatitis A vaccine to individuals enrolled in Medi-Cal and the Healthy Families Program. In addition, recent increased local funding in excess of \$1.1 billion from varied fund sources provide the resources for this program to be funded at the local level.

I am also deleting Provision 9 to conform with this action.

I am deleting the \$6,000,000 legislative augmentation for asthma intervention grants, education, and technical assistance to conform with actions taken in Item 4260-001-0001.

I am deleting the \$297,000 legislative augmentation to expand the American Indian Infant Health Initiative to conform with actions taken in Item 4260-001-0001.

I am deleting the \$9,528,000 legislative augmentation for local public health subvention. The 2000-01 Budget provides \$1.6 million for this purpose. In 2000-01, local realignment health education funds are estimated to increase by \$93.6 million. In addition, the 1998 Master Tobacco Settlement awards local governments in California an additional \$389 million. These funds may be used for any public health purpose deemed a local priority. Further, the Medi-Cal and Healthy Families programs have been expanded and will improve access to care, and reduce the demand on local public health programs.

I am also deleting Provision 7 to conform with this action.

I am reducing this item by \$24,803,000. My January Budget proposal directed this augmentation to emergency room physicians and hospital services. Because the Legislature did not adopt the proposed enabling trailer bill language, I am deleting the augmentation. However, I am reserving these funds and will sign legislation authorizing their expenditure for emergency services as originally proposed.

To conform with this action, I am also reducing Item 4260-111-0232 by \$9,015,000; Item 4260-111-0233 by \$2,328,000; and Item 4260-111-0236 by \$13,460,000.

I am deleting the \$15,000,000 one-time legislative augmentation for community-based clinic dental infrastructure grants. These grants are to be allocated specifically for the purchase of dental equipment and to renovate or expand dental facilities. For each of the last three years, the budget included \$3 million for the Rural Demonstration Project. These funds were provided for local infrastructure, including equipment. In addition, I have sustained a \$50 million legislative augmentation for the California Health Facilities Financing Authority. These funds will provide grants for capital outlay needs including those of dental programs of local community and free clinics. Additionally, this proposal could be funded using local resources if deemed a local priority.

I am deleting the \$1,500,000 legislative augmentation for the Indian Health Clinic Program. The Budget Act of 1999 provided a \$2 million General Fund augmentation to Indian Health Clinics, increasing the base from \$3.8 million to \$5.8 million. The May Revision provides an additional 10 percent increase (\$587,000 General Fund). Including the

amount provided in the May Revision, the program has increased by 65 percent since 1998. In addition, expanded Medi-Cal and Healthy Families services will improve access to health care for all Californians, including Native Americans, and mitigate the need for further categorical program expansion.

I am reducing by \$1,750,000 the \$3,400,000 legislative augmentation for the Children's Dental Disease Prevention Program. This augmentation would provide dental sealants, increase reimbursements to providers from \$4.50 to \$10 per child in the program, and would expand the program from its current 300,000 to 475,000 children. I am sustaining \$1,650,000 which would provide funding for increased rates at the current caseload of 300,000 children. However, the remaining \$1,750,000 would constitute a state-funded program expansion that could be funded using local resources including increased local realignment health account funds of \$93.6 million, the recent Master Tobacco Settlement awards of \$389 million, and Proposition 10 funds of \$573 million.

I am also deleting \$180,000 in Item 4260-001-0001 to conform with this action.

I am deleting the \$3,000,000 legislative augmentation for community-based clinic programs. The Legislature accepted my proposal of a ten percent rate increase for community-based clinics, and provided funding for a caseload expansion of 27.2 percent. Expanded Medi-Cal and Healthy Families services will improve access to health care for all Californians, and mitigates the need for further program expansion. In addition, in 2000-01, local realignment health account funds are estimated to increase by \$93.6 million and the recent Master Tobacco Settlement awards local government in California an additional \$389 million. These funds may be used for any public health purpose deemed a local priority.

I am also deleting the legislative augmentation of \$169,000 and two positions in Item 4260-001-0001 to conform to this action.

I am also deleting the legislative augmentation of \$8,600,000 in Item 4260-111-0236 to conform to this action.

I am deleting the \$10,000 legislative augmentation for the San Diego County Alzheimer's Association Program and the \$10,000 legislative augmentation for the Orange County Alzheimer's Association Program. I am supportive of additional Alzheimer's education efforts, and the Budget includes \$2.4 million for a one-time public education campaign on state-of-the-art best practices in the clinical care of Alzheimer's disease.

I am deleting the \$100,000 legislative augmentation for the Vietnamese Community of Orange County, Inc. Although this project is meritorious, I am vetoing this legislative augmentation in order to fund higher competing priorities.

I am deleting the \$50,000 legislative augmentation for the Maternal Outreach Management System, Santa Ana. I am supportive of outreach, education, and support for soon-to-be mothers; however, the Medi-Cal, Healthy Families, and Access for Infants and Mothers (AIM) programs already provide comprehensive prenatal and perinatal care to California residents.

I am deleting the \$250,000 legislative augmentation to the Santa Barbara County Public Health Department for dental clinic equipment. In this budget, I have sustained a \$50 million legislative

augmentation for the California Health Facilities Financing Authority. These funds will provide grants for capital outlay needs of local community and free clinics, including dental programs. Additionally, this proposal could be funded using local resources if deemed a local priority.

I am deleting the \$750,000 legislative augmentation to the Southern Inyo Hospital for seismic retrofitting. I am deleting this legislative augmentation to fund higher competing priorities.

I am deleting the \$20,000 legislative augmentation to La Clinica de la Raza for community outreach. While community outreach for clinical services may have merit, expanded Medi-Cal and Healthy Families services already include substantial outreach efforts.

I am deleting the \$1,000,000 legislative augmentation to the County of San Mateo for the establishment of the East Palo Alto Family Clinic. While this program may have merit, expanded Medi-Cal and Healthy Families services will improve access to care for low-income Californians, including family clinical services. I am sustaining \$50 million in this budget for a new primary care clinic grant program under the California Health Facilities Financing Authority.

Item 4260-111-0232—For local assistance, Department of Health Services. I reduce this item from \$79,680,000 to \$70,665,000.

I am reducing this item by \$9,015,000 to conform to the actions taken in Item 4260-111-0001.

Item 4260-111-0233—For local assistance, Department of Health Services. I reduce this item from \$9,166,000 to \$6,838,000.

I am reducing this item by \$2,328,000 to conform with the action taken in Item 4260-111-0233.

Item 4260-111-0236—For local assistance, Department of Health Services. I reduce this item from \$67,517,000 to \$45,457,000.

I am reducing this item by \$22,060,000 to conform with actions taken in Item 4260-111-0001.

Item 4260-117-0001—For transfer by the Controller from the General Fund to the Human Leukocyte Antigen Testing Fund (1002). I delete this item.

I am deleting the \$1,500,000 legislative augmentation for transfer to a newly established fund for blood collection and human leukocyte antigen typing for use in bone marrow transplantation. Human leukocyte antigen typing is currently available through some blood banks or donor centers. In addition, some health plans cover human leukocyte antigen testing for use in bone marrow transplantation. Also, providing widespread coverage of human leukocyte antigen typing may not be warranted, as bone marrow treatments are considered experimental in some cases. Lastly, providing one-time General Fund resources for this program could create pressure for ongoing General Fund resources when the initial funds are depleted.

Item 4260-117-1002—For local assistance, Department of Health Services. I delete this item.

I am deleting the \$1,500,000 legislative augmentation for blood collection and human leukocyte antigen typing to conform with the action taken in Item 4260-117-0001.

Item 4280-112-0236—For transfer by the Controller upon notification from the Department of Finance from the Unallocated

Account, Cigarette and Tobacco Products Surtax Fund to the Major Risk Medical Insurance Fund. I reduce this item from (\$10,000,000) to (\$5,000,000) and delete Provision 1.

I am reducing the one-time legislative augmentation for the Major Risk Medical Insurance Program to maintain its current enrollment level and to partially fund coverage of persons on the waiting list. As Proposition 99 is a declining revenue source, reserves will be needed for other high priority programs, including the growing Access for Infants and Mothers program. Further, the Legislature and the insurance industry should work together over the next year to develop market-based solutions to providing coverage to persons with resources but reduced access to private health insurance.

I am deleting Provision 1 to conform to this action.

Item 4300-003-0001—For support of Department of Developmental Services, for Developmental Centers. I delete Provisions 5 and 6 and sustain Provisions 7 and 8.

I am deleting Provision 5, which would require the Department of Developmental Services (DDS) to terminate the janitorial contracts currently in effect at the five developmental centers and rebid the contracts to include health benefits for the contract janitorial workers. The language for this item also requires DDS to use \$2 million of its existing developmental center funding to provide these health benefits. The language in Provision 5 is unnecessary because the department already has authority to amend existing contracts to add health benefits for janitors. Further, the language requires DDS to use its existing funding to provide health benefits to its developmental center janitors. This Budget provides a total of \$6 million, to be allocated by the Department of Finance, to fund health benefits for contract janitorial services on a statewide basis. Language is also included which authorizes augmentation of the amounts appropriated for this purpose. Thus, Provision 5 is unnecessary.

I am also deleting Provision 6, which would require the Department of Developmental Services to rescind the Mitigated Negative Declaration it approved on February 9, 1999, for the project known as the Facility and Security Improvements to Accommodate New Forensic and Specialized Behavior Programs at Lanterman Developmental Center. This rescission, related to facility and security improvements at Lanterman, would negate the ruling of the court in the State's favor regarding the placement of specific client categories at this facility and expose the state to attorneys' fees.

I am sustaining Provision 7, which prohibits placement of forensic clients at Lanterman Developmental Center, as the State does not intend to place any forensic patients at Lanterman Developmental Center.

I am also sustaining Provision 8, which limits the type and number of behaviorally disturbed developmentally disabled clients that may be housed at Lanterman Developmental Center and is consistent with the type and number of clients associated with this project.

Item 4300-101-0001—For local assistance, Department of Developmental Services, for Regional Centers. I reduce this item from \$999,955,000 to \$980,834,000 by reducing:

- (b) 10.10.020-purchase of Services from \$1,523,639,000 to \$1,489,483,000;
- (f) Reimbursements from -\$856,393,000 to -\$844,158,000; and

- (h) Amount payable from Developmental Disabilities Services Account (Item 4300-101-0496) from $-\$3,800,000$ to $-\$1,000,000$.

I am reducing the legislative augmentation of $\$41,918,000$ by $\$27,546,000$ ($\$16,871,000$ General Fund and $\$10,675,000$ reimbursements) for rate increases for day program and in-home respite care providers. The 2000–01 Budget provides $\$66,300,000$ ($\$33,800,000$ General Fund) for a 10 percent increase in wages for Day Program and In-Home Respite Care workers. In addition, my proposal included a 5 percent rate increase for the administrative cost of wage increases, which was omitted by the Legislature. Thus, this Budget provides for an approximate overall 8.5 percent rate increase. Funding for the administrative cost is necessary to ensure that the wages are increased as authorized, and to ensure that services are not reduced to fund the administrative costs of increased wages.

I am reducing the $\$12,954,000$ legislative augmentation for rate increases for supported living services (SLS) providers by $\$3,810,000$ ($\$2,250,000$ General Fund and $\$1,560,000$ reimbursements) to bring the rate increases for these caregivers into parity with increases provided to caregivers providing similar services to developmentally disabled clients, such as Day Program and In-Home Respite providers. The remaining augmentation, combined with the 3 percent increase for SLS providers included in the 2000–01 budget, will provide a rate increase for SLS providers commensurate with increases for other caregivers which average 10 percent for salaries and wages and 5 percent for the administrative cost of the increases.

I am deleting the $\$2,800,000$ Developmental Disabilities Services Account legislative augmentation provided for Affordable Housing Projects. Although this project may be meritorious, I am deleting the legislative augmentation for the program because it would deplete the fund. Further, this augmentation was not provided on a one-time basis, and no future source of funding has been identified to continue the project beyond 2000–01. The level of funding proposed in my Budget would allow the program to continue to provide eligible services to the developmentally disabled for approximately five years.

Item 4300-101-0496—For local assistance, Department of Developmental Services. I reduce this item from $\$3,800,000$ to $\$1,000,000$.

I am reducing this item by $\$2,800,000$ to conform to actions taken in Item 4300-101-0001.

Item 4300-490—Reappropriation, Department of Developmental Services. I revise this item by deleting Provision 2.

I am deleting Provision 2. I believe this language is unnecessarily restrictive and would have required that $\$4,000,000$ in unexpended funds for the purchase of services for regional center clients be reappropriated and transferred to the Department of Health Services for the California Birth Defects Monitoring Program to research causes of autism, cerebral palsy, and mental retardation. Typically, this item is used to reappropriate unexpended purchase of service funds for use in the following year to expand the services available for regional center clients. This transfer would make less money available for the developmentally disabled. Although the proposed research is meritorious, I do not concur with the means adopted by the Legislature

to fund the research. I have sustained a \$30 million augmentation in the budget for the University of California (UC) Medical Investigation Neurodevelopmental Disorder (MIND) Institute, which provides research into brain development and genetic causes of developmental disorders. I am requesting the UC to use \$4,000,000 of this \$30 million augmentation to contract with an appropriate organization to continue the research started regarding the causes of autism, cerebral palsy, and mental retardation.

Item 4440-001-0001—For support of Department of Mental Health. I reduce this item from \$31,943,000 to \$29,925,000 by reducing:

- (a) 10-Community Services from \$34,465,000 to \$31,714,000;
- (e) Reimbursements from -\$11,039,000 to -\$10,306,000;

and by deleting Provision 4.

I am deleting the \$150,000 General Fund legislative augmentation related to the Early Intervention Program to conform to my action taken in Item 4440-101-0001.

I am deleting the \$70,000 (\$35,000 General Fund and \$35,000 reimbursements) legislative augmentation and one position for Early and Periodic Screening, Diagnosis, and Treatment Technical Assistance; \$2,092,000 (\$1,394,000 General Fund and \$698,000 reimbursements) legislative augmentation and six positions for mental health managed care accountability and oversight; and \$139,000 General Fund legislative augmentation and two positions for state oversight of county Children's System of Care programs. Given the high vacancy rates, which led to a reduction of 50 positions in the Department of Mental Health, additional positions are not needed. The department is already charged with oversight responsibility and the provision of technical assistance for all mental health programs. The department may also redirect positions if necessary.

I am deleting the \$300,000 General Fund legislative augmentation for an independent evaluation of the Mental Health Rehabilitation Center (MHRC) model. The Department of Mental Health is already required to complete an evaluation of the MHRC model. In addition, the department has the necessary expertise and sufficient resources to complete the required evaluation. Therefore, this augmentation is unnecessary and would duplicate current efforts.

I am deleting Provision 4 because it directs the Departments of Mental Health and Health Services to establish a long-term care mental health innovation workgroup to develop options and recommendations for improving existing models of community-based long-term care without providing any resources with which to accomplish this task. More importantly, county mental health directors are free to seek input regarding program improvements as needed.

Item 4440-011-0001—For support of State Hospitals, Department of Mental Health. I reduce this item from \$400,789,000 to \$400,066,000 by reducing:

- (b) 20.20-Long-Term Care Services-Penal Code and Judicially Committed from \$401,897,000 to \$401,174,000.

I am reducing this item by \$723,000 to adjust for State Hospital population changes. These funds are not needed because the number of State-supported patients is lower than the estimated level. This reduction corrects an error in the level of funding provided for State Hospital population.

Item 4440-101-0001—For local assistance, Department of Mental Health. I reduce this item from \$181,210,000 to \$144,960,000 by reducing:

(a) 10.25 Community Services—Other Treatment from \$829,760,000 to \$793,510,000; and by deleting Provision 5.

The Budget sent to me included a Mental Health Initiative totaling approximately \$214 million (\$201 million General Fund) of which \$123 million (\$111 million General Fund) was proposed in the May Revision of my budget. I am sustaining \$155 million (\$151 million General Fund) of this amount for new and/or expanded programs which are included in the budget to meet specific over-arching mental health goals. Priority for funding has been given to programs that have proven effective in preventing institutionalization and hospitalization, and in reducing crime and meeting other goals and objectives these programs are designed to achieve. I am sustaining \$155 million for the establishment and expansion of various programs, including: Mentally Ill Offender Crime Reduction Grants (\$50 million in the Board of Corrections); Integrated Services to Homeless Adults (\$35 million); Supportive Housing programs (\$25.1 million); statewide expansion and full funding for the Children's System of Care (\$15.5 million); expansion and enhancement of substance abuse prevention and treatment services to youth and adults (\$13.4 million in the Department of Alcohol and Drug Programs); establishment of local crisis intervention and stabilization assistance services (\$6 million); Caregiver Resource Centers (\$3 million); and dual diagnosis programs for underserved populations (\$2 million).

Including the base budget of approximately \$863 million for these programs, a total of over \$1 billion is provided in the 2000–01 Budget. This represents an overall increase of 19 percent. However, the increases provided are significant and vary by program, as follows: 15 percent overall increase for programs within the Department of Alcohol and Drug Programs, with youth programs receiving a 43 percent increase; a 28 percent increase for programs within the Department of Mental Health; and a 122 percent increase for crime reduction programs within the Board of Corrections. I am sustaining the augmentations described above; I am vetoing \$50 million General Fund as indicated below.

I am deleting the \$2,850,000 legislative augmentation to establish an Early Intervention Program. This new program would provide mental health services for infants and toddlers from birth to age three. Counties are charged with providing mental health services to residents and have been provided funding for these services through Realignment. To the extent new categorical programs are established, the responsibility for funding such programs shifts back to the State. The establishment of new categorical programs and the shift of funding responsibility back to the State for these categorical programs, circumvents the basic principles underlying Realignment, complicates program operations and administration, and reduces the counties' flexibility and responsibility to prioritize programs and determine appropriate funding levels to best meet the needs of individual local jurisdictions. Further, under my mental health proposal, the Children's System of Care (CSOC) is now fully funded statewide. If counties desire to provide

these services to children from birth to age three, these services can be provided through existing Realignment or CSOC funding. Therefore, I am deleting this augmentation.

I am deleting the \$8,000,000 legislative augmentation for Alternative Residential Treatment Models for Adults. Currently, counties are fiscally responsible for clients placed in Institutes for Mental Disease and Mental Health Rehabilitation Centers. Although the Legislature included funding for these pilot projects, implementing alternative residential models would create an expectation of funding for such programs on a statewide basis, likely costing significantly more than the amount provided. Therefore, I am deleting this augmentation.

I am deleting the \$3,000,000 legislative augmentation for Community Treatment Facilities (CTFs). This augmentation would fund, as a State-only cost, a CTF supplemental rate of up to \$2,500 per child per month in addition to the amounts paid monthly per child as determined by the Department of Social Services' rate classification level (RCL) system. The RCL system is used to determine the amount paid to a facility based on numerous factors including basic sustenance costs plus the costs for services provided by the facility such as various therapeutic services.

Potential CTF providers are seeking an additional amount, \$2,500 per child per month, in addition to the RCL payment. Until a CTF is activated and actually serving clients, no basis will exist to ascertain whether the additional payment is necessary to meet the needs of the child. Therefore, I am deleting this augmentation.

I am reducing by \$6,900,000 the \$42,500,000 legislative augmentation for Integrated Services for Homeless Adults. I proposed \$6,900,000 in Substance Abuse and Mental Health Services Administration (SAMHSA) federal block grant funds for this program. The Legislature replaced the federal funds with \$6,900,000 from the General Fund. I am supportive of efforts in this area, but I believe that federal funds should also be used when available for this purpose. Therefore, I am deleting the General Fund augmentation, which replaced the federal funding I proposed, and am directing the Department of Mental Health to submit a Section 28.00 application to request federal funding reduced from other programs to be used for this program. This action conforms to my action taken on the related federal funds in Item 4440-101-0890.

I am deleting the \$5,500,000 legislative augmentation for suicide prevention, education, and gatekeeper training. This augmentation would establish a new program to provide local suicide prevention services. Counties are charged with providing mental health services to residents and have been provided funding for these services through Realignment. To the extent new categorical programs are established, the responsibility for funding such programs reverts to the State. The creation of new categorical programs and the shift of funding responsibility back to the State for these categorical programs, circumvents the basic principles underlying Realignment, complicates program operations and administration, and reduces the counties' flexibility and responsibility to prioritize programs and determine appropriate funding levels to best meet the needs of individual local jurisdictions. If counties desire to provide this training, the program can be implemented and supported through existing resources. Therefore, I am deleting this augmentation.

I am deleting the \$10,000,000 legislative augmentation for the Respite Assistance Program. This augmentation would provide resources for local respite assistance services and could constitute a new state-funded entitlement program. Counties are charged with providing mental health services to residents and have been provided funding for these services through Realignment. To the extent new categorical programs are established, the responsibility for funding such programs reverts to the State. The creation of new categorical programs and the shift of funding responsibility back to the State for these categorical programs, circumvents the basic principles underlying Realignment, complicates program operations and administration, and reduces the counties' flexibility and responsibility to prioritize programs and determine appropriate funding levels to best meet the needs of individual local jurisdictions. If counties desire to provide respite assistance programs, such programs can be implemented and supported through existing resources.

I am deleting Provision 5, which would require development of a plan for mental health program quality improvement to conform to action taken in Item 4440-001-0001.

I am sustaining \$30,000 for the Armenian Relief Society psychological outreach program. However, I am sustaining this augmentation on a one-time basis, to fund the program only through June 30, 2001.

Item 4440-101-0890—For local assistance, Department of Mental Health. I reduce this item from \$48,114,000 to \$40,214,000 by reducing:

- (a) 10.25-Community Services-Other Treatment from \$44,264,000 to \$36,364,000.

I am deleting the \$4,900,000 legislative augmentation for Client and Family Empowerment Challenge Grants. I proposed to use these Substance Abuse and Mental Health Services Administration (SAMHSA) federal funds to augment integrated services for homeless adults, a program that has proven to be successful and cost-effective. The Legislature, instead, used the federal funds to establish Client and Family Empowerment Challenge Grants, a new program without specific details and goals. This program would fund local services and could create an expectation of establishing a new statewide, State-funded program. Counties are charged with providing mental health services to residents and have been provided funding for these services through Realignment. Counties currently have funding and the authority to create local programs, such as this, at county discretion. Further, under my mental health proposal, the Children's System of Care, which also provides services to children and their families, is fully funded. If counties desire to provide these services, such services can be implemented and supported through existing resources. Therefore, I am deleting this augmentation and setting aside the funds for other purposes, as noted below.

I am also deleting the \$3,000,000 legislative augmentation for the Older Adult Pilot Program. I proposed \$2,015,000 for this purpose based on my assessment of what would be reasonable for a new pilot program, given planning and contracting lead times. I believe the \$2,015,000 I proposed is reasonable; therefore, I am deleting this augmentation and setting aside the funds for other purposes.

I am directing the Department of Mental Health to submit a Section 28.00 application to request that the entire \$7,900,000 in federal funds, made available by the above deletions, be used for integrated services for homeless adults.

Item 4440-102-0001—For local assistance, Department of Mental Health (Proposition 98) for early mental health services. I reduce this item from \$20,000,000 to \$15,000,000 and delete Provision 1.

I am deleting the \$5,000,000 legislative augmentation for the Early Mental Health Initiative. There is currently \$15,000,000 for this program allocated to public elementary schools. While this augmentation would serve to expand the program, this increase would cause a permanent increase in the Proposition 98 base. Therefore, I am deleting the augmentation.

Consistent with the funding reduction, I am also deleting Provision 1, which would have expanded the program to 4th through 6th grade.

Item 4700-101-0001—For local assistance, Department of Community Services and Development. I reduce this item from \$13,450,000 to \$13,000,000 by reducing:

(b) 47-Naturalization Services from \$7,450,000 to \$7,000,000.

I am deleting the \$400,000 legislative augmentation for the Los Angeles County Department of Community Senior Services and the \$50,000 legislative augmentation for the Coastside Opportunity Center in San Mateo County. Both of these programs provide naturalization services to legal immigrants. The department's base budget, however, already includes \$7,000,000 General Fund for assistance to organizations that provide naturalization services. In addition, the California Department of Education budget includes federal funding of \$12.3 million for adult education literacy classes, including English as a Second Language, which provide citizenship and naturalization services for legal immigrants. Lastly, school districts have the flexibility to use a portion of the \$574 million in Proposition 98 funds available for adult education programs to provide English and citizenship classes, consistent with local needs and priorities.

Item 5100-001-0001—For support of Employment Development Department. I reduce this item from \$30,776,000 to \$30,585,000 and delete Provision 2.

I am reducing this item by \$25,000 to conform to the action I have taken in Item 5100-001-0870 relating to the North American Free Trade Agreement and Trade Adjustment Assistance programs.

I am also reducing this item by \$166,000 and deleting Provision 2 to conform to the action I have taken in Item 5100-001-0870 relating to Operation Youth Educational Services in Los Angeles County.

Item 5100-001-0869—For support of state programs under the Job Training Partnership Act and the Workforce Investment Act, Employment Development Department. I delete Provision 4.

I am deleting Provision 4, which would allocate \$10 million of Workforce Investment Act discretionary funds to local Workforce Investment Boards for summer youth programs. I believe this Provision interferes with the Administration's ability to target funds for needed planning or local employment activities, and it is my intent that the California Workforce Investment Board have maximum input over the use of discretionary Workforce Investment Act funds. Furthermore,

since 2000–01 will be the first year under the Workforce Investment Act, I have a heightened concern that it may be premature to establish uses of these discretionary funds until the Board can determine how the funds can best serve the State workforce. Lastly, California will receive \$8.5 million more for California youth programs in 2000–01 under the Workforce Investment Act than it did in 1999–00 under the Job Training Partnership Act.

Item 5100-001-0870—For support of Employment Development Department. I revise this item by reducing:

- (a) 10-Employment and Employment Related Services from \$211,537,000 to \$211,346,000; and
- (h) Amount payable from the General Fund (Item 5100-001-0001) from –\$30,776,000 to –\$30,585,000;

and by revising Provision 3.

I am sustaining \$75,000 of the \$100,000 General Fund legislative augmentation for support of the Employment Development Department to evaluate the North American Free Trade Agreement and Trade Adjustment Assistance programs. The evaluation may be useful to the federal government in improving these programs.

I am, however, deleting \$25,000 of this \$100,000 General Fund augmentation requiring new state initiatives concerning trade-related worker training and job placement. This language is an infringement on the Executive Branch's budget development process and restricts my authority to prepare a budget which reflects my spending priorities within available fiscal resources.

I am also deleting the \$166,000 General Fund legislative augmentation for Operation Youth Educational Services in Los Angeles County because this organization could seek funding from its local Workforce Investment Board. That Board can provide U.S. Department of Labor Welfare-to-Work grants and federal Workforce Investment Act funding for local employment programs such as this.

I am also deleting position authority for two positions added by the Legislature for use in implementing the Caregiver Training Initiative that I proposed. I believe that sufficient salary savings exists within the department's budget so that additional position authority is not needed. Therefore, I am deleting the new position authorizations and sustaining the \$140,000 required to fund two positions elsewhere in the department that are currently vacant and unfunded and which can be transferred to support this program. By taking this action, the legislative augmentation will enhance the success of this Administration initiative without adding new position authority to the department's budget.

I am revising Provision 3 to conform to this action.

“3. The Department shall submit to the Legislature, on or before April 1, 2001, a report that evaluates the state's current North American Free Trade Agreement and trade assistance programs and that apprises the Legislature of opportunities relative to new strategic partnerships, improving measurement of program outcomes and tracking of program beneficiaries, improving identification and mapping of populations and sectors of the state economy that are impacted by trade, and improving outreach and services to those populations and sectors of the state economy. This report shall also propose new state

initiatives that build local capacity for the identification of trade impacted communities; worker training; and on-the-job training; and job placement.”

Item 5100-101-0001—For local assistance, Employment Development Department. I reduce this item from \$2,360,000 to \$1,000,000 by reducing:

(1) 67-At-Risk Youth Demonstration Project from \$2,000,000 to \$1,000,000;

and by deleting:

(2) 70-Employment Programs (\$360,000).

I am sustaining \$1,000,000 of the \$2,000,000 legislative augmentation for the California Youthbuild Program on a one-time basis only. While I am supportive of efforts in this area, I am sustaining only a portion of this augmentation because the budgets of the Employment Development Department and the California Department of Education provide substantial state and federal funds for youth employment programs. These programs provide training and services for economically disadvantaged youth to prepare them with the skills necessary to obtain unsubsidized employment, to complete secondary or post-secondary education, to gain entrance to military service, or to obtain qualified apprenticeship.

I am deleting the \$250,000 legislative augmentation for the Los Angeles Opportunities Industrialization Center. I believe that this project should continue to be funded at the local, rather than the state, level.

I am also deleting the \$110,000 legislative augmentation for the Sacramento County Blind Jobs Initiative. The Department of Rehabilitation currently offers programs such as the Vocational Rehabilitation Services Program, the Orientation Center for the Blind, and the Business Enterprise Program, which provide funding to enable the visually impaired to take advantage of employment opportunities throughout the state, including Sacramento County. Furthermore, the Department of Rehabilitation is a mandatory participant in federal Workforce Investment Act One-Stop Centers, including a Center in Sacramento, where visually impaired job applicants can receive additional employment services.

Item 5100-102-0001—For local assistance, Employment Development Department. I sustain this item.

I am sustaining the \$2,000,000 legislative augmentation for employment programs for seasonal farm workers. Prior to the expenditure of any of these funds, however, the Director of the Employment Development Department must review all existing or newly available funding sources for employment services programs and all discretionary funding sources and determine whether these funds could be used for this effort. If so, these non-General Fund resources must be used prior to the expenditure of any General Fund resources. The General Fund may only be used after the Health and Human Services Agency demonstrates to the Director of Finance that no other funding is available.

Item 5120-001-0001—For support of California Workforce Investment Board. I delete this item and Provision 1.

I am deleting the \$700,000 legislative augmentation for the performance-based accountability system for California workforce

preparation programs. Currently, these costs are reimbursed by participating entities through Interagency Agreements with the Employment Development Department. The \$700,000 General Fund augmentation, in lieu of using Interagency Agreements and reimbursements from participating agencies, creates a new General Fund cost without completing additional tasks. Consequently, I am deleting this augmentation.

I am deleting Provision 1 to conform to this action.

Item 5160-001-0001—For support of Department of Rehabilitation. I reduce this item from \$47,037,000 to \$46,682,000 by reducing:

- (a) 10-Vocational Rehabilitation Services from \$317,135,000 to \$315,469,000; and
- (h) Amount payable from the Federal Trust Fund (Item 5160-001-0890) from -\$267,370,000 to -\$266,059,000.

I am deleting \$1,666,000 (\$355,000 General Fund and \$1,311,000 Federal Trust Fund) of the \$1,811,000 (\$386,000 General Fund and \$1,425,000 Federal Trust Fund) legislative augmentation in this item for a 20 percent wage pass-through for the Work Activity Program, because the budget already includes the required 4.4 percent statutory rate increase for this program. However, I am sustaining \$145,000 (\$31,000 General Fund and \$114,000 Federal Trust Fund) of the augmentation to provide for an overall 6.0 percent increase.

A conforming reduction is made to Item 5160-101-0001, which contains a local assistance augmentation for this same purpose.

Item 5160-001-0890—For support of Department of Rehabilitation. I reduce this item from \$267,370,000 to \$266,059,000.

I am reducing this item by \$1,311,000 to conform to the action taken in Item 5160-001-0001.

Item 5160-101-0001—For local assistance, Department of Rehabilitation. I reduce this item from \$105,542,000 to \$100,098,000 by reducing:

- (b) 20-Habilitation Services from \$112,955,000 to \$107,422,000;
- (c) 30-Support of Community Facilities from \$13,508,000 to \$12,758,000; and
- (d) Reimbursements from -\$13,246,000 to -\$12,407,000.

I am deleting \$5,533,000 (\$4,694,000 General Fund and \$839,000 reimbursements) of the \$6,014,000 (\$5,102,000 General Fund and \$912,000 reimbursements) legislative augmentation in this item for a wage pass-through for the Work Activity Program. This conforms to my action in Item 5160-001-0001.

I am also deleting \$750,000 of the \$3,000,000 General Fund legislative augmentation for Independent Living Centers (ILCs) to provide assistive technology services. This augmentation is related to Chapter 493, Statutes of 1999 (AB 873), which I signed with the understanding that it simply added assistive technology services to the list of services that ILCs shall provide to clients when those services are necessary and that assessments would first have to be conducted to determine that necessity. As the ILCs must first assess clients, the entire augmentation to provide services will not be needed during 2000-01. Therefore, I am sustaining \$2,250,000 in one-time funding to allow ILCs to perform these assistive technology assessments of their clients and to begin providing services as they are found necessary, with future funding to be determined following the conclusion of the assessments.

Item 5180-001-0001—For support of Department of Social Services. I reduce this item from \$97,905,000 to \$95,532,000 by reducing:

- (a) 16-Welfare Programs from \$72,486,000 to \$71,316,000;
- (b) 25-Social Services and Licensing from \$140,734,000 to \$139,446,000;
- (h) Amount payable from the Federal Trust Fund (Item 5180-001-0890) from -\$307,512,000 to -\$307,427,000;

and by revising Provision 7 and by deleting Provision 8.

I am sustaining \$1,000,000 of the \$2,000,000 one-time General Fund legislative augmentation for the Emergency Food Assistance Program for local food bank programs. This will provide one-year funding for the expansion of refrigeration space and the purchase of vehicles and other equipment that would be used directly for the purchase, delivery, or distribution of food.

I am revising provision 7 to conform to this action.

“7. Of the amount appropriated in this item, ~~\$2,000,000~~ *\$1,000,000* shall be allocated on a one-time basis to local food bank programs to expand refrigeration space, purchase vehicles, or purchase other equipment that would be directly used for the purchase, delivery, or distribution of food products or for other uses that would allow food banks to increase the amount of food they can receive and distribute. The allocation process for this funding shall be developed by the Department of Social Services. It is the intent of the Legislature that the department formulate guidelines for allowing food banks to use funds over two fiscal years, under appropriate circumstances. To achieve this, the funds in this provision shall be available for expenditure by the department until June 30, 2002.”

I am deleting the \$1,288,000 General Fund legislative augmentation to provide more frequent licensing visits to family child care homes. I am taking this action because no analysis has been done to determine the need for or impact of increased visits, and therefore this proposal is premature. Furthermore, the Department of Social Services reports it cannot perform these duties without new positions.

I am deleting Provision 8 to conform to this action.

I am deleting the legislative augmentation of \$85,000 General Fund and \$85,000 Federal Trust Fund and one position to provide administrative support and an evaluation of a pilot program that would provide supplemental child care payments to relative and foster care providers to conform to actions taken in Item 5180-101-0001.

Item 5180-001-0890—For support of Department of Social Services. I reduce this item from \$307,512,000 to \$307,427,000.

I am reducing this item to conform to the actions taken in Item 5180-001-0001.

Item 5180-101-0001—For local assistance, Department of Social Services. I reduce this item from \$2,591,719,000 to \$2,588,995,000 by reducing:

- (a) 16.30-CalWORKs from \$5,392,314,000 to \$5,356,898,000;
 - (1) 16.30.010-Assistance from \$3,188,040,000 to \$3,170,624,000;
 - (2) 16.30.020-Services from \$1,085,150,000 to \$1,067,150,000;
- (b) 16.40-Foster Care from \$907,165,000 to \$904,441,000;

- (i) Amount payable from the Federal Trust Fund (Item 5180-101-0890) from -\$3,961,398,000 to -\$3,925,982,000;

I am deleting the \$2,724,000 General Fund legislative augmentation for supplemental child care payments to relative and foster care providers and directing that the Department of Social Services not select sites to implement a pilot program to provide those payments. Foster care providers are paid a monthly rate for the care and supervision of the child placed with them. Given that a portion of the foster care rate is for the purpose of providing daily supervision of the foster child, the proposed child care supplement is duplicative.

I am deleting the \$18,000,000 Federal Trust Fund legislative augmentation to provide a \$50 monthly work expense supplement to wage-based community service employment participants. Providing work expense supplements to this population would reduce their incentive to move from community service employment to non-subsidized employment. In addition, counties currently may use performance incentive funds or their services allocation to pay work specific expenses for wage-based community service employment participants or other CalWORKs recipients if they determine that these reimbursements are needed to assist CalWORKs recipients move from welfare to work. The Budget already includes \$1.0 billion for CalWORKs county performance incentives and employment services.

I am deleting the \$17,416,000 Federal Trust Fund legislative augmentation to exempt the value of one automobile from consideration under the CalWORKs asset limit. This exemption would expand CalWORKs program eligibility and result in additional grant and county administration costs. The Budget already includes \$5.6 billion to provide CalWORKs grants and services in the Department of Social Services and other state agencies.

Item 5180-101-0890—For local assistance, Department of Social Services. I reduce this item from \$3,961,398,000 to \$3,925,982,000.

I am reducing this item to conform to actions taken in Item 5180-101-0001.

Item 5180-151-0001—For local assistance, Department of Social Services. I reduce this item from \$709,678,000 to \$699,776,000 by reducing:

- (a) 25.25-Children's Services from \$1,667,750,000 to \$1,653,973,000;
 - (1) 25.25.010-Child Welfare Services from \$1,534,146,000 to \$1,523,735,000;
 - (3) 25.25.030-Child Abuse Prevention from \$34,790,000 to \$31,424,000;
- (b) 25.35-Special Programs from \$145,885,000 to \$145,711,000;
 - (2) 25.35.020-Access Assistance for the Deaf from \$5,978,000 to \$5,804,000;
- (c) 25.45-Community Care Licensing from \$19,397,000 to \$19,185,000;
- (f) Amount payable from the Federal Trust Fund (Item 5180-151-0890) from -\$1,057,320,000 to -\$1,053,059,000;

and by revising Provision 7 and by deleting Provision 13.

I am deleting a \$5,700,000 General Fund and \$3,961,000 Federal Trust Fund legislative augmentation to increase the number of social workers, pending a review of the child welfare services budget

methodology. I am supportive of efforts in this area and already have included in the Budget \$221.1 million (\$108.6 million General Fund) in augmentations above the level supported by the current workload standards. Given this significant investment above the base program, and as it is unlikely that counties will be able to recruit additional social workers above this funding level, an additional augmentation is unnecessary. The amount of funding I proposed in the May Revision Child Welfare Services Initiative will allow counties statewide to hire an additional 500 social workers.

I am revising Provision 7 to conform to this action.

“7. Of the amount appropriated in this item, ~~\$135,593,000~~ *\$125,932,000* shall be provided to counties to fund additional child welfare service activities and shall be allocated based on child welfare services caseload and county unit costs. However no county shall receive less than \$100,000. These funds shall be expressly targeted for emergency response, family reunification, family maintenance and permanent placement services and shall be used to supplement, and shall not be used to supplant, child welfare services funds. A county is not required to provide a match of the funds received pursuant to this provision if the county appropriates the required full match for the county’s child welfare services program exclusive of the funds received pursuant to this provision. These funds are available only to counties that have certified that they are fully utilizing the Child Welfare Services/Case Management System (CWS/CMS) or have entered into an agreed upon plan with the State Department of Social Services outlining the steps that will be taken to achieve full utilization. [The] department shall reallocate any funds that counties choose not to accept under this provision, to other counties based on the allocation formula specified in this provision.

The department, in collaboration with the County Welfare Directors Association and representatives from labor groups representing social workers, shall develop the definition of full utilization of the CWS/CMS, the method for measuring full utilization, the process for the state and counties to work together to move counties toward full utilization, and measurements of progress toward full utilization.”

I am deleting the \$450,000 General Fund legislative augmentation for the Grandparent Respite Program pilot. This proposal seeks to establish an ongoing program with funds that are available only on a one-time basis. Further, counties already may fund respite care services either from their child welfare services program or from one of the existing specialized care programs. Therefore, establishing a pilot program for this purpose is unnecessary.

I am deleting the \$3,366,000 General Fund legislative augmentation to expand the Juvenile Crime Prevention Program. If counties wish to start up new program sites, they could undertake this effort using existing base funding such as Comprehensive Youth Services Act funding, as established by Chapter 270, Statutes of 1997. Counties have approximately \$168 million of this funding available for similar purposes. Further, for new program sites that meet the requirements for Temporary Assistance for Needy Families funding, counties collectively have approximately \$1.1 billion in unspent discretionary

incentive funding that has been appropriated through 1999–00, and will receive an additional \$250 million in performance incentives in 2000–01.

I am deleting the \$174,000 General Fund augmentation for a three percent cost-of-living adjustment for Access Assistance for the Deaf. This augmentation represents a general three percent program augmentation, rather than a true provider rate increase. In the Budget Act of 1998, the program received a \$2.5 million augmentation to expand services to all 58 counties for a total program funding level of \$5.8 million. This represented a 75 percent baseline increase over prior year funding levels.

I am deleting the \$212,000 General Fund legislative augmentation to provide more frequent licensing visits to family child care homes and Provision 13, which specifies the use of the funds, to conform to the action taken in Item 5180-001-0001.

I am sustaining a \$200,000 legislative redirection of county Independent Living Program (ILP) funds for support of the current activities of the California Youth Connection (CYC); however, there is no justification to support additional funding. Therefore, I am deleting \$300,000 Federal Trust Fund, which the Legislature redirected for support of an expanded CYC. Further, in consultation with stakeholders, the department currently is developing statewide ILP standards to be followed by county programs. This redirection for CYC expansion would foreclose options for the counties in implementing and/or expanding their programs based on the new standards.

Item 5180-151-0890—For local assistance, Department of Social Services. I reduce this item from \$1,057,320,000 to \$1,053,059,000 and delete Provision 2.

I am reducing this item by \$4,261,000 to conform to the action taken in Item 5180-151-0001.

I am deleting Provision 2, which would have required the Department of Social Services to redirect \$560,000 from county allocations for the Independent Living Program (ILP) to establish a financial assistance program to facilitate the educational goals of former foster youth. I am supportive of efforts in this area and provided \$3.5 million General Fund to establish the Stipends for Emancipated Youth program. This program will provide stipends to ILP youth for additional one-time needs such as assisting with finding affordable housing, college textbooks, employment searches, emergency personal needs, and transportation vouchers. Further, in consultation with stakeholders, the department currently is developing statewide ILP standards to be followed by county programs. This redirection would foreclose options for the counties in implementing and/or expanding their programs based on the new standards.

Item 5240-001-0001—For support of Department of Corrections. I reduce this item from \$3,994,703,000 to \$3,984,093,000 by reducing:

- (a) 21-Institution Program from \$2,980,012,000 to \$2,979,762,000;
- (b) 22-Health Care Services Program from \$585,480,000 to \$585,080,000;
- (c) 31-Community Correctional Program from \$525,856,000 to \$515,896,000;

and by deleting Provisions 11, 12, 13, 14, 15, 17, 18, 19, 21, 23, and 25, and by revising Provision 24.

I am deleting \$400,000 included to contract for a study of the performance of the Department's health care delivery system and associated information technology system needs, to be submitted to the Legislature by March 1, 2001. The Department is currently undertaking various evaluations and studies focused on different aspects of the health care program. This study would potentially overlap with these efforts. Also, it is not clear that a study as comprehensive as proposed could be successfully accomplished within the level of resources provided, potentially undermining the helpfulness of any findings and recommendations.

I am deleting Provision 11 to conform to this action.

I am deleting Provision 12, which prohibits the Department of Corrections from adopting regulations that require individuals to send packages to inmates via the services of third-party vendors. I believe this provision is unduly restrictive. Furthermore, this provision would hinder the Department's ability to make administrative decisions necessary to reduce the flow of drugs and other illegal contraband in mailed packages to prison inmates in an efficient and economical fashion, and may negatively effect the security and safety of inmates and staff.

I am deleting Provision 13, which requires the Department of Corrections to ensure that all posted first and second supervisory positions are fully staffed. I believe this provision may have an adverse affect on the Department's flexibility to manage its personnel and programs.

I am deleting the \$960,000 legislative augmentation to provide funding to increase the daily rate paid for 500 contracted re-entry work furlough beds. The Department of Corrections currently contracts for re-entry work furlough beds with different vendors and at varied rates that have been determined through a competitive bid process. There is no evidence to indicate that the current funding level is insufficient to attract qualified bidders or that there is a need to increase the daily rate for this 500-bed re-entry work furlough program expansion. Therefore, I believe the legislative augmentation is unnecessary at this time.

I am deleting Provision 14 to conform to this action.

I am deleting Provision 15, which requires the Department of Corrections to notify the Chairperson of the Joint Legislative Budget Committee and both fiscal committees, on a quarterly basis, of any payment over \$100,000 made to an individual or organization to settle a lawsuit or satisfy a legal judgment. I believe this provision is unnecessary because I have already directed state agencies to provide this type of information to the Legislature.

I am deleting Provision 17, which requires the Department of Corrections to revert any unexpended special repair project funds. I believe this provision would unduly impede the flexibility of the Department in managing its facilities in a manner that best protects the safety of staff and inmates.

I am deleting the \$250,000 legislative augmentation for conducting psychological evaluations of correctional officers promoting to supervisory positions. I believe that the benefits of the proposed augmentation do not justify the cost.

I am deleting Provision 18 to conform to this action.

I am deleting Provision 19, which requires the Department of Corrections to report, in consultation with the Department of Health

Services, to the Legislature within 60 days of the enactment of the 2000 Budget Act regarding the safety of using the Secure 1000 technology. This provision would also require the Department to suspend its use of the Secure 1000 technology during this 60-day period. Suspending the use of the Secure 1000 technology could allow the passage of contraband into prisons, which could pose a public safety and security risk for visitors, staff, and inmates. I will, however, direct the Department to evaluate the potential impact of the Secure 1000 technology on the health of those exposed to the equipment.

I am deleting the \$1,000,000 legislative augmentation for a Global Positioning System pilot project. While I am supportive of efforts to increase public safety through increased supervision of parolees, the benefits of this technology in enhancing public safety are unknown.

I am deleting Provision 21 to conform to this action.

I am deleting the \$2,200,000 legislative augmentation to provide enhanced services for parolees assisted through the Transitional Case Management Program for mentally disordered offenders. This augmentation represents partial funding for a significantly more costly program that would provide mental health services for the duration of the period the offender is under state parole supervision. The budget I submitted already includes \$2,600,000 to provide up to 90 days of case management and mental health services for mentally ill parolees. After 90 days, case management efforts are transitioned to a long-term case manager in the community. Since appropriate care and treatment efforts for mentally ill parolees are transitioned to community caregivers, this augmentation is unnecessary and duplicative. In addition to the funding noted above, the budget includes \$50,000,000 for Mentally Ill Offender Crime Reduction grants for award to local governments to expand or establish programs that reduce crime and criminal justice costs related to mentally ill offenders.

I am deleting Provision 23 to conform to this action.

I am also deleting \$2,800,000 of the \$4,800,000 legislative augmentation for an expansion of the Preventing Parolee Crime Program. This action will leave an adequate level of funding for parolee services to protect the public's safety and reduce recidivism.

I am revising Provision 24 as follows to conform to this action:

“24. (a) Of the funds appropriated in this item, ~~\$4,400,000~~ \$1,900,000 shall be available to expand the Preventing Parolee Crime Program. For the purpose of reducing recidivism, priority for services provided through these funds shall be given to parolees who have two serious or violent felony convictions.

- (b) Of the funds appropriated in this item, ~~\$400,000~~ \$100,000 shall be available for administration and evaluation of targeting Preventing Parolee Crime Program funds for parolees who have two serious or violent felony convictions. The Department of Corrections shall report to the Legislature, by January 1, 2003 on the effectiveness of this program.”

I am deleting the \$3,000,000 legislative augmentation to increase funding for parole casework services to assist parolees in transitioning back into the community. While I am supportive of such efforts to assist parolees, the Department of Corrections budget already includes sufficient funding to expand parole services in the budget year.

I am deleting Provision 25 to conform to this action.

As part of this budget, I am approving \$10,000,000 in funding for expanding the Department's basic correctional officer academy from 10 weeks to 16 weeks consistent with the Commission on Correctional Peace Officer Standards and Training report. However, I am directing the Department to prepare a plan outlining how the funds will be used to expand the academy. Specifically, this plan shall identify the resources needed to provide adequate support for the expansion as well as any capital improvements necessary to accommodate additional correctional officer cadets attending the academy. This plan shall be submitted to the Department of Finance for review and approval prior to any expenditure of funds for this purpose.

Item 5240-005-0001—For support of Department of Corrections. I am revising this item by deleting Provision 1.

I am deleting Provision 1, which authorizes the transfer of \$19,582,000 to Item 5240-001-0001, only after the Director of Corrections provides documentation outlining the proposed reductions contained in the Department's initial administrative restructuring plan. The information being requested represents working documents for use in preparing the Administration's budget and, as such, is privileged.

Item 5240-102-0001—For local assistance, Department of Corrections. I delete this item and Provision 1.

I am deleting the \$300,000 legislative augmentation provided to Tulare County for the purpose of funding portable inmate housing units. I am vetoing this item to fund higher competing priorities.

I am deleting Provision 1 to conform to this action.

Item 5240-301-0001—For capital outlay, Department of Corrections. I reduce this item from \$98,763,000 to \$98,638,000 by deleting:

(18.5) 61.09.512-CMF, Vacaville: New Medical Exam Facility-preliminary plans and working drawings (\$125,000); and by deleting Provisions 4 and 5.

I am deleting the \$125,000 legislative augmentation for the New Medical Exam Facility at California Medical Facility, Vacaville. While this project may be meritorious, I am deleting the funding because it is premature. I understand that the department has not yet completed an evaluation of solutions for this facility.

I am deleting Provision 4 of this item, which limits the future cost of construction on the Folsom State Prison Pretreatment system to the current estimated construction cost, because the language is unnecessarily restrictive.

I am also deleting Provision 5 of this item, which restricts the use of Inmate Day Labor on major capital outlay projects because the language is also unnecessarily restrictive. It limits the Administration's ability to select the fastest or most cost-effective construction delivery method. In addition, I do not support limiting the department's ability to keep inmates employed in productive jobs.

Item 5430-001-0001—For support of Board of Corrections. I reduce this item from \$2,306,000 to \$2,056,000 by reducing:

(a) 11-Corrections Planning and Programs from \$784,000 to \$534,000; and by deleting Provision 1.

I am deleting the \$250,000 legislative augmentation for a statewide Global Positioning System pilot project. While I am supportive of efforts to enhance public safety through increased supervision of probationers, the benefits of this technology in improving public safety are unproven.

I am deleting Provision 1 to conform to this action.

Item 5430-103-0001—For local assistance, Board of Corrections. I revise this item by deleting Provision 5.

I am deleting Provision 5, which would require the Board of Corrections to give priority for grant awards to counties that would have received funding, had an additional \$10,000,000 been available, under the Budget Act of 1999. I am deleting this provision because it would unduly impinge upon the ability of the Board of Corrections to award grants for the most meritorious proposals. Deleting this provision will allow the Board of Corrections to award grants for those proposals that have the most beneficial impact upon reducing the involvement of mentally ill offenders in the criminal justice system.

Item 5430-117-0001—For local assistance, Board of Corrections. I delete this item and Provision 1.

I am deleting the \$7,500,000 legislative augmentation to fund the DISARM (Developing Increased Safety through Arms Recovery Management) program, which would provide local assistance funding to local law enforcement agencies to more actively enforce compliance with court-ordered conditions of probation prohibiting the possession of weapons. I am deleting the funds because this is a new and not well-defined program. However, I am supportive of the basic concept. Therefore, I am directing the Board of Corrections to evaluate the effectiveness of similar programs in other states and make recommendations relating to the potential implementation of such a program in California, including the appropriate funding level.

I am deleting Provision 1 to conform to this action.

Item 5430-122-0001—For local assistance, Board of Corrections. I reduce this item from \$1,000,000 to \$200,000.

I am reducing this legislative augmentation for the City of Lodi Police for remodeling a police station by \$800,000. I am reducing this item to fund higher competing priorities.

Item 5430-123-0001—For local assistance, Board of Corrections. I delete this item and Provision 1.

I am deleting the \$1,000,000 legislative augmentation provided to the Galt Police Department to remodel a police station. I am deleting this item to fund higher competing priorities.

I am deleting Provision 1 to conform to this action.

Item 5430-125-0001—For local assistance, Board of Corrections. I reduce this item from \$1,200,000 to \$500,000.

I am reducing this legislative augmentation for the City of Citrus Heights Police Service Center by \$700,000. I am reducing this item to fund higher competing priorities.

Item 5440-002-0001—For support of the Board of Prison Terms. I delete this item and Provision 1.

I am deleting the \$1,250,000 legislative augmentation and Provision 1 that specifies that this funding is only available to provide

services for parolees with developmental disabilities, serious mental illnesses, or substance abuse problems. Funding for this purpose is already included within the funding appropriated to the Department of Corrections. This augmentation, consequently, is unnecessary.

I am directing the Youth and Adult Correctional Agency to coordinate efforts between the Board of Prison Terms and the Department of Corrections to ensure that individual parolees identified by the Board as being suitable for treatment or other services, and subsequent to a determination that such parolees do not constitute a likely danger to the public, receive such treatment or services within the financial resources appropriated to the Department of Corrections for such purposes.

Item 5460-001-0001—For support of Department of the Youth Authority. I reduce this item from \$287,088,000 to \$280,099,000 by reducing:

- (a) 20-Institutions and Camps from \$305,671,000 to \$300,182,000;
- (b) 30-Parole Services from \$48,242,000 to \$46,957,000;
- (c) 40-Education Services from \$12,383,000 to \$12,318,000;
- (d) 50.01-Administration from \$26,997,000 to \$26,197,000;
- (e) 50.02-Distributed Administration from -\$24,783,000 to -\$24,133,000;

and by deleting Provisions 4, 5, 6, 7, 8 and 9.

The Legislature augmented this item by \$1,000,000 and 12.0 personnel years to lengthen the basic cadet academy from 10 weeks to 16 weeks, consistent with the Commission on Correctional Peace Officers' Standards and Training report. I believe there is a need for additional training of Youth Authority personnel. However, I am reducing the \$1,000,000 legislative augmentation by \$650,000 and 12.0 personnel years to reflect the actual level of resources required to accomplish the academy expansion by March 1, 2001.

I am deleting the \$2,764,000 legislative augmentation and 25.2 personnel years to provide additional mental health, sex offender, and drug treatment services to Youth Authority wards and parolees. The need for the level of services assumed in the augmentation is unclear. In addition, the ongoing costs of the programs as proposed will be significant. I will, however, consider signing legislation that clearly identifies treatment needs, authorizes effective programs scaled to address the actual level of need, and provides the level of resources necessary to fund a more finely-tuned and cost-effective program.

I am deleting Provisions 5, 6, 7, 8, and 9 to conform to this action.

The Legislature augmented this item by \$3,575,000 and 50.2 personnel years to enhance institution and parole staffing levels. I support adequate staffing for these functions. However, the need for these increases is unclear at this time. I am, therefore, deleting this augmentation. I am directing the new Director of the Youth Authority to evaluate the Department's staffing during the course of reviewing its operations and programs.

I am deleting Provision 4 which requires the Youth Authority to develop an analysis of the Ombudsperson Program in a report to be submitted to the Legislature on or before March 1, 2001. Because the Ombudsperson Program will not be implemented until the fiscal year 2000-01, an analysis of program results by March 1, 2001, would be premature.

Item 6110-001-0001—For support of Department of Education. I reduce this item from 47,682,000 to 46,246,000 by reducing:

- (a) 10-Instruction from \$54,104,320 to \$52,484,000;
- (b) 20-Instructional Support from \$66,935,000 to \$65,599,000;
- (c) 30-Special Programs from \$40,493,680 to \$40,427,000;
- (i) Amount payable from Federal Trust Fund (Item 6110-001-0890) from -\$107,564,000 to -\$105,977,000;

and by revising Provision 18 and deleting Provision 31.

I am reducing Schedule (a) by \$133,320, Schedule (c) by \$66,680, and three positions to conform to my action to delete the local assistance augmentation for the Migrant Education Even Start Program. The effect of these reductions is to eliminate the legislative augmentation of \$200,000 and three positions to support the expansion of the program.

I am reducing Schedule (b) by \$500,000 to eliminate the legislative augmentation for establishment of a clearinghouse for digital audio and other accessible products and services at the Department of Education, and provide referral services for pupils who are visually impaired. The Superintendent of Public Instruction is already required by statute to make certain materials and information available throughout the State, and to provide specific services to various student populations. This augmentation appears to be for this same purpose, which should be a higher priority for the Superintendent's existing resources than other, more discretionary programs. Additionally, this augmentation would result in pressure on the General Fund in future years to support this activity. I am also deleting Provision 31 to conform to this action.

I am reducing Schedule (b) by \$100,000 and two positions. My action would sustain a \$50,000 augmentation in the Budget Act for the purpose of distributing funding pursuant to the Education Block Grants established in the 2000 Omnibus Education Trailer Bill (SB 1667, Alpert).

I am reducing Schedule (b) by \$496,000 and three positions to eliminate the legislative augmentation for the Department of Education to develop an Environmental Education Unit. The budget I proposed contains funding from the Environmental License Plate Fund and one position to address environmental education issues at the Department of Education.

I am reducing Schedule (b) by \$75,000 for the \$145,000 in legislative augmentations for charter school workloads in the School Fiscal Services Division to \$70,000. The Legislature approved one position for increased workload due to the augmentation of the Charter School Revolving Loan Fund, and a second position for increased workload regarding charter school apportionments. My budget already includes two new positions for apportionment unit workload increases, including those related to the increased number of charter schools. The workload prescribed for the two additional positions does not justify both augmentations. Therefore, I am sustaining only one additional position, which should be sufficient to address the activities contemplated in both of the augmentations.

I am reducing Schedule (b) for the \$215,000 General Fund legislative augmentation provided for the Department of Education by \$65,000 because the implementation of school district reporting of expulsions and suspensions related to hate crimes would create a state mandate. I am sustaining \$150,000 to contract for training programs to assist school personnel in identifying school violence. As the Tolerance

Education Program is not currently established in statute, I am willing to sign legislation to establish the program provided such legislation does not create a reimbursable state mandate. This augmentation, in conjunction with the legislative augmentation of \$2,000,000 for Tolerance Education in Item 6110-485, which I have also sustained, is to be used to reduce hate crimes and increase tolerance of diverse populations.

I am reducing both Schedule (b) and Schedule (i) by \$100,000 to conform to my reduction of federal funding for an expanded evaluation of the Public Schools Accountability Act in Item 6110-001-0890. I am also revising Provision 18 of this item as follows to conform to these actions:

“18. Of the amount appropriated in this item, \$250,000 is provided for the purpose of contracting with an independent consultant for an evaluation of the implementation of the Public Schools Accountability Act, as established by Chapter 3, First Extraordinary Session, Statutes of 1999. This evaluation shall also include an assessment of the following: (1) The extent to which enrollment in alternative schools, as defined in Chapter 3X of the First Extraordinary Session of 1999, has increased since the enactment of the Public Schools Accountability Act; (2) the extent to which any enrollment increases were a result of the act and the schools' attempts to improve their performance by encouraging low-performing pupils to attend alternative schools; and (3) the growth in school achievement in alternative schools as measured by the alternative accountability system, compared to the regular schools these pupils would have otherwise attended. The reporting and delivery deadlines for the evaluation of these questions shall be the same as for the overall evaluation of the Public Schools Accountability Act.

I am reducing Schedules (a) and (i) by \$1,487,000 to conform to the actions taken in Item 6110-001-0890.

Item 6110-001-0890—For support of Department of Education. I reduce this item from \$107,564,000 to \$105,977,000 and revising Provision 7.

I am reducing the legislative augmentation of \$1,756,000 and 25 positions by \$1,487,000 and 22 positions. The effect of this action is to approve \$269,000 and 3 positions which, in addition to the \$1,649,000 and 19 positions I previously proposed, provide sufficient additional staff in the Department of Education's Special Education Division to monitor school districts and bring the State into compliance with federal law. This reduction is consistent with justifiable workload received from the department to complete the additional verification reviews required as part of its monitoring activities.

I am revising Provision 7 to reflect two technical revisions. The first corrects the total in this provision from \$4,790,000 to \$4,623,000, and the second deletes the language in subdivision (g). This language for the parental involvement programs established by Chapter 734 of the Statutes of 1999 was inadvertently maintained in the Budget Bill after the funding was redirected by the Legislature.

I am deleting the \$100,000 legislative augmentation to expand the evaluation of the Public Schools Accountability Act to include the effects of that act on alternative schools. The implementation of the

alternative accountability system required by the Public Schools Accountability Act makes a study of this issue irrelevant. I am revising subdivision (i) of Provision 7 to conform to this action, as follows:

“(i) Of the funds appropriated in this item, ~~\$250,000 in prior year carryover funds shall be available on a one-time basis to the State Department of Education, as follows:~~

- 1) ~~\$100,000 for the purpose of contracting with an independent consultant for an evaluation for the implementation of the Public Schools Accountability Act, as established by Chapter 3 of the First Extraordinary Session of the Statutes of 1999. These funds are to be used in conjunction with the funds referenced in Provision 18 of Item 6110-001-0001.~~
- 2) ~~\$150,000 is for the purpose of providing evaluation reports to the Legislature concerning categorical flexibility pilot projects, pursuant to legislation in the 1999–2000 Regular Session, enacted on or before January 1, 2001.”~~

Item 6110-105-0001—For local assistance, Department of Education. I revise this item by deleting Provision 5.5.

I am deleting Provision 5.5 as a technical correction to conform with action taken by the budget conference committee, which eliminated funding for equalization and rate increases from the final budget.

Item 6110-115-0001—For local assistance, Department of Education (Proposition 98). I reduce this item from \$150,089,000 to \$148,741,000 by reducing:

(kkk) 10.10.019.097-Visalia Unified School District from \$2,000,000 to \$1,352,000;

and by deleting:

(jjj) 10.10.019.094-Alameda Unified School District from (\$700,000).

I am reducing this item by \$1,348,000. A deletion of \$700,000 is at the request of the Alameda Unified School District. The district has withdrawn its proposal to participate in the program. The remaining reduction of \$648,000 is a technical adjustment for the Visalia Unified School District to account for the elimination of one-time program costs beginning in 2000–01.

Item 6110-123-0001—For local assistance, Department of Education (Proposition 98). I reduce this item from \$156,700,000 to \$156,699,000 by reducing:

(b) 20.60.030.032-High Achieving/Improving School Program from \$131,150,000 to \$131,149,000,

and by deleting Provision 3.

I am reducing \$1,000 from this item to reflect savings that will result from my action to delete Provision 3 of this item. The English Language Development test is designed as a diagnostic tool to gauge the progress of pupils in their acquisition of English language skills, and to facilitate their proper placement in instructional programs. Because it is not a comparative measure of academic achievement, the inclusion of this test in the Academic Performance Index would be inappropriate. Further, redesigning and developing this test for the proposed purpose would result in multi-million dollar test development costs, is duplicative of the uses of the Standardized Testing and Reporting (STAR) and SABE2 examinations, and could undermine the results of those exams.

Item 6110-134-0001—For local assistance, Department of Education (Proposition 98). I delete Provision 1.

I am deleting Provision 1 of this Item, which requires the Department of Education to compute alternative Academic Performance Index scores for schools that lack such scores for the purpose of determining their eligibility to receive funds from the Teaching As A Priority Block Grant.

This provision conflicts with existing law, which stipulates that the Superintendent of Public Instruction, with the approval of the State Board of Education, shall develop a methodology by which to calculate alternative Academic Performance Index scores for all schools that lack such scores, including those with fewer than 100 students.

Item 6110-141-0001—For local assistance, Department of Education (Proposition 98). I delete this item and Provision 1.

I am deleting the \$2,500,000 General Fund legislative augmentation provided in this item for the Migrant Education Even Start Program. This program will remain funded with \$5,000,000 in federal funds. While I believe this program is meritorious, the State should not provide General Fund for the expansion of a federally funded program. Instead, I am setting these funds aside to provide resources for subsequent legislation that will appropriate one-time funds for facilities to support the expansion of general child care and migrant centers.

Item 6110-141-0890—For local assistance, Department of Education. I reduce this item from \$112,448,000 to \$109,448,000 by reducing the legislative augmentation for federal funds carryover to the Migrant Education Mini-Corps Program from \$5,000,000 to \$2,000,000. The remaining \$2,000,000 augmentation, when combined with the funding I provided in my budget, will provide 16 percent more program funding than is provided in the current year.

I am revising Provision 1 as follows to conform to this action:

“1. Of the funds appropriated in this item, ~~\$10,100,000~~ *\$7,100,000* is for the California Mini-Corps Program. That amount includes ~~\$5,000,000~~ *\$2,000,000* from current year carryover funds, which are to be allocated on a one-time basis.”

Item 6110-151-0001—For local assistance, Department of Education (Proposition 98). I reduce this item from \$7,269,000 to \$3,469,000.

I am reducing \$3,800,000 of the \$4,000,000 legislative augmentation for this program. AB 1746 in the current legislative session would expand the responsibility of Indian Education Centers to include recovery programs for pupils that have dropped out of comprehensive schools. The Budget Act already includes significant funding for remedial education for all pupils. Doubling the existing funding provided to these Centers in order to enable them to provide the proposed service would result in significant ongoing General Fund pressure in future years. However, this meritorious program warrants a modest expansion.

Item 6110-178-0001—For local assistance, Department of Education (Proposition 98). I delete this item and Provision 1.

I am deleting the \$3,000,000 legislative augmentation and Provision 1 of this item for the Outdoor Science Programs authorized by Chapter 958, Statutes of 1999. When I signed the bill authorizing this program

last year, I noted in the signing message that the funding for this program authorized by Chapter 78, Statutes of 1999, was one-time in nature. I also requested districts to present a plan for alternate funding sources for this program; however no plan for alternative funding has been provided.

Item 6110-196-0001—For local assistance, Department of Education (Proposition 98). I reduce this item from \$1,179,706,000 to \$1,140,205,000 by reducing:

(b) 30.10.020-Child Care Services from \$1,613,182,000 to \$1,573,681,000,

and by reducing the following subschedules:

- (1) 30.10.020.001-Special Program, Child Development, General Child Development Programs from \$559,640,000 to \$524,640,000;
- (3) 30.10.020.004-Special Program, Child Development, Migrant Day Care from \$31,280,000 to \$26,780,000;
- (4) 30.10.020.007-Special Program, Child Development, Alternative Payment Program from \$194,253,000 to \$194,252,000;

and by deleting Provision 11(b) and revising Provisions 1(b) and 15.

I am reducing the \$75,000,000 legislative augmentation for general child care provided in Schedule (b) (1) to \$40,000,000 and the \$7,500,000 provided in schedule (b)(3) for migrant day care services to \$3,000,000, for a total reduction of \$39,500,000. I am setting these funds aside, along with \$2.5 million vetoed from item 6110-141-0001, for subsequent legislation to fund one-time child care programs.

I am revising Provision 1(b) and 15 as follows to conform to the reductions in half-year expansions noted above with the intention of funding full-year annualized costs of \$86 million for these program in the subsequent budget. Together with the other sustained augmentations in this item, including the \$33 million additional rate increase for direct-contracted programs and the \$15 million augmentation noted below, this budget will reflect my objective of sustaining a \$134 million General Fund increase for assisting non-CalWORKS, low income families' access to high quality child care without creating higher ongoing costs in the subsequent budget.

“1. (b) Of the amount appropriated in Schedule (b)(1) of this item, ~~\$75,000,000~~ \$40,000,000 is for the purpose of providing half-year expansion of full-day, general child care for children ages 0–five years old.”

“15. Of the amount appropriated in Schedule (b)(3) of this item, ~~\$7,500,000~~ \$3,000,000 is for the half-year costs of expansion of migrant day care services. The amount must be used in conjunction with the \$2,500,000 for the Migrant Education Even Start (MEES) program appropriated in Item 6110-141-0001. The State Department of Education shall develop a Request for Applications that will combine the requirements of the two programs into a single program that shall be called the Migrant Even Start Child Development Program.”

I am sustaining the \$15,000,000 legislative augmentation in schedule (b)(11) related to the retention of child care workers in order to make this funding available for subsequent legislation to be negotiated

between the Legislature and the Administration that I will be able to sign. I have previously stated my concerns with the introduction of state subsidies into a profession that is subject to local market forces, and with the creation of a costly new state responsibility that would grow over time.

I am deleting Provision 11(b) and reducing schedule (b)4 of this item by \$1,000 to reflect the state savings that would result by not performing the survey of Alternative Payment Providers (APPs) required by this provision. This provision fails to set forth any remedy that would protect the state's fiscal interests in cases where APPs are directing a significant number of children into state contracted centers. The requirement to quantify the extent of duplicated activities is not meaningful; the substantive issue is that the rates paid to both the APP and the state funded center include the cost of each entity providing many of the same services. I would not expect the services to be duplicated. Rather, APPs would receive a windfall of administrative funds in these cases. Absent any requirement to redirect the duplicative administrative funding to increase child care slots, this provision conflicts with my priorities for use of state funds. I am directing my Administration to look more closely at this issue as part of the current child care policy review effort, and I plan to adjust future child care funding as appropriate, based on the findings of the review. In the meantime, I encourage the Department to determine the frequency of occurrence as contemplated by the provision and use its administrative discretion to reduce funding to APPs engaging in this practice to the extent the savings would allow access to additional children. Alternatively, I would support shifting the slots from APP administration to direct contracting so that the state's limited child care funding assures maximum access by needy families.

I am retaining Provision 18 with the understanding that the 25% non-subsidized child rule applies without exception to all Alternative Payment Providers (APPs), including those participating in CalWORKs child care programs, and that the regulations required to be developed by this provision be promulgated on an expedited basis. This rule has not been applied consistently to all programs for which reimbursements are tied to private child care market rates. Absent any obligation to establish rates within the reach of non-subsidized families, the state could be subject to price gouging. In order to assure the state's fiscal interests are not compromised, I expect the State Department of Education to enforce the rule for all APPs and to promulgate the regulations required by Provision 18 as soon as possible, including submission to Department of Finance for certification of fiscal impact, pursuant to the Administrative Procedures Act.

Item 6110-199-0001—For local assistance, Department of Education (Proposition 98). I delete this item and Provision 1.

I am deleting the \$5,000,000 legislative augmentation and Provision 1 of this item for the Beginning Administrator/Beginning Counselor Training Programs. This new program may be meritorious, and I will consider it in the future. However, I am deleting this item at this time to focus on improving the quality of classroom teachers.

Item 6110-201-0001—For local assistance, Department of Education (Proposition 98). I reduce this item from \$2,000,000 to \$1,000,000 by reducing:

(a) 30.20-Child Nutrition from \$2,800,000 to 1,800,000, and deleting Provision 2.

I am deleting the \$1,000,000 General Fund legislative augmentation for the provision of start-up grants for the Summer Food Service Program and the After School Snack Program. The funding previously provided for Start-up grants has been underutilized. Further, the Summer Food Service Program is currently eligible for start-up grants. While the After School Snack Program is a worthwhile effort, the need for startup grants and the eligibility criteria should be carefully examined. This issue should be reviewed through the normal budget and legislative processes and considered next year. I am deleting Provision 2 to conform to this action.

Item 6110-228-0001—For local assistance, Department of Education (Proposition 98). I reduce this item from \$133,287,000 to \$72,087,000 and delete Provision 4.

I am deleting the \$61,200,000 legislative augmentation for the provision of school safety block grants to elementary, middle, and junior high schools. I am concerned about the well being and safety of California children of all ages, and signed legislation last year that requires schools to develop safety plans. This budget includes \$1.8 billion to increase discretionary funding beyond the statutory COLA and \$425 million for block grants; these resources are all available for K–12 school safety purposes based on local school district priorities. Therefore, this augmentation is unnecessary.

I am deleting Provision 4 to conform to this action.

Item 6110-240-0001—For local assistance, Department of Education (Proposition 98). I reduce this item from \$12,583,000 to \$12,550,000 by reducing:

(c) 20.70-Instructional Support: Assessments from \$1,083,000 to \$1,050,000.

I am deleting the \$33,000 legislative augmentation for a cost-of-living adjustment (COLA) for the International Baccalaureate program. This program provides start-up grants to facilitate the establishment of new International Baccalaureate programs within schools. Providing a COLA for a one-time grant program is inappropriate. In addition, the funding provided for this program has been underutilized; thus, an augmentation for this program appears to be unwarranted.

Item 6110-242-0001—For local assistance, Department of Education (Proposition 98). I reduce this item from \$125,000 to \$33,000.

I am reducing this legislative augmentation by \$92,000. The Budget Act already provides \$117,000 for student leadership activities through the California Association of Student Councils. The effect of my action is to increase funding for this program in the 2000–01 fiscal year to a total of \$150,000.

Item 6110-485—Reappropriation, (Proposition 98) Department of Education. I revise this item by Item from \$257,135,000 to \$232,835,000 by reducing Schedule (a) of this item by \$3,700,000 and deleting Schedule (p).

I am reducing Schedule (a) by \$3,700,000 for voluntary desegregation claims because the Alameda Unified and Delano Unified

School Districts have withdrawn their proposals for program participation in the current-year. I am eliminating Schedule (p) and the reappropriations of \$20,600,000 for Adult Education and Regional Occupational Centers and Programs. The budget provides an increase of \$48.3 million (\$31.3 million for adult education and \$17.0 million for Regional Occupational Centers and Programs) for growth and COLA for these programs, as well as a \$425 million block grant that is available to these programs. Furthermore, adequate justification for the proposal has not been provided, particularly since Adult Education has not historically fully expended its existing budget.

I am revising the Schedule (a) and deleting Schedule (p) to conform to these actions.

“(a) ~~\$ 5,700,000~~ 2,000,000 for transfer to Section A of the State School Fund for reimbursement by the Controller of voluntary desegregation claims from ~~Alameda Unified School District (\$700,000), Delano Unified School District (\$3,000,000), and~~ Visalia Unified School District (\$2,000,000) to provide one-time funding for 1999–00 costs received pursuant to Sections 42247 and 42249 of the Education Code.”

Item 6120-011-0001—For support of California State Library. I reduce this item from \$18,051,000 to \$17,857,000 by reducing:

(a) 10-State Library Services from \$16,264,000 to \$16,070,000, and by deleting Provision 1.

I am reducing this item by eliminating the legislative augmentations for the California Research Bureau of \$69,000 to perform a study (pursuant to pending legislation) of women in prison who have children, and \$125,000 to provide support to the Joint Committee on the Education Masterplan.

However, I am sustaining the legislative augmentation of \$250,000 for the California Research Bureau for a contract with outside researchers to address public policy issues. Additionally, the budget provides a \$500,000 increase and 6 positions for the bureau, which will enable it to address the highest priority research objectives statewide. These funds could be used for the above proposed activities if deemed a high priority.

Item 6120-140-0001—For local assistance, California State Library. I reduce this item from \$2,005,000 to \$1,005,000 and revising Provision 1.

I am reducing \$1,000,000 of the \$2,005,000 legislative augmentation for local library projects in order to fund higher competing priorities. Additionally, state funding for the Yuba County Library project, the City of Folsom Library site acquisition, the Canyon Country Library Project, and the City of Downey Library expansion project may be eligible for funding from the Library Construction and Renovation Bond Act of 2000 (Proposition 14).

I am revising Provision 1 to conform to this action:

“1. Funds appropriated in this item are for the purpose of funding local assistance projects at local public libraries. These funds are to be allocated on a one-time basis only, as follows:

(a) ~~Of the funds appropriated in this item, \$200,000 is for the purpose of funding renovation and improvements at Yuba County Library.~~

- (b) Of the funds appropriated in this item, \$69,000 is for the purpose of funding various items at Ventura County Library.
- (c) Of the funds appropriated in this item \$18,000 is for the purpose of funding Spanish language children's books at Ojai Valley Library.
- (d) Of the funds appropriated in this item, \$50,000 is for the purpose of funding an internet library catalog website at El Segundo Library.
- (e) ~~Of the funds appropriated in this item, \$500,000 is for the purpose of funding library site acquisition for the City of Folsom.~~
- (f) Of the funds appropriated in this item \$15,000 is for the purpose of funding the public library in the City of Covina.
- (g) ~~Of the funds appropriated in this item, \$200,000 is for the purpose of funding the Canyon Country Library Project in Santa Clarita.~~
- (h) Of the funds appropriated in this item, \$18,000 is for the purpose of funding a roof replacement for the Dinuba Library in Tulare County.
- (i) ~~Of the funds appropriated in this item, \$100,000 is for the purpose of funding the City of Downey Library expansion.~~
- (j) Of the funds appropriated in this item \$600,000 is for the purpose of funding three bookmobiles at the Los Angeles County Library.
- (k) Of the funds appropriated in this item \$185,000 is for local grants for local library access programs for telephonic reading systems for deaf and print disabled people.
- (l) Of the funds appropriated in this item, \$50,000 is for publicizing the Fred Korematsu Film Project through the use of a direct outreach and education program.

Item 6120-221-0001—For local assistance, California State Library. I reduce this item from \$72,170,000 to \$56,870,000.

I am deleting the \$15,300,000 legislative augmentation provided for the Public Library Foundation. I am very supportive of funding for local public libraries and see them as a key component to increasing literacy, which is why base funding for the program increased by 46 percent last year. Moreover, the budget provides increased funding of approximately \$17,700,000 for the California State Library. The total includes \$10,000,000 to increase literacy by local libraries through the English Language and Literacy Intensive Program, \$4,500,000 to support priority local assistance projects (expansions totaling \$2,600,000 for the Transaction Based Reimbursement and Families for Literacy Program(s), and California Newspaper Project), staffing and equipment (totaling \$1,900,000 for California Research Bureau staffing, manuscript handling, modular furniture, and more), and \$3,200,000 for competitive local assistance literacy grants targeted to reach children up to age 5 and their caregivers. Lastly, the voters recently authorized a \$350 million bond for the construction of new public libraries or the renovation of existing public libraries (Proposition 14). These funds will all greatly expand access to quality library services in California.

Item 6360-001-0407—For support of the California Commission on Teacher Credentialing. I reduce this item from \$17,157,395 to \$17,042,665 by reducing:

(a) 10-Standards for Preparation and Licensing of Teachers from \$17,157,395 to \$17,042,665, and by deleting Provision 4.

I am deleting the \$114,730 legislative augmentation for two positions to assist with the additional workload associated with reducing from 75 days to 30 days the timeframe in which the Commission must process teacher credential applications and renewals.

I am deleting Provision 4, which requires the Commission to reduce from 75 days the 30 days the timeframe in which teacher credential applications and renewals are processed. I am taking this action because I believe the current 75-day timeframe is sufficient, and because I do not believe that two additional positions will be sufficient to allow the Commission to reduce credential application and renewal processing times to 30 days.

Item 6360-001-0408—For support of the California Commission on Teacher Credentialing. I reduce this item from \$10,164,000 to \$10,159,000 by reducing:

(a) 10-Standards for Preparation and Licensing of Teachers from \$10,164,000 to \$10,159,000.

I am deleting the \$5,000 legislative augmentation for one new position to compile reports detailing the number and types of teaching credentials issued each year.

These funds are unnecessary, as the additional \$85,000 in proposed funding for this position that was contained in Item 6360-001-0407 was eliminated by the Legislature.

Item 6360-003-0001—For transfer by the Controller to the Test Development and Administration Account (0408). I delete this item and Provision 1.

I am deleting this item, which would provide \$4,000,000 General Fund for the Commission to absorb the cost of not charging applicants to take the California Basic Educational Skills Test. While I appreciate the rationale behind this proposal, I do not believe this represents a sufficiently high priority for the use of General Fund monies among all competing priorities. Additionally, this Budget includes \$1,650,000 General Fund to pay the \$55 cost of a teaching credential for 30,000 first-time teaching credential applicants.

Item 6360-003-0408—For support of the California Commission on Teacher Credentialing. I delete this item and Provision 1.

I am deleting this item to conform to the action taken in 6360-003-0001.

Item 6440-001-0001—For support of University of California. I reduce this item from \$3,054,876,000 to \$3,040,866,000 by reducing:

(a) Support from \$2,924,026,000 to \$2,910,016,000, and revising Provision 40 and deleting Provisions 23, 27, 29, 36, 37, 38, 42, and 43.

I am deleting the \$1,000,000 legislative augmentation for UC San Francisco-Fresno Leukemia research. Although this additional augmentation may be meritorious, I believe the University can utilize other fund sources for this research if it is a high priority. I am deleting Provision 23 to conform to this action.

I am deleting the \$250,000 legislative augmentation to complement UC Riverside's American Indian History Program. Although this

additional augmentation may be meritorious, I am deleting the funding because I believe there are other fund sources UC Riverside could utilize for this purpose if it is a high priority. I am deleting Provision 27 to conform to this action.

I am deleting the \$1,000,000 augmentation for the University to perform an evaluation of the statutory responsibilities of the Resources Agency. I am deleting this augmentation because these funds were restored to the Agency's budget by the Legislature. I am deleting Provision 29 to conform to this action.

I am deleting the \$380,000 legislative augmentation for undergraduate outreach for Latino students at UCLA Medical School. Targeted outreach, of the form proposed here, is currently under review by the California Supreme Court. UC has indicated that it would be inappropriate to implement this program prior to a Supreme Court decision as to whether such programs are legally permissible. I am deleting Provision 36 to conform to this action.

I am deleting the \$380,000 legislative augmentation for the Policy and International Affairs Outreach and Graduate Fellowship Program. Although this additional augmentation may be meritorious, I believe the University can utilize other fund sources for this purpose if it is a high priority. I am deleting Provision 37 to conform to this action.

I am deleting the \$1,000,000 legislative augmentation for the UCLA Ocean Discovery Center. Although this additional augmentation may be meritorious, I believe the University can use other fund sources for this Center if it is a high priority. I am deleting Provision 38 to conform to this action.

I am reducing the \$36,000,000 legislative augmentation for the M.I.N.D. Institute by \$6,000,000. Of the sustained \$30,000,000, \$28,000,000 is one-time funds. I am requesting the University to use \$4,000,000 of this augmentation for the M.I.N.D. Institute to contract with an appropriate organization to continue the research begun by the March of Dimes to identify genetic markers for autism and mental retardation that can lead to diagnosis and prevention of these conditions prior to birth. I am revising Provision 40 to conform to this action.

“40. Of the amount appropriated in Schedule (a), ~~\$40,000,000~~ \$34,000,000 is to fund the Medical Investigation of Neurodevelopmental Disorders (MIND) Institute, including \$28,000,000 in one-time funds.”

I am deleting the \$200,000 legislative augmentation for research through the California Policy Research Center. Although this additional augmentation may be meritorious, I believe the University can utilize other fund sources for this research if it is a high priority. I am deleting Provision 42 to conform to this action.

I am reducing the \$22,800,000 legislative augmentation to provide an additional two percent employee compensation pool for non-senate academic employees and other non-faculty employees by \$3,800,000. The sustained \$19,000,000 should be sufficient to increase this pool by approximately 1.5 percent. I am revising Provision 43 to conform to this action.

“43. Of the amount appropriated in Schedule (a), ~~\$22,800,000~~ \$19,000,000 is for the University to provide an additional ≥ 1.5 percent employee compensation pool for nonsenate academic employees and other nonfaculty employees.”

Item 6440-301-0001—For capital outlay, University of California. I revise this item by deleting Provision 4.

I am sustaining the \$4,000,000 augmentation for the preliminary plans for the Veterinary Medicine Alterations and Replacement Facility project that was added by the Legislature. The Davis campus has requested this project based on accreditation problems for the veterinary medicine program that are specifically related to deficient facilities. As such, I am directing the Department of Finance to ensure that these funds are used for a project that addresses accreditation requirements and not for other program enhancements.

I am deleting Provision 4, which expresses legislative intent that the Board of Regents of the University of California (UC) accept a proposed gift of 1,100 acres of land for the potential development of a campus at Chula Vista. This language would impose ongoing liability on the University and the State for maintaining and securing this site. In the absence of any established programmatic need for the site, any determination that an additional UC campus is necessary in this area or any other area of the state, and without the requisite approval of the California Postsecondary Education Commission for a new campus, acceptance of this land would not be appropriate.

Item 6440-301-0574—For capital outlay, University of California. I revise this item by deleting Provision 6.

I am deleting Provision 6, which requires the University of California (UC) to give priority to proposals from developers with labor peace agreements when choosing a developer for the hotel and conference center project at the UC Davis campus. This provision is inappropriately placed in state budget language because this center is not a state-funded project. In addition, this language is unnecessary because UC has resolved the underlying labor issues for the center.

Item 6440-302-0574—For capital outlay, University of California. I revise this item by deleting Provision 7.

I am deleting Provision 7, which prohibits the expenditure of \$15,723,000 in construction funds for the Seismic Replacement Building 1 project on the Berkeley campus prior to January 1, 2001 unless the University of California (UC) amends a Memorandum of Understanding (MOU) held between UC and the City of Berkeley to include an agreement to minimize community impacts from the project. The decision to not sustain this language has been difficult. While I am supportive of addressing local community concerns related to State construction projects, my primary concern is to ensure the safety of the UC students, faculty, and the public.

Item 6610-001-0001—For support of California State University. I reduce this item from \$2,404,639,000 to \$2,398,139,000 by reducing:

(a) Support from \$3,185,735,000 to \$3,179,235,000, and revising Provision 21 and deleting Provisions 22, 26, and 27.

I am reducing the \$5,000,000 legislative augmentation to fund the CSU Los Angeles Performing Arts Center by \$1,000,000. The sustained \$4,000,000 will provide the state share of this project. Any additional funding needed must be provided by local entities that would benefit from the use of this facility. I am revising Provision 21 to conform to this action.

“21. Of the amount appropriated in Schedule (a), \$5,000,000 \$4,000,000 in one-time funds shall be used to fund the CSU Los Angeles Performing Arts Center.”

I am reducing the \$15,000,000 legislative augmentation to increase capacity in various academic programs by \$5,000,000. Although I am very supportive of increasing enrollment in the programs targeted by this augmentation, I believe that it is the responsibility of the California State University to fund the types of activities outlined in the provisional language. I am, therefore, requesting the California State University to use the sustained \$10,000,000 for one-time expenditures, such as instructional equipment, that will enhance the effectiveness and, therefore, the enrollment in these programs. I am deleting Provision 22 to conform to this action.

I am deleting the \$200,000 legislative augmentation for CSU San Jose to plan an Education Collaborative. Although this additional augmentation may be meritorious, I believe the University can redirect resources for this project if it is a high priority. I am deleting Provision 26 to conform to this action.

I am deleting the \$300,000 legislative augmentation to establish a Central American Studies Research Institute at CSU Northridge. Although this additional augmentation may be meritorious, I believe the University can redirect resources for this purpose if it is a high priority. I am deleting Provision 27 to conform to this action.

Item 6610-301-0001—For capital outlay, California State University. I reduce this item from \$27,034,000 to \$22,034,000 by reducing:

(4.1) 06.80.153-San Diego: Otay Mesa Off-Campus Center—Acquisition from \$3,000,000 to \$1,000,000;

(6) 06.98.104-Pomona: Center for Animal and Veterinary Science Education, Phase 1A—Preliminary plans, working drawings, construction and equipment from \$5,000,000 to \$2,000,000.

I am reducing the \$5,000,000 legislative augmentation to \$2,000,000 for Phase 1A of the Center for Animal and Veterinary Science Education at CSU, Pomona. These funds will only be available for expenditure if the CSU Board of Trustee’s approve the project and a project proposal is submitted to and approved by the Department of Finance. The project proposal submitted to the Department of Finance must identify and demonstrate the programmatic need for the project. The project proposal must include, but not be limited to, annual program enrollment information and full time equivalents served, the deficiencies in current space that preclude program activities, project cost, and scope.

While I am sustaining \$1,000,000 for the Otay Mesa Off-Campus Center acquisition, these funds will only be available for expenditure if both the CSU and the California Community Colleges (CCC) receive approval for the joint off-campus center from the California Postsecondary Education Commission (CPEC) and if a joint off-campus center proposal is approved by the Department of Finance (DOF) following the CPEC approval of a needs study. The proposal submitted to the DOF must identify and demonstrate the programmatic need for the campus center, the annual enrollment and full time equivalents served, the costs of the center both during development and once fully developed, and the full scope and cost of the acquisition and construction proposal for the center. The submittal to DOF must

demonstrate that the center will meet the programmatic needs of both segments and additionally substantiate that the space needs for the new center cannot be accommodated at existing campuses in the San Diego area.

Item 6870-001-0001—For support of Board of Governor's of the California Community Colleges. I reduce this item from \$13,207,000 to \$12,451,000 by reducing:

- (b) 20-Special Services and Operations from \$18,050,000 to 17,294,000.

I am deleting the legislative augmentation of \$666,000 and eliminating nine new positions to support the proposed Noncredit Courses (\$136,000), Human Resource Infrastructure Program (\$372,000), and High Cost Programs (\$158,000) to conform to actions taken by the Legislature or me to remove related funding from the Community Colleges' local assistance item.

I am deleting the legislative augmentation of \$90,000 for one new position in the Telecommunication and Technology Infrastructure Program. Although I am supportive of enhancing technology within the community colleges, and the budget provides \$16.3 million for that purpose, the budget also provides an increase of approximately \$1 million for the Chancellor's office to adequately meet increased workload demands.

Item 6870-101-0001—For local assistance, Board of Governors of the California Community Colleges (Proposition 98). I reduce this item from \$2,706,014,000 to \$2,608,731,000 by reducing:

- (a) 10.10.010-Apportionments from \$1,648,654,000 to \$1,603,654,000;
- (b) 10.10.020-Basic Skills, CalWORKs, and Apprenticeships from \$41,606,000 to \$41,342,000;
- (c) 10.10.030-Growth for Apportionments from \$135,871,000 to \$116,263,000;
- (e) 20.10.005-Student Financial Aid Administration from \$7,356,000 to \$7,273,000;
- (f) 20.10.010-Extended Opportunity Program and Services and Special Services from \$86,258,000 to \$85,467,000;
- (g) 20.10.020-Disabled Students from \$76,049,000 to \$75,370,000;
- (h) 20.10.040-Fund for Student Success from \$18,518,000 to \$16,218,000;
- (m) 20.10.070-Matriculation from \$72,066,000 to \$71,308,000;
- (q) 20.20.055-Part-Time Faculty Office Hours from \$7,500,000 to \$2,500,000;

and by deleting

- (ux) 20.30.040-High Cost Programs (\$10,000,000);
- (wx) 20.30.091-Noncredit Courses (\$12,800,000);

and by revising Provisions 2, 3, 8, and 10 and by deleting Provision 19.5.

I am deleting the legislative augmentation of \$12,800,000 in schedule (wx) for noncredit courses. While sequencing noncredit courses and providing additional support for noncredit students may have merit, the budget already includes an increase of over \$10 million for growth and COLA in noncredit programs. Furthermore, the \$155 million

augmentation for the Partnership for Excellence provides resources for districts to expand any program deemed to most effectively increase student outcomes.

I am deleting Provision 19.5 and the legislative augmentation of \$10,000,000 in schedule (ux) for High Cost Programs. I am supportive of high-demand programs, including nursing, and the budget includes \$45 million, an increase of \$11 million, for the Economic Development Program. Colleges can use these funds at local discretion to best meet health care and other industry workforce needs.

I am deleting the legislative augmentation of \$45,000,000 in schedule (a) for equalization, as the proposal does not appear to be the most cost-effective means for improving student outcomes. Furthermore, funding equalization as proposed on an FTES and program improvement basis would have an inverse relationship, resulting in limited effectiveness at achieving the intended purpose.

I am revising Provision 2 as follows:

“2. Of the funds appropriated in Schedule (a), Apportionments, up to \$100,000 is for a maintenance allowance, pursuant to regulations adopted by the board of governors. Up to \$500,000 is to reimburse colleges for the costs of federal aid repayments related to assessed fees for fee waiver recipients. This reimbursement only applies to students who completely withdraw from college before the census date. ~~\$37,500,000 is to provide equalization of district apportionments on a FTES basis and \$7,500,000 is to provide equalization of district apportionments on a program improvement basis.~~”

I am deleting the legislative augmentation of \$2,300,000 in schedule (h) for the Puente Project. My proposed budget included an increase of \$1,000,000, which more than doubles this very worthwhile program and provides sufficient funding to increase access to services at 35 additional colleges.

I am revising Provision 10(c) as follows:

“(c) Up to ~~\$4,244,000~~ \$1,944,000 is for the Puente Project. \$944,000 continues the 1999–2000 level of funding to support 40 colleges and is available if these funds are matched by \$100,000 of private funds and the participating community colleges and University of California campuses maintain their 1995–96 support level for the Puente Project. \$1,000,000 shall be used to expand the Puente Project to at least an additional 35 colleges. These funds will be subject to the same local match agreement as existing programs. These funds are not required to be allocated on a temporary basis and may be allocated on a permanent basis to support a Puente Project that meets the conditions of the Puente Project contract agreement. All funding shall be allocated directly to participating districts in accordance with their participation agreement.”

I am reducing the \$38,700,000 legislative augmentation for growth in schedules (b), (c), (e), (f), (g) and (m) by \$22,183,000, thereby retaining a total of 3.5% growth in apportionments. Data indicate that funding growth at 3.5% will provide sufficient resources to ensure that students have access to community colleges.

I am revising Provisions 3 and 8 to conform to this action as follows (the revised language also includes a technical correction to strike reference to two augmentations, \$5,400,000 for books and \$2,400,000

for discretionary program expansion, previously proposed by the Legislature, but not included in the enrolled budget bill, for Extended Opportunity Programs and Services):

“3. Notwithstanding any other provision of law, ~~\$25,017,000~~ \$24,753,000 of the funds appropriated in Schedule (b) shall be for allocation to community college districts in the 2000–01 fiscal year for the purposes of funding FTES in courses in basic skills, including English-as-a-second-language courses and work force preparation courses for newly legalized immigrants, to the extent the total FTES claimed by a district for the 2000–01 fiscal year exceeds the level of total FTES funded for that district in the 2000–01 fiscal year. The Chancellor of the California Community Colleges shall develop criteria for allocating these funds.”

“8. Of the funds appropriated in Schedule (f), ~~\$82,933,000~~ \$74,461,000 is for Extended Opportunity Programs and Services in accordance with Article 8 (commencing with Section 69640) of Chapter 2 of Part 42 of the Education Code. Of this amount \$6 million represents an augmentation and may only be allocated to serve 10,000 additional students over the number served in the 1999–2000 fiscal year. Funds provided in this item for Extended Opportunity Programs and Services (EOPs) shall be available to students on all campuses within the California Community College system, including those students on new campuses or in new districts. ~~\$11,125,000~~ \$11,006,000 is for funding, at all colleges, the Cooperative Agencies Resources for Education (CARE) program in accordance with Article 4 (commencing with Section 79150) of Chapter 9 of Part 48 of the Education Code. The board of governors shall allocate funds on a priority basis and to local programs on the basis of need for student services.”

I am deleting the \$5,000,000 legislative augmentation for the part-time faculty office hours program. The budget contains a \$2,500,000 base budget for this program approved last year. While I am supportive of fair wages and employment conditions for part-time faculty, I am concerned that this augmentation does not contain any assurance of improvements in the quality of instruction or student outcomes. Additionally, I am not supportive of the reduced local match requirement contained in the education trailer bill. Furthermore, any action pertaining to faculty office hours may be premature until the completion of a study of the CCC’s part-time faculty employment, salary, and compensation patterns, as required by Chapter 738/99 (AB 420).

Item 6870-301-0574—For capital outlay, Board of Governors of the California Community Colleges. I reduce this item from \$307,277,000 to \$304,342,000 by deleting:

Long Beach Community College District
 Long Beach City College (Liberal Arts College)
 (29) 40.25.116-Child Development Center—Construction
 (\$2,935,000)

I am deleting funding for this project to provide the Chancellor’s Office of the California Community Colleges and the Long Beach Community College District the opportunity to redesign the project in

accordance with State guidelines that were developed and implemented shortly after the project had been initiated. Compliance with these guidelines will ensure the completion of a facility that will fully address programmatic needs.

Item 7980-001-0001—For support of Student Aid Commission. I reduce this item from \$10,797,000 to \$10,547,000 by reducing:

- (a) 15-Financial Aid Grants Program from \$10,843,000 to \$10,593,000.

I am deleting the \$250,000 legislative augmentation for first-year administrative costs of providing financial aid incentives for students to attend public colleges and universities during the summer session. I am deleting this augmentation because there is no indication that the Commission would incur additional workload as a result of students attending summer session.

Item 7980-101-0001—For local assistance, Student Aid Commission. I reduce this item from \$571,216,000 to \$519,916,000 by reducing:

Schedule (a) Financial Aid Grants Program from \$580,780,000 to \$529,480,000, and revising Provision 6.

I am deleting the \$11,500,000 legislative augmentation to increase the maximum Cal Grant awards to cover one-half of campus-based fees for recipients attending the California State University and the University of California.

I am reducing the \$45,300,000 legislative augmentation to increase the Cal Grant B subsistence award for all recipients by \$36,000,000. The sustained \$9,300,000 is sufficient to increase this award by approximately ten percent to \$1,548.

I am reducing the \$3,400,000 legislative augmentation to increase the maximum Cal Grant C award for all recipients by \$2,800,000. The sustained \$600,000 is sufficient to increase this award by approximately ten percent to \$2,592. I am also making a technical correction to Provision 6, which incorrectly states that this legislative augmentation applies only to new recipients. The legislative action was to provide the increase to all recipients.

I am reducing the \$1,200,000 legislative augmentation to increase the maximum Cal Grant C book and supply award for all recipients by \$1,000,000. The sustained \$200,000 is sufficient to increase this award by ten percent to \$576.

I am revising Provision 6 to conform to the above actions.

“6. Notwithstanding any other provision of law, of the amount appropriated in Schedule (a), ~~\$11,500,000~~ shall be used to increase the maximum Cal Grant A, Cal Grant B, Cal Grant C, and Cal Grant F awards to cover approximately one half of campus-based fees for all recipients attending the California State University and the University of California; ~~\$45,300,000~~ ~~\$9,300,000~~ shall be used to increase the Cal Grant B subsistence award for all recipients to ~~\$2,322~~ ~~\$1,548~~; ~~\$3,400,000~~ ~~\$600,000~~ shall be used to increase the maximum Cal Grant C award for new recipients to ~~\$3,659~~ ~~\$2,592~~; and ~~\$1,200,000~~ ~~\$200,000~~ shall be used to increase the Cal Grant C book and supply award for all recipients to ~~\$810~~ ~~\$576~~. These funds are contingent on the enactment of legislation that becomes effective on before

January 1, 2001, revising the program to reflect the level of benefits anticipated by this provision. If legislation is enacted that requires some lesser amount than provided in this provision, the Director of Finance shall determine the appropriate amount to be reverted to the General Fund, and shall certify the amount to the Controller's office."

Item 8100-101-0001—For local assistance, Office of Criminal Justice Planning. I reduce this item from \$194,492,000 to \$189,038,000 by reducing:

(6) 50.20.352-Youth Emergency Telephone Referral from \$388,000 to \$338,000,

(22.1)50.30.700-Special Projects-Public Safety, from \$155,999,000 to \$150,595,000;

I am reducing this item by \$50,000 by deleting the legislative augmentation for outreach programs for the California Youth Crisis Line. This program is currently funded by the Office of Criminal Justice Planning, and receives funding for outreach in its funding allocation. Any additional funding for this program should be sought through the normal competitive process.

I am reducing this item by \$1,700,000 by deleting the legislative augmentation for the Child Trauma Reduction Program. SB 2183 is a measure pending in the Legislature that creates this pilot program and contains an appropriation for administration. There is insufficient information to justify an augmentation to the budget for this purpose.

I am reducing this item by \$1,025,000 by deleting the following legislative augmentations in order to fund higher competing priorities:

\$500,000 for a staging area for police services for the City of La Mirada;

\$425,000 for the Orange County District Attorney's Office Immigrant Outreach Program;

\$100,000 for the City of Anaheim Forensics Laboratory Project.

I am reducing this item by \$100,000 for the legislative augmentation for the Stand-off Chemical Agent Detector from \$600,000 to \$500,000 in order to fund higher competing priorities.

I am reducing this item by \$338,000 by deleting the following legislative augmentations for gang prevention programs. Other funds are currently available within this budget for purposes such as these, including funds that will be made available for the Juvenile Justice Initiative:

\$130,000 for the Orange County Community Services Department: Gang Prevention/Intervention Program;

\$93,000 for the City of Long Beach Civil Injunction Against Violent Street Gangs Program;

\$65,000 for the City of Long Beach Gang Intervention Prevention Program;

\$50,000 for the City of Bellflower's Alternative to Gangs Program.

I am reducing this item by \$241,000 by deleting the following legislative augmentations to purchase equipment for local law enforcement. I note that the budget includes \$75 million to address one-time local law enforcement equipment needs through grants allocated on a per capita basis:

\$100,000 for a mobile command post for the Ventura Police Department;

\$51,000 for equipment for the Ventura Police Department;
\$50,000 for equipment for the City of Santa Paula Police Department;
\$30,000 for equipment for the City of Bellflower Sheriff Substation;
and

\$10,000 for equipment for the Town of Danville Police Bike Patrol.
I am deleting \$2,000,000 for the legislative augmentation for the City of Garden Grove Public Safety Building Upgrades. This is a local responsibility and should be locally funded based on local priorities.

Item 8100-101-0597—For local assistance, Office of Criminal Justice Planning. I reduce this item from \$3,683,000 to \$3,433,000 by reducing:

- (a) 50.30.562-High Technology Theft Apprehension and Prosecution Program from \$3,683,000 to \$3,433,000.

I am reducing the legislative augmentation for the Prosecution of High Technology Crime education grants from \$500,000 to \$250,000 in order to fund higher competing priorities.

I am revising this item to conform with the action taken in Item 8100-112-0001.

Item 8100-112-0001—For transfer by the Controller to the High Technology Theft Apprehension and Prosecution Program Trust Fund. I reduce this item from \$3,465,000 to \$3,215,000.

I am reducing this legislative augmentation for the Prosecution of High Technology Crime education grants from \$500,000 to \$250,000 in order to fund higher competing priorities.

Item 8140-001-0001—For support of the State Public Defender. I reduce this item from \$11,694,000 to \$11,589,000 by reducing:

- (a) 10-State Public Defender from \$11,694,000 to \$11,589,000; and by deleting Provision 2.

I am deleting the \$105,000 legislative augmentation for the State Public Defender to prepare a report and make recommendations by October 1, 2000, on the safeguards that exist in California to ensure that the innocent are not executed, primarily investigating the impact of waiting for appellate counsel, and the amount of funding provided for investigation of cases at the appellate level. There is no evidence to suggest that a problem exists in California related to indigent inmates not receiving proper counsel in capital cases during the appellate and habeas corpus process.

I am deleting Provision 2 to conform to this action.

Item 8260-001-0001—For support of California Arts Council. I reduce this item from \$3,166,000 to \$2,616,000 by reducing:

- (b) 10-Artists in Residence from \$982,595 to \$938,000;
- (c) 20-Organizational Support Grants from \$1,413,025 to \$1,168,000;
- (d) 25-Performing Arts Touring/Presenting Program from \$367,775 to \$350,000;
- (e) 30-Special Initiatives Program from \$123,640 to \$88,000;
- (f) 40-Statewide Projects from \$644,965 to \$538,000, and
- (ix) 70-Cultural Institutions Program from \$350,000 to \$250,000.

To conform with the deletion of the \$7,050,000 legislative augmentation for the expansion of core programs in the local assistance

item, I am deleting the \$450,000 legislative augmentation that would have provided administrative support for the expansion of the core programs.

To conform with my action regarding Item 8260-103-0001, I am reducing the amount available for support costs by \$100,000 from \$350,000 to \$250,000.

Item 8260-101-0001—For local assistance, California Arts Council. I reduce this item from \$40,215,000 to \$27,665,000 by reducing:

- (b) 10-Artists in Residence from \$4,404,000 to \$3,705,000;
- (c) 20-Organizational Support Grants from \$19,810,000 to \$10,473,000;
- (d) 25-Performing Arts Touring/Presenting Program from \$1,121,000 to \$842,000;
- (e) 30-Special Initiatives Program from \$1,059,000 to \$500,000;
- (f) 40-Statewide Projects from \$4,352,000 to \$2,676,000;

and revising Provisions 3 and 4.

I am reducing the \$7,500,000 legislative augmentation for the Multicultural Arts Development Program to \$2,000,000. While this program is potentially worthwhile, I believe that \$2,000,000 is adequate at this time for this program.

I am also reducing the amount specified in Provision 4 for administrative costs from \$225,000 to \$100,000 to conform to the grant reduction.

I am revising Provisions 3 and 4 to conform to these actions.

“3. Of the funds appropriated in Schedule (c), ~~\$7,500,000~~ \$2,000,000 is for the Multicultural Arts Development program. These funds shall be for culturally specific organizations or artists who have a demonstrated commitment to cultural art. This funding shall be limited to organizations that have traditionally not received significant grants from the California Arts Council.”

“4. Of the ~~\$7,500,000~~ \$2,000,000 appropriated for the Multicultural Arts Development program, up to ~~\$225,000~~ \$100,000 can be used for state operations for the cost of administering the grants and transferred to Item 8260-001-0001.”

I am also deleting the \$7,050,000 legislative augmentation for the expansion of existing core programs. This amount, when combined with the \$450,000 appropriation in Item 8260-001-0001, would have added \$7,500,000 to the budget. Funding for core programs has increased from approximately \$14,000,000 in 1997–98 to approximately \$20,000,000 in my proposed 2000–01 Budget. Also included in the Budget is \$10,000,000 for the new Arts in Education Program, which provides an approximately 50 percent increase in competitive grant programs. Over the past few years, I have provided a significant increase in arts program funding.

Item 8260-103-0001—For local assistance, California Arts Council. I reduce this item from \$45,795,400 to \$31,235,400 by deleting or reducing allocations for various projects in this item. I am also revising Provisions 5 and 9 to conform with this action.

Although these projects may be meritorious, I am reducing or deleting the funding for them to fund higher competing priorities.

I am revising Provision 5 to conform to this action.

- “5. Of the funds appropriated in this item ~~\$40,795,400~~ \$26,235,400 shall be for the following projects:
- (1) City of La Habra: Outreach Program at the Children’s Museum of La Habra ~~410,000~~ 250,000
 - (2) ~~Natural History Museum of Los Angeles County~~ 1,000,000
 - (3) New Conservatory Theatre: Children’s Safe School Arts Project 50,000
 - (4) San Francisco Mexican Museum: Construction of a permanent facility 500,000

I am revising Provision 9 to conform with this action.

“9. Of the funds appropriated in Schedule (ix) of Item 8260-001-0001, ~~\$350,000~~ \$250,000 shall be used by the California Arts Council to defray its expenses for support and related expenses for performing its responsibilities under this item. The council may enter into an interagency agreement to obtain personnel services relating to the review and approval of capital outlay expenditure plans.”

Item 8320-001-0001—For support of Public Employment Relations Board. I reduce this item from \$5,835,000 to \$4,435,000 by reducing:
 (a) 11-Public Employment Relations from \$5,847,000 to \$4,447,000.

I am deleting the \$1,400,000 legislative augmentation, which would provide resources to expand the Public Employment Relations Board’s jurisdiction to include resolving disputes and enforcing statutory duties and rights of employers and employees for local governments. I do not believe that state oversight of local government collective bargaining is necessary at this time.

Item 8350-001-0001—For support of Department of Industrial Relations. I reduce this item from \$147,385,000 to \$146,385,000 by reducing:

- (6) 40-Prevention of Industrial Injuries and Deaths of California Workers, from \$74,479,930 to \$73,979,930;
 - (7) 50-Enforcement and Promulgation of Laws Relating to Wages, Hours, and Conditions of Employment, and Licensing and Adjudication, from \$40,338,850 to \$39,838,850;
- and by deleting Provisions 3 and 4.

I am deleting the legislative augmentation of \$500,000 and 7 positions for the enforcement of labor law and regulations related to the janitorial and building maintenance industry. I am also deleting the legislative augmentation of \$500,000 and 7 positions for enforcement of health and safety laws and regulations related to farm laborers. The budget includes \$4.1 million for the Joint Enforcement Strike Force and the Targeted Industries Partnership Program to enforce Labor Code requirements, including those relating to the janitorial and building maintenance industry. Additionally, the budget includes over \$73 million to enforce health and safety requirements in the workplace, including those affecting the agricultural industry. I am also deleting Provisions 3 and 4. Provision 3 would direct \$500,000 of the amount appropriated in this item to the Division of Labor Standards and Enforcement for the purposes of enforcing labor laws and regulations related to the janitorial and building maintenance industry. Provision 4 would direct \$500,000 of the amount appropriated in this Item to the Division of Occupational Safety and Health for the purposes of enforcing health and safety laws and regulations related to farm laborers. I am deleting these provisions to conform to my previous action to delete funding for these programs.

I am sustaining the \$150,000 legislative augmentation for the Young Worker Health and Safety Network on a one-time basis. I expect that pending legislation establishing a statewide young worker health and safety resource network (AB 1599) will be amended consistent with my action on this issue.

Item 8570-001-0001—For support of Department of Food and Agriculture. I reduce this item from \$71,782,000 to \$64,732,000 by reducing:

- (a) 11-Agricultural Plant and Animal, Pest and Disease Prevention from \$78,997,000 to \$71,947,000,
- and deleting Provisions 4, 5, 6, 7, 8, and 9.

I am deleting the \$3,000,000 legislative augmentation for facility replacement and improvements for the Center for Agroecology and Sustainable Food Systems at the University of California, Santa Cruz. The need targeted by this augmentation has not been identified in the campus's five or ten year infrastructure plan as a priority.

In the overall context of higher education capital outlay needs, the State has limited resources to address all identified needs. Current and future resources should not be allocated on an ad hoc basis, rather, allocated to projects that have been developed in the context of the Administration's overall priorities with regard to appropriate project costs and guidelines, instructional purposes, enrollment related needs, scope standards, and having secured the appropriate programmatic and site review and approvals.

I am deleting Provision 7 to conform to this action.

I am deleting the \$3,750,000 legislative augmentation that would have provided grants to the University of California Small Farm Center (\$750,000), the Center for Biological Control at the University of California, Berkeley (\$1,750,000), the Center for Biological Control at the University of California, Riverside (\$750,000), and the Center for Agroecology and Sustainable Food Systems at the University of California, Santa Cruz (\$500,000). While there may be merit to some of these proposals, there is insufficient information to justify funding at this time.

I am deleting Provisions 4, 5, 6, 8, and 9 to conform to this action.

I am also deleting the \$300,000 legislative augmentation for a report regarding the use of Genetically Modified Organisms (GMOs). It is unclear what would specifically be accomplished with this level of funding.

Item 8570-101-0001—For local assistance, Department of Food and Agriculture. I reduce this item from \$20,590,000 to \$10,590,000 by reducing:

- (a) 11-Agricultural Plant and Animal, Pest and Disease Prevention from \$19,015,000 to \$10,515,000;
- (b) 31-Assistance to Fairs and County Agricultural Activities from \$2,908,000 to \$1,408,000;

and by deleting Provision 2.

I am deleting the \$8,500,000 legislative augmentation to the County High Risk Pest Exclusion Program. I believe that the \$5,500,000 I proposed, along with additional unclaimed gas taxes that may be available for this purpose pursuant to Chapter 890, Statutes of 1999, and the \$17 million from unclaimed gas taxes for other county agricultural programs, provides a sufficient level of state support for pest exclusion activities, which are largely county responsibilities.

I am deleting the \$1,500,000 legislative augmentation and Provision 2, which appropriates funds to the 50th Agriculture Fair District for the new fairgrounds exhibit hall. Although this project may be meritorious, I am deleting this funding to fund higher competing priorities.

Item 8620-001-0001—For support of the Fair Political Practices Commission. I revise this item.

I am sustaining the \$460,000 General Fund legislative augmentation to support the development and implementation of a public education unit which will provide a central location for public access to state and local laws regulating political activities. However, I am reducing the number of personnel years from 4.8 personnel years to 1.8 because I believe there are sufficient vacant positions that can be re-directed to meet the workload demands of this new program.

Item 8940-001-0001—For support of Military Department. I reduce this item from \$28,099,000 to \$27,099,000 by reducing:

- (a) 10-Army National Guard from \$39,294,000 to \$38,294,000.

I am deleting the \$1,000,000 legislative augmentation to fund deferred maintenance projects at armories and other facilities. The California National Guard is emerging into a new force, restructuring its organization for the 21st Century. Under this restructuring, the National Guard has added combat support and combat service support units (non-combat), while reducing the size of and modernizing its combat infantry division. The Military Department is currently preparing a

comprehensive plan to address its overall capital outlay and special repairs/deferred maintenance needs, in light of its new organization and mission. Therefore, providing additional resources at this time would be premature.

Item 8965-001-0001—For support of Veterans Home of California, Barstow. I reduce this item from \$12,413,000 to \$12,412,000 by reducing:

- (a) 30-Care of Sick and Disabled Veterans from \$20,903,000 to \$20,902,000,

and by deleting Provision 4.

I am reducing this item by \$1,000 and deleting Provision 4, which would require the Department of Veterans Affairs to submit to the Legislature by April 1, 2001, an evaluation of the Behavior Management pilot program at the Barstow Veterans Home. The pilot program is proposed for a trial period of 24 months, yet this language requires a complete evaluation 10 months into the program. While I do not object an evaluation of this program, this language is premature.

Item 9100-102-0001—For local assistance, Tax Relief. I delete this item and Provision 1.

I am deleting the \$1,700,000,000 legislative augmentation as a technical change, since tax relief will be provided through a budget trailer bill rather than the Budget Act.

I am deleting Provision 1 to conform to this action.

Item 9210-104-0001—For local assistance, Local Government Financing. I reduce this item from \$12,150,000 to \$10,800,000 and by revising Provision 1.

“1. The funds appropriated in this item are for the following:

- (a) City of San Diego—Point Loma Fire Station #22, new apparatus bay and remodeling ~~750,000~~ 400,000
- (b) Orange County—Orange County Coroner 10,000,000
- (c) Imperial County—Consolidation of fire department, sheriff’s office and the Heber Utility District 400,000
- (d) City of Belmont—Renovation and rehabilitation of the Belmont police station ~~1,000,000~~”

I am reducing this item to fund higher competing priorities.

Item 9210-105-0001—For local assistance, Local Government Financing. I reduce this item from \$4,898,167 to \$3,548,167 and by revising Provision 1.

“1. The funds appropriated in this item are for the following:

- (a) City of Santa Ana—Santa Ana Zoo Commissary 40,000
- (b) City of Antioch—Capital improvements 282,167
- (c) City of Rialto—Imaging system 65,000
- (d) San Bernardino County Registrar of Votes—Creation of remote early voting sites 100,000
- (e) Santa Barbara County—Expand ~~Cascade~~ Casa de La Raza Family Service Center 100,000
- (f) Mendocino County—Mobile spay/neuter, disaster preparedness, and pet adoption van 100,000
- (g) Marin County—Construction of a permanent detoxification facility 250,000
- (h) San Joaquin County—Mary Graham Children’s Complex for abused children ~~2,650,000~~ 1,500,000

- (i) City of Downey—Animal shelter renovation for the Southeast Area Animal Control Agency 561,000
- (j) City of Avalon—Purchase of storm water diverters 300,000
- ~~(k) City of Azusa—Fund an economic impact study on traffic change 200,000~~
- (l) City of Santa Clarita—Diapers recycling facility 250,000”
I am reducing this item to fund higher competing priorities. In addition, the funding for the Santa Barbara County: Expand Casa de La Raza Family Service Center project is one-time in nature.

Item 9800-001-0001—For Augmentation for Employee Compensation. I revise this item by deleting Provision 3.

I am deleting Provision 3, which states legislative intent that funds available in this item shall be available to address salary compaction issues within the Department of Corrections. This language is an infringement on the Department of Personnel Administration’s authority to collectively bargain salary issues.

SEC. 3.60—Contribution to Public Employees’ Retirement Benefits. I delete provision (d) of this control section.

Provision (d) of this section would direct the California Public Employees’ Retirement System (CalPERS) to offset the State’s 2000–01 retirement contribution by the amount the State overpaid in 1999–00.

I am deleting this provision since CalPERS already refunded the overpayment to the State.

With the above deletions, revisions and reductions, I hereby approve Assembly Bill 1740.

CARDOZA, Chairman

MESSAGES FROM THE GOVERNOR

The following message from the Governor was received and ordered printed in the Journal:

Governor's Office, Sacramento
July 5, 2000

To the Members of the Assembly:

I am signing AB 2864, which establishes the Inter-Regional Partnership State Pilot Project to Improve the Balance of Jobs and Housing and the Jobs-Housing Balance Improvement Program.

However, I am signing this bill notwithstanding a drafting error that will make it impossible to spend the funds appropriated in the Budget Act for the Jobs-Housing Balance Improvement Program authorized in the bill.

Therefore, I request that the Legislature pass corrective legislation to establish the special fund to which the budget transferred funds for the program, and provide expenditure authority by making this fund continuously appropriated, both of which were inadvertently omitted from the final version of this bill.

Sincerely,

GRAY DAVIS

Legislative Intent—Assembly Bill No. 2051

July 3, 2000

*Dotson Wilson, Chief Clerk
California State Assembly
State Capitol—Room 3196
Sacramento, California*

Dear Dotson: The purpose of this letter is to clarify the intent of AB 2051 when it is heard for concurrence on the Assembly Floor. For that reason, I request that the comments below be placed in the Daily Journal the day the measure is heard on the Assembly Floor.

“Comment to subdivision (7) (A): The purpose of the requirement that the vehicle be sold or disposed of “in the same manner as goods that the seller disposes of on its own behalf” is to ensure that the seller has an interest in maximizing the proceeds of the sale or disposition. A seller who sells on consignment motor vehicles owned by members of the general public and has an interest in maximizing the price due to a percentage commission or similar arrangement qualifies as a seller who disposes of similar goods on its own behalf.”

“Comment to subdivision (7) (B): The advertising requirements are designed to and should be applied to create a pool of interested retail buyers or leasees from members of the public. As with any disposition involving the seller under paragraph (A), the seller and the secured party must have an interest in maximizing the proceeds of the sale. The secured party normally should not purchase the motor vehicle under these types of sales.”

Thank you in advance for your assistance.

Sincerely,

ROBERT “BOB” PACHECO, Assembly Member
Sixtieth District

REPORTS

The following letters of transmittal were presented by the Chief Clerk, and ordered printed in the Journal:

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Veterans Affairs' Farm and Home Purchase Program (Cal-Vet program).

This report concludes that the Cal-Vet program will substantially lose its ability to offer low-cost home loans to veterans beyond the next decade due to the restrictive eligibility requirements attached to one source of program funding and limited availability of its two other funding sources. In addition, the Department of Veterans Affairs is eroding Cal-Vet program funds by charging the program for unrelated administrative costs and by operating the program less efficiently than it could.

Respectfully submitted,

MARY P. NOBLE
Acting State Auditor

Above report referred to the Committee on Veterans Affairs.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the effectiveness of the procedures that the California Department of Transportation (Caltrans) permitting unit uses to approve travel routes for oversize vehicles and loads.

This report concludes that Caltrans has identified the major problems with its permitting process: poor communication of roadway information and an inefficient manual system for writing permits. Moreover, the corrective actions Caltrans is pursuing, such as drafting new policies, hiring additional staff, and developing a proposal and seeking approval for an automated routing system, are generally appropriate. However, we suggest that further improvements are needed, such as designating district staff to coordinate communication between the permits branch and field personnel and ensuring that its policies are clearly communicated to those who have responsibility for implementing them.

Respectfully submitted,

MARY P. NOBLE
Acting State Auditor

Above report referred to the Committee on Transportation.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning our review of the Grant Joint Union High School District (Grant).

This report concludes that Grant could improve its administrative practices in several areas. For example, Grant did not obtain the board of trustees' advance approval for certain contracts although state law and board policy require it to do so. It also does not have sufficient controls over contracts initiated by its legal counsel. Further, Grant lacks an adequate system to track and safeguard its current inventory totaling more than \$32 million. Finally, it has not taken the necessary steps to consistently measure whether its Title I, Part A, of the Elementary and Secondary Education Act program is effective.

Respectfully submitted,

STEVEN M. HENDRICKSON

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning our review of the Kern County Economic Opportunity Corporation (KCEOC).

This report concludes that the controversy over compensatory time off (CTO) practices and policies resulted from poor communication between the KCEOC board of directors (board) and some members of management. Although both parties are at fault, management is particularly to blame because it missed numerous opportunities to inform the board about the CTO. In addition, we observed certain weaknesses in internal controls including mismanagement of health center billings, questionable costs charged to grants, poor inventory practices, inappropriate loans between grants, and other less serious, but troubling weaknesses. The board has also suffered from vacancies and absences, and has violated open meeting laws and its bylaws. These problems and weaknesses hinder KCEOC's mission of providing services to the low-income, disadvantaged, and elderly residents of Kern County.

Respectfully submitted,

MARY P. NOBLE
Acting State Auditor

Above report referred to the Committee on Local Government.

The Honorable Members of the Assembly
of the Legislature of California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning statewide efforts to acquire and manage land for ecosystem restoration and wildlife habitat preservation, both within and independent of the CALFED Bay-Delta Program (Calfed).

This report concludes that although Calfed does not acquire land for these purposes, it funds projects that may include land acquisition that support its goals for restoring the ecosystem. Also, the State does not have a comprehensive land use policy to guide state entities in their efforts to preserve and restore the environment. Consequently, although

there is some degree of coordination among these entities, no central vision exists of how their efforts benefit the State as a whole. California also needs to track data such as the purpose for which land was acquired to facilitate its land use planning. In addition, the Department of Fish and Game and the Department of Parks and Recreation—the major acquirers of state land for environmental purposes—need to improve their management of this land.

Respectfully submitted,

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the compensation of part-time teaching faculty within the California Community Colleges system.

This report concludes that community college districts pay their part-time faculty significantly less for the same teaching duties than full-time faculty. However, perspectives vary on whether this pay inequity creates a fiscal incentive for using part-time faculty that may eventually harm the long-term quality of education or whether the pay inequity represents an appropriate balance of market conditions that should not be tampered with. We present some possible options should the Legislature choose to take action to eliminate existing pay differences between part-time and full-time teaching faculty within the California Community Colleges system.

Respectfully submitted,

Members of the Assembly: As required by Chapter 716, Statutes of 1992, as amended, the Bureau of State Audits presents its audit report concerning the processing activity associated with the reimbursement requests for certain prescribed drugs under the California Medical Assistance Program. These requests are known as drug treatment authorization requests (TARs).

This report concludes that the Department of Health Services received and processed more drug TARs during the current 24-month review period than in earlier periods. However, the drug providers could not access the decisions on 13 percent of the requests we sampled within one workday through the department's Provider Telecommunications Network.

MESSAGES FROM THE GOVERNOR

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

Veto Message—Assembly Bill No. 1796

Governor's Office, Sacramento

July 7, 2000

To Members of the California Assembly:

I am returning Assembly Bill No. 1796 without my signature.

Serving as a grand juror is a privilege which is honored in our society. People apply to serve as a grand juror and submit to an interview process. This legislation would seek to increase grand juror compensation from \$10 per day to \$25 per day.

I recently signed legislation increasing trial court juror pay from \$6 per day to \$15 per day. I do not believe that jurors who are summoned, and thus, commanded to serve should be paid less compensation than a grand juror, and therefore, I must veto this bill.

Sincerely,

GRAY DAVIS

Veto Message—Assembly Bill No. 1841

Governor's Office, Sacramento

July 7, 2000

To the Members of the Assembly:

I am returning Assembly Bill 1841 without my signature.

Existing law authorizes Caltrans to permit extra-size vehicles. Operators must apply for a permit and identify the size of the load to be transported and the proposed route to be traveled. Caltrans permit staff review the dimensions of the load and ensure the route is clear (e.g., that bridge clearances are adequate) for safe travel. If the route is clear, Caltrans issues a permit. The operator must have the permit in his possession during the trip.

This bill would broaden an existing exemption from permit requirements for the operation or movement of implements of husbandry on the highways. Existing law allows farmers or regular employees of farmers to haul over-height implements of husbandry up to 25 miles from the point of origin without an over-size truck permit issued by Caltrans.

This bill would strike the requirement that the farmer's employee be a regular employee. As a result, this bill could apply to anyone

employed by a farmer or farming corporation—for example, a short term employee who is not adequately trained to operate over-size or over-height equipment.

This measure is opposed by both the Department of Transportation and the California Highway Patrol; the two agencies charged with protecting public safety on California roads and highways. Public safety remains a paramount concern.

For these reasons, I must veto this bill.

Sincerely,

GRAY DAVIS

RECEIPT

I acknowledge receipt this 10th day of July 2000 at 11:45 a.m., of Assembly Bills Nos. 1796 and 1841, without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Mary Ann McMullin.

HUGH R. SLAYDEN

Acting Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 2788

Governor's Office, Sacramento

July 19, 2000

To the Members of the Assembly:

I am returning Assembly Bill 2788 without my signature.

This bill makes several changes to the Gambling Control Act, including increasing penalties for bookmaking, and authorizes the Attorney General to bring an action pursuant to the Red Light Abatement Act. There are some good features to this measure, and I would sign legislation focused exclusively on enhanced penalties and additional enforcement authority of the Attorney General.

However, the measure contains several provisions for which I have concerns. I am particularly concerned that the bill would eliminate the requirement that voters approve any substantial expansion of card room gaming. (Existing law permits a modest expansion of up to 25%; anything more requires voter approval.) Moreover, the bill appears to authorize percentage gaming, which is otherwise prohibited by Penal Code Section 330. To the extent that the bill authorizes percentage gaming, it may well violate Article IV, Section 19(e) of the California Constitution.

For these reasons, I cannot sign this measure.

Sincerely,

GRAY DAVIS

RECEIPT

I acknowledge receipt this 19th day of July 2000 at 9 p.m., of Assembly Bill No. 2788, without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Mary Ann McMullin.

HUGH R. SLAYDEN

Acting Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 1929

Governor's Office, Sacramento
July 24, 2000

To the Members of the Assembly:

I am returning Assembly Bill 1929 without my signature.

This bill would require the State Department of Education to study the feasibility of consolidating the application process for school districts or county superintendents seeking to operate multiple similar programs, and, where possible, to group similar programs and develop a single application for each group of programs. There are currently 15 programs that are participating in the existing consolidated application process at the State Department of Education.

I endorse the streamlining of programs and program-applications, but I question the need for the feasibility study required by this bill. First, for programs to be included in the consolidated application, the program staff need only request to have the program included. Second, the application for, and state administration of, several major statewide categorical programs have already been consolidated. Programs that do not lend themselves to inclusion in the consolidated application because of their specific requirements or their lack of relevance to school districts statewide have been, and should remain, excluded from the consolidated application process.

I would be pleased to work with the author to determine if there are further programs that should be added to the consolidated application process, and request that the State Department of Education include them as part of its administrative functions.

Sincerely,

GRAY DAVIS

RECEIPT

I acknowledge receipt this 24th day of July 2000 at 9:12 p.m., of Assembly Bill No. 1929, without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Mary Ann McMullin.

RALPH ROMO
Chief Assistant Clerk

Veto Message—Assembly Bill No. 2108

Governor's Office, Sacramento
July 24, 2000

To the Members of the California Assembly:

I am returning Assembly Bill No. 2108 without my signature.

This legislation would require the Department of Corrections to ensure that the standard of hospice care for female inmates at the Central California Women's Facility be equivalent to the level of care provided to male inmate hospice patients at the California Medical Facility. The bill would also expand the eligibility criteria for placement of female inmates in the Family Foundations Program. Additionally, the bill would state legislative intent to encourage the University of California and the Department of Corrections to establish a medical residency program at the California Medical Facility.

This bill is unnecessary because as of July 1, 2000, the California Department of Corrections began operating a hospice facility for the

critically and terminally ill women in prison. This program, as the author correctly intends, will be equivalent to the services provided for the male prison inmates at the California Medical Facility.

I favor additional drug treatment options in prison and for parolees and to date we have added more than 6000 in-prison drug treatment beds and increased drug treatment programs for parolees. I object, however to the provisions of the bill that would eliminate prison sentences for serious drug offenses that include trafficking, sale or manufacturing.

Sincerely,

GRAY DAVIS

RECEIPT

I acknowledge receipt this 24th day of July 2000 at 9:12 p.m., of Assembly Bill No. 2108, without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Mary Ann McMullin.

RALPH ROMO
Chief Assistant Clerk

The following item veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

Item Veto—Assembly Bill No. 2885

Governor's Office, Sacramento
July 6, 2000

To the Members of the Assembly:

I am signing Assembly Bill No. 2885; however, I am deleting the allocation and the funding for the juvenile justice programs contained in this measure.

This bill appropriates \$242,600,000 General Fund to provide funding for continuation of the Citizens' Option for Public Safety (COPS) program and to establish and fund local juvenile justice programs. From this \$242,600,000 appropriation, the bill allocates (1) \$121,300,000 for the COPS program (5.15 percent, \$12,500,000 to district attorneys; 5.15 percent, \$12,500,000 to counties for jail operations; and 39.7 percent, \$96,300,000 to local agencies for front-line law enforcement), and (2) \$121,300,000 to counties for juvenile justice programs. The provisions of this bill would sunset on January 1, 2005, and states legislative intent to appropriate at least \$242,600,000 in fiscal years 2001–02, 2002–03, and 2003–04 for the purposes of funding the provisions of this measure.

The COPS program has provided supplemental funding to counties, cities, and special police protection districts for local law enforcement services in order to enhance public safety. This bill would provide statutory authority to continue this worthy program through 2003–04. I support continuing the COPS program and providing the full funding at the \$121,300,000 level allocated under the provisions of this measure.

With respect to the juvenile justice provisions in the bill, while I am supportive of programs that reduce juvenile crime and delinquency, the programmatic justification for the juvenile justice programs in the bill is insufficient to support the General Fund appropriation for this purpose.

In addition, given the lack of information regarding the components of the juvenile justice programs, the benefits of these programs as currently configured are unclear. Therefore, I am deleting the \$121,300,000 intended to fund the juvenile justice programs.

I would be supportive of subsequent legislation that would appropriate \$71,300,000 General Fund for proven juvenile justice programs and which contains the following components: (1) provisions specifying the funding in the measure would not be for the purpose of supplanting existing local funding, (2) provisions delineating a mechanism for the programs being funded to be measured and assessed for both expenditures and success, and (3) provisions specifying the criteria and standards for the use of the funds. Additionally, this subsequent bill should also include a \$9,210,000 General Fund appropriation for the Turning Point Academy program that was inadvertently left out of the Budget Bill.

In Section 2, paragraph (b)(4) of the bill, I am deleting the following:

~~(4) Fifty percent to the county or city and county to develop and implement a comprehensive multiagency plan that provides for a continuum of responses to juvenile crime and delinquency and demonstrates a collaborative and integrated approach for implementing a system of swift, certain, and graduated responses for at risk youth and juvenile offenders. This plan shall be developed by the local juvenile justice coordinating council in each county and city and county pursuant to Section 749.22 of the Welfare and Institutions Code and approved by the county board of supervisors, and in the case of a city and county, the plan shall also be approved by the mayor.~~

~~(A) The SLESF shall only allocate funding pursuant to this paragraph upon the submission by the local juvenile justice coordinating council of a local action plan to the county board of supervisors and the Board of Corrections.~~

~~(B) The local action plan shall identify ways for improving and marshaling existing resources to reduce the incidence of juvenile crime and delinquency in priority areas and the greater community. The plan shall also maximize the provision of collaborative and integrated services and shall specify strategies for all elements of response, including, but not limited to, prevention, intervention, suppression, and incapacitation to provide a continuum for addressing the identified juvenile crime problem. The plan shall also identify strategies for addressing gang and gender specific issues. The plan shall also identify outcome measures to help determine the effectiveness of the program which shall include, but not be limited to, the following:~~

- ~~(1) The rate of juvenile arrests per 100,000 of population.~~
- ~~(2) The rate of successful completion of probation.~~
- ~~(3) The rate of successful completion of restitution and court-ordered community service responsibilities.~~

In Section 3, paragraph (a) of the bill, I am deleting the following;
; and (4)

In Section 3, paragraph (c) of the bill, I am deleting the following:

~~(3) The costs of any capital project or construction project funded from moneys allocated pursuant to paragraph (4) of subdivision (b) of Section 30061.~~

In Section 3, paragraph (d)(1) of the bill, I am deleting the following;
; or (4)

In Section 3, paragraph (e) of the bill, I am deleting the following:
~~;~~ ~~and juvenile justice~~

In Section 4, paragraph (h) of the bill, I am deleting the following:

~~(h) In addition to the report specified in subdivision (e), each local juvenile justice coordinating council shall, beginning August 15, 2002, and annually thereafter, report to the county board of supervisors and the Board of Corrections, in a format specified by the board, on the effectiveness of programs funded pursuant to this chapter. The Board of Corrections shall compile the local reports and, beginning March 1, 2004, make an annual report to the Legislature on the statewide effectiveness of the comprehensive multiagency local action plans.~~

Sincerely,

GRAY DAVIS

Item Veto—Assembly Bill No. 2928

Governor's Office, Sacramento

July 6, 2000

To Members of the Assembly:

I am signing Assembly Bill No. 2928, a comprehensive transportation funding measure which incorporates most of the proposals I made for almost \$5 billion in congestion relief, transportation system connectivity and goods movement projects. The bill also provides over \$1.4 billion in additional funds over five years for local street and road maintenance, transit operations and State Transportation Improvement Program projects.

However, I am reducing or eliminating certain appropriations made in Section 6 of the bill, which adds Chapter 4.5 (commencing with Article 5, Section 14556.40) to Part 5.3 of Division 3 of Title 2 of the Government Code, by a total of \$93,800,000. These expenditures are being eliminated because I have specific concerns about the projects and their priority for inclusion in this plan, and about the precedent these projects would set with respect to state expenditures. Additionally, I am requesting that the Legislature enact subsequent legislation to correct certain technical defects in this bill and modify the financing of the program to have less of an impact on the State General Fund in future years.

I am reducing the expenditures in Chapter 4.5, Article 5, Section 14556.40, Subsection (a) of the Government Code by eliminating or reducing the following paragraphs:

Paragraph (120) is eliminated, which allocates \$1,500,000 to Yuba County for the Yuba Airport runway extension and associated improvements. This project is not a congestion relief project affecting most travelers in the area.

Paragraph (125) is eliminated, which allocates \$5,000,000 to the Orange County Transportation Authority for the Route 57 toll road environmental impact report and study for expansion project. The franchise agreement for this project prohibits use of state funds in this fashion.

Paragraph (130) is eliminated, which allocates \$3,500,000 to the City of Garden Grove for the Route 22; connector to the interchange with I-405. Over \$206 million for Route 22 is already included in paragraph (70).

Paragraph (131) is eliminated, which allocates \$800,000 to the town of Apple Valley for the Bear Valley Road closure project and Kasota Road safety redesign. Funding for this project may be available in the State Highway Operations and Preservation Program and through local street and road funding.

Paragraph (132) is eliminated, which allocates \$7,000,000 to Los Angeles County for the Fairway Drive grade separation project in the San Gabriel Valley. This project already has access to several funding sources through the Alameda Corridor East Project.

Paragraph (136) is eliminated, which allocates \$3,500,000 to City of Palmdale for the widening of Avenue S; between Route 14 and Route 138. This project does not appear to provide significant congestion relief or to fit other priorities for use of these funds.

Paragraph (137) is eliminated, which allocates \$5,500,000 to City of Lancaster for improvements to the Fox Field Industrial Corridor. This project does not appear to provide significant congestion relief or to fit other priorities for use of these funds.

Paragraph (138) is reduced by \$3,000,000 to \$4,000,000, which allocates funds to the Cross Valley Rail Corridor Joint Powers Authority for the upgrade of railroad track from Visalia to Huron. This project mainly funds improvements to rail lines that will be used by short line freight rail. Although I recognize that this project may provide significant local goods movement capacity, I expect local and railroad funds to provide the majority of funding.

Paragraph (142) is reduced by \$1,500,000 to \$2,000,000 for the City of West Hollywood for the repair, maintenance, and mitigation of Santa Monica Boulevard. A portion of this project appears to be eligible for the street and road maintenance funding provided in this measure.

Paragraph (143) is eliminated, which allocates \$1,900,000 to the Capital Corridor Joint Powers Authority for the expansion of intercity rail service between San Jose, Oakland, and the Sacramento region. Such service cannot be implemented this year, and the ongoing operating costs should be funded from the Public Transportation Account in due course.

Paragraph (144) is reduced by \$45,000,000 to \$5,000,000 for the Golden Gate Bridge Highway and Transportation District for the seismic retrofit of the Golden Gate Bridge. It is my understanding that other funding sources are available, and Caltrans will be working with the District to assist in securing federal funding for this project.

Paragraph (147) is eliminated, which allocates \$7,000,000 to the Imperial Valley Association of Governments for the reconstruction of the I-8/Imperial Avenue interchange. This project does not appear to provide significant congestion relief or to fit other priorities for use of these funds.

Paragraph (155) is eliminated, which allocates \$8,600,000 to the City of Chula Vista to acquire right-of-way, build, and operate a 10-mile limited access toll facility from San Miguel Road to Otay Mesa Road and conduct a due diligence review, including an independent appraisal of the feasibility of acquisition by a public agency of the Route 125 franchise agreement authorized under Section 143 of the Streets and Highways Code. I do not support state funding for the acquisition of a private toll road franchise.

Additionally, I am taking identical actions on the same projects as listed in SB 406, a measure that corrects certain provisions of this bill.

Sincerely,

GRAY DAVIS

RECEIPT

I acknowledge receipt this 7th day of July 2000 at 2:15 p.m., of the Governor's statement of the items of appropriation reduced or eliminated from Assembly Bills Nos. 2885 and 2928 delivered to me personally by Mary Ann McMullin.

HUGH R. SLAYDEN

Acting Chief Clerk of the Assembly

The following messages from the Governor were received and ordered printed in the Journal:

Governor's Message—Assembly Bill No. 2877

Governor's Office, Sacramento
July 6, 2000

To Members of the Assembly:

I am signing Assembly Bill No. 2877; however, the sections addressing the assessments on the industry by the Department of Managed Care are not consistent with what I proposed in the May Revision.

I request that the Legislature pass subsequent legislation to reestablish an assessment cap of \$35 million and restrict annual increases in assessments (within the cap) to no more than ten percent. This level should be sufficient to allow the Department to continue its currently budgeted operations for several years, while providing some moderate room for growth in program costs.

Sincerely,

GRAY DAVIS

Governor's Message—Assembly Bill No. 2876

Governor's Office, Sacramento
July 7, 2000

To Members of the Assembly:

I am signing Assembly Bill No. 2876, which makes statutory changes in the area of human services that are necessary to implement the Budget Act of 2000.

However, this bill also includes legislative intent that limited-term housing assistance be funded out of the employment services budget of the CalWORKs program, where appropriate. I am opposed to this provision because the CalWORKS grant is designed in part to defray housing costs and because limited-term supplemental assistance is provided through the Homeless Assistance Payment program or through other special needs payments. I am also opposed to this provision because of the potentially major cost pressures that would crowd out funds for the employment services portion of the program.

Therefore, I am directing the Department of Social Services to reject as inappropriate those county claims for limited term housing assistance that are not tied to specific parts of the existing CalWORKs program

and to target the allocation of employment services funding on a priority basis for existing CalWORKs purposes.

Sincerely,

GRAY DAVIS

Governor's Message—Assembly Bill No. 2866

Governor's Office, Sacramento
July 8, 2000

To Members of the Assembly:

I am signing Assembly Bill No. 2866; however, I am concerned about several provisions contained in this measure.

First, I am deleting Section 10 of this measure, because it contains an appropriation. This section would authorize the Board of Control to enter into an interagency agreement with the University of California, San Francisco, to establish a victims of crime recovery center, as a pilot project until June 30, 2004, at San Francisco General Hospital; and to establish supplemental mental health rates for eligible victims. By providing for new and expanded uses of a continuously appropriated fund, Section 10 of this bill would make an appropriation.

Consistent with my strong support for victims' rights, I sustained a total of \$525,000 in the 2000 Budget Act for one-time start-up costs for the victims of crime recovery center. However, I am concerned Section 10 would fund services that are normally not reimbursed and at rates that are twice the current level. The enhanced mental health reimbursement rates, funded by the Restitution Fund which is continuously appropriated to the Board of Control, could set a potentially costly precedent that could ultimately have a negative impact on the Restitution Fund and the ability to fund services to victims on a statewide basis.

I am also deleting Section 36 to conform with this action.

Second, I am concerned about provisions included in this measure that would require an assessment of rail transportation in California and recommendations for projects. While I do not object to assessing the potential for greater connectivity of the passenger rail system with other passenger travel modes, improved public safety, and mitigating congestion on rail corridors providing passenger service, I am concerned with the bill's implication that the State should propose projects to support private freight rail capital needs.

While I recognize that movement of goods has a strong tie to the state's ability to support commerce, I also recognize that private, for-profit companies that operate freight railroads are substantially capable of funding their own capital and operating needs. I am directing the Department of Transportation to limit its rail recommendations to those which are the proper subject of state funding, prioritizing them in context of the state's other pressing transportation needs. Furthermore, I would support legislation directing the University of California to conduct the private rail assessment.

In contrast to the sweeping request for project recommendations in this bill, the Traffic Congestion Relief Plan I proposed contains funding for priority freight rail-related capital projects which will relieve congestion on highways and streets. Funds proposed for the publicly-owned North Coast Rail Authority will restore service thereby reducing the burden on Route 101. Funds proposed for an eastern

extension of the Alameda Corridor project are based on the expectation that the freight rail company that participates in the Alameda Corridor project will contribute substantial funding, commensurate with the benefits it will obtain, while government funding is used substantially to reduce the conflicts between rail operations and street and highway traffic.

Sincerely,

GRAY DAVIS

RECEIPT

I acknowledge receipt this 10th day of July 2000 at 11:45 a.m., of the Governor's statement of the items of appropriation reduced or eliminated from Assembly Bill No. 2866 delivered to me personally by Mary Ann McMullin.

HUGH R. SLAYDEN

Acting Chief Clerk of the Assembly

Governor's Message—Assembly Bill No. 1544

Governor's Office, Sacramento

July 14, 2000

To the Members of the Assembly:

I am signing AB 1544, which will resolve a 10-year-old dispute and facilitate the development of the unincorporated area surrounded by the City of Redlands known as the "doughnut hole".

Last year I vetoed a nearly identical measure, AB 1553, and encouraged local officials and affected property owners to resolve this issue quickly. Unfortunately, resolution has not been reached. While I generally do not favor state intervention into local land use decisions, this is a unique situation where state action is warranted. This measure is necessary to facilitate the transition of the former Norton Air Force Base from military to civilian use, as was envisioned with the creation of the Inland Valley Development Authority. Moving forward with the development of this property is critically important to job creation in the Inland Empire, particularly in light of the 10,000 jobs lost due to the base closure.

This bill passed with the overwhelming endorsement of the State Legislature, more than a 2/3 vote in each house, many of whom are former local elected officials and strong advocates of local control. By signing this bill, I am not in any way preventing local government from amicably and fairly resolving this longstanding controversy with the property owners. In fact, I strongly urge the parties to once again attempt in good faith to reach an accord.

Sincerely,

GRAY DAVIS

Governor's Message—Assembly Bill No. 974

Governor's Office, Sacramento
July 18, 2000

To the Members of the Assembly:

I am not signing Assembly Bill 974 because I generally favor more public disclosure, not less.

However, this bill was sponsored by the Fair Political Practices Commission upon the recommendation of the Bureau of State Audits who determined that, after 26 years, the Political Reform Act of 1974 required some minor revisions.

Therefore, in deference to these two independent bodies I will allow this bill to become law without my signature.

Sincerely,

GRAY DAVIS

Governor's Message—Assembly Bill No. 2872

Governor's Office, Sacramento
July 19, 2000

To the Members of the Assembly:

I am signing Assembly Bill 2872, the omnibus environmental protection trailer bill, which implements several important policy initiatives contained in the Budget Act of 2000. Those initiatives include the establishment of a biomass facility grant program, developing cancer and school site risk assessment guidelines, monitoring air quality in portable classrooms, and cleaning up contaminated properties in urban areas ("brownfields").

However, in addition to programs funded in the Budget, this bill also contains programs for which funding is not provided. One is for the development of a geographical information management system for the Certified Unified Program Agencies (CUPA program). While there may be value in the collection of data from regulated businesses under the program, funding for such a system should be considered through the normal budget process.

In addition, the need for a *new* study of white croaker fish boundaries off the Palos Verdes Shelf is questionable. The State already has conducted a white croaker fish study, established fish closure boundaries, and received \$3,100,000 in federal funds to enforce the existing fish closure; therefore, there is no need for another study.

Notwithstanding these concerns, I am signing this measure.

Sincerely,

GRAY DAVIS

Governor's Message—Assembly Bill No. 1918

Governor's Office, Sacramento
July 21, 2000

To Members of the Assembly:

I am signing Assembly Bill 1918.

This bill would require community colleges to distribute a copy of the current transfer core curriculum to each student, and encourage copies of the curriculum to be made available at various campus locations.

I am supportive of increasing the numbers of community college students who go on to four-year colleges and universities, as

demonstrated by the \$155 million augmentation to Partnership for Excellence program in the 2000 budget. In addition, the California Community Colleges have also signed Memoranda of Understanding with the University of California and California State University that would provide for annual increases in transfers of 6 percent and 5 percent, respectively.

To further the objective of community college transfers to 4-year institutions, I would expect all Community College Districts to make information on core curriculum transfer requirements available to every student as a matter of practice. The logical and most cost-effective method would be to include this information in the class schedule.

Sincerely,

GRAY DAVIS

Governor's Message—Assembly Bill No. 2252

Governor's Office, Sacramento
July 21, 2000

To the Members of the Assembly:

I am signing Assembly Bill No. 2252 because it both promotes and supports an aeronautic future when Reusable Launch Vehicle flights will likely become common in California. However, I do believe that important safety, environmental and community concerns need to be addressed prior to the designation and certification of each site. While it is likely that some existing airports can and will safely meet local, state, and federal requirements, certification and administrative procedures need to be clarified. I have been assured by the author that he will carry follow-up legislation to address these issues. Therefore, I am signing this bill.

Sincerely,

GRAY DAVIS

Governor's Message—Assembly Bill No. 2811

Governor's Office, Sacramento
July 24, 2000

To the Members of the Assembly:

I am allowing Assembly Bill 2811 to become law without my signature.

This bill would temporarily extend a waiver of the Field Act so that the Pomona Unified School District may complete construction of an innovative facility for its students. I strongly support the Act, which provides important earthquake protections for California schools. I will not under any circumstances sign another bill waiving these important safety laws.

However, I am allowing this bill to become law because of unique and temporary circumstances for this school district.

Sincerely,

GRAY DAVIS

The following message from the Governor was received and ordered printed in the Journal:

MESSAGES FROM THE GOVERNOR

The following message from the Governor was received and ordered printed in the Journal:

Governor's Message—Assembly Bill No. 500

Governor's Office, Sacramento
August 9, 2000

To the Members of the Assembly:

I am signing Assembly Bill No. 500 with the following comments.

I am not in favor of legislative bans that restrict commerce. However, in the East Bay, a ban on trucks in excess of 9,000 pounds on a 10-mile section of I-580 has been in continuous effect since 1963. A study by Caltrans found no reason to lift the ban. To do so would be a breach of good faith with the residents of Oakland.

I also note the permanent ban is supported by City of San Leandro, East Bay Regional Park District, Gan-Trans-Ltd., City of Oakland, Alameda County Fire Department, MV Transportation, Inc., California Teamsters, Alameda County Board of Supervisors, Central Labor Council of Alameda, Bay Cities Metal Council, Alameda County Waste Management, San Leandro Chamber of Commerce, Hill Area Coalition and numerous residents of Oakland.

For these reasons, I am signing this bill.

Sincerely,

GRAY DAVIS

REQUEST FOR PHOTOGRAPHER

Assembly Member Dickerson was granted unanimous consent that a photographer be permitted on the Floor of the Assembly.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Upon request of Assembly Member Shelley, Assembly Member Honda was granted unanimous consent that the following statement be printed in the Journal:

IN MEMORIAM

Abilio Baca

Dear Mr. Speaker: I ask that the Assembly reflect on the memory of Abilio Baca, of Barstow, California, who passed away on July 18, 2000, from sudden illness. Abilio was the brother of Congressman Joe Baca.

They say a man is measured by the lives he touches. Through the grace of God, Abilio touched many lives.

Born in Las Neutras, New Mexico, Abilio served family and country with distinction. Although circumstances permitted him only to finish the third grade, he made lasting contributions. He served as an E-7 Staff Sergeant in the Army, where he fought in the Korean War; served twenty years with the National Guard; worked as an Army recruiter; and concluded his career as a Rigger Foreman for the Marine Corps Logistics Base.

Abilio was widely admired by family, friends and colleagues. He was hard working, dedicated, committed, disciplined, loving and supporting. He was everything one would want in a brother, son, father, husband, grandfather and great-grandfather.

From Las Neutras, New Mexico, to Barstow, California, Abilio's life was dedicated to family, friends and community. His memory lives on in our thoughts and prayers. We say, "Goodbye, God bless you, we love you, we miss you."

Abilio is survived by his wife, Barbara Baca; his children, Sabra Baca, Mary Arreola, Richard Baca, Patsy Baca, Ronnie Baca, and Brenda Guerrero; brothers and sisters, Annie Saiz, Florenio Baca, Lupe Baca, Morris Baca, Tanny Baca, Raymond Baca, Joe Baca, and Theresa Perez; grandchildren, Mark Nickerson, Paul Arreola, Alex Chavira, Ryan Baca, Christina Arreola, Anthony Chavira, Michael Arreola, Daniel Guerrero, Brittney Baca, Mathew Baca, Marissa Guerrero, Andrew Baca, and Joshua Baca; a great-grandchild, Jocelyn Leigh Nickerson; and by a large extended family, who share in the loss.

I respectfully request that the Assembly adjourn Floor Session today in his honor and memory.

Thank you for your understanding of this request.

MIKE M. HONDA, Assembly Member
Twenty-third District

SPECIAL CEREMONY HONORING RETIRING MEMBERS

At 9:48 a.m., a special ceremony was convened to honor Members retiring from the California State Assembly.

The following resolution was read:

House Resolution No. 64

By Assembly Member Hertzberg

Relative to commending the Honorable Bruce Thompson

WHEREAS, The Honorable Bruce Thompson, who has represented the 66th Assembly District for the past six years, has announced his retirement as an Assembly Member and, upon this occasion, he is deserving of highest commendations for his record of dedicated service to his constituents and the State of California; and

WHEREAS, Bruce Thompson was born in Idaho in 1953 and moved to California as a young child; and

WHEREAS, He received a degree in business administration and economics in 1976 from the University of La Verne in southern California; and

WHEREAS, Mr. Thompson is an accomplished businessman, having a long history of successful business ventures; in the mid-1980s he formed an international business importing marble from Malaysia that has since blossomed into extensive corporate relations throughout south-east Asia, and he recently served as Chairman of Hercules Offshore Corporation, a subsidiary of Trenergy (Malaysia) BHD, headquartered in Houston, Texas; and

WHEREAS, On November 8, 1994, he was overwhelmingly elected by the voters of the 66th District to represent them in the California State Assembly; and

WHEREAS, Assembly Member Thompson has held many leadership positions since being elected including Republican Caucus Chairman and Assistant Republican Leaders under Speaker of the Assembly Curt Pringle; and

WHEREAS, His most recent position was Assistant Republican Leader for Assembly Republican Leader Bill Leonard, and in this role, he served as the Republican Caucus Elections Chair, responsible for the 1998 Assembly Republican campaign efforts; and

WHEREAS, Assembly Member Thompson currently presides as Vice Chair of Veterans Affairs, while serving as a member of the Committees on Higher Education, Local Government, Elections, Reapportionment and Constitutional Amendments; and

WHEREAS, He has always been an active citizen in his community, serving in various official capacities, including water board member, school board member, and chamber of commerce president, and he has also served as the YMCA Vice President and Committee Chairman for Boy Scout Troop 718 in Fallbrook; and

WHEREAS, Along with his many career achievements and honorable record of community service, he finds no greater source of fulfillment than that of his own family; he and his wife, Donna, have been happily married for 25 years and have eight children, all of whom are extremely active in community and school events and programs, and they have resided in Fallbrook, in northern San Diego County, since 1990; and

WHEREAS, Through his professional, public, and community activities, he has made a significant impact on the people of the 66th Assembly District and throughout the state, and he will be sorely missed by those individuals with whom he has been associated; now, therefore, be it

Resolved by the Assembly of the State of California, That the Members of the California State Assembly take great pride in honoring Assembly Member Bruce Thompson for his outstanding service to the people of the 66th Assembly District and the people of California during his tenure as a Member of the California State Legislature, and extend to him heartiest best wishes for happiness and success in his future endeavors; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a suitably prepared copy of this resolution to the Honorable Bruce Thompson.

Consideration of House Resolution No. 64 by Unanimous Consent

Without objection, House Resolution No. 64 was taken up, without reference to committee or file.

HOUSE RESOLUTION NO. 64—Relative to commending the Honorable Bruce Thompson.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Erich Fromm, the noted American thinker, best known for his application of psychological theory to social and cultural problems, taught:

“Do not do to others what you would not have them do to you” is one of the fundamental principles of ethics. But it is equally justifiable to state: Whatever you do to others, you also do to yourself.

People do not exist in isolation from one another. Rather, we live in a state of relationship with those around us. While we are very often aware of the impact that the behavior of those around us has on our lives, we sometimes forget that the way we treat others also impacts who we are and how we live.

Fromm suggests that it is not enough to simply refrain from negative actions, but that we must also initiate and engage in positive behavior.

If we approach the world with kindness, compassion and joy, we then alter our perception of how the world is treating us, by virtue of the fact that we are then more open to receiving and seeing positive behavior in others. This is because as we do to others, we are also doing to and for ourselves.

May the Holy One of Blessing grant us the wisdom, strength and ability to create the world we wish to live in. May this be God’s will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Washington then led the Assembly in the pledge of allegiance to the Flag.

MOTION TO DISPENSE WITH READING OF THE JOURNAL

Further reading of the Journal of the previous legislative day was dispensed with on motion of Assembly Member Wayne, seconded by Assembly Member Thompson.

REPORTS

The following letter of transmittal was presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

2000-102
August 2, 2000

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Social Services (department) and its processes for licensing and monitoring child care facilities throughout California.

This report concludes that state law gives the department wide discretion to decide if people with criminal histories should care for or have contact with children—wider discretion than the criminal background check standards set for public school teachers. In 1999 alone, the department granted criminal history exemptions to 95 percent of those individuals who requested one. Based on our review, the department needs to exercise greater caution when utilizing its discretion to grant criminal history exemptions. Moreover, the department interprets state law regarding Federal Bureau of Investigation (FBI) check requirements in a way that does not fully protect children and may have inappropriately licensed or allowed individuals to work in child care facilities without first reviewing their FBI criminal histories. In addition, the department needs to improve how it monitors child care facilities after licensure. Finally, the

department should process its legal cases against child care facility owners, operators, employees, and residents more quickly and provide its staff with clear policies on enforcing these legal decisions.

Respectfully submitted,

STEVEN M. HENDRICKSON

for MARY P. NOBLE

SPECIAL CEREMONY HONORING RETIRING MEMBERS

At 12:12 p.m., a special ceremony was convened to honor Members retiring from the California State Assembly.

House Resolution No. 83

By Assembly Member Hertzberg

Relative to commending the Honorable Jim Battin

WHEREAS, The Honorable Jim Battin, who has represented the 80th Assembly District for the past six years, has announced his retirement as an Assembly Member, and it is appropriate at this time to highlight his many achievements and to commend him for his illustrious record of service to the State of California; and

WHEREAS, First elected to the California State Assembly in 1994, Jim Battin won the election with broad bipartisan support in the vast and diverse 80th Assembly District and was easily reelected in 1996 and again in 1998, and he won the Republican Primary Election in March 2000 for the 37th California Senatorial seat; and

WHEREAS, In 1994 he was named Caucus Whip for the new Republican majority in the Assembly, and he later served as the Republican Caucus Chairman, where he directed Republican policy strategy, floor operations, managed the caucus, and kept Members informed about legislation; and

WHEREAS, As the father of three children, Assembly Member Battin has tirelessly worked toward passing legislation that protects children from abuse, sexual predators, and drunken drivers, and in 1998 his legislation, Assembly Bill 1646, was signed into law by the Governor, which prohibits the Department of Corrections from paroling a child molester near a school; and

WHEREAS, He introduced the California 21st Century Classrooms Act, which grants special tax credits to corporations that donate computer equipment to public or private K–12 schools, and he worked on reducing overcrowded classrooms to acceptable sizes and in maintaining proper working conditions; and

WHEREAS, Since coming to Sacramento, Assembly Member Battin has consistently advanced legislation that underscores his commitment to lowering taxes, and he has been a driving force behind the creation of jobs for Californians by streamlining excessive government regulations and reducing the high taxes that make it difficult for California businesses to remain competitive; and

WHEREAS, When gas prices climbed to record levels, Assembly Member Battin was the first to ask the State Air Resources Control Board to allow federal-reformulated gasoline into California for a period of up to 120 days to refill the gap in supply of gasoline formulated under California's heightened standards; and

WHEREAS, Assembly Member Battin has supported across-the-board reductions in the personal income tax; during his five-plus years in the Assembly, Californians have seen incremental reductions for a large variety of taxes or fees, affecting both individuals

and businesses; in 1997 he worked with fellow Republicans to achieve an increase in the dependent credit, which affects everyone who claims a dependent, including single persons who claim themselves, and he, along with his Republican colleagues, also achieved a reduction in the car tax or vehicle license fee; and

WHEREAS, He has been the driving force behind Bringing Home the Holidays, the largest food donation program in the Coachella Valley, and is a past Board Member of Martha's Kitchen, which distributes food to the needy; he has also been active in the Youth Education Motivation Program, where business people share with students the secrets of success in the workplace, and he has sponsored an annual college scholarship program that has provided thousands of dollars to outstanding graduating high school students; and

WHEREAS, Prior to his election to the Assembly, Jim Battin was a television executive with KMIR-TV, the NBC television affiliate in Palm Desert, for a decade; and

WHEREAS, Assembly Member Battin was born and raised in Montana, graduated from the University of Oregon, where he met his wife, Mary, and they have three children, Christopher, Bailey, and Kelsey; and

WHEREAS, Through his professional, public, and community activities, Jim Battin has made a significant impact on the people of the 80th Assembly District and throughout the state, and he will be sorely missed by those individuals with whom he has been associated; now, therefore, be it

Resolved by the Assembly of the State of California, That the Honorable Jim Battin be honored for his outstanding service to the people of the 80th Assembly District and the people of California during his tenure as a Member of the California Assembly, and extended heartiest best wishes for happiness and success in his future endeavors; and be it further

Resolved, That the Chief Clerk of the Assembly transmit a suitably prepared copy of this resolution to the Honorable Jim Battin.

Consideration of House Resolution No. 83 by Unanimous Consent

Without objection, House Resolution No. 83 was taken up, without reference to committee or file.

HOUSE RESOLUTION NO. 83—Relative to commending the Honorable Jim Battin.

Resolution read and adopted unanimously.

House Resolution No. 74

By Assembly Member Hertzberg

Relative to commending the Honorable Tom Torlakson

WHEREAS, The Honorable Tom Torlakson, who has represented the 11th Assembly District for the past four years, has announced his retirement as an Assembly Member and, upon this occasion, he is deserving of highest commendations for his record of dedicated service to his constituents and the State of California; and

WHEREAS, Assembly Member Tom Torlakson was elected to the Assembly in 1996 and was re-elected in 1998, and, during his first term in the California State Assembly, Mr. Torlakson became a leader in education and housing while fighting for transportation improvements and a balance between jobs and affordable housing; and

WHEREAS, Assembly Member Torlakson cares for and works on behalf of the state's children and he authored Assembly Bill 2284 of the 1997-98 Regular Session, an innovative piece of legislation that created state-funded after-school programs and he authored other legislation that dedicated \$50 million to elementary and junior high schools for after-school programs and he subsequently authored legislation that increased the allocation to \$85 million annually; and

WHEREAS, He was a key architect of the plan for school facilities funding embodied in Senate Bill 50, which was approved by the voters in 1998 as Proposition 1A, and which authorized \$9.2 billion for new schools and for the modernization and rehabilitation of older schools; and he has led successful efforts to establish and fund numerous day care and Head Start centers; and

WHEREAS, Assembly Member Torlakson has championed several consumer and public safety causes including successful passage of amusement parks safety legislation and bills to crack down on drunken drivers and reduce the threat of D.U.I. repeat offenders; and

WHEREAS, Assembly Member Torlakson continues to focus on transportation improvements through his chairmanship of the Assembly Transportation Committee; he has concentrated on making road building and repair process more efficient and authored Assembly Bill 1012 to put gas tax dollars to work more efficiently and quickly; and he has initiated planning and funding efforts to extend BART to Antioch and Livermore and fund more rail and water transit to West and Central Contra Costa; and

WHEREAS, He has been a key advocate for an additional bore at the Caldecott Tunnel and for widening State Route 4, and he has conducted a series of hearings to examine Bay Area transportation challenges and has been a key leader in the effort to develop a state infrastructure improvement plan to address the public's needs; and

WHEREAS, Assembly Member Torlakson has been a leader in establishing a positive business climate; he initiated the Contra Costa Economic Summit and Countywide Strategy on Economic Vitality; and he led in developing the voter-approved Contra Costa County General Plan to provide a balance for economic growth, environmental safeguards, agricultural land protection, and housing; and

WHEREAS, Assembly Member Torlakson has been a leader on the issues of water quality and Delta protection; he initiated plans for a major Delta interpretive center and spearheaded efforts to fund this "Delta Science Center" in Oakley near the San Joaquin River; and as first Chairman of the Delta Protection Commission, he led a two-year effort to develop the Delta Land Use and Resource Management Plan; and

WHEREAS, Several statewide groups—including the California Chapter of the American Planning Association, the California Association of Local Agency Formation Commissions, and the California Independent Public Employees Legislative Council—recognized Assembly Member Torlakson as their "Legislator of the Year" for his outstanding work, and he has been recognized by several statewide organizations for his leadership on affordable housing issues; and

WHEREAS, Assembly Member Torlakson has introduced, coauthored, and supported legislation on numerous issues of importance to his district that have become enacted into law, including the following which were enacted during the 1999–2000 Regular Session: Assembly Bill 2928, which implemented traffic congestion relief through The Governor's Plan and the Transportation Investment Fund; Assembly Bill 178, which implemented local sales tax protection; Assembly Bill 850, which established amusement park safety; Assembly Bill 1012 relating to Caltrans: Project Delivery Streamlining; and Assembly Bill 1661 relating to infrastructure bank/local tax return; and

WHEREAS, In addition, in the 1997–98 Regular Session the following measures authored by Assembly Member Torlakson were enacted: Assembly Bill 1705, which reformed California law allowing scattering of cremated human remains on land 500 yards from shore; Assembly Bill 1265 to increase the state low-income housing tax credit by \$15 million per year; and Assembly Bill 2284 to provide after school academic programs for 4th through 6th grades; and

WHEREAS, Assembly Member Torlakson has served the California State Assembly admirably as a Chair of the Transportation Committee, Chair of the Housing and Community Development Committee, Chair of the Select Committee on Jobs-Housing Balance, an Ex-Officio member of the California Transportation Commission, Co-Chair of the Assembly Local Government Caucus, and a member of the Budget Committee, the Budget Subcommittee No. 5: Information Technology/Transportation, Budget Subcommittee on Education Financing, Local

Government Committee, Joint Legislative Audit Committee, Select Committee on Tire Disposal, Waste Parks and Wildlife Committee, Higher Education Committee, and Council of State Governments-WEST; and

WHEREAS, During his distinguished tenure with the California State Assembly, he has personally authored numerous bills, including those specifically mentioned herein, that have been signed into law, and he has also worked to enact hundreds of other measures by coauthoring or assisting with negotiations and compromises; and

WHEREAS, Assembly Member Torlakson is an avid runner and biker, and he initiated California Fitness Month to promote physical fitness and healthier living; and in September 1999, he won his age group (50 to 59) and took home a gold medal when he competed in the Delta International Triathlon on Bethel Island in East Contra Costa County; and

WHEREAS, Assembly Member Torlakson lives in Antioch with his wife of 29 years, Diana, and their daughters, Tiffany and Tamara, and Mr. Torlakson has been a high school cross-country and fitness coach for 26 years; and

WHEREAS, Through his professional, public, and community activities, he has made a significant impact on the people of the 11th Assembly District and throughout the state, and he will be sorely missed by those individuals with whom he has been associated; now, therefore, be it

Resolved by the Assembly of the State of California, That the Members take great pride in honoring Assembly Member Tom Torlakson for his outstanding service to the people of the 11th Assembly District and the people of California during his tenure as a Member of the California State Assembly, and extend to him heartiest best wishes for happiness and success in his future endeavors.

Resolved, That the Chief Clerk of the Assembly transmit a suitably prepared copy of this resolution to the Honorable Tom Torlakson.
