PRAYER

Upon invitation of the Chief Clerk, the following prayer was offered by Rabbi Mona Alfi, from the Congregation B'nai Israel, in Sacramento:

Before this august body commences with the sacred work with which it has been entrusted, it is important for each person to stop and to reflect, and to acknowledge the greatness of this moment. It is important to take the time to appreciate the honor that has been bestowed by the people of California on each and every member of this legislature.

The great American philosopher, Henry David Thoreau taught that "If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with a success unexpected in common hours."

Each person here had the courage to advance in the direction of his or her dreams, and as a result you have been rewarded by having the capacity, and the power, to do good. An opportunity to live the life that so many can only imagine.

We ask the Holy One of Blessing to bestow upon us the ability to never take for granted the sacred trust that we have been given. We pray that we shall always find satisfaction in even the most challenging of tasks which lie ahead, and may we continue to advance in the direction of our dreams. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of the Chief Clerk, Assembly Member-elect and Dean of the Assembly, Lou Papan, led the Assembly in the pledge of allegiance to the Flag.

As used in this rule, "committee" includes a standing committee, joint committee, conference committee, subcommittee, select committee, special committee, research committee, or any similar body.

(b) Any meeting that is required to be open and public pursuant to this rule, including any closed session held pursuant to subdivision (c), shall be held only after full and timely notice to the public as provided by the Joint Rules of the Assembly and Senate.

(c) The Assembly or a committee thereof may hold a closed session solely for any of the following purposes:

(1) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Assembly.

If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be discussed, unless the presiding officer or chair states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage. If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property that the negotiations may concern and the person with whom the negotiations may take place.

(g) The legal counsel for the Assembly or the committee shall prepare and submit to the Assembly or the committee a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is held pursuant to paragraph (1) of subdivision (e), the memorandum shall include the title of or other identification of the litigation. If the closed session is held pursuant to paragraph (2), (3), or (4) of subdivision (e), the memorandum shall set forth the existing facts and circumstances on which the closed session is based. The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the closed session. The memorandum shall be exempt from disclosure under the Legislative Open Records Act contained in Article 3.5 (commencing with Section 9070) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

(h) For purposes of paragraph (3) of subdivision (c), "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(i) For purposes of this rule, all expressions of the lawyer-client privilege other than those provided in this rule are hereby abrogated. This rule is the exclusive expression of the lawyer-client privilege for the purposes of conducting closed-session meetings pursuant to this rule.

(b) Each of the Assembly investigating committees shall consist of the members of the standing committee on the same subject as most recently constituted. The chairperson and vice chairperson shall be the chairperson and vice chairperson of the standing committee. Vacancies occurring in the membership of the committee shall be filled by the appointing authority.

(c) Each committee and any subcommittee, and its members, shall have and exercise all the rights, duties, and powers conferred upon investigating committees and their members by law and by the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from time to time, which rules are incorporated herein and made applicable to the committee or subcommittee and their members.

(d) In order to prevent duplication and overlapping of studies between the various investigating committees herein created, no committee may commence the study of any subject or matter not specifically authorized herein or assigned to it unless and until prior written approval thereof has been obtained from the Committee on Rules.

(e) The Committee on Rules shall provide for the expenses of the above committees and their members and for any charges, expenses, or claims they may incur under this rule, to be paid from the Assembly Operating Fund and disbursed, after certification by the Chairperson of the Committee on Rules or his or her authorized representative, upon warrants drawn by the Controller upon the State Treasury.

Membership of Standing Committees

12. The Speaker shall determine the size, and appoint the membership and the chairperson and vice chairperson, of all standing committees and subcommittees. In appointing Members to serve on committees, the Speaker shall consider the preferences of the Members.

Committee on Rules

13. There is a Committee on Rules, which shall act as the executive committee of the Assembly. The committee shall consist of the chairperson, who shall be a Member selected by the Speaker, and seven other members, four to be selected by the Speaker and three, including the vice chairperson of the committee, to be selected by the Minority Floor Leader. One alternate member of the Committee on Rules shall be selected by each party leader. Members and alternates so selected shall remain in office until their successors are selected as provided for in these rules. The Speaker or the Minority Floor Leader may designate any member of their respective parties in lieu of or in addition to the alternate member to fill a temporary vacancy.

An alternate member may serve when a committee member of the same political party is absent. No regular member of the Committee on Rules may simultaneously serve as a chairperson of any standing committee.

All meetings of the Committee on Rules that are required to be open and public shall be held in a room of appropriate size, and audio or video transmission of those meetings shall be provided.

The rules and procedures of each caucus shall be determined by that caucus, but may not be inconsistent with these rules.

The Assembly General Research Committee may act through subcommittees appointed by the Speaker in consultation with the Committee on Rules, and each of these subcommittees may act only on the particular study or investigation assigned by the Speaker in consultation with the Committee on Rules to that subcommittee. Each subcommittee shall be known and designated as a select committee. The Speaker is the Chairperson of the Assembly General Research Committee and may be a voting member of any subcommittee. Each member of the Assembly General Research Committee is authorized and directed to receive and investigate requests for legislative action made by individuals or groups, and to report thereon to the full committee. The Committee on Rules is authorized to allocate to any subcommittee from the Assembly Operating Fund those sums that the Committee on Rules deems necessary to complete the

Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the greatest number of Members in the Assembly and three members shall be from the political party having the second greatest number of Members. Any temporary or permanent vacancy on the committee shall be filled within 10 days by a member from the same political party. All appointments, including appointments to fill permanent or temporary vacancies, of members from the political party having the second greatest number of Members in the Assembly shall be made from a list of nominees that the Minority Floor Leader provides to the Speaker. The Speaker shall designate one member of the committee from the political party having the greatest number of Members in the Assembly and one member of the committee from the political party having the second greatest number of Members to serve as co-chairs of the committee. The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, shall apply to the committee and shall govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee shall have the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as "standards of conduct."

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing, which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

No complaint may be filed with the committee after the expiration of 12 months from the date the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in any case concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the appropriate law enforcement agency. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony regarding which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning an alleged

violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the appropriate law enforcement agency. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the appropriate law enforcement agency. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(l) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, and reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the greatest number of Members in the Assembly and two members from the registered political party having the second greatest number of Members. Any vacancy on the committee does not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules.

Pursuant to Section 8956 of the Government Code, the committee shall conduct, at least annually, an orientation course on the relevant ethical issues and laws relating to lobbying. The committee shall impose fees on lobbyists for attending this course at an amount that will permit the participation of lobbyists to the fullest extent possible.

At least once each biennial session, each Member of the Assembly and each designated employee of the Assembly shall attend one of these courses.

Printing of Committee Reports

23. All requests for the printing of reports of Assembly committees shall be referred to the Committee on Rules. The Committee on Rules shall determine the number of copies needed and whether the report shall be printed in the Journal. In no event may more than 1,000 copies of any committee report be authorized by the Committee on Rules on the first printing, exclusive of the Journal copies if the report is to be printed therein, unless the Committee on Rules finds and determines that there is a special need for that report in greater numbers.

Printing Assembly History and Legislative Handbook

37. During the session, the Chief Clerk shall cause to be printed and placed upon each Member's desk, prior to convening on Monday of each week, a complete history showing all actions taken upon each measure up to and including the legislative day preceding its issuance. For each legislative day intervening between the issuance of each Weekly History, there shall be printed a Daily Supplemental History showing only actions taken upon any measure since the issuance of the preceding Weekly History.

The Chief Clerk of the Assembly shall, as soon as practicable, in each even-numbered year, commence to compile a legislative manual or handbook, pursuant to Section 9740 of the Government Code.

V. LEGISLATIVE PROCEDURE

Order of Business

40. (a) The order of business of the Assembly shall be as follows:

1. Roll Call
2. Prayer by the Chaplain
3. Reading of the Previous Day's Journal
4. Presentation of Petitions
5. Introduction and Reference of Bills
6. Reports of Committees
7. Messages From the Governor
8. Messages From the Senate
9. Motions and Resolutions
10. Business on the Daily File
11. Announcements
12. Adjournment

(b) With the exception of Special Orders of Business, the Speaker may determine that a different order of business will result in a more expeditious processing of the business of the Assembly by ordering resolutions honoring an individual or an organization, introductions, and adjournments in memory of individuals to be taken up in a different order than that listed in subdivision (a).

Pledging of Allegiance to the Flag

41. At each session, following the prayer by the Chaplain, the Members of the Assembly and its officers and employees present in the Assembly Chamber shall pledge their allegiance to the Flag of the United States of America. The Speaker shall invite guests present in the Assembly Chamber to join in the pledge of allegiance to the Flag of the United States of America.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with, on motion, by a majority vote of the Members present and voting.

(b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.

(c) A motion to correct any day's Journal or to print a letter in the Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules shall refer each bill to a committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, shall refer it to some other committee. The action to refer a bill shall not be debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one legislative day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately.

Presentation of Guests or Memorials in the Assembly

45.5. These rules do not prohibit the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests. A request that a session of the Assembly adjourn in memory of a person shall be made in writing. The request shall be read by the presiding officer immediately prior to adjournment.

A. Bills and Resolutions

Bills Defined

46. (a) The word "bill," as used in these rules, includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

- (1) It shall be given only one formal reading.
- (2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

Introduction and Reference of Bills

47. Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced that does not contain the signature of its author or coauthor, the bill, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members. In each legislative session, on the first day when bills are introduced under "Introduction and Reference of Bills," the roll shall be called from A to Z and, as each Member's name is called, the Member may introduce one bill, constitutional amendment, or concurrent or joint resolution. After this roll call, the preprint bills shall be introduced in numerical order.

After the introduction of preprinted bills, and subject to the provisions of the Joint Rules of the Senate and Assembly, any Member desiring to introduce a bill, constitutional amendment, or concurrent or joint resolution may at any time during a session send the same to the Chief Clerk's desk.

When received at the Chief Clerk's desk it shall, under the proper order of business, be numbered, read the first time, printed, and referred to a standing committee, and a copy thereof shall be placed upon the desk of each Member before final passage.

All bills, constitutional amendments, and concurrent or joint resolutions introduced before the standing committees of the Assembly are appointed shall be referred to committee, the references to take effect when the committees are appointed.

Any committee may introduce a bill germane to any subject within the proper consideration of the committee in the same manner as any Member. No committee bill may be introduced unless it contains the signatures of a majority of all of the members, including the chairperson, of the committee. If all of the members of a committee sign the bill, at the option of the committee chairperson the committee members' names need not appear as authors in the heading of the printed bill.

Bills Authored by a Former Member

47.1. Whenever the author of a bill in the Assembly is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Assembly Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, no action may be taken by a committee or the Assembly with respect to a bill authored by a former Member.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 30 bills in the regular session.

(b) This rule does not apply to a constitutional amendment, any type of resolution, or a bill introduced by a committee pursuant to Rule 47.

(c) This rule may be suspended with respect to a particular bill by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, shall refer it to some other committee. A motion to refer a bill shall not be debatable, except as to the propriety of the motion, and it shall not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill that upon introduction makes no substantive change in or addition to existing law, and would not otherwise affect the ongoing operations of state or local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Introduction of House Resolutions

53. All house resolutions shall be numbered and shall be referred to the appropriate committee by the Committee on Rules.

Each house resolution shall be signed by each Member who is an author or coauthor of the house resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of his or her immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk may not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Speaker, unless permission for a different hearing time is granted by the Speaker. No committee or subcommittee may meet during any session of the Assembly, nor may any Member of the Assembly attend a conference committee meeting on any bill during any session of the Assembly without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area that is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee shall not be held in the Assembly Chamber.

No bill may be set for hearing, nor may any notice thereof be published by any Assembly committee or subcommittee, until the bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of a special meeting, or a meeting of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a "working day" is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third reading or the unfinished business file, and of any amendment to a bill that is on the Assembly floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee shall constitute a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, shall be required to report a bill out of the committee or subcommittee, respectively. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification, and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. No action taken by a committee may be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith; the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote shall be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show, for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and that explanation shall be printed in the appendix to the Journal in the appropriate place, provided that no explanation may exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time may a bill be passed out by a committee without a quorum being present.

This rule shall not apply to any of the following:

- (a) Adoption of author's amendments to a bill.
- (b) Withdrawal of a bill from a committee calendar at the request of an author.
- (c) Return of bills to the house where the bills have not been voted on by the committee.
- (d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.
- (e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation, but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for that committee's assignment of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. No chairperson of a standing committee shall preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills**Daily File**

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided Rule 58 has been complied with in the order of their listing, unless otherwise ordered by unanimous consent or an affirmative vote of two-thirds of the Members present. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action on Floor

64. No bill may be considered or acted upon on the floor of the Assembly unless and until a copy of the printed bill as introduced, and a printed copy of each amended form of the bill, have been placed upon the desks of the Members.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day, and may not be read a second time until the next legislative day under that order of business. As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly may not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget Bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Passage of Budget Bill

66.7. (a) No subcommittee of the Committee on Budget may meet until the Chairperson of the Committee on Budget establishes in writing the General Fund appropriations limit for each subcommittee.

(b) Between the date upon which a committee on conference of the Budget Bill is appointed and the date the Assembly adopts the report of the conference committee, the Chairperson of the Committee on Budget shall provide weekly written reports to the Members on the progress of the conference committee deliberations. The weekly report shall detail all major resolved and outstanding issues before the conference committee on the Budget Bill.

No Budget Bill may be voted upon on the floor of the Assembly unless it does all of the following:

(1) Balances expenditures with anticipated revenues.

(2) Provides for a General Fund reserve of not less than 3 percent of the total of all General Fund appropriations made in the Budget Bill for the fiscal year, or provides for a reserve of not less than 1 percent and a specific plan to phase in a reserve of at least 3 percent within three years. The percentage of the General Fund reserve shall be calculated by dividing the reserve of the General Fund by estimated revenues of the General Fund for the fiscal year. The phase-in plan shall be contained in another bill or in a section of the Budget Bill and shall have detail sufficient to instruct future sessions of the Legislature regarding the manner in which the 3 percent reserve requirement is to be met.

(3) Is based upon no external borrowing by the state other than borrowing that the enacted Budget Bill or other statute would require to be repaid during that fiscal year.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading, and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading by committee amendment shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared, or approved as to form, by the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills shall be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee, or on the third reading by the Assembly, of the bill, those amendments, or any part thereof.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding any other rule, a bill to be amended pursuant to this rule may not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments to the bill. A vote on passage of an amended bill, when the amended form of the bill is not in print, may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the effect of the amendment upon the bill can be readily understood by all of the members and audience present at the hearing. In that circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. No bill may be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

As used in this rule, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

Analysis of Conference Committee Amendments

68.7. No report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. No conference report may be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) No conference committee on any bill, other than the Budget Bill or a bill that is making statutory changes to implement the Budget Bill, may approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change shall be deemed the only action taken when the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term “heard” means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session; or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading, and that motion to amend may be adopted by a majority vote of the Members present and voting.

No amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, or amendments previously printed in the Journal, shall be in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. A copy of a bill that has been amended only to add coauthors to the bill is not required to be placed upon the desks of the Members if both the Speaker and Minority Leader grant an exemption.

Amendments offered from the floor during a bill’s second or third reading shall be prepared, or approved as to form, by the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, shall be delivered to the Chief Clerk’s desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) (1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk by 5:00 p.m. or the time of adjournment, whichever is later, the business day before the start of session on the legislative day at which they are to be considered.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit, and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(3) As used in this subdivision, "bill" does not include a joint or concurrent resolution, but does include a constitutional amendment.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this rule, (4) amendments to the Budget Bill or to a bill that is making statutory changes necessary to implement the Budget Bill, or (5) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and may not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one calendar day. This subdivision shall not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) No motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, shall be in order on (1) the last two legislative days preceding the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution or (2) the last three legislative days preceding the scheduled commencement of the interim study recess or the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly. Paragraph (2) may be suspended temporarily by two-thirds vote of the Members present and voting.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political Practices Commission for distribution to the news media and to every person who has requested the commission to send a copy of any such bill to him or her.

**Electronic Distribution of Bills,
Conference Reports, Amendments, and Analyses**

69.5. Subject to subdivision (b) of Section 8 of Article IV of the California Constitution, any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members shall include electronic distribution of the same information to the desk of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill that has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and may not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. No bill may be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. A concurrent or joint resolution may be amended by a majority vote of the Members present and voting. The ayes and noes may not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute or the California Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded shall require an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money shall require an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption, it shall be printed in the Journal only if amendments to it have been adopted, in which case it shall be printed as amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. It shall require the same affirmative recorded vote to concur in any Senate amendment to an Assembly bill as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, “bill” does not include a joint or concurrent resolution, but does include a constitutional amendment.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee of reference in compliance with Joint Rule 61 is not subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on the third reading file on two successive legislative days, it shall be placed forthwith upon a special file to be known as the inactive file. A bill also may be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by request of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or the unfinished business file, respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills that come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be ordered by the Speaker forthwith to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

- First—To adjourn;
- Second—To recess to a time certain;
- Third—To lay on the table;
- Fourth—For the previous question;
- Fifth—To set as a special order;
- Sixth—To postpone indefinitely;
- Seventh—To refer to or to re-refer;
- Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. No appeal is in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker forthwith shall put one of the following questions to the Assembly:

- (1) "Shall the decision of the Speaker be sustained?"
- (2) "Shall the decision of the Speaker be overruled?"

An appeal cannot be amended and yields only to a motion to recess or adjourn, or to lay on the table, or a question of personal privilege. If an appeal is laid on the table, that action shall have no effect on the pending question.

An appeal cannot be debated when relating to indecorum, the transgression of rules, or the priority of business. A majority vote of the Members present and voting shall decide any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation may not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and cannot be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment, and the hour at which the motion was made and adjournment taken, shall be entered in the Journal. A motion to adjourn shall be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement may not occupy more than two minutes and is not debatable.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required to adjourn any session of the Assembly *sine die*.

To Recess to a Time Certain

85. A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and cannot be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution is adopted by an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it, except that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table is adopted by a majority vote of the Members present and voting.

A motion to lay on the table cannot be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members, and its effect, when sustained by a majority vote of the Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending, except that the proponent of the matter pending shall be allowed not more than five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business is adopted by an affirmative recorded vote of 54 or more members. The motion is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain shall be deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. The making of a motion to postpone indefinitely any bill, motion, or amendment opens the main question to debate. If the motion to postpone indefinitely prevails by an affirmative recorded vote of 41 or more Members, the main question may not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but no “amendment to an amendment” may be amended. A motion to substitute shall be deemed to be a motion to amend and shall be considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend that is decided in the negative is not again in order on the same day, or at the same stage of proceeding. The fact that a motion to amend by striking out certain words is decided in the negative does not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words, except that in no case may a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment To Be Germane

92. No amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

No motion or proposition on a subject different from that under consideration may be admitted as an amendment.

No amendment is in order that changes the original number of any bill.

No Member may be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. No motion, whether oral or written, may be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. (a) A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer may be debated only as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

(b) No bill or resolution may be withdrawn from committee and placed upon the file, unless a motion to withdraw has been heard by, and has been approved by a majority vote of, the Committee on Rules. This subdivision does not apply to a bill in a fiscal committee that has been amended so as not to require its reference to a fiscal committee, as indicated by the Legislative Counsel's Digest.

(c) A motion to continue a motion to withdraw a bill or resolution from committee shall require a majority of those members present and voting. No motion to withdraw a motion to withdraw shall be in order.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion is debatable only as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution may not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by the affirmative recorded vote sufficient to take that action originally, except that no action may be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. No motion to rescind the action and expunge the record may be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged may not appear in any form whatsoever, except that the record of the proceedings on the motion to rescind and expunge shall appear in the Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day shall be made on the same day the vote to be reconsidered was taken. No motion to reconsider shall be adopted unless it receives an affirmative recorded vote of 41 or more Members. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote shall be made by a Member voting on the question, and shall take precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered forthwith shall be placed upon the unfinished business file, and no further action may be taken prior to the next legislative day.

When a motion to reconsider has once been made, the motion is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status it had prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate, or the vote whereby a conference committee report is adopted is in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption is in order on the last legislative day preceding the interim study recess. The motion may be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a joint or concurrent resolution.

(2) January 31—Even-numbered Year:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate is in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading is in order on the last legislative day preceding January 31 of the even-numbered year. The motion shall be taken up before the end of that legislative day.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(3) Spring or Summer Recess:

No motion to reconsider the vote whereby a bill is passed is in order on the last two legislative days preceding the Spring or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Deadline for Passage by House:

No motion to reconsider the vote whereby an Assembly bill is passed to the Senate is in order on the last two legislative days preceding the last day for the Assembly to pass a bill introduced in the Assembly, as set forth in the Joint Rules of the Senate and the Assembly.

As used in this paragraph, "bill" does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(5) Final Recess:

No motion to reconsider the vote whereby a bill is passed is in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated is in order on the day of the final recess. The motion shall be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion, previously made by another Member, to reconsider the vote on that matter. A motion to take up on the same day a motion to reconsider the vote on a bill shall require an affirmative recorded vote of at least 41 Members. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill shall require an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day shall take

precedence over the motion to reconsider and, upon demand of any Member, the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider shall be the next order of business before the Assembly.

(d) A second motion to reconsider the same question is not in order, nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider shall require a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms, whereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker, and no person may be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Each Member who is found to be absent, and for whom no leave of absence has been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms, his or her assistants, or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

No recess or adjournment may be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless, prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition would remain for the decision of the Assembly. This rule does not apply to an individual bill or resolution.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly excuses that member by a majority vote of the Members present and voting.

No Member may operate the voting switch of any other Member, except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the

floor to operate the voting switch of the presiding Member, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and that explanation shall be printed in the Journal, provided that no explanation may exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule does not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and that explanation shall be printed in the Journal immediately following the vote, provided that no explanation may exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote that had been taken during his or her absence, so long as the outcome of the vote is not thereby changed. The Chief Clerk shall record any vote additions or vote changes in the order signed by the Members at the Clerk's desk.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting may not be interrupted, except that, before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer shall instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, and in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, so long as the outcome of the vote is not thereby changed. The Chief Clerk may record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES**Order in Speaking to Questions**

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to "Mr. Speaker" or "Madame Speaker." Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor.

No Member may speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question shall have the right to open and close the debate thereon. No Member may be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question may be allowed to speak more than five minutes thereon. No Member may yield to any other Member the time for which he or she is entitled to speak on any matter.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case may not speak to the merits of the motion at that time, but shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate on the motion.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member may not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. No Member may absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. No Member may obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business, or is excused for nonattendance for personal business, thereby waives his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within 30 minutes after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is recorded on the roll call for any vote. If a Member does not explain his or her reason for being late, any other Member may raise a point of order under this rule, whereupon the tardy Member's vote may not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member forthwith shall be recognized by the Speaker, but may not discuss a question in that explanation. Matters of personal privilege yield only to a motion to recess or adjourn.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. When that objection is made, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement by the Speaker of the substance of the objection.

Members at Chief Clerk's Desk

113. No Member or other person may be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order immediately shall take his or her seat, until the Speaker, without debate, has determined whether the Member is in order. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member may be held to answer, or be subject to censure by the Assembly, for language used in debate if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

Committee of the Whole

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole "do now rise and report back to the Assembly," shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be

reported to the Assembly by the chairperson, but may not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Use of Assembly Chamber

116. The Assembly Chamber may not be used for any public or private business, other than legislative matters, except upon approval of the Speaker or the Chair of the Committee on Rules.

Use of Assembly Facilities: Smoking

117. The smoking of tobacco products is prohibited within any building, or portion of a building, occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. This smoking prohibition shall apply to any outdoor area within five feet of an entrance or exit to any building or portion of a building subject to this rule. This smoking prohibition shall apply to the Assembly Chamber, Assembly hearing rooms, and Assembly offices, and to hallways, stairways, and bathrooms within any building or portion of a building subject to this rule.

Floor of the Assembly: Telephones

117.5. No cellular telephone may be used on the floor of the Assembly during any session of the Assembly.

Meeting of the Assembly: Firearms

117.7. No person, except a peace officer acting within the scope of his or her employment, may carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

Persons Admitted to Floor of the Assembly

118. No person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and guests may be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member may be admitted only upon presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued. No lobbyist, as defined by Section 82039 of the Government Code, may, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, may not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

Guests may be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber, and may not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative may be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except a Member of the Legislature, may engage in influencing the passage or defeat of legislation in the Assembly Chamber.

No person other than a Member of the Legislature, the Sergeant at Arms or his or her assistants, the Chief Clerk or his or her assistants, or the Legislative Counsel or his or her representatives, may be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. No motion to disqualify a Member is in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended, and his or her membership on any committee is thereupon suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted, and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice thereof to the Controller, directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller may not draw any warrant payable to that Member except as provided in this rule.

The Seal of the Assembly

121. The Seal of the Assembly may be used only by or on behalf of a Member of the Assembly, or when specifically authorized by the Committee on Rules.

MESSAGES FROM THE GOVERNOR

The following messages from the Acting Governor were received and ordered printed in the Journal:

PROCLAMATION**Proclaiming December 13, 2000 as
Julian C. Dixon Remembrance Day**

WHEREAS, Congressman Julian C. Dixon represented the 32nd Congressional District for 11 terms, served as a member of the Appropriations Subcommittee on Defense, the Subcommittee on Commerce, Justice, State and Judiciary; and the Subcommittee on the District of Colombia, and served as Ranking Member on the House Permanent Select Committee on Intelligence, and as Chair of the Congressional Black Caucus; and

WHEREAS, Congressman Dixon's legislative career covered a broad range of subjects, including intelligence, defense, congressional ethics and federal management of the District of Colombia; and

WHEREAS, Congressman Dixon, a strong advocate of civil rights causes, worked to maintain the nation's commitment to civil rights, and to boost the economic standards of his district; and as a member of the House panels that oversee federal funding, felt a real responsibility to provide funding to schools, health care, police and fire departments; and

WHEREAS, the many accomplishments of Congressman Dixon included establishing a commuter rail system for Los Angeles, erecting a memorial to Martin Luther King Jr. in the nation's capital, providing emergency funding for damaged businesses after the 1992 civil disturbances in Los Angeles, and leading efforts to help his community after the 1994 Northridge earthquake; and

WHEREAS, Congressman Dixon, who passed away on December 8, 2000, was well loved and highly respected by his Congressional colleagues and the Californians he served for his lifetime of achievement and his work towards the advancement of his fellow man; now, therefore be it

RESOLVED, that I, Cruz M. Bustamante, Acting Governor of the State of California, do hereby declare Wednesday, December 13, 2000 as 'Julian C. Dixon Remembrance Day' in the State of California, and urge all Californians to join me in recognizing the numerous accomplishments of this dedicated public servant who has given so much to the people of the State of California and the people of our great nation.

IN WITNESS WHEREOF, I hereunto set my hand
and have caused the Great Seal of the State of California
to be affixed this Thirteenth day of December,
of the year Two-Thousand.

PROCLAMATION

Proclaiming December 14, 2000 as Blood Donor Day

WHEREAS, the need for blood is ongoing and must be met every day; and California's blood banks are dangerously low in supply; and

WHEREAS, blood donors are needed throughout the year, but are most needed during the holidays, when the number of donations declines and the demand usually increases; and

WHEREAS, in past years during the holiday season, blood donations dropped to critically low levels throughout the state, resulting in the postponement of elective surgeries; and

WHEREAS, every day thousands of patients, including those being treated for accidents, surgeries and serious diseases such as cancer, heart diseases, sickle cell anemia and hemophilia, rely on the generosity of blood donors from the community to supply life-giving blood; and

WHEREAS, every two seconds, someone needs blood, and 95% of individuals who live beyond their 72nd birthday will need a blood transfusion at some point in their lives, yet fewer than 5% of individuals who are eligible donors actually donate blood; and

WHEREAS, blood cannot be stockpiled, as it has a shelf life of no more than 42 days, so new blood donors need to continuously be recruited to meet the needs of patients through the state; and

WHEREAS, because donating blood is a completely safe, relatively quick and easy life-saving act, all Californians who are 17 years of age or older, weight at least 110 pounds, are in good health and are not at risk for HIV/AIDS or other blood borne infectious diseases should be encouraged to donate this holiday season and throughout the year; now therefore be it

RESOLVED, that I, Cruz M. Bustamante, Acting Governor of the State of California, do hereby declare Thursday, December 14th 2000, as Blood Donor Day in the State of California, and urge all Californians to join me in recognizing the thousands of individuals who currently give blood and encourage others to consider donating blood in order to help ensure an adequate blood supply for our Great State.

IN WITNESS WHEREOF, I hereunto set my hand
and have caused the Great Seal of the State of California
to be affixed this Thirteenth day of December,
of the Year Two-Thousand.

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2000-108
November 30, 2000

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the process for granting accommodations to students with disabilities when taking college admissions tests, such as the Scholastic Aptitude Test (SAT), and other standardized exams like those administered under the Standardized Testing and Reporting program.

This report concludes that although few students receive extra time on standardized tests, some may not deserve it while other students may not be getting the assistance they need. Less than 1.2 percent of California seniors graduating in 1999 who took the SAT received extra time. However, these students were disproportionately white, or were more likely to come from an affluent family or to attend a private school. We also found that some students may not be getting the assistance they need because of a lack of awareness of Section 504 of the Rehabilitation Act of 1973 and weaknesses in district processes for

identifying students with suspected disabilities. Finally, some students may have received unwarranted extra time on standardized tests, possibly giving them an unfair advantage over other students taking the same tests.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Education.

California State Auditor

2000-127
December 14, 2000

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Transportation's (department) State Route 710 historic properties rehabilitation project.

This report concludes that the department did not use a strategic approach to ensure it would complete the project within the authorized funding. As a result, the department has rehabilitated only 39 of the 92 historic properties it currently owns and has nearly exhausted the \$19.4 million in funding it received to complete the entire project. Further, although it implemented certain cost-reduction measures, the department cannot demonstrate that it used the most cost-effective methods when performing work and that it exercised the discretion allowed by federal guidelines. Finally, the department relied on an undocumented process to ensure the work performed complied with applicable codes, and thus it has limited assurance that all relevant code requirements were considered and applied properly.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Transportation.

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the California Public Employees' Retirement System's (CalPERS) investment policy and procedures related to its international investments and its investment in five specific foreign companies.

This report concludes that although CalPERS uses external managers to administer its international investment portfolio, it has reasonable procedures for selecting, contracting with, and overseeing these entities. In addition, CalPERS bases its foreign investment policy primarily on financial factors and has limited the investments its external managers make to those financial markets that it has screened for their ability to support large investors, such as CalPERS. These international investment policies are consistent with CalPERS' responsibilities as set forth in both state and federal law. Finally, CalPERS and its external managers evaluated the financial returns and followed federal law when investing in the five companies that were specified in the audit request. Because of a lack of information from credible sources that would also be generally available to institutional investors, we were unable to determine the validity of the allegations raised against these companies.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Public Employees,
Retirement and Social Security.

2000-002.1
December 4, 2000

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by California Government Code, Section 8542, et. seq., the Bureau of State Audits (bureau) presents its audit report concerning our review of the Department of Health Services' (department) financial statements for the Safe Drinking Water State Revolving Fund and its compliance with federal laws and regulations applicable to the Capitalization Grants for Drinking Water State Revolving Fund program (program) for the year ended June 30, 2000. The department contracted with the bureau to perform this audit to satisfy a federal audit requirement.

This report concludes that the department's Safe Drinking Water State Revolving Fund financial statements are fairly presented. However, the department did not always comply with federal laws and regulations governing allowable costs and cost principles applicable to the program. Although none of the problems we identified are significant to the program, when the department does not comply with the requirements, it risks incurring costs that the federal government may later disallow.

Respectfully submitted,

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly

Members of the Assembly: The Bureau of State Audits presents its Independent Auditors' Report on the State of California's general purpose financial statements for the fiscal year ended June 30, 2000. These financial statements are presented on a basis in conformity with generally accepted accounting principles (GAAP). The financial statements show that the State's General Fund generated revenues of approximately \$10 billion more than it spent for the fiscal year. The General Fund ended the fiscal year with a fund balance of approximately \$8.4 billion. The GAAP basis statements include all liabilities owed by the State while the budgetary basis statements that are used to report on the State's budget do not reflect all liabilities.

We conducted the audit to comply with the California Government Code, Section 8546.4.

PRAYER

Upon invitation of Speaker Hertzberg, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

This august body has been entrusted with the important task of determining what can and shall be done for the people of California, so that our needs and dreams can be transformed into reality.

In a time much more challenging than our own, Abraham Lincoln spoke about how the political process is best used to enact change. He said: Determine that the thing *can* and *shall* be done. And *then* we shall find the way.

Before we can determine the best approach for a particular goal, we must first commit ourselves to the goal itself. Once that is done, we can then open ourselves up to the wealth of internal, creative, and collective resources that are within our grasp.

May the Holy One of Blessing grant us the ability to discern the needs of the people as well as the patience and fortitude to see our work come to a successful end. May this be God's will.—AMEN.

GOVERNOR'S ADDRESS PRINTED IN JOURNAL

Without objection, the following text of Governor Gray Davis' State of the State Address was printed in the Journal:

**Governor Gray Davis
State of the State Address**

Assembly Chambers, State Capitol
Monday, January 8th, 2001

Lieutenant Governor Bustamante, Speaker Hertzberg, President pro Tempore Burton, distinguished Members of the Legislature, my fellow constitutional officers, Chief Justice Ronald George and honorable Justices of the Supreme Court, esteemed Cabinet Secretaries, friends and fellow Californians.

Please join me in welcoming the love of my life, the First Lady of California, Sharon Davis.

And, of course, I want to say hello to the other woman in my life, my mother, Doris Morell. The woman who raised me to implement *her* vision. She's not here tonight, but she's back home in Florida watching us on C-SPAN. At least I hope she's watching. It's either us or "Everybody Loves Raymond."

Since the last time we met, California has lost three native sons and true servants of the people—Senator Ken Maddy, Senator Alan Cranston and Congressman Julian Dixon. And, though they sat on opposite sides of the aisle, they shared a deep commitment to improving the lives of Californians.

Tonight, they're smiling down on us from the Lord's gallery.

Kim Cranston and Bettye Lee Dixon couldn't be with us tonight, but I'd like you to welcome Senator Maddy's sister, Marilyn, his son, Don and his daughter, Deanna. Please honor them with your applause.

For more than 150 years, it's been the Governor's duty to report to you on the state of the state.

And, once again, I'm proud to be able to tell you that the State of California is strong, healthy and growing.

The year 2000 brought us 417,000 new jobs. The lowest unemployment rate in 30 years. The largest increase in personal income in 16 years. Retail sales up 9 percent. Exports up 25 percent.

My friends, we Californians are still living in the age of possibility.

But it is also a time of great challenge and change.

We can no longer expect short-term stock-market windfalls or 10-billion-dollar budget surpluses.

California's economy remains fundamentally strong. It continues to create new jobs and opportunity for our citizens. But our economy is also re-stabilizing, expanding at a more sustainable rate of growth.

We knew this day would come. That's why, over the past two years, we've budgeted the public's dollars with caution and discretion, favoring one-time investments over long-term commitments and maintaining a healthy reserve.

And today, fiscal restraint is more important than ever. For as we all know, a dysfunctional energy market, driven by out-of-state energy companies and brokers, is threatening to disrupt people's lives and damage our economy.

ENERGY

You are all aware of the basic facts. In 1996, the Legislature and the Governor launched an untested restructuring of California's electricity market.

Under their plan, our three investor-owned utilities—Pacific Gas & Electric, Southern California Edison and San Diego Gas & Electric—were forced to sell off their generating capacity to unregulated private companies.

And the price of electricity—long regulated by the California Public Utilities Commission—was to be set *instead* in a free-wheeling commodities market.

Now, our job today is not to engage in an ideological debate over the pros and cons of deregulation. I'm not here to point fingers or assign blame and I assume the proponents of deregulation really did envision lower energy costs and smaller electricity bills. They certainly didn't plan for *this* mess.

But we must face reality: California's deregulation scheme is a colossal and dangerous failure. It has not lowered consumer prices. And it has not increased supply. In fact, it has resulted in skyrocketing prices, price-gouging and an unreliable supply of electricity. In short, an energy nightmare.

Well, my friends, it's time to wake up.

The out-of-state generators who bought most of our utilities' power plants, are now charging California several hundred percent more for wholesale electricity than we paid just one year ago.

Senator Dianne Feinstein and I have repeatedly urged the Federal Energy Regulatory Commission to use its exclusive powers to lower

these record prices. But despite our repeated demands, it has *shirked* its responsibility to protect ratepayers from this legalized highway robbery.

In fact, this Commission made matters worse when, in December, they lifted the hard price cap, causing the average price per megawatt hour to increase by nearly 900% compared to the same month the year before. That's like paying 25 dollars for a three-dollar gallon of milk.

Another problem with the California deregulation scheme is we have lost control over our own power. We have surrendered the decisions about where electricity is sold—and for how much—to private companies with only one objective: maximizing unheard-of profits.

On many days, 10 to 12% of the electricity generated in California leaves our state in search of even more exorbitant prices. On some occasions, the merchant generators have brought the State to the very brink of blackouts by refusing to sell us back our own power because they could find higher prices elsewhere.

Think about it: they're refusing to sell us our own power.

Worst of all, there's evidence that some generators may be purposely withholding electricity from the California grid to create artificial scarcity which in turn drives up the price astronomically.

My friends, electricity is not an exotic commodity like pork bellies, to be traded in the chaotic equivalent of a futures market.

No, my friends, electricity is a basic necessity of life. It is the very fuel that powers our high-tech economy.

And make no mistake: We will regain control over the power that's generated in California and commit it to the public good.

Never again can we allow out-of-state profiteers to hold Californians hostage. Never again will we allow out-of-state generators to threaten to turn off our lights with the flip of a switch.

In the plan that I propose today, we will attack the problems of supply and price over the short and long term.

As a down payment on this emergency effort, I've set aside \$1 billion in my budget to help stabilize the supply and price of electricity in the present and help provide new power generation to meet the demands of the future.

In the days that follow, I will ask you to pass legislation to take these immediate steps:

- One, restructure the governing boards of the system operators so we can replace the current advocates for the energy companies with advocates for the public.
- Two, overhaul the crazy bidding process for electricity, which currently guarantees that every generator is paid according to the highest bid, rather than their own bid.
- Three, streamline the process for utilities to enter into low-cost, long-term contracts for electricity and then apply pressure to the out-of-state generators to supply that power.
- Four, provide State regulatory agencies with authority to order any functioning generating facility down for "unscheduled maintenance" to go *back on line*.
- Five, give the Public Utilities Commission 50 new inspectors to monitor—and stand guard if necessary—at

any facility suspected of deliberately withholding power from the grid.

- Six, make it a criminal act to deliberately withhold power from the grid—if it results in imminent threat to public health or safety.
- Seven, expand the authority available to the Governor under a state of emergency in the event of imminent power outages.
- Eight, provide \$4 million to the Attorney General to investigate and prosecute possible racketeering, market manipulation, price fixing and other potential violations by merchant generators.

These generators may be acting within the law. But if they're illegally gaming or manipulating the market, the Attorney General will track them down.

These steps, we must take immediately.

But, soon thereafter, we must do the following:

Repeal the law that allows the three major utilities to sell their remaining generating facilities. Instead, we must require them to hold on to those facilities and sell their power to California consumers.

We must also require our municipal utilities to sell their excess power to California consumers at reasonable rates. Currently, they are free to sell their power out of state.

Next, I am calling on California to flex the enormous clout we have as consumers. We are 34 million strong and the sixth largest economy in the world. By reducing our electricity demand—by even a small amount—we can reduce the price, avoid shortages, and lower energy bills.

So, tonight, I'm asking every Californian to cut consumption by as much as 7 percent, and we will back that up with a *\$250-million investment*. We'll supply cash incentives for replacing inefficient refrigerators, washers and air conditioners with more efficient models. And we'll create energy smart homes, schools, workplaces and communities.

Every day, every Californian can contribute to the solution by turning off lights and appliances when not in use, shifting their usage to off-peak times, using less heat and air conditioning, reducing outdoor lighting displays and turning off business equipment when it's not in use. (For example, putting a computer on sleep mode can reduce energy consumption by 40 percent.)

The State will lead by example. Every single day, state government will cut its consumption by at least 8 percent. During Stage 2 alerts, we'll save 20 percent.

Now, to California's consumers and businesses, let me be clear: our goal is to provide reliable, reasonably priced energy to power the homes and businesses of this great state.

To utilities and the financial community, let me say this: I reject the irresponsible notion that we can afford to allow our major utilities to go bankrupt. *Our fate is tied to their fate.* Bankruptcy would mean that millions of Californians would be subject to electricity blackouts.

Public safety would be jeopardized. Businesses would close. Jobs would be lost. Investment would flee the state. And our economy would suffer a devastating blow.

To my colleagues in the Legislature, I say this: we've met many challenges before. *Together, we will meet this challenge and meet it quickly.*

I will work with the Legislature, the consumers and the business community to address the financial condition of our utilities in the long term.

There is no easy solution. But, if I have to use the power of eminent domain to prevent generators from driving consumers into the dark and utilities into bankruptcy—then *that's what I will do.*

All these measures I'm proposing will provide relief in the short term. But, to build a reliable long-term supply of electricity, we must plan and invest now for the future.

For the twelve years before I took office, this state failed to build a single major power plant—not one. Those days are long gone.

Since April 1999, my Administration has licensed nine new power plants. Five are under construction as we speak.

But many more must be built to serve our growing population.

We must also provide low-interest financing for new peaking facilities and the “re-powering” of existing ones to make them cleaner and up to 40-percent more efficient. In return, these facilities must commit their power to California at a reasonable rate.

Next, we must expand the generating capacity under the control of the Department of Water Resources. And we'll require all 141 campuses of the University of California, the State University system and the Community Colleges to move toward energy independence through cogeneration and other means.

And, we *will* develop means of committing state-owned lands for the siting of generating plants on the condition that the energy be distributed in California.

These are important steps.

But there's no point in building more plants *in* our state if the electricity will flow *out* of our state.

The time has come to take control of our own energy destiny.

And that will require either a joint powers authority among the state and our 30 municipal utilities to develop the additional power we need, or a California public power authority that can buy and build new power plants.

I will work with the Legislature to determine which option will work best for California consumers and businesses. I'm not interested in utopian proposals. I want ideas that will work in the real world.

The remedies I am proposing tonight are reasonable and necessary under the present extraordinary conditions. But, as I said before, everyone should understand that there are other, more drastic measures that I am prepared to take if I have to.

Now, as important as the energy situation is, we cannot and will not allow it to overwhelm the many other important challenges and opportunities facing California.

We have proven that by placing the common good ahead of partisan advantage, we can develop practical solutions on the issues that confront the people of California.

And that is exactly what we will do again this year.

My friends, we have a special responsibility to the citizens of California. They don't expect government to address every issue on the Planet Earth. They only demand three things: fix what's broken, improve what's ailing and leave the rest alone.

Together, we have demonstrated that it matters not whether an idea comes from a Republican or a Democrat. What matters is whether that idea is right or wrong—and whether it works.

EXTRAORDINARY ACCOMPLISHMENTS

From the bottom of my heart, I'd like to thank the members of this Legislature for the most productive two-year session in recent memory.

Rarely in our generation's history have the Governor and the Legislature worked so closely together to produce so many good results.

We've passed two Budgets in a row—in balance, on time.

We've put a prosperity dividend back into people's pockets, providing tax relief in record amounts.

We've funded and equipped our law enforcement at its greatest strength ever.

Please join me in recognizing five extraordinary public servants—Sheriffs Les Weidman of Stanislaus County, Lee Baca of Los Angeles County, Lou Blanas of Sacramento County, Mike Carona of Orange County and Commissioner Spike Helmick of the California Highway Patrol.

We've reformed HMO's. Invested in parks and water. Passed the toughest gun safety laws in the nation. And taken the edge off wedge issues.

That's not all. We've opened wide the doors to college with merit scholarships and Cal Grants. Never again in California will a student who succeeds in school be denied a college education because he or she is poor.

On roads and railways, from one end of this state to the other, you will see the results of our history-making transportation initiative.

All of this, we're doing within our means. That was my promise two years ago. And that is my promise today.

EDUCATION

My friends, no single issue has better personified our bipartisan resolve than our collective desire to improve California's public schools.

Over the last two years, we have invested in education like our future depends on it. Because . . . it . . . does.

And we have asked *more* of our students and schools than ever before.

We have put in place the building blocks of achievement: high standards, accountability, technology, modern facilities, new tools for

learning, the most aggressive teacher incentive program in America. Including the biggest performance bonuses in the nation.

Our hard work is paying off. Test scores are up. Student confidence is higher. Public support is growing. All across this state, we are turning higher expectations into better student achievement.

The fight for our children's future will not be won overnight. But know this: we are winning it. Take just one school. Melvin Avenue Elementary in Los Angeles.

Two years ago, Melvin was like a lot of schools in California. Underfunded. Overcrowded. Underperforming.

Two years later, things are changing. Expectations are higher. Students are motivated. Parents are involved. Teachers are more skilled.

Two years ago, Melvin Avenue was a school without a direction. Today, it's a full partner in our new accountability program.

Two years ago, Melvin's teachers were under-trained and under-paid. Today, they're better paid and better trained. One of them has been nationally certified and seven more soon will be.

Two years ago, Melvin was using materials that were older than many of their teachers. Today, they have new textbooks. Their classroom libraries will soon be fully stocked. And, by the end of this school year, they are confident every classroom will have Internet access and one computer for every six students.

Two years ago, Melvin's reading scores were among the lowest in the state. Today, 200 of their kids are attending our Reading Academies and every primary teacher has attended our Professional Development Institutes. And, this year, Melvin Avenue improved 79 points on the Academic Performance Index—six times better than their statewide target.

Ladies and gentlemen, it's my honor to introduce Melvin's principal, Susan Grossman, its nationally certified teacher, Sangeeta Maithel, and one of its top students, Hugo Saavedra.

My friends, this is a success story. But it's not just Melvin's story. It's California's story. All across this state, elementary schools are on the rise.

But we still have a lot of work to do.

Test scores show that, while elementary students are improving rapidly, middle school students are showing only modest improvement.

Educators tell me that, for all the new investments we've made, the main thing they need is more time to teach.

So, tonight, I propose extending the school year in California by 30 days, starting where need is the greatest—in our middle schools.

That's 30 days of additional classroom instruction. No busywork. Just teaching.

This program is voluntary. But schools and teachers will be provided financial incentives for their participation. And strict accountability measures will be put in place.

It's just a month, but it adds up to the longest school year in the nation. And it will make a huge difference as our children cross the critical bridge between elementary and high school.

We also need to match high standards with high quality instruction.

Two years ago, we paid for 6,000 teachers to attend intensive Professional Development Institutes. Last year, we funded training for 70,000.

It has been the most ambitious—and most effective—teacher training initiative ever launched in America. And it has produced some of the best trained, most highly motivated teachers in America.

Over the next three years, we need to give every teacher who teaches math or reading the benefit of this experience.

That's 200,000 math and reading teachers. Receiving 40 hours of intensive, out-of-classroom training and 80 hours of critical follow-up support, all according to UC standards.

Together, we will build the best-trained, most-highly-skilled army of teachers ever.

Of course, great teachers respond to great leadership.

In my visits to schools, I've seen firsthand how a strong and determined principal like Melvin Avenue's Susan Grossman can elevate a school. So, this year, I will request funds to train every principal and vice-principal in California—15,000 in all—in programs that meet University of California criteria.

There's even more to the equation. Studies show that young people who take algebra succeed at much higher rates than those who don't.

To the next generation of Californians, I say this: *do the math.*

Ninety percent of all new jobs require advanced math skills. *Ninety percent.* More than ever, math is the doorway to higher learning and future success.

Since I took office, we've been implementing the toughest math standards in the nation.

Last year, I was pleased to sign Senator Poochigian's bill that requires—for the first time—every student in California to take algebra before they graduate from high school.

Our challenge now is recruiting 1,300 new algebra teachers to meet this new demand.

So I will ask you to fund a \$30-million Algebra Initiative. This is a financial incentive for schools to attract and retain high quality algebra teachers.

While we're investing in our oldest pupils, we won't forget our youngest.

Too many children step aboard a school bus for their first time without developing a solid foundation for learning right from the start.

To help our children prepare for the rigors of the classroom, I will appoint a task force led by my new Secretary for Education, Kerry Mazzoni, to work in partnership with the California Children and Families Commission, including its Chairman, Rob Reiner, to explore a comprehensive School Readiness Initiative.

I will ask them to focus on finding ways to provide local communities with critical resources—including Proposition 10 funds—to help prepare our children for a lifetime of learning and success.

Please join me in honoring my new Secretary for Education, Kerry Mazzoni and Chairman Rob Reiner.

HEALTH CARE

As we unleash the full potential of our children's minds, we are also ensuring that their bodies are healthy and strong.

Can any of you in this chamber imagine your child without health care? Thanks to Healthy Families, more parents than ever before don't have to.

When I was elected, only 30,000 kids were signed up for our Healthy Families program. Today, 375,000 children are enrolled—a 12-fold increase.

This expansion in Healthy Families combined with a strong economy has produced another piece of good news. Tonight, I'm pleased to announce the first real decrease in the number of uninsured Californians in at least two decades. In a single year, we moved 500,000 Californians to the ranks of the insured.

Yes, we're making progress, but our job's not done.

It's time to recognize that a "Healthy Family" is more than healthy children. It's healthy mothers and fathers, too.

I have already requested a federal waiver that will allow California to become only the fourth state in the nation to include parents in this program.

With your help, we will provide health care coverage to 290,000 working parents.

MY CALIFORNIA

Finally, I want to say a word about what we're doing to make California government more accessible to the people of California.

Tonight, we will launch our new state government website—the "My California Homepage."

We're using Web technology to personalize government in a way no other state ever has done.

With advice from the best minds in Silicon Valley who were part of our Web council, we have developed an Internet site that makes it simple to register your car, obtain a fishing license, check up on a school's academic performance and much, much more.

By next week, we will post information on our new campaign to conserve energy. All through a seamless, state-of-the-art Web portal found at my.ca.gov—your online link to California.

CONCLUSION

My friends, this is a time of great challenge for California.

But you and I have demonstrated to the people of this State that we are fully prepared to face those challenges and provide practical solutions.

Education. Energy. E-government. Health care. In the coming days, I will propose my Budget with additional initiatives in higher education, tax relief, public safety and environmental protection.

On all these issues, we must continue to be united by our collective desire to serve the people of California. To be guided by common values that cause us to seek common ground.

All of us—Democrats and Republicans alike—have a duty to the people of California to govern boldly *and* responsibly. With compassion *and* accountability. With big hearts *and* tough minds.

Now, let us move forward . . . in the spirit of bipartisan resolve. Together, we will bridge the gap between the California that is and the California that is yet to be.

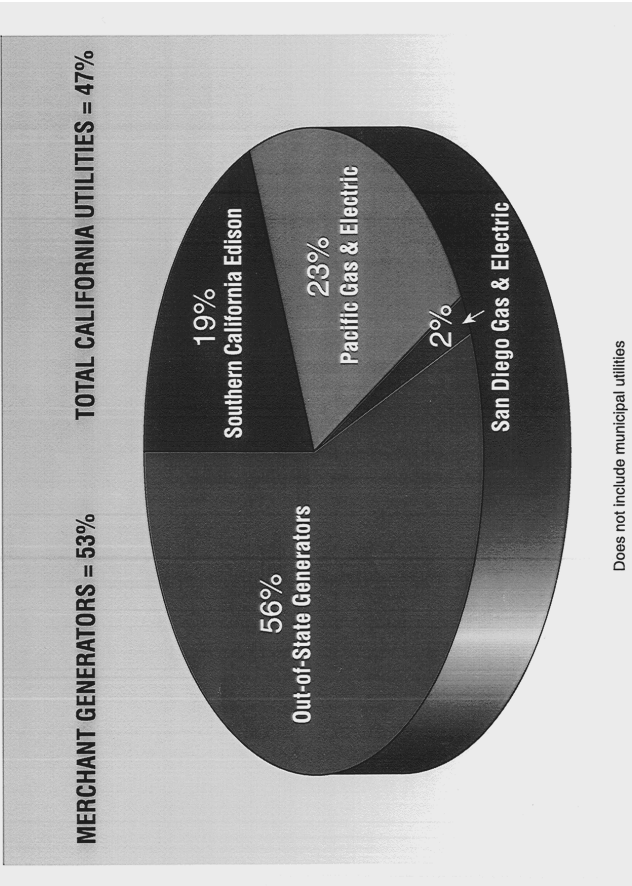

Thank you, God bless you, and God bless California.

MESSAGES FROM THE GOVERNOR

The following Budget message from the Governor was received and ordered printed in the Journal:

Governor's Office, Sacramento
January 10, 2001

To the Senate and the Assembly of the California Legislature:

I submit for your consideration the Governor's Budget for 2001–02.

We begin this New Year with justifiable pride in our past accomplishments, while facing new challenges in the coming year. California's economy continued its remarkable expansion in the year 2000, and we look ahead to sustaining this growth in 2001 and beyond.

We've made great progress in the past two years on our top priority of improving public schools and the education they provide for our children. This budget continues California on the path to excellence in education by calling for a significant lengthening of the school year in middle schools, undertaking a dramatic expansion of our highly

successful teacher training program with a particular focus on algebra instruction, and providing key training on standards-based curriculum and management tools to school principals. Just as we have increased our expectations for every child in California schools, so we as public officials must increase our commitment to ensuring their success.

This Budget also focuses resources on the challenge we face in providing a stable and affordable supply of energy for all Californians now and in the future. Finally, the Budget reaffirms my strong commitment to enhance public safety, protect our environment, expand access to health care, and provide needed tax relief.

Together, we've done good work on behalf of the people we serve. I look forward to working together for California in this next Legislative Session.

Sincerely,

GRAY DAVIS

Accompanying Governor's Budget and Budget Summary ordered filed with the Secretary of State.

RECEIPT

I acknowledge receipt this 10th day of January 2001 at 1:30 p.m., of the budget for the 2001–2002 fiscal year, together with an explanatory message delivered to me personally by Pamela Oto.

Dear Mr. Wilson: I would like this letter printed in the Assembly Daily Journal to clarify the intent of terms used in AB 2296 of the 1999–2000 session.

AB 2296 adds Section 20133 to the Public Contracts Code. For purposes of carrying out the intent of paragraph (d)(3)(A)(i) in

Legislative Intent—Assembly Bill No. 2805

December 4, 2000

The Honorable Robert M. Hertzberg
Speaker of the Assembly
State Capitol, Room, 219
Sacramento, California

Dear Speaker Hertzberg: It was the intent of the language contained in Assembly Bill 2805 (Ch. 913, Stats. 2000), to expand the types of financial institutions eligible to participate in the California Capital Access Program (CalCAP) administered by the California Pollution Control Financial Authority by expanding CalCAP’s definition of “financial institution.” It is also my intent to require the newly added types of institutions to be domiciled in California.

The requirement of a California domicile is not, however, intended to apply to any of the types of institutions included in the CalCAP definition of financial institution that existed prior to the enactment of Assembly Bill 2805.

Sincerely,

LOUIS J. PAPAN, Assembly Member
Nineteenth District

PRAYER

Upon invitation of Speaker Hertzberg, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

It seems to be a favorite pastime of many Americans to poke fun at politics and politicians. However, when we do that, we only mock ourselves. For as William Penn said: "Governments, like clocks, go from the motion that men give them."

We *are* the government. If the government is running well, it is because of the effort that we put into it. If it is not working well, then we must also take the blame. Those who are elected into office, those who work for the state, as well as those of us who serve simply as citizens, *we* are the ones who create the motion that makes this government run.

May it be the will of the Creator to grant us the ability to run our government with prudence, pride and responsibility. May this be God's will.—AMEN.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Kehoe, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

We live in a fast paced world, offering a constant barrage of challenges. H.G. Wells, the noted British author and social commentator, advised: "Adapt or perish, now as ever, is Nature's inexorable imperative."

"Adapt" does not mean that we need to create something completely anew, rather it means that we can revisit past decisions while we address the future with daring new ideas.

"Adapt or perish"—What is demanded of us is action. Nature requires us to respond to the world that confronts us with creative thinking, and at times the physical stamina to endure the long hours of work that are often required until a solution is found.

May the Holy One of Blessing grant us the ability to see our challenges as opportunities, and to look at old situations with fresh eyes and new ideas.

May this be God's will.—AMEN.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Kehoe, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

William James, a pioneer of American psychology and a respected philosopher, taught that "The great use of a life is to spend it for something that outlasts it."

Each day we are given the opportunity to affect the world around us, to truly spend our lives in a way where we can create a legacy of meaning. This is the ultimate inheritance we will leave to future generations. While it might lack the tangibility of property or possession left in a will, it gives us a chance to allow our short time here to be felt throughout eternity.

May the Holy One view our work with favor and grant us the blessing of living a life rich in meaning and filled with purpose. May this be God's will.—AMEN.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Kehoe, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The Greek philosopher, Epictetus, a man born into slavery, and who earned his freedom by earning the respect of his master, taught that “Difficulties are things that show what people are.”

We are defined as much by how we meet life’s challenges as by life’s opportunities. It is when the hard work needs to be done that our true values are illuminated and our character is laid bare.

For some, difficulties represent a personal crisis where a gap exists between how we perceive ourselves and how we truly are. And for others, it is a moment of affirmation, where our character is allowed to express itself in all its strength and glory.

May the Holy One of Blessing enable us to meet even our most difficult tasks with grace and with sincerity, and may we always be judged with favor and compassion. May this be God’s will.—AMEN.

California State Auditor

2000-117
January 30, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the amount of state-owned real estate (property) in high-cost counties that is surplus and the adequacy of state agencies' management of their property.

This report concludes that the state has many surplus properties in high cost areas; however, the status of many of these properties is questionable. In addition, it can take the Department of General Services (General Services) years to dispose of surplus. Some of these delays occur because state agencies often declare properties surplus years before they are ready to vacate them. Staffing shortages in the unit responsible for selling surplus also contribute to the delays. Similarly, the Department of Transportation (Caltrans) can take years to dispose of its surplus property, in part, because it is not a high priority for Caltrans.

State agencies also continue to lack effective procedures or incentives for evaluating their real property holdings and identifying excess. The State's lack of oversight for property management activities and the lack of effective property inventory systems or reliable reports exacerbate these problems. Finally, General Services has not fulfilled all of its obligations to administer a state program to provide child care facilities in state-owned buildings and does not prepare plans to accommodate the State's office space needs as often as required by its own guidelines.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Business and Professions.

PROCLAMATION

Proclaiming February 2, 2001 as

Cal Grant Day

WHEREAS, California is home to many very bright, hard-working students who cannot afford to attend college, yet do not meet the eligibility requirements to qualify for financial aid; and

WHEREAS, California's burgeoning economy dictates a need for a highly educated work force, including an ever-increasing demand for skilled workers with technological backgrounds; and

WHEREAS, the total student debt increased by approximately 350 percent in the 1990s, while grant aid has decreased from 48 percent of the total annual financial assistance sum in California to just 38 percent; and

WHEREAS, the average family income for college graduates is \$85,000, while families with only a high school education usually earn just \$48,000; and

WHEREAS, Because of the dramatically broadened scope of eligibility requirements in this magnificent program, striking new opportunities are now available for countless students who may not have previously qualified for financial assistance to attend college; and

WHEREAS, the new Cal Grant program guarantees a financial aid award to every worthy student who is financially and academically eligible; and I encourage all eligible students to apply for a Cal Grant award by the March 2, 2001 deadline; and

WHEREAS, the Cal Grant Program is the first such program in the nation to guarantee need-based financial aid to students; and February is "College Awareness Month;" now, therefore be it

RESOLVED, that I, Cruz M. Bustamante, Acting Governor of the State of California, do hereby declare Friday, February 2, 2001 as Cal Grant Day in the State of California, and encourage all Californians to join me in recognizing the need to provide an affordable college education to all of California's worthy students.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Margaret Deland, an American novelist from the turn of the 19th into the 20th century, observed that “faith . . . is not the holding of certain dogmas; it is simply [the] openness and readiness of heart to believe any truth which God may show.”

The purpose of faith is to open us up to the wonderful myriad of possibilities that our souls and minds might show us, not to close us off from all but what our eyes can see for themselves. With faith, the world becomes larger, and the possibilities—limitless.

May the Holy One allow us to be open to the world of ideas and may we be so blessed as to experience God’s truths in its numerous manifestations. May this be God’s will.—AMEN.

PRAYER

In observance of the Day of Remembrance for Japanese Americans interned during World War II, Speaker pro Tempore Keeley invited Rev. Bob Oshita, of the Buddhist Church of Sacramento to offer the morning prayer.

Honored members of the California State Assembly . . .

It is a pleasure to join with you this morning . . . in observing this very special Day of Remembrance; for in remembering the mistakes of our past . . . we quietly reaffirm our convictions to “do the right thing” in living today.

In opening our gathering today, please join me in a moment of meditative hope and reflection.

In the Busy-ness of our well scheduled days . . . we often fail to appreciate the day . . . the moment . . . that is now.

If we were to suddenly learn that we had only weeks to live . . . what value would we then give to each day . . . each hour. However long our lives may be . . . each day is a treasure, never to come again. With this in mind, let us receive and live each day as a cherished gift . . . let us receive gratefully and live wisely . . . the gift that is today.

We close our meditation, with a Buddhist expression of gratitude beyond words, we call, Onembutsu.

NamoAmidaButsu.

PRAYER

Upon invitation of Assistant Speaker pro Tempore Kehoe, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The early 20th century novelist, Myrtle Reed wrote that “The appointed thing came at the appointed time in the appointed way.”

Call it fate, destiny, or Divine Will, life unfolds in the way it is supposed to. At times painful, at other times filling us with joy. We can facilitate life’s happenings, we can even choose what meanings we wish to find in them, but ultimately, it is not for us to determine all that life will bring. Events occur at the appointed time and most often in the appointed way.

What is asked of us is to be open to life and to be active participants, open to the blessings and the heartbreaks alike: To learn, to respond, and to grow from both.

May it be the will of the Creator to help us find the strength to confront what comes our way, and may we find comfort in knowing that while we might not choose what fate presents to us, it is our choice in how we respond to our destiny.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

In an essay on moral ambiguity, Barbara Grizzuti Harrison wrote: "The most painful moral struggles are not those between good and evil, but between the good and the lesser good."

Life would be easy if all of our decisions were clear-cut between what is right and what is wrong. But most often our real struggles lie between what Harrison calls "the good and the lesser good."

At times, all we can do is pray that what we have chosen is the good rather than the lesser good. Because too often, we will not know what we have chosen until the day is long gone.

May the Holy One of Blessing grant us the understanding that sometimes we have a responsibility to choose, even when we do not fully understand, and may we find wisdom and meaning in our struggles. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Pavley then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Creating laws is an awesome responsibility. Speaking on their importance, Lyndon B. Johnson said: "Law is the great civilizing machinery. It liberates the desire to build and subdues the desire to destroy. And if war can tear us apart, law can unite us—out of fear, or love, or reason, or all three. Law is the greatest human invention. All the rest give man mastery over his world. Law gives him mastery over himself."

Laws are not distant things, they are personal, and they affect our lives. The daily business of legislating can, at times, seem somewhat prosaic. However, the result can, at its best, create laws that ennoble us and celebrate our common humanity.

May the Holy One of Blessing inspire our pursuit of justice and bring joy to our daily responsibilities. May this be God's will.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Salinas then led the Assembly in the pledge of allegiance to the Flag.

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly

Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the California Earthquake Authority's (authority) expenditures for reinsurance and its implementation of its State Assistance for Earthquake Retrofitting (SAFER) pilot program.

This report concludes the authority's high rate in 1998 that was an initial cause for concern was primarily due to one-time factors during its first two years of operations. The authority's reinsurance costs are still high, but not unreasonable, because it is highly dependent on outside sources, such as reinsurance, to pay its policyholders' claims in the event of an earthquake and because of unique restrictions the law places on the authority. However, the authority has succeeded in reducing these costs by negotiating favorable amendments to its contracts and exercising options that may reduce its reliance on reinsurance. In addition, it is too early to fully assess the SAFER program's effectiveness in achieving retrofits because the authority does not have sufficient data from homeowners who may have completed retrofit improvements outside of the SAFER program. However, as yet the small number of homeowners who made seismic improvements through the SAFER program indicates that the program has not been successful.

Finally, the authority is reducing its backlog of seismic inspections for homeowners and the remaining assessments should be mailed to homeowners by mid-May 2001.

Respectfully submitted,

ELAINE HOWLE
State Auditor

Above report referred to the Committee on Insurance.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

In his book *The Lower Depths*, Maxim Gorky observed: "When work is a pleasure, life is a joy! When work is an obligation, life is slavery!"

Work in and of itself is neither good nor bad, neither drudgery nor meaningful. How we perceive our relationship with our work is what defines its worth to us.

The capacity to work, that is, an individual's sense that they can create or build through their own actions produces more than money. It allows us to produce within ourselves a state of well being, esteem, and a freedom of spirit.

May the Holy One of Blessing help us find joy through our work, and to use our work to create opportunities for others. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Strom-Martin then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

In 1848, Elizabeth Blackwell wrote with prophetic accuracy when she penned these words: "If . . . society will not admit of women's free development, then society must be remodeled."

In 1848, Elizabeth Blackwell and her contemporaries in the women's suffrage movement, could hardly have dreamed of a day like today, where men and women sit together in government and positions of honor and power. A day where women are acknowledged for their achievements, not just as wives and mothers, but as integral and important members of their communities.

Indeed, our society has been remodeled. And remodeled in such a way that we are left better off for it.

May it be the will of the Creator that we continue to strive to remodel our society so that each and every day, *all* peoples will be celebrated for the unique gifts that they give to the world. May this be God's will.—AMEN.

Legislative Intent—Assembly Bill No. 170 (1999)

March 12, 2001

*The Honorable Robert M. Hertzberg
Speaker of the California State Assembly
State Capitol, Room 219
Sacramento, California*

Dear Speaker Hertzberg: It has come to my attention that the California Department of Transportation (CalTrans) is concerned over whether Section 5273.5 of the California Business and Professions (B&P) Code requires a redevelopment message center to be 1,000 feet or 500 feet from another message center permitted under Section 5405(d)(1) of the same code section. As the author of the legislation that codified Section 5273.5 (AB 170, Chapter 818, Statutes of 1999), I am quite familiar with the legislative intent of this section.

For purposes of my legislation, the 500 feet distance requirement between two message centers was intended for the following reasons:

Author's Intent. First and foremost, it was my intention to require a 500 feet distance between two centers. I never discussed applying the 1,000 feet distance requirement at any time during deliberations on AB 170.

Legislative Intent. The legislative intent of AB 170 was expressively stated within legislative committee reports. Specifically, the Assembly Committee on Governmental Organization, the primary Assembly policy committee with jurisdiction over these types of issues, made clear reference in its May 10, 1999 bill analysis of AB 170 to the 500 feet distance requirement. Specifically, this bill analysis stated:

"Safety Issues. Although the bill requires displays to meet state spacing requirements (i.e., no display may be placed within 500 feet from another display on the same side of a freeway), it is unclear whether other safety provisions required by the Act should apply."

Statutory Non-Applicability of Section 5405. B&P Section 5273(a) expressively exempts Section 5405 from applying until "after" the "10 years or the completion of the project." Therefore, Section 5273.5 is independent of Section 5405.

Statutory Applicability of Section 5408(d). The 500 feet distance requirement of Section 5408(d) was always intended to apply via written communications and discussions. As such, Section 5408(d) was included within Section 5273.5(b). Logically, if the 1,000 feet distance

requirement of Section 5405 was to continue to apply, then AB 170 would have struck Section 5408(d) in order to fulfill its legislative intent.

I was puzzled to hear that CalTrans is under the impression that AB 170 mandates the 1,000 feet distance requirement pursuant to Section 5405, especially since I had several discussions with CalTrans officials regarding this legislation.

Regarding any issues of size, the legislative committee reports likewise clearly indicate that there is no size restriction on “on-premise” message centers. Therefore, any attempts to invoke a size restriction pursuant to Section 5408(a) via Section 5405(d)(1)’s reference to Article 7 would ignore the non-applicability of Section 5405 as mentioned in Section 5273.5(a).

If you should have any further questions please do not hesitate to contact me at my office.

Sincerely,

MARCO ANTONIO FIREBAUGH, Assembly Member
Fiftieth District

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Frank Outlaw, a noted 20th century businessman, commented on the nature of human character. He said:

Watch your thoughts; they become words. Watch your words; they become actions. Watch your actions; they become habits. Watch your habits; they become your character. Watch your character; it becomes your destiny.

Like a pebble dropped in a pond, we can never tell how far the concentric circles that mark its ripples will go. But there is great hope in this. For it means that merely by paying attention to our own thoughts, we can take responsibility for our destiny.

May the Holy One of Blessing help us recognize the power in even the smallest of our acts, and the freedom we hold in determining our future. May this be God's will.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Shelley then led the Assembly in the pledge of allegiance to the Flag.

**FURTHER CONSIDERATION OF SENATE AMENDMENTS—
ASSEMBLY BILL NO. 10**

ASSEMBLY BILL NO. 10 (Corbett)—An act to amend Sections 19147 and 24872 of, and to add Section 24872.6 to, the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

Reply to Parliamentary Inquiry by Assembly Member Rod Pacheco

Speaker pro Tempore Keeley replied to the parliamentary inquiry raised earlier this day by Assembly Member Rod Pacheco that in the view of the Chair Assembly Bill No. 10 is a conformity bill, does not raise tax rates, and therefore the Chair concurs with the Legislative Counsel opinion requiring 41 votes for passage.

Parliamentary Inquiry

Assembly Member Rod Pacheco arose to the following parliamentary inquiry:

Is it the understanding of the Chair that while Assembly Bill No. 10 is a conformity bill, it will result in increased taxes and therefore require $\frac{2}{3}$ votes for passage?

Reply by Speaker pro Tempore Keeley

The Speaker pro Tempore replied that although the bill may result in more revenue, it does not result in increased tax rates.

Parliamentary Inquiry

Assembly Member Rod Pacheco arose to the following parliamentary inquiry:

The increased revenue will be the result of what action by the government?

Reply by Speaker pro Tempore Keeley

The Speaker pro Tempore replied that the result of enactment of this bill would make the State of California consistent, and in conformity with federal law.

Parliamentary Inquiry

Assembly Member Rod Pacheco arose to the following parliamentary inquiry:

Would the state therefore be collecting more taxes?

Reply by Speaker pro Tempore Keeley

The Speaker pro Tempore replied that it is the understanding of the Chair that enactment could result in greater revenue accruing to the State, but the bill is revenue neutral and does not increase the tax rate, and that is the threshold for the Legislative Counsel key as to whether the bill requires a majority vote for passage or a $\frac{2}{3}$ vote.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The 20th century theologian, Abraham Joshua Heshel said: "When I was a young man I used to value clever people. But now that I am old, I value kind people."

So often the skills that get us where we desire to be are not the same things that make us of value as human beings. When we are younger we measure success by grades, by social status, by the size of an office or staff. But as we get older, if we are truly wise, we learn that success is measured by the type of life we live and the quality of interactions with those around us.

May it be the will of the Creator that our words always be kind, our hearts compassionate and our actions wise.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

A 19th century writer, Hannah Farnham Lee, observed that: "The knowledge of ourselves is a difficult study, and we must be willing to borrow the eyes of our enemies to assist the investigation."

It takes a particular kind of courage to let down your guard in order to see not only the world, but also yourself, through the eyes of your critics.

It is much easier to live with one's own images of self than to be open to critique. However, when we are open to seeing ourselves first as we are, then we can allow ourselves to become the type of person that we want to be.

May the Holy One of Blessing give us a clarity of vision to know ourselves and may we learn and grow from what we see.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Cox then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

George Bernard Shaw wryly noted that “All great truths begin as blasphemies.”

There is something about this time of year that allows us to rethink the world in a radically different way. Spring is season of both birth and rebirth.

This time of year we are reminded that two great religions were born in the Spring, Passover which begins this weekend reminds us that an enslaved people had the audacity and courage to say, we have the right to live in both physical and spiritual freedom. And Easter gave us the concept that people can find redemption through the life of another.

Both were radical ideas in their time, met with resistance and cries of heresy. Both turned out to be great Truths that ennobled and enriched the lives of many.

May it be the will of the Creator that we all rejoice in the blessings of the season and find renewed meaning in our communal festivals.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Chan then led the Assembly in the pledge of allegiance to the Flag.

REPORTS

The following letters of transmittal were presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

2000-132
March 28, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Veterans Affairs' (department) management of the Life and Disability Insurance Program (insurance program), which is part of the California Veterans Farm and Home Purchase Program (loan program).

This report concludes that the changes the department made to reduce its financial liabilities for the insurance program resulted in reduced benefits for veterans. Further, even though the department's consultants repeatedly warned it of funding shortfalls in the insurance program, it used a significant amount of a 1984 refund for its loan program rather than the insurance program. Although the department is currently seeking to increase insurance benefits for veterans, the long-term costs and funding for these increased benefits are uncertain. However, in the short-term, the department could fund increased benefits through a limited use of loan program funds and a modest increase in premium rates charged to veterans. Finally, the report concludes that improvements in the department's procedures are necessary to effectively manage the insurance program and safeguard its assets.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Governmental Organization.

California State Auditor

2000-002
March 29, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by the California Government Code, Section 8542 et seq., the Bureau of State Audits presents its audit report concerning our review of the State of California's internal controls and compliance with state and federal laws and regulations for the year ended June 30, 2000.

This report finds that the State continues to have problems in establishing an effective system of internal control over financial reporting and compliance with federal requirements. In addition, it does

not always adhere to established control procedures. As a result, the State has not always complied with some state and federal regulations. Although none of the problems we identified are significant to the State's financial statements or the federal programs it administers, weaknesses in the State's internal control system could adversely affect its ability to provide accurate financial information and to administer federal programs in compliance with applicable requirements.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Business and Professions.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Germaine de Stael, a French-Swiss intellectual who lived during the French Revolution commented that “The pursuit of politics is religion, morality, and poetry all in one.”

Politics is more than the prosaic business of legislating people’s lives in issues such as commerce and crime; it is about creating the essence of society, of what binds us together as a community. The practitioners of this craft must be able to embrace both the artistry and ethics that their roles require.

By recognizing the poetry, morality and religion at play within politics, and within our diverse political beliefs, even the most cynical amongst us can re-ignite the idealism that led us to pursue politics in the first place and allows us to anchor our visions of the ideal society which we wish to create.

May the Holy One of Blessing nurture our hopes and values, and help us find a way to live by our ideals. May this be God’s will.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Ilka Chase wrote in her book *Past Imperfect* “Democracy is not an easy form of government, because it is never final; it is a living, changing organism, with a continuous shifting and adjusting of balance between individual freedom and general order.”

Being a politician can be as difficult as it is rewarding. This is because your work is forever pulled by two paradoxes intrinsic to the core of politics.

The first is the demand to respect each individual’s autonomy with the demand to balance the communal needs of the many.

The second paradox is that while what government does day in and day out is of the greatest importance, it can be quickly washed aside by the need to continually adapt to the changes wrought by the inevitable march of time and the changing needs of society.

It is within the dynamic tension of these two paradoxes that our work is pushed, pulled, and defined. And it is within this dynamic tension that we can experience the wondrous vitality that is at the core of democracy.

May the Holy One of Blessing offer us the foresight to see the impact of our labors and the insight to appreciate the contributions we make. May this be God’s will.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Today the Jewish community observes Yom HaShoah—Holocaust Memorial Day. On this day we set aside time not only to remember our own tragedy, but to remind the world that racism, homophobia, fear of strangers, political intolerance, and bigotry in its many shapes and forms still exists in every nation.

The Nobel Prize winner and Holocaust survivor, Elie Weisel, warns us that one of the most powerful lessons that we can learn from the Holocaust is that “Indifference . . . is not only a sin, it is a punishment.” When we are silent in the face of hatred, we not only fail God, we condemn ourselves.

May it be the will of the Creator that we allow our eyes to see the suffering of others, use our voices to cry out against injustice, and commit our strength to create a more tolerant and compassionate world.—AMEN.

Upon request of Speaker pro Tempore Keeley, Assembly Member Bogh then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

One of the greatest orators of the 20th century, the Reverend Martin Luther King, Jr. ironically said that “Occasionally in life there are moments . . . which can not be completely explained by words. Their meaning can only be articulated by the inaudible language of the heart.”

We depend on language, on words, it is our craft, and it is our greatest tool. It is with words that bridges are built and policy is created. Through language we can begin to understand other people’s perceptions of the world.

But some of life’s most important moments are best experienced when we learn to communicate with our hearts rather than our minds; when we look into our children’s eyes; when our hand slips into the hand of a loved one; when we are given a hug from a friend, or a smile from a stranger.

In these moments where there are no erudite dialogues, no witty repartee, when we speak what Dr. King called the “inaudible language of the heart” we can begin to know each other with greater understanding, and we can begin to experience the presence of God in our daily life.

May the Holy One of Blessing reveal to us the greatness of life in the many small acts of kindness that are offered to us each day.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Cogdill then led the Assembly in the pledge of allegiance to the Flag.

REPORTS

California State Auditor

99030

April 25, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by Chapter 342, Statutes of 1999, the Bureau of State Audits presents its audit report concerning the State Bar of California's (State Bar) disciplinary process, its stewardship of members' fees, and its administrative practices.

This report concludes that, in recovering from its virtual shutdown, the State Bar has reduced costs and improved the effectiveness of its disciplinary process by developing a priority system that allows staff to address the most serious disciplinary cases first. In addition, the State Bar has taken steps to ensure that its dues for members are reasonable and that it uses required dues to support only the State Bar's mandated functions and not the programs in which members participate voluntarily. However, to avoid using an unnecessarily large portion of membership fees to reimburse the complainants in discipline cases and to pay the costs of these cases, the State Bar needs to recover from disciplined attorneys a higher percentage of its disciplinary costs. Moreover, the State Bar needs to maintain credibility with its members and the public by making certain that employees use properly the State Bar's purchasing cards and business expense account, and adhere to its contracting policies and procedures.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Judiciary.

California State Auditor

2000-130

April 26, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the University of California's (university) employment practices for casual employees.

This report concludes that the university offered casual employees more limited retirement and health benefits than it offered career employees, even though some casual employees were employed in the same occupational groups as career employees and may have worked

the same number of hours for a limited time. In addition, the use of casual employees varied among the campuses, ranging from a low of 10 percent of casual employees to total casual and career employees at the University of California, Davis, to a high of 24 percent at the University of California, Los Angeles.

Several factors contributed to the differences in the use of casual employees, including whether a campus centrally monitored casual employment or used outside contractors to perform work that casual employees performed at other campuses. While some departments' decisions to use casual employees for fluctuating or sporadic work seemed appropriate, we found instances where departments' use of casual employees was not always reasonable. For example, some casual employees who worked as research or laboratory assistants at more than 50 percent time for an extended period could have been provided career status and full benefits during that time.

However, recently the university modified its policies regarding casual employment, which should provide casual employees with greater access to career status and the associated benefits. Finally, we found that casual employment had no uniform pattern of impact with respect to ethnic groups or age groups.

California State Auditor

2000-013
May 1, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by Chapter 540, Statutes of 2000, the Bureau of State Audits presents its audit report concerning the progress made by the Department of Health Services' (department) Childhood Lead Poisoning Prevention Program in identifying and protecting children with lead poisoning.

This report concludes that the department has only made limited progress in fulfilling its most critical missions related to lead poisoning and has not fully implemented all of our previous recommendations. Currently, the department does not ensure that all those children it has identified with lead poisoning receive proper medical care and are protected from further exposure. Also, it is still unable to determine the full nature and extent of lead poisoning in California because laboratories are not required to report the results of all childhood blood lead-tests. To its credit, the department has recently established a required standard of care for identifying lead-poisoned children, but lacks a plan to monitor and enforce this standard. Further, the department has been unsuccessful in its efforts to strengthen statewide enforcement authority to reduce or eliminate identified lead hazards. Although it has improved its outreach and education efforts, the department has yet to finalize its state plan for educating health care

providers. Finally, the department needs to address current staffing shortages and projected funding shortfalls to avoid potential cutbacks in program operations that may further hamper its ability to adequately protect California's children from lead poisoning.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Health.

COMMUNICATIONS

The following letters of transmittal were presented by the Chief Clerk, and ordered printed in the Journal:

California State Auditor

2000-129
May 3, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Housing and Community Development's (department) administration of its California Natural Disaster Assistance Program (CALDAP) for victims of the Loma Prieta earthquake.

This report concludes that the department's poor administration of certain aspects of the CALDAP for Loma Prieta earthquake victims could reduce loan repayments to the State. Although we were unable to

substantiate many of the homeowner borrowers' complaints about work quality because of the lack of supporting documentation, we did note a few instances where borrowers were awarded judgments against their contractors for poor or incomplete repair work. Further, the department's inadequate communication with borrowers and the lack of periodic loan statements may have resulted in some borrowers improperly believing that their loans were grants. Moreover, the department does not effectively monitor borrowers with rental loans that are pursuing loan forgiveness to ensure that they provide units to low-income tenants at affordable rents. Specifically, the department did not begin monitoring borrowers with rental loans until 1996, and its current process does not ensure that all borrowers comply with loan forgiveness provisions. As a result, the department could inappropriately forgive repayment of a portion of the \$15.6 million in outstanding rental loans even though borrowers may not have provided affordable housing as required.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Housing and Community Development.

California State Auditor

2000-131
May 2, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the analysis of data related to the hiring of assistant, associate, and full professors (professors) by the University of California (UC) and the review of the practices used by UC's campuses when hiring them. This report concludes that UC's hiring data for the past 5 years show that a significant disparity appears to exist between the proportion of female professors hired by UC and the overall proportion of female doctorate recipients nationwide (the measure typically used as the comparable labor pool). Factors that contributed to this disparity include certain key types of decisions made by academic departments that limit the opportunity for UC to hire female professors. These decisions effectively reduce the proportions of women in the labor pool from 46 percent to an estimated 33 percent. UC hired only 29 percent female professors during our 5-year review period. These types of decisions include whether to hire at the more experienced, tenured levels rather than at the assistant professor level and whether to focus on specific fields of study where men predominantly hold degrees.

UC has delegated responsibility for hiring professors to each of its nine campuses. Although academic departments on all UC campuses follow a similar hiring framework, not all of them make sufficient efforts to address issues related to the lack of gender parity when hiring

professors. Weaknesses we observed include search committees with all-male or predominantly male memberships and not using data regarding the extent to which women are available in the labor pool when planning the search. Further, some departments did not obtain applications from women in proportions reflecting their availability in the labor pool. Finally, we found that the average starting salaries for female professors ranged from 90 percent to 92 percent of the starting salaries for male professors during the period we reviewed. However, our examination at selected departments suggests that factors other than gender may cause the difference. Nevertheless, the extent of discretion that exists in setting compensation warrants periodic monitoring to ensure that differences in compensation do not arise simply because of gender.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Labor and Employment.

Dear Mr. Speaker,

I write to you today to respectfully an excuse from check-in session on Tuesday, May 15th and Wednesday, May 16th. As you know, I will be traveling to Washington D.C. on May 14, 2001. I will return to my capitol office late Wednesday, May 16, 2001. I will be discussing reapportionment with the California Republican Congressional Conference. As the new Chairman of the Assembly Republican Committee on Reapportionment, it is essential for me to meet with Congressional leaders.

I currently have meetings set up with Congressman Lewis, Congressman Royce, Congressman Calvert, Congressman Dreier and Congressman Thomas. I also scheduled to attend the Vitner Luncheon with Congressman Ken Calvert to discuss the glassy winged sharp shooter, a pest that has dramatically affected Riverside County.

If you have any questions regarding this letter please call me at 319-2064.

I will be absent from sub budget 4 committee hearings. They are set to meet on Tuesday, May 15th at 1:30 p.m. I will also be absent from the Transportation Committee set on Monday, May 14th at 1:30 p.m.

It is an honor to work with you in the California State Assembly.

Very truly yours,

ROD PACHECO, Assembly Member
Sixty-fourth District

May 14, 2001

*The Honorable Robert Hertzberg, Speaker
California State Assembly
State Capitol, Room 219
Sacramento, California*

Dear Speaker Hertzberg: I would like to request to be excused from Assembly check-session on Tuesday May 15th, 2001 and Wednesday May 16, 2001. I will be in my district on legislative business.

Your consideration of this request is appreciated.

Sincerely,

CARL WASHINGTON, Assembly Member

California State Auditor

2000-128
May 10, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning our review of the Alameda County Probation Department's (department) ability to meet the needs and safety of its probationers.

This report concludes that the department addresses the needs and safety of juveniles in its detention facilities. However, county residents may be at risk because the department does not have enough probation officers to properly supervise adults and juveniles on probation. Furthermore, while the State Board of Corrections and various county agencies adequately inspect the department's detention facilities, because of the age of Juvenile Hall, the department has elected not to incur the cost necessary to correct serious deficiencies identified during the inspections.

Finally, using federal and state grants, the department has enhanced services provided to at-risk youth. However, it does not have systems in place to measure the effectiveness of some of these services. Additionally, because of weak internal controls, the department cannot ensure that federal and state funds are properly spent.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Public Safety.

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The innovative educator, Marie Montessori taught that “When we want to infuse new ideas, to modify or better the habits and customs of a people, to breath new vigor into its national traits, we must use the child as our vehicle.”

There is no more sensitive a bellwether of our future, than the current condition of our nation’s children. Through them we are given the opportunity to glimpse the coming tomorrow.

And just as they provide us this understanding, they also offer us our greatest opportunity to either reinforce or to recreate our destiny.

May the Holy One of Blessing guide us in directing our children towards a future offering the fulfillment of their promise and possibility. May this be God’s will.—AMEN.

William R. Burke Biography

William R. Burke, Past National Commander of the American Legion and public relations consul, died peacefully on May 6, 2001 after receiving Communion at a family Mass in his California Palos Verdes Estates home.

A graduate of St. Elizabeth's Catholic parochial school in Altadena, he spent two years at St. Joseph's Junior Seminary in Los Altos Hills before graduating from Cathedral High School in Los Angeles. He received a B.A. in history in 1939 from UCLA, working his way through school as a baritone soloist with bands and orchestras.

In 1941, to further interfaith harmony in the United States, he joined a "trialogue" team with George Hill, a young Baptist minister and Gilbert Harrison, future editor of the *New Republic*. They toured high schools, and over 40 universities and legislatures throughout the United States introducing themselves as a "Catholic," a "Protestant," and a "Jew". The ecumenical team was sponsored by the National Conference of Christians and Jews and the Religious Conference at UCLA.

In 1943, Bill married Jeane Barnbrock, a California raised New York native, whom he met in a public speaking course at UCLA. They had five children, Brandon, Christopher (deceased), Sharon, Susan and Thomas and raised their family in Palos Verdes Estates, California.

Bill served as an officer on the U.S.S. Pillsbury, a destroyer escort that was part of the task force which captured the U-505, a German submarine. Hospitalized as a result of a depth charge concussion, Bill concluded his Navy career teaching Naval Law at Princeton and Notre Dame Universities.

With the support of the Association of Motion Picture Producers and individuals such as Bob Hope, Walt Disney, Loretta Young, Lena Horne, Melvyn Douglas, Vincent Price, Jimmy Stewart, and religious leaders of Protestant, Catholic and Jewish faiths, he and the Executive Director of the University Religious Conference, Adeline Guenther, organized the first exhibit in the United States of Mexican Art and Culture and later the first exhibit of African-American Art and Culture. Works of art were loaned from all over the United States. Underprivileged children and gang leaders from metropolitan Los Angeles were brought in to view the exhibits. It was a thrill for board members and staff of the University Religious Conference to see the troubled youngsters' positive reactions to works of their native culture.

He founded William R. Burke Public Relations, Inc. in 1945, a legislative advocacy firm with offices in Washington, Sacramento, and Los Angeles, which specialized in humanitarian issues. His firm obtained tax exemptions for all religious school properties throughout California, after 69 years of unsuccessful efforts by others. Also, among his first efforts was the repeal of the Oriental Exclusion Act, which made it possible for "legally resident aliens" to become United States citizens. His work on behalf of Displaced Persons of Europe after World War II resulted in thousands of families and individuals being relocated in communities in the United States where they were welcomed because dwindling populations had left severe labor shortages.

In 1946, with Ronald Reagan and Gilbert Harrison he formed the American Veterans Committee. However, the three friends, each then a Democrat, eventually decided their efforts to serve World War II veterans, their families and their country would better be served by the already well-established programs of the American Legion. He joined Post 8, the second oldest post in the State. In 1953, he was elected Department Commander of the State of California.

In 1960, Bill's National Commander campaign trail throughout the United States frequently crossed those of Richard Nixon and John Kennedy. Before his election to National Commander in October 1960, he moved his family to Bermuda to wait out a term of office which involved visitations to 50 states and 11 foreign countries. Upon his return from visiting S.H.A.P.E. and NATO operations, Pope John XXIII and from visiting heads of state in Mexico, Israel, Taiwan, China, Japan, Korea, Germany, France, Italy, England and Ireland, all but three members of Congress attended a dinner at which he reported his observations.

In January of 1961, he addressed the California State Legislature, the first and last time a lobbyist has been invited to speak from the House rostrum to a joint session. Affectionately called "The Cardinal" by lobbyists and legislators alike, he was a popular speaker who drove home his concerns about serious problems with Irish wit and humor.

Bill worked closely with civic, religious, educational, industrial, labor, and veterans' groups in carrying out programs in areas of importance to the public interest, and has been described as "a man of great understanding, of deep, personal dedication to the cause he serves, and of tremendous qualities of leadership."

PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

The 19th century American poet, Minnie Richard Smith wrote: "Diamonds are only chunks of coal, that stuck to their jobs."

Coping with stress and pressure over an extended period of time is a quality that is undervalued in a culture that demands immediate gratification. A culture that forgets that immediate results are not always the best results.

However, pressure and time combined can create something glorious, not just diamonds, but real and lasting policies and sound budgets that can strengthen our society.

May the Holy One of Blessing grant us the patience and determination to bring about work that is imbued with meaning and value.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Keeley, Assembly Member Robert Pacheco then led the Assembly in the pledge of allegiance to the Flag.
