

## INDEX TO ASSEMBLY BILLS, ETC.

Bills amending Codes are indexed by subject under each Code, and also in their proper alphabetical places in the general index. A numerical Code index follows this subject index. Unless otherwise indicated Code sections and sections of general laws are amended. Resolutions and constitutional amendments are indexed in the main index, but separate indexes are also given at the end of this index.

Bills approved by Governor are indicated by \*. Bills not approved by Governor are indicated by †. All other bills were not passed by both houses of the Legislature. For resolutions adopted, see separate index.

THIS INDEX WAS PREPARED BY THE STATE LIBRARY.
