152. School Facilities Bond Act of 1992. (Statutes 1992, Chapter 12, AB 880)

[Approved by electors June 2, 1992.]

PROPOSED LAW

SECTION 1. Chapter 21.2 (commencing with Section 17640) is added to Part 10 of the Education Code, to read:

CHAPTER 21.2. SCHOOL FACILITIES BOND ACT OF 1992

Article 1. General Provisions

17640. This chapter shall be known and may be cited as the School Facilities Bond Act of 1992.

17640.10. As used in this chapter, the following terms have the following meanings:

(a) "Committee" means the State School Building Finance Committee created pursuant to Section 15909.

(b) "Fund" means the State School Building Lease-Purchase Fund.

Article 2. Program Provisions

17640.15. The proceeds of bonds issued and sold pursuant to this chapter shall be deposited in the fund.

17640.20. All moneys deposited in the fund shall be available to provide aid to school districts of the state in accordance with the Leroy F. Greene State School Building Lease-Purchase Law of 1976 (Chapter 22 (commencing with Section 17700)), and of all acts amendatory thereof and supplementary thereto, to provide aid to school districts of the state in accordance with Section 17640.30, to provide funds to repay any money advanced or loaned to the State School Building Lease-Purchase Fund under any act of the Legislature, together with interest provided for in that act, and to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code.

17640.30. Of the proceeds from the sale of bonds pursuant to this chapter, not more than five hundred seventy million dollars (\$570,000,000) may be used for one or more of the following purposes:

(a) Project funding for applicant districts under Chapter 22 (commencing with Section 17700) that are eligible for that funding, but that lack funding priority due to the size of pupil enrollment in the district.

(b) The identification, assessment, or abatement of hazardous asbestos in school facilities, pursuant to either Chapter 22 (commencing with Section 17700) or Section 39619.6.

(c) *The acquisition of portable classrooms for use in accordance with Chapter 25 (commencing with Section 17785).*

(d) *The reconstruction or modernization of facilities pursuant to Chapter 22 (commencing with Section 17700). Notwithstanding Section 17721.3, the State Allocation Board may allocate funding pursuant to this subdivision for the reconstruction or modernization of an existing structure in an amount that exceeds 25 percent of the replacement cost of that structure in order to finance structural improvements needed to avert future earthquake damage.*

(e) *The purchase and installation of air-conditioning equipment and insulation materials, and related costs, pursuant to Section 42250.1 for schools operated on a year-round multitrack schedule in a manner that increases school capacity and reduces or eliminates the school district's need for the construction of additional classroom space.*

Article 3. Fiscal Provisions

17640.40. *Bonds in the total amount of one billion nine hundred million dollars (\$1,900,000,000), exclusive of refunding bonds, or so much thereof as is necessary, may be issued and sold to provide a fund to be used for carrying out the purposes expressed in this chapter and to be used to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code. The bonds, when sold, shall be and constitute a valid and binding obligation of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal of, and interest on, the bonds as the principal and interest become due and payable*

17640.44. *The State School Building Finance Committee, created by Section 15909 and composed of the Governor, Controller, Treasurer, Director of Finance, and the Director of Education, or their designated representatives, all of whom shall serve thereon without compensation, and a majority of whom shall constitute a quorum, is continued in existence for the purpose of this chapter. The Treasurer shall be designated to chair the committee. Two Members of the Senate appointed by the Senate Committee on Rules, and two Members of the Assembly appointed by the Speaker of the Assembly, shall meet and advise with the committee to the extent that the advisory participation is not incompatible with their respective positions as Members of the Legislature. For the purposes of this chapter, the Members of the Legislature shall constitute an interim investigating committee on the subject of this chapter and as that committee shall have the powers and duties imposed upon those committees by the Joint Rules of the Senate and the Assembly. The Director of Finance shall provide the assistance to the committee as it may require. The Attorney General of the state shall be the legal adviser of the committee.*

17640.45. (a) *The bonds authorized by this chapter shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), and all of the provisions of that law apply to the bonds and to this chapter and are hereby incorporated in this chapter as though set forth in full in this chapter.*

(b) *For purposes of the State General Obligation Bond Law, the State Allocation Board is designated the "board."*

17640.50. *Upon request of the board from time to time, supported by a statement of the apportionments made and to be made for the purposes described in Section 17640.20, the committee shall determine whether or not it is necessary*

or desirable to issue bonds authorized pursuant to this chapter in order to fund the apportionments and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to fund those apportionments progressively, and it is not necessary that all of the bonds authorized to be issued be sold at any one time.

17640.55. There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year, and it is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act which is necessary to collect that additional sum.

17640.60. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this chapter, as the principal and interest become due and payable.

(b) The sum which is necessary to carry out the provisions of Section 17640.70, appropriated without regard to fiscal years.

17640.63. The board may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account, in accordance with Section 16312 of the Government Code, for the purposes of carrying out this chapter. The amount of the request shall not exceed the amount of the unsold bonds that the committee has, by resolution, authorized to be sold for the purpose of carrying out this chapter. The board shall execute those documents required by the Pooled Money Investment Board to obtain and repay the loan. Any amounts loaned shall be deposited in the fund to be allocated by the board in accordance with this chapter.

17640.65. Notwithstanding any other provision of this chapter, or of the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), if the Treasurer sells bonds that include a bond counsel opinion to the effect that the interest on the bonds is excluded from gross income for federal tax purposes subject to designated conditions, the Treasurer may maintain separate accounts for the bond proceeds invested and for the investment earnings on those proceeds, and may use or direct the use of those proceeds or earnings to pay any rebate, penalty, or other payment required under federal law or take any other action with respect to the investment and use of those bond proceeds that is required or desirable under federal law in order to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

17640.70. For the purposes of carrying out this chapter, the Director of Finance may authorize the withdrawal from the General Fund of an amount or amounts not to exceed the amount of the unsold bonds which have been authorized by the committee to be sold for the purpose of carrying out this chapter. Any amounts withdrawn shall be deposited in the fund. Any money made available under this section shall be returned to the General Fund, plus an amount equal to the interest the money would have earned in the Pooled Money Investment Account, from proceeds received from the sale of bonds for the purpose of carrying out this chapter.

17640.75. All money deposited in the fund that is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest.

17640.80. The bonds may be refunded in accordance with Article 6 (commencing with Section 16780) of Chapter 4 of Part 3 of Division 4 of Title 2 of the Government Code, which is a part of the State General Obligation Bond Law. Approval by the electors of the state for the issuance of the bonds described in this chapter shall include approval of the issuance of any bonds issued to refund any bonds originally issued under this chapter or any previously issued refunding bonds.

17640.85. The Legislature hereby finds and declares that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not "proceeds of taxes" as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

[Approved by electors June 2, 1992.]

PROPOSED LAW

SECTION 1. Chapter 14.6 (commencing with Section 67358) is added to Part 40 of the Education Code, to read:

CHAPTER 14.6. HIGHER EDUCATION FACILITIES BOND ACT OF JUNE 1992

Article 1. General Provisions

67358. This chapter shall be known and may be cited as the Higher Education Facilities Bond Act of June 1992.

67358.1. The Legislature finds and declares all of the following:

(a) California's economic and social prosperity relies on a higher education system that keeps pace with California's growth. In the coming decades, the state's economic prosperity will depend on increasing the productivity of the work force and on the ability to compete successfully in the world marketplace.

(b) The system of public higher education in this state includes the University of California containing nine campuses, the California State University containing 20 campuses, the California Community Colleges consisting of 71 districts containing 107 campuses, the Hastings College of the Law, the California Maritime Academy, and their respective off-campus centers. Each of these institutions plays a vital role in maintaining California's dominance in higher education in the United States.

(c) Over the last several years, studies have been completed by the University of California, the California State University, and the California Community Colleges to assess their long-term and short-term capital needs. Those studies demonstrate that the long-term and short-term needs total, in the aggregate, several billion dollars.

(d) The purpose of the Higher Education Facilities Bond Act of June 1992 is to assist in meeting the capital outlay financing needs of California's public higher education system.

67358.2. *As used in this chapter, the following terms have the following meanings:*

(a) "Committee" means the Higher Education Facilities Finance Committee created pursuant to Section 67353.

(b) "Fund" means the 1992 Higher Education Capital Outlay Bond Fund created pursuant to Section 67358.3.

Article 2. Higher Education Facilities Bond Act Program

67358.3 *The proceeds of bonds issued and sold pursuant to this chapter shall be deposited in the 1992 Higher Education Capital Outlay Bond Fund, which is hereby created.*

67358.4. *The committee shall be and is hereby authorized to create a debt or debts, liability or liabilities, of the State of California pursuant to this chapter for the purpose of funding aid to the University of California, the California State University, the California Community Colleges, the Hastings College of the Law, and the California Maritime Academy for the construction, including the construction of buildings and the acquisition of related fixtures; the equipping of new, renovated, or reconstructed facilities; funding for the payment of preconstruction costs, including, but not limited to, preliminary plans and working drawings; renovation and reconstruction of facilities, and the construction or improvement of off-campus facilities of the California State University approved by the Trustees of the California State University on or before July 1, 1990, including the acquisition of sites upon which these facilities are to be constructed.*

The addition of the Hastings College of the Law to this section is not intended to mark a change from the funding authorizations made by Section 67354, as contained in the Higher Education Facilities Bond Act of 1986, or Section 67334, as contained in the Higher Education Facilities Bond Act of 1988, but is intended to state more clearly what was intended by the Legislature in those sections as well.

Article 3. Fiscal Provisions

67358.5. *(a) Bonds in the total amount of nine hundred million dollars (\$900,000,000), not including the amount of any refunding bonds issued in accordance with Section 67359.3, or so much thereof as is necessary, may be issued and sold to provide a fund to be used for carrying out the purposes expressed in this chapter and to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code. The bonds shall, when sold, be and constitute a valid and binding obligation of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal of, and interest on, the bonds as the principal and interest become due and payable*

(b) Pursuant to this section, the Treasurer shall sell the bonds authorized by the committee at any different times necessary to service expenditures required by the apportionments.

67358.6. *The bonds authorized by this chapter shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), and all of the provisions of that law shall*

apply to the bonds and to this chapter and are hereby incorporated in this chapter as though set forth in full in this chapter. For purposes of the State General Obligation Bond Law, each state agency administering an appropriation of the bond fund is designated as the "board" for projects funded by those appropriations.

67358.7. The committee shall authorize the issuance of bonds under this chapter only to the extent necessary to fund the apportionments that are expressly authorized by the Legislature in the annual Budget Act. Pursuant to that legislative direction, the committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter in order to carry out the actions specified in Section 67358.4 and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to carry out those actions progressively, and it is not necessary that all of the bonds authorized to be issued be sold at any one time.

67358.8 There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year, and it is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act that is necessary to collect that additional sum.

67358.9. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this chapter, as the principal and interest become due and payable.

(b) The sum necessary to carry out the provisions of Section 67359, appropriated without regard to fiscal years.

67359. (a) For the purposes of carrying out this chapter, the Director of Finance may, by executive order, authorize the withdrawal from the General Fund of an amount or amounts not to exceed the amount of the unsold bonds that have been authorized by the committee to be sold for the purpose of carrying out this chapter. Any amounts withdrawn shall be deposited in the fund. Any money made available under this section shall be returned to the General Fund, together with interest at the rate paid on moneys in the Pooled Money Investment Account, from money received from the sale of bonds for the purpose of carrying out this chapter

(b) No funds shall be expended pursuant to this chapter for the acquisition and development of new campuses that would increase the number of campuses designated in Section 67358.1.

(c) Any request forwarded to the Legislature and the Department of Finance for funds from this bond issue for expenditure for the purposes described in Section 67358.4 by the University of California, the California State University, or the California Community Colleges shall be accompanied by the five-year capital outlay plan of the particular university or college and shall include a schedule that prioritizes the seismic retrofitting needed to significantly reduce, by the 2000-01 fiscal year, in the judgment of the particular university or college, seismic hazards in buildings identified as high priority by the university or college.

67359.1. *All money deposited in the fund that is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest.*

67359.2. *The board may request the Pooled Money Investment Board for a loan from the Pooled Money Investment Account, in accordance with Section 16312 of the Government Code, and may execute those documents required by the Pooled Money Investment Board to obtain and repay the loan. The loan shall be deposited in the fund for the purpose of carrying out the provisions of this chapter. The amount of the loan shall not exceed the amount of the unsold bonds that the committee, by resolution, has authorized to be sold for the purposes of this chapter.*

67359.3. *Any bonds issued and sold pursuant to this chapter may be refunded by the issuance and sale or exchange of refunding bonds in accordance with Article 6 (commencing with Section 16780) of Chapter 4 of Part 3 of Division 4 of Title 2 of the Government Code. The approval by the electors of this state of the issuance and sale of bonds under this chapter includes approval of the issuance and sale or exchange of any bonds issued to refund either those bonds or any previously issued refunding bonds.*

67359.4. *Notwithstanding any provision of this chapter or the State General Obligation Bond Law set forth in Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code, if the Treasurer sells bonds pursuant to this chapter that include a bond counsel opinion to the effect that the interest on the bonds is excluded from gross income for federal tax purposes under designated conditions, the Treasurer may maintain separate accounts for the investment of bond proceeds and the investment earnings on these proceeds, and the Treasurer shall be authorized to use or direct the use of these proceeds or earnings to pay any rebate, penalty, or other payment required under federal law or to take any other action with respect to the investment and use of bond proceeds required or desirable under federal law so as to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.*

67359.5. *The Legislature hereby finds and declares that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not "proceeds of taxes" as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.*

162. Public Employees' Retirement Systems.

[Submitted by the initiative and approved by electors November 3, 1992.]

PROPOSED LAW

The California Pension Protection Act of 1992

Section One. Title. This act shall be known and may be cited as "The California Pension Protection Act of 1992."

Section Two. Findings and Declarations. The People of the State of California hereby find and declare as follows:

(a) Retired citizens depend upon their pension benefits to meet basic necessities such as food and shelter during their retirement years. For many elderly citizens who are not eligible to participate in Social Security, pension benefits are their sole source of financial support and security.

(b) Teachers, firefighters, police officers and other local, school and state employees depend on promised pension benefits, which must be protected from political abuse and misappropriation.

(c) Politicians have undermined the dignity and security of all citizens who depend on pension benefits for their retirement by repeatedly raiding their pension funds.

(d) Political meddling has driven the federal Social Security system to the brink of bankruptcy. To protect the financial security of retired Californians, politicians must be prevented from meddling in or looting pension funds.

(e) Raids by politicians on public pension funds will burden taxpayers with massive tax increases in the future.

(f) To protect pension systems, retirement board trustees must be free from political meddling and intimidation.

(g) The integrity of our public pension systems demands that safeguards be instituted to prevent political "packing" of retirement boards, and encroachment upon the sole and exclusive fiduciary powers or infringement upon the actuarial duties of those retirement boards.

(h) In order to protect pension benefits and to avoid the prospect of higher taxes, the People must act now to shield the pension funds of this state from abuse, plunder and political corruption.

Section Three. Purpose and Intent. The People of the State of California hereby declare that their purpose and intent in enacting this measure is as follows:

(a) To protect pension funds so that retirees and employees will continue to be able to enjoy a basic level of dignity and security in their retirement years.

(b) To give voters the right to approve changes in the composition of retirement boards containing elected retirees or employee members.

(c) To protect the taxpayers of this state against future tax increases which will be required if state and local politicians are permitted to divert public pension funds to other uses.

(d) To ensure that the assets of public pension systems are used exclusively for the purpose of efficiently and promptly providing benefits and services to participants of these systems, and not for other purposes.

(e) To give the sole and exclusive power over the management and investment of public pension funds to the retirement boards elected or appointed for that purpose, to strictly limit the Legislature's power over such funds, and to prohibit the Governor or any executive or legislative body of any political subdivision of this state from tampering with public pension funds.

(f) To ensure that all actuarial determinations necessary to safeguard the competency of public pension funds are made under the sole and exclusive direction of the responsible retirement boards.

(g) To affirm the legal principle that a retirement board's duty to its participants and their beneficiaries takes precedence over any other duty.

Section Four. Section 17 of Article XVI of the California Constitution is hereby amended to read as follows:

SEC. 17. The State shall not in any manner loan its credit, nor shall it subscribe to, or be interested in the stock of any company, association, or corporation, except that the State and each political subdivision, district, municipality, and public agency thereof is hereby authorized to acquire and hold shares of the capital stock of any mutual water company or corporation when the stock is so acquired or held for the purpose of furnishing a supply of water for public, municipal or governmental purposes; and the holding of the stock shall entitle the holder thereof to all of the rights, powers and privileges, and shall subject the holder to the obligations and liabilities conferred or imposed by law upon other holders of stock in the mutual water company or corporation in which the stock is so held.

Notwithstanding any other provisions of law or this Constitution to the contrary in this section and Section 6 of Article XVI, the Legislature may authorize the retirement board of a public pension or retirement system shall have plenary authority and fiduciary responsibility for investment of moneys and administration of any public pension or retirement the system, subject to all of the following:

(a) The retirement board of a public pension or retirement system shall have the sole and exclusive fiduciary responsibility over the assets of the public pension or retirement system. The retirement board shall also have sole and exclusive responsibility to administer the system in a manner that will assure prompt delivery of benefits and related services to the participants and their beneficiaries. The assets of a public pension or retirement system are trust funds and shall be held for the exclusive purposes of providing benefits to participants in the pension or retirement system and their beneficiaries and defraying reasonable expenses of administering the system.

(b) The ~~fiduciary~~ members of the retirement board of the a public pension or retirement system shall discharge ~~his or her~~ their duties with respect to the system solely in the interest of, and for the exclusive purposes of providing benefits to, participants and their beneficiaries, minimizing employer contributions thereto, and defraying reasonable expenses of administering the system. A retirement board's duty to its participants and their beneficiaries shall take precedence over any other duty.

In the event that the other measure or measures shall receive a greater number of affirmative votes, the provisions of this measure shall take effect to the extent permitted by law.

Section Seven. Severability. If any provision of this act shall be found or held by a court of competent jurisdiction to be invalid or unconstitutional for any reason, such invalidity or unconstitutionality shall not affect the remaining provisions of this measure, and to this end the provisions of this measure are severable.

164. Congressional Term Limits.

[Submitted by the initiative and approved by electors November 3, 1992]

PROPOSED LAW

THE CALIFORNIA TERM LIMITATIONS ACT OF 1992

SECTION ONE. TITLE. This act shall be known and may be cited as "The California Term Limitations Act of 1992."

SECTION TWO. FINDINGS AND DECLARATIONS. The People of the State of California hereby find and declare as follows:

(a) Federal officeholders who remain in office for extended periods of time become preoccupied with their own reelection and for that reason devote more effort to campaigning for their office than making legislative decisions for the benefit of the People of California.

(b) Federal officeholders have become too closely aligned with the special interest groups who provide contributions and support for their reelection campaigns, give them special favors, and lobby the House of Representatives and Senate for special interest legislation, all of which create corruption or the appearance of corruption of the legislative system.

(c) Entrenched incumbency has discouraged qualified citizens from seeking office and has led to a lack of competitiveness and a decline in robust debate on issues of importance to the People of California.

(d) Due to the appearance of corruption and the lack of competition for the legislative seats held by entrenched incumbents, there has been a reduction in voter participation which is counter-productive in a representative democracy.

(e) The citizens of this state have a compelling interest in preventing corruption and the appearance of corruption by limiting the number of terms which any Senator or Representative representing the People of this state may serve.

(f) The citizens of this state have a compelling interest in preserving the integrity of the ballot by promoting competitive elections and limiting the influence of special interests upon entrenched incumbent legislators.

(g) The citizens of this state have a compelling interest in voting for the candidate or candidates of their choice, and in standing for and holding elective office, and in preventing the perpetual monopolization of elective offices by incumbents.

(h) The citizens of this state have a compelling interest in extending the equal protection of the laws by ensuring that more of the People of this state have an equal opportunity to stand for and hold elective office.

SECTION THREE. PURPOSE AND INTENT. The People of the State of California declare their purpose and intent in enacting this legislation to be as follows:

(a) To promote, protect, and defend the compelling interest of the citizens of this state in preventing corruption and the appearance of corruption among the federal legislative representatives of this state by limiting the number of terms in which any Senator or Representative may hold his or her office.

(b) To promote, protect, and defend the compelling interest of the citizens of this state in preserving the integrity of the ballot by ensuring, to the greatest extent permitted by law, competitive elections without the corrupting influences of special interests upon entrenched incumbents.

(c) To promote, protect and defend the right of the citizens of this state, guaranteed by the First Amendment to the United States Constitution, to vote for the candidates of their choice, and to stand for and hold elective office, by curtailing the effects of entrenched incumbency and freely permitting write-in candidacies.

(d) To promote, protect, and defend the right of the citizens of this state to equal protection of the laws, guaranteed by the Fourteenth Amendment to the United States Constitution, by giving more of the citizens of this state the opportunity to stand for and hold elective office.

SECTION FOUR. LIMITATION ON BALLOT ACCESS BY FEDERAL LEGISLATIVE CANDIDATES. Section 25003 is hereby added to the California Elections Code to read as follows:

25003. (a) FEDERAL LEGISLATIVE CANDIDATES; BALLOT ACCESS. *Notwithstanding any other provision of law, the Secretary of State, or other election official authorized by law, shall not accept or verify the signatures on any nomination paper for any person, nor shall he or she certify or place on the list of certified candidates, nor print or cause to be printed on any ballot, ballot pamphlet, sample ballot, or ballot label the name of any person, who does either of the following:*

(1) Seeks to become a candidate for a seat in the United States House of Representatives, and who, by the end of the then current term of office will have served, or but for resignation would have served, as a member of the United States House of Representatives representing any portion or district of the State of California during six or more of the previous eleven years;

(2) Seeks to become a candidate for a seat in the United States Senate, and who, by the end of the then current term of office will have served, or but for resignation would have served, as a member of the United States Senate representing the State of California during twelve or more of the previous seventeen years.

(b) "WRITE-IN" CANDIDACIES. *Nothing in this section shall be construed as preventing or prohibiting any qualified voter of this state from casting a ballot for any person by writing the name of that person on the ballot, or from having such a ballot counted or tabulated, nor shall any provision of this section be construed as preventing or prohibiting any person from standing or campaigning for any elective office by means of a "write-in" campaign.*

(c) CONSTRUCTION. *Nothing in this section shall be construed as preventing or prohibiting the name of any person from appearing on the ballot at any direct primary or general election unless that person is specifically prohibited from doing so by the provisions of subdivision (a), and to that end the provisions of subdivision (a) shall be strictly construed.*

SECTION FIVE. APPLICATION. This act shall take effect and be applicable to federal legislative candidates whose terms of office begin on or after January 1, 1993. Service prior to January 1, 1993 shall not be counted for the purpose of this act.

SECTION SIX. SEVERABILITY. If any provision of this act shall be held by a court of competent jurisdiction to be invalid or unconstitutional for any reason, such invalidity or unconstitutionality shall not affect the other provisions of this act, and to that end the provisions of this act are severable.

[Approved by electors November 3, 1992.]

PROPOSED LAW

SEC. 1.7. Chapter 21.25 (commencing with Section 17645) is added to Part 10 of the Education Code, to read:

CHAPTER 21.25. 1992 SCHOOL FACILITIES BOND ACT

Article 1. General Provisions

17645. This chapter shall be known and may be cited as the 1992 School Facilities Bond Act.

17645.10. As used in this chapter, the following terms have the following meanings:

(a) "Committee" means the State School Building Finance Committee created pursuant to Section 15909.

(b) "Fund" means the State School Building Lease-Purchase Fund.

Article 2. Program Provisions

17645.15. The proceeds of bonds issued and sold pursuant to this chapter shall be deposited in the fund.

17645.20. (a) All moneys deposited in the fund shall be available to provide aid to school districts of the state in accordance with the Leroy F. Greene State School Building Lease-Purchase Law of 1976 (Chapter 22 (commencing with Section 17700)), and of all acts amendatory thereof and supplementary thereto, to provide aid to school districts of the state in accordance with Section 17645.30, to provide funds to repay any money advanced or loaned to the State School Building Lease-Purchase Fund under any act of the Legislature, together with interest provided for in that act, and to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code.

(b) As to any project that is funded, in whole or in part, from the proceeds of bonds to be expended under this chapter for the purposes of Chapter 22 (commencing with Section 17700), the state's portion of land costs paid from the proceeds of bonds authorized under this chapter shall not exceed two million two hundred fifty thousand dollars (\$2,250,000) per acre, per project.

17645.30. Of the proceeds from the sale of bonds pursuant to this chapter, not more than two hundred seventy million dollars (\$270,000,000) may be used for one or more of the following purposes:

(a) Project funding for applicant districts under Chapter 22 (commencing with Section 17700) that are eligible for that funding, but that lack funding priority due to the size of pupil enrollment in the district.

(b) The identification, assessment, or abatement of hazardous asbestos in school facilities, pursuant to either Chapter 22 (commencing with Section 17700) or Section 39619.6.

(c) The acquisition of portable classrooms for use in accordance with Chapter 25 (commencing with Section 17785).

(d) The reconstruction or modernization of facilities pursuant to Chapter 22 (commencing with Section 17700). Notwithstanding Section 17721.3, the State Allocation Board may allocate funding pursuant to this subdivision for the reconstruction or modernization of an existing structure in an amount that exceeds 25 percent of the replacement cost of that structure in order to finance structural improvements needed to avert future earthquake damage.

(e) The purchase and installation of air-conditioning equipment and insulation materials, and related costs, pursuant to Section 42250.1 for schools operated on a year-round multitrack schedule in a manner that increases school capacity and reduces or eliminates the school district's need for the construction of additional classroom space.

Article 3. Fiscal Provisions

17645.40. Bonds in the total amount of nine hundred million dollars (\$900,000,000), exclusive of refunding bonds, or so much thereof as is necessary, may be issued and sold to provide a fund to be used for carrying out the purposes expressed in this chapter and to be used to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code. The bonds, when sold, shall be and constitute a valid and binding obligation of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal of, and interest on, the bonds as the principal and interest become due and payable.

17645.44. The State School Building Finance Committee, created by Section 15909 and composed of the Governor, Controller, Treasurer, Director of Finance, and the Director of Education, or their designated representatives, all of whom shall serve thereon without compensation, and a majority of whom shall constitute a quorum, is continued in existence for the purpose of this chapter. The Treasurer shall be designated to chair the committee. Two Members of the Senate appointed by the Senate Committee on Rules, and two Members of the Assembly appointed by the Speaker of the Assembly, shall meet and advise with the committee to the extent that the advisory participation is not incompatible with their respective positions as Members of the Legislature. For the purposes of this chapter, the Members of the Legislature shall constitute an interim investigating committee on the subject of this chapter and as that committee shall have the powers and duties imposed upon those committees by the Joint Rules of the Senate and the Assembly. The Director of Finance shall provide the assistance to the committee as it may require. The Attorney General of the state shall be the legal adviser of the committee.

17645.45. (a) The bonds authorized by this chapter shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), and all of the provisions of that law apply to the bonds and to this chapter and are hereby incorporated in this chapter as though set forth in full in this chapter.

(b) For purposes of the State General Obligation Bond Law, the State Allocation Board is designated the "board."

17645.50. Upon request of the board from time to time, supported by a statement of the apportionments made and to be made for the purposes described in Section 17645.20, the committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter in order to fund the apportionments and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to fund those apportionments progressively, and it is not necessary that all of the bonds authorized to be issued be sold at any one time.

17645.55. There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year, and it is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act which is necessary to collect that additional sum.

17645.60. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this chapter, as the principal and interest become due and payable.

(b) The sum which is necessary to carry out the provisions of Section 17645.70, appropriated without regard to fiscal years.

17645.63. The board may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account, in accordance with Section 16312 of the Government Code, for the purposes of carrying out this chapter. The amount of the request shall not exceed the amount of the unsold bonds that the committee has, by resolution, authorized to be sold for the purpose of carrying out this chapter. The board shall execute those documents required by the Pooled Money Investment Board to obtain and repay the loan. Any amounts loaned shall be deposited in the fund to be allocated by the board in accordance with this chapter.

17645.65. Notwithstanding any other provision of this chapter, or of the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), if the Treasurer sells bonds that include a bond counsel opinion to the effect that the interest on the bonds is excluded from gross income for federal tax purposes subject to designated conditions, the Treasurer may maintain separate accounts for the bond proceeds invested and for the investment earnings on those proceeds, and may use or direct the use of those proceeds or earnings to pay any rebate, penalty, or other payment required under federal law or take any other action with respect to the investment and use of those bond proceeds that is required or desirable under federal law in order to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

17645.70. For the purposes of carrying out this chapter, the Director of Finance may authorize the withdrawal from the General Fund of an amount or amounts not to exceed the amount of the unsold bonds which have been authorized by the committee to be sold for the purpose of carrying out this chapter. Any amounts withdrawn shall be deposited in the fund. Any money

made available under this section shall be returned to the General Fund, plus an amount equal to the interest the money would have earned in the Pooled Money Investment Account, from proceeds received from the sale of bonds for the purpose of carrying out this chapter.

17645.75. All money deposited in the fund that is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest.

17645.80. The bonds may be refunded in accordance with Article 6 (commencing with Section 16780) of Chapter 4 of Part 3 of Division 4 of Title 2 of the Government Code, which is a part of the State General Obligation Bond Law. Approval by the electors of the state for the issuance of the bonds described in this chapter shall include approval of the issuance of any bonds issued to refund any bonds originally issued under this chapter or any previously issued refunding bonds.

17645.85. The Legislature hereby finds and declares that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not "proceeds of taxes" as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

161. **Physician-Assisted Death. Terminal Condition.**

[Submitted by the initiative and rejected by electors November 3, 1992.]

PROPOSED LAW

SEC. 1. Title 10.5 (commencing with Section 2525) is added to Part 4 of Division 3 of the Civil Code, to read:

TITLE 10.5. DEATH WITH DIGNITY ACT

2525. TITLE

This title shall be known and may be cited as the Death With Dignity Act.

2525.1. DECLARATION OF PURPOSE.

The people of California declare:

Current state laws do not adequately protect the rights of terminally ill patients. The purpose of this Act is to provide mentally competent terminally ill adults the legal right to voluntarily request and receive physician aid-in-dying. This Act protects physicians who voluntarily comply with the request and provides strong safeguards against abuse. The Act requires the signing of a witnessed revocable Directive in advance and then requires a terminally ill patient to communicate his or her request directly to the treating physician

Self-determination is the most basic of freedoms. The right to choose to eliminate pain and suffering, and to die with dignity at the time and place of our own choosing when we are terminally ill is an integral part of our right to control

our own destinies. That right is hereby established in law, but limited to ensure that the rights of others are not affected. The right should include the ability to make a conscious and informed choice to enlist the assistance of the medical profession in making death as painless, humane, and dignified as possible.

Modern medical technology has made possible the artificial prolongation of human life beyond natural limits. This prolongation of life for persons with terminal conditions may cause loss of patient dignity and unnecessary pain and suffering, for both the patient and the family, while providing nothing medically necessary or beneficial to the patient.

In recognition of the dignity which patients have a right to expect, the State of California recognizes the right of mentally competent terminally ill adults to make a voluntary revocable written Directive instructing their physician to administer aid-in-dying to end their life in a painless, humane and dignified manner.

The Act is voluntary. Accordingly, no one shall be required to take advantage of this legal right or to participate if they are religiously, morally, or ethically opposed.

2525.2. DEFINITIONS

The following definitions shall govern the construction of this title:

(a) "Attending physician" means the physician selected by, or assigned to, the patient who has primary responsibility for the treatment and care of the patient.

(b) "Directive" means a revocable written document voluntarily executed by the declarant in accordance with the requirements of Section 2525.3 in substantially the form set forth in Section 2525.24.

(c) "Declarant" means a person who executes a Directive, in accordance with this title.

(d) "Life-sustaining procedure" means any medical procedure or intervention which utilizes mechanical or other artificial means to sustain, restore, or supplant a vital function, including nourishment and hydration which, when applied to a qualified patient, would serve only to prolong artificially the moment of death. "Life-sustaining procedure" shall not include the administration of medication or the performance of any medical procedure deemed necessary to alleviate pain or reverse any condition.

(e) "Physician" means a physician and surgeon licensed by the Medical Board of California.

(f) "Health care provider" and "Health care professional" mean a person or facility or employee of a health care facility licensed, certified, or otherwise authorized by the law of this state to administer health care in the ordinary course of business or practice of a profession.

(g) "Community care facility" means a community care facility as defined in Section 1502 of the Health and Safety Code

(h) "Qualified patient" means a mentally competent adult patient who has voluntarily executed a currently valid revocable Directive as defined in this section, who has been diagnosed and certified in writing by two physicians to be afflicted with a terminal condition, and who has expressed an enduring request for aid-in-dying. One of said physicians shall be the attending physician as

defined in subdivision (a). Both physicians shall have personally examined the patient.

(i) "Enduring request" means a request for aid-in-dying, expressed on more than one occasion.

(j) "Terminal condition" means an incurable or irreversible condition which will, in the opinion of two certifying physicians exercising reasonable medical judgment, result in death within six months or less. One of said physicians shall be the attending physician as defined in subdivision (a).

(k) "Aid-in-dying" means a medical procedure that will terminate the life of the qualified patient in a painless, humane and dignified manner whether administered by the physician at the patient's choice or direction or whether the physician provides means to the patient for self-administration.

2525.3. WITNESSED DIRECTIVE

A mentally competent adult individual may at any time voluntarily execute a revocable Directive governing the administration of aid-in-dying. The Directive shall be signed by the declarant and witnessed by two adults who at the time of witnessing, meet the following requirements:

(a) Are not related to the declarant by blood or marriage, or adoption.

(b) Are not entitled to any portion of the estate of the declarant upon his or her death under any will of the declarant or codicil thereto then existing, or, at the time of the Directive, by operation of law then existing.

(c) Have no creditor's claim against the declarant, or anticipate making such claim against any portion of the estate of the declarant upon his or her death.

(d) Are not the attending physician, an employee of the attending physician, a health care provider, or an employee of a health care provider.

(e) Are not the operator of a community care facility or an employee of a community care facility.

The Directive shall be substantially in the form contained in Section 2525.24.

2525.4. SKILLED NURSING FACILITIES

A Directive shall have no force or effect if the declarant is a patient in a skilled nursing facility as defined in subdivision (c) of Section 1250 of the Health and Safety Code and intermediate care facility or community care facility at the time the Directive is executed unless one of the two witnesses to the Directive is a Patient Advocate or Ombudsman designated by the Department of Aging for this purpose pursuant to any other applicable provision of law. The Patient Advocate or Ombudsman shall have the same qualifications as a witness under Section 2525.3.

The intent of this paragraph is to recognize that some patients in skilled nursing facilities may be so insulated from a voluntary decision-making role, by virtue of the custodial nature of their care, as to require special assurance that they are capable of willingly and voluntarily executing a Directive.

2525.5. REVOCATION

A Directive may be revoked at any time by the declarant, without regard to his or her mental state or competency, by any of the following methods:

(a) By being canceled, defaced, obliterated, burned, torn, or otherwise destroyed by or at the direction of the declarant with the intent to revoke the Directive.

(b) *By a written revocation of the declarant expressing his or her intent to revoke the Directive, signed and dated by the declarant. If the declarant is in a health care facility and under the care and management of a physician, the physician shall record in the patient's medical record the time and date when he or she received notification of the written revocation.*

(c) *By a verbal expression by the declarant of his or her intent to revoke the Directive. The revocation shall become effective only upon communication to the attending physician by the declarant. The attending physician shall confirm with the patient that he or she wishes to revoke, and shall record in the patient's medical record the time, date and place of the revocation*

There shall be no criminal, civil, or administrative liability on the part of any health care provider for following a Directive that has been revoked unless that person has actual knowledge of the revocation

2525.6. TERM OF DIRECTIVE

A Directive shall be effective unless and until revoked in the manner prescribed in Section 2525.5. This title shall not prevent a declarant from re-executing a Directive at any time in accordance with Section 2525.3, including re-execution subsequent to a diagnosis of a terminal condition.

2525.7. ADMINISTRATION OF AID-IN-DYING

When, and only when, a qualified patient determines that the time for physician aid-in-dying has arrived and has made an enduring request, the patient will communicate that determination directly to the attending physician who will administer aid-in-dying in accordance with this Act.

2525.8. NO COMPULSION

Nothing herein requires a physician to administer aid-in-dying, or a licensed health care professional, such as a nurse, to participate in administering aid-in-dying under the direction of a physician, if he or she is religiously, morally, or ethically opposed. Neither shall privately owned hospitals be required to permit the administration of physician aid-in-dying in their facilities if they are religiously, morally, or ethically opposed.

2525.9. PROTECTION OF HEALTH CARE PROFESSIONALS

No physician, health care facility, or employee of a health care facility who, acting in accordance with the requirements of this title, administers aid-in-dying to a qualified patient shall be subject to civil, criminal, or administrative liability therefore. No licensed health care professional, such as a nurse, acting under the direction of a physician, who participates in the administration of aid-in-dying to a qualified patient in accordance with this title shall be subject to any civil, criminal, or administrative liability. No physician, or licensed health care professional acting under the direction of a physician, who acts in accordance with the provisions of this chapter, shall be guilty of any criminal act or of unprofessional conduct because he or she administers aid-in-dying.

2525.10. TRANSFER OF PATIENT

No physician, or health care professional or health care provider acting under the direction of a physician, shall be criminally, civilly, or administratively liable for failing to effectuate the Directive of the qualified patient, unless there is willful failure to transfer the patient to any physician, health care professional, or health care provider upon request of the patient.

2525.11. FEES

Fees, if any, for administering aid-in-dying shall be fair and reasonable.

2525.12. INDEPENDENT PHYSICIANS

The certifying physicians shall not be partners or shareholders in the same medical practice.

2525.13. CONSULTATIONS

An attending physician who is requested to give aid-in-dying may request a psychiatric or psychological consultation if that physician has any concern about the patient's competence, with the consent of a qualified patient.

2525.14. DIRECTIVE COMPLIANCE

Prior to administering aid-in-dying to a qualified patient, the attending physician shall take reasonable steps to determine that the Directive has been signed and witnessed, and all steps are in accord with the desires of the patient, expressed in the Directive and in their personal discussions. Absent knowledge to the contrary, a physician or other health care provider may presume the Directive complies with this title and is valid.

2525.15. MEDICAL STANDARDS

No physician shall be required to take any action contrary to reasonable medical standards in administering aid-in-dying.

2525.16. NOT SUICIDE

Requesting and receiving aid-in-dying by a qualified patient in accordance with this title shall not, for any purpose, constitute a suicide.

2525.17. INSURANCE

(a) No insurer doing business in California shall refuse to insure, cancel, refuse to renew, re-assess the risk of an insured, or raise premiums on the basis of whether or not the insured has considered or completed a Directive. No insurer may require or request the insured to disclose whether he or she has executed a Directive.

(b) The making of a Directive pursuant to Section 2525.3 shall not restrict, inhibit, or impair in any manner the sale, procurement, issuance or rates of any policy of life, health, or disability insurance, nor shall it affect in any way the terms of an existing policy of life, health or disability insurance. No policy of life, health, or disability insurance shall be legally impaired or invalidated in any manner by the administration of aid-in-dying to an insured qualified patient, notwithstanding any term of the policy to the contrary.

(c) No physician, health care facility, or other health care provider, and no health care service plan, insurer issuing disability insurance, other insurer, self-insured employee welfare benefit plan, or non-profit hospital service plan shall require any person to execute or prohibit any person from executing a Directive as a condition for being insured for, or receiving, health care services, nor refuse service because of the execution, the existence, or the revocation of a Directive.

(d) A person who, or a corporation, or other business which, requires or prohibits the execution of a Directive as a condition for being insured for, or receiving, health care services is guilty of a misdemeanor.

(e) No life insurer doing business in California may refuse to pay sums due upon the death of the insured whose death was assisted in accordance with this Act.

2525.18. INDUCEMENT

No patient may be pressured to make a decision to seek aid-in-dying because that patient is a financial, emotional, or other burden to his or her family, other persons, or the state. A person who coerces, pressures, or fraudulently induces another to execute a Directive under this title is guilty of a misdemeanor, or if death occurs as a result of said coercion, pressure or fraud, is guilty of a felony.

2525.19. TAMPERING

Any person who willfully conceals, cancels, defaces, obliterates, or damages the Directive of another without the declarant's consent shall be guilty of a misdemeanor. Any person who falsifies or forges the Directive of another, or willfully conceals or withholds personal knowledge of a revocation as provided in Section 2525.5, with the intent to induce aid-in-dying procedures contrary to the wishes of the declarant, and thereby, because of such act, directly causes aid-in-dying to be administered, shall be subject to prosecution for unlawful homicide as provided in Chapter 1 (commencing with Section 187) of Title 8 of Part 1 of the Penal Code.

2525.20. OTHER RIGHTS

This Act shall not impair or supersede any right or legal responsibility which any person may have regarding the withholding or withdrawal of life-sustaining procedures in any lawful manner.

2525.21. REPORTING

Hospitals and other health care providers who carry out the Directive of a qualified patient shall keep a record of the number of these cases, and report annually to the State Department of Health Services the patient's age, type of illness, and the date the Directive was carried out. In all cases, the identity of the patient shall be strictly confidential and shall not be reported.

2525.22. RECORDING

The Directive, or a copy of the Directive, shall be made a part of a patient's medical record in each institution involved in the patient's medical care.

2525.23. MERCY KILLING DISAPPROVED

Nothing in this Act shall be construed to condone, authorize, or approve mercy killing.

2525.24. FORM OF DIRECTIVE

In order for a Directive to be valid under this title, the Directive shall be in substantially the following form:

VOLUNTARY DIRECTIVE TO PHYSICIANS

NOTICE TO PATIENT:

This document will exist until it is revoked by you. This document revokes any prior Directive to administer aid-in-dying but does not revoke a durable power of attorney for health care or living will. You must follow the witnessing procedures described at the end of this form or the document will not be valid. You may wish to give your doctor a signed copy.

INSTRUCTIONS FOR PHYSICIANS

ADMINISTRATION OF A MEDICAL PROCEDURE TO
END MY LIFE IN A PAINLESS, HUMANE,
AND DIGNIFIED MANNER

*This Directive is made this ____ day of _____ (month)
_____ (year).*

I, _____, being of sound mind, do voluntarily make known my desire that my life shall be ended with the aid of a physician in a painless, humane, and dignified manner when I have a terminal condition or illness, certified to be terminal by two physicians, and they determine that my death will occur within six months or less.

When the terminal diagnosis is made and confirmed, and this Directive is in effect, I may then ask my attending physician for aid-in-dying. I trust and hope that he or she will comply. If he or she refuses to comply, which is his or her right, then I urge that he or she assist in locating a colleague who will comply.

Determining the time and place of my death shall be in my sole discretion. The manner of my death shall be determined jointly by my attending physician and myself

This Directive shall remain valid until revoked by me. I may revoke this Directive at any time.

I recognize that a physician's judgment is not always certain, and that medical science continues to make progress in extending life, but in spite of these facts, I nevertheless wish aid-in-dying rather than letting my terminal condition take its natural course.

I will endeavor to inform my family of this Directive, and my intention to request the aid of my physician to help me to die when I am in a terminal condition, and take those opinions into consideration. But the final decision remains mine. I acknowledge that it is solely my responsibility to inform my family of my intentions.

I have given full consideration to and understand the full import of this Directive, and I am emotionally and mentally competent to make this Directive. I accept the moral and legal responsibility for receiving aid-in-dying

This Directive will not be valid unless it is signed by two qualified witnesses who are present when you sign or acknowledge your signature. The witnesses must not be related to you by blood, marriage, or adoption; they must not be entitled to any part of your estate or at the time or execution of the Directive have no claim against any portion of your estate, nor anticipate making such claim against any portion of your estate; and they must not include your attending physician, an employee of the attending physician; a health care provider, an employee of a health care provider, the operator of the community care facility or an employee of an operator of a community care facility.

If you have attached any additional pages to this form, you must sign and date each of the additional pages at the same time you date and sign this Directive.

Section 401 of the Penal Code is amended to read:

401. Suicide, aiding, advising or encouraging. Every person who deliberately aids, or advises, or encourages another to commit suicide, is guilty of a felony. Death resulting from a request for aid-in-dying pursuant to Title 10.5 (commencing with Section 2525) of Division 3 of Part 4 of the Civil Code shall not constitute suicide, nor is a licensed physician who lawfully administers aid-in-dying or a health care provider or licensed health care professional acting under the direction of a physician, liable under this section. Death resulting from aid-in-dying pursuant to a Directive in accordance with the Death With Dignity Act does not, for any purpose, constitute a homicide.

165. Budget Process. Welfare. Procedural and Substantive Changes.

[Submitted by the initiative and rejected by electors November 3, 1992]

PROPOSED LAW

GOVERNMENT ACCOUNTABILITY AND TAXPAYER PROTECTION ACT OF 1992

SECTION 1. This initiative measure shall be known and may be cited as the Government Accountability and Taxpayer Protection Act of 1992.

SECTION 2. Despite repeated attempts by the people to limit the size of government programs, the public sector continues to grow faster than our ability to pay for it. California's taxpayers must now work well into the fifth month of the year to earn enough income to pay all our taxes.

This is a burden that can only become more and more onerous. The reasons why are autopilot spending programs, or entitlements—the prime engine driving California's perennial overspending.

California's fiscal imbalance is also reflected by a growing social imbalance. In the past few years, welfare caseloads have escalated at a growth rate four times faster than our general population.

While California's tax-receivers grow quickly in numbers, California taxpayers are starting to flee our State. This leaves California with proportionally fewer taxpayers, and State government in a perpetual budget crisis. No matter how robust our economy becomes, the State will not be able to finance existing programs at current levels with projected tax revenues.

This is why welfare reform and budget reform are one and the same. The State's fiscal future is in jeopardy and reforms of the budget process, including reform of significant programs of public expenditure which have heretofore mandated automatic increases without regard to the capacity of the State fisc, must be adopted immediately.

We are willing to finance essential services. We believe that the State has a responsibility to look after the welfare of individuals in need. But we declare that every citizen also has an obligation to do their best to contribute to the welfare of society.

Nearly 77 percent of the State general fund budget is spent on primary and secondary education, and health and welfare programs. While education accounts

for 44.9 percent of that budget, an existing constitutional initiative (Proposition 98) prohibits any substantial reduction in educational funding.

The existing budget process is not designed to reduce spending; there is no expeditious mechanism for correcting spending during the fiscal year when revenue projections are not met or caseload growth exceeds projections.

The people believe it is time to take our destiny in our own hands.

In order to restore accountability to our government, we the people further find that it is necessary to reform the budget process and the welfare system and do hereby enact The Government Accountability and Taxpayer Protection Act of 1992.

SECTION 3. Section 31 of Article I of the California Constitution is added, to read:

SEC. 31 The people of the State of California find and declare that limiting the tax burden and reducing the size and cost of government are matters of statewide concern and that substantial reform of the State's budget process, including addressing major automatic spending requirements, is necessary

The rapidly rising costs of public assistance must be controlled if overall government spending is to be reduced. Public assistance is not a fundamental right; it is a benefit dependent upon eligibility and compliance with reasonable regulations designed to minimize the burden upon taxpayers.

The present open-ended welfare system and the comparatively high level of California's grants encourage intergenerational welfare dependency, provide a strong disincentive against recipients seeking employment, and promote disintegration of the family

Welfare was designed and intended primarily as a safety net to provide emergency aid for a limited time. Welfare must be returned to its proper role as a transition to gainful employment and self-determination and must include an element of mutual obligation between government and the recipient.

To accomplish these goals, the California welfare system must be substantially restructured to put less emphasis on unconditional public aid and more emphasis on values fundamental to a free society: personal responsibility, self-sufficiency, employment, and family.

SECTION 4 Section 12 of Article IV, of the California Constitution is amended, to read:

SEC 12. (a) ~~Within the first 10 days of each calendar year, the~~ The Governor shall , ~~by March 1 of each calendar year,~~ submit to the Legislature, with an explanatory message, a budget for the ensuing fiscal year containing itemized statements for recommended State expenditures and estimated State revenues. If recommended expenditures exceed estimated revenues, the Governor shall recommend the sources from which the additional revenues ~~should~~ shall be provided.

(b) The Governor and the Governor-elect may require a State agency, officer or employee to furnish whatever information is deemed necessary to prepare the budget.

(c) The budget shall be accompanied by a budget bill itemizing recommended expenditures. The bill shall be introduced immediately in each house by the persons chairing the committees that consider appropriations. The Legislature shall pass the budget bill by midnight on June 15 of each year. Until the budget bill has been enacted, the Legislature shall not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the budget bill is to be enacted, except emergency bills recommended

by the Governor or appropriations for the salaries and expenses of the Legislature. *Notwithstanding Article III, Section 4, Article IV, Section 4, if the Legislature fails to pass a budget bill by June 15, the Governor and the members of the Legislature shall forfeit all salary, travel expenses, and living expenses until such time as a budget bill is passed and signed by the Governor. No compensation shall be paid retroactively to the Governor or the members of the Legislature for salary, travel expenses, and living expenses forfeited under the provisions of this section.*

(d) No bill except the budget bill may contain more than one item of appropriation, and that for one certain, expressed purpose. Appropriations from the General Fund of the State, except appropriations for the public schools, are void unless passed in each house by rollcall vote entered in the journal, two thirds of the membership concurring.

(e) The Legislature may control the submission, approval, and enforcement of budgets and the filing of claims for all State agencies.

SECTION 5. Sections 12.2, 12.5 and 12.7 of Article IV of the California Constitution are added, to read:

SEC. 12.2. (a) *Whenever the budget bill has not been passed and signed by July 1, the Governor may declare a state of fiscal emergency. When a fiscal emergency has been declared, the prior year budget, adjusted as required by Article XIII, Section 25, Article XIII B, Sections 6 and 8, Article XVI, Section 8, and State debt service, shall become the State's operational budget and shall remain in effect until the Legislature passes and the Governor signs a budget bill. In order to bring anticipated revenues and expenditures for the fiscal year into balance, the Governor may immediately propose reductions in any category of expenditure, including any State entitlement, except expenditures required by Article XIII, Section 25, Article XIII B, Sections 6 and 8, funding for education as provided in Article XVI, Section 8, and State debt service.*

(b) *Any reductions proposed under subdivision (a) shall become effective 30 days after the proposal is transmitted to the Legislature unless, prior to the end of the 30-day-calendar period, the Legislature passes the budget bill and the bill is signed by the Governor.*

SEC. 12.5 (a) *After the budget bill has been enacted, the Governor may declare a state of fiscal emergency and, in order to bring anticipated State General Fund revenues and expenditures for the fiscal year into balance, may reduce any category of expenditure, including any State entitlement, except expenditures protected by Article XIII, Section 25, Article XIII B, Sections 6 and 8, funding for education as provided in Article XVI, Section 8, and State debt service if at the end of any quarter:*

(1) *Cumulative fiscal year State General Fund cash receipts fall at least three percent (3%) below revenues as estimated by the Department of Finance upon enactment of the budget; or*

(2) *Cumulative fiscal year State General Fund expenditures exceed budgeted amounts by three percent (3%), or*

(3) *Cumulative fiscal year State General Fund cash receipts fall at least one and one-half percent (1½%) below revenues as estimated by the Department of Finance upon enactment of the budget and cumulative fiscal year expenditures exceed budgeted amounts by at least one and one-half percent (1½%).*

For purposes of this provision, a quarter is any three month period ending September 30, December 31, or March 31

(b) Any reduction proposed under subdivision (a) shall become effective 30 days after the proposal is transmitted to the Legislature unless, prior to the end of the 30-day-calendar period, the Legislature enacts in each house by rollcall vote entered in the journal, two thirds of the membership concurring, alternate legislation to bring anticipated revenues and expenditures for the fiscal year into balance and that legislation is signed by the Governor.

SEC. 12.7. (a) When a state of fiscal emergency has been declared pursuant to Sections 12.2 or 12.5, the Governor may, by Executive Order, reduce the salaries of State employees or furlough State employees, provided that the total reduction from such actions does not exceed five percent (5%) of an employee's salary in any pay period.

(b) The Governor may not reduce the salary of or furlough a State employee during the agreed upon term of a Memorandum of Understanding that has been negotiated pursuant to Chapter 10.3 (commencing with Section 3512), Division 4, Title 1 of the Government Code, which covers the terms and conditions of employment for such employee, unless the Memorandum of Understanding itself allows such actions to be taken by the Governor or his or her designee.

(c) The issuance of an Executive Order pursuant to subdivision (a) shall not be subject to Chapter 10.3 (commencing with Section 3512), Division 4, Title 1 of the Government Code or the provisions of any other State law governing salary setting for State officers and employees.

(d) As used in this section, the term "employee" or "State employee" includes those employees defined in Government Code Section 19815(d).

SECTION 6 Section 11254 of the Welfare and Institutions Code is added to read:

11254. (a) Subject to subdivision (b), in the case of any individual who is under the age of 18 and has never married, and who has a dependent child in his or her care:

(1) Such individual may receive aid under this chapter for the individual and such child, if otherwise eligible, only if such individual and child reside in a place of residence maintained by a parent, legal guardian, or other adult relative of such individual as such parent's, guardian's or adult relative's own home, or reside in a foster home, maternity home, or other adult-supervised supportive living arrangement; and

(2) Such aid, where possible, shall be provided to the parent, legal guardian or other adult relative on behalf of such individual.

(b) Subdivision (a) does not apply in the case where:

(1) Such individual has no parent or legal guardian of his or her own who is living and whose whereabouts are known;

(2) No living parent or legal guardian of such individual allows the individual to live in the home of such parent or guardian;

(3) It is determined that the physical or emotional health or safety of such individual or child would be jeopardized if such individual and child lived in the same residence with such individual's own parent or legal guardian;

(4) Such individual lived apart from his or her parent or legal guardian for a period of at least one year before either the birth of any such child or the individual having made application for aid under this chapter; or

(5) It is determined in accordance with federal regulations that there is good cause for waiving the provisions of subdivision (a).

SECTION 7. Section 11450 of the Welfare and Institutions Code is amended, to read:

11450 (a) (1) *For the first six months that aid is paid, Aid* aid shall be paid for each needy family, which shall include all eligible brothers and sisters of each eligible applicant or recipient child and the parents of the children, but shall not include unborn children, or recipients of aid under Chapter 3 (commencing with Section 12000), qualified for aid under this chapter. In determining the amount of aid paid, the family's income, exclusive of any amounts considered exempt as income or paid pursuant to subdivision (e) or Section 11453.1 shall be deducted from the sum specified in Section 11452, as adjusted ~~for cost-of-living increases pursuant to Section 11453 and paragraph (2) of subdivision (a) of Section 11450-11496~~. In no case shall the amount of aid paid for each month exceed the sum specified in the following table, as adjusted ~~for cost-of-living increases pursuant to Section 11453 11453.05 and paragraph (2) of subdivision (a) of Section 11450~~, plus any special needs, as specified in subdivisions ~~(e), (e) , and (f):~~

Number of eligible needy persons in the same home		Maximum aid
1	\$ 326	293
2	535	482
3	663	597
4	788	709
5	899	809
6	1,010	909
7	1,109	998
8	1,209	1,088
9	1,306	1,175
10 or more	1,403	1,263

Payments shall be made under this paragraph only when the family has not received aid under this section for a period of twenty-four (24) consecutive months prior to the first month of aid.

If, when, and during such times as the United States government increases or decreases its contributions in assistance of needy children in this state above or below the amount paid on July 1, 1972, the amounts specified in the above table shall be increased or decreased by an amount equal to that increase or decrease by the United States government, provided that no increase or decrease shall be subject to subsequent adjustment pursuant to Section 11453.

(2) After aid has been received for any six months pursuant to paragraph (1), the maximum aid for the seventh and subsequent months shall be reduced by 15 percent of the amounts specified in paragraph (1), as adjusted in accordance with Section 11453.05. This reduction shall not be applied to families in which all parents or other caretaker relatives living in the home are age 60 or over, or are disabled and receiving benefits pursuant to Section 12200 or Section 12300 or where the caretaker is a non-needy non-parent relative, or, where all parents in the assistance unit are under the age of 19 and regularly attending school at the high school level or lower or an equivalent vocational or technical training program

(b) For purposes of determining the maximum aid payment as specified in subdivision (a), the family size shall not be increased for a child who was

conceived while either the father or the mother of the child was receiving aid under this section, until the family has not received aid under this section for a period of twenty-four (24) consecutive months.

(c) Notwithstanding the maximum aid payments as specified in subdivision (a), families who have resided in this state for less than twelve (12) months shall be paid an amount calculated in accordance with subdivision (a), but not to exceed the maximum aid payment that could have been received from the state of prior residence.

(2) The sums specified in paragraph (1) shall not be adjusted for cost-of-living for the 1990-91, 1991-92, 1992-93, 1993-94, 1994-95, and 1995-96 fiscal years, nor shall that amount be included in the base for calculating any cost-of-living increases for any fiscal year thereafter. Elimination of the cost-of-living adjustment pursuant to this paragraph shall satisfy the requirements of Section 11453.05, and no further reduction shall be made pursuant to that section.

(b) When the family does not include a needy child qualified for aid under this chapter, aid shall be paid to a pregnant mother in the amount which would otherwise be paid to one person, as specified in subdivision (a), if the mother, and child if born, would have qualified for aid under this chapter. Verification of pregnancy shall be required as a condition of eligibility for aid under this subdivision.

(a) The amount of seventy dollars (\$70) per month shall be paid to pregnant mothers qualified for aid under subdivision (a) or (b) to meet special needs resulting from pregnancy if the mother, and child, if born, would have qualified for aid under this chapter. County welfare departments shall refer all recipients of aid under this subdivision to a local provider of the Women, Infants and Children program. If that payment to pregnant mothers qualified for aid under subdivision (a) is considered income under federal law in the first five months of pregnancy, payments under this subdivision shall not apply to persons eligible under subdivision (a), except for the month in which birth is anticipated and for the three-month period immediately prior to the month in which delivery is anticipated, if the mother, and the child if born, would have qualified for aid under this chapter.

(d) For children receiving AFDC-FC under this chapter, there shall be paid, exclusive of any amount considered exempt as income, an amount of aid each month which, when added to the child's income, is equal to the rate specified in Section 11460, 11461, 11462, 11462.1, or 11463. In addition, the child shall be eligible for special needs, as specified in departmental regulations.

(e) In addition to the amounts payable under subdivision (a) and Section 11453.1, a family shall be entitled to receive an allowance for recurring special needs not common to a majority of recipients. These recurring special needs shall include, but not be limited to, special diets upon the recommendation of a physician for circumstances other than pregnancy, and unusual costs of transportation, laundry, housekeeping service, telephone, and utilities. The recurring special needs allowance for each family per month shall not exceed that amount resulting from multiplying the sum of ten dollars (\$10) by the number of recipients in the family who are eligible for assistance.

(f) After a family has used all available liquid resources, both exempt and nonexempt, in excess of one hundred dollars (\$100), the family shall also be entitled to receive an allowance for nonrecurring special needs.

(1) An allowance for nonrecurring special needs shall be granted for replacement of clothing and household equipment and for emergency housing needs

other than those needs addressed by paragraph (2). These needs shall be caused by sudden and unusual circumstances beyond the control of the needy family. The department shall establish the allowance for each of the nonrecurring special need items. The sum of all nonrecurring special needs provided by this subdivision shall not exceed six hundred dollars (\$600) per event.

(2) Homeless assistance is available to a homeless family seeking shelter when the family is eligible for aid under this chapter. Homeless assistance for temporary shelter is also available to homeless families which are apparently eligible for aid under this chapter. Apparent eligibility exists when evidence presented by the applicant or which is otherwise available to the county welfare department and the information provided on the application documents indicate that there would be eligibility for aid under this chapter if the evidence and information were verified. However, an alien applicant who does not provide verification of his or her eligible alien status, or a woman with no eligible children who does not provide medical verification of pregnancy, is not apparently eligible for purposes of this section.

A family is considered homeless, for the purpose of this section, when the family lacks a fixed and regular nighttime residence; or the family has a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations; or the family is residing in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

(A) (i) A nonrecurring special need of thirty dollars (\$30) a day shall be available to families for the costs of temporary shelter, subject to the requirements of this paragraph. County welfare departments may increase the daily amount available for temporary shelter to large families as necessary to secure the additional bed space needed by the family

(ii) This special need shall be granted or denied immediately upon the family's application for homeless assistance, and benefits shall be available for up to three working days. The county welfare department shall verify the family's homelessness within the first three working days and if the family meets the criteria of questionable homelessness established by the department, the county welfare department shall refer the family to its early fraud prevention and detection unit, if the county has such a unit, for assistance in the verification of homelessness within this period.

(iii) After homelessness has been verified, the three-day limit shall be extended for a period of time which, when added to the initial benefits provided, does not exceed a total of 16 calendar days. This extension of benefits shall be done in increments of one week and shall be based upon searching for permanent housing which shall be documented on a housing search form; good cause; or other circumstances defined by the department. Documentation of housing search shall be required for the initial extension of benefits beyond the three-day limit and on a weekly basis thereafter as long as the family is receiving temporary shelter benefits. Good cause shall include, but is not limited to, situations in which the county welfare department has determined that the family, to the extent it is capable, has made a good faith but unsuccessful effort to secure permanent housing while receiving temporary shelter benefits.

(B) A nonrecurring special need for permanent housing assistance is available to pay for last month's rent and security deposits when these payments are reasonable conditions of securing a residence.

The last month's rent portion of the payment (1) shall not exceed 80 percent of the family's maximum aid payment without special needs for a family of that size and (2) shall only be made to families that have found permanent housing costing no more than 80 percent of the family's maximum aid payment without special needs for a family of that size, in accordance with the maximum aid schedule specified in subdivision (a).

However, if the county welfare department determines that a family intends to reside with individuals who will be sharing housing costs, the county welfare department shall, in appropriate circumstances, set aside the condition specified in clause (2) of the preceding paragraph.

(C) The nonrecurring special need for permanent housing assistance is also available to cover the standard costs of deposits for utilities which are necessary for the health and safety of the family.

(D) A payment for or denial of permanent housing assistance shall be issued no later than one working day from the time that a family presents evidence of the availability of permanent housing. If an applicant family provides evidence of the availability of permanent housing before the county welfare department has established eligibility for aid under this chapter, the county welfare department shall complete the eligibility determination so that the denial of or payment for permanent housing assistance is issued within one working day from the submission of evidence of the availability of permanent housing, unless the family has failed to provide all of the verification necessary to establish eligibility for aid under this chapter.

(E) Eligibility for the temporary shelter assistance and the permanent housing assistance pursuant to this paragraph shall be limited to once every 24 months. The county welfare department shall report to the department, through a statewide homeless assistance payment indicator system, necessary data, as requested by the department, regarding all recipients of aid under this paragraph.

(F) The county welfare departments, and all other entities participating in the costs of the AFDC program, have the right in their share to any refunds resulting from payment of the permanent housing. However, if an emergency requires the family to move within the 24-month period specified in subparagraph (E), the family shall be allowed to use any refunds received from its deposits to meet the costs of moving to another residence.

(G) Payments to providers for temporary shelter and permanent housing and utilities shall be made on behalf of families requesting these payments.

(H) The daily amount for the temporary shelter special need for homeless assistance may be increased if authorized by the current year's Budget Act by specifying a different daily allowance and appropriating the funds therefor.

(I) No payment shall be made pursuant to this paragraph unless the provider of housing is a commercial establishment, shelter, or person in the business of renting properties who has a history of renting properties.

(g) The department shall establish rules and regulations assuring the uniform application statewide of this subdivision.

(h) The department shall notify all applicants and recipients of aid through the standardized application form that these benefits are available and shall provide an opportunity for recipients to apply for the funds quickly and efficiently.

(i) Except for the purposes of Section 15200, the amounts payable to recipients pursuant to Section 11453.1 shall not constitute part of the payment schedule set forth in subdivision (a).

The amounts payable to recipients pursuant to Section 11453.1 shall not constitute income to recipients of aid under this section.

SECTION 8 Section 11450.2 of the Welfare and Institutions Code is amended, to read:

11450.2. (a) The department shall implement a system to provide for supplemental payments to needy families qualified for aid under this chapter, when, because of a change in reported financial circumstances occurring between the "budget month" and the "payment month," a family's net available income for the payment month is less than 80 percent of the amount set forth in subdivisions (a) and (b) of Section 11450, as adjusted for cost-of-living increases pursuant to Section 11453, 11453.05 except as provided in subdivision (e) of Section 11453. The system shall provide all of the following:

(1) Families shall be informed of the availability of supplemental payments and of the necessity that a family request the payments in order for them to be provided. This information shall be provided in writing at the time of application in the written statements of recipients' rights, and shall also be provided orally by the eligibility worker at the time of the initial interview and at each annual redetermination. A request form shall be sent monthly to all families which have reported income.

(2) That supplemental payments shall be paid in an amount necessary to raise the family's net available income in the payment month to 80 percent of the amount set forth in subdivision (a) of Section 11450, as adjusted for cost-of-living increases pursuant to Section 11453, 11453.05 except as provided in subdivision (e) of Section 11453.

(3) That supplemental payments shall not be considered income when calculating the amount of the grant to be paid in future months.

(4) That supplemental payments or written notice of action shall be issued within seven working days of a request. Payments shall only be issued for those months in which a request has been made and a family is eligible for the supplement. A request shall be made in the month for which the supplemental payment is requested.

(5) That no supplemental payment shall be made to any family, if, under the federal Aid to Families with Dependent Children program, the payments would be counted as income, regardless of the source of the funding for the aid payment of the family.

(6) That no overpayment or underpayment shall be determined for a supplemental payment which was correctly computed based on the family's reasonable estimate of the income and other circumstances for the payment month. A family shall not be eligible for more than one supplemental payment per month.

(b) For purposes of this section:

(1) "Budget month" and "payment month" shall be consistent with the use of these terms in Section 11450.5.

(2) "Net available income" means the sum of the following:

(A) Total net nonexempt income in the payment month without deduction of either the thirty dollars (\$30) plus one-third of earned income or the thirty dollars (\$30) disregard deductions.

(B) Any child or spousal support received by the family pursuant to Section 602(a)(8)(A)(vi) of Title 42 of the United States Code and as that statute may hereafter be amended.

(C) The grant for the payment month before overpayment adjustments.

(3) "Needy family" means a family aided pursuant to this chapter. This includes a family that is in a single month of suspension resulting from the receipt of income.

(4) "Grant" means the amount of aid paid to the needy family pursuant to ~~subdivision (a) of Section 11450~~, but does not include any amounts paid pursuant to subdivision (e) of Section 11450 or Section 11453.1.

SECTION 9. Section 11450.7 of the Welfare and Institutions Code is added, to read:

11450.7. For the purposes of encouraging teenage parents to complete their high school education, the Cal Learn Program shall supplement or reduce aid paid pursuant to this chapter based on school attendance. Cal Learn applies only to schooling at the high school level or lower or to an equivalent vocational or technical training program. The Cal Learn Program shall be applied to each recipient of aid under this chapter who is under age 19 and who is a parent, including parents of unborn children. In addition to any amounts paid pursuant to Section 11450, a family shall be paid fifty dollars (\$50) for each month in which the teen parent attends school with no more than four absences, of which no more than two absences can be unexcused. Notwithstanding Section 11450, the amount of aid paid to a family eligible for aid under this chapter shall be reduced by fifty dollars (\$50) for each month in which the teen parent has more than two unexcused absences. The amount of aid paid pursuant to Section 11450 shall not be changed for months in which the teen parent has more than four absences but not more than two unexcused absences.

The provisions of this section shall be implemented to the extent permitted by federal law and only if federal funds are available.

Child care assistance shall be provided under the Cal Learn Program to the extent permitted by federal law and only if federal funds are available.

SECTION 10. Section 11453 of the Welfare and Institutions Code is amended to read:

11453 (a) Except as provided in subdivision (c), the amounts set forth in Section 11452 ~~and subdivision (a) of Section 11450~~ shall be adjusted annually by the department to reflect any increases or decreases in the cost of living. These adjustments shall become effective July 1 of each year. The cost-of-living adjustment shall be calculated by the Commission on State Finance based on the changes in the California Necessities Index, which as used in this section means the weighted average changes for food, clothing, fuel, utilities, rent, and transportation for low-income consumers. The computation of annual adjustments in the California Necessities Index shall be made in accordance with the following steps:

(1) The base period expenditure amounts for each expenditure category within the California Necessities Index used to compute the annual grant adjustment are:

Food	\$ 3,027
Clothing (apparel and upkeep)	406
Fuel and other utilities	529
Rent, residential	4,883
Transportation	1,757
Total	<hr/> \$10,602

(2) Based on the appropriate components of the Consumer Price Index for All Urban Consumers, as published by the United States Department of Labor,

Bureau of Labor Statistics, the percentage change shall be determined for the 12-month period ending with the December preceding the year for which the cost-of-living adjustment will take effect, for each expenditure category specified in subdivision (a) within the following geographical areas: Los Angeles-Long Beach-Anaheim, San Francisco-Oakland, San Diego, and, to the extent statistically valid information is available from the Bureau of Labor Statistics, additional geographical areas within the state which include not less than 80 percent of recipients of aid under this chapter.

(3) Calculate a weighted percentage change for each of the expenditure categories specified in subdivision (a) using the applicable weighting factors for each area used by the State Department of Industrial Relations to calculate the California Consumer Price Index (CCPI).

(4) Calculate a category adjustment factor for each expenditure category in subdivision (a) by (1) adding 100 to the applicable weighted percentage change as determined in paragraph (2) and (2) dividing the sum by 100.

(5) Determine the expenditure amounts for the current year by multiplying each expenditure amount determined for the prior year by the applicable category adjustment factor determined in paragraph (4).

(6) Determine the overall adjustment factor by dividing (1) the sum of the expenditure amounts as determined in paragraph (4) for the current year by (2) the sum of the expenditure amounts as determined in subdivision (d) for the prior year.

(b) The overall adjustment factor determined by the preceding computation steps shall be multiplied by the schedules established pursuant to Section 11452 and subdivision (a) of Section 11450 as are in effect during the month of June preceding the fiscal year in which the adjustments are to occur and the product rounded to the nearest dollar. The resultant amounts shall constitute the new schedules which shall be filed with the Secretary of State.

~~(c) (1) No adjustment to the maximum aid payment set forth in subdivision (a) of Section 11450 shall be made under this section for the purpose of increasing the benefits under this chapter for the 1990-91, 1991-92, 1992-93, 1993-94, 1994-95, and 1995-96 fiscal years to reflect any change in the cost of living. Elimination of the cost-of-living adjustment pursuant to this paragraph shall satisfy the requirements of Section 11453.05, and no further reduction shall be made pursuant to that section.~~

~~(2) (c)~~ No adjustment to the minimum basic standard of adequate care set forth in Section 11452 shall be made under this section for the purpose of increasing the benefits under this chapter for the 1990-91 and 1991-92 fiscal years to reflect any change in the cost of living.

(d) Adjustments for subsequent fiscal years pursuant to this section shall not include any adjustments for any fiscal year in which the cost of living was suspended pursuant to subdivision (c).

SECTION 11. Section 11453.05 of the Welfare and Institutions Code is repealed.

11453.05. Notwithstanding any other provision of this article, on July 1 of any fiscal year for which General Fund appropriations are reduced pursuant to subdivision (c) of Section 13308 of the Government Code, the amount otherwise payable under Section 11452, subdivision (a) of Section 11450, and Section 11453 shall be reduced by an amount equal to the amount otherwise payable, multiplied by the percentage reduction in General Fund appropriations pursuant to subdivision (c) of Section 13308 of the Government Code. In no event, shall the

reduction under this paragraph exceed 4 percent of the amount otherwise payable or the amount of any cost of living increase otherwise payable, whichever is less.

SECTION 12. Section 11453.05 of the Welfare and Institutions Code is added, to read:

11453.05. The amounts payable under Section 11450(a) shall be determined annually based on the amounts appropriated in the annual Budget Act for the Aid to Families with Dependent Children, Family Group and Unemployed Programs (AFDC-FG&U) and on projected caseload for the corresponding fiscal year, as estimated by the Department of Social Services and published by the Department of Finance. The Department of Social Services shall establish the method for calculating the amounts payable under Section 11450(a). The adjustments to Section 11450(a) shall become effective on the first day of the month following 30 days after enactment of the annual Budget Act.

SECTION 13. Section 11462 of the Welfare and Institutions Code, as amended by Chapter 610 of the Statutes of 1991, is amended to read:

11462. (a) Effective July 1, 1990, foster care providers licensed as group homes, as defined in departmental regulations, including public child care institutions, as defined in Section 11402.5, shall have rates established by classifying each group home program and applying the standardized schedule of rates. The department shall collect information from group providers beginning January 1, 1990, in order to classify each group home program.

(b) A group home program shall be initially classified, for purposes of emergency regulations, according to the level of care and services to be provided using a point system developed by the department and described in the report, "The Classification of Group Home Programs under the Standardized Schedule of Rates System," prepared by the State Department of Social Services, August 30, 1989.

(c) The rate for each rate classification level (RCL) has been determined by the department with data from the AFDC-FC Group Home Rate Classification Pilot Study. The rates effective July 1, 1990, were developed using 1985 calendar year costs and reflect adjustments to the costs for each fiscal year, starting with the 1986-87 fiscal year, by the amount of the California Necessities Index computed pursuant to the methodology described in Section 11453. The data obtained by the department using 1985 calendar year costs shall be updated and revised by January 1, 1993.

(d) As used in this section, "standardized schedule of rates" means a listing of the 14 rate classification levels, the single rate established ~~for~~ by each RCL, and the rate floor for each RCL.

(e) The standardized schedule of rates shall be phased in commencing July 1, 1990.

(1) In order to phase in the standardized schedule of rates, a "rate floor" has been established for each RCL.

(2) The rate floor for the 1990-91 fiscal year shall be 85 percent of the standard rate for each RCL. The rate floor shall be increased to 92.5 percent of the standard rate for the 1991-92 fiscal year for each RCL, and shall be equal to the standard rate for each RCL for the 1992-93 fiscal year and beyond.

(f) Except as specified in paragraph (1), the department shall determine the RCL for each group home program on a prospective basis, according to the level of care and services that the group home operator projects will be provided during the period of time for which the rate is being established.

(1) For a group home program for which the department established a rate effective prior to June 30, 1990, that took into account the program's historical costs, the department shall establish the rate for the 1990-91 fiscal year by determining the RCL on a retrospective basis, according to the level of care and services actually provided between July 1 and December 31, 1989, or between July 1, 1989, and March 31, 1990.

(2) Group home programs that fail to maintain at least the level of care and services associated with the RCL upon which their rate was established shall inform the department. The department shall develop regulations specifying procedures to be applied when a group home fails to maintain the level of services projected, including, but not limited to, rate reduction and recovery of overpayments.

(g) (1) The standardized schedule of rates for the 1990-91 fiscal year is:

Rate Classification Level	Point Ranges	FY 1990-91	
		Standard Rate	Rate Floor (85%)
1.....	Under 60	\$1,183	\$ 1,006
2.....	60-89	1,478	1,256

4.....	120-149	2,067	1,757
5.....	150-179	2,360	2,006
6.....	180-209	2,656	2,258
7.....	210-239	2,950	2,508
8.....	240-269	3,245	2,758
9.....	270-299	3,539	3,008
10.....	300-329	3,834	3,259
11.....	330-359	4,127	3,508
12.....	360-389	4,423	3,760
13.....	390-419	4,720	4,012
14.....	420 & Up	5,013	4,261

(2) As of July 1, 1992, group home programs which generate the requisite number of points for RCL 13 or 14, which only accept children with special treatment needs as determined through the assessment process in subdivision (b) of Section 11467 and which have as part of their program measurable performance standards developed by the county of placement, shall be classified at RCL 13 or 14.

(3) A group home program shall be classified at RCL 13 until July 1, 1992, as long as the group home program meets all of the following requirements:

(A) The group home program is providing or has proposed to provide the level of care and services necessary to generate sufficient points in the ratesetting process to be classified at RCL 13.

(B) (i) The group home provider shall agree to accept for placement into its group home program only children who have been certified by the local mental health program, except as specified in clause (iii).

(ii) The certification required by clause (i) shall indicate the child has been determined by the local mental health program to be seriously emotionally disturbed, as defined in paragraph (10), and the child needs the level of care and supervision provided in the group home program.

(iii) Any group home program that, during the 1990-91 fiscal year, provided the level of care and services necessary to generate sufficient points in the ratesetting process to be classified at RCL 13 or 14 and projected that it would provide that level of care and services in the 1990-91 and 1991-92 fiscal year rate applications, with children in placement on the date of the mental health program certification, as required by subdivision (c), shall not be required to obtain the certification of children in placement required by this subdivision.

(iv) Any child who is determined by the placing agency to need immediate emergency placement and is placed in a group home program prior to a mental health assessment and a local mental health certification as required by clause (i) shall be assessed by a licensed mental health professional within 72 hours of the emergency placement within the group home program as being seriously emotionally disturbed, as defined in paragraph (10) and in need of the level of care and supervision provided in the group home program.

(v) The group home provider shall obtain the certification as required by clauses (i) and (ii) within 30 days of the first day of placement in the group home program for each child who has been determined to need immediate emergency placement and has been assessed by a licensed mental health professional within 72 hours of the placement.

(C) (i) The local mental health program shall certify, unless the State Department of Mental Health agrees to certify, that the group home program includes provisions for mental health treatment services that meet the local mental health program's criteria, including, but not limited to, all of the following:

(I) Therapeutic milieu.

(B) The department shall set the rate of any group home program which met the requirements of subparagraphs (A) and (B) of paragraph (3) prior to the implementation of this section at RCL 13 effective July 1, 1991, if both of the following requirements are met:

(i) The mental health program certification required by subparagraph (C) of paragraph (3) was obtained within 90 days of the effective date of this section.

(ii) The mental health program certification required by subparagraph (C) of paragraph (3) indicates the group home program met the requirements for certification as of July 1, 1991.

(5) Notwithstanding paragraph (3), a group home program shall be classified at RCL 14 until July 1, 1992, as long as the group home program meets all of the following requirements:

(A) The group home program is providing or has proposed to provide the level of care and services necessary to generate sufficient points in the ratesetting process to be classified at RCL 14.

(B) (i) The group home provider agrees to accept for placement into its group home program only children who have been certified by the local mental health program, except as specified in clause (iii).

(ii) The certification required of clause (i) shall indicate the child has been determined by the local mental health program to be seriously emotionally disturbed, as defined in paragraph (10), and the child needs the level of care and supervision provided in the group home program.

(iii) Any group home program that, during the 1990-91 fiscal year, provided the level of care and services necessary to generate sufficient points in the ratesetting process to be classified at RCL 13 or 14 and projected that it would provide that level of care and services in the 1990-91 and 1991-92 fiscal year rate applications, with children in placement on the date of the mental health program certification, as required by subdivision (c), shall not be required to obtain the certification of children in placement required by this subdivision.

(iv) Any child who is determined by the placing agency to need immediate emergency placement and is placed in a group home program prior to a mental health assessment and a local mental health certification as required by clause (i) shall be assessed by a licensed mental health professional within 72 hours of the emergency placement within the group home program as being seriously emotionally disturbed, as defined in paragraph (10) and in need of the level of care and supervision provided in the group home program.

(v) The group home provider shall obtain the certification as required by clauses (i) and (ii) within 30 days of the first day of placement in the group home program for each child who has been determined to need immediate emergency placement and has been assessed by a licensed mental health professional within 72 hours of the placement.

(C) (i) The local mental health program shall certify, unless the State Department of Mental Health agrees to certify, that the group home program includes provisions for mental health treatment services that meet the local mental health program's criteria, including, but not limited to, all of the following:

(I) Therapeutic milieu.

(II) Self-help skills.

(III) Behavioral interventions.

(IV) Psychosocial activities.

(V) Other therapeutic services required for the child to benefit from the program.

(ii) The certification required by clause (i) shall include assurances that the program services are available, as attested by the local mental health director.

(6) (A) The department shall set rates at RCL 14, to be effective on the date the requirements of subparagraphs (A), (B), and (C) of paragraph (5) are met.

(B) The department shall set the rate of any group home program which met the requirements of subparagraphs (A) and (B) of paragraph (3) prior to the implementation of this section at RCL 14 effective July 1, 1991, if both of the following requirements are met:

(i) The mental health program certification required by subparagraph (C) of paragraph (3) was obtained within 90 days of the effective date of this section.

(ii) The mental health program certification required by subparagraph (C) of paragraph (5) indicates the group home program met the requirements for certification as of July 1, 1991.

(7) The classification of a group home program of an existing provider at RCL 13 pursuant to paragraph (3) or RCL 14 pursuant to paragraph (5) shall be considered a program change for ratesetting purposes.

(8) Any group home program that has been classified at RCL 13 pursuant to the requirements of paragraph (3) or RCL 14 pursuant to the requirements of

paragraph (5) shall be reclassified at the appropriate RCL with a commensurate reduction in rate if any of the following occurs:

(A) The group home program fails to maintain the level of care and services necessary to generate the requisite number of points for RCL 13 as required by subparagraph (A) of paragraph (3) or RCL 14 as required by subparagraph (A) of paragraph (5).

(B) The group home program accepts placement of a child who has not been certified as required by subparagraph (B) or ~~(E)~~ (C) of paragraph (3) or subparagraph (B) or ~~(E)~~ (C) of paragraph (5).

(C) The group home program fails to maintain a certified mental health treatment program as required by subparagraph (C) of paragraph (3), or subparagraph (C) of paragraph (5).

(9) The effective date of a reclassification and rate reduction made pursuant to paragraph (8) shall be the date of occurrence of any one of the conditions in paragraph (8).

(10) For purposes of this subdivision, a child who is seriously emotionally disturbed means a child who meets the conditions specified in paragraph (2) of subdivision (a) of Section 5600.3 and who is subject to Section 1502.4 of the Health and Safety Code.

(11) Paragraphs (3), (4), (5), (6), (7), (8), (9), and (10) shall remain operative only until July 1, 1992.

(h) (1) For the 1990-91 fiscal year, the standardized schedule of rates shall be implemented as follows:

(A) Any group home program which received an AFDC-FC rate in the prior fiscal year below the standard rate for the fiscal year 1990-91 RCL shall receive their 1989-90 rate plus an amount equal to the California Necessities Index (CNI). The rate for the 1990-91 fiscal year at which the state will participate shall not exceed the standard rate for the RCL.

(B) If the CNI increase to the group home program's 1989-90 fiscal year rate does not raise the group home program to the rate floor for the RCL, the group home program shall receive a rate equal to the rate floor for the RCL.

(C) A group home program which received an AFDC-FC rate for the 1989-90 fiscal year at or above the standard rate for the RCL for the 1990-91 fiscal year shall continue to receive the 1989-90 fiscal year rate.

(2) For the 1992-93 fiscal year and the 1993-94 fiscal year, the standardized rate for each RCL shall be adjusted by an amount equal to CNI computed pursuant to the methodology described in Section 11453 *subject to the availability of funds*. No adjustment shall be made in the standardized rate for each RCL for the 1991-92 fiscal year.

(A) Any group home program which received an AFDC-FC rate in the prior fiscal year at or above the adjusted standard rate for the RCL in the current fiscal year shall continue to receive that rate.

(B) A group home program which received an AFDC-FC rate in the prior fiscal year below the standard rate for the RCL in the current fiscal year shall receive that rate adjusted by an amount equal to the CNI. The rate for the current fiscal year shall not exceed the standard rate for the RCL and shall not be less than the rate floor for the RCL.

(3) Beginning with the 1994-95 fiscal year, the standardized schedule of rates shall be adjusted annually by an amount equal to the CNI computed pursuant to Section 11453, subject to the availability of funds.

(A) Any group home program which received an AFDC-FC rate in the prior fiscal year at or above the adjusted standard rate for the RCL in the current fiscal year shall continue to receive that rate.

(B) Any group home program which received an AFDC-FC rate in the prior fiscal year below the adjusted standard rate for the RCL in the current fiscal year shall receive the adjusted RCL rate.

(i) (1) The rate for a new group home program of a new or existing provider shall be established at the rate floor for the new program's projected RCL.

(2) The department shall not establish a rate for a new program of a new or existing provider unless the provider submits a recommendation from the host county, the primary placing county, or a regional consortium of counties that the program is needed in that county; that the provider is capable of effectively and efficiently operating the program; and that the provider is willing and able to accept AFDC-FC children for placement who are determined by the placing agency to need the level of care and services that will be provided by the program.

(3) The department shall encourage the establishment of consortia of county placing agencies on a regional basis for the purpose of making decisions and recommendations about the need for, and use of, group home programs and other foster care providers within the regions.

(4) The department shall annually conduct a county-by-county survey to determine the unmet placement needs of children placed pursuant to ~~Sections~~ *Section 300* and ~~Section~~ *Sections 601 or 602*, and shall publish its findings by November 1 of each year.

(j) The department shall develop regulations specifying ratesetting procedures for program expansions, reductions, or modifications, including increases or decreases in licensed capacity, or increases or decreases in level of care or services.

(k) General unrestricted or undesignated private charitable donations and contributions made to charitable or nonprofit organizations shall not be deducted from the cost of providing services pursuant to this section.

(l) The department shall, by October 1 each year, commencing October 1, 1992, provide the Joint Legislative Budget Committee with a list of any new departmental requirements established during the previous fiscal year concerning the operation of group homes, and of any unusual, industrywide increase in costs associated with the provision of group care which may have significant fiscal impact on providers of group homes care. The committee may, in fiscal year 1993-94 and beyond, use the list to determine whether an appropriation for rate adjustments is needed in the subsequent fiscal year.

(m) Following the initial implementation of the group home ratesetting system described in this section, the department, with the advice and assistance of the counties and representatives of providers of group home care, may submit to the Legislature recommendations to modify the program classification point system, number of rate classification levels, amounts that make up the standardized schedule of rates, or other components of the system. These recommendations shall be based on the department's review and evaluation of the program classification system, group home cost data collected pursuant to Section 11466.3, and information from the Group Home Program Statements and Level of Care Assessments specified in Section 11467.

(n) This section shall remain in effect only until July 1, 1995, and as of that date is repealed, unless a later enacted statute, which becomes effective on or before July 1, 1995, deletes or extends that date.

SECTION 14. Section 11477 of the Welfare and Institutions Code is repealed.

11477. As a condition of eligibility for aid paid under this chapter, each applicant or recipient shall:

(a) Assign to the county any rights to support from any other person such applicant may have in their own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid, and which have accrued at the time such assignment is made. Receipt of public assistance under this chapter shall operate as an assignment by operation of law. An assignment of support rights to the county shall also constitute an assignment to the state. If support rights are assigned pursuant to this subdivision, the assignee may become an assignee of record by the district attorney or other public official filing with the court clerk an affidavit showing that an assignment has been made or that there has been an assignment by operation of law. This procedure does not limit any other means by which the assignee may become an assignee of record.

(b) Cooperate with the county welfare department and district attorney in establishing the paternity of a child born out of wedlock with respect to whom aid is claimed, and in obtaining any support payments due any person for whom aid is requested or obtained. The State Department of Social Services shall establish an exclusive list of acts, in accordance with federal law, which shall be the only acts deemed to be a refusal to offer reasonable cooperation and assistance. The county welfare department shall verify that the applicant or recipient refused to offer reasonable cooperation prior to determining that such applicant or recipient is ineligible. The granting of aid shall not be delayed or denied if the applicant is otherwise eligible, if the applicant completes the necessary forms and agrees to cooperate with the district attorney in securing support and determining paternity, where applicable.

A recipient shall be considered to be cooperating with the county welfare department or the district attorney's office and they shall be eligible for aid, if otherwise eligible, if they cooperate to the best of their ability or have good cause for refusal to cooperate. The department, in accordance with federal law, shall establish standards for determining good cause for refusal to cooperate. With respect to any application or any questionnaire relating to any application, no questions on paternity shall be asked in cases where paternity is not legally an issue. Persons eligible for immediate aid pursuant to Section 11056 or Section 11266 shall receive such aid prior to completing the forms required to obtain child and spousal support and establish paternity, provided that they indicate they will cooperate in these matters. Appearance at public agencies required pursuant to this section, subsequent to certification of the applicant shall be scheduled with due regard for his parental duties and employment responsibilities. If an appearance is required at a time other than normal working hours, a statement as to the reason for such appearance shall be inserted in the file of the applicant.

If the relative with whom a child is living is found to be ineligible because of failure to comply with the provisions of this section, any aid for which such child is eligible will, to the extent required by federal law, be provided in the form of protective payments.

The county welfare department shall insure that all applicants for or recipients of aid under this chapter are properly notified of the conditions imposed by this section.

SECTION 15. Section 11477 of the Welfare and Institutions Code is added, to read:

11477. (a) As a condition of eligibility for aid paid under this chapter, each applicant or recipient shall:

(1) Assign to the county any rights to support from any other person such applicant may have in their own behalf or in behalf of any other family member for whom the applicant is applying or receiving aid, and which have accrued at the time such assignment is made. Receipt of public assistance under this chapter shall operate as an assignment by operation of law. An assignment of support rights to the county shall also constitute an assignment to the state. If support rights are assigned pursuant to this subdivision, the assignee may become an assignee of record by the district attorney or other public official filing with the county clerk an affidavit showing that an assignment has been made or that there has been an assignment by operation of law. This procedure does not limit any other means by which the assignee may become an assignee of record.

(2) Cooperate with the county welfare department and district attorney in establishing the paternity of a child born out of wedlock with respect to whom aid is claimed, and in obtaining any support payments due any person for whom aid is requested or obtained. To the extent permitted by federal law, cooperating in establishing paternity and obtaining support means:

(A) Appearing at the local welfare or district attorney's office as necessary to provide verbal or written information, or documentary evidence, known to, possessed by, or reasonably obtainable by the applicant or recipient;

(B) Appearing as a witness at judicial or other hearings or proceedings;

(C) Providing information, or attesting to the lack of information, under penalty of perjury; and

(D) Paying to the district attorney or other county agency as directed by the district attorney any support payments received from the absent parent after an assignment has been made. This includes support payments received in the current month or any past due amounts.

A recipient shall be considered to be cooperating with the county welfare department or the district attorney's office and they shall be eligible for aid, if otherwise eligible, if they cooperate to the best of their ability or have good cause for refusal to cooperate as determined in accordance with paragraph (b) below.

(b) Good cause for refusal to cooperate exists only if:

(1) The applicant's or recipient's cooperation in establishing paternity or securing support is reasonably anticipated to result in:

(A) Serious physical harm to the child for whom support is to be sought; or

(B) Serious emotional harm to the child for whom support is to be sought; or

(C) Serious physical harm to the parent or caretaker relative with whom the child is living which reduces the capacity of the parent or caretaker relative to care for the child adequately; or

(D) Serious emotional harm to the parent or caretaker relative with whom the child is living, of such nature or degree that it reduces the capacity of the parent or caretaker relative to care for the child adequately.

(2) The county believes that proceeding to establish paternity or secure support would be detrimental to the child for whom support would be sought because at least one of the following circumstances exist:

(A) The child for whom support is sought was conceived as a result of incest or forcible rape;

(B) Legal proceedings for the adoption of the child are pending before a court of competent jurisdiction; or

(C) The applicant or recipient is currently being assisted by a public or licensed private social agency to resolve the issues of whether to keep the child or relinquish him/her for adoption, and the discussions have not gone on for more than a total of 90 days. Counseling days before birth shall be counted individually. Each meeting with the counselor shall be counted as one counseling day. Days after the birth shall be counted consecutively, regardless of meeting with the counselor. The total of counseling days before the birth and consecutive days before the birth and consecutive days after the birth shall not exceed 90 days.

(c) With respect to any application or any questionnaire relating to any application, no questions on paternity shall be asked in cases where paternity is not legally an issue. Persons eligible for immediate aid pursuant to Section 11056 or Section 11266 shall receive such aid prior to completing the forms required to obtain child and spousal support and establish paternity, provided that they indicate they will cooperate in these matters. Appearances at public agencies required pursuant to this section, subsequent to certification of the applicant shall be scheduled with due regard for his parental duties and employment responsibilities. If an appearance is required at a time other than normal working hours, a statement as to the reason for such appearance shall be inserted in the file of the applicant.

(d) The county welfare department shall verify that the applicant or recipient refused to offer reasonable cooperation prior to determining that such applicant or recipient is ineligible. Where applicable, the granting of aid shall not be delayed or denied if the applicant is otherwise eligible, if the applicant completes the necessary forms and agrees to cooperate with the district attorney in securing support and determining paternity, where applicable.

(e) If the relative with whom a child is living is found to be ineligible because of failure to comply with the provisions of this section, any aid for which such child is eligible will, to the extent required by federal law, be provided in the form of protective payments.

(f) The county welfare department shall insure that all applicants for or recipients of aid under this chapter are properly notified of the conditions imposed by this section. The department shall establish regulations as necessary to carry out the provisions of this section and as required by federal law.

SECTION 16. Section 12201 of the Welfare and Institutions Code is repealed:

12201. (a) Except as provided in subdivision (d), the payment schedules set forth in Section 12200 shall be adjusted annually to reflect any increases or decreases in the cost of living. These adjustments shall become effective January 1 of each year. The cost-of-living adjustment shall be based on the changes in the California Necessities Index, which as used in this section shall be the weighted average of changes for food, clothing, fuel, utilities, rent, and transportation for low-income consumers. The computation of annual adjustments in the California Necessities Index shall be made in accordance with the following steps:

(1) The base period expenditure amounts for each expenditure category within the California Necessities Index used to compute the annual grant adjustment are:

Food	\$ 3,027
Clothing (apparel and upkeep)	406
Fuel and other utilities	529
Rent, residential	4,883
Transportation	1,757
Total	<u>11,602</u> \$10,602

(2) Based on the appropriate components of the Consumer Price Index for All Urban Consumers, as published by the United States Department of Labor, Bureau of Labor Statistics, the percentage change shall be determined for the 12-month period which ends twelve months prior to the January in which the cost-of-living adjustment will take effect, for each expenditure category specified in paragraph (1) within the following geographical areas: Los Angeles-Long Beach-Anaheim, San Francisco-Oakland, San Diego, and, to the extent statistically valid information is available from the Bureau of Labor Statistics, additional geographical areas within the state which include not less than 80 percent of recipients of aid under this chapter.

(3) Calculate a weighted percentage change for each of the expenditure categories specified in subdivision (a) using the applicable weighting factors for each area used by the State Department of Industrial Relations to calculate the California Consumer Price Index (CCPI).

(4) Calculate a category adjustment factor for each expenditure category in paragraph (1) by (1) adding 100 to the applicable weighted percentage change as determined in paragraph (2) and (2) dividing the sum by 100.

(5) Determine the expenditure amounts for the current year by multiplying each expenditure amount determined for the prior year by the applicable category adjustment factor determined in paragraph (4).

(6) Determine the overall adjustment factor by dividing (1) the sum of the expenditure amounts as determined in paragraph (4) for the current year by (2) the sum of the expenditure amounts as determined in paragraph (4) for the prior year.

(b) The overall adjustment factor determined by the preceding computational steps shall be multiplied by the payment schedules established pursuant to Section 12200 as are in effect during the month of December preceding the calendar year in which the adjustments are to occur, and the product rounded to the nearest dollar. The resultant amounts shall constitute the new schedules for the categories given under subdivisions (a), (b), (c), (d), (e), (f), and (g) of Section 12200, and shall be filed with the Secretary of State. The amount as set forth in subdivision (h) of Section 12200 shall be adjusted annually pursuant to this section in the event that the secretary agrees to administer payment under that subdivision. The payment schedule for subdivision (i) of Section 12200 shall be computed as specified, based on the new payment schedules for subdivisions (a), (b), (c), and (d) of Section 12200.

(c) The department shall adjust any amounts of aid under this chapter to insure that the minimum level required by the Social Security Act in order to maintain eligibility for funds under Title XIX of that act is met.

(d) (1) No adjustment shall be made under this section for the 1991, 1992, 1993, 1994, and 1995, 1996 calendar years to reflect any change in the cost of living. Elimination of the cost-of-living adjustment pursuant to this paragraph shall satisfy the requirements of Section 12201.05, and no further reduction shall be made pursuant to that section.

(2) Any cost-of-living adjustment granted under this section for any calendar year shall not include adjustments for any calendar year in which the cost of living was suspended pursuant to paragraph (1).

SECTION 17. Section 12303.5 of the Welfare and Institutions Code is amended to read:

12303.5. Except as provided in Sections 12303.6 and 12304, no one individual recipient shall receive services under this article, the total cost of which exceeds eight hundred twenty-nine dollars (\$829) in any one month. The eight hundred twenty-nine dollars (~~\$829~~) maximum specified under this section shall be adjusted annually to reflect cost-of-living changes occurring subsequent to January 1, 1990, so that the first such adjustment becomes effective July 1, 1991. The cost-of-living adjustment shall be based on the changes in the California Necessities Index, which as used in this section shall be the weighted average of changes for food, clothing, fuel, utilities, rent, and transportation for low-income consumers. The computation of annual adjustments in the California Necessities Index shall be made in accordance with the following steps:

(a) The base period expenditure amounts for each expenditure category within the California Necessities Index used to compute the annual grant adjustment are:

Food	\$1,832
Clothing (apparel and upkeep)	298
Fuel and other utilities	264
Rent, residential	2,303
Transportation	1,026
	<u>777</u>
Total	\$5,723

(b) Based on the appropriate components of the Consumer Price Index for All Urban Consumers, as published by the United States Department of Labor, Bureau of Labor Statistics, the percentage change shall be determined for the 12-month period ending with the December preceding the year for which the cost-of-living adjustment will take effect, for each expenditure category specified in subdivision (a) within the following geographical areas: Los Angeles-Long Beach-Anaheim, San Francisco-Oakland, San Diego, and, to the extent statistically valid information is available from the Bureau of Labor Statistics, additional geographical areas within the state which include not less than 80 percent of recipients of aid under this chapter.

(c) Calculate a weighted percentage change for each of the expenditure categories specified in the subdivision (a) using the applicable weighting factors for each area used by the State Department of Industrial Relations to calculate the California Consumer Price Index (CCPI).

(d) Calculate a category adjustment factor for each expenditure category in subdivision (a) by (1) adding 100 to the applicable weighted percentage change as determined in subdivision (b) and (2) dividing the sum by 100.

(e) Determine the expenditure amounts for the current year by multiplying each expenditure amount determined for the prior year by the applicable category adjustment factor determined in subdivision (d).

(f) Determine the overall adjustment factor by dividing (1) the sum of the expenditure amounts as determined in subdivision (d) for the current year by (2) the sum of the expenditure amounts as determined in subdivision (d) for the prior year.

The overall adjustment factor determined by the preceding computational steps shall be multiplied by the maximum payment in effect during the month of June preceding the fiscal year in which the adjustments are to occur, and, notwithstanding Section 11017.1, the product rounded down to the nearest dollar. The resultant amount shall constitute the new maximum payment.

~~(g) This section shall not be operative until July 1, 1992.~~

SECTION 18. Section 12304 of the Welfare and Institutions Code, as added by Section 7 of Chapter 96 of the Statutes of 1991, is amended to read:

12304. (a) Any aged, blind, or disabled individual who is eligible for assistance under this chapter or Chapter 4 (commencing with Section 12500) who is in need, as determined by the county welfare department, of at least 20 hours per week of the services specified in subdivision (e), shall be eligible to receive services under this article, the total cost of which does not exceed one thousand two hundred three dollars (\$1,203) per month, ~~plus adjustments reflecting cost-of-living changes subsequent to January 1, 1990, as determined under Section 12303.5, so that the first such adjustment becomes effective July 1, 1991. Increases in the maximum amount payable under this section shall not be construed to mean automatic increases in the amounts payable under this article.~~

(b) An individual who is eligible for services subject to the maximum amount specified in subdivision (a) and who is capable of handling his or her own financial and legal affairs shall be given the option of hiring and paying his or her own provider of in-home supportive services. For this purpose the individual shall be entitled to receive a monthly cash payment in advance not to exceed the maximum amount specified in subdivision (a), which is in addition to his or her grant, if any. An individual who is not capable of handling his or her own financial and legal affairs shall be entitled to receive the cash payment through his or her guardian, conservator, or protective payee.

(c) In no event shall the maximum total cost for services and advance cash payment for one individual recipient under subdivisions (a) and (b) exceed the maximum of one thousand two hundred three dollars (\$1,203) per month, as adjusted pursuant to subdivision (a).

(d) The county welfare department shall inform in writing any individual who is potentially eligible for services under this section of his or her right to the services.

(e) For purposes of this section, a recipient who is eligible for services subject to the maximum amount specified in subdivision (a) is one who requires in-home supportive care of at least 20 hours per week to carry out any or all of the following:

(1) Routine bodily functions, such as bowel and bladder care and respiration assistance.

(2) Dressing, oral hygiene, and grooming

(3) Preparation and consumption of food and meal cleanup for individuals who require assistance with the preparation and consumption of food.

(6) Ambulation and care and assistance with prostheses

(7) Rubbing of skin to promote circulation.

(8) Paramedical services.

(9) Any other function of daily living as determined by the director.

This determination of need shall be supported by a medical report when requested and shall be prepared at the expense of the State Department of Social Services.

(f) This section shall become operative July 1, 1992.

SECTION 19. Section 17000 of the Welfare and Institutions Code is amended, to read:

17000 (a) Every county and every city and county shall relieve and support all incompetent, poor, indigent persons, and those incapacitated by age, disease, or accident, lawfully resident therein, when such persons are not supported and relieved by their relatives or friends, by their own means, or by state hospitals or other state or private institutions.

(b) *Notwithstanding Section 10000 and subdivision (a), the level for general assistance grants or in-kind aid, if any, provided by a county or city and county for the relief and support of incompetent, poor, indigent persons, and those incapacitated by age, disease, or accident shall be set by the Board of Supervisors in its sole discretion, taking into consideration the availability of county or city and county funds for such aid and the projected caseload, and shall not exceed the grant available to the same size family unit receiving aid pursuant to Chapter 2 (commencing with Section 11200) of Part 3.*

The level of general assistance grants or in-kind aid, if any, adopted by the Board of Supervisors pursuant to this subdivision shall constitute a sufficient standard of aid for purposes of Section 17001.

SECTION 20. Section 17000.5 of the Welfare and Institutions Code is repealed.

~~17000.5 (a) The board of supervisors in any county may adopt a general assistance standard of aid that is 62 percent of a guideline that is equal to the 1991 federal official poverty line and may annually adjust that guideline in an amount equal to any adjustment provided under Chapter 2 (commencing with Section 11200) of Part 3 for establishing a maximum aid level in the county.~~

SECTION 21. Section 17020 of the Welfare and Institutions Code is amended, to read:

17020. Any person who is eligible for aid under Chapter 2 (commencing with Section 11200) of Part 3 shall not be eligible for monthly payments provided pursuant to this part. ~~if the maximum payment standard established by a county pursuant to Section 17001 exceeds the payment level established pursuant to subdivision (a) of Section 11450.~~

SECTION 22. If any provision of this measure or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of the measure which can be given effect without the invalid provision or application, and to this end the provisions of this measure are severable.

SECTION 23. The Health and Welfare Agency shall obtain any approvals from the United States Department of Health and Human Services necessary to

implement the provisions of this measure so as to ensure the continued compliance of the state plan for Title IV, Title XVI and Title XIX of the Social Security Act.

166. Basic Health Care Coverage.

[Submitted by the initiative and rejected by electors November 3, 1992.]

PROPOSED LAW

AFFORDABLE BASIC HEALTH CARE INITIATIVE OF 1992

Section 1. This measure shall be known and may be cited as the Affordable Basic Health Care Initiative of 1992.

Section 2. It is the intent of this measure to ensure that all Californian's have access to affordable medically necessary health care by the year 2000.

Section 3. The people find and declare as follows:

(a) Over 6,000,000 people in California have no health care coverage. Approximately two-thirds of these people are employed or are dependents of employed persons. Most of these people are working at jobs where health care coverage is not provided and at wages which make it impracticable for them to purchase private health care coverage.

(b) State and local governments have provided, and must continue to provide, a health care system to serve indigent and low-income persons. It is the intent of the people that the public safety net institutions shall have sufficient revenue to remain economically viable and to provide care that is fully equal to community standards. However, because of public revenue constraints at both the state and local level, the ability of that system to meet California's need to make health care accessible to its uninsured is wholly inadequate.

(c) The lack of health care coverage for large numbers of Californians is causing the following very serious problems:

(1) Decreasing access to inpatient care, prenatal care, and outpatient care for the uninsured, and decreasing availability of emergency and trauma care for all Californians.

(2) A greater incidence of marginal to poor health, restricted activity days, birth defects and lifelong disabilities, uncontrolled diabetes and hypertension, and untreated chronic conditions.

(3) Increasingly severe financial problems among those health care providers who continue to care for persons without health coverage, potentially resulting in the closing of emergency departments, trauma centers and hospitals, and the reduction in the availability of health care professionals so as to substantially worsen the quality of health care available to the citizens of this state.

(4) Steadily increasing health care costs and health insurance premiums for the decreasing number of consumers who pay full charges for health services.

(d) The only practical way of making affordable, quality health care available to everyone in California is to maximize the availability of employer-sponsored

health care coverage, strengthen the public safety net, and ensure that all parties assume responsibility for containing health care costs, including health care providers, insurers and health care plans, consumers, employers, and government. This will permit the provision of health care through a pluralistic, market-oriented health care system, strengthened by balanced incentives, roles and responsibilities among payers, providers, patients and government.

(e) The health delivery system in the State of California is on the verge of collapse as a result of the high demand for health care services, the lack of affordable health care coverage, and the increasing burden of uncompensated and undercompensated care. The remedy provided by this act is the only adequate and reasonable remedy within the limits of what the foregoing public health safety considerations permit now and into the foreseeable future.

Section 4. Chapter 0.5 (commencing with Section 2100) is added to Part 9 of Division 2 of the Labor Code, to read:

2120. Effective January 1, 1994, every employer shall provide basic health care coverage to each of that employer's employees and their dependents, including all of the following:

(a) Payment of at least 75 percent of the lowest premium for basic health care coverage the employer offers for each covered employee and dependent of a covered employee

(b) Basic health care coverage to every employee and that employee's dependents, effective no later than the first day of the calendar month following the employee's 60-day anniversary

(c) Continuation of payments for health care coverage for any employee who is hospitalized or otherwise prevented by sickness or injury from working and earning wages, and for whom sick leave benefits are exhausted, and for that employee's dependents. This obligation shall continue for three calendar months following the month during which the employee became hospitalized or disabled from working, or until the month the employee becomes eligible for other public or private coverage, whichever occurs first.

(d) The commission may delay the phase-in of employer coverage by no more than two years for employers with fewer than 25 employees if the state's economic condition would place an undue hardship on the state's small employers.

2121. (a) No new employer shall be required to provide basic health care coverage until 27 months after the date the new employer first received an employer tax identification number from the Employment Development Department. The commission shall adopt regulations designed to ensure that this exemption applies only to bona fide start-up enterprises and not to businesses resulting from the sale, reorganization or other alteration of an existing enterprise.

(b) A new employer may waive the exemption set forth in subdivision (a) by submitting a written waiver on a form prescribed by the Franchise Tax Board.

2122. Nothing in this chapter shall be construed to limit the right of employees to bargain collectively for different health care coverage, if the protection provided by the negotiated plan is at least actuarially equivalent to the protection afforded by this chapter. This chapter shall be applicable with respect to any employees who do not receive at least this level of protection or who are not covered by the health care provisions of the applicable collective bargaining agreements to which their employer is a party.

2123. An employer shall not be required to provide health care coverage pursuant to this article with respect to any employee or dependent if the employee waives enrollment of the employee or the employee's dependent in writing pursuant to Section 2126.

2124. Employers shall deduct from the wages owed to any employee the amount sufficient to cover the employee's contribution, if any, to the premium required by Section 2125, except that an employee's contribution shall not exceed two percent of that employee's wages

2125. An employee shall pay for any portion of the premium not covered by the employee's employer or the commission.

2126. (a) An employee may not waive basic health care coverage for the employee or the employee's dependents except as provided in this section, which requires an employee to waive basic health care coverage as necessary to avoid duplicate coverage. The employee shall have the right to elect which coverage to waive should a waiver be required by this section.

(b) An employee that has basic health care coverage for the employee or the employee's dependent(s) or both must waive any duplicate coverage, but only for the period that the employee or the dependent, or both, has at least basic health care coverage.

(c) A dependent minor who is employed (or a parent or guardian on the behalf of a dependent minor under 12 years of age) must waive basic health care coverage provided by the dependent minor's employer, but only if and for the period that the dependent minor (or parent or guardian on behalf of the dependent minor) has at least basic health care coverage.

(d) In the case of an individual who is an employee with respect to more than one employer, the employee shall waive basic health care coverage from all but one employer, such that the employee and each dependent has only one basic health care coverage

(e) An employee who waives health care coverage pursuant to this section shall notify his or her employer immediately if the duplicate coverage is terminated, and shall enroll in the employer's health care plan effective not later than the first day of a calendar month following 30 days from the date of the termination of coverage.

2127. An employer shall not fail or refuse to hire, and shall not discharge or otherwise discriminate against, any individual because the individual has a spouse or child or other dependent and the employer would be required by this article to provide basic health care coverage for the spouse or child or other dependent. A violation of this section constitutes unlawful discrimination within the meaning of Section 51 of the Civil Code, and an unfair business practice within the meaning of Section 17200 of the Business and Professions Code

2128. Any employer who fails to provide basic health care coverage as required by this Act shall be liable for twice the health care costs incurred by an employee or that employee's dependent during the period in which the employer failed to provide coverage, and the employee's reasonable attorney's fees.

(b) Claims shall be submitted on the uniform claim form or the uniform capitated health care encounter form approved by the commission.

Article 5. Health Insurers

2140. All health insurers shall offer to all employers with 100 employees or less within the service area of the health insurer a basic health care coverage option. Health insurers shall charge a single community rate in the same geographic region for basic health care coverage, except that the premium rate offered to any employer with 100 employees or less shall not exceed that insurer's community rate for basic health care coverage in that geographic region by more than 30 percent. Geographic underwriting standards shall be limited to six California regions as determined by the commission, reflecting geographic variations in practice costs. Health insurers may enter into subcontracts with other entities in carrying out the requirements of this section.

2141. Notwithstanding Section 2140, where it maintains a network, a health insurer may cease to offer coverage to employers not already contracting with it where the health insurer reasonably anticipates that it will not have the capacity within its network of associated health providers to deliver services adequately to additional enrollees because of its obligations to existing group contract holders and enrollees. A health insurer which ceases to offer coverage pursuant to this section, may not enroll new groups of employers unless it resumes offering coverage pursuant to Section 2140. Any health insurer which is offering health care coverage shall accept every employer with 100 employees or less that requests a rate quote and accepts the rate quote received, provided the employer complies with the requirements of the group contract or policy.

2142 Carriers shall not exclude or otherwise limit any individual from group coverage under any plan of basic health care coverage on the basis that the individual has, or at any time has had, any disease, disorder, or condition.

2143. Coverage accepted by employers shall be renewable with respect to all eligible employees or dependents at the option of the policy-holder or contract holder except as follows:

(a) For nonpayment of the required premiums by the policy-holder or contract holder.

(b) For fraud or misrepresentation of the policy-holder or contract holder.

(c) For material noncompliance with plan provisions.

2144. Carriers shall enroll, not later than the first day of the calendar month following 30 days from the termination date of coverage, any individual who would otherwise be covered by a group coverage and whose duplicate coverage is terminated as set forth in subdivision (e) of Section 2126.

2145. To the extent they are offering to provide or are providing basic health care coverage, carriers shall be exempt from any law mandating benefits or mandating the offering of benefits except as specifically provided in this article.

2146. A carrier may offer and provide health care coverage which exceeds the requirements established for basic health care coverage through a supplemental policy. Sections 2140 to 2144, inclusive, shall apply to the basic health care

coverage portion of that coverage, but shall not apply to the supplemental policy providing coverage which exceeds that required for basic health care coverage.

2147. Carriers which provide basic health care coverage shall make available catastrophic health care coverage to retired employees not eligible for Medicare at rates based on sound actuarial principles, provided, however that a carrier which is a federally qualified health maintenance organization may meet this requirement by offering basic health care coverage.

2148. Any carrier that violates any provision of this chapter shall be deemed to have committed a violation of its enabling or licensing statutes, subjecting it to all enforcement actions available to the Insurance Commissioner or Commissioner of Corporations, as applicable. Carriers not subject to the jurisdiction of the Insurance Commissioner or the Commissioner of Corporations, shall be subject to all the enforcement powers of the commission.

2149. Carriers may combine to establish and participate in a reinsurance program, subject to the requirements established by the commission. Carriers participating in a reinsurance program shall comply with Sections 2140 to 2144, inclusive, but may cede that portion of the risk agreed to by the reinsurance entity to the reinsurance entity. The reinsurance entity shall provide for the proper funding of the program, including actuarially sound reserves for unpaid losses, by charging the member carriers a reinsurance contribution and, as necessary, by assessing and collecting from the member carriers in proportion to their participation in the program. Any unsatisfied net liability or outstanding assessment owed by an insolvent carrier participating in the reinsurance program shall be assumed by and apportioned among the remaining carriers in the reinsurance program in the same manner in which assessments are levied by the reinsurance entity. The reinsurance entity shall have all rights allowed by law on behalf of the remaining carriers in the reinsurance program against the insolvent carrier for sums due the program.

2150. The provisions of this article shall be binding on carriers only with respect to basic health care coverage offered or provided to employers as defined in Section 2110.

Article 6 Health Care for Every Californian

No later than January 1, 1996, the commission shall file a comprehensive report with the Legislature, including a specific legislative proposal for establishing a pooling mechanism to provide basic health care coverage for every employee in the state and their dependents, including those persons who work less than 17.5 hours per week or 70 hours per month, or 60 days or less in any calendar year, and those persons who work for employers that employ fewer than 5 employees, to take effect if enacted no later than January 1, 1997.

2161. No later than January 1, 1997, the commission shall file a comprehensive report with the Legislature, including a specific legislative proposal for establishing a mechanism to provide basic health care coverage for every Californian not otherwise covered by a private health plan, Medicare or Medi-Cal, to take effect if enacted no later than January 1, 1998.

(d) The term for each of the initial appointments to the commission will commence on January 1, 1993.

2173 A member whose term has expired shall continue to serve until his or her successor is appointed and qualified.

2174. Appointments to fill vacancies on the commission shall be for the unexpired term

2175. *The Legislature shall determine the compensation to be paid members of the commission. In addition, each member shall be entitled to receive actual expenses incurred in the discharge of his or her duties, including actual and necessary travel expenses.*

2176. *The members of the commission shall select two of its members to be chairperson and vice chairperson.*

2177. *Seven members of the commission shall constitute a quorum for the transaction of any business, for the performance of any duty, or for the exercise of any power of the commission.*

2178. *The commission shall appoint an executive officer who shall be exempt from civil service pursuant to subdivision (e) of Section 4 of Article VII of the California Constitution. The executive officer shall serve at the pleasure of the commission.*

2179. *The executive officer shall perform and discharge under the direction and control of the commission, the powers, duties, purposes, functions and jurisdiction delegated to him or her by the commission.*

2180. *The commission shall do all of the following:*

(a) *File a comprehensive report with the Legislature, including a specific legislative proposal for establishing a mechanism to provide sliding scale subsidies for low income employees and their dependents. The commission shall identify savings to existing programs, including but not limited to Medi-Cal, that would accrue as a result of full implementation of this act. The commission, after identification of these savings, shall submit to the Governor and the Legislature recommendations for utilization of these savings to offset the cost of health care coverage to low income employees and small employers.*

(b) *Establish such requirements the commission determines to be reasonably necessary to maximize the access to necessary health care for those carriers not regulated by the Department of Insurance or the Department of Corporations.*

(c) *Develop and maintain a method of responding to employers' inquiries relating to general health care coverage options, and provide comparative information on the costs, benefits, and services of all health plans providing basic health care coverage and those supplemental policies of which the commission is aware*

(d) *Collect from carriers and refer to the Medical Policy, Cost Containment and Technology Panels data on the utilization of health care services. The commission shall require reporting only as necessary to accomplish its purposes with respect to cost-containment, access, quality, and control of expensive technology, and shall establish reporting mechanisms designed to minimize the administrative burden and cost of health care providers and carriers. Information which individually identifies patients, health care providers, or carriers shall be kept confidential except as provided in subdivision (d) of Section 2187.*

(e) *Monitor the access that California residents have to necessary health care services, determine the extent of any unmet needs for these services or lack of access or quality that may exist from time to time, and make an annual report to the Governor and the Legislature, including recommendations it deems appropriate to maximize the availability of quality health care. The report shall include the major causes of health care cost escalation, including at least the following: insurance administration, cost shifting by government, increased utilization, increased technology, the tort system, the aging population, biological epidemics, including, but not limited to, AIDS, drug abuse, and tobacco use, and other increases in practice costs. The report shall include a recommendation on*

the scope of basic health care benefits. Any recommendations for an increase in benefits shall include an explanation of the projected annual financial effect of the amendment expressed both in the aggregate and the amount of increase in the average premium and cost-sharing expense the average employer and employee would bear. The report shall also include recommendations it deems appropriate to contain health care costs, and, if the rate of premium increases has not stabilized by the time Article 3 (commencing with Section 2120) has been implemented, a recommendation on the feasibility and advisability of capping future premium increases.

(f) Monitor the compliance with this chapter, and report annually to the Legislature its findings and recommendations, including such specific legislative proposals for penalties or other enforcement mechanisms as it finds are warranted.

(g) Develop a uniform claim form for use by all carriers providing basic health care coverage on a fee-for-service basis and a uniform capitated health care encounter form for all carriers providing basic health care coverage on a capitated basis. These forms shall be as similar as possible, and shall include all of the information required to be reported pursuant to subdivision (a) of Section 2181.

(h) Provide adequate funding and administrative support for the Medical Policy Panel, Cost Containment Panel, and Technology Panel.

(i) Exercise all powers reasonably necessary to carry out the powers and responsibilities granted or imposed upon it under this chapter.

(a) Establishing requirements for reporting by carriers of data on the utilization of health care services to the Office of Statewide Health Planning and Development. This data collection system shall meet the following criteria:

(1) Protect the confidentiality of personal and private patient information.

(2) Preserve incentives for physicians to make diagnostic and treatment decisions based on medical necessity rather than cost alone.

(3) Avoid duplication of costs by requiring carriers rather than health care providers to submit data.

(4) Adopt safeguards to ensure that the data collected is interpreted by experienced, practicing physicians and surgeons licensed to practice medicine in California.

(5) Ensure that the data collected are valid, useful, and appropriate for comparison.

(6) Afford all interested professional medical and hospital associations a minimum of 30 days to comment before any data is released to the public.

(7) Ensure that data collection requirements are adequate but not onerous, cost effective, and related to a valid and achievable purpose.

(b) Establishing procedures for appealing to the Cost Containment Panel disputes over excessive charges for health care services, as recommended by the Cost Containment Panel. These procedures shall encourage the resolution of these disputes by nonprofit medical and other professional societies which are exempt from taxes pursuant to Section 23701 of the Revenue and Taxation Code and are comprised of at least 25 percent of the eligible licentiates in the geographic area served by the society.

(c) *Determining and adjudicating disputes concerning whether a health care procedure, service, drug, or device is experimental, investigational, outmoded, not efficacious, outside a practice parameter approved pursuant to subdivision (e) or otherwise not sufficiently cost-effective to be included in basic health care coverage as recommended by the Medical Policy Panel.*

(d) *Establishing the indications for prescription drugs which, although not approved by the federal Food and Drug Administration, are included in basic health care coverage as recommended by the Medical Policy Panel.*

(f) *Determining when the referral by health care providers to facilities in which they have an ownership interest is permitted and when such self-referral is prohibited.*

2182. *The commission shall hire staff and may contract with any public agency, including any agency of the state government or with any private person, as necessary to carry out its duties.*

2183 (a) *The commission shall make available to employers with 25 employees or less a minimum of six regional small employer health benefits purchasing pools. The commission shall contract with a minimum of six private not-for-profit corporations to administer these pools. The contractors shall not be carriers and shall have experience in the administration of health benefits programs or shall have the present or reasonably anticipated capability to administer the pool in a geographic area.*

(b) *Each contractor shall contract with a minimum of three carriers to make available basic health care coverage to all employers in the pool on terms consistent with Article 4 (commencing with Section 2130) and Article 5 (commencing with Section 2140).*

(c) *The commission shall adopt pursuant to the Administrative Procedures Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), all rules and regulations necessary to implementation of the small employer health benefits purchasing pools, including, but not limited to, the following:*

(d) *Employers that participate in a pool shall purchase basic health care coverage for each of their employees and their dependents who have not waived coverage pursuant to Section 2126.*

(e) *Costs for the administration of the purchasing pools may be borne by the carriers which make available basic health care coverage to employers in the pool.*

Article 8. Medical Policy Panel

2185 *Upon the nomination of the commission, the Governor shall appoint a Medical Policy Panel which shall be composed of seven physicians and surgeons licensed under Chapter 5 (commencing with Section 2000) of Division 2 of the Business and Professions Code or the Osteopathic Initiative Act and in the active practice of medicine, and one member representing each of the following: hospitals, nursing, labor, business and carriers providing basic health care*

coverage. The physician panel members shall be nominated by the commission after it has consulted with the statewide and local associations of the medical profession. The person representing hospitals shall be nominated by the commission after consulting with the statewide association of hospitals. The person representing nursing shall be nominated by the commission after consultation with the statewide association of nursing. No physician member of the panel shall practice in the same medical specialty as any other physician member nor conduct his or her primary practice in the same county as any other physician member. At least two members of the panel shall have experience in the administration of utilization review systems.

2186. Members of the panel shall serve for a term of four years, except that members first appointed shall serve for staggered terms, as designated by the Governor. A member whose term has expired shall continue to serve until his or her successor is appointed and qualified. Appointments to fill vacancies shall be for the unexpired term. Members of the panel shall receive one hundred dollars (\$100) for each day while on official business of the panel. In addition, each member shall be entitled to receive actual expenses incurred in the discharge of his or her duties, including actual and necessary travel expenses.

2187 The Medical Policy Panel shall have the authority to do all of the following:

(a) Recommend to the commission those health care procedures, services, drugs or devices which are experimental, investigational, outmoded, not efficacious, or otherwise not sufficiently cost-effective to be included in basic health care coverage. In making these determinations, the panel shall consider the opinions of the state and national medical and specialty organizations, the National Institutes of Health, the Agency for Health Care Policy and Research, and other interested parties.

(b) Recommend to the commission those indications for prescription drugs which, although not approved by the federal Food and Drug Administration, are sufficiently efficacious and cost-effective to be included in basic health care coverage.

(c) Analyze the utilization data collected by the commission for patterns of practice and report annually to the commission its recommendations for improving the quality and availability of care.

(d) Contract with nonprofit professional medical, osteopathic, podiatric, hospital, and health facility societies exempt from taxes pursuant to Section 23701 of the Revenue and Taxation Code for peer review to evaluate aberrant patterns of practice of providers discovered in the course of the panel's duties set forth in subdivision (c) or brought to the attention of the commission by carriers. These contracts shall allow for the reimbursement by the commission or the parties seeking the review of the costs of such review, but shall provide no profit to the professional association. Results of the review shall be used solely for peer education of the health care provider or education of the carrier as indicated. If the panel determines that educational efforts have failed, the panel shall refer the matter to the appropriate licensing agency. The records and proceedings of the panel and the contracting organizations shall be confidential unless and until a licensing agency takes formal action.

(e) Review the practice parameters developed by state and national medical and specialty organizations, the National Institutes of Health, and other inter-

ested parties and recommend to the commission those practice parameters which may be authorized for use by carriers providing basic health care coverage to deny payment.

(f) Recommend to the commission the scope of basic health care benefits. Any recommendation for a change in the scope of benefits shall include an explanation of the health impact on enrollees.

2188 The Medical Policy Panel may establish subcommittees of its members it deems necessary to assist the panel in the performance of its duties, and may delegate the performance of its peer review duty set forth in subdivision (d) of Section 2187 to any such subcommittee which has a minimum of two panel members. 167. State Taxes.

[Submitted by the initiative and rejected by electors November 3, 1992.]

PROPOSED LAW

SEC. 1. This Act shall be known and may be cited as "The Economic Recovery Tax Relief Act of 1992."

SEC. 2. The people of the State of California hereby find and declare as follows:

(a) The "trickle down" tax policies of the 1980s have failed and must be abandoned.

Tax breaks for corporations and the wealthy have made the rich richer while leveraged buyouts, junk bonds, excessive executive pay and deregulation of savings and loans have destroyed jobs and threatened the economic security of millions of Californians.

(b) The Governor has increased taxes on millions of hard-working Californians instead of eliminating tax breaks benefitting wealthy individuals and corporations.

The Governor proposed and signed into law billions of dollars worth of new taxes aimed at ordinary Californians, including new taxes on snacks, candy, bottled water and newspapers, a substantial sales tax increase, and an income tax increase on renters, while expanding corporate tax loopholes worth more than \$2,000,000,000 (\$2 billion) over the next six years.

(c) The Governor has increased taxes on ordinary Californians at a time when the very richest Californians are prospering at the expense of everyone else.

The earnings of executives has increased to 160 times the average worker, a far greater proportion than virtually anywhere else in the world.

During the last decade, the richest 1% of Californians saw their after-tax incomes increase by more than 75% while the average income of the bottom 80% of Californians was unchanged. The top 10% of all Californians now control 40% of our state's total after-tax income.

(d) Since 1973 corporations and the wealthy have received tax reductions amounting to billions of dollars each year.

Corporations and the wealthy have received nearly two-thirds ($\frac{2}{3}$ rds) of the tax savings from Proposition 13, amounting to more than \$60,000,000,000 (\$60 billion) in the last twelve years.

In addition, corporations and the wealthy have received billions more in special tax breaks, including:

(1) A massive loophole in implementing Proposition 13 that gives special treatment to corporations so that—unlike homeowners—they avoid reassessment when their ownership changes hands.

(2) The business inventory tax was completely eliminated.

(3) The corporate tax rate was reduced.

(4) Taxes on multinational corporations were significantly cut.

(5) Federal tax loopholes costing hundreds of millions of dollars each year were adopted for the first time ever into our state tax code, and extended again while ordinary taxpayers received tax increases.

(e) Special interest tax breaks are wasteful and have not helped our economy.

Tax loopholes are the largest source of wasteful government spending. Each year wealthy individuals and corporations take advantage of these “incentives”, whether or not they produce a single new job or a single new dollar of investment for our state.

In fact, California had a higher rate of job growth when corporations had fewer tax breaks and paid higher taxes than they do today.

(f) Closing special interest tax loopholes will strengthen our state's economy.

Instead of relying on lobbyists, campaign contributions and tax loopholes to bolster their profits, The Economic Recovery Tax Relief Act of 1992 will force our corporate leaders to make money the old fashioned way—by earning it through innovation, improved productivity, and competition in the marketplace.

The best way to improve our business climate is to expand economic opportunity for all Californians by ending special interest tax breaks, reducing taxes on consumers, and investing in better schools, reducing crime and drug abuse, expanding access to affordable health care, ending homelessness, and cleaning up our environment.

(g) The people must use the initiative process to restore fairness and accountability to our tax laws

The people must resort to the initiative process to do away with special interest tax loopholes, reduce their own taxes, and provide funding for their services because special interest tax loopholes are protected by a ⅔rds vote requirement in the Legislature. As a result, the legions of corporate lobbyists roaming the halls of our State Capitol only need to convince a small minority of legislators to vote with them in order to block the repeal of even the most outrageous corporate tax loopholes.

(h) The people have a right to know how the revenues raised by this Act are expended and how the billions of dollars they pay in taxes each year are being spent.

SEC. 3. The people of the State of California hereby declare that their purpose and intent in enacting this measure is to restore fairness and balance our state tax laws.

To achieve this purpose, The Economic Recovery Tax Relief Act of 1992 reduces sales taxes for all California taxpayers, provides additional funds for public schools and other public services, closes loopholes which benefit large corporations, increases taxes on wealthy individuals and corporations, and requires the Controller to report to the people how their tax dollars are being spent.

(a) The Economic Recovery Tax Relief Act of 1992 enacts the following tax reductions:

(1) Repeal of the sales taxes on snacks, candy, bottled water, newspapers, and magazines enacted in 1991.

(2) A cut in the state sales tax rate by ¼ percent.

(3) Repeal of any reduction of the renters' income tax credit enacted subsequent to January 1, 1991.

(b) The Economic Recovery Tax Relief Act of 1992 raises taxes paid by wealthy individuals and corporations by enacting the following tax reforms:

(1) To restore fairness and balance to our tax system, the Act creates a new 12 percent income tax bracket applicable to super-rich Californians having joint taxable incomes in excess of five hundred thousand dollars (\$500,000.00) and single taxable incomes in excess of two hundred fifty thousand dollars (\$250,000.00).

(2) The Act further promotes tax fairness by making the temporary income tax brackets permanent for joint taxable incomes of two hundred thousand dollars (\$200,000.00) or more and single taxable incomes of one hundred thousand dollars (\$100,000.00) or more.

(3) To prevent insurance companies from being rewarded for their failure to comply with Proposition 103 by maintaining the Insurance Gross Premiums Tax at the 2.46 percent temporary rate based on Proposition 103 instead of letting the rate fall to 2.35 percent.

(4) To close a loophole in Proposition 13 provided by the Legislature which allows corporations to avoid changes in ownership upon sale—a loophole which favors corporations over homeowners and many small businesses.

It is therefore the intent of the people in enacting this Act that corporations be reassessed upon true changes in ownership, so that when cumulatively more than 50 percent of a corporation or other legal business entity changes ownership, reassessment of property will occur.

(5) To maintain balance in the taxation of individual income and corporate profits and recover a small part of the billions given to corporations in new tax breaks, the Act increases the tax rate on corporate profits from 9.3 percent to 10.3

percent, narrowing the gap between the corporate tax rate and the top rate on personal income established by this Act.

(6) To restore fair and uniform taxation of multinational corporations by requiring a water's-edge definition of income, reforming taxation of foreign dividends, improving tax enforcement, and eliminating the tax break that rewards California businesses for investing in Puerto Rico and other possessions.

(7) To encourage corporations that invest and create jobs in California and to stop rewarding companies that sell their products here but close their plants or refuse to invest or create jobs in our state by double-weighting the sales factor that is used to calculate the taxable profits of companies doing business in California.

(8) To tax oil companies on the same basis as other corporations by repealing the special tax break that allows them to use their intangible drilling expenses as a tax shelter to avoid taxes on their profits.

(9) To put California in step with every other oil-producing state by enacting a modest oil severance tax on large producers.

(10) To tax banks and savings and loans on the same basis as other corporations by repealing the Bank In Lieu Tax which allows them to avoid paying taxes to local government which are paid by other corporations.

(11) To join other states which already have conformed their state tax laws to federal reforms in the taxation of banks since 1986.

(12) To prevent large corporations from taking advantage of the "Subchapter S" tax break which was intended to encourage small businesses by disallowing corporations with total receipts in excess of ten million dollars (\$10,000,000.00) from using Subchapter S.

(13) To prevent large corporations from asking taxpayers to bear the cost of excessive executive pay, the Act requires a corporation with 1,000 or more employees to add to its net income the amount of compensation it gives to any employee that exceeds twenty-five (25) times the average compensation it gives to all its employees.

(c) The Economic Recovery Tax Relief Act of 1992 establishes the right of taxpayers to hold government accountable for its use of their tax dollars by providing that:

(1) The first priority for use of revenues recovered by this Act shall be to replace any revenues lost by any state or local government, including any school district, as a result of the tax changes enacted by this measure or any other tax reductions which may be enacted on the same ballot.

(2) The Controller shall report to taxpayers the total revenues raised by this Act and the manner in which these revenues were spent, no later than November 1, 1994.

(3) Since taxpayers also have a right to know how all of their tax dollars are spent, this Act requires the Controller to report annually to the people the sources of all state revenues for the prior fiscal year and how the state's revenues are spent.

(4) A clear and accurate summary of the Controller's reports to taxpayers required by this Act shall be published in the income tax booklets prepared and mailed to taxpayers annually by the Franchise Tax Board.

SEC. 4. Section 64 of the Revenue and Taxation Code is amended to read:

64. (a) Except as provided in subdivision (h) of Section 61 and subdivisions (c) and (d) of this section, the purchase or transfer of ownership interests in legal

entities, such as corporate stock or partnership interests, shall not be deemed to constitute a transfer of the real property of the legal entity.

(b) Any corporate reorganization, where all of the corporations involved are members of an affiliated group, and which qualifies as a reorganization under Section 368 of the United States Internal Revenue Code and which is accepted as a nontaxable event by similar California statutes, or any transfer of real property among members of an affiliated group, or any reorganization of farm credit institutions pursuant to the federal Farm Credit Act of 1971 (Public Law 92-181), as amended, shall not be a change of ownership. The taxpayer shall furnish proof, under penalty of perjury, to the assessor that the transfer meets the requirements of this subdivision.

For purposes of this subdivision "affiliated group" means one or more chains of corporations connected through stock ownership with a common parent corporation if:

(1) One hundred percent of the voting stock, exclusive of any share owned by directors, of each of the corporations, except the parent corporation, is owned by one or more of the other corporations; and

(2) The common parent corporation owns, directly, 100 percent of the voting stock, exclusive of any shares owned by directors, of at least one of the other corporations.

(c) *(1) Where a transfer of voting stock or other ownership interests of a corporation, partnership, or any legal entity result in the transfer of ownership interests representing individually or cumulatively more than 50 percent of the ownership interests in that entity, that transfer of shares or other ownership interests shall be a change in ownership of real property either directly or indirectly controlled by that entity.*

(2) For purposes of determining a change in ownership pursuant to this subdivision, a single, individual share of voting stock or other ownership interest shall be considered to have been transferred no more than once subsequent to the most recent reappraisal of real property directly or indirectly owned or controlled by the entity.

(d) When a corporation, partnership, other legal entity or any other person obtains control, as defined in Section 25105, in any corporation, or obtains a majority ownership interest in any partnership or other legal entity through the purchase or transfer of corporate stock, partnership interest, or ownership interests in other legal entities, such purchase or transfer of such stock or other interest shall be a change of ownership of property owned by the corporation, partnership, or other legal entity in which the controlling interest is obtained.

(e) Any interspousal transfer of an ownership interest which would be excluded from change in ownership pursuant to Section 63 if the transfer was made of real property shall not be considered in determining a change in ownership pursuant to subdivisions (c) and (d).

(f) (1) As of July 1, 1993, it shall be rebuttably presumed that a single change in ownership and no more than one single change in ownership with respect to a corporation, partnership, or other legal entity has occurred pursuant to either subdivision (c) or (d) since March 1, 1975, or the last reappraised change in ownership of the real property directly or indirectly owned or controlled by the legal entity. The date of reappraisal pursuant to that change in ownership shall be July 1, 1993.

(2) After July 1, 1993, it shall be rebuttably presumed that a single change in ownership and no more than one single change in ownership with respect to a

corporation, partnership, or other legal entity has occurred pursuant to subdivisions (c) and (d) as of July 1, 1996, and as of each July 1 every three years thereafter

(d) If property is transferred on or after March 1, 1975, to a legal entity in a transaction excluded from change in ownership by paragraph (2) of subdivision (a) of Section 62, then the persons holding ownership interests in such legal entity immediately after the transfer shall be considered the "original coowners." Whenever shares or other ownership interests representing cumulatively more than 50 percent of the total interests in the entity are transferred by any of the original coowners in one or more transactions, a change in ownership of that real property owned by the legal entity shall have occurred, and the property which was previously excluded from change in ownership under the provisions of paragraph (2) of subdivision (a) of Section 62 shall be reappraised.

The date of reappraisal shall be the date of the transfer of the ownership interest representing individually or cumulatively more than 50 percent of the interests in the entity.

A transfer of shares or other ownership interests which results in a change in control of a corporation, partnership, or any other legal entity is subject to reappraisal as provided in subdivision (c) rather than this subdivision.

(e) In order to assist in the determination of whether a change of ownership has occurred under subdivisions (c) and (d), the Franchise Tax Board shall include a question in substantially the following form on returns for partnerships, banks and corporations (except tax-exempt organizations):

If the corporation (or partnership) owns real property in California, has cumulatively more than 50 percent of the voting stock (or more than 50 percent of total interest in both partnership capital and partnership profits) (1) been transferred by the corporation (or partnership) since March 1, 1975, or (2) been acquired by another legal entity or person during the year? (See instructions.)

If the entity answers "yes" to (1) or (2) in the above question, then the Franchise Tax Board shall furnish the names and addresses of that entity and of the stock or partnership ownership interest transferees to the State Board of Equalization.

The tax shall be applied equally to all portions of the gross value of each barrel of oil severed, and shall be imposed at the rate of 3 percent.

42012. *The tax imposed by this part shall be in addition to any ad valorem taxes imposed by the state, or any of its political subdivisions, or any local business license taxes which might be incurred as a privilege of severing oil from the earth or doing business in that locality. No equipment, material, or property shall be exempt from payment of ad valorem tax by reason of the payment of the gross severance tax pursuant to this part.*

42014. *Two or more producers that are corporations and are owned or controlled directly or indirectly, as defined in Section 25105, by the same interests, shall be considered as a single producer for purposes of application of the tax prescribed in Section 42010.*

42015. *There is exempted from the imposition of the oil severance tax imposed pursuant to this part all oil owned or produced by any political subdivision of the State of California, including that political subdivision's proprietary share of oil produced under any unit, cooperative, or other pooling agreement, except for oil produced from and attributed to tide and submerged lands that have been granted in trust by the State of California.*

42020. *The tax imposed by this part shall be due and payable to the board on a monthly basis.*

42022. *The board may prescribe the forms and reporting requirements as necessary to implement the tax, including but not limited to information regarding the location of the well by county, the gross amount of oil produced, the price paid therefor, the prevailing market price of oil, and the amount of tax due.*

42112. *In all proceedings under this chapter the board may act on behalf of the people of the State of California.*

42145. *The board shall enforce the provisions of this part and may prescribe, adopt, and enforce rules and regulations (including but not limited to the payment of interest, the imposition of penalties, and any other action permitted by Sections 6451 through 7176 of the Revenue and Taxation Code, or 38401 through 38901, whichever are most applicable) relating to the application, administration and enforcement of this part.*

SEC. 16. Section 23189 is added to the Revenue and Taxation Code to read:
 23189. *The intent of this act of the people is to remove any statutory provision in this code which prevents banks and financial corporations from being subject to taxes imposed on other corporate entities and to remove statutory provisions in this code which provide tax rates on banks and corporations which are different than imposed on other corporate entities, recognizing that transitional rules will be required. Specifically:*

(a) *For income years beginning on and after January 1, 1993, notwithstanding Sections 23181, 23183, 23186, and any other provision in this code to the contrary, an annual tax is hereby imposed upon every bank and financial corporation doing business within the limits of this state and not expressly exempted from taxation by the provisions of the Constitution of the state, for the privilege of exercising its corporate franchises within this state, upon the basis of its net income of the next preceding income year at the rates prescribed in Section 23151, and other rates prescribed by this part, including, but not limited to, the alternative income tax rate prescribed in Section 23455. However, the rate changes made in this act in Sections 23151 and 23455 shall be applied to banks and financial corporations with respect to calendar or fiscal years ending in 1992 and thereafter.*

(b) Section 23182 (which provides that the tax on banks and financial corporations imposed by this part is in lieu of certain other state and local taxes and licenses) is repealed with respect to income years beginning on or after January 1, 1993.

(c) For purposes of this act, the 11.7% rate referred to in subdivision (b) of Section 23186 shall be amended to be 12.7% for fiscal and calendar years ending in 1992 and fiscal years ending in 1993.

Section 23182 of the Revenue and Taxation Code, as amended by Section 14 of Chapter 1150 of the Statutes of 1979, is repealed:

23182. ~~The tax imposed under this part upon banks and financial corporations is in lieu of all other taxes and licenses, state, county and municipal, upon the said banks and financial corporations except taxes upon their real property, local utility user taxes, sales and use taxes, state energy resources surcharge, state emergency telephone users surcharge, and motor vehicle and other vehicle registration license fees and any other tax or license fee imposed by the state upon vehicles, motor vehicles or the operation thereof.~~

The changes in this section made by the 1979-80 Legislature with respect to sales and use taxes apply to income years beginning on and after January 1, 1980, and the remaining changes apply to income years beginning on and after January 1, 1981.

Section 23186 of the Revenue and Taxation Code, as amended by Section 1 of Chapter 1087 of the Statutes of 1991, is amended to read:

23186. (a) For income years ending in 1987, the rate of tax on banks and financial corporations shall be a percentage equal to the percentage of the total amount of net income derived from or attributable to sources in this state, of every corporation taxable under Article 2 (commencing with Section 23151) of this chapter, other than public utilities as defined in the Public Utilities Act, for the next preceding calendar year or fiscal years ended during that calendar year, required to be paid to this state as franchise taxes according to or measured by net income, and required to be paid to this state or its political subdivisions by the corporations as personal property taxes and business license taxes during the preceding calendar year or fiscal years ended in that calendar year; provided, however, that the rate of tax shall not exceed 11.7 percent. The percentage of the net income of every corporation taxable under Article 2 (commencing with Section 23151) of this chapter, other than public utilities as defined in the Public Utilities Act, required to be paid to this state or its political subdivisions in personal property taxes and business license taxes shall be determined by ascertaining the ratio which the total amount of the personal property taxes and business license taxes, less the rate prescribed in Section 23151, bears to the total amount of net income of the corporations derived from or attributable to sources in California, increased by the amount of the personal property taxes and business license taxes; provided, however, that if any corporation sustains a net loss derived from or attributable to sources in California the personal property taxes and business license taxes required to be paid by the corporation to this state or its political subdivisions during the preceding calendar year or fiscal years ended during the calendar year shall be considered for the purpose of determining the ratio only to the extent which the personal property taxes and business license taxes exceed the net loss derived from or attributable to sources in California. Total amounts of net income shall be determined without regard to deductions attributable to carryover or carryback of net operating losses (if any).

(b) For income years ending in 1988 and before December 31, 1995, the rate of tax on banks and financial corporations shall be the lesser of 11.7 percent (*12.7% for fiscal and calendar years ending in 1992 and fiscal years ending in 1993*) or a percentage equal to the sum of:

(1) The rate of tax specified in Section 23151 (relating to tax on general corporations), and

(2) The "in-lieu" rate, as defined by subdivision (c) or (e).

(c) For income years ending before 1992, the "in-lieu" rate is defined as a fraction:

(1) The numerator of which is the total amount required to be paid to this state and its political subdivisions as personal property taxes and business license taxes; and

(2) The denominator of which is the total amount of net income derived from or attributable to sources in this state, by every corporation taxable under Article 2 (commencing with Section 23151) of this chapter, other than public utilities as defined in the Public Utilities Act, for the year preceding the income year.

(3) For purposes of computing the "in-lieu" rate:

(A) Personal property and business license taxes paid by corporations whose net income is a loss for the year shall be included in the numerator only to the extent that the amount of personal property and business license taxes exceed that loss.

(B) After applying subparagraph (A), the numerator shall be reduced by the amount of tax savings that are attributable to the deduction of those taxes under this part.

(C) The denominator shall be increased to the extent that personal property and business license taxes paid were deducted in arriving at net income, and to the extent of any net operating loss deductions.

(d) For income years ending in 1982 and before 1992, for the purposes of subdivision (c), the total amount of personal property taxes and business license taxes required to be paid during the income year shall be based on a statistical sample by the Franchise Tax Board, consisting of all of the following:

(1) Every corporation with a net income determined without regard to deductions attributable to carryover or carryback of net operating losses (if any) of more than five million dollars (\$5,000,000) for the income year.

(2) Every corporation required to pay one hundred thousand dollars (\$100,000) or more of personal property tax or business license tax, or a combination thereof, during the income year.

(3) Two percent or more of all other corporations on a random basis.

For the purposes of this subdivision, "corporation" means a corporation taxable under Article 2 (commencing with Section 23151), other than public utilities as defined in the Public Utilities Act.

(e) For income years ending after 1991, the "in-lieu" rate is defined as follows:

(1) For income years ending after 1991 and before December 1, 1995, the "in-lieu" rate is defined as a fraction which is multiplied by an adjustment factor equal to 0.51535. The fraction is as follows:

(A) The numerator is the total amount required to be paid to the political subdivisions of this state as personal property taxes and business license taxes, decreased by the product of the franchise tax rate and the total amount required to be paid to the political subdivisions of this state as personal property taxes and business license taxes.

(i) Personal property taxes required to be paid to the political subdivisions of this state shall be the statewide locally assessed personal property taxes reported by the State Board of Equalization for the state's fiscal year ending in the calendar year prior to the beginning of the bank tax rate year.

(ii) Business license taxes required to be paid to the political subdivisions of this state shall be the statewide locally assessed business license taxes reported by the Controller's office for the state's fiscal year ending in two calendar years prior to the beginning of the bank tax rate year.

(B) The denominator is the total amount of net income derived from or attributable to sources in this state, by every corporation taxable under Article 2 (commencing with Section 23151), other than public utilities, as defined in the Public Utilities Act, for income years ending in three calendar years prior to the beginning of the bank tax rate year, determined pursuant to information compiled from tax returns filed with the Franchise Tax Board, increased by the total amount required to be paid to the political subdivisions of this state as personal property taxes and business license taxes.

(2) In no case shall the "in-lieu" rate calculated pursuant to paragraph (1) be less than 1.3 percent.

(f) For income years ending on or after December 31, 1995, the rate shall be the rate of tax specified in Section 23151, plus 2 percent.

(g) For the purpose of verifying local business license taxes reported by corporations taxable under Article 2 (commencing with Section 23151), other than public utilities as defined in the Public Utilities Act, the Franchise Tax Board is authorized to receive source information listings directly from the cities as to the amount of business license taxes paid and the date of payment for each taxpayer subject to the business license tax, notwithstanding any city ordinance prohibiting that disclosure.

(h) If, after notice and demand by the Franchise Tax Board, a taxpayer declines or refuses to furnish the Franchise Tax Board with information regarding personal property taxes, business license taxes, or net income required to determine the rate of tax on banks and financial corporations as provided by this section, then in that event, unless the failure is due to reasonable cause, the Franchise Tax Board shall disallow any deductions claimed by a taxpayer for the applicable period for personal property taxes and business license taxes and a penalty of five thousand dollars (\$5,000) shall be assessed.

(i) For purposes of this section, "bank tax rate year" means the calendar year in which the taxpayer's income year ends

(II) For an income year beginning on or after January 1, 1991, the last date allowed for filing a federal "S" election under Section 1362(a) of the Internal Revenue Code for that income year.

(D) (i) A corporation that is not qualified to do business in California, but which is treated as an "S corporation" for federal purposes, shall be treated as an "S corporation" for purposes of this part, and its shareholders shall be treated as shareholders of an "S corporation."

(ii) If a corporation described in clause (i) elected to be treated as a "C corporation" under this section prior to its amendment by the act adding this paragraph during the 1989-90 Regular Session, that election shall be revoked for income years beginning on or after January 1, 1990. The corporation shall be treated as an "S corporation" for purposes of this part, and its shareholders shall be treated as shareholders of an "S corporation."

(E) For purposes of this section, "qualified to do business in California" or "qualifying to do business in California" means incorporating or obtaining a certificate of qualification pursuant to the Corporations Code.

(F) For purposes of this section:

(i) A timely election to be treated as a "C corporation" shall be treated as a revocation and Section 1362(g), relating to election after termination, shall apply.

(ii) An untimely election to be treated as a "C corporation" shall be null and void and shall not be applied to either the current or any subsequent income year.

(b) If a corporation subject to tax under this part elects to be treated as an "S corporation" and has one or more shareholders who are nonresidents of this state or is a trust with a nonresident fiduciary, each of the following shall be required:

(1) Each nonresident shareholder or fiduciary shall file with the return a statement of consent by that shareholder or fiduciary to be subject to the jurisdiction of the State of California to tax the shareholder's pro rata share of the income attributable to California sources.

(2) An "S corporation" shall include in its return for each income year a list of shareholders in the form and in the manner prescribed by the Franchise Tax Board.

(3) Failure to meet the requirements of this subdivision shall be grounds for retroactive revocation of the election pursuant to this chapter.

(c) Except as provided in subdivision (d), a corporation which makes a valid election to be treated as an "S corporation" for purposes of this part shall not be included in a combined report pursuant to Article 1 (commencing with Section 25101) of Chapter 17.

(d) (1) In cases where the Franchise Tax Board determines that the reported income or loss of a group of commonly owned or controlled corporations (within the meaning of Section 25105), which includes one or more corporations electing to be treated as an "S corporation" under Chapter 4.5 (commencing with Section 23800), does not clearly reflect income (or loss) of a member of such group or represents an evasion of tax by one or more members of such group, and the Franchise Tax Board determines that the comparable uncontrolled price method prescribed by regulations pursuant to Section 482 of the Internal Revenue Code cannot practically be applied, the Franchise Tax Board may, in lieu of other methods prescribed by regulations pursuant to Section 482 of the Internal Revenue Code, apply methods of unitary combination, pursuant to Article 1 (commencing with Section 25101) of Chapter 17, to properly reflect the income or loss of the members of the group.

(2) The application of the provisions of this subdivision shall not affect the election of any corporation to be treated as an "S corporation."

(e) The tax for a "C corporation" for a short year shall be determined in accordance with Chapter 13 (commencing with Section 24631), in lieu of Section 1362(e) (5) of the Internal Revenue Code.

(f) (1) A termination of a federal election pursuant to Section 1362(d) of the Internal Revenue Code, that is not an inadvertent termination pursuant to Section 1362(f) of the Internal Revenue Code, shall simultaneously terminate the "S corporation" election for purposes of Part 10 (commencing with Section 17001) and this part.

(2) A federal termination by revocation shall be effective for purposes of this part and shall be reported to the Franchise Tax Board in the form and manner prescribed by the Franchise Tax Board no later than the last date allowed for filing federal termination for that year under Section 1362(d) of the Internal Revenue Code.

(3) A corporation which is qualified to do business in California and has in effect a valid "S" election under Section 1362(a) of the Internal Revenue Code, may revoke its "S" election for purposes of this part without revoking its federal election. The revocation for purposes of this part shall be made by providing a written notification to the Franchise Tax Board in the form and manner prescribed by the Franchise Tax Board which includes the California corporation number and meets the requirements of Section 1362(d)(1) of the Internal Revenue Code.

(g) For income years beginning on or after January 1, 1990, if a corporation, which has in effect a valid "S" election under Section 1362(a) of the Internal Revenue Code, fails to make a "C corporation" election under clause (ii) of ~~subparagraph~~ subparagraphs (A) and (C) of paragraph (4) of subdivision (a) or to terminate by revocation under paragraph (3) of subdivision (f), the corporation shall be treated as an "S corporation" pursuant to subparagraph (A) of paragraph (4) of subdivision (a).

(h) (1) *Notwithstanding Section 23800(a), if a corporation has "total receipts" in excess of ten million dollars (\$10,000,000) in any income year beginning on or after January 1, 1992, it is not qualified to be an "S corporation" for a period of*

five (5) years commencing with its first income year after the year in which total receipts exceed ten million dollars (\$10,000,000).

(2) "Total receipts" means, for purposes of this subdivision, gross income, as defined in Section 24271, plus costs of goods sold, paid or incurred in connection with a trade or business of the taxpayer.

(3) The total receipt limitation amount specified in this subdivision shall be recomputed for income years beginning on or after January 1, 1994, in the manner prescribed in Section 17041(h).

(4) The provisions of this subdivision shall apply to income years commencing on or after January 1, 1993.

A taxpayer which has made an election under Section 25110 shall compute its income according to that section together with Sections 24411, 25111, 25112, 25114 and 25115 until the expiration of the months remaining on its water's-edge contract is of the effective date of this act, after which it shall be subject to the provisions of this section

(b) (1) For purposes of subdivision (a), a taxpayer subject to the tax imposed under this part shall determine its income derived from or attributable to sources within this state by taking into account, in addition to its own income and apportionment factors subject to the provisions of paragraph (2), the income and apportionment factors of those affiliates described in subdivision (c) that, together with the taxpayer, are engaged in a unitary business.

(2) A taxpayer that is not described in paragraphs (1) to (4), inclusive, of subdivision (c) shall take into account its income and factors as provided in paragraph (5) of subdivision (c)

(B) Sales shall be considered to be made to a state only if the bank or corporation making the sale may otherwise be subject to a tax on or measured by net income under the Constitution or laws of the United States, and shall not include sales made to a bank or corporation whose income and apportionment factors are taken into account pursuant to subdivision (a) in determining the amount of income of the taxpayer derived from or attributable to sources within this state.

(3) "The United States" means the 50 states of the United States, the possessions of the United States, the territories of the United States, and the District of Columbia.

(e) However, any method of apportionment shall take into account as income derived from or attributable to sources without the state, income derived from or attributable to transportation by sea or by air without the state, whether or not the transportation is located in or subject to the jurisdiction of any other state, the United States or any foreign country.

Article 3. Fiscal Provisions

2702.10. Bonds in the total amount of one billion dollars (\$1,000,000,000), exclusive of refunding bonds, or so much thereof as is necessary, may be issued and sold to provide a fund to be used for carrying out the purposes expressed in this chapter and to be used to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code. The bonds, when sold, shall be and constitute a valid and binding obligation of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal of, and interest on, the bonds as the principal and interest become due and payable.

2702.11. (a) Except as provided in subdivision (b), the bonds authorized by this chapter shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4 of Title 2 of the Government Code), and all of the provisions of that law apply to the bonds and to this chapter and are hereby incorporated in this chapter as though set forth in full in this chapter.

(b) Notwithstanding any provision of the State General Obligation Bond Law, each issue of bonds authorized by the committee shall have a final maturity of not more than 20 years.

2702.12. (a) Solely for the purpose of authorizing the issuance and sale, pursuant to the State General Obligation Bond Law, of the bonds authorized by this chapter, the Passenger Rail Finance Committee is hereby created. For purposes of this chapter, the Passenger Rail Finance Committee is "the committee" as that term is used in the State General Obligation Bond Law. The committee consists of the Treasurer, the Director of Finance, the Controller, the Secretary of the Business, Transportation and Housing Agency, and the Director of Transportation, or their designated representatives. The Treasurer shall serve as chairperson of the committee. A majority of the committee may act for the committee.

(b) For purposes of the State General Obligation Bond Law, the department is designated the "board."

2702.13. The committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter in order to carry out the actions specified in Section 2702.06 and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be issued and sold to carry out those actions progressively, and it is not necessary that all of the bonds authorized be issued and sold at any one time. The committee shall consider

program funding needs, revenue projections, financial market conditions, and other necessary factors in determining the shortest feasible term for the bonds to be issued.

2702.14. *There shall be collected each year and in the same manner and at the same time as other state revenue is collected, in addition to the ordinary revenues of the state, a sum in an amount required to pay the principal of, and interest on, the bonds each year. It is the duty of all officers charged by law with any duty in regard to the collection of the revenue to do and perform each and every act which is necessary to collect that additional sum.*

2702.15. *Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount equal to that sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this chapter, as the principal and interest become due and payable.*

2702.16. (a) *Money may be transferred from the fund to the State Transportation Fund to reimburse the Transportation Planning and Development Account and the State Highway Account for expenditures made from those accounts, on and after November 4, 1992, for capital improvements and acquisitions of rolling stock for intercity rail, commuter rail, and urban rail transit in accordance with Chapter 2 (commencing with Section 14520) of Part 5.3 of Division 3 of Title 2 of the Government Code, as specified in Section 2702.06.*

(b) *The amount that may be transferred pursuant to subdivision (a) shall not exceed the amount expended from those accounts for those capital improvements and acquisitions of rolling stock.*

2702.17. *The board may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account, in accordance with Section 16312 of the Government Code, for purposes of this chapter. The amount of the request shall not exceed the amount of the unsold bonds which the committee has, by resolution, authorized to be sold for the purpose of this chapter, less any amount borrowed pursuant to Section 2702.18. The board shall execute such documents as required by the Pooled Money Investment Board to obtain and repay the loan. Any amount loaned shall be deposited in the fund to be allocated by the board in accordance with this chapter.*

2702.18. *For the purpose of carrying out this chapter, the Director of Finance may authorize the withdrawal from the General Fund of an amount or amounts not to exceed the amount of unsold bonds which have been authorized by the committee to be sold for the purpose of carrying out this chapter, less any amount borrowed pursuant to Section 2702.17. Any amount withdrawn shall be deposited in the fund. Any money made available under this section shall be returned to the General Fund, plus the interest that the amounts would have earned in the Pooled Money Investment Account, from the sale of bonds for the purpose of carrying out this chapter.*

2702.19. *All money deposited in the fund which is derived from premium and accrued interest on bonds sold shall be reserved in the fund and shall be available for transfer to the General Fund as a credit to expenditures for bond interest.*

2702.20. *The bonds may be refunded in accordance with Article 6 (commencing with Section 16780) of the State General Obligation Bond Law.*

2702.21. The Legislature hereby finds and declares that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not "proceeds of taxes" as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

2702.22. Notwithstanding any provision of the State General Obligation Bond Law with regard to the proceeds from the sale of bonds authorized by this chapter that are subject to investment under Article 4 (commencing with Section 16470) of Chapter 3 of Part 2 of Division 4 of Title 2 of the Government Code, the Treasurer may maintain a separate account for investment earnings, order the payment of those earnings to comply with any rebate requirement applicable under federal law, and may otherwise direct the use and investment of those proceeds so as to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.
