(c) Notwithstanding Section 24415 or any other provision of law, if the state's contributions to the retirement fund provided by Section 22954 are, for any reason whatsoever, reduced or terminated before the retirement fund is fully repaid, as provided in subdivision (b), for all advances or transfers made pursuant to subdivision (a) and for any appropriations made by Item 1920-111-835 of the Budget Act of 1989 from the retirement fund to provide purchasing power protection payments, all duties of the board to make the advances or transfers required by subdivision (a) and to make the distributions required by Section 24415 shall immediately cease and shall have no further force or effect.

(d) It is the intent of the Legislature, in enacting the Supplemental Benefit Maintenance Program embodied in this section and Section 22400, subdivision (b) of Section 22954, Section 24415, subdivision (b) of Section 44929, and subdivision (b) of Section 87488, not to manifest any promise, except as provided in subdivision (c) of Section 22954, that, when accepted, would create a contract, express or implied. Notwithstanding any other provision of this part, nothing in the sections establishing the Supplemental Benefit Maintenance Program shall be construed as a basis for any implied contractual obligation, or as an element of exchange of consideration by a private party for consideration offered by the state, or as an intent to grant private rights of contract, or as conferring any vested right whatsoever on any present or future member, present or future annuitant, present or future surviving spouse of a present or future member or a present or future annuitant, surviving child of a present or future member or a present or future annuitant, or present or future beneficiary of the system.

(e) The board shall report annually to the Director of Finance and the appropriate fiscal and policy committees of the Legislature upon the benefits paid pursuant to Section 24415 and all actions taken pursuant to Section 22954 and this section.

SEC. 101. Section 24600 of the Education Code, as added by Section 2 of Chapter 893 of the Statutes of 1993, is amended to read:

24600. (a) The service retirement allowance or disability

allowance begins to accrue on the effective date of the retirement or disability.

(b) On the death of a retirant or a person receiving a disability allowance, or when a disability allowance is terminated, or when a retirant is reinstated to membership, the allowance ceases on the day on which the death, allowance termination, or reinstatement occurs.

(c) Family benefits begin to accrue on the day following the day the death of the member occurs and cease on the day of the event that terminates eligibility.

(d) Survivor benefit allowances payable pursuant to Chapter 23 (commencing with Section 23850) on account of surviving spouses begin to accrue on the 60th anniversary of the member's birthday or on the day following the day of the member's death, if elected by the surviving spouse, and cease on the day of the surviving spouse's death.

(e) Option benefits begin to accrue on the day following the day the retirant died and cease on the day on which the death of the beneficiary occurs.

(f) Family allowances payable on account of a full-time student begin to accrue on the day following the day the death of the member occurs. Disability allowances payable on account of a full-time student begin to accrue on the effective date of the disability allowance. The allowances payable on account of a full-time student shall terminate on the first day of the month following the end of the school quarter or semester that was in progress in the month of attainment of age 22 years. However, any adjustments to a family or disability allowance on account of a full-time student's periods of nonattendance shall be made as follows: The allowance shall cease on the first day of the month in which the nonattendance was initiated and again accrues on the first day of a subsequent month in which reattendance occurs.

(g) Disability retirement allowances payable pursuant to Chapter 26 (commencing with Section 24100) on account of dependent children begin to accrue on the effective date of the retirement allowance and shall terminate on the earlier of termination of the child's eligibility or termination of the disability retirant's eligibility for reasons other than death.

(h) The survivor benefits payable pursuant to Chapter 23 (commencing with Section 23850) on account of dependent children begin to accrue on the day following the member's date of death and shall terminate upon termination of the child's eligibility.

(i) Supplemental payments issued pursuant to Sections 24701, 24702, and 24703 to retirants, disabilitants, and beneficiaries shall begin to accrue pursuant to Sections 24701, 24702, and 24703 and shall cease to accrue as of the termination dates specified in subdivisions (a) to (h), inclusive, of this section.

(j) Notwithstanding any other provision of this part or other law, distributions from the system shall be made in accordance with Section 401 (a) (9) of the Internal Revenue Code of 1986, as amended,

including the incidental death benefit requirements of Section 401(a)(9)(G) and the regulations thereunder, and the required beginning date of benefit payments that represent the entire interest of the member in the system shall be as follows:

(1) In the case of a refund of contributions, as described in Chapter 12 (commencing with Section 23100) of this part, not later than April 1 of the calendar year following the later of (A) the calendar year in which the member attains the age of 70½ years or (B) the calendar year in which the member terminates employment within the meaning of subdivision (k).

(2) In the case of a retirement allowance, as defined in Section 22150, beginning not later than April 1 of the calendar year following the later of (A) the calendar year in which the member attains the age of 70½ years or (B) the calendar year in which the member terminates employment within the meaning of subdivision (k), to continue over the life of the member or the lives of the member and the member's option beneficiary, or over the life expectancy of the member or the life expectancy of the member and the member's option beneficiary.

(k) For purposes of subdivision (j), the phrase "terminates employment" means the later of the termination of employment in a position requiring or permitting membership in this system or the termination of employment in a position requiring or permitting membership in another public retirement system in this state the compensation from which may be included in final compensation under Section 22127.

SEC. 102. Section 24600 of the Education Code, as amended by Section 4 of Chapter 861 of the Statutes of 1993, is repealed.

SEC. 103. Section 24600.1 of the Education Code, as amended by Section 3 of Chapter 1083 of the Statutes of 1993, is repealed.

SEC. 104. Section 24604 of the Education Code, as added by Section 2 of Chapter 893 of the Statutes of 1993, is amended to read:

24604. (a) A retirant, disabilitant, or beneficiary shall specify whether monthly benefit payments are to be disbursed by: (1) direct deposit (electronic funds transfer); (2) direct mail to a financial or other institution; or (3) mailing to a payment address provided by the retirant, disabilitant, or beneficiary.

(b) A member or beneficiary to whom a lump-sum payment or benefit is to be disbursed shall specify the address to which the payment shall be mailed.

(c) (1) The board shall send a copy of the benefit payment information to any retirant, disabilitant, or beneficiary who has payments transmitted directly by electronic funds transfer or by mail to a financial institution, unless the board has received a written request from that person not to send a copy of the information.

(2) The board shall notify the retirant, disabilitant, or beneficiary, in the monthly benefit payment notice, of his or her right to request that no copy of the benefit payment information be mailed, pursuant to paragraph (1).

(d) A payment disbursed as specified by the member, retirant, disabilitant, or beneficiary shall fully discharge the board and the system from any claim resulting from actions taken under this section.

SEC. 105. Section 24609 of the Education Code, as added by Section 10 of Chapter 920 of the Statutes of 1993, is repealed.

SEC. 106. Section 24612 of the Education Code, as amended by Section 11 of Chapter 920 of the Statutes of 1993, is repealed.

SEC. 107. Section 24806 of the Education Code, as added by Section 2 of Chapter 893 of the Statutes of 1993, is amended to read:

24806. (a) A district retirement salary plan established under Sections 24800 to 24812, inclusive, in any school district or districts, in which the average daily attendance of all districts combined is in excess of 200,000, governed by the same governing board, may be discontinued by the governing board of the district or districts, with the consent of the majority of the active members of the system expressing their desires with respect to the discontinuance of the plan evidenced in the manner the governing board may prescribe. However, no discontinuance of any retirement plan shall be effective for any purpose unless provision is made for retirement allowances for active and retired employees of the district as provided in subdivisions (b), (c), (d), and (e).

(b) (1) Active and retired employees of the district or districts who otherwise would be members of the plan, other than teachers and persons employed in a status requisite for membership in the State Teachers' Retirement System or who were so employed prior to retirement, shall be made members and beneficiaries, respectively, of the Public Employees' Retirement System according to Part 3 (commencing with Section 20000) of Division 5 of Title 2 of the Government Code, including transfer to the system of the accumulated contributions of the employees, together with any other assets of the plan as may be determined.

(2) With respect to persons who are members of the plan at its discontinuance, it shall be provided in the contract making the employees members of the Public Employees' Retirement System, that their respective rates of contribution under the system shall be based on the age at the nearest birthday on July 1, 1944, or at the respective later effective dates of their membership in the plan, all instead of the age at the nearest birthday at the effective date of membership in the employees' system.

(3) Each employee of the district or districts who is included in the contract, but who during all or part of his or her employment in a status requisite for membership in the plan was not a member thereof, because of his or her election under an available option, or who failed to redeposit upon reentry into membership contributions previously withdrawn, shall have the right to elect by written document filed with the Board of Administration of the Public Employees' Retirement System, at any time within 90 days after the date upon which the notice of the right to make the election is mailed

by the system to the member's latest address on file in the office of the system, and prior to the date of retirement, to contribute to the system, subject to minimum payments fixed by the board of administration, and in one or more sums, or in not to exceed 60 monthly payments, an amount which, when added to his or her accumulated contributions, including interest, transferred as required in paragraph (1), will make a total amount equal to the accumulated contributions, including interest, that would have been credited to him or her in the plan, if he or she had never elected not to be a member thereof, or if he or she had redeposited the withdrawn contributions upon reentry, as the case may be. The employee shall pay to the Public Employees' Retirement System interest on the unpaid balance of the amount payable to the system, beginning with the date of discontinuance of the plan at the rate of interest currently used from time to time under the system. If the employee elects to make, and makes the contributions, and pays the interest, but not otherwise, he or she shall receive credit under the employees' system, as state service, for all the service rendered while he or she was not a member of the plan, because of his or her optional exclusion, or for all service upon which the withdrawn contributions were based, and for the purpose of paragraph (2) shall be considered as a member of the plan at its discontinuance and from November 1, 1937, or later beginning date of the service. Regardless of whether the contributions are made, the employee shall receive credit for service with which he or she was credited or would have been credited if he or she had been a member, as prior service under the plan. The contributions under this paragraph shall be added to and administered in the same manner as the contributions transferred under paragraph (1).

(4) Service rendered by active employees, who are made members of the Public Employees' Retirement System, prior to the assumption by the district or districts of the function under which the service was rendered, such as, but not limited to, cafeterias and student body activities, shall be credited under the employees' system, provided the service qualified for credit under the discontinued plan.

(5) The contract making the active employees members of the Public Employees' Retirement System, shall include the employees with respect to service rendered in a status in which they are not eligible for membership in the State Teachers' Retirement System, as provided in Section 20491 of the Government Code, and also with respect to service rendered in a status in which they are eligible for membership, but that is no longer credited under the retirement system, and the service shall be credited in the same manner applicable to service otherwise qualifying for credit.

(6) Retirement allowances being paid under the discontinued plan to retired employees of the district or districts, who are made beneficiaries of the Public Employees' Retirement System, shall be changed by action of the governing board of the districts, effective

at the discontinuance of the plan, to retirement allowances calculated on the basis of service used in the calculation of the respective allowances under the plan, and average annual salary earnable during the highest three consecutive years of creditable service, calculated according to the methods used at the date of discontinuance, under the plan in determining salary earnable, but excluding any salary based on overtime as provided in Section 20025.2 of the Government Code, but otherwise according to the formulae under the employees' system that apply to active employees who are made members thereof. The changed allowances shall be paid to beneficiaries for time commencing on the date they are made beneficiaries of the employees' system. No allowance shall be reduced by the change.

(7) If two or more districts under the control and management of a single governing board are participants in the plan, one contract between the board of administration and the governing board may include all the districts. The governing board may apportion the total contributions required under the contract, among the districts on the basis of total salaries upon which the contributions are computed, and on the basis of other pertinent information.

(8) Notwithstanding paragraph (1), the contract making active employees members of the Public Employees' Retirement System, shall include teachers and persons employed in a status requisite for membership in the State Teachers' Retirement System, with respect to service rendered in a status in which they would have been eligible for membership in the Public Employees' Retirement System, if the district or districts by which they were employed had been participating in that system under Part 3 (commencing with Section 20000) of Division 5 of Title 2 of the Government Code. Contributions deducted from salary earned by the employees in that service, together with credited interest, and standing to the credit of the employees at the effective date of discontinuance of the plan, shall be subject to paragraph (1), in the same manner as they would have been so subject if the employees had been employed at the date of the discontinuance, in a status which was not requisite for membership in the State Teachers' Retirement System. The employees shall be members of the Public Employees' Retirement System with the same effect, but only with respect to that service, as if they had been employed in a status that would have qualified them for membership under other paragraphs of this subdivision. The employees shall continue in membership and shall be entitled to benefits in the same manner as if they individually were credited with at least five hundred dollars ($500) in accumulated contributions. In the computation of the members' benefits under the Public Employees' Retirement System, their compensation earnable while they are members of the State Teachers' Retirement System shall be taken into consideration.

(c) Notwithstanding Sections 35161, 35162, Article 1 (commencing with Section 7000) of Chapter 1 of Part 5, Article 2

(commencing with Section 10010) of Chapter 1 of Part 7, Article 1 (commencing with Section 12500) of Chapter 5 of Part 8, this part, Article 5 (commencing with Section 32340) of Chapter 3 of Part 19, and Part 25 (commencing with Section 44000), contributions to the discontinued district retirement plan made by teachers and other persons employed by the district or districts in a status requisite for membership in the State Teachers' Retirement System standing to their individual credit at the date of discontinuance of the district retirement plan shall be deposited in the Retirement Annuity Fund with credited interest, to be applied on the amount due from the teachers, but not to exceed the amount due. Likewise an amount equal to the actuarial equivalent of the annuity portion of the retirement allowance to which the respective retired teachers and other persons employed by the district or districts, prior to retirement, in a status requisite for membership in the State Teachers' Retirement System were entitled under the plan, based on the interest rate and mortality tables used in its determination, shall be deposited in the Retirement Annuity Fund, to be applied on the amount due from the respective retired teachers, but not to exceed the amount due. Any excess of the contributions with credited interest or the actuarial equivalents, as the case may be, over the respective amounts due under those sections, shall be paid to the respective active and retired teachers and other persons. Further amounts, if any, due under those sections after the deposits, shall be paid to the Retirement Annuity Fund by the respective active and retired teachers and other persons. If any of the teachers or other persons who is not retired, is not entitled to credit under the State Teachers' Retirement System for all or part of his or her service credited under the plan, or if any of the retired teachers or other persons is not entitled to a retirement allowance from the system, either before or after the discontinuance, the provisions of this subdivision about contributions and credited interest or about the actuarial equivalent of annuity portions of retirement allowances, as the case may be, shall not apply to him or her with respect to service that is not credited under the state system, until and unless he or she becomes entitled to credit for that service or to an allowance from the state system, based on service that was credited to him or her under the discontinued plan. The balance of the assets held in the various funds of the discontinued district retirement plan after the transfers, deposits, and payments required by this section, or after establishment of reserves from which the transfers, deposits, and payments shall be made, shall be delivered to the district or districts in which the plan is discontinued.

(d) The district or districts in which the district retirement plan is discontinued shall pay monthly to teachers and other persons employed by the district or districts, prior to retirement, in a status requisite for membership in the State Teachers' Retirement System who were retired prior to the date of the discontinuance an amount equal to the amount by which the retirement allowance to which any

of the retired teachers or other persons was entitled under the plan exceeds the increase in the teacher's or other person's retirement allowance under the State Teachers' Retirement System resulting from the discontinuance. If the amount payable to any teacher or other person, under the previous sentence, is less than two dollars ($2), the district or districts may pay, in lieu of that amount, one amount that shall be actuarially equivalent to the monthly amount thereafter payable, according to the interest rate and mortality table used in the determination of the teacher's or other person's retirement allowance under the district retirement plan. The payment of the actuarially equivalent amount shall discharge fully the district's liability to the teacher or other person under this subdivision. The arrangement under which the amounts are paid by the district shall not be considered to be a local retirement system for the purposes of Chapter 1 (commencing with Section 22000) to Chapter 19 (commencing with Section 23200), inclusive, and Chapter 21.5 (commencing with Section 23700), nor shall the amount be taken into account in the calculation of retirement allowances under the State Teachers' Retirement System. If any of the teachers or other persons is not entitled to a retirement allowance from the State Teachers' Retirement System, either before or after discontinuance, the district or districts shall pay monthly to him or her, an amount equal to his or her retirement allowance under the plan prior to the discontinuance. If any teacher or other person has left the service of the district or districts, and is in a status under the plan, which if continued would qualify him or her for a retirement allowance without his or her return to that service, but is in a status that would otherwise not qualify him or her for retirement under the state system, the district or districts shall pay monthly to the teacher or other person, beginning at the date upon which he or she would have qualified for service retirement under the plan, an amount equal to the retirement allowance for which he or she would have qualified if the plan had not been discontinued. If any teacher or other person has credit under the plan for service that does not qualify for credit under either the State Teachers' Retirement System or Public Employees' Retirement System, the district or districts shall pay monthly to the teacher or other person, beginning on the date upon which he or she would have qualified for service retirement under the plan, an amount equal to the retirement allowance for which he or she would have qualified on the basis of that service if the plan had not been discontinued. If the individual at a later date becomes entitled to a retirement allowance from the state system, based on service that was credited to him or her under the discontinued plan, the monthly payments shall cease, and he or she shall become subject to subdivision (c), and the first four sentences of this subdivision, in the same manner as he or she would have been subject, if he or she had been entitled to a retirement allowance at the date of discontinuance, but calculation of actuarial equivalents and amounts

payable shall be made as of the later date.

(e) If any person who was retired prior to the discontinuance from a position requisite for membership in the State Teachers' Retirement System, under a district retirement salary plan that is discontinued pursuant to this section, elected either under the plan or under the system, but not under both, to have the retirement allowance modified according to an option under which he or she would receive a smaller allowance and provide a benefit for his or her beneficiary, the person shall have the right, to be exercised not later than 60 days after the discontinuance of the plan, to change his or her election under the State Teachers' Retirement System with respect to the options. Any computations of actuarial equivalent under a changed election shall be made as of the date of discontinuance of the plan, and no adjustment shall be included in the computation on account of retirement allowance payments made prior to that date.

SEC. 108. Sections 5.5 and 6.5 of this act incorporate changes in the State Teachers' Retirement Law proposed by AB 3832 (Chapter 193 of the Statutes of 1994), and shall become operative on January 1, 1995, the date on which AB 3832 takes effect, at which time Section 5 of this act shall cease to be operative.

SEC. 109. Section 50.5 of this bill incorporates amendments to Section 23104 of the Education Code proposed by both this bill and AB 2550. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1995, but this bill becomes operative first, (2) each bill amends Section 23104 of the Education Code, and (3) this bill is enacted after AB 2550, in which case Section 23104 of the Education Code, as amended by Section 50 of this bill, shall remain operative only until the operative date of AB 2550, at which time Section 50.5 of this bill shall become operative.

SEC. 110. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the California Constitution and shall go into immediate effect. The facts constituting the necessity are:

This act would, among other things, adapt provisions of the State Teachers' Retirement Law (Part 13 (commencing with Section 22000) of the Education Code) that were recodified by Chapter 893 of the Statutes of 1993 to other statutes enacted in 1993. Thus, in order that statutory consistency may be achieved at the earliest possible time, and that administrative confusion may be avoided, it is necessary that this act take effect immediately.

CHAPTER 934

An act to add Section 709.2 to the Public Utilities Code, relating to public utilities.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. This act shall be known and may be cited as the California Long Distance Telecommunications Consumer Choice Act.

SEC. 2. The Legislature finds and declares as follows:

(a) The Public Utilities Commission, in its November 1993 report entitled: ENHANCING CALIFORNIA'S COMPETITIVE STRENGTH; A STRATEGY FOR TELECOMMUNICATIONS INFRASTRUCTURE, recommends opening all telecommunications markets to competition and aggressively streamlining regulation to accelerate the pace of innovation. The first two specific recommendations set forth in the report are as follows:

(1) Open all telecommunications markets, including local telephone service to competitive entry by January 1, 1997.

(2) Support the removal of federal barriers to open competitive entry into telecommunications and information markets in states that have opened all telecommunications markets. In particular, support efforts to lift the federal restrictions on long-distance, manufacturing, and cable programming offerings by California telephone companies at the time the Public Utilities Commission opens the local telephone market to full competitive entry at the end of 1996.

(b) The United States Congress has under consideration a number of legislative initiatives intended to open local and long-distance telecommunications markets to competition. As an example, one measure removes federal barriers embodied in a federal court order and expressly delegates to the states the authority to approve, in statute, open competitive intrastate interexchange telecommunications service.

(c) The President of the United States, as expressed in public statements of the Vice President, has endorsed removal of federal barriers and the opening of all telecommunications markets to competition.

(d) The United States District Court for the District of Columbia, in the modification of final judgment entered August 24, 1982, in United States v. Western Electric, Civil Action No. 82-0192, reserved the long-distance service markets within the service areas for local exchange telephone companies, but other telecommunications companies have made competitive inroads into those markets and the Public Utilities Commission has announced it intends to allow

open competition within the service areas. Telecommunications providers that are not restricted by the federal court and are able to offer service both within and between service areas in California will have a significant competitive advantage over those companies still prohibited from offering competing services. The resulting loss of revenues to the local exchange companies will place upward pressure on basic exchange rates and could threaten the financial viability of those companies and the availability of universally affordable telephone services increasing the likelihood of forcing Californians into one of two groups; the "information rich" or the "information poor."

(e) The California economy and the state's communications infrastructure will both benefit if all communications service providers are allowed to invest and compete on a fair and equal basis without the prohibitions imposed by the federal court.

(f) Connecting all California homes and businesses to the information superhighway has the potential to position California on the leading edge of the telecommunications revolution. The emerging technologies will encourage economic growth and provide a variety of new benefits in many areas, including education and health care as examples, to all Californians. These technologies will also allow California business to compete in national and international markets.

(g) California consumers and the state's economy could benefit from the proposed elimination of federal court barriers that prohibit intrastate interexchange telecommunications service. Individual consumers will no longer be forced to pay long-distance charges for calling telephone numbers that, while located in the same community of common interest, were arbitrarily placed in the service area of a different and more distant community.

(h) California consumers and the state's economy could benefit from the proposed increased and enhanced competition in the provision of intrastate interexchange telecommunications services, especially if the largest telecommunications provider headquartered in the state is allowed to compete in this market.

(i) The risk of unfair competition or anticompetitive behavior that might result from opening this market to local telephone companies can be minimized by appropriate regulatory safeguards, oversight, and state and federal antitrust laws, and by encouraging open competition within the local exchange markets.

(j) It is the intent of the Legislature in enacting this act that, in permitting local exchange telephone corporations to provide intrastate interexchange telecommunications service, jobs be created for California residents.

(k) It is the intent of the Legislature in enacting this act that California consumers of intrastate long-distance services will benefit from increased competition in the marketplace and lower instrastate interexchange rates that should result from entry of additional competitors, such as local exchange carriers, into the intrastate

interexchange market.

SEC. 3. Section 709.2 is added to the Public Utilities Code, to read:

709.2. (a) The commission shall authorize fully open competition for intrastate interexchange telecommunications service, otherwise known as intrastate interLATA, or intrastate service between local access and transport areas, in California if federal legislation or court action amends the modification of final judgment entered by the United States District Court for the District of Columbia in United States v. Western Electric, Civil Action No. 82-0192, to allow open competition in that service.

(b) (1) If neither federal law nor court action has authorized full intrastate interexchange competition, the commission shall order the opening of all intrastate interexchange telecommunications markets to full competition, and the commission shall order, no later than October 1, 1995, all telephone corporations subject to the restrictions in the modification of final judgment to offer full intrastate interexchange service, and to seek a waiver of the interexchange telecommunications service restriction from the federal court overseeing the modification of final judgment. The service may be offered through resale and through facilities owned by the telephone corporations.

(2) If the federal district court denies the waiver request, and an appeal is taken and the federal Court of Appeals affirms the denial and refuses to remand the waiver request to the federal district court for further review, and review is sought in the United States Supreme Court and that court refuses to review or reviews and affirms the lower court decisions denying the waiver, and the commission determines that all reasonable legal recourse has been exhausted by the telephone corporation, the commission shall rescind the order.

(3) No order shall be implemented, nor services marketed by the telephone corporations until a waiver is granted or until federal legislation or court action amends the modification of final judgment to allow open competition in intrastate interexchange telecommunications service.

(c) No commission order authorizing or directing competition in intrastate interexchange telecommunications shall be implemented until the commission has done all of the following, pursuant to the public hearing process:

(1) Determined that all competitors have fair, nondiscriminatory, and mutually open access to exchanges currently subject to the modified final judgment and interexchange facilities, including fair unbundling of exchange facilities, as prescribed in the commission's Open Access and Network Architecture Development Proceeding (I. 93-04-003 and R. 93-04-003).

(2) Determined that there is no anticompetitive behavior by the local exchange telephone corporation, including unfair use of subscriber information or unfair use of customer contacts generated

by the local exchange telephone corporation's provision of local exchange telephone service.

(3) Determined that there is no improper cross-subsidization of intrastate interexchange telecommunications service by requiring separate accounting records to allocate costs for the provision of intrastate interexchange telecommunications service and examining the methodology of allocating those costs.

(4) Determined that there is no substantial possibility of harm to the competitive intrastate interexchange telecommunications markets.

(d) The opening of intrastate interexchange telecommunications markets to competition pursuant to this section shall not precede, but may be coincident with, the opening of competition within the local exchange markets, as expressly authorized by the commission, subject to subdivision (c).

(e) No part of this section shall be construed as constituting a state action within the meaning of Parker v. Brown, 317 U.S. 341.

(f) No part of this section shall be construed to preempt application of the unfair practices or antitrust laws of this state.

SEC. 4. This act shall not take effect unless Assembly Bill 3643 of the 1993–94 Regular Session of the Legislature is enacted and takes effect.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 935

An act to amend Sections 13, 221, 1348, 8047, 8280, 8396, 8397, 8594, 8842, and 12002.2 of, to add Section 1355 to, to add and repeal Section 8397.1 of, and to repeal Section 8592 of, the Fish and Game Code, relating to fish and game, and making an appropriation therefor.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 13 of the Fish and Game Code is amended to read:

13. Unless otherwise specified by statute, any notice or other

written communication required to be sent to any person by this code or regulations adopted pursuant thereto, is sufficient notice if sent by first-class mail to the last address furnished to the department by that person.

SEC. 2. Section 221 of the Fish and Game Code is amended to read:

221. This article shall remain in effect only until January 1, 2000, and as of that date is repealed, unless a later enacted statute, which becomes effective on or before January 1, 2000, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 3. Section 1348 of the Fish and Game Code is amended to read:

1348. (a) The board shall authorize the acquisition of such real property, rights in real property, water, or water rights as may be necessary to carry out the purposes of this chapter. The board may authorize acquisition by the department, but the department shall not acquire any of such property by eminent domain proceedings except such property as may be necessary to provide access roads or rights-of-way to areas to be used for fishing the coastal waters of the Pacific Ocean, and then only if the board of supervisors of the affected county has agreed by resolution to those proceedings for each parcel of land, and has further agreed by resolution to maintain the road or right-of-way. The board may authorize acquisition by the State Public Works Board, which may effect acquisitions pursuant to the Property Acquisition Law, Part 11 (commencing with Section 15850) of Division 3 of Title 2 of the Government Code.

(b) For the purposes of this chapter and Chapter 4.1 (commencing with Section 1385), the board may authorize the acquisition of interests in real property and water rights by means of gifts, purchases, leases, easements, the transfer or exchange of property for other property of like value, transfers of development rights or credits, and purchases of development rights, conservation easements, and other interests.

(c) To further implement this chapter and Chapter 4.1 (commencing with Section 1385), the board may authorize the department to do any of the following:

(1) Accept federal grants and receive gifts, donations, subventions, rents, royalties, and other financial support from public or private sources. Proceeds received from any of these sources shall be deposited in the Wildlife Restoration Fund.

(2) Notwithstanding any other provision of law, lease, sell, exchange, or otherwise transfer any real property, interest in real property, or option acquired by or held under the jurisdiction of the board or the department. Except as provided in Section 1355, proceeds from transactions entered into pursuant to this paragraph shall be deposited in the Wildlife Restoration Fund.

(3) Lease degraded potential wildlife habitat real property to nonprofit organizations, local governmental agencies, or state and federal agencies if the lessee agrees to restore the real property to

its highest possible wildlife habitat value and maintain the real property at that highest possible wildlife habitat value. Proceeds from any lease or rental and interest thereon shall be deposited in the Wildlife Restoration Fund.

(4) Acquire former wildlife habitat real property, including riparian habitat real property, restore and sell the real property, or any interest therein, to private owners, local governmental agencies, or state departments and agencies or exchange the property for other real property, if a written and recorded agreement is first secured to keep and maintain the real property as wildlife habitat in perpetuity. The agreement shall contain a reversion if the real property sold or exchanged is not maintained as wildlife habitat. The agreement containing the reversion shall be set forth in any conveyance transferring any real property, interest in real property, or option subject to this section. Proceeds from the sales shall be deposited in the Wildlife Restoration Fund.

SEC. 4. Section 1355 is added to the Fish and Game Code, to read:

1355. The net proceeds of the sale or other disposition of real property used as a fish hatchery that has been acquired by or is under the jurisdiction of the board or the department, either in easement or in fee, shall be deposited in the Wildlife Restoration Fund or the Fish and Game Preservation Fund, as determined by the board, and shall be available for acquisition, enhancement, restoration, or construction projects for the benefit of wildlife.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 2558 of the Education Code, as amended by Chapter 153 of the Statutes of 1994, is amended to read:

2558. Notwithstanding any other provision of law, for the 1979–80 fiscal year and each fiscal year thereafter, the Superintendent of Public Instruction shall apportion state aid to county superintendents of schools pursuant to the provisions of this section.

(a) The Superintendent of Public Instruction shall total the amounts computed for the fiscal year pursuant to Sections 2550, 2551, 2551.3, 2554, 2555, and 2557. For the 1979–80 fiscal year and for purposes of calculating the 1979–80 fiscal year base amounts in succeeding fiscal years, the amounts in Sections 2550, 2551, 2552, 2554, 2555, and 2557, as they read in the 1979–80 fiscal year, shall be multiplied by a factor of 0.994. For the 1981–82 fiscal year and for purposes of calculating the 1981–82 fiscal year base amounts in succeeding fiscal years, the amount in this subdivision shall be multiplied by a factor of 0.97.

(b) For the 1995–96 fiscal year and each fiscal year thereafter, the county superintendent of schools shall adjust the total revenue limit computed pursuant to this section by the amount of increased or decreased employer contributions to the Public Employees' Retirement System resulting from the enactment of Chapter 330 of the Statutes of 1982, adjusted for any changes in those contributions resulting from subsequent changes in employer contribution rates, excluding rate changes due to the direct transfer of the state-mandated portion of the employer contributions to the Public Employees' Retirement System through the current fiscal year. The adjustment shall be calculated for each county superintendent of schools as follows:

(1) Determine the amount of employer contributions that would have been made in the current fiscal year if the applicable Public Employees' Retirement System employee contribution rate in effect

immediately prior to the enactment of Chapter 330 of the Statutes of 1982 were in effect during the current fiscal year.

(2) Determine the actual amount of employer contributions made to the Public Employees' Retirement System in the current fiscal year.

(3) If the amount determined in paragraph (1) is greater than the amount determined in paragraph (2), the total revenue limit computed pursuant to this part for that county superintendent of schools shall be decreased by the amount of the difference between those paragraphs; or if the amount determined in paragraph (1) is less than the amount determined in paragraph (2), the total revenue limit for that county superintendent of schools shall be increased by the amount of the difference between those paragraphs.

(4) For the purposes of this subdivision, employer contributions to the Public Employees' Retirement System for any of the following positions shall be excluded from the calculation specified above:

(A) Positions or portions of positions supported by federal funds that are subject to supplanting restrictions.

(B) Positions supported by funds received pursuant to Section 42243.6.

(C) Positions supported, to the extent of employers contributions not exceeding twenty-five thousand dollars ($25,000) by any single educational agency, from a non-General Fund revenue source determined to be properly excludable from this subdivision by the Superintendent of Public Instruction with the approval of the Director of Finance.

(5) For accounting purposes, any reduction to county office of education revenue limits made by this subdivision may be reflected as an expenditure from appropriate sources of revenue as directed by the Superintendent of Public Instruction.

(6) The amount of the increase or decrease to the revenue limits of county superintendents of schools made by this subdivision for the 1995–96 fiscal year shall not be adjusted by the deficit factor calculated pursuant to Section 2558.45 for that fiscal year.

(c) The Superintendent of Public Instruction shall also subtract from the amount determined in subdivision (a) the sum of: (1) local property tax revenues received pursuant to Section 2573 in the then current fiscal year, and tax revenues received pursuant to Section 2556 in the then current fiscal year, (2) state and federal categorical aid for the fiscal year, (3) district contributions pursuant to Section 52321 for the fiscal year, and other applicable local contributions and revenues, (4) any amounts that the county superintendent of schools was required to maintain as restricted and not available for expenditure in the 1978–79 fiscal year as specified in the second paragraph of subdivision (c) of Section 6 of Chapter 292 of the Statutes of 1978, as amended by Chapter 51 of the Statutes of 1979, and (5) the amount received pursuant to subparagraph (C) of paragraph (3) of subdivision (a) of Section 33607.5 of the Health and Safety Code that is considered property taxes pursuant to that

section.

(d) The remainder computed in subdivision (c) shall be distributed in the same manner as state aid to school districts from funds appropriated to Section A of the State School Fund.

(e) If the remainder determined pursuant to subdivision (c) is a negative amount, no state aid shall be distributed to that county superintendent of schools pursuant to subdivision (d), and an amount of funds of that county superintendent equal to that negative amount shall be deemed restricted and not available for expenditure during the current fiscal year. In the next fiscal year, that amount shall be considered local property tax revenue for purposes of the operation of paragraph (1) of subdivision (c) of this section.

SEC. 2. Section 56712 of the Education Code is amended to read:

56712. From the sum computed pursuant to Section 56711, the county superintendent shall subtract all the following:

(a) Applicable special education federal funds received by each district or county office.

(b) For the 1981–82 fiscal year only, an amount equal to the difference, if positive, between the sum of state aid received pursuant to this chapter, local general fund contribution, federal funds, and district revenue limits for special day classes and centers, and county taxes for special education for the prior fiscal year, and the amount actually spent on special education programs and services pursuant to this part, for the prior fiscal year.

(c) The property taxes allocated to special education programs pursuant to Section 2572.

(d) The district revenue limit amounts for pupils in special day classes and centers in each district or county office.

(e) The local general fund contribution for special education computed pursuant to Article 6 (commencing with Section 56750).

(f) Any amounts allocated to school districts for special education programs pursuant to subdivision (b) of Section 56713.

(g) The amount received pursuant to subparagraph (D) of paragraph (3) of subdivision (a) of Section 33607.5 of the Health and Safety Code that is considered property taxes pursuant to that section.

SEC. 3. Section 42238 of the Education Code is amended to read:

42238. (a) For the 1984–85 fiscal year and each fiscal year thereafter, the county superintendent of schools shall determine a revenue limit for each school district in the county pursuant to this section.

(b) The base revenue limit for the current fiscal year shall be determined by adding to the base revenue limit for the prior fiscal year the following amounts:

(1) The inflation adjustment specified in Section 42238.1.

(2) For the 1985–86 and 1986–87 fiscal years only, the equalization adjustment specified in Section 42238.4.

(3) For the 1985–86 fiscal year, the amount received per unit of average daily attendance in the 1984–85 fiscal year pursuant to

Section 42238.7.

(4) For the 1985–86, 1986–87, and 1987–88 fiscal years, the amount per unit of average daily attendance received in the prior fiscal year pursuant to Section 42238.8.

(c) Except for districts subject to subdivision (d), the base revenue limit computed pursuant to subdivision (b) shall be multiplied by the district average daily attendance computed pursuant to Section 42238.5.

(d) For districts for which the number of units of average daily attendance determined pursuant to Section 42238.5 is greater for the current fiscal year than for the 1982–83 fiscal year, compute the following amount, in lieu of the amount computed pursuant to subdivision (c):

(1) Multiply the base revenue limit computed pursuant to subdivision (c) by the average daily attendance computed pursuant to Section 42238.5 for the 1982–83 fiscal year.

(2) Multiply the lesser of the amount in subdivision (c) or 1.05 times the statewide average base revenue limit per unit of average daily attendance for districts of similar type for the current fiscal year by the difference between the average daily attendance computed pursuant to Section 42238.5 for the current and 1982–83 fiscal years.

(3) Add the amounts in paragraphs (1) and (2).

(e) The base revenue limit per unit of average daily attendance shall be the lesser of the following amounts:

(1) The amount determined in subdivision (b).

(2) The amount computed pursuant to Section 42238 for the prior fiscal year divided by the prior fiscal year revenue limit average daily attendance times the sum of 1.0 and twice the percentage increase in revenue limits computed pursuant to Section 42238.1 for the current fiscal year.

(f) For districts electing to compute units of average daily attendance pursuant to paragraph (3) of subdivision (a) of Section 42238.5, the amount computed pursuant to Article 4 (commencing with Section 42280) shall be added to the amount computed in subdivision (c) or (d), as appropriate.

(g) For the 1984–85 fiscal year only, the county superintendent shall reduce the total revenue limit computed in this section by the amount of the decreased employer contributions to the Public Employees' Retirement System resulting from enactment of Chapter 330 of the Statutes of 1982, offset by any increase in those contributions, as of the 1983–84 fiscal year, resulting from subsequent changes in employer contribution rates.

The reduction shall be calculated as follows:

(1) Determine the amount of employer contributions that would have been made in the 1983–84 fiscal year if the applicable Public Employees' Retirement System employer contribution rate in effect immediately prior to the enactment of Chapter 330 of the Statutes of 1982 were in effect during the 1983–84 fiscal year.

(2) Subtract from the amount determined in paragraph (1) the

greater of subparagraph (A) or (B):

(A) The amount of employer contributions that would have been made in the 1983–84 fiscal year if the applicable Public Employees' Retirement System employer contribution rate in effect immediately after the enactment of Chapter 330 of the Statutes of 1982 were in effect during the 1983–84 fiscal year.

(B) The actual amount of employer contributions made to the Public Employees' Retirement System in the 1983–84 fiscal year.

(3) For purposes of this subdivision, employer contributions to the Public Employees' Retirement System for any of the following shall be excluded from the calculation specified above:

(A) Positions supported totally by federal funds that were subject to supplanting restrictions.

(B) Positions supported by funds received pursuant to Section 42243.6.

(C) Positions supported, to the extent of employer contributions not exceeding twenty-five thousand dollars ($25,000) by any single educational agency, from a revenue source determined on the basis of equity to be properly excludable from the provisions of this subdivision by the Superintendent of Public Instruction with the approval of the Director of Finance.

(4) For accounting purposes, the reduction made by this subdivision may be reflected as an expenditure from appropriate sources of revenue as directed by the Superintendent of Public Instruction.

(h) The Superintendent of Public Instruction shall apportion to each school district the amount determined in this section less the sum of:

(1) The district's property tax revenue received pursuant to Chapter 3 (commencing with Section 75) and Chapter 6 (commencing with Section 95) of Part 0.5 of the Revenue and Taxation Code.

(2) The amount, if any, received pursuant to Part 18.5 (commencing with Section 38101) of the Revenue and Taxation Code.

(3) The amount, if any, received pursuant to Chapter 3 (commencing with Section 16140) of the Government Code.

(4) Prior years taxes and taxes on the unsecured roll.

(5) Fifty percent of the amount received pursuant to Section 41603.

(6) The amount of motor vehicle license fees distributed pursuant to Section 11003.4 of the Revenue and Taxation Code.

(7) The amount, if any, received pursuant to any provision of the Community Redevelopment Law (Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code), except for any amount received pursuant to Section 33401 or 33676 of the Health and Safety Code that is used for land acquisition, facility construction, reconstruction, or remodeling, or deferred maintenance, except for any amount received pursuant to Section

33492.15, paragraph (3) of subdivision (a) of Section 33607.5, or Section 33607.7 of the Health and Safety Code that is allocated exclusively for educational facilities.

(i) This section shall become operative July 1, 1984.

SEC. 4. Section 33320.1 of the Health and Safety Code is amended to read:

33320.1. (a) "Project area" means, except as provided in Section 33320.2, 33320.3, 33320.4, or 33492.3, a predominantly urbanized area of a community which is a blighted area, the redevelopment of which is necessary to effectuate the public purposes declared in this part, and which is selected by the planning commission pursuant to Section 33322.

(b) As used in this section, "predominantly urbanized" means that not less than 80 percent of the land in the project area:

(1) Has been or is developed for urban uses; or

(2) Is characterized by the condition described in paragraph (4) of subdivision (a) of Section 33031; or

(3) Is an integral part of one or more areas developed for urban uses which are surrounded or substantially surrounded by parcels which have been or are developed for urban uses. Parcels separated by only an improved right-of-way shall be deemed adjacent for the purpose of this subdivision.

(c) For the purposes of this section, a parcel of property as shown on the official maps of the county assessor is developed if that parcel is developed in a manner which is either consistent with zoning or is otherwise permitted under law.

(d) The requirement that a project be predominantly urbanized shall apply only to a project area for which a final redevelopment plan is adopted on or after January 1, 1984, or to an area which is added to a project area by an amendment to a redevelopment plan, which amendment is adopted on or after January 1, 1984.

SEC. 5. Section 33328.5 of the Health and Safety Code is amended to read:

33328.5. (a) If a redevelopment agency proposes to use the equalized assessment roll for the year following the equalized assessment roll which the redevelopment agency advised it would use pursuant to Section 33328, the redevelopment agency shall, prior to the adoption of the redevelopment plan using that different equalized assessment roll, either notify the county officials, taxing agencies, and the State Board of Equalization of the change in the equalized assessment roll that it proposes to use for the allocation of taxes pursuant to Section 33670 or prepare a report containing the information specified in subdivisions (a), (b), (c), (d), (e), and (f) of Section 33328.

(b) Upon receipt of a notice pursuant to subdivision (a), the county officials charged with the responsibility of allocating taxes under Section 33670 and 33670.5 shall prepare and deliver to the redevelopment agency a report containing the information specified in subdivisions (a), (b), (c), (d), (e), and (f) of Section 33328. The

report shall be prepared and delivered within the time periods specified in Section 33328 for reports prepared pursuant to that section. If a redevelopment agency gives the notice specified in subdivision (a), the redevelopment plan specified in the notice shall not be adopted until the time period for delivery of the report has expired.

(c) At least 14 days prior to the public hearing on the redevelopment plan for which the redevelopment agency proposes to use a different equalized assessment roll, the redevelopment agency shall prepare and deliver to each taxing agency a supplementary report analyzing the effect of the use of the different equalized assessment roll which shall include those subjects required by subdivisions (b), (e), and (n) of Section 33352. In lieu of a supplementary report, a redevelopment agency may include in the report required to be prepared pursuant to Section 33352, the information required to be included in the supplementary report.

(d) A redevelopment agency shall not be required to prepare a subsequent preliminary report specified in Section 33344.5, unless the report prepared pursuant to subdivision (b) states that the total assessed value in the project area is less than the total assessed value in the project area contained in the original report prepared pursuant to Section 33328, in which case a new preliminary report shall be prepared.

(e) The use of a different assessment roll pursuant to this section shall meet the requirements of Section 16 of Article XVI of the California Constitution.

(f) This section shall only apply to redevelopment plans adopted on or after January 1, 1993. The Legislature finds and declares that the enactment of this section shall not be deemed to invalidate or limit the adoption of redevelopment plans pursuant to a different procedure prior to January 1, 1993.

SEC. 6. Section 33333.2 of the Health and Safety Code is amended to read:

33333.2. (a) A redevelopment plan containing the provisions set forth in Section 33670 shall contain all of the following limitations. A redevelopment plan that does not contain the provisions set forth in Section 33670 shall contain the limitations in paragraph (4):

(1) (A) A time limit on the establishing of loans, advances, and indebtedness to be paid with the proceeds of property taxes received pursuant to Section 33670 to finance in whole or in part the redevelopment project, which may not exceed 20 years from the adoption of the redevelopment plan, except by amendment of the redevelopment plan as authorized by subparagraph (B). This limit, however, shall not prevent agencies from incurring debt to be paid from the Low and Moderate Income Housing Fund or establishing more debt in order to fulfill the agency's housing obligations under Section 33413. The loans, advances, or indebtedness may be repaid over a period of time longer than this time limit as provided in this section. No loans, advances, or indebtedness to be repaid from the

allocation of taxes shall be established or incurred by the agency beyond this time limitation. This limit shall not prevent agencies from refinancing, refunding, or restructuring indebtedness after the time limit if the indebtedness is not increased and the time during which the indebtedness is to be repaid is not extended beyond the time limit to repay indebtedness required by this section.

(B) The time limitation established by subparagraph (A) may be extended only by amendment of the redevelopment plan after the agency finds, based on substantial evidence, that (i) significant blight remains within the project area; and (ii) this blight cannot be eliminated without the establishment of additional debt. However, this amended time limitation may not exceed 30 years from the effective date of the ordinance adopting the redevelopment plan.

(2) A time limit, not to exceed 30 years from the adoption of the redevelopment plan, on the effectiveness of the redevelopment plan. After the time limit on the effectiveness of the redevelopment plan, the agency shall have no authority to act pursuant to the redevelopment plan except to pay previously incurred indebtedness and to enforce existing covenants or contracts, unless the agency has not completed its housing obligations pursuant to Section 33413, in which case the agency shall retain its authority to implement requirements under Section 33413, including its ability to incur and pay indebtedness for this purpose, and shall use this authority to complete these housing obligations as soon as is reasonably possible.

(3) A time limit, not to exceed 45 years from the adoption of the redevelopment plan, to repay indebtedness with the proceeds of property taxes received pursuant to Section 33670. After the time limit established pursuant to this paragraph, an agency may not receive property taxes pursuant to Section 33670.

(4) A time limit, not to exceed 12 years from the adoption of the redevelopment plan, for commencement of eminent domain proceedings to acquire property within the project area. This time limitation may be extended only by amendment of the redevelopment plan.

(b) If a redevelopment plan is amended to add territory, the amendment shall contain the time limits required by this section.

(c) This section shall apply only to redevelopment projects for which a final redevelopment plan is adopted pursuant to Article 5 (commencing with Section 33360) on or after January 1, 1994, and to amendments that add territory and that are adopted on or after January 1, 1994.

SEC. 7. Section 33333.4 of the Health and Safety Code is amended to read:

33333.4. (a) Every legislative body which adopted a final redevelopment plan prior to October 1, 1976, that contains the provisions set forth in Section 33670 but which does not contain all of the limitations required by Section 33333.2, shall adopt an ordinance on or before December 31, 1986, which contains all of the following:

(1) A limitation on the number of dollars of taxes which may be divided and allocated to the redevelopment agency pursuant to the plan, including any amendments to the plan. Taxes shall not be divided and shall not be allocated to the redevelopment agency beyond that limitation.

(2) A time limit on the establishing of loans, advances, and indebtedness to finance in whole, or in part, the redevelopment project. No loans, advances, or indebtedness to be repaid from the allocation of taxes shall be established or incurred by the agency beyond the time limitation.

(3) A time limit, not to exceed 12 years, for commencement of eminent domain proceedings to acquire property within the project area.

(b) The limitations established in the ordinance adopted pursuant to this section shall apply to the redevelopment plan as if the redevelopment plan had been amended to include those limitations. However, in adopting the ordinance, neither the legislative body nor the agency is required to comply with Article 12 (commencing with Section 33450) or any other provision of this part relating to the amendment of redevelopment plans.

(c) The limitations established in the ordinance adopted pursuant to this section shall not be applied to limit allocation of taxes to an agency to the extent required to eliminate project deficits created under subdivision (g) of Section 33334.6 in accordance with the plan adopted pursuant thereto for the purpose of eliminating the deficit. In the event of a conflict between these limitations and the obligations under Section 33334.6, the legislative body shall amend the ordinance adopted pursuant to this section to modify the limitations to the extent necessary to permit compliance with the plan adopted pursuant to subdivision (g) of Section 33334.6 and to allow full expenditure of moneys in the agency's Low and Moderate Income Housing Fund in accordance with Section 33334.3. The procedure for amending the ordinance pursuant to this subdivision shall be the same as for adopting the ordinance under subdivision (b).

(d) This section shall not be construed to allow the impairment of any obligation or indebtedness incurred by the legislative body or the agency pursuant to this part.

(e) In any litigation to challenge or attack any ordinance adopted pursuant to this section, the court shall sustain the actions of the legislative body and the agency unless the court finds those actions were arbitrary or capricious. The Legislature finds and declares that this is necessary because redevelopment agencies with project areas established prior to October 1, 1976, have incurred existing obligations and indebtedness and have adopted projects, programs, and activities with the authority to receive and pledge the entire allocation of taxes authorized by Section 33670 and that it is necessary to protect against the possible impairment of existing obligations and indebtedness and to allow the completion of adopted projects and

programs.

(f) The ordinance adopted by the legislative body in compliance with this section does not relieve any agency of its obligations under Section 33334.2, 33334.3, Article 9 (commencing with Section 33410), or any other requirement contained in this part.

(g) A redevelopment plan adopted on or after October 1, 1976, and prior to January 1, 1994, containing the provisions set forth in Section 33670, shall also contain:

(1) A limitation on the number of dollars of taxes that may be divided and allocated to the agency pursuant to the plan, including any amendments to the plan. Taxes shall not be divided and shall not be allocated to the agency beyond this limitation, except pursuant to amendment of the redevelopment plan.

(2) A time limit, not to exceed 12 years, for commencement of eminent domain proceedings to acquire property within the project area. This time limit may be extended only pursuant to amendment of the redevelopment plan.

SEC. 8. Section 33333.6 of the Health and Safety Code is amended to read:

33333.6. The limitations of this section shall apply to every redevelopment plan adopted on or before December 31, 1993.

(a) (1) The time limit on the establishing of loans, advances, and indebtedness adopted pursuant to paragraph (2) of subdivision (a) of Section 33333.2 or paragraph (2) of subdivision (a) of Section 33333.4 shall not exceed 20 years from the adoption of the redevelopment plan or January 1, 2004, whichever is later. This limit, however, shall not prevent agencies from incurring debt to be paid from the Low and Moderate Income Housing Fund or establishing more debt in order to fulfill the agency's housing obligations under Section 33413. This limit shall not prevent agencies from refinancing, refunding, or restructuring indebtedness after the time limit if the indebtedness is not increased and the time during which the indebtedness is to be repaid does not exceed the date on which the indebtedness would have been paid.

(2) The time limitation established by this subdivision may be extended, only by amendment of the redevelopment plan, after the agency finds, based on substantial evidence that: (A) significant blight remains within the project area; and (B) this blight cannot be eliminated without the establishment of additional debt. However, this amended time limitation may not exceed 10 years from the time limit established pursuant to this subdivision or the time limit on the effectiveness of the plan established pursuant to subdivision (b), whichever is earlier.

(b) The effectiveness of every redevelopment plan to which this section applies shall terminate at a date which shall not exceed 40 years from the adoption of the redevelopment plan or January 1, 2009, whichever is later. After the time limit on the effectiveness of the redevelopment plan, the agency shall have no authority to act pursuant to the redevelopment plan except to pay previously

incurred indebtedness and to enforce existing covenants, contracts, or other obligations.

(c) Except as provided in subdivisions (g) and (h), a redevelopment agency shall not pay indebtedness or receive property taxes pursuant to Section 33670 after 10 years from the termination of the effectiveness of the redevelopment plan pursuant to subdivision (b).

(d) (1) If plans which had different dates of adoption were merged on or before December 31, 1993, the time limitations required by this section shall be counted individually for each merged plan from the date of the adoption of each plan. If an amendment to a redevelopment plan added territory to the project area on or before December 31, 1993, the time limitations required by this section shall commence, with respect to the redevelopment plan, from the date of the adoption of the redevelopment plan, and, with respect to the added territory, from the date of the adoption of the amendment.

(2) If plans that had different dates of adoption are merged on or after January 1, 1994, the time limitations required by this section shall be counted individually for each merged plan from the date of the adoption of each plan.

(e) (1) Unless a redevelopment plan adopted prior to January 1, 1994, contains all of the limitations required by this section and each of these limitations does not exceed the applicable time limits established by this section, the legislative body, acting by ordinance on or before December 31, 1994, shall amend every redevelopment plan adopted prior to January 1, 1994, either to amend an existing time limit that exceeds the applicable time limit established by this section or to establish time limits that do not exceed the provisions of subdivision (a), (b), or (c).

(2) The limitations established in the ordinance adopted pursuant to this section shall apply to the redevelopment plan as if the redevelopment plan had been amended to include those limitations. However, in adopting the ordinance required by this section, neither the legislative body nor the agency is required to comply with Article 12 (commencing with Section 33450) or any other provision of this part relating to the amendment of redevelopment plans.

(f) (1) If a redevelopment plan adopted prior to January 1, 1994, contains one or more limitations required by this section, and the limitation does not exceed the applicable time limit required by this section, this section shall not be construed to require an amendment of this limitation.

(2) A redevelopment plan adopted prior to January 1, 1994, that has a limitation shorter than the terms provided in this section may be amended to extend the limitation, within the applicable time limit established by this section, pursuant to Section 33354.6. This amendment shall be subject to referendum as provided in Section 33450.

(g) The limitations established in the ordinance adopted pursuant

to this section shall not be applied to limit allocation of taxes to an agency to the extent required to eliminate project deficits created under subdivision (e) of Section 33320.5, subdivision (g) of Section 33334.6, or subdivision (d) of Section 33487, in accordance with the plan adopted pursuant thereto for the purpose of eliminating the deficits or to implement a replacement housing program pursuant to Section 33413. In the event of a conflict between these limitations and the obligations under Section 33334.6 or to implement a replacement housing program pursuant to Section 33413, the legislative body shall amend the ordinance adopted pursuant to this section to modify the limitations to the extent necessary to permit compliance with the plan adopted pursuant to subdivision (g) of Section 33334.6 and to allow full expenditure of moneys in the agency's Low and Moderate Income Housing Fund in accordance with Section 33334.3 or to permit implementation of the replacement housing program pursuant to Section 33413. The procedure for amending the ordinance pursuant to this subdivision shall be the same as for adopting the ordinance under subdivision (e).

(h) This section shall not be construed to affect the validity of any bond, indebtedness, or other obligation, including any mitigation agreement entered into pursuant to Section 33401, authorized by the legislative body, or the agency pursuant to this part, prior to January 1, 1994. Nor shall this section be construed to affect the right of an agency to receive property taxes, pursuant to Section 33670, to pay the indebtedness or other obligation.

(i) A redevelopment agency shall not pay indebtedness or receive property taxes pursuant to Section 33670, with respect to a redevelopment plan adopted prior to January 1, 1994, after the date identified in subdivision (c) or the date identified in the redevelopment plan, whichever is earlier, except as provided in paragraph (2) of subdivision (f) or in subdivision (h).

(j) The Legislature finds and declares that the amendments made to this section by the act that adds this subdivision are intended to add limitations to the law on and after January 1, 1994, and are not intended to change or express legislative intent with respect to the law prior to that date. It is not the intent of the Legislature to affect the merits of any litigation regarding the ability of a redevelopment agency to sell bonds for a term that exceeds the limit of a redevelopment plan pursuant to law that existed prior to January 1, 1994.

(k) If a redevelopment plan is amended to add territory, the amendment shall contain the time limits required by Section 33333.2.

SEC. 9. Section 33334.3 of the Health and Safety Code is amended to read:

33334.3. (a) The funds which are required by Section 33334.2 or 33334.6 to be used for the purposes of increasing and improving the community's supply of low- and moderate-income housing shall be held in a separate Low and Moderate Income Housing Fund until used.

(b) Any interest earned by the Low and Moderate Income Housing Fund and any repayments or other income to the agency for loans, advances, or grants, of any kind from the Low and Moderate Income Housing Fund, shall accrue to and be deposited in, the fund and may only be used in the manner prescribed for the Low and Moderate Income Housing Fund.

(c) The moneys in the Low and Moderate Income Housing Fund shall be used to increase, improve, and preserve the supply of low- and moderate-income housing within the territorial jurisdiction of the agency.

(d) It is the intent of the Legislature that the Low and Moderate Income Housing Fund be used to the maximum extent possible to defray the costs of production, improvement, and preservation of low- and moderate-income housing and that the amount of money spent for planning and general administrative activities associated with the development, improvement, and preservation of that housing not be disproportionate to the amount actually spent for the costs of production, improvement, or preservation of that housing. The agency shall determine annually that the planning and administrative expenses are necessary for the production, improvement, or preservation of low- and moderate-income housing.

(e) (1) Planning and general administrative costs which may be paid with moneys from the Low and Moderate Income Housing Fund are those expenses incurred by the agency which are directly related to the programs and activities authorized under subdivision (e) of Section 33334.2 and are limited to the following:

(A) Costs incurred for salaries, wages, and related costs of the agency's staff or for services provided through interagency agreements, and agreements with contractors, including usual indirect costs related thereto.

(B) Costs incurred by a nonprofit corporation which are not directly attributable to a specific project.

(2) Legal, architectural, and engineering costs and other salaries, wages, and costs directly related to the planning and execution of a specific project which are authorized under subdivision (e) of Section 33334.2 and which are incurred by a nonprofit housing sponsor are not planning and administrative costs for the purposes of this section, but are instead project costs.

(f) (1) The requirements of this subdivision apply to all new or substantially rehabilitated housing units developed or otherwise assisted, with moneys from the Low and Moderate Income Housing Fund, pursuant to an agreement approved by an agency on or after January 1, 1988. Except to the extent a longer period of time may be required by other provisions of law, the agency shall require that housing units subject to this subdivision shall remain available at affordable housing costs to persons and families of low or moderate income and very low income households for the longest feasible time, but for not less than the following periods of time, except as

provided in Section 33334.13:

(A) Fifteen years for rental units. However, the agency may replace rental units with equally affordable and comparable rental units in another location within the community if (A) the replacement units are available for occupancy prior to the displacement of any persons and families of low or moderate income residing in the units to be replaced and (B) the comparable replacement units are not developed with moneys from the Low and Moderate Income Housing Fund.

(B) Ten years for owner-occupied units. However, the agency may permit sales of owner-occupied units prior to the expiration of the 10-year period for a price in excess of that otherwise permitted under this subdivision pursuant to an adopted program which protects the agency's investment of moneys from the Low and Moderate Income Housing Fund, including, but not limited to, an equity sharing program which establishes a schedule of equity sharing that permits retention by the seller of a portion of those excess proceeds based on the length of occupancy. The remainder of the excess proceeds of the sale shall be allocated to the agency and deposited in the Low and Moderate Income Housing Fund.

(2) The agency shall require the recording in the office of the county recorder of covenants or restrictions implementing this subdivision for each parcel or unit of real property subject to this subdivision. Notwithstanding any other provision of law, the covenants or restrictions shall run with the land and shall be enforceable, against the original owner and successors in interest, by the agency or the community.

(g) "Housing," as used in this section, includes residential hotels, as defined in subdivision (k) of Section 37912. The definitions of "lower income households" and "very low income households" in Sections 50079.5 and 50105 shall apply to this section. "Longest feasible time," as used in this section, includes, but is not limited to, unlimited duration.

(h) "Increasing, improving, and preserving the community's supply of low- and moderate-income housing," as used in this section and in Section 33334.2, includes the preservation of rental housing units assisted by federal, state, or local government on the condition that units remain affordable to low- and moderate-income households, including very low income households, for a specified period of time, beyond the date the subsidies and use restrictions could be terminated and the assisted housing units converted to market rate rentals. In preserving these units the agency shall require the units remain affordable to persons and families of low- and moderate-income and very low income households for the longest feasible time. However, the agency may replace rental units with equally affordable and comparable rental units in another location within the community if (1) the replacement units in another location are available for occupancy prior to the displacement of any persons and families of low or moderate income

residing in the units to be replaced and (2) the comparable replacement units are not developed with moneys from the Low and Moderate Income Housing Fund.

(i) Agencies that have more than one project area may satisfy the requirements of Sections 33334.2 and 33334.6 and of this section by allocating, in any fiscal year, less than 20 percent in one project area, if the difference between the amount allocated and the 20 percent required is instead allocated, in that same fiscal year, to the Low and Moderate Income Housing Fund from tax increment revenues from other project areas. Prior to allocating funds pursuant to this subdivision, the agency shall make the finding required by subdivision (g) of Section 33334.2.

SEC. 10. Section 33334.12 of the Health and Safety Code is amended to read:

33334.12. (a) (1) Upon failure of the agency to expend or encumber excess surplus in the Low and Moderate Income Housing Fund within one year from the date the moneys become excess surplus, as defined in paragraph (1) of subdivision (g), the agency shall do either of the following:

(A) Disburse voluntarily its excess surplus to the county housing authority or to another public agency exercising housing development powers within the territorial jurisdiction of the agency in accordance with subdivision (b).

(B) Expend or encumber its excess surplus within two additional years.

(2) If an agency, after three years has elapsed from the date that the moneys become excess surplus, has not expended or encumbered its excess surplus, the agency shall be subject to sanctions pursuant to subdivision (e), until the agency has expended or encumbered its excess surplus plus an additional amount, equal to 50 percent of the amount of the excess surplus that remains at the end of the three-year period. The additional expenditure shall not be from the agency's Low and Moderate Income Housing Fund, but shall be used in a manner that meets all requirements for expenditures from that fund.

(b) The housing authority or other public agency to which the money is transferred shall utilize the moneys for the purposes of, and subject to the same restrictions that are applicable to, the redevelopment agency under this part, and for that purpose may exercise all of the powers of a housing authority under Part 2 (commencing with Section 34200) to an extent not inconsistent with these limitations.

(c) Notwithstanding Section 34209 or any other provision of law, for the purpose of accepting a transfer of, and using, moneys pursuant to this section, the housing authority of a county or other public agency may exercise its powers within the territorial jurisdiction of a city redevelopment agency located in that county.

(d) The amount of excess surplus that shall be transferred to the housing authority or other public agency because of a failure of the

redevelopment agency to expend or encumber excess surplus within one year shall be the amount of the excess surplus that is not so expended or encumbered. The housing authority or other public agency to which the moneys are transferred shall expend or encumber these moneys for authorized purposes not later than three years after the date these moneys were transferred from the Low and Moderate Income Housing Fund.

(e) (1) Until a time when the agency has expended or encumbered excess surplus moneys pursuant to subdivision (a), the agency shall be prohibited from encumbering any funds or expending any moneys derived from any source, except that the agency may encumber funds and expend moneys to pay the following obligations, if any, that were incurred by the agency prior to three years from the date the moneys became excess surplus:

(A) Bonds, notes, interim certificates, debentures, or other obligations issued by an agency, whether funded, refunded, assumed, or otherwise, pursuant to Article 5 (commencing with Section 33640).

(B) Loans or moneys advanced to the agency, including, but not limited to, loans from federal, state, or local agencies, or a private entity.

(C) Contractual obligations which, if breached, could subject the agency to damages or other liabilities or remedies.

(D) Obligations incurred pursuant to Section 33445.

(E) Indebtedness incurred pursuant to Section 33334.2 or 33334.6.

(F) Obligations incurred pursuant to Section 33401.

(G) An amount, to be expended for the operation and administration of the agency, that may not exceed 75 percent of the amount spent for those purposes in the preceding fiscal year.

(2) This subdivision shall not be construed to prohibit the expenditure of excess surplus funds or other funds to meet the requirement in paragraph (2) of subdivision (a) that the agency spend or encumber excess surplus funds, plus an amount equal to 50 percent of excess surplus, prior to spending or encumbering funds for any other purpose.

(f) Nothing in this section shall be construed to limit any authority a redevelopment agency may have under other provisions of this part to contract with a housing authority for increasing or improving the community's supply of low- and moderate-income housing.

(g) For purposes of this section:

(1) "Excess surplus" means any unexpended and unencumbered amount in an agency's Low and Moderate Income Housing Fund that exceeds the greater of one million dollars ($1,000,000) or the aggregate amount deposited into the Low and Moderate Income Housing Fund pursuant to Sections 33334.2 and 33334.6 during the agency's preceding four fiscal years. The first fiscal year to be included in this computation is the 1989–90 fiscal year, and the first date on which an excess surplus may exist is July 1, 1994.

(2) Moneys shall be deemed encumbered if committed pursuant

to a legally enforceable contract or agreement for expenditure for purposes specified in Section 33334.2 or 33334.3.

(3) (A) For purposes of determining whether an excess surplus exists, it is the intent of the Legislature to give credit to agencies which convey land for less than fair market value, on which low- and moderate-income housing is built or is to be built if at least 49 percent of the units developed on the land are available at affordable housing cost to lower income households for at least the time specified in subdivision (e) of Section 33334.3, and otherwise comply with all of the provisions of this division applicable to expenditures of moneys from a low- and moderate-income housing fund established pursuant to Section 33334.3. Therefore, for the sole purpose of determining the amount, if any, of an excess surplus, an agency may make the following calculation: if an agency sells, leases, or grants land acquired with moneys from the Low and Moderate Income Housing Fund, established pursuant to Section 33334.3, for an amount which is below fair market value, and if at least 49 percent of the units constructed or rehabilitated on the land are affordable to lower income households, as defined in Section 50079.5, the difference between the fair market value of the land and the amount the agency receives may be subtracted from the amount of moneys in an agency's Low and Moderate Income Housing Fund.

(B) If taxes that otherwise would have been required to be deposited in the Low and Moderate Income Housing Fund are used as security for bonds or other indebtedness, the proceeds of the bonds or other indebtedness shall not be counted in determining whether an excess surplus exists. Instead, the calculation made pursuant to paragraph (1) shall be made as if the bonds or other indebtedness had not been sold or incurred, and the agency had deposited the taxes in the Low and Moderate Income Housing Fund in accordance with Section 33334.3.

(C) Nothing in this subdivision shall be construed to restrict the authority of an agency provided in any other provision of this part to expend funds from the Low and Moderate Income Housing Fund.

(h) Communities in which an agency has disbursed excess surplus funds pursuant to this section shall not disapprove a low- or moderate-income housing project funded in whole or in part by the excess surplus funds if the project is consistent with applicable building codes and the land use designation specified in any element of the general plan as it existed on the date the application was deemed complete. A local agency may require compliance with local development standards and policies appropriate to and consistent with meeting the quantified objectives relative to the development of housing, as required in housing elements of the community pursuant to subdivision (b) of Section 65583 of the Government Code.

(i) Notwithstanding subdivision (a), any agency that has funds that become excess surplus on July 1, 1994, shall have, pursuant to subdivision (a), until January 1, 1995, to decide to transfer the funds

to a housing authority or other public agency, or until January 1, 1997, to expend or encumber those funds, or face sanctions pursuant to subdivision (e).

SEC. 11. Section 33344.5 of the Health and Safety Code is amended to read:

33344.5. After receiving the report prepared pursuant to Section 33328, or after the time period for preparation of that report has passed, a redevelopment agency, which includes a provision for the division of taxes pursuant to Section 33670 in the redevelopment plan, shall prepare and send to each affected taxing entity, as defined in Section 33353.2, a preliminary report which shall contain all of the following:

(a) The reasons for the selection of the project area.

(b) A description of the physical and economic conditions existing in the project area.

(c) A description of the project area which is sufficiently detailed for a determination as to whether the project area is predominantly urbanized. The description shall include at least the following information, which shall be based upon the terms described and defined in Section 33320.1:

(1) The total number of acres within the project area.

(2) The total number of acres that is characterized by the condition described in paragraph (4) of subdivision (a) of Section 33031.

(3) The total number of acres that is an integral part of an area developed for urban uses.

(4) The percent of property within the project area that is predominantly urbanized.

(5) A map of the project area that identifies the property described in paragraphs (2) and (3) and the property not developed for an urban use.

(d) A preliminary assessment of the proposed method of financing the redevelopment of the project area, including an assessment of the economic feasibility of the project and the reasons for including a provision for the division of taxes pursuant to Section 33670 in the redevelopment plan.

(e) A description of the specific project or projects then proposed by the agency.

(f) A description of how the project or projects to be pursued by the agency in the project area will improve or alleviate the conditions described in subdivision (b).

SEC. 12. Section 33353.2 of the Health and Safety Code is amended to read:

33353.2. "Affected taxing entity" means any governmental taxing agency that levied a property tax on all or any portion of the property located in the proposed project area in the fiscal year prior to the fiscal year in which the report prepared pursuant to Section 33328 is issued.

SEC. 13. Section 33413 of the Health and Safety Code, as

amended by Section 24 of Chapter 942 of the Statutes of 1993, is amended to read:

33413. (a) Whenever dwelling units housing persons and families of low or moderate income are destroyed or removed from the low- and moderate-income housing market as part of a redevelopment project which is subject to a written agreement with the agency or where financial assistance has been provided by the agency, the agency shall, within four years of the destruction or removal, rehabilitate, develop, or construct, or cause to be rehabilitated, developed, or constructed, for rental or sale to persons and families of low or moderate income, an equal number of replacement dwelling units which have an equal or greater number of bedrooms as those destroyed or removed units at affordable housing costs within the territorial jurisdiction of the agency. When dwelling units are destroyed or removed after September 1, 1989, 75 percent of the replacement dwelling units shall replace dwelling units available at affordable housing cost in the same income level of very low income households, lower income households, and persons and families of low and moderate income, as the persons displaced from those destroyed or removed units.

(b) (1) At least 30 percent of all new and substantially rehabilitated dwelling units developed by an agency shall be available at affordable housing cost to persons and families of low or moderate income. Not less than 50 percent of the dwelling units required to be available at affordable housing cost to persons and families of low or moderate income shall be available at affordable housing cost to, and occupied by, very low income households.

(2) (A) (i) At least 15 percent of all new and substantially rehabilitated dwelling units developed within a project area under the jurisdiction of an agency by public or private entities or persons other than the agency shall be available at affordable housing cost to persons and families of low or moderate income. Not less than 40 percent of the dwelling units required to be available at affordable housing cost to persons and families of low or moderate income shall be available at affordable housing cost to very low income households.

(ii) To satisfy the provisions of this paragraph, in whole or in part, the agency may cause, by regulation or agreement, to be available, at affordable housing costs, to persons and families of low or moderate income or to very low income households, as applicable, two units outside a project area for each unit that otherwise would have had to be available inside a project area.

(iii) As used in this paragraph and in paragraph (1), "substantially rehabilitated dwelling units" means substantially rehabilitated multifamily rented dwelling units with three or more units or substantially rehabilitated, with agency assistance, single-family dwelling units with one or two units.

(iv) As used in this paragraph and in paragraph (1), "substantial rehabilitation" means rehabilitation, the value of which constitutes

25 percent of the after rehabilitation value of the dwelling, inclusive of the land value.

(v) To satisfy the provisions of this paragraph, the agency may aggregate new or substantially rehabilitated dwelling units in one or more project areas, provided that the agency finds, based on substantial evidence, after a public hearing, that the aggregation will not cause or exacerbate racial, ethnic, or economic segregation.

(B) To satisfy the requirements of paragraph (1) and subparagraph (A), the agency may purchase, or otherwise acquire or cause by regulation or agreement the purchase or other acquisition of, long-term affordability covenants on multifamily units that restrict the cost of renting or purchasing those units that either: (i) are not presently available at affordable housing cost to persons and families of low or very low income households, as applicable; or (ii) are units that are presently available at affordable housing cost to this same group of persons or families, but are units that the agency finds, based upon substantial evidence, after a public hearing, cannot reasonably be expected to remain affordable to this same group of persons or families.

(C) To satisfy the requirements of paragraph (1) and subparagraph (A), the long-term affordability covenants purchased or otherwise acquired pursuant to subparagraph (B) shall be required to be maintained on dwelling units at affordable housing cost for not less than 30 years. Not more than 50 percent of the units made available pursuant to paragraph (1) and subparagraph (A) may be assisted through the purchase or acquisition of long-term affordability covenants pursuant to subparagraph (B). Not less than 50 percent of the units made available through the purchase or acquisition of long-term affordability covenants pursuant to subparagraph (B) shall be available at affordable housing cost to, and occupied by, very low income households.

(3) The requirements of this subdivision shall apply independently of the requirements of subdivision (a). The requirements of this subdivision shall apply, in the aggregate, to housing made available pursuant to paragraphs (1) and (2), respectively, and not to each individual case of rehabilitation, development, or construction of dwelling units, unless an agency determines otherwise.

(4) Each redevelopment agency, as part of the implementation plan required by Section 33490, shall adopt a plan to comply with the requirements of this subdivision for each project area. The plan shall be consistent with, and may be included within, the community's housing element. The plan shall be reviewed and, if necessary, amended at least every five years in conjunction with either the housing element cycle or the plan implementation cycle. The plan shall ensure that the requirements of this subdivision are met every 10 years. If the requirements of this subdivision are not met by the end of each 10-year period, the agency shall meet these goals on an annual basis until the requirements for the 10-year period are met.

If the agency has exceeded the requirements within the 10-year period, the agency may count the units that exceed the requirement in order to meet the requirements during the next 10-year period. The plan shall contain the contents required by paragraphs (2) and (3) of subdivision (a) of Section 33490.

(c) The agency shall require that the aggregate number of replacement dwelling units and other dwelling units rehabilitated, developed, constructed, or price-restricted pursuant to subdivision (a) or (b) remain available at affordable housing cost to persons and families of low-income, moderate-income, and very low income households, respectively, for the longest feasible time, as determined by the agency, but for not less than the period of the land use controls established in the redevelopment plan, except for the following:

(1) A longer period of time may be required by other provisions of law.

(2) (A) The agency may permit sales of owner-occupied units prior to the expiration of the period of the land use controls established by the agency for a price in excess of that otherwise permitted under this subdivision pursuant to an adopted program which protects the agency's investment of moneys from the Low and Moderate Income Housing Fund, including, but not limited to, an equity sharing program that establishes a schedule of equity sharing that permits retention by the seller of a portion of those excess proceeds, based on the length of occupancy. The remainder of the excess proceeds of the sale shall be allocated to the agency, and deposited into the Low and Moderate Income Housing Fund. The agency shall, within three years from the date of sale of units under this subparagraph, expend funds to make affordable an equal number of units at the same income level as units sold under this subparagraph.

(B) If land on which those dwelling units are located is deleted from the project area, the agency shall continue to require that those units remain affordable as specified in this subdivision. The requirements of this subdivision shall be made enforceable in the same manner as provided in subdivision (f) of Section 33334.3.

(d) (1) This section applies only to redevelopment projects for which a final redevelopment plan is adopted pursuant to Article 5 (commencing with Section 33360) on or after January 1, 1976, and to areas which are added to a project area by amendment to a final redevelopment plan adopted on or after January 1, 1976. In addition, subdivision (a) shall apply to any other redevelopment project with respect to dwelling units destroyed or removed from the low- and moderate-income housing market on or after January 1, 1996, irrespective of the date of adoption of a final redevelopment plan or an amendment to a final redevelopment plan adding areas to a project area. Additionally, any agency may, by resolution, elect to make all or part of the requirements of this section applicable to any redevelopment project of the agency for which the final redevelopment plan was adopted prior to January 1, 1976.

(2) An agency may, by resolution, elect to require that whenever dwelling units housing persons or families of low or moderate income are destroyed or removed from the low- and moderate-income housing market as part of a redevelopment project, the agency shall replace each dwelling unit with up to three replacement dwelling units pursuant to subdivision (a).

(e) Except as otherwise authorized by law, this section does not authorize an agency to operate a rental housing development beyond the period reasonably necessary to sell or lease the housing development.

(f) Notwithstanding subdivision (a), the agency may replace destroyed or removed dwelling units with a fewer number of replacement dwelling units if the replacement dwelling units meet both of the following criteria:

(1) The total number of bedrooms in the replacement dwelling units equals or exceeds the number of bedrooms in the destroyed or removed units. Destroyed or removed units having one or no bedroom are deemed for this purpose to have one bedroom.

(2) The replacement units are affordable to the same income level of households as the destroyed or removed units.

(g) "Longest feasible time," as used in this section, includes, but is not limited to, unlimited duration.

(h) This section shall remain in effect only until January 1, 1997, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1997, deletes or extends that date.

SEC. 13.5. Section 33413 of the Health and Safety Code, as added by Section 24.5 of Chapter 942 of the Statutes of 1993, is amended to read:

33413. (a) Whenever dwelling units housing persons and families of low or moderate income are destroyed or removed from the low- and moderate-income housing market as part of a redevelopment project which is subject to a written agreement with the agency or where financial assistance has been provided by the agency, the agency shall, within four years of the destruction or removal, rehabilitate, develop, or construct, or cause to be rehabilitated, developed, or constructed, for rental or sale to persons and families of low or moderate income, an equal number of replacement dwelling units which have an equal or greater number of bedrooms as those destroyed or removed units at affordable housing cost within the territorial jurisdiction of the agency. When dwelling units are destroyed or removed after September 1, 1989, 75 percent of the replacement dwelling units shall replace dwelling units available at affordable housing cost in the same income level of very low income households, lower income households, and persons and families of low and moderate income, as the persons displaced from those destroyed or removed units.

(b) (1) At least 30 percent of all new or rehabilitated dwelling units developed by an agency shall be available at affordable housing cost to persons and families of low or moderate income. Not less than

50 percent of the dwelling units required to be available at affordable housing cost to persons and families of low or moderate income shall be available at affordable housing cost to, and occupied by, very low income households.

(2) At least 15 percent of all new or rehabilitated dwelling units developed within the project area by public or private entities or persons other than the agency shall be available at affordable housing cost to persons and families of low or moderate income. Not less than 40 percent of the dwelling units required to be available at affordable housing cost to persons and families of low or moderate income shall be available at affordable housing cost to very low income households.

(3) The requirements of this subdivision shall apply independently of the requirements of subdivision (a) and in the aggregate to housing made available pursuant to paragraphs (1) and (2), respectively, and not to each individual case of rehabilitation, development, or construction of dwelling units.

(4) Each redevelopment agency, as part of the implementation plan required by Section 33490, shall adopt a plan to comply with the requirements of this subdivision for each project area. The plan shall be consistent with, and may be included within, the community's housing element. The plan shall be reviewed and, if necessary, amended at least every five years in conjunction with either the housing element cycle or the plan implementation cycle. The plan shall ensure that the requirements of this subdivision are met every 10 years. If the requirements of this subdivision are not met by the end of each 10-year period, the agency shall meet these goals on an annual basis until the requirements for the 10-year period are met. If the agency has exceeded the requirements within the 10-year period, the agency may count the units that exceed the requirement in order to meet the requirements during the next 10-year period. The plan shall contain the contents required by paragraphs (2) and (3) of subdivision (a) of Section 33490.

(c) The agency shall require that the aggregate number of replacement dwelling units and other dwelling units rehabilitated, developed, or constructed pursuant to subdivision (a) or (b) remain available at affordable housing cost to persons and families of low-income, moderate-income, and very low income households, respectively, for the longest feasible time, as determined by the agency, but for not less than the period of the land use controls established in the redevelopment plan, except to the extent a longer period of time may be required by other provisions of law. If land on which those dwelling units are located is deleted from the project area, the agency shall continue to require that those units remain affordable as specified in the previous sentence. These requirements shall be made enforceable in the same manner as provided in subdivision (e) of Section 33334.3.

(d) (1) This section applies only to redevelopment projects for which a final redevelopment plan is adopted pursuant to Article 5

(commencing with Section 33360) on or after January 1, 1976, and to areas which are added to a project area by amendment to a final redevelopment plan adopted on or after January 1, 1976. In addition, subdivision (a) shall apply to any other redevelopment project with respect to dwelling units destroyed or removed from the low- and moderate-income housing market on or after January 1, 1996, irrespective of the date of adoption of a final redevelopment plan or an amendment to a final redevelopment plan adding areas to a project area. Additionally, any agency may, by resolution, elect to make all or part of the requirements of this section applicable to any redevelopment project of the agency for which the final redevelopment plan was adopted prior to January 1, 1976.

(2) An agency may, by resolution, elect to require that whenever dwelling units housing persons or families of low or moderate income are destroyed or removed from the low- and moderate-income housing market as part of a redevelopment project, the agency shall replace each dwelling unit with up to three replacement dwelling units pursuant to subdivision (a).

(e) Except as otherwise authorized by law, this section does not authorize an agency to operate a rental housing development beyond the period reasonably necessary to sell or lease the housing development.

(f) Notwithstanding subdivision (a), the agency may replace destroyed or removed dwelling units with a fewer number of replacement dwelling units if the replacement dwelling units meet both of the following criteria:

(1) The total number of bedrooms in the replacement dwelling units equal or exceed the number of bedrooms in the destroyed or removed units. Destroyed or removed units having one or no bedroom are deemed for this purpose to have one bedroom.

(2) The replacement units are affordable to the same income level of households as the destroyed or removed units.

(g) "Longest feasible time," as used in this section, includes, but is not limited to, unlimited duration.

(h) Any dwelling units constructed, rehabilitated, or acquired prior to January 1, 1997, pursuant to provisions that were in effect at the time of the construction, rehabilitation, or acquisition may continue to be counted to meet the requirements of this section.

(i) This section shall become operative on January 1, 1997.

SEC. 14. Section 33433 of the Health and Safety Code is amended to read:

33433. (a) (1) Except as provided in subdivision (c), before any property of the agency acquired in whole or in part, directly or indirectly, with tax increment moneys is sold or leased for development pursuant to the redevelopment plan, the sale or lease shall first be approved by the legislative body by resolution after public hearing. Notice of the time and place of the hearing shall be published in a newspaper of general circulation in the community at least once per week for at least two successive weeks, as specified in

Section 6066 of the Government Code, prior to the hearing.

(2) The agency shall make available, for public inspection and copying at a cost not to exceed the cost of duplication, a report no later than the time of publication of the first notice of the hearing mandated by this section. This report shall contain both of the following:

(A) A copy of the proposed sale or lease.

(B) A summary which describes and specifies all of the following:

(i) The cost of the agreement to the agency, including land acquisition costs, clearance costs, relocation costs, the costs of any improvements to be provided by the agency, plus the expected interest on any loans or bonds to finance the agreements.

(ii) The estimated value of the interest to be conveyed or leased, determined at the highest and best uses permitted under the plan.

(iii) The estimated value of the interest to be conveyed or leased, determined at the use and with the conditions, covenants, and development costs required by the sale or lease. The purchase price or present value of the lease payments which the lessor will be required to make during the term of the lease. If the sale price or total rental amount is less than the fair market value of the interest to be conveyed or leased, determined at the highest and best use consistent with the redevelopment plan, then the agency shall provide as part of the summary an explanation of the reasons for the difference.

(iv) An explanation of why the sale or lease of the property will assist in the elimination of blight, with reference to all supporting facts and materials relied upon in making this explanation.

(v) The report shall be made available to the public no later than the time of publication of the first notice of the hearing mandated by this section.

(b) The resolution approving the lease or sale shall be adopted by a majority vote unless the legislative body has provided by ordinance for a two-thirds vote for that purpose and shall contain a finding that the sale or lease of the property will assist in the elimination of blight or provide housing for low- or moderate-income persons, and is consistent with the implementation plan adopted pursuant to Section 33490. The resolution shall also contain one of the following findings:

(1) The consideration is not less than the fair market value at its highest and best use in accordance with the plan.

(2) The consideration is not less than the fair reuse value at the use and with the covenants and conditions and development costs authorized by the sale or lease.

SEC. 15. Section 33445 of the Health and Safety Code is amended to read:

33445. (a) Notwithstanding Section 33440, an agency may, with the consent of the legislative body, pay all or a part of the value of the land for and the cost of the installation and construction of any building, facility, structure, or other improvement which is publicly

owned either within or without the project area, if the legislative body determines all of the following:

(1) That the buildings, facilities, structures, or other improvements are of benefit to the project area or the immediate neighborhood in which the project is located, regardless of whether the improvement is within another project area, or in the case of a project area in which substantially all of the land is publicly owned that the improvement is of benefit to an adjacent project area of the agency.

(2) That no other reasonable means of financing the buildings, facilities, structures, or other improvements, are available to the community.

(3) That the payment of funds for the acquisition of land or the cost of buildings, facilities, structures, or other improvements will assist in the elimination of one or more blighting conditions inside the project area or provide housing for low- or moderate-income persons, and is consistent with the implementation plan adopted pursuant to Section 33490.

(b) The determinations by the agency and the local legislative body pursuant to subdivision (a) shall be final and conclusive. For redevelopment plans, and amendments to those plans which add territory to a project, adopted after October 1, 1976, acquisition of property and installation or construction of each facility shall be provided for in the redevelopment plan. A redevelopment agency shall not pay for the normal maintenance or operations of buildings, facilities, structures, or other improvements which are publicly owned. Normal maintenance or operations do not include the construction, expansion, addition to, or reconstruction of, buildings, facilities, structures, or other improvements which are publicly owned otherwise undertaken pursuant to this section.

(c) When the value of the land or the cost of the installation and construction of the building, facility, structure, or other improvement, or both, has been, or will be, paid or provided for initially by the community or other public corporation, the agency may enter into a contract with the community or other public corporation under which it agrees to reimburse the community or other public corporation for all or part of the value of the land or all or part of the cost of the building, facility, structure, or other improvement, or both, by periodic payments over a period of years.

(d) The obligation of the agency under the contract shall constitute an indebtedness of the agency for the purpose of carrying out the redevelopment project for the project area, which indebtedness may be made payable out of taxes levied in the project area and allocated to the agency under subdivision (b) of Section 33670, or out of any other available funds.

(e) In a case where the land has been or will be acquired by, or the cost of the installation and construction of the building, facility, structure or other improvement has been paid by, a parking authority, joint powers entity, or other public corporation to provide

a building, facility, structure, or other improvement which has been or will be leased to the community, the contract may be made with, and the reimbursement may be made payable to, the community.

(f) With respect to the financing, acquisition, or construction of a transportation, collection, and distribution system and related peripheral parking facilities, in a county with a population of 4,000,000 persons or more, the agency shall, in order to exercise the powers granted by this section, enter into an agreement with the rapid transit district which includes the county, or a portion thereof, in which agreement the rapid transit district shall be given all of the following responsibilities:

(1) To participate with the other parties to the agreement to design, determine the location and extent of the necessary rights-of-way for, and construct, the transportation, collection, and distribution systems and related peripheral parking structures and facilities.

(2) To operate and maintain the transportation, collection, and distribution systems and related peripheral parking structures and facilities in accordance with the rapid transit district's outstanding agreements and the agreement required by this paragraph.

(g) (1) Notwithstanding any other authority granted in this section, an agency shall not pay for, either directly or indirectly, with tax increment funds the construction or rehabilitation of a building that is, or that will be used as, a city hall or county administration building.

(2) This subdivision shall not preclude an agency from making payments to construct, rehabilitate, or replace a city hall if an agency does any of the following:

(A) Allocates tax increment funds for this purpose during the 1988–89 fiscal year and each fiscal year thereafter in order to comply with federal and state seismic safety and accessibility standards.

(B) Uses tax increment funds for the purpose of rehabilitating or replacing a city hall that was seriously damaged during an earthquake that was declared by the President of the United States to be a natural disaster.

(C) Uses the proceeds of bonds, notes, certificates of participation, or other indebtedness that was issued prior to January 1, 1994, for the purpose of constructing or rehabilitating a city hall, as evidenced by documents approved at the time of the issuance of the indebtedness.

SEC. 16. Section 33452 of the Health and Safety Code is amended to read:

33452. (a) Notice of the hearing shall be published pursuant to Section 6063 of the Government Code prior to the date of hearing in a newspaper of general circulation, printed and published in the community, or, if there is none, in a newspaper selected by the agency. The notice of hearing shall include a legal description of the boundaries of the project area by reference to the description recorded with the county recorder pursuant to Section 33373 and of

the boundaries of the land proposed to be added to the project area, if any, and a general statement of the purpose of the amendment.

(b) Copies of the notices published pursuant to this section shall be mailed by first-class mail, to the last known assessee of each parcel of land not owned by the agency within the boundaries referred to in subdivision (a), at his or her last known address as shown on the last equalized assessment roll of the county; or where a city assesses, levies, and collects its own taxes, as shown on the last equalized assessment roll of the city; or to the owner of each parcel of land within these boundaries as the ownership is shown on the records of the county recorder 30 days prior to the date the notice is published, and to persons, firms, or corporations which have acquired property within these boundaries from the agency, at his or her last known address as shown by the records of the agency.

(c) (1) Copies of the notice published pursuant to this section shall be mailed, by first-class mail, to all residents and businesses within the project area designated in the redevelopment plan as proposed to be amended at least 30 days prior to the hearing.

(2) The mailed notice requirement of this subdivision shall only apply when mailing addresses to all individuals and businesses, or to all occupants, are obtained by the agency at a reasonable cost. The notice may be addresses to "occupant." If the agency acted in good faith to comply with the notice requirements of this subdivision, the failure of the agency to provide the required notice to residents or businesses unknown to the agency or whose addresses cannot be obtained at a reasonable cost, shall not, in and of itself, invalidate an amendment to a redevelopment plan.

(d) Copies of the notices published pursuant to this section shall also be mailed to the governing body of each of the taxing agencies that levies taxes upon any property in the project area designated in the redevelopment plan as proposed to be amended. Notices sent pursuant to this subdivision shall be mailed by certified mail with return receipt requested.

SEC. 17. Section 33490 of the Health and Safety Code is amended to read:

33490. (a) (1) (A) On or before December 31, 1994, and each five years thereafter, each agency that has adopted a redevelopment plan prior to December 31, 1993, shall adopt, after a public hearing, an implementation plan that shall contain the specific goals and objectives of the agency for the project area, the specific programs, including potential projects, and estimated expenditures proposed to be made during the next five years, and an explanation of how the goals and objectives, programs, and expenditures will eliminate blight within the project area and implement the requirements of Sections 33334.2, 33334.4, 33334.6, and 33413. After adoption of the first implementation plan, the parts of the implementation plan that address Sections 33334.2, 33334.4, 33334.6, and 33413 shall be adopted every five years either in conjunction with the housing element cycle or the implementation plan cycle. The agency may amend the

implementation plan after conducting a public hearing on the proposed amendment. If an action attacking the adoption, approval, or validity of a redevelopment plan adopted prior to January 1, 1994, has been brought pursuant to Chapter 5 (commencing with Section 33500), the first implementation plan required pursuant to this section shall be adopted within six months after a final judgment or order has been entered. Subsequent implementation plans required pursuant to this section shall be adopted pursuant to the terms of this section, and as if the first implementation plan had been adopted on or before December 31, 1994.

(B) Adoption of an implementation plan shall not constitute an approval of any specific program, project, or expenditure and shall not change the need to obtain any required approval of a specific program, project, or expenditure from the agency or community. The adoption of an implementation plan shall not constitute a project within the meaning of Section 21000 of the Public Resources Code. However, the inclusion of a specific program, potential project, or expenditure in an implementation plan prepared pursuant to subdivision (c) of Section 33352 in conjunction with a redevelopment plan adoption shall not eliminate analysis of those programs, potential projects, and expenditures in the environmental impact report prepared pursuant to subdivision (k) of Section 33352 to the extent that it would be otherwise required. In addition, the inclusion of programs, potential projects, and expenditures in an implementation plan shall not eliminate review pursuant to the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code), at the time of the approval of the program, project, or expenditure, to the extent that it would be otherwise required.

(2) (A) A portion of the implementation plan shall address the agency housing responsibilities and shall contain a section addressing Sections 33334.2, 33334.4, and 33334.6, the Low and Moderate Income Housing Fund, and, if subdivision (b) of Section 33413 applies, a section addressing agency-developed and project area housing. The section addressing the Low and Moderate Income Housing Fund shall contain:

(i) The amount available in the Low and Moderate Income Housing Fund and the estimated amounts which will be deposited in the Low and Moderate Income Housing Fund during each of the next five years.

(ii) A housing program with estimates of the number of new, rehabilitated, or price-restricted units to be assisted during each of the five years and estimates of the expenditures of moneys from the Low and Moderate Income Housing Fund during each of the five years.

(B) For each project area to which subdivision (b) of Section 33413 applies, the section addressing the agency developed and project area housing shall contain:

(i) Estimates of the number of new, substantially rehabilitated or

price-restricted residential units to be developed or purchased within one or more project areas, both over the life of the plan and during the next 10 years.

(ii) Estimates of the number of units of very low, low-, and moderate-income households required to be developed within one or more project areas in order to meet the requirements of paragraph (2) of subdivision (b) of Section 33413, both over the life of the plan and during the next 10 years.

(iii) The number of units of very low, low-, and moderate-income households which have been developed within one or more project areas which meet the requirements of paragraph (2) of subdivision (b) of Section 33413.

(iv) Estimates of the number of agency developed residential units which will be developed during the next five years, if any, which will be governed by paragraph (1) of subdivision (b) of Section 33413.

(v) Estimates of the number of agency developed units for very low, low-, and moderate-income households which will be developed by the agency during the next five years to meet the requirements of paragraph (1) of subdivision (b) of Section 33413.

(3) If the implementation plan contains a project that will result in the destruction or removal of dwelling units that will have to be replaced pursuant to subdivision (a) of Section 33413, the implementation plan shall identify proposed locations suitable for those replacement dwelling units.

(b) For a project area for which a redevelopment plan is adopted on or after January 1, 1994, the implementation plan prepared pursuant to subdivision (c) of Section 33352 shall constitute the initial implementation plan and thereafter the agency after a public hearing shall adopt an implementation plan every five years commencing with the fifth year after the plan has been adopted. Agencies may adopt implementation plans that include more than one project area.

(c) Every agency, at least once within the five-year term of the plan, shall conduct a public hearing and hear testimony of all interested parties for the purpose of reviewing the redevelopment plan and the corresponding implementation plan for each redevelopment project within the jurisdiction and evaluating the progress of the redevelopment project. The hearing required by this subdivision shall take place no earlier than two years and no later than three years after the adoption of the implementation plan. An agency may hold one hearing for two or more project areas if those project areas are included within the same implementation plan.

(d) Notice of public hearings conducted pursuant to this section shall be published pursuant to Section 6063 of the Government Code and posted in at least four permanent places within the project area for a period of three weeks. Publication and posting shall be completed not less than 10 days prior to the date set for hearing.

SEC. 18. Section 33607.5 of the Health and Safety Code is

amended to read:

33607.5. (a) (1) This section shall apply to each redevelopment project area that, pursuant to a redevelopment plan which contains the provisions required by Section 33670 is either: (A) adopted on or after January 1, 1994, including later amendments to these redevelopment plans; or (B) adopted prior to January 1, 1994, but amended, after January 1, 1994, to include new territory. For plans amended after January 1, 1994, only the tax increments from territory added by the amendment shall be subject to this section. All the amounts calculated pursuant to this section shall be calculated after the amount required to be deposited in the Low and Moderate Income Housing Fund pursuant to Sections 33334.2, 33334.3, and 33334.6 has been deducted from the total amount of tax increment funds received by the agency in the applicable fiscal year.

(2) The payments made pursuant to this section shall be in addition to any amounts the affected taxing entities receive pursuant to subdivision (a) of Section 33670. The payments made pursuant to this section to the affected taxing entities shall be allocated among the affected taxing entities in proportion to the percentage share of property taxes each affected taxing entity receives during the fiscal year the funds are allocated. The agency shall reduce its payments pursuant to this section to an affected taxing entity by any amount the agency has paid, directly or indirectly, pursuant to Section 33445, 33445.5, 33445.6, 33446, or any other provision of law other than this section for, or in connection with, a public facility owned or leased by that affected taxing agency, except: (A) any amounts the agency has paid directly or indirectly pursuant to an agreement with a taxing entity adopted prior to January 1, 1994; or (B) any amounts that are unrelated to the specific project area or amendment governed by this section.

(3) (A) Of the total amount paid each year pursuant to this section to school districts, 43.9 percent shall be considered to be property taxes for the purposes of paragraph (1) of subdivision (h) of Section 42238 of the Education Code, and 56.1 percent shall not be considered to be property taxes for the purposes of that section and shall be available to be used for educational facilities.

(B) Of the total amount paid each year pursuant to this section to community college districts, 47.5 percent shall be considered to be property taxes for the purposes of Section 84751 of the Education Code, and 52.5 percent shall not be considered to be property taxes for the purposes of that section and shall be available to be used for educational facilities.

(C) Of the total amount paid each year pursuant to this section to county offices of education, 19.0 percent shall be considered to be property taxes for the purposes of Section 2558 of the Education Code, and 81.0 percent shall not be considered to be property taxes for the purposes of that section and shall be available to be used for educational facilities.

(D) Of the total amount paid each year pursuant to this section

for special education, 19.0 percent shall be considered to be property taxes for the purposes of Section 56712 of the Education Code, and 81.0 percent shall not be considered to be property taxes for the purposes of that section and shall be available to be used for education facilities.

(4) Local education agencies that use funds received pursuant to this section for school facilities shall spend these funds at schools that are: (A) within the project area, (B) attended by students from the project area, (C) attended by students generated by projects that are assisted directly by the redevelopment agency, or (D) determined by the governing board of a local education agency to be of benefit to the project area.

(b) Commencing with the first fiscal year in which the agency receives tax increments and continuing through the last fiscal year in which the agency receives tax increments, a redevelopment agency shall pay to the affected taxing entities, other than the community which has adopted the project, an amount equal to 25 percent of the tax increments received by the agency after the amount required to be deposited in the Low and Moderate Income Housing Fund has been deducted. In addition, in any fiscal year in which the agency receives tax increments, the community that has adopted the redevelopment project area may elect to receive, and the agency shall pay to it, an amount equal to 25 percent of the tax increments received by the agency after the amount required to be deposited in the Low and Moderate Income Housing Fund has been deducted.

(c) Commencing with the 11th fiscal year in which the agency receives tax increments and continuing through the last fiscal year in which the agency receives tax increments, a redevelopment agency shall pay to the affected taxing entities, other than the community which has adopted the project, in addition to the amounts paid pursuant to subdivision (b) and after deducting the amount allocated to the Low and Moderate Income Housing Fund, an amount equal to 21 percent of the portion of tax increments received by the agency, which shall be calculated by applying the tax rate against the amount of assessed value by which the current year assessed value exceeds the first adjusted base year assessed value. The first adjusted base year assessed value is the assessed value of the project area in the 10th fiscal year in which the agency receives tax increment revenues.

(d) Commencing with the 31st fiscal year in which the agency receives tax increments and continuing through the last fiscal year in which the agency receives tax increments, a redevelopment agency shall pay to the affected taxing entities, other than the community which has adopted the project, in addition to the amounts paid pursuant to subdivisions (b) and (c) and after deducting the amount allocated to the Low and Moderate Income Housing Fund, an amount equal to 14 percent of the portion of tax increments received by the agency, which shall be calculated by

applying the tax rate against the amount of assessed value by which the current year assessed value exceeds the second adjusted base year assessed value. The second adjusted base year assessed value is the assessed value of the project area in the 30th fiscal year in which the agency receives tax increments.

(e) (1) Prior to incurring any loans, bonds, or other indebtedness, except loans or advances from the community, the agency may subordinate to the loans, bonds or other indebtedness the amount required to be paid to an affected taxing entity by this section, provided that the affected taxing entity has approved these subordinations pursuant to this subdivision.

(2) At the time the agency requests an affected taxing entity to subordinate the amount to be paid to it, the agency shall provide the affected taxing entity with substantial evidence that sufficient funds will be available to pay both the debt service and the payments required by this section, when due.

(3) Within 45 days after receipt of the agency's request, the affected taxing entity shall approve or disapprove the request for subordination. An affected taxing entity may disapprove a request for subordination only if it finds, based upon substantial evidence, that the agency will not be able to pay the debt payments and the amount required to be paid to the affected taxing entity. If the affected taxing entity does not act within 45 days after receipt of the agency's request, the request to subordinate shall be deemed approved and shall be final and conclusive.

(f) (1) The Legislature finds and declares both of the following:

(A) The payments made pursuant to this section are necessary in order to alleviate the financial burden and detriment that affected taxing entities may incur as a result of the adoption of a redevelopment plan, and payments made pursuant to this section will benefit redevelopment project areas.

(B) The payments made pursuant to this section are the exclusive payments that are required to be made by a redevelopment agency to affected taxing entities during the term of a redevelopment plan.

(2) Notwithstanding any other provision of law, a redevelopment agency shall not be required, either directly or indirectly, as a measure to mitigate a significant environmental effect or as part of any settlement agreement or judgment brought in any action to contest the validity of a redevelopment plan pursuant to Section 33501, to make any other payments to affected taxing entities, or to pay for public facilities that will be owned or leased to an affected taxing entity.

(g) As used in this section, a "local education agency" is a school district, a community college district, or a county office of education.

SEC. 19. Section 33607.7 of the Health and Safety Code is amended to read:

33607.7. (a) This section shall apply to a redevelopment plan amendment for any redevelopment plans adopted prior to January 1, 1994, that increases the limitation on the number of dollars to be

allocated to the redevelopment agency or the time limit on the establishing of loans, advances, and indebtedness established pursuant to paragraphs (1) and (2) of subdivision (a) of Section 33333.6, or that lengthens the period during which the redevelopment plan is effective if the redevelopment plan being amended contains the provisions required by subdivision (b) of Section 33670. However, this section shall not apply to those redevelopment plans that add new territory.

(b) If a redevelopment agency adopts an amendment that is governed by the provisions of this section, it shall pay to each affected taxing entity either of the following:

(1) If an agreement exists that requires payments to the taxing entity, the amount required to be paid by an agreement between the agency and an affected taxing entity entered into prior to January 1, 1994.

(2) If an agreement does not exist, the amounts required pursuant to subdivisions (b), (c), (d), and (e) of Section 33607.5, until termination of the redevelopment plan, calculated against the amount of assessed value by which the current year assessed value exceeds an adjusted base year assessed value. The amounts shall be allocated between property taxes and educational facilities according to the appropriate formula in paragraph (3) of subdivision (a) of Section 33607.5. In determining the applicable amount under Section 33607.5, the first fiscal year shall be the first fiscal year following the fiscal year in which the adjusted base year value is determined.

(c) The adjusted base year assessed value shall be the assessed value of the project area in the year in which the limitation being amended would have taken effect without the amendment or, if more than one limitation is being amended, the first year in which one or more of the limitations would have taken effect without the amendment. The agency shall commence making these payments pursuant to the terms of the agreement, if applicable, or, if an agreement does not exist, in the first fiscal year following the fiscal year in which the adjusted base year value is determined.

SEC. 20. Section 33676 of the Health and Safety Code is amended to read:

33676. (a) Prior to the adoption by the legislative body of a redevelopment plan providing for tax-increment financing pursuant to Section 33670, any affected taxing agency may elect to be allocated, and every school district and community college district shall be allocated, in addition to the portion of taxes allocated to the affected taxing agency pursuant to subdivision (a) of Section 33670, all or any portion of the tax revenues allocated to the agency pursuant to subdivision (b) of Section 33670 attributable to one or more of the following:

(1) Increases in the rate of tax imposed for the benefit of the taxing agency which levy occurs after the tax year in which the ordinance adopting the redevelopment plan becomes effective.

(2) If an agency pursuant to Section 33354.5 amends a redevelopment plan which does not utilize tax increment financing to add tax increment financing, and pursuant to subdivision (a) of Section 33670 uses the assessment roll last equalized prior to the effective date of the ordinance originally adopting the redevelopment plan, an affected taxing agency may elect to be allocated all or any portion of the tax revenues allocated to the agency pursuant to subdivision (b) of Section 33670 which the affected taxing agency would receive if the agency were to use the assessment roll last equalized prior to the effective date of the ordinance amending the redevelopment plan to add tax increment financing.

(b) (1) Any local education agency that is a basic aid district or office at the time the ordinance adopting a redevelopment plan is adopted and that receives no state funding, other than that provided pursuant to Section 6 of Article IX of the California Constitution, pursuant to Section 2558, 42238, or 84750, as appropriate, of the Education Code, shall receive annually its percentage share of the property taxes from the project area allocated among all of the affected taxing entities during the fiscal year the funds are allocated, increased by an amount equal to the lesser of the following:

(A) The percentage growth in assessed value that occurs throughout the district, excluding the portion of the district within the redevelopment project area.

(B) Eighty percent of the growth in assessed value that occurs within the portion of the district within the redevelopment project area.

(2) Subparagraphs (A) and (B) of paragraph (1) shall not apply to a redevelopment plan adopted by the legislative body of a community if both of the following occur:

(A) The median household income in the community in which the redevelopment project area is located is less than 80 percent of the median household income in the county in which the redevelopment project area is located.

(B) The preliminary plan for the redevelopment plan was adopted on or before September 1, 1993, and the redevelopment plan was adopted on or before August 1, 1994.

(3) Any local education agency that is a basic aid district or office at the time the ordinance amending a redevelopment plan is adopted pursuant to Section 33607.7 and that receives no state funding, other than that provided pursuant to Section 6 of Article IX of the California Constitution, pursuant to Section 2558, 42238, or 84751, as appropriate, of the Education Code, shall receive either of the following:

(A) If an agreement exists that requires payments to the basic aid district, the amount required to be paid by an agreement between the agency and the basic aid district entered into prior to January 1, 1994.

(B) If an agreement does not exist, the percentage share of the

increase in property taxes from the project area allocated among all of the affected taxing entities during the fiscal year the funds in the project area are allocated, derived from 80 percent of the growth in assessed value that occurs within the portion of the district within the redevelopment project area from the year in which the amendment takes effect pursuant to subdivision (c) of Section 33607.7.

(4) The redevelopment agency shall subtract from any payments made pursuant to this section the amount that a basic aid district receives pursuant to Sections 33607.5 and 33607.7 for the purposes of either paragraph (1) of subdivision (h) of Section 42238 of the Education Code or either Section 2558 or Section 84751 of the Education Code.

(c) The governing body of any affected taxing agency, other than a school district and a community college district, electing to receive allocation of taxes pursuant to this section in addition to taxes allocated to it pursuant to subdivision (a) of Section 33670 shall adopt a resolution to that effect and transmit the same, prior to the adoption of the redevelopment plan, to (1) the legislative body, (2) the agency, and (3) the official or officials performing the functions of levying and collecting taxes for the affected taxing agency. Upon receipt by the official or officials of the resolution, allocation of taxes pursuant to this section to the affected taxing agency which has elected to receive the allocation pursuant to this section by the adoption of the resolution and allocation of taxes pursuant to this section to every school district and community college district shall be made at the time or times allocations are made pursuant to subdivision (a) of Section 33670.

(d) An affected taxing agency, at any time after the adoption of the resolution, may elect not to receive all or any portion of the additional allocation of taxes pursuant to this section by rescinding the resolution or by amending the same, as the case may be, and giving notice thereof to the legislative body, the agency, and the official or officials performing the functions of levying and collecting taxes for the affected taxing agency. After receipt of a notice by the official or officials that an affected taxing agency has elected not to receive all or a portion of the additional allocation of taxes by rescission or amendment of the resolution, any allocation of taxes to the affected taxing agency required to be made pursuant to this section shall not thereafter be made but shall be allocated to the agency and the affected taxing agency shall thereafter be allocated only the portion of taxes provided for in subdivision (a) of Section 33670. After receipt of a notice by the official or officials that an affected taxing agency has elected to receive additional tax revenues attributable to only a portion of the increases in the rate of tax, only that portion of the tax revenues shall thereafter be allocated to the affected taxing agency in addition to the portion of taxes allocated pursuant to subdivision (a) of Section 33670, and the remaining portion thereof shall be allocated to the agency.

(e) As used in this section, "affected taxing agency" means and

includes every public agency for the benefit of which a tax is levied upon property in the project area, whether levied by the public agency or on its behalf by another public agency.

(f) This section shall apply only to redevelopment projects for which a final redevelopment plan is adopted pursuant to Article 5 (commencing with Section 33360) of Chapter 4 on or after January 1, 1977.

SEC. 21. Section 38 of Chapter 942 of the Statutes of 1993 is amended to read:

Sec. 38. (a) The Legislature finds and declares that the amendment of Section 33641 of the Health and Safety Code, and the repeal of Section 7202.6 of the Revenue and Taxation Code, as provided for in the Community Redevelopment Law Reform Act of 1993, shall not be deemed or construed to invalidate, impair, or otherwise affect the receipt of revenues by a redevelopment agency after January 1, 1994, under an ordinance adopted by a redevelopment agency prior to January 1, 1994, pursuant to either Section 33641 of the Health and Safety Code or Section 7202.6 of the Revenue and Taxation Code, as they existed prior to January 1, 1994, which are necessary to pay any of the following:

(1) The pledge of sales tax revenues made by a redevelopment agency pursuant to an enforceable agreement with an entity other than the community that was entered into prior to January 1, 1994.

(2) The refunding of bonds issued prior to January 1, 1994, pursuant to Section 33641 of the Health and Safety Code.

(3) The issuance of bonds on which the principal and interest are payable from taxes imposed by an ordinance adopted by a redevelopment agency pursuant to Section 7202.6 of the Revenue and Taxation Code prior to January 1, 1994, whether those bonds are issued prior to or after January 1, 1994, provided that the issuance of those bonds is pursuant to an enforceable agreement, effective prior to January 1, 1994, that contains a pledge of sales taxes or provisions for the use of sales taxes for project financing purposes.

(b) The Legislature further finds and declares that the amendment of Sections 33401 and 33676 of the Health and Safety Code, as provided for in the Community Redevelopment Law Reform Act of 1993, shall not be deemed or construed to invalidate, impair, or otherwise affect an agreement between a redevelopment agency and an affected taxing entity, entered into pursuant to either of those sections prior to January 1, 1994.

(c) The Legislature further finds and declares that the amendments to Section 33031 of the Health and Safety Code, and specifically the addition of paragraph (5) to subdivision (b) of that section, as made by this measure, are not intended to, and do not, expand the activities a community redevelopment agency may finance pursuant to the Community Redevelopment Law (Part 24 (commencing with Section 33000) of the Health and Safety Code).

SEC. 22. Section 21 of this act shall become operative on January 1, 1995.

SEC. 23. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to provide guidance and clarity to redevelopment agencies in complying with recent amendments to the Community Redevelopment Law, it is necessary that this act take effect immediately.

CHAPTER 937

An act to amend Sections 52053, 52056.6, and 52058 of, to add Section 52053.7 to, and to repeal and add Section 52052 of, the Education Code, relating to education.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 52052 of the Education Code is repealed.

SEC. 2. Section 52052 is added to the Education Code, to read:

52052. Commencing when two years of data are available for the statewide pupil assessment system, and each year thereafter, the Superintendent of Public Instruction shall identify a school as a focus school if either of the following criteria applies:

(a) For a school providing instruction in either grade 4 or 5 in any two of the prior three school years, the school ranks in the bottom 10 percent of schools statewide, ranks in the bottom 25 percent of schools in the same comparison group, as determined by the Superintendent of Public Instruction, and fails to meet the annual growth target for that criterion established by the Superintendent of Public Instruction.

(b) For a school providing instruction in grade 8 in any two of the prior three school years, the school ranks in the bottom 10 percent of schools statewide, ranks in the bottom 25 percent of schools in the same comparison group, as determined by the Superintendent of Public Instruction, and fails to meet the annual growth target for that criterion established by the Superintendent of Public Instruction. In addition, the school has a low state rank for the grade 8 dropout rate, as determined by the Superintendent of Public Instruction.

(c) For a school providing instruction in grade 10 in any two of the prior three school years, the school ranks in the bottom 10 percent of schools statewide, ranks in the bottom 25 percent of schools in the same comparison group, as determined by the Superintendent of Public Instruction, and fails to meet the annual growth target for that criterion established by the Superintendent of Public Instruction. Any school under this paragraph shall also satisfy one of the following

conditions:

(1) The school has a low state rank for the grade 10 dropout rate, as determined by the Superintendent of Public Instruction.

(2) The school has a low state rank for the percentage of pupils who complete the course prerequisites for admission to the University of California, as determined by the Superintendent of Public Instruction.

SEC. 3. Section 52053 of the Education Code is amended to read:

52053. (a) The Superintendent of Public Instruction shall identify each focus school in accordance with Section 52052.

(b) Each public school in the state shall be evaluated annually according to the criteria established in Section 52052.

(c) The Superintendent of Public Instruction shall notify the governing body and superintendent of each school district when one or more of the schools under their jurisdiction have been preliminarily identified as a focus school pursuant to Section 52052. The governing board of the school district shall have 30 calendar days after receipt of the notification to verify the identification of each school and to submit a written appeal to the Superintendent of Public Instruction. If the governing board does not appeal a preliminary identification within 30 calendar days after receipt of the notification, the Superintendent of Public Instruction shall formally identify the school as a focus school. Grounds for an appeal to the Superintendent of Public Instruction shall be limited to one or more of the following:

(1) Mistakes of fact regarding determinations as to whether criteria have been met for identifying the school as a focus school.

(2) Mistakes in the interpretation of the criteria.

(3) Mitigating factors that impact the ability of the school to meet the criteria, including, but not limited to, a high mobility rate for a significant percentage of pupils at the school.

(4) Mitigating factors that show that the criteria do not accurately reflect the level of achievement at the school. Those factors may include a demonstration that the majority of pupils in the grade used to identify the school as a focus school, who were tested in the school district within the school year prior to the year in which the school was identified as a focus school, are making significant individual progress toward the statewide performance standard.

(d) Within 15 working days after the receipt of an appeal by a school district, the Superintendent of Public Instruction shall respond in writing to the governing board of the school district stating his or her rationale for accepting or rejecting the appeal. If the Superintendent of Public Instruction accepts the appeal, the school shall not be formally identified as a focus school for that year. If the Superintendent of Public Instruction rejects the appeal, then the school shall be formally identified as a focus school by the Superintendent of Public Instruction, except as provided under subdivision (e).

(e) The governing board of each school district maintaining a

school that has been formally identified by the Superintendent of Public Instruction as being a focus school may request that the State Board of Education review the district's written appeal made pursuant to subdivision (c) and the Superintendent of Public Instruction's rationale for rejecting the appeal pursuant to subdivision (d). All requests made to the State Board of Education pursuant to this chapter shall be acted upon by the State Board of Education within three meetings after the date the request is received by the State Board of Education. If the State Board of Education accepts the appeal, the school shall not be formally identified as a focus school for that year. If the State Board of Education upholds the decision of the Superintendent of Public Instruction, the school shall be formally identified as a focus school for that year and shall be subject to this chapter immediately.

(f) The State Board of Education may appoint a committee to consider and make recommendations on requests filed pursuant to subdivision (e). The committee shall consist of governing board members, school administrators, and teachers. The State Board of Education may appoint one of its members as an ex-officio member of the committee. A committee member shall not participate in requests made by the school district in which he or she is employed or serves as a member of the governing board of that school district.

(g) For the purposes of this section, a "high mobility rate for a significant percentage of the pupils at the school" means that 30 percent or more of the pupil population at the school transfers in or out of the school within a school year.

(h) The Superintendent of Public Instruction shall define "significant individual progress toward the statewide performance standard" for purposes of this section, in accordance with the standards developed for pupil assessment pursuant to Section 60602.5.

SEC. 4. Section 52053.7 is added to the Education Code, to read:

52053.7. (a) The Legislature finds and declares that the purpose of this chapter is to assist schools that are identified as focus schools, and not to stigmatize those schools as low-performing.

(b) No school shall be publicly identified as a focus school until there is final resolution of all appeals made pursuant to this chapter.

(c) Notwithstanding Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code, the preliminary notice sent to a school regarding its identification as a focus school is not a public record.

SEC. 5. Section 52056.6 of the Education Code is amended to read:

52056.6. Notwithstanding any other provision of this chapter, any school that has been identified as a program improvement school pursuant to Section 1021 of the Augustus F. Hawkins-Robert T. Stafford Elementary and Secondary Improvement Amendments of 1988 (Public Law 100-297), has been designated as such a program improvement school for not less than two years, and is formally

identified under this chapter as a focus school shall be deemed, for purposes of this chapter, to have completed Phase I of the program and, accordingly, shall be evaluated by the Superintendent of Public Instruction under Section 52057.

SEC. 6. Section 52058 of the Education Code is amended to read:

52058. (a) As to any school placed in Phase II of the program, the following shall apply:

(1) If the school is not meeting the criteria established in Section 52052, but is making sufficient progress toward meeting those criteria, the governing board of the school district shall appoint an external review team of the school from a list of nominees provided by the Superintendent of Public Instruction. The review team shall make written recommendations to the governing board on methods to improve school achievement.

The governing board of the school district shall respond in writing to the recommendations of the review team in a public meeting of the governing board, and shall transmit a copy of the response to the Superintendent of Public Instruction. The local governing board's response shall include specific reasons if the board is not going to accept and implement a recommendation.

(2) If the school is not meeting the criteria established in Section 52052 and is not making sufficient progress toward meeting those criteria, the Superintendent of Public Instruction may enlist the services of an educational management consultant selected by the governing board of the school district from a list prepared by the Superintendent of Public Instruction. Individuals on the list shall be identified as having recent successful professional experience in the improvement of school achievement. The fee for the services of the educational management consultant shall be paid by the school district. An educational management consultant may be assigned, pursuant to this paragraph, to more than one focus school within the school district. Notwithstanding any other provision of this chapter, in schools that have a grade span including at least one grade lower than the grade tested by the statewide pupil assessment system, the results of pupils attending the school at least since one grade prior to testing shall be compared to the results of pupils in other schools within the school's comparison group who have also attended a school at least since one grade prior to testing. When the school's results for those pupils who have attended the school at least since one grade prior to testing exceed its comparison group's results, the school will remain in Phase I for an additional year, unless the Superintendent of Public Instruction determines that the need to improve the school outweighs the results of the testing.

(3) Subject to funding being provided in the Budget Act, the Superintendent of Public Instruction may award a one-time grant of up to fifty thousand dollars ($50,000) for each Phase II school, upon the superintendent's approval of an expenditure plan for the grant money.

(b) At the end of the second year of a school's operation under

Phase II of the program, the Superintendent of Public Instruction shall evaluate the school's progress toward meeting the criteria established in Section 52052. Based upon the evaluation, the Superintendent of Public Instruction shall take one of the following actions:

(1) If the school is meeting the criteria established in Section 52052, the governing board of the school district shall be notified by the Superintendent of Public Instruction that the school has met the intent of this chapter and is no longer subject to its provisions unless the school is identified again pursuant to Section 52053.

(2) If the school is not meeting the criteria established in Section 52052, but is making sufficient progress toward meeting those criteria, the school may be allowed to continue under Phase II for one or two additional years.

(3) If the school is not meeting the criteria established in Section 52052, and is not making sufficient progress toward meeting those criteria, the following shall apply:

(A) A school that was placed in Phase II pursuant to subdivision (b) of Section 52057 may be placed in Phase II pursuant to subdivision (c) of that section.

(B) A school that was placed in Phase II pursuant to subdivision (c) of Section 52057 may be allowed to continue under Phase II for one or two additional years.

(c) Any school district may appeal to the State Board of Education the placement of one of its schools in Phase II of the program by the Superintendent of Public Instruction. If the State Board of Education deems appropriate, the board may order, instead, that the school remain in Phase I of the program for a period of one or two additional years, at the conclusion of which the school shall be reevaluated pursuant to subdivision (b).

(d) The educational management consultant selected pursuant to paragraph (2) of subdivision (a) shall have the following responsibilities:

(1) Evaluate school improvement efforts and recommend changes to the governing board of the school district regarding community outreach, parent involvement, staff development needs, curriculum improvement, school climate, and program planning and budgeting for all funds available to the school. The educational management consultant shall also make recommendations regarding personnel at the school. Recommendations regarding personnel shall be processed in a confidential manner in conformance with the governing board's policies and state laws regarding the employment and dismissal of school district employees.

(2) Recommend to the governing board of the school district necessary changes in the management and personnel practices at the school, including recruitment, selection, and evaluation of school administrators, teachers, curriculum, and instruction.

(3) Organize assistance from resources within and outside of the school district, as necessary, to assist in school improvement.

(e) If the governing board of the school district refuses to implement one or more recommendations made by the educational management consultant pursuant to subdivision (d), and there is no agreement on alternatives that may achieve the same results, the consultant may seek the consent of the Superintendent of Public Instruction to implement those recommendations, notwithstanding the district's refusal. The educational management consultant and the governing board of the school district may submit written material to the Superintendent of Public Instruction for his or her consideration. If the Superintendent of Public Instruction agrees with the governing board, then the governing board shall not be required to implement the recommendation or recommendations of the educational management consultant. If the Superintendent of Public Instruction agrees with the recommendation or recommendations of the educational management consultant, the Superintendent of Public Instruction may require the governing board to implement one or more of the recommendations. The governing board of the school district may appeal to the State Board of Education any recommendation that the Superintendent of Public Instruction requires the governing board to implement pursuant to this subdivision. That appeal shall be on the sole basis that the implementation of the recommendation or recommendations would adversely affect the financial or educational stability of one or more other schools within the district.

(f) The educational management consultant shall remain with the school until the school meets the criteria established in Section 52052, or for a period of two years, whichever occurs first. The Superintendent of Public Instruction may remove an educational management consultant from a school if he or she determines that the school is making sufficient progress toward meeting the criteria, or that the school has not made sufficient progress toward meeting the criteria within a period of two years. The governing board may request at any time that the superintendent replace the educational management consultant if it determines that the school is not making sufficient progress toward meeting the criteria.

SEC. 7. It is the intent of the Legislature that funding be provided in future Budget Acts for the purposes of Sections 52053, 52054.5, 52056.5, subdivisions (a), (b), (e), and (f) of Section 52058, and Section 52059 of the Education Code. Grants shall be provided to school districts for the expenses incurred by the school districts pursuant to paragraph (2) of subdivision (a) of Section 52058 of the Education Code. The Superintendent of Public Instruction and the State Department of Education shall only be required to implement the provisions enumerated in this section in fiscal years in which sufficient funds have been appropriated for those purposes.

CHAPTER 938

An act to amend Sections 13353.1, 13353.2, 13353.3, 13353.4, 13353.45, 13353.5, 13353.8, 13557, 13558, 14601.5, 22651, 23136, 23137, 23139, 23140, 23157, and 23158.2 of, and to add Section 13352.4 to, the Vehicle Code, relating to vehicles, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 13352.4 is added to the Vehicle Code, to read:

13352.4. (a) (1) The department shall require a person upon whom the court has imposed the condition of probation required by subdivision (b) of Section 23161 to submit proof of the satisfactory completion of a program licensed pursuant to Chapter 9 (commencing with Section 11836) of Part 2 of Division 10.5 of the Health and Safety Code or of a program defined in Section 8001 of the Penal Code, within a time period set by the department, beginning from the date of a conviction or a finding by a court of a violation of Section 23152.

(2) The department shall require a person upon whom the court has imposed the condition of probation required by subdivision (b) of Section 23161 to submit proof of the satisfactory completion of the Navy Alcohol Drug Safety Action Program, within a time period set by the department, beginning from the date of a conviction by a court or a finding by a court of a violation of Section 23152.

(b) The department shall suspend the privilege to drive of any person who is not in compliance with subdivision (a).

(c) The department shall not restore the privilege to operate a motor vehicle after a suspension pursuant to subdivision (b) until the department receives proof of the completion of a program pursuant to subdivision (a) that the department finds satisfactory.

(d) This section shall become operative on January 1, 1995.

SEC. 2. Section 13353.1 of the Vehicle Code is amended to read:

13353.1. (a) If any person refuses an officer's request to submit to, or fails to complete, a preliminary alcohol screening test pursuant to Section 23137, upon receipt of the officer's sworn statement, submitted pursuant to Section 23158.2, that the officer had reasonable cause to believe the person had been driving a motor vehicle in violation of Section 23136, and that the person had refused to submit to, or did not complete, the test after being requested by the officer, the department shall do one of the following:

(1) Suspend the person's privilege to operate a motor vehicle for a period of one year.

(2) Revoke the person's privilege to operate a motor vehicle for

a period of two years if the refusal occurred within seven years of either of the following:

(A) A separate violation of subdivision (a) of Section 23136, which resulted in a finding of a violation, or a separate violation, which resulted in a conviction, of Section 23103, as specified in Section 23103.5, of Section 23140, 23152, or 23153, of Section 191.5 of the Penal Code, or of paragraph (3) of subdivision (c) of Section 192 of that code.

(B) A suspension or revocation of the person's privilege to operate a motor vehicle if that action was taken pursuant to this section or Section 13353 or 13353.2 for an offense that occurred on a separate occasion.

(3) Revoke the person's privilege to operate a motor vehicle for a period of three years if the refusal occurred within seven years of any of the following:

(A) Two or more separate violations of subdivision (a) of Section 23136, which resulted in findings of violations, or two or more separate violations, which resulted in convictions, of Section 23103, as specified in Section 23103.5, of Section 23140, 23152, or 23153, of Section 191.5 of the Penal Code, or of paragraph (3) of subdivision (c) of Section 192 of that code, or any combination thereof.

(B) Two or more suspensions or revocations of the person's privilege to operate a motor vehicle if those actions were taken pursuant to this section, or Section 13353 or 13353.2, for offenses that occurred on separate occasions.

(C) Any combination of two or more of the convictions or administrative suspensions or revocations described in subparagraphs (A) or (B).

(b) The notice of the order of suspension or revocation under this section shall be served on the person by the peace officer pursuant to Section 23137 and shall not become effective until 30 days after the person is served with that notice. The notice of the order of suspension or revocation shall be on a form provided by the department. If the notice of the order of suspension or revocation has not been served by the peace officer pursuant to Section 23137, the department immediately shall notify the person in writing of the action taken. The peace officer who serves the notice, or the department, if applicable, also shall provide, if the officer or department, as the case may be, determines that it is necessary to do so, the person with the appropriate non-English notice developed pursuant to subdivision (d) of Section 14100.

(c) Upon receipt of the officer's sworn statement, the department shall review the record. For purposes of this section, the scope of the administrative review shall cover all of the following issues:

(1) Whether the peace officer had reasonable cause to believe the person had been driving a motor vehicle in violation of Section 23136.

(2) Whether the person was lawfully detained.

(3) Whether the person refused to submit to, or did not complete, the test after being requested to do so by a peace officer.

(d) The person may request an administrative hearing pursuant to Section 13558. Except as provided in subdivision (e) of Section 13558, the request for an administrative hearing does not stay the order of suspension or revocation.

SEC. 3. Section 13353.2 of the Vehicle Code is amended to read:

13353.2. (a) The department shall immediately suspend the privilege of any person to operate a motor vehicle for any one of the following reasons:

(1) The person was driving a motor vehicle when the person had 0.08 percent or more, by weight, of alcohol in his or her blood.

(2) The person was under 21 years of age and had 0.05 percent or more, by weight, of alcohol in his or her blood.

(3) The person was under 21 years of age and had a blood-alcohol concentration of 0.01 percent or greater, as measured by a preliminary alcohol screening test, or other chemical test.

(b) The notice of the order of suspension under this section shall be served on the person by a peace officer pursuant to Section 23137 or 23158.5. The notice of the order of suspension shall be on a form provided by the department. If the notice of the order of suspension has not been served upon the person by the peace officer pursuant to Section 23137 or 23158.5, upon the receipt of the report of a peace officer submitted pursuant to Section 23158.2, the department shall mail written notice of the order of the suspension to the person at the last known address shown on the department's records and, if the address of the person provided by the peace officer's report differs from the address of record, to that address.

(c) The notice of the order of suspension shall clearly specify the reason and statutory grounds for the suspension, the effective date of the suspension, the right of the person to request an administrative hearing, the procedure for requesting an administrative hearing, and the date by which a request for an administrative hearing shall be made in order to receive a determination prior to the effective date of the suspension.

(d) The department shall make a determination of the facts in subdivision (a) on the basis of the report of a peace officer submitted pursuant to Section 23158.2. The determination of the facts, after administrative review pursuant to Section 13557, by the department is final, unless an administrative hearing is held pursuant to Section 13558 and any judicial review of the administrative determination after the hearing pursuant to Section 13559 is final.

(e) The determination of the facts in subdivision (a) is a civil matter which is independent of the determination of the person's guilt or innocence, shall have no collateral estoppel effect on a subsequent criminal prosecution, and shall not preclude the litigation of the same or similar facts in the criminal proceeding. If a person is acquitted of criminal charges relating to a determination of facts under subdivision (a), or if the person's driver's license was suspended pursuant to Section 23137 and the department finds no basis for a suspension pursuant to that section, the department shall

immediately reinstate the person's privilege to operate a motor vehicle if the department has suspended it administratively pursuant to subdivision (a), and the department shall return or reissue for the remaining term any driver's license which has been taken from the person pursuant to Section 23158.5 or otherwise. Notwithstanding subdivision (b) of Section 13558, if criminal charges under Section 23140, 23152, or 23153 are not filed by the district attorney because of a lack of evidence, or if those charges are filed but are subsequently dismissed by the court because of an insufficiency of evidence, the person has a renewed right to request an administrative hearing before the department. The request for a hearing shall be made within one year from the date of arrest.

(f) The department shall furnish a form that requires a detailed explanation specifying which evidence was defective or lacking and detailing why that evidence was defective or lacking. The form shall be made available to the person to provide to the district attorney. The department shall hold an administrative hearing, and the hearing officer shall consider the reasons for the failure to prosecute given by the district attorney on the form provided by the department. If applicable, the hearing officer shall consider the reasons stated on the record by a judge who dismisses the charges. No fee shall be imposed pursuant to Section 14905 for the return or reissuing of a driver's license pursuant to this subdivision. The disposition of a suspension action under this section does not affect any action to suspend or revoke the person's privilege to operate a motor vehicle under any other provision of this code, including, but not limited to, Section 13352 or 13353, or Chapter 3 (commencing with Section 13800).

SEC. 4. Section 13353.3 of the Vehicle Code is amended to read:

13353.3. (a) An order of suspension of a person's privilege to operate a motor vehicle pursuant to Section 13353.2 shall become effective 30 days after the person is served with the notice pursuant to Section 23137 or 23158.5, or subdivision (b) of Section 13353.2.

(b) The period of suspension of a person's privilege to operate a motor vehicle under Section 13353.2 is as follows:

(1) Except as provided in Section 13353.6, if the person has not been convicted of a separate violation of Section 23103, as specified in Section 23103.5, of Section 23140, 23152, or 23153, of Section 191.5 of the Penal Code, or of paragraph (3) of subdivision (c) of Section 192 of that code, the person has not been administratively determined to have refused chemical testing pursuant to Section 13353 or 13353.1, or the person has not been administratively determined to have been driving with an excessive concentration of alcohol pursuant to Section 13353.2 on a separate occasion, which offense or occurrence occurred within seven years of the occasion in question, the person's privilege to operate a motor vehicle shall be suspended for four months.

(2) If the person has been convicted of one or more separate violations of Section 23103, as specified in Section 23103.5, of Section

23140, 23152, or 23153, of Section 191.5 of the Penal Code, or of paragraph (3) of subdivision (c) of Section 192 of that code, the person has been administratively determined to have refused chemical testing pursuant to Section 13353 or 13353.1, or the person has been administratively determined to have been driving with an excessive concentration of alcohol pursuant to Section 13353.2 on a separate occasion, which offense or occasion occurred within seven years of the occasion in question, the person's privilege to operate a motor vehicle shall be suspended for one year.

(3) Notwithstanding any other provision of law, if a person has been administratively determined to have been driving in violation of Section 23136 or to have refused chemical testing pursuant to Section 13353.1, the period of suspension shall not be for less than one year.

(c) If a person's privilege to operate a motor vehicle is suspended pursuant to Section 13353.2 and the person is convicted of a violation of Section 23140, 23152, or 23153, including a violation described in Section 23156, arising out of the same occurrence, both the suspension under Section 13353.2 and the suspension or revocation under Section 13352 shall be imposed, except that, notwithstanding Section 13354, the periods of suspension or revocation shall run concurrently, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods. This subdivision shall not affect a suspension or revocation pursuant to Section 13353 for refusal to submit to chemical testing or the imposition of consecutive periods of suspension or revocation pursuant to Section 13354 for that refusal.

SEC. 5. Section 13353.4 of the Vehicle Code is amended to read:

13353.4. (a) Except as provided in subdivision (b) of Section 13353.6, or Section 13353.7 or 13353.8, the driving privilege shall not be restored, and no restricted or hardship permit to operate a motor vehicle shall be issued, to a person during the suspension or revocation period specified in Section 13353, 13353.1, or 13353.3.

(b) The privilege to operate a motor vehicle shall not be restored after a suspension or revocation pursuant to Section 13352, 13353, 13353.1, or 13353.2 until all applicable fees, including the fees prescribed in Section 14905, have been paid and the person gives proof of financial responsibility, as defined in Section 16430, to the department.

(c) The privilege to operate a motor vehicle shall not be restored after a suspension or revocation pursuant to paragraphs (1) to (7), inclusive, of subdivision (a) of Section 13352 until the person gives proof satisfactory to the department of completion of a program licensed pursuant to Chapter 9 (commencing with Section 11836) of Part 2 of Division 10.5 of the Health and Safety Code. The program shall be of an appropriate length and scope, as determined by the number of prior convictions on that person's record for a violation of Section 23103, as specified in Section 23103.5, or of Section 23152 or 23153. The department shall restore the privilege to operate a

motor vehicle after a suspension or revocation pursuant to paragraphs (1) to (7), inclusive, of subdivision (a) of Section 13352 upon receipt of a certification, under penalty of perjury, by the director of a program specified in Section 8001 of the Penal Code that the person has completed the program specified in Section 8001 of the Penal Code.

(d) For purposes of this section, completion of a program is the satisfactory completion of all program requirements approved pursuant to program licensure, and any other court-imposed conditions, as evidenced by a certificate of completion issued by the licensed program.

(e) Subdivision (d) does not apply to a person under the age of 21 years whose driving privilege has been suspended or revoked pursuant to the order of a court or pursuant to Section 13353, 13353.1, or 13353.2 for a violation of subdivision (a) of Section 23136 or of Section 23140.

SEC. 6. Section 13353.45 of the Vehicle Code is amended to read:

13353.45. The department shall, in consultation with the State Department of Alcohol and Drug Programs, with representatives of the county alcohol program administrators, and with representatives of licensed drinking driver program providers, develop a certificate of completion for the purposes of Sections 13352.4 and 13353.4 and shall develop, implement, and maintain a system for safeguarding the certificates against misuse. The department may charge a reasonable fee for each blank completion certificate distributed to a drinking driver program. The fee shall be sufficient to cover, but shall not exceed, the costs incurred in administering this section, Section 13352.4, and subdivision (c) of Section 13353.4 or twelve dollars ($12) per person, whichever is less.

SEC. 7. Section 13353.5 of the Vehicle Code is amended to read:

13353.5. (a) Notwithstanding subdivision (c) or (d) of Section 13353.4, if a person whose driving privilege is suspended or revoked under Section 13352 or 13352.4 is a resident of another state at the time the mandatory period of suspension or revocation expires, the department may, upon written application of the person, terminate the suspension or revocation for the purpose of allowing the person to apply for a license in his or her state of residence. The application shall include, but not be limited to, evidence satisfactory to the department that the applicant now resides in another state.

(b) If the person submits an application for a California driving license within three years after the date of the action to terminate suspension or revocation pursuant to subdivision (a), a license shall not be issued until evidence satisfactory to the department establishes that the person is qualified for reinstatement and no grounds exist including, but not limited to, one or more subsequent convictions for driving under the influence of alcohol or other drugs, that would authorize the refusal to issue a license. The department may waive the three-year requirement upon receipt of a program completion certificate, as described in subdivision (c) of Section

13353.4, that has been duly issued to the individual.

SEC. 8. Section 13353.8 of the Vehicle Code is amended to read:

13353.8. (a) Notwithstanding any other provision of law, after the department has issued an order suspending or delaying driving privileges as a result of a violation of subdivision (a) of Section 23136, the department, upon petition of the person affected, may review the order and may impose restrictions on the person's privilege to drive based upon a showing of a critical need to drive.

(b) As used in this section, "critical need to drive" means the circumstances which are required to be shown for the issuance of a junior permit pursuant to Section 12513.

(c) The restriction shall remain in effect for the balance of the period of suspension or restriction in this section.

SEC. 9. Section 13557 of the Vehicle Code is amended to read:

13557. (a) The department shall review the determination made pursuant to Section 13353, 13353.1, or 13353.2 relating to any person who has received a notice of an order of suspension or revocation of the person's privilege to operate a motor vehicle pursuant to Section 13353, 13353.1, 13353.2, 23157, or 23158.5. The department shall consider the sworn report submitted by the peace officer pursuant to Section 23157 or 23158.2 and any other evidence accompanying the report.

(b) (1) If the department determines in the review of a determination made under Section 13353 or 13353.1, by a preponderance of the evidence, all of the following facts, the department shall sustain the order of suspension or revocation:

(A) That the peace officer had reasonable cause to believe that the person had been driving a motor vehicle in violation of Section 23136, 23140, 23152, or 23153.

(B) That the person was placed under arrest or, if the alleged violation was of Section 23136, that the person was lawfully detained.

(C) That the person refused or failed to complete the chemical test or tests after being requested by a peace officer.

(D) That, except for the persons described in Section 23157 who are incapable of refusing, the person had been told that his or her privilege to operate a motor vehicle would be suspended or revoked if he or she refused to submit to, and complete, the required testing.

If the department determines, by a preponderance of the evidence, that any of those facts were not proven, the department shall rescind the order of suspension or revocation and, provided the person is otherwise eligible, return or reissue the person's driver's license pursuant to Section 13551. The determination of the department upon administrative review is final unless a hearing is requested pursuant to Section 13558.

(2) If the department determines in the review of a determination made under Section 13353.2, by the preponderance of the evidence, all of the following facts, the department shall sustain the order of suspension or revocation, or if the person is under 21 years of age and does not yet have a driver's license, the department

shall delay issuance of that license for one year:

(A) That the peace officer had reasonable cause to believe that the person had been driving a motor vehicle in violation of Section 23136, 23140, 23152, or 23153.

(B) That the person was placed under arrest or, if the alleged violation was of Section 23136, that the person was lawfully detained.

(C) That the person was driving a motor vehicle under any of the following circumstances:

(i) When the person had 0.08 percent or more, by weight, of alcohol in his or her blood.

(ii) When the person was under the age of 21 years and had 0.05 percent or more, by weight, of alcohol in his or her blood.

(iii) When the person was under 21 years of age and had a blood-alcohol concentration of 0.01 percent or greater, as measured by a preliminary alcohol screening test, or other chemical test.

If the department determines that any of those facts were not proven by the preponderance of the evidence, the department shall rescind the order of suspension or revocation and, provided that the person is otherwise eligible, return or reissue the person's driver's license pursuant to Section 13551. For persons under 21 years of age, the determination of the department pursuant to this paragraph is final unless a hearing is requested within 10 days of the determination, which hearing shall be conducted according to the provisions of Section 13558. For persons over 21 years of age, the determination of the department upon administrative review is final unless a hearing is requested pursuant to Section 13558.

(c) The department shall make the determination upon administrative review before the effective date of the order of suspension or revocation.

(d) The administrative review does not stay the suspension or revocation of a person's privilege to operate a motor vehicle. If the department is unable to make a determination on administrative review within the time limit in subdivision (c), the department shall stay the effective date of the order of suspension or revocation pending the determination and, if the person's driver's license has been taken by the peace officer pursuant to Section 23137, 23157, or 23158.5, the department shall notify the person before the expiration date of the temporary permit issued pursuant to Section 23137, 23157, or 23158.5, or the expiration date of any previous extension issued pursuant to this subdivision, in a form that permits the person to establish to any peace officer that his or her privilege to operate a motor vehicle is not suspended or revoked.

(e) A person may request and be granted a hearing pursuant to Section 13558 without first receiving the results of an administrative review pursuant to this section. After receiving a request for a hearing, the department is not required to conduct an administrative review of the same matter pursuant to this section.

(f) A determination of facts by the department under this section has no collateral estoppel effect on a subsequent criminal

prosecution and does not preclude litigation of those same facts in the criminal proceeding.

SEC. 10. Section 13558 of the Vehicle Code is amended to read:

13558. (a) Any person, who has received a notice of an order of suspension or revocation of the person's privilege to operate a motor vehicle pursuant to Section 13353, 13353.1, 13353.2, 23137, 23157, or 23158.5 or a notice pursuant to Section 13557, may request a hearing on the matter pursuant to Article 3 (commencing with Section 14100) of Chapter 3, except as otherwise provided in this section.

(b) If the person wishes to have a hearing before the effective date of the order of suspension or revocation, the request for a hearing shall be made within 10 days of the receipt of the notice of the order of suspension or revocation. The hearing shall be held at a place designated by the department as close as practicable to the place where the arrest occurred, unless the parties agree to a different location. Any evidence at the hearing shall not be limited to the evidence presented at an administrative review pursuant to Section 13557.

(c) (1) The only issues at the hearing on an order of suspension or revocation pursuant to Section 13353 or 13353.1 shall be those facts listed in paragraph (1) of subdivision (b) of Section 13557. Notwithstanding Section 14106, the period of suspension or revocation specified in Section 13353 or 13353.1 shall not be reduced and, notwithstanding Section 14105.5, the effective date of the order of suspension or revocation shall not be stayed pending review at a hearing pursuant to this section.

(2) The only issues at the hearing on an order of suspension pursuant to Section 13353.2 shall be those facts listed in paragraph (2) of subdivision (b) of Section 13557. Notwithstanding Section 14106, the period of suspension specified in Section 13353.3 shall not be reduced.

(d) The department shall hold the administrative hearing before the effective date of the order of suspension or revocation if the request for the hearing is postmarked or received by the department on or before 10 days after the person's receipt of the service of the notice of the order of suspension or revocation pursuant to Section 13353.2, 23137, 23157, or 23158.5.

(e) A request for an administrative hearing does not stay the suspension or revocation of a person's privilege to operate a motor vehicle. If the department does not conduct an administrative hearing and make a determination after an administrative hearing within the time limit in subdivision (d), the department shall stay the effective date of the order of suspension or revocation pending the determination and, if the person's driver's license has been taken by the peace officer pursuant to Section 23137, 23157, or 23158.5, the department shall notify the person before the expiration date of the temporary permit issued pursuant to Section 23137, 23157, or 23158.5, or the expiration date of any previous extension issued pursuant to this subdivision, provided the person is otherwise eligible, in a form

that permits the person to establish to any peace officer that his or her privilege to operate a motor vehicle is not suspended or revoked.

(f) The department shall give written notice of its determination pursuant to Section 14105. If the department determines, upon a hearing of the matter, to suspend or revoke the person's privilege to operate a motor vehicle, notwithstanding the term of any temporary permit issued pursuant to Section 23137, 23157, or 23158.5, the temporary permit shall be revoked and the suspension or revocation of the person's privilege to operate a motor vehicle shall become effective five days after notice is given. If the department sustains the order of suspension or revocation, the department shall include notice that the person has a right to review by the court pursuant to Section 13559.

(g) A determination of facts by the department upon a hearing pursuant to this section has no collateral estoppel effect on a subsequent criminal prosecution and does not preclude litigation of those same facts in the criminal proceeding.

SEC. 11. Section 14601.5 of the Vehicle Code is amended to read:

14601.5. (a) No person shall drive a motor vehicle at any time when that person's driving privilege is suspended or revoked pursuant to Section 13353, 13353.1, or 13353.2 and that person has knowledge of the suspension or revocation.

(b) Except in full compliance with the restriction, no person shall drive a motor vehicle at any time when that person's driving privilege is restricted pursuant to Section 13353.6, 13353.7, or 13353.8 and that person has knowledge of the restriction.

(c) Knowledge of suspension, revocation, or restriction of the driving privilege shall be presumed if notice has been given by the department to the person. The presumption established by this subdivision is a presumption affecting the burden of proof.

(d) Any person convicted of a violation of this section shall be punished as follows:

(1) Upon a first conviction, by imprisonment in the county jail for not more than six months or by a fine of not less than three hundred dollars ($300) or more than one thousand dollars ($1,000), or by both that fine and imprisonment.

(2) If the offense occurred within five years of a prior offense which resulted in a conviction for a violation of this section or Section 14601, 14601.1, or 14601.2, by imprisonment in the county jail for not less than 10 days or more than one year, and by a fine of not less than five hundred dollars ($500) or more than two thousand dollars ($2,000).

(e) The court, upon a showing of good cause, may waive the mandatory minimum imprisonment period required by paragraph (2) of subdivision (d). The court shall state its reasons for waiving that requirement on the record at the time of sentencing.

(f) In imposing the minimum fine required by subdivision (d), the court shall take into consideration the defendant's ability to pay the fine and may, in the interest of justice, and for reasons stated in

the record, reduce the amount of that minimum fine to less than the amount otherwise imposed.

(g) Nothing in this section prohibits a person who is participating in, or has completed, an alcohol or drug rehabilitation program from driving a motor vehicle, that is owned or utilized by the person's employer, during the course of employment on private property that is owned or utilized by the employer, except an offstreet parking facility as defined in subdivision (d) of Section 12500.

(h) Nothing in this section prohibits a person with a suspended license from driving a motor vehicle when emergency medical service is needed immediately.

SEC. 12. Section 22651 of the Vehicle Code, as amended by Chapter 268 of the Statutes of 1994, is amended to read:

22651. Any peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code; or any regularly employed and salaried employee, who is engaged in directing traffic or enforcing parking laws and regulations, of a city or a county in which a vehicle is located, may remove a vehicle located within the territorial limits in which the officer or employee may act, under any of the following circumstances:

(a) When any vehicle is left unattended upon any bridge, viaduct, or causeway or in any tube or tunnel where the vehicle constitutes an obstruction to traffic.

(b) When any vehicle is parked or left standing upon a highway in a position so as to obstruct the normal movement of traffic or in a condition so as to create a hazard to other traffic upon the highway.

(c) When any vehicle is found upon a highway or any public lands and a report has previously been made that the vehicle has been stolen or a complaint has been filed and a warrant thereon issued charging that the vehicle has been embezzled.

(d) When any vehicle is illegally parked so as to block the entrance to a private driveway and it is impractical to move the vehicle from in front of the driveway to another point on the highway.

(e) When any vehicle is illegally parked so as to prevent access by firefighting equipment to a fire hydrant and it is impracticable to move the vehicle from in front of the fire hydrant to another point on the highway.

(f) When any vehicle, except any highway maintenance or construction equipment, is stopped, parked, or left standing for more than four hours upon the right-of-way of any freeway which has full control of access and no crossings at grade and the driver, if present, cannot move the vehicle under its own power.

(g) When the person or persons in charge of a vehicle upon a highway or any public lands are, by reason of physical injuries or illness, incapacitated to an extent so as to be unable to provide for its custody or removal.

(h) (1) When an officer arrests any person driving or in control of a vehicle for an alleged offense and the officer is, by this code or

other law, required or permitted to take, and does take, the person into custody.

(2) When an officer serves a notice of an order of suspension or revocation of a driver's license pursuant to Section 23137.

(i) (1) When any vehicle, other than a rented vehicle, is found upon a highway or any public lands, or is removed pursuant to this code, and it is known to have been issued five or more notices of parking violation, to which the owner or person in control of the vehicle has not responded within 21 days of citation issuance or 10 days of a notice of delinquent parking violation to the agency responsible for processing notices of parking violation or the registered owner of the vehicle is known to have been issued five or more notices for failure to pay or failure to appear in court for traffic violations for which no certificate has been issued by the magistrate or clerk of the court hearing the case showing that the case has been adjudicated or concerning which the registered owner's record has not been cleared pursuant to Chapter 6 (commencing with Section 41500) of Division 17, the vehicle may be impounded until that person furnishes to the impounding law enforcement agency all of the following:

(A) Evidence of his or her identity.

(B) An address within this state at which he or she can be located.

(C) Satisfactory evidence that all parking penalties due for the vehicle and any other vehicle registered to the registered owner of the impounded vehicle, and all traffic violations of the registered owner, have been cleared.

(2) The requirements in subparagraph (C) of paragraph (1) shall be fully enforced by the impounding law enforcement agency on and after the time that the Department of Motor Vehicles is able to provide access to the necessary records.

(3) A notice of parking violation issued for an unlawfully parked vehicle shall be accompanied by a warning that repeated violations may result in the impounding of the vehicle. In lieu of furnishing satisfactory evidence that the full amount of parking penalties or bail has been deposited, that person may demand to be taken without unnecessary delay before a magistrate, for traffic offenses, or a hearing examiner, for parking offenses, within the county in which the offenses charged are alleged to have been committed and who has jurisdiction of the offenses and is nearest or most accessible with reference to the place where the vehicle is impounded. Evidence of current registration shall be produced after a vehicle has been impounded, or, at the discretion of the impounding law enforcement agency, a notice to appear for violation of subdivision (a) of Section 4000 shall be issued to that person.

(4) A vehicle shall be released to the legal owner, as defined in Section 370, if the legal owner does all of the following:

(A) Pays the cost of towing and storing the vehicle.

(B) Submits evidence of payment of fees as provided in Section 9561.

(C) Completes an affidavit in a form acceptable to the impounding law enforcement agency stating that the vehicle was not in possession of the legal owner at the time of occurrence of the offenses relating to standing or parking. A vehicle released to a legal owner under this subdivision is a repossessed vehicle for purposes of disposition or sale. The impounding agency shall have a lien on any surplus that remains upon sale of the vehicle to which the registered owner is or may be entitled, as security for the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for any local administrative charges imposed pursuant to Section 22850.5. The legal owner shall promptly remit to, and deposit with, the agency responsible for processing notices of parking violations from that surplus, on receipt thereof, full amount of the parking penalties for all notices of parking violations issued for the vehicle and for any local administrative charges imposed pursuant to Section 22850.5.

(5) The impounding agency that has a lien on the surplus that remains upon the sale of a vehicle to which a registered owner is entitled pursuant to paragraph (4) has a deficiency claim against the registered owner for the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for any local administrative charges imposed pursuant to Section 22850.5, less the amount received from the sale of the vehicle.

(j) When any vehicle is found illegally parked and there are no license plates or other evidence of registration displayed, the vehicle may be impounded until the owner or person in control of the vehicle furnishes the impounding law enforcement agency evidence of his or her identity and an address within this state at which he or she can be located.

(k) When any vehicle is parked or left standing upon a highway for 72 or more consecutive hours in violation of a local ordinance authorizing removal.

(*l*) When any vehicle is illegally parked on a highway in violation of any local ordinance forbidding standing or parking and the use of a highway, or a portion thereof, is necessary for the cleaning, repair, or construction of the highway, or for the installation of underground utilities, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by local authorities pursuant to the ordinance.

(m) Wherever the use of the highway, or any portion thereof, is authorized by local authorities for a purpose other than the normal flow of traffic or for the movement of equipment, articles, or structures of unusual size, and the parking of any vehicle would prohibit or interfere with that use or movement, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by local authorities pursuant to the ordinance.

(n) Whenever any vehicle is parked or left standing where local authorities, by resolution or ordinance, have prohibited parking and

have authorized the removal of vehicles. No vehicle may be removed unless signs are posted giving notice of the removal.

(o) (1) When any vehicle is found upon a highway, any public lands, or an offstreet parking facility with a registration expiration date in excess of one year before the date it is found on the highway, public lands, or the offstreet parking facility. However, if the vehicle is occupied, only a peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, may remove the vehicle. For purposes of this subdivision, the vehicle shall be released to the owner or person in control of the vehicle only after the owner or person furnishes the storing law enforcement agency with proof of current registration and a currently valid driver's license to operate the vehicle.

(2) As used in this subdivision, "offstreet parking facility" means any offstreet facility held open for use by the public for parking vehicles and includes any publicly owned facilities for offstreet parking, and privately owned facilities for offstreet parking where no fee is charged for the privilege to park and which are held open for the common public use of retail customers.

(p) When the peace officer issues the driver of a vehicle a notice to appear for a violation of Section 12500, 14601, 14601.1, 14601.2, 14601.3, 14601.4, or 14601.5 and there is no passenger in the vehicle who has a valid driver's license and authorization to operate the vehicle. Any vehicle so removed from the highway or any public lands, or from private property after having been on a highway or public lands, shall not be released to the registered owner or his or her agent, except upon presentation of the registered owner's or his or her agent's currently valid driver's license to operate the vehicle and proof of current vehicle registration, or upon order of a court.

(q) Whenever any vehicle is parked for more than 24 hours on a portion of highway which is located within the boundaries of a common interest development, as defined in subdivision (c) of Section 1351 of the Civil Code, and signs, as required by Section 22658.2, have been posted on that portion of highway providing notice to drivers that vehicles parked thereon for more than 24 hours will be removed at the owner's expense, pursuant to a resolution or ordinance adopted by the local authority.

(r) When any vehicle is illegally parked and blocks the movement of a legally parked vehicle.

(s) (1) When any vehicle, except highway maintenance or construction equipment, an authorized emergency vehicle, or a vehicle which is properly permitted or otherwise authorized by the Department of Transportation, is stopped, parked, or left standing for more than eight hours within a roadside rest area or viewpoint.

(2) For purposes of this subdivision, a roadside rest area or viewpoint is a publicly maintained vehicle parking area, adjacent to a highway, utilized for the convenient, safe stopping of a vehicle to enable motorists to rest or to view the scenery. If two or more roadside rest areas are located on opposite sides of the highway, or

upon the center divider, within seven miles of each other, then that combination of rest areas is considered to be the same rest area.

SEC. 13. Section 23136 of the Vehicle Code is amended to read:

23136. (a) Notwithstanding Sections 23152 and 23153, it is unlawful for a person under the age of 21 years who has a blood-alcohol concentration of 0.01 percent or greater, as measured by a preliminary alcohol screening test, to drive a vehicle. However, this section shall not be a bar to prosecution under Section 23152 or 23153 or any other provision of law.

(b) A person shall be found to be in violation of subdivision (a) if the person was, at the time of driving, under the age of 21 years, and the trier of fact finds that the person had consumed an alcoholic beverage and was driving a vehicle with a blood-alcohol concentration of 0.01 percent or greater, as measured by a preliminary alcohol screening test.

(c) (1) Any person under the age of 21 years who drives a motor vehicle is deemed to have given his or her consent to a preliminary alcohol screening test for the purpose of determining the presence of alcohol in the person, if lawfully detained for an alleged violation of subdivision (a).

(2) The testing shall be incidental to a lawful detention and administered at the direction of a peace officer having reasonable cause to believe the person was driving a motor vehicle in violation of subdivision (a).

(3) The person shall be told that his or her failure to submit to, or the failure to complete, a preliminary alcohol screening test as requested will result in the suspension or revocation of the person's privilege to operate a motor vehicle for a period of one year to three years, as provided in Section 13353.1.

SEC. 14. Section 23137 of the Vehicle Code is amended to read:

23137. (a) If a peace officer lawfully detains a person under 21 years of age who is driving a motor vehicle, and the officer has reasonable cause to believe that the person is in violation of Section 23136, the officer shall request that the person take a preliminary alcohol screening test to determine the presence of alcohol in the person, if a preliminary alcohol screening test device is immediately available.

(b) If the person refuses to take, or fails to complete, the preliminary alcohol screening test or if the person takes the preliminary alcohol screening test and that test reveals a blood-alcohol concentration of 0.01 percent or greater, the officer shall proceed as follows:

(1) The officer, acting on behalf of the department, shall serve the person with a notice of an order of suspension of the person's driving privilege.

(2) The officer shall take possession of any driver's license issued by this state which is held by the person. When the officer takes possession of a valid driver's license, the officer shall issue, on behalf of the department, a temporary driver's license. The temporary

driver's license shall be an endorsement on the notice of the order of suspension and shall be valid for 30 days from the date of issuance, or until receipt of the order of suspension from the department, whichever occurs first.

(3) The officer immediately shall forward a copy of the completed notice of order of suspension form, and any driver's license taken into possession under paragraph (2), with the report required by Section 23158.2, to the department. For purposes of this paragraph, "immediately" means on or before the end of the fifth ordinary business day after the notice of order of suspension was served.

(c) For the purposes of this section, a preliminary alcohol screening test device is an instrument designed and used to measure the presence of alcohol in a person based on a breath sample.

SEC. 15. Section 23139 of the Vehicle Code is amended to read:

23139. Any person whose license is suspended or delayed issuance pursuant to Section 23137 shall pay to the department, in addition to any other fees required for the reissuance, return, or issuance of a driver's license, one hundred dollars ($100) for the reissuance, return, or issuance of his or her driver's license.

SEC. 16. Section 23140 of the Vehicle Code is amended to read:

23140. (a) It is unlawful for a person under the age of 21 years who has 0.05 percent or more, by weight, of alcohol in his or her blood to drive a vehicle.

(b) A person may be found to be in violation of subdivision (a) if the person was, at the time of driving, under the age of 21 years and under the influence of, or affected by, an alcoholic beverage regardless of whether a chemical test was made to determine that person's blood-alcohol concentration and if the trier of fact finds that the person had consumed an alcoholic beverage and was driving a vehicle while having a concentration of 0.05 percent or more, by weight, of alcohol in his or her blood.

(c) Notwithstanding any provision of law to the contrary, upon a finding that a person has violated this section, the clerk of the court, or judge if there is no clerk, shall prepare within 10 days after the finding and immediately forward to the department an abstract of the record of the court in which the finding is made. That abstract shall be a public record and available for public inspection in the same manner as other records reported under Section 1803.

SEC. 17. Section 23157 of the Vehicle Code is amended to read:

23157. (a) (1) Any person who drives a motor vehicle is deemed to have given his or her consent to chemical testing of his or her blood, breath, or urine for the purpose of determining the alcoholic content of his or her blood, and to have given his or her consent to chemical testing of his or her blood or urine for the purpose of determining the drug content of his or her blood, if lawfully arrested for any offense allegedly committed in violation of Section 23140, 23152, or 23153. The testing shall be incidental to a lawful arrest and administered at the direction of a peace officer having reasonable cause to believe the person was driving a motor vehicle in violation

of Section 23140, 23152, or 23153. The person shall be told that his or her failure to submit to, or the failure to complete, the required chemical testing will result in a fine, mandatory imprisonment if the person is convicted of a violation of Section 23152 or 23153, and (A) the suspension of the person's privilege to operate a motor vehicle for a period of one year, (B) the revocation of the person's privilege to operate a motor vehicle for a period of two years if the refusal occurs within seven years of a separate violation of Section 23103 as specified in Section 23103.5, or of Section 23140, 23152, or 23153, or of Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code which resulted in a conviction, or if the person's privilege to operate a motor vehicle has been suspended or revoked pursuant to Section 13353, 13353.1, or 13353.2 for an offense which occurred on a separate occasion, or (C) the revocation of the person's privilege to operate a motor vehicle for a period of three years if the refusal occurs within seven years of two or more separate violations of Section 23103 as specified in Section 23103.5, or of Section 23140, 23152, or 23153, or of Section 191.5 or paragraph (3) of subdivision (c) of Section 192 of the Penal Code, or any combination thereof, which resulted in convictions, or if the person's privilege to operate a motor vehicle has been suspended or revoked two or more times pursuant to Section 13353, 13353.1, or 13353.2 for offenses which occurred on separate occasions, or if there is any combination of those convictions or administrative suspensions or revocations.

(2) (A) If the person is lawfully arrested for driving under the influence of an alcoholic beverage, the person has the choice of whether the test shall be of his or her blood, breath, or urine, and the officer shall advise the person that he or she has that choice. If the person arrested either is incapable, or states that he or she is incapable, of completing any chosen test, the person shall submit to the person's choice of the remaining tests or test, and the officer shall advise the person that the person has that choice.

(B) If the person is lawfully arrested for driving under the influence of any drug or the combined influence of an alcoholic beverage and any drug, the person has the choice of whether the test shall be of his or her blood, breath, or urine, and the officer shall advise the person that he or she has that choice.

(C) A person who chooses to submit to a breath test may also be requested to submit to a blood or urine test if the officer has reasonable cause to believe that the person was driving under the influence of any drug or the combined influence of an alcoholic beverage and any drug and if the officer has a clear indication that a blood or urine test will reveal evidence of the person being under the influence. The officer shall state in his or her report the facts upon which that belief and that clear indication are based. The person has the choice of submitting to and completing a blood or urine test, and the officer shall advise the person that he or she is required to submit to an additional test and that he or she may choose

a test of either blood or urine. If the person arrested either is incapable, or states that he or she is incapable, of completing either chosen test, the person shall submit to and complete the other remaining test.

(3) If the person is lawfully arrested for an offense allegedly committed in violation of Section 23140, 23152, or 23153, and, because of the need for medical treatment, the person is first transported to a medical facility where it is not feasible to administer a particular test of, or to obtain a particular sample of, the person's blood, breath, or urine, the person has the choice of those tests which are available at the facility to which that person has been transported. In that case, the officer shall advise the person of those tests which are available at the medical facility and that the person's choice is limited to those tests which are available.

(4) The officer shall also advise the person that he or she does not have the right to have an attorney present before stating whether he or she will submit to a test or tests, before deciding which test or tests to take, or during administration of the test or tests chosen, and that, in the event of refusal to submit to a test or tests, the refusal may be used against him or her in a court of law.

(5) Any person who is unconscious or otherwise in a condition rendering him or her incapable of refusal is deemed not to have withdrawn his or her consent and a test or tests may be administered whether or not the person is told that his or her failure to submit to, or the noncompletion of, the test or tests will result in the suspension or revocation of his or her privilege to operate a motor vehicle. Any person who is dead is deemed not to have withdrawn his or her consent and a test or tests may be administered at the direction of a peace officer.

(b) Any person who is afflicted with hemophilia is exempt from the blood test required by this section.

(c) Any person who is afflicted with a heart condition and is using an anticoagulant under the direction of a licensed physician and surgeon is exempt from the blood test required by this section.

(d) A person lawfully arrested for any offense allegedly committed while the person was driving a motor vehicle in violation of Section 23140, 23152, or 23153 may request the arresting officer to have a chemical test made of the arrested person's blood, breath, or urine for the purpose of determining the alcoholic content of that person's blood, and, if so requested, the arresting officer shall have the test performed.

(e) If the person, who has been arrested for a violation of Section 23140, 23152, or 23153, refuses or fails to complete a chemical test or tests, or requests that a blood or urine test be taken, the peace officer, acting on behalf of the department, shall serve the notice of the order of suspension or revocation of the person's privilege to operate a motor vehicle personally on the arrested person. The notice shall be on a form provided by the department.

(f) If the peace officer serves the notice of the order of suspension

or revocation of the person's privilege to operate a motor vehicle, the peace officer shall take possession of any driver's license issued by this state which is held by the person. The temporary driver's license shall be an endorsement on the notice of the order of suspension and shall be valid for 30 days from the date of arrest.

(g) The peace officer shall immediately forward a copy of the completed notice of suspension or revocation form and any driver's license taken into possession under subdivision (f), with the report required by Section 23158.2, to the department. If the person submitted to a blood or urine test, the peace officer shall forward the results immediately to the appropriate forensic laboratory. The forensic laboratory shall forward the results of the chemical tests to the department within 15 calendar days of the date of the arrest.

(h) A preliminary alcohol screening test that indicates the presence or concentration of alcohol based on a breath sample in order to establish reasonable cause to believe the person was driving a vehicle in violation of Section 23140, 23152, or 23153 may be used only after the officer evaluates the totality of the circumstances, including the person's performance on the field sobriety tests and under both of the following conditions:

(1) If a person refuses to take field sobriety tests or is incapable of taking the tests, the preliminary alcohol screening test may be used as a further investigative tool, unless the person refuses to take the preliminary alcohol screening test.

(2) If the officer decides to use a preliminary alcohol screening test, the officer shall advise the person that he or she is requesting that person to take a preliminary alcohol screening test to assist the officer in determining if that person is under the influence of alcohol. The person's obligation to submit to a blood, breath, or urine test, as required by this section, for the purpose of determining the alcohol or drug content of that person's blood, is not satisfied by the person submitting to a preliminary alcohol screening test. The officer shall advise the person of that fact and of the person's right to refuse to take the preliminary alcohol screening test.

SEC. 18. Section 23158.2 of the Vehicle Code is amended to read:

23158.2. (a) If a peace officer serves a notice of an order of suspension pursuant to Section 23137, or arrests any person for a violation of Section 23140, 23152, or 23153, the peace officer shall immediately forward to the department a sworn report of all information relevant to the enforcement action, including information which adequately identifies the person, a statement of the officer's grounds for belief that the person violated Section 23136, 23140, 23152, or 23153, a report of the results of any chemical tests which were conducted on the person or the circumstances constituting a refusal to submit to or complete the chemical testing pursuant to Section 23137 or 23157, a copy of any notice to appear under which the person was released from custody, and, if immediately available, a copy of the complaint filed with the court. For purposes of this section and subdivision (g) of Section 23157,

"immediately" means on or before the end of the fifth ordinary business day following the arrest, except that with respect to Section 23137 only, "immediately" has the same meaning as defined in paragraph (3) of subdivision (b) of Section 23137.

(b) The peace officer's sworn report shall be made on forms furnished or approved by the department.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. This act shall be known and may be cited as the Local Government Omnibus Act of 1994. The Legislature finds and declares that Californians desire their governments to be run efficiently and economically and that public officials should avoid waste and duplication whenever possible. The Legislature further

finds and declares that it desires to reduce its own operating costs by reducing the number of separate bills affecting related topics.

Therefore, in enacting this act, it is the intent of the Legislature to combine several minor, noncontroversial statutory changes relating to public agencies into a single measure.

SEC. 2. Section 8855.7 of the Government Code is amended to read:

8855.7. (a) The reports required by Section 8855.5 shall also contain an analysis by the reporting agency of compliance with the targeting requirements of subsection (d) of Section 142 of the Internal Revenue Code of 1986 (26 U.S.C. Sec. 142) with respect to any issue of its bonds subject to those requirements for the federal tax exemption under Section 103 of the Internal Revenue Code of 1986 (26 U.S.C. Sec. 103). The analysis shall identify the numbers of rental units subject to this reporting requirement by categories based on the number of bedrooms per unit, and shall report as to each of these categories.

(b) No public agency or nonprofit corporation subject to the reporting requirements of Section 8855.5 may issue any bonds, including bonds to refund previously issued bonds, subject to the reporting requirements of that section until the Treasurer certifies that the public agency or nonprofit corporation has filed the information required by Section 8855.5 and this section with the California Debt Advisory Commission.

SEC. 3. Section 25307 of the Government Code is amended to read:

25307. All meetings conducted by the board pertaining to salaries of county employees shall be open and public, except as provided in the Ralph M. Brown Act, Chapter 9 (commencing with Section 54950) of Part 1 of Division 2, including Section 54957.6.

SEC. 4. Section 25515.1 of the Government Code is amended to read:

25515.1. (a) After complying with Section 65402 and Article 8 (commencing with Section 54220) of Chapter 5 of Part 1 of Division 2 of Title 5, in managing its real property acquired prior to January 1, 1984, a county may do any of the following:

(1) Sell, lease for a term not to exceed 99 years, or lease with an option to purchase for a term not to exceed 99 years, any of its real property to any person, partnership, corporation, or governmental entity the governing body selects for purposes of cultural, residential, commercial, or industrial use or development, subject to periodic review by the county, upon the terms and conditions determined by the board of supervisors.

(2) Participate as a principal party in the development of cultural, residential, commercial, or industrial uses or development thereof as a public works project.

(3) Contract for the management, marketing, operation, or leasing of its real property for purposes of cultural, residential, commercial, or industrial use or development.

(b) Prior to entering into any agreement pursuant to subdivision (a), the board of supervisors shall determine that the sale, lease, lease with option to purchase, development, or other contract will result in economic benefits to the county. If the proposed agreement is a lease, the board of supervisors shall also make both of the following determinations:

(1) That the public benefit of the proposed lease agreement is expected to be greater than the public benefit which would result from the sale of the property.

(2) That a reasonable expectation exists that future public need justifies retention of the fee ownership of the property.

If the property to be used or developed is adjacent to, or a portion of, real property which is, or will be, used for other governmental activities, the board of supervisors shall also determine that the agreement will not interfere with the use or development of the remaining public property.

(c) In managing any of its property acquired after January 1, 1984, and after complying with Section 65402 and Article 8 (commencing with Section 54220) of Chapter 5 of Part 1 of Division 2 of Title 5, a county may sell, lease, lease with option to purchase, develop, or otherwise dispose of that property in the manner set forth in this section. This subdivision is not applicable to any county property acquired through eminent domain proceedings.

SEC. 5. Section 25515.2 of the Government Code is amended to read:

25515.2. (a) Any sale, lease, lease with option to purchase, development, or contract agreement entered into pursuant to this article shall be authorized by an ordinance adopted by the board of supervisors. The ordinance shall be subject to referendum in the manner prescribed by law for ordinances of counties.

(b) Prior to adopting an ordinance authorizing a sale, lease, lease with option to purchase, development, or contract agreement the board of supervisors shall hold a public hearing. Notice of the time and place of the hearing shall be published pursuant to Section 6066 in one or more newspapers of general circulation within the county and shall be mailed to any person requesting special notice, to any present tenant of the public property, and to all owners of land adjoining the property.

(c) Any sale, lease, lease with option to purchase, development, or contract agreement shall be awarded after competitive bidding in the manner determined by the board of supervisors, or, if approved by a four-fifths vote of the board of supervisors, after a request for proposals.

(d) Any sale, lease, lease with option to purchase, development, or contract agreement awarded pursuant to competitive bidding shall be determined by the board of supervisors to meet all of the following criteria:

(1) Offers the greatest economic return to the county.

(2) Meets the residential, commercial, industrial, or cultural

development needs of the county.

(e) Notice inviting the bids shall be published in the same manner as set forth in subdivision (g).

(f) For the purpose of receiving proposals, the board of supervisors shall, in a regular open meeting, adopt a resolution declaring its intention to consider the proposals. The resolution shall identify the site, shall specify whether the site is intended to be used for residential, commercial, industrial or cultural development or both, and shall fix a time not less than 60 days thereafter for a public meeting of the board of supervisors to be held at its regular place of meeting, at which meeting the board of supervisors shall receive all plans or proposals submitted.

(g) Notice of adoption of the resolution and the time and place of holding the meeting shall be given by publishing the resolution at least once a week for three weeks in a newspaper of general circulation published in the county in which the property is located. In addition, the board of supervisors may authorize the purchase of advertising space and may advertise the proposed transaction in those newspapers, magazines, and other periodicals that, in its judgment, will publicize the proposed transaction to those most likely to submit a proposal or bid.

(h) At the time and place fixed in the resolution the board of supervisors shall meet and open the bids or receive the plans and proposal. The plan or proposal as submitted or as revised by the board of supervisors shall be incorporated into the lease, lease with option to purchase, development, or contract agreement. The board of supervisors may reject any and all bids or plans and proposals submitted.

SEC. 6. Section 25538 of the Government Code is amended to read:

25538. (a) In counties having a population of 1,000,000 or more, based on the most recent estimate by the demographic research unit of the Department of Finance, the board of supervisors may prescribe by ordinance a procedure alternative to that required by Sections 25520 to 25535, inclusive. The ordinance may designate a county officer or department head to sell any real property of an estimated value of twenty-five thousand dollars ($25,000) or less belonging to the county.

(b) Any alternative procedure shall require that the board of supervisors adopt and cause to be published pursuant to Section 6061.3, a resolution of its intention to sell the property. The resolution shall describe the property to be sold in an identifiable manner; specify the minimum price and the terms upon which it will be sold; the date on which it will be sold, which shall be not less than seven days following the completion of publication; fix the place at which sealed proposals to purchase will be received; and fix the time and place where the proposals will be opened and declared and oral bids received. In addition, the board may purchase advertising space and may advertise the proposed sale or lease of the property in any

newspapers, magazines, and other periodicals to publicize the sale or lease to those persons most likely to bid for, purchase, or lease the property.

(c) At the time and place fixed for the opening of bids the county officer or department head may accept the highest bid, written or oral, or, if he or she deems the action to be for the best public interest, he or she may reject any and all bids, either written or oral, and withdraw the property from sale. No oral bid shall be accepted unless it is made by a responsible person and exceeds by at least 5 percent the highest written proposal made by a responsible person.

(d) The alternative procedure may provide that in the event that no written or oral proposal is made which is equal to or greater than the minimum price fixed in the resolution, then for a period of one year following the date of the resolution, or until the board of supervisors revokes its authority, the county officer or department head shall have the authority to negotiate a sale, subject to final acceptance by the board of supervisors, of the real property to any person for not less than the minimum price fixed by the resolution. The alternative procedure may also provide that until the final acceptance occurs, the county officer or department head may lease the real property by direct negotiation on behalf of the county on a month-to-month tenancy, but in no event for more than 12 months, without first obtaining the approval of the board of supervisors.

SEC. 7. Section 25845 of the Government Code is amended to read:

25845. (a) The board of supervisors, by ordinance, may establish a procedure for the abatement of a nuisance. The ordinance shall, at a minimum, provide that the owner of the parcel, and anyone known to the board of supervisors to be in possession of the parcel, be given notice of the abatement proceeding and an opportunity to appear before the board of supervisors and be heard prior to the abatement of the nuisance by the county. However, nothing in this section prohibits the summary abatement of a nuisance upon order of the board of supervisors, or upon order of any other county officer authorized by law to summarily abate nuisances, if the board or officer determines that the nuisance constitutes an immediate threat to public health or safety.

(b) If the owner fails to pay the costs of the abatement upon demand by the county, the board of supervisors may order the cost of the abatement to be specially assessed against the parcel. The assessment may be collected at the same time and in the same manner as ordinary county taxes are collected, and shall be subject to the same penalties and the same procedure and sale in case of delinquency as are provided for ordinary county taxes. All laws applicable to the levy, collection, and enforcement of county taxes are applicable to the special assessment.

(c) If the board of supervisors specially assesses the cost of the abatement against the parcel, the board also may cause a notice of abatement lien to be recorded. The notice shall, at a minimum,

identify the record owner or possessor of property, set forth the last known address of the record owner or possessor, set forth the date upon which abatement of the nuisance was ordered by the board of supervisors and the date the abatement was complete, and include a description of the real property subject to the lien and the amount of the abatement cost.

(d) However, if the board of supervisors does not cause the recordation of a notice of abatement lien pursuant to subdivision (c), and any real property to which the costs of abatement relates has been transferred or conveyed to a bona fide purchaser for value, or a lien on a bona fide encumbrancer for value has been created and attaches to that property, prior to the date on which the first installment of county taxes would become delinquent, then the cost of abatement shall not result in a lien against that real property but shall be transferred to the unsecured roll for collection.

(e) Recordation of a notice of abatement lien pursuant to subdivision (c) has the same effect as recordation of an abstract of a money judgment recorded pursuant to Article 2 (commencing with Section 697.310) of Chapter 2 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure. The lien created has the same priority as a judgment lien on real property and continues in effect until released. Upon order of the board of supervisors, or any county officer authorized by the board of supervisors to act on its behalf, an abatement lien created under this section may be released or subordinated in the same manner as a judgment lien on real property may be released or subordinated.

(f) The board of supervisors may delegate the hearing required by subdivision (a), prior to abatement of a public nuisance, to a hearing board designated by the board of supervisors. The hearing board shall make a written recommendation to the board of supervisors. The board of supervisors may adopt the recommendation without further notice of hearing, or may set the matter for a de novo hearing before the board of supervisors.

(g) The board of supervisors may, by ordinance, delegate to a hearing officer appointed pursuant to Section 27720 the powers and duties specified by this section.

SEC. 8. Section 27005 of the Government Code is amended to read:

27005. The treasurer shall disburse the county money and all other money placed in his or her custody by official authority only on county warrants, checks, or electronic fund transfers issued by the county auditor, except for the making of legal investments.

SEC. 9. Section 29088 of the Government Code is amended to read:

29088. (a) After the conclusion of the hearing, and not later than August 30 of each year, and after making any revisions of, deductions from, or increases or additions to, the proposed budget it deems advisable during or after the public hearing, the board shall by resolution adopt the budget as finally determined. Increases or

additions shall not be made after the public hearing, unless the items were proposed in writing and filed with the clerk of the board before the close of the public hearing or unless approved by the board by four-fifths vote. The changes made pursuant to subdivision (b) of Section 29064 may be recorded as changes to the final budget.

(b) Whenever the state budget is enacted after July 1, the board may, by resolution, extend the date specified by subdivision (a) for a period not to exceed 60 days from the date of the enactment of the state budget or October 2, whichever is later, or 15 days beyond the date specified in Section 29080.

(c) The board may, by resolution, extend on a permanent basis or for a limited period the date specified by this section from August 30 to October 2.

SEC. 10. Section 29851 of the Government Code is amended to read:

29851. Upon the filing of the affidavit, the auditor shall issue and deliver to the legal owner or custodian a duplicate warrant for the full amount of the original warrant, or for any lesser amount still due if any portion of the amount for which the warrant was drawn has been paid, and the treasurer shall pay the duplicate in lieu of the original warrant. If a warrant is lost or destroyed after it has been received by a bank with whom the treasurer has entered into a written agreement pursuant to Article 2 (commencing with Section 53630) of Chapter 4 of Part 1 of Division 2 of Title 5 for the deposit in that bank of moneys belonging to or in the custody of the treasurer, the treasurer may pay on a photocopy of the lost or destroyed warrant in lieu of the original warrant; provided the bank agrees to indemnify and hold the county harmless from any loss incurred by reason of that payment.

SEC. 11. Section 29853 of the Government Code is amended to read:

29853. A warrant is considered lost if it has been mailed and has not been received by the addressee within 20 days after the date of mailing or within a shorter period of time as the board of supervisors may by ordinance establish.

SEC. 12. Section 61765 of the Government Code is amended to read:

61765. (a) A district may fix, on or before the first day of August in each calendar year, a water or sewer standby or availability charge for either water or sewers not to exceed ten dollars ($10) per year for each acre of land, or ten dollars ($10) per year for each parcel of land of less than an acre within the district to which water or sewers are made available for any purpose by the district, whether the water or sewers are actually used or not.

(b) The board of directors of a district which fixes the charge may establish schedules varying the charges depending upon factors such as the uses to which the land is put, the cost of transporting the water to the land, the cost of transporting the sewage from the land, the amount of water used by the land, and the amount of sewage

discharged from the land. The board may restrict charges to lands lying within one or more improvement districts or zones within the community service district.

(c) Notwithstanding subdivision (a) or (b), a district may use the Uniform Standby Charge Procedures Act (Chapter 12.4 (commencing with Section 54985) of Part 1 of Division 2 of Title 5) to fix and levy standby and availability charges for water, sewer, or water and sewer services.

SEC. 13. Section 65859 of the Government Code is amended to read:

65859. (a) A city may, pursuant to this chapter, prezone unincorporated territory to determine the zoning that will apply to that territory upon annexation to the city.

The zoning shall become effective at the same time that the annexation becomes effective.

(b) Pursuant to Section 56375, those cities subject to that provision shall complete prezoning proceedings as required by law.

(c) If a city has not prezoned territory which is annexed, it may adopt an interim ordinance pursuant to Section 65858.

SEC. 14. Section 33215 of the Health and Safety Code is amended to read:

33215. (a) If all of the territory included within a project area, including any noncontiguous territory within the project area, selected pursuant to Section 33322 is subsequently annexed to a city or included within the boundaries of a new city, the territorial jurisdiction of the agency of the county over all of the territory in that project area may be transferred from the agency of the county to the agency of the city pursuant to this section.

(b) A city may initiate the transfer of territorial jurisdiction described in subdivision (a) if the city council agrees to reimburse the county for all costs incurred by the county in conducting the transfer and adopts, or has adopted, both of the following ordinances:

(1) An ordinance pursuant to Section 33101 declaring the need for an agency to function in the city.

(2) An ordinance adopting the same redevelopment plan for the project area that was previously adopted by the board of supervisors or an ordinance adopting that redevelopment plan, with amendments. However, no amendment to a redevelopment plan may be adopted if the amendment would violate any agreement entered into by the agency of the county or the board of supervisors, as determined by the board of supervisors, prior to the effective date of the transfer of territorial jurisdiction, as determined pursuant to subdivision (c).

(c) The effective date of the transfer of territorial jurisdiction is the first day of the fiscal year which begins following the effective date of the later enacted of the ordinances adopted pursuant to subdivision (b).

(d) The transfer of territorial jurisdiction shall have all of the following effects on and after the effective date of the transfer of

territorial jurisdiction, as determined pursuant to subdivision (c):

(1) The agency of the city and the city council shall have all of the rights, powers, and responsibilities provided by this part with respect to the project area and the redevelopment plan for that project area.

(2) The debts and any other obligations of the agency of the county or the board of supervisors in connection with the project area or the redevelopment plan for that project area shall be assumed by the agency of the city.

(3) For the purposes of this part, including Section 33670, the redevelopment plan for the project area for which territorial jurisdiction is transferred from the agency of the county to the agency of the city pursuant to this section shall be considered to have been adopted by the city council on the date the redevelopment plan was originally adopted by the board of supervisors.

(e) The agency of the county, the board of supervisors, the agency of the city, and the city council may enter into any agreements which those entities mutually determine to be necessary or desirable to facilitate the transfer of territorial jurisdiction provided for by this section.

SEC. 15. Section 33216 of the Health and Safety Code is amended to read:

33216. (a) If all, or a substantial portion, of the territory included within a project area selected pursuant to Section 33322 is subsequently annexed to a city or included within the boundaries of a new city, the territorial jurisdiction of the agency of the county over all, or a substantial portion, of the territory in that project area may be transferred from the agency of the county to the agency of the city pursuant to this section. If noncontiguous territory of a project area of an agency of a county is subsequently included within the boundaries of a new city, the jurisdiction of the noncontiguous territory may be transferred to the agency of the city pursuant to this section.

(b) The transfer of territorial jurisdiction described in subdivision (a) is not effective unless all of the following occur:

(1) The agency of the county and the agency of the city enter into the agreement described in subdivision (c) and the city council and the board of supervisors both adopt a resolution approving that agreement.

(2) The city council adopts, or has adopted, both of the following ordinances:

(A) An ordinance pursuant to Section 33101 declaring the need for an agency to function in the city.

(B) An ordinance adopting the same redevelopment plan for the project area that was previously adopted by the board of supervisors.

(c) The agreement required to be entered into between the agency of the county and the agency of the city pursuant to paragraph (1) of subdivision (b) shall contain all of the provisions described in paragraphs (1), (2), (3), and (4) and may contain the provisions described in paragraphs (5) and (6):

(1) A provision specifying that all of the territory included within the project area is transferred from the agency of the county to the agency of the city, or a provision specifying the portions of the project area over which each agency will have territorial jurisdiction.

(2) (A) If all of the territory included within the project area is transferred from the agency of the county to the agency of the city, a provision providing for the allocation of all of the taxes payable from the project area pursuant to subdivision (b) of Section 33670 to the agency of the city.

(B) If a substantial portion of the territory included within the project area is transferred from the agency of the county to the agency of the city, a provision providing for the allocation of taxes payable from the project area pursuant to subdivision (b) of Section 33760 between the agency of the city and the agency of the county. That allocation of taxes shall be reasonably related to the costs the agency of the county and the agency of the city expect to incur in carrying out the redevelopment plan and the outstanding indebtedness the agency of the county has incurred in carrying out the redevelopment plan. That allocation of taxes may differ from the allocation that would have been made if the portion of the project area under the territorial jurisdiction of the county and the portion of the project area under the territorial jurisdiction of the city had been separate project areas at the time of adoption of the redevelopment plan by the board of supervisors.

(3) A requirement that all taxes payable from the project area pursuant to subdivision (b) of Section 33670 which are allocated to the agency of the city, as required by subparagraph (B) of paragraph (2), shall be available if necessary to pay any indebtedness incurred by the agency of the county prior to the effective date of the transfer of jurisdiction in connection with the project area and the redevelopment plan if that indebtedness was secured by the taxes payable from the project area pursuant to subdivision (b) of Section 33670.

(4) If a substantial portion of the territory included within the project area is transferred from the agency of the county to the agency of the city, a requirement that any amendment to the redevelopment plan for that portion of the territory of the project area under the jurisdiction of the county proposed by the agency of the county shall, in addition to any other requirements under this part, be approved by an ordinance adopted by the city council and that any amendment to the redevelopment plan for that portion of the territory of the project area under the jurisdiction of the city proposed by the agency of the city shall, in addition to any other requirements under this part, be approved by an ordinance adopted by the board of supervisors.

(5) If a substantial portion of the territory included within the project area is transferred from the agency of the county to the agency of the city, a provision permitting the agency of the county to undertake activities to implement the redevelopment plan in

portions of the project area under the territorial jurisdiction of the agency of the city or for the agency of the city to undertake activities to implement the redevelopment plan in portions of the project area under the territorial jurisdiction of the county.

(6) Any other terms and conditions which the agency of the county, the board of supervisors, the agency of the city, or the city council mutually determine to be necessary or desirable to facilitate the transfer of territorial jurisdiction over all, or a substantial portion, of the project area and the implementation of the redevelopment plan.

(d) The effective date of the transfer of territorial jurisdiction is the first day of the fiscal year which begins following the effective date of the resolution adopted pursuant to paragraph (1) of subdivision (b) or the effective date of the later enacted of the ordinances adopted pursuant to paragraph (2) of subdivision (b), whichever date is later.

(e) On and after the effective date of the transfer of territorial jurisdiction:

(1) Except as otherwise provided by the agreement entered into pursuant to paragraph (1) of subdivision (b), the agency of the city and the city council shall have all of the rights, powers, and responsibilities provided by this part with respect to all, or the portion, of the project area for which the territorial jurisdiction has been transferred to the city and with respect to all, or the portion, of the redevelopment plan for all, or that portion, of the project area.

(2) The debts and any other obligations of the agency of the county or the board of supervisors in connection with the project area, or a substantial portion of the project area transferred to the city, as the case may be, or the redevelopment plan for that project area, or portion of the project area, shall be assumed by the agency of the city.

(3) For the purposes of this part, including Section 33670, the redevelopment plan for all, or a substantial portion of, the project area for which territorial jurisdiction is transferred from the agency of the county to the agency of the city pursuant to this section shall be considered to have been adopted by the city council on the date the redevelopment plan was originally adopted by the board of supervisors.

SEC. 16. Section 50459 of the Health and Safety Code is amended to read:

50459. (a) The department may adopt, and from time to time revise, guidelines for the preparation of housing elements required by Section 65302 and Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code.

(b) The department shall review housing elements and amendments for substantial compliance with Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code and report its findings pursuant to Section 65585 of the Government Code.

(c) On or before April 1, 1995, and annually thereafter, the department shall report to the Legislature on the status of housing elements and the extent to which they comply with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code. The department shall also make this report available to any other public agency, group, or person who requests a copy.

1463.001. All fines and forfeitures imposed and collected for crimes other than parking offenses resulting from a filing in a court shall as soon as practicable after receipt thereof, be deposited with the county treasurer, and each month the total fines and forfeitures which have accumulated within the past month shall be distributed, as follows:

(a) The state penalties, county penalties, special penalties, service charges, and penalty allocations shall be transferred to the proper funds as required by law.

(b) The base fines shall be distributed, as follows:

(1) Any base fines which are subject to specific distribution under any other section shall be distributed to the specified funds of the state or local agency.

(2) Any amount due to the county which is collected pursuant to Section 1203.1, but excluding fees to cover the actual cost of formal probation, shall be divided between the state and county, with 75 percent transferred to the General Fund and 25 percent transferred to the proper funds of the county.

(3) Of base fines resulting from county arrest not included in paragraph (1), 25 percent shall be transferred into the proper funds of the county, and 75 percent shall be transferred to the General Fund. Except as otherwise provided in this paragraph, in any fiscal year that a county does not remit to the General Fund an amount equal to the amount transmitted during the 1992–93 fiscal year, that county shall make a payment from county funds equal to the difference to the General Fund by October 1 of the subsequent fiscal year. In any fiscal year that a county, which has an agreement that was in effect as of March 22, 1977, that provides for city fines and forfeitures to accrue to the county in exchange for sales tax receipts, does not remit to the General Fund an amount equal to the amount transmitted during the 1993–94 fiscal year, that county shall make a payment from county funds equal to the difference to the General Fund by October 1 of the subsequent fiscal year.

(4) Of base fines resulting from city arrests not included in paragraph (1), an amount equal to the applicable county percentages set forth in Section 1463.002, as modified by Section

In any fiscal year that a county does not remit to the General Fund an amount equal to the amount transmitted during the 1992–93 fiscal year, that county shall make a payment from county funds equal to the difference to the General Fund by October 1 of the subsequent fiscal year. The remainder of base fines resulting from city arrests shall be divided between each city and the state, with 50 percent deposited to the General Fund, and 50 percent deposited to the treasury of the appropriate city.

(5) In a county that had an agreement as of March 22, 1977, that provides for city fines and forfeitures to accrue to the county in exchange for sales tax receipts, of base fines resulting from city arrests not included in paragraph (1), 50 percent shall be deposited to the General Fund, and 50 percent shall be deposited into the proper funds of the county.

(c) Each county shall keep a record of its deposits to its treasury and its transmittal to each city treasury pursuant to this section, and shall provide these records upon request to the Controller.

(d) Any amounts required to be distributed to the state pursuant to this section shall be remitted to the Controller no later than 45 days after the end of the month in which those fines and forfeitures were collected. This remittance shall be accompanied by a remittance advice identifying the collection month and the appropriate account in the General Fund to which it is to be deposited. Any remittance which is not made in accordance with this section shall be considered delinquent and subject to subdivision (b) of Section 77205.1 of the Government Code.

(e) In the event that the percentage of revenues payable to the General Fund from violations of any of the provisions of the Fish and Game Code or any regulation adopted pursuant thereto, or any other law providing for the protection or preservation of birds, mammals, fish, reptiles or amphibia, is reduced by operation of law to a percentage lower than that payable to the state during the 1991–92 fiscal year, each county shall increase its transmittal to the General Fund from its share of fines and forfeitures pursuant to subdivision (b) by an amount equal to the reduction in its transmittal to the General Fund.

(f) The distribution specified in subdivision (b) applies to all funds subject thereto distributed on or after July 1, 1992, regardless of whether the court has elected to allocate and distribute funds pursuant to Section 1464.8.

The Department of Water Resources shall provide an annual report to the Department of Conservation by the date specified by the Department of Conservation on these mining activities.

SEC. 19. Section 9314 of the Public Resources Code is amended to read:

9314. (a) The term of office of the directors, except those first elected, shall be four years. The expiration of the term of any director does not constitute a vacancy, and the director shall hold office until his or her successor has qualified.

(b) (1) As an alternative to the election of directors, the board of directors may, by a resolution presented to the board of supervisors of the principal county, request the board of supervisors to appoint directors, except those first elected. In any election year, the board of directors shall file its request with the board of supervisors not later than 125 days prior to the election. A copy of the resolution shall be furnished to the official responsible for conducting the election at the time it is presented to the board of supervisors of the principal county. The board of supervisors shall appoint directors, after consultation with the board of supervisors of any other county which contains any part of the district, from those candidates who have filed an application with the board of supervisors, as prescribed by the

board of supervisors. If the directors are to be appointed, a notice of election shall not be published, but a notice of vacancy shall be posted pursuant to Section 54974 of the Government Code.

(2) The resolution shall remain in effect until rescinded by the board of directors, or until a petition requesting the rescission is received by the elections official. The petition shall be signed by 5 percent of the registered voters in the district, and shall be received not later than the 120th day before the election. Upon verification by the elections official that the petition contains the requisite number of signatures, the resolution shall be rescinded.

(3) The appointment of directors by the board of supervisors does not affect the status of a district as an independent special district.

(4) If the board of supervisors does not conduct interviews of potential candidates or make an appointment within 60 days after the expiration of the term, the board of directors may make the appointment.

(c) It is the intent of the Legislature to encourage districts to opt for the selection of directors by election, but where directors are appointed pursuant to subdivision (b), it is the intent of the Legislature that the board of supervisors solicit recommendations from within the district, including public, private, and nonprofit entities, and appoint only applicants who are determined by the board of supervisors to have a demonstrated interest in soil and water conservation. In selecting directors pursuant to subdivision (b), the board of supervisors shall endeavor to achieve balanced representation on the board of directors. To avoid undue financial burdens to districts and to thereby promote the objectives of this division, the Legislature hereby encourages counties to waive or minimize the charges for costs of elections conducted pursuant to this division.

SEC. 20. Section 15961.5 is added to the Public Utilities Code, to read:

(b) A resolution or ordinance that divides a district into wards adopted pursuant to subdivision (a) shall describe the boundaries of the wards so that the wards shall be as nearly equal in population as may be.

Before the effective date of the reorganization, the Board of Directors of the Fallbrook Sanitary District shall select two of its members to serve on the Board of Directors of the Fallbrook Public Utility District.

(b) This section is repealed on December 31, 1996.

SEC. 22. Section 99243 of the Public Utilities Code is amended to read:

99243. (a) The Controller, in cooperation with the department and the operators, shall design and adopt a uniform system of accounts and records, from which the operators shall prepare and submit annual reports of their operation to the transportation planning agencies having jurisdiction over them and to the Controller within 90 days of the end of the fiscal year. The report shall specify (1) the amount of revenue generated from each source and its application for the prior fiscal year, and (2) the data necessary to determine which section, with respect to Sections 99268.1, 99268.2, 99268.3, 99268.4, 99268.5, and 99268.9, the operator is required to be in compliance with in order to be eligible for funds under this article.

(b) As a supplement to the annual report prepared pursuant to subdivision (a), each operator shall include an estimate of the amount of revenues to be generated from each source and its proposed application for the next fiscal year, and a report on the extent to which it has contracted with the Prison Industry Authority, including the nature and dollar amounts of all contracts entered into during the reporting period and proposed for the next reporting period.

(c) The Controller shall instruct the county auditor to withhold payments from the fund to any operator that has not submitted its annual report to the Controller within the time specified by subdivision (a).

(d) In establishing the uniform system of accounts and records, the Controller shall include the data required by the United States Department of Transportation and the department.

(e) Notwithstanding any other law or any regulation, including any California Code of Regulations provision, the City of South Lake Tahoe and the City of Huntington Beach may select, for purposes of this chapter, on a one-time basis, a fiscal year that does not end on June 30. After the city has sent a written notice to the Secretary of the Business, Transportation and Housing Agency and the Controller

that the city has selected a fiscal year other than one ending on June 30, the fiscal year selected by the city shall be its fiscal year for all reports required by the state under this chapter.

SEC. 23. Section 2151 of the Streets and Highways Code is amended to read:

2151. On or before the first day of October of each year, the governing body of each county and city shall cause to be made and filed with the Controller a complete report of the expenditures for street or road purposes during the preceding fiscal year ending on the 30th day of June. However, the City of South Lake Tahoe and the City of Huntington Beach may send, on a one-time basis, a written notice to the Controller that it has selected a fiscal year ending on a date other than June 30, and, in that case, the fiscal year selected by the city shall be its fiscal year for reports under this section.

The Controller shall prescribe the form and contents of the report. The report shall show the amount expended for construction by contract, maintenance by contract, construction by day labor, and maintenance by day labor. For construction and maintenance by day labor, the amount shall include the cost of material, labor, equipment, and overhead for work performed thereunder.

The board of supervisors of each county shall by appropriate action, at any regular or special meeting, designate either the county road commissioner or the county auditor as the person responsible for making and signing the report required by this section. When the road commissioner is designated to make and sign the report, the county auditor shall certify the report before it is filed with the Controller. When the county auditor is designated to make and sign the report, the road commissioner shall certify the report before it is filed with the Controller. Reports made by each city shall be certified by the city's fiscal officer.

SEC. 24. Section 30514 of the Water Code is amended to read:

30514. If, on or before July 1, 1977, a district has assumed the responsibilities, rights, duties, assets, liabilities, and obligations of a sanitary district, the board may, and from time to time thereafter may, increase the number of directors to serve thereon to seven, nine or eleven. The additional directors shall be elected at the next general district election or at a special election called for that purpose. One-half of the additional directors shall hold office until the election and qualification of their successors at the first succeeding general district election, and the other one-half of the additional directors shall hold office until the election and qualification of their successors at the second succeeding general district election. The additional directors shall classify themselves by lot to determine their initial terms of office. Thereafter, they shall hold office for the term provided in Section 30502.

SEC. 25. Section 30516 is added to the Water Code, to read:

30516. (a) If the Orange County local agency formation commission orders the reorganization of the Capistrano Beach County Water District and the Capistrano Beach Sanitary District

into a single district, the board of directors of the reorganized district shall, notwithstanding Section 30500 or any other provision of law, initially consist of 10 members, who shall be the combined boards of directors of the two districts as of the effective date of the reorganization.

(b) Upon the expiration of the terms of the members of the board of directors of the reorganized district whose terms first expire following the effective date of the reorganization, the total number of members on the board of directors shall be reduced to seven members. Upon the expiration of the succeeding terms of the members of the board of directors of the reorganized district, the total number of members of the board of directors shall be reduced to five members.

(c) In addition to the powers granted under Section 1780 of the Government Code, in the event of a vacancy on the board of directors of the reorganized district at which time the total number of directors is greater than five, the board of directors may, by majority vote of the remaining members of the board, choose not to fill the vacancy. In that event the total membership of the board of directors shall be reduced by one board member. Upon making the determination not to fill a vacancy, the board of directors shall notify the board of supervisors of its decision.

SEC. 26. Section 50658 of the Water Code is amended to read:

No warrant for the creation or replenishment of a revolving fund shall be paid by the county treasurer unless the order creating the revolving fund includes the assumption by the district of the responsibility for the disbursement of the fund and contains an agreement to hold and save the county treasurer harmless from any improper disbursement of the fund.

SEC. 27. Section 50707 is added to the Water Code, to read:

(b) An election conducted pursuant to this section shall be held on a date prescribed in Section 23509.5 of the Elections Code or on any other date other than an established election date.

SEC. 28. With respect to Sections 20, 21, 22, 23, and 25 of this act, the Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique circumstances of the public utility districts that serve Placer County, the Fallbrook Public Utility District in San Diego County, the City of Huntington Beach, and the special districts which serve the community of Capistrano Beach.

CHAPTER 940

An act to amend Sections 503 and 522 of the Harbors and Navigation Code, to amend Sections 227 and 3205 of the Revenue and Taxation Code, and to amend Sections 9880 and 9900 of the Vehicle Code, relating to vessels.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 503 of the Harbors and Navigation Code is amended to read:

503. (a) A lienholder shall apply to the department for the issuance of an authorization to conduct a lien sale pursuant to the provisions of this section for any vessel with a value determined to be over one thousand five hundred dollars ($1,500). A fee shall be charged by the department and may be recovered by the lienholder if a lien sale is conducted or if the vessel is redeemed. The application shall be executed under penalty of perjury and shall include all of the following information:

(1) A description of the vessel, including make, hull identification number, and state of registration, to the extent available.

(2) The names and addresses of the registered and legal owners of the vessel, if ascertainable from the registration certificate within the vessel, and the name and address of any person whom the lienholder knows or reasonably should know claims a proprietary interest in the vessel.

(3) A statement of the amount of the lien and the facts which give rise to the lien. The statement shall include, as a separate item, an estimate of any additional storage costs accruing pending the lien sale.

(b) Upon receipt of an application made pursuant to subdivision (a), the department shall within 15 days thereafter do the following:

(1) Notify the vessel registry agency of a foreign state of the pending lien sale, if the vessel bears indicia of registration in that state.

(2) By mail, send a notice, a copy of the application, and a return envelope preaddressed to the department to the registered and legal owners at their addresses of record with the department, and to any

other person whose name and address is listed in the application.

(3) A vessel registration stop order or title transfer stop order shall be applied by the department at the time the lien claimant requests authorization to conduct the sale.

(4) Notify the applicant of any outstanding property tax lien on the vessel of which the department has been notified pursuant to subdivision (b) of Section 3205 of the Revenue and Taxation Code. The notice required by this paragraph shall identify the county in which any outstanding lien is held.

(c) The notice required pursuant to subdivision (b) shall include all of the following statements:

(1) An application has been made with the department for authorization to conduct a lien sale and the department has placed a vessel registration stop order or title transfer stop order on the vessel.

(2) Each person to whom notice is sent pursuant to subdivision (b) is entitled to a hearing in court if that person so desires.

(3) If a hearing in court is desired, a declaration of opposition, signed under penalty of perjury, is required to be signed and returned to the department within 15 days of the date that the notice required pursuant to subdivision (b) was mailed.

(4) If the declaration of opposition is signed and returned to the department, the lienholder will be allowed to sell the vessel only if he or she obtains a court judgment or a subsequent release from the declarant.

(5) If a court action is filed, the declarant will be served by mail with legal process in the court proceedings at the address shown on the declaration of opposition and may appear to contest the claim.

(6) The person may be liable for court costs if a judgment is entered in favor of the lienholder.

(d) If the department receives the declaration of opposition in the time provided, the department shall notify the lienholder within 16 days of the receipt of the declaration of opposition that a lien sale shall not be conducted unless the lienholder files an action in court within 60 days of the notice. A lien sale of the vessel shall not be conducted unless judgment is subsequently entered in favor of the lienholder or the declarant subsequently releases his or her interest in the vessel.

(e) Service of legal process on the declarant, with return receipt requested signed by the declarant or an authorized agent of the declarant at the address shown on the declaration of opposition, shall be effective. Return of a declaration of opposition shall constitute consent by the declarant to service of legal process for the desired court hearing upon him or her in the foregoing manner. Notwithstanding subdivision (d) of Section 415.3 of the Code of Civil Procedure, if the lienholder has attempted service upon declarant by that method at the address shown on the declaration of opposition and the mail has been returned unclaimed, the department shall promptly authorize the sale.

(f) Upon receipt of authorization to conduct the lien sale, the lienholder shall do all of the following:

(1) At least 10 days, but not more than 30 days, prior to the lien sale, not counting the day of the sale, give notice of the sale by advertising once in a newspaper of general circulation published in the county in which the vessel is located. If there is no newspaper published in the county, notice shall be given by posting a notice of sale form in three of the most public places in the area in which the vessel is located and at the place where the vessel is to be sold for 10 consecutive days prior to and including the day of the sale.

(2) Send a notice of pending lien sale 20 days prior to the sale, but not counting the day of sale, by mail with return receipt requested, to each of the following:

(A) The registered and legal owners of the vessel, if registered in this state.

(B) All persons known to have an interest in the vessel.

(C) The department.

(g) Upon receipt of the notice, the department shall mark its records and thereafter notify any person having a proprietary interest in the vessel that there is a pending lien sale and that title will not be transferred until the lien is satisfied or released.

(h) All notices required by this section, including the notice forms prescribed by the department, shall specify the make, hull identification number, and state of registration, if available, and the specific date, exact time, and place of sale.

SEC. 1.5. Section 522 of the Harbors and Navigation Code is amended to read:

522. (a) Any hulk, derelict, wreck, or parts of any ship, vessel, or other watercraft sunk, beached, or allowed to remain in an unseaworthy or dilapidated condition upon publicly owned submerged lands, salt marsh, or tidelands within the corporate limits of any municipal corporation or other public corporation or entity having jurisdiction or control over those lands, without its consent expressed by resolution of its legislative body, for a period longer than 30 days without a watchman or other person being maintained upon or near and in charge of the property, is abandoned property.

Thereafter, that municipal corporation or other public corporation or entity may, notwithstanding any other provision of law, take title to the abandoned property for purposes of abatement without satisfying any property tax lien on that property, and also may cause the property to be sold, destroyed, or otherwise disposed of in any manner as it may determine is expedient or convenient. Any property tax lien on the abandoned property shall be satisfied prior to any transfer of title to that property from the public entity. Any sale in accordance with this section shall vest complete title in the purchaser who shall forthwith take steps to remove the property. Any proceeds derived from the sale shall be the property of the municipal corporation or other public corporation or entity.

(b) However, if the owner of the property securely affixes to the

property a notice in plain view setting forth the owner's name and address and claim of ownership, together with the name and address of an agent or representative whom the owner may designate to act within the State of California if the owner does not reside in the state, and files a copy of the notice with the secretary of the municipal corporation or other public corporation or entity having jurisdiction or control over the lands at least five days prior to the removal, the municipal corporation or other public corporation or entity may not sell, destroy, or otherwise dispose of the property until the corporation or entity has first given the owner or the owner's agent, at the address specified in the claim of ownership, 30 days' notice to remove or cause the property to be removed, and then only if the property is not removed by the owner or the owner's agent within that time or reasonable extensions of time as the corporation or entity may grant by resolution. If a registration number appears on the watercraft, the municipal corporation or other public corporation or entity shall send the notice to the last registered owner and the disposition shall be handled as a lien sale under Section 504.

(c) Any municipal corporation or other public corporation may charge a fee to any person who is determined by that municipal or other public corporation to have caused property of a type described in subdivision (a) to become abandoned as described in that subdivision within its corporate limits, in an amount not to exceed the amount of that municipal or other public corporation's actual and reasonable costs incurred pursuant to this section with respect to the abandoned property.

SEC. 2. Section 227 of the Revenue and Taxation Code is amended to read:

227. A documented vessel, as defined in Section 130, shall be assessed at 4 percent of its full cash value only if the vessel is engaged or employed exclusively in any of the following:

(a) In the taking and possession of fish or other living resource of the sea for commercial purposes.

(b) In instruction or research studies as an oceanographic research vessel.

(c) In carrying or transporting seven or more people for hire for commercial passenger fishing purposes and holds a current certificate of inspection issued by the United States Coast Guard. A vessel shall not be deemed to be engaged or employed in activities other than the carrying or transporting of seven or more persons for hire for commercial passenger fishing purposes by reason of that vessel being used occasionally for dive, tour, or whale watching purposes. For purposes of this subdivision, "occasionally" means 15 percent or less of the total operating time logged for the immediately preceding assessment year.

The Controller shall audit all claims for reimbursement to determine whether those claims comply with the requirements of this section.

SEC. 3. Section 3205 of the Revenue and Taxation Code is amended to read:

3205. (a) The county tax collector may, within 30 days after the delinquency date, give written notice to the owners of all property tax delinquent vessels that, in addition to standard county delinquent property tax procedures, the renewal of the certificate of number of, and the transfer of any title to or interest in, that vessel will be withheld by the Department of Motor Vehicles as provided in Section 9880 of the Vehicle Code, until the delinquent taxes have been paid on that vessel.

(b) If the county tax collector has given notice pursuant to subdivision (a), he or she shall give written notice of the delinquency, by electronic transmission or otherwise, to the Department of Motor Vehicles for its recordation pursuant to Section 9880 of the Vehicle Code. Upon receiving a possessory lien sale application filed with respect to a vessel pursuant to subdivision (a) of Section 503 of the Harbors and Navigation Code, the Department of Motor Vehicles shall, in accordance with paragraph (4) of subdivision (b) of that section, notify the applicant of any outstanding property tax lien on that vessel of which the department has been notified pursuant to this subdivision.

(c) If the county tax collector has given notice pursuant to subdivisions (a) and (b), the county tax collector shall also provide written notice to the Department of Motor Vehicles when the delinquency has been satisfied.

SEC. 4. Section 9880 of the Vehicle Code is amended to read:

9880. (a) The department shall not renew the certificate of number of, or allow a transfer of any title to or interest in, a vessel if the county tax collector has notified the department pursuant to Section 3205 of the Revenue and Taxation Code, that taxes are delinquent upon the vessel, and the department shall not subsequently issue a certificate of number for, or a new certificate of ownership reflecting a transfer of title to or interest in, that vessel until the department receives a certificate of clearance from the county tax collector that the delinquent taxes have been paid on that vessel or until the county tax collector has provided notice to the department that the delinquency has been satisfied.

(b) The department shall record the notice of delinquent taxes on the vessel. If the department is notified by the county tax collector that the delinquency has been satisfied, the department shall, if all other requirements are satisfied, issue a certificate of number for, or a new certificate of ownership reflecting a transfer of title to or interest in, the vessel. The department shall assess a fee upon each county tax collector in an amount that is sufficient to reimburse the department for its actual costs of administering this section.

(c) Whenever a vessel subject to this section is transferred, or not renewed for two renewal periods, the department shall notify the county tax collector of that fact.

SEC. 5. Section 9900 of the Vehicle Code is amended to read:

9900. No transfer of the title or any interest in or to an undocumented vessel numbered under this code shall pass, and any attempted transfer shall not be effective, until the parties thereto have paid any delinquent property taxes with respect to that vessel and fulfilled either of the following requirements:

(a) The transferor has made proper endorsement and delivery of the certificate of ownership to the transferee as provided in this code and the transferee has delivered to the department or has placed the certificates in the United States mail addressed to the department when and as required under this code with the proper transfer fee and thereby makes application for a new certificate of ownership and a new certificate of number.

(b) The transferor has delivered to the department or has placed in the United States mail addressed to the department the appropriate documents for the transfer of ownership of the vessel pursuant to the sale or transfer except as otherwise provided.

SEC. 6. This act shall become operative on July 1, 1995.

SEC. 7. Notwithstanding Section 2229 of the Revenue and Taxation Code, the requirements of that section relating to any exemption or classification of property for more than five years or for more than 75 percent of the value thereof, shall not apply to any exemption or classification made by this act. In addition, no appropriation is made by this act and the state shall not reimburse any local agency for any property tax revenues lost by it pursuant to this act.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 2888 is added to the Public Utilities Code, to read:

2888. The commission shall pursue all available legal remedies to redraw intrastate inter-exchange, also known as local access and transport area, or LATA, boundaries for the purpose of eliminating restrictions that result in discriminatory costs, added inconvenience, and less service for consumers of telecommunications services solely in and between the Counties of Monterey and Santa Cruz.

SEC. 2. The Legislature finds and declares that a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution due to the unique circumstances concerning the delivery of telecommunications

services in and between the Counties of Monterey and Santa Cruz.

CHAPTER 942

The people of the State of California do enact as follows:

SECTION 1. The Legislature hereby finds and declares the following:

(a) The federal government, through executive action, has recently strengthened federal procurement guidelines for recycled paper products.

(b) The "Federal Acquisition, Recycling, and Waste Prevention Executive Order" issued by President Clinton establishes minimum recycled content standards for printing and writing papers that significantly exceed California's standards established in the State Assistance for Recycling Markets Act of 1989 and subsequently modified by Assembly Bill 11 in 1993.

(c) It is the intent of the Legislature to conform the definition of recycled paper for purposes of uncoated printing and writing paper in Sections 10507, 10855, 12161, and 12301 of the Public Contract Code and Section 42202 of the Public Resources Code, with federal purchasing guidelines developed by the Environmental Protection Agency reflecting the recycled fiber content requirements in Section 504 (a) and (b) of the executive order entitled "Federal Acquisition, Recycling and Waste Prevention."

SEC. 2. Section 10233 of the Public Contract Code is amended to read:

10233. Contractors shall certify in writing, under penalty of perjury, to the department awarding a contract under this part, the minimum, if not exact, percentage of recycled content, both postconsumer material and secondary material as defined in Sections 12161 and 12200, in materials, goods, or supplies offered or products used in the performance of the contract, regardless of whether the product meets the required recycled product percentage as defined in Sections 12161 and 12200. The contractor may certify that the product contains zero recycled content. This section shall apply to all state contracts and, to the extent feasible, all federally funded contracts.

SEC. 3. Section 10308.5 of the Public Contract Code is amended

to read:

10308.5. Contractors shall certify in writing, under penalty of perjury, to the state agency awarding a contract, the minimum, if not exact, percentage of recycled content, both postconsumer material and secondary material as defined in Sections 12161 and 12200, in materials, goods, or supplies offered or products used in the performance of the contract, regardless of whether the product meets the required recycled product percentage as defined in Sections 12161 and 12200. SEC. 4. Section 10354 of the Public Contract Code is amended to read:

10354. Contractors shall certify in writing, under penalty of perjury, to the state agency awarding a contract, the minimum, if not exact, percentage of recycled content, both postconsumer material and secondary material as defined in Sections 12161 and 12200, in materials, goods, or supplies offered or products used in the performance of the contract, regardless of whether the product meets the required recycled product percentage as defined in Sections 12161 and 12200. SEC. 5. Section 10507 of the Public Contract Code is amended to read:

10507. For the purpose of this article, "recycled paper" means all paper and woodpulp products containing postconsumer and secondary materials as defined in this section. "Postconsumer material" means a finished material which would normally be disposed of as a solid waste, having completed its life cycle as a consumer item. "Secondary material" means fragments of products or finished products of a manufacturing process, which has converted a virgin resource into a commodity of real economic value, and includes postconsumer material, but does not include fibrous waste generated during the manufacturing process such as fibers recovered from wastewater or trimmings of paper machine rolls (mill broke), wood slabs, chips, sawdust or other wood residue from a manufacturing process.

"Recycled paper" means a paper product with not less than 50 percent, by fiber weight, consisting of secondary and postconsumer material, with not less than 10 percent of the fiber weight consisting of postconsumer material.

For fine grades of paper such as uncoated printing and writing grades, "recycled paper" means either of the following:

(a) For text and cover grades and cotton fiber papers, not less than 50 percent by fiber weight consisting of secondary and postconsumer material with not less than 20 percent of fiber weight

consisting of postconsumer material.

(b) For other uncoated printing and writing grades, not less than 20 percent by fiber weight consisting of postconsumer material.

Effective January 1, 1999, for both subdivisions (a) and (b), the postconsumer material content shall be increased to 30 percent of fiber weight.

SEC. 6. Section 10855 of the Public Contract Code is amended to read:

10855. For the purpose of this article, "recycled paper product" means all paper and woodpulp products containing postconsumer and secondary materials as defined in this section. "Postconsumer material" means a finished material which would normally be disposed of as a solid waste, having completed its life cycle as a consumer item. "Secondary material" means fragments of products or finished products of a manufacturing process, which has converted a virgin resource into a commodity of real economic value, and includes postconsumer material, but does not include fibrous waste generated during the manufacturing process such as fibers recovered from wastewater or trimmings of paper machine rolls (mill broke), wood slabs, chips, sawdust, or other wood residue from a manufacturing process.

"Recycled paper product" means a paper product with not less than 50 percent, by fiber weight, consisting of secondary and postconsumer material with not less than 10 percent of fiber weight consisting of postconsumer material.

For fine grades of paper such as uncoated printing and writing grades, "recycled paper" means either of the following:

(a) For text and cover grades and cotton fiber papers, not less than 50 percent by fiber weight consisting of secondary and postconsumer material with not less than 20 percent of fiber weight consisting of postconsumer material.

(b) For other uncoated printing and writing grades, not less than 20 percent by fiber weight consisting of postconsumer material.

Effective January 1, 1999, for both subdivisions (a) and (b), the postconsumer material content shall be increased to 30 percent of fiber weight.

SEC. 7. Section 10860 of the Public Contract Code is amended to read:

10860. (a) The trustees shall revise the procedures and specifications for purchases of paper products to give preference, wherever feasible, to the purchase of paper products containing recycled paper products pursuant to Section 10855.

(b) The trustees shall give purchase preference to recycled paper products when both of the following apply:

(1) The products can be substituted for, and cost no more than, nonrecycled paper products.

(2) The products meet all applicable standards and regulations.

(c) To encourage the use of postconsumer material, the trustees' specifications shall require recycled paper product contracts to be

awarded to the bidder whose paper product contains the greater percentage of postconsumer material if the fitness and quality and price meet the requirements in this section and Section 10855 .

(d) The trustees shall set the following goals for the purchasing of recycled paper products:

(1) By January 1, 1992, at least 35 percent of the total dollar amount of paper products purchased or procured by the trustees shall be purchased as a recycled paper product.

(2) By January 1, 1994, at least 40 percent of the total dollar amount of paper products purchased or procured by the trustees shall be purchased as a recycled paper product.

(3) By January 1, 1996, at least 50 percent of the total dollar amount of paper products purchased or procured by the trustees shall be purchased as a recycled paper product.

If at any time a goal has not been met, the trustees and the Department of General Services, in consultation with the California Integrated Waste Management Board, shall review procurement policies and shall make recommendations for immediate revisions to ensure that each goal is met. Revisions include, but are not limited to, providing a purchasing preference and altering the goals. The trustees and the Department of General Services, in consultation with the board, shall present its conclusions and recommendations on these revisions of procurement policies to the Legislature and the Governor in the department's annual report pursuant to Section 12225.

SEC. 8. Section 12161 of the Public Contract Code is amended to read:

"Secondary material" means fragments of finished products or finished products of a manufacturing process, which has converted a virgin resource into a commodity of real economic value, and includes postconsumer material, but does not include fibrous waste generated during the manufacturing process such as fibers recovered from wastewater or trimmings of paper machine rolls (mill broke), wood slabs, chips, sawdust, or other wood residue from a manufacturing process.

"Recycled paper product" means a paper product with not less than 50 percent, by fiber weight, consisting of secondary and postconsumer material with not less than 10 percent of fiber weight consisting of postconsumer material.

For fine grades of paper such as uncoated printing and writing grades, "recycled paper" means either of the following:

(a) For text and cover grades and cotton fiber papers, not less than 50 percent by fiber weight consisting of secondary and postconsumer material with not less than 20 percent of fiber weight

consisting of postconsumer material.

(b) For other uncoated printing and writing grades, not less than 20 percent by fiber weight consisting of postconsumer material.

Effective January 1, 1999, for both subdivisions (a) and (b), the postconsumer material content shall be increased to 30 percent of fiber weight.

SEC. 9. Section 12162 of the Public Contract Code is amended to read:

12162. (a) The department shall set the following goals for the purchase of recycled paper products:

(1) By January 1, 1994, at least 40 percent of the total dollar amount of paper products purchased or procured shall be a recycled paper product, as defined in Section 12161. In addition, at least 15 percent of the total fine writing and printing paper purchased or procured shall be a recycled paper product, as defined in Section 12161.

(2) By January 1, 1996, at least 50 percent of the total dollar amount of paper products purchased or procured shall be a recycled paper product, as defined in Section 12161. In addition, at least 25 percent of the total fine writing and printing paper purchased or procured shall be a recycled paper product, as defined in Section 12161.

(b) All state agencies shall report to the department and to the board on their progress in meeting the goals specified in this section and Section 12205 and shall submit to the department and to the board a detailed plan to meet those goals. The department shall develop a uniform reporting procedure which state agencies shall follow. If at any time a goal has not been met, the department, in consultation with the board, shall review procurement policies and shall make recommendations for immediate revisions to ensure that the goal is met. The department, in consultation with the board, shall present its conclusions and recommendations on these revisions of procurement policies to the Legislature in the department's annual report pursuant to Section 12225.

(c) (1) All state agencies shall give a purchase preference, not to exceed 10 percent, to recycled paper products, if the product's fitness, quality, availability, and price meet the requirements of Section 12161. The board, in consultation with the department, shall establish, on or before May 1, 1994, and every two years thereafter, price preferences for the purposes of meeting the goals set forth in this section and Section 12205 for recycled products. For those priority commodities, as defined by the board, the price preference established by the board shall not be less than 5 percent. The board shall publish the established price preferences annually in the board's report to the Legislature pursuant to Section 40507 of the Public Resources Code.

(2) In establishing the price preferences, the board shall take into consideration the following factors:

(A) Materials that comprise the largest percentage of the state's

solid waste stream.

(B) Materials that have the highest percentage of postconsumer material.

(C) Materials that require expanded markets.

(D) Any other market factors as determined by the board.

(3) The combined dollar amount of preference granted pursuant to this section and any other provision of law shall not exceed one hundred thousand dollars ($100,000).

(d) Notwithstanding paragraph (1) of subdivision (c), the recycled paper bidder preference shall not exceed fifty thousand dollars ($50,000) if a preference exceeding that amount would preclude an award to a small business that offers nonrecycled paper products and is qualified in accordance with Section 14838 of the Government Code.

(e) The board shall implement a pilot program, from January 1, 1994, to January 1, 1997, for funding claims submitted by state agencies for providing the price preferences required by this section and Section 12205. A state agency's purchase of recycled paper products pursuant to subdivision (a) shall be ineligible for claims under the pilot program. On or before March 31, 1996, in conjunction with the annual report required by Section 40507 of the Public Resources Code, the board shall report to the Legislature and Governor on the pilot program and make recommendations concerning the continuation or modification of the program. A sum of not more than three hundred thousand dollars ($300,000) total, or one hundred thousand dollars ($100,000) annually, shall be expended for the purposes of implementing the pilot program. This subdivision shall be operative only if adequate funds for the pilot program are made available.

(f) This section shall remain in effect only until January 1, 2001, and as of that date is repealed, unless a later enacted statute which is chaptered prior to that date extends or deletes that date.

SEC. 10. Section 12163 of the Public Contract Code is amended to read:

12163. (a) The director, in consultation with the board, shall review the procurement specifications currently used by the department in order to eliminate, wherever economically feasible, discrimination against the procurement of recycled paper products.

The director shall include his or her conclusions and recommendations in the department's annual report pursuant to Section 12225.

(c) When contracting with the department for the sale of material subject to this article, the contractor shall certify in writing to the contracting officer or his or her representative that the material offered contains the minimum percentage of recycled paper required by Section 12161 and shall specify the minimum, if not

exact, percentage of secondary and postconsumer material in the paper products. The certification shall be furnished under penalty of perjury.

(d) The department, in consultation with the board, shall establish purchasing practices which, to the maximum extent economically feasible, assure purchase of materials which may be recycled or reused when discarded.

(e) The department shall make every effort to eliminate purchases of paper products deemed potential contaminants to the state's recycling program pursuant to Section 12165.

SEC. 11. Section 12200 of the Public Contract Code is amended to read:

12200. For the purpose of this article:

(a) "Recycled product" means all materials, goods, and supplies, no less than 50 percent of the total weight of which consists of secondary and postconsumer material with not less than 10 percent of its total weight consisting of postconsumer material. A recycled product shall include any product which could have been disposed of as solid waste having completed its life cycle as a consumer item, but otherwise is refurbished for reuse without substantial alteration of its form.

(b) "Postconsumer material" means a finished material which would have been disposed of as a solid waste, having completed its life cycle as a consumer item, and does not include manufacturing wastes.

(c) "Secondary material" means fragments of finished products or finished products of a manufacturing process, which has converted a resource into a commodity of real economic value, and includes postconsumer material, but does not include excess virgin resources of the manufacturing process.

(6) Business retention and recruitment.

(7) Management assistance.

(d) This section shall not be interpreted to permit the funding of economic development activities that benefit any affiliated companies or parent holding companies beyond that which is authorized by law as of January 1, 1992.

(e) (1) This section shall not authorize the commission to establish discriminatory rates for the purpose of attracting or benefiting specific industries or business entities, except that incentives may be provided for the benefit of industries or business entities whose facilities are located within the boundaries of enterprise zones, economic incentive areas, or recycling market development zones in accordance with the provisions of Chapter 12.8 (commencing with Section 7070) and Article 1 (commencing with Section 7080) of Chapter 12.9 of Division 7 of Title 1 of the Government Code, and Article 2 (commencing with Section 42145) of Chapter 3 of Part 3 of the Public Resources Code.

(2) The commission may apply the incentives authorized by this subdivision that benefit industries or business entities whose facilities are located within the boundaries of economic enterprise zones or incentive areas to attract a federal Department of Defense Finance and Accounting Service Center at the existing site of Norton Air Force Base in San Bernardino County. This paragraph shall become

inoperative if the federal Department of Defense Finance and Accounting Service Center is not located upon the premises known as Norton Air Force Base in San Bernardino County and shall also become inoperative on February 1, 1994, if that facility has not been awarded to that site before that date.

(f) The commission may provide incentives pursuant to subdivision (e) to industries or business entities whose facilities are located within the boundaries of an enterprise zone that engage in activities in connection with the conversion of Fort Ord to other uses.

(g) The commission may authorize rate discounts to industries or business entities whose facilities are located or will be located within the boundaries of enterprise zones, recycling market development zones, or economic incentive areas pursuant to paragraph (1) of subdivision (e). These discounts may be applied in either of the following ways:

(1) Utilities may apply reduced monthly rates to qualifying customers' monthly utility bills.

(2) Utilities may, at the election of qualifying customers, assign the discounts to a private or public entity that returns consideration of like value to those customers, provided the customers agree to maintain their facilities in an enterprise zone, a recycling market development zone, or an economic incentive area for a minimum of five years from the date of commencement of the discount.

(h) It is the intent of the Legislature that the Public Utilities Commission, in implementing this chapter, shall allow rate recovery of expenses and rate discounts supporting economic development programs within the geographic area served by any public utility to the extent the utility incurring or proposing to incur, those expenses and rate discounts demonstrates that the ratepayers of the public utility will derive a benefit from those programs. Further, it is the intent of the Legislature that expenses for economic development programs incurred prior to the effective date of this chapter, which have not been previously authorized to be recovered in rates, shall not be subject to rate recovery.

CHAPTER 946

An act to add Section 739.2 to of the Public Utilities Code, relating to public utilities.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 739.2 is added to the Public Utilities Code, to read:

739.2. (a) The commission's program of assistance to low-income

electric and gas customers shall also include the following facilities, provided the commission finds that the occupants of the facilities substantially meet the commission's low-income eligibility requirements and there is a feasible process for certifying that the assistance shall be used for the direct benefit of the occupants of the facilities:

(1) Migrant farmworker housing centers provided pursuant to Section 50710 of the Health and Safety Code.

(2) Employee housing, as defined in Section 17008 of the Health and Safety Code, that is licensed and inspected by state or local agencies pursuant to Part 1 (commencing with Section 17000) of Division 13 of the Health and Safety Code.

(3) Housing for agricultural employees, as defined in subdivision (b) of Section 1140.4 of the Labor Code, that has received an exemption from local property taxes pursuant to subdivision (g) of Section 214 of the Revenue and Taxation Code.

(b) The assistance provided pursuant to subdivision (a) shall only apply to gas and electricity, or both, used for the housing occupied by the workers and employees specified in subdivision (a).

CHAPTER 947

An act to amend Section 739 of, and to add Section 739.1 to, the Public Utilities Code, relating to public utilities.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 739 of the Public Utilities Code is amended to read:

739. (a) The commission shall designate a baseline quantity of gas and electricity which is necessary to supply a significant portion of the reasonable energy needs of the average residential customer. In estimating those quantities, the commission shall take into account differentials in energy needs between customers whose residential energy needs are currently supplied by electricity alone or by both electricity and gas. The commission shall develop a separate baseline quantity for all-electric residential customers. For these purposes, "all-electric residential customers" are residential customers having electrical service only or whose space heating is provided by electricity, or both. The commission shall also take into account differentials in energy use by climatic zone and season.

(b) (1) The commission shall establish a standard limited allowance which shall be in addition to the baseline quantity of gas and electricity for residential customers dependent on life-support equipment, including, but not limited to, emphysema and

pulmonary patients. A residential customer dependent on life-support equipment shall be given a higher energy allocation than the average residential customer.

(2) "Life-support equipment" means that equipment which utilizes mechanical or artificial means to sustain, restore, or supplant a vital function, or mechanical equipment which is relied upon for mobility both within and outside of buildings. "Life-support equipment," as used in this subdivision, includes all of the following: all types of respirators, iron lungs, hemodialysis machines, suction machines, electric nerve stimulators, pressure pads and pumps, aerosol tents, electrostatic and ultrasonic nebulizers, compressors, IPPB machines, and motorized wheelchairs.

(3) The limited additional allowance shall also be made available to paraplegic and quadriplegic persons in consideration of the increased heating and cooling needs of those persons.

(4) The limited additional allowance shall also be made available to multiple sclerosis patients in consideration of the increased heating and cooling needs of those persons.

(5) The limited additional allowance shall also be made available to scleroderma patients in consideration of the increased heating needs of those persons.

(c) (1) The commission shall require that every electrical and gas corporation file a schedule of rates and charges providing baseline rates. The baseline rates shall apply to the first or lowest block of an increasing block rate structure which shall be the baseline quantity. In establishing these rates, the commission shall avoid excessive rate increases for residential customers, and shall establish an appropriate gradual differential between the rates for the respective blocks of usage.

(2) In establishing residential electric and gas rates, including baseline rates, the commission shall assure that the rates are sufficient to enable the electrical corporation or gas corporation to recover a just and reasonable amount of revenue from residential customers as a class, while observing the principle that electricity and gas services are necessities, for which a low affordable rate is desirable.

(d) As used in this section:

(1) "Baseline quantity" means a quantity of electricity or gas for residential customers to be established by the commission based on from 50 to 60 percent of average residential consumption of these commodities, except that, for residential gas customers and for all-electric residential customers, the baseline quantity shall be established at from 60 to 70 percent of average residential consumption during the winter heating season. In establishing the baseline quantities, the commission shall take into account climatic and seasonal variations in consumption and the availability of gas service. The commission shall review and revise baseline quantities as average consumption patterns change in order to maintain these ratios.

(2) "Residential customer" means those customers receiving electrical or gas service pursuant to a domestic rate schedule and excludes industrial, commercial, and every other category of customer.

(e) Wholesale electrical or gas purchases, and the rates charged therefor, are exempt from this section.

(f) Nothing contained in this section shall be construed to prohibit experimentation with alternative gas or electrical rate schedules for the purpose of achieving energy conservation.

SEC. 2. Section 739.1 is added to the Public Utilities Code, to read:

739.1. (a) The commission shall establish a program of assistance to low-income electric and gas customers, the cost of which shall not be borne solely by any single class of customer. The program shall be referred to as the California Alternate Rates for Energy or CARE program.

(b) The commission's program of assistance to low-imcome electric and gas customers shall, as soon as practicable, include nonprofit group living facilities specified by the commission, if the commission finds that the residents in these facilities substantially meet the commission's low-income eligibility requirements and there is a feasible process for certifying that the assistance shall be used for the direct benefit, such as improved quality of care or improved food service, of the low-income residents in the facilities. The commission shall authorize utilities to offer discounts to eligible facilities licensed or permitted by appropriate state or local agencies, and to facilities, including women's shelters, hospices, and homeless shelters, that may not have a license or permit but provide other proof satisfactory to the utility that they are eligible to participate in the program.

SEC. 3. Section 1 of this act shall not become operative if Assembly Bill No. 1879 of the 1993–94 Session is chaptered.

CHAPTER 948

SEC. 3. Section 19141.6 of the Revenue and Taxation Code, as amended by Chapter 22 of the Statutes of 1994, is amended to read:

19141.6. (a) Each taxpayer determining its income subject to tax pursuant to Section 25101 or electing to file pursuant to Section 25110 shall, for income years beginning on or after January 1, 1994, maintain (in the location, in the manner, and to the extent prescribed in regulations which shall be promulgated by the Franchise Tax Board on or before December 31, 1995) and make available upon request all of the following:

(1) Any records as may be appropriate to determine the correct treatment of the components that are a part of one or more unitary businesses for purposes of determining the income derived from or attributable to this state pursuant to Section 25101 or 25110.

(2) Any records as may be appropriate to determine the correct treatment of amounts that are attributable to the classification of an item as business or nonbusiness income for purposes of Article 2 (commencing with Section 25120) of Chapter 17 of Part 11.

(4) Documents and information, including any questionnaires completed and submitted to the Internal Revenue Service that are necessary to audit issues involving attribution of income to the United States or foreign jurisdictions under Section 882 or Subpart F of Part III of Subchapter N, or similar sections, of the Internal Revenue Code.

(b) For purposes of this section:

(1) Information for any year shall be retained for that period of time in which the taxpayers' income or franchise tax liability to this state may be subject to adjustment, including all periods in which additional income or franchise taxes may be assessed, not to exceed eight years from the due date or extended due date of the return, or during which a protest is pending before the Franchise Tax Board, or an appeal is pending before the State Board of Equalization or a lawsuit is pending in the courts of this state or the United States with respect to California franchise or income tax.

(2) "Related party" means banks and corporations that are related because one owns or controls directly or indirectly more than 50 percent of the stock of the other or because more than 50 percent of the voting stock of each is owned or controlled, directly or indirectly, by the same interests.

(3) "Records" includes any books, papers, or other data.

(c) (1) If a bank or corporation subject to this section fails to maintain or fails to cause another to maintain records as required by subdivision (a), or willfully fails to comply substantially with Section 18634 requiring the filing of an information return, that bank or corporation shall pay a penalty of ten thousand dollars ($10,000) for each income year with respect to which the failure occurs.

(2) If any failure described in paragraph (1) continues for more than 90 days after the day on which the Franchise Tax Board mails notice of the failure to the bank or corporation, that bank or corporation shall pay a penalty (in addition to the amount required under paragraph (1)) of ten thousand dollars ($10,000) for each 30-day period (or fraction thereof) during which the failure continues after the expiration of the 90-day period. The additional penalty imposed by this subdivision shall not exceed a maximum of fifty thousand dollars ($50,000) if the failure to maintain or the failure to cause another to maintain is not willful. This maximum shall apply with respect to income years beginning on or after January 1, 1994, and before the earlier of the first day of the month following the month in which regulations are adopted pursuant to this section or December 31, 1995.

(3) For purposes of this section, the time prescribed by regulations to maintain records (and the beginning of the 90-day period after notice by the Franchise Tax Board) shall be treated as not earlier than the last day on which (as shown to the satisfaction

of the Franchise Tax Board) reasonable cause existed for failure to maintain the records.

(d) (1) The Franchise Tax Board may apply the rules of paragraph (2) whether or not the board begins a proceeding to enforce a subpoena, or subpoena duces tecum, if subparagraphs (A), (B), and (C) apply:

(A) For purposes of determining the correct treatment under Part 11 (commencing with Section 23001) of the items described in subdivision (a), the Franchise Tax Board issues a subpoena or subpoena duces tecum to a bank or corporation to produce (either directly or as agent for the related party) any records or testimony.

(B) The subpoena or subpoena duces tecum is not quashed in a proceeding begun under paragraph (3) and is not determined to be invalid in a proceeding begun under Section 19504 to enforce the subpoena or subpoena duces tecum.

(C) The bank or corporation does not substantially comply in a timely manner with the subpoena or subpoena duces tecum and the Franchise Tax Board has sent by certified or registered mail a notice to that bank or corporation that it has not substantially complied.

(D) If the bank or corporation fails to maintain or fails to cause another to maintain records as required by subdivision (a), and by reason of that failure, the subpoena, or subpoena duces tecum, is quashed in a proceeding described in subparagraph (B) or the bank or corporation is not able to provide the records requested in the subpoena or subpoena duces tecum, the Franchise Tax Board may apply the rules of paragraph (2) to any of the items described in subdivision (a) to which the records relate.

(2) (A) All of the following shall be determined by the Franchise Tax Board in the Franchise Tax Board's sole discretion from the Franchise Tax Board's own knowledge or from information the Franchise Tax Board may obtain through testimony or otherwise:

(B) This paragraph shall apply to determine the correct treatment of the items described in subdivision (a) unless the bank or corporation is authorized by its related parties (in the manner and at the time as the Franchise Tax Board shall prescribe) to act as the related parties' limited agent solely for purposes of applying Section 19504 with respect to any request by the Franchise Tax Board to examine records or produce testimony related to any item described

in subdivision (a) or with respect to any subpoena or subpoena duces tecum for the records or testimony. The appearance of persons or the production of records by reason of the bank or corporation being an agent shall not subject those persons or records to legal process for any purpose other than determining the correct treatment under Part 11 of the items described in subdivision (a).

(3) (A) Notwithstanding any other law or rule of law, any reporting bank or corporation to which the Franchise Tax Board issues a subpoena or subpoena duces tecum referred to in subparagraph (A) of paragraph (1) shall have the right to begin a proceeding to quash the subpoena or subpoena duces tecum not later than the 90th day after the subpoena or subpoena duces tecum was issued. In that proceeding, the Franchise Tax Board may seek to compel compliance with the subpoena or subpoena duces tecum.

(B) Notwithstanding any other law or rule of law, any reporting bank or corporation that has been notified by the Franchise Tax Board that it has determined that the bank or corporation has not substantially complied with a subpoena or subpoena duces tecum referred to in paragraph (1) shall have the right to begin a proceeding to review the determination not later than the 90th day after the day on which the notice referred to in subparagraph (C) of paragraph (1) was mailed. If the proceeding is not begun on or before the 90th day, the determination by the Franchise Tax Board shall be binding and shall not be reviewed by any court.

(C) The superior courts of the State of California for the Counties of Los Angeles, Sacramento, and San Diego, and for the City and County of San Francisco shall have jurisdiction to hear any proceeding brought under subparagraphs (A) and (B). Any order or other determination in the proceeding shall be treated as a final order that may be appealed.

(D) If any bank or corporation takes any action as provided in subparagraphs (A) and (B), the running of any period of limitations under Sections 19057 to 19064, inclusive (relating to the assessment and collection of tax), or under Section 19704 (relating to criminal prosecutions) with respect to that bank or corporation shall be suspended for the period during which the proceedings, and appeals therein, are pending. In no event shall any period expire before the 90th day after the day on which there is a final determination in the proceeding.

(1) In any case where a taxpayer purchases or otherwise acquires all or any portion of the assets of an existing trade or business (irrespective of the form of entity) that is doing business in this state (within the meaning of Section 23101), the trade or business thereafter conducted by the taxpayer (or any related person) shall not be treated as a new business if the aggregate fair market value of the acquired assets (including real, personal, tangible, and intangible property) used by the taxpayer (or any related person) in the conduct of its trade or business exceeds 20 percent of the aggregate fair market value of the total assets of the trade or business being conducted by the taxpayer (or any related person). For purposes of this paragraph only, the following rules shall apply:

(A) The determination of the relative fair market values of the acquired assets and the total assets shall be made as of the last day of the first income year in which the taxpayer (or any related person) first uses any of the acquired trade or business assets in its business activity.

(B) Any acquired assets that constituted property described in Section 1221(1) of the Internal Revenue Code in the hands of the transferor shall not be treated as assets acquired from an existing trade or business, unless those assets also constitute property described in Section 1221(1) of the Internal Revenue Code in the hands of the acquiring taxpayer (or related person).

(2) In any case where a taxpayer (or any related person) is

engaged in one or more trade or business activities in this state, or has been engaged in one or more trade or business activities in this state within the preceding 36 months ("prior trade or business activity"), and thereafter commences an additional trade or business activity in this state, the additional trade or business activity shall only be treated as a new business if the additional trade or business activity is classified under a different division of the Standard Industrial Classification (SIC) Manual published by the United States Office of Management and Budget, 1987 edition, than are any of the taxpayer's (or any related person's) current or prior trade or business activities.

(3) In any case where a taxpayer, including all related persons, is engaged in trade or business activities wholly outside of this state and the taxpayer first commences doing business in this state (within the meaning of Section 23101) after December 31, 1993 (other than by purchase or other acquisition described in paragraph (1)), the trade or business activity shall be treated as a new business under paragraph (2) of subdivision (e).

(4) In any case where the legal form under which a trade or business activity is being conducted is changed, the change in form shall be disregarded and the determination of whether the trade or business activity is a new business shall be made by treating the taxpayer as having purchased or otherwise acquired all or any portion of the assets of an existing trade or business under the rules of paragraph (1) of this subdivision.

(5) The term "related person" shall mean any person that is related to the taxpayer under either Section 267 or 318 of the Internal Revenue Code.

(6) The term "acquire" shall include any transfer, whether or not for consideration.

(h) For purposes of corporations whose net income is determined under Chapter 17 (commencing with Section 25101), Section 25108 shall apply to each of the following:

(1) The amount of net operating loss incurred in any income year which may be carried forward to another income year.

(2) The amount of any loss carryforward which may be deducted in any income year.

(i) The provisions of Section 172(b)(1)(K) of the Internal Revenue Code, relating to bad debt losses of commercial banks, shall not be applicable.

(j) The Franchise Tax Board may prescribe appropriate regulations to carry out the purposes of this section, including any regulations necessary to prevent the avoidance of the purposes of this section through splitups, shell corporations, partnerships, tiered ownership structures, or otherwise.

(k) The Franchise Tax Board may reclassify any net operating loss carryover determined under either paragraph (2) or (3) of subdivision (b) as a net operating loss carryover under paragraph (1) of subdivision (b) upon a showing that the reclassification is

necessary to prevent evasion of the purposes of this section.

SEC. 5. Section 3 of this bill incorporates amendments to Section 23609 of the Revenue and Taxation Code proposed by both this bill and SB 1805. Section 3 shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1995, (2) each bill amends Section 23609 of the Revenue and Taxation Code, and (3) this bill is enacted after SB 1805, in which case Section 2 of this bill shall not become operative.

SEC. 6. This act provides for a tax levy within the meaning of Article IV of the Constitution and shall go into immediate effect.

CHAPTER 950

An act to amend Sections 1502 and 1520.5 of, and to add Sections 1502.3 and 1523.5 to, the Health and Safety Code, and to amend Section 16501 of the Welfare and Institutions Code, relating to public social services.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. (a) It is the intent of the Legislature to strengthen the operation of public children's shelters for abused and neglected children in California.

(b) The Legislature finds and declares all of the following:

(1) County welfare departments and county children's services departments are required to maintain an emergency shelter capability by law and by the regulations of the State Department of Social Services.

(2) In recent years there has been a dramatic increase in the number of children requiring protection by the child welfare system.

(3) The severity of child abuse and neglect cases, including sexual abuse and substance abuse cases, coming to the attention of child protective agencies has also increased.

(4) Priority attention must be given to the availability of public children's shelter care facilities to accommodate the need for nonpermanent placement resources for adolescents, drug-exposed infants, and other hard-to-place children.

(5) There are insufficient numbers of foster home providers who are willing to be on 24-hour call for emergency placement.

(6) There are insufficient numbers of private residential care programs to provide a temporary protective environment for the numbers of emotionally disturbed children who need those programs.

(7) The length of stay in a shelter care facility should be determined by the needs of the child and the availability of

alternative resources, rather than the funding mechanism for the facility.

(c) It is the intent of the Legislature to ensure that public children's shelters provide a safe, clean, and quality environment for children in need of protective services for the length of time necessary to locate appropriate out-of-home placement, or until the child is released to a parent or relative.

SEC. 2. Section 1502 of the Health and Safety Code is amended to read:

1502. As used in this chapter:

(a) "Community care facility" means any facility, place, or building that is maintained and operated to provide nonmedical residential care, day treatment, adult day care, or foster family agency services for children, adults, or children and adults, including, but not limited to, the physically handicapped, mentally impaired, incompetent persons, and abused or neglected children, and includes the following:

(4) "Foster family agency" means any organization engaged in the recruiting, certifying, and training of, and providing professional support to, foster parents, or in finding homes or other places for placement of children for temporary or permanent care who require that level of care as an alternative to a group home. (5) "Foster family home" means any residential facility providing 24-hour care for six or fewer foster children that is owned, leased, or rented and is the residence of the foster parent or parents, including their family, in whose care the foster children have been placed. The placement may be by a public or private child placement agency or by a court order, or by voluntary placement by a parent, parents, or guardian.

(6) "Small family home" means any residential facility, in the

licensee's family residence, that provides 24-hour care for six or fewer foster children who have mental disorders or developmental or physical disabilities and who require special care and supervision as a result of their disabilities. A small family home may accept children with special health care needs, pursuant to subdivision (a) of Section 17710 of the Welfare and Institutions Code. In addition to placing children with special health care needs, the department may approve placement of children without special health care needs, up to the licensed capacity.

(7) "Social rehabilitation facility" means any residential facility that provides social rehabilitation services for no longer than 18 months in a group setting to adults recovering from mental illness who temporarily need assistance, guidance, or counseling. Program components shall be subject to program standards pursuant to Article 1 (commencing with Section 5670) of Chapter 2.5 of Part 2 of Division 5 of the Welfare and Institutions Code.

(8) "Community treatment facility" means any residential facility that provides mental health treatment services to children in a group setting and that has the capacity to provide secure containment. Program components shall be subject to program standards developed and enforced by the State Department of Mental Health pursuant to Section 4094 of the Welfare and Institutions Code.

Nothing in this section shall be construed to prohibit or discourage placement of persons who have mental or physical disabilities into any category of community care facility that meets the needs of the individual placed, if the placement is consistent with the licensing regulations of the department.

(9) "Full-service adoption agency" means any licensed entity engaged in the business of providing adoption services, that does all of the following:

(A) Assumes care, custody, and control of a child through relinquishment of the child to the agency or involuntary termination of parental rights to the child.

Private noncustodial adoption agencies shall be organized and operated on a nonprofit basis.

(11) "Transitional shelter care facility" means any group care facility that provides for 24-hour nonmedical care of persons in need of personal services, supervision, or assistance essential for sustaining the activities of daily living or for the protection of the individual. Program components shall be subject to program standards developed by the State Department of Social Services pursuant to Section 1502.3.

(b) "Department" or "state department" means the State Department of Social Services.

(c) "Director" means the Director of Social Services.

SEC. 3. Section 1502.3 is added to the Health and Safety Code, to read:

1502.3. For purposes of this chapter, a "community care facility," pursuant to Section 1502, includes a transitional shelter care facility. A "transitional shelter care facility" means a short-term residential care program that meets all of the following requirements:

(a) It is owned by the county, and operated by the county or by a private nonprofit organization under contract to the county.

(b) It is a group care facility that provides for 24-hour nonmedical care of persons, under 18 years of age, who are in need of personal services, supervision, or assistance that is essential for sustaining the activities of daily living, or for the protection of the individual on a short-term basis. As used in this section, "short-term" means up to 90 days from the date of admission.

(c) It is for the sole purpose of providing care for children who have been removed from their homes as a result of abuse or neglect, or both; for children who have been adjudged wards of the court; and, for children who are seriously emotionally disturbed children. For purposes of this subdivision, "abuse or neglect" means the same as defined in Section 300 of the Welfare and Institutions Code. For purposes of this subdivision, "wards of the court" means the same as defined in Section 602 of the Welfare and Institutions Code. (e) Based upon an agreement with the county, the licensee shall agree to accept, for placement into its transitional shelter care program, all children referred by the county.

(f) The licensee shall not discharge any child without the permission of the county, except when a child:

(1) Commits an unlawful act and the child must be detained in a juvenile institution.

(2) Requires either of the following:

(A) Physical health care in an acute care hospital.

(B) Mental health services in an acute psychiatric hospital.

(g) The licensee shall provide a program that is designed to be flexible enough to care for a highly variable population size and shall allow for the special needs of sibling groups.

SEC. 4. Section 1520.5 of the Health and Safety Code is amended to read:

1520.5. (a) The Legislature hereby declares it to be the policy of the state to prevent overconcentrations of residential care facilities which impair the integrity of residential neighborhoods. Therefore, the director shall deny an application for a new residential care facility license if the director determines that the location is in a proximity to an existing residential care facility that would result in overconcentration.

(b) As used in this section, "overconcentration" means that if a new license is issued, there will be residential care facilities which are separated by a distance of 300 feet or less, as measured from any point upon the outside walls of the structures housing those facilities. Based on special local needs and conditions, the director may approve a separation distance of less than 300 feet with the approval of the city or county in which the proposed facility will be located.

(c) At least 45 days prior to approving any application for a new residential care facility, the director, or county licensing agency, shall notify, in writing, the city or county planning authority in which the facility will be located, of the proposed location of the facility.

(d) Any city or county may request denial of the license applied for on the basis of overconcentration of residential care facilities.

(e) Nothing in this section authorizes the director, on the basis of overconcentration, to refuse to grant a license upon a change of ownership of an existing residential care facility where there is no change in the location of the facility.

(f) Foster family homes and residential care facilities for the elderly shall not be considered in determining overconcentration of residential care facilities, and license applications for those facilities shall not be denied upon the basis of overconcentration.

(g) Any transitional shelter care facility as defined in paragraph (11) of subdivision (a) of Section 1502 shall not be considered in determining overconcentration of residential care facilities, and license applications for those facilities shall not be denied upon the basis of overconcentration.

SEC. 5. Section 1523.5 is added to the Health and Safety Code, to read:

1523.5. Transitional shelter care facilities, as defined in Section 1502.3, shall be exempt from the fees imposed pursuant to subdivision

(a) of Section 1523.

SEC. 6. Section 16501 of the Welfare and Institutions Code is amended to read:

16501. (a) As used in this chapter, "child welfare services" means public social services which are directed toward the accomplishment of any or all the following purposes: protecting and promoting the welfare of all children, including handicapped, homeless, dependent, or neglected children; preventing or remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation, or delinquency of children; preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing breakup of the family where the prevention of child removal is desirable and possible; restoring to their families children who have been removed, by the provision of services to the child and the families; identifying children to be placed in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate; and assuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption.

"Child welfare services" also means services provided on behalf of children alleged to be the victims of child abuse, neglect, or exploitation. The child welfare services provided on behalf of each child represent a continuum of services, including emergency response services, family preservation services, family maintenance services, family reunification services, and permanent placement services. The individual child's case plan is the guiding principle in the provision of these services. The case plan shall be developed within 30 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the jurisdictional hearing pursuant to Section 356, whichever comes first.

(1) Child welfare services may include, but are not limited to, a range of service-funded activities, including case management, counseling, emergency shelter care, emergency in-home caretakers, temporary in-home caretakers, respite care, therapeutic day services, teaching and demonstrating homemakers, parenting training, substance abuse testing, and transportation. These service-funded activities shall be available to children and their families in all phases of the child welfare program in accordance with the child's case plan and departmental regulations. Funding for services is limited to the amount appropriated in the annual Budget Act and other available county funds.

(2) Service-funded activities to be provided may be determined by each county, based upon individual child and family needs as reflected in the service plan.

(3) As used in this chapter, "emergency shelter care" means emergency shelter provided to children who have been removed pursuant to Section 300 from their parent or parents or their

guardian or guardians. The department may establish, by regulation, the time periods for which emergency shelter care shall be funded. For the purposes of this paragraph, "emergency shelter care" may include "transitional shelter care facilities" as defined in paragraph (11) of subdivision (a) of Section 1502 of the Health and Safety Code.

(b) As used in this chapter, "respite care" means temporary care for periods not to exceed 72 hours. This care may be provided to the child's parents or guardians. This care shall not be limited by regulation to care over 24 hours. These services shall not be provided for the purpose of routine, ongoing child care.

(c) The county shall provide child welfare services as needed pursuant to an approved service plan and in accordance with regulations promulgated, in consultation with the counties, by the department. Counties may contract for service-funded activities as defined in paragraph (1) of subdivision (a). Each county shall use available private child welfare resources prior to developing new county-operated resources when the private child welfare resources are of at least equal quality and lesser or equal cost as compared with county-operated resources. Counties shall not contract for needs assessment, client eligibility determination, or any other activity as specified by regulations of the State Department of Social Services.

(d) Nothing in this chapter shall be construed to affect duties which are delegated to probation officers pursuant to Sections 601 and 654.

(e) Any county may utilize volunteer individuals to supplement professional child welfare services by providing ancillary support services in accordance with regulations adopted by the State Department of Social Services.

(f) As used in this chapter, emergency response services consist of a response system providing in-person response, 24 hours a day, seven days a week, to reports of abuse, neglect, or exploitation, as required by Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code for the purpose of investigation pursuant to Section 11166 of the Penal Code and to determine the necessity for providing initial intake services and crisis intervention to maintain the child safely in his or her own home or to protect the safety of the child. County welfare departments shall respond to any report of imminent danger to a child immediately and all other reports within 10 calendar days. An in-person response is not required when the county welfare department, based upon an evaluation of risk, determines that an in-person response is not appropriate. This evaluation includes collateral, contacts, a review of previous referrals, and other relevant information, as indicated.

(g) As used in this chapter, family maintenance services are activities designed to provide in-home protective services to prevent or remedy neglect, abuse, or exploitation, for the purposes of preventing separation of children from their families.

(h) As used in this chapter, family reunification services are activities designed to provide time-limited foster care services to

prevent or remedy neglect, abuse, or exploitation, when the child cannot safely remain at home, and needs temporary foster care, while services are provided to reunite the family.

(i) As used in this chapter, permanent placement services are activities designed to provide an alternate permanent family structure for children who because of abuse, neglect, or exploitation cannot safely remain at home and who are unlikely to ever return home. These services shall be provided on behalf of children for whom there has been a judicial determination of a permanent plan for adoption, legal guardianship, or long-term foster care.

(j) As used in this chapter, family preservation services include those services specified in Section 16500.5 to avoid or limit out-of-home placement of children, and may include those services specified in that section to place children in the least restrictive environment possible.

This order shall be referred to as an order for temporary support. This order shall have the same force and effect as a like or similar order under the Family Code.

The district attorney shall file a motion for an order for temporary support within the following time limits:

(1) If the defendant is the mother, a presumed father under Section 7611 of the Family Code, or any father where the child is at

least six months old when the defendant files his answer, the time limit is 90 days after the defendant files an answer.

(2) In any other case where the defendant has filed an answer prior to the birth of the child or not more than six months after the birth of the child, then the time limit is nine months after the birth of the child.

If more than one child is the subject of the action, the limitation on reimbursement shall apply only as to those children whose parental relationship and age would bar recovery were a separate action brought for support of that child or those children.

If the district attorney fails to file a motion for an order for temporary support within time limits specified in this section, the district attorney shall be barred from obtaining a judgment of reimbursement for any support provided for that child during the period between the date the time limit expired and the motion was filed, or, if no such motion is filed, when a final judgment is entered.

Nothing in this section prohibits the district attorney from entering into cooperative arrangements with other county departments as necessary to carry out the responsibilities imposed by this section pursuant to plans of cooperation with the departments approved by the State Department of Social Services.

Nothing in this section shall otherwise limit the ability of the district attorney from securing and enforcing orders for support of a spouse or former spouse as authorized under any other provision of law.

As used in subdivision (b), "complex issues" means issues arising in the following types of cases: (1) any case which could directly result in a person's incarceration; (2) any case involving the right to jury trial; and (3) any case so deemed by a commissioner, a referee, or a superior court judge.

In counties which operate an expedited process in accordance with Section 640.1 of the Code of Civil Procedure, commissioners and referees shall order a temporary support obligation under the expedited process in complex cases, as defined in this section, prior to referring those cases to the full judicial system.

(g) As used in this article, "enforcing obligations" includes, but is not limited to, (1) the use of all interception and notification systems operated by the State Department of Social Services for the purposes of aiding in the enforcement of support obligations, (2) the obtaining by the district attorney of an initial order for child support, which may include medical support or which is for medical support only, by civil or criminal process, (3) the initiation of a motion or order to show cause to increase an existing child support order, and the response to a motion or order to show cause brought by an obligor parent to decrease an existing child support order, or the initiation of a motion or order to show cause to obtain an order for medical support, and the response to a motion or order to show cause brought by an obligor parent to decrease or terminate an existing medical support order, without regard to whether the child is receiving

public assistance, and (4) the response to a notice of motion or order to show cause brought by an obligor parent to decrease an existing spousal support order when the child or children are residing with the obligee parent and the district attorney is also enforcing a related child support obligation owed to the obligee parent by the same obligor.

(h) As used in this section, "out of wedlock" means that the biological parents of the child were not married to each other at the time of the child's conception.

(i) The district attorney is the public agency responsible for administering wage withholding for the purposes of Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.). The district attorney shall seek an earnings assignment order for support in any case as soon as the obligor is in arrears in payment of support pursuant to Chapter 8 (commencing with Section 5200) of Part 5 of Division 9 of the Family Code.

Nothing in this section shall limit the authority of the district attorney granted by other sections of this code or otherwise granted by law.

(j) In the exercise of the authority granted under this article, the district attorney may intervene, pursuant to subdivision (b) of Section 387 of the Code of Civil Procedure, by ex parte application, in any action under the Family Code, or other proceeding wherein child support is an issue or a reduction in spousal support is sought. By notice of motion, order to show cause, or responsive pleading served upon all parties to the action, the district attorney may request such relief as appropriate which the district attorney is authorized to seek.

(k) The district attorney shall comply with any guidelines established by the State Department of Social Services which set time standards for responding to requests for assistance in locating absent parents, establishing paternity, establishing child support awards, and collecting child support payments.

(*l*) As used in this article, medical support activities which the district attorney is authorized to perform are limited to the following:

(1) The obtaining and enforcing of court orders for health insurance coverage.

(2) Any other medical support activity mandated by federal law or regulation.

SEC. 2.5. Section 11475.1 of the Welfare and Institutions Code is amended to read:

11475.1. (a) Each county shall maintain a single organizational unit located in the office of the district attorney which shall have the responsibility for promptly and effectively establishing, modifying, and enforcing child support obligations, including medical support, enforcing spousal support orders established by a court of competent jurisdiction, and determining paternity in the case of a child born out of wedlock. The district attorney shall take appropriate action, both

civil and criminal, to establish, modify, and enforce child support and when appropriate enforce spousal support orders when the child is receiving public assistance, including Medi-Cal, and, when appropriate, to take the same actions on behalf of a child who is not receiving public assistance, including Medi-Cal.

(b) Actions brought by the district attorney to establish paternity or child support or to enforce child support obligations shall be completed within the time limits set forth by federal law. The district attorney's responsibility applies to spousal support only where the spousal support obligation has been reduced to an order of a court of competent jurisdiction. In any action brought for modification or revocation of an order that is being enforced under Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.), the effective date of the modification or revocation shall be as prescribed by federal law (42 U.S.C. Sec. 666(a)(9)), or any subsequent date.

(c) (1) The Judicial Council, in consultation with the department and representatives of the California Family Support Council, the Senate Judiciary Committee, the Assembly Judiciary Committee, and a legal services organization providing representation on child support matters, shall develop simplified complaint and answer forms for any action for support brought pursuant to this section or Section 11350.1.

(2) The simplified complaint form shall provide the defendant with notice of the amount of child support that is sought pursuant to the guidelines set forth in Article 2 (commencing with Section 4050) of Chapter 2 of Part 2 of the Family Code by stating the possible amount of an order in terms of a percentage of the defendant's income for the number of children specified in the order. The Judicial Council shall determine the percentage estimates. The complaint shall state that the estimated percentage is only an estimate and that the actual order will be based upon the defendant's actual ability to pay and may be significantly higher or lower than the estimated percentage.

(3) (A) The simplified answer form shall be written in simple English and shall permit a defendant to answer and raise defenses by checking applicable boxes. The answer form shall include instructions for completion of the form and instructions for proper filing of the answer.

(B) The answer form shall include a blank standard or simplified Declaration of Income and Expenses form and instructions on how to complete the Declaration of Income and Expenses form. The answer form shall direct the defendant to file the completed Declaration of Income and Expenses with the answer, but shall state that the answer will be accepted by a court without the Declaration of Income and Expenses.

(C) The clerk of the court shall accept and file answers that are completed by hand provided they are legible.

(4) (A) The simplified complaint form prepared pursuant to this subdivision shall be used by the district attorney or the Attorney

General in all cases brought under this section or Section 11350.1.

(B) The simplified answer form prepared pursuant to this subdivision shall be served on all defendants with the simplified complaint. Failure to serve the simplified answer form on all defendants shall not invalidate any judgment obtained. However, failure to serve the answer form may be used as evidence in any proceeding under Section 473 of the Code of Civil Procedure.

(C) The Judicial Council shall add language to the governmental summons, for use by the district attorney with the governmental complaint to establish parental relationship and child support, informing defendants that a blank answer form should have been received with the summons and additional copies may be obtained from either the district attorney's office or the superior court clerk.

(d) In any action brought or enforcement proceedings instituted by the district attorney pursuant to this section for payment of child or spousal support, an action to recover an arrearage in support payments may be maintained by the district attorney at any time within the period otherwise specified for the enforcement of a support judgment, notwithstanding the fact that the child has attained the age of majority.

(e) The county shall undertake an outreach program to inform the public that the services described in subdivisions (a) to (c), inclusive, are available to persons not receiving public assistance. There shall be prominently displayed in every public area of every office of the units established by this section a notice, in clear and simple language prescribed by the Director of Social Services, that the services provided in subdivisions (a) to (c), inclusive, are provided to all individuals whether or not they are recipients of public social services.

(f) In any action to establish a child support order brought by the district attorney in the performance of duties under this section, the district attorney may make a motion for an order effective during the pendency of that action, for the support, maintenance, and education of the child or children that are the subject of the action. This order shall be referred to as an order for temporary support. This order shall have the same force and effect as a like or similar order under the Family Code.

The district attorney shall file a motion for an order for temporary support within the following time limits:

(1) If the defendant is the mother, a presumed father under Section 7611 of the Family Code, or any father where the child is at least six months old when the defendant files his answer, the time limit is 90 days after the defendant files an answer.

(2) In any other case where the defendant has filed an answer prior to the birth of the child or not more than six months after the birth of the child, then the time limit is nine months after the birth of the child.

If more than one child is the subject of the action, the limitation on reimbursement shall apply only as to those children whose

parental relationship and age would bar recovery were a separate action brought for support of that child or those children.

If the district attorney fails to file a motion for an order for temporary support within time limits specified in this section, the district attorney shall be barred from obtaining a judgment of reimbursement for any support provided for that child during the period between the date the time limit expired and the motion was filed, or, if no such motion is filed, when a final judgment is entered.

Nothing in this section prohibits the district attorney from entering into cooperative arrangements with other county departments as necessary to carry out the responsibilities imposed by this section pursuant to plans of cooperation with the departments approved by the State Department of Social Services.

Nothing in this section shall otherwise limit the ability of the district attorney from securing and enforcing orders for support of a spouse or former spouse as authorized under any other provision of law.

In counties which operate an expedited process in accordance with Section 640.1 of the Code of Civil Procedure, commissioners and referees shall order a temporary support order prior to referring those cases to the full judicial system.

(g) As used in this article, "enforcing obligations" includes, but is not limited to, (1) the use of all interception and notification systems operated by the State Department of Social Services for the purposes of aiding in the enforcement of support obligations, (2) the obtaining by the district attorney of an initial order for child support, which may include medical support or which is for medical support only, by civil or criminal process, (3) the initiation of a motion or order to show cause to increase an existing child support order, and the response to a motion or order to show cause brought by an obligor parent to decrease an existing child support order, or the initiation of a motion or order to show cause to obtain an order for medical support, and the response to a motion or order to show cause brought by an obligor parent to decrease or terminate an existing medical support order, without regard to whether the child is receiving public assistance, and (4) the response to a notice of motion or order to show cause brought by an obligor parent to decrease an existing spousal support order when the child or children are residing with the obligee parent and the district attorney is also enforcing a related child support obligation owed to the obligee parent by the same obligor.

(h) As used in this section, "out of wedlock" means that the biological parents of the child were not married to each other at the time of the child's conception.

(i) The district attorney is the public agency responsible for administering wage withholding for the purposes of Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.). The district attorney shall seek an earnings assignment order for support in any case as soon as the obligor is in arrears in payment of support pursuant to

Chapter 8 (commencing with Section 5200) of Part 5 of Division 9 of the Family Code.

Nothing in this section shall limit the authority of the district attorney granted by other sections of this code or otherwise granted by law.

(j) In the exercise of the authority granted under this article, the district attorney may intervene, pursuant to subdivision (b) of Section 387 of the Code of Civil Procedure, by ex parte application, in any action under the Family Code, or other proceeding wherein child support is an issue or a reduction in spousal support is sought. By notice of motion, order to show cause, or responsive pleading served upon all parties to the action, the district attorney may request such relief as appropriate which the district attorney is authorized to seek.

(k) The district attorney shall comply with any guidelines established by the State Department of Social Services which set time standards for responding to requests for assistance in locating absent parents, establishing paternity, establishing child support awards, and collecting child support payments.

(*l*) As used in this article, medical support activities which the district attorney is authorized to perform are limited to the following:

(1) The obtaining and enforcing of court orders for health insurance coverage.

(2) Any other medical support activity mandated by federal law or regulation.

(m) (1) Notwithstanding any other provision of law, venue for an action or proceeding under this part shall be determined follows:

(A) Venue shall be in the superior court in the county that is currently expending public assistance.

(B) If public assistance is not currently being expended, venue shall be in the superior court in the county where the child who is entitled to current support resides or is domiciled.

(C) If current support is no longer payable through, or enforceable by, the district attorney, venue shall be in the superior court in the county that last provided public assistance for actions to enforce arrearages assigned pursuant to Section 11477.

(D) If subparagraphs (A), (B), and (C) do not apply, venue shall be in the superior court in the county of residence of the support obligee.

(E) If the support obligee does not reside in California, and subparagraphs (A), (B), (C), and (D) do not apply, venue shall be in the superior court of the county of residence of the obligor.

(2) Notwithstanding paragraph (1), if the child becomes a resident of another county after an action under this part has been filed, venue may remain in the county where the action was filed until the action is completed.

(n) The district attorney of one county may appear on behalf of the district attorney of any other county in an action or proceeding

under this part.

SEC. 3. Section 11478.2 of the Welfare and Institutions Code is amended to read:

11478.2. (a) In all actions involving paternity or support, including, but not limited to, proceedings under the Family Code, and under this division, the district attorney and Attorney General represent the public interest in establishing, modifying, and enforcing support obligations. No attorney-client relationship shall be deemed to have been created between the district attorney or Attorney General and any person by virtue of the action of the district attorney or the Attorney General in carrying out these statutory duties.

(b) The provisions of subdivision (a) are declarative of existing law.

(c) In all requests for services of the district attorney or Attorney General pursuant to Section 11475.1 relating to actions involving paternity or support, not later than the same day an individual makes a request for these services in person, and not later than five working days after either (1) a case is referred for services from the county welfare department, (2) receipt of a request by mail for an application for services, or (3) an individual makes a request for services by telephone, the district attorney or Attorney General shall give notice to the individual requesting services or on whose behalf services have been requested that the district attorney or Attorney General does not represent the individual or the children who are the subject of the case, that no attorney-client relationship exists between the district attorney or Attorney General and those persons, and that no such representation or relationship shall arise if the district attorney or Attorney General provides the services requested. Notice shall be in bold print and in plain English and shall be translated into the language understandable by the recipient when reasonable. The notice shall include the advice that the absence of an attorney-client relationship means that communications from the recipient are not privileged and that the district attorney or Attorney General may provide support enforcement services to the other parent in the future.

(d) The district attorney or Attorney General shall give the notice required pursuant to subdivision (c) to all recipients of services under Section 11475.1 who have not otherwise been provided that notice, not later than the date of the next annual notice required under Section 11476.2. This notice shall include notification to the recipient of services under Section 11475.1 that the recipient may inspect the clerk's file at the county clerk's office, and that, upon request, the district attorney, or, if appropriate, the Attorney General, will furnish a copy of the most recent order entered in the case.

(e) The district attorney, or, if appropriate, the Attorney General, shall provide to recipients of support services under Section 11475.1, not later than 30 calendar days after the filing of a complaint for

paternity or support, or both, information sufficient to identify the cases, including the case name and docket number and address of the court where the complaint has been filed. In this initial notice, the district attorney or Attorney General shall inform the recipient that the district attorney or Attorney General may enter into a stipulated order resolving the complaint, and that if the recipient wishes to assist the prosecuting attorney, he or she should send all information on the noncustodial parent's earnings and assets to the prosecuting attorney.

(f) (1) The district attorney or Attorney General shall provide written notice to recipients of services under Section 11475.1 of the initial date and time, and purpose of every hearing in a civil action for paternity or support. The notice shall include the following language:

IMPORTANT NOTICE

It may be important that you attend the hearing. The district attorney does not represent you or your children. You may have information about the noncustodial parent, such as information about his or her income or assets, or your need for support that will not be presented to the court unless you attend the hearing. With the permission of the court, you have the right to be heard in court and tell the court what you think the court should do with the child support order.

If you have a court order for support that arose as part of your divorce, this hearing could change your rights or your children's rights to support. You have the right to attend the hearing and, with the permission of the court, to be heard.

If you would like to attend the hearing and be told about any changes to the hearing date or time, notify this office by _____. The district attorney or Attorney General will then have to tell you about any changes to the hearing date or time.

(2) The notice shall state the purpose of the hearing or be attached to the motion or other pleading which caused the hearing to be scheduled.

(3) The notice shall be provided separate from all other material and shall be in at least 14-point type. The failure of the district attorney or Attorney General to comply with this subdivision shall not affect the validity of any order.

(4) The notice shall be provided not later than seven calendar days prior to the hearing, or, if the district attorney or attorney general receives notice of the hearing less than seven days prior to the hearing, within two days of the receipt by the district attorney or attorney general of the notice of the hearing.

(5) The district attorney or attorney general shall, in order to

implement this subdivision, make reasonable efforts to ensure that the district attorney or attorney general has current addresses for recipients of support enforcement services.

(g) The district attorney or Attorney General shall give notice to recipients of services under Section 11475.1 of every order obtained by the district attorney or Attorney General that establishes or modifies the support obligation for the recipient or the children who are the subject of the order, by sending a copy of the order to the recipient. The notice shall be made within 30 calendar days after the order has been filed. The district attorney or Attorney General shall also give notice to these recipients of every order obtained in any other jurisdiction, that establishes or modifies the support obligation for the recipient or the children who are the subject of the order, and which is received by the district attorney or Attorney General, by sending a copy of the order to the recipient within 30 calendar days after the district attorney or Attorney General has received a copy of the order. In any action enforced under Chapter 6 (commencing with Section 4800) of Part 5 of Division 9 of the Family Code, the notice shall be made in compliance with the requirements of that chapter. The failure of the district attorney or Attorney General to comply with this subdivision shall not affect the validity of any order.

(h) The district attorney or Attorney General shall give notice to the noncustodial parent against whom a civil action is filed that the district attorney or Attorney General is not the attorney representing any individual, including, but not limited to, the custodial parent, the child, or the noncustodial parent.

(i) Nothing in this section shall be construed to preclude any person who is receiving services under Section 11475.1 from filing and prosecuting an independent action to establish, modify, and enforce an order for current support on behalf of himself or herself or a child if that person is not receiving public assistance.

(j) A person who is receiving services under Section 11475.1 but who is not currently receiving public assistance on his or her own behalf or on behalf of a child shall be asked to execute, or consent to, any stipulation establishing or modifying a support order in any action in which that person is named as a party, before the stipulation is filed. The district attorney or Attorney General shall not submit to the court for approval a stipulation to establish or modify a support order in such an action without first obtaining the signatures of all parties to the action, their attorneys of record, or persons authorized to act on their behalf.

(k) The district attorney or Attorney General shall not enter into a stipulation which reduces the amount of past due support, including interest and penalties accrued pursuant to an order of current support, on behalf of a person who is receiving support enforcement services under Section 11475.1 and who is owed support arrearages that exceed unreimbursed public assistance paid to the recipient of the support enforcement services, without first obtaining the consent of the person who is receiving services under

Section 11475.1 on his or her own behalf or on behalf of the child.

(*l*) The notices required in this section shall be provided in the following manner:

(1) In all cases in which the person receiving services under Section 11475.1 resides in California, notice shall be provided by mailing the item by first-class mail to the last known address of, or personally delivering the item to, that person.

(2) In all actions enforced under Chapter 6 (commencing with Section 4800) of Part 5 of Division 9 of the Family Code, unless otherwise specified, notice shall be provided by mailing the item by first-class mail to the initiating court.

(m) Notwithstanding any other provision of this section, the notices provided for pursuant to subdivisions (c) to (g), inclusive, shall not be required in foster care cases.

SEC. 4. Section 16575 of the Welfare and Institutions Code is amended to read:

16575. (a) The Legislature finds and declares that there is no single statewide data base containing statistical data regarding child support orders.

(b) The Statewide Automated Child Support System shall be utilized to provide a single statewide registry of all child support orders in California.

(c) The department shall conduct a study examining the feasibility of alternative models of a single statewide registry of all California child support orders through the Statewide Automated Child Support System.

(d) The requirements of subdivision (c) shall become operative when federal funds are available for all of the costs of the statewide registry or on January 31, 1996, whichever occurs first.

SEC. 5. Section 16576 of the Welfare and Institutions Code is amended to read:

16576. (a) The department shall develop an implementation plan for the Child Support Registry. The plan shall be developed in consultation with county clerks, district attorneys, and the appropriate policy committees of the Legislature. At the time of implementation, the department shall inform each county clerk of that fact. Each county clerk shall provide information to the statewide registry at the Statewide Automated Child Support System which may include a certified copy of the Child Support Order and Data Form and the Order of Child Support Arrears, as appropriate.

(b) The State Department of Social Services shall maintain a system for recording the data from all Child Support Order and Data Forms and Orders of Child Support Arrears received from the county court clerks.

(c) The State Department of Social Services shall further provide access to the information obtained from both the Child Support Order and Data Forms and Orders of Child Support Arrears to the Judicial Council, representatives of the Executive Branch, and Legislature for statistical analysis and review.

(d) Any information maintained by the Statewide Automated Child Support System from the Child Support Order and Data Forms and Orders of Child Support Arrears forms received from county clerks shall be provided to county district attorneys and others as provided by law.

(f) The requirements of this section shall become operative and the department shall begin development of the statewide registry when federal funds are available for all of the costs of the statewide registry, or on April 30, 1996, whichever occurs first.

SEC. 6. Section 16576.5 of the Welfare and Institutions Code is amended to read:

16576.5. The State Department of Social Services shall contract with the Judicial Council to prepare and adopt the Child Support Order and Data Form, which shall contain the following information:

(a) Full name, last known address, telephone number, social security number, and birth date of both parties.

(b) The date on which the child support order will terminate (e.g. the date the youngest child turns 18 or 19 if still in high school).

(c) A clear statement of the amount of child support to be paid for each child.

(d) If the order is a modification of a prior child support order, a clear statement of the amount of the prior order for each child and the amount of the modified order for each child.

(e) Any other information the State Department of Social Services or the Judicial Council finds appropriate.

SEC. 7. Section 16577 of the Welfare and Institutions Code is amended to read:

16577. The State Department of Social Services shall contract with the Judicial Council to prepare and adopt the Order of Child Support Arrears Form which shall contain on its face the following information:

(a) Full name, last known address, telephone number, social security number, and birth date of both parties.

(b) Date on which court order on arrears will terminate, if known.

(c) A clear statement of the amount of the child support arrearage.

(d) If the order is a modification of a prior child support order, a clear statement of the amount of the prior order, and the amount of the modified order.

(e) Any other information the State Department of Social Services or the Judicial Council finds appropriate.

SEC. 8. Section 2.5 of this bill incorporates amendments to Section 11475.1 of the Welfare and Institutions Code proposed by both this bill and AB 2208. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1995, (2) each bill amends Section 11475.1 of the Welfare and Institutions Code, and (3) this bill is enacted after AB 2208, in which case Section 2 of this bill shall not become operative.

SEC. 9. Notwithstanding Section 17610 of the Government Code,

If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 954

An act to amend Section 12527 of the Vehicle Code, relating to vehicles.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 12527 of the Vehicle Code is amended to read:

12527. In addition to satisfying all requirements specified in this code and regulations adopted pursuant to this code, an applicant for an ambulance driver certificate shall satisfy all of the following requirements:

(a) Except as otherwise provided, every ambulance driver responding to an emergency call or transporting patients shall be at least 18 years of age, hold a driver's license valid in California, possess a valid ambulance driver certificate, and be trained and competent in ambulance operation and the use of safety and emergency care equipment required by the California Code of Regulations governing ambulances.

(b) Except as provided in subdivision (f), no person shall operate an ambulance unless the person has in his or her immediate possession a driver's license for the appropriate class of vehicle to be driven, and a certificate issued by the department to permit the operation of an ambulance.

(c) An ambulance driver certificate may be issued by the department only upon the successful completion of an examination conducted by the department and subject to all of the following conditions:

(1) An applicant for an original or renewal driver certificate shall submit a report of medical examination on a form approved by the department, the Federal Highway Administration, or the Federal Aviation Administration. The report shall be dated within the two

years preceding the application date.

(2) An applicant for an original driver certificate shall submit an acceptable fingerprint card.

(3) The certificate to drive an ambulance shall be valid for a period not exceeding four years and six months and shall expire on the same date as the driver's license. The ambulance driver certificate shall be valid only when accompanied by a medical examination certificate which was issued within the preceding two years and approved by the department, Federal Highway Administration, or Federal Aviation Administration.

(4) The ambulance driver certificate is renewable under conditions prescribed by the department. Except as permitted under paragraphs (2) and (3) of subdivision (d), applicants renewing an ambulance driver certificate shall possess certificates or licenses evidencing compliance with the emergency medical training and educational standards for ambulance attendants established by the Emergency Medical Service Authority.

(d) (1) Every ambulance driver shall have been trained to assist the ambulance attendant in the care and handling of the ill and injured.

Except as provided in paragraph (2), the driver of a California-based ambulance shall, within one year of initial issuance of the driver's ambulance driver certificate, possess a certificate or license evidencing compliance with the emergency medical training and educational standards established for ambulance attendants by the Emergency Medical Service Authority. In those emergencies requiring both the regularly assigned driver and attendant to be utilized in providing patient care, the specialized emergency medical training requirement shall not apply to persons temporarily detailed to drive the ambulance.

(2) Paragraph (1) does not apply to an ambulance driver who is a volunteer driver for a volunteer ambulance service under the circumstances specified in this paragraph, if the service is provided in the unincorporated areas of a county with a population of less than 125,000 persons, as determined by the most recent federal decennial census. The operation of an ambulance under this paragraph shall only apply if the name of the driver and the volunteer ambulance service and facts substantiating the public health necessity for an exemption are submitted to the department by the county board of supervisors and by at least one of the following entities in the county where the driver operates the ambulance:

(A) The county health officer.

(B) The county medical care committee.

(C) The local emergency medical services agency coordinator.

(3) The information required by paragraph (2) shall be submitted to the department at the time of application for an ambulance driver certificate. Upon receipt of that information, the department shall restrict the certificate holder to driving an ambulance for the volunteer ambulance service.

(4) The director may terminate any certificate issued pursuant to paragraph (2) at any time the department determines that the qualifying conditions specified therein no longer exist.

(5) The exemption granted pursuant to paragraph (2) shall expire on the expiration date of the ambulance driver certificate.

(e) A person holding a valid certificate to permit the operation of an ambulance, issued prior to January 1, 1991, shall not be required to reapply for a certificate to satisfy the requirements of this section until the certificate he or she holds expires or is canceled or revoked.

(f) An ambulance certificate is not required for persons operating ambulances in the line of duty as salaried, regular, full-time police officers, deputy sheriffs, or members of a fire department of a public agency. This exemption does not include volunteers and part-time employees or members of a department whose duties are primarily clerical or administrative.

CHAPTER 955

An act to amend Section 272 of, and to add Sections 255.1 and 272.1 to, the Health and Safety Code, relating to children's services.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 255.1 is added to the Health and Safety Code, to read:

255.1. The people of the State of California do enact as follows:

SECTION 1. Section 2608.5 of the Business and Professions Code is amended to read:

2608.5. Each member of the committee, or any licensed physical therapist appointed by the committee, may inspect, or require reports from, a general or specialized hospital or any other facility providing physical therapy care, treatment or services and the physical therapy staff thereof, with respect to the physical therapy care, treatment, services, or facilities provided therein, and may inspect physical therapy patient records with respect to the care, treatment, services, or facilities. The authority to make inspections

and to require reports as provided by this section shall not be delegated by a member of the committee to any person other than a physical therapist and shall be subject to the restrictions against disclosure described in Section 2263.

SEC. 2. Section 2620.3 of the Business and Professions Code is amended to read:

2620.3. A physical therapist licensed pursuant to this chapter may apply topical medications as part of the practice of physical therapy as defined in Section 2620 if he or she complies with regulations duly adopted by the committee pursuant to this section and the Administrative Procedure Act. The committee shall adopt regulations implementing this section after meeting and conferring with the Medical Board of California and the California State Board of Pharmacy specifying those topical medications applicable to the practice of physical therapy and protocols for their use. Nothing in this section shall be construed to authorize a physical therapist to prescribe medications.

SEC. 3. Section 2630 of the Business and Professions Code is amended to read:

2630. It is unlawful for any person or persons to practice, or offer to practice, physical therapy in this state for compensation received or expected, or to hold himself or herself out as a physical therapist, unless at the time of so doing the person holds a valid, unexpired, and unrevoked license issued under this chapter.

Nothing in this section shall restrict the activities authorized by their licenses on the part of any persons licensed under this code or any initiative act, or the activities authorized to be performed pursuant to Article 4.5 (commencing with Section 2655) or Chapter 7.7 (commencing with Section 3500).

A physical therapist licensed pursuant to this chapter may utilize the services of one aide engaged in patient-related tasks to assist the physical therapist in his or her practice of physical therapy. "Patient-related task" means a physical therapy service rendered directly to the patient by an aide, excluding non-patient-related tasks. "Non-patient-related task" means a task related to observation of the patient, transport of the patient, physical support only during gait or transfer training, housekeeping duties, clerical duties, and similar functions. The aide shall at all times be under the orders, direction, and immediate supervision of the physical therapist. Nothing in this section shall authorize an aide to independently perform physical therapy or any physical therapy procedure. The committee shall adopt regulations that set forth the standards and requirements for the orders, direction, and immediate supervision of an aide by a physical therapist. The physical therapist shall provide continuous and immediate supervision of the aide. The physical therapist shall be in the same facility as, and in proximity to, the location where the aide is performing patient-related tasks, and shall be readily available at all times to provide advice or instruction to the aide. When patient-related tasks are provided to a patient by an aide,

the supervising physical therapist shall, at some point during the treatment day, provide direct service to the patient as treatment for the patient's condition, or to further evaluate and monitor the patient's progress, and shall correspondingly document the patient's record.

The administration of massage, external baths, or normal exercise not a part of a physical therapy treatment shall not be prohibited by this section.

"Non-patient-related task" means a task related to observation of the patient, transport of the patient, physical support only during gait or transfer training, housekeeping duties, clerical duties, and similar functions.

The aide shall at all times be under the orders, direction, and immediate supervision of the physical therapist. Nothing in this section shall authorize an aide to independently perform physical therapy or any physical therapy procedure. The committee shall adopt regulations that set forth the standards and requirements for the orders, direction, and immediate supervision of an aide by a physical therapist. The physical therapist shall provide continuous and immediate supervision of the aide. The physical therapist shall be in the same facility as, and in proximity to, the location where the aide is performing patient-related tasks, and shall be readily available at all times to provide advice or instruction to the aide. When patient-related tasks are provided to a patient by an aide, the supervising physical therapist shall, at some point during the treatment day, provide direct service to the patient as treatment for the patient's condition, or to further evaluate and monitor the

patient's progress, and shall correspondingly document the patient's record.

CHAPTER 957

An act relating to postsecondary education, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. (a) This act shall be known, and may be cited, as the Higher Education Emergency Earthquake Recovery Act of 1994.

(b) The Legislature hereby finds and declares all of the following:

(1) The Northridge Earthquake of January 17, 1994, resulted in substantial damage at several public postsecondary educational institutions in the Los Angeles area.

(2) Damage to housing, public services, and critical transportation routes to some campuses may artificially dampen enrollment at those colleges for the Spring 1994 semester.

(3) In addition to direct physical damage, the earthquake and subsequent aftershocks resulted in psychological trauma for many students, faculty, and staff of the region's colleges and universities.

(4) The Northridge campus of the California State University, as the campus most severely damaged by the earthquake, requires special assistance and flexibility to respond effectively and quickly to the impacts of the earthquake and to resume full operation.

SEC. 2. (a) It is the intent of the Legislature in enacting this section to prevent community college districts affected by the earthquake from experiencing extraordinary funding reductions due to temporary enrollment losses.

(b) Notwithstanding subdivision (c) of Section 84750 of the Education Code, in addition to any other adjustments authorized by law, any decrease in the 1993–94 fiscal year in full-time equivalent student (FTES) enrollment resulting solely from the Northridge earthquake in the spring and summer terms of that fiscal year, as determined by the chancellor, in one of the community college districts specified in subdivision (c) shall not result in any reduction in revenue for the 1994–95 fiscal year.

(c) This section shall apply only to the following community college districts:

(c) Notwithstanding any other provision of law, the deadline for any report that is required by statute to be submitted to the Legislature may be extended by the trustees unless, after notification to the Legislature by the trustees at least 10 days prior to the deadline, an objection is received by the trustees from the chair of a committee of either the Assembly or the Senate with jurisdiction over postsecondary education or the chair of the Joint Legislative Budget Committee.

This subdivision shall apply only to that portion of any required report relating to the Northridge campus.

(d) Except as provided in subdivision (e), no deadline shall be extended beyond December 31, 1994.

(e) In the event that necessary records are determined to be unrecoverable, it is the intent of the Legislature that the state agencies designated in subdivision (b) exempt the university from the requirement for report or other action as it applies to the Northridge campus.

(f) This section shall become inoperative on June 30, 1995.

SEC. 4. This act shall remain in effect only until January 1, 1996, and as of that date is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1996, deletes or extends that date.

SEC. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

An act to amend Section 11402.5 of the Welfare and Institutions Code, relating to public social services.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 11402.5 of the Welfare and Institutions Code is amended to read:

11402.5. (a) The federal government has provided the state the option of including in its state plan children placed in public child care institutions. Therefore, notwithstanding Section 11402 and subject to Section 15200.5, it is the intent of the Legislature that a child who is otherwise eligible for federal financial participation in the AFDC-FC payment may be eligible for aid under the provisions of this chapter when the child is placed in a public child care institution. Payment under the provisions of this section cannot exceed 30 days, except as provided in subdivision (b). This provision is effective only if and during such federal fiscal year when no restriction, as defined by the department, on federal matching for AFDC-FC payments exists. Pursuant to this section, the county shall request reimbursement at the close of the federal fiscal year. As used in this section, "public child care institution" means a nondetention facility which has been licensed in accordance with the Community Care Facilities Act, Chapter 3 (commencing with Section 1500) of Division 2 of the Health and Safety Code, and which has a licensed capacity not exceeding 25 children.

(b) When a child is hard to place, as defined in departmental regulations, and when the child is not placed in an emergency shelter, payment may be made under this section for a period not exceeding 90 days.

(c) Upon notification from the federal government that the restrictions on federal matching specified in subdivision (a) do not exist, the department shall amend the state plan to authorize federal financial participation to a county or counties operating a public child care institution with a licensed capacity exceeding 25 children.

(d) For purposes of subdivision (c), "public child care institution" includes only those facilities that meet all of the following requirements:

(1) It is temporary shelter care facility, as defined in Section 1530.8 of the Health and Safety Code.

(2) (A) Except as provided in subparagraph (B), it has a licensed capacity that does not exceed 200 children.

695.211. (a) Every money judgment or order for child support shall provide notice that interest on arrearages accrues at the legal rate.

(b) The notice provisions required by this section shall be incorporated in the appropriate Judicial Council forms.

(c) Upon implementation of the Statewide Automated Child Support System (SACSS) prescribed in Section 10815 of the Welfare and Institutions Code and certification of the SACSS by the United States Department of Health and Human Services, whenever a statement of account is issued by the district attorney in any child support action, the statement shall include a statement of an amount of current support, arrears, and interest due.

If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 960

An act to amend Sections 1342 and 3258 of, and to add Section 1345 to, the Unemployment Insurance Code, relating to disability insurance.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 1342 of the Unemployment Insurance Code is amended to read:

1342. Any waiver by any person of any benefit or right under this code is invalid, except as provided by Sections 1255.7, 1345, and 2630. Benefits under this code, incentive payments provided by Division 2 (commencing with Section 5000), and payments to an individual under a plan or system established by an employer which makes provisions for his or her employees generally, or for a class or group of his or her employees, for the purpose of supplementing unemployment compensation benefits, are not subject to assignment, release, or commutation, except as provided by Sections 1255.7, 1345, and 2630. Any agreement by any individual in the employ of any person or concern to pay all or any portion of the contributions required of his or her employer under this division is void.

SEC. 2. Section 1345 is added to the Unemployment Insurance Code, to read:

1345. (a) An individual covered by a voluntary plan approved under Section 3254 may, at the time he or she applies for voluntary plan benefits or at any time while receiving voluntary plan benefits, voluntarily choose to allow his or her employer or an agent of the employer, appointed under Section 1096, to redirect a portion of the voluntary plan benefits payable under this code to cover all or part of the cost of employee-paid benefits, if both the following requirements are satisfied:

(1) The individual has given written authorization for the

redirection of a weekly dollar amount of voluntary plan benefits for the payment of the employee-paid benefits.

(2) The individual may terminate or change the terms of the voluntary redirection of benefits paid at any time while receiving benefits under the voluntary plan.

(b) Any request to redirect benefits as provided in subdivision (a) shall be in writing. The form of employee authorization required under this section shall be approved by the director.

(c) In no event shall disability benefits payments be delayed because an individual elects to redirect a portion of his or her benefits payable under this division.

(d) Should an individual be legally declared incompetent, the spouse of the individual, in the absence of any other legally authorized representative, shall have the right to continue or cancel the authorization.

SEC. 3. Section 3258 of the Unemployment Insurance Code is amended to read:

3258. If a voluntary plan does not provide for the assumption by an admitted disability insurer of the liability of the employer to pay the benefits afforded by the plan, the director shall not approve it unless the employer files with the director the bond of an admitted surety insurer conditioned on the payment by the employer of its obligations under the plan, deposits with the director securities approved by the director to secure the payment of the obligations, or deposits with the director an irrevocable letter of credit. The penal sum of the bond or the amount of the deposit of securities or letter of credit shall be determined by the director and shall be not less than the product obtained by multiplying the rate of worker contributions in the ensuing year, as determined in Section 984, by 0.5 of the estimated taxable wages prescribed by Section 985 to be paid to the employees for the ensuing year. Upon approval, the bond, money, or securities shall upon the director's written order be deposited with the Treasurer for the purpose specified in this section. The Treasurer shall give a receipt for the deposits and the state shall be responsible for the custody and safe return of any securities so deposited.

SEC. 4. Section 3 of this act amending Section 3258 of the Unemployment Insurance Code shall become operative upon filing with the Secretary of State regulations adopted by the Department of Employment Development pursuant to the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code) to implement Section 3 of this act, and the regulations shall become effective immediately upon filing with the Secretary of State. However, in no event shall Section 3 of this act become operative later than May 31, 1995.

CHAPTER 961

An act to amend Section 16500.7 of, and to add Part 4.4 (commencing with Section 16600) to Division 9 of, the Welfare and Institutions Code, relating to families, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares that approximately one hundred million dollars ($100,000,000) in federal funds is expected to be allocated to California for family preservation and support services pursuant to Sections 430 to 435, inclusive, of the Social Security Act (42 U.S.C. Sec. 629), as contained in the Omnibus Budget Reconciliation Act of 1993.

SEC. 2. It is the intent of the Legislature that those federal funds allocated to California pursuant to Sections 430 to 435, inclusive, of the Social Security Act, known in California as the Family Preservation and Support Program, shall be used to support, preserve, and strengthen families through the creation of a seamless service delivery system. These new federal funds are designed to support services and programs that promote family well-being and prevent problems from developing and to prevent a crisis from intensifying and thus making it necessary for a child to be removed from his or her home, a family preservation goal.

SEC. 3. It is also the intent of the Legislature to provide communities with an opportunity to improve outcomes for children and families by promoting broader changes in state and local service delivery systems. As a result, it is the intent of the Legislature that this funding should support broadly inclusive strategic planning processes through which communities develop a plan for using these moneys to support a coordinated, seamless system of services that includes both family support programs and family preservation services.

SEC. 4. The Legislature finds and declares that family support services are different from family preservation services because they do not have eligibility requirements, but they may be targeted at particular populations by being located in particular communities, and that the universal, voluntary nature of family support services is key to their effectiveness. The Legislature also finds and declares that the provisions of family support that are oriented to promotion and prevention can decrease the need for family preservation services or costly child welfare interventions, and that family support services can also be instrumental in sustaining the gains made by family preservation services.

SEC. 5. Section 16500.7 of the Welfare and Institutions Code is

amended to read:

16500.7. (a) (1) Commencing with the 1993–94 fiscal year, each county or city and county with a family preservation program pursuant to Section 16500.5, in operation at least three consecutive years, may request a permanent transfer of funds from the category of General Fund moneys appropriated for out-of-home placement provided pursuant to subdivision (d) of Section 11450 for children subject to Section 300, 301, 360, 361, or 364, and, as permitted by the department, children subject to Sections 601, 602, 726, and 727, and Section 7572.5 of the Government Code, for that county or city and county, to the category of child welfare services as specified in subdivision (j) of Section 16501 for the purposes of providing family preservation services. The county shall make the request to the department no later than 90 calendar days following the beginning of the fiscal year in which the permanent transfer is to be made, or 90 days following the date on which the annual Budget Act is chaptered, whichever is later.

(2) Notwithstanding paragraph (1), any county that has operated a family preservation program in accordance with Section 16500.5 for three consecutive years may request a permanent transfer of funds as described in paragraph (1) retroactively to July 1, 1993, provided the department determines that the county was adversely impacted by the implementation of Chapter 1006 of the Statutes of 1993, and provided the request is submitted no later than October 1, 1994.

(3) Any county that served children subject to Section 601 or 602, or Section 7572.5 of the Government Code, during the pilot phase may continue to serve the same populations after the permanent transfer described in this section.

(4) Subject to the approval of the department, a county may, at any time after the permanent transfer, request a supplemental permanent transfer to serve additional populations of eligible children who were not served during the pilot phase. The maximum amount that may be transferred pursuant to this paragraph is subject to the limits specified in clause (iii) of subparagraph (A) of paragraph (1) of subdivision (c) of Section 16500.5.

(5) For any county with an approved plan pursuant to Section 16500.5, the three-year period required by paragraph (1) may, at the discretion of the department, include any year in which a county has operated a family preservation program pursuant to Section 16500.5, that has been financed with county funds.

(b) The amount identified for transfer pursuant to this section shall be an amount up to 70 percent of the highest annual amount spent pursuant to Section 16500.5 and agreed to by both the county or city and county and the department as sufficient to maintain family preservation services at a level that ensures the continuation of an appropriate level of family preservation services on a permanent basis. This determination shall be made on a county-by-county basis, relying on the experience each county has with conducting its program under Section 16500.5.

(c) Beginning with the fiscal year in which the transfer takes place, each participating county or city and county shall be required to match these funds consistent with the matching requirements in place for other General Fund moneys appropriated and allocated to counties for child welfare services provided pursuant to Section 16501.

(d) Upon approval of the transfer, the department and the Department of Finance shall incorporate the transferred funding into the base funding allocations in later years provided to the participating counties for services provided under Section 16501.

(e) For counties receiving transfers pursuant to subdivision (a), the provisions of subdivision (c) of Section 16500.5, including the ability to claim additional advances on AFDC-FC funds in subparagraph (A) of paragraph (1) of that subdivision and the financial risk provisions in subparagraph (B) of paragraph (1) of that subdivision, shall no longer apply.

(f) (1) In enacting this section, the Legislature establishes the commitment to provide the means by which family preservation services may convert from pilot projects as established in Section 16500.5 to ongoing permanent programs. However, in order to assess the feasibility of the approach provided in this section, the Legislature has provided for the repeal of this section.

(2) Subject to paragraph (3), this section shall remain in effect only until six months following the execution of a declaration, that shall be retained by the director, stating that the department has secured a permanent stable federal funding source to support family preservation services, and as of that date shall be repealed.

(3) If the director does not execute the declaration described in paragraph (2) prior to January 1, 1997, this section shall become inoperative on July 1, 1997, and as of January 1, 1998, is repealed unless a later enacted statute, that becomes effective on or before January 1, 1998, deletes or extends the dates on which it becomes inoperative and is repealed.

(4) If the director executes the declaration described in paragraph (2), the department shall make reasonable arrangements to shift those counties operating a family preservation program under a memorandum of understanding with the department, to the newly federally funded family preservation program.

SEC. 6. Part 4.4 (commencing with Section 16600) is added to Division 9 of the Welfare and Institutions Code, to read:

PART 4.4. FAMILY PRESERVATION SERVICES

16600. (a) The department shall administer the Family Preservation and Support Program. The program shall meet the requirements established in Sections 430 to 435, inclusive, of the federal Social Security Act (Subpart 2 (commencing with Section 629) of Part B of subchapter 4 of Chapter 7 of Title 42 of the United States Code). Program functions shall be performed by other

agencies as required by law, by delegation of the department, or by cooperative agreements.

(b) Notwithstanding Section 10103, the department may retain and not pass on to the counties up to 15 percent of federal Family Preservation and Support Program funds for the purposes of state administrative costs incurred on or after October 1, 1993, including planning, monitoring, evaluation, training and technical assistance, or projects of statewide significance. Funds spent on projects of statewide significance shall be allocated in a way to ensure integration into the needs identified by the receiving counties. The department shall review and prioritize needs identified by counties in determining projects of statewide significance.

16601. (a) Family support services shall include those services that are primarily community-based preventive activities designed to alleviate stress and to promote parental competency and behavior that will increase the ability of families to successfully nurture their children, to enable families to use other resources and opportunities that are available in the community, to create supportive networks that enhance childrearing abilities of parents, and to help compensate for the increased social isolation and vulnerability of families.

(b) Family support services include, but are not limited to, an array of activities, such as home visitation, informal interactions in drop-in centers, parent education, information and referral service, family counseling services, respite care for parents and other caregivers, early development screening of children to assess the needs of these children and assistance in obtaining specific services to meet their needs, mentoring, literacy services, and health education for youth and parents.

16602. (a) Notwithstanding Section 16500, each county that chooses to participate in the Family Preservation and Support Program shall establish a local planning body and develop county plans as required by the department. The board of supervisors shall oversee the local planning process and approve each county plan before it is transmitted to the department for approval.

(b) Notwithstanding Section 16500, the county welfare department shall act as the county lead administrative agency to carry out the day-to-day planning activities. The county welfare department shall distribute and account for the program funds allocated to the county.

16604. (a) Not less than 50 percent and not more than 75 percent of the program funds spent on services each year by each county shall be spent on family support services.

(b) Not less than 25 percent and not more than 50 percent of the program funds spent on services each year by each county shall be spent on family preservation services.

SEC. 7. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into

immediate effect. The facts constituting the necessity are:

In order to ensure that timely input is received by the State Department of Social Services for development of a state plan for family preservation and support services, it is necessary that this act go into immediate effect.

CHAPTER 962

An act to amend Section 11755.4 of the Health and Safety Code, relating to alcohol and drug abuse, and making an appropriation therefor.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) An unknown but increasing number of runaway and homeless youths live in California's streets and are exposed to a web of drugs, crime, and pandering that may entangle their lives forever.

(b) Since 1986, California has funded projects, through the Office of Criminal Justice Planning, to meet the needs of runaway and homeless youths in San Francisco and Los Angeles.

(c) Statistical documentation from those projects has proved them to be an efficient and effective way to remove adolescents permanently from the streets and place them back into the mainstream of life.

(d) Despite the success of those projects, there is a continuing gap in services for the estimated 50 percent to 85 percent of runaway and homeless youths who have substance abuse problems.

(e) In 1989, the County of Los Angeles calculated out of all runaway youths seeking medical assistance, 75 percent of those engaged in prostitution had a substance abuse problem, compared to 36 percent of those not engaged in prostitution.

(f) Sixty-three percent of those juvenile prostitutes with substance abuse problems do not believe that they have a substance abuse problem. As a result, they do not seek help. For this reason, an outreach program is vital to ensure that these youths are treated for substance abuse problems.

(g) Juvenile prostitutes not only have higher rates of alcohol and drug abuse, but also have a higher rate of suicide, criminal activity, HIV infection, and mental health disorders. Juvenile prostitutes also have the lowest rate of successful reunification with their families.

SEC. 2. Section 11755.4 of the Health and Safety Code is amended to read:

11755.4. (a) To the extent funding is provided pursuant to

subdivision (c), a two and one-half year program shall be established by the homeless youth projects operated in the County of Los Angeles and the City and County of San Francisco pursuant to Chapter 6 (commencing with Section 13700) of Part 3 of Division 9 of the Welfare and Institutions Code to operate an outreach program targeted at treating substance abuse problems of substance-dependent homeless youth, including juvenile prostitutes. The department shall, in consultation with the Office of Criminal Justice Planning, develop guidelines for the scope of the program established pursuant to this section, including, but not limited to, requiring outreach to all shelters and drop-in facilities operated by the homeless youth project established in the County of Los Angeles and the City and County of San Francisco. The department also shall, in consultation with the Office of Criminal Justice Planning, oversee the management of the program established pursuant to this section.

(b) To the extent permitted by federal law, commencing January 1, 1995, the department shall enter into separate contracts in the amount of one hundred twenty-five thousand dollars ($125,000) for the remainder of the 1994–95 fiscal year, and two hundred fifty thousand dollars ($250,000) for each of the following two fiscal years, for each contract with the homeless youth project established in the County of Los Angeles and with the project established in the City and County of San Francisco for the operation of the program pursuant to this section. Contract terms shall be in accord with the terms and conditions of the funding.

(c) The program established pursuant to this section shall cease to operate on June 30, 1997.

SEC. 3. The sum of one million two hundred fifty thousand dollars ($1,250,000) is hereby appropriated from unencumbered federal trust funds available for purposes of Section 11755.4 of the Health and Safety Code for expenditure by the State Department of Alcohol and Drug Programs for purposes of subdivision (b) of Section 11755.4 of the Health and Safety Code in accordance with the following schedule:

(a) For the remainder of the 1994–95 fiscal year, two hundred fifty thousand dollars ($250,000) of the total sum is hereby appropriated from unexpended federal funds.

(b) For the 1995–96 and 1996–97 fiscal years, the sum of five hundred thousand dollars ($500,000) per year is hereby appropriated annually from the federal Substance Abuse Prevention and Treatment Block Grant funds.

The funds that are appropriated for the project in the County of Los Angeles shall be transferred by the State Department of Alcohol and Drug Programs to the County of Los Angeles. The county shall expend these funds solely for purposes of the contract with the Los Angeles Children's Hospital, where the project is administered. The county may retain a portion of these funds that reflects the actual administrative costs, if any, incurred by the county in making this expenditure.

(c) The obligations of the City and County of San Francisco and the County of Los Angeles to provide services under their respective programs shall be limited to the amount of funds provided in the section adding this act. However, additional funds, with the exception of federal block grant funds, may be expended by either or both programs to the extent that other nonstate sources of funding become available.

SEC. 4. No reimbursement shall be made from the State Mandates Claims Fund pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code for costs mandated by the state pursuant to this act. It is recognized, however, that a local agency or school district may pursue any remedies to obtain reimbursement available to it under Part 7 (commencing with Section 17500) and any other provisions of law. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 963

An act to amend Section 3201.5 of the Labor Code, relating to workers' compensation, and declaring the urgency thereof, to take effect immediately.

The findings of fact, award, order, or decision of the arbitrator shall have the same force and effect as an award, order, or decision of a workers' compensation judge. Any provision for arbitration established pursuant to this section shall not be subject to Sections 5270, 5270.5, 5271, 5272, 5273, 5275, and 5277.

(c) Subdivision (a) shall apply only to the following:

(h) Commencing July 1, 1995, and annually thereafter, the Division of Workers' Compensation shall report to the Director of the Department of Industrial Relations the number of collective bargaining agreements received and the number of employees covered by these agreements.

(e) (1) (A) After consulting with the State Department of Social Services, the department shall adopt emergency regulations to establish the amount, scope, and duration of personal care services available to persons described in subdivision (a) in the fiscal year whenever the department determines that General Fund expenditures for personal care services provided under this section and expenditures of both General Fund moneys and federal funds received under Title XX of the federal Social Security Act for services pursuant to Article 7 (commencing with Section 12300) of Chapter 3, are expected to exceed the General Fund appropriation and the federal appropriation under Title XX of the federal Social Security Act provided for the 1992–93 fiscal year pursuant to Article 7 (commencing with Section 12300) of Chapter 3, as it read on June 30, 1992, as adjusted for caseload growth or as increased in the Budget Act or appropriated by statute. At least 30 days prior to filing these regulations with the Secretary of State, the department shall give notice of the expected content of these regulations to the fiscal committees of both houses of the Legislature.

(B) In establishing the amount, scope, and duration of personal care services, the department shall ensure that General Fund expenditures for personal care services provided for under this section and expenditures of both General Fund moneys and federal funds received under Title XX of the federal Social Security Act for services pursuant to Article 7 (commencing with Section 12300) of Chapter 3, do not exceed the General Fund appropriation and the federal appropriation under Title XX of the federal Social Security Act provided for the 1992–93 fiscal year pursuant to Article 7 (commencing with Section 12300) of Chapter 3, as it read on June 30, 1992, as adjusted for caseload growth or as increased in the Budget Act or appropriated by statute.

define and take into account, among other things:

(A) The extent to which the particular personal care services are essential or nonessential.

(B) Standards establishing the medical necessity of the services to be provided.

(C) Utilization controls.

(D) A minimum number of hours of personal care services that must first be assessed as needed as a condition of receiving personal care services pursuant to this section.

(3) To the extent that General Fund expenditures for services provided under this section and expenditures of both General Fund moneys and federal funds received under Title XX of the federal Social Security Act for services pursuant to Article 7 (commencing with Section 12300) of Chapter 3 in the 1992–93 fiscal year, adjusted for caseload growth, exceed General Fund expenditures for services provided under this section and expenditures of both General Fund moneys and federal funds received under Title XX of the federal Social Security Act for services pursuant to Article 7 (commencing with Section 12300) of Chapter 3 in any fiscal year, the excess of these funds shall be expended for any purpose as directed in the Budget Act or as otherwise statutorily disbursed by the Legislature.

(f) Services pursuant to this section shall be rendered, under the administrative direction of the State Department of Social Services, in the manner authorized in Article 7 (commencing with Section 12300) of Chapter 3, for the In-Home Supportive Services program. A provider of personal care services shall be qualified to provide the service and shall be a person other than a member of the family. (i) Subject to any limitations that may be imposed pursuant to subdivision (e), determination of need and authorization for services shall be performed in accordance with Article 7 (commencing with Section 12300) of Chapter 3.

(j) (1) To the extent permitted by federal law, reimbursement rates for personal care services shall be equal to the rates in each county for the same mode of services in the In-Home Supportive Services program pursuant to Article 7 (commencing with Section 12300) of Chapter 3, plus any increase provided in the annual Budget

Act for personal care services rates or included in a county budget pursuant to paragraph (2).

(2) (A) The department shall establish a provider reimbursement rate methodology to determine payment rates for the individual provider mode of service that does all of the following:

(i) Is consistent with the functions and duties of entities created pursuant to Section 12301.6.

(ii) Makes any additional expenditure of state general funds subject to appropriation in the annual Budget Act.

(iii) Permits county-only funds to draw down federal financial participation consistent with federal law.

(B) This ratesetting method shall be in effect in time for any rate increases to be included in the annual Budget Act.

(C) The department may, in establishing the ratesetting method required by subparagraph (A), do both of the following:

(i) Deem the market rate for like work in each county, as determined by the Employment Development Department, to be the cap for increases in payment rates for individual practitioner services.

(ii) Provide for consideration of county input concerning the rate necessary to ensure access to services in that county.

(D) If an increase in individual practitioner rates is included in the annual Budget Act, the state-county sharing ratio shall be as established in Section 12306. If the annual Budget Act does not include an increase in individual practitioner rates, a county may use county-only funds to meet federal financial participation requirements consistent with federal law.

(3) (A) By November 1, 1993, the department shall submit a state plan amendment to the federal Health Care Financing Administration to implement this subdivision. To the extent that any element or requirement of this subdivision is not approved, the department shall submit a request to the federal Health Care Financing Administration for such waivers as would be necessary to implement this subdivision.

(B) The provider reimbursement ratesetting methodology authorized by the amendments to this subdivision in the 1993–94 Regular Session of the Legislature shall not be operative until all necessary federal approvals have been obtained.

(k) (1) The State Department of Social Services shall, by September 1, 1993, notify the following persons that they are eligible to participate in the personal care services program:

(A) Persons eligible for services pursuant to the Pickle Amendment, as adopted October 28, 1976.

(2) The State Department of Social Services shall, by September 1, 1993, notify persons to whom paragraph (1) applies and who receive advance payment for in-home supportive services that they will qualify for services under this section without a share of cost if

they elect to accept payment for services on an arrears rather than an advance payment basis.

(3) Upon request by the board of supervisors, of the funds in the subaccount created pursuant to Section 17600.110, the Controller shall allocate the following amounts for the establishment of an entity specified in Section 12301.6:

(i) Not more than one hundred thousand dollars ($100,000) may be allocated to a county with a total of fewer than 3,000 recipients of services under this section and Article 7 (commencing with Section 12300) of Chapter 3.

(ii) Not more than two hundred thousand dollars ($200,000) may be allocated to a county with a total of more than 3,000 recipients of services under this section and Article 7 (commencing with Section 12300) of Chapter 3.

(iii) A county to whom either subparagraph (A) or (B) applies shall not be eligible for funds under this subparagraph.

(*l*) An individual who is eligible for services subject to the maximum amount specified in subdivision (b) of Section 12303.4 shall be given the option of hiring his or her own provider.

(m) The county welfare department shall inform in writing any individual who is potentially eligible for services under this section of his or her right to the services.

(n) It is the intent of the Legislature that this entire section be an inseparable whole and that no part of it be severable. If any portion of this section is found to be invalid, as determined by a final judgment of a court of competent jurisdiction, this section shall become inoperative.

(o) Paragraphs (2) and (3) of subdivision (a) shall be implemented so as to conform to federal law authorizing their implementation.

(p) This section shall become inoperative on July 1, 1996, and, as of January 1, 1997, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1997, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 2. (a) No later than March 1, 1995, the State Department of Social Services shall report all of the following to the appropriate committees of the Legislature:

CHAPTER 965

An act to add Article 5 (commencing with Section 12990) to Chapter 2 of Division 3 of the Insurance Code, relating to insurance.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Article 5 (commencing with Section 12990) is added to Chapter 2 of Division 3 of the Insurance Code, to read:

Article 5. Fee Oversight

12990. The department shall adopt an accounting system, as recommended by the State Auditor in Report No. 93030, that will allow the department to accurately identify costs by the regulatory activities and to link the costs to fees collected for those regulatory activities.

12991. On and after October 1, 1995, the department may not levy any fee or fees under Section 736 or 12979 unless the fees are created in compliance with Sections 12992 and 12993.

12992. (a) The department shall determine the actual cost of providing each examination as authorized under Section 730 and following. The department shall then set each fee levied under Section 736 to be based on the actual cost of providing the examination.

(b) The department shall determine the actual administrative and operational costs arising from the provisions of Article 10 (commencing with Section 1861.01) of Chapter 9 of Part 2 of Division 1. The department shall then set the fees assessed under Section 12979 to be based on the actual administrative and operational costs arising from the provisions of Article 10 (commencing with Section 1861.01) of Chapter 9 of Part 2 of Division 1.

12993. The department shall provide the schedule of fees created under Section 12992, as well as the justification that the fees are based on the actual cost of the regulatory activity, to the Department of Finance, the Legislative Analyst, and the insurance committees in each house of the Legislature.

12994. On or before October 1, 1995, the department shall publish a schedule of all fees levied under Sections 736 and 12979. The fees shall be calculated in accordance with Sections 12992 and 12993. On or before January 15, 1996, the Bureau of State Audits shall complete

an audit of the schedule of fees created by this section. The audit shall determine if the fees are in compliance with Section 12992.

SEC. 2. The Legislature finds and declares that one of the stated purposes of Proposition 103 was to reduce the cost of insurance premiums; that Proposition 103 required insurers to "pay a fee to cover the costs of administering these new laws so that this reform will cost taxpayers nothing;" and that ultimately, those fees are passed on to insurance purchasers in the form of higher insurance premiums.

The Legislature finds and declares that it is in the best interests of California insurance purchasers that the fees paid for the enforcement of Proposition 103 not be excessive, and that those fees should not be spent for any other purpose than that for which they were collected, and therefore declares that the amendment to Section 12979 of the Insurance Code proposed by this act furthers the purposes of Proposition 103.

CHAPTER 966

An act to add Section 1569.74 to the Health and Safety Code, and to add Section 4753 to the Probate Code, relating to health care.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) A competent adult has a right to accept or refuse any health care treatment or procedure, including, but not limited to, the right to refuse resuscitation in instances of cardiac or respiratory arrest. This right exists in prehospital settings as well as in hospital and other clinical settings.

(b) This right is critical for the frail and elderly residents of residential care facilities for the elderly.

(c) The state has an interest in protecting an individual's right to accept or refuse health care.

(d) A mechanism for honoring the individual's refusal of heroic resuscitative measures is in the interest of the public health and welfare.

SEC. 2. Section 1569.74 is added to the Health and Safety Code, immediately following Section 1569.73, to read:

1569.74. (a) Licensed residential care facilities for the elderly that employ health care providers may establish policies to honor a request to forego resuscitative measures as defined in subdivision (b) of Section 4753 of the Probate Code.

(b) Any policy established pursuant to subdivision (a) shall meet

all of the following conditions:

(1) The policy shall be in writing and specify procedures to be followed in implementing the policy.

(2) The policy and procedures shall, at all times, be available in the facility for review by the department.

(3) The licensee shall ensure that all staff are aware of the policy as well as the procedures to be followed in implementing the policy.

(4) A copy of the policy shall be given to each resident who makes a request to forego resuscitative measures, and the resident's primary physician.

(5) A copy of the resident's request to forego resuscitative measures shall be maintained in the facility and shall be immediately available for review by facility staff, the licensed health care provider, and the department.

(6) Facility staff are prohibited, on behalf of any resident, from signing any directive document as a witness or from being the legally recognized surrogate decisionmaker.

(7) The facility shall provide the resident's physician with a copy of the resident's request to forego resuscitative measures form.

(c) Any action by a facility that has established policies pursuant to subdivision (a), to honor a resident's request to forego resuscitative measures as provided for in subdivision (a) may only be taken by a licensed health care provider who is employed by the facility and on the premises at the time of the life threatening emergency.

(d) Licensed residential care facilities for the elderly that have not established policies pursuant to subdivision (a), may keep an executed request to forego resuscitative measures form in the resident's file and present it to an emergency medical technician or paramedic when authorized to do so in writing by the resident or his or her legally recognized surrogate decisionmaker. The request may be honored by an emergency medical technician or by any health care provider as defined in Section 4753 of the Probate Code, who, in the course of professional or volunteer duties, responds to emergencies.

SEC. 3. Section 4753 is added to the Probate Code, to read:

4753. (a) A health care provider who honors a request to forego resuscitative measures, as defined in subdivision (b), shall not be subject to criminal prosecution, civil liability, discipline for unprofessional conduct, administrative sanction, or any other sanction, as a result of his or her reliance upon that request, if the health care provider: (1) believes in good faith that the action or decision is consistent with this section, and (2) has no knowledge that the action or decision would be inconsistent with a health care decision that the individual signing the request would have made on his or her own behalf under like circumstances.

(b) A "request to forego resuscitative measures" shall be a written document, signed by the individual, or a legally recognized surrogate health care decisionmaker and a physician and surgeon, that directs

a health care provider to forego resuscitative measures. For the purpose of this section, a "request to forego resuscitative measures" shall include a prehospital "do not resuscitate" form as developed by the Emergency Medical Services Authority or other substantially similar form. A request to forego resuscitative measures may also be evidenced by a medallion engraved with the words "do not resuscitate" or the letters "DNR", a patient identification number, and a 24-hour toll-free telephone number, issued by a person pursuant to an agreement with the Emergency Medical Services Authority.

(c) Request to forego resuscitative measures forms printed after January 1, 1995, shall contain the following:

"By signing this form, the surrogate acknowledges that this request to forego resuscitative measures is consistent with the known desires of, and with the best interest of, the individual who is the subject of the form."

(d) A substantially similar printed form shall be valid and enforceable if all of the following conditions are met:

(1) It is signed by the individual, or the individual's legally recognized surrogate health care decisionmaker and a physician and surgeon.

(2) It directs health care providers to forego resuscitative measures.

(3) It contains all other information required by this section.

(e) In the absence of knowledge to the contrary, a health care provider may presume that a request to forego resuscitative measures is valid and unrevoked.

(f) This section shall apply whether the individual is within or outside a hospital or other health care facility.

(g) For purposes of this section "health care provider" shall include, but not be limited to, those persons described in Section 4615, and emergency response employees, including, but not limited to, firefighters, law enforcement officers, emergency medical technicians I and II, paramedics, or employees or volunteer members of legally organized and recognized volunteer organizations, who are trained in accordance with standards adopted as regulations by the Emergency Medical Services Authority pursuant to Sections 1797.170, 1797.171, 1797.172, 1797.182, and 1797.183 of the Health and Safety Code to respond to medical emergencies in the course of performing their volunteer or employee duties with the organization.

(h) This section does not repeal or narrow current laws relating to health care decisionmaking, including the provisions governing the use of the Durable Power of Attorney for Health Care contained in this chapter, and the provisions relating to the use of declarations concerning life sustaining treatments pursuant to the Natural Death Act (Chapter 3.9 (commencing with Section 7185) of Part 1 of Division 7 of the Health and Safety Code).

CHAPTER 967

An act to amend Sections 409, 634.5, 1253, and 2708 of, to add Sections 995, 1143, and 2614 to, and to repeal and add Section 2116 of, the Unemployment Insurance Code, relating to unemployment compensation, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 409 of the Unemployment Insurance Code is amended to read:

409. The chairperson shall assign cases before the board to any two members of the board for consideration and decision. Assignments by the chairperson of members to the cases shall be rotated so as to equalize the workload of the members, but with the composition of the members so assigned being varied and changed to assure that there shall never be a fixed and continuous composition of members. Except as otherwise provided, the decision of the two members assigned the case shall be the decision of the appeals board. In the event that the two members do not concur in the decision, the chairperson or another member of the board designated by the chairperson shall be assigned to the panel and shall resolve the impasse. A case shall be considered and decided by the appeals board acting as a whole at the request of any member of the appeals board.

The appeals board shall meet as a whole when the chairperson may direct to consider and pass on any matters that the chairperson may bring before it, and to consider and decide cases that present issues of first impression or that will enable the appeals board to achieve uniformity of decisions by the respective members.

The appeals board, acting as a whole, may designate certain of its decisions as precedents. Precedent decisions shall not be subject to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of the Government Code. The appeals board, acting as a whole, may, on its own motion, reconsider a previously issued decision solely to determine whether or not the decision shall be designated as a precedent decision. Decisions of the appeals board acting as a whole shall be by a majority vote of its members. The director and the appeals board administrative law judges shall be controlled by those precedents except as modified by judicial review.

The decisions of the appeals board shall contain a statement of the facts upon which the decision is based, and a statement of the decision itself and the reasons for the decision. If the appeals board issues decisions other than those designated as precedent decisions, anything incorporated in those decisions shall be physically attached to and be made a part of the decisions. The appeals board shall

maintain an index of significant legal and policy determinations made in precedent decisions. The index shall be updated at least annually, unless no precedent decision has been designated since the most recent update. The index shall be made available to the public by subscription, and its availability shall be publicized annually in the California Regulatory Notice Register. The appeals board may make a reasonable charge as it deems necessary to defray the costs of publication and distribution.

SEC. 1.5. Section 634.5 of the Unemployment Insurance Code is amended to read:

634.5. Notwithstanding any other provision of this code or any other code or law, no provision of this code or any other code or law excluding service from "employment" shall apply to any public entity defined by Section 605 or to any nonprofit organization described by Section 608, except as provided by this section. With respect to any public entity defined by Section 605 or any nonprofit organization described by Section 608, "employment" does not include service excluded under Sections 629, 631, 635, and 639 to 648, inclusive, or service performed in any of the following:

(5) In a position which, under or pursuant to state law, is designated as either of the following:

(A) A major nontenured policymaking or advisory position.

(B) A policymaking or advisory position the performance of the duties of which ordinarily does not require more than eight hours per week.

(6) As an election official or election worker if the amount of remuneration reasonably expected to be received by the individual during the calendar year for services as an election official or election worker is less than two hundred dollars ($200), provided that this paragraph shall not take effect unless and until the service is excluded from service to which paragraph (1) of subdivision (a) of Section 3309 of the federal Unemployment Tax Act (26 U.S.C. Sec.

3301 et seq.) applies by reason of exemption under subdivision (b) of Section 3309 of that act.

(d) Except as provided by Section 605.5, by an individual receiving rehabilitation or remunerative work in a facility conducted for the purpose of carrying out a program of either:

(1) Rehabilitation for individuals whose earning capacity is impaired by age or physical or mental deficiency or injury; or

SEC. 1.7. Section 995 is added to the Unemployment Insurance Code, to read:

SEC. 2. Section 1143 is added to the Unemployment Insurance Code, to read:

1143. If the director finds that any individual falsely certifies the medical condition of any person in order to obtain disability insurance benefits, with the intent to defraud, whether for the maker or for any other person, the director shall assess a penalty against the individual in the amount of 25 percent of the benefits paid as a result of the false certification. The provisions of this article, the provisions of Article 9 (commencing with Section 1176) with respect to refunds, and the provisions of Chapter 7 (commencing with Section 1701) with respect to collections shall apply to the assessments provided by this section. SEC. 3. Section 1253 of the Unemployment Insurance Code is amended to read:

(a) A claim for benefits with respect to that week has been made in accordance with authorized regulations.

(b) He or she has registered for work, and thereafter continued to report, at a public employment office or any other place as the director may approve. Either or both of the requirements of this subdivision may be waived or altered by authorized regulation as to partially employed individuals attached to regular jobs.

(c) He or she was able to work and available for work for that week.

(f) He or she participated, as required by the director, in reemployment activities such as orientation and assessment, if the individual has been identified pursuant to an automated profiling system as likely to exhaust regular unemployment benefits. This requirement shall not apply to an individual who has shown good cause for failure to participate in reemployment activities.

SEC. 4. Section 2116 of the Unemployment Insurance Code is repealed.

SEC. 5. Section 2116 is added to the Unemployment Insurance Code, to read:

fraudulent written or oral material statement in support of any claim for disability insurance benefits.

(c) Knowingly solicit, receive, offer, pay, or accept any rebate, refund, commission, preference, patronage, dividend, discount, or other consideration, whether in the form of money or otherwise, as compensation or inducement for soliciting a claimant to apply for disability insurance benefits unless the payment is lawful pursuant to Section 650 of the Business and Professions Code.

(d) Knowingly assist, abet, solicit, or conspire with any person who engages in an unlawful act under this section.

SEC. 6. Section 2614 is added to the Unemployment Insurance Code, to read:

2614. The director shall report to the Legislature by June 30 of each year on the department's fraud deterrence and detection activities.

SEC. 7. Section 2708 of the Unemployment Insurance Code is amended to read:

2708. (a) In accordance with the director's authorized regulations, and except as provided in Sections 2708.1 and 2709, a claimant shall establish medical eligibility for each uninterrupted period of disability by filing a first claim for disability benefits supported by the certificate of a treating physician or practitioner. For subsequent periods of uninterrupted disability after the period covered by the initial certificate or any preceding continued claim, a claimant shall file a continued claim for those benefits supported by the certificate of a treating physician or practitioner. The certificate shall contain a diagnosis and diagnostic code prescribed in the International Classification of Diseases, or, where no diagnosis has yet been obtained, a detailed statement of symptoms.

The certificate shall also contain a statement of medical facts including secondary diagnoses when applicable, within the physician's or practitioner's knowledge, based on a physical examination and a documented medical history of the claimant by the physician or practitioner, indicating his or her conclusion as to the claimant's disability, and a statement of his or her opinion as to the expected duration of the disability.

(b) The first and any continuing claim of an individual who obtains care and treatment outside this state, shall be supported by a certificate of a treating physician or practitioner duly licensed or certified by the state or foreign country in which the claimant is receiving the care and treatment. If a physician or practitioner licensed by and practicing in a foreign country is under investigation by the department for filing false claims and the department does not have legal remedies to conduct a criminal investigation or prosecution in that country, the department may suspend the processing of all further certifications until the physician or practitioner fully cooperates, and continues to cooperate with the investigation. A physician or practitioner licensed by and practicing in a foreign country who has been convicted of filing false claims with

the department may not file a certificate in support of a claim for disability benefits for a period of five years.

(c) For purposes of this part, the term "physician" has the same meaning as it does in Section 3209.3 of the Labor Code. For purposes of this part, "practitioner" means a person duly licensed or certified in California acting within the scope of his or her license or certification who is a dentist, podiatrist, or as to normal pregnancy or childbirth, a nurse midwife or nurse practitioner.

(d) For a claimant who is hospitalized in or under the authority of a county hospital in this state, a certificate of initial and continuing medical disability, if any, shall satisfy the requirements of this section if the disability is shown by the claimant's hospital chart, and the certificate is signed by the hospital's registrar. For a claimant hospitalized in or under the care of a medical facility of the United States government, a certificate of initial and continuing medical disability, if any, shall satisfy the requirements of this section if the disability is shown by the claimant's hospital chart, and the certificate is signed by a medical officer of the facility duly authorized to do so.

(e) Nothing in this section shall be construed to preclude the department from requesting additional medical evidence to supplement the first or any continued claim if the additional evidence can be procured without additional cost to the claimant. The department may require that the additional evidence include identification of diagnoses, symptoms, or a statement as to the facts of the claimant's disability by the physician or practitioner treating the claimant, by the registrar, authorized medical officer, or other duly authorized official of the hospital or health facility treating the claimant, or by an examining physician or other representative of the department.

SEC. 8. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 9. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to clarify the nonemployment status of temporary elections officials and workers in the upcoming November 8, 1994, general election, and to provide for immediate improvements to the unemployment compensation system, it is necessary that this act take effect immediately.

CHAPTER 968

An act to amend Section 4051.6 of, and to add Section 3502.1 to, the Business and Professions Code, relating to physician assistants.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 3502.1 is added to the Business and Professions Code, to read:

3502.1. (a) In addition to the services authorized in the regulations adopted by the board, and except as prohibited by Section 3502, while under the supervision of a licensed physician and surgeon or physicians and surgeons approved by the board, a physician assistant may administer or provide medication to a patient, or transmit orally, or in writing on a patient's record or in a transmittal order, a prescription from his or her supervising physician and surgeon to a person who may lawfully furnish the medication or medical device pursuant to subdivisions (b) and (c).

(1) A supervising physician and surgeon who delegates prescription transmittal authority to a physician assistant may limit this authority by specifying the manner in which the physician assistant may transmit prescriptions.

(2) Each supervising physician and surgeon who delegates prescription transmittal authority shall first prepare and adopt, or adopt, a written, practice specific, formulary and protocols that specify all criteria for the use of a particular drug or device, and any contraindications for the selection. The drugs listed shall constitute the formulary and shall include only drugs that are appropriate for use in the type of practice engaged in by the supervising physician and surgeon. When transmitting an order, the physician assistant is acting on behalf of and as an agent for a supervising physician and surgeon.

(b) The supervising physician and surgeon's prescription for any patient cared for by the physician assistant that is transmitted by the physician assistant shall be based on either an order given by a supervising physician and surgeon for a particular patient, or on the protocols described in subdivision (a).

(1) A physician assistant shall not administer or provide a drug or transmit a prescription for a drug other than for a drug listed in the formulary without an order from a supervising physician and surgeon for the particular patient. At the direction and under the supervision of a physician and surgeon, a physician assistant may hand to a patient of the supervising physician and surgeon a properly labeled prescription drug prepackaged by a physician and surgeon, manufacturer as defined in the Pharmacy Law, or a pharmacist.

(2) A physician assistant may not administer, provide or transmit

a prescription for Schedule II through Schedule V controlled substances without an order by a supervising physician and surgeon for the particular patient.

(3) Any prescription transmitted by a physician assistant shall be subject to a reasonable quantitative limitation consistent with customary medical practice in the supervising physician and surgeon's practice.

(c) A transmittal order issued pursuant to subdivision (a) shall contain the printed name, address, and phone number of the supervising physician and surgeon, the printed or stamped name and license number of the physician assistant, and the signature of the physician assistant. The requirements of this subdivision may be met through stamping or otherwise imprinting on the supervising physician and surgeon's prescription blank to show the name and license number of the physician assistant, and shall be signed by the physician assistant. When transmitting an order, the physician assistant is acting on behalf of and as an agent for a supervising physician and surgeon.

(d) The medical record of any patient cared for by a physician assistant for whom the supervising physician and surgeon's prescription has been transmitted or carried out shall be reviewed and countersigned and dated by a supervising physician and surgeon within seven days.

SEC. 2. Section 4051.6 of the Business and Professions Code is amended to read:

4051.6. Notwithstanding any other provision of law, a licensed pharmacist may dispense drugs or devices upon the order of a nurse practitioner functioning pursuant to Section 2836.1 or a transmittal order of a physician assistant functioning pursuant to Section 3502.1.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 969

An act to add and repeal Part 1.5 (commencing with Section 1400) to Division 2 of the Welfare and Institutions Code, relating to juveniles.

[Approved by Governor September 27, 1994. Filed with Secretary of State September 28, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Part 1.5 (commencing with Section 1400) is added to Division 2 of the Welfare and Institutions Code, to read:

PART 1.5. FAMILY ASSESSMENT INTERVENTION AND RESOURCE PROGRAM

CHAPTER 1. GENERAL PROVISIONS

Article 1. Legislative Findings and Intent

1400. This part shall be known and may be cited as the Pilot Family Assessment Intervention and Resource Act.

1401. The Legislature finds and declares that:

(a) There is a continuing need to institute early intervention and prevention programs for children and their families at risk of coming under the jurisdiction of the juvenile court as a consequence of either delinquent conduct of the child or parental abuse and neglect.

(b) Children and their families at risk of coming under the jurisdiction of the juvenile court shall, in conformity with the interests of public safety and protection, receive community-based care, treatment, and guidance which is consistent with their best interests and which holds them accountable for their behavior.

(c) Currently, children come under the jurisdiction of the juvenile court because of one or more of the following:

(1) They have committed a criminal offense and are classified as wards of the court owing to their delinquent conduct.

(2) They are habitually disobedient or truant and are designated wards of the court because they are beyond parental control.

(3) They are in need of protective services and are classified as dependents of the court because they have been abused or neglected by a parent or guardian.

(d) Each juvenile court in California has the responsibility to address every case coming before it on an individual basis, recognizing the special needs of each child, the child's family, and the community in which the conduct has occurred. Severely neglected and abused children, and children whose pattern of

criminal conduct is well established or whose criminal acts are serious, make up the bulk of the cases handled by the juvenile courts. The procedural requirements are strict, the time limits are short, and the cases are usually complex, with substantial impact on the child and family, the probation and social services systems in the county, and the public at large.

(e) Attorneys represent children and family members in juvenile court, and because the stakes are high, many cases are contested. Hearings on these matters are usually emotional, often lengthy, and always expensive. Once the juvenile court assumes jurisdiction of the case, the assistance needed by the children and their families is comprehensive and costly, and resources are often inadequate.

(f) Considerably greater public resources have been spent on treating adverse outcomes than on preventing them.

(g) The current juvenile justice system is not meeting the needs of at-risk children and their families owing to a lack of community-based intervention and prevention programs.

(h) Because of limited resources, only the most serious cases come before the juvenile court, and by the time the court is asked to address the problems, it is often too late. The system of authoritative intervention by the courts and public agencies focuses on and labels children and families who could have remained out of that system if served earlier and more comprehensively.

(i) California juvenile courts are overwhelmed as a result of dramatically increased caseloads and the scarcity or inadequacy of resources to address the problems precipitating court involvement.

(j) Children and families who could benefit from early intervention and prevention programs are frequently overlooked until the conduct or condition becomes so aggravated that court action is required.

1402. It is the intent of the Legislature to:

(a) Establish a model for Family Assessment Intervention and Resource (FAIR) centers for prevention and early intervention, with the juvenile court playing an important role in this judicially supervised, nonadversarial program that will result in a reduction and reallocation of costs to the court system. The purpose of the FAIR center is to do all of the following:

(1) Offer community-based prevention, intervention, and treatment services in a neighborhood setting.

(2) Serve as a resource for children whose conduct or condition comes within statutory descriptions, but whose cases are amenable to resolution short of court intervention or are not yet serious enough to warrant the immediate filing of a juvenile court petition.

(3) Reduce the need for intensive judicial intervention in the future with concomitant savings in appointed attorney fees and court support costs.

(4) Shift the focus of intervention toward individual and family responsibility and accountability while eliminating the practice of labeling children according only to statutory definitions.

(5) Enhance the effectiveness of the judicial system and the role of the juvenile court.

(b) Establish pilot and demonstration projects in up to three counties to fulfill the FAIR center model goal and to evaluate whether the FAIR center model better meets the needs of at-risk children and their families in a cost-effective manner by providing a community-based intervention and prevention program. The pilot and demonstration projects shall include all of the following:

(1) A process by which, in lieu of filing a petition to declare a child a ward or a dependent, at-risk children and their families are referred to a FAIR center. The process shall include the filing of a petition under Section 1420, as provided in Section 1410.

(2) A community-based FAIR center that will provide referrals or services adapted to the individual families and the communities or neighborhoods to be served.

(3) A contractual agreement between families referred to FAIR centers and FAIR center representatives encouraging compliance with a case plan for recommended services. The contractual agreement shall be filed with the local juvenile court.

(4) Establish procedures to ensure individual accountability on the part of each family member to fulfill contractual agreements made with the FAIR center.

Article 2. Commencement of Proceedings

1410. In any case in which a probation officer or social worker, after investigation of an application for a petition or any other investigation the officer or social worker is authorized to make, determines that a child is within the jurisdiction of the juvenile court or will probably soon be within that jurisdiction, the probation officer or social worker, in lieu of filing a petition to declare a child a dependent child of the court under Section 300 or a ward of the court under Section 601, or in lieu of requesting that a petition be filed by the prosecuting attorney to declare a child a ward of the court under Section 602, may with the consent of the child and the child's parent or guardian refer the case to a FAIR center under Section 1420 instead. Nothing in this section shall be construed to prevent the probation officer or social worker from filing a petition under Section 300 or 601, or requesting the prosecuting attorney to file a petition under Section 602, at any time within a six-month period from the date of the filing of the petition, or an extension of the petition, under Section 1420 if the probation officer or social worker determines that the child or the family of the child has violated any of the terms of the agreement entered into at the FAIR center. A family whose child meets the description under subdivision (c) of Section 653.5, subdivision (e) of Section 300, or subdivision (f) of Section 300 shall be excluded from referral to or participation in the FAIR center assessment and program.

Article 3. FAIR Center Pilot and Demonstration Projects

1420. The Judicial Council shall establish, in cooperation with the board of supervisors of the county and other local entities, up to three judicial demonstration projects for a three-year period in order to implement and evaluate the FAIR center proposal. Projects shall be funded to the extent federal and private funding sources can be developed. Existing discretionary state funds available for use by the participating county may be used by the county for the project to the extent this use is not in conflict with the purposes for which the funds are appropriated. No new state funds shall be expended for this purpose. Each county FAIR pilot and demonstration project designated by the Judicial Council shall do all of the following:

(a) Create a FAIR center that provides an extensive array of services adapted to the needs of individual children and their families in the neighborhoods in which they reside. In order to establish and operate a FAIR center, the presiding judge of the juvenile court in which the center is created shall establish a local planning council. A council established pursuant to this subdivision shall plan, implement, monitor, and evaluate the pilot program. The presiding judge may designate an existing interagency coordination council to perform the functions of the local planning council if the existing interagency coordination council meets the representation requirements of subdivision (b).

(b) The membership of the local planning council established pursuant to subdivision (a) shall include the presiding judge of the juvenile court and at least one representative from each of the following agencies or groups:

(1) One representative of each county agency responsible for the following services: probation, social services, health, mental health, schools, and employment training.

(2) One representative of local education.

(3) One representative of the state Department of Rehabilitation.

(4) One representative of a local law enforcement agency.

(5) One representative of each of the following community-based groups: (A) victims groups; (B) nonprofit agencies serving at-risk youth; and (C) the business community.

(6) Representatives of families and youths who are at risk of coming within the jurisdiction of the juvenile court.

(c) Establish a referral mechanism that includes all of the following elements:

(1) Any interested agency or organization may make direct referrals to FAIR, under protocols developed and drafted by representatives of the county probation department, the county department of social services, and the FAIR center, in consultation with other community sources.

(2) Families shall be eligible to receive an assessment for FAIR center participation and status under this section only if the child whose conduct or condition has precipitated the referral comes

within the description of Section 300, 601, or 602, or pursuant to Section 1410 will probably soon do so. The court may consider referring a child and the child's family to the FAIR center at any time prior to making a jurisdictional determination under Section 300, 601, or 602. Therefore, the protocol for referrals shall be drafted jointly by the probation department, the department of social services, and the FAIR center director to ensure that the statutory criteria are met.

(3) A child and the child's family are eligible for FAIR center involvement if the child is referred at any time prior to the child's 18th birthday.

(d) Establish staffing, administration, and program guidelines, including the following:

(1) Each FAIR center shall be staffed by an administrator, one or more family advisors, and paid staff as needed. Each family advisor shall, at the time of appointment, have extensive experience with the agencies in the jurisdiction that serve children and families, and shall have served at least three years as a teacher, patrol officer, probation officer, social worker, mediator, counselor, or in a position offering equivalent experience with youth and families. Bidding agencies shall be required to use the services of volunteers, including, but not limited to, student interns.

(2) Each family advisor shall be required to do all of the following:

(A) Meet with the involved family members and other involved persons, including school representatives, community resource representatives, and counselors, assess the family for participation in the FAIR center under this section, and assume responsibility for the decision to do any of the following:

(i) Find the family unsuitable for inclusion in the FAIR program, and report back to the probation or social services department.

(ii) Accept the family and proceed under the requirements of this section.

(iii) Provide referrals to the family for services, without recommending formal participation in FAIR.

(B) For families accepted for participation:

(i) Make recommendations for services to be included in the contractual agreement, explain each service to the family, and ensure that the recommended services are available and accessible to the family.

(ii) Draft the contractual agreement for the signatures of the parties and representatives of the relevant agency. The contractual agreement shall include a specification of services to be provided to, and actions to be taken by, the family.

(iii) Explain the nature and terms of the contractual agreement and the consequences of failure to comply, including contempt, as well as the role of the court and the duties of the center.

(iv) Submit the contractual agreement to the court and the relevant agency.

(3) Services at the FAIR center site itself shall include, but not be

limited to, crisis intervention, family assessment, drafting of the contractual agreement, referrals for services available elsewhere, case management, and followup. Mediation and dispute resolution services shall be provided at the FAIR center, or through a referral, but shall be available to participants.

(4) Jurisdiction of the juvenile court under this section shall commence at the time the contractual agreement is approved and filed. No case may be extended beyond 12 months after the filing of the contractual agreement.

(A) Within three months after the contractual agreement is filed, the family advisor shall prepare a report to be submitted to the FAIR center administrator for in-house review.

(B) Six months after the contractual agreement is filed, the family advisor shall prepare and submit a report to the court. At that time, the term of the contractual agreement shall expire, and jurisdiction of the court under this section shall terminate, unless a new contractual agreement extending the original service plan for an additional six months or modifying the original service plan is prepared, signed by the parties, approved by the court, and filed.

(C) Six months after the extension or modified contractual agreement is filed, the family advisor shall prepare and submit a final report to the court and the relevant agency, and jurisdiction under this section shall terminate.

(5) Failure to perform the obligations of the FAIR contractual agreement may result in the filing of a petition in juvenile court under Section 300, 601, or 602, in the sanction of contempt for adult parties, or both. Notice to the participants of the potential consequences of contempt and incarceration is paramount. The Judicial Council shall adopt forms for mandatory use which clearly set forth these consequences, and the family advisor shall thoroughly discuss and explain them.

(e) Establish case management guidelines.

Article 4. Research and Evaluation

1430. (a) Every pilot and demonstration project under this part shall include a research component requiring a longitudinal study of a percentage of the families served at each FAIR center, the establishment of a suitable control group of families that are not served, and an evaluation of program components and their effectiveness in addressing and meeting FAIR center goals.

(b) Each FAIR center shall maintain case records containing information relating to each family served, and shall adhere to standards of confidentiality and preservation of records as specified in the request for proposals. However, five years after the termination of a family's case, the records shall be destroyed.

(c) Each FAIR center shall adhere to standards of confidentiality set forth in Section 18986.45 for multidisciplinary services teams.

(d) Continuous and longitudinal evaluation of the benefits and

costs of the pilot projects shall be made by a research and evaluation advisory panel appointed by the Judicial Council.

(e) Not later than July 1, 1997, the Judicial Council shall report to the Legislature on the result of each of the pilot and demonstration projects. The report shall include the evaluations of the research and evaluation advisory panel, recommendations as to whether the techniques utilized in the pilot and demonstration projects should be required or encouraged on a statewide basis, and how any expenses related to the changes should be financed. Recommended changes in the law should be included in the report.

Article 5. Duration

1440. This part shall remain in effect only until January 1, 1998, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 1998, deletes or extends that date.

SEC. 1.5. Section 1430 is added to the Welfare and Institutions Code, to read:

1430. (a) Every pilot and demonstration project under this part shall include a research component requiring a longitudinal study of a percentage of the families served at each FAIR center, and an evaluation of program components and their effectiveness in addressing and meeting FAIR center goals.

(b) Each FAIR center shall maintain case records containing information relating to each family served, and shall adhere to standards of confidentiality and preservation of records as specified in the request for proposals. However, five years after the termination of a family's case, the records shall be destroyed.

(c) Each FAIR center shall adhere to standards of confidentiality set forth in Section 18986.46 for multidisciplinary services teams.

(d) Continuous and longitudinal evaluation of the benefits and costs of the pilot projects shall be made by a research and evaluation advisory panel appointed by the Judicial Council.

(e) Not later than July 1, 1997, the Judicial Council shall report to the Legislature on the result of each of the pilot and demonstration projects. The report shall include the evaluations of the research and evaluation advisory panel, recommendations as to whether the techniques utilized in the pilot and demonstration projects should be required or encouraged on a statewide basis, and how any expenses related to the changes should be financed. Recommended changes in the law should be included in the report.

SEC. 2. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 3. Section 1.5 of this bill shall become operative, only if AB 2488 is chaptered and becomes effective, at which time the Section 1430 that would be added to the Welfare and Institutions Code by Section 1 of this bill shall not become operative.

CHAPTER 970

An act to amend Section 6872.5 of, to repeal Sections 6871.1, 6871.2, and 6872 of, to repeal Chapter 3.5 (commencing with Section 6250) of, and to repeal and add Chapter 3.4 (commencing with Section 6240) of, Part 1 of Division 6 of, the Public Resources Code, relating to coastal resources.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Chapter 3.4 (commencing with Section 6240) of Part 1 of Division 6 of the Public Resources Code is repealed.

SEC. 2. Chapter 3.4 (commencing with Section 6240) is added to Part 1 of Division 6 of the Public Resources Code, to read:

CHAPTER 3.4. CALIFORNIA COASTAL SANCTUARY

6240. This chapter shall be known, and may be cited, as the California Coastal Sanctuary Act of 1994.

6241. The Legislature hereby finds and declares that offshore oil and gas production in certain areas of state waters poses an unacceptably high risk of damage and disruption to the marine environment of the state.

6242. (a) A California Coastal Sanctuary is hereby created which includes all state waters subject to tidal influence, except as provided in subdivisions (b) and (c).

(b) The California Coastal Sanctuary shall not include any state waters subject to a lease for the extraction of oil or gas in effect on January 1, 1995, unless the lease is deeded or otherwise reverts to the state after that date.

(c) The California Coastal Sanctuary shall not include any state waters situated east of the Carquinez Bridges on Interstate 80.

6243. Notwithstanding any provision of Article 4 (commencing with Section 6870) of Chapter 3 of Part 2 or any other provision of law, no state agency or state officer shall enter into any new lease for the extraction of oil or gas from the California Coastal Sanctuary,

unless the President of the United States has found a severe energy supply interruption and has ordered distribution of the Strategic Petroleum Reserve pursuant to Section 6241(d) of Title 42 of the United States Code, the Governor finds that the energy resources of the sanctuary will contribute significantly to the alleviation of that interruption, and the Legislature subsequently acts to amend this chapter to allow that extraction.

6244. The commission may enter into any lease for the extraction of oil or gas from state-owned tide and submerged lands in the California Coastal Sanctuary if the commission determines that those oil or gas deposits are being drained by means of producing wells upon adjacent federal lands and the lease is in the best interests of the state.

SEC. 3. Chapter 3.5 (commencing with Section 6250) of Part 1 of Division 6 of the Public Resources Code is repealed.

SEC. 4. Section 6871.1 of the Public Resources Code is repealed.

SEC. 5. Section 6871.2 of the Public Resources Code, as added by Chapter 835 of the Statutes of 1991, is repealed.

SEC. 6. Section 6872 of the Public Resources Code is repealed.

SEC. 7. Section 6872.5 of the Public Resources Code is amended to read:

6872.5. The commission may adjust the boundaries of existing leases to encompass all of a field partially contained within the existing lease subject to both of the following conditions:

(a) The commission makes all of the following findings:

(1) The adjustment will permit more efficient utilization of state resources.

(2) The number and size of existing offshore platforms will not be increased, except that modifications to a platform within the existing boundaries of a lease shall be permitted where the modifications are reasonably necessary for development of all of the resources within the reconfigured lease.

(3) The boundary adjustment will not require the construction or major modification of a refinery in this state to permit development of any increased production resulting from the boundary adjustment, unless that construction or major modification is to a field production facility servicing the lease.

(4) The boundary adjustment represents the environmentally least damaging feasible alternative for the extraction and production of affected resources.

(b) Those parts of the field within areas added to the existing lease may not be developed except from upland sites or from existing offshore facilities within the original lease boundaries.

SEC. 8. It is the intent of the Legislature that nothing in this act shall affect the authority of the State Lands Commission to provide necessary ingress, egress, or access to pipeline facilities and other utilities by the lease of rights-of-way or by other appropriate means.

CHAPTER 971

An act to amend Section 116.231 of the Code of Civil Procedure, relating to small claims courts.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 116.231 of the Code of Civil Procedure is amended to read:

116.231. (a) Except as provided in subdivision (d), no person may file more than two small claims actions in which the amount demanded exceeds two thousand five hundred dollars ($2,500), anywhere in the state in any calendar year.

(b) Except as provided in subdivision (d), if the amount demanded in any small claims action exceeds two thousand five hundred dollars ($2,500), the party making the demand shall file a declaration under penalty of perjury attesting to the fact that not more than two small claims actions in which the amount of the demand exceeded two thousand five hundred dollars ($2,500) have been filed by that party in this state within the calendar year.

(c) The Legislature finds and declares that the pilot project conducted under the authority of Chapter 1196 of the Statutes of 1991 demonstrated the efficacy of the removal of the limitation on the number of actions public entities may file in the small claims courts on claims exceeding two thousand five hundred dollars ($2,500).

(d) The limitation on the number of filings exceeding two thousand five hundred dollars ($2,500) does not apply to filings where the claim does not exceed five thousand dollars ($5,000) which are filed by a city, county, city and county, school district, county office of education, community college district, local district, or any other local public entity. If any small claims action is filed by a city, county, city and county, school district, county office of education, community college district, local district, or any other local public entity pursuant to this section, and the defendant informs the court either in advance of the hearing by written notice or at the time of the hearing, that he or she is represented in the action by legal counsel, the action shall be transferred to the municipal court. A city, county, city and county, school district, county office of education, community college district, local district, or any other local public entity may not file a claim within the small claims division if the amount of the demand exceeds five thousand dollars ($5,000).

CHAPTER 972

An act to amend Section 25540 of, and to repeal Section 25403 of, the Corporations Code, and to add Chapter 13 (commencing with Section 5950) to Division 6 of Title 1 of the Government Code, relating to local agency obligations, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 25403 of the Corporations Code is repealed.

SEC. 2. Section 25540 of the Corporations Code is amended to read:

25540. (a) Except as provided for in subdivision (b), any person who willfully violates any provision of this division, or who willfully violates any rule or order under this division, shall upon conviction be fined not more than one million dollars ($1,000,000), or imprisoned in the state prison, or in a county jail for not more than one year, or be punished by both such fine and imprisonment; but no person may be imprisoned for the violation of any rule or order if he or she proves that he or she had no knowledge of the rule or order.

(b) Any person who willfully violates Section 25400, 25401, or 25402, or who willfully violates any rule or order under this division adopted pursuant to those provisions, shall upon conviction be fined not more than ten million dollars ($10,000,000), or imprisoned in the state prison for two, three, or five years, or be punished by both such fine and imprisonment.

SEC. 3. Chapter 13 (commencing with Section 5950) is added to Division 6 of Title 1 of the Government Code, to read:

CHAPTER 13. FRACTIONAL INTEREST IN LOCAL AGENCY OBLIGATIONS

5950. As used in this chapter:

(a) "Accredited investor" has the meaning specified in Rule 501 of the Securities Act of 1933.

(b) "In this state" has the meaning specified in Section 25008 of the Corporations Code.

(c) "Issuer" has the meaning specified in Section 25010 of the Corporations Code.

(d) "Issuer transaction" means any transaction directly or indirectly for the benefit of the issuer. A transaction is indirectly for the benefit of the issuer if any portion of the purchase price of any security constituting a fractional interest in a lease, installment sale, or other obligation of a local agency involved in the transaction will

be received indirectly by the issuer. An offer or sale that involves both an issuer transaction and a transaction that is not an issuer transaction shall be treated as separate transactions.

(e) "Knowingly" means that a person, with respect to an offer or sale of a security constituting a fractional interest in a lease, installment sale, or other obligation of a local agency, does any of the following:

(1) Has actual knowledge that the local agency has not consented to the offer or sale of such security.

(2) Acts in deliberate ignorance of whether or not the local agency has consented to the offer or sale of that security.

(3) Acts in reckless disregard of whether or not the local agency has consented to the offer or sale of that security.

Proof of specific intent to violate Section 5951 is not required.

(f) "Local agency" means a city, county, city and county, school district, special district, public corporation, or other public entity of this state.

(g) "Person" has the meaning specified in Section 25013 of the Corporations Code.

(h) "Qualified institutional buyer" has the meaning specified in Rule 144A of the Securities Act of 1933.

(i) "Sale," "sell," "offer," and "offer to sell" have the respective meanings specified in Section 25017 of the Corporations Code.

(j) "Security" has the meaning specified in Section 25019 of the Corporations Code.

(k) "Securities Act of 1933" and "Investment Company Act of 1940" means the federal statutes of those names as amended before or after the effective date of this chapter.

5951. It is unlawful for any person to offer or sell in an issuer transaction in this state, or otherwise knowingly to offer or sell in this state, any security constituting a fractional interest in a lease, installment sale, or other obligation of a local agency without obtaining the prior written consent of that local agency to that offer or sale. However, this section shall not apply to any of the following:

(a) Any security that constitutes a fractional interest in a lease, installment sale, or other obligation of a local agency and that was first issued and sold prior to October 2, 1993.

(b) Offers or sales of shares or interests in any registered unit investment trust or management company, each as defined in the Investment Company Act of 1940.

(c) Any security that constitutes a fractional interest in a lease, installment sale, or other obligation of a local agency and that is registered under the Securities Act of 1933.

(d) Offers or sales of any security described in this section subsequent to an offer or sale of that security in compliance with this section.

(e) Offers or sales of participation interests between financial institutions.

(f) Any security that constitutes a fractional interest in a lease,

installment sale, or other obligation of a local agency and that is created concurrently with, and as an integral part of, a financing to which the local agency is a party.

(g) Offers or sales of any security that constitutes a fractional interest in a lease, installment sale, or other obligation of a local agency made solely to one or more persons who are reasonably believed to be qualified institutional buyers or accredited investors.

(h) Any security that was first issued and sold prior to the effective date of this section if that security is either described in subdivision (b), (c), or (f), or was issued and sold in a transaction described in subdivision (d), (e), or (g).

5952. Any consent granted by a local agency under Section 5951 shall be conclusively evidenced by a resolution of the governing body of the local agency, or by a written instrument executed on behalf of the local agency by its treasurer, chief financial officer, or purchasing agent, or by any other officer of the local agency authorized by resolution of the governing body thereof to grant consents under Section 5951.

5953. No local agency that consents to an offer or sale of a security that constitutes a fractional interest in a lease, installment sale, or other obligation of the local agency shall be required to review any proceedings relating to the creation of the security or any of the offering or placement memoranda or any other marketing or descriptive materials relating to the security, and all memoranda or materials shall include a prominent statement on the face thereof substantially to the effect that the consenting local agency (specified by name) has not reviewed any of the proceedings relating to the creation of the security or any of the offering or placement memoranda or other marketing materials relating thereto.

5954. Any person who violates this chapter shall upon conviction be fined not more than ten million dollars ($10,000,000), or imprisoned in the state prison for five years, or be punished by both that fine and imprisonment.

5955. The obtaining of local agency consent to an offer or sale of a security under Section 5951 shall not obviate the necessity of qualification of the offer or sale of such security under Division 1 (commencing with Section 25000) of Title 4 of the Corporations Code, unless the security or transaction is exempt from qualification under such law.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to prevent disruption of the market in securities of local agencies of this state, and in order to promote the liquidity of those securities, it is necessary that this act take effect immediately.

CHAPTER 973

An act to amend Section 8276 of, to add Sections 8280, 8280.7, and 9012 to, to add and repeal Sections 8276.1, 8276.2, 8276.3, 8280.1, 8280.2, 8280.3, 8280.4, and 8280.6 of, and to repeal, add, and repeal Section 8280.5 of, the Fish and Game Code, relating to fish, and making an appropriation therefor.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 8276 of the Fish and Game Code is amended to read:

8276. Except as provided in Section 8276.2:

(a) Dungeness crab may be taken for commercial purposes in Districts 6, 7, 8, and 9 only between December 1 and July 15.

(b) Dungeness crab may be taken for commercial purposes in all other districts only between November 15 and June 30.

(c) Dungeness crab may not be taken for commercial purposes in any district, or part of a district, lying within the portions of Crescent City Harbor between the south sand barrier and the breakwater.

SEC. 2. Section 8276.1 is added to the Fish and Game Code, to read:

8276.1. (a) The Legislature finds and declares that in order to protect against the taking of soft-shelled Dungeness crab, which could damage the Dungeness crab resource and the landing of a resource of low value as compared to the landing of hard-shelled, fully developed Dungeness crab, it is necessary in Districts 6, 7, 8, and 9 to grant the director authority, in consultation with the Dungeness crab fishing industry, to delay the opening of the Dungeness crab fishery after December 1 in any year when, following a specified testing procedure, Dungeness crab are found to be predominately soft-shelled or of such low quality as to make them of less value to the commercial fishing industry and less desirable to consumers, than they would otherwise be if the crab were hard shelled or fully developed as a result of a delay in their taking and landing.

(b) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which

becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 3. Section 8276.2 is added to the Fish and Game Code, to read:

8276.2. (a) The director may order a delay in the opening of the Dungeness crab fishery after December 1 in Districts 6, 7, 8, and 9 in any year if recommended by the California Seafood Council established pursuant to Section 78475 of the Food and Agricultural Code. The delay in the opening shall not be later than January 15 of any year.

(b) On or about November 1 of each year, the director shall authorize one or more operators of commercial fishing vessels to take and land a limited number of Dungeness crab for the purpose of quality testing according to a testing program developed by the California Seafood Council and approved by the department. Crab taken pursuant to this section shall not be sold; however, any edible crabmeat recovered from the crabs tested shall not be wasted and may be used for charitable purposes.

(c) The director shall order the opening of the Dungeness crab season in Districts 6, 7, 8, and 9 on December 1 if the California Seafood Council recommends that, based on tests of crabs taken, Dungeness crabs are of sufficient quality to begin harvesting. If the tests conducted on or about November 1 result in a finding that Dungeness crabs are soft-shelled or low quality and, if so recommended by the California Seafood Council, the director shall authorize a second test to be conducted on or about November 15. If the second test results in a finding that Dungeness crabs are soft-shelled or low quality and, if so recommended by the California Seafood Council, the director may order the season opening delayed for a period of 15 days and may authorize a third test to be conducted on or about December 1. If the third test results in a finding that Dungeness crabs remain soft-shelled or of low quality and, if so recommended by the California Seafood Council, the director may order the season opening delayed for a period of an additional 15 days and authorize a fourth test to be conducted. This procedure shall continue to be followed, except that no tests shall be conducted after January 1 for that season, and the season opening shall not be delayed by the director later than January 15.

(d) The Director of Food and Agriculture shall conduct a referendum among Dungeness crab fishermen as if Chapter 23 (commencing with Section 78401) of the Food and Agricultural Code applied to those fishermen to determine (1) if those fishermen vote, in accordance with the provisions of that chapter, in favor of making that chapter applicable to the Dungeness crab fishery, or (2) if those fishermen, by majority vote, determine to reimburse the California Seafood Council for all costs incurred by the council in carrying out this section. This section, except as necessary to conduct an implementation referendum vote, shall become operative only if Dungeness crab fishermen vote by referendum to join the California

Seafood Council or otherwise reimburse the council for all costs incurred in carrying out this section. If Dungeness crab fishermen vote to make that chapter applicable to the Dungeness crab fishery, notwithstanding Section 78407 of the Food and Agricultural Code, Dungeness crab shall be included within the meaning of "fisheries," as defined by that section, and, notwithstanding any contrary provision of Chapter 23 (commencing with Section 78401) of Division 22 of the Food and Agricultural Code, that chapter shall apply to the Dungeness crab fishery.

(e) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 4. Section 8276.3 is added to the Fish and Game Code, to read:

8276.3. (a) No vessel shall, in the event of any delay pursuant to Section 8276.2 in the opening of the Dungeness crab fishery in Districts 6, 7, 8, and 9, take or land crab within Districts 6, 7, 8, and 9 during any closure, and all vessels to be used to take and land Dungeness crab in Districts 6, 7, 8, and 9 shall have their holds inspected by an entity authorized by the department to determine that no Dungeness crab are aboard the vessel within 24 hours prior to the date set by the director for opening the season after December 1. The director shall delegate the inspection of vessels under this section to the California Seafood Council. If the California Seafood Council is unable or decides not to undertake hold inspections, then no hold inspections shall be required by this code.

(b) Each vessel inspected and certified to be free of Dungeness crab shall be issued a certificate to that effect by the California Seafood Council, and no vessel shall take or land crab in Districts 6, 7, 8, or 9 within 30 days of any delayed opening without having aboard a copy of such certificate. No vessel inspections and certificates shall be required for vessels taking and landing Dungeness crab in Districts 6, 7, 8, and 9 when there has been no delay in the opening ordered by the director.

(c) In the event of any delay in the opening of the Dungeness crab season pursuant to this section, the opening date in Districts 6, 7, 8, and 9 shall be preceded by a 36-hour gear setting period, as ordered by the director.

(d) The Director of Food and Agriculture shall conduct a referendum among Dungeness crab fishermen as if Chapter 23 (commencing with Section 78401) of the Food and Agricultural Code applied to those fishermen to determine (1) if those fishermen vote, in accordance with the provisions of that chapter, in favor of making that chapter applicable to the Dungeness crab fishery, or (2) if those fishermen, by majority vote, determine to reimburse the California Seafood Council for all costs incurred by the council in carrying out this section. This section, except as necessary to conduct an implementation referendum vote, shall become operative only if

Dungeness crab fishermen vote by referendum to join the California Seafood Council or otherwise reimburse the council for all costs incurred in carrying out this section. If Dungeness crab fishermen vote to make that chapter applicable to the Dungeness crab fishery, notwithstanding Section 78407 of the Food and Agricultural Code, Dungeness crab shall be included within the meaning of "fisheries," as defined by that section, and, notwithstanding any contrary provision of Chapter 23 (commencing with Section 78401) of Division 22 of the Food and Agricultural Code, that chapter shall apply to the Dungeness crab fishery.

(e) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 5. Section 8280 is added to the Fish and Game Code, to read:

8280. (a) The Legislature finds and declares that the Dungeness crab fishery is important to the state because it provides a valuable food product, employment for those persons engaged in the fishery, and economic benefits to the coastal communities of the state.

(b) The Legislature further finds that, in order to protect the Dungeness crab fishery, it is necessary to limit the number of vessels participating in that fishery to take Dungeness crab and it may be necessary to limit the quantity and capacity of the fishing gear used on each vessel to take Dungeness crab.

(c) The Legislature further finds and declares that to limit the number of vessels in the Dungeness crab fishery, it is necessary to require that the owner of each vessel participating in the fishery obtain and possess a permit for that vessel and that the initial issuance of permits shall be limited to those persons owning vessels qualifying under Section 8280.1.

SEC. 6. Section 8280.1 is added to the Fish and Game Code, to read:

8280.1. (a) On or after April 1, 1995, no person shall use a vessel to take or land Dungeness crab using Dungeness crab traps authorized pursuant to Section 9011, unless the owner of that vessel has been issued a revocable Dungeness crab vessel permit for that vessel. A Dungeness crab vessel permit is valid, unless revoked, from April 1 to March 31 of the year following, or, if issued after April 1, for the remainder thereof.

(b) A Dungeness crab vessel permit may be issued only to the following persons:

(1) A person licensed pursuant to Section 7850 or Article 7 (commencing with Section 8030) who is the owner of a commercial fishing vessel that has been registered with the department pursuant to Section 7881 in each of the 1991–92, 1992–93, and 1993–94 permit years and a minimum of four landings in each of three Dungeness crab seasons in the period from November 1, 1984, to April 1, 1994, have been made from that vessel in this state as documented by landing receipts delivered to the department pursuant to Section

8046. This paragraph includes any person purchasing a vessel qualifying pursuant to this paragraph.

(2) A person licensed pursuant to Section 7850 or Article 7 (commencing with Section 8030) who is the owner of a commercial fishing vessel that has been registered with the department pursuant to Section 7881 in each of the 1991–92, 1992–93, and 1993–94 permit years and a minimum of four landings in one of the Dungeness crab seasons in the period from November 1, 1984, to April 1, 1994, have been made from that vessel in this state as documented by landing receipts delivered to the department pursuant to Section 8046, and who the department finds to have been unable, due to illness or injury or any other hardship to make a minimum of four landings in each of two of the previous three Dungeness crab seasons.

(3) A person licensed pursuant to Section 7850 who meets the requirements of Section 8101 and who, notwithstanding Section 8101, is the owner of a fishing vessel that has been registered pursuant to Section 7881 in each of the 1991–92, 1992–93, and 1993–94 permit years. Not more than one Dungeness crab vessel permit shall be issued to any person qualifying under Section 8101 and all permits issued under Section 8101 shall, notwithstanding Section 8280.2, be nontransferable and valid only as long as the person qualifying remains licensed pursuant to Section 7881 and annually renews the Dungeness crab vessel permit.

(4) A person (A) who held a Dungeness crab permit issued under Section 8280 as it read on April 1, 1994, and who has participated in the Dungeness crab fishery between November 1, 1984, and April 1, 1994, and is the owner of a vessel that has been registered with the department in each of the 1991–92, 1992–93, and 1993–94 permit years but did not make landings or the department records do not indicate a minimum of four landings per season for three permit years from that vessel or in that person's name because of a partnership or other working arrangement where the person was working aboard another vessel engaged in the Dungeness crab fishery in California, (B) who held a Dungeness crab vessel permit issued under Section 8280 as it read on April 1, 1994, and who is the owner of a commercial fishing vessel that has been registered with the department pursuant to Section 7881 in each of the 1991–92, 1992–93, and 1993–94 permit years and a minimum of four landings in one of the Dungeness crab seasons in the period from November 1, 1984 to April 1, 1994, have been made from that vessel or a minimum of 10,000 pounds of Dungeness crab were landed in this state from that vessel in each of the Dungeness crab seasons when fewer than four landings were made during that period, as documented by landing receipts delivered to the department pursuant to Section 8046, or (C) who held a Dungeness crab vessel permit issued under Section 8280 as it read on April 1, 1994, or was an officer in a California corporation that was licensed pursuant to Article 7 (commencing with section 8030) as of April 1, 1994, and began construction or reconstruction of a vessel on or before January 1, 1992, for the purpose of engaging in the

Dungeness crab fishery, including the purchase of equipment and gear to engage in that fishery in California. A person may be issued a permit under this paragraph only if the applicant cannot participate with his or her vessel in the Dungeness crab fishery of another state because of that state's limited entry or moratorium on the issuance of permits for the taking of Dungeness crab, the person intended in good faith to participate in the California Dungeness crab fishery, and a denial of a permit would create a financial hardship on that person. The department may require affidavits offered under penalty of perjury from persons applying for permits under this paragraph or witnesses corroborating the statements of a person applying for a permit.

(c) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 7. Section 8280.2 is added to the Fish and Game Code, to read:

8280.2. (a) The owner of a Dungeness crab vessel, for purposes of this section, may include a person with a bona fide contract for the purchase of a vessel who otherwise meets all other qualifications for a Dungeness crab vessel permit. If a contract is found to be fraudulent or written or entered into for the purposes of circumventing qualification criteria for the issuance of a permit, the applicant shall be permanently ineligible for a Dungeness crab vessel permit.

(b) A Dungeness crab vessel permit shall be issued only to the person owning the vessel at the time of application for that permit. No person shall be issued more than one permit for each vessel owned by that person and qualifying for a permit pursuant to Section 8280.1.

(c) A Dungeness crab vessel permit shall be issued only to the owner of a vessel taking crab by traps. No permit shall be issued to the owner of a vessel using trawl or other nets unless the owner of that vessel qualifies for a permit pursuant to paragraph (1) of subdivision (b) of Section 8280.1. No trawl or other net vessel authorized under this code to take Dungeness crab incidental to the taking of fish in trawl or other nets shall be required to possess a Dungeness crab vessel permit.

(d) Dungeness crab vessel permits shall not be combined or otherwise aggregated for the purpose of replacing smaller vessels in the fishery with a larger vessel, and a permit shall not be divided or otherwise separated for the purpose of replacing a vessel in the fishery with two or more smaller vessels.

(e) All applications for Dungeness crab vessel permits shall be received by the department or, if mailed, postmarked by April 30, 1995, and renewals of all permits shall be received by the department, or, if mailed, postmarked by April 30 of each year. In order for a vessel to retain eligibility, a permit shall be obtained each

year subsequent to the initial permit year and the vessel shall be registered pursuant to Section 7881. No minimum landings of Dungeness crab shall be required annually to be eligible for a Dungeness crab vessel permit.

(f) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 8. Section 8280.3 is added to the Fish and Game Code, to read:

8280.3. (a) Notwithstanding Article 9 (commencing with Section 8100) of Chapter 1 and except as provided in this section, a Dungeness crab vessel permit shall not be transferred.

(1) The owner of a vessel to whom a Dungeness crab vessel permit has been issued shall transfer the permit for the use of that vessel upon the sale of the vessel by the permitholder to the person purchasing the vessel. Thereafter, upon notice to the department, the person purchasing the vessel may use the vessel for the taking and landing of Dungeness crab for any and all of the unexpired portion of the permit year, and that person is eligible for a permit pursuant to Section 8280.1 for the use of that vessel in subsequent years. The person purchasing the vessel may not transfer the permit for use of that vessel in the Dungeness crab fishery to another replacement vessel during the same permit year.

(2) The owner of a vessel to whom the Dungeness crab vessel permit has been issued may transfer the permit to a replacement vessel of equivalent capacity, except as specified in this section. Thereafter, upon notice to the department and payment of the transfer fee specified in Section 8280.6, the replacement vessel may be used for the taking and landing of Dungeness crab for any and all of the unexpired portion of the permit year and that person is eligible for a permit pursuant to Section 8280.1 for the use of that replacement vessel in subsequent years. The owner of a permitted vessel may transfer the permit to a vessel of greater capacity, not to exceed 10 feet longer in length overall, from the vessel the permit is transferred from.

No transfer of a permit to a larger vessel shall be allowed more than one time. If a permit is transferred to a larger vessel, any Dungeness crab vessel permit for that permit year or any subsequent permit years for that larger vessel may not be transferred to another larger vessel. The department shall not thereafter issue a Dungeness crab vessel permit for the use of the original vessel from which the permit was transferred, except that the original vessel may be used to take or land Dungeness crab after that transfer if its use is authorized pursuant to another Dungeness crab vessel permit subsequently transferred to that vessel pursuant to this paragraph.

(3) Upon the written approval of the department, the owner of a vessel to whom the Dungeness crab vessel permit has been issued may temporarily transfer the permit to another replacement vessel,

for which use in the Dungeness crab fishery is not permitted pursuant to this section or Section 8280.1, for a period of not more than six months during the current permit year if the vessel for which the permit was issued is seriously damaged, suffers major mechanical breakdown, or is lost or destroyed, as determined by the department, upon approval of the director. The owner of the vessel shall submit proof that the department may reasonably require to establish the existence of the conditions of this paragraph. Upon approval by the director, the owner of a lost or destroyed vessel granted a six month temporary transfer under this section may be granted an additional six month extension of the temporary transfer.

(b) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 9. Section 8280.4 is added to the Fish and Game Code, to read:

8280.4. (a) The commission may revoke any Dungeness crab vessel permit issued through the submittal of false documents or statements. The commission may revoke the commercial fishing license issued pursuant to Section 7852 of any person owning a fishing vessel engaging in the taking or landing of Dungeness crab by traps for which that person has not obtained a Dungeness crab vessel permit, and the commission may revoke the registration, issued pursuant to Section 7881, for that vessel.

(b) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 10. Section 8280.5 of the Fish and Game Code is repealed.

SEC. 11. Section 8280.5 is added to the Fish and Game Code, to read:

8280.5. (a) The director shall convene a Dungeness crab review panel for the purpose of reviewing applications for Dungeness crab vessel permits pursuant to paragraphs (2) and (4) of subdivision (b) of Section 8280.1 and applications for permit transfers pursuant to Section 8280.3 if the department determines that the additional review and advice of the panel will be helpful in deciding whether to issue a permit or approve a transfer.

(b) The panel shall consist of one nonvoting representative of the department and three public voting members selected by the director to represent the Dungeness crab fishing industry. One public member shall be licensed pursuant to Article 7 (commencing with Section 8030) and active in Dungeness crab processing in this state. Two public members shall be licensed pursuant to Section 7852, one from Sonoma County or a county south of Sonoma County, and one from Mendocino County or a county north of Mendocino County, and active in the take and landing of Dungeness crab in this state. The public members shall be reimbursed for their necessary

and proper expenses to participate on the panel. A public member shall serve on the panel for not more than four consecutive years.

(c) The panel may conduct its review of applications referred to it by mail or teleconference.

(d) The panel shall review each application for a permit or permit transfer referred to it by the department and shall consider all oral and written evidence presented by the applicant that is pertinent to the application under review. If the panel recommends issuance of a permit or approval of the transfer, the department may issue a Dungeness crab vessel permit pursuant to Section 8280.1 or approve a permit transfer pursuant to Section 8280.3.

(e) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 12. Section 8280.6 is added to the Fish and Game Code, to read:

8280.6. (a) The department shall charge a fee for each Dungeness crab vessel permit of two hundred dollars ($200) for a resident of California and four hundred dollars ($400) for a nonresident of California.

(b) The department shall charge a nonrefundable fee of two hundred dollars ($200) for each transfer of a permit authorized pursuant to paragraphs (1) and (2) of subdivision (a) of Section 8280.3.

(c) This section shall become inoperative on April 1, 1998, and, as of January 1, 1999, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 1999, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 13. Section 8280.7 is added to the Fish and Game Code, to read:

8280.7. The department shall provide each person, who holds a Dungeness crab vessel permit issued pursuant to Section 8280.1, an annual notice prior to April 1, of statutory or regulatory changes, if any have been enacted or adopted, that affect the commercial Dungeness crab fishery.

SEC. 14. Section 9012 is added to the Fish and Game Code, to read:

9012. (a) No vessel may be used to take and land crab for both commercial and sport purposes in the same day.

(b) In Districts 6, 7, 8, and 9, no trap shall be used to take Dungeness crab if that trap is attached to another trap or other traps by a common line.

SEC. 15. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 974

An act to amend Sections 3096, 3097, 3098, 3241, and 3252 of, to add Sections 3242 and 3253 to, and to repeal Sections 3091 and 3240 of, the Civil Code, relating to works of improvement.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 3091 of the Civil Code is repealed.

SEC. 2. Section 3096 of the Civil Code is amended to read:

3096. "Payment bond" means a bond with good and sufficient sureties that is conditioned for the payment in full of the claims of all claimants and that also by its terms is made to inure to the benefit of all claimants so as to give these persons a right of action to recover upon this bond in any suit brought to foreclose the liens provided for in this title or in a separate suit brought on the bond. An owner, original contractor, or a subcontractor may be the principal upon any payment bond.

SEC. 3. Section 3097 of the Civil Code is amended to read:

3097. "Preliminary 20-day notice (private work)" means a written notice from a claimant that is given prior to the recording of a mechanic's lien, prior to the filing of a stop notice, and prior to asserting a claim against a payment bond, and is required to be given under the following circumstances:

(a) Except one under direct contract with the owner or one performing actual labor for wages, or an express trust fund described in Section 3111, every person who furnishes labor, service, equipment, or material for which a lien or payment bond otherwise can be claimed under this title, or for which a notice to withhold can otherwise be given under this title, shall, as a necessary prerequisite to the validity of any claim of lien, payment bond, and of a notice to withhold, cause to be given to the owner or reputed owner, to the original contractor, or reputed contractor, to any subcontractors with whom the claimant has contracted, and to the construction lender, if any, or to the reputed construction lender, if any, a written preliminary notice as prescribed by this section.

(b) Except the contractor, or one performing actual labor for wages, or an express trust fund described in Section 3111, all persons who have a direct contract with the owner and who furnish labor, service, equipment, or material for which a lien or payment bond

otherwise can be claimed under this title, or for which a notice to withhold can otherwise be given under this title, shall, as a necessary prerequisite to the validity of any claim of lien, claim on a payment bond, and of a notice to withhold, cause to be given to the construction lender, if any, or to the reputed construction lender, if any, a written preliminary notice as prescribed by this section.

(c) The preliminary notice referred to in subdivisions (a) and (b) shall contain the following information:

(1) A general description of the labor, service, equipment, or materials furnished, or to be furnished, and an estimate of the total price thereof.

(2) The name and address of the person furnishing that labor, service, equipment, or materials.

(3) The name of the person who contracted for purchase of that labor, service, equipment, or materials.

(4) A description of the jobsite sufficient for identification.

(5) The following statement in boldface type:

NOTICE TO PROPERTY OWNER

If bills are not paid in full for the labor, services, equipment, or materials furnished or to be furnished, a mechanic's lien leading to the loss, through court foreclosure proceedings, of all or part of your property being so improved may be placed against the property even though you have paid your contractor in full. You may wish to protect yourself against this consequence by (1) requiring your contractor to furnish a signed release by the person or firm giving you this notice before making payment to your contractor or (2) any other method or device that is appropriate under the circumstances.

(6) If the notice is given by a subcontractor who is required pursuant to a collective bargaining agreement to pay supplemental fringe benefits into an express trust fund described in Section 3111, the notice shall also contain the identity and address of the trust fund or funds.

If an invoice for materials contains the information required by this section, a copy of the invoice, transmitted in the manner prescribed by this section shall be sufficient notice.

A certificated architect, registered engineer, or licensed land surveyor who has furnished services for the design of the work of improvement and who gives a preliminary notice as provided in this section not later than 20 days after the work of improvement has commenced shall be deemed to have complied with subdivisions (a) and (b) with respect to architectural, engineering, or surveying services furnished, or to be furnished.

(d) The preliminary notice referred to in subdivisions (a) and (b) shall be given not later than 20 days after the claimant has first furnished labor, service, equipment, or materials to the jobsite. If labor, service, equipment, or materials have been furnished to a

jobsite by a claimant who did not give a preliminary notice, that claimant shall not be precluded from giving a preliminary notice at any time thereafter. The claimant shall, however, be entitled to record a lien, file a stop notice, and assert a claim against a payment bond only for labor, service, equipment, or material furnished within 20 days prior to the service of the preliminary notice, and at any time thereafter.

(e) Any agreement made or entered into by an owner, whereby the owner agrees to waive the rights or privileges conferred upon the owner by this section shall be void and of no effect.

(f) The notice required under this section may be served as follows:

(1) If the person to be notified resides in this state, by delivering the notice personally, or by leaving it at his or her address of residence or place of business with some person in charge, or by first-class registered or certified mail, postage prepaid, addressed to the person to whom notice is to be given at his or her residence or place of business address or at the address shown by the building permit on file with the authority issuing a building permit for the work, or at an address recorded pursuant to subdivision (j).

(2) If the person to be notified does not reside in this state, by any method enumerated in paragraph (1) of this subdivision. If the person cannot be served by any of these methods, then notice may be given by first-class certified or registered mail, addressed to the construction lender or to the original contractor.

(3) When service is made by first-class certified or registered mail, service is complete at the time of the deposit of that registered or certified mail.

(g) A person required by this section to give notice to the owner, to an original contractor, to any subcontractor, and to a person to whom a notice to withhold may be given, need give only one notice to the owner, to the original contractor, and to any subcontractor, and to the person to whom a notice to withhold may be given with respect to all materials, service, labor, or equipment he or she furnishes for a work of improvement, that means the entire structure or scheme of improvements as a whole, unless the same is furnished under contracts with more than one subcontractor, in which event, the notice requirements shall be met with respect to materials, services, labor, or equipment furnished to each contractor.

If a notice contains a general description required by subdivision (a) or (b) of the materials, services, labor, or equipment furnished to the date of notice, it is not defective because, after that date, the person giving notice furnishes materials, services, labor, or equipment not within the scope of this general description.

(h) Where the contract price to be paid to any subcontractor on a particular work of improvement exceeds four hundred dollars ($400), the failure of that contractor, licensed under Chapter 9 (commencing with Section 7000) of Division 3 of the Business and Professions Code, to give the notice provided for in this section,

constitutes grounds for disciplinary action by the Registrar of Contractors.

Where the notice is required to contain the information set forth in paragraph (6) of subdivision (c), a failure to give the notice, including that information, that results in the filing of a lien, claim on a payment bond, or the delivery of a stop notice by the express trust fund to which the obligation is owing constitutes grounds for disciplinary action by the Registrar of Contractors against the subcontractor if the amount due the trust fund is not paid.

(i) Every city, county, city and county, or other governmental authority issuing building permits shall, in its application form for a building permit, provide space and a designation for the applicant to enter the name, branch, designation, if any, and address of the construction lender and shall keep the information on file open for public inspection during the regular business hours of the authority.

If there is no known construction lender, that fact shall be noted in the designated space. Any failure to indicate the name and address of the construction lender on the application, however, shall not relieve any person from the obligation to give to the construction lender the notice required by this section.

(j) A mortgage, deed of trust, or other instrument securing a loan, any of the proceeds of which may be used for the purpose of constructing improvements on real property, shall bear the designation "Construction Trust Deed" prominently on its face and shall state all of the following: (1) the name and address of the lender, and the name and address of the owner of the real property described in the instrument, and (2) a legal description of the real property which secures the loan and, if known, the street address of the property. The failure to be so designated or to state any of the information required by this subdivision shall not affect the validity of the mortgage, deed of trust, or other instrument.

Failure to provide this information on this instrument when recorded shall not relieve persons required to give preliminary notice under this section from that duty.

The county recorder of the county in which the instrument is recorded shall indicate in the general index of the official records of the county that the instrument secures a construction loan.

(k) Every contractor and subcontractor who is required pursuant to a collective bargaining agreement to pay supplementary fringe benefits into an express trust fund described in Section 3111, and who has failed to do so shall cause to be given to the trust fund and to the construction lender, if any, or to the reputed construction lender, if any, not later than the date the payment due to the trust fund became delinquent, a written notice containing all of the following:

(1) The name of the owner and the contractor.

(2) A description of the jobsite sufficient for identification.

(3) The identity and address of the express trust fund.

(4) The total number of straight time and overtime hours on each job, payment for which the contractor or subcontractor is delinquent

to the express trust.

(5) The amount then past due and owing.

Failure to give this notice shall constitute grounds for disciplinary action by the Registrar of Contractors.

(*l*) Every written contract entered into between a property owner and an original contractor shall provide space for the owner to enter his or her name and address of residence; and place of business if any. The original contractor shall make available the name and address of residence of the owner to any person seeking to serve the notice specified in subdivision (c).

(m) Every written contract entered into between a property owner and an original contractor, except home improvement contracts and swimming pool contracts subject to Article 10 (commencing with Section 7150) of Chapter 9 of Division 3 of the Business and Professions Code, shall provide space for the owner to enter the name and address of the construction lender or lenders. The original contractor shall make available the name and address of the construction lender or lenders to any person seeking to serve the notice specified in subdivision (c). Every contract entered into between an original contractor and subcontractor, and between subcontractors, shall provide a space for the name and address of the owner, original contractor, and any construction lender.

(n) Where one or more construction loans are obtained after commencement of construction, the property owner shall provide the name and address of the construction lender or lenders to each person who has given the property owner the notice specified in subdivision (c).

(o) (1) Each person who has served a preliminary 20-day notice pursuant to subdivision (f) may file the preliminary 20-day notice with the county recorder in the county in which any portion of the property is located. A preliminary 20-day notice filed pursuant to this section shall contain all of the following:

(A) The name and address of the person furnishing the labor, service, equipment, or materials.

(B) The name of the person who contracted for purchase of the labor, service, equipment, or materials.

(C) The common street address of the jobsite.

(2) Upon the acceptance for recording of a Notice of Completion or Notice of Cessation the County Recorder shall mail to those persons who have filed a preliminary 20-day notice, notification that a Notice of Completion or Notice of Cessation has been recorded on the property, and shall affix the date that the Notice of Completion or Notice of Cessation was recorded with the county recorder.

(3) The failure of the county recorder to mail the notification to the person who filed a preliminary 20-day notice, or the failure of those persons to receive the notification or to receive complete notification, shall not affect the period within which a claim of lien is required to be recorded. However, the county recorder shall make a good faith effort to mail notification to those persons who have filed

the preliminary 20-day notice under this section and to do so within five days after the recording of a notice of completion or notice of cessation.

(4) This new function of the county recorder shall not become operative until July 1, 1988. The county recorder may cause to be destroyed all documents filed pursuant to this section, two years after the date of filing.

(5) The preliminary 20-day notice which a person may file pursuant to this subdivision is for the limited purpose of facilitating the mailing of notice by the county recorder of recorded notices of completion and notices of cessation. The notice which is filed is not a recordable document and shall not be entered into those official records of the county which by law impart constructive notice. Notwithstanding any other provision of law, the index maintained by the recorder of filed preliminary 20-day notices shall be separate and distinct from those indexes maintained by the county recorder of those official records of the county which by law impart constructive notice. The filing of a preliminary 20-day notice with the county recorder does not give rise to any actual or constructive notice with respect to any party of the existence or contents of a filed preliminary 20-day notice nor to any duty of inquiry on the part of any party as to the existence or contents of that notice.

SEC. 4. Section 3098 of the Civil Code is amended to read:

3098. "Preliminary 20-day notice (public work)" means a written notice from a claimant that was given prior to the assertion of a claim against a payment bond, or the filing of a stop notice on public work, and is required to be given under the following circumstances:

(a) In any case in which the law of this state affords a right to a person furnishing labor or materials for a public work who has not been paid therefor to assert a claim against a payment bond, or to file a stop notice with the public agency concerned, and thereby cause the withholding of payment from the contractor for the public work, any such person having no direct contractual relationship with the contractor, other than a person who performed actual labor for wages or an express trust fund described in Section 3111, may file the preliminary notice, but no payment shall be withheld from the contractor pursuant to that notice unless the person has caused written notice to be given to the contractor, the subcontractors with whom the claimant has contracted, and the public agency concerned, not later than 20 days after the claimant has first furnished labor, services, equipment, or materials to the jobsite, stating with substantial accuracy a general description of labor, service, equipment, or materials furnished or to be furnished, and the name of the party to whom the same was furnished. This notice shall be served by mailing the same by first-class mail, registered mail, or certified mail, postage prepaid, in an envelope addressed to the contractor at any place the contractor maintains an office or conducts business, or his or her residence, or by personal service. In case of any public works constructed by the Department of Public

Works or the Department of General Services of the state, such notice shall be served by mailing in the same manner as above, addressed to the office of the disbursing officer of the department constructing the work, or by personal service upon the officer. When service is by registered or certified mail, service is complete at the time of the deposit of the registered or certified mail.

(b) Where the contract price to be paid to any subcontractor on a particular work of improvement exceeds four hundred dollars ($400), the failure of that contractor, licensed under Chapter 9, (commencing with Section 7000) of Division 3 of the Business and Professions Code, to give the notice provided for in this section, constitutes grounds for disciplinary action by the Registrar of Contractors.

(c) The notice requirements of this section shall not apply to an express trust fund described in Section 3111.

(d) If labor, service, equipment, or materials have been furnished to a jobsite by a claimant who did not give a preliminary notice pursuant to subdivision (a), that claimant shall not be precluded from giving a preliminary notice at any time thereafter. The claimant shall, however, be entitled to assert a claim against a payment bond and file a stop notice only for labor, service, equipment, or material furnished within 20 days prior to the service of the preliminary notice, and at any time thereafter.

SEC. 5. Section 3240 of the Civil Code is repealed.

SEC. 6. Section 3241 of the Civil Code is amended to read:

3241. (a) The written notice to be given to the surety and the bond principal may be given by personal delivery, or by depositing the notice in the mail, postage prepaid, certified or registered, and addressed in accordance with any of the following that may be applicable:

(1) If to an individual surety, at his or her residence or place of business, if known. If to an individual surety whose residence is unknown, then in care of the clerk of the county in which the bond has been recorded.

(4) At the office of or in care of the statutory agent of the surety in this state.

(5) To the bond principal at the last known address.

(6) By service in the manner provided by law for the service of a summons in a civil action.

(b) The written notice described in subdivision (a) shall contain all of the following:

(2) The name of the person to or for whom the labor, services,

equipment, or materials were furnished.

(3) The amount in value, as near as may be determined, of any labor, services, equipment, or materials already furnished or to be furnished.

SEC. 7. Section 3242 is added to the Civil Code, to read:

3242. (a) In order to enforce a claim upon any payment bond given in connection with a private work, a claimant shall give the 20-day private work preliminary notice provided in Section 3097.

(b) If the 20-day private work preliminary notice was not given as provided in Section 3097, a claimant may enforce a claim by giving written notice to the surety and the bond principal as provided in Section 3241 within 15 days after recordation of a notice of completion. If no notice of completion has been recorded, the time for giving written notice to the surety is extended to 75 days after completion of the work of improvement.

SEC. 8. Section 3252 of the Civil Code is amended to read:

3252. (a) In order to enforce a claim upon any payment bond given in connection with a public work, a claimant shall give the 20-day public works preliminary bond notice as provided in Section 3098.

(b) If the 20-day public work preliminary bond notice was not given as provided in Section 3098, a claimant may enforce a claim by giving written notice to the surety and the bond principal as provided in Section 3253 within 15 days after recordation of a notice of completion. CHAPTER 976

An act to add Section 6902 to the Labor Code, and to add Section 7108 to the Public Contract Code, relating to employment.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 6902 is added to the Labor Code, to read:

6902. (a) For purposes of this section, "revenue service" means passenger train service during which passengers are carried or are scheduled to be carried.

(b) For purposes of this section, "local agency" means any city, county, special district, or other public entity in the state, including a charter city or a charter county.

(c) Except as otherwise provided by subdivision (e) of Section 6901, during revenue service provided by a local agency, or by any entity under contract with a local agency, there shall be in addition to the train operator at least one qualified employee inside a train car set of six or fewer coaches and at least two qualified employees inside a train car set of seven or more coaches.

(d) (1) A request for proposal or request for bid to provide revenue service issued by a local agency shall require compliance with subdivision (c).

(2) A contract to provide revenue service awarded by a local agency shall require compliance with subdivision (c).

(3) If a court of competent jurisdiction determines that an entity receiving a request for proposal or request for bid from a local agency for revenue service is exempt from the requirements of this section, all other entities that received the same request for proposal or request for bid shall also be exempt from the requirements of this section in responding to that request for proposal or request for bid.

(e) This section does not apply to heavy rail transit systems that are owned or operated by a public entity, or to light rail public transit systems.

SEC. 2. Section 7108 is added to the Public Contract Code, to read:

7108. Any contract of a public entity to provide train service shall require compliance with the personnel requirements of Chapter 2 (commencing with Section 6900) of Part 2 of Division 5 of the Labor Code.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 977

An act to amend Section 66463.5 of, and to add Sections 66451.4 and 66451.7 to, the Government Code, relating to subdivisions.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 66451.4 is added to the Government Code, to read:

66451.4. No advisory agency or legislative body shall disapprove an application for a tentative, final, or parcel map in order to comply with the time limits specified in this chapter unless there are reasons for disapproval other than the failure to timely act in accordance with the time limits specified in this chapter.

SEC. 2. Section 66451.7 is added to the Government Code, to read:

66451.7. Applications for an exception from the Subdivision Map Act pursuant to Section 66412, and applications for parcel map waivers pursuant to Section 66428, shall be acted upon by a local agency within 60 days of the application being deemed complete pursuant to Section 65943.

SEC. 3. Section 66463.5 of the Government Code is amended to read:

66463.5. (a) When a tentative map is required, an approved or conditionally approved tentative map shall expire 24 months after its approval or conditional approval, or after any additional period of time as may be prescribed by local ordinance, not to exceed an additional 12 months.

(b) The expiration of the approved or conditionally approved tentative map shall terminate all proceedings and no parcel map of all or any portion of the real property included within the tentative map shall be filed without first processing a new tentative map. Once

a timely filing is made, subsequent actions of the local agency, including, but not limited to, processing, approving, and recording, may lawfully occur after the date of expiration of the tentative map. Delivery to the county surveyor or city engineer shall be deemed a timely filing for purposes of this section.

(c) Upon application of the subdivider filed prior to the expiration of the approved or conditionally approved tentative map, the time at which the map expires may be extended by the legislative body or by an advisory agency authorized to approve or conditionally approve tentative maps for a period or periods not exceeding a total of three years. Prior to the expiration of an approved or conditionally approved tentative map, upon the application by the subdivider to extend that map, the map shall automatically be extended for 60 days or until the application for the extension is approved, conditionally approved, or denied, whichever occurs first. If the advisory agency denies a subdivider's application for an extension, the subdivider may appeal to the legislative body within 15 days after the advisory agency has denied the extension.

(d) (1) The period of time specified in subdivision (a) shall not include any period of time during which a development moratorium, imposed after approval of the tentative map, is in existence. However, the length of the moratorium shall not exceed five years.

(2) Once a moratorium is terminated, the map shall be valid for the same period of time as was left to run on the map at the time that the moratorium was imposed. However, if the remaining time is less than 120 days, the map shall be valid for 120 days following the termination of the moratorium.

(e) The period of time specified in subdivision (a), including any extension thereof granted pursuant to subdivision (c), shall not include the period of time during which a lawsuit involving the approval or conditional approval of the tentative map is, or was, pending in a court of competent jurisdiction, if the stay of the time period is approved by the local agency pursuant to this section. After service of the initial petition or complaint in the lawsuit upon the local agency, the subdivider may apply to the local agency for a stay pursuant to the local agency's adopted procedures. Within 40 days after receiving the application, the local agency shall either stay the time period for up to five years or deny the requested stay. The local agency may, by ordinance, establish procedures for reviewing the requests, including, but not limited to, notice and hearing requirements, appeal procedures, and other administrative requirements.

(f) For purposes of this section, a development moratorium shall include a water or sewer moratorium or a water and sewer moratorium, as well as other actions of public agencies which regulate land use, development, or the provision of services to the land, including the public agency with the authority to approve or conditionally approve the tentative map, which thereafter prevents, prohibits, or delays the approval of a parcel map.

(g) Notwithstanding subdivisions (a), (b), and (c), for the purposes of Chapter 4.5 (commencing with Section 66498.1), subdivisions (g) and (h) of Section 66452.6 shall apply to vesting tentative maps prepared in connection with a parcel map except that, for purposes of this section, the time periods specified in subdivisions (g) and (h) of Section 66452.6 shall be determined from the recordation of the parcel map instead of the final map.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 978

An act to amend Section 11011 of the Government Code, relating to state agencies.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 11011 of the Government Code is amended to read:

11011. (a) On or before December 31st of each year, each state agency shall make a review of all proprietary state lands (other than tax-deeded land, land held for highway purposes, lands under the jurisdiction of the State Lands Commission, land which has escheated to the state or which has been distributed to the state by court decree in estates of deceased persons, and lands under the jurisdiction of the State Coastal Conservancy) over which it has jurisdiction to determine what, if any, land is in excess of its foreseeable needs and report thereon in writing to the Department of General Services. These lands shall include, but not be limited to, the following:

(2) Land for which the state agency has not identified any specific utilization relative to future programmatic needs.

(3) Land not identified by the state agency within its master plans for facility development.

(b) Jurisdiction of all land reported as excess shall be transferred to the Department of General Services, when requested by the director thereof, for sale or disposition under this section or as may

(d) The Department of General Services shall review and consider reports submitted to the Director of General Services pursuant to Section 66907.12 of the Government Code and Section 31104.3 of the Public Resources Code prior to recommending or taking any action on surplus land, and shall also circulate the reports to all agencies which are required to report excess land pursuant to this section. In recommending or determining the disposition of surplus lands, the Director of General Services may give priority to proposals by the state which involve the exchange of surplus lands for lands listed in those reports.

(e) Except as otherwise provided by any other provision of law, whenever any land is reported as excess pursuant to this section, the Department of General Services shall determine whether or not the use of the land is needed by any other state agency. If the Department of General Services determines that any land is needed by any other state agency it may transfer the jurisdiction of this land to the other state agency upon the terms and conditions as it may deem to be for the best interests of the state.

(f) When authority is granted for the sale or other disposition of lands declared excess, and the Department of General Services has determined that the use of the land is not needed by any other state agency, the Department of General Services shall sell the land or otherwise dispose of the same pursuant to the authorization, upon any terms and conditions and subject to any reservations and exceptions as the Department of General Services may deem to be for the best interests of the state. The Department of General Services shall report to the Legislature annually, with respect to each parcel of land authorized to be sold under this section, giving the following information:

(1) A description or other identification of the property.

(2) The date of authorization.

(3) With regard to each parcel sold after the next preceding report, the date of sale and price received, or the value of the land received in exchange.

(4) The present status of the property, if not sold or otherwise disposed of at the time of the report.

(g) Except as otherwise specified by law, moneys received from any property disposition, including the sale, lease, exchange, or other means, that is received pursuant to this section shall be paid into the General Fund.

For purposes of this section, net proceeds shall be defined as gross proceeds less all costs directly related to the completion of the transaction including, but not limited to, selling costs, transfer fees, commissions, and costs incurred by the Department of General Services.

(h) Any rentals or other revenues received by the department from real properties, the jurisdiction of which has been transferred to the Department of General Services under this section, shall be deposited in the General Fund in the account established by Section 15863. Any expenditures required to maintain, repair, care for, and sell this real property shall be paid from the appropriation made by Section 15863.

(i) Nothing contained in this section shall be construed to prohibit the sale, letting, or other disposition of any state lands pursuant to any law now or hereafter enacted authorizing the sale, letting, or disposition.

CHAPTER 979

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 11366.7 of the Health and Safety Code is amended to read:

11366.7. (a) This section shall apply to the following:

(1) Any chemical or drug.

(2) Any laboratory apparatus or device.

(b) Any retailer or wholesaler who sells any item in paragraph (1) or (2) of subdivision (a) with knowledge or the intent that it will be used to unlawfully manufacture, compound, convert, process, or prepare a controlled substance for unlawful sale or distribution, shall be punished by imprisonment in a county jail for not more than one year, or in the state prison, or by a fine not exceeding twenty-five thousand dollars ($25,000), or by both that imprisonment and fine. Any fine collected pursuant to this section shall be distributed as specified in Section 1463.10 of the Penal Code.

SEC. 2. Section 11473 of the Health and Safety Code is amended to read:

11473. (a) All seizures under provisions of this chapter, except seizures of vehicles, boats, or airplanes, as specified in subdivision (e) of Section 11470, or seizures of moneys, negotiable instruments, securities, or other things of value as specified in subdivision (f) of Section 11470, shall, upon conviction of the owner or defendant, be ordered destroyed by the court in which conviction was had.

CHAPTER 980

An act to amend Sections 922.5, 1763, 1764.1, 1764.7, 1765.1, 1769, and 1779 of, to add Sections 1766 and 1772 to, and to repeal Section 1780.68 of, the Insurance Code, relating to insurance.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 922.5 of the Insurance Code is amended to read:

922.5. Credit in accounting and financial statement permitted by this code on account of reinsurance ceded to an alien reinsurer other than one which complies with Article 2 (commencing with Section 1580) of Chapter 4 and includes in the statements required by that article all reserves and liabilities arising out of that reinsurance shall be allowed only:

(a) To the extent of the amount of deposits by, and funds withheld from, the alien reinsurer pursuant to express provision therefor in the reinsurance contract as security for the payment of the obligations thereunder if the deposits or funds are held subject to withdrawal by, and under the control of, the ceding insurer or are placed in trust for those purposes in a qualified United States financial institution, if withdrawals from the trust cannot be made without the consent of the ceding insurer. For purposes of this subdivision, "qualified United States financial institution" means an institution that (1) is organized, or in the case of a United States branch or agency office of a foreign banking organization is licensed, under the laws of the United States or any state thereof and has been granted authority to operate with fiduciary powers, (2) is regulated, supervised, and examined by federal or state authorities having regulatory authority over banks and trust companies, and (3) is insured by the Bank Insurance Fund of the Federal Deposit Insurance Corporation.

(b) (1) Where the alien reinsurer maintains sufficient assets in the United States for the protection of policyholders in the United States and operates its business in a manner which satisfies the commissioner that it maintains standard and financial conditions reasonably comparable to those required of admitted insurers and that it is able to pay losses in the United States and that it will submit itself to the jurisdiction of the courts of this state, or a court of competent jurisdiction in any state of the United States and designate the commissioner or a designated attorney in this state as its agent for service of process in this state in any action, suit, or proceeding instituted by or on behalf of the ceding insurer for any matter arising out of the reinsurance.

(2) Where it has been demonstrated by any ceding insurer to the satisfaction of the commissioner that the alien reinsurer is a group including incorporated and individual unincorporated underwriters that maintains a trusteed account representing the group's liabilities and attributable to business written in the United States and, in addition, the group maintains a trusteed surplus of which one hundred million dollars ($100,000,000) shall be held jointly for the benefit of United States ceding insurers of any members of the group, the commissioner shall grant accreditation to the group. The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group's domiciliary regulator as are the unincorporated members. The group shall make available to the commissioner an annual certification of the solvency of each underwriter by the group's domiciliary regulator and its independent public accountants.

(c) To the extent that the amount of a clean and irrevocable letter of credit issued for a term of one year conforming to the requirements set forth below, is a substitute for advances for claims, unearned premium, and all other policy and contract liabilities and

reserve obligations to be made by an alien reinsurer in connection with its liability under a specific reinsurance agreement. The clean and irrevocable letter of credit shall be issued and maintained under arrangements satisfactory to the commissioner as constituting security to the ceding insurer substantially equal to that of a deposit under subdivision (a), and that it shall be (1) issued or confirmed by a banking institution which is a member of the Federal Reserve System and of financial standing satisfactory to the commissioner, (2) issued by a California state chartered bank which is insured by the Bank Insurance Fund of the Federal Deposit Insurance Corporation and meets the conditions established by the commissioner, or (3) issued by or confirmed a United States office of a foreign banking corporation that is (A) licensed under the laws of the United States or any state thereof, (B) regulated, supervised, and examined by an agency of the United States or a state agency having regulatory authority with respect to banks and trust companies, (C) designated by the Securities Valuation office of the National Association of Insurance Commissioners as meeting its credit standards for issuing or confirming letters of credit, and (D) of a financial standing satisfactory to the commissioner. For purposes of this subdivision, a confirming bank undertakes the identical terms and obligations of the issuer including those set forth herein. The changes enacted to this subdivision at the 1982 Regular Session shall apply only to life insurers.

(d) (1) When it has been demonstrated by any ceding insurer to the satisfaction of the commissioner that the alien reinsurer is a group of incorporated insurers under common administration that maintains a trust fund in a qualified United States financial institution for the payment of the claims of its United States policyholders and ceding insurers, their assigns, and successors in interest, that has continuously transacted an insurance business outside the United States for at least three years immediately preceding the date of the financial statement for which the ceding insurer is requesting reinsurance credit, that is in good standing with its domiciliary regulator, whose individual insurer members maintain standards and financial condition reasonably comparable to admitted insurers, that submits to this state's authority to examine its books and records and bears the expense of examination, and that has an aggregate policyholder's surplus of ten billion dollars ($10,000,000,000), the commissioner shall grant accreditation to that group. The trust shall be in an amount equal to the group's several liabilities attributable to business ceded by United States ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of that group, plus the group shall maintain a joint trusteed surplus of which one hundred million dollars ($100,000,000) shall be deposited and maintained with a qualified United States financial institution, and shall be held jointly for the exclusive benefit of United States ceding insurers of any member of the group as additional security for any of those liabilities, and each member of the group shall make

available to the commissioner an annual certification of the member's solvency by the member's domiciliary regulator and its independent public accountant. The group of incorporated insurers shall file with the commissioner a certified copy of the trust agreement. Each member insurer or reinsurer shall also submit to this state's authority to examine its books and records and bears the expense of examination. The commissioner shall have the authority to require additional amounts to be held in the trust as a condition for initial or continued accreditation if the commissioner determines that these additional amounts are required for the protection of ceding insurers.

(2) The group and, if the commissioner requests, any member of the group, shall report annually to the commissioner information substantially the same as that required to be reported on the National Association of Insurance Commissioners Annual Statement form by licensed insurers to enable the commissioner to determine the sufficiency of the trust fund.

(3) The trust described in paragraph (1) shall be established in a form approved by the commissioner. The trust shall remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust. The assuming insurer or its legal successor shall not withdraw its funds from the trust without notice to the commissioner and the ceding insurer. The investments of the trust shall be limited to "general investments" and "excess investments" that would qualify as authorized investments for a California insurer.

(4) No later than February 28 of each year the trustees shall report to the commissioner in writing setting forth the balance of the trust and listing the trust's investments at the preceding year end.

(5) For purposes of this subdivision, "qualified United States financial institution" means an institution that is (A) a member of the Federal Reserve System and of financial standing satisfactory to the commissioner, (B) a California state chartered bank that is insured by the Bank Insurance Fund of the Federal Deposit Insurance Corporation and meets the conditions established by the commissioner, or (C) a United States office of a foreign banking corporation that is (i) licensed under the laws of the United States or any state thereof, (ii) regulated, supervised, and examined by an agency of the United States or a state agency having regulatory authority with respect to banks and trust companies, (iii) designated by the Securities Valuation Office of the National Association of Insurance Commissioners as meeting its credit standards for issuing or confirming letters of credit, and (iv) of a financial standing that is satisfactory to the commissioner.

(6) For purposes of this section, the terms "deposits" and "funds" include securities authorized as general investments by Article 3 (commencing with Section 1170) of Chapter 2, but not to exceed current market value.

(7) For purposes of this subdivision, "group of incorporated

insurers" means an incorporated association of individual incorporated assuming insurers wherein each member insured underwrites solely for its own account.

(8) "Accreditation" means the issuance of a certificate of recognition as an accredited reinsurer by the commissioner to an assuming insurer not authorized to do any insurance business in this state but which (A) presents satisfactory evidence to the commissioner that it meets the applicable standards of solvency required in this state and (B) is in compliance with the conditions prescribed by regulation under which a ceding insurer may be allowed credit for reinsurance recoverable from an insurer not authorized in this state.

(9) The group of incorporated insurers shall annually file a certified copy of this annual report by the trustee.

The commissioner shall recoup administrative cost pursuant to paragraph (1) of subdivision (a) of Section 12921.6.

SEC. 1.5. Section 1763 of the Insurance Code is amended to read:

1763. (a) A surplus line broker may solicit and place insurance, other than as excepted in Section 1761, with nonadmitted insurers only if that insurance can not be procured from insurers admitted for the particular class or classes of insurance and that actually write the particular type of insurance in this state. Each surplus line broker shall be responsible to ensure that a diligent search is made among insurers that are admitted to transact and are actually writing the particular type of insurance in this state before procuring the insurance from a nonadmitted insurer. Each surplus line broker shall file with the commissioner or his or her designee, within 60 days of placing any insurance with a nonadmitted insurer, a written report, that shall be kept confidential, regarding the insurance. This report shall include the name and address of the insured, the identity of the insurer or insurers, a description of the subject and location of the risk, the amount of premium charged for the insurance, a copy of the declarations page of the policy or a copy of the surplus line broker's certificate or binder evidencing the placement of insurance, and other pertinent information that the commissioner may reasonably require. In addition, each surplus line broker shall file a standardized form to be prescribed by the commissioner setting forth the diligent efforts to place the coverage with admitted insurers and the results of these efforts. The form shall be signed by a person licensed under this code who has made the diligent search required by this section or who supervised an unlicensed person or persons who actually conducted the search. The insurance shall not be placed with a nonadmitted insurer for the purpose of procuring a rate lower than the lowest rate that will be accepted by any admitted insurer except as provided by subdivision (c). The commissioner may make and publish reasonable rules and regulations, consistent with this chapter, in respect to transactions governed thereby and the basis or bases for his or her determinations hereunder.

(b) It shall be prima facie evidence that a diligent search among

admitted insurers has been made if the standardized form filed as required by subdivision (a) establishes that three admitted insurers that actually write the particular type of insurance in this state have declined the risk, or that fewer than three admitted insurers actually write the particular type of insurance. The commissioner, or his or her designee, may review the form for the accuracy of the information provided on it, including, but not limited to, whether the listed insurers actually write that type of insurance, and whether the three insurers declined the risk. The commissioner may take disciplinary action against the person signing the form for any misrepresentation made in the form due to the negligence of or the result of an intentional act by that person or the person or persons who actually conducted the search. Those actions may include any action authorized to be taken against a licensed person by this code. Nothing in this subdivision shall preclude the commissioner or his or her designee from directing the surplus line broker to conduct a further or additional search among admitted insurers for similar placements in the future.

(c) It shall be conclusively presumed that insurance is placed in violation of this section if the insurance is actually placed with a nonadmitted insurer at a lower rate of premium or lower premium than the lowest rate of premium or the lowest premium that could be obtained from an admitted insurer unless, at the time the insurance attaches, there is filed with the commissioner a statement describing the insurance, specifying the rate and the nearest procurable rates from admitted insurers. The statement shall include an explanation of the reasons that the insurance must be placed with a nonadmitted insurer even though it is available from an admitted insurer. Unless the commissioner, or his or her designee, within five days after that filing notifies the filing broker that in his or her opinion the placing of the insurance constitutes a violation of this section, the broker may thereafter maintain in effect that insurance. If within that five-day period the commissioner notifies the surplus line broker that the insurance is in violation of this section and orders the broker to effect termination of that insurance within 10 days from the notice, and the broker fails or refuses to effect that termination, that failure or refusal is a violation of this section.

(d) Statements filed under this section are not subject to public inspection unless the commissioner determines that the public interest or the welfare of the filing broker requires that any statement be made public.

(e) For purposes of this section, "type of insurance" means the hazard or combination of hazards covered by a contract of insurance.

(f) Notwithstanding subdivision (a), this section shall not apply to insurance issued or delivered in this state by a nonadmitted Mexican insurer by and through a surplus line broker affording coverage exclusively in the Republic of Mexico on property located temporarily or permanently in, or operations conducted temporarily or permanently within, the Republic of Mexico.

SEC. 2. Section 1764.1 of the Insurance Code is amended to read:

1764.1. (a) (1) Every nonadmitted insurer, in the case of insurance to be purchased by a resident of this state pursuant to Section 1760, and surplus line broker, in the case of any insurance with a nonadmitted carrier to be transacted by the surplus line broker, shall be responsible to ensure that, at the time of accepting an application for any insurance policy issued by a nonadmitted insurer, the signature of the applicant on the disclosure statement set forth in subdivision (b) is obtained. The surplus line broker shall maintain a copy of the signed disclosure statement in his or her records for a period of at least five years. These records shall be made available to the commissioner and the insured upon request. This disclosure shall be signed by the applicant, and is not subject to any limited power of attorney agreement between the applicant and an agent or broker, or a surplus line broker. The disclosure statement shall be in boldface 16-point type on a freestanding document. In addition, every policy issued by a nonadmitted insurer and every certificate evidencing the placement of insurance shall contain, or have affixed to it by the insurer or surplus line broker, the disclosure statement set forth in subdivision (b) in boldface 16-point type on the front page of the policy.

(2) In any case where the applicant has not received and completed the signed disclosure form required by this section, he or she may cancel the insurance so placed. The cancellation shall be on a pro rata basis as to premium, and the applicant shall be entitled to the return of any broker's fees charged for the placement.

(b) The following notice shall be provided to policyholders and applicants for insurance as provided by subdivision (a), and shall be printed in English and in the language principally used by the surplus line broker and nonadmitted insurer to advertise, solicit, or negotiate the sale and purchase of surplus line insurance. The surplus line broker and nonadmitted insurer shall use the appropriate bracketed language for application and issued policy disclosures:

"NOTICE:

1. THE INSURANCE POLICY THAT YOU [HAVE PURCHASED [ARE APPLYING TO PURCHASE IS BEING ISSUED BY AN INSURER THAT IS NOT LICENSED BY THE STATE OF CALIFORNIA. THESE COMPANIES ARE CALLED "NONADMITTED" OR "SURPLUS LINE" INSURERS.

2. THE INSURER IS NOT SUBJECT TO THE FINANCIAL SOLVENCY REGULATION AND ENFORCEMENT WHICH APPLIES TO CALIFORNIA LICENSED INSURERS.

3. THE INSURER DOES NOT PARTICIPATE IN ANY OF THE INSURANCE GUARANTEE FUNDS CREATED BY CALIFORNIA LAW. THEREFORE, THESE FUNDS WILL NOT PAY YOUR CLAIMS OR PROTECT YOUR ASSETS IF THE INSURER BECOMES INSOLVENT AND IS UNABLE TO MAKE PAYMENTS

AS PROMISED.

4. FOR ADDITIONAL INFORMATION ABOUT THE INSURER YOU SHOULD ASK QUESTIONS OF YOUR INSURANCE AGENT, BROKER, OR "SURPLUS LINE" BROKER OR CONTACT THE CALIFORNIA DEPARTMENT OF INSURANCE, AT THE FOLLOWING TOLL-FREE TELEPHONE NUMBER: _____."

(c) When a contract is issued to an industrial insured neither the nonadmitted insurer nor the surplus line broker is required to provide the notice required in this section except on the confirmation of insurance, the certificate of placement, or the policy, whichever is first provided to the insured, nor is the insurer or surplus line broker required to obtain the insured's signature. The producer shall ensure that the notice affixed to the confirmation of insurance, certificate of placement, or the policy is provided to the insured. The producer shall insert the current toll-free telephone number of the Department of Insurance as provided in paragraph 4 of the notice.

(1) An industrial insured is an insured:

(A) Which employs at least 25 employees on average during the prior 12 months; and

(B) Which has aggregate annual premiums for insurance for all risks other than workers' compensation and health coverage totaling no less than twenty-five thousand dollars ($25,000); or

(C) Which obtains insurance through the services of a full-time employee acting as an insurance manager or a continuously retained insurance consultant. A "continuously retained insurance consultant" does not include: (i) Any agent or broker through whom the insurance is being placed, (ii) any subagent or subproducer involved in the transaction, or (iii) any agent or broker which is a business organization employing or contracting with any person mentioned in clauses (i) and (ii).

(2) The surplus line broker shall be responsible to ensure that the applicant is an industrial insured. A surplus line broker who reasonably relies on information provided in good faith by the applicant, whether directly or through the producer, shall be deemed to be in compliance with this requirement.

(d) In the case of commercial insurance coverages, for purposes of compliance with the requirement of subdivision (a) that the signature of the applicant be obtained, the following shall apply:

(1) Where the insurance transaction is not conducted at an in-person, face-to-face meeting, the applicant's signature on the disclosure form may be transmitted by the applicant to the agent or broker via facsimile or comparable electronic transmittal.

(2) Where an applicant requires that insurance coverage be bound immediately, either because existing coverage will lapse within two business days of the time the insurance is bound or because the applicant is required to have coverage in place within two business days, and the applicant cannot meet in person with the

agent or broker to sign the disclosure form, the agent or broker may obtain the signature of the applicant within five days of binding coverage, provided that the applicant may cancel the insurance so placed within five days of receiving the disclosure form from the agent or broker. The cancellation shall be on a pro rata basis, and the applicant shall be entitled to the rescission or return of any broker's fees charged for the placement.

(e) Notwithstanding subdivision (a), this section shall not apply to insurance issued or delivered in this state by a nonadmitted Mexican insurer by and through a surplus line broker affording coverage exclusively in the Republic of Mexico on property located temporarily or permanently in, or operations conducted temporarily or permanently within, the Republic of Mexico.

SEC. 3. Section 1764.7 of the Insurance Code is amended to read:

1764.7. Any person who willfully violates Section 1760.5, 1761, 1763, 1764, 1764.1, 1764.2, 1764.3, 1764.4, 1765.1, 1765.2, 1767, or 1780 is guilty of a public offense and punishable by imprisonment in the state prison, or in a county jail for not exceeding one year or by fine not exceeding ten thousand dollars ($10,000), or by both.

SEC. 4. Section 1765.1 of the Insurance Code is amended to read:

1765.1. No surplus line broker shall place any coverage with a nonadmitted insurer unless the insurer is domiciled in the Republic of Mexico and the placement covers only liability arising out of the ownership, maintenance, or use of a motor vehicle, aircraft, or boat in the Republic of Mexico, or, at the time of placement, the nonadmitted insurer:

(a) (1) Has established its financial stability, reputation, and integrity, for the class of insurance the broker proposes to place, by satisfactory evidence submitted to the commissioner through a surplus line broker.

(2) (A) Has capital and surplus that together total at least fifteen million dollars ($15,000,000). "Capital" shall be as defined in Section 36. "Surplus" shall be defined as assets exceeding the sum of liabilities for losses reported, expenses, taxes, and all other indebtedness and reinsurance of outstanding risks as provided by law and paid-in capital in the case of an insurer issuing or having outstanding shares of capital stock. The type of assets to be used in calculating capital and surplus shall be as follows: at least fifteen million dollars ($15,000,000) shall be in the form of cash, or securities of the same character and quality as specified in Sections 1170 to 1182, inclusive, or in readily marketable securities listed on regulated United States' national or principal regional securities exchanges. The remaining assets shall be in the form just described, or in the form of investments of substantially the same character and quality as described in Sections 1190 to 1202, inclusive. In calculating capital and surplus under this section, the term "same character and quality" shall permit, but not require, the commissioner to approve assets maintained in accordance with the laws of another state or country. The commissioner shall be guided by any limitations,

restrictions, or other requirements of this code or the National Association of Insurance Commissioners' Accounting Practices and Procedures Manual in determining whether assets substantially similar to those described in Sections 1190 to 1202, inclusive, qualify. The commissioner shall retain the discretion to disapprove or disallow any asset that is not of a sound quality, or that he or she deems to create an unacceptable risk of loss to the insurer or to policyholders. Securities specifically valued by the National Association of Insurance Commissioners Securities Valuation Office shall be presumed readily marketable absent evidence to the contrary. Letters of credit will not qualify as assets in the calculation of surplus. If less than fifteen million dollars ($15,000,000), the commissioner has affirmatively found that the capital and surplus is adequate to protect California policyholders. The commissioner shall consider, on determining whether to make this finding, factors such as quality of management, the capital and surplus of any parent company, the underwriting profit and investment income trends, and the record of claims payment and claims handling practices of the nonadmitted insurer, or

(B) In the case of an "Insurance Exchange" created and authorized under the laws of individual states, maintains capital and surplus of not less than fifty million dollars ($50,000,000) in the aggregate. "Capital" shall be as defined in Section 36. "Surplus" shall be defined as assets exceeding the sum of liabilities for losses reported, expenses, taxes, and all other indebtedness and reinsurance of outstanding risks as provided by law and paid-in capital in the case of an insurer issuing or having outstanding shares of capital stock. The type of assets to be used in calculating capital and surplus shall be as follows: at least fifteen million dollars ($15,000,000) shall be in the form of cash, or securities of the same character and quality as specified in Sections 1170 to 1182, inclusive, or in readily marketable securities listed on regulated United States' national or principal regional securities exchanges. The remaining assets shall be in the form just described, or in the form of investments of substantially the same character and quality as described in Sections 1190 to 1202, inclusive. In calculating capital and surplus under this section, the term "same character and quality" shall permit, but not require, the commissioner to approve assets maintained in accordance with the laws of another state or country. The commissioner shall be guided by any limitations, restrictions, or other requirements of this code or the National Association of Insurance Commissioners' Accounting Practices and Procedures Manual in determining whether assets substantially similar to those described in Sections 1190 to 1202, inclusive, qualify. The commissioner shall retain the discretion to disapprove or disallow any asset that is not of a sound quality, or that he or she deems to create an unacceptable risk of loss to the insurer or to policyholders. Securities specifically valued by the National Association of Insurance Commissioners Securities Valuation Office

shall be presumed readily marketable absent evidence to the contrary. Letters of credit will not qualify as assets in the calculation of surplus. In the case of an Insurance Exchange which maintains funds for the protection of all Insurance Exchange policyholders, each individual syndicate seeking to accept surplus line placements of risks resident, located or to be performed in this state shall maintain minimum capital and surplus of not less than six million four hundred thousand dollars ($6,400,000). Each individual syndicate shall increase the capital and surplus required by this paragraph by one million dollars ($1,000,000) each year until it attains a capital and surplus of fifteen million dollars ($15,000,000). In the case of Insurance Exchanges which do not maintain funds for the protection of all Insurance Exchange policyholders, each individual syndicate seeking to accept surplus line placement of risks resident, located or to be performed in this state shall meet the capital and surplus requirements of subparagraph (A) of this paragraph.

(b) (1) In addition, to be eligible as a surplus line insurer, an insurer not domiciled in one of the United States or its territories shall have in force in the United States an irrevocable trust account in a qualified United States financial institution, for the protection of United States policyholders, of not less than five million four hundred thousand dollars ($5,400,000) and consisting of cash, securities acceptable to the commissioner which are authorized pursuant to Sections 1170 to 1182, inclusive, readily marketable securities acceptable to the commissioner which are listed on a regulated United States national or principal regional security exchange, or clean and irrevocable letters of credit acceptable to the commissioner and issued by a qualified United States financial institution. The trust agreement shall be in a form acceptable to the commissioner. The funds in the trust account may be included in any calculation of capital and surplus, except letters of credit, which shall not be included in any calculation.

(2) In the case of a group consisting of incorporated individual insurers, or a combination of both incorporated and unincorporated insurers, which maintains a trust fund of not less than one hundred million dollars ($100,000,000) in a qualified United States financial institution as security to the full amount thereof for all policyholders and creditors in the United States of each member of the group, and the trust complies with the terms and conditions specified in paragraph (1), the group is excepted from the capital and surplus requirements of subdivision (a). The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of solvency regulation and control by the group's domiciliary regulator as are the unincorporated members.

(3) In the case of a group of incorporated insurers under common administration that maintains a trust fund of not less than one hundred million dollars ($100,000,000) in a qualified United States

financial institution for the payment of claims of its United States policyholders, their assigns, or successors in interest and that complies with the terms and conditions of paragraph (1) that has continuously transacted an insurance business outside the United States for at least three years, that is in good standing with its domiciliary regulator, whose individual insurer members maintain standards and financial condition reasonably comparable to admitted insurers, that submits to this state's authority to examine its books and bears the expense of examination, and that has an aggregate policyholder surplus of ten billion dollars ($10,000,000,000), the group is excepted from the capital and surplus requirements of subdivision (a).

(c) Has caused to be provided to the commissioner the following documents:

(1) The financial documents as specified below, each showing the insurer's condition as of a date not more than 12 months prior to submission:

(A) A copy of an annual statement, prepared in the form prescribed by the NAIC. For an alien insurer, in lieu of an annual statement a licensee may submit a form as set forth by regulation and as prepared by the insurer, and, if listed by the ISI financial report service, the NAIIO, or both, a copy of the most recent annual financial data furnished either to ISI or NAIIO shall also be filed.

(B) A copy of an audited financial report on the insurer's condition that meets the standards of paragraph (D) for foreign insurers or paragraph (E) for alien insurers.

(C) If the insurer is an alien:

(i) A certified copy of the trust agreement referenced in subdivision (b).

(ii) A verified copy of the most recent quarterly statement or list of the assets in the trust.

(D) Financial reports filed pursuant to this section by foreign insurers shall conform to the following standards:

(i) Financial documents shall be certified.

(ii) An audited financial report shall constitute a supplement to the insurer's annual statement, as required by the annual statement instructions issued by the NAIC.

(iii) An audited financial report shall be prepared by an independent certified public accountant or accounting firm in good standing with the American Institute of Certified Public Accountants and in all states where licensed to practiced; and be prepared in conformity with statutory accounting practices prescribed, or otherwise permitted, by the insurance regulator of the insurer's domiciliary jurisdiction.

(iv) An audited financial report shall include information on the insurer's financial position as of the end of the most recent calendar year, and the results of its operations, cash-flows, and changes in capital and surplus for the year then ended.

(v) An audited financial report shall be prepared in a form and

using language and groupings substantially the same as the relevant sections of the insurer's annual statement filed with its domiciliary jurisdiction, and presenting comparatively the amounts as of December 31 of the most recent calendar year and the amounts as of December 31 of the preceding year.

(E) Financial reports filed pursuant to this section by alien insurers shall conform to the following standards:

(i) Except as provided in clause (ii) of subparagraph (C), financial documents should be certified, if certification of a financial document is not available, the document shall be verified.

(ii) Financial documents should be expressed in United States dollars, but may be expressed in another currency, if the exchange rate for the other currency as of the date of the document is also provided.

(iii) The responses provided pursuant to subparagraph (A) of paragraph (1) on the form submitted in lieu of an annual statement should follow the most recent ISI Guide to Alien Reporting Format, "Standard Definitions of Accounting Items." Responses that do not agree with a standard definition shall be fully explained in the form.

(iv) An audited financial report shall be prepared by an independent auditor licensed as such in the insurer's domiciliary jurisdiction or in any state.

(v) An audited financial report shall be prepared in accord with either (I) Generally Accepted Auditing Standards that prescribe Generally Accepted Accounting Principles, or (II) International Accounting Standards as published and revised from time to time by the International Auditing Guidelines published by the International Auditing Practice Committee of the International Federation of Accountants; and shall include financial statement notes and a summary of significant accounting practices.

(F) The commissioner may accept, in lieu of a document described above, any certified or verified financial or regulatory document, statement, or report if the commissioner finds that it possesses reliability and financial detail substantially equal to or greater than the document for which it is proposed to be a substitute.

(G) If one of the financial documents required to be submitted under subparagraphs (A) and (B) is dated within 12 months of submission, but the other document is not so dated, the licensee may use the outdated document if it is accompanied by a supplement. The supplement must meet the same requirements which apply to the supplemented document, and must update the outdated document to a date within the prescribed time period, preferably to the same date as the nonsupplemented document.

(2) A certified copy of the insurer's license issued by its domiciliary jurisdiction, plus a certification of good standing, certificate of compliance, or other equivalent certificate, from either that jurisdiction or, if the jurisdiction issues no such certificates, from any state where it is licensed.

(3) Information on the insurer's agent in California for service of

process, including the agent's full name and address. The agent's address must include a street address where the agent can be reached during normal business hours.

(4) The complete street address, mailing address, and telephone number of the insurer's principal place of business.

(5) A certified or verified explanation, report, or other statement, from the insurance regulatory office or official of the insurer's domiciliary jurisdiction, concerning the insurer's record regarding market conduct and consumer complaints; or, if such information cannot be obtained from that jurisdiction, then such other information as the licensee can procure to demonstrate a good reputation for payment of claims and treatment of policyholders.

(6) A verified statement, from the insurer or licensee, on whether the insurer or any affiliated entity is currently known to be the subject of any order or proceeding regarding conservation, liquidation, or other receivership; or regarding revocation or suspension of a license to transact insurance in any jurisdiction; or otherwise seeking to stop the insurer from transacting insurance in any jurisdiction. The statement shall identify any such proceeding by date, jurisdiction, and relief or sanction sought; and shall attach a copy of any such order.

(d) Has provided any additional information or documentation required by the commissioner which is relevant to the financial stability, reputation, and integrity of the nonadmitted insurer. In making a determination concerning financial stability, reputation, and integrity of the nonadmitted insurer, the commissioner shall consider any analysis, findings, or conclusion made by the National Association of Insurance Commissioners (NAIC) in its review of the insurer for purposes of inclusion on or exclusion from the list of authorized nonadmitted insurers maintained by the NAIC. The commissioner may, but shall not be required to, rely on, adopt, or otherwise accept any analyses, findings, or conclusions of the NAIC, as the commissioner deems appropriate.

(e) Has established that:

(1) All documents required by subdivisions (c) and (d) have been filed. Each of the documents appear after review to be complete, clear, comprehensible, unambiguous, accurate, and consistent.

(2) The documents affirm that the insurer is not subject in any jurisdiction to an order or proceeding that:

(A) Seeks to stop it from transacting insurance.

(B) Relates to conservation, liquidation, or other receivership.

(C) Relates to revocation or suspension of its license.

(3) The documents affirm that the insurer has actively transacted insurance for the three years immediately preceding the filing made under this section, unless an exemption is granted. The commissioner may grant an exemption if the licensee has applied for exemption and demonstrates either of the following:

(A) The insurer meets the condition for any exception set forth in subdivision (a), (b), or (c) of Section 716.

(B) If the insurer has been actively transacting insurance for at least 12 months, and the licensee demonstrates that the exemption is warranted because the insurer's current financial strength, operating history, business plan, ownership and control, management experience, and ability, together with any other pertinent factors, make three years of active insurance transaction unnecessary to establish sufficient reputation.

(4) The documents confirm that the insurer holds a license to issue insurance policies (other than reinsurance) to residents of the jurisdiction that granted the license unless an exemption is granted. The commissioner may grant an exemption if the licensee has applied for an exemption and demonstrates that the exemption is warranted because the insurer proposes to issue in California only commercial coverage, and is wholly owned and actually controlled by substantial and knowledgeable business enterprises that are its policyholders and that effectively govern the insurer's destiny in furtherance of their own business objectives.

(5) The information filed pursuant to paragraph (5) of subdivision (c) or otherwise filed with or available to the commissioner, including reports received from California policyholders, shall indicate that the insurer makes reasonably prompt payment of claims in this state or elsewhere.

(6) The information available to the commissioner shall not indicate that the insurer offers in California a licensee products or rates that violate any provision of this code.

(f) Has been placed on the list of eligible surplus line insurers by the commissioner. The commissioner shall establish a list of all surplus line insurers that have met the requirements of subdivisions (a) to (e), inclusive, and shall publish a master list at least semiannually. Any insurer receiving approval as an eligible surplus line insurer shall be added by addendum to the list at the time of approval, and shall be incorporated into the master list at the next date of publication. If an insurer appears on the most recent list, it shall be presumed that the insurer is an eligible surplus line insurer, unless the commissioner or his or her designee has mailed or causes to be mailed notice to all surplus line brokers and special lines' surplus line brokers that the commissioner has withdrawn the insurer's eligibility. Upon receipt of notice, the surplus line broker or special lines' surplus line broker shall make no further placements with the insurer. Nothing in this subdivision shall limit the commissioner's discretion to withdraw an insurer's eligibility.

(g) (1) Except as provided by paragraph (2), whenever the commissioner has reasonable cause to believe, and determines after a public hearing, that any insurer on the list established pursuant to subdivision (f), (A) is in an unsound financial condition, (B) does not meet the eligibility requirements under subdivisions (a) to (e), inclusive, (C) has violated the laws of this state, or (D) without justification, or with a frequency so as to indicate a general business practice, delays the payment of just claims, the commissioner may

issue an order removing the insurer from the list. Notice of hearing shall be served upon the insurer its agent for service of process stating the time and place of the hearing and the conduct, condition, or ground upon which the commissioner would make his or her order. The hearing shall occur not less than 20 days, nor more than 30 days after notice is served upon the insurer or its agent for service of process.

(2) If the commissioner determines that an insurer's immediate removal from the list is necessary to protect the public or an insured or prospective insured of the insurer, or, in the case of an application by an insurer to be placed on the list which is being denied by the commissioner, the commissioner may issue an order pursuant to paragraph (1) without prior notice and hearing. At the time an order is served pursuant to this paragraph to an insurer on the list, the commissioner shall also issue and serve upon the insurer a statement of the reasons that immediate removal is necessary. Any order issued pursuant to this paragraph shall include a notice stating the time and place of a hearing on the order, which shall be not less than 20 days, nor more than 30 days after the notice is served.

(3) Notwithstanding paragraphs (1) and (2), in any case where the commissioner is basing a decision to remove an insurer from the list, or deny an application to be placed on the list, on the failure of the insurer or applicant to comply with, meet or maintain any of the objective criteria established by this section, or by regulation adopted pursuant to this section, the commissioner may so specify this fact in the order, and no hearing shall be required to be held on the order.

(4) Notwithstanding paragraphs (1) and (2), the commissioner may, without prior notice or hearing, remove from the list established pursuant to subdivision (f) any insurer which has failed or refused to timely provide documents required by this section, or any regulations adopted to implement this section. In the case of removal pursuant to this paragraph, the commissioner shall notify all surplus line brokers and special lines' surplus line brokers of the action.

(h) In addition to any other statements or reports required by this chapter, the commissioner may also address to any licensee a written request for full and complete information respecting the financial stability, reputation and integrity of any nonadmitted insurer with whom such licensee has dealt or proposes to deal in the transaction of insurance business. The licensee so addressed shall promptly furnish in written or printed form so much of the information requested as he or she can produce together with a signed statement identifying the same and giving reasons for omissions, if any. After due examination of the information and accompanying statement, the commissioner may, if he or she believes it to be in the public interest, order the licensee in writing to place no further insurance business on property located or operations conducted within or on the lives of persons who are residents of this state with the

nonadmitted insurer on behalf of any person. Any placement in the nonadmitted insurer made by a licensee after receipt of such order is a violation of this chapter. The commissioner may issue an order when documents submitted pursuant to subdivisions (c) and (d) do not meet the criteria of subdivisions (a) to (e), inclusive, or when the commissioner obtains documents on an insurer and the insurer does not meet the criteria of subdivisions (a) to (e), inclusive.

(i) The commissioner shall require, at least annually, the submission of records and statements as are reasonably necessary to ensure that the requirements of this section are maintained.

(j) The commissioner shall establish by regulation a schedule of fees to cover costs of administering and enforcing this chapter.

(k) (1) Insurance may be placed on a limited basis with insurers not on the list established pursuant to this section if all of the following conditions are met:

(A) The use of multiple insurers is necessary to obtain coverage for 100 percent of the risk.

(B) At least 80 percent of the risk is placed with admitted insurers or insurers that appear on the list of eligible nonadmitted insurers.

(C) The placing surplus line broker submits to the commissioner, or his or her designee, copies of all documentation relied upon by the surplus line broker to make the broker's determination that the financial stability, reputation, and integrity of the unlisted insurer or insurers, are adequate to safeguard the interest of the insured under the policy. This documentation, and any other documentation regarding the unlisted insurer requested by the commissioner, shall be submitted no more than 30 days after the insurance is placed with the unlisted insurer for the initial placement by that broker with the particular unlisted insurer, and annually thereafter for as long as the broker continues to make placements with the unlisted insurer pursuant to this paragraph.

(D) The insured has aggregate annual premiums for all risks other than workers' compensation or health coverage totaling no less than one hundred thousand dollars ($100,000).

(2) Insurance may not be placed pursuant to paragraph (1) if any of the following applies:

(A) The unlisted insurer has for any reason been objected to by the commissioner pursuant to Section 1765.1, removed from the list, or denied placement on the list.

(B) The insurance includes coverage for employer-sponsored medical, surgical, hospital, or other health or medical expense benefits payable to the employee by the insurer.

(C) The insurance is mandatory under the laws of the federal government, this state, or any political subdivision thereof, and includes any portion of limits of coverage mandated by those laws.

(D) The insured is a multiple employer welfare arrangement, as defined in Section 1002(40) (A) of Title 29 of the United States Code, or any other arrangement among two or more employers that are not under common ownership or control, which is established or

maintained for the primary purpose of providing insurance benefits to the employees of two or more employers.

(E) Unlisted insurers represent a disproportionate portion of the lower layers of the coverage.

(3) Nothing in this section is intended to alter any duties of a surplus line broker pursuant to subdivision (b) of Section 1765 or other laws of this state to safeguard the interests of the insured under the policy in recommending or placing insurance with a nonadmitted insurer.

(4) Placements authorized by this subdivision are intended to provide sophisticated insurance purchasers with a means to obtain necessary commercial insurance coverage from nonadmitted insurers not listed by the commissioner in situations where it is not commercially possible to fully obtain that coverage from either admitted or listed insurers. This subdivision shall not be deemed to permit surplus line brokers to place with nonadmitted insurers common commercial or personal line coverages for insureds that can be placed with insurers that are admitted or listed pursuant to this section, whether the insured is an individual insured, or a group created primarily for the purpose of purchasing insurance.

(*l*) As used in this section:

(1) "Certified" means an originally signed or sealed statement, dated not more than 60 days before submission, made by a public official or other person, attached to a copy of a document, that attests that the copy is a true copy of the original, and that the original is in the custody of the person making the statement.

(2) "Domiciliary jurisdiction" means the state, nation, or subdivision thereof under the laws of which an insurer is incorporated or otherwise organized.

(3) "Insurer" means (unless the context indicates otherwise) "nonadmitted" insurers that are either "foreign" or "alien" insurers, as those terms are defined in Sections 25, 27, and 1580. The term "insurer" includes all nonadmitted insurers selling insurance to or through purchasing groups as defined in the Liability Risk Retention Act of 1986 (15 U.S.C. Sec. 3901 et seq.) and the California Risk Retention Act of 1990 (Chapter 1.5 (commencing with Section 125) of Part 1 of Division 1), except insurers that are risk retention groups as defined by those acts.

(4) "ISI" means Insurance Solvency International.

(5) "Licensee" includes both surplus line brokers and special lines' surplus line brokers licensed pursuant to subdivision (b) of Section 1760.5 and Sections 1765, 1765.2, 1765.3, and 1765.4.

(6) "NAIC" means the National Association of Insurance Commissioners or its successor organization.

(7) "NAIIO" means the Nonadmitted Alien Insurer Information Office of the NAIC or its successor office.

(8) "State" means any state of the United States; the District of Columbia; a commonwealth, or a territory.

(9) "Verified" means a document or copy accompanied by an

originally signed statement, dated not more than 60 days before submission, from a responsible executive or official who has authority to provide the statement and knowledge whereof he or she speaks, attesting either under oath before a notary public, or under penalty of perjury under California law, that the assertions made in the document are true.

(m) With respect to a nonadmitted insurer that is listed as an authorized surplus line insurer as of December 31, 1994, pursuant to Sections 2174.1 to 2174.14, inclusive, of Title 10 of the California Code of Regulations, this section shall not be effective until the subsequent expiration of the listing of that insurer. Nothing in the bill that amended this section during the 1994 portion of the 1993–94 Regular Session is intended to repeal or imply there is not authority to adopt, or to have adopted, or to continue in force, any regulation, or part thereof, with respect to surplus line insurance which is not clearly inconsistent with it.

SEC. 5. Section 1766 is added to the Insurance Code, to read:

1766. A payment of premium to a surplus line broker acting for a person other than himself or herself in negotiating, continuing, or renewing any policy of insurance under this chapter shall be deemed to be payment to the insurer, notwithstanding any conditions or stipulations in the policy or contract. Nothing in this section shall be deemed to relieve a surplus line broker or special lines' surplus line broker of any obligation owed to an insured or applicant.

SEC. 6. Section 1769 of the Insurance Code is amended to read:

1769. Whenever required so to do by the commissioner, such surplus line broker shall furnish to the commissioner a list of the admitted insurers from which the entire amount of insurance desired was not obtainable.

SEC. 7. Section 1772 is added to the Insurance Code, to read:

1772. (a) A surplus line insurer may be sued upon any cause of action arising in this state under any surplus line insurance contract made by it, or any evidence of insurance issued or delivered by the surplus line broker, pursuant to the procedure set forth in Sections 1610 to 1620, inclusive. Any policy or evidence of insurance issued by the surplus line insurer or the surplus line broker shall contain a provision stating the substance of this section, and designating the person to whom the commissioner shall mail process.

(b) Every surplus line insurer assuming a surplus line insurance shall be deemed thereby to have subjected itself to this chapter.

(c) The remedies provided by this section shall be in addition to any other methods provided by law for service of process.

SEC. 8. Section 1779 of the Insurance Code is amended to read:

1779. Every insured for whom insurance has been effected with nonadmitted insurers shall, upon request in writing by the commissioner, produce for the commissioner's examination all policies, contracts, and other documents evidencing such insurance, and shall disclose to the commissioner the amount of the gross premiums paid or agreed to be paid for such insurance. For refusal

to obey such request, such insured shall forfeit to the State of California the sum of one thousand dollars ($1,000) for each refusal.

SEC. 9. Section 1780.68 of the Insurance Code is repealed.

SEC. 10. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 11. If any provision of this act or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

CHAPTER 981

An act to amend Section 68115 of the Government Code, relating to criminal defendants.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 68115 of the Government Code is amended to read:

68115. When war, insurrection, pestilence, or other public calamity, or the danger thereof, or the destruction of or danger to the building appointed for holding the court, renders it necessary, or when a large influx of criminal cases resulting from a large number of arrests within a short period of time threatens the orderly operation of a court within a specified county or judicial district, the presiding judge, or if there is none, the sole judge of the superior, municipal or justice court, may request and the Chair of the Judicial Council may, notwithstanding any other provision of law, by order authorize the court to do one or more of the following:

(a) Hold sessions anywhere within the county.

(b) Transfer civil cases pending in the court to another court in the county which has jurisdiction of the subject matter.

(c) Transfer civil cases pending trial in the court to a court having jurisdiction of the subject matter in an adjacent county. No such transfer shall be made pursuant to this subdivision except with the consent of all parties to the case or upon a showing by a party that

extreme or undue hardship would result unless the case is transferred for trial. Any civil case so transferred shall be integrated into the existing caseload of the court to which it is transferred pursuant to rules to be provided by the Judicial Council.

(d) Suspend subdivisions (d), (e), and (f) of Section 199 of the Code of Civil Procedure relating to competency to act as a juror when such suspension is necessary to obtain a sufficient number of jurors.

(e) After exhausting its own jury panel, draw jurors who reside within the judicial district from the jury panel of the superior court in the county, and thereafter, after exhausting that source, draw jurors from the remainder of the jury panel of the superior court in the county or from jury panels of any other municipal or justice court in the county.

(f) Within the affected county during a state of emergency resulting from a natural or human-made disaster proclaimed by the President of the United States or by the Governor pursuant to Section 8625 of the Government Code, extend the time period provided in Section 825 of the Penal Code within which a defendant charged with a felony offense shall be taken before a magistrate from two days to not more than seven days, with the number of days to be designated by the Chair of the Judicial Council. This authorization shall be effective for 30 days unless it is extended by a new request and a new order.

(h) Extend the time period provided in Section 1382 of the Penal Code within which the trial must be held by not more than 30 days, but the trial of a defendant in custody whose time is so extended shall be given precedence over all other cases.

CHAPTER 982

An act to repeal Section 1315.5 of the Military and Veterans Code, and to amend Sections 10302, 10320, and 10332 of the Public Contract Code, relating to state procurement.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 1315.5 of the Military and Veterans Code is repealed.

SEC. 2. Section 10302 of the Public Contract Code is amended to read:

10302. Except in cases of emergency where immediate purchase

of supplies or equipment without bid is necessary for the protection of the public health, welfare, or safety, whenever the department purchases supplies or equipment in excess of fifteen thousand dollars ($15,000), all vendors who have notified the department in writing they desire to bid on supplies or equipment, and who have been prequalified in accordance with this section, shall be furnished with complete specifications as to the type, quality, quantity, and whenever practicable the date, place, and method of delivery of the equipment or supplies to be purchased. In addition to notifying those persons, the department shall post in a public place a copy of the specifications which shall remain posted until seven days after an award has been made. Whenever a purchase in excess of fifteen thousand dollars ($15,000) is made under this section or Section 10301 without the taking of bids, the department shall report to the State Board of Control the fact of the purchase together with a written statement of the facts requiring the purchase of the supplies or equipment without the taking of bids.

SEC. 3. Section 10320 of the Public Contract Code is amended to read:

10320. The Department of General Services shall annually prepare a purchasing delegation program for district agricultural associations to be administered by the Department of Food and Agriculture and the Department of General Services pursuant to the following criteria:

(a) Purchases shall not exceed fifteen thousand dollars ($15,000).

(b) The Department of General Services shall annually review purchases to be included in the program and the amount of delegation for each type of purchase.

(c) The Department of General Services shall annually review with the Department of Food and Agriculture the aggregate limit for the delegation program.

(d) The Department of General Services shall annually communicate with each fair eligible for the delegation program, information relating to the procedure to be followed for using the delegation, including, but not limited to, the things included in the delegation program.

SEC. 4. Section 10332 of the Public Contract Code is amended to read:

10332. Any state agency that receives delegated authority to purchase materials, supplies, and equipment shall be authorized, at a minimum, to make the following types of purchases:

(a) Purchases not exceeding the dollar value established pursuant to Section 10330.

(b) Purchases in any amount of commodities available under an unexpired statewide or regional commodities contract. Purchases of commodities for which a valid statewide or regional commodities contract is in effect may not be made, without the approval of the office, from a vendor other than the vendor with whom the state has a valid contract.

(c) Purchases in any amount of articles, materials, and supplies that state agencies are required, by Section 2807 of the Penal Code, to purchase from the Prison Industry Authority.

(d) Purchases not exceeding fifteen thousand dollars ($15,000) of materials, supplies, and equipment designated in price schedules that the office has established with vendors. Purchases not exceeding fifteen thousand dollars ($15,000) of materials, supplies, and equipment designated in price schedules may be made from a vendor other than the vendor specified on a price schedule if another vendor offers the same or an equivalent commodity at a price lower than the price established in the price schedule. The agency shall notify the office prior to making the purchase. The purchase may be made 48 hours after receipt of the notice by the office unless the office advises the agency that the commodity to be purchased is not the same or equivalent to a commodity specified on a price schedule.

(e) Purchases not exceeding fifteen thousand dollars ($15,000) of materials, supplies, and equipment which are available from the state warehouses but which the state agency can purchase from another vendor at a price lower than the price charged by the department. The agency shall notify the office prior to making the purchase. The purchase may be made 48 hours after receipt of the notice by the office unless the office advises the agency that the commodity to be purchased is not the same or equivalent to the commodity available from the state warehouses.

CHAPTER 983

An act to add Sections 798.82 and 799.8 to the Civil Code, and to amend Section 53080.4 of the Government Code, relating to mobilehomes.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 798.82 is added to the Civil Code, to read:

798.82. The management, at the time of an application for residency, shall disclose in writing to any person who proposes to purchase or install a manufactured home or mobilehome on a space, on which the construction of the pad or foundation system commenced after September 1, 1986, and no other manufactured home or mobilehome was previously located, installed, or occupied, that the manufactured home or mobilehome may be subject to a school facilities fee under Sections 53080 and 53080.4 of, and Chapter 4.9 (commencing with Section 65995) of Division 1 of Title 7 of, the Government Code.

SEC. 3. Section 53080.4 of the Government Code is amended to read:

53080.4. (a) Notwithstanding any other provision of law, any fee, charge, dedication, or other form of requirement levied by the governing board of a school district under Section 53080 may apply, as to any manufactured home or mobilehome, only pursuant to compliance with all of the following conditions:

(1) The fee, charge, dedication, or other form of requirement is applied to the initial location, installation, or occupancy of the manufactured home or mobilehome within the school district.

(2) The manufactured home or mobilehome is to be located, installed, or occupied on a space or site on which no other manufactured home or mobilehome was previously located, installed, or occupied.

(3) The manufactured home or mobilehome is to be located, installed, or occupied on a space in a mobilehome park, or on any site or in any development outside a mobilehome park, on which the construction of the pad or foundation system commenced after September 1, 1986.

(b) Compliance on the part of any manufactured home or mobilehome with any fee, charge, dedication, or other form of requirement, as described in subdivision (a), or certification by the appropriate school district of that compliance, shall be required as a condition of the following, as applicable:

(1) The close of escrow, where the manufactured home or mobilehome is to be located, installed, or occupied on a mobilehome park space, or on any site or in any development outside a mobilehome park, as described in subdivision (a), and the sale or transfer of the manufactured home or mobilehome is subject to escrow as provided in Section 18035 or 18035.2 of the Health and Safety Code.

(2) The approval of the manufactured home or mobilehome for occupancy pursuant to Section 18551 or 18613 of the Health and Safety Code, in the event that paragraph (1) does not apply.

(c) No fee or other requirement levied under Section 53080 shall be applied to any of the following:

(1) Any manufactured home or mobilehome located, installed, or occupied on a space in a mobilehome park on or before September 1, 1986, or on any date thereafter, if construction on that space,

pursuant to a building permit, commenced on or before September 1, 1986.

(2) Any manufactured home or mobilehome located, installed, or occupied on any site outside of a mobilehome park on or before September 1, 1986, or on any date thereafter if construction on that site pursuant to a building permit commenced on or before September 1, 1986.

(3) The replacement of or addition to a manufactured home or mobilehome located, installed, or occupied on a space in a mobilehome park, subsequent to the original location, installation, or occupancy of any manufactured home or mobilehome on that space.

(4) The replacement of a manufactured home or mobilehome that was destroyed or damaged by fire or any form of natural disaster.

(5) A manufactured home or mobilehome accessory structure, as defined in Section 18008.5 or 18213 of the Health and Safety Code.

(6) The conversion of a rental mobilehome park to a subdivision, cooperative, or condominium for mobilehomes, or its conversion to any other form of resident ownership of the park, as described in Section 50561 of the Health and Safety Code.

(d) Where any fee or other requirement levied under Section 53080 is required as to any manufactured home or mobilehome that is subsequently replaced by a permanent residential structure constructed on the same lot, the amount of that fee or other requirement shall apply toward the payment of any fee or other requirement under Section 53080 applied to that permanent residential structure.

(e) Notwithstanding any other provision of law, any school district that, on or after January 1, 1987, collected any fee, charge, dedication, or other form of requirement from any manufactured home, mobilehome, mobilehome park, or other development, shall immediately repay the fee, charge, dedication, or other form of requirement to the person or persons who made the payment to the extent the fee, charge, dedication, or other form of requirement collected would not have been authorized under subdivision (a). This subdivision shall not apply, however, to the extent that, pursuant to Section 16 of Article I of the California Constitution, it would impair the obligation of any contract entered into by any school district, on or before the effective date of this section.

(f) For purposes of this section, "manufactured home," "mobilehome," and "mobilehome park" have the meanings set forth in Sections 18007, 18008, and 18214, respectively, of the Health and Safety Code.

(g) (1) Whenever a manufactured home or a mobilehome owned by a person 55 years of age or older who is also a member of a lower income household as defined by Section 50079.5 of the Health and Safety Code, and which has been moved from a mobilehome park space located in one school district, where the mobilehome owner has resided, to a space or lot located in a mobilehome park or a subdivision, cooperative, or condominium for mobilehomes or

manufactured homes located in another school district, is subject to any fee or other requirement under Section 53080, this section, and Chapter 4.9 (commencing with Section 65995) of Division 1 of Title 7, the district in which the manufactured home or mobilehome has been newly located may waive the fee or other requirement under Section 53080, this section, and Chapter 4.9 (commencing with Section 65995) of Division 1 of Title 7, or otherwise shall be required to grant the homeowner the necessary approval for occupancy of the home, and permission to pay the amount of the fee or other requirement thereafter, in installments, over a period totaling no less than 36 months. A school district may require that the installments be paid monthly, quarterly, or every six months during the 36-month period, and that the fee be secured as a lien perfected against the mobilehome or manufactured home pursuant to Section 18080.7 of the Health and Safety Code.

(2) Costs of filing the lien and reasonable late charges or interest may be added to the amount of the lien. This subdivision does not apply where a school facilities fee, charge, or other requirement is imposed pursuant to Section 65995.2.

SEC. 4. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 984

An act to amend Sections 10127.10, 10127.11, 10127.12, 10127.13, and 10506.3 of the Insurance Code, relating to life insurance, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 10127.10 of the Insurance Code is amended to read:

10127.10. (a) Every policy of individual life insurance and every individual annuity contract that is initially delivered or issued for delivery to a senior citizen in this state on and after January 1, 1995,

shall have printed thereon or attached thereto a notice stating that, after receipt of the policy by the owner, the policy may be returned by the owner for cancellation by delivering it or mailing it to the insurer or agent from whom it was purchased. The period of time set forth by the insurer for return of the policy by the insured shall be clearly stated on the notice and this period shall be not less than 30 days. The insured may return the policy to the insurer by mail or otherwise at any time during the period specified in the notice. In the case of individual life insurance policies and individual annuity contracts (other than variable contracts and modified guaranteed contracts), return of the policy during the cancellation period shall have the effect of voiding the policy from the beginning, and the parties shall be in the same position as if no policy had been issued. All premiums paid and any policy fee paid for the policy shall be refunded by the insurer to the owner within 30 days from the date that the insurer is notified that the owner has canceled the policy. In the case of variable annuity contracts, variable life insurance contracts, and modified guaranteed contracts, return of the contract during the cancellation period shall entitle the owner to a refund of account value and any policy fee paid for the policy. The account value and policy fee shall be refunded by the insurer to the owner within 30 days from the date that the insurer is notified that the owner has canceled the policy.

(b) This section applies to all individual policies issued or delivered to senior citizens in this state on or after January 1, 1995. All policies subject to this section which are in effect on January 1, 1994, shall be construed to be in compliance with this section, and any provision in any policy which is in conflict with this section shall be of no force or effect.

(c) Every individual life insurance policy and every individual annuity contract, other than variable contracts and modified guaranteed contracts, subject to this section, that is delivered or issued for delivery in this state shall have the following notice either printed on the cover page or policy jacket in 12-point bold print with one inch of space on all sides or printed on a sticker that is affixed to the cover page or policy jacket:

"IMPORTANT

YOU HAVE PURCHASED A LIFE INSURANCE POLICY OR ANNUITY CONTRACT. CAREFULLY REVIEW IT FOR LIMITATIONS.

THIS POLICY MAY BE RETURNED WITHIN 30 DAYS FROM THE DATE YOU RECEIVED IT FOR A FULL REFUND BY RETURNING IT TO THE INSURANCE COMPANY OR AGENT WHO SOLD YOU THIS POLICY. AFTER 30 DAYS, CANCELLATION MAY RESULT IN A SUBSTANTIAL PENALTY, KNOWN AS A SURRENDER CHARGE."

The phrase "after 30 days, cancellation may result in a substantial penalty, known as a surrender charge" may be deleted if the policy does not contain those charges or penalties.

(d) Every individual variable annuity contract, variable life insurance contract, or modified guaranteed contract subject to this section, that is delivered or issued for delivery in this state, shall have the following notice either printed on the cover page or policy jacket in 12-point bold print with one inch of space on all sides or printed on a sticker that is affixed to the cover page or policy jacket:

"IMPORTANT

YOU HAVE PURCHASED A VARIABLE ANNUITY CONTRACT (VARIABLE LIFE INSURANCE CONTRACT, OR MODIFIED GUARANTEED CONTRACT). CAREFULLY REVIEW IT FOR LIMITATIONS.

THIS POLICY MAY BE RETURNED WITHIN 30 DAYS FROM THE DATE YOU RECEIVED IT FOR A REFUND OF THE POLICY'S ACCOUNT VALUE ON THE DAY THE POLICY IS RECEIVED BY THE INSURANCE COMPANY OR AGENT WHO SOLD YOU THIS POLICY. A RETURN OF THE POLICY AFTER 30 DAYS MAY RESULT IN A SUBSTANTIAL PENALTY, KNOWN AS A SURRENDER CHARGE."

The words "known as a surrender charge" may be deleted if the contract does not contain those charges.

(e) This section does not apply to life insurance policies issued in connection with a credit transaction or issued under a contractual policy-change or conversion privilege provision contained in a policy. Additionally, this section shall not apply to contributory and noncontributory employer group life insurance, contributory and noncontributory employer group annuity contracts, and group term life insurance, with the exception of subdivision (f).

(f) When an insurer, its agent, group master policyowner, or association collects more than one month's premium from a senior citizen at the time of application or at the time of delivery of a group term life insurance policy or certificate, the insurer must provide the senior citizen a prorated refund of the premium if the senior citizen delivers a cancellation request to the insurer during the first 30 days of the policy period.

(g) For purposes of this chapter, a senior citizen means an individual who is 60 years of age or older on the date of purchase of the policy.

SEC. 2. Section 10127.11 of the Insurance Code is amended to read:

10127.11. Every insurer and life agent offering for sale individual life insurance policies or individual annuity contracts that are initially delivered or issued for delivery to senior citizens in this state

on and after January 1, 1995, with the use of nonpreprinted illustrations of nonguaranteed values shall disclose on those illustrations or on an attached cover sheet, in bold or underlined capitalized print, or in the form of a contrasting color sticker, bright highlighter pen, or in any manner that makes it more prominent than the surrounding material, with at least one-half inch space on all four sides, the following statement:

"THIS IS AN ILLUSTRATION ONLY. AN ILLUSTRATION IS NOT INTENDED TO PREDICT ACTUAL PERFORMANCE. INTEREST RATES, DIVIDENDS, OR VALUES THAT ARE SET FORTH IN THE ILLUSTRATION ARE NOT GUARANTEED, EXCEPT FOR THOSE ITEMS CLEARLY LABELED AS GUARANTEED."

All preprinted policy illustrations shall contain this notice in 12-point bold print with at least one-half inch space on all four sides and shall be printed on the illustration form itself. All preprinted illustrations containing nonguaranteed values shall show the columns of guaranteed values in bold print. All other columns used in the illustration shall be in standard print. "Values" as used here includes cash value, surrender value, and death benefit.

SEC. 3. Section 10127.12 of the Insurance Code is amended to read:

10127.12. Whenever an insurer provides an annual statement to a senior citizen policyowner of an individual life insurance policy or an individual annuity contract issued after January 1, 1995, the insurer shall also provide the current accumulation value and the current cash surrender value.

SEC. 4. Section 10127.13 of the Insurance Code is amended to read:

10127.13. All individual life insurance policies and individual annuity contracts for senior citizens that contain a surrender charge period shall either disclose the surrender period and all associated penalties in 12-point bold print on the cover sheet of the policy or disclose the location of the surrender information in bold 12-point print on the cover page of the policy, or printed on a sticker that is affixed to the cover page or to the policy jacket. The notice required by this section may appear on a cover sheet that also contains the disclosure required by subdivision (d) of Section 10127.10.

SEC. 5. Section 10506.3 of the Insurance Code is amended to read:

10506.3. (a) The commissioner shall adopt appropriate administrative regulations governing modified guaranteed annuities. Modified guaranteed annuities shall be subject to Article 3b (commencing with Section 10168) of Chapter 1 of Part 2 of Division 2 with regard to nonforfeiture values computed under the terms of the annuity but excluding from the computation the effect of market-value adjustment factors.

(b) Group annuities exempted under Section 10168 are also exempted from any modified guaranteed annuity regulations.

(c) Subdivision (b) shall be retroactive to January 1, 1987, to the extent the assets underlying such group contracts have not been maintained in a separate account.

(d) The commissioner shall issue a bulletin, on or before July 1, 1987, setting forth conditions under which variable life insurance may be issued, or issued for delivery, in this state as permitted by Chapter 731 of the Statutes of 1984.

Upon issuance of the bulletin, regulations regarding variable life insurance contained in Article 11.1 (commencing with Section 2534) of Title 10 of the California Code of Regulations shall be of no force and effect as long as the bulletin is effective. The bulletin authorized by this section shall have the same force and effect, and may be enforced by the commissioner to the same extent and degree, as the regulations superseded by it until the time that the commissioner may make additional or amended regulations as provided by subdivision (h) of Section 10506.

On or before July 1, 1993, the commissioner may amend the existing bulletin to include reasonable provisions relating to requirements for group variable life insurance. Notwithstanding the foregoing authority to issue a bulletin and prior to its issuance, the commissioner shall approve group master policy forms and certificates and notices related thereto that reasonably comply with the general provisions set forth in Sections 10506 to 10506.2, inclusive, and any other applicable statutes or regulations.

SEC. 6. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

Chapter 516 of the Statutes of 1993 enacted insurance provisions providing senior citizens with contractual rights with respect to certain policies. These provisions became effective January 1, 1994. In order to ensure orderly implementation of these provisions, it is necessary that this act take effect immediately.

CHAPTER 985

An act to amend Sections 1726, 1749, and 1750 of, and to add Section 1747.1 to, the Health and Safety Code, relating to hospices.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 1726 of the Health and Safety Code is amended to read:

1726. No private or public organization, including, but not limited to, any partnership, corporation, political subdivision of the state, or other governmental agency within the state, shall provide, or arrange for the provision of, skilled nursing services in the home in this state without first obtaining a home health agency license.

In establishing a system of licensing for home health agencies, it is the purpose of the Legislature to distinguish between the functions of a home health agency and the functions of an employment agency or a licensed nurses' registry pursuant to Title 2.91 (commencing with Section 1812.500) of Part 4 of Division 3 of the Civil Code. It is not the intention of the Legislature to require that an employment agency or a licensed nurses' registry performing its functions as specified in Title 2.91 (commencing with Section 1812.500) of Part 4 of Division 3 of the Civil Code secure a home health agency license, unless it is performing the functions of a home health agency, as defined in this chapter.

It is not the intent of the Legislature to require a hospice to secure a home health agency license.

SEC. 1.5. Section 1747.1 is added to the Health and Safety Code, to read:

1747.1. A hospice program certified in accordance with federal Medicare hospice conditions of participation shall be exempt from subdivision (a) of Section 1747, but shall be subject to Section 1726 unless it elects to apply for hospice licensure. A hospice program that elects to apply for hospice licensure shall thereafter be subject to all the hospice licensure requirements set forth in this chapter.

SEC. 2. Section 1749 of the Health and Safety Code is amended to read:

1749. (a) To qualify for a license under this chapter, an applicant shall satisfy all of the following:

(1) Be of good moral character. If the applicant is a franchise, franchisee, firm, association, organization, partnership, business trust, corporation, company, political subdivision of the state, or governmental agency, the person in charge of the hospice for which the application for a license is made shall be of good moral character.

(2) Demonstrate the ability of the applicant to comply with this chapter and any rules and regulations promulgated under this chapter by the state department.

(3) File a completed application with the state department which was prescribed and furnished pursuant to Section 1748.

(b) In order for a person, political subdivision of the state, or other governmental agency to be licensed as a hospice it shall satisfy the definition of a hospice contained in Section 1746, and also provide, or make provision for, the following basic services:

(1) Skilled nursing services.

(2) Social services/counseling services.

(3) Medical direction.

(4) Bereavement services.

(5) Volunteer services.

(6) Inpatient care arrangements.

(c) The services required to be provided pursuant to subdivision (b) shall be provided in compliance with the "Standards for Quality Hospice Care, 1993," as available from the California State Hospice Association, until the state department adopts regulations establishing alternative standards pursuant to subdivision (d).

(d) The state department may adopt regulations establishing standards for any or all of the services required to be provided under subdivision (b). The regulations of the state department adopted pursuant to this subdivision shall supersede the standards referenced in subdivision (c) to the extent the regulations duplicate or replace those standards.

SEC. 3. Section 1750 of the Health and Safety Code is amended to read:

1750. (a) Each new and renewal application for a license under this chapter shall be accompanied by an annual fee in the amount of six hundred twenty-two dollars ($622), until the department determines a fee level based on the cost of administering this chapter, and that adjusted fee is printed in the Budget Act.

(b) All hospices shall maintain compliance with the licensing requirements. These requirements shall not, however, prohibit the use of alternate concepts, methods, procedures, techniques, space, equipment, personnel qualifications, or the conducting of pilot projects, necessary for program flexibility. Program flexibility shall be carried out with provision for safe and adequate patient care and with prior written approval of the state department. A written request for program flexibility and substantiating evidence supporting the request shall be submitted by the applicant or licensee to the state department. The state department shall approve or deny the request within 60 days of submission. Approval shall be in writing and shall provide for the terms and conditions under which program flexibility is approved. A denial shall be in writing and shall specify the basis therefor. If after investigation the state department determines that a hospice using program flexibility pursuant to this section is operating in a manner contrary to the terms or conditions of the approval for program flexibility, the director shall immediately revoke that approval.

(c) Each hospice shall, on or before March 15 of each year, file with the Office of Statewide Health Planning and Development (OSHPD), upon forms furnished by OSHPD, a verified report for the preceding calendar year upon all matters requested by OSHPD. This report may include, but not be limited to, data pertaining to age of patients, diagnostic categories of patients, and number of visits by service provided.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty

for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 986

An act to amend Sections 6322.1 and 6326 of the Business and Professions Code, and to amend and repeal Section 26863 of the Government Code, relating to civil actions.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 6322.1 of the Business and Professions Code is amended to read:

6322.1. (a) Except in counties containing a population of 4,000,000 and over, the board of supervisors of any county may increase the costs provided in Sections 6321 and 6322 to not more than twenty dollars ($20) for each event therein described whenever it shall determine that the increase is necessary to defray the expenses of the law library. After January 1, 1995, the board of supervisors of the county may increase those costs to an amount over twenty dollars ($20) but in no case may this increase in any year be greater than three dollars ($3) if the board of supervisors excludes the library fee from the definition of the "total filing fee," nor more than five dollars ($5) in any year if the library fee is included in the definition of "total filing fee," under Sections 26820.6 and 72055 of the Government Code.

Until January 1, 1994, the board of supervisors may exclude no more than eight dollars ($8) of the increase in the law library fee over the law library fee that was in effect on January 1, 1990, from the definition of "total fee" under Sections 26820.6 and 72055 of the Government Code.

In no event may the total law library fee in actions and proceedings in which a claim for money damages falls within the monetary jurisdiction of small claims court and is filed by an assignee who is prohibited from filing or maintaining a claim pursuant to Section 116.420 of the Code of Civil Procedure exceed the law library fee in effect on January 1, 1990. To facilitate computation of the correct fee pursuant to this section, the complaint shall contain a declaration under penalty of perjury executed by a party requesting a reduction in fees to the January 1, 1990, level that the case filed qualifies for the lower fee because the claim for money damages will not exceed the monetary jurisdiction of small claims court and is filed by an assignee

of the claim.

(b) In counties containing a population of 4,000,000 and over, the board of law library trustees may increase the costs provided in Sections 6321 and 6322 to not more than ten dollars ($10) for each event therein described whenever it shall determine that the increase is necessary to defray the expenses of the law library. After January 1, 1995, the board of supervisors of the county may increase those costs to an amount over ten dollars ($10) but in no case may this increase in any year be greater than two dollars ($2) if the board of supervisors excludes the library fee from the definition of the "total filing fee," nor more than four dollars ($4) in any year if the library fee is included in the definition of "total filing fee" under Sections 26820.6 and 72055 of the Government Code.

Until January 1, 1994, the board of supervisors may exclude no more than eight dollars ($8) of the increase in the law library fee over the law library fee that was in effect on January 1, 1990, from the definition of "total fee" under Sections 26820.6 and 72055 of the Government Code.

In no event may the total law library fee in actions and proceedings in which a claim for money damages falls within the monetary jurisdiction of small claims court and is filed by an assignee who is prohibited from filing or maintaining a claim pursuant to Section 116.420 of the Code of Civil Procedure exceed the law library fee in effect on January 1, 1990. To facilitate computation of the correct fee pursuant to this section, the complaint shall contain a declaration under penalty of perjury executed by a party requesting a reduction in fees to the January 1, 1990, level that the case filed qualifies for the lower fee because the claim for money damages will not exceed the monetary jurisdiction of small claims court and is filed by an assignee of the claim.

(c) Notwithstanding any other provision of law, any increase or decrease in costs of law library fees in any county shall not be effective until January 1 of the year next following adoption by the board of supervisors or the law library board of trustees of the increase or decrease, except that any fee increase adopted by a board of supervisors in 1990 in accordance with subdivision (a) or (b) may be immediately implemented in accordance with the resolution of the board of supervisors.

SEC. 2. Section 6326 of the Business and Professions Code is amended to read:

6326. A revolving fund of not more than seven thousand five hundred dollars ($7,500) may be established from money in the law library fund, by resolution of the board of law library trustees, for expenditures of not exceeding seven hundred fifty dollars ($750) each for purposes for which the law library fund may lawfully be expended. The board shall prescribe the procedure by which money may be drawn from the revolving fund, the records to be kept, and the manner in which reimbursements shall be made to the revolving fund by demand and order from the law library fund. All or any part

of the money in the revolving fund may be deposited in a commercial account in a bank, subject to payments of not exceeding seven hundred fifty dollars ($750) each by check on the signature of the secretary or any other person or persons designated by the board.

SEC. 3. Section 26863 of the Government Code, as amended by Chapter 784 of the Statutes of 1990, is amended to read:

26863. (a) The board of supervisors of any county may provide for an additional fee of one dollar ($1) for filings in a civil action or proceeding, as specified in Section 68090.7, to defray the cost of automating the county clerk and municipal and justice court recordkeeping system and conversion of the county clerk and municipal and justice court document storage system to micrographics.

(b) The board of supervisors may increase this additional fee to not more than three dollars ($3) if it expends an additional, matching amount from the county general fund, equal to the revenue derived from the increase, exclusively to pay the costs of automating the county clerk and municipal and justice court recordkeeping system or converting the court's document system to micrographics, or both.

(c) Upon completion of the automation and conversion, and payment of the costs therefor, the additional fee shall no longer be imposed.

SEC. 4. Section 26863 of the Government Code, as added by Chapter 784 of the Statutes of 1990, is repealed.

CHAPTER 987

An act to add Section 35 to the Business and Professions Code, to amend Section 2054 of the Unemployment Insurance Code, and to add Section 1651.3 to the Vehicle Code, relating to employment, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 35 is added to the Business and Professions Code, to read:

35. It is the policy of this state that, consistent with high quality of services, persons with skills, knowledge, and experience obtained in the armed services of the United States should be permitted to apply this learning and contribute to the employment needs of the state at the maximum level of responsibility and skill for which they are qualified. To this end, rules and regulations of boards provided for in this code shall provide for methods of evaluating education, training, and experience obtained in the armed services, if applicable to the requirements of the business, occupation, or profession

regulated. These rules and regulations shall also specify how this education, training, and experience may be used to meet the licensure requirements for the particular business, occupation, or profession regulated. Each board shall consult with the Department of Veterans Affairs before adopting these rules and regulations. Each board shall perform the duties required by this section within existing budgetary resources of the agency within which the board operates.

SEC. 2. Section 2054 of the Unemployment Insurance Code is amended to read:

2054. (a) The director shall:

(1) Establish, maintain, and operate adequately staffed public employment offices for men, women, and youth who are legally qualified to engage in gainful occupations and shall maintain a veterans' placement service to be devoted to securing work for veterans and a farm placement service to promote the placement and clearance of agricultural labor, and a youth placement service to promote the placement of youth in suitable fields of employment. The director shall also establish and maintain a job counseling and placement service for those persons who are encountering, or may be expected to encounter difficulty in securing or keeping a job principally because of their age. The maintenance of a farm placement service shall not be required during such time as applicable federal laws provide for a system of farm labor placement financed from federal funds which is separate and apart from the general system of public employment offices. Adequate records and statistics on all the classifications specified in this subdivision shall be compiled and kept, and a report of these records, statistics, applications, and placements shall be made semiannually.

(2) Procure, by lease or otherwise, suitable offices, and incur the necessary expenses in the conduct thereof.

(b) It is the policy of this state to make every reasonable effort to assist men and women who are leaving active duty with the armed services of the United States in obtaining employment in the civilian workforce. These efforts shall include outreach to those service personnel who will be leaving active duty in the near future, including job seminars and job fairs at military bases.

(c) The director shall perform the duties required by this section within existing budgetary resources of the agency within which the department operates.

SEC. 3. Section 1651.3 is added to the Vehicle Code, to read:

1651.3. It is the policy of this state to recognize the training and experience that individuals gain while serving in the armed forces of the United States. In furtherance of this policy, the department, in conjunction with the military services of the United States, shall develop policies to assist persons who are leaving active duty to obtain commercial driver's licenses. These policies shall not waive any requisites, fees, or examinations required by law for a commercial driver's license. These policies shall specify how this

training and experience may be used to obtain these licenses. The department shall consult with the Department of Veterans Affairs before adopting these policies. The department shall perform the duties required by this section within existing budgetary resources of the agency within which the department operates.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to expedite the licensing and registration in various occupations or professions of persons who have left the armed services of the United States due to the reduction in the active duty personnel and who have military training and job experience that may be used in related civilian occupations, it is necessary that this act take effect immediately.

CHAPTER 988

An act to add Section 20221.1 to the Public Contract Code, relating to transit, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 20221.1 is added to the Public Contract Code, to read:

20221.1. Notwithstanding any other provision of law, the governing board of the San Francisco Bay Area Rapid Transit District may, at its discretion, elect to design and construct all or any part of the extension of the district's transit facilities to the San Francisco International Airport. If the board elects to design and construct the project, it shall comply with all of the following procurement procedures:

(a) A request for qualifications shall be prepared and submitted to an adequate number of sources, as determined by the district, in its discretion, to permit reasonable competition consistent with the nature and requirements of that portion of the extension the district has elected to design and construct in accordance with this section. In addition, notice of the request for qualifications shall be published at least once in a newspaper of general circulation, which publication shall be at least 10 days before responses to the request for qualifications are received. The request for qualifications shall identify the minimum standards that the district has determined, in its discretion, shall be met or exceeded by a contractor to successfully design and construct the project described in this section. Those

standards may include, but are not limited to, technical experience and capability, financial condition and capacity, organization, and personnel.

(b) All respondents determined by the district to meet or exceed the minimum standards set forth in the request for qualifications shall be considered prequalified. The district may, in its discretion, repeat the prequalification process described in subdivision (a). If the district has prequalified at least three respondents, it may invite those prequalified to submit sealed bids for the project based upon plans and specifications prepared by the district. Only those who have been prequalified are eligible for award of a contract. Award shall be made to the prequalified bidder submitting the lowest responsive bid.

(c) The board may reject any and all bids and request new bids.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to enable the San Francisco Bay Area Rapid Transit District to undertake the design and construction of its San Francisco Airport extension at the earliest possible time, in accordance with procedures authorized by this act, it is necessary that this act take effect immediately.

CHAPTER 989

An act relating to schools.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) A growing number of violent incidents on public school campuses are severely traumatizing pupils and staff and are seriously hampering the educational process at those schools.

(b) Reports from schools that have experienced these tragedies indicate that the after effects of violent incidents last for extended periods of time and often are exacerbated by additional incidents, including bomb threats or other threats of reprisal which cause both pupils and staff to repeatedly relive the emotional trauma of the original tragedy.

(c) Already overburdened local mental health agencies have a difficult time providing sufficient services to respond to these needs without additional resources.

(d) Given the growing cultural diversity of California's public

school population, it is imperative that services be provided in a culturally appropriate manner. Unfortunately, few mental health professionals have an adequate understanding of the unique way that diverse cultures deal with these life problems.

(e) Therefore, it is the intent of the Legislature to do all of the following, contingent upon available funding:

(1) Establish a supplementary victim assistance fund that mental health agencies may use to provide services to victims of schoolsite tragedies.

(2) Encourage mental health agencies to assess their current level of cultural competence, as defined in Section 5600.2 of the Welfare and Institutions Code.

(3) Commission a pilot project within the Marysville Joint Unified School District to assess both the psychological effects of the Lindhurst High School shootings on all involved parties and to develop recommendations about the most culturally appropriate ways to provide services to victims, because little is known about the long-term effects of these tragedies and about the best ways to deal with them.

(f) It is also the intent of the Legislature that the superintendent assist the Marysville Joint Unified School District in applying for private foundation grants and federal funds to fund the pilot project set forth in paragraph (3) of subdivision (e).

CHAPTER 990

An act to add Section 17921.7 to the Health and Safety Code, relating to buildings.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 17921.7 is added to the Health and Safety Code, to read:

17921.7. (a) (1) The Legislature finds and declares all of the following:

(A) Acrylonitrile-butadiene-styrene ("ABS") drain, waste, and vent plumbing pipe is used to drain or vent wastewater from kitchens, bathrooms, washers, and plumbing fixtures found in the home. ABS pipe is commonly used in residential construction, and ABS pipe has been installed in the foundations and walls of thousands of single-family homes, apartments, condominiums, and other residences throughout California.

(B) The American Society for Testing and Materials (ASTM) has established specifications for the manufacture of ABS pipe, including a requirement that ABS pipe be made from virgin plastic resin.

These specifications have been incorporated into the Uniform Plumbing Code (UPC), which is applicable to all occupancies throughout the state pursuant to subdivision (b) of Section 18938, a provision of the State Building Standards Law (Part 2.5 (commencing with Section 18901)).

(C) ABS pipe that does not meet ASTM requirements might, within a period of a decade or less, crack and leak wastewater and sewage, resulting in structural damage, vermin infestation, and severe health hazards for residents or occupants of buildings in which defectively manufactured ABS pipe has failed. One apparent cause of these mechanical failures of ABS pipe has been the use of nonvirgin, reprocessed plastic resin for the manufacture of ABS pipe.

(D) The continued use of this nonvirgin, reprocessed plastic resin by some ABS pipe manufacturers violates the requirements of the UPC and is also in violation of the building standards established in accordance with the State Building Standards Law. The problem of the property damage inflicted on the public continues to worsen.

(E) Thousands of California residents either already have, or eventually will, experience serious damage to their homes, apartments, and condominiums, as well as threats to their health and safety, because of the substandard ABS pipe that has been installed, in violation of building standards, in structures throughout the state.

(F) There are currently no statutes or regulations that apply to the sale of defective plastic resin to ABS pipe manufacturers.

(2) It is, therefore, the intent of the Legislature that both of the following occur:

(A) That a provision that addresses the important issues set forth in paragraph (1) be added to the State Housing Law.

(B) That the Department of Housing and Community Development expeditiously implement the provisions of Chapter 413 of the Statutes of 1993 that relate to this section.

(b) On and after the effective date of the act that adds this section, no person shall sell or offer for sale a plastic resin for use in the manufacture of ABS DWV pipe that does not meet the requirements of the listing pursuant to authority granted by subdivision (e).

(c) (1) Any and all plastic resin sold to an ABS DWV pipe manufacturer for use in ABS DWV pipe shall contain a certification that the plastic resin conforms to the requirements specified in the listing pursuant to subdivision (e).

(2) Any and all plastic resin sold to an ABS pipe manufacturer shall be accompanied by a document indicating the name and address of the manufacturer of that plastic resin, the date that the plastic resin was purchased by the seller, and specifications of the chemical and physical properties of the plastic resin. For a period of at least 10 years from the date of the sale of this plastic resin, the information required to be certified by this subdivision shall be kept onsite at the ABS pipe manufacturing plant, and available for inspection by the enforcement agency, at all times.

(d) No ABS DWV pipe that contains plastic resin that does not

meet the requirements of the listing pursuant to subdivision (e) may be sold or offered for sale, or installed in any structure that is subject to this part.

(e) The listing agencies, as approved by the department, shall publish in each listing agreement with ABS DWV pipe manufacturers a list of ABS resins and resin compounds used by that manufacturer and approved for use by the listing agency. The approval of ABS resins and resin compounds shall be based on nationally recognized standards. The listing agencies shall consult with the affected parties.

SEC. 2. The Department of Housing and Community Development shall periodically evaluate its list of approved listing and testing agencies to determine whether any additions to, or deletions from, the list are appropriate.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction. Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 991

An act to add Section 1235 to the Government Code, relating to public officers.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature hereby finds and declares that a condition precedent to any contract for a retirement allowance between the state and a public officer thereof is, and has been, an obligation on the public officer's part not to leave the jurisdiction of a federal or state court when under a legal obligation not to do so.

SEC. 2. Section 1235 is added to the Government Code, to read:

1235. (a) Any person who is receiving an allowance from a public retirement system, who is charged by indictment or complaint, either in a court of this state or a federal court whose jurisdiction encompasses all or any portion of the state, with the commission of any felony involving or accepting or giving, or offering to give, any bribe, the embezzlement of public money, extortion or theft of public money, perjury, or conspiracy to commit

any of those crimes arising directly out of his or her official duties as a public officer, who has a legal obligation not to leave the jurisdiction of the court, but does leave, shall have his or her retirement allowance suspended while absent the jurisdiction of the court.

(b) The suspension shall be effective the first of the month following the month in which the court notifies the retirement system. The suspension shall be in effect until the retirement system is notified by the court. Upon notification by the court that the suspension has been lifted, the retirement system shall commence payment of the retirement allowance payable and make a onetime payment of the amount payable that had been suspended.

(c) "Public officer," for the purposes of this section, means every officer of the state, and every officer of a county, city, city and county, district, and authority, and each department, division, bureau, board, commission, agency, or instrumentality of any of these entities.

(d) The suspension shall not affect the payment of any survivor's benefits by the retirement system.

(e) This section shall apply to persons who served in a public office prior to January 1, 1995, as well as to all persons who serve in a public office on or after January 1, 1995.

SEC. 3. If any provision of this act or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

CHAPTER 992

An act to amend Section 661 of the Insurance Code, relating to insurance.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 661 of the Insurance Code is amended to read:

661. (a) A notice of cancellation of a policy shall be effective only if it is based on one or more of the following reasons:

(1) Nonpayment of premium.

(2) The driver's license or motor vehicle registration of the named insured or of any other operator who either resides in the same household or customarily operates an automobile insured under the policy has been under suspension or revocation during the policy period or, if the policy is a renewal, during its policy period

or the 180 days immediately preceding its effective date.

(3) Discovery of fraud by the named insured in pursuing a claim under the policy provided the insurer does not rescind the policy.

(4) Discovery of material misrepresentation of any of the following information concerning the named insured or any resident of the same household who customarily operates an automobile insured under the policy:

(A) Safety record.

(B) Annual miles driven in prior years.

(C) Number of years of driving experience.

(D) Record of prior automobile insurance claims, if any.

(E) Any other factor found by the commissioner to have a substantial relationship to the risk of loss.

Any insured who negligently misrepresents information described in this paragraph may avoid cancellation by furnishing corrected information to the insurer within 20 days after receiving notice of cancellation and agreeing to pay any difference in premium for the policy period in which the information remained undisclosed.

(b) This section shall not apply to any policy or coverage that has been in effect less than 60 days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy.

(c) Modification of automobile physical damage coverage by the inclusion of a deductible not exceeding one hundred dollars ($100) shall not be deemed a cancellation of the coverage or of the policy.

(d) This section shall not apply to nonrenewal.

CHAPTER 993

An act to amend Section 1250.4 of the Health and Safety Code, to amend Section 6007 of the Penal Code, and to repeal Section 11 of Chapter 932 of the Statutes of 1993, relating to communicable disease, and declaring the urgency thereof to take effect immediately.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

The medical director shall direct the medical treatment programs for all health services and services supporting the health services provided in the facility.

(c) The medical director, chief of medical services, chief medical officer, or the physician designated by the department to act in that capacity, shall use every available means to ascertain the existence of, and to immediately investigate, all reported or suspected cases of any communicable, contagious, or infectious disease and to ascertain the source or sources of the infections and prevent the spread of the disease. In carrying out these investigations, the medical director, chief of medical services, chief medical officer , or the physician designated by the department to act in that capacity, is hereby invested with full powers of inspection, examination, and quarantine or isolation of all inmates or wards known to be, or reasonably suspected to be, infected with a communicable, contagious, or infectious disease.

(d) The medical director, chief of medical services, chief medical officer, or the physician designated by the department to act in that capacity, shall order an inmate or ward to receive an examination or test, or may order an inmate or ward to receive treatment if the medical director, chief of medical services, chief medical officer, or the physician designated by the department to act in that capacity, has reasonable suspicion that the inmate or ward has, has had, or has been exposed to a communicable, contagious, or infectious disease and the medical director, chief of medical services, chief medical officer, or the physician designated by the department to act in that capacity, has reasonable grounds to believe that it is necessary for the preservation and protection of staff and inmates or wards.

(e) Notwithstanding Section 2600 or 2601 of the Penal Code, or any other provision of law, any inmate or ward who refuses to submit to an examination, test, or treatment for any communicable,

This inmate or ward shall be subject to disciplinary action as described in Title 15 of the California Code of Regulations.

(f) None of the provisions contained in this section shall apply to HIV or AIDS. Testing, treatment, counseling, prevention, education, or other procedures dealing with HIV and AIDS shall be conducted as prescribed in Title 8 (commencing with Section 7500) of Part 3 of the Penal Code.

(g) None of the provisions contained in this section shall apply to tuberculosis. Tuberculosis shall be addressed as prescribed in Title 8.7 (commencing with Section 7570) of the Penal Code.

SEC. 2. Section 6007 of the Penal Code is amended to read:

(b) As a condition of continued employment with the department, those employees who are skin-test negative shall receive an examination or test at least once a year, or more often if directed by the department, for as long as the employee remains skin-test negative. If an employee has a documented positive skin test, the employee shall have a medical evaluation to determine the need for followup care. An employee with a positive skin test shall follow the department's guidelines for tuberculosis control.

(c) The department shall ensure that all examinations or tests and medical evaluations, as defined in subdivisions (b) and (c) of Section 6006.5, to diagnose and assess the health conditions of the person, meet the following conditions:

(1) Are made available to the employee promptly at a reasonable time and place.

(2) Are made available at no cost to the employee.

(3) Are performed by, or under the supervision of, a licensed health care professional.

(d) The examinations or tests or medical evaluations required pursuant to this chapter shall be offered by the department. The department may contract with a medical provider to administer the examinations or tests or medical evaluations. Employees who elect not to accept the department's offer shall obtain the examinations or tests or medical evaluations through their personal health care providers at no cost to the department.

The requirements of this section apply to the Department of Corrections, the Department of the Youth Authority, the Board of Prison Terms, and the Youthful Offender Parole Board.

Notwithstanding any other provision of law, each department or board shall be responsible for the costs of the testing or evaluation required by this section for its own employees or potential employees.

(e) Followup care for tuberculosis infection or treatment for tuberculosis disease shall be pursued through the workers' compensation system as provided in Division 4 (commencing with Section 3200) and Division 5 (commencing with Section 6300) of the Labor Code for job-related incidents or through the employee's health insurance plan for non-job-related incidents. The department shall file a first report of injury for an employee whose examination or test for tuberculosis is positive. In addition, the department shall follow the guidelines, policies, and procedures of the workers' compensation early intervention program pursuant to Section 3214 of the Labor Code.

(g) The department shall maintain a file containing an up-to-date certificate for each employee.

(h) Nothing in this section shall prevent the department from requiring and providing more extensive or more frequent examinations or tests.

(i) The department shall not discriminate against any employee because the employee tested positive for tuberculosis.

(j) All volunteers of the department shall be required to furnish the department with a certificate prior to assuming their volunteer duties and annually thereafter, showing that the volunteer has been examined and found to be free of tuberculosis in an infectious or contagious stage.

(k) The department shall maintain a file containing an up-to-date certificate for each volunteer.

(*l*) Employees from other state agencies, including, but not limited to, the State Department of Mental Health and the Department of Forestry and Fire Protection, who are assigned to work in an institution, as defined in subdivision (h) of Section 6006.5, or who are assigned to work with inmates or wards on a regular basis, as defined in the department's guidelines, shall comply with the following requirements:

(1) Receive an examination or test prior to assuming their duties and at least once a year thereafter, or more often if directed by the department, for as long as the employee remains skin-test negative.

(2) Receive a medical evaluation to determine the need for followup care and follow the department's guidelines for tuberculosis control if an employee has a documented positive skin test.

(3) Submit a signed certificate to the department prior to assuming his or her duties and annually thereafter, showing that the employee has been found to be free of tuberculosis in an infectious

or contagious state.

(4) Pursue followup care for tuberculosis infection or treatment for tuberculosis disease through the appropriate programs in their agency or department.

(m) The department shall offer the examinations, tests, or medical evaluations required pursuant to this chapter to employees of other state agencies or departments and may contract with a medical provider to administer the examinations, tests, or medical evaluations. Employees of other state agencies or departments who elect not to accept the department's offer shall obtain the examinations, tests, or medical evaluations from their personal health care provider at no cost to the department.

(n) The department shall maintain a file containing an up-to-date certificate for each employee from other state agencies who works in an institution.

SEC. 3. Section 11 of Chapter 932 of the Statutes of 1993 is repealed.

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

It is vital to the health and safety of inmates, wards, employees, and the general public to conduct appropriate examination, testing, and treatment to control the spread of communicable diseases in California's correctional system. In order to provide the inmates, wards, employees, and the public with immediate increased protection against the threat of communicable diseases within the state correctional system, it is necessary that this act take effect immediately.

An act to amend Sections 10133.1, 10145, 10232, and 10232.4 of the Business and Professions Code, to amend Section 2955 of the Civil Code, and to add Section 24058 to, and to add Division 20 (commencing with Section 50000) to, the Financial Code, relating to lending.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 10133.1 of the Business and Professions Code is amended to read:

10133.1. (a) Subdivisions (d) and (e) of Section 10131, Section 10131.1, Article 5 (commencing with Section 10230), Article 6 (commencing with Section 10237), and Article 7 (commencing with

Section 10240) and Section 1695.13 of the Civil Code do not apply to any of the following:

CHAPTER 2. LICENSING: RESIDENTIAL MORTGAGE LENDER

50120. (a) A residential mortgage lender shall file an application for licensure under this chapter with the commissioner to make or service residential mortgage loans in this state.

(b) No licensee shall engage in the business as a residential mortgage lender under a name other than the name that appears on the license, or a legally assumed name disclosed either in the application or in an amendment to the application, which shall be reflected on the license.

(c) No licensee shall make or service residential mortgage loans secured by real property pursuant to the authority of a license, or an exemption from licensure, under the Real Estate Law.

(d) No licensee shall conduct the business of making or servicing loans under this division within any office, room, or place of business in which any other business is solicited or engaged in, or in association or conjunction with any other business. The commissioner may exempt a licensee from this provision if the commissioner finds that the character of the other business is such that the granting of the authority would not facilitate evasions of this division or of the rules adopted pursuant to this division. An authorization shall remain in effect until revoked by the commissioner.

(e) A license for a business location outside this state may be issued if the licensee agrees in writing, and subject to the sole discretion of the commissioner, to either (1) make the licensee's books, accounts, papers, records, and files available to the commissioner or the commissioner's representatives in this state within 10 calendar days of any request from the commissioner or, (2) pay the reasonable expenses for travel, meals, and lodging of the commissioner or the commissioner's representatives incurred during any investigation or examination made at the licensee's location outside this state.

50121. The commissioner shall issue a license upon the satisfaction of all of the following:

(a) The filing with the commissioner of a complete and verified application for licensure.

(b) The filing as an exhibit to the application of a listing of material judgments filed against, and bankruptcy petitions filed by, the applicant for the preceding five years, and the disposition thereof.

(c) The payment of a nonrefundable investigation fee of one hundred dollars ($100), plus the cost of fingerprint processing and clearance, and an application filing fee of nine hundred dollars ($900).

(d) An investigation of the statements required by Section 50124 based upon which the commissioner is able to issue findings that the financial responsibility, criminal records (verified by fingerprint, at the discretion of the commissioner), experience, character, and

general fitness of the applicant and of the partners or members thereof, if the applicant is a partnership or association, and of the principal officers and directors thereof, if the license applicant is a corporation, support a finding that the business will be operated honestly, fairly, and in accordance with the requirements of this division.

50122. (a) The application for a residential mortgage lender license shall be in writing, executed under penalty of perjury, and verified on a form prescribed by the commissioner. If an applicant proposes to engage in business as a residential mortgage loan servicer as well as a residential mortgage lender, this information shall be set forth in the application. The commissioner may issue a license under this chapter to engage in business as a residential mortgage lender or to engage in business as a residential mortgage lender and residential mortgage loan servicer. A person filing an application under this chapter to engage in business as a residential mortgage lender and a residential mortgage loan servicer is not required to file an application under Chapter 3 (commencing with Section 50130) of this division.

(b) The application shall contain the name and complete business and residential address or addresses of the applicant. If the applicant is a partnership, association, corporation, or other entity, the application shall contain the names and complete business and residential addresses of each member, director, and principal officer thereof. The application also shall include a description of the activities of the applicant in the detail and for the periods that the commissioner may require, including all of the following:

(1) A statement of financial solvency, noting the net worth requirements and supported by an audited financial statement prepared by an independent certified public accountant, and access to the supporting credit information as required by this division.

(2) A statement that the applicant or its members, directors, or principals, as appropriate, are at least 18 years of age.

(3) Information as to the character, fitness, financial and business responsibility, background, experience, and criminal convictions of any of the following:

(C) Any person or entity that significantly influences or controls the management of the applicant.

(4) A description of any disciplinary action filed under any other license through which the person conducts its business.

(5) A description of any adverse judgments entered in court actions filed by borrowers based upon allegations of fraud, misrepresentation, or dishonesty in the conduct of the person's business.

(6) Other information as required by rule of the commissioner.

50123. (a) A license shall remain in effect until suspended, surrendered, or revoked.

(b) A licensee that ceases to engage in the business regulated by this division and desires to no longer be licensed shall inform the commissioner in writing and, at that time, surrender the license and all other indicia of licensure to the commissioner. The licensee shall file a plan for the withdrawal from regulated business, including a timetable for the disposition of the business and a closing audit performed by an independent certified public accountant. Upon receipt of the written notice and plan, the commissioner shall review the plan and, if satisfactory to the commissioner, shall accept the surrender of the license. A license is not surrendered until its tender is accepted in writing by the commissioner after a review, and a finding has been made on the licensee's plan required to be filed by this section, and a determination has been made that there is no violation of this law.

(c) A licensee may not surrender its license under this division and, under the authority of a real estate license, subsequently engage in residential mortgage lending or servicing activities that are subject to this division, unless the licensee has been licensed under this division for a period of five years or more.

50124. (a) A license application must be accompanied by an exhibit containing statements that the applicant agrees to do the following:

(1) To maintain staff adequate to meet the requirements of this division, as prescribed by rule or order of the commissioner.

(2) To keep and maintain for 60 months the business records and other information required by law or rules of the commissioner regarding any mortgage loan made or serviced in the course of the conduct of its business.

(3) To file with the commissioner any report required under law or by rule or order of the commissioner.

(4) To disburse funds in accordance with its agreements and to make a good faith and reasonable effort to effect closing in a timely manner.

(5) To account or deliver to a person any personal property such as money, funds, deposit, check, draft, mortgage, other document, or thing of value, that has come into its possession and is not its property, or that it is not in law or equity entitled to retain under the circumstances, at the time that has been agreed upon or is required by law, or, in the absence of a fixed time, upon demand of the person entitled to the accounting or delivery.

(6) To file with the commissioner an amendment to its application prior to any material change in the information contained in the application for licensure, including, without limitation, the plan of operation, or a proposal to open a branch office in this state or to change the business location or locations of the applicant or the branch offices of the applicant from which activities subject to this

division are conducted. The commissioner shall, within 20 business days of receiving a completed amendment to the application, or within a longer time if agreed to by the licensee, issue an order approving or disapproving the effectiveness of the proposed amendment.

(7) To comply with the provisions of this division, and with any order or rule of the commissioner.

(8) To submit to periodic examination by the commissioner as required by this division.

(9) To advise the commissioner by amendment to its application of any material judgment filed against, or bankruptcy petition filed by, the licensee within five days of the filing.

(b) The exhibit also shall contain a space for the applicant to attest that the applicant:

(1) Has complied with all applicable state and federal tax return filing requirements for the past three years or has filed with the commissioner an accountant's or attorney's statement as to why no return was filed.

(2) Has not committed a crime against the laws of any state or the United States, involving moral turpitude, misrepresentation, fraudulent or dishonest dealing, or fraud, and has disclosed to the commissioner any final judgment entered against it in a civil action upon grounds or allegations of fraud, misrepresentation, or deceit.

(3) Has not engaged in conduct that would be cause for denial of a license.

(4) Is not insolvent.

(5) Has acted with due care and competence in performing any act for which it is required to hold a license under this division.

(6) Any other matter as required by rule of the commissioner.

50125. The commissioner may refuse to issue a license if any of the following apply:

(a) The applicant is not in material compliance with a provision of this division or an order or rule of the commissioner.

(b) The commissioner cannot make the findings specified in subdivision (d) of Section 50121.

(c) A material requirement for issuance of a license has not been met.

50126. (a) Upon reasonable notice and opportunity to be heard, the commissioner may deny an application for any of the following reasons:

(1) A false statement of a material fact has been made in the application.

(2) Any officer, director, general partner, or person owning or controlling, directly or indirectly, 10 percent or more of the outstanding interests or equity securities of the applicant has, within the last 10 years, (A) been convicted of, or pleaded nolo contendere to, a crime or (B) committed any act involving dishonesty, fraud, or deceit, if the crime or act is substantially related to the qualifications, functions, or duties of a person engaged in business in accordance

with this division.

(3) The applicant or any officer, director, general partner, or person owning or controlling, directly or indirectly, 10 percent or more of the outstanding interests or equity securities of the applicant, has violated any provision of this division or the rules thereunder or any similar regulatory scheme of a foreign jurisdiction.

(b) The application shall be considered withdrawn within the meaning of this section if the applicant fails to respond to a written notification of a deficiency in the application within 90 days of the date of the notification.

(c) The commissioner shall, within 60 days from the filing of a full and complete application for a license, including the receipt of background and investigative reports from the Department of Justice or other government agencies, and the payment of the fees required by Section 50121, issue either a license or a statement of issues prepared in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

50127. The proceedings for a denial of a license shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the commissioner has all the powers granted therein.

CHAPTER 3. LICENSING: RESIDENTIAL MORTGAGE LOAN SERVICER

50130. (a) A mortgage servicer shall file an application for licensure under this chapter with the commissioner to service mortgage loans in this state by satisfying the requirements of this chapter and the applicable provisions, as determined by the commissioner, of Chapter 2 (commencing with Section 50120).

(b) A mortgage servicer may apply for licensure by doing all of the following:

(1) Filing with the commissioner an application containing the information required by Section 50122, and any additional information the commissioner may require by rule.

(2) Paying the investigation and application fees required by Section 50121.

(3) Submitting the statements required by Section 50124.

(4) Complying with the applicable provisions of Chapter 2 (commencing with Section 50120).

(c) No licensee shall make or service loans secured by real property pursuant to the authority of a license, or exemption from licensure, under the Real Estate Law.

(d) No licensee shall conduct the business of making or servicing loans under this division within any office, room, or place of business in which any other business is solicited or engaged in, or in association or conjunction with any other business. The commissioner may exempt a licensee from this provision if the

commissioner finds that the character of the other business is such that the granting of the authority would not facilitate evasions of this division or of the rules adopted pursuant to this division. An authorization shall remain in effect until revoked by the commissioner.

(e) A license for a business location outside this state may be issued if the licensee agrees in writing, and subject to the sole discretion of the commissioner, to either (1) make the licensee's books, accounts, papers, records, and files available to the commissioner or the commissioner's representatives in this state within 10 calendar days of any request from the commissioner or, (2) pay the reasonable expenses for travel, meals, and lodging of the commissioner or the commissioner's representatives incurred during any investigation or examination made at the licensee's location outside this state.

(f) The commissioner shall license a mortgage servicer upon completion of the investigation and issuance of the findings required by Section 50121, subject to Sections 50123, 50125, 50126, and 50127.

(g) A mortgage servicer licensed to service mortgage loans shall comply with all applicable requirements of California and federal law, including the Civil Code and Section 2609 of the Real Estate Settlement Procedures Act of 1974, as amended (12 U.S.C.A. Sec. 2601 et seq.).

(h) A license shall remain in effect until suspended, surrendered, or revoked.

CHAPTER 4. FINANCIAL CONDITION, TRANSACTION AND BOND REQUIREMENTS

50200. (a) At the end of the licensee's fiscal year, but in no case more than 12 months after the last audit conducted pursuant to this section, each residential mortgage licensee shall cause its books and accounts to be audited by an independent certified public accountant. Beginning with all audits of business conducted after December 31, 1995, the audit shall be sufficiently comprehensive in scope to permit the expression of an opinion on the financial statements prepared in accordance with generally accepted accounting principles and shall be performed in accordance with generally accepted auditing standards. The audit shall include a reconciliation of the licensee's trust accounts as of the audit date.

(b) "Expression of an opinion" includes (1) an unqualified opinion, (2) a qualified opinion, (3) a disclaimer of opinion, or (4) an adverse opinion. If a financial statement, report, certificate, or opinion of the independent certified public accountant is in any way qualified, the commissioner may require the licensee to take any action that the commissioner deems appropriate to address the qualification. The commissioner may reject any financial statement, report, certificate, or opinion by notifying the licensee or other person required to make the filing of the rejection and the reason

therefor. Within 30 days after the receipt of the notice, the licensee or other person shall correct the deficiencies. Failure to correct the deficiencies is a violation of this division. The commissioner shall retain a copy of all financial statements, reports, certificates, or opinions so rejected.

(c) If a qualified or adverse opinion is expressed or if an opinion is disclaimed, the reasons therefor must be fully explained.

(d) The audit report shall be filed with the commissioner within 105 days of the end of the licensee's fiscal year. The report filed with the commissioner shall be certified by the certified public accountant conducting the audit. The commissioner may promulgate rules regarding late audit reports.

(e) If a licensee required to make an audit fails to cause an audit to be made, the commissioner may cause the audit to be made by an independent certified public accountant at the licensee's expense. The commissioner shall select the independent certified public accountant by advertising for bids or by other fair and impartial means that the commissioner establishes by rule. The commissioner may summarily revoke the license of a licensee who fails to file a certified financial statement prepared by an independent certified public accountant as required by this division or at the request of the commissioner.

(f) Audits conducted in accordance with the uniform single audit procedures of the United States Department of Housing and Urban Development may be submitted in fulfillment of the requirements of this section.

(2) Refunds to the borrower.

(3) Transfer to another institution that is described in this

subdivision (b).

(4) Forwarding to the appropriate servicer in case of a transfer of servicing.

(5) Any other purpose authorized by the residential mortgage loan contract.

(6) Compliance with a regulatory or court order.

(c) As used in this section, "trust funds" means funds collected by a licensee in connection with the making or servicing of a residential mortgage loan that the licensee holds on behalf of another.

(d) Notwithstanding any other provision of law, but subject to the limitations of Section 854, benefits accruing from the placement in a non-interest bearing account of a commercial bank (including a national banking association) of funds received by a licensee who services mortgage loans under this law, shall inure to the licensee, unless otherwise agreed in writing by the licensee and the investor on whose behalf the licensee services the loan. A borrower shall receive at least 2 percent simple interest per annum on impound account payments covered by Section 2954.8 of the Civil Code.

(e) Trust funds are not subject to the enforcement of a money judgment arising out of any claim against the licensee or person acting as the servicing agent, and in no instance shall the trust funds be considered or treated as an asset of the licensee or person performing the functions of a residential mortgage lender or loan servicer.

50203. (a) A licensee may not require a borrower to pay fees or charges prior to the residential mortgage loan closing, except for:

(1) Actual charges to be incurred by the licensee on behalf of the borrower for services from third parties necessary to process the application, such as credit reports, appraisals, flood certification, and tax service, and in transactions where these services are provided by the licensee, a charge not to exceed the prevailing market rate for the service.

(ii) The principal amount of the mortgage loan, the term of the mortgage loan, and identification of the property.

(iii) The initial interest rate and the discount (points) to be paid.

(iv) The amount and payment term of the rate-lock fee along with a statement disclosing whether the fee is refundable and the terms and conditions necessary to obtain a refund.

(C) The licensee demonstrates to the commissioner that it is able to perform under the terms of the agreement.

(4) A commitment fee, upon approval of the residential mortgage loan application, provided:

(A) The commitment is in writing and signed by the licensee and

the borrower.

(B) The commitment contains all of the following information:

(i) The terms and conditions of the residential mortgage loan.

(ii) The terms and conditions of the commitment, including, but not limited to, all of the following:

(I) The time period during which the commitment is irrevocable and may be accepted by the borrower, which may not be less than three calendar days from the date of commitment or the date of mailing, whichever is later.

(II) The amount and payment terms of the commitment fee, along with a statement disclosing whether the fee is refundable and the terms and conditions necessary to obtain a refund.

(III) The expiration date of the commitment.

(IV) Conditions precedent to closing.

(b) If the licensee has performed its obligations under the law related to the transaction, fees or charges collected pursuant to this section, other than those collected pursuant to paragraphs (1) and (2) of subdivision (a), shall be refunded if a valid commitment or closing, respectively, does not occur, except that the licensee may retain appropriate fees upon the licensee's demonstration to the commissioner that any of the following occurred:

(1) The borrower withdrew the loan application.

(2) The borrower made a material misrepresentation or omission on the loan application.

(3) The borrower failed, after written request, to provide documentation necessary to the processing or closing of the loan application.

(4) The closing did not occur through any fault of the lender.

50204. A licensee may not do any of the following:

(a) Knowingly provide or offer to provide for a borrower, mortgage lending services under an arrangement with an entity other than a licensee or an exempt person or entity.

(b) Disburse the mortgage loan proceeds in any form other than direct deposit to the borrower's or borrower's designee's account, wire, bank or certified check, ACH funds transfer, or attorney's check drawn on a trust account. An entity may apply to the commissioner for a waiver of the requirements of this subdivision by demonstrating, in a letter application, that it has adopted or will adopt another method of disbursement of loan proceeds that will satisfy the purposes of this subdivision.

(c) Fail to disburse funds in accordance with a commitment to make a mortgage loan that is accepted by the applicant.

(d) Accept fees at closing that are not disclosed to the borrower on the federal HUD-1 Settlement Statement.

(e) Commit any act in violation of Section 2941 of the Civil Code.

(f) Obtain or induce an agreement or other instrument in which blanks are left to be filled in after execution.

(g) Intentionally delay closing of a mortgage loan for the sole purpose of increasing interest, costs, fees, or charges payable by the

borrower.

(h) Engage in fraudulent home mortgage underwriting practices.

(i) Make payment of any kind, whether directly or indirectly, to an in-house or fee appraiser of a government or private money lending agency, with which an application for a home mortgage has been filed, for the purpose of influencing the independent judgment of the appraiser with respect to the value of real estate that is to be covered by the home mortgage.

(j) Engage in any acts in violation of Section 17200 or 17500 of the Business and Professions Code.

(k) Knowingly misrepresent, circumvent, or conceal, through subterfuge or device, any material aspect or information regarding a transaction to which it is a party.

(n) Commit any act in violation of Section 1695.13 of the Civil Code.

(o) Make or service a loan that is not a residential mortgage loan under the authority of the license.

50205. (a) A licensee shall maintain a surety bond in accordance with this subdivision. The bond shall be used for the recovery of expenses, fines, and fees levied by the commissioner in accordance with this division or for losses or damages incurred by borrowers or consumers as the result of a licensee's noncompliance with the requirements of this division. The bond shall be payable when the licensee fails to comply with a provision of this division and shall be in an amount of one hundred thousand dollars ($100,000). The bond shall be payable to the commissioner and issued by an insurance company authorized to do business in this state. A copy of the bond, including any and all riders and endorsements executed subsequent to the effective date of the bond, shall be filed with the commissioner for review and approval prior to execution and filed with the commissioner within 10 days of its execution.

(b) When an action is commenced on a licensee's bond, the commissioner may require the filing of a new bond. Immediately upon the recovery of any action on the bond, the licensee shall file a new bond. Failure to file a new bond within 10 days of the recovery on a bond, or within 10 days after notification by the commissioner that a new bond is required, constitutes sufficient grounds for the suspension or revocation of the license.

50206. (a) Prior to a change of control of the business of a licensee, the person wishing to acquire control shall submit a written application to the commissioner and pay an investigation fee of one hundred dollars ($100). The application shall contain the information that the commissioner, by rule, may prescribe as necessary to determine that the person meets the requirements of

Section 50121.

(b) The commissioner shall approve or disapprove the proposed change of control of a licensee in accordance with the provisions of Section 50126.

(c) Upon notification by the commissioner that the change of control has been disapproved, the acquiring party shall immediately cease any activity subject to regulation under this division.

50207. (a) A license, along with any currently effective order of the commissioner approving use of a different name pursuant to Sections 50120 and 50130, shall be conspicuously posted in the place of business authorized by the license.

(b) A license is not transferable or assignable. A license issued to a partnership or a limited partnership is not transferred or assigned within the meaning of this section by the death, withdrawal, or admission of a partner, general partner, or limited partner, unless the death, withdrawal, or admission dissolves the partnership to which the license was issued.

50208. The license shall state the name of the licensee. If the licensee is a partnership, the license shall state the names of its general partners. If the licensee is a corporation or an association, the license shall state the date and place of the corporation's incorporation or organization and the address of the licensee's principal business location. The license shall state whether the licensee is licensed as a residential mortgage loan lender or servicer.

CHAPTER 5. ADMINISTRATION AND POWERS OF THE COMMISSIONER

50301. Without limitation, the functions, powers, and duties of the commissioner include the following:

(a) To issue or refuse to issue a license as provided by this division.

(b) To revoke or suspend for cause any license as provided by this division.

(c) To keep records of licenses issued under this division.

(d) To receive, consider, investigate, and act upon complaints made in connection with a licensee.

(e) To prescribe the forms of and receive (1) applications for licenses and (2) reports and books and records required to be made by a licensee under this division, including annual audited financial statements.

(f) To subpoena documents and witnesses and compel their attendance and production, to administer oaths, and to require the production of books, papers, or other materials relevant to any inquiry authorized by this division.

(g) To require information with regard to a license applicant that the commissioner may deem necessary, with regard for the paramount public interest in ascertaining the experience, background, honesty, truthfulness, integrity, and competency of the license applicant for financial transactions involving primary or

subordinate mortgage financing, and if the license applicant is an entity other than an individual, in ascertaining the honesty, truthfulness, integrity, and competency of an officer or director of the corporation, association, or other entity, or the members of a partnership.

(h) To enforce by order any provision of this division.

(i) To levy fees, fines, and charges in an amount sufficient to cover the cost of the services performed in administering this division, as set forth by rule.

(j) To appoint examiners, supervisors, experts, and special assistants as needed to effectively and efficiently administer this division.

50302. (a) Commencing June 30, 1996, and as often as the commissioner deems necessary and appropriate, but at least once every 24 months, the commissioner shall examine the affairs of each licensee for compliance with this division. The commissioner may, as the commissioner deems necessary and appropriate, conduct an examination of the affairs of a licensee prior to June 30, 1996. The commissioner shall appoint suitable persons to perform the examination. The commissioner and his or her appointees may examine the books, records, and documents of the licensee, and may examine the licensee's officers, directors, employees, or agents under oath regarding the licensee's operations. The commissioner may cooperate with any agency of the state or federal government, other states, agencies, the federal national mortgage association, or the federal home loan mortgage corporation. The commissioner may accept an examination conducted by one of these entities in place of an examination by the commissioner under this law, unless the commissioner determines that the examination does not provide information necessary to enable the commissioner to fulfill his or her responsibilities under this division.

(b) The commissioner shall provide a written statement of the findings of the examination, issue a copy of that statement to each licensee's principals, officers, or directors, and take appropriate steps to ensure correction of any violations of this division.

(c) Affiliates of a licensee are subject to examination by the commissioner on the same terms as the licensee, but only when reports from, or examination of, a licensee provides documented evidence of unlawful activity between a licensee and affiliate benefiting, affecting, or arising from the activities regulated by this division.

(d) The licensee shall pay, and the commissioner shall assess, the reasonable expenses of a nonroutine regulatory examination of the licensee and affiliates.

(e) The statement of the findings of an examination shall belong to the commissioner and shall not be disclosed to anyone other than the licensee, law enforcement officials, or other state or federal regulatory agencies for further investigation and enforcement. Reports required of licensees by the commissioner under this

division and results of examinations performed by the commissioner under this division are the property of the commissioner.

50303. Neither the commissioner nor any employee of the Department of Corporations shall be precluded from obtaining a residential mortgage loan from a lender licensed under this division, subject to the rules that may be adopted hereunder or pursuant to other proper authority.

50304. The commissioner may, from time to time, make, amend, and rescind the rules, forms, and orders that are necessary to carry out the provisions of this law, including rules and forms governing applications and reports, and defining any terms, whether or not used in this law, provided that the definitions are consistent with the provisions of this law. For the purposes of rules and forms, the commissioner may classify loans, persons, and matters within the jurisdiction of the commissioner, and may prescribe different requirements for different classes. The commissioner may, in his or her discretion, waive a requirement of a rule or form if, in the opinion of the commissioner, the requirement is not in the public interest or necessary for the protection of borrowers or investors.

50305. Upon written request from the commissioner, a licensee shall forward authorization to release workpapers of the licensee's independent auditor to the commissioner within two business days of receiving the request.

50306. The commissioner may order a licensee that opens a branch office in this state or changes its business location or its locations from which activities subject to this law are conducted, without first obtaining the approval of the commissioner, to forfeit to the people of the state up to one hundred dollars ($100) each day for the first 10 days and ten dollars ($10) for each day thereafter during which the branch office or changed location is maintained without authority.

50307. (a) Each licensee shall file a report with the commissioner annually, on or before the first day of March, giving the relevant information that the commissioner reasonably requires to make the calculation required by subdivision (a) of Section 50401. The report shall be made under oath and in the form prescribed by the commissioner.

(b) A licensee shall make any other special reports to the commissioner that the commissioner may, from time to time, require.

(c) If any person subject to this division fails to make a report required by law or by the commissioner, the commissioner may immediately cause the books, records, papers, and affairs of that person to be thoroughly examined.

50308. If any person engaged in the business regulated by this division refers in any advertising to rates of interest, charges, or costs of loans, the commissioner shall require that they are stated fully and clearly in the manner that he or she deems necessary to give adequate information to prospective borrowers. If the rates or costs

advertised do not apply to loans of all classes made or negotiated by that person, this fact shall be clearly indicated in the advertisement. Compliance with the requirements of the federal Truth in Lending Act and Regulation Z promulgated thereunder is presumed to satisfy the requirements of this section.

50309. The commissioner may require licensees to maintain a file of all advertising copy for a period of 90 days from the date of its use. The file shall be available to the commissioner upon request.

50310. Nothing in this law shall preclude a person whose license has been suspended or revoked, summarily or otherwise, from continuing to service residential mortgage loans pursuant to servicing contracts in existence at the time of the suspension for a reasonable transition period, as determined by the commissioner, after the date of the entry of the final decision in the case suspending or revoking the license.

50311. Nothing in this law shall preclude a person whose license has been suspended or revoked, summarily or otherwise, from making a residential mortgage loan pursuant to a commitment issued by that person prior to the suspension or revocation. A prospective borrower who received a commitment issued by a person whose license has been suspended or revoked may, prior to the closing of the loan, terminate the commitment and receive a refund of all money paid to that person.

50312. The commissioner, in his or her discretion, may honor requests from interested persons for interpretive opinions.

50313. In any proceeding under this law, the burden of proving an exemption or an exception from a definition is upon the person claiming it.

50314. (a) Every person subject to this division shall keep documents and records that will properly enable the commissioner to determine whether the residential mortgage lending or residential mortgage loan servicing functions performed by that person comply with the provisions of this division and with all rules and orders made by the commissioner under this division. Upon request of the commissioner, residential mortgage lenders and residential mortgage loan servicers shall file an authorization for disclosure to the commissioner of financial records of the licensed business pursuant to Section 7473 of the Government Code.

(b) The business documents and records of every residential mortgage lender or residential mortgage loan servicer, whether required to be licensed under this division or not, are subject to inspection and examination by the commissioner at any time without prior notice. The provisions of this subdivision shall not apply to persons specified in subdivision (f) of Section 50003.

Any person subject to this division shall, upon request and within the time specified in the request, allow inspection and copying of any documents and records by the commissioner or his or her authorized representative.

(c) The cost of every nonroutine inspection and examination of a

licensee or other person subject to this division shall be paid to the commissioner by the licensee or person examined, and the commissioner may maintain an action for the recovery of these costs in any court of competent jurisdiction. In determining the cost of a nonroutine inspection or examination, the commissioner may use the estimated average hourly cost, including overhead, for all persons performing inspections or examinations of licensees or other persons subject to this division for the fiscal year.

For the purpose of this subdivision only, no person other than a licensee shall be deemed to be a person subject to this division unless and until the person is determined to be a person subject to this division by an administrative hearing in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, or by a judicial hearing in any court of competent jurisdiction.

(d) Investigation and examination reports prepared by the commissioner's duly designated representatives are not public reports. Those reports may be disclosed to the officers or directors of a licensee that is the subject of the report for the purpose of corrective action by the officers or directors. Such a disclosure shall not operate as a waiver of the exemption specified in subdivision (d) of Section 6254 of the Government Code.

50315. (a) The commissioner may refer the evidence that is available concerning any violation of this law or of any rule or order adopted under this division to the district attorney of the county in which the violation occurred. The district attorney may, with or without the commissioner's referral, institute criminal proceedings under this law. The commissioner and his or her counsel, deputies, or assistants may, upon request of the district attorney, assist the district attorney in presenting the law or facts at the trial.

(b) After an examination, investigation, or hearing under this division, if the commissioner deems it of public interest or advantage, he or she may certify a record to the proper prosecuting official of the county or city in which the act complained of, examined, or investigated occurred.

50316. (a) For any licensee, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any action substantially related to the activity regulated under this law may be a ground for disciplinary action by the commissioner. A certified copy of the record of the disciplinary action taken against a licensee by another state, any agency of the federal government, or another country shall be conclusive evidence of the events related therein.

(b) Nothing in this section shall preclude the commissioner from applying a specific statutory provision in this division providing for discipline against a licensee as a result of disciplinary action taken against a licensee by another state, an agency of the federal government, or another country.

50317. (a) Any person who has been convicted of, or pleaded

nolo contendere to any crime specified in subdivision (b) within the past 10 years or has been held liable in any civil action by final judgment or any administrative judgment by any public agency within the past seven years, of any of the provisions specified in subdivision (b), shall not serve as an officer, director, partner, shareholder controlling 10 percent or more of the ownership interests, trustee, or employee of a residential mortgage lender or residential mortgage loan servicer. This subdivision shall not apply to any person whose office, employment, ownership interest, or other participation in the business of a licensed residential mortgage lender or residential mortgage loan servicer commenced prior to January 1, 1995, or whose criminal conviction, plea, or judgment occurred prior to January 1, 1995.

(b) Subdivision (a) applies to criminal convictions of, pleas of nolo contendere to, or civil or administrative judgments entered for offenses including the following:

(1) Offenses specified in Chapter 18 (commencing with Section 3350) of Division 1.

(2) Offenses specified in Article 4 (commencing with Section 5300) of Chapter 1 of Division 2.

(3) Offenses specified in Article 8 (commencing with Section 14750) of Chapter 4 of Division 5.

(4) Offenses specified in Chapter 7 (commencing with Section 17700) of Division 6.

(5) Offenses specified in Chapter 6 (commencing with Section 18435) of Division 7.

(6) Offenses specified in provisions of the laws of the United States added or amended by the federal Financial Institutions Reform, Recovery and Enforcement Act of 1989 (Public Law 101-73).

(7) Offenses involving robbery, burglary, theft, embezzlement, fraud, fraudulent conversion or misappropriation of property, forgery, bookmaking, receiving stolen property, counterfeiting, extortion, checks, credit cards, or computer violations specified in Section 502 of the Penal Code. For the purpose of this section, but not Section 50318, an offense does not include a conviction for which the person has obtained a certificate of rehabilitation from a court of competent jurisdiction under Section 1203.4 or 4852.13 of the Penal Code or a similar certificate of rehabilitation obtained in a foreign jurisdiction.

(c) On and after January 1, 1995, any officer, director, or other person who seeks a controlling ownership interest of 10 percent or more in the business of a licensed residential mortgage lender or residential mortgage loan servicer shall, as a condition to obtaining that interest or participation, authorize the commissioner to have access to that person's state summary criminal history information, as defined in Section 11105 of the Penal Code, for purposes of determining whether the person has a prior conviction of, or pleaded nolo contendere to, a criminal offense specified in subdivision (b).

(d) Any state summary criminal history information obtained pursuant to this section shall be kept confidential and no recipient shall disclose the contents other than for the purpose of acquisition of an ownership interest in or other participation in the business of a licensed residential mortgage lender or residential mortgage loan servicer.

(e) Any person who knowingly violates subdivision (a), including, but not limited to, any residential mortgage lender or residential mortgage loan servicer who permits an ownership interest in or other participation in the business of a residential mortgage lender or residential mortgage loan servicer in violation of subdivision (a) shall, upon conviction, be subject to punishment as set forth in Section 50500.

(f) Nothing in this section shall be construed to permit the reinstatement of any person barred by the commissioner pursuant to Section 50320 nor to prohibit the commissioner from bringing any action pursuant to Section 50320.

(g) If any provision of this section or the application of this section to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(h) For purposes of this section, the term "employee" means (1) a loan officer or other individual who negotiates agreements with the public, or (2) an individual with access to or responsibility for trust funds held by the licensee.

50318. (a) The commissioner may, after appropriate notice and opportunity for hearing, by order censure or suspend for a period not exceeding 12 months, or bar from any position of employment, management, or control any residential mortgage lender or residential mortgage loan servicer, or any other person, if the commissioner finds either of the following:

(1) That the censure, suspension, or bar is in the public interest and that the person has committed or caused a violation of this division or rule or order of the commissioner, and (A) the violation was either known or should have been known by the person committing or causing it, or (B) the violation has caused material damage to the residential mortgage lender, residential mortgage loan servicer, or to the public.

(2) That the person (A) has been convicted of or pleaded nolo contendere to any crime, or (B) has been held liable in any civil action by final judgment, or any administrative judgment by any public agency, if that crime or civil or administrative judgment involved any offense specified in subdivision (b) of Section 50317, or any other offense reasonably related to the qualifications, functions, or duties of a person engaged in the business in accordance with the provisions of this division.

(b) Within 15 days from the date of a notice of intention to issue an order pursuant to subdivision (a), the person may request a

hearing under the Administrative Procedure Act (Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code). Upon receiving a request, the matter shall be set for hearing to commence within 30 days after receipt unless the person subject to this division consents to a later date. If no hearing is requested within 15 days after the mailing or service of the notice and none is ordered by the commissioner, the failure to request a hearing shall constitute a waiver of the right to a hearing.

(c) Upon receipt of a notice of intention to issue an order pursuant to this section, the person who is the subject of the proposed order is immediately prohibited from engaging in any activities subject to licensure under the law.

(d) Persons suspended or barred under this section are prohibited from participating in any business activity of a licensed residential mortgage lender or residential mortgage loan servicer and from engaging in any business activity on the premises where a licensed residential mortgage lender or residential mortgage loan servicer is conducting its business. This subdivision shall not be construed to prohibit suspended or barred persons from having their personal transactions processed by a licensed residential mortgage lender or residential mortgage loan servicer.

(e) This section shall apply to any violation, conviction, plea, or judgment after the enactment of this section.

(f) If any provision of this section or the application of this section to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(g) For purposes of this section, the term "employee" means (1) a loan officer or other individual who negotiates agreements with the public, or (2) an individual with access to or responsibility for trust funds held by the licensee.

50319. (a) If the commissioner, as a result of any examination or from any report made to him or her, shall find that any person subject to this division is in an insolvent condition, is conducting business in an unsafe or injurious manner that renders further operations hazardous to the public or to customers, has failed to comply with the provision of Section 50317, has permitted its tangible net worth to be lower than the minimum required by law, or has failed to comply with the bonding requirements of Section 50205, the commissioner may, by an order addressed to and served by registered or certified mail, or by personal service on that person, and on any other person having in his or her possession or control any trust funds or other property deposited in escrow with that person, direct discontinuance of the disbursement, in whole or in part, of trust funds held by the licensee and order the establishment of a separate trust account for all subsequent trust funds received by the licensee. No person having in his or her possession any of these funds or documents shall be liable for failure to comply with the order

unless he or she has received written notice of the order. Subject to subdivision (b), the order shall remain in effect until set aside by the commissioner, or the person has been adjudged bankrupt.

(b) Within 15 days from the date of an order pursuant to subdivision (a), the person may request a hearing under the Administrative Procedure Act (Chapter 5 (commencing with Section 11500) of Part 2 of Division 3 of Title 2 of the Government Code). Upon receiving a request, the matter shall be set for hearing to commence within 30 days after the receipt unless the person subject to this division consents to a later date. If no hearing is requested within 15 days after the mailing or service of the notice and none is ordered by the commissioner, the failure to request a hearing shall constitute a waiver of the right to a hearing. Neither the request for a hearing nor the hearing itself shall stay the order issued by the commissioner under subdivision (a).

50320. Whenever, in the opinion of the commissioner, any person, is engaged, either actually or through subterfuge, in the business of making residential mortgage loans or servicing residential mortgage loans without a license from the commissioner, the commissioner may order that person to desist. If, within 30 days after an order is served, a request for a hearing is filed in writing and the hearing is not held within 60 days of the filing, the order is rescinded. This section does not apply to persons exempted under subdivision (f) of Section 50003.

50321. If, after investigation, the commissioner has reasonable grounds to believe that any licensee has violated its articles of incorporation or any law or rule binding upon it, the commissioner shall, by written order addressed to the licensee, direct the discontinuance of the violation. The order shall be effective immediately, but shall not become final except in accordance with the provisions of Section 50323.

50322. If, after investigation, the commissioner has reasonable grounds to believe that any licensee is conducting business in an unsafe or injurious manner, the commissioner shall, by written order addressed to the licensee, direct the discontinuance of the unsafe or injurious practices. The order shall be effective immediately, but shall not become final except in accordance with the provisions of Section 50323.

50323. (a) No order issued pursuant to Section 50321 or 50322 may become final except after notice to the affected licensee of the commissioner's intention to make the order final and of the reasons for the finding. The commissioner shall also notify the licensee that upon receiving a request the matter will be set for hearing to commence within 15 business days after receipt. The licensee may consent to have the hearing commence at a later date. If no hearing is requested within 30 days after the mailing or service of the required notice, and none is ordered by the commissioner, the order may become final without hearing and the licensee shall immediately discontinue the practices named in the order. If a

hearing is requested or ordered, it shall be held in accordance with the provisions of the Administrative Procedure Act (Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code), and the commissioner shall have all of the powers granted under that act. If, upon the hearing, it appears to the commissioner that the licensee is conducting business in an unsafe and injurious manner or is violating its articles of incorporation or any law of this state, or any rule binding upon it, the commissioner shall make the order of discontinuance final and the licensee shall immediately discontinue the practices named in the order.

(b) The licensee has 10 days after an order is made final to commence an action to restrain enforcement of the order. If the enforcement of the order is not enjoined within 10 days by the court in which the action is brought, the licensee shall comply with the order.

50324. (a) If, after investigation, the commissioner has reasonable grounds to believe that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of this division or any rule or order hereunder, the commissioner may, bring an action to enjoin the acts or practices or to enforce compliance with this law or any rule or order hereunder. The action shall be brought in the name of the people of the State of California in the superior court. Upon a proper showing, a permanent or preliminary injunction, restraining order, or writ of mandate shall be granted. A receiver, monitor, conservator, or other designated fiduciary or officer of the court, which may include the commissioner, may be appointed for the defendant or the defendant's assets. Any other ancillary relief may be granted as appropriate.

A receiver, monitor, conservator, or other designated fiduciary or officer of the court appointed by the superior court pursuant to this section may, with the approval of the court, exercise any or all of the powers of the defendant's officers, directors, partners, trustees, or persons who exercise similar powers and perform similar duties. The powers include the filing of a petition for bankruptcy. No action at law or in equity may be maintained by any party against the commissioner, or a receiver, monitor, conservator, or other designated fiduciary or officer of the court, by reason of their exercising these powers or performing these duties pursuant to the order of, or with the approval of, the superior court.

(b) If the commissioner determines it is in the public interest, the commissioner may include in any action authorized by subdivision (a) a claim for ancillary relief. The ancillary relief may include, but not be limited to, restitution or disgorgement or damages on behalf of the persons injured by the act or practice constituting the subject matter of the action. The court shall have jurisdiction to award additional relief.

50325. The commissioner may immediately revoke the residential mortgage lender's or residential mortgage loan servicer's

license if the licensee fails to comply with any order issued under Section 50318, 50319, 50321, 50322 or 50503. The commissioner shall not revoke the license if, within 10 days from the effective date of the revocation order, the licensee secures a court order restraining the enforcement of the commissioner's order.

50326. If any licensee fails to do any of the following, the licensee shall forfeit to the people of the state a sum of up to one hundred dollars ($100) for every day up to the 10th day: (a) to make any report required by law or by the commissioner within 10 days from the day designated for the making of the report, or within any extension of time granted by the commissioner, or (b) fails to include therein any matter required by law or by the commissioner. Thereafter, any failure shall constitute grounds for the suspension or revocation of the license held by the residential mortgage lender or residential mortgage loan servicer.

50327. (a) The commissioner may, after notice and a reasonable opportunity to be heard, suspend or revoke any license if the commissioner finds that: (1) the licensee has violated any provision of this division or any rule or order of the commissioner thereunder; or (2) any fact or condition exists that, if it had existed at the time of the original application for the license, reasonably would have warranted the commissioner in refusing to issue the license originally.

(b) The power of investigation and examination by the commissioner is not terminated by the surrender, suspension, or revocation of any license issued by him or her.

50328. Except in the case of an exempt person, whenever the commissioner deems it to be necessary for the public interest, the commissioner has continuous authority to exercise the powers set forth in this division. These powers may be exercised whether or not an application for a license has been filed with the commissioner, any license has been issued, or if issued, has been surrendered, suspended, or revoked.

50329. (a) In making an investigation or examination authorized by this division, the commissioner may, for a reasonable time not exceeding 30 days, control access to any documents and records of the licensee pertaining to the business of any residential mortgage lender or residential mortgage loan servicer. The commissioner may place a keeper in exclusive charge of the documents and records in the place where they are usually kept. During the period of control, no director, officer, partner, or employee shall remove or attempt to remove any of the documents except pursuant to a court order or with the consent of the commissioner. However, the directors, officers, partners, and employees of the residential mortgage lender or residential mortgage loan servicer may examine the documents or records. The licensee's employees shall be permitted to make entries in the documents or records to reflect current transactions. Unless the commissioner has reasonable grounds to believe the documents or records of the licensee have been, or are at risk of being altered

or destroyed for purposes of concealing a violation of this division, the licensee shall have access to the documents or records as necessary to conduct its ordinary business affairs.

(b) For the purpose of any investigation, examination, or proceeding under this division, the commissioner or any officer designated by the commissioner may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any documents or records that the commissioner deems relevant.

(c) In case of refusal to obey a subpoena issued to a director, officer, partner, or employee of a licensee, the superior court may issue an order requiring that person to appear before the commissioner. When before the commissioner, the director, officer, partner, or employee shall produce documentary evidence or give evidence on the matter under investigation. Failure to obey the order of the court may be punished by the court as contempt.

(d) No person is excused from testifying or from producing any document or record before the commissioner, on the ground that the testimony or evidence required by the commissioner may tend to incriminate the person or subject him or her to a penalty or forfeiture. However, no individual may be penalized for any matter concerning which he or she is compelled to testify or produce evidence, after validly claiming the privilege against self-incrimination. However, individual testimony is not exempt from prosecution and punishment for perjury or contempt committed in testifying.

50330. The authority to make or conduct any examination or investigation may be delegated by the commissioner to any deputy, investigator, examiner, or auditor appointed for that purpose. An individual appointed by the commissioner for this purpose may administer oaths and subpoena witnesses, and take their testimony. The appointment shall be made by an instrument in writing signed by the commissioner. Upon any examination or investigation, the instrument shall be produced by the appointed individual at any time upon demand.

50331. All hearings provided for in this division shall be conducted in accordance with the provisions of Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code. The commissioner has all the powers granted therein.

50332. Every order, decision, license, or other official act of the commissioner is subject to review, in accordance with law.

CHAPTER 6. ASSESSMENTS

50400. The commissioner has the authority to levy assessments for the support of this part as provided for in this chapter.

50401. (a) In addition to other fees and reimbursements required to be paid under this division, each licensee shall pay to the

commissioner an amount equal to the greater of: (1) its pro rata share of all costs and expenses (including routine regulatory examinations, overhead, and the maintenance of a prudent reserve of at least 90 days' costs and expenses) that the commissioner reasonably expects to incur in the next fiscal year in the administration of this division and not otherwise recovered by the commissioner under this division or from the State Corporations Fund, plus any deficit or less any surplus actually incurred during the current fiscal year; or (2) five hundred dollars ($500). The pro rata share shall be the sum of: (A) a number derived from the ratio of the aggregate principal amount of the mortgage loans secured by residential real property originated by the licensee to all mortgage loans secured by residential real property originated by all licensees under this division, as shown by the annual financial reports to the commissioner, which number is then multiplied by one-half of the costs and expenses estimated by the commissioner for the next fiscal year; plus (B) a number derived from the ratio of the average value of mortgage loans secured by residential real property serviced by a licensee to the average value of all mortgage loans secured by residential real property serviced by all licensees under this division, as shown by the annual financial reports to the commissioner, which number is then multiplied by one-half of the costs and expenses estimated by the commissioner for the next fiscal year. For the purposes of this section, the "principal amount" of a mortgage loan means the initial total amount a borrower is obligated to repay the lender and the "average value" of loans serviced means the sum of the aggregate dollar value of all mortgage loans secured by residential real property serviced by a licensee, calculated as of the last day of each month in the calendar year just ended, divided by 12.

In order for the commissioner to calculate the assessment under this section, each licensee shall file an annual report for the calendar year just ended containing the information required by the commissioner on or before March 1 of the year in which the assessment is to be calculated.

The assessment shall be fixed by the commissioner by notice to all licensees on or before May 30 of each year, commencing with the assessment for the 1996–97 fiscal year.

In determining the amount assessed, the commissioner shall consider all appropriations from the State Corporations Fund for the support of this division and all reimbursements provided for under this division.

(b) In no case shall the reimbursement, payment, or other fee authorized by this section exceed the cost, including overhead, reasonably incurred in the administration of this division, and the maintenance of a prudent reserve of 90 days' costs and expenses.

(c) Notwithstanding subdivisions (a) and (b), the commissioner is authorized to levy a special assessment for the period of July 1, 1995, through June 30, 1996, to pay the costs and expenses, including overhead, and to provide a prudent reserve of 90 days' costs and

expenses, reasonably estimated by the commissioner to be incurred during the period of July 1, 1995, through June 30, 1996, as follows:

(1) The special assessment shall be calculated pursuant to the provisions of subdivision (a) of this section, based on the information filed by the licensee with the notice of intent to file an application described below.

(2) An applicant filing an application for licensure as a residential mortgage lender or for licensure as a residential mortgage loan servicer during the month of September 1995 shall have paid the application filing fee required by subdivision (c) of Section 50121 in the case of a residential mortgage lender, or the application filing fee required by paragraph (2) of subdivision (b) of Section 50130 in the case of a residential mortgage loan servicer at the time of filing the application, and shall have paid the special assessment calculated under this subdivision at the time the application is filed. These moneys shall be deposited into the State Corporations Fund. If the commissioner denies an application for licensure filed during the month of September 1995, the applicant is entitled to receive a ratable return on a monthly basis of the special assessment paid, commencing with the month after the month in which the application was denied. The commissioner shall pay the ratable return of the special assessment on the first business day of the next fiscal year.

An applicant who files a notice of intention to file an application for licensure as a residential mortgage lender or residential mortgage loan servicer, or filing an application for licensure as a residential mortgage lender or residential mortgage loan servicer, after September 30, 1995, and on or before June 30, 1996, shall comply with the provisions of paragraph (1), and shall be subject to the provisions of paragraph (2), of subdivision (c) of this section. However, an application for licensure as a residential mortgage lender or residential mortgage loan servicer filed after September 30, 1995, and on or before June 30, 1996, shall be processed on a first-filed, first-processed basis after all applications filed during the month of September 1995 have been processed.

A residential mortgage loan servicer shall not file an application for licensure during the month of September 1995, unless the residential mortgage loan servicer files with the Commissioner of Corporations, on or before March 1, 1995, a notice of intention to file an application as a residential mortgage servicer, accompanied by the application filing fee, and an annual unaudited financial report for calendar year 1994 meeting the requirements of Section 50401.

(d) Commencing in 1996, on or before the 30th day of May in each year, the commissioner shall notify each licensee by mail of the amount assessed and levied against it and that amount shall be paid within 20 days. If payment is not made within 20 days, the commissioner shall assess and collect a penalty, in addition to the assessment of 1 percent of the assessment for each month or part of a month that the payment is delayed or withheld.

(e) If a licensee fails to pay the assessment on or before the 30th day of June following the day upon which payment is due, the commissioner may by order summarily suspend or revoke the license issued to the licensee. An order issued under this section is not stayed by the filing of a request for a hearing. If, after an order is made, the request for hearing is filed in writing within 15 days from the date of service of the order and a hearing is not held within 60 days of the filing, the order is deemed rescinded as of its effective date. During any period when its license is revoked or suspended, a licensee shall not conduct business pursuant to this division except as may be permitted by further order of the commissioner. However, the revocation, suspension, or surrender of a license shall not affect the powers of the commissioner as provided in this division.

50402. Notwithstanding subdivision (a) of Section 50401, if the commissioner determines that the charges and assessments set forth in this division for any year are in excess of the amount necessary, or are insufficient, to meet the expenses of administration of this division for that year, the assessments and charges for the following year shall be adjusted on a pro rata basis in accordance with the percentage of the excess or insufficiency as related to the actual charges and assessments for the year for which the excess or insufficiency occurred, in order to recover the actual costs of administration and provide a prudent reserve of 90 days' costs and expenses.

CHAPTER 7. PROHIBITED PRACTICES AND PENALTIES

50500. Any person who willfully violates any provision of this division, or any rule or order under this division, shall, upon conviction, be subject to a fine of not more than ten thousand dollars ($10,000) or imprisonment in the state prison or in a county jail for not more than one year, or to both that fine and imprisonment. No person may be imprisoned for the violation of any rule or order unless he or she had knowledge of the rule or order. Conviction under this section shall not preclude the commissioner from exercising the authority provided in Section 50320.

50501. (a) Any person who violates a provision of this division, or any rule or order under this division, shall be liable for a civil penalty not to exceed two thousand five hundred dollars ($2,500) for each violation. This penalty shall be assessed and recovered in a civil action brought in the name of the people of the State of California by the commissioner in any court of competent jurisdiction.

(b) As applied to the penalties for acts in violation of this division, the remedies provided by this section and by other sections of this division are not exclusive, and may be sought and employed in any combination to enforce the provisions of this division.

50502. It is a violation of this division for any person to make any untrue statement of a material fact in any document filed with the commissioner under this division or rules adopted thereunder, or to

omit any material fact which is required to be stated in any document.

50503. (a) It is a violation for any person subject to this law or any director, partner, shareholder controlling an ownership interest of 10 percent or more, trustee, officer, agent, or employee of any such person to do any of the following:

(1) Knowingly or recklessly disburse or cause the disbursal of trust funds, except as permitted by Section 50202, or knowingly or recklessly to direct, participate in, or aid or abet in a material way, any activity that constitutes theft or fraud in connection with any trust fund transaction.

(2) Knowingly or recklessly make or cause to be made any misstatement or omission of a material fact, pertaining to a loan or loan servicing.

(b) Any director, officer, partner, shareholder controlling an ownership interest of 10 percent or more, trustee, or employee of a residential mortgage loan servicer who abstracts or misappropriates money, funds, trust obligations, or property deposited with a licensee, commits a violation of this section. If a violation results in a criminal conviction, the court shall, in addition to any other punishment imposed, order the person to make full restitution. Nothing in this section shall be deemed or construed to repeal, amend, or impair any existing provision of law prescribing a punishment for such an offense.

50504. (a) If any amount other than or in excess of the charges permitted by this division is willfully charged, contracted for, or received, the contract of loan is void, and no person has any right to collect or receive any principal, charges, or recompense in connection with the transaction.

(b) If any provision of this division is willfully violated in the making or collection of a loan, the contract of loan is void, and no person has any right to collect or receive any principal, charges, or recompense in connection with the transaction.

50505. Any person who violates any provision of the federal Real Estate Settlement Procedures Act, as amended (12 U.S.C.A. Sec. 2601 et seq.), or any regulation promulgated thereunder, violates this division.

50506. Any director, officer, partner, trustee, or employee of a licensee, its holding company, or its affiliates who knowingly receives or appropriates any of the licensee's property, other than in payment of a just demand or with intent to defraud, or who omits to make or causes an omission to be made in the full and true entry thereof in its books and accounts or concurs in omitting to make any material entry thereof, violates this division.

50507. Any director, officer, partner, trustee, or employee of a licensee, its holding company, or its affiliates who knowingly makes or concurs in making or publishing any false entry in its books or records, any written report, exhibit, or statement of its affairs or pecuniary condition containing any material statement which is

false, or having the custody of its books, willfully refuses or neglects to make any proper entry in the books as required by law or to allow the books to be inspected by the commissioner or his or her deputies or investigators, violates this division.

50508. Any director, officer, partner, trustee, or employee of a licensee, its holding company, or its affiliates who makes a false entry in any book or record of the business, or in connection with any transaction of the business, with intent to deceive any officer, director, or employee thereof, or any agent or examiner, employed or lawfully appointed to examine into its condition or any of its affairs or transactions, or to any public officer who has authority to examine into its affairs or transactions, or who, with like intent, omits to make a new entry of any matter particularly pertaining to the business property condition, or transactions of the entity in any document of the licensee, or who, with like intent, makes unavailable any document of the licensee made, written, or kept, or required to be made, written, or kept by him or her under his or her direction, violates this division.

50509. Any officer, director, partner, trustee, or employee of any entity who abstracts or misapplies any of the money, funds, or property of a licensee, or misapplies its credit, or abstracts or misapplies money, funds, trust obligations, or property deposited with a licensee, violates this division. If a violation results in a criminal conviction, the court shall, in addition to any other punishment imposed, order the person to make full restitution to the licensee. Nothing in this section shall be deemed or construed to repeal, amend, or impair any existing provision of law prescribing a punishment for such an offense.

50510. Nothing in this chapter shall be construed to authorize a criminal prosecution for a violation of a civil statute incorporated by reference into this division. Civil monetary penalties and fines shall not be imposed under this law for a violation of subdivision (e) or (j) of Section 50204 or Section 50505 if a licensee demonstrates that it has paid a civil monetary penalty or fine for the same act or transaction, as a violation of Section 17200 or 17500 of the Business and Professions Code, Section 2941 of the Civil Code, or provisions of the Real Estate Settlement Procedures Act (12 U.S.C.A. Sec. 2601 et seq.).

CHAPTER 8. OPERATION OF DIVISION

50601. This division shall become operative on January 1, 1996.

50602. This division is repealed on January 1, 1996, unless the following two conditions are met. First, the Commissioner of Corporations must receive, on or before March 1, 1995, from no fewer than 150 persons, a notice of intention to file an application for licensure as a residential mortgage lender or residential mortgage loan servicer, accompanied by the application filing fee and an annual financial report for calendar year 1994 that meets the requirements of subdivision (a) of Section 50401. Second, the

Legislature shall appropriate money for the implementation of this division to the Department of Corporations from Item 2180-001-067 of the 1995–96 Budget Act. If the above two conditions are not met, all persons who have paid fees or assessments under this division shall receive a refund prior to the date of repeal.

50603. (a) Any person who obtains a license after June 30, 1996, shall be subject to an assessment for the first 12 months of licensure equal to 150 percent of the assessment otherwise required under subdivision (a) of Section 50401. The commissioner may exempt a person from this requirement if the person can establish that the person would not have qualified for a license if the person had (1) submitted a notice of intent to file an application prior to March 1, 1995, and (2) submitted an application prior to September 30, 1995.

(b) This section is operative only until June 30, 1999, and on that date is repealed.

SEC. 8. Section 10133.1 of the Business and Professions Code, as amended by Section 1 of this act, Section 10145 of the Business and Professions Code, as amended by Section 2 of this act, Section 10232 of the Business and Professions Code, as amended by Section 3 of this act, Section 10232.4 of the Business and Professions Code, as amended by Section 4 of this act, and Section 24058 of the Financial Code, as amended by Section 6 of this act, shall become operative on January 1, 1996, only if the following two conditions are satisfied. First, the Commissioner of Corporations must receive, on or before March 1, 1995, from no fewer than 150 persons, a notice of intention to file an application for licensure as a residential mortgage lender or residential mortgage loan servicer, accompanied by the application filing fee and an annual financial report for calendar year 1994 that meets the requirements of subdivision (a) of Section 50401. Second, the Legislature shall appropriate money for the implementation of Division 20 (commencing with Section 50000) of the Financial Code, as added by this act, to the Department of Corporations from Item 2180-001-067 of the 1995–96 Budget Act. If the above two conditions are not met, the above listed sections shall not become operative as amended by this act.

SEC. 9. Notwithstanding Sections 50601 and 50602 of the Financial Code, as added by this act, and Section 8 of this act, the Commissioner of Corporations may apply, as if operative, provisions of this act and may adopt rules for the review of applications for licensure as a residential mortgage lender or a residential mortgage loan servicer filed prior to January 1, 1996. A license issued under this division shall take effect on January 1, 1996, or the date it is issued, whichever is later.

SEC. 10. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs which may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, changes the definition of a crime or infraction, changes the penalty for a crime or infraction, or eliminates a crime or infraction.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

Whenever a reference to numbered salary schedules and notes is made in this section, those found in the Los Angeles County Code, Title 6, shall apply. Whenever the compensation of superior court judges is adjusted, the flat-rate salaries for court commissioners and referees shall be adjusted to maintain the salary relationship of 85 percent of the annual compensation of superior court judges.

As defined in the Los Angeles County Code, Section 6.28.030, the following prefixes are used instead of schedule numbers:

F—Flat rate per month

FD—Flat rate per day

FH—Flat rate per hour

N.W.—As defined in the Los Angeles County Code Section 6.28.050.

N.X.—As defined in the Los Angeles County Code Section 6.28.050.

N.Z.—As defined in the Los Angeles County Code Section 6.28.050.

"R" or "A" indicates a position's inclusion in the County's Performance Based Pay Plan. The grade number following the "R" or "A" designation indicates the salary range. Compensation of these positions is in accordance with Sections 6.08.300 to 6.08.380, inclusive, of the county code.

All personnel appointed pursuant to this article shall serve at the pleasure of the court and may at any time be removed by the court in its discretion.

SEC. 3. Section 69894.3 of the Government Code is amended to read:

69894.3. Employees of the superior court in each county having a population of over 2,000,000 shall be entitled to step advancement, vacation, sick leave, holiday benefits and other leaves of absence and other benefits as may be directed by rules of the court. Where statutes require implementation by local ordinances for the extension of benefits to local officers and employees, these may be made applicable by rule to court personnel, including but not limited to jurors, and judges.

These benefits shall also include the same lump sum payments for sick leave and vacation for the superior court employees when they are separated from the service as are made to county employees of the county; except that lump-sum payments to court commissioners when separated from the service of the superior court shall be limited to accrued vacation if any, as is provided by local rule of court, exclusive of accrued sick leave.

Court employees under this section shall have the right to transfer to other departments in the county government, subject to the approval of the board of supervisors, the county charter, and other usual conditions that may be placed upon the transfer, including, but not limited to, a requirement that the transferee successfully complete an appropriate civil service examination. The right of transfer shall not give any employee any additional rights by reason of his employment with the court, other than those to which he would have been entitled if the employment had been with a different department of the county government.

Employment by the court shall be deemed to be employment by the county, if approved by rule of court, for the purpose of determining a court employee's rights with respect to a county's ordinances providing for salary step advancements and other employee benefits and rights, including, but not limited to, amount of compensation, vacations, sick leave, and accumulated sick leave.

In any such county attachés may be voluntarily transferred from a position in one judicial district to a position in another within the county and promoted or voluntarily demoted from a position in one judicial district to a position in another within the county in substantially the same manner as transfers, demotions and promotions are authorized generally in county departments or

between departments of the county.

Rules of the court may include other matters pertaining to the general administration of the court, including conditions of employment of court personnel, including but not limited to jurors and judges. When rules are adopted by a majority of the judges and filed with the Judicial Council they shall have the same status as other rules of court adopted pursuant to Section 68070.

When requested to do so by the court the county shall through the county civil service commission furnish to the court services as may be required in connection with the recruitment and employment of court officers and employees.

SEC. 4. Section 69894.6 of the Government Code is amended to read:

69894.6. Notwithstanding Section 69894.1, in the County of Los Angeles, a majority of the judges of the superior court may appoint 362 court reporters at salary schedule 82F, NZ, N3. The salary schedule and notes are those found in the Los Angeles County Code, Title 6. Court reporters shall serve at the pleasure of the court and may at any time be removed by the court in its discretion.

SEC. 5. Section 70141.6 of the Government Code is amended to read:

70141.6. (a) In Kern County, the superior court may provide that the commissioner, in addition to the duties prescribed in Section 259 of the Code of Civil Procedure, shall perform the duties prescribed by Section 259a of the Code of Civil Procedure and the duties of a probate commissioner appointed pursuant to Section 69897.

(b) The commissioner shall receive a salary equal to 70 to 85 percent of the annual salary for a superior court judge. The commissioner shall be paid biweekly pursuant to the payroll procedures in effect in the County of Kern in an amount equivalent to 70 to 85 percent of a superior court judge's salary. The court shall recommend to the board of supervisors the level of salary to be received by the commissioner based on qualifications, performance, and other factors deemed relevant by the court, and the board of supervisors shall determine the salary level within the specified range. The biweekly salary rate of the commissioner shall be adjusted at the same time and manner and in the same percentage amount as set forth in Section 68203. The commissioner shall also be allowed actual traveling expenses pursuant to Section 70148.

(c) In addition to the compensation provided for in this section, the commissioner shall be entitled to and shall receive on the same basis as other county employees, the same benefits and privileges, with respect to retirement, group insurance, sick leave, and vacation. The commissioner shall observe the same holidays as other court employees.

SEC. 6. Section 72604 of the Government Code is amended to read:

72604. Notwithstanding Article 9 (commencing with Section

69941) of Chapter 5, or any other provision of law in conflict with this section, in each municipal or justice court district in counties having a population of 2,000,000 inhabitants, or over, as determined by the 1970 federal census, except in municipal court districts where a statute provides otherwise, the official reporter and official reporters pro tempore in those districts governed by this section shall receive for their services the same per diem fee paid to official court reporters pro tempore of the Superior Court of Los Angeles County. All other fees of these reporters for transcription shall be as provided in Article 9 (commencing with Section 69941) of Chapter 5.

SEC. 7. Section 72608 of the Government Code is amended to read:

72608. Certain classes of positions prescribed in Article 1.5 (commencing with Section 72620), Article 1.6 (commencing with Section 72630), Article 2 (commencing with Section 72640), Article 3 (commencing with Section 72700), and Article 4 (commencing with Section 72750) are deemed to be related in job and compensation to position classifications included in the Los Angeles County Code, and in the case of certain classes of positions, to the administrative series included in Section 69894.1. In order to maintain the relationship of compensation and employee rights and benefits between officers and attachés of municipal courts and county or superior court employees having commensurate duties and responsibilities and to provide appropriate salary adjustments and employee rights and benefits for related classes of court positions, this section shall govern salary adjustments and employee rights and benefits for officers and attachés of municipal courts in Los Angeles County.

On the effective date of any amendment to the Los Angeles County Code adjusting the salary of a county employee classification listed in the table of positions set forth in this section, or on the effective date of a resolution or ordinance by the board of supervisors approving interim salary adjustments for superior court classes pursuant to Section 69894.2, the salary of the related municipal court position listed opposite thereto shall be adjusted an equivalent number of schedules or steps in a schedule in the salary schedule to which that position is attached. If the level of compensation established by any salary adjustment is not reflected in the salary schedule number provided for any court classification, the adjustment shall apply to each position in the classification on the effective date of the act fixing the salary schedule number. Classes of positions in the Performance-Based Pay Plan shall be compensated and adjusted in accordance with provisions approved by the board of supervisors.

Likewise, the salary of any court classification being enumerated in Article 1.5 (commencing with Section 72620), Article 1.6 (commencing with Section 72630), Article 2 (commencing with Section 72640), Article 3 (commencing with Section 72700), or Article 4 (commencing with Section 72750) for the first time as an

amendment to this chapter shall be adjusted as necessary on the effective date of that amendment to provide the same relationship to the county classification to which it is attached as that established when the court classification was approved in accordance with Section 72607.

All classes of positions approved by a majority of the judges of the municipal court and the board of supervisors for inclusion in the Los Angeles County Performance-Based Pay Plan will be compensated in accordance with this plan as set forth in Part 3, Chapter 6.08, of the Los Angeles County Code. All of these provisions are applicable to participants in the marshal's department, except that for the marshal, the appointing authority is the municipal court judges of Los Angeles County, and for all other participants in the marshal's department, the appointing authority is the marshal. For purposes of PBP administration only, the appointing authority for the court administrator, Los Angeles Judicial District, is the court's executive committee. The court administrator, is the appointing authority for all other participants in the Los Angeles Judicial District.

The presiding judge, the immediate past presiding judge (if still a member of the Los Angeles Municipal Court) and the assistant presiding judge will confer with the court administrator to establish new performance goals and evaluate the completion of previously established goals; these judges will then rate the court administrator's performance using the PBP rating categories established in the county code. The presiding judge shall present this rating to the executive committee for ratification at its July meeting.

In the event that the executive committee does not act upon the rating, the presiding judge shall forward the rating to the CAO for inclusion in the Los Angeles Municipal Court's Merit Salary Increase Guideline. In the event a rating is not completed, the court administrator's salary will be adjusted in accordance with the Los Angeles Municipal Court Merit Increase Guideline based on a "fully meets expectations" rating.

Any existing special pay provision applicable to court classes included in PBP and which is expressed in terms of additional schedules of compensation will be converted to a percentage basis in accordance with the county's plan which equates each schedule with 2.75 percent.

Salary adjustments made pursuant to this section shall be on an interim basis and shall expire 90 days after the adjournment of the next regular session of the Legislature unless ratified at such session.

Officers and attachés of municipal courts in Los Angeles County shall be entitled to all employee rights, programs and benefits, including, but not limited to, paid medical plans, management incentive, pay for performance, deferred compensation plans, flexible benefit plans, and early separation programs, parking and cafeteria privileges, longevity pay, shooting allowance, uniform and equipment allowance, and the same rights to meet with those entities which prescribe their compensation, that are provided for or made applicable to the related Los Angeles County and superior court employee classification. Participation in management incentive early separation programs and pay for performance shall be established by joint action and approval of a majority of the board of supervisors and a majority of the judges of the court, except in the Los Angeles Judicial District where joint action shall be approved by a majority of the board of supervisors and a majority of the court's executive committee.

Bonus Level I assignments of deputy marshals are as follows:

Nineteen positions—assistant commander, small division.

Twelve positions—court supervisor.

Nine positions—field supervisor.

Nine positions—office supervisor.

Three positions—communications and fleet management supervisor.

One position—training officer.

One position—real estate levy/bookkeeping section supervisor.

Bonus Level II assignments of deputy marshals are as follows:

One position—security liaison and investigations.

Deputy marshals with Bonus Level I assignments shall receive additional compensation in the same amounts, for the same periods, and paid on the same terms, as deputy sheriffs assigned to Bonus Level I positions. Deputy marshals with Bonus Level II assignments shall receive additional compensation in the same amounts, for the same periods, and paid on the same terms, as deputy sheriffs assigned

to Bonus Level II positions.

In addition to the salary adjustment otherwise provided by this section, persons employed in the classifications of executive secretary, M.C., senior management secretary, M.C., and secretary to the presiding judge shall receive a one-time only two-schedule salary increase effective January 1, 1989. The resulting salary rate shall constitute the base rates for subsequent salary adjustments.

In addition to the salary provided by the applicable performance-based pay provisions, a 16.5 percent bonus shall be paid to no more than one position of deputy court administrator in the Los Angeles Municipal Court who is admitted to practice law before all courts in California and required to render legal opinions and provide legal advice to the court administrator and judges.

Any deputy municipal court clerk I, deputy municipal court clerk II, deputy clerk III, M.C., deputy clerk IV, M.C., municipal court judicial assistant, NCS, or court clerk, M.C. who, in addition to a regular courtroom assignment, is required to operate and monitor electronic recording equipment to produce the official record of the court proceedings shall receive a two-schedule increase in compensation while so engaged. Effective January 3, 1989, any deputy clerk IV, M.C., municipal court judicial assistant, NCS, or court clerk, M.C. assigned to a courtroom, who in addition to his or her regular duties, is required to operate and monitor electronic recording equipment to produce a record of court proceedings shall receive an increase of eight standard salary levels while so engaged. However, in no event shall a person who is receiving additional compensation for performing duties involving greater skill and responsibility as described in subdivision (b) of Section 72705 or subdivision (k), (*l*), or (m) of Section 72755 be eligible to receive additional compensation pursuant to this subdivision, except for a deputy clerk III, M.C. assigned to the regular duties of a deputy clerk IV, M.C. or court clerk, M.C. as provided in subdivision (j) of Section 72755.

77209. Any trial court may establish a "900" telephone number or numbers for traffic, misdemeanor, and other telephonic arraignment, for court scheduling, and for rendering tentative civil decisions, provided the court provides an alternative method of obtaining the service or information in a free and timely manner, and informs individuals of this alternative in the message preceding the "900" information. CHAPTER 997

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Article 12 (commencing with Section 18831) is added to Chapter 3 of Part 10.2 of Division 2 of the Revenue and

Taxation Code, to read:

Article 12. Designations to the California Olympic Training Fund

18831. (a) Any taxpayer may designate on the tax return that a contribution in excess of the tax liability, if any, be made to the California Olympic Training Fund, which is established by Section 18832. That designation is to be used as a voluntary contribution on the tax return.

(b) The contributions shall be in full dollar amounts and may be made individually by each signatory on the joint return.

(c) A designation shall be made for any taxable year on the initial return for that taxable year, and once made shall be irrevocable. In the event that payments and credits reported on the return, together with any other credits associated with the taxpayer's account, do not exceed the taxpayer's liability, the return shall be treated as though no designation had been made. In the event that no designee is specified, the contribution shall be transferred to the General Fund, after reimbursement of the direct actual costs of the Franchise Tax Board for the collection and the administration of funds under this article.

(d) In the event a taxpayer designates a contribution to more than one account or fund listed on the tax return, and the amount available for designation is insufficient to satisfy the total amount designated, the contribution shall be allocated among the designees on a pro rata basis.

(e) The Franchise Tax Board shall revise the forms of the return to include a space labeled the "California Olympic Training Fund" to allow for the designation permitted. The forms shall also include in the instructions information that the contribution may be in the amount of one dollar ($1) or more and that the contribution shall be used by the United States Olympic Committee for Olympic activities in California.

(f) A deduction shall be allowed under Article 6 (commencing with Section 17201) of Chapter 3 of Part 10 for any contribution made pursuant to subdivision (a).

18832. There is in the State Treasury the California Olympic Training Fund to receive contributions made pursuant to Section 18831. The Franchise Tax Board shall notify the Controller of both the amount of money paid by taxpayers in excess of their tax liability and the amount of refund money that taxpayers have designated pursuant to Section 18831 to be transferred to the California Olympic Training Fund. The Controller shall transfer from the Personal Income Tax Fund to the California Olympic Training Fund an amount not in excess of the sum of the amounts designated by individuals pursuant to Section 18831 for payment into that fund. It is the intent of the Legislature that the 1993 tax return include a space for the California Olympic Training Fund.

18833. (a) All money transferred to the California Olympic Training Fund, upon appropriation by the Legislature, shall be allocated as follows:

(1) To the Franchise Tax Board and the Controller for reimbursement of all costs incurred by the Franchise Tax Board and the Controller in connection with their duties under this article.

(2) To the United States Olympic Committee to be used for Olympic activities in California.

(b) Notwithstanding subdivision (a), no money from the California Olympic Training Fund shall be allocated to the United States Olympic Committee unless an annual agreement has been reached between the Controller and the United States Olympic Committee that the committee will match, dollar for dollar, the tax return contributions deposited in the fund, and that the combined proceeds will be used by the United States Olympic Committee for Olympic activities in California.

(c) In the event that the agreement specified in subdivision (b) is not reached, the money transferred to the California Olympic Training Fund pursuant to paragraph (2) of subdivision (a) annually shall be allocated to the General Fund.

18834. (a) This article shall remain in effect only until January 1, 1998, and as of that date is repealed.

(b) If in any calendar year the Franchise Tax Board estimates by September 1 that contributions described in this article made on returns filed in that calendar year will be less than two hundred fifty thousand dollars ($250,000), or the adjusted amount specified in subdivision (c), as may be applicable, then this article is repealed with respect to taxable years beginning on and after January 1 of that calendar year. The Franchise Tax Board shall estimate the annual contribution amount by September 1 of each year using the actual amounts known to be contributed and an estimate of the remaining year's contributions.

(c) For each calendar year, beginning with the 1994 calendar year, the Franchise Tax Board shall adjust, on or before September 1 of that calendar year, the minimum estimated contribution amount specified in subdivision (b) as follows:

(1) The minimum estimated contribution amount for the calendar year shall be an amount equal to the product of the minimum estimated contribution amount for the prior September 1 multiplied by the inflation factor adjustment as specified in paragraph (2) of subdivision (h) of Section 17041, rounded off to the nearest dollar.

(2) The inflation factor adjustment used for the calendar year shall be based on the figures for the percentage change in the California Consumer Price Index received on or before August 1 of the calendar year pursuant to paragraph (1) of subdivision (h) of Section 17041.

(d) Notwithstanding the repeal of this article, any contribution amounts designated pursuant to this article prior to its repeal shall

continue to be transferred and disbursed in accordance with this article as in effect immediately prior to that repeal.

CHAPTER 998

An act to amend Section 44265.5 of, and to add Article 3.5 (commencing with Section 56350) to Chapter 4 of Part 30 of, the Education Code, relating to special education.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature hereby finds and declares the following:

(a) Functionally blind pupils and some pupils with other severe visual impairments who have the ability to read require instruction in braille if they are to maximize their academic potential and have the greatest chances for success throughout their lives. There are pupils in California who are visually impaired for whom braille is the appropriate reading method but who are not receiving instruction in braille. In the development of the individualized education programs for pupils who are visually impaired, there is a presumption that proficiency in braille reading and writing is essential for the pupils' satisfactory education progress and independent functioning.

(b) The most appropriate reading medium or media for an individual pupil is that which is most efficient in terms of comprehension, speed, and stamina, commensurate with the pupil's ability and grade level. It is not the intention of the Legislature to require the exclusive use of braille if other educational media are appropriate for the pupil's educational needs. It is the intent of the Legislature, however, that all pupils who are visually impaired be given the opportunity to be assessed to determine the appropriate reading medium or media of each pupil.

SEC. 2. Section 44265.5 of the Education Code is amended to read:

44265.5. (a) Pupils who are visually impaired, as defined in Section 56350, shall be taught by teachers whose professional preparation and credential authorization are specific to that disabling condition.

(b) Pupils who are deaf or hard of hearing shall be taught by teachers whose professional preparation and credential authorization are specific to that disabling condition.

(c) Pupils who are orthopedically disabled shall be taught by teachers whose professional preparation and credential authorization are specific to that disabling condition.

SEC. 3. Article 3.5 (commencing with Section 56350) is added to Chapter 4 of Part 30 of the Education Code, to read:

Article 3.5. Individualized Education Program for Visually Impaired Pupils

56350. Unless the context otherwise requires, the definitions set forth in this section shall govern the construction of this article.

(a) A "functionally blind pupil" means a pupil who relies basically on senses other than vision as major channels for learning.

(b) A "pupil with low vision" means a pupil who uses vision as a channel for learning, but who may also benefit from instruction in braille.

(c) A "visually impaired pupil" means a pupil who is functionally blind or a pupil with low vision.

(d) "Braille" means the system of reading and writing through touch commonly known as "Standard English Braille, American Edition."

56351. School districts, special education local plan areas, or county offices of education shall provide opportunities for braille instruction for pupils who, due to a prognosis of visual deterioration, may be expected to have a need for braille as a reading medium.

56352. (a) A functional vision assessment conducted pursuant to Section 56320 shall be used as one criterion in determining the appropriate reading medium or media for the pupil.

(b) An assessment of braille skills shall be required for functionally blind pupils who have the ability to read in accordance with guidelines established pursuant to Section 56136.

(c) Braille instruction shall be provided by a teacher credentialed to teach pupils who are visually impaired.

(d) The determination, by a pupil's individualized education program team, of the most appropriate medium or media, including braille, for visually impaired pupils shall be in accordance with guidelines established pursuant to Section 56136.

(e) Each visually impaired pupil shall be provided with the opportunity to receive an assessment to determine the appropriate reading medium or media, including braille instruction, if appropriate, for that pupil.

SEC. 4. It is the intent of the Legislature in enacting this act not to exceed any requirements mandated by federal law or its implementing regulations.

SEC. 5. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified in this act, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

CHAPTER 999

An act to add Article 8.5 (commencing with Section 1150) to Chapter 4 of Part 1 of Division 1 of the Unemployment Insurance Code, relating to unemployment insurance and income tax withholding, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares that ambiguities and uncertainties in the application of the common law tests for employment status to the product demonstrator industry has historically resulted in lack of uniform enforcement, and unpredictable and inequitable employment tax deficiencies being levied against taxpayers making a good faith effort to comply with the law. The Legislature further finds and declares that the implementation of Section 4304-7 of Title 22 of the California Code of Regulations, on March 17, 1992, has greatly clarified the proper application of existing common law to the product demonstration industry. In order to alleviate the inequitable assessments arising prior to the implementation of the clarifying regulation, and to further encourage prospective treatment of product demonstrators as employees, the Legislature finds and declares that an amnesty for employment taxes, interest, and penalties arising prior to the effective date of the regulation is appropriate. Finally, in order to ensure that the problems of inconsistent treatment of workers and the resultant unfair competitive advantage in the product demonstration industry have been adequately addressed, the Legislature finds and declares that postamnesty enforcement in this area by the Employment Development Department should be increased, and that a report on the results of this increased enforcement activity should be made to the Legislature.

SEC. 2. Article 8.5 (commencing with Section 1150) is added to Chapter 4 of Part 1 of Division 1 of the Unemployment Insurance Code, to read:

Article 8.5. Employment Tax Amnesty

1150. The department shall develop and administer an amnesty program as provided by this article.

1151. (a) The amnesty program shall be conducted for a period of three calendar months beginning April 1, 1995.

(b) Amnesty shall apply only to amounts unpaid on the date an application for amnesty is made pursuant to Section 1153. No refund or credit shall be allowed under this article for amounts paid prior to the date of application for amnesty. Amnesty shall not apply to amounts that may become due subsequent to the amnesty period, even though amnesty may have been allowed for other liabilities in the period for which the amount is due.

1152. (a) For any employer who meets the requirements of Section 1153:

(1) (A) The department shall waive all unpaid penalties, and interest owed on unpaid penalties, imposed on or before December 31, 1993, pursuant to Sections 1112, 1112.5, 1114, 1116, 1126, 1127, 1135, 13051, and 13054 for the tax reporting periods for which amnesty is requested, that are owed as a result of the nonpayment or underpayment of tax liabilities or the failure to file reports.

(B) Penalties imposed by Section 1114 shall not be waived unless complete quarterly reports of wages as required by Section 1088 are filed for periods included in the base period, as defined by Section 1275, on the date of the application for amnesty.

(C) Penalties imposed by Sections 13051 and 13054 shall not be waived for reporting periods in which statements and annual returns required pursuant to Sections 13050 and 13053 were not received by the department.

(2) (A) The department shall waive all penalties imposed or that may be imposed by Sections 1112, 1112.5, 1114, 1116, 13051, and 13054 and interest imposed or that may be imposed by Article 7 (commencing with Section 1110), for the tax reporting periods for which amnesty is requested, that are owed as a result of the nonreporting or underreporting of tax liabilities or the failure to file reports for tax reporting periods ended on or before December 31, 1993. Waiver under this subparagraph shall not apply to liabilities established as a result of an assessment issued by the department prior to the application for amnesty filed pursuant to subdivision (a) of Section 1153.

(B) Penalties imposed by Section 1114 shall not be waived unless complete quarterly reports of wages as required by Section 1088 are filed for periods included in the base period, as defined by Section 1275, on the date of the application for amnesty.

(C) Penalties imposed by Sections 13051 and 13054 shall not be waived for reporting periods in which statements and annual returns required pursuant to Sections 13050 and 13053 were not received by the department.

(3) (A) The department shall waive all penalties that may be

imposed by Sections 1112, 1112.5, 1114, 1126, 1127, 13051, and 13054; interest that may be imposed by Article 7 (commencing with Section 1110) and Section 1129; and taxes that may be due in accordance with Article 3 (commencing with Section 976) for wages paid prior to March 17, 1992, that the employer certifies on the application for amnesty are owed as a result of the misclassification of workers as independent contractors and the reclassification of these workers as "employees." This subparagraph shall apply to those workers who are reclassified as employees as a result of the clarification of common law rules applicable in determining the employer-employee relationship specified in Section 4304-7 of Title 22 of the California Code of Regulations. This subparagraph shall apply to assessments only where the department has issued an assessment for unpaid taxes on or after March 17, 1992, if the entity against which the assessment was issued has reclassified those workers as employees and has paid all contributions, taxes, penalties, and interest for wages paid on or after March 17, 1992, and on the starting date of the amnesty program the workers are determined to be employees pursuant to Section 4304-7 of Title 22 of the California Code of Regulations.

(B) The employer shall file with the application for amnesty a list of workers to whom payment was made for services that were performed in the 15-month period prior to the date of the application for which amnesty is requested. The list shall include each employee's name and social security number. Penalties imposed by Section 1114 shall not be waived unless this list is filed with the application for amnesty.

(C) Penalties imposed by Sections 13051 and 13054 shall not be waived for reporting periods in which statements and annual returns required pursuant to Sections 13050 and 13053 were not received by the department.

(D) The application for amnesty provided by the department shall contain the following certification, which may be signed by the applicant for amnesty:

THE PAYMENTS MADE TO WORKERS WHOSE NAMES AND SOCIAL SECURITY NUMBERS ARE PROVIDED WITH THIS APPLICATION WERE MADE UNDER A GOOD FAITH BELIEF THAT THE WORKERS WERE INDEPENDENT CONTRACTORS. THE UNDERSIGNED STILL BELIEVES THAT THE WORKERS WERE INDEPENDENT CONTRACTORS. HOWEVER, IT IS NOW CLEAR UNDER SECTION 4304-7 OF TITLE 22 OF THE CALIFORNIA CODE OF REGULATIONS THAT THE WORKERS ARE NOW EMPLOYEES.

(4) For purposes of subparagraph (A) of paragraph (3), the department shall abate personal income taxes required to be withheld by Section 13020 and owed by the employer pursuant to Section 13070 if the employer issued an information return pursuant to Section 6041A of the Internal Revenue Code reporting payment or if the payee certifies that the tax has been paid or that he or she

has reported to the Franchise Tax Board the payment against which the tax would have been imposed.

(5) No criminal action shall be brought against the employer, for the tax reporting periods for which amnesty is requested, for the nonreporting or underreporting of tax liabilities except for violations described in Section 2119.

(b) No employer is eligible for amnesty if, for any period prior to the date of application for amnesty, a penalty was charged pursuant to Section 1128 and is final, or if the employer admitted that any part of the amounts for which amnesty relief has been requested were not paid due to fraud or intent to evade the reporting requirements set forth in this division or authorized regulations. If an assessment of penalty charged pursuant to Section 1128 is not final on the date of the application for amnesty, amnesty shall not be allowed unless the penalty is reversed by the California Unemployment Insurance Appeals Board.

(c) This section does not apply to violations of this division or Division 6 (commencing with Section 13000) for which, as of the starting date of the amnesty program, (1) the employer is on notice of a criminal investigation by complaint having been filed against him or her or by written notice having been mailed to him or her that he or she is under criminal investigation, or (2) a court proceeding has already been initiated.

1153. (a) This article applies to any employer who files during the amnesty period an application for amnesty as prescribed by the department and does the following:

(1) (A) Files, with the application for amnesty, contribution returns reporting unreported wages and taxes for the quarter that ended June 30, 1993, and prior quarters, for which amnesty is being applied under paragraph (2) of subdivision (a) of Section 1152.

(B) No waiver of tax, penalties, or interest under subdivision (a) of Section 1152 shall be approved pursuant to this article if the employing unit has outstanding delinquent quarters for which liabilities have not been established as of the date of the application for amnesty.

(2) (A) Pays in full the amount due exclusive of amounts waived pursuant to Section 1152.

(B) The department may enter into an installment payment agreement in lieu of the complete payment required under subparagraph (A). Any installment payment agreement shall include interest on the outstanding amount due, exclusive of amounts waived pursuant to Section 1152, at the rate prescribed in Sections 1111, 1113, and 1129. Interest on amounts due pursuant to the installment payment agreement shall be charged from the day after the end of the period of the amnesty program. Failure by the employer, without good cause, to fully comply with the terms of the installment payment agreement shall render the waiver of tax, interest, and penalties null and void and the total amount of tax, interest, and penalties shall be immediately due and payable.

(b) If subsequent to the amnesty period the department issues a deficiency assessment upon a return filed pursuant to subdivision (a), interest shall be charged from the deficiency assessment date and the department shall have the authority to impose penalties. Criminal action may be brought under this part only with respect to the difference between the amount shown on that return and the correct amount of tax. This action shall not invalidate any waivers granted under Section 1152.

1154. Individuals who have been reported as employees pursuant to paragraph (3) of subdivision (a) of Section 1152 shall receive a refund of disability insurance elective coverage contributions pursuant to Section 708.5. Amounts will be refunded pursuant to Section 1178 after the individual has submitted a written claim for the refund.

1155. The department shall issue forms and instructions and take other actions needed to implement this article.

1156. The department shall adequately publicize the Employment Tax Amnesty Program set forth in this article so as to maximize public awareness of and participation in the program.

1157. A petition for review may be filed pursuant to Section 1222 to review a determination that an employing unit does not qualify for the amnesty provisions of paragraph (3) of subdivision (a) of Section 1152.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to expeditiously eliminate the competitive imbalance between product demonstration firms based on misclassification of their workers and allow individuals to benefit from the amnesty program established by this act, it is necessary that this act take effect immediately.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

CHAPTER 1001

An act to amend Section 37672 of the Education Code, relating to school funding.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 37672 of the Education Code is amended to read:

37672. (a) No pupil participating in programs as described in Section 37670 shall be credited with more than one day of attendance in any calendar day, except as permitted in Section 46140.

Average daily attendance generated in the regular elementary, junior high, and high schools operated under Section 37670 shall be calculated as prescribed in subdivision (a) of Section 41601.

(b) This subdivision shall only apply to school districts with an average daily attendance of 100,001 or more pupils that have installed an individual pupil tracking system and maintain schools on both the traditional calendar and on year-round calendars. For the 1993–94 and 1994–95 fiscal years, if a pupil transfers to another school within the district, other than a transfer initiated by the district, the pupil's average daily attendance shall be calculated independently for each school in which the pupil was enrolled. For the 1993–94 fiscal year as recertified at the time of the first principal apportionment in February of 1995 and for the 1994–95 fiscal year, in no event may any transferring pupil generate more than 0.98 unit of average daily attendance for the district in any one school year under this subdivision. In no event shall this subdivision be construed to authorize any nontransferring pupil to generate more than one unit of average daily attendance for any school year.

CHAPTER 1002

An act to amend Sections 1624, 1630, 41020, 41020.3, 41320.1, 41326, 41328, 42103.3, 42127.3, 42127.6, and 42131 of the Education Code, relating to school districts.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 1624 of the Education Code is amended to read:

1624. (a) If the budget review committee established pursuant to Section 1623 disapproves the budget of the county office of education, within five working days following the receipt of the committee's report, the county superintendent of schools and the county board of education may submit a response to the Superintendent of Public Instruction, including any revisions to the adopted budget and any other proposed action to be taken as a result of the recommendations of the budget review committee.

(b) Based upon the recommendations of the budget review committee provided pursuant to subdivision (c) of Section 1623, and any response provided pursuant to subdivision (a), the Superintendent of Public Instruction shall either approve or disapprove the budget of the county office of education. If the Superintendent of Public Instruction disapproves the budget, the superintendent or his or her designee may do any of the following for the remainder of the current fiscal year:

(1) On or before November 30, develop and adopt, in consultation with the county superintendent of schools and the county board of education, a fiscal plan and budget for the county office of education that will allow the county office of education to meet its financial obligations both in the budget year and with regard to the multiyear financial commitments. The county board of education and the county superintendent of schools shall govern the operation of the county office of education for the budget year in accordance with that fiscal plan and budget. The deadline set forth in this paragraph shall be modified to reflect any extension granted under subdivision (d) of Section 1623.

(2) Cancel purchase orders, prohibit the issuance of nonsalary warrants, and otherwise stay or rescind any action that is inconsistent with the fiscal plan and budget adopted pursuant to paragraph (1). The Superintendent of Public Instruction shall inform the county board of education and the county superintendent of schools in writing of his or her justification for any exercise of authority under this paragraph.

(3) Monitor and review the operation of the county office of education.

(4) Determine the need for additional staff and may employ, at county office of education expense, short-term analytical assistance or expertise to validate financial information if the county does not have the expertise or staff.

(5) Require the county office of education to encumber all contracts and other obligations, to prepare appropriate cash flow analyses and monthly or quarterly budget revisions, and to appropriately record all receivables and payables.

(6) Determine whether there are any financial problem areas and may employ, at county office of education expense, a certified public accounting firm to investigate financial problem areas.

(7) Withhold compensation of the members of the county board of education and the county superintendent for failure to provide requested financial information.

(c) The county office of education shall pay reasonable fees charged by the Superintendent of Public Instruction for actual administrative expenses incurred pursuant to subdivision (b), or costs associated with improving the county office of education's financial management practices.

(d) This section shall not be construed to authorize the Superintendent of Public Instruction to abrogate any provision of a collective bargaining agreement that was entered into by a county office of education prior to the date upon which the Superintendent of Public Instruction disapproved the budget of the county office of education pursuant to subdivision (b).

(e) As he or she deems necessary for the purposes set forth in subdivision (b), the Superintendent of Public Instruction may seek from the county office of education, or otherwise obtain, additional information regarding the budget or operations of the county office of education, through a financial or management review of the county office of education, a cash-flow projection, or other appropriate means.

SEC. 2. Section 1630 of the Education Code is amended to read:

1630. (a) If at any time during the fiscal year the Superintendent of Public Instruction determines that the county office of education may be unable to meet its financial obligations for the current or two subsequent fiscal years or if the county office has a qualified or negative certification pursuant to Section 1240, he or she shall notify the county board of education and the county superintendent in writing of that determination, the basis for the determination, and shall do the following, as necessary, to ensure that the county office meets its financial obligations:

(1) Assign a fiscal expert, paid for by the Superintendent of Public Instruction, to advise the county office on its financial problems.

(2) Conduct a study of the financial and budgetary conditions of the county office. If, in the course of this review, the Superintendent of Public Instruction determines that his or her office requires analytical assistance or expertise that is not available through the county office, he or she may employ, at county office expense, on a

short-term basis, staff, including certified public accountants, to provide the assistance and expertise.

(3) Direct the county office to submit a financial projection of all fund and cash balances of the county office as of June 30 of the current year and subsequent fiscal years as he or she requires.

(4) Require the county office to encumber all contracts and other obligations, to prepare appropriate cash flow analyses and monthly or quarterly budget revisions, and to appropriately record all receivables and payables.

(5) Direct the county office to submit a proposal for addressing the fiscal conditions that resulted in the determination that the county office may not be able to meet its financial obligations.

(6) Withhold compensation of the county board of education and the county superintendent for failure to provide requested financial information.

(b) If, after taking the actions identified in subdivision (a), the Superintendent of Public Instruction determines that a county office will be unable to meet its financial obligations for the current or subsequent fiscal year, he or she shall notify the county board of education and the county superintendent in writing of that determination and the basis for that determination.

(c) If the Superintendent of Public Instruction makes that determination, or if the county office has a negative certification pursuant to Section 1240, the Superintendent of Public Instruction, shall, as necessary to enable the county office to meet its financial obligations, do one or more of the following:

(1) Develop and impose, in consultation with the county office governing board and the county superintendent, revisions to the county office budget that will enable the county to meet its financial obligations.

(2) Stay or rescind any action that is inconsistent with any revision adopted pursuant to paragraph (1). The Superintendent of Public Instruction shall inform the county office governing board in writing of his or her justification for any exercise of authority under this paragraph.

(3) Assist in developing, in consultation with the county office governing board and the county superintendent, a financial plan that will enable the county to meet its future obligations.

(d) This section does not authorize the Superintendent of Public Instruction to abrogate any provision of a collective bargaining agreement that was entered into by a county office prior to the date upon which the Superintendent of Public Instruction assumed authority pursuant to subdivision (c).

(e) The county office shall pay reasonable fees charged by the Superintendent of Public Instruction for any administrative expenses incurred pursuant to subdivision (c) or costs associated with improving the office's financial management practices.

(f) Notwithstanding any other provision of law, a county treasurer shall not honor any warrant when the Superintendent of Public

Instruction, as appropriate, has disapproved that warrant, or has disapproved the order on county office funds for which a warrant was prepared.

(g) For all purposes of errors and liability insurance policies, a fiscal expert appointed pursuant to this section shall be deemed to be an employee of the county office of education. The Superintendent of Public Instruction may require that the fiscal adviser be placed on the county office of education payroll for the purposes of remuneration, benefits, and payroll deductions.

(h) If staff are hired pursuant to paragraph (2) of subdivision (a), the Superintendent of Public Instruction may certify to the Controller an amount to be transferred to the State Department of Education, from the funds that otherwise would be apportioned to the county office of education pursuant to Section 2558, for the purpose of paying all costs incurred by that staff in performing their respective services. The Controller, upon receipt of that certification, shall transfer that amount.

(i) To facilitate the appointment of a county office fiscal officer and the employment of additional staff pursuant to paragraphs (1) and (2), respectively of subdivision (a), for the purposes of those paragraphs, the Superintendent of Public Instruction is exempt from the requirements of Article 6 (commencing with Section 999) of Chapter 6 of Division 4 of the Military and Veterans Code and Part 2 (commencing with Section 10100) of the Public Contracts Code.

SEC. 3. Section 41020 of the Education Code is amended to read:

41020. (a) It is the intent of the Legislature to encourage sound fiscal management practices among school districts for the most efficient and effective use of public funds for the education of children in California by strengthening fiscal accountability at the district, county, and state levels.

(b) Not later than the first day of May of each fiscal year each county superintendent of schools shall provide for an audit of all funds under his or her jurisdiction and control and the governing board of each school district shall either provide for an audit of the books and accounts of the school district, including an audit of school district income and expenditures by source of funds, or make arrangements with the county superintendent of schools having jurisdiction over the school district to provide for that auditing. In the event the governing board of a school district has not provided for an audit of the books and accounts of the district by April 1, the county superintendent of schools having jurisdiction over the district shall provide for the audit.

(c) Each audit conducted in accordance with this section shall include all funds of the school district including the student body and cafeteria funds and accounts and any other funds under the control or jurisdiction of the school district and funds of regional occupational centers and programs maintained by the county superintendent of schools, a school district, or pursuant to a joint powers agreement. Each audit shall also include an audit of

attendance procedures.

(d) All audit reports for the 1988–89 fiscal year, and for each subsequent fiscal year, shall be developed and reported using a format established by the Controller after consultation with the Superintendent of Public Instruction.

(e) (1) The cost of the audits provided for by the county superintendent of schools shall be paid from the county school service fund and the county superintendent of schools shall transfer the pro rata share of the cost chargeable to each district from district funds.

(2) The cost of the audit provided for by a governing board shall be paid from school district funds. The audit of the funds under the jurisdiction and control of the county superintendent of schools shall be paid from the county school service fund.

(f) The audits shall be made by a certified public accountant or a public accountant, licensed by the State Board of Accountancy.

(g) (1) The auditor's report shall include each of the following:

(A) A statement that the audit was conducted pursuant to standards and procedures developed in accordance with Chapter 3 (commencing with Section 14500) of Part 9 of Division 1 of Title 1.

(B) A summary of audit exceptions and management improvement recommendations.

(2) To the extent possible, a description of correction or plan of correction shall be incorporated in the audit report, describing the specific actions that are planned to be taken, or that have been taken, to correct the problem identified by the auditor. The descriptions of specific actions to be taken or that have been taken shall not solely consist of general comments such as "will implement," "accepted the recommendation," or "will discuss at a later date."

(h) Not later than December 15, a report of each audit for the preceding fiscal year shall be filed with the county superintendent of schools of the county in which the school district is located, the State Department of Education, and the Controller. The Superintendent of Public Instruction shall make any adjustments necessary in future apportionments of all state funds, to correct any audit exceptions revealed by such audit reports.

(i) Commencing with the 1993–94 audit of school districts pursuant to this section, each county superintendent of schools shall be responsible for reviewing the audit exceptions contained in an audit of a school district under his or her jurisdiction related to attendance, inventory of equipment, internal control, and any miscellaneous items, and determining whether the exceptions have been either corrected or an acceptable plan of correction has been developed.

(j) Upon submission of the final audit report to the governing board of each school district and subsequent receipt of the audit by the county superintendent of schools having jurisdiction over the school district, the county office of education shall do all of the following:

(1) Review audit exceptions related to attendance, inventory of equipment, internal control, and other miscellaneous exceptions. Attendance exceptions or issues shall include, but not be limited to, those related to revenue limits, adult education, and independent study.

(2) If a description of the correction or plan of correction has not been provided as part of the audit required by this section, then the county superintendent of schools shall notify the school district and request the governing board of the school district to provide to the county superintendent of schools a description of the corrections or plan of correction by March 15.

(3) Review the description of correction or plan of correction and determine its adequacy. If the description of the correction or plan of correction is not adequate, the county superintendent of schools shall require the school district to resubmit that portion of its response that is inadequate.

(k) Each county superintendent of schools shall certify to the Superintendent of Public Instruction, by May 15, that his or her staff has reviewed all audits of school districts under his or her jurisdiction for the prior fiscal year, that all exceptions that the county superintendent was required to review were reviewed, and that all of those exceptions, except as otherwise noted in the certification, have been corrected by the school district or an acceptable plan of correction has been submitted to the county superintendent of schools. In addition, the county superintendent shall identify by school district, any attendance-related audit exception that had a fiscal impact on state funds, and require the school district to which the attendance-related audit exception was directed to submit the appropriate forms for processing by the Superintendent of Public Instruction.

(*l*) In the audit of a school district for a subsequent year, the auditor shall review the correction or plan or plans of correction submitted by the school district to determine if the exceptions have been resolved. If not, then the auditor shall immediately notify the appropriate county office of education and the State Department of Education and restate the exception in the audit report. After receiving that notification, the State Department of Education shall either consult with the school district to resolve the exception or require the county superintendent of schools to follow up with the school district.

(m) (1) The Superintendent of Public Instruction shall be responsible for assuring that school districts have either corrected or developed a plan of correction for any or all of the following:

(A) All federal and state compliance audit exceptions identified in the audit.

(B) Any exceptions that the county superintendent certifies as of May 15 have not been corrected.

(C) Any repeat audit exceptions that are not assigned to a county superintendent to correct.

(2) In addition, the Superintendent of Public Instruction shall be responsible for assuring that county superintendents of schools and county boards of education that serve as the governing board of a school district either correct all audit exceptions identified in the audits of county superintendents of schools and of the school district for which the county board of education serves as the governing board or develop an acceptable plan of correction for those exceptions.

(n) In order to facilitate the correction of the exceptions identified by the audits issued pursuant to this section, commencing with 1994–95 audits pursuant to this section, the Controller shall require auditors to categorize audit exceptions in the audit report in a manner that will make it clear to both the county superintendent of schools and the Superintendent of Public Instruction which exceptions they are responsible for assuring the correction of by a school district. In addition, the Controller annually shall select a sampling of county superintendents of schools and perform a followup of the audit resolution process of those county superintendents of schools and report the results of that followup to the Superintendent of Public Instruction and the county superintendents of schools that were reviewed.

(o) The county superintendent of schools shall adjust the future local property tax requirements to correct audit exceptions relating to school district tax rates and tax revenues.

(p) If a governing board or county superintendent of schools fails or is unable to make satisfactory arrangements for audit pursuant to this section, the Controller shall make arrangements for the audit and the cost of the audit shall be paid from school district funds or the county school service fund, as the case may be.

(q) Audits of regional occupational centers and programs are subject to the provisions of this section.

(r) Nothing in this section shall be construed to authorize examination into or report on the curriculum used or provided for in any school district.

SEC. 4. Section 41020.3 of the Education Code is amended to read:

41020.3. (a) By January 31 of each year, each school district governing board and county board of education that serves as the governing board of a school district shall review, at a public meeting, the annual audit of the school district for the prior year, any audit exceptions identified in that audit, the recommendations or findings of any management letter issued by the auditor, and any description of correction or plans to correct any exceptions or management letter issue. This review shall be placed on the agenda of the meeting pursuant to Section 35145.

SEC. 5. Section 41320.1 of the Education Code is amended to read:

41320.1. Acceptance by the district of the apportionments made pursuant to Section 41320 shall constitute agreement by the district

to all of the following conditions:

(a) The Superintendent of Public Instruction shall appoint a trustee who has recognized expertise in management and finance and may employ, on a short-term basis, any staff necessary to assist the trustee, including, but not limited to, certified public accountants, as follows:

(1) The expenses incurred by the trustee and any necessary staff shall be borne by the district.

(2) The superintendent shall establish the terms and conditions of the employment, including the remuneration of the trustee. The trustee shall serve at the pleasure of, and report directly to, the superintendent.

(3) The trustee, and any necessary staff, shall serve until the loan called for by this section is repaid, the district has adequate fiscal systems and controls in place, and the superintendent has determined that the district's future compliance with the fiscal plan approved for the district under Section 41320 is probable.

(4) Before the district repays the loan, including interest, the recipient of the loan shall select an auditor from a list established by the superintendent and the Controller to conduct an audit of its fiscal systems. If the fiscal systems are deemed to be inadequate, the superintendent may retain the trustee until the deficiencies are corrected. The cost of this audit and any additional cost of the trustee shall be borne by the district.

(5) Notwithstanding any other provision of law, all reports submitted to the trustee shall be public records.

(6) To facilitate the appointment of the trustee and the employment of any necessary staff, for the purposes of this section, the Superintendent of Public Instruction is exempt from the requirements of Article 6 (commencing with Section 999) of Chapter 6 of Division 4 of the Military and Veterans Code and Part 2 (commencing with Section 10100) of the Public Contracts Code.

(7) Notwithstanding any other provisions of law, the superintendent may appoint an employee of the State Department of Education to act as trustee for up to the duration of the trusteeship. The salary and benefits of that employee shall be established by the superintendent and paid by the school district. During the time of appointment, the employee shall be deemed an employee of the school district, but shall remain in the same retirement system under the same plan as if the employee had remained in the department. Upon the expiration or termination of the appointment, the employee shall have the right to return to his or her former position, or to a position at substantially the same level as that position, with the department. The time served in the appointment shall be counted for all purposes as if the employee had served that time in his or her former position with the department.

(b) The trustee appointed by the superintendent shall monitor and review the operation of the district. During the period of his or her service, the trustee may stay or rescind any action of the local

district governing board that, in the judgment of the trustee, may affect the financial condition of the district. The Superintendent of Public Instruction may establish timelines and prescribe formats for reports and other materials to be used by the trustee to monitor and review the operations of the district. The trustee shall approve or reject all reports and other materials required from the district as a condition of receiving the apportionment. The superintendent, upon the recommendation of the trustee, may reduce any apportionment to the district in an amount up to two hundred dollars ($200) per day for each late or unacceptable report or other material required under Part 24 (commencing with Section 41000), and shall report to the Legislature any failure of the district to comply with the requirements of this section. If the Superintendent of Public Instruction determines, at any time, that the fiscal plan approved for the district under Section 41320 is unsatisfactory, he or she may modify the plan as necessary, and the district shall comply with the plan as modified.

(c) At the request of the Superintendent of Public Instruction, the Controller shall transfer to the State Department of Education, from any apportionment to which the district would otherwise have been entitled pursuant to Section 42238, the amount necessary to pay the expenses incurred by the trustee and any associated costs incurred by the county superintendent of schools.

(d) For the fiscal year in which the apportionments are disbursed and each year thereafter, the Controller, or his or her designee, shall cause an audit to be conducted of the books and accounts of the district, in lieu of the audit required by Section 41020. At the Controller's discretion, the audit may be conducted by the Controller, his or her designee, or an auditor selected by the district and approved by the Controller. The costs of these audits shall be borne by the district. These audits shall be required until the Controller determines, in consultation with the Superintendent of Public Instruction, that the district is financially solvent, but in no event earlier than one year following the implementation of the plan or later than the time the apportionment made is repaid, including interest. In addition, the Controller shall conduct quality control reviews pursuant to subdivision (c) of Section 14504.2.

(e) For all purposes of errors and omissions liability insurance policies, the trustee appointed pursuant to this section shall be deemed to be an employee of the local education agency to which he or she is assigned. For the purpose of workers' compensation benefits, the trustee shall be deemed an employee of the local education agency to which he or she is assigned, except that a trustee appointed pursuant to paragraph (7) of subdivision (a) shall be deemed an employee of the State Department of Education for that purpose.

(f) Except for an individual appointed by the superintendent as trustee pursuant to paragraph (7) of subdivision (a), the state-appointed trustee shall be a member of the State Teachers'

Retirement System, if qualified, for the period of service as trustee, unless the trustee elects in writing not to become a member. A person who is a member or retirant of the State Teachers' Retirement System at the time of appointment shall continue to be a member or retirant of the system for the duration of the appointment. If the trustee chooses to become a member or is already a member, the trustee shall be placed on the payroll of the school district for the purposes of providing appropriate contributions to the system. The superintendent may also require that any individual appointed as trustee pursuant to paragraph (7) of subdivision (a) be placed on the payroll of the school district for purposes of remuneration, other benefits, and payroll deductions. For the purpose of workers' compensation benefits, the state-appointed trustee is deemed an employee of the local education agency to which he or she is assigned, except that a trustee who is appointed pursuant to paragraph (7) of subdivision (a) is deemed an employee of the State Department of Education for that purpose.

SEC. 6. Section 41326 of the Education Code is amended to read:

41326. (a) Notwithstanding any other provision of this code, the acceptance by a school district of an apportionment made pursuant to Section 41320 that exceeds an amount equal to 200 percent of the amount of the reserve recommended for that district under the standards and criteria adopted pursuant to Section 33127 shall constitute agreement by the district to the conditions set forth in this article. Prior to applying for an emergency apportionment in the amount identified in this subdivision, a school district governing board shall discuss the need for that apportionment at a regular or special meeting of the governing board and, at that meeting, shall receive testimony regarding the apportionment from parents, exclusive representatives of employees of the district, and other members of the community. For purposes of this article, "qualifying school district" means a school district that accepts a loan as described in this subdivision.

(b) The Superintendent of Public Instruction shall assume all the legal rights, duties, and powers of the governing board of a qualifying school district. The Superintendent of Public Instruction, in consultation with the county superintendent of schools, may appoint an administrator to act on his or her behalf in exercising the authority described in this subdivision and may, on a short-term basis employ any staff necessary to assist the administrator, including, but not limited to, a certified public accountant, as follows:

(1) The state-appointed administrator shall serve under the direction and supervision of the Superintendent of Public Instruction until terminated by the Superintendent of Public Instruction at his or her discretion. The superintendent shall consult with the county superintendent of schools before terminating the administrator.

(2) The state-appointed administrator shall have recognized

expertise in management and finance.

(3) To facilitate the appointment of the administrator and the employment of any necessary staff, for the purposes of this section, the Superintendent of Public Instruction is exempt from the requirements of Article 6 (commencing with Section 999) of Chapter 6 of Division 4 of the Military and Veterans Code and Part 2 (commencing with Section 10100) of the Public Contracts Code.

(4) Notwithstanding any other provisions of law, the superintendent may appoint an employee of the State Department of Education to act as administrator for up to the duration of the administratorship. The salary and benefits of that employee shall be established by the superintendent and paid by the school district. During the time of appointment, the employee shall be deemed an employee of the school district, but shall remain in the same retirement system under the same plan as if the employee had remained in the department. Upon the expiration or termination of the appointment, the employee shall have the right to return to his or her former position, or to a position at substantially the same level as that position, with the department. The time served in the appointment shall be counted for all purposes as if the employee had served that time in his or her former position with the department.

(c) For the period of time during which the Superintendent of Public Instruction exercises the authority described in subdivision (b), the governing board of the qualifying school district shall serve as an advisory body reporting to the state-appointed administrator, in which capacity no member of the governing board shall be paid or entitled to any stipend, benefits, or other compensation.

(d) Notwithstanding Section 35031 or any other provision of law, the employment of any district superintendent of schools, or deputy, associate, or assistant superintendent of schools, or other person employed in an equivalent capacity, whose duties include overseeing, managing, or otherwise directing the fiscal and budgetary operations of the school district, and who is employed by a school district under a contract of employment signed or renewed after the effective date of this article may be terminated by the state-appointed administrator, in accordance with appropriate notice and hearing procedures, if the employee fails to document, to the satisfaction of the state-appointed administrator, that prior to the date of that acceptance he or she either advised the governing board of the district, or his or her superior, that actions contemplated or taken by the governing board could result in the fiscal insolvency of the district, or took other appropriate action to avert that fiscal insolvency.

(e) The authority of the Superintendent of Public Instruction, and the state-appointed administrator, under this section shall continue until all of the following occur:

(1) Two complete fiscal years have elapsed following the district's acceptance of a loan as described in subdivision (a), or, at any time after one complete fiscal year has elapsed following that acceptance,

the state-appointed administrator determines, and so notifies the Superintendent of Public Instruction, that future compliance by the school district with the recovery plans approved pursuant to paragraph (2) is probable.

(2) The Superintendent of Public Instruction has approved all of the recovery plans referred to in subdivision (a) of Section 41327.

(3) The state-appointed administrator certifies that all necessary collective bargaining agreements have been negotiated and ratified, and that the agreements are consistent with the terms of the recovery plans.

(4) The district has completed all reports required by the Superintendent of Public Instruction.

(5) The Superintendent of Public Instruction determines that future compliance by the school district with the recovery plans approved pursuant to paragraph (2) is probable.

(f) When the conditions stated in subdivision (e) have been met, the school district governing board shall regain all of its legal rights, duties, and powers, except for the powers held by the trustee provided for pursuant to Article 2 (commencing with Section 41320). The Superintendent of Public Instruction shall then appoint a trustee under Section 41320.1 to monitor and review the operations of the district until the conditions of subdivision (b) of that section have been met.

(g) Notwithstanding subdivision (f), if the district violates any provision of the recovery plans approved by the Superintendent of Public Instruction pursuant to this article, the superintendent may reassume, either directly or through an administrator appointed in accordance with this section, all of the legal rights, duties, and powers of the governing board of the district. The Superintendent of Public Instruction shall return to the school district governing board all of its legal rights, duties, and powers reassumed under this subdivision when he or she determines that future compliance with the approved recovery plans is probable, or after a period of one year, whichever occurs later.

(h) Article 2 (commencing with Section 41320) shall apply except as otherwise specified in this article.

(i) It is the intent of the Legislature that the legislative budget subcommittees annually conduct a review of each qualifying school district that includes an evaluation of the financial condition of the district, the impact of the recovery plans upon the district's educational program, and the efforts made by the state-appointed administrator to obtain input from the community and the governing board of the district.

SEC. 7. Section 41328 of the Education Code is amended to read:

41328. (a) The school district shall bear 60 percent, and the county office of education of the county in which the district is located shall bear 40 percent, not to exceed three times the amount of funding made available to implement Article 2 (commencing with Section 42120) of Chapter 6, of all costs associated with implementing

the provisions of this article, including, as to a loan as described in subdivision (a) of Section 41326, the provisions of Article 2 (commencing with Section 41320). The Superintendent of Public Instruction shall withhold from the apportionments to be made from the State School Fund to the district and to the county office of education, respectively, the amounts due pursuant to this subdivision. The costs referred to in this subdivision do not include the principal and interest on the emergency apportionment, which shall be paid by the district in accordance with this article.

(b) Notwithstanding subdivision (a), the district receiving the loan shall pay all costs associated with the implementation of this article, if either of the following occurs:

(1) The county office of education, in which the district is located, seeks and is granted a waiver from the State Board of Education based on financial hardship. The waiver may be granted if the state board finds that the payment of the costs required by subdivision (a) will compel the county office of education to seek a loan from the Legislature in order to meet its financial obligations. As part of the waiver request, the county superintendent of schools and the county board of education shall both certify that the financial hardship exists. The waiver is only applicable in the fiscal year in which it is granted.

(2) The county office of education, in which the district is located, seeks and is granted a waiver from the state board based on its implementation and compliance with Sections 42127, 42127.1, 42127.2, 42127.3, 42127.6, and 42131. This waiver shall be applicable until the loan is paid off by the district.

(c) In order to determine whether to grant either of the waivers allowed in subdivision (b), the state board shall receive input and recommendations exclusively from the district, the county office involved, and the county office fiscal crisis and management assistance team established by Section 42127.8. This input shall include, but not be limited to, the reasons the waiver should or should not be granted.

(d) The state-appointed administrator shall be deemed an employee of the qualifying school district for all purposes of errors and omissions liability insurance policies.

(e) Except for an individual appointed as administrator by the superintendent pursuant to paragraph (4) of subdivision (b) of Section 41326, an administrator appointed pursuant to that section shall be a member of the State Teachers' Retirement System, if qualified, for the period of service as administrator, unless the administrator elects in writing not to become a member. A person who is a member or retirant of the State Teachers' Retirement System at the time of appointment shall continue to be a member or retirant of the system for the duration of the appointment. If the administrator chooses to become a member or is already a member, the administrator shall be placed on the payroll of the school district for the purposes of providing appropriate contributions to the

system. The superintendent may also require that any individual appointed as administrator pursuant to Section 41326 be placed on the payroll of the school district for purposes of remuneration, other benefits, and payroll deductions. For the purpose of workers' compensation benefits, the state-appointed administrator shall be deemed an employee of the local education agency to which he or she is assigned, except that an administrator appointed pursuant to paragraph (4) of subdivision (b) of Section 41326 shall be deemed an employee of the State Department of Education for that purpose.

(f) This section shall become operative on July 1, 1993.

SEC. 8. Section 42103.3 of the Education Code is amended to read:

42103.3. In the 1994–95 fiscal year, and thereafter in every third fiscal year, the State Department of Education shall request, from a representative sampling of school districts throughout the state, a copy of the budget information provided to the public by each of those districts regarding school operating costs and revenue projections. Based on that information, the department shall communicate to all school districts any improvements suggested by the department to make the information more useful to school districts and to members of the public.

SEC. 9. Section 42127.3 of the Education Code is amended to read:

42127.3. (a) If the budget review committee established pursuant to Sections 42127.1 and 42127.2 recommends approval of the school district budget, the county superintendent of schools shall accept the recommendation of the budget review committee and approve the budget.

(b) If the budget review committee established pursuant to Sections 42127.1 and 42127.2 disapproves the school district budget, the school district governing board, not later than five working days after receipt of the report described in paragraph (2) of subdivision (b) of Section 42127.2, may submit a response to the Superintendent of Public Instruction, including any revisions to the adopted final budget and any other proposed actions to be taken as a result of the recommendations of the budget review committee. Based upon the recommendations of the budget review committee, and any response to those recommendations provided by the school district governing board, the Superintendent of Public Instruction shall either approve or disapprove the budget. If the Superintendent of Public Instruction disapproves the budget, he or she shall notify the school district governing board in writing of the reasons for that disapproval and, for the remainder of the current fiscal year, the county superintendent of schools shall do the following as necessary:

(1) Not later than November 30, develop and adopt, in consultation with the Superintendent of Public Instruction and the school district governing board, a fiscal plan and budget that will govern the district and will allow the district to meet its financial obligations, both in the current fiscal year and with regard to the

district's multiyear financial commitments. The governing board of the district shall govern the operation of the district for the current fiscal year in accordance with that adopted budget.

(2) Cancel purchase orders, prohibit the issuance of nonsalary warrants, and otherwise stay or rescind any action that is inconsistent with the budget adopted pursuant to paragraph (1). The county superintendent of schools shall inform the school district governing board in writing of his or her justification for any exercise of authority under this paragraph.

(3) Monitor and review the operation of the district.

(4) Determine the need for additional staff and may employ, subject to approval by the Superintendent of Public Instruction, short-term analytical assistance or expertise to validate financial information if the district staff does not have the expertise or staff.

(5) Require the district to encumber all contracts and other obligations, to prepare appropriate cash flow analyses and monthly or quarterly budget revisions, and to appropriately record all receivables and payables.

(6) Determine whether there are any financial problem areas and may employ, subject to approval by the Superintendent of Public Instruction, a certified public accounting firm to investigate financial problem areas.

(7) Withhold compensation of the members of the governing board and the district superintendent for failure to provide requested financial information. A forfeiture may be appealed to the Superintendent of Public Instruction pursuant to subdivision (b) of Section 42127.6.

(c) If, during the selection of the budget review committee or during the committee's review of the budget, an agreement is reached between the governing board of the school district and the county superintendent of schools, and the school district revises its budget to comply with this agreement, the county superintendent of schools shall approve the district budget and the budget review committee selection, or its review of the budget, shall be canceled.

(d) The school district shall pay 75 percent and the county office of education shall pay 25 percent of the actual administrative expenses incurred pursuant to subdivision (b), or costs associated with improving the district's financial management practices. The Superintendent of Public Instruction shall develop, and distribute to affected school districts and county offices of education, advisory guidelines regarding the appropriate amount of any fees charged pursuant to this subdivision.

(e) This section shall not be construed to authorize the county superintendent of schools to abrogate any provision of a collective bargaining agreement that was entered into by a school district prior to the date upon which the county superintendent of schools disapproved the budget of the school district pursuant to subdivision (b).

SEC. 10. Section 42127.6 of the Education Code is amended to

read:

42127.6. (a) If at any time during the fiscal year the county superintendent of schools determines that a school district may be unable to meet its financial obligations for the current or two subsequent fiscal years or if a school district has a qualified or negative certification pursuant to Section 42131, he or she shall notify the school district governing board and the Superintendent of Public Instruction in writing of that determination, the basis for the determination, and shall do any or all of the following, as necessary, to ensure that the district meets it financial obligations:

(1) Assign a fiscal expert, paid for by the county superintendent, to advise the district on its financial problems.

(2) Conduct a study of the financial and budgetary conditions of the district. If, in the course of this review, the county superintendent determines that his or her office requires analytical assistance or expertise that is not available through the district, he or she may employ, on a short-term basis, with the approval of the Superintendent of Public Instruction, staff, including certified public accountants, to provide the assistance and expertise. The school district shall pay 75 percent and the county office of education shall pay 25 percent of these staff costs.

(3) Direct the school district to submit a financial projection of all fund and cash balances of the district as of June 30 of the current year and subsequent fiscal years as he or she requires.

(4) Require the district to encumber all contracts and other obligations, to prepare appropriate cash flow analyses and monthly or quarterly budget revisions, and to appropriately record all receivables and payables.

(5) Direct the district to submit a proposal for addressing the fiscal conditions that resulted in the determination that the district may not be able to meet its financial obligations.

(6) Withhold compensation of the members of the governing board and the district superintendent for failure to provide requested financial information. This action may be appealed to the Superintendent of Public Instruction pursuant to subdivision (b).

Any contract entered into by a county superintendent of schools for the purposes of this subdivision is subject to the approval of the Superintendent of Public Instruction.

(b) Within five days of the county superintendent making the determination specified in subdivision (a), a school district may appeal the basis of the determination, and any of the proposed actions that the county superintendent has indicated that he or she will take to further examine the financial condition of the district. The Superintendent of Public Instruction shall sustain or deny any or all parts of the appeal within 10 days.

(c) If, after taking the actions identified in subdivision (a), the county superintendent determines that a district will be unable to meet its financial obligations for the current or subsequent fiscal year, he or she shall notify the school district governing board and

the Superintendent of Public Instruction in writing of that determination and the basis for that determination.

(d) Within five days of the county superintendent making the determination specified in subdivision (c), a school district may appeal that determination to the Superintendent of Public Instruction. The Superintendent of Public Instruction shall sustain or deny the appeal within 10 days.

(e) If the appeal described in subdivision (d) is denied, not filed, or the district has a negative certification pursuant to Section 42131, the county superintendent, in consultation with the Superintendent of Public Instruction, shall, as necessary to enable the district to meet its financial obligation, do one or more of the following:

(1) Develop and impose, in consultation with the Superintendent of Public Instruction and the school district governing board, revisions to the school district budget that will enable the district to meet its financial obligations.

(2) Stay or rescind any action that is inconsistent with any revision adopted pursuant to paragraph (1). The county superintendent of schools shall inform the school district governing board in writing of his or her justification for any exercise of authority under this paragraph.

(3) Assist in developing, in consultation with the school district governing board, a financial plan that will enable the district to meet its future obligations.

(f) This section does not authorize the county superintendent to abrogate any provision of a collective bargaining agreement that was entered into by a school district prior to the date upon which the county superintendent of schools assumed authority pursuant to subdivision (e).

(g) The school district shall pay 75 percent and the county office of education shall pay 25 percent of the administrative expenses incurred pursuant to subdivision (e) or costs associated with improving the district's financial management practices. The Superintendent of Public Instruction shall develop, and distribute to affected school districts and county offices of education, advisory guidelines regarding the appropriate amount of administrative expenses charged pursuant to this subdivision.

(h) Notwithstanding Section 42647 or 42650, or any other provision of law, a county treasurer shall not honor any warrant when, pursuant to Sections 42127 to 42127.6, inclusive, the county superintendent of schools or the Superintendent of Public Instruction, as appropriate, has disapproved that warrant, or has disapproved the order on school district funds for which a warrant was prepared.

SEC. 11. Section 42131 of the Education Code is amended to read:

42131. (a) (1) Pursuant to the reports required by Section 42130, the governing board of each school district shall certify, in writing, within 45 days after the close of the period being reported, whether or not the school district is able to meet its financial

obligations for the remainder of the fiscal year and, based on current forecasts, for the subsequent fiscal year. These certifications shall be based upon the board's assessment, on the basis of standards and criteria for fiscal stability adopted by the State Board of Education pursuant to Section 33127, of the district budget, as revised to reflect current information regarding the adopted state budget, district property tax revenues pursuant to Sections 95 to 100, inclusive, of the Revenue and Taxation Code, and ending balances for the preceding fiscal year as reported pursuant to Section 42100. The certifications shall be classified as positive, qualified, or negative, as prescribed by the Superintendent of Public Instruction for the purposes of determining subsequent actions by the Superintendent of Public Instruction, the Controller, or the county superintendent of schools, pursuant to subdivisions (b) and (c). These certifications shall be based upon the financial and budgetary reports required by Section 42130 but may include additional financial information known by the governing board to exist at the time of each certification. For purposes of this subdivision, a negative certification shall be assigned to any school district that, based upon current projections, will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year. A qualified certification shall be assigned to any school district that, based upon current projections, may not meet its financial obligations for the current fiscal year or two subsequent fiscal years. A positive certification shall be assigned to any school district that, based upon current projections, will meet its financial obligations for the current fiscal year and subsequent two fiscal years.

(2) A copy of each certification and a copy of the report submitted to the governing board pursuant to Section 42130 shall be filed with the county superintendent of schools. If a county office of education receives a positive certification when it determines a negative or qualified certification should have been filed, the county superintendent of schools shall change the certification to negative or qualified, as appropriate, and, no later than 75 days after the close of the period being reported, shall provide notice of that action to the governing board of the school district and to the Superintendent of Public Instruction. No later than five days after a school district receives notice of a change by the county superintendent of schools in the district's certification to negative or qualified, the governing board of the district may submit an appeal to the Superintendent of Public Instruction regarding the validity of that change, in accordance with the criteria applied to those designations pursuant to this subdivision. No later than 10 days after receiving that appeal, the Superintendent of Public Instruction shall determine the certification to be assigned to the district, and shall notify the school district governing board and the county superintendent of schools of that determination.

Copies of any certification in which the governing board is unable to certify unqualifiedly that these financial obligations will be met

and a copy of the report submitted to the governing board pursuant to Section 42130 shall be sent by the county office of education to the Controller and the Superintendent of Public Instruction at the time of the certification, together with a completed transmittal form provided by the Superintendent of Public Instruction. Within 75 days after the close of the reporting period on all school district certifications that are classified as qualified or negative pursuant to this section, the appropriate county superintendent of schools shall submit to the Superintendent of Public Instruction and the Controller his or her comments on those certifications and report any action proposed or taken pursuant to subdivision (b).

(3) All reports and certifications required under this subdivision shall be in a format or on forms prescribed by the Superintendent of Public Instruction, and shall be based on standards and criteria for fiscal stability adopted by the State Board of Education pursuant to Section 33127.

(4) This subdivision shall not preclude the submission of additional budgetary or financial reports by the county superintendent of schools to the district governing board, or to the Superintendent of Public Instruction.

(b) As to any school district having a negative or qualified certification, the county superintendent of schools shall exercise his or her authority, as necessary, pursuant to Section 42127.6.

(c) Within 75 days after the close of each reporting period, each county superintendent of schools shall report to the Controller and the Superintendent of Public Instruction as to whether the governing board of each of the school districts under his or her jurisdiction has submitted the certification required by subdivision (a). That report shall account for all districts under the jurisdiction of the county office of education and indicate the type of certification filed by each district.

(d) The Controller's office may conduct an audit or review of the fiscal condition of any district having a negative or qualified certification.

(e) The governing board of each school district that files a qualified or negative certification for the second report required for any fiscal year under Section 42130, or for which the second report is classified as qualified or negative by the county superintendent of schools, shall provide to the county superintendent of schools, the Controller, and the Superintendent of Public Instruction no later than June 1, a financial statement that projects the fund and cash balances of the district as of June 30. The governing boards of all other school districts are encouraged to develop a similar financial statement for use in developing the beginning fund balances of the district for the ensuing fiscal year.

(f) Any school district for which the county board of education serves as the governing board is not subject to subdivisions (a) to (f), inclusive, but is governed instead by the interim report, monitoring, and review procedures set forth in subdivision (j) of Section 1240 and

in Article 2 (commencing with Section 1620) of Chapter 5 of Part 2.

(d) It is the intent of the Legislature that the off-highway recreational use, to be determined by the Department of Transportation pursuant to this section, be that usage by vehicles subject to registration under Division 3 (commencing with Section

4000) of the Vehicle Code, for recreation or the pursuit of recreation on surfaces where the use of vehicles registered under Division 16.5 (commencing with Section 38000) of the Vehicle Code may occur.

SEC. 5. Section 38225 of the Vehicle Code, as amended by Section 6 of Chapter 964 of the Statutes of 1992, is amended to read:

CHAPTER 3. BONDS OF SCHOOL FACILITIES IMPROVEMENT DISTRICTS

Article 1. General Provisions

15300. This chapter provides a method for the formation of school facilities improvement districts consisting of a portion of the territory within a school district and for the issuance of general obligation bonds by a school facilities improvement district.

15301. (a) Any school district that has a community facilities district formed pursuant to the Mello-Roos Community Facilities Act of 1982, as set forth in Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5 of the Government Code, that has as one of its purposes the construction of school facilities within a portion of the territory of the school district, may proceed under this chapter.

(b) The boundaries of any school facilities improvement district formed pursuant to this chapter shall include all of the portion of the territory within the boundaries of the school district that is not located within the boundaries of the community facilities district as described in subdivision (a).

15302. General obligation bonds of the school facilities improvement district may be issued for the following purposes, if the purpose of the bonds is to benefit the land within the school facilities improvement district consistent with any of the following:

Article 2. Formation of District

15320. Whenever the governing board of a school district meeting the requirements set forth in Section 15301 determines that a school facilities improvement district is necessary, the governing board shall adopt a resolution of intention that states all of the following:

(a) The intention of the governing board to form the proposed school facilities improvement district.

(b) The purpose for which the proposed school facilities improvement district is to be formed, consistent with the requirements set forth in Section 15302.

(c) The estimated cost of the school facilities improvement project.

(d) That any taxes levied for the purpose of financing the general obligation bonds issued to finance the project shall be levied exclusively upon the lands in the proposed school facilities improvement district.

(e) That a map showing the exterior boundaries of the proposed school facilities improvement district is on file with the governing board of the school district and is available for inspection by the public. The boundaries of the school facilities improvement district shall meet the requirements set forth in subdivision (b) of Section 15301.

(f) The time and place for a hearing by the governing board on the formation of the proposed school facilities improvement district.

(h) That any interested persons, including all persons owning lands in the school district or in the proposed school facilities

improvement district, may appear and be heard.

15321. Notice of the hearing shall be given by publishing a copy of the resolution of intention in a newspaper of general circulation published in each affected county, pursuant to Section 6066 of the Government Code, the first publication shall be at least 14 days prior to the time fixed for the hearing. The notice shall also be given by posting a copy of the resolution in three public places located within the proposed school facilities improvement district for at least 14 days prior to the time fixed for the hearing. No notice other than that required by this section need be given.

15322. The governing board of the school district shall hold the hearing provided for by resolution of intention at the time and place fixed by that resolution. Any interested person, including, but not limited to, all persons owning land in the school district, or in the proposed school facilities improvement district, may appear and be heard concerning any matters set forth in the resolution of intention.

15323. At the hearing, the governing board of the school district may adopt a resolution proposing modifications, consistent with Section 15302, of the purpose stated in the resolution of intention. A resolution proposing modification shall describe the proposed modifications, state the change, if any, in the estimated cost of carrying out the purpose, and shall fix a time and place for hearing by the governing board.

15324. The governing board of the school district shall publish the resolution proposing the modifications to the resolution of intention once in the same newspaper in which the resolution of intention was published at least 14 days prior to the date of hearing on the proposed modifications.

15325. The hearing on any proposed modifications may be held at the same time and place as any continued hearing on the resolution of intention and both hearings may be held and conducted concurrently.

15326. At the conclusion of the hearing on the resolution of intention and of the hearing, if any, upon proposed modifications, the governing board may by resolution order the school facilities improvement district formed for the purpose and with the boundaries described in the resolution of intention, and, if relevant, the resolution proposing modifications. The resolution ordering the school facilities improvement district formed shall state the estimated cost of carrying out the purpose described in the resolution. The resolution shall also number and designate the school facilities improvement district substantially as "School Facilities Improvement District of _____ School District."

15327. The governing board of the school district in which a school facilities improvement district has been formed shall have the same rights, powers, duties and responsibilities with respect to the formation and government of school facilities improvement district as the governing board has with respect to the school district.

Article 3. Financing the Bonds

15330. The total amount of bonds issued shall not exceed 1.25 percent of the taxable property of the school facilities improvement district as shown by the last equalized assessment of the county or counties in which the school facilities improvement district is located. For purposes of this section, the taxable property of a school facilities improvement district for any fiscal year shall be calculated to include, but not be limited to, the assessed value of all unitary and operating nonunitary property located within the school facilities improvement district, which shall be derived by dividing the gross assessed value of the unitary and operating nonunitary property located within the school facilities improvement district for the fiscal year by the gross assessed value of all unitary and operating nonunitary property located within the county in which the school facilities improvement district is located for the fiscal year, and multiplying that result by the gross assessed value of all unitary and operating nonunitary property of the county on the last equalized assessment roll.

15331. Notwithstanding any other provision of law, for the purpose of computing the limit on the amount of bonds that may be issued by a school facilities improvement district pursuant to the provisions of this chapter, the taxable property of the school facilities improvement district shall be determined upon the basis that the school facilities improvement district's assessed value has not been reduced by the exemption of the assessed value of business inventories in the school facilities improvement district or reduced by the homeowner's property tax exemption.

15332. Notwithstanding Section 15330, any school facilities improvement district that is located within the boundaries of a unified school district may issue bonds not to exceed 2.5 percent of the taxable property of the school facilities improvement district as shown by the last equalized assessment of the county or counties in which the school facilities improvement district is located.

In computing the outstanding bonded indebtedness of any school facilities improvement district that is located in any unified school district, any outstanding bonds shall be deemed to have been issued for elementary school purposes, high school purposes, respectively, in the respective amounts that the proceeds of the sale of those outstanding bonds, excluding any premium and accrued interest received on that sale, were or have been allocated by the governing board of the unified school district to each of those purposes respectively.

For purposes of this section, the taxable property of a school facilities improvement district for any fiscal year shall be calculated to include, but not be limited to, the assessed value of all unitary and operating nonunitary property located within the school facilities improvement district, which shall be derived by dividing the gross assessed value of the unitary and operating nonunitary property

located within the district for the fiscal year by the gross assessed value of all unitary and operating nonunitary property located within the county in which the district is located for the fiscal year, and multiplying the result by the gross assessed value of all unitary and operating nonunitary property of the county on the last equalized assessment roll.

15333. In computing the limitation of indebtedness of any school facilities improvement district, hereinafter in this section referred to as the "bonding district," the outstanding indebtedness of any previously existing district all or any part of which forms a component part of the bonding district and the outstanding indebtedness of any district for which any territory that has become a part of the bonding district is liable shall be excluded and shall not be deemed, for the purposes of computing the limitation of indebtedness under Sections 15330 and 15332, to constitute outstanding indebtedness of the bonding district, except to the extent that the outstanding indebtedness has been expressly assumed by the bonding district by vote of not less than two-thirds of the electors of the bonding district voting at an election at which the proposition of assuming the indebtedness is voted upon. Nothing in this section shall operate to release any property from liability for taxes to pay the principal and interest of indebtedness incurred by any component district or for which any territory that has become a part of the bonding district is liable and in which the taxable property is located at the time of the incurring of the indebtedness. It is the intent of the Legislature to provide in this section a special method of computing the limitation of indebtedness of school facilities improvement districts irrespective of liability of the area embraced within the school districts for the payment of any bonded indebtedness.

15334. For the purpose of determining the limitation of indebtedness of a school facilities improvement district under Section 15330 or 15332, that portion of the bonded indebtedness of the school facilities improvement district for which another district or territory in another district is liable shall be excluded and shall not be deemed to constitute outstanding bonded indebtedness of the school facilities improvement district.

15335. An action to determine the validity of bonds and of the ordering of the improvement or acquisition may be commenced pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure. In the action, all findings, conclusions and determinations of the legislative body that conducted the proceedings shall be conclusive in the absence of actual fraud.

15336. Within 30 days after the end of each fiscal year, the governing board of the school district in which the school facilities improvement district is located shall submit a report containing the following information relating to an election held pursuant to Article 4 (commencing with Section 15340), to the county superintendent

of schools who has jurisdiction over the school district:

(a) The total amount of the bond issue, bonded indebtedness, or other indebtedness involved.

(b) The percentage of qualified electors who are residents of the school facilities improvement district who voted at the election.

(c) The results of the election, with the percentage of votes cast for and against the proposition involved.

Article 4. General Provisions for Bond Elections

15340. (a) After adopting the resolution ordering the formation of the school facilities improvement district, the governing board may provide for and call a special bond election within the school facilities improvement district to, or may at the next statewide election, submit to the voters of the school facilities improvement district a proposition of whether or not an indebtedness of the district shall be incurred and bonds issued therefor in an amount not exceeding the estimate stated in the resolution ordering the school facilities improvement district formed.

(b) The indebtedness and the bonds shall be payable from taxes to be levied and collected upon lands located within the school facilities improvement district.

15341. Notwithstanding any provision of law, no election shall be held pursuant to this chapter within 45 days before a statewide election or within 45 days after a statewide election unless conducted at the same time as the statewide election, subject to the provisions of Part 2.5 (commencing with Section 23300) of Division 14 of the Elections Code.

15342. Any one or more of the purposes enumerated in Section 15302, except that of refunding any outstanding valid indebtedness of the school facilities improvement district evidenced by bonds, may, by order of the governing board of the school district in which the school facilities improvement district is located, be united and voted upon in a single proposition.

15343. The election shall be conducted as provided in Chapter 3 (commencing with Section 5300) of Part 4 except:

(a) As otherwise provided in this chapter.

(b) That the formal notice of the election shall contain and specify, in addition to the items specified in Section 5361:

(1) The purposes for which the bonds are to be issued.

(2) The amount of the bonds.

(3) The maximum rate of interest, not to exceed the maximum rate of interest allowed by Article 5 (commencing with Section 15350).

(4) The maximum number of years, not to exceed 25, not to exceed which the bonds or any series thereof are to run.

(c) No election shall be held under the provisions of this section in any school facilities improvement district for a period of 90 days after an election in the same school facilities improvement district.

15344. Any election called pursuant to this chapter may be consolidated with any other election pursuant to the provisions of Part 2.5 (commencing with Section 23300) of Division 14 of the Elections Code.

15345. Any qualified elector who is a resident of the territory of the school facilities improvement district may vote on the proposition of issuing bonds of the school facilities improvement district.

15346. The words to appear upon the ballots shall be "Bonds—Yes" and "Bonds—No," or words of similar import. Each elector voting at the election shall mark a cross with a rubber stamp after the answer he or she desires to give. A brief statement of the proposition, setting forth the amount of the bonds to be voted upon, the maximum rate of interest, and the purposes for which the proceeds of the sale of the bonds are to be used, shall be printed upon the ballot. No defect in the statement other than in the statement of the amount of the bonds to be authorized shall invalidate the bonds election.

15347. Unless otherwise specified in this chapter, the form and details of all ballots at school facilities improvement elections shall comply with ballot provisions of Part 4 (commencing with Section 2400) of the Government Code.

15348. The proposition shall be deemed approved upon approval by two-thirds of the votes cast by voters voting on the proposition of issuing bonds of the school facilities improvement district.

15349. If it appears from the certificate of election results that two-thirds of the votes cast by the voters voting on the proposition of issuing bonds of the school facilities improvement district are in favor of issuing the bonds, the governing board of the school district in which the school facilities improvement district is located shall cause an entry of that fact to be made upon its minutes. The governing board of that school district shall then certify to the board of supervisors of the county whose superintendent of schools has jurisdiction over the school district, all proceedings had in the premises. The county superintendent of schools shall send a copy of the certificate of election results to the board of supervisors of the county.

15349.1. The proceedings relating to the authorization of bonds of a school facilities improvement district that is located within a joint school district of any type need be certified only to the board of supervisors of the county whose superintendent of schools has jurisdiction over the school district in which the school facilities improvement district exists. The board of supervisors may issue and sell the bonds and no action of the board of supervisors of any other county in which the school board is situated shall be required in connection with the issuance and sale of the bonds, and the bonds need not be signed by any officer of any other county.

15349.2. No error, irregularity, or omission that does not affect the substantial rights of the taxpayers within the school facilities

improvement district or the qualified electors voting at any election at which bonds of any school facilities improvement district are authorized to be issued shall invalidate the election or any bonds authorized by that election.

Article 5. Issuance and Sale of Bonds

15350. Bonds of a school facilities improvement district shall be offered for sale by the board of supervisors of the county in which the county superintendent of schools has jurisdiction over the school district in which the school facilities improvement district is located as soon as possible, when appropriate, following receipt of a resolution duly adopted by the governing board of that school district. The resolution shall prescribe the total amount of bonds to be sold. The resolution may also prescribe the maximum acceptable interest rate, not to exceed 8 percent, and the time or times when the whole or any part of the principal of the bonds shall be payable, which shall not be more than 25 years from the date of the bonds.

15351. When authorized by the governing board of the school district in which the school facilities improvement district is located, bonds of the school facilities improvement district may be offered for sale as a group by the board of supervisors of the county in which the county superintendent of schools has jurisdiction over the school district in which the school facilities improvement district is located, at a time determined by the board of supervisors following receipt of a resolution duly adopted by the governing board of that school district. The resolution shall prescribe the total amount of bonds to be sold. The resolution may also prescribe the maximum acceptable interest rate, not to exceed 8 percent, and the time or times when the whole or any part of the principal of the bonds shall be payable, which shall not be more than 25 years from the date of the bonds. Bidders shall be required to bid a lump-sum bid on all bonds as a group. If bids satisfactory to the governing board of each school district in which a school facilities improvement district is located are received, the bonds offered for sale shall be awarded to the bidder whose bid will result in the lowest net interest cost for the group or for the bonds of any district included within the group. Bonds shall be issued and sold in the name of each school facilities improvement district in the same manner as provided in this chapter.

15352. The bonds shall be issued in the name of the school facilities improvement district and shall be designated "Bonds of the School Facilities Improvement District of the _____ School District" and each bond and all interest coupons shall state that the tax for the payment thereof shall be limited to annual taxes to be levied upon and collected from the lands within the school facilities improvement district.

15353. The bonds shall be issued in the denomination or denominations as the board of supervisors of the county in which the county superintendent of schools has jurisdiction over the school

district in which the school facilities improvement district is located may prescribe.

15354. The bonds shall not bear a rate of interest greater than 8 percent per annum, payable annually or semiannually.

15355. The number of years the whole or any part of the bonds are to run shall not exceed 25 years, from the date of the bonds or the date of any series thereof.

15356. (a) The board of supervisors of the county in which the county superintendent of schools has jurisdiction over the school district in which the school facilities improvement district is located shall prescribe the form of the bonds by an order entered upon its minutes. The bonds shall be signed by the chairperson of the board of supervisors, or by any other member thereof as the board of supervisors shall, by resolution adopted by a four-fifths vote of all its members, authorize and designate for that purpose, and also signed by the treasurer of the county, and shall be countersigned by the clerk of the board of supervisors or by a deputy of either of the officers. Unless the board of supervisors otherwise provides, all the signatures and countersignatures may be printed, lithographed, engraved, or otherwise mechanically reproduced except that one of the signatures or countersignatures to the bonds shall be manually affixed. Any signature may be affixed in accordance with the provisions of the Uniform Facsimile Signatures of Public Officials Act, Chapter 6 (commencing with Section 5500) of Title 1 of the Government Code. All expenses incurred for the preparation, sale, and delivery of the school facilities improvement bonds, including but not limited to, fees of an independent financial consultant, the publication of the official notice of sale of the bonds, the preparation, printing, and distribution of the official statement, the obtaining of a rating, the purchase of insurance insuring the prompt payment of interest and principal, the preparation of the certified copy of the transcript for the successful bidder, the printing of the bonds, and legal fees of independent bond counsel retained by the school facilities improvement district issuing the bonds are legal charges against the funds of the school facilities improvement district issuing the bonds and may be paid from the proceeds of sale of the bonds.

(b) Notwithstanding subdivision (a), the board of supervisors may, in its discretion, determine that all of the required signatures and countersignatures shall be by facsimiles, provided, however, that the bonds shall not be valid or become obligatory for any purpose until manually signed by an authenticating agent duly appointed by the board or its authorized designee.

15357. The board of supervisors shall establish within the country treasury a school facilities improvement fund for each school facilities improvement district the purpose of depositing the proceeds of the bonds issued pursuant to this chapter. The board of supervisors shall also establish within the county treasury a school facilities improvement bond interest and sinking fund for each school facilities improvement district.

15358. The bonds shall be issued by the board of supervisors, payable out of the interest and sinking fund of the school facilities improvement district. The board of supervisors, in its discretion, and without further authorization from the governing board of the school district in which the school facilities improvement district is located, may sell the bonds at a negotiated sale or by competitive bidding. The bonds may be sold at a discount not to exceed 5 percent and at an interest rate not exceeding the maximum permitted by Section 15354. If the sale is by competitive bid, the board of supervisors shall comply with the provisions of Sections 15359 and 15359.1. The bonds shall be sold by the board of supervisors no later than the date designated by the governing board of the school district in which the school facilities improvement district is located as the final date for the sale of the bonds. The proceeds of the sale of the bonds, exclusive of any premium received, shall be deposited in the county treasury to the credit of the school facilities improvement fund of the school facilities improvement district. The proceeds deposited shall be drawn out as necessary to finance the purposes approved by the voters pursuant to this chapter. The bond proceeds withdrawn shall not be applied to any other purposes than those for which the bonds were issued. Any premium or accrued interest received from the sale of the bonds shall be deposited in the interest and sinking fund of the county treasury established for the school facilities improvement district.

15359. Before selling the bonds, or any part of them, the board of supervisors as appropriate, shall advertise for bids at least two weeks in some daily or weekly newspaper of general circulation published in the county whose county superintendent of schools has jurisdiction over the governing board of the school district in which the school facilities improvement district is located or if there is no newspaper published in the county, in a newspaper published in some other county in the state having a general circulation in the county.

15359.1. If satisfactory bids are received, the bonds offered for sale shall be awarded to the highest responsible bidder or bidders, and the county clerk shall prepare and certify to all of the proceedings on file in his or her office relative to the issuance and sale of the bonds, which transcript of proceedings shall be delivered to the successful bidder or bidders without charge. If no bids are received, or if the board determines that the bids received exceed either the maximum acceptable interest rate prescribed by the governing board or the maximum rate prescribed by Section 15353, or that they are not satisfactory as to price or responsibility of the bidders, the board may reject all bids received, if any, and without further authorization from the governing board of the school district in which the school facilities improvement district is located, either readvertise or sell the bonds at private sale.

For the purpose of determining whether or not a bid exceeds the maximum acceptable interest rate, the interest rate of that bid shall

be deemed to be the interest rate resulting from the total net interest cost arrived at by computing the total amount of interest that the school facilities improvement district would be required to pay from the date of the bonds to the respective maturity dates thereof at the rate or rates specified in the bid and by deducting therefrom any premium bid.

15359.2. The issuing school facilities improvement district, by action of the governing board of the school district in which the school facilities improvement district is located, may prepare, or have prepared, bond brochures to serve as a prospectus for bond buyers to assist in the satisfactory sale of the bonds, the expense of the brochures shall be payable out of the funds of the district. The brochures may be prepared only after the issuance of the bonds to be sold has been approved by the electors of the school facilities improvement district pursuant to Article 4 (commencing with Section 15340).

The issuing school facilities improvement district by action of the governing board in which the school facilities improvement district is located may expend funds of the school facilities improvement district for the purposes of advertising the availability of the bonds for purchase in any publication or newspaper that in the opinion of that governing board will give notice to prospective bond buyers that the bonds are available for purchase by bond buyers.

Article 6. Required Form of Bonds

15360. Notwithstanding any other provision of law, whenever any bonds are issued pursuant to this chapter, the bonds may be issued either in the form of coupon bonds, or in the form of registered bonds, or some in the form of coupon bonds and some in the form of registered bonds, as may be provided in the proceedings for the issuance of the bonds.

15361. If any officer whose signature, countersignature, or attestation appears on any school facilities improvement bonds or coupons ceases to be an officer before the delivery of the bonds to the purchaser, the signature, countersignature, or attestation either on the bonds or the coupons, or on both, is valid and sufficient for all purposes as if the officer had remained in office until the delivery of the bonds, and the signature upon the coupons of the person who is auditor at the date of the bonds, is valid although the bonds themselves may be attested by a different person who is auditor at the time of delivery of the bonds.

15362. Any bonds executed in the manner provided by the board of supervisors shall be valid, notwithstanding any change in the officers who signed the bonds or the coupons, or in the seal of the board of supervisors, occurring after the execution.

Article 7. Registration of Bonds

15370. Whenever the owner of any coupon bond or of any bond payable to bearer presents the bond to the treasurer or other officer of the county in which the school facilities improvement bonds are issued is located, who by law performs the duties of treasurer, with a request for the conversion of the bond into a registered bond, the treasurer or other officer shall cut off and cancel the coupons of the coupon bond, and shall stamp, print, or write upon the coupon bond or other bond payable to the bearer, either upon its back or upon its face, as may be convenient, a statement to the effect that the bond is registered in the name of the owner and that thereafter the interest and principal of the bond are payable to the registered owner.

15371. After registration, any bond may be transferred by the registered owner in person, or by attorney duly authorized, on presentation of the bond to the treasurer or other officer performing the duties of treasurer. The bond may be again registered as before, a similar statement being stamped, printed, or written thereon.

15372. The statement stamped, printed, or written upon the bond may be substantially in the following form:

(Date, giving month, day, and year.)

This bond is registered pursuant to the statute in the cases made and provided in the name of (insert name of owner) and the interest and principal thereof are hereafter payable to the owner.

_____

Treasurer (or other officer)

15373. After any bond has been registered as provided in this article, the principal and interest of the bond shall be payable to the registered owner.

15374. The treasurer or other officer shall keep in his or her office a book or books that shall at all times show what bonds are registered and in whose name respectively.

Article 8. Cancellation of Unsold Bonds

15380. If any bonds authorized under this chapter have not been offered for sale for one year from the date of the election at which they were authorized or remain unsold for a period of six months after having been offered for sale in the manner prescribed by the board of supervisors, the governing board of the school district in which the school facilities improvement district is located and for which the bonds were authorized, may petition the board of supervisors that has jurisdiction of the issuance and sale of the bonds to cause the unsold bonds to be canceled.

15381. Upon receiving the petition, signed by a majority of the members of the governing board of the school district in which the

school facilities improvement district is located, the board of supervisors shall fix a time for a hearing, which shall not be more than 30 days after receipt of the petition, and shall cause a notice stating the time and place of the hearing, and the object of the petition in general terms, to be published for 10 days prior to the hearing, in a newspaper published in the school facilities improvement district if there is one, and if there is no newspaper published in the school facilities improvement district, in a newspaper published at the county seat of the county.

15382. At the time and place designated in the notice, or at any subsequent time to which the hearing may be postponed, the board of supervisors shall hear any reasons that may be submitted for or against the granting of the petition.

15383. If the board of supervisors deem it for the best interests of the school facilities improvement district named in the petition that the unsold bonds be canceled, it shall make and enter an order in the minutes of its proceedings that the unsold bonds be canceled. Upon the entry of the order the bonds and the vote by which they were authorized to be issued shall cease to be of any validity.

15384. The governing board of a school district in which a school facilities improvement district is located may petition the board of supervisors to cancel the remaining authorization of that district to issue and sell bonds resulting from any particular school bond election after the sale of at least ninety percent (90%) of the bonds authorized at the election if the amount of the remaining authorization is not more than twenty-five thousand dollars ($25,000) and in the opinion of the governing board the sale of the remaining bonds would not be economically justified. The provisions of Sections 15381 and 15382 shall be applicable and at or following the hearing therein provided for, the board of supervisors, if it determines that the public interest will be served thereby, may make and enter an order in the minutes of its proceedings that the remaining authorization be canceled. Upon the entry of the order the vote by which the remaining authorization was created shall cease to be of any validity with respect to such remaining authorization.

Article 9. Purchase of Bonds by Issuing School Districts

15390. The governing board of a school district in which a school facilities improvement district is located may purchase in the open market bonds issued by the school facilities improvement district with available funds from the school facilities improvement fund.

15391. When any bonds issued by a school facilities improvement district have been purchased by the governing board of the school district in which the school facilities improvement district is located, the bonds shall be deemed canceled and of no further validity. The governing board of the school district in which the school facilities improvement district is located shall immediately, after purchasing the bonds, notify the board of supervisors of its action, describing the

bonds purchased. At its first meeting thereafter the board of supervisors shall note the purchase and cancellation of the bonds in the minutes of its proceedings.

Article 10. Method of Bond Payment

15400. The board of supervisors by an order entered upon its minutes shall fix the time when the whole or any part of the principal of the bonds shall be payable, which shall not be more than 25 years from the date of the bonds. If the governing board of the school district in which the school facilities improvement district is located has prescribed in its resolution the time or times when the whole or any part of the bonds shall be payable, the times and amounts shall be fixed by the order of the board of supervisors.

Any bonds may be issued subject to call and redemption before maturity at the option of the governing board of the school district in which the school facilities improvement district exists. The governing board may include in its resolution a requirement that all or any part of the bonds shall be issued subject to call and redemption before maturity and the price or prices at which said bonds shall be redeemed. The board of supervisors, in its order fixing the form of the bonds and the maturities thereof, shall provide that the bonds be redeemable at the option of the governing board and at the price or prices fixed in the resolution. Bonds issued subject to call and redemption prior to maturity shall contain a recital to that effect, and no bond shall be subject to call or redemption prior to maturity unless it contains the recital. The board of supervisors in its order shall fix the method of giving notice of redemption to holders of bonds to be redeemed.

15401. The board of supervisors at the direction of the governing board of the school district in which the school facilities improvement district is located may divide the principal amount of bonds authorized at any election into two or more series and may fix different dates for the bonds of each series, in which event the maximum maturity date of the bonds shall be calculated from the date of each series respectively. When the issuance of bonds shall have been authorized pursuant to two or more propositions submitted at the same or different elections, all or any part of the bonds not theretofore issued may be combined and issued and sold as one or more series.

15402. The board of supervisors may make the principal and interest of the bonds payable at the office of the treasurer of the county, or at any other place within the United States which the board may designate, or at the office of the county treasurer, or at any other designated place at the option of the bondholder. The place of payment shall be specified in the bonds. The expense of paying the bonds elsewhere than at the office of the treasurer shall be a proper charge against the school facilities improvement district to be paid out of the tax levied and collected for the payment of the

bonds.

15403. The principal and interest on the bonds shall be paid by the county treasurer of the county in which the superintendent of schools has jurisdiction of the school district in which the school facilities improvement district is located, at the place required by the terms of the bonds, upon presentation and surrender of warrants drawn by the county auditor in payment thereof, after he or she has canceled the bonds and coupons, or upon the receipt of the registered owner, if the bonds are registered, after a proper warrant has been drawn by the auditor, out of the fund provided for their payment.

15404. Any money remaining in the interest and sinking fund of any school facilities improvement district after the payment of all bonds and coupons payable from the fund, or any money in excess of an amount sufficient to pay all unpaid bonds and coupons payable from the fund, shall be transferred to the general fund of the governing board of the school district in which the school facilities improvement district is located upon the order of the auditor.

15405. Any money paid into the county treasury of the county and credited to the interest and sinking fund of any school facilities improvement district remaining after the payment of all bonds and coupons payable from the fund, or which is in excess of an amount sufficient to pay all unpaid bonds and coupons payable from the fund, shall be transferred to the special reserve fund of the school district in which the school facilities improvement district is located and may be used only for the purpose specified in Section 42840.

Article 11. Tax for Payment of Bonds

15410. The board of supervisors of the county in which the superintendent of schools of who has jurisdiction over a school district in which a school facilities improvement district is located shall annually at the time of making the levy of taxes for county purposes levy a tax for that year upon the property in the school facilities improvement district for the interest and redemption of all outstanding bonds of the district. The tax shall not be less than sufficient to pay the interest on the bonds as it becomes due and to provide a sinking fund for the payment of the principal on or before maturity and may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The tax shall be sufficient to provide funds for the payment of the interest on the bonds as it becomes due and also that part of the principal and interest as is to become due before the proceeds of a tax levied at the time for making the next general tax levy can be made available for the payment of the principal and interest.

15411. All taxes levied, when collected, shall be paid into the county treasury of the county whose superintendent of schools has jurisdiction over the school district in which the school facilities improvement district is located and on behalf of which the tax was

levied. All collected tax revenues shall be used exclusively for the payment of the principal and interest of the bonds of the school facilities improvement district, including any sinking fund.

15412. The board of supervisors of the county whose superintendent of schools has jurisdiction over the school district in which the school facilities improvement district is located, shall annually at the time of making the levy of taxes for county purposes estimate the amount of money required to meet the payment of the principal and interest on bonds of the district authorized by the electors of the district and not sold, and that the governing board of the school district informs the board on their belief will be sold before the next tax levy, and the board of supervisors shall levy a tax sufficient to pay the principal and interest so estimated.

15413. If the bonds are declared invalid or are not issued for any reason, the tax levied and collected shall be retained in the interest and sinking fund of the school facilities improvement district to meet the interest and principal falling due on the bonds. If the school facilities improvement district has no bonds outstanding the proceeds of the tax levy shall be transferred to the general fund of the school district in which the improvement district is located on the order of the auditor.

15414. This article shall apply only to general obligation bonds issued for one or more purposes specified in Section 15302 and approved by two-thirds of the votes cast by the voters voting on the proposition.

Article 12. Tax for Payment of Bonds of School Facilities Improvement District Located in Two or More Counties

15420. If a school facilities improvement district lies in two or more counties, the assessor of each of the counties in which the district lies, shall annually as soon as the county assessments have been equalized by the State Board of Equalization, certify to the board of supervisors of each of the counties in which any portion of the schools facilities improvement district is located, the assessed value of all taxable property in the county located within the school facilities improvement district or community college district. The tax shall be levied according to the ratio which the assessed value of the property in the district in any county bears to the total assessed value of the property in the school facilities improvement district. Each board of supervisors shall levy upon the property of the school facilities improvement district and within its own county the rate of tax that will be sufficient to raise not less than the amount needed to pay the interest and the portion of the principal of the bonds as is to become due during the year.

15421. The tax shall be entered upon the assessment roll and collected in the same manner as other on real property.

The tax when collected shall be paid into the county treasury of the county. The treasurer of any county, other than the one whose

superintendent of schools has jurisdiction over the school district in which the school facilities improvement district is located, shall, upon order of the county auditor, pay the sum collected on account of the tax into the treasury of the county whose superintendent of schools has jurisdiction over the school district in which the community facilities district is located.

15422. This article shall apply only to general obligation bonds issued for one or more purposes specified in Section 15302 and approved by two-thirds of the votes cast by voters voting on the proposition.

Article 13. Maximum Tax for Payment of Bonds

15425. Notwithstanding any other provision of this chapter, until the time that the special tax ceases to be levied upon the community facilities district, the rate of taxes levied annually upon the property in the school facilities improvement district pursuant to this chapter shall not exceed the rate of the annual special tax levied upon parcels in the same school district that are part of a community facilities district formed pursuant to the Mello-Roos Community Facilities Act of 1982, as set forth in Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5 of the Government Code.

CHAPTER 1006

An act to add Section 12302.5 to the Welfare and Institutions Code, relating to in-home supportive services.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 12302.5 is added to the Welfare and Institutions Code, to read:

12302.5. (a) Counties may establish entities or agents to act on behalf of the employers for those recipients who are designated as the employer of the in-home supportive services worker and who elect not to, or who are unable to, ensure compliance with all applicable federal, state, and county wage, hour, and workplace laws.

(b) Any entity or agent established pursuant to this section shall not restrict or interfere with the right of a recipient to select, replace, and terminate the employment of his or her own provider of in-home supportive services and to set his or her own service schedule.

CHAPTER 1007

An act to amend Section 366.26 of the Welfare and Institutions Code, relating to minors.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Section 366.26 of the Welfare and Institutions Code is amended to read:

366.26. (a) This section applies to minors who are adjudged dependent children of the juvenile court pursuant to subdivision (c) of Section 360 on or after January 1, 1989. The procedures specified herein are the exclusive procedures for conducting these hearings; Part 2 (commencing with Section 3020) of Division 8 of the Family Code is not applicable to these proceedings. For minors who are adjudged dependent children of the juvenile court pursuant to subdivision (c) of Section 360 on or after January 1, 1989, this section and Sections 8604, 8605, 8606, and 8700 of the Family Code and Chapter 5 (commencing with Section 7660) of Part 3 of Division 12 of the Family Code specify the exclusive procedures for permanently terminating parental rights with regard to, or establishing legal guardianship of, the minor while the minor is a dependent child of the juvenile court.

(b) At the hearing, which shall be held in juvenile court for all minors who are dependents of the juvenile court, the court, in order to provide stable, permanent homes for these minors, shall review the report as specified in Section 361.5, 366.21, or 366.22, shall indicate that the court has read and considered it, shall receive other evidence that the parties present, and then shall do one of the following:

(1) Permanently sever the rights of the parent or parents and order that the child be placed for adoption.

(2) Without permanently terminating parental rights, identify adoption as the permanent placement goal and order that efforts be made to locate an appropriate adoptive family for the minor for a period not to exceed 90 days.

(3) Without permanently terminating parental rights, appoint a legal guardian for the minor and issue letters of guardianship.

(4) Order that the minor be placed in long-term foster care, subject to the regular review of the juvenile court.

In choosing among the above alternatives the court shall proceed pursuant to subdivision (c).

(c) At the hearing the court shall proceed pursuant to one of the following procedures:

(1) The court shall terminate parental rights only if it determines by clear and convincing evidence that it is likely that the minor will

be adopted. If the court so determines, the findings pursuant to subdivision (b) or paragraph 1 of subdivision (e) of Section 361.5 that reunification services shall not be offered, or the findings pursuant to subdivision (e) of Section 366.21 that the whereabouts of a parent have been unknown for six months or that the parent has failed to visit or contact the child for six months or that the parent has been convicted of a felony indicating parental unfitness, or pursuant to Section 366.21 or 366.22 that a minor cannot or should not be returned to his or her parent or guardian, shall then constitute a sufficient basis for termination of parental rights unless the court finds that termination would be detrimental to the minor due to one of the following circumstances:

(A) The parents or guardians have maintained regular visitation and contact with the minor and the minor would benefit from continuing the relationship.

(B) A minor 12 years of age or older objects to termination of parental rights.

(C) The child is placed in a residential treatment facility, adoption is unlikely or undesirable, and continuation of parental rights will not prevent finding the child a permanent family placement if the parents cannot resume custody when residential care is no longer needed.

(D) The minor is living with a relative or foster parent who is unable or unwilling to adopt the minor because of exceptional circumstances, which do not include an unwillingness to accept legal responsibility for the minor, but who is willing and capable of providing the minor with a stable and permanent environment and the removal of the minor from the physical custody of his or her relative or foster parent would be detrimental to the emotional well-being of the minor.

(2) The court shall not terminate parental rights if at each and every hearing at which the court was required to consider reasonable efforts or services, the court has found that reasonable efforts were not made or that reasonable services were not offered or provided.

(3) If the court finds that termination of parental rights would not be detrimental to the minor pursuant to paragraph (1) and that the minor has a probability for adoption but is difficult to place for adoption and there is no identified or available prospective adoptive parent, the court may identify adoption as the permanent placement goal and without terminating parental rights, order that efforts be made to locate an appropriate adoptive family for the minor for a period not to exceed 90 days. During this 90-day period, the public agency responsible for seeking adoptive parents, for each child shall, to the extent possible, contact other private and public adoption agencies regarding the availability of the child for adoption. During the 90-day period, the public agency shall conduct the search for adoptive parents pursuant to Section 8708 of the Family Code. At the expiration of this period, another hearing shall be held and the court shall proceed pursuant to paragraph (1), (3), or (4) of subdivision

(b). For purposes of this section, a minor may only be found to be difficult to place for adoption if there is no identified or available prospective adoptive parent for the minor because of the minor's membership in a sibling group, or the presence of a diagnosed medical, physical, or mental handicap, or the minor is the age of seven years or more.

(4) If the court finds that adoption of the minor or termination of parental rights is not in the interests of the minor, or that one of the conditions in subparagraph (A), (B), (C), or (D) of paragraph (1) or in paragraph (2) applies, the court shall either order that the present caretakers or other appropriate persons shall become legal guardians of the minor or order that the minor remain in long-term foster care. Legal guardianship shall be considered before long-term foster care, if it is in the best interests of the child and if a suitable guardian can be found. When the minor is living with a relative or a foster parent who is willing and capable of providing a stable and permanent environment, but not willing to become a legal guardian, the minor shall not be removed from the home if the court finds the removal would be seriously detrimental to the emotional well-being of the minor because the minor has substantial psychological ties to the relative caretaker or foster parents. The court shall also make an order for visitation with the parents or guardians unless the court finds by a preponderance of the evidence that the visitation would be detrimental to the physical or emotional well-being of the minor.

(5) If the court finds that the child should not be placed for adoption, that legal guardianship shall not be established, and that there are no suitable foster parents except exclusive-use homes available to provide the minor with a stable and permanent environment, the court may order the care, custody, and control of the minor transferred from the county welfare department or probation department to a licensed foster family agency. The court shall consider the written recommendation of the county welfare director or chief probation officer regarding the suitability of such a transfer. The transfer shall be subject to further court orders.

The licensed foster family agency shall place the minor in a suitable licensed or exclusive-use home which has been certified by the agency as meeting licensing standards. The licensed foster family agency shall be responsible for supporting the minor and for providing appropriate services to the minor, including those services ordered by the court. Responsibility for the support of the minor shall not, in and of itself, create liability on the part of the foster family agency to third persons injured by the minor. Those minors whose care, custody, and control are transferred to a foster family agency shall not be eligible for foster care maintenance payments or child welfare services, except for emergency response services pursuant to Section 16504.

(d) The proceeding for the appointment of a guardian for a minor who is a dependent of the juvenile court shall be in the juvenile court. If the court finds pursuant to this section that legal

guardianship is the appropriate permanency plan, it shall appoint the legal guardian and issue letters of guardianship. The assessment prepared pursuant to subdivision (g) of Section 361.5, subdivision (i) of Section 366.21, and subdivision (b) of Section 366.22 shall be read and considered by the court prior to the appointment, and this shall be reflected in the minutes of the court. The person preparing the assessment may be called and examined by any party to the proceeding.

(e) At the beginning of any proceeding pursuant to this section, if the minor or the parents are not being represented by previously retained or appointed counsel, the court shall proceed as follows:

(1) The court shall consider whether the interests of the minor require the appointment of counsel. If the court finds that the interests of the minor do require this protection, the court shall appoint counsel to represent the minor. If the court finds that the interests of the minor require the representation of counsel, counsel shall be appointed whether or not the minor is able to afford counsel. The minor shall not be present in court unless the minor so requests or the court so orders.

(2) If a parent appears without counsel and is unable to afford counsel, the court shall appoint counsel for the parent, unless this representation is knowingly and intelligently waived. The same counsel shall not be appointed to represent both the minor and his or her parent. The public defender or private counsel may be appointed as counsel for the parent.

(3) Private counsel appointed under this section shall receive a reasonable sum for compensation and expenses, the amount of which shall be determined by the court. The amount shall be paid by the real parties in interest, other than the minor, in any proportions the court deems just. However, if the court finds that any of the real parties in interest are unable to afford counsel, the amount shall be paid out of the general fund of the county.

(f) The court may continue the proceeding for not to exceed 30 days as necessary to appoint counsel, and to enable counsel to become acquainted with the case.

(g) At all termination proceedings, the court shall consider the wishes of the child and shall act in the best interests of the child.

The testimony of the minor may be taken in chambers and outside the presence of the minor's parent or parents if the minor's parent or parents are represented by counsel, the counsel is present, and any of the following circumstances exist:

(1) The court determines that testimony in chambers is necessary to ensure truthful testimony.

(2) The minor is likely to be intimidated by a formal courtroom setting.

(3) The minor is afraid to testify in front of his or her parent or parents.

After testimony in chambers, the parent or parents of the minor may elect to have the court reporter read back the testimony or have

the testimony summarized by counsel for the parent or parents.

The testimony of a minor also may be taken in chambers and outside the presence of the guardian or guardians of a minor under the circumstances specified in this subdivision.

(h) Any order of the court permanently terminating parental rights under this section shall be conclusive and binding upon the minor person, upon the parent or parents and upon all other persons who have been served with citation by publication or otherwise as provided in this chapter. After making such an order, the court shall have no power to set aside, change, or modify it, but nothing in this section shall be construed to limit the right to appeal the order.

(i) If the court, by order or judgment declares the minor free from the custody and control of both parents, or one parent if the other does not have custody and control, the court shall at the same time order the minor referred to the State Department of Social Services or a licensed adoption agency for adoptive placement by the agency. However, no petition for adoption may be granted until the appellate rights of the natural parents have been exhausted. The State Department of Social Services or licensed adoption agency shall be responsible for the custody and supervision of the minor and shall be entitled to the exclusive care and control of the minor at all times until a petition for adoption is granted. With the consent of the agency, the court may appoint a guardian of the minor, who shall serve until the minor is adopted.

(j) Notwithstanding any other provision of law, the application of any person who, as a relative caretaker or foster parent, has cared for a dependent child for whom the court has approved a permanent plan for adoption, or who has been freed for adoption, shall be given preference with respect to that child over all other applications for adoptive placement if the agency making the placement determines that the child has substantial emotional ties to the relative caretaker or foster parent and removal from the relative caretaker or foster parent would be seriously detrimental to the child's emotional well-being.

As used in this subdivision, "preference" means that the application shall be processed and, if satisfactory, the family study shall be completed before the processing of the application of any other person for the adoptive placement of the child.

(k) (1) An order by the court that a hearing pursuant to this section be held is not appealable at anytime unless all of the following applies:

(A) A petition for extraordinary writ review was filed in a timely manner.

(B) The petition substantively addressed the specific issues to be challenged and supported that challenge by an adequate record.

(C) The petition for extraordinary writ review was summarily denied or otherwise not decided on the merits.

(2) Failure to file a petition for extraordinary writ review within the period specified by rule, to substantively address the specific

issues challenged, or to support that challenge by an adequate record shall preclude subsequent review by appeal of the findings and orders made pursuant to this section.

(3) The Judicial Council shall adopt rules of court, effective January 1, 1995, to ensure all of the following:

(A) A trial court, after issuance of an order directing a hearing pursuant to this section be held, shall advise all parties of the requirement of filing a petition for extraordinary writ review as set forth in this subdivision in order to preserve any right to appeal in these issues. This notice shall be made orally to a party if they are present at the time of the making of the order or by first-class mail by the clerk of the court to the last known address of a party not present at the time of the making of the order.

(B) The prompt transmittal of the records from the trial court to the appellate court.

(C) That adequate time requirements for counsel and court personnel exist to implement the objective of this subdivision.

(D) That the parent or guardian, or their trial counsel or other counsel, is charged with the responsibility of filing a petition for extraordinary writ relief pursuant to this subdivision.

(4) The intent of this subdivision is to do both of the following:

(A) Make every reasonable attempt to achieve a substantive and meritorious review by the appellate court within the time specified in Sections 366.21 and 366.22 for holding a hearing pursuant to this section.

(B) Encourage the appellate court to determine all writ petitions filed pursuant to this subdivision on their merits.

(5) This subdivision shall only apply to cases in which an order to set a hearing pursuant to this section is issued on or after January 1, 1995.

SEC. 2. Section 366.26 of the Welfare and Institutions Code is amended to read:

366.26. (a) This section applies to minors who are adjudged dependent children of the juvenile court pursuant to subdivision (c) of Section 360 on or after January 1, 1989. The procedures specified herein are the exclusive procedures for conducting these hearings; Part 2 (commencing with Section 3020) of Division 8 of the Family Code is not applicable to these proceedings. For minors who are adjudged dependent children of the juvenile court pursuant to subdivision (c) of Section 360 on or after January 1, 1989, this section and Sections 8604, 8605, 8606, and 8700 of the Family Code and Chapter 5 (commencing with Section 7660) of Part 3 of Division 12 of the Family Code specify the exclusive procedures for permanently terminating parental rights with regard to, or establishing legal guardianship of, the minor while the minor is a dependent child of the juvenile court.

(b) At the hearing, which shall be held in juvenile court for all minors who are dependents of the juvenile court, the court, in order to provide stable, permanent homes for these minors, shall review

the report as specified in Section 361.5, 366.21, or 366.22, shall indicate that the court has read and considered it, shall receive other evidence that the parties present, and then shall do one of the following:

(1) Permanently sever the rights of the parent or parents and order that the child be placed for adoption and, upon the filing of a petition for adoption in the juvenile court, order that a hearing be set. The court shall proceed with the adoption after the appellate rights of the natural parents have been exhausted.

(2) Without permanently terminating parental rights, identify adoption as the permanent placement goal and order that efforts be made to locate an appropriate adoptive family for the minor for a period not to exceed 90 days.

(3) Without permanently terminating parental rights, appoint a legal guardian for the minor and issue letters of guardianship.

(4) Order that the minor be placed in long-term foster care, subject to the regular review of the juvenile court.

In choosing among the above alternatives the court shall proceed pursuant to subdivision (c).

(c) At the hearing the court shall proceed pursuant to one of the following procedures:

(1) The court shall terminate parental rights only if it determines by clear and convincing evidence that it is likely that the minor will be adopted. If the court so determines, the findings pursuant to subdivision (b) or paragraph 1 of subdivision (e) of Section 361.5 that reunification services shall not be offered, or the findings pursuant to subdivision (e) of Section 366.21 that the whereabouts of a parent have been unknown for six months or that the parent has failed to visit or contact the child for six months or that the parent has been convicted of a felony indicating parental unfitness, or pursuant to Section 366.21 or 366.22 that a minor cannot or should not be returned to his or her parent or guardian, shall then constitute a sufficient basis for termination of parental rights unless the court finds that termination would be detrimental to the minor due to one of the following circumstances:

(A) The parents or guardians have maintained regular visitation and contact with the minor and the minor would benefit from continuing the relationship.

(B) A minor 12 years of age or older objects to termination of parental rights.

(C) The child is placed in a residential treatment facility, adoption is unlikely or undesirable, and continuation of parental rights will not prevent finding the child a permanent family placement if the parents cannot resume custody when residential care is no longer needed.

(D) The minor is living with a relative or foster parent who is unable or unwilling to adopt the minor because of exceptional circumstances, which do not include an unwillingness to accept legal responsibility for the minor, but who is willing and capable of

providing the minor with a stable and permanent environment and the removal of the minor from the physical custody of his or her relative or foster parent would be detrimental to the emotional well-being of the minor.

(2) The court shall not terminate parental rights if at each and every hearing at which the court was required to consider reasonable efforts or services, the court has found that reasonable efforts were not made or that reasonable services were not offered or provided.

(3) If the court finds that termination of parental rights would not be detrimental to the minor pursuant to paragraph (1) and that the minor has a probability for adoption but is difficult to place for adoption and there is no identified or available prospective adoptive parent, the court may identify adoption as the permanent placement goal and without terminating parental rights, order that efforts be made to locate an appropriate adoptive family for the minor for a period not to exceed 90 days. During this 90-day period, the public agency responsible for seeking adoptive parents, for each child shall, to the extent possible, contact other private and public adoption agencies regarding the availability of the child for adoption. During the 90-day period, the public agency shall conduct the search for adoptive parents pursuant to Section 8708 of the Family Code. At the expiration of this period, another hearing shall be held and the court shall proceed pursuant to paragraph (1), (3), or (4) of subdivision (b). For purposes of this section, a minor may only be found to be difficult to place for adoption if there is no identified or available prospective adoptive parent for the minor because of the minor's membership in a sibling group, or the presence of a diagnosed medical, physical, or mental handicap, or the minor is the age of seven years or more.

(4) If the court finds that adoption of the minor or termination of parental rights is not in the interests of the minor, or that one of the conditions in subparagraph (A), (B), (C), or (D) of paragraph (1) or in paragraph (2) applies, the court shall either order that the present caretakers or other appropriate persons shall become legal guardians of the minor or order that the minor remain in long-term foster care. Legal guardianship shall be considered before long-term foster care, if it is in the best interests of the child and if a suitable guardian can be found. When the minor is living with a relative or a foster parent who is willing and capable of providing a stable and permanent environment, but not willing to become a legal guardian, the minor shall not be removed from the home if the court finds the removal would be seriously detrimental to the emotional well-being of the minor because the minor has substantial psychological ties to the relative caretaker or foster parents. The court shall also make an order for visitation with the parents or guardians unless the court finds by a preponderance of the evidence that the visitation would be detrimental to the physical or emotional well-being of the minor.

(5) If the court finds that the child should not be placed for adoption, that legal guardianship shall not be established, and that

there are no suitable foster parents except exclusive-use homes available to provide the minor with a stable and permanent environment, the court may order the care, custody, and control of the minor transferred from the county welfare department or probation department to a licensed foster family agency. The court shall consider the written recommendation of the county welfare director or chief probation officer regarding the suitability of such a transfer. The transfer shall be subject to further court orders.

The licensed foster family agency shall place the minor in a suitable licensed or exclusive-use home which has been certified by the agency as meeting licensing standards. The licensed foster family agency shall be responsible for supporting the minor and for providing appropriate services to the minor, including those services ordered by the court. Responsibility for the support of the minor shall not, in and of itself, create liability on the part of the foster family agency to third persons injured by the minor. Those minors whose care, custody, and control are transferred to a foster family agency shall not be eligible for foster care maintenance payments or child welfare services, except for emergency response services pursuant to Section 16504.

(d) The proceeding for the appointment of a guardian for a minor who is a dependent of the juvenile court shall be in the juvenile court. If the court finds pursuant to this section that legal guardianship is the appropriate permanency plan, it shall appoint the legal guardian and issue letters of guardianship. The assessment prepared pursuant to subdivision (g) of Section 361.5, subdivision (i) of Section 366.21, and subdivision (b) of Section 366.22 shall be read and considered by the court prior to the appointment, and this shall be reflected in the minutes of the court. The person preparing the assessment may be called and examined by any party to the proceeding.

(e) The proceeding for the adoption of a minor who is a dependent of the juvenile court shall be in the juvenile court if the court finds pursuant to this section that adoption is the appropriate permanency plan and the petition for adoption is filed in the juvenile court. Upon the filing of a petition for adoption, the juvenile court shall order that an adoption hearing be set. The court shall proceed with the adoption after the appellate rights of the natural parents have been exhausted. The assessment prepared pursuant to subdivision (g) of Section 361.5, subdivision (i) of Section 366.21, and subdivision (b) of Section 366.22 shall be read and considered by the court prior to the adoption and this shall be reflected in the minutes of the court. The person preparing the assessment may be called and examined by any party to the proceeding. It is the intent of the Legislature, pursuant to this subdivision, to give potential adoptive parents the option of filing in the juvenile court the petition for the adoption of a minor who is a dependent of the juvenile court. Nothing in this section is intended to prevent the filing of such a petition for adoption in any other court as permitted by law, instead

of in the juvenile court.

(f) At the beginning of any proceeding pursuant to this section, if the minor or the parents are not being represented by previously retained or appointed counsel, the court shall proceed as follows:

(1) The court shall consider whether the interests of the minor require the appointment of counsel. If the court finds that the interests of the minor do require this protection, the court shall appoint counsel to represent the minor. If the court finds that the interests of the minor require the representation of counsel, counsel shall be appointed whether or not the minor is able to afford counsel. The minor shall not be present in court unless the minor so requests or the court so orders.

(2) If a parent appears without counsel and is unable to afford counsel, the court shall appoint counsel for the parent, unless this representation is knowingly and intelligently waived. The same counsel shall not be appointed to represent both the minor and his or her parent. The public defender or private counsel may be appointed as counsel for the parent.

(3) Private counsel appointed under this section shall receive a reasonable sum for compensation and expenses, the amount of which shall be determined by the court. The amount shall be paid by the real parties in interest, other than the minor, in any proportions the court deems just. However, if the court finds that any of the real parties in interest are unable to afford counsel, the amount shall be paid out of the general fund of the county.

(g) The court may continue the proceeding for not to exceed 30 days as necessary to appoint counsel, and to enable counsel to become acquainted with the case.

(h) At all termination proceedings, the court shall consider the wishes of the child and shall act in the best interests of the child.

The testimony of the minor may be taken in chambers and outside the presence of the minor's parent or parents if the minor's parent or parents are represented by counsel, the counsel is present, and any of the following circumstances exist:

(1) The court determines that testimony in chambers is necessary to ensure truthful testimony.

(2) The minor is likely to be intimidated by a formal courtroom setting.

(3) The minor is afraid to testify in front of his or her parent or parents.

After testimony in chambers, the parent or parents of the minor may elect to have the court reporter read back the testimony or have the testimony summarized by counsel for the parent or parents.

The testimony of a minor also may be taken in chambers and outside the presence of the guardian or guardians of a minor under the circumstances specified in this subdivision.

(i) Any order of the court permanently terminating parental rights under this section shall be conclusive and binding upon the minor person, upon the parent or parents and upon all other persons

who have been served with citation by publication or otherwise as provided in this chapter. After making such an order, the court shall have no power to set aside, change, or modify it, but nothing in this section shall be construed to limit the right to appeal the order.

(j) If the court, by order or judgment declares the minor free from the custody and control of both parents, or one parent if the other does not have custody and control, the court shall at the same time order the minor referred to the State Department of Social Services or a licensed adoption agency for adoptive placement by the agency. However, no petition for adoption may be granted until the appellate rights of the natural parents have been exhausted. The State Department of Social Services or licensed adoption agency shall be responsible for the custody and supervision of the minor and shall be entitled to the exclusive care and control of the minor at all times until a petition for adoption is granted. With the consent of the agency, the court may appoint a guardian of the minor, who shall serve until the minor is adopted.

(k) Notwithstanding any other provision of law, the application of any person who, as a relative caretaker or foster parent, has cared for a dependent child for whom the court has approved a permanent plan for adoption, or who has been freed for adoption, shall be given preference with respect to that child over all other applications for adoptive placement if the agency making the placement determines that the child has substantial emotional ties to the relative caretaker or foster parent and removal from the relative caretaker or foster parent would be seriously detrimental to the child's emotional well-being.

As used in this subdivision, "preference" means that the application shall be processed and, if satisfactory, the family study shall be completed before the processing of the application of any other person for the adoptive placement of the child.

(l) (1) An order by the court that a hearing pursuant to this section be held is not appealable at anytime unless all of the following applies:

(A) A petition for extraordinary writ review was filed in a timely manner.

(B) The petition substantively addressed the specific issues to be challenged and supported that challenge by an adequate record.

(C) The petition for extraordinary writ review was summarily denied or otherwise not decided on the merits.

(2) Failure to file a petition for extraordinary writ review within the period specified by rule, to substantively address the specific issues challenged, or to support that challenge by an adequate record shall preclude subsequent review by appeal of the findings and orders made pursuant to this section.

(3) The Judicial Council shall adopt rules of court, effective January 1, 1995, to ensure all of the following:

(A) A trial court, after issuance of an order directing a hearing pursuant to this section be held, shall advise all parties of the

requirement of filing a petition for extraordinary writ review as set forth in this subdivision in order to preserve any right to appeal in these issues. This notice shall be made orally to a party if they are present at the time of the making of the order or by first-class mail by the clerk of the court to the last known address of a party not present at the time of the making of the order.

(B) The prompt transmittal of the records from the trial court to the appellate court.

(C) That adequate time requirements for counsel and court personnel exist to implement the objective of this subdivision.

(D) That the parent or guardian, or their trial counsel or other counsel, is charged with the responsibility of filing a petition for extraordinary writ relief pursuant to this subdivision.

(4) The intent of this subdivision is to do both of the following:

(A) Make every reasonable attempt to achieve a substantive and meritorious review by the appellate court within the time specified in Sections 366.21 and 366.22 for holding a hearing pursuant to this section.

(B) Encourage the appellate court to determine all writ petitions filed pursuant to this subdivision on their merits.

(5) This subdivision shall only apply to cases in which an order to set a hearing pursuant to this section is issued on or after January 1, 1995.

SEC. 3. Section 2 of this bill incorporates amendments to Section 366.26 of the Welfare and Institutions Code proposed by both this bill and AB 2982. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 1995, (2) each bill amends Section 366.26 of the Welfare and Institutions Code, and (3) this bill is enacted after AB 2982, in which case Section 1 of this bill shall not become operative.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Article 8 (commencing with Section 1879) is added to Chapter 12 of Part 2 of Division 1 of the Insurance Code, to read:

Article 8. Insurance Fraud Prevention

1879. The purpose of this article is to confront aggressively the problem of insurance fraud in this state by facilitating the detection of insurance fraud, eliminating the occurrence of fraud through the development of fraud prevention programs, requiring the restitution of fraudulently obtained insurance benefits, and reducing the amount of premium dollars used to pay fraudulent claims.

1879.1. (a) If a person is found by a court of competent jurisdiction, pursuant to a claim initiated by the commissioner, a district attorney, or the Attorney General, to have violated Section 1871.4 or any provision of Section 548, 549, 550, or 551 of the Penal Code, the person shall be subject to a maximum civil penalty of two hundred fifty thousand dollars ($250,000) per violation, unless the amount of illegal proceeds exceeds two hundred fifty thousand dollars ($250,000), in which event the fine may not exceed the amount of illegal proceeds. The burden of proof in the proceeding shall be upon the plaintiff, and shall require proof by a preponderance of the evidence. The amount of the civil penalty shall approximate the illegal profits realized as a result of the fraudulent activity and shall not be punitive. In addition to the equitable relief of disgorgement of illegal proceeds, the court shall have the power to grant other equitable relief, including temporary injunctive relief, that is necessary to prevent the transfer, concealment, or dissipation of illegal proceeds, or to protect the public. Nothing in this subdivision shall be construed to prohibit the prosecuting agency and the person alleged to be guilty of a violation of this article from entering into a written agreement in which the person does not admit or deny the charges but consents to payment of the civil penalty. A consent agreement may not be used in a subsequent civil or criminal proceeding relating to any violation, but notification thereof may be made to any licensing authority. The civil penalties assessed pursuant to this section are mandatory and may not be waived at the discretion of the court.

(b) In any action brought pursuant to this section, the investigation of the alleged fraud may be conducted by the commissioner, a district attorney, local law enforcement agency, or the Department of Justice. If it is determined that a prosecution for a violation of this article is warranted, the district attorney of the appropriate county has the initial authority to bring all actions under this section. If the district attorney elects not to pursue the action civilly or criminally and states in writing that the election not to pursue is due to insufficient resources, the Department of Justice or the department may initiate prosecution pursuant to this section. In all cases where the district attorney has elected not to prosecute, he or she shall state in writing whether he or she elects to participate in a prosecution conducted by one of the other authorized agencies.

(c) All fines collected pursuant to this section shall be distributed

in the following manner:

(1) First to the prosecuting and investigating agencies for reimbursement of costs for the investigation and prosecution of the case.

(2) Second to the victims for restitution.

(3) Third to be divided equally among each of the following agencies: the prosecuting agency or a local prosecuting agency participating pursuant to subdivision (b) in a given prosecution; the Department of Insurance; the Department of Justice; and the local district attorney's office.

(d) All revenues from fines and civil penalties imposed pursuant to this section and remitted to the state shall be deposited in the General Fund and, when appropriated by the Legislature, shall be apportioned as provided in subdivision (c) and shall be used for enhanced fraud investigation and prevention efforts.

(e) Revenues received by prosecuting agencies from civil penalties imposed pursuant to this section shall be in addition to and augment existing appropriations to those agencies and shall not be used as a substitute for existing appropriations.

(f) The remedies authorized in this section shall be cumulative and shall not be construed to preclude the applicability of any other equitable or criminal remedy that may apply to the same or related conduct. If at any time both a civil action for penalties and equitable relief and a criminal action are pending against a defendant for substantially the same conduct, the civil action shall be stayed until the criminal matter has been concluded at the trial court level. The stay shall not preclude the court from granting or enforcing temporary equitable relief during the pendency of the actions. Any restitution paid to a victim pursuant to subdivision (c) shall be a credit against compensation obtained by the victim against the defendant for the same or related conduct.

1879.2. (a) Insurance claim forms shall contain a statement in a form approved by the commissioner that contains the following statement: "Any person who knowingly files a statement of claim containing any false or misleading information is subject to criminal and civil penalties."

(b) Insurance application forms for motor vehicle policies shall contain a statement in a form approved by the commissioner that contains the following statement: "Any person who knowingly makes an application for motor vehicle insurance coverage containing any statement that the applicant resides or is domiciled in this state when, in fact, that applicant resides or is domiciled in a state other than this state, is subject to criminal and civil penalties."

1879.3. The commissioner shall appoint full-time attorneys and supervisory and investigatory personnel within the bureau. Those persons shall be qualified by training and experience to perform the duties of their position.

When so requested by the commissioner, the Attorney General may assign one or more deputy attorneys general to assist the

commissioner in the performance of these duties.

1879.4. (a) The Chief of the Bureau of Fraudulent Claims and those investigators designated by him or her may expend funds to conduct undercover activities, employ civilian operatives, or in any other manner not prohibited by law to investigate insurance fraud or workers' compensation fraud.

(b) The money expended pursuant to subdivision (a) shall be paid out of the funds appropriated or made available by law for the support or use of the department.

1879.5. (a) Any person who believes that a violation of this article has been or is being made may notify the department immediately after discovery of the alleged violation and may send to the department, on a form and in a manner prescribed by the commissioner, the information requested and any additional information relative to the alleged violation as the department may request. The division shall review the reports and select those alleged violations as may require further investigation. It shall then cause an independent examination or evaluation of the facts surrounding the alleged violation to be made to determine the extent, if any, to which fraud, deceit, or intentional misrepresentation of any kind exists.

(b) No person shall be subject to civil liability for libel, violation of privacy, or otherwise by virtue of the filing of reports or furnishing of other information, in good faith and without malice, provided pursuant to this section or requested by the department as a result of the authority conferred upon it by law.

(c) The commissioner may, by regulation, require admitted insurers to keep any records and other information as he or she deems necessary for the effective enforcement of this article.

1879.6. The commissioner may adopt administrative regulations as he or she deems necessary for the effective implementation of this article.

1879.7. The commissioner shall report annually to the Legislature as to the activities of the department and the cost-effectiveness of the programs established pursuant to this article.

1879.8. Nothing in this article shall be construed to preclude the applicability of any other provision of civil or criminal law that applies to any act committed or alleged to have been committed by any person.

SEC. 2. Section 43705 is added to the Health and Safety Code, to read:

43705. (a) The Legislature hereby declares its intent to implement a five-year pilot statewide smog index system for light duty vehicles and to conduct a five-year pilot study in the San Diego County Air Pollution Control District and the Ventura County Air Pollution Control District for testing a pollution-miles-per-vehicle proposal to reduce air pollution by identifying high-pollution, high-mileage vehicles and requiring annual smog checks for those vehicles.

(b) (1) The state board shall petition the Federal Trade Commission, pursuant to Part 455 of Title 16 of the Code of Federal Regulations, for a limited exemption from the Federal Trade Commission's Buyer's Guide, to allow this state to incorporate into the Buyer's Guide utilized by motor vehicle dealers in this state, a smog index chart pursuant to subdivision (b) of Section 44254.

(2) Ninety days following approval by the Federal Trade Commission of a petition pursuant to paragraph (1), it shall be unlawful for any motor vehicle dealer licensed by the Department of Motor Vehicles to display or offer for sale any used vehicle unless there is affixed to the vehicle the Federal Trade Commission's Buyer's Guide as required by Part 455 of Title 16 of the Code of Federal Regulations which includes a smog index chart pursuant to subdivision (b) of Section 44254. Ninety days following the final disapproval by the Federal Trade Commission of a petition pursuant to paragraph (1), it shall be unlawful for any motor vehicle dealer licensed by the Department of Motor Vehicles to display or offer for sale any used vehicle unless there is attached, by a perforated attachment, to the Federal Trade Commission's Buyer's Guide as required by Part 455 of Title 16 of the Code of Federal Regulations, a smog index chart pursuant to subdivision (b) of Section 44254.

CHAPTER 1009

An act to add Division 8.5 (commencing with Section 22950) to the Business and Professions Code, and to amend Section 216 of the Health and Safety Code, relating to tobacco.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. Division 8.5 (commencing with Section 22950) is added to the Business and Professions Code, to read:

DIVISION 8.5. STOP TOBACCO ACCESS TO KIDS ENFORCEMENT ACT

22950. This Division shall be known and may be referred to as the Stop Tobacco Access to Kids Enforcement Act or the STAKE Act.

22951. The Legislature finds and declares that reducing and eventually eliminating the illegal purchase and consumption of tobacco products by minors is critical to ensuring the long-term health of our state's citizens. Accordingly, California must fully comply with federal regulations, particularly the "Synar Amendment," that restrict tobacco sales to minors and require states to vigorously enforce their laws prohibiting the sale and distribution of tobacco products to persons under 18 years of age.

22952. On or before July 1, 1995, the State Department of Health Services shall do all of the following:

(a) Establish and develop a program to reduce the availability of tobacco products to persons under 18 years of age through the enforcement activities authorized by this division.

(b) Establish requirements that retailers of tobacco products post conspicuously, at each point of purchase, a notice stating that selling tobacco products to anyone under 18 years of age is illegal and subject to penalties. The notice shall also state that the law requires that all persons selling tobacco products check the identification of any purchaser of tobacco products who reasonably appears to be under 18 years of age. The warning signs shall include a toll-free telephone number to the state department for persons to report unlawful sales of tobacco products to minors.

(c) Provide that primary responsibility for enforcement of this division shall be with the state department. In carrying out its enforcement responsibilities, the state department shall conduct random, onsite sting inspections at retail sites and shall enlist the assistance of persons that are 15 and 16 years of age in conducting these enforcement activities. Participation in these enforcement activities by a person under 18 years of age shall not constitute a violation of subdivision (b) of Section 308 of the Penal Code for the person under 18 years of age, and the person under 18 years of age is immune from prosecution thereunder, or under any other provision of law prohibiting the purchase of these products by a person under 18 years of age.

(d) In accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the state department shall adopt and publish guidelines for the use of persons under 18 years of age in inspections conducted pursuant to subdivision (c), that shall include, but not be limited to, all of the following:

(1) The state department and any local law enforcement agency under an enforcement delegation contract with the department may use persons under 18 years of age who are 15 or 16 years of age in random inspections to determine if sales of cigarettes or other tobacco products are being made to persons under 18 years of age.

(2) A photograph or video recording of the person under 18 years of age shall be taken prior to each inspection or shift of inspections and retained by the department or the local law enforcement agency under an enforcement delegation contract with the department for purposes of verifying appearances.

(3) The state department or a local law enforcement agency under an enforcement delegation contract with the department may use video recording equipment when conducting the inspections to record and document illegal sales or attempted sales.

(4) The person under 18 years of age, if questioned about his or her age, shall state his or her actual age and shall present a true and correct identification if verbally asked to present it. Any failure on

the part of the person under 18 years of age to provide true and correct identification, if verbally asked for it, shall be a defense to any action pursuant to this section.

(5) The person under 18 years of age shall be under the supervision of a regularly employed peace officer during the inspection.

(6) All persons under 18 years of age used in this manner by the department or a local law enforcement agency under an enforcement delegation contract with the department shall display the appearance of a person under 18 years of age. It shall be a defense to any action under this division that the person's appearance was not that which could be generally expected of a person under 18 years of age, under the actual circumstances presented to the seller of the cigarettes or other tobacco products at the time of the alleged offense.

(7) Following the completion of the sale, or attempted sale, the peace officer accompanying the person under 18 years of age shall reenter the retail establishment and inform the seller of the random inspection and identify the person under 18 years of age to the seller.

(8) Failure to comply with the procedures set forth in this subdivision shall be a defense to any action brought pursuant to this section.

(e) Be responsible for ensuring and reporting the state's compliance with Section 1926 of Title XIX of the federal Public Health Service Act (42 U.S.C. 300x-26) and any implementing regulations adopted in relation thereto by the United States Department of Health and Human Services. A copy of this report shall be made available to the Governor and the Legislature.

(f) Provide that any civil penalties imposed pursuant to Section 22958 shall be enforced against the owner or owners of the retail business and not the employees of the business.

22953. (a) Except as provided in subdivision (b), all moneys collected as civil penalties pursuant to this division in the 1995–96, 1996–97, 1997–98, and 1998–99 fiscal years shall be deposited in the State Treasury to the credit of the Sale of Tobacco to Minors Control Account that is hereby established. Thereafter, these civil penalties shall be deposited in the General Fund.

(b) Notwithstanding subdivision (a), all funds collected within any one fiscal year as civil penalties pursuant to this division that exceed the sum of three hundred thousand dollars ($300,000) shall be deposited in the General Fund.

22954. Any cigarette or tobacco products distributor or wholesaler as defined in Sections 30011 and 30016 of the Revenue and Taxation Code, and licensed under Article 1 (commencing with Section 30140) of Chapter 3 of Part 13 of Division 2 of the Revenue and Taxation Code or Article 3 (commencing with Section 30155) of Chapter 3 of Part 13 of Division 2 of the Revenue and Taxation Code, and any cigarette vending machine operator granted a seller's permit under the Sales and Use Tax Law (Part 1 (commencing with

Section 6001) of Division 2 of the Revenue and Taxation Code), shall annually provide to the State Department of Health Services, the names and addresses of those persons to whom they provide tobacco products, including, but not limited to, dealers as defined in Section 30012 of the Revenue and Taxation Code, for the purpose of identifying retailers of tobacco to ensure compliance with this division.

Cigarette vending machine operators granted a seller's permit under the Sales and Use Tax Law (Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code), shall annually provide to the department their name and the address of each location where cigarette vending machines are placed, in order to ensure compliance with this division.

The data provided, pursuant to this section, shall be deemed confidential official information by the department and shall be exempt from disclosure under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code).

22955. Agents of the state department, while conducting enforcement activities pursuant to this division, are peace officers and are subject to all of the powers and immunities granted to Food and Drug Section inspectors pursuant to Section 216 of the Health and Safety Code in the same manner as are any Food and Drug Section inspectors of the state department.

22956. All persons engaging in the retail sale of tobacco products shall check the identification of tobacco purchasers, to establish the age of the purchaser, if the purchaser reasonably appears to be under 18 years of age.

22957. (a) The state department may enter into an agreement with local law enforcement agencies for delegation of the enforcement of this division within their local jurisdictions. The contract shall require the enforcement activities of the local law enforcement agencies to comply with this division and with all applicable laws and the guidelines developed pursuant to Section 22951.

(b) In cases where enforcement has been delegated to local law enforcement agencies pursuant to this section, any enforcement by the state department in those jurisdictions shall be coordinated with the local law enforcement agencies and the state department may not duplicate enforcement activities, so as to result in a duplication of civil penalties or assessments under this division.

(c) The state department shall reimburse local law enforcement agencies for enforcement costs pursuant to delegation contracts, not to exceed the projected costs to the department for enforcement of this division in those jurisdictions. Reimbursements shall be made from the Sale of Tobacco to Minors Control Account.

22958. (a) The state department may assess civil penalties against any person, firm, or corporation that sells, gives, or in any way furnishes to another person who is under the age of 18 years, any

tobacco, cigarette, or cigarette papers, or any other instrument or paraphernalia that is designed for the smoking or ingestion of tobacco, products prepared from tobacco, or any controlled substance, according to the following schedule: (1) a civil penalty of from two hundred dollars ($200) to three hundred dollars ($300) for the first violation, (2) a civil penalty of from six hundred dollars ($600) to nine hundred dollars ($900) for the second violation within a five-year period, (3) a civil penalty of from one thousand two hundred dollars ($1,200) to one thousand eight hundred dollars ($1,800) for a third violation within a five-year period, (4) a civil penalty of from three thousand dollars ($3,000) to four thousand dollars ($4,000) for a fourth violation within a five-year period, or (5) a civil penalty of from five thousand dollars ($5,000) to six thousand dollars ($6,000) for a fifth or subsequent violation within a five-year period.

(b) If a civil penalty has been assessed pursuant to this section against any person, firm, or corporation for a single, specific violation of this division, the person, firm, or corporation shall not be prosecuted under Section 308 of the Penal Code for a violation based on the same facts or specific incident for which the civil penalty was assessed. If any person, firm, or corporation has been prosecuted for a single, specific violation of Section 308 of the Penal Code, the person, firm, or corporation shall not be assessed a civil penalty under this section based on the same facts or specific incident upon which the prosection under Section 308 of the Penal Code was based.

(c) (1) In the case of a corporation or business with more than one retail location, to determine the number of accumulated violations for purposes of the penalty schedule set forth in subdivision (a), violations of this division by one retail location shall not be accumulated against other retail locations of that same corporation or business.

(2) In the case of a retail location that operates pursuant to a franchise as defined in Section 20001 of the Business and Professions Code, violations of this division accumulated and assessed against a prior owner of a single franchise location shall not be accumulated against a new owner of the same single franchise location for purposes of the penalty schedule set forth in subdivision (a).

(d) Proceedings under this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

22959. (a) The sum of one million five hundred thousand dollars ($1,500,000) in the 1994–95 fiscal year and the sum of two million dollars ($2,000,000) in the 1995–96, 1996–97, 1997–98, and 1998–99 fiscal years shall be transferred annually from the portion of the federal Substance Abuse Prevention and Treatment block grant moneys allocated to the State Department of Alcohol and Drug Programs for administrative purposes related to substance abuse programs, to the Sale of Tobacco to Minors Control Account.

(b) Upon appropriation by the Legislature, moneys in the Sale of

Tobacco to Minors Control Account shall be expended by the state department to administer and enforce this division.

SEC. 2. Section 216 of the Health and Safety Code is amended to read:

216. (a) The chief and those inspectors of the Food and Drug Section as he or she may designate, are peace officers for the purpose only of carrying out the duties of their employment. The authority of the peace officer shall extend to any place in the state as to any public offense committed, or which there is reasonable cause to believe has been committed, within this state that is a violation of any provision of Division 8.5 (commencing with Section 22950) of the Business and Professions Code, Division 21 (commencing with Section 26000), or Division 22 (commencing with Section 27000) of this code, or Chapter 4 (commencing with Section 41301) of Division 16 of the Food and Agricultural Code. No inspector shall be deemed an aggressor or lose his or her right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance.

(d) The chief and inspectors of the Food and Drug Section may serve all processes and notices throughout the state.

A limited partner executing and filing a certificate of limited partnership shall send a copy of the certificate so filed to each general partner at the general partner's last known address.

(b) A person who makes a contribution to the purported limited partnership and in good faith believes that that person has become a limited partner is liable only to any third party who transacted business with the purported limited partnership before the certificate is filed and who reasonably believed that the person was a general partner at the time of the transaction.

(B) Matters related to the business of the limited partnership not otherwise enumerated in this subdivision, which the partnership agreement states in writing may be subject to the approval or disapproval of limited partners.

SEC. 78. Section 15637 of the Corporations Code is amended to read:

15637. (a) Meetings of partners may be held at any place within or without this state selected by the person or persons calling the meeting or as may be stated in or fixed in accordance with the partnership agreement. If no other place is stated or so fixed, partners' meetings shall be held at the principal executive office of the partnership.

(b) A meeting of the partners may be called by any of the general partners or by limited partners representing more than 10 percent of the interests of limited partners for any matters on which the limited partners may vote.

(c) (1) Whenever partners are required or permitted to take any action at a meeting, a written notice of the meeting shall be given not less than 10, nor more than 60, days before the date of the meeting to each partner entitled to vote at the meeting. The notice shall state the place, date, and hour of the meeting and the general nature of the business to be transacted, and no other business may be transacted.

(2) Notice of a partners' meeting or any report shall be given either personally or by mail or other means of written communication, addressed to the partner at the address of the partner appearing on the books of the partnership or given by the partner to the partnership for the purpose of notice, or, if no address appears or is given, at the place where the principal executive office of the partnership is located or by publication at least once in a newspaper of general circulation in the county in which the principal executive office is located. The notice or report shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by other means of written communication. An affidavit of mailing of any notice or report in accordance with the provisions of this article, executed by a general partner, shall be prima facie evidence of the giving of the notice or report.

If any notice or report addressed to the partner at the address of the partner appearing on the books of the partnership is returned to the partnership by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice or report to the partner at the address, all future notices or reports shall be deemed to have been duly given without further mailing if they are available for the partner at the principal executive office of the partnership for a period of one year from the date of the giving of the notice or report to all other partners.

(3) Upon written request to the general partners by any person entitled to call a meeting of partners, the general partners immediately shall cause notice to be given to the partners entitled to vote that a meeting will be held at a time requested by the person calling the meeting, not less than 10, nor more than 60, days after the receipt of the request. If the notice is not given within 20 days after receipt of the request, the person entitled to call the meeting may give the notice or, upon the application of that person, the superior court of the county in which the principal executive office of the limited partnership is located, or if the principal executive office is not in this state, the county in which the limited partnership's address in this state is located, shall summarily order the giving of the notice, after notice to the partnership giving it an opportunity to be heard. The procedure provided in subdivision (c) of Section 305 of the Corporations Code shall apply to the application. The court may issue any order as may be appropriate, including, without limitation, an order designating the time and place of the meeting, the record date for determination of partners entitled to vote, and the form of notice.

(d) When a partners' meeting is adjourned to another time or place, except as provided in this subdivision, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting the partnership may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 45 days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each partner of record entitled to vote at the meeting.

(e) The transactions of any meeting of partners, however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice or a consent to the holding of the meeting or an approval of the minutes thereof. All waivers, consents, and approvals shall be filed with the partnership records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of the meeting, except when the person objects, at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this chapter to be included in the notice but not so included, if the objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any meeting of partners need be specified in any written waiver of notice, except as provided in subdivision (g).

(f) Partners may participate in a meeting of the partnership

through the use of conference telephones or similar communications equipment, so long as all partners participating in the meeting can hear one another. Participation in a meeting pursuant to this provision constitutes presence in person at that meeting.

(g) Any partner approval at a meeting, other than unanimous approval by those entitled to vote, shall be valid only if the general nature of the proposal so approved was stated in the notice of meeting or in any written waiver of notice.

(h) (1) A majority in interest of the limited partners represented in person or by proxy shall constitute a quorum at a meeting of partners.

(2) The partners present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment notwithstanding the withdrawal of enough partners to leave less than a quorum, if any action taken (other than adjournment) is approved by the requisite percentage of interests of limited partners specified in this chapter.

(3) In the absence of a quorum, any meeting of partners may be adjourned from time to time by the vote of a majority of the interests represented either in person or by proxy, but no other business may be transacted, except as provided in paragraph (2).

(i) Any action that may be taken at any meeting of the partners may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by partners having not less than the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all entitled to vote thereon were present and voted. In the event the limited partners are requested to consent on a matter without a meeting, each partner shall be given notice of the matter to be voted upon in the same manner as described in subdivision (c). In the event any general partner, or limited partners representing more than 10 percent of the interests of the limited partners, request a meeting for the purpose of discussing or voting on the matter, the notice of a meeting shall be given in accordance with subdivision (c) and no action shall be taken until the meeting is held. Unless delayed in accordance with the provisions of the preceding sentence, any action taken without a meeting will be effective 15 days after the required minimum number of voters have signed the consent, however, the action will be effective immediately if all general partners and limited partners representing at least 90 percent of the interests of the limited partners have signed the consent.

(j) The use of proxies in connection with this section will be governed in the same manner as in the case of corporations formed under the General Corporation Law.

(k) In order that the limited partnership may determine the partners of record entitled to notices of any meeting or to vote, or entitled to receive any distribution or to exercise any rights in respect of any other lawful action, the general partners, or limited partners representing more than 10 percent of the interests of

limited partners, may fix, in advance, a record date, which is not more than 60 or less than 10 days prior to the date of the meeting and not more than 60 days prior to any other action. If no record date is fixed:

(1) The record date for determining partners entitled to notice of or to vote at a meeting of partners shall be at the close of business on the business day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held.

(2) The record date for determining partners entitled to give consent to partnership action in writing without a meeting shall be the day on which the first written consent is given.

(3) The record date for determining partners for any other purpose shall be at the close of business on the day on which the general partners adopt it, or the 60th day prior to the date of the other action, whichever is later.

(4) The determination of partners of record entitled to notice of or to vote at a meeting of partners shall apply to any adjournment of the meeting unless the general partners, or the limited partners who called the meeting, fix a new record date for the adjourned meeting, but the general partners, or the limited partners who called the meeting, shall fix a new record date if the meeting is adjourned for more than 45 days from the date set for the original meeting.

15644. A general partner of a limited partnership may make contributions to the limited partnership and share in the profits and losses of, and in distributions from, the limited partnership as a general partner. A general partner also may make contributions, and

share in the profits and losses and distributions, as a limited partner, if the general partner's interest as a limited partner is separately designated in the partnership agreement. A person who is both a general partner and a limited partner has the rights and powers, and is subject to the restrictions and liabilities, of a general partner and also has the powers, and is subject to the restrictions, of a limited partner to the extent of his or her participation in the limited partnership as a limited partner.

If a partner does not make the required contribution of property or services, the partner is obligated at the option of the limited partnership to contribute cash equal to that portion of the fair market value (or the agreed value if stated in the partnership agreement) of the contribution that has not been made. The foregoing option shall be in addition to, and not in lieu of, any other rights, including the right to specific performance, that the limited partnership may have against that partner under the partnership agreement or applicable law.

SEC. 84. Section 15662 of the Corporations Code is amended to read:

15662. (a) A partnership agreement may provide that a general partner may withdraw from a limited partnership at the time or upon the happening of events specified in the partnership agreement or, that a general partner shall not have the right to withdraw as a general partner of a limited partnership. Notwithstanding any restrictions upon the right to withdraw of a general partner, a general partner may withdraw from a limited partnership at any time by giving written notice to the other partners. However, if the withdrawal violates the partnership agreement the limited partnership may recover from the withdrawing general partner damages for breach of the partnership agreement and, in addition to any other remedies, shall have the right to offset the damages against any amounts otherwise distributable to the general partner. In the case of a partnership for a fixed term, a withdrawal by a general partner prior to the expiration of that term is a breach of the partnership agreement.

(b) Subject to the liability created under subdivision (a), a general partner who ceases to be a general partner under Section 15642 shall:

(1) Retain the same interest in that partner's capital account and distributions, but that interest shall be that of a limited partner.

(2) Not be personally liable for partnership debts incurred after the person ceases to be a general partner, other than any debts incurred by reason of that person's being deemed to be acting as a general partner, pursuant to Section 15642.

(3) Be entitled to vote as a limited partner on all matters except the admission and compensation of a general partner.

(b) A cause of action with respect to an obligation to return a distribution pursuant to subdivision (a) is extinguished unless the action is brought within four years after the distribution is made.

SEC. 88. Section 15672 of the Corporations Code is amended to read:

15672. (a) A limited partnership interest is assignable in whole

or in part. An assignment entitles the assignee to receive, to the extent assigned, the distributions and the allocations of income, gain, loss, deduction, credit, or similar item, to which the assignor would be entitled. Except as otherwise provided in the assignment, an assignee of a limited partnership interest in a limited partnership with over 100 limited partners also shall be entitled to all of the rights granted to a limited partner pursuant to Section 15634. A limited partner remains a partner upon assignment of all or part of the limited partner's limited partnership interest, with the rights that the assignee does not acquire or possess, subject to the assignee becoming a limited partner pursuant to subdivision (a) of Section 15674.

(b) The pledge of, or granting of a security interest, lien, or other encumbrance in or against any or all of the partnership interest of a partner shall not cause the partner to cease to be a partner or to grant to anyone else the power to exercise any rights or powers of a partner.

(c) A partnership agreement may provide that a general partner may not assign or encumber a partnership interest in a limited partnership.

(b) An assignee who has become a limited partner has, to the extent assigned, the rights and powers, and is subject to the restrictions and liabilities, of a limited partner under the partnership agreement and this chapter. An assignee who becomes a limited partner also is liable for the obligations of the assignor to make contributions as provided in Article 5 (commencing with Section 15651). However, the assignee is not obligated for liabilities unknown to the assignee at the time the assignee became a limited partner and which could not be ascertained from the partnership agreement.

(c) If an assignee of a limited partnership interest becomes a limited partner, the assignor is not released from the assignor's liability to the limited partnership under subdivision (c) of Section 15624, and Sections 15652 and 15666.

(d) If the general partner assigns all of the general partner's interest in the partnership to a third party, a majority in interest of the limited partners may remove that general partner.

69.5. (a) (1) Notwithstanding any other provision of law, pursuant to subdivision (a) of Section 2 of Article XIII A of the California Constitution, any person over the age of 55 years, or any severely and permanently disabled person, who resides in property which is eligible for the homeowner's exemption under subdivision (k) of Section 3 of Article XIII of the California Constitution and Section 218 may transfer, subject to the conditions and limitations provided in this section, the base year value of that property to any replacement dwelling of equal or lesser value which is located within the same county and is purchased or newly constructed by that person as his or her principal residence within two years of the sale by that person of the original property, provided that the base year

value of the original property shall not be transferred to the replacement dwelling until the original property is sold.

(2) Notwithstanding the limitation in paragraph (1) requiring that the original property and the replacement dwelling be located in the same county, this limitation shall not apply in any county in which the county board of supervisors, after consultation with local affected agencies within the boundaries of the county, adopts an ordinance making the provisions of paragraph (1) also applicable to situations in which replacement dwellings are located in that county and the original properties are located in another county within this state. The authorization contained in this paragraph shall be applicable in a county only if the ordinance adopted by the board of supervisors complies with the following requirements:

(A) It is adopted only after consultation between the board of supervisors and all other local affected agencies within the county's boundaries.

(B) It requires that all claims for transfers of base year value from original property located in another county be granted if the claims meet the applicable requirements of both subdivision (a) of Section 2 of Article XIII A of the California Constitution and this section.

(C) It requires that all base year valuations of original property located in another county and determined by its assessor be accepted in connection with the granting of claims for transfers of base year value.

(D) The ordinance provides that its provisions shall remain operative for a period of not less than five years.

(E) The ordinance specifies the date on and after which its provisions shall be applicable. However, the date specified shall not be earlier than November 9, 1988. The specified applicable date may be a date earlier than the date the county adopts the ordinance.

(b) In addition to meeting the requirements of subdivision (a), any person claiming the property tax relief provided by this section shall be eligible for that relief only if the following conditions are met:

(1) The claimant is an owner and a resident of the original property either at the time of its sale or within two years of the purchase or new construction of the replacement dwelling.

(2) The original property is eligible for the homeowner's exemption, as the result of the claimant's ownership and occupation of the property as his or her principal residence, either at the time of its sale or within two years of the purchase or new construction of the replacement dwelling.

(3) At the time of the sale of the original property, the claimant or the claimant's spouse who resides with the claimant is at least 55 years of age, or is severely and permanently disabled.

(4) At the time of claiming the property tax relief provided by subdivision (a), the claimant is an owner of a replacement dwelling and occupies it as his or her principal place of residence and, as a result thereof, the property is currently eligible for the homeowner's

exemption or would be eligible for the exemption except that the property is already receiving the exemption because of an exemption claim filed by the previous owner.

(5) The original property of the claimant is sold by him or her within two years of the purchase or new construction of the replacement dwelling. For purposes of this paragraph, the purchase or new construction of the replacement dwelling includes the purchase of that portion of land on which the replacement building, structure, or other shelter constituting a place of abode of the claimant will be situated and which, pursuant to paragraph (3) of subdivision (g), constitutes a part of the replacement dwelling.

(6) (A) For purposes of paragraph (1) of subdivision (a), the replacement dwelling, including that portion of land on which it is situated which is specified in paragraph (5), is located entirely within the same county as the claimant's original property.

(B) For purposes of paragraph (2) of subdivision (a), the replacement dwelling, including that portion of the land on which it is situated which is specified in paragraph (5), is located entirely within the county.

(7) The claimant has not previously been granted, as a claimant, the property tax relief provided by this section. In order to prevent duplication of claims under this section within this state, county assessors shall report quarterly to the State Board of Equalization that information from claims filed in accordance with subdivision (f) and from county records as is specified by the board necessary to identify fully all claims under this section allowed by assessors and all claimants who have thereby received relief. The board may specify that the information include all or a part of the names and social security numbers of claimants and their spouses and the identity and location of the replacement dwelling to which the claim applies. The information may be required in the form of data processing media or other media and in a format which is compatible with the recordkeeping processes of the counties and the auditing procedures of the state.

(c) The property tax relief provided by this section shall be available if the original property or the replacement dwelling, or both, of the claimant, includes, but is not limited to, either of the following:

(1) A unit or lot within a cooperative housing corporation, a community apartment project, a condominium project, or a planned unit development. If the unit or lot constitutes the original property of the claimant, the assessor shall transfer to the claimant's replacement dwelling only the base year value of the claimant's unit or lot and his or her share in any common area reserved as an appurtenance of that unit or lot. If the unit or lot constitutes the replacement dwelling of the claimant, the assessor shall transfer the base year value of the claimant's original property only to the unit or lot of the claimant and any share of the claimant in any common area reserved as an appurtenance of that unit or lot.

(2) A mobilehome or a mobilehome and any land owned by the claimant on which the mobilehome is situated. If the mobilehome or the mobilehome and the land on which it is situated constitutes the claimant's original property, the assessor shall transfer to the claimant's replacement dwelling either the base year value of the mobilehome or the base year value of the mobilehome and the land on which it is situated, as appropriate. No transfer of base year value shall be made by the assessor of that portion of land which does not constitute a part of the original property, as provided in paragraph (4) of subdivision (g). If the mobilehome or the mobilehome and the land on which it is situated constitutes the claimant's replacement dwelling, the assessor shall transfer the base year value of the claimant's original property either to the mobilehome or the mobilehome and the land on which it is situated, as appropriate. No transfer of base year value shall be made by the assessor to that portion of land which does not constitute a part of the replacement dwelling, as provided in paragraph (3) of subdivision (g).

This subdivision shall be subject to the limitations specified in subdivision (d).

(d) The property tax relief provided by this section shall be available to a claimant who is the coowner of original property, as a joint tenant, a tenant in common, or a community property owner, subject to the following limitations:

(1) If a single replacement dwelling is purchased or newly constructed by all of the coowners and each coowner retains an interest in the replacement dwelling, the claimant shall be eligible under this section whether or not any or all of the remaining coowners would otherwise be eligible claimants.

(2) If two or more replacement dwellings are separately purchased or newly constructed by two or more coowners and more than one coowner would otherwise be an eligible claimant, only one coowner shall be eligible under this section. These coowners shall determine by mutual agreement which one of them shall be deemed eligible.

(3) If two or more replacement dwellings are separately purchased or newly constructed by two coowners who held the original property as community property, only the coowner who has attained the age of 55 years, or is severely and permanently disabled, shall be eligible under this section. If both spouses are over 55 years of age, they shall determine by mutual agreement which one of them shall be deemed eligible.

In the case of coowners whose original property is a multiunit dwelling, the limitations imposed by paragraphs (2) and (3) shall only apply to coowners who occupied the same dwelling unit within the original property at the time specified in paragraph (2) of subdivision (b).

(e) Upon the sale of original property, the assessor shall determine a new base year value for that property in accordance with subdivision (a) of Section 2 of Article XIII A of the California

Constitution and Section 110.1, whether or not a replacement dwelling is subsequently purchased or newly constructed by the former owner or owners of the original property.

This section shall not apply unless the transfer of the original property is a change in ownership which either (1) subjects that property to reappraisal at its current fair market value in accordance with Section 110.1 or 5803 or (2) results in a base year value determined in accordance with this section or Section 69 because the property qualifies under this section or Section 69 as a replacement dwelling.

(f) A claimant shall not be eligible for the property tax relief provided by this section unless the claimant provides to the assessor, on a form which the assessor shall make available upon request, the following information:

(1) The name and social security number of each claimant and of any spouse of the claimant who is a record owner of the replacement dwelling.

(2) Proof that the claimant or the claimant's spouse who resided on the original property with the claimant was, at the time of its sale, at least 55 years of age or severely and permanently disabled. Proof of severe and permanent disability shall be considered a certification, signed by a licensed physician and surgeon of appropriate specialty, attesting to the claimant's severely and permanently disabled condition. In the absence of available proof that a person is over 55 years of age, the claimant shall certify under penalty of perjury that the age requirement is met. In the case of a severely and permanently disabled claimant either of the following shall be submitted:

(A) A certification, signed by a licensed physician or surgeon of appropriate specialty which identifies specific reasons why the disability necessitates a move to the replacement dwelling and the disability-related requirements, including any locational requirements, of a replacement dwelling. The claimant shall substantiate that the replacement dwelling meets disability-related requirements so identified and that the primary reason for the move to the replacement dwelling is to satisfy those requirements. If the claimant, or the claimant's spouse or guardian, so declares under penalty of perjury, it shall be rebuttably presumed that the primary purpose of the move to the replacement dwelling is to satisfy identified disability-related requirements.

(B) The claimant's substantiation that the primary purpose of the move to the replacement dwelling is to alleviate financial burdens caused by the disability. If the claimant, or the claimant's spouse or guardian, so declares under penalty of perjury, it shall be rebuttably presumed that the primary purpose of the move is to alleviate the financial burdens caused by the disability.

(3) The address and, if known, the assessor's parcel number of the original property, and, if the original property is located within another county, the name of the county or counties and, if applicable,

city or cities in which the original property is located.

(4) The date of the claimant's sale of the original property and the date of the claimant's purchase or new construction of a replacement dwelling.

(5) A statement by the claimant that he or she occupied the replacement dwelling as his or her principal place of residence on the date of the filing of his or her claim.

(6) If the original property and the replacement dwelling are located in different counties, the base-year value of the original property determined by the assessor of the county in which the original property is located.

The State Board of Equalization shall design the form for claiming eligibility.

Any claim under this section shall be filed within three years of the date the replacement dwelling was purchased or the new construction of the replacement dwelling was completed.

(g) For purposes of this section:

(1) "Person over the age of 55 years" means any person or the spouse of any person who has attained the age of 55 years or older at the time of the sale of original property.

(2) "Base year value of the original property" means its base year value, as determined in accordance with Section 110.1, with the adjustments permitted by subdivision (b) of Section 2 of Article XIII A of the California Constitution and subdivision (f) of Section 110.1, determined as of the date immediately prior to the date that the original property is sold by the claimant.

If the replacement dwelling is purchased or newly constructed after the transfer of the original property, "base year value of the original property" also includes any inflation factor adjustments permitted by subdivision (f) of Section 110.1 for the period subsequent to the sale of the original property. The base year or years used to compute the "base year value of the original property" shall be deemed to be the base year or years of any property to which that base year value is transferred pursuant to this section.

(3) "Replacement dwelling" means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, which is owned and occupied by a claimant as his or her principal place of residence, and any land owned by the claimant on which the building, structure, or other shelter is situated. For purposes of this paragraph, land constituting a part of a replacement dwelling includes only that area of reasonable size which is used as a site for a residence, and "land owned by the claimant" includes land for which the claimant either holds a leasehold interest described in subdivision (c) of Section 61 or a land purchase contract. Each unit of a multiunit dwelling shall be considered a separate replacement dwelling.

(4) "Original property" means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, which is owned and occupied by a claimant as his

or her principal place of residence, and any land owned by the claimant on which the building, structure, or other shelter is situated. For purposes of this paragraph, land constituting a part of original property includes only that area of reasonable size which is used as a site for a residence, and "land owned by the claimant" includes land for which the claimant either holds a leasehold interest described in subdivision (c) of Section 61 or a land purchase contract. Each unit of a multiunit dwelling shall be considered a separate original property.

(5) "Equal or lesser value" means that the amount of the full cash value of a replacement dwelling does not exceed one of the following:

(A) One hundred percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed prior to the date of the sale of the original property.

(B) One hundred and five percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed within the first year following the date of the sale of the original property.

(C) One hundred and ten percent of the amount of the full cash value of the original property if either of the following conditions are met:

(i) The replacement dwelling is purchased or newly constructed within the second year following the date of the sale of the original property.

(ii) The replacement dwelling is purchased or newly constructed on or after November 5, 1986, and on or before January 1, 1988, and within two years of the sale of the original property.

For the purposes of this paragraph, except as otherwise provided in paragraph (4) of subdivision (h), if the replacement dwelling is, in part, purchased and, in part, newly constructed, the date the "replacement dwelling is purchased or newly constructed" is the date of purchase or the date of completion of construction, whichever is later.

(6) "Full cash value of the replacement dwelling" means its full cash value, determined in accordance with Section 110.1, as of the date on which it was purchased or new construction was completed, and after the purchase or the completion of new construction.

(7) "Full cash value of the original property" means its new base year value, determined in accordance with subdivision (e), without the application of subdivision (h) of Section 2 of Article XIII A of the California Constitution, plus the adjustments permitted by subdivision (b) of Section 2 of Article XIII A and subdivision (f) of Section 110.1 for the period from the date of its sale by the claimant to the date on which the replacement property was purchased or new construction was completed.

(8) "Sale" means any change in ownership of the original property for consideration.

(9) "Claimant" means any person claiming the property tax relief provided by this section. If a spouse of that person is a record owner of the replacement dwelling, the spouse shall also be deemed a claimant for purposes of determining whether the condition of paragraph (7) of subdivision (b) has been met.

(10) "Property which is eligible for the homeowner's exemption" includes property which is the principal place of residence of its owner and is entitled to exemption pursuant to Section 205.5.

(11) "Consultation" means a noticed hearing conducted by a county board of supervisors concerning the adoption of an ordinance described in paragraph (2) of subdivision (a) and with respect to which all local affected agencies within the boundaries of the county are provided with reasonable notice of the time and place of the hearing and a reasonable opportunity to appear and participate at the hearing.

(12) "Local affected agency" means any city, special district, school district, or community college district which receives an annual property tax revenue allocation.

(14) "Severely and permanently disabled person" means any person described in subdivision (b) of Section 74.3.

(h) (1) Upon the timely filing of a claim, the assessor shall adjust the new base year value of the replacement dwelling in conformity with this section. This adjustment shall be made as of the latest of the following dates:

(A) The date the original property is sold.

(B) The date the replacement dwelling is purchased.

(C) The date the new construction of the replacement dwelling is completed.

(2) Any taxes which were levied on the replacement dwelling prior to the filing of the claim on the basis of the replacement dwelling's new base year value, and any allowable annual adjustments thereto, shall be canceled or refunded to the claimant to the extent that the taxes exceed the amount which would be due when determined on the basis of the adjusted new base year value.

(3) Notwithstanding Section 75.10, Chapter 3.5 (commencing with Section 75) shall be utilized for purposes of implementing this subdivision, including adjustments of the new base year value of replacement dwellings acquired prior to the sale of the original property.

(4) In the case where a claim under this section has been timely filed and granted, and new construction is performed upon the replacement dwelling subsequent to the transfer of base year value, the property tax relief provided by this section also shall apply to the replacement dwelling, as improved, and thus there shall be no reassessment upon completion of the new construction if both of the following conditions are met:

(A) The new construction is completed within two years of the date of the sale of the original property and the owner notifies the assessor in writing of completion of the new construction within 30 days after completion.

(B) The fair market value of the new construction on the date of completion, plus the full cash value of the replacement dwelling on the date of acquisition, is not more than the full cash value of the original property as determined pursuant to paragraph (7) of subdivision (g) for purposes of granting the original claim.

(i) Any claimant may rescind a claim for the property tax relief provided by this section and shall not be considered to have received that relief for purposes of paragraph (7) of subdivision (b), if a written notice of rescission is delivered to the office of the assessor in which the original claim was filed and all of the following have occurred:

(1) The notice is signed by the original filing claimant or claimants.

(2) The notice is delivered to the office of the assessor before the date that the county first issues, as a result of relief granted under this section, a refund check for property taxes imposed upon the replacement dwelling. If granting relief will not result in a refund of property taxes, then the notice shall be delivered before payment is first made of any property taxes, or any portion thereof, imposed upon the replacement dwelling consistent with relief granted under this section. If payment of the taxes is not made, then notice shall be delivered before the first date that those property taxes, or any portion thereof, imposed upon the replacement dwelling, consistent with relief granted under this section, are delinquent.

(3) The notice is accompanied by the payment of a fee as the assessor may require, provided that the fee shall not exceed an amount reasonably related to the estimated cost of processing a rescission claim, including both direct costs and developmental and indirect costs, such as costs for overhead, personnel, supplies, materials, office space, and computers.

(j) (1) With respect to the transfer of base year value of original properties to replacement dwellings located in the same county, this section, except as provided in paragraph (3) or (4), shall apply to any replacement dwelling which is purchased or newly constructed on or after November 5, 1986.

(2) With respect to the transfer of base year value of original properties to replacement dwellings located in different counties, this section, except as provided in paragraph (3), shall apply to any replacement dwelling which is purchased or newly constructed on or after the date specified in accordance with subparagraph (E) of paragraph (2) of subdivision (a) in the ordinance of the county in which the replacement dwelling is located, but shall not apply to any replacement dwelling which was purchased or newly constructed before November 9, 1988.

(3) With respect to the transfer of base year value by a severely

and permanently disabled person, this section shall apply only to replacement dwellings which are purchased or newly constructed on or after June 6, 1990.

(4) The amendments made to subdivision (e) by the act adding this paragraph shall apply only to replacement dwellings under Section 69 that are acquired or newly constructed on or after October 20, 1991, and shall apply commencing with the 1991–92 fiscal year.

(k) The amendments to this section made by the act adding this subdivision, and the amendments to this section during the 1989 portion of the 1989–90 Regular Session of the Legislature, shall remain operative only until January 1, 1999, and on that date are repealed.

SEC. 223.5. Section 69.5 of the Revenue and Taxation Code is amended to read:

69.5. (a) Notwithstanding any other provision of law, pursuant to subdivision (a) of Section 2 of Article XIII A of the California Constitution, any person over the age of 55 years, or any severely and permanently disabled person, who resides in property which is eligible for the homeowner's exemption under subdivision (k) of Section 3 of Article XIII of the California Constitution and Section 218 may transfer, subject to the conditions and limitations provided in this section, the base year value of that property to any replacement dwelling of equal or lesser value which is located within the same county and is purchased or newly constructed by that person as his or her principal residence within two years of the sale by that person of the original property, provided that the base year value of the original property shall not be transferred to the replacement dwelling until the original property is sold.

(b) In addition to meeting the requirements of subdivision (a), any person claiming the property tax relief provided by this section shall be eligible for that relief only if the following conditions are met:

(1) The claimant is an owner and a resident of the original property either at the time of its sale or within two years of the purchase or new construction of the replacement dwelling.

(2) The original property is eligible for the homeowner's exemption, as the result of the claimant's ownership and occupation of the property as his or her principal residence, either at the time of its sale or within two years of the purchase or new construction of the replacement dwelling.

(3) At the time of the sale of the original property, the claimant or the claimant's spouse who resides with the claimant is at least 55 years of age, or is severely and permanently disabled.

(4) At the time of claiming the property tax relief provided by subdivision (a), the claimant is an owner of a replacement dwelling and occupies it as his or her principal place of residence and, as a result thereof, the property is currently eligible for the homeowner's exemption or would be eligible for the exemption except that the

property is already receiving the exemption because of an exemption claim filed by the previous owner.

(5) The original property of the claimant is sold by him or her within two years of the purchase or new construction of the replacement dwelling. For purposes of this paragraph, the purchase or new construction of the replacement dwelling includes the purchase of that portion of land on which the replacement building, structure, or other shelter constituting a place of abode of the claimant will be situated and which, pursuant to paragraph (3) of subdivision (g), constitutes a part of the replacement dwelling.

(6) The replacement dwelling, including that portion of land on which it is situated which is specified in paragraph (5), is located entirely within the same county as the claimant's original property.

(7) The claimant has not previously been granted, as a claimant, the property tax relief provided by this section. In order to prevent duplication of claims under this section within this state, county assessors shall report quarterly to the State Board of Equalization that information from claims filed in accordance with subdivision (f) and from county records as is specified by the board necessary to identify fully all claims under this section allowed by assessors and all claimants who have thereby received relief. The board may specify that the information include all or a part of the names and social security numbers of claimants and their spouses and the identity and location of the replacement dwelling to which the claim applies. The information may be required in the form of data processing media or other media and in a format which is compatible with the recordkeeping processes of the counties and the auditing procedures of the state.

(c) The property tax relief provided by this section shall be available if the original property or the replacement dwelling, or both, of the claimant, includes, but is not limited to, either of the following:

(1) A unit or lot within a cooperative housing corporation, a community apartment project, a condominium project, or a planned unit development. If the unit or lot constitutes the original property of the claimant, the assessor shall transfer to the claimant's replacement dwelling only the base year value of the claimant's unit or lot and his or her share in any common area reserved as an appurtenance of that unit or lot. If the unit or lot constitutes the replacement dwelling of the claimant, the assessor shall transfer the base year value of the claimant's original property only to the unit or lot of the claimant and any share of the claimant in any common area reserved as an appurtenance of that unit or lot.

(2) A mobilehome or a mobilehome and any land owned by the claimant on which the mobilehome is situated. If the mobilehome or the mobilehome and the land on which it is situated constitutes the claimant's original property, the assessor shall transfer to the claimant's replacement dwelling either the base year value of the mobilehome or the base year value of the mobilehome and the land

on which it is situated, as appropriate. No transfer of base year value shall be made by the assessor of that portion of land which does not constitute a part of the original property, as provided in paragraph (4) of subdivision (g). If the mobilehome or the mobilehome and the land on which it is situated constitutes the claimant's replacement dwelling, the assessor shall transfer the base year value of the claimant's original property either to the mobilehome or the mobilehome and the land on which it is situated, as appropriate. No transfer of base year value shall be made by the assessor to that portion of land which does not constitute a part of the replacement dwelling, as provided in paragraph (3) of subdivision (g).

This subdivision shall be subject to the limitations specified in subdivision (d).

(d) The property tax relief provided by this section shall be available to a claimant who is the coowner of original property, as a joint tenant, a tenant in common, or a community property owner, subject to the following limitations:

(1) If a single replacement dwelling is purchased or newly constructed by all of the coowners and each coowner retains an interest in the replacement dwelling, the claimant shall be eligible under this section whether or not any or all of the remaining coowners would otherwise be eligible claimants.

(2) If two or more replacement dwellings are separately purchased or newly constructed by two or more coowners and more than one coowner would otherwise be an eligible claimant, only one coowner shall be eligible under this section. These coowners shall determine by mutual agreement which one of them shall be deemed eligible.

(3) If two or more replacement dwellings are separately purchased or newly constructed by two coowners who held the original property as community property, only the coowner who has attained the age of 55 years, or is severely and permanently disabled, shall be eligible under this section. If both spouses are over 55 years of age, they shall determine by mutual agreement which one of them is eligible.

In the case of coowners whose original property is a multiunit dwelling, the limitations imposed by paragraphs (2) and (3) shall only apply to coowners who occupied the same dwelling unit within the original property at the time specified in paragraph (2) of subdivision (b).

(e) Upon the sale of original property, the assessor shall determine a new base year value for that property in accordance with subdivision (a) of Section 2 of Article XIII A of the California Constitution and Section 110.1, whether or not a replacement dwelling is subsequently purchased or newly constructed by the former owner or owners of the original property.

This section shall not apply unless the transfer of the original property is a change in ownership which either (1) subjects that property to reappraisal at its current fair market value in accordance

with Section 110.1 or 5803 or (2) results in a base year value determined in accordance with this section or Section 69 because the property qualifies under this section or Section 69 as a replacement dwelling.

(f) A claimant shall not be eligible for the property tax relief provided by this section unless the claimant provides to the assessor, on a form which the assessor shall make available upon request, the following information:

(1) The name and social security number of each claimant and of any spouse of the claimant who was a record owner of the original property at the time of its sale or is a record owner of the replacement dwelling.

(2) Proof that the claimant or the claimant's spouse who resided on the original property with the claimant was, at the time of its sale, at least 55 years of age, or severely and permanently disabled. Proof of severe and permanent disability shall be considered a certification, signed by a licensed physician and surgeon of appropriate specialty, attesting to the claimant's severely and permanently disabled condition. In the absence of available proof that a person is over 55 years of age, the claimant shall certify under penalty of perjury that the age requirement is met. In the case of a severely and permanently disabled claimant either of the following shall be submitted:

(A) A certification, signed by a licensed physician or surgeon of appropriate specialty which identifies specific reasons why the disability necessitates a move to the replacement dwelling and the disability-related requirements, including any locational requirements, of a replacement dwelling. The claimant shall substantiate that the replacement dwelling meets disability-related requirements so identified and that the primary reason for the move to the replacement dwelling is to satisfy those requirements. If the claimant, or the claimant's spouse or guardian, so declares under penalty of perjury, it shall be rebuttably presumed that the primary purpose of the move to the replacement dwelling is to satisfy identified disability-related requirements.

(B) The claimant's substantiation that the primary purpose of the move to the replacement dwelling is to alleviate financial burdens caused by the disability. If the claimant, or the claimant's spouse or guardian, so declares under penalty of perjury, it shall be rebuttably presumed that the primary purpose of the move is to alleviate the financial burdens caused by the disability.

(3) The address and, if known, the assessor's parcel number of the original property.

(4) The date of the claimant's sale of the original property and the date of the claimant's purchase or new construction of a replacement dwelling.

(5) A statement by the claimant that he or she occupied the replacement dwelling as his or her principal place of residence on the date of the filing of his or her claim.

The State Board of Equalization shall design the form for claiming eligibility.

Any claim under this section shall be filed within three years of the date the replacement dwelling was purchased or the new construction of the replacement dwelling was completed.

(g) For purposes of this section:

(1) "Person over the age of 55 years" means any person or the spouse of any person who has attained the age of 55 years or older at the time of the sale of original property.

(2) "Base year value of the original property" means its base year value, as determined in accordance with Section 110.1, with the adjustments permitted by subdivision (b) of Section 2 of Article XIII A of the California Constitution and subdivision (f) of Section 110.1, determined as of the date immediately prior to the date that the original property is sold by the claimant.

If the replacement dwelling is purchased or newly constructed after the transfer of the original property, "base year value of the original property" also includes any inflation factor adjustments permitted by subdivision (f) of Section 110.1 for the period subsequent to the sale of the original property. The base year or years used to compute the "base year value of the original property" shall be deemed to be the base year or years of any property to which that base year value is transferred pursuant to this section.

(3) "Replacement dwelling" means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, which is owned and occupied by a claimant as his or her principal place of residence, and any land owned by the claimant on which the building, structure, or other shelter is situated. For purposes of this paragraph, land constituting a part of a replacement dwelling includes only that area of reasonable size which is used as a site for a residence, and "land owned by the claimant" includes land for which the claimant either holds a leasehold interest described in subdivision (c) of Section 61 or a land purchase contract. Each unit of a multiunit dwelling shall be considered a separate replacement dwelling.

(4) "Original property" means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, which is owned and occupied by a claimant as his or her principal place of residence, and any land owned by the claimant on which the building, structure, or other shelter is situated. For purposes of this paragraph, land constituting a part of original property includes only that area of reasonable size which is used as a site for a residence, and "land owned by the claimant" includes land for which the claimant either holds a leasehold interest described in subdivision (c) of Section 61 or a land purchase contract. Each unit of a multiunit dwelling shall be considered a separate original property.

(5) "Equal or lesser value" means that the amount of the full cash value of a replacement dwelling does not exceed one of the

following:

(A) One hundred percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed prior to the date of the sale of the original property.

(B) One hundred and five percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed within the first year following the date of the sale of the original property.

(C) One hundred and ten percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed within the second year following the date of the sale of the original property.

For the purposes of this paragraph, except as otherwise provided in paragraph (4) of subdivision (h), if the replacement dwelling is, in part, purchased and, in part, newly constructed, the date the "replacement dwelling is purchased or newly constructed" is the date of purchase or the date of completion of construction, whichever is later.

(6) "Full cash value of the replacement dwelling" means its full cash value, determined in accordance with Section 110.1, as of the date on which it was purchased or new construction was completed, and after the purchase or the completion of new construction.

(7) "Full cash value of the original property" means its new base year value, determined in accordance with subdivision (e), without the application of subdivision (h) of Section 2 of Article XIII A of the California Constitution, plus the adjustments permitted by subdivision (b) of Section 2 of Article XIII A and subdivision (f) of Section 110.1 for the period from the date of its sale by the claimant to the date on which the replacement property was purchased or new construction was completed.

(8) "Sale" means any change in ownership of the original property for consideration.

(9) "Claimant" means any person claiming the property tax relief provided by this section. If a spouse of that person is a record owner of the replacement dwelling, the spouse is also a claimant for purposes of determining whether in any future claim filed by the spouse under this section the condition of eligibility specified in paragraph (7) of subdivision (b) has been met.

(10) "Property which is eligible for the homeowner's exemption" includes property which is the principal place of residence of its owner and is entitled to exemption pursuant to Section 205.5.

(11) "Person" means any individual, but does not include any firm, partnership, association, corporation, limited liability company, company, or other legal entity or organization of any kind.

(12) "Severely and permanently disabled" means any person described in subdivision (b) of Section 74.3.

(h) (1) Upon the timely filing of a claim, the assessor shall adjust the new base year value of the replacement dwelling in conformity

with this section. This adjustment shall be made as of the latest of the following dates:

(A) The date the original property is sold.

(B) The date the replacement dwelling is purchased.

(C) The date the new construction of the replacement dwelling is completed.

(2) Any taxes which were levied on the replacement dwelling prior to the filing of the claim on the basis of the replacement dwelling's new base year value, and any allowable annual adjustments thereto, shall be canceled or refunded to the claimant to the extent that the taxes exceed the amount which would be due when determined on the basis of the adjusted new base year value.

(3) Notwithstanding Section 75.10, Chapter 3.5 (commencing with Section 75) shall be utilized for purposes of implementing this subdivision, including adjustments of the new base year value of replacement dwellings acquired prior to the sale of the original property.

(4) In the case where a claim under this section has been timely filed and granted, and new construction is performed upon the replacement dwelling subsequent to the transfer of base year value, the property tax relief provided by this section also shall apply to the replacement dwelling, as improved, and thus there shall be no reassessment upon completion of the new construction if both of the following conditions are met:

(A) The new construction is completed within two years of the date of the sale of the original property and the owner notifies the assessor in writing of completion of the new construction within 30 days after completion.

(B) The fair market value of the new construction on the date of completion, plus the full cash value of the replacement dwelling on the date of acquisition, is not more than the full cash value of the original property as determined pursuant to paragraph (7) of subdivision (g) for purposes of granting the original claim.

(i) Any claimant may rescind a claim for the property tax relief provided by this section and shall not be considered to have received that relief for purposes of paragraph (7) of subdivision (b), if a written notice of rescission is delivered to the office of the assessor in which the original claim was filed and all of the following have occurred:

(1) The notice is signed by the original filing claimant or claimants.

(2) The notice is delivered to the office of the assessor before the date that the county first issues, as a result of relief granted under this section, a refund check for property taxes imposed upon the replacement dwelling. If granting relief will not result in a refund of property taxes, then the notice shall be delivered before payment is first made of any property taxes, or any portion thereof, imposed upon the replacement dwelling consistent with relief granted under this section. If payment of the taxes is not made, then notice shall be

delivered before the first date that those property taxes, or any portion thereof, imposed upon the replacement dwelling, consistent with relief granted under this section, are delinquent.

(3) The notice is accompanied by the payment of a fee as the assessor may require, provided that the fee shall not exceed an amount reasonably related to the estimated cost of processing a rescission claim, including both direct costs and developmental and indirect costs, such as costs for overhead, personnel, supplies, materials, office space, and computers.

(j) (1) This section, except as provided in paragraph (2) or (3), shall apply to any replacement dwelling which is purchased or newly constructed on or after November 6, 1986.

(2) With respect to the transfer of base year value by a severely and permanently disabled person, this section shall apply only to replacement dwellings which are purchased or newly constructed on or after June 6, 1990.

(3) The amendments made to subdivision (e) by the act adding this paragraph shall apply only to replacement dwellings under Section 69 that are acquired or newly constructed on or after October 20, 1991, and shall apply commencing with the 1991–92 fiscal year.

[Approved by Governor September 28, 1994. Filed with Secretary of State September 29, 1994.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature that the Director of Transportation have the continued authority and flexibility to contract out design services for a project, as defined in subdivision (a) of Section 180 of the Streets and Highways Code. It is the further

intent of the Legislature that Sections 3 to 6, inclusive, of this act be construed as creating a new and independent basis for the Director of Transportation to justify contracting out design services for seismic retrofit projects.

SEC. 2. Section 179.4 of the Streets and Highways Code is amended to read:

179.4. (a) The department and the Counties of Los Angeles and Santa Clara shall immediately proceed to implement this article by developing criteria for the assessment and prioritization of bridge retrofit needs and by collecting data that will be evaluated by that criteria. The director shall establish a statewide priority list for seismic retrofit projects based on the bridge assessments performed by the department and the Counties of Los Angeles and Santa Clara, taking into account the assigned risk given to any bridge or structure, the exposure of the public in case of a structural failure, and the probability of the occurrence of an earthquake in any given area.

(b) (1) The department and the Counties of Los Angeles and Santa Clara shall prepare or cause the preparation of retrofit plans, specifications, and estimates for all projects included in the priority list established pursuant to subdivision (a). All affected local agencies, for projects within their respective jurisdictions, and the department, with respect to projects on state highways, shall by December 31, 1991, execute the necessary construction contracts for all projects on the priority list, except that, upon a local agency's notification of the director, the date for execution of construction contracts for projects on the priority list shall be extended to December 31, 1992.

(2) Notwithstanding paragraph (1), construction contracts for projects involving the retrofitting of multiple-column bents, for which the identification of appropriate structural solutions is dependent upon active research, may be delayed so long as they are executed on or before December 31, 1993.

(4) Construction contracts for seismic repair, replacement, and retrofit shall be awarded to the lowest responsible bidder through a competitive bid contract, consistent with existing statutes.

SEC. 3. Section 180.75 is added to the Streets and Highways Code, to read:

180.75. The Legislature hereby finds and declares that there is a compelling public interest in authorizing the department to contract out the design services for seismic retrofit projects. The Legislature further finds and declares that contracting out design services associated with seismic retrofit projects is a new state function to assist in project delivery and does not duplicate the existing functions

of the department.

SEC. 4. Section 180.8 is added to the Streets and Highways Code, to read:

180.8. (a) The director may contract out the design services for projects undertaken pursuant to this article in order to enhance or assist seismic retrofit project delivery. Without the ability to contract out the design and engineering portion of the seismic retrofit projects, the Legislature finds that the department will not be able to adequately, competently, or satisfactorily perform and deliver seismic retrofit projects. The director may contract for the services of engineers, architects, surveyors, planners, environmental specialists, and materials testing specialists, in addition to those already employed by the department, in order to provide professional and technical project development services to the department whenever, in the judgment of the director those services are necessary in order to timely deliver seismic retrofit projects.

(b) Routine inspection of work related to the contracts specified in subdivision (a) may be conducted by the contractor. However, the department is ultimately responsible for all inspections.

(c) This section shall remain in effect only until January 1, 1997, and as of that date is repealed, unless a later enacted statute, which is enacted on or before January 1, 1997, deletes or extends that date.

SEC. 5. Section 180.9 is added to the Streets and Highways Code, to read:

180.9. (a) The seismic retrofit projects contracted out pursuant to Section 180.8 shall be subject to Article 1.5 (commencing with Section 10115) of Chapter 1 of Part 2 of Division 2 of the Public Contract Code, as to projects not subject to Part 23 of Title 49 of the Code of Federal Regulations.

(b) This section shall remain in effect only until January 1, 1997, and as of that date is repealed, unless a later enacted statute, which is enacted on or before January 1, 1997, deletes or extends that date.

SEC. 6. Section 180.10 is added to the Streets and Highways Code, to read:

180.10. Pursuant to subdivision (d) of Section 180.1, the department shall make reports at the end of each calendar year to the Joint Legislative Budget Committee and the committees in each house of the Legislature that consider transportation issues regarding the department's progress toward completion of seismic retrofit projects. The department shall include in the reports data concerning the utilization of contracting out for design services for seismic retrofit projects.

SEC. 7. The Legislature finds and declares that the timing and process for the adoption of the state transportation improvement program is specified in the statutes, specifically Section 14529 of the Government Code. The Department of Transportation, the California Transportation Commission, and regional transportation planning agencies shall not take any action to reprogram the state transportation improvement program until the next statutory cycle.

SEC. 8. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

SEC. 7. Section 48915.2 of the Education Code is amended to read:

48915.2. (a) A pupil expelled from school for any of the offenses listed in subdivision (a), (c), or (f) of Section 48915, shall not be permitted to enroll in any other school or school district during the period of expulsion unless it is a county community school pursuant to subdivision (c) of Section 1981, a juvenile court school, as

described in Section 48645.1, or a program of study pursuant to subdivision (d) of Section 48915.

(b) After a determination has been made, pursuant to a hearing under Section 48918, that an individual expelled from another school district for any act described in subdivision (a), (c), or (f) of Section 48915 does not pose a danger to either the pupils or employees of the school district, the governing board of a school district may permit the individual to enroll in the school district after the term of expulsion, subject to one of the following conditions:

(1) He or she has established legal residence in the school district, pursuant to Section 48200.

(2) He or she is enrolled in the school pursuant to an interdistrict agreement executed between the affected school districts pursuant to Chapter 5 (commencing with Section 46600) of Part 26 or pursuant to Article 1.5 (commencing with Section 48209) of Chapter 2 of Part 27.

SEC. 8. Section 48915.5 of the Education Code is amended to read:

48915.5. (a) In a matter involving a pupil with previously identified exceptional needs who is currently enrolled in a special education program, the governing board may order the pupil expelled pursuant to subdivisions (b), (d), or (f) of Section 48915 only if all of the following conditions are met:

(1) An individualized education program team meeting is held and conducted pursuant to Article 3 (commencing with Section 56340) of Chapter 2 of Part 30.

(2) The team determines that the misconduct was not caused by, or was not a direct manifestation of, the pupil's identified disability.

(3) The team determines that the pupil had been appropriately placed at the time the misconduct occurred.

The term "pupil with previously identified exceptional needs," as used in this section, means a pupil who meets the requirements of Section 56026 and who, at the time the alleged misconduct occurred, was enrolled in a special education program, including enrollment in nonpublic schools pursuant to Section 56365 and state special schools.

(b) For purposes of this section, all applicable procedural safeguards prescribed by federal and state law and regulations apply to proceedings to expel pupils with previously identified exceptional needs, except that, notwithstanding Section 56321, subdivision (e) of Section 56506, or any other provision of law, parental consent is not required prior to conducting a preexpulsion educational assessment pursuant to subdivision (e), or as a condition of the final decision of the local board to expel.

(c) Each local educational agency, pursuant to the requirements of Section 56221, shall develop procedures and time lines governing expulsion procedures for individuals with exceptional needs.

(d) The parent of each pupil with previously identified exceptional needs has the right to participate in the individualized education program team meeting conducted pursuant to subdivision

(a) preceding the commencement of expulsion proceedings, following the completion of a preexpulsion assessment pursuant to subdivision (e), through actual participation, representation, or a telephone conference call. The meeting shall be held at a time and place mutually convenient to the parent and local educational agency within the period, if any, of the pupil's preexpulsion suspension. A telephone conference call may be substituted for the meeting. Each parent shall be notified of his or her right to participate in the meeting at least 48 hours prior to the meeting. Unless a parent has requested a postponement, the meeting may be conducted without the parent's participation, if the notice required by this subdivision has been provided. The notice shall specify that the meeting may be held without the parent's participation, unless the parent requests a postponement for up to three additional schooldays pursuant to this subdivision. Each parent may request that the meeting be postponed for up to three additional schooldays. In the event that a postponement has been granted, the local educational agency may extend any suspension of a pupil for the period of postponement if the pupil continues to pose an immediate threat to the safety of himself, herself, or others and the local educational agency notifies the parent that the suspension will be continued during the postponement. However, the suspension shall not be extended beyond 10 consecutive schooldays unless agreed to by the parent, or by a court order. If a parent who has received proper notice of the meeting refuses to consent to an extension beyond 10 consecutive schooldays and chooses not to participate, the meeting may be conducted without the parent's participation.

(e) In determining whether a pupil should be expelled, the individualized education program team shall base its decision on the results of a preexpulsion educational assessment conducted in accordance with the guidelines of Section 104.35 of Title 34 of the Code of Federal Regulations, which shall include a review of the appropriateness of the pupil's placement at the time of the alleged misconduct, and a determination of the relationship, if any, between the pupil's behavior and his or her disability.

In addition to the preexpulsion educational assessment results, the individualized education program team shall also review and consider the pupil's health records and school discipline records. The parent, pursuant to Section 300.504 of Title 34 of the Code of Federal Regulations, is entitled to written notice of the local educational agency's intent to conduct a preexpulsion assessment. The parent shall make the pupil available for the assessment at a site designated by the local educational agency without delay. The parent's right to an independent assessment under Section 56329 applies despite the fact that the pupil has been referred for expulsion.

(f) If the individualized education program team determines that the alleged misconduct was not caused by, or a direct manifestation of, the pupil's disability, and if it is determined that the pupil was appropriately placed, the pupil shall be subject to the applicable

disciplinary actions and procedures prescribed under this article.

(g) The parent of each pupil with previously identified exceptional needs has the right to a due process hearing conducted pursuant to Section 1415 of Title 20 of the United States Code if the parent disagrees with the decision of the individualized education program team made pursuant to subdivision (f), or if the parent disagrees with the decision to rely upon information obtained, or proposed to be obtained, pursuant to subdivision (e).

(h) No expulsion hearing shall be conducted for an individual with exceptional needs until all of the following have occurred:

(1) A preexpulsion assessment is conducted.

(2) The individualized education program team meets pursuant to subdivision (a).

(3) Due process hearings and appeals, if initiated pursuant to Section 1415 of Title 20 of the United States Code, are completed.

(i) Pursuant to subdivision (a) of Section 48918, the statutory times prescribed for expulsion proceedings for individuals with exceptional needs shall commence after the completion of paragraphs (1), (2), and (3) in subdivision (h).

(j) If an individual with exceptional needs is excluded from schoolbus transportation, the pupil is entitled to be provided with an alternative form of transportation at no cost to the pupil or parent.

SEC. 9. Section 48915.7 of the Education Code is repealed.

SEC. 10. Section 48916 of the Education Code is amended to read:

48916. An expulsion order shall remain in effect until the governing board may, in the manner prescribed in this article, order the readmission of a pupil. At the time an expulsion of a pupil for an act other than those listed in subdivision (c) or (f) of Section 48915 is ordered, the governing board shall set a date, not later than the last day of the semester following the semester in which the expulsion occurred, when the pupil may apply for readmission to a school maintained by the district. A pupil expelled pursuant to subdivision (d) or (f) of Section 48915 may apply for readmission not earlier than the last day of the semester following the semester in which the expulsion occurred.

The governing board shall recommend a plan of rehabilitation for the pupil, which may include, but not be limited to, periodic review as well as assessment at the time of application for readmission. The plan may also include recommendations for counseling, employment, community service, or other rehabilitative programs.

The governing board of each school district shall adopt rules and regulations establishing a procedure for the filing and processing of requests for readmission. Upon completion of the readmission process, the governing board shall readmit the pupil unless the board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to cause danger to the physical safety of the pupil or others. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered.

SEC. 11. Section 48918 of the Education Code is amended to read:

48918. The governing board of each school district shall establish rules and regulations governing procedures for the expulsion of pupils. These procedures shall include, but are not necessarily limited to, the following:

(a) The pupil shall be entitled to a hearing to determine whether the pupil should be expelled. An expulsion hearing shall be held within 30 schooldays of the date the principal or the superintendent of schools determines that the pupil has committed any of the acts enumerated in Section 48900, unless the pupil requests, in writing, that the hearing be postponed. The adopted rules and regulations shall require that the pupil shall be entitled to at least one postponement for a period of not more than 30 calendar days of an expulsion hearing. Thereafter, any additional postponement may be granted at the discretion of the governing board.

A decision of the governing board whether to expel a pupil shall be made within 10 schooldays following the conclusion of the hearing, unless the pupil requests in writing that the decision be postponed. If the hearing is held by a hearing officer or an administrative panel, or if the district governing board does not meet on a weekly basis, the governing board shall make its decision about a pupil's expulsion within 40 schooldays after the date of the pupil's removal from his or her school of attendance for the incident for which the recommendation for expulsion is made by the principal or the superintendent, unless the pupil requests in writing that the decision be postponed.

In the event that compliance by the governing board with the time requirements for the conducting of an expulsion hearing under this subdivision is impracticable, the superintendent of schools or the superintendent's designee may, for good cause, extend the time period for the holding of the expulsion hearing for an additional five schooldays. Reasons for the extension of the time for the hearing shall be included as a part of the record at the time the expulsion hearing is conducted. Upon the commencement of the hearing, all matters shall be pursued and conducted with reasonable diligence and shall be concluded without any unnecessary delay.

(b) Written notice of the hearing shall be forwarded to the pupil at least 10 calendar days prior to the date of the hearing. The notice shall include: the date and place of the hearing; a statement of the specific facts and charges upon which the proposed expulsion is based; a copy of the disciplinary rules of the district which relate to the alleged violation; a notice of the parent, guardian, or pupil's obligation pursuant to subdivision (b) of Section 48915.1; and notice of the opportunity for the pupil or the pupil's parent or guardian to appear in person or employ and be represented by counsel, to inspect and obtain copies of all documents to be used at the hearing, to confront and question all witnesses who testify at the hearing, to question all other evidence presented, and to present oral and documentary evidence on the pupil's behalf, including witnesses.

(c) Notwithstanding Section 54593 of the Government Code and Section 35145 of this code, the governing board shall conduct a hearing to consider the expulsion of a pupil in a session closed to the public, unless the pupil requests, in writing, at least five days prior to the date of the hearing, that the hearing be conducted at a public meeting. Regardless of whether the expulsion hearing is conducted in a closed or public session, the governing board may meet in closed session for the purpose of deliberating and determining if the pupil should be expelled.

If the governing board or the hearing officer or administrative panel appointed under subdivision (d) to conduct the hearing admits any other person to a closed deliberation session, the parent or guardian of the pupil, the pupil, and the counsel of the pupil shall also be allowed to attend the closed deliberations.

(d) In lieu of conducting an expulsion hearing itself, the governing board may contract with the county hearing officer, or with the Office of Administrative Hearings of the State of California pursuant to Chapter 14 (commencing with Section 27720) of Part 3 of Division 2 of Title 3 of the Government Code and Section 35207 of this code, for a hearing officer to conduct the hearing. The governing board may also appoint an impartial administrative panel of three or more certificated persons, none of whom shall be members of the board or employed on the staff of the school in which the pupil is enrolled. The hearing shall be conducted in accordance with all of the procedures established under this section.

(e) Within three schooldays following the hearing, the hearing officer or administrative panel shall determine whether to recommend the expulsion of the pupil to the governing board. If the hearing officer or administrative panel decides not to recommend expulsion, the expulsion proceedings shall be terminated and the pupil shall be immediately reinstated and permitted to return to a classroom instructional program, any other instructional program, a rehabilitation program, or any combination of these programs. Placement in one or more of these programs shall be made by the superintendent of schools or the superintendent's designee after consultation with school district personnel, including the pupil's teachers, and the pupil's parent or guardian. The decision not to recommend expulsion shall be final.

(f) If the hearing officer or administrative panel recommends expulsion, findings of fact in support of the recommendation shall be prepared and submitted to the governing board. All findings of fact and recommendations shall be based solely on the evidence adduced at the hearing. If the governing board accepts the recommendation calling for expulsion, acceptance shall be based either upon a review of the findings of fact and recommendations submitted by the hearing officer or panel or upon the results of any supplementary hearing conducted pursuant to this section that the governing board may order.

The decision of the governing board to expel a pupil shall be based

upon substantial evidence relevant to the charges adduced at the expulsion hearing or hearings. Except as provided in this section, no evidence to expel shall be based solely upon hearsay evidence. The governing board or the hearing officer or administrative panel may, upon a finding that good cause exists, determine that the disclosure of the identity of a witness and the testimony of that witness at the hearing would subject the witness to an unreasonable risk of harm. Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations which shall be examined only by the governing board or the hearing officer or administrative panel. Copies of these sworn declarations which are edited in such a manner as to delete the name and identity of the witness, shall be made available to the pupil.

(g) A record of the hearing shall be made. The record may be maintained by any means, including electronic recording, so long as a reasonably accurate and complete written transcription of the proceedings can be made.

(h) Technical rules of evidence shall not apply to the hearing, but relevant evidence may be admitted and given probative effect only if it is the kind of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs. A decision of the governing board to expel shall be supported by substantial evidence showing that the pupil committed any of the acts enumerated in Section 48900.

(i) Whether an expulsion hearing is conducted by the governing board or before a hearing officer or administrative panel, final action to expel a pupil shall be taken only by the governing board in a public session. Written notice of any decision to expel or to suspend the enforcement of an expulsion order during a period of probation shall be sent by the superintendent of schools or his or her designee to the pupil or the pupil's parent or guardian and shall be accompanied by notice of the right to appeal the expulsion to the county board of education and of the parent, guardian, or pupil's obligation pursuant to subdivision (b) of Section 48915.1, to inform the new school district of an enrolling pupil's expulsion, upon enrollment in a new school district. The notice to the pupil or the pupil's parent or guardian of the decision to expel also shall be accompanied by a list of education alternatives available to the pupil during the time of expulsion, so that the pupil's education is disrupted to the least possible extent.

(j) The governing board shall maintain a record of each expulsion, including the cause therefor. Records of expulsions shall be a nonprivileged, disclosable public record.

The expulsion order and the causes therefor shall be recorded in the pupil's mandatory interim record and shall be forwarded to any school in which the pupil subsequently enrolls upon receipt of a request from the admitting school for the pupil's school records.

SEC. 12. Section 48926 is added to the Education Code, to read:

48926. The principal of a school shall post, on a bulletin board at the schoolsite that is accessible to all pupils, a notice of the suspension
