PRAYER

Upon invitation of the Chief Clerk, the following prayer was offered by Rev. Scott Santarosa, S.J., Pastor, Dolores Mission Church, Los Angeles:

This day I dedicate this prayer to my grandparents, Pasquale and Grazie Santarosa, proud immigrants from Italy, and to all of our ancestors who built a life together in this Golden State.

Let us pray.

Loving God, Help us to be true to the vision of our ancestors, who sacrificed so that we could be here today, who faced unknown challenges and unseen dangers, but guided by a vision of a compassionate land waiting with open arms, who stepped forth onto this land to become fruit pickers and lumber workers who would dream of sending their children to college and who would see that dream realized.

On this day, this new day, this first day, may we step forward with their courage, their vision, their hope.

May all that we do make our ancestors proud—whether native to this land, or immigrants to this land, or born in this land—as we keep our land the one they would recognize, the one that provided for them, welcomed them, was home to them.

May all that we do make our ancestors feel that their sacrifices for us were worth it.

Help us to be true to the vision of our ancestors who rejoice that we are here today.—AMEN.

John A. Pérez
Speaker of the Assembly

Assembly Organizational Session—December 3, 2012

Members of the Assembly, I want to thank you for once again placing your trust and confidence in me to serve as Speaker another term. I am honored and deeply humbled by your faith in my service.

I want to congratulate you for your election to the Assembly. I know how hard each of you worked to have the opportunity to serve our state. But I also want to take a moment and recognize the husbands and wives, sons and daughters, parents and partners who are with you here today, and to express my thanks to each of them.

Serving the people of our state can be difficult work, requiring much sacrifice—not just of the Assemblymember, but of his or her family. You honor us with your presence, and your support is invaluable as we confront many of the difficult issues facing our state.

Now under the Constitution, the Speaker of the Assembly and the President pro Tempore of the Senate are required to announce their goals and objectives for the Legislative Session during the inaugural meeting of that session. And while we certainly have a number of policy issues to address over the next two years, I would like to take a moment and note that there is an added significance to today's ceremony, in that today we mark a transition point in California's constant cycle of invention, innovation, and reinvention.

My colleagues and I who were elected in 2008 are now beginning our final term. When we took office, California was in crisis. Less than three months before we were sworn in, we were struck by the global financial catastrophe. And its effect on California was devastating. Our budget deficit was over $60 billion—more than half of the entire budget of $110 billion. Every day brought headlines of factories closing, businesses folding, and layoffs by the thousands. A trickle of foreclosures was set to become a torrent that made the phrase "bank-owned home" a grim reminder of the financial and personal struggles of our entire state. And beyond the real-world impacts of the Recession, for the great swath of middle class Californians, the dream of opportunity . . . the singularly most definable attribute of what it means to be a Californian . . . faced its greatest test since the Great Depression.

Traditionally, the first month of an Assemblymember's service is spent finalizing staffing decisions and preparing a legislative package, but the severity of that crisis mandated immediate action. We had the first of many overnight sessions that year. Budget committee staff spent Christmas Day in the Capitol reworking the budget, and those of us who began our service to the people of California that December will always remember the gravity of those weeks and months of crisis. But we will also remember that we came to address those challenges together.

Together, we have eliminated the structural deficit that had plagued California for years. Together, we have passed two consecutive, on-time

budgets that have seen California's credit rating increased across the board for the first time in eight years. Together, we have put forward the policies that have helped the job market recover from the recession—to the point where California is now outpacing the rest of the nation in job creation. Together, we have made real accomplishments for the people of California that underscores how far we've come since Lehman Brothers collapsed and the recession began.

And I am very proud of the work we did, with our colleagues who joined the Assembly in 2010, to strengthen California's economy. We have worked to address the fundamental, structural challenges to our economic recovery, most notably in the housing market. The package of legislation we passed this year has outlawed the most abusive and objectionable practices of lenders, put in place strong protections for consumers, and has given homeowners facing foreclosure the leverage they need to work out a fair modification that keeps them in their homes. Recovering the housing market is an essential step on the pathway back to prosperity, and the legislation we passed together will go a long way in restoring the health and stability of the housing market.

We've worked to strengthen key industries like tourism and trade that employ millions of Californians and are responsible for billions of dollars in economic activity. We have laid the groundwork for emerging industries with tax credits for green manufacturing. We have created the policy structures in government that will help attract new businesses and investments in California through the creation of GoBiz. We have implemented the nation's first Health Benefit Exchange to ensure that everyday Californians and small business owners have access to affordable healthcare for themselves, their families, and their employees. We have maintained our status as a global leader in climate change by establishing the nation's first Carbon Cap-and-Trade system. We have worked to update and modernize California's regulatory system to reflect the real-world conditions facing California's businesses. Democrats and Republicans came together to approve changes to our regulations that will remove barriers to expansion and job creation for businesses without stepping back from our commitment to environmental and workplace protections, and I believe we must continue that effort in the next session as well.

On a bipartisan basis, we passed thoughtful and comprehensive reforms to California's pension system to outlaw the most abusive practices, reduce costs for state and local governments, and save California's taxpayers more than $80 billion in the coming decades. And we passed a comprehensive reform to our workers' compensation system, with overwhelming bipartisan support, which will speed up the delivery of medical services, increase benefits to disabled workers, and save California's businesses billions of dollars in the coming years.

I am very proud that some of the most significant policies we put forward were the result of thoughtful cooperation between both parties and both houses of the Legislature. I strongly believe these policies are a foundation from which we can build an even greater body of progress for the people of California. And we all know our work is not over until every single Californian who wants a job can find one.

For those of you who are new to the Assembly, I am looking forward to the work we can do together for the people of our state. The voters, in their wisdom, have made the decision to restore stability to the

Legislature by changing the nature of term limits. Each of you has the potential to serve more than a decade in this house, and I believe this is a positive change that respects the will of the voters, but empowers the Assembly to pursue the long-term investments and planning that will usher in the next great era of California's history. And continuing that important work will be our paramount concern over the next two years of this Session.

Now, certainly much of our early focus will be on the Special Session on Healthcare that the Governor will be calling in January. The Affordable Care Act is now the law of the land, and while there is a great deal of diversity in opinion in its tenets, our duty as Legislators is to implement its provisions in the most efficient and effective method for Californians. Ensuring access to quality, affordable healthcare is of primary concern to the Middle Class.

I am confident that we can achieve the historic feat of implementing healthcare reform to bring down costs in the long term, while expanding coverage immediately. This is an issue we have struggled with for decades, and one central to the long-term health not only of our population, but of our finances as well. The middle class Californians who stand to benefit from healthcare reform are counting on us to ensure they have access to affordable and comprehensive healthcare. That is one important issue, but there are certainly many others where we must also take action.

Certainly, one of these is the issue of higher education accessibility and affordability. For five decades, California has made a commitment to the people of our state—that if they are willing to work hard and succeed in school, their dedication will be rewarded with the opportunity to attend a UC, CSU or community college, and for five decades the promise of that opportunity has unleashed the potential of hundreds of thousands of middle class Californians, whose ideas and innovations have literally reshaped the world.

Our state is proud of the fact that the technologies which, even now, are bringing down dictators and tyrants around the world were developed right here in California. That is one small example of the transformational potential we unleash when we invest in opportunities for middle class Californians to matriculate through our institutions of higher learning. That commitment to ensuring opportunity for millions of Californians has built our state into a global powerhouse, with an iconic station in the world, and that is a commitment we must rededicate ourselves to as we approach this new legislative session. We will do so with a thoughtful, collaborative mindset that speaks to the concerns and values of the people of California.

Now, I want to take a moment and address my Republican colleagues, both new and returning. Even though we may not always agree on the best policy prescriptions for our state, I believe very strongly that our deliberative process is best served with your active participation. Finding the right solutions to the challenges facing California is not the task of one party, or one house—it is work that each of us have chosen to take up by putting our name on a ballot. For those Republican members who are new to the Assembly, I want to state clearly that your voice is welcome, your contributions are desired, and your active service is needed. I fervently believe we can do great things for the people of our state if we approach these challenges from a place of thoughtful cooperation. We must each approach our duties by

remembering the invocation of Aristotle in his Politics, that—"if liberty and equality . . . are chiefly to be found in democracy, they will be best attained when all persons alike share in the government to the utmost."

My goal for this year is to have a thoughtful, deliberative process where every voice is heard and valued. The policies we adopt are not for me to decide, but rather, for all of us to work together and bring about, and every member needs to have a role in that process. That has been my approach to serving as your Speaker from the moment when I took my oath of office.

Over the past three years, I was pleased to work with my Republican colleagues on a number of issues, including our imperative responsibility to support California's veterans, especially those returning from Iraq and Afghanistan. And for the past three years, I believe the Assembly has been well served by involving Republicans in the policy making process and by including Republicans among those Assemblymembers I've asked to serve as Committee Chairs. That is a practice I am proud to continue, and I am pleased to announce my Republican colleague, Assemblymember Katcho Achadjian will serve as the new Chair of the Assembly Committee on Local Government. And I'm certain he'll be joined by others as we continue identifying the leadership of the Assembly Select Committees.

For the past four years, the single greatest challenge we've faced is the question of ensuring that the next generation of Californians enjoy the same opportunities to succeed and make the most of their potential that our generation enjoyed. The California dream is inexorably linked to our legacy of opportunity. That legacy was born on a frosty January morning when James Marshall looked into a creek bed just a few miles up the road from here and saw a flash of gold. From that moment until the present day, California has been defined by the legacy of opportunity which has built our state. Every generation of Californians has faced a moment where they must recommit themselves to that legacy. For our generation, that moment has arrived. And for the middle class Californians who have weathered a very difficult period in our history, we must deliver.

The next generation of Californians will have their future determined, in no small part, by the actions we take over the next few years. It is our responsibility to ensure that they can have an education that prepares them for the challenges of a dynamic and changing world. That they have the opportunity to attend a UC, CSU or Community College and gain the skills and expertise that will unleash their potential, and reshape our future. That they have the job opportunities to provide for themselves and their families—and that those families can come of age in a state with clean air to breathe, clean water to drink, and pristine natural areas that each of us treasure.

This is a sober, profound responsibility. And if we approach that work in a manner that reflects the values and concerns of the people of California, the people of our state will be well served by our actions.

We have much work to do, so let's get to work.

Thank you.

Open Meetings

11.3. (a) Except as otherwise provided in this rule, all meetings of the Assembly or a committee thereof shall be open and public, and all persons shall be permitted to attend the meetings. As used in this rule, ''meeting'' means a gathering of a quorum of the Members of the Assembly or a committee in one place for the purpose of discussing legislative or other official matters within the jurisdiction of the Assembly or committee. As used in this rule, ''committee'' includes a standing committee, joint committee, conference committee, subcommittee, select committee, special committee, research committee, or any similar body.

(b) Any meeting that is required to be open and public pursuant to this rule, including any closed session held pursuant to subdivision (c), may be held only after full and timely notice to the public as provided by the Joint Rules of the Assembly and Senate.

(c) The Assembly or a committee thereof may hold a closed session solely for any of the following purposes:

(1) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Assembly.

(2) To consider matters affecting the safety and security of Members of the Legislature or its employees, or the safety and security of any buildings and grounds used by the Legislature.

(3) To confer with, or receive advice from, its legal counsel regarding pending or reasonably anticipated litigation, or whether to initiate litigation, when discussion in open session would not protect the interests of the Assembly or committee regarding the litigation.

(d) A caucus of the Members of the Assembly that is composed of members of the same political party may meet in closed session.

(e) A closed session may be held pursuant to paragraph (3) of subdivision (c) under any of the following circumstances:

If the closed session is held pursuant to paragraph (1) of subdivision (e), the presiding officer or chair shall state the title of or otherwise specifically identify the litigation to be discussed, unless the presiding officer or chair states that to do so would jeopardize the ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize the ability of the Assembly or the committee to conclude existing settlement negotiations to its advantage. If the closed session is held pursuant to paragraph (4) of subdivision (e), the notice of the closed session shall identify the real property that the negotiations may concern and the person with whom the negotiations may take place.

(g) The legal counsel for the Assembly or the committee shall prepare and submit to the Assembly or the committee a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is held pursuant to paragraph (1) of subdivision (e), the memorandum shall include the title of or other identification of the litigation. If the closed session is held pursuant to paragraph (2), (3), or (4) of subdivision (e), the memorandum shall set forth the existing facts and circumstances on which the closed session is based. The legal counsel shall submit the memorandum to the Assembly or the committee prior to the closed session, if feasible, or, in any case, not later than one week after the closed session. The memorandum is exempt from disclosure under the Legislative Open Records Act contained in Article 3.5 (commencing with Section 9070) of Chapter 1.5 of Part 1 of Division 2 of Title 2 of the Government Code.

(h) For purposes of paragraph (3) of subdivision (c), ''litigation'' includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(i) For purposes of this rule, all expressions of the lawyer-client privilege other than those provided in this rule are hereby abrogated. This rule is the exclusive expression of the lawyer-client privilege for the purposes of conducting closed-session meetings pursuant to this rule.

(j) Disclosure of a memorandum required under this rule shall not be deemed a waiver of the lawyer-client privilege provided for under Article 3 (commencing with Section 950) of Chapter 4 of Division 8 of the Evidence Code.

(e) The Committee on Rules shall provide for the expenses of the above committees and their members and for any charges, expenses, or claims they may incur under this rule, to be paid from the Assembly Operating Fund and disbursed, after certification by the Chairperson of the Committee on Rules or his or her authorized representative, upon warrants drawn by the Controller upon the State Treasury.

Assembly Operating Fund

17. The Committee on Rules is the committee identified in Section 9127 of the Government Code. The balance of all money in the Assembly Operating Fund, including money now or hereafter appropriated, except the sums that are made available specifically for the expense of designated committees or for other purposes, is hereby made available to the Committee on Rules for any charges or claims it may incur in carrying out the duties imposed upon it by these rules or by Assembly or concurrent resolution. The money made available by this rule includes the unencumbered balances of all sums heretofore made available to any Assembly or joint committee by the Assembly, upon the expiration of that committee, and shall be expended as provided in these rules.

Further, the rules and regulations shall provide for the payment of expenditures, as authorized by these rules and regulations, from the Assembly Operating Fund upon certification of claims therefor to the Controller by the Committee on Rules or its authorized representative.

A Member may not be reimbursed for travel outside the State of California without prior approval of the Speaker or the Committee on Rules.

20. All claims for expenses incurred by investigating committees of the Assembly shall be approved by the Committee on Rules, or its authorized representative, before the claims are presented to the Controller.

All proposed expenditures, other than expenditures of the funds of an investigating committee, shall be approved by the Committee on Rules or its authorized representative before the expenses are incurred, unless the expenditure is specifically exempted from this requirement by the resolution authorizing it.

No warrant may be drawn in payment of any claim for expenses until the approval of the Committee on Rules, or its authorized representative, has been obtained in accordance with this rule.

Assembly General Research Committee

22. (a) The Assembly General Research Committee is hereby continued as a permanent factfinding committee pursuant to Section 11 of Article IV of the California Constitution. The committee is allocated all subjects within the scope of legislative regulation and control, but may not undertake any investigation that another committee has been specifically requested or directed to undertake. The Assembly General Research Committee may act through subcommittees appointed by the Speaker in consultation with the Committee on Rules, and each of these subcommittees may act only on the particular study or investigation assigned by the Speaker in consultation with the Committee on Rules to that subcommittee. Each subcommittee shall be known and designated as a select committee. The Speaker is the Chairperson of the Assembly General Research Committee and may be a voting member of any subcommittee. Each member of the Assembly General Research Committee is authorized and directed to receive and investigate requests for legislative action made by individuals or groups, and to report thereon to the full committee. The Committee on Rules is authorized to allocate to any subcommittee from the Assembly Operating Fund those sums that the Committee on Rules deems necessary to complete the investigation or study conferred upon that subcommittee. The Committee on Rules shall further allocate, from time to time, to the Assembly General Research Committee from the Assembly Operating Fund those sums that are necessary to permit the Assembly General Research Committee and the members thereof to carry out the duties imposed on them. The committee has continuous existence until the time that its existence is terminated by a resolution adopted by the Assembly, and the committee is authorized to act both during and between sessions of the Legislature, including any recess.

(b) The committee and its members shall have and exercise all the rights, duties, and powers conferred upon investigating committees and their members by the Joint Rules of the Senate and Assembly and the Standing Rules of the Assembly as they are adopted and amended from time to time at this session, which provisions are incorporated herein and made applicable to the committee and its members.

(c) The committee has the following additional powers and duties:

(1) To contract with other agencies, public or private, for the rendition and affording of services, facilities, studies, and reports to the committee as the committee deems necessary to assist it to carry out the purposes for which it is created.

Assembly Legislative Ethics Committee

22.5. (a) The Assembly Legislative Ethics Committee is hereby created. The committee shall consist of six Members of the Assembly,

appointed by the Speaker. Notwithstanding any other rule of the Assembly, three members of the committee shall be from the political party having the greatest number of Members in the Assembly and three members shall be from the political party having the second greatest number of Members. Any temporary or permanent vacancy on the committee shall be filled within 10 days by a member from the same political party. All appointments, including appointments to fill permanent or temporary vacancies, of members from the political party having the second greatest number of Members in the Assembly shall be made from a list of nominees that the Minority Floor Leader provides to the Speaker. The Speaker shall designate one member of the committee from the political party having the greatest number of Members in the Assembly and one member of the committee from the political party having the second greatest number of Members to serve as co-chairs of the committee. The Speaker shall designate one of the co-chairs to serve as the presiding officer at any meeting or hearing conducted by the committee.

If a verified complaint is filed against a member of the committee, the Speaker shall temporarily replace the member with a Member from the same political party, who shall serve until the complaint is dismissed or the Assembly takes final action on the complaint, whichever occurs first.

(b) The provisions of this rule, and of Rule 11.5 related to investigating committees, apply to the committee and govern its proceedings.

Prior to the issuance of any subpoena by the committee with respect to any matter before the committee, it shall, by a resolution adopted by the committee pursuant to a vote in accordance with subdivision (n), define the nature and scope of its investigation in the matter before it.

(c) Funds for the support of the committee shall be provided from the Assembly Operating Fund in the same manner that those funds are made available to other committees of the Assembly.

(d) (1) The committee has the power, pursuant to this rule and Article 3 (commencing with Section 8940) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, to investigate and make findings and recommendations concerning violations by Members of the Assembly of any provision of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code or of any other provision of law or legislative rule that governs the conduct of Members of the Assembly, hereafter collectively referred to as ''standards of conduct.''

(2) The committee may, on its own action pursuant to a vote in accordance with subdivision (n), initiate an investigation of a Member of the Assembly.

(e) Any person may file with the committee a verified complaint in writing, which shall state the name of the Member of the Assembly alleged to have violated any standard of conduct, and which shall set forth the particulars thereof with sufficient clarity and detail to enable the committee to make a determination. The person filing the complaint thereafter shall be designated the complainant.

If a verified complaint is filed with the committee, the committee promptly shall send a copy of the complaint to the Member of the Assembly alleged to have committed the violation complained of, who thereafter shall be designated the respondent.

A complaint may not be filed with the committee after the expiration of 12 months from the date the alleged violation is discovered or three years from the date of the alleged violation, whichever occurs first.

(f) (1) If the committee determines that the verified complaint does not allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, it shall dismiss the complaint and so notify the complainant and respondent.

(2) (i) If the committee determines that the verified complaint does allege facts, directly or upon information and belief, sufficient to constitute a violation of any standard of conduct, the committee promptly shall investigate the alleged violation and if, after this preliminary investigation, the committee finds that reasonable cause exists for believing the allegations of the complaint, it shall fix a time for a hearing in the matter, which shall be not more than 30 days after that finding. The committee may, however, seek an extension of this period, not to exceed an additional 30 days, which may be granted by a majority vote of the Committee on Rules.

(ii) If, after preliminary investigation, the committee does not find that reasonable cause exists for believing the allegations of the complaint, the committee shall dismiss the complaint. In either event, the committee shall notify the complainant and the respondent of its determination.

(3) The committee shall make its determination under paragraph (1) or (2) of this subdivision, pursuant to a vote in accordance with subdivision (n), not later than 90 days after first receiving a complaint that satisfies subdivision (e). The committee may, however, seek an extension, not to exceed 30 days, which may be granted by a majority vote of the membership of the Committee on Rules. If the committee has requested a law enforcement agency to investigate the complaint or if the committee knows the complaint is being investigated by a law enforcement agency, the time limits set forth in this subdivision shall be tolled until the investigation is completed.

(4) The committee's determination under paragraph (1) or (2) of this subdivision shall be stated in writing, with reasons given therefor, and shall be provided to the Assembly, and, in any case concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall be provided to the appropriate law enforcement agency. This written determination is a public record and is open to public inspection.

(5) Any deliberations of the committee from the time of receipt of a complaint until it decides to dismiss the complaint or to set a hearing shall not be open to the public unless the respondent requests a public meeting.

(g) After the complaint has been filed, the respondent shall be entitled to examine and make copies of all evidence in the possession of the committee relating to the complaint.

(h) If a hearing is held pursuant to subdivision (f), the committee, before the hearing has commenced, shall issue subpoenas and subpoenas duces tecum at the request of any party in accordance with Chapter 4 (commencing with Section 9400) of Part 1 of Division 2 of Title 2 of the Government Code. All of the provisions of that chapter, except Section 9410 of the Government Code, shall apply to the committee and the witnesses before it.

(i) At any hearing held by the committee:

(1) Oral evidence shall be taken on oath or affirmation.

(2) Each party shall have these rights: to be represented by legal counsel; to call and examine witnesses; to introduce exhibits; and to cross-examine opposing witnesses.

(3) The hearing shall be open to the public.

(j) Any official or other person whose name is mentioned at any investigation or hearing of the committee, and who believes that testimony has been given that adversely affects him or her, shall have the right to testify or, at the discretion of the committee, to testify under oath relating solely to the material relevant to the testimony regarding which he or she complains.

(k) The committee shall have 15 days following the hearing within which to deliberate and reach its final determination on the matter as follows:

(1) If the committee finds that the respondent has not violated any standard of conduct, it shall order the action dismissed, shall notify the respondent and complainant thereof, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall transmit a copy of the complaint and the fact of dismissal to the appropriate law enforcement agency. The complaint and the fact of dismissal transmitted pursuant to this paragraph are public records and open to public inspection.

(2) If the committee finds that the respondent has violated any standard of conduct, it shall state its findings of fact and submit a report thereon to the Assembly. This report shall be accompanied by a House Resolution, authored by the committee, which shall be introduced at the Chief Clerk's desk and then referred by the Committee on Rules to the Ethics Committee. The House Resolution shall include a statement of the committee's findings and the committee's recommendation for disciplinary action. Within seven days, the committee shall adopt the final form of the House Resolution and report it to the Assembly for placement on the Daily File. The committee also shall send a copy of those findings and report to the complainant and respondent, and, in cases concerning an alleged violation of Article 2 (commencing with Section 8920) of Chapter 1 of Part 1 of Division 2 of Title 2 of the Government Code, shall report thereon to the appropriate law enforcement agency. The report submitted pursuant to this paragraph is a public record and open to public inspection.

After the receipt of a copy of the committee's final report and House Resolution, the Assembly expeditiously shall take appropriate action with respect to the respondent.

(*l*) The filing of a complaint with the committee pursuant to this rule suspends the running of the statute of limitations applicable to any violation of any standard of conduct alleged in the substance of that complaint while the complaint is pending.

(m) The committee shall maintain a record of its investigations, inquiries, and proceedings. All records, complaints, documents, and reports filed with or submitted to or made by the committee, and all records and transcripts of any investigations, inquiries, or hearings of the committee under this rule shall be deemed confidential and shall not be open to inspection, without the express permission of the committee, by any person other than a member of the committee, or an employee of

the committee or other state employee designated to assist the committee, except as otherwise specifically provided in this rule. The committee may, by adoption of a resolution, authorize the release to the Attorney General or a district attorney of the appropriate county of any information, records, complaints, documents, reports, and transcripts in its possession that are material to any matter pending before the Attorney General or that district attorney. All matters presented at a public hearing of the committee and all reports of the committee stating a final finding of fact pursuant to subdivision (k) shall be public records and open to public inspection. Any employee of the committee who divulges any matter that is deemed to be confidential by this subdivision shall be subject to discipline by the Committee on Rules.

(n) The committee may take any action authorized by this rule only upon the vote of not less than two members from the registered political party having the greatest number of Members in the Assembly and two members from the registered political party having the second greatest number of Members. Any vacancy on the committee does not reduce the votes required to take action.

(o) The committee may render advisory opinions to Members of the Assembly with respect to the standards of conduct and their application and construction. The committee may secure an opinion from the Legislative Counsel for this purpose or issue its own opinion. Any committee advisory opinion shall be prepared by committee members or staff and shall be adopted by the committee pursuant to subdivision (n).

(p) The committee shall conduct, at least semiannually, an orientation course on the relevant statutes and regulations governing official conduct. The curriculum and presentation of the course shall be established by the Committee on Rules. At least once each biennial session, each Member of the Assembly and each employee of the Assembly shall attend one of these courses.

The Chief Clerk of the Assembly shall, as soon as practicable, in each even-numbered year, commence to compile a legislative manual or handbook, pursuant to Section 9740 of the Government Code.

9. Motions and Resolutions
10. Business on the Daily File

12. Adjournment

(b) With the exception of Special Orders of Business, the Speaker may determine that a different order of business will result in a more expeditious processing of the business of the Assembly by ordering resolutions honoring an individual or an organization, introductions, and adjournments in memory of individuals to be taken up in a different order than that listed in subdivision (a).

Pledging of Allegiance to the Flag

41. At each session, following the prayer by the Chaplain, the Members of the Assembly and its officers and employees present in the Assembly Chamber shall pledge their allegiance to the Flag of the United States of America. The Speaker shall invite guests present in the Assembly Chamber to join in the pledge of allegiance to the Flag of the United States of America.

Reading and Correcting Journals

42. (a) The reading of the Journal of the previous day may be dispensed with, on motion, by a majority vote of the Members present and voting.

(b) All journals of the Assembly shall be corrected by the Minute Clerk and delivered to the Chief Clerk.

(c) A motion to correct any day's Journal or to print a letter in the Journal shall always be in order and shall require a majority vote of the Members present and voting.

Presentation of Petitions

43. Whenever petitions, memorials, or other papers are presented by a Member, a brief statement of the contents thereof may be made verbally by the introducer. Petitions are not debatable and shall be filed, or referred to a committee as the Speaker shall determine. Receipt of that presentation and its disposition shall be noted in the Journal.

Upon receipt of a petition for the impeachment of any person subject to impeachment by the Legislature, the Speaker shall, without comment or debate, forthwith refer the petition to committee.

Messages From the Governor

44. Messages from the Governor shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by an affirmative recorded vote of 54 or more Members.

Messages From the Senate

45. Messages from the Senate shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal. The Committee on Rules shall refer each bill to a committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refers it to some other committee. The action to refer a bill is not debatable. The reference shall be entered in the Journal. Assembly bills that have been passed without amendment by the Senate shall be ordered to enrollment.

An Assembly bill amended by the Senate shall be placed upon the unfinished business file but shall not be eligible to be acted upon until it is on the unfinished business file for one calendar day, except that when the Assembly bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately.

Presentation of Guests or Memorials in the Assembly

45.5. These rules do not prohibit the Speaker or Speaker pro Tempore from permitting the introduction of a special guest or guests. A request that a session of the Assembly adjourn in memory of a person shall be made in writing. The request shall be read by the presiding officer immediately prior to adjournment.

A. Bills and Resolutions

Bills Defined

46. (a) The word ''bill,'' as used in these rules, includes a constitutional amendment, a concurrent resolution, and a joint resolution, except as otherwise specifically provided.

(b) A concurrent resolution and a joint resolution, other than a resolution ratifying proposed amendments to the United States Constitution and a resolution calling for a constitutional convention, shall be treated in all respects as a bill except as follows:

(1) It shall be given only one formal reading.

(2) It shall not be deemed a bill within the meaning of subdivision (a) of Section 8 of Article IV of the California Constitution.

Introduction and Reference of Bills

47. (a) Each bill shall be signed by each Member who is an author or coauthor of the bill before it is introduced. If any bill is introduced that does not contain the signature of its author or coauthor, the bill, on motion of the Member whose name appears thereon without that signature, shall be stricken from the file by an affirmative recorded vote of 41 or more Members.

(b) After the introduction of preprinted bills, and subject to the provisions of the Joint Rules of the Senate and Assembly, any Member desiring to introduce a bill, constitutional amendment, or concurrent or joint resolution may at any time during a session send the same to the Chief Clerk's desk.

(c) When received at the Chief Clerk's desk each bill shall, under the proper order of business, be numbered, read the first time, printed, and referred to a standing committee, and a copy thereof shall be placed upon the desk of each Member before final passage.

All bills and constitutional amendments introduced before the standing committees of the Assembly are appointed shall be referred to committee, the references to take effect when the committees are appointed.

(d) The Committee on Budget may introduce a bill germane to any subject within the jurisdiction of the committee in the same manner as any Member. Any other standing committee may introduce a total of five bills in each year of a biennial session that are germane to any subject within the proper consideration of the committee.

(e) No committee, except the Committee on Budget, may introduce or author a House Resolution, Concurrent Resolution, or Joint Resolution.

(f) A committee bill may not be introduced unless it contains the signatures of a majority of all of the members, including the chairperson, of the committee. If all of the members of a committee sign the bill, at the option of the committee chairperson the committee members' names need not appear as authors in the heading of the printed bill.

(g) Subdivision (d) or (e) of this rule may be suspended with respect to a particular bill or resolution by approval of the Committee on Rules.

Bills Authored by a Former Member

47.1. Whenever the author of a bill in the Assembly is no longer a Member of the Legislature, upon a request of a committee or current Member of the house in which the bill was introduced, the Assembly Committee on Rules may authorize that committee or Member to be the author of that bill. Absent that authorization, an action may not be taken by a committee or the Assembly with respect to a bill authored by a former Member.

Limitation on the Introduction of Bills

49. (a) A Member may introduce not more than 40 bills in the regular session. As used in this rule, ''bills'' includes constitutional amendments.

(b) Notwithstanding subdivision (a) of this rule, a Member may introduce not more than five resolutions in the regular session. As used in this rule, ''resolutions'' include House, Concurrent and Joint Resolutions, but do not include resolutions introduced by a Member for the specific purpose of organizing a session that is convened pursuant to Article IV, Section 3(a) of the State Constitution or resolutions introduced by the Speaker as part of a session honoring a retiring Assembly Member.

(c) This rule may be suspended with respect to a particular bill or resolution by approval of the Committee on Rules.

Reference of Bills to Committee

51. Except as otherwise provided in this rule, the Committee on Rules shall refer each bill to a committee by a majority vote of the membership of the committee, unless upon a motion the Assembly, by an affirmative recorded vote of 41 or more Members, refers it to some other committee. A motion to refer a bill is not debatable, except as to

the propriety of the motion, and it may not open the main question to debate.

The Committee on Rules may require that, if a bill is reported out of the committee to which it has been referred, it shall be re-referred to another committee that shares jurisdiction of the subject matter of the bill.

Spot Bills

51.5. A bill that upon introduction makes no substantive change in or addition to existing law, and would not otherwise affect the ongoing operations of state or local government, except a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, may not be referred to a committee by the Committee on Rules. If the author subsequently proposes to the Committee on Rules to make substantive changes in the bill as introduced, the Committee on Rules may refer the bill to a committee, together with the proposed changes for consideration as author's amendments. A vote on passage of the bill may not be taken, however, until the bill with its amendments, if adopted, has been in print for at least 15 days.

Delivery of Bills to State Printer

52. After introduction and first reading, all bills shall be delivered to the State Printer.

Resolutions

53. All resolutions shall be numbered and may be referred to the appropriate committee by the Committee on Rules.

Each resolution shall be signed by each Member who is an author or coauthor of the resolution before it is introduced.

Resolutions by Member

54. A concurrent resolution or a house resolution may be introduced relating to a present or former state or federal elected official or a member of his or her immediate family. Other resolutions for the purpose of commendation or congratulation of any person, group, or organization, or for the purpose of expressing sympathy, regret, or sorrow on the death of any person, shall be prepared as a Rules Committee Resolution and presented to the committee for appropriate action.

The Committee on Rules may approve exceptions to this rule for house resolutions. The Chief Clerk may not accept for introduction any house resolution that is contrary to this rule unless it is accompanied by the approval of the Committee on Rules.

B. Standing Committee Functions

Standing Committee Rules

55. Subject to the Joint Rules of the Senate and Assembly, the Rules of the Assembly shall govern the conduct of all committee and subcommittee meetings.

Meetings of Standing Committees and Subcommittees

56. All standing committees and subcommittees shall meet at the hour and place provided by the schedule established by the Speaker, unless permission for a different hearing time is granted by the Speaker. A committee or subcommittee may not meet during any session of the Assembly, nor may any Member of the Assembly attend a conference

committee meeting on any bill during any session of the Assembly without first obtaining permission from the Assembly.

When an unscheduled meeting of a standing committee or subcommittee has been so ordered, the meeting shall convene in an area that is readily accessible to the public and the Assembly shall take care that every effort is made to inform the public that a meeting has been called. An unscheduled meeting of a committee or subcommittee may not be held in the Assembly Chamber.

No bill may be set for hearing, nor may any notice thereof be published by any Assembly committee or subcommittee, until the bill has been referred to the committee or subcommittee. Nothing in this paragraph shall prevent a committee or subcommittee from acting with regard to a bill referred to it where the only action taken is to cause the bill to be reported to the Assembly with the recommendation that amendments be adopted and the bill be reprinted as amended and re-referred to the committee or subcommittee.

The several standing committees and subcommittees and their chairpersons may adopt a procedure under which bills are scheduled for hearing on the basis of like subject matter groupings.

Setting and Hearing Bills in Committee

56.1. All bills referred to a standing committee pursuant to Assembly Rule 51 shall be set and heard, if requested by the author, as specified by the Joint Rules. If the analysis of an author's amendment that is subsequently adopted pursuant to Assembly Rule 68 discloses that the amendment makes a substantial substantive change to the original bill as referred by the Rules Committee, the bill as amended shall either be set and heard by the committee having jurisdiction of the bill as amended or re-referred to the Committee on Rules pursuant to the Assembly Rules.

Committee Analyses

56.5. Except as otherwise provided in this rule, each standing committee and subcommittee shall prepare an analysis of every bill it has set for hearing, which shall be available to the public in the office of the committee or subcommittee one working day prior to the date on which the hearing is to be held. In the case of a special meeting, or a meeting of the Committee on Appropriations or the Committee on Budget, or their subcommittees, the analysis shall be available to the public at the beginning of the hearing. No question concerning a committee's compliance with this rule with regard to any bill shall be in order following a vote on passage of the bill in that committee. As used in this rule, a ''working day'' is any day on which a house file is published.

A copy of each committee analysis shall be transmitted by the committee secretary to the Assembly Floor Analysis Unit at the same time it is made available to the public.

Committee Consultants: Floor Analyses

56.6. Except as otherwise provided in this rule, the consultants of a standing committee or subcommittee are responsible for monitoring bills assigned to their respective committee or subcommittee throughout the entire legislative process. Except for resolutions and bills on the Consent Calendar, a consultant of the appropriate standing committee shall prepare, in a timely fashion, an analysis of every bill on third

reading or the unfinished business file, and of any amendment to a bill that is on the Assembly floor, as directed by the Assembly Floor Analysis Unit.

The committee consultant who prepares the analysis shall transmit a copy of the completed analysis to the Assembly Floor Analysis Unit. The Assembly Floor Analysis Unit is responsible for final editing for grammar and format of all floor analyses.

Consent Calendar

56.7. If the chairperson of a committee or subcommittee, in advance of a hearing, proposes to recommend any bills for consideration on the Consent Calendar without hearing testimony on those bills in committee, a list of those bills shall be made available to the public at the same time as the committee analysis required under Rule 56.5.

Committee Quorum

57. Except as otherwise provided in this rule, a majority of the membership of any standing committee constitutes a quorum for the transaction of its business, including the decision to recommend the adoption of any amendments to any bill. A majority of the membership of the committee, or a subcommittee thereof, is required to report a bill out of the committee or subcommittee, respectively. Any vacancy on a standing committee shall not reduce the votes required to take action on a bill in that committee.

Whenever a member is disqualified pursuant to Joint Rule 44 or the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) from voting or taking any other action related to the passage, defeat, or amendment of a bill in committee, that disqualification shall be treated the same as a vacancy. The member shall advise the chairperson of a disqualification, and the chairperson shall announce which members are so disqualified at the commencement of the hearing on the bill.

Reconsideration

57.1. After a committee has voted on a bill, reconsideration may be granted only one time. Pursuant to subdivision (a) of Joint Rule 62, reconsideration may be granted within 15 legislative days or prior to the interim study joint recess, whichever occurs first. A vote on reconsideration may not be taken without the same notice required to set a bill for hearing unless that vote is taken at the same meeting at which the vote to be reconsidered was taken and the author is present. An action taken by a committee may not be reconsidered except by a majority vote of the membership of the committee.

Bills Reported Back to Assembly

58. All committees shall act upon bills referred to them as soon as practicable, and when acted upon each bill shall be reported back to the Assembly forthwith; the chairperson of each committee is charged with the observance of this rule. The chairperson of each committee shall, insofar as practicable, report back bills in the same order as they were acted upon by the committee.

Appropriations Suspense File

58.2. The Committee on Appropriations may maintain a suspense file, to which bills may be referred by vote of a majority of the members

of the committee present and voting, pending further consideration by the committee. A bill may be taken off the suspense file and heard, upon two days' notice published in the file, by a vote of a majority of the members of the committee present and voting. A bill removed from the suspense file for the purpose of amendment only, pursuant to Rule 68, shall be re-referred to the committee and shall be placed on the suspense file pending further consideration by the committee.

Voting in Committee

58.5. When a standing committee or subcommittee takes action on a bill, including reconsideration, the vote may be by roll call vote only. All roll call votes taken in a standing committee or subcommittee shall be recorded by the committee secretary on forms provided by the Chief Clerk of the Assembly. The record of a roll call vote shall show, for each proposal voted upon: all votes for and against, all members absent, and all members not voting. The chairperson of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Chief Clerk of the Assembly, who shall cause the votes to be published in an appendix to the Journal on a monthly basis.

The committee secretary of each standing committee or subcommittee shall promptly transmit a copy of the record of the roll call votes to the Assembly Floor Analysis Unit.

A member may submit a written explanation of his or her vote, absence, or failure to vote on any bill or resolution, and that explanation shall be printed in the appendix to the Journal in the appropriate place, provided that no explanation may exceed 50 words in length.

At the request of the author or any member of the committee, the committee shall hold the roll open on any Assembly bill until the adjournment of the committee meeting. At no time may a bill be passed out by a committee without a quorum being present.

This rule does not apply to any of the following:

(a) Adoption of author's amendments to a bill.

(b) Withdrawal of a bill from a committee calendar at the request of an author.

(c) Return of bills to the house where the bills have not been voted on by the committee.

(d) Votes of subcommittees of the Committee on Budget when considering the Budget Bill.

(e) Votes of the Committee on Rules when referring bills to committees.

Subject Matter of Bill Recommended for Interim Study

59. Whenever it is the decision of a standing committee that a bill referred to that committee shall not be given a do-pass recommendation, but that the subject matter of the bill should be referred for study, that standing committee shall retain the bill in its possession and report its recommendation to the Assembly that the subject matter of the bill be referred to the Committee on Rules for that committee's assignment of the subject matter to an appropriate committee.

Nothing in this rule shall be construed to prohibit a committee from subsequently reporting the bill to the Assembly with a do-pass or do-pass as amended recommendation or from reporting it out of committee without further action on the final day of the session.

Committee Chairperson as Author

60. A chairperson of a standing committee may not preside at a committee hearing to consider a bill of which he or she is the sole author or the lead author, except that the Chairperson of the Committee on Budget may preside at the hearing of the Budget Bill by the Committee on Budget.

Reports of Committees

61. Specially prepared reports of standing and special committees shall be delivered to the Chief Clerk or an assistant, and shall be read and ordered printed in the Journal unless otherwise ordered by the Speaker or a majority vote of the Members present and voting.

When a report of a joint legislative committee is delivered to the Assembly Desk, the Speaker shall refer it to a standing committee for review and appropriate action.

Constitutional Amendments

62.5. All constitutional amendments shall be referred to the policy standing committee having jurisdiction of that subject matter and, upon being reported out of that committee, shall be re-referred to the committee having constitutional amendments within its jurisdiction.

C. Passage of Bills

Daily File

63. There shall be printed an Assembly Daily File for each legislative day. The following listing shall constitute the order of business on the Daily File:

1. Special Orders of the Day
2. Second Reading, Assembly Bills
3. Second Reading, Senate Bills
4. Unfinished Business
5. Third Reading, Assembly Bills
6. Third Reading, Senate Bills

All bills on the Daily File shall be called for consideration, provided that Rule 58 has been complied with in the order of their listing. All scheduled committee hearings, together with the list of bills to be heard, shall be published in the Daily File.

Copies of Bills for Action on Floor

64. A bill may not be considered or acted upon on the floor of the Assembly unless and until a copy of the bill as introduced, and a copy of each amended form of the bill, has been distributed to the desk of each Member in hard copy or in portable document format (PDF) via computer.

Second Reading of Bills

66. All bills shall be read by title the second time in the order of their appearance upon the second reading file. Upon second reading, Assembly bills reported without amendments shall be ordered engrossed, and Senate bills reported without amendments shall be ordered to third reading. All bills reported out of committee shall be placed on the second reading file for the next legislative day, and may not be read a second time until the next legislative day under that order of business. As used in this rule, ''bill'' does not include a joint or concurrent resolution, but does include a constitutional amendment.

Bills Requiring General Fund Appropriation

66.6. Until the Budget Bill has been enacted, the Assembly may not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the Budget Bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

Passage of Budget Bill

66.7. The Budget Bill may not be voted upon for final passage on the floor of the Assembly unless it complies with subdivision (g) of Section 12 of Article IV and Sections 1.3 and 20 of Article XVI of the California Constitution.

Committee Amendments

67. Committee amendments reported with bills shall be considered upon their second reading, and the amendments may be adopted by majority vote of the Members present and voting. Assembly and Senate bills amended on second reading by committee amendment shall be ordered reprinted and returned to the second reading file. Assembly bills so amended shall be engrossed after printing.

Committee amendments reported with bills shall be prepared, or approved as to form, by the Legislative Counsel. Five copies of the committee amendments to Assembly bills and five copies of the committee amendments to Senate bills shall be delivered to the Chief Clerk's desk.

The Chief Clerk shall cause to be transmitted to the Assembly Floor Analysis Unit a copy of each committee report and committee amendment, unless the committee report or committee amendment is relative to a joint, concurrent, or house resolution.

Adoption of amendments to any bill in the Assembly prior to third reading, other than by a roll call, shall not preclude subsequent consideration in committee, or on the third reading by the Assembly, of the bill, those amendments, or any part thereof.

Author's Amendments

68. Upon request of the author of a bill, the chairperson of the committee to which the bill has been referred may, by his or her individual action taken independently of any committee meeting, cause the bill to be reported to the Assembly with the recommendation that amendments submitted by the author be adopted and the bill be reprinted as amended and re-referred to the committee.

Notwithstanding any other rule, a bill to be amended pursuant to this rule may not be placed on the second reading file for the adoption of those amendments.

Vote on Passage of Bill as Amended

68.5. Except as otherwise provided in this rule, a vote on passage of any bill in a standing committee or subcommittee shall be taken only when the bill is in print, including any previously adopted amendments to the bill. A vote on passage of an amended bill, when the amended form of the bill is not in print, may be taken only if the sole effect of the amendment is to add coauthors to the bill or if the committee determines that the effect of the amendment upon the bill can be readily understood by all of the members and audience present at the hearing. In that

circumstance, any member may require that the amendments be in writing at the time of their adoption.

Bill Analysis Prior to Third Reading

68.6. A bill, concurrent resolution, or joint resolution may not be considered on third reading unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Analysis of Conference Committee Amendments

68.7. A report of a conference committee on any bill, other than the Budget Bill, that recommends the substantive amendment of a bill may not be considered unless and until an analysis of the proposed amendment has been distributed by the Assembly Floor Analysis Unit and placed upon the desks of the Members, unless otherwise ordered by the Speaker.

Printing of Conference Committee Reports

68.8. A conference report may not be heard by the Assembly until it has been in print for two days prior to being taken up by the house.

Conference Committee: Substantial Policy Change

68.9. (a) A conference committee on any bill, other than the Budget Bill or a bill that is making statutory changes to implement the Budget Bill, may not approve any substantial policy change in any bill if that substantial policy change has been defeated in a policy committee of the Assembly within the current legislative session. For purposes of this rule, the most recent action of a policy committee with regard to a substantial policy change is deemed the only action taken when the policy committee has taken inconsistent actions with respect to a substantial policy change.

(b) For purposes of subdivision (d) of Joint Rule 29.5, the term ''heard'' means that a printed bill with substantially similar language was before the appropriate committee and taken up at a regular or special hearing of the committee during the current legislative session; or that an amendment, which was drafted and given a request number or approved as to form by the Legislative Counsel, was before the committee and taken up at a regular or special hearing of the committee.

Amendments From the Floor

69. (a) Any Member may move to amend a bill during its second or third reading, and that motion to amend may be adopted by a majority vote of the Members present and voting.

Amendments to a bill offered from the floor, except committee amendments reported with bills, amendments offered with a motion to amend and re-refer a bill to committee, amendments deleting any number of words, or amendments previously printed in the Journal, are not in order unless and until a copy of the proposed amendments has been placed upon the desks of the Members. A copy of a bill that has been amended only to add coauthors to the bill is not required to be placed upon the desks of the Members if both the Speaker and Minority Leader grant an exemption.

Amendments offered from the floor during a bill's second or third reading shall be prepared, or approved as to form, by the Legislative Counsel.

Before debate five copies of the proposed amendment to Assembly bills, and five copies of the proposed amendments to Senate bills, shall be delivered to the Chief Clerk's desk. One copy of the proposed amendment shall be transmitted by the Chief Clerk to the Assembly Floor Analysis Unit. Bills so amended upon second or third reading shall be reprinted and re-engrossed. The Chief Clerk shall order printed as many copies of all amended bills as he or she may determine to be necessary.

(b) (1) Amendments from the floor during a bill's second or third reading that would make a substantive change in the bill shall be submitted to the Chief Clerk's desk by 5:00 p.m. or the time of adjournment, whichever is later, the business day before the start of session on the legislative day at which they are to be considered.

(2) Upon receipt of the proposed amendments by the Chief Clerk, an analysis shall be prepared by the committee of origin in conjunction with the Assembly Floor Analysis Unit, and a copy of that analysis shall be distributed to each Member's desk prior to the beginning of debate on adoption of the proposed amendments, unless otherwise ordered by the Speaker.

(3) As used in this subdivision, ''bill'' does not include a joint or concurrent resolution, but does include a constitutional amendment.

(c) Paragraph (1) of subdivision (b) does not apply to (1) amendments to a bill taken up without reference to file, (2) amendments to a bill to add or delete an urgency clause, (3) amendments to a bill that are identical to other amendments submitted to the Chief Clerk's desk in accordance with the requirements of this rule, (4) amendments to the Budget Bill or to a bill that is making statutory changes necessary to implement the Budget Bill, or (5) amendments to a bill to make the bill contingent upon the enactment of another bill, or to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

(d) Any bill amended on the second or third reading file shall be ordered reprinted and returned to the third reading file, and may not be acted on by the Assembly until the bill, as amended, has been on the Daily File for one calendar day. This subdivision does not apply to a bill that is amended to add or delete an urgency clause or to a bill that is amended to make statutory changes to implement the Budget Bill.

(e) A motion to amend a bill on the second or third reading file, other than committee amendments reported pursuant to Rule 57, is not in order on (1) the last two legislative days preceding the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution or (2) the last seven days preceding the scheduled commencement of the interim study recess or the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly. This subdivision may be suspended temporarily by two-thirds vote of the Members present and voting. This subdivision does not apply to amendments to a bill pursuant to Joint Rule 23.5, amendments to a bill to add or delete an urgency clause, or amendments to a bill to incorporate one or more statutory amendments proposed in another bill to avoid superseding those amendments.

Consideration of Political Reform Act Bills

69.1. Pursuant to Section 81012 of the Government Code, any bill that would amend the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code) may not be passed until, 12 days prior to being considered for passage, the bill in its final form has been delivered by the Chief Clerk to the Fair Political Practices Commission for distribution to the news media and to every person who has requested the commission to send a copy of any such bill to him or her.

Consideration of Bills Amending the California Stem Cell Research and Cures Act

69.2. Pursuant to Section 8 of the California Stem Cell Research and Cures Act (Proposition 71 of the November 2, 2004, statewide general election), the following requirements apply to a bill that would amend the provisions of that act:

(a) The bill may not be passed until, 14 days prior to the date of passage, copies of the bill in its final form are made available by the Chief Clerk to the public and the news media.

(b) Passage of the bill requires the affirmative votes of 56 Members.

Electronic Distribution of Bills, Conference Reports, Amendments, and Analyses

69.5. Any requirement that bills, conference reports, amendments, or an analysis be placed on the desks of the Members is satisfied by electronic distribution of the same information in portable document format (PDF) via computer to the desk of the Members through the Assembly Floor System, unless otherwise ordered by the Speaker.

Consideration of Bills Re-referred to Committee

70. Whenever a bill that has been amended and re-referred to committee is reported out by that committee, it shall be placed on the second reading file and may not be transferred therefrom to the third reading file until the following day.

Uncontested Bills

71. A bill may not be placed on the Assembly Consent Calendar unless it has met the requirements of Joint Rule 22.1 with respect to each Assembly standing committee to which the bill has been referred.

Consideration of Concurrent and Joint Resolutions

73. A concurrent or joint resolution may be amended by a majority vote of the Members present and voting. The ayes and noes may not be called upon the adoption of concurrent resolutions, except those authorizing expenditures of money, unless regularly demanded, or required by statute or the California Constitution.

Adoption of Resolutions

74. Any resolution upon which a roll call vote is demanded requires an affirmative recorded vote of 41 or more Members for adoption.

The adoption of any resolution authorizing the expenditure of money requires an affirmative recorded vote of 41 or more Members.

Printing of Resolutions

75. When any previously printed house resolution is before the Assembly for adoption, it may be printed in the Journal only if amendments to it have been adopted, in which case it shall be printed as

amended. In the absence of those amendments, house resolutions before the Assembly for adoption shall be referred to by day and page of the Journal as printed upon introduction. For the purposes of this rule, the adding of a coauthor shall not be deemed an amendment.

Concurrence in Senate Amendments

77. Concurrence in any Senate Amendment to an Assembly bill requires the same affirmative recorded vote as the vote required by the California Constitution for the passage of the bill. A vote on concurrence may not be taken until the bill has been on the unfinished business file for one calendar day, except that when the bill is placed upon the unfinished business file during the last two legislative days preceding (1) the January 31 bill passage deadline specified by Section 10 of Article IV of the California Constitution, (2) the scheduled commencement of the interim study recess, or (3) the scheduled commencement of the final recess as specified by the Joint Rules of the Senate and Assembly, it may be acted upon immediately. The vote on concurrence shall be deemed the vote upon final passage of the bill.

Senate amendments to Assembly bills may not be concurred in unless and until an analysis of the measure has been distributed by the Assembly Floor Analysis Unit and a copy placed upon the desks of the Members, unless otherwise ordered by the Speaker. As used in this rule, ''bill'' does not include a joint or concurrent resolution, but does include a constitutional amendment.

Digest of Bills Amended in Senate

77.1. Whenever the Senate amends and passes an Assembly bill, the Legislative Counsel shall, within one day after the bill is passed by the Senate, prepare and transmit to the Chief Clerk and the Speaker a brief digest summarizing the effect of the Senate amendment. Upon receipt from the Legislative Counsel, the Chief Clerk shall cause the digest to be printed in the Daily File immediately following any reference in the file to the bill covered by the digest.

Substantially Amended Bills

77.2. If the analysis of an amendment adopted on the floor discloses that the amendment makes a substantial substantive change to a bill as passed by the last committee of reference, the bill, as amended, may be referred by the Speaker to the appropriate committee.

A bill that was previously reported from a policy or fiscal committee of reference in compliance with Joint Rule 61 is not subject to the deadlines in Joint Rule 61 if the bill is subsequently referred to a policy or fiscal committee pursuant to this rule.

If the digest to an Assembly Bill that has been returned to the Assembly by the Senate for concurrence in Senate amendments discloses that the Senate has made a substantial substantive change in the bill as first passed by the Assembly, the bill may be referred by the Speaker to the appropriate committee.

Inactive File

78. Whenever a bill has been passed twice on the third reading file on two successive legislative days, it shall be placed forthwith upon a special file to be known as the inactive file. A bill also may be placed on the inactive file at the request of the author. When a bill has been placed on the inactive file, it may be returned to the third reading file by request

of the author. Notice of the request to return the bill to the third reading file shall be published one day in advance in the Assembly File. The bill, when returned to the third reading file, shall then be placed at the foot of the third reading file.

When a bill, placed on the inactive file from the second reading file or the unfinished business file, is removed from the inactive file, it shall be returned to the foot of the second reading file or the unfinished business file, respectively, in the next published Daily File.

Engrossing and Enrolling Bills

79. The Engrossing and Enrolling Clerk shall engross and enroll all bills that come to his or her hands for that purpose, in compliance with the provisions of Section 9503 of the Government Code, and in the order of time in which the same shall be acted upon by the Assembly.

After final passage by both houses, any Assembly bill not amended by the Senate shall be ordered by the Speaker forthwith to be enrolled, as provided in Sections 9508 and 9509 of the Government Code. The Chief Clerk shall report both the day and hour each enrolled bill is presented to the Governor, which report shall be entered in the Journal.

VI. PARLIAMENTARY PROCEDURE

A. Motions and Questions

Precedence of Motions During Debate

80. When a question is under debate or before the Assembly, no motions shall be received but the following, which shall take precedence in the order named:

First—To adjourn;
Second—To recess to a time certain;
Third—To lay on the table;
Fourth—For the previous question;
Fifth—To set as a special order;
Sixth—To postpone indefinitely;
Seventh—To refer to or to re-refer;
Eighth—To amend.

Questions of Order Decided Without Debate

81. All incidental questions of order, arising after a motion is made for any of the questions named in Rule 80 and pending that motion, shall be decided by the Speaker without debate, whether on appeal or otherwise.

Appeal From Decision of the Speaker

82. Any Member may appeal from a decision of the Speaker without waiting for recognition by the Speaker, even though another Member has the floor. An appeal is not in order when another is pending, or when other business has been transacted by the Assembly prior to the appeal being taken. Upon the appeal being seconded, the Speaker may give his or her reasons for the decision, and the Member making the appeal may give his or her reasons for the appeal, and the Speaker forthwith shall put one of the following questions to the Assembly:

(1) ''Shall the decision of the Speaker be sustained?''
(2) ''Shall the decision of the Speaker be overruled?''

An appeal may not be amended and yields only to a motion to recess or adjourn, or to lay on the table, or a question of personal privilege. If

an appeal is laid on the table, that action shall have no effect on the pending question.

An appeal may not be debated when relating to indecorum, the transgression of rules, or the priority of business. A majority vote of the Members present and voting decides any appeal. In the event of a tie vote, the appeal is lost.

Speaker Explains Order of Business

83. The Speaker may, on his or her own motion or the motion of any Member, explain the order of business when the motion pending before the Assembly is not debatable. That explanation may not consume more than two minutes.

To Adjourn

84. A motion to adjourn is not debatable and may not be amended, and is always in order, except: (a) when another Member has the floor; (b) when the Assembly is voting; or (c) during a call of the Assembly. The name of any Member moving an adjournment, and the hour at which the motion was made and adjournment taken, shall be entered in the Journal. A motion to adjourn shall be adopted by a majority vote of the Members present and voting.

When a motion to adjourn is made and seconded, it shall be in order for the Speaker, before putting the question, to permit any Member to state to the Assembly any fact relating to the condition of the business of the Assembly which would seem to render it improper or inadvisable to adjourn. That statement may not occupy more than two minutes and is not debatable.

An affirmative recorded vote of a majority of the duly elected and qualified Members is required to adjourn any session of the Assembly sine die.

To Recess to a Time Certain

85. A motion to recess to a time certain is treated the same as a motion to adjourn, except that the motion is debatable when no business is before the Assembly, and can be amended as to the time and duration of the recess. It yields only to a motion to adjourn.

To Lay on the Table

86. A motion to lay on the table is not debatable and may not be amended.

A motion to table a bill, constitutional amendment, or concurrent or joint resolution is adopted by an affirmative recorded vote of 41 or more Members.

Any motion to lay on the table, if carried by 41 or more votes, carries with it the main question and everything that adheres to it, except that a motion to lay an amendment on the table, if adopted, does not carry with it a bill, constitutional amendment, or concurrent, joint, or house resolution.

A motion to lay an amendment on the table is adopted by a majority vote of the Members present and voting.

A motion to lay on the table may not be applied with respect to reconsideration.

The Previous Question

87. The previous question shall be put only when demanded by five Members, and its effect, when sustained by a majority vote of the

Members present and voting, shall be to put an end to all debate and bring the Assembly to a vote only on the question then pending, except that the proponent of the matter pending shall be allowed not more than five minutes to close the debate.

Motion to Set Special Order

88. A motion to set any matter before the Assembly as a special order of business is adopted by an affirmative recorded vote of 54 or more members. The motion is debatable only as to the propriety of setting the main question as a special order of business, and may be amended only as to the time.

Motion to Postpone to a Time Certain

89. A motion to postpone to a time certain is deemed and treated as a motion to set as a special order.

Motion to Postpone Indefinitely

90. The making of a motion to postpone indefinitely any bill, motion, or amendment opens the main question to debate. If the motion to postpone indefinitely prevails by an affirmative recorded vote of 41 or more Members, the main question may not be acted upon again during the session.

Motion to Amend

91. A motion to amend may itself be amended, but an ''amendment to an amendment'' may not be amended. A motion to substitute is deemed to be a motion to amend and is considered the same as an amendment.

Only one substitute is in order when an amendment is pending. A motion to amend or to substitute is debatable, except where the main question to be amended is not debatable. Any motion to amend may be adopted by a majority vote of the Members present and voting.

A motion to amend that is decided in the negative is not again in order on the same day, or at the same stage of proceeding. The fact that a motion to amend by striking out certain words is decided in the negative does not preclude a motion to amend by adding words, or a motion to amend by striking out and inserting words, except that in no case may a further amendment be substantially the same as the one rejected.

Subject to the above provisions of this rule and Rule 69, a motion to amend is in order during the second or third reading of any bill.

Amendment To Be Germane

92. An amendment to any bill, other than a bill stating legislative intent to make necessary statutory changes to implement the Budget Bill, whether reported by a committee or offered by a Member, is not in order when the amendment relates to a different subject than, is intended to accomplish a different purpose than, or requires a title essentially different than, the original bill.

A motion or proposition on a subject different from that under consideration may not be admitted as an amendment.

An amendment is not in order that changes the original number of any bill.

A Member may not be added or deleted as an author or coauthor of a bill or resolution without his or her consent.

Consideration of Motions

93. A motion, whether oral or written, may not be adopted until it is seconded and distinctly stated to the Assembly by the Speaker.

Motions in Writing

94. Upon request of the Speaker, all motions shall be reduced to writing and shall be read to the Assembly by the Speaker before being acted upon.

Withdrawal of Motions

95. After a motion is stated by the Speaker, or a bill, resolution, or petition is read by the Chief Clerk, it is in the possession of the Assembly.

Motion to Withdraw or Re-refer Bills

96. (a) A motion to withdraw a bill or resolution from committee, or to re-refer a bill or resolution from one committee to another committee, may be made during the regular order of business. A motion to re-refer may be debated only as to the propriety of the reference, and shall require an affirmative recorded vote of 41 or more Members.

(b) A bill or resolution may not be withdrawn from committee and placed upon the file, unless a motion to withdraw has been heard by, and has been approved by a majority vote of, the Committee on Rules. This subdivision does not apply to a bill in a fiscal committee that has been amended so as not to require its reference to a fiscal committee, as indicated by the Legislative Counsel's Digest.

(c) A motion to continue a motion to withdraw a bill or resolution from committee requires a majority of those members present and voting. A motion to withdraw a motion to withdraw is not in order.

Re-reference of Measures on File

97. A motion to re-refer a bill or resolution that is on the Assembly Daily File to committee may be made during the regular order of business. The motion is debatable only as to the propriety of that reference and shall require an affirmative recorded vote of 41 or more Members.

Bills Stricken From File

98. A motion to strike from the file any bill or resolution requires an affirmative recorded vote of 41 or more Members. That bill or resolution may not be acted upon again during the session.

Motion to Rescind Action or Expunge Record

99. Previous to the approval of the Journal by the Assembly, any action may be rescinded and its record ordered expunged by the affirmative recorded vote sufficient to take that action originally, except that an action may not be rescinded and the record expunged by a vote less than an affirmative recorded vote of 41 or more Members. A motion to rescind the action and expunge the record may not be made twice on the same proposition.

A motion to rescind is not in order on any matter upon which a vote to reconsider has previously been taken in the Assembly.

Whenever any action of the Assembly is rescinded and its record ordered expunged, the record of the action expunged may not appear in

any form whatsoever, except that the record of the proceedings on the motion to rescind and expunge shall appear in the Journal as and when printed.

Reconsideration of Vote

100. (a) A motion to reconsider a vote on the next legislative day shall be made on the same day the vote to be reconsidered was taken. A motion to reconsider may not be adopted unless it receives an affirmative recorded vote of 41 or more Members. A motion to reconsider may be voted on without a second.

A motion to reconsider a vote shall be made by a Member voting on the question, and takes precedence over all motions, except a motion to adjourn. Upon that motion being made, the matter to be reconsidered forthwith shall be placed upon the unfinished business file, and further action may not be taken prior to the next legislative day. When a motion to reconsider has once been made, the motion is the property of the Assembly. When reconsideration is granted, the matter to be reconsidered shall be before the Assembly in the same status it had prior to the vote being reconsidered.

(b) (1) Interim Study Recess:

No motion to reconsider the vote whereby amendments are concurred in on Assembly bills, the vote whereby a Senate bill is passed and returned to the Senate, or the vote whereby a conference committee report is adopted is in order on the last two legislative days preceding the interim study recess.

A motion to reconsider the vote whereby amendments are refused concurrence on Assembly bills, the vote whereby Senate bills are refused passage, or the vote whereby a conference committee report is refused adoption is in order on the last legislative day preceding the interim study recess. The motion may be taken up before the end of that legislative day.

As used in this paragraph, ''bill'' does not include a joint or concurrent resolution.

(2) January 31—Even-numbered Year:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding January 31 of the even-numbered year.

A motion to reconsider the vote whereby an Assembly bill is refused passage on its third reading is in order on the last legislative day preceding January 31 of the even-numbered year. The motion must be taken up before the end of that legislative day.

As used in this paragraph, ''bill'' does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(3) Spring or Summer Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the Spring or Summer Recess as established by the Joint Rules of the Senate and Assembly.

(4) Deadline for Passage by House:

A motion to reconsider the vote whereby an Assembly bill is passed to the Senate is not in order on the last two legislative days preceding the last day for the Assembly to pass a bill introduced in the Assembly, as set forth in the Joint Rules of the Senate and the Assembly.

As used in this paragraph, ''bill'' does not include a Senate bill, a constitutional amendment, or a joint or concurrent resolution.

(5) Final Recess:

A motion to reconsider the vote whereby a bill is passed is not in order on the last two legislative days preceding the final recess.

A motion to reconsider the vote whereby a bill is defeated is in order on the day of the final recess. The motion must be taken up before the end of that legislative day.

(c) Any Member voting on any matter may move to take up on the same day the motion, previously made by another Member, to reconsider the vote on that matter. A motion to take up on the same day a motion to reconsider the vote on a bill requires an affirmative recorded vote of at least 41 Members. A motion to take up on the same day a motion to reconsider the vote on any motion, amendment, Assembly resolution, or proposition other than a bill requires an affirmative vote of a majority vote of the Members present and voting. The motion to take up the reconsideration on the same day takes precedence over the motion to reconsider and, upon demand of any Member, the motion to take up the reconsideration on the same day shall be put to an immediate vote. If the motion to take up the reconsideration on the same day is adopted, the motion to reconsider is the next order of business before the Assembly.

(d) A second motion to reconsider the same question is not in order, nor is a motion to reconsider reconsideration in order.

(e) A motion to continue a motion to reconsider requires a majority vote of those Members present and voting.

Call of Assembly

101. After the roll has been called, and prior to the announcement of the vote, any Member may move a call of the Assembly. The Members present may order a call of the Assembly by a majority vote of the Members present and voting, and the Speaker shall immediately order the Sergeant at Arms to lock all doors and direct the Chief Clerk to prepare a list of absentees as disclosed by the last roll call. The list of absentees shall be furnished to the Sergeant at Arms, whereupon no Members shall be permitted to leave the Assembly Chamber except by written permission of the Speaker, and a person may not be permitted to enter except Members, Senators, or officers, or employees of the Legislature in the official performance of their duties.

Each Member who is found to be absent, and for whom a leave of absence has not been granted, shall be forthwith taken into custody wherever found by the Sergeant at Arms, his or her assistants, or any person designated by the Sergeant at Arms, including members of the California Highway Patrol, and sheriffs or their deputies, and brought to the Assembly Chamber.

A recess or adjournment may not be taken during a call of the Assembly. Additional business may be conducted and calls placed regardless of the number of calls in effect. A call of the Assembly may be dispensed with at any time upon a majority vote of the Members present, that action to become effective upon the completion of the roll call and the announcement of the vote upon the matter for which the call was ordered, unless, prior to the announcement of the vote, the call is continued by a majority vote of the Members present.

Division of Question

102. Any Member may call for a division of the question, and the Speaker shall order the question divided if it comprehends propositions in substance so distinct that, one being taken away, a substantive proposition would remain for the decision of the Assembly. This rule does not apply to an individual bill or resolution.

B. Voting

Members Voting

104. Every Member in the Assembly Chamber when a roll call is required shall record his or her vote openly and without debate, unless the Assembly excuses that member by a majority vote of the Members present and voting.

A Member may not operate the voting switch of any other Member, except that a Member presiding at the time of a roll call, who is not the Speaker or the Speaker pro Tempore, may direct another Member on the floor to operate the voting switch of the presiding Member, and any Member so presiding, including the Speaker and the Speaker pro Tempore, may also operate the voting switches at the rostrum of the Speaker and the Speaker pro Tempore, at their direction.

The name of any Member who refuses to vote as required by this rule, after being requested by the Speaker to do so, shall be entered in the Journal, together with a statement that he or she was present and did so refuse to vote. Any Member who refuses so to vote may, if he or she so desires, and immediately after the announcement of the vote, submit a written explanation of the failure to vote and that explanation shall be printed in the Journal, provided that no explanation may exceed 50 words in length.

In addition to the entry of his or her name in the Journal, any Member who refuses so to vote when required, and who has not been excused from doing so, may, immediately after the announcement of the vote, at the discretion of the Speaker or upon demand of any Member, be summoned to appear before the bar of the Assembly for public censure by the Speaker or by any Member designated by the Speaker. Censure of a Member as provided by this rule does not constitute a bar to proceedings for his or her expulsion from the Assembly pursuant to Section 5 of Article IV of the California Constitution.

A Member may submit a written explanation of his or her vote on any bill or house resolution, and that explanation shall be printed in the Journal immediately following the vote, provided that no explanation may exceed 50 words in length.

A Member, prior to adjournment on the same legislative day, in the absence of any objection, may instruct the Chief Clerk to add his or her vote to any previously announced vote that had been taken during his or her absence, so long as the outcome of the vote is not thereby changed. The Chief Clerk shall record any vote additions or vote changes in the order signed by the Members at the Clerk's desk.

Ayes and Noes

105. The ayes and noes shall be recorded by the electrical voting system on the final passage of all bills, when an affirmative recorded vote of 41 Members or any vote above that number is required, when demanded by three Members, or when ordered by the Speaker. The names of the Members so voting shall be entered in the Journal.

Voting and Vote Changes

106. When once begun, voting may not be interrupted, except that, before the vote is announced, any Member may have the total pending vote flashed on the visible vote recorder. Prior to the announcement of the vote, the presiding officer shall instruct the Chief Clerk to record verbal votes from Members not at their desks. Any Member may move a call of the Assembly after the completion of the roll. A Member, prior to adjournment on the same legislative day, and in the absence of any objection, may instruct the Chief Clerk to change his or her recorded vote after the vote is announced, so long as the outcome of the vote is not thereby changed. The Chief Clerk may record any vote change only after the Member making the change has announced it to the Assembly.

Tie Vote

107. In case of an equal division, or tie vote, the question shall be lost.

VII. MEMBERS' DECORUM AND PRIVILEGES

Order in Speaking to Questions

108. When a Member desires to address the Assembly, the Member shall rise from his or her seat and respectfully address himself or herself to ''Mr. Speaker'' or ''Madame Speaker.'' Upon being recognized, the Member may speak, confining himself or herself to the question under consideration. When two or more Members rise at the same time, the Speaker shall designate the Member who is entitled to the floor. A Member may not speak more than once during the consideration of any one question on the same day and at the same stage of proceeding, except that the author of a bill or resolution or the mover of a question has the right to open and close the debate thereon. A Member may not be allowed to speak more than five minutes to open and five minutes to close the debate on any question, including amendments, and no Member other than the author or the mover of the question may be allowed to speak more than five minutes thereon. A Member may not yield to any other Member the time for which he or she is entitled to speak on any matter.

Rules of Decorum

108.1. (a) In accordance with Rule 10, Members of the Assembly shall conduct themselves in accordance with the rules of decorum specified in Sections 120 to 126, inclusive, of Mason's Manual of Legislative Procedure.

(b) Notwithstanding subdivision (a), the Committee on Rules may adopt additional rules of decorum by majority vote of the membership of the committee.

Motions

109. When a Member desires to make a motion, the Member shall obtain recognition as provided in Rule 108. Upon being recognized, the Member shall open by stating his or her motion, except in the case of a nomination, and in any other case may not speak to the merits of the motion at that time, but shall confine his or her remarks to those necessary to explain the motion. If the motion is in order and is seconded, it shall be stated to the Assembly by the Speaker. If the motion is debated, the Member who made it shall then be entitled to recognition to open the debate on the motion.

When a Member obtains the floor during debate upon any question that is pending before the Assembly and addresses the Assembly regarding the merits of the pending question, the Member may not be permitted to conclude his or her debate by making any motion or by demanding the previous question.

Leave of Absence

110. A Member may not absent himself or herself from attendance at any session of the Assembly without leave of the Assembly. A Member may not obtain that leave of absence or be excused for nonattendance except by a vote of 54 or more Members or by unanimous consent. A Member who obtains a leave of absence for personal business, or is excused for nonattendance for personal business, thereby waives his or her per diem allowance for attendance upon any session of the Legislature for which he or she secures that leave of absence or excuse. A Member may not obtain a leave of absence for legislative business or be excused for nonattendance for legislative business unless the Member has filed with the Speaker a statement of the legislative business for which he or she seeks that leave of absence or excuse. That statement shall be printed in the Journal.

If a Member is not recorded on the attendance roll within 30 minutes after the scheduled start of the session, the Member shall stand up before the Assembly and explain the reason he or she is late before he or she is recorded on the roll call for any vote. If a Member does not explain his or her reason for being late, any other Member may raise a point of order under this rule, whereupon the tardy Member's vote may not be recorded until an explanation is made.

Personal Privilege

111. Any Member may rise to explain a matter of personal privilege. A matter of personal privilege is a matter involving the Member's integrity, dignity, or honor. Upon rising to explain such a matter, the Member forthwith shall be recognized by the Speaker, but may not discuss a question in that explanation. Matters of personal privilege yield only to a motion to recess or adjourn.

Objection to Reading of Any Paper

112. Any Member, upon recognition by the Speaker, may object to the reading of any paper before the Assembly. When that objection is made, the question of reading shall be determined without debate by a majority vote of the Members present and voting, upon a brief statement by the Speaker of the substance of the objection.

Members at Chief Clerk's Desk

113. A Member or other person may not be allowed at the Chief Clerk's desk while the ayes and noes are being recorded or the votes counted.

Members Called to Order for Transgressing Rules

114. If any Member transgresses the Rules of the Assembly, the Speaker shall, or any Member may, call the offending Member to order. The Member so called to order immediately shall take his or her seat, until the Speaker, without debate, has determined whether the Member is in order. That decision by the Speaker shall be subject to an appeal to the Assembly.

If any Member is called to order for offensive words spoken in debate, the person calling him or her to order shall state to the Assembly the words to which exception is taken. No Member may be held to answer, or be subject to censure by the Assembly, for language used in debate if other business has been transacted by the Assembly prior to exception being taken to the words spoken.

VIII. MISCELLANEOUS

Committee of the Whole

115. The Assembly may resolve itself into a Committee of the Whole at any time by a majority vote of the Members present and voting. While sitting as that committee, persons other than Members may address the committee. The Speaker of the Assembly, or any Member named by the Speaker, shall preside as Chairperson of the Committee of the Whole.

A motion that the Committee of the Whole ''do now rise and report back to the Assembly,'' shall always be in order and shall be decided without debate. All actions of the Committee of the Whole shall be reported to the Assembly by the chairperson, but may not be entered in the Journal except upon motion and a majority vote of the Members present and voting.

Use of Assembly Chamber

116. The Assembly Chamber may not be used for any public or private business, other than legislative matters, except upon approval of the Speaker or the Chair of the Committee on Rules.

Use of Assembly Facilities: Smoking

117. The smoking of tobacco products is prohibited within any building, or portion of a building, occupied or used by Assembly Members or employees if the building or portion of the building is under the jurisdiction or control of the Assembly. This smoking prohibition shall apply to any outdoor area within five feet of an entrance or exit to any building or portion of a building subject to this rule. This smoking prohibition shall apply to the Assembly Chamber, Assembly hearing rooms, and Assembly offices, and to hallways, stairways, and bathrooms within any building or portion of a building subject to this rule.

Telephones and Text Messages

117.5. While on the floor of the Assembly during any session of the Assembly, or while serving on a committee during any hearing of that committee, a Member may not do either of the following:

(a) Use a cellular telephone to make or receive calls.

(b) Send text messages to, or receive text messages from, any lobbyist.

Meeting of the Assembly: Firearms

117.7. A person, except a peace officer acting within the scope of his or her employment, may not carry or possess a firearm on the floor of the Assembly during any session of the Assembly or in a committee hearing room during any meeting of a committee or subcommittee.

Persons Admitted to Floor of the Assembly

118. A person other than Members of the Legislature, officers, employees of the Legislature, accredited members of the press, and

guests may not be admitted to the floor of the Assembly during any session of the Assembly. A guest of any Member may be admitted only upon presentation of a guest card of the Member countersigned by the Speaker. A guest card is valid only on the legislative day for which it is issued. A lobbyist, as defined by Section 82039 of the Government Code, may not, under any circumstances, be admitted to the Assembly Chamber while the Assembly is in session.

Persons admitted to the Assembly Chamber, other than Members, may not be permitted to stand in the lobby in the rear of the Assembly Chamber while the Assembly is in session, but shall be required to occupy the seats provided for them.

Guests may be seated only in the chairs in the back of the rail in the rear of the Assembly Chamber, and may not be permitted to sit at the desks of the Members. No person other than an accredited newspaper representative may be permitted to sit at the press desks. A special section in the balcony may be reserved for those holding guest cards. Neither any person mentioned in this rule nor any other person, except a Member of the Legislature, may engage in influencing the passage or defeat of legislation in the Assembly Chamber.

A person other than a Member of the Legislature, the Sergeant at Arms or his or her assistants, the Chief Clerk or his or her assistants, or the Legislative Counsel or his or her representatives, may not be permitted in the area of the floor of the chamber which is occupied by the desks of the Members.

Floor Attire

118.1. Notwithstanding any other provision of these Rules, Members of the Legislature, officers or employees of the Legislature, accredited members of the press, or any other persons may be restricted from admission to the floor of the Assembly during any session if they are inappropriately attired. The Committee on Rules may, as necessary, adopt policies to implement this rule.

Qualifications and Elections of Members

119. An affirmative vote of 41 or more Members shall be required to determine the qualifications and election of any Member pursuant to Section 5 of Article IV of the California Constitution. A motion to disqualify a Member is not in order at the convening of a legislative session until a Speaker has been elected in accordance with Section 9023 of the Government Code.

Compensation and Expenses of Member Convicted of Felony

120. If a Member of the Assembly is convicted of a felony by a superior court, his or her right to further compensation or expenses is thereupon suspended, and his or her membership on any committee is thereupon suspended. If the conviction becomes final, the right of the Member to further compensation or expenses shall terminate and any compensation or expenses withheld shall be forfeited to the state. If the conviction is reversed by an appellate court or a motion for a new trial is granted, and the Member is thereafter found not guilty or the charges against him or her are dismissed, the amounts of the withheld compensation or expenses shall be paid to the Member and the suspension of his or her committee membership shall terminate.

Whenever a Member is convicted of a felony in the superior court, the Committee on Rules shall give written notice thereof to the Controller,

directing him or her to discontinue any further payments to the Member unless and until the Committee on Rules notifies the Controller that the Member has been found not guilty or that the charges against him or her are dismissed. The Controller may not draw any warrant payable to that Member except as provided in this rule.

The Seal of the Assembly

121. The Seal of the Assembly may be used only by or on behalf of a Member of the Assembly, or when specifically authorized by the Committee on Rules.

Agency Reports: Electronic Copies

122. Pursuant to Section 9795 of the Government Code, any report required or requested by law to be submitted by a state or local agency to the Members, or to the Legislature generally, shall be submitted as an electronic copy to the Chief Clerk.

ORGANIZATIONAL RECESS

Assembly Chamber, Sacramento
Thursday, December 6, 2012

Pursuant to the provisions of Joint Rule 59, the following Assembly Journal for the 2013–14 Regular Session was printed while the Assembly was in Organizational Recess.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2012-103
November 29, 2012

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor (state auditor) presents this audit report concerning whether the Los Angeles Unified School District (district) is properly handling allegations of employee abuse against students.

This report concludes that the district often did not properly notify the Commission on Teacher Credentialing (commission) when required to do so, such as when an employee with a certificate to teach is dismissed while an allegation of misconduct is pending. Our review of the information the district provided to the commission found that the district failed to report as required at least 144 cases—including cases involving employee misconduct against students—submitted a year or more late when the district finally did report them. Of the 144 cases, 31 were more than three years late when they were reported to the commission. As a result of the delays in reporting these cases, the commission was not able to determine promptly whether it was appropriate to revoke the teachers' certificates and thus prevent the individuals from working in other school districts. Further, we found

that there is no statewide mechanism to communicate to other school districts when a classified employee at any given district, such as a campus aide or food service worker, separates by dismissal, resignation, or settlement during the course of an investigation involving misconduct with students.

The district has made improvements to its policies and procedures related to reporting, investigating, and tracking suspected child abuse over time. However, although the district generally followed state law and its own policies and procedures when reporting and investigating suspected child abuse, we found that the district did not always act promptly on some allegations during the investigation, nor did it always discipline employees in a timely manner. During an investigation of employee misconduct, the district is responsible for keeping the employee away from the school site. The district's policy for addressing this responsibility is to *house* the employee—to relocate him or her away from its school sites. During this time the district continues to pay the employee's salary. We noted that the district paid $3 million in salaries to 20 employees housed the longest for allegations of misconduct against students. Finally, the lengthy and expensive dismissal process required by state law contributes to the district's settling with employees rather than continuing with the dismissal process. However, the district does not maintain a districtwide tracking mechanism for settlements that includes the total amount paid out and descriptions of the misconduct. Such information could help the district identify and analyze patterns and trends associated with providing a settlement.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Education.

MESSAGES FROM THE GOVERNOR

The following budget message from the Governor was received and ordered printed in the Journal:

Governor's Office, Sacramento
January 10, 2013

To the Members of the Senate and the Assembly of the California Legislature:

California today is poised to achieve something that has eluded us for more than a decade—a budget that lives within its means, now and for many years to come.

We are in this favorable position both because of the huge budget reductions that you have made in the last two years, and because the people voted for Proposition 30.

Under this budget, K–12 school districts will see an increase in funds. School districts serving those students who have the greatest challenges will receive more generous increases—so that all students in California have the opportunity to succeed. This budget also focuses more responsibility and accountability on those who are closest to our students.

This budget proposes annual funding increases for public higher education. The goal is to provide our students with a solid and affordable education. It challenges the leaders of our higher education system to do better by our students by deploying their teaching resources more effectively.

This budget takes the next step to implement federal health care reform. Given the complexity and financial risk, I urge you to expand our health care system in ways that are both affordable and sustainable.

This budget finally puts California on a path to long-term fiscal stability. What must be avoided at all costs is the boom and bust, borrow and spend, of the last decade. Fiscal discipline is not the enemy of democratic governance, but rather its fundamental predicate. That is the spirit that I trust will characterize our work together in the coming year.

With respect,

EDMUND G. BROWN JR.

Receipt

I acknowledge receipt this 10th day of January 2013 at 12:08 p.m., of the budget for the 2013–14 fiscal year, together with an explanatory message delivered to me personally by Jacque Roberts.

Upon invitation of Speaker pro Tempore Campos, the following prayer was offered by Assembly Chaplain Rev. Constantine C. Pappademos:

Lord, What we consider perfection in life, is not necessarily what You do. Some think perfection lies in happiness, in careers, or in family. But You, Lord, see it differently. For You, perfection is seen in a spirit of repentance and humility. You see a perfect person in someone who shows love and kindness, no matter what they may look like or where they come from. Help us to grow in the perfection that pleases You, Lord, and give us Your blessing today and always.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Campos, the following prayer was offered by Assembly Member Richard S. Gordon, of the 24th Assembly District:

I am honored to have been asked to deliver the prayer today as we honor the legacy of Dr. Martin Luther King, Jr. His work, his words, and his life impacted my life and were critical in my decision to enter the ordained ministry.

Please join me in a moment of prayer.

Lord, As a people, we have not yet arrived at that place where justice has been fully achieved. We continue on the long march to a world free of prejudice, discrimination, and fear. We strive for a place where the potential of all can be celebrated and achieved.

This year we mark significant milestones on that long march. One hundred and fifty years ago this year, President Abraham Lincoln issued the emancipation proclamation freeing some who had been enslaved. And this coming August we will mark the fiftieth anniversary of the March on Washington led by the Rev. Martin Luther King, Jr.

The ancient scribes write in Deuteronomy (Chapter 16, Verse 20): Follow justice and justice alone, so that you live and possess the land the Lord your God is giving you.

Martin Luther King said, "Human progress is neither automatic nor inevitable . . . Every step toward the goal of justice requires sacrifice, suffering, and struggle: the tireless exertions and passionate concern of dedicated individuals."

Lord, may we who gather today in these Chambers, and those we serve across this great state, recommit ourselves to the march toward justice. With each step, let us lift each other up so that together we may find that place where "justice rolls down like waters, and righteousness is like an ever flowing stream."

Bless us to the road, which lies ahead.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Campos, Assembly Member Bradford then led the Assembly in the pledge of allegiance to the Flag.

Conway	Harkey	Pan	Mr. Speaker

PRAYER

Upon invitation of Speaker pro Tempore Campos, the following prayer was offered by Assembly Chaplain Rev. Constantine C. Pappademos:

Lord, We see many examples today of how telling the truth is branded old-fashioned and unnecessary. Yet denying the truth only wins a temporary skirmish. In the end, the truth prevails. Lord, help us to surround ourselves with honesty and to seek the truth in everything. Our faith in You will strengthen us to endure the deceptions that swirl all around us. Our faith in You will make us well.—AMEN.

GOVERNOR'S ADDRESS PRINTED IN JOURNAL

Without objection, the following text of Governor Brown's State of the State Address was printed in the Journal:

Governor Edmund G. Brown Jr.
2013 State of the State Address
January 24, 2013

The message this year is clear: California has once again confounded our critics. We have wrought in just two years a solid and enduring budget. And, by God, we will persevere and keep it that way for years to come.

Against those who take pleasure, singing of our demise, California did the impossible.

You, the California legislature, did it. You cast difficult votes to cut billions from the state budget. You curbed prison spending through an historic realignment and you reformed and reduced the state's long term pension liabilities.

Then, the citizens of California, using their inherent political power under the Constitution, finished the task. They embraced the new taxes of Proposition 30 by a healthy margin of 55% to 44%.

Members of the legislature, I salute you for your courage, for wholeheartedly throwing yourself into the cause.

I salute the unions—their members and their leaders. You showed what ordinary people can do when they are united and organized.

I salute those leaders of California business and the individual citizens who proudly stood with us.

I salute the teachers and the students, the parents and the college presidents, the whole school community. As the great jurist, Oliver Wendell Holmes, once said when describing what stirs people to action: ''Feeling begets feeling and great feeling begets great feeling.'' You were alarmed, you stirred yourselves to action and victory was the outcome.

That was 2012 and what a year!

In fact, both 2011 and 2012 were remarkable.

You did great things: Your 1/3 renewable energy mandate; the reform of workers compensation; the reorganization of state government; protecting our forests and strengthening our timber industry; reforming our welfare system; and launching the nation's first high speed rail system.

But, of course, governing never ends. We have promises to keep. And the most important is the one we made to the voters if Proposition 30 passed: that we would guard jealously the money temporarily made available.

This means living within our means and not spending what we don't have. Fiscal discipline is not the enemy of our good intentions but the basis for realizing them. It is cruel to lead people on by expanding good programs, only to cut them back when the funding disappears. That is not progress; it is not even progressive. It is illusion. That stop and go, boom and bust, serves no one. We are not going back there.

The budget is balanced but great risks and uncertainties lie ahead. The federal government, the courts or changes in the economy all could cost us billions and drive a hole in the budget. The ultimate costs of expanding our health care system under the Affordable Care Act are unknown. Ignoring such known unknowns would be folly, just as it would be to not pay down our wall of debt. That is how we plunged into a decade of deficits.

Recall the story of Genesis and Pharaoh's dream of seven cows, fatfleshed and well favored, which came out of the river, followed by seven other cows leanfleshed and ill favored. Then the lean cows ate up the fat cows. The Pharaoh could not interpret his dream until Joseph explained to him that the seven fat cows were seven years of great plenty and the seven lean cows were seven years of famine that would immediately follow. The Pharaoh took the advice of Joseph and stored up great quantities of grain during the years of plenty. When famine came, Egypt was ready.

The people have given us seven years of extra taxes. Let us follow the wisdom of Joseph, pay down our debts and store up reserves against the leaner times that will surely come.

In the midst of the Great Depression, Franklin Roosevelt said: ''There is a mysterious cycle in human events. To some generations much is given. Of other generations much is expected. This generation has a rendezvous with destiny.''

We—right here in California—have such a rendezvous with destiny. All around us we see doubt and skepticism about our future and that of America's. But what we have accomplished together these last two years, indeed, the whole history of California, belies such pessimism.

Remember how California began.

In 1769, under King Charles III, orders were issued to Jose de Galvez, the Visitor General of Baja California, to: ''Occupy and fortify San Diego and Monterey for God and the King of Spain.''

Gaspar Portola and a small band of brave men made their way slowly north, along an uncharted path. Eventually, they reached Monterey but they could not recognize the Bay in the dense fog. With their supplies failing, they marched back to San Diego, forced to eat the flesh of emaciated pack mules just to stay alive. Undaunted, Portola sent for provisions from Baja California and promptly organized a second expedition. He retraced his steps northward, along what was to become El Camino Real, the Kings Highway. This time, Father Serra joined the expedition by sea. The rest is history, a spectacular history of bold pioneers meeting every failure with even greater success.

The founding of the Missions, secularized and sold off in little more than 50 years, the displacement and devastation of the native people, the discovery of Gold, the coming of the Forty-Niners and adventurers from every continent, first by the thousands and then by the hundreds of thousands. Then during the Civil War under President Lincoln came the Transcontinental Railroad and Land Grant Colleges, followed by the founding of the University of California. And oil production, movies, an aircraft industry, the longest suspension bridge in the world, aerospace, the first freeways, grand water projects, Jet Propulsion Laboratory, Venture Capital, Silicon Valley, Hewlett Packard, Apple, Qualcomm, Google and countless others, existing and still just imagined.

What is this but the most diverse, creative and longest standing mass migration in the history of the world. That is California. And we are her sons and daughters.

This special destiny never ends. It slows. It falters. It goes off track in ignorance and prejudice but soon resumes again—more vibrant and more stunning in its boldness.

The rest of the country looks to California. Not for what is conventional, but for what is necessary—necessary to keep faith with our courageous forebears.

What we have done together and what we must do in the coming years is big, but it pales in comparison to the indomitable courage of those who discovered and each decade thereafter built a more abundant California.

As Legislators, It is your duty and privilege to pass laws. But what we need to do for our future will require more than producing hundreds of new laws each year. Montaigne, the great French writer of the 16th Century, in his Essay on Experience, wisely wrote: ''There is little relation between our actions, which are in perpetual mutation, and fixed and immutable laws. The most desirable laws are those that are the rarest, simplest, and most general; and I even think that it would be better to have none at all than to have them in such numbers as we have.''

Constantly expanding the coercive power of government by adding each year so many minute prescriptions to our already detailed and turgid legal system overshadows other aspects of public service. Individual creativity and direct leadership must also play a part. We do this, not by commanding thou shalt or thou shalt not through a new law but by tapping into the persuasive power that can inspire and organize

people. Lay the Ten Commandments next to the California Education Code and you will see how far we have diverged in approach and in content from that which forms the basis of our legal system.

Education

In the right order of things, education—the early fashioning of character and the formation of conscience—comes before legislation. Nothing is more determinative of our future than how we teach our children. If we fail at this, we will sow growing social chaos and inequality that no law can rectify.

In California's public schools, there are six million students, 300,000 teachers—all subject to tens of thousands of laws and regulations. In addition to the teacher in the classroom, we have a principal in every school, a superintendent and governing board for each school district. Then we have the State Superintendent and the State Board of Education, which makes rules and approves endless waivers—often of laws which you just passed. Then there is the Congress which passes laws like ''No Child Left Behind,'' and finally the Federal Department of Education, whose rules, audits and fines reach into every classroom in America, where sixty million children study, not six million.

Add to this the fact that three million California school age children speak a language at home other than English and more than two million children live in poverty. And we have a funding system that is overly complex, bureaucratically driven and deeply inequitable. That is the state of affairs today.

The laws that are in fashion demand tightly constrained curricula and reams of accountability data. All the better if it requires quiz-bits of information, regurgitated at regular intervals and stored in vast computers. Performance metrics, of course, are invoked like talismans. Distant authorities crack the whip, demanding quantitative measures and a stark, single number to encapsulate the precise achievement level of every child.

We seem to think that education is a thing—like a vaccine—that can be designed from afar and simply injected into our children. But as the Irish poet, William Butler Yeats said, ''Education is not the filling of a pail but the lighting of a fire.''

This year, as you consider new education laws, I ask you to consider the principle of Subsidiarity. Subsidiarity is the idea that a central authority should only perform those tasks which cannot be performed at a more immediate or local level. In other words, higher or more remote levels of government, like the state, should render assistance to local school districts, but always respect their primary jurisdiction and the dignity and freedom of teachers and students.

Subsidiarity is offended when distant authorities prescribe in minute detail what is taught, how it is taught and how it is to be measured. I would prefer to trust our teachers who are in the classroom each day, doing the real work—lighting fires in young minds.

My 2013 Budget Summary lays out the case for cutting categorical programs and putting maximum authority and discretion back at the local level—with school boards. I am asking you to approve a brand new Local Control Funding Formula which would distribute supplemental funds—over an extended period of time—to school districts based on the real world problems they face. This formula recognizes the fact that a child in a family making $20,000 a year or speaking a language different from English or living in a foster home

requires more help. Equal treatment for children in unequal situations is not justice.

With respect to higher education, cost pressures are relentless and many students cannot get the classes they need. A half million fewer students this year enrolled in the community colleges than in 2008. Graduation in four years is the exception and transition from one segment to the other is difficult. The University of California, the Cal State system and the community colleges are all working on this. The key here is thoughtful change, working with the faculty and the college presidents. But tuition increases are not the answer. I will not let the students become the default financiers of our colleges and universities.

Health Care

California was the first in the nation to pass laws to implement President Obama's historic Affordable Care Act. Our health benefit exchange, called Covered California, will begin next year providing insurance to nearly one million Californians. Over the rest of this decade, California will steadily reduce the number of the uninsured.

Today I am calling for a special session to deal with those issues that must be decided quickly if California is to get the Affordable Care Act started by next January. The broader expansion of Medi-Cal that the Act calls for is incredibly complex and will take more time. Working out the right relationship with the counties will test our ingenuity and will not be achieved overnight. Given the costs involved, great prudence should guide every step of the way.

Jobs

California lost 1.3 million jobs in the Great Recession but we are coming back at a faster pace than the national average. The new Office of Business and Economic Development—GoBiz—directly assisted more than 5,000 companies this past year.

One of those companies was Samsung Semiconductor Inc. headquartered in Korea. Working with the City of San Jose and Santa Clara County, GoBiz persuaded Samsung to locate their only research and development facility in the world here in California. The new facility in San Jose will place at least 2,500 people in high skill, high wage jobs. We also leveled the field on Internet sales taxes, paving the way for over 1,000 new jobs at new Amazon distribution centers in Patterson and San Bernardino and now Tracy.

This year, we should change both the Enterprise Zone Program and the Jobs Hiring Credit. They aren't working. We also need to rethink and streamline our regulatory procedures, particularly the California Environmental Quality Act. Our approach needs to be based more on consistent standards that provide greater certainty and cut needless delays.

California's exports are booming and our place in the world economy has never been stronger. Our ties with The People's Republic of China in particular are deep—from the Chinese immigrants crossing the Pacific in 1848 to hosting China's next President in Los Angeles last February. This year we will take another step to strengthen the ties between the world's second and ninth largest economies. In April, I will lead a trade and investment mission to China with help from the Bay Area Council and officially open California's new trade and investment office in Shanghai.

Water

Central to the life of our state is water and one sixth of that water flows through the San Joaquin Delta.

Silicon Valley, the Livermore Valley, farmers on the East side of the San Joaquin Valley between Fresno and Kern County and farmers on the West side between Tracy and Los Banos, urban Southern California and Northern Contra Costa, all are critically dependent on the Delta for Water.

If because of an earthquake, a hundred year storm or sea level rise, the Delta fails, the disaster would be comparable to Hurricane Katrina or Superstorm Sandy: losses of at least $100 billion and 40,000 jobs. I am going to do whatever I can to make sure that does not happen. My proposed plan is two tunnels 30 miles long and 40 feet wide, designed to improve the ecology of the Delta, with almost 100 square miles of habitat restoration. Yes, that is big but so is the problem.

The London Olympics lasted a short while and cost $14 billion, about the same cost as this project. But this project will serve California for hundreds of years.

Climate Change

When we think about California's future, no long term liability presents as great a danger to our wellbeing as the buildup of carbon dioxide and other greenhouse gases in the atmosphere.

According to the latest report from the World Bank, carbon dioxide emissions are the highest in 15 million years. At today's emissions rate, the planet could warm by more than 7 degrees Fahrenheit by the end of the century, an event unknown in human experience. California is extremely vulnerable because of our Mediterranean climate, long coastline and reliance on snowpack for so much of our water supply.

Tipping points can be reached before we even know we have passed them. This is a different kind of challenge than we ever faced. It requires acting now even though the worst consequences are perhaps decades in the future.

Again California is leading the way. We are reducing emissions as required by AB 32 and we will meet our goal of getting carbon emissions to 1990 levels by 2020.

Key to our efforts is reducing electricity consumption through efficiency standards for buildings and appliances. Over the last three decades, these pioneering efforts have saved Californians $65 billion dollars. And we are not through yet.

We are also meeting our renewable energy goals: more than 20% renewable energy this year. By 2020, we will get at least a third of our electricity from the sun and the wind and other renewable sources—and probably more.

Transportation and High Speed Rail

In the years following World War II, California embarked on a vast program to build highways, bridges and roads.

Today, California's highways are asked to accommodate more vehicle traffic than any other state in the nation. Most were constructed before we knew about climate change and the lethal effects of dirty air. We now expect more.

I have directed our Transportation Agency to review thoroughly our current priorities and explore long-term funding options.

Last year, you authorized another big project: High Speed Rail. Yes, it is bold but so is everything else about California.

Electrified trains are part of the future. China already has 5000 miles of high speed rail and intends to double that. Spain has 1600 miles and is building more. More than a dozen other countries have their own successful high speed rail systems. Even Morocco is building one.

The first phase will get us from Madera to Bakersfield. Then we will take it through the Tehachapi Mountains to Palmdale, constructing 30 miles of tunnels and bridges. The first rail line through those mountains was built in 1874 and its top speed over the crest is still 24 miles an hour. Then we will build another 33 miles of tunnels and bridges before we get the train to its destination at Union Station in the heart of Los Angeles.

It has taken great perseverance to get us this far. I signed the original high speed rail Authority in 1982—over 30 years ago. In 2013, we will finally break ground and start construction.

Conclusion

This is my 11th year in the job and I have never been more excited. Two years ago, they were writing our obituary. Well it didn't happen. California is back, its budget is balanced, and we are on the move. Let's go out and get it done.

Lord, Thank You for blessing us this day with health, with hope, and with unity.

Thank You for the opportunity to stand before You and the people of this great state in honoring our shared history and our shared commitment to protect and defend all Californians.

Thank You for giving this great body time to pause, to reflect, and to recognize the many gifts that African Americans have made and continue to make to our state and our nation.

Thank You for the sacrifice of blood, of tears, of unspeakable pain that millions have suffered, so that we may stand here today as one nation. We know that our work to heal the scars of the past is not over, and we recommit ourselves this day to build bridges of understanding.

We ask You to give all that serve in this chamber the courage to build a California that respects the contributions of all people and protects the rights of all people, regardless of where they come from, what they do, or who they love.

We ask this in Your name.—AMEN.

February 21, 2013

E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California

Dear Mr. Wilson: Each year, the Asian & Pacific Islander Legislative Caucus recognizes the Lunar New Year. February 10, 2013, marks the beginning of the holiday, which is celebrated by many Asian and Pacific Islander American (APIA) communities around the world, including the United States.

California is home to 5.5 million APIAs, and Lunar New Year is predominantly celebrated by the Chinese, Korean, and Southeast Asian American residents of California. Each community has their own unique traditions they carry out in observance of the holiday. Generally, residents view the holiday as a time to renew family ties and to start the year off with a clean slate.

In some cultures, legend states that Buddha promised gifts of peace, happiness, and long life to all animals that came to honor him. To thank the animals for their loyalty, Buddha created a calendar of twelve years, dedicating one year to each animal. 2013 is the Year of the Snake, and people born in this year tend to be wise, industrious, clever, and refined.

The celebration of Lunar New Year in California illustrates the state's rich cultural diversity and commitment to racial, religious, and cultural tolerance.

Sincerely,

PAUL FONG
Assembly Member, Twenty-eighth District
Chair, API Legislative Caucus

STATEMENT OF ASSEMBLY EXPENDITURES PRINTED IN JOURNAL

The following Statement of Assembly Expenditures was ordered printed in the Journal:

The Honorable John A. Pérez
Speaker of the Assembly
State Capitol, Room 219
Sacramento, California

Dear Mr. Speaker: Transmitted herewith is the annual report of Assembly expenses. It includes the total expenditures by Member, committee, leadership office, service operation, and overhead according to various categories for the 12-month period ending November 30, 2012. Every expenditure made from the Assembly Operating Fund during this period is accounted for. Additionally, the report includes an itemization, by Member, of per diem expenditures from the General Fund during the same period of time.

It is important to note that this report is compiled on a cash basis. Therefore, the cost of goods and services incurred by a Member during the preceding reporting period but paid for during the current period is included. Furthermore, some goods and services which were received toward the end of this reporting period were not paid for until the beginning of the December 2012–November 2013 reporting period and are, therefore, not included in this expenditure report.

The following indicates the types of expenditures which are included within each classification:

Staff Salary: This includes the salaries paid to all employees in the Member's district office as well as those employees who work in the Member's Capitol office, provided they are not committee or leadership office personnel. The salaries of the latter group of employees are included in the specific detail report for each of the respective committee and leadership offices.

All Assembly personnel are classified according to job descriptions approved by the Assembly Rules Committee. The committee has established specific salary ranges for each of the classifications. The salary within a range for a specific employee reflects a combination of years of service in his or her position and his or her own job performance since the amount of annual merit salary increases is based on evaluations of each employee's work. Thus, a Member whose office staff includes employees with substantial Assembly seniority, and/or outstanding records of service, will have a higher total expenditure for salaries than will a Member who employs more junior personnel.

Member Travel and Per Diem: Separate totals are shown for in-state travel and out-of-state travel. Most in-state travel expenditures are for attendance at interim committee hearings. Out-of-state travel expenditures are generally for participation in conferences dealing with an issue area pertinent to the legislative specialty of the Member or are for investigative trips.

Staff Travel: This category includes the expenditures incurred for the Capitol and district staff traveling for legislative business. It also includes mileage reimbursements to district office personnel. The staff travel expenditures reported by committee are generally costs incurred in connection with interim committee hearings which are generally held away from Sacramento for the convenience of citizens who wish to provide testimony to the committees.

Car Maintenance: The costs reported in this category will vary significantly because of the variance in the number of miles driven by the Members. Members in large-sized districts and Members who represent districts wherein air travel between the Capitol and the district is not practical tend to utilize their cars more than other Members. Accordingly, the maintenance costs of such cars are likely to be higher than for others.

Gas and Oil: Expenditures in this category are for gasoline and oil supplied to cars and private aircraft for legislative business. These costs, too, vary for the same reasons as those affecting car maintenance.

Car Rental, Staff and Member: This expenditure category includes the use of state-owned pool cars and commercial rental cars by both the Member and his/her staff in the course of legislative business.

This category, as listed in the Support Services section of the report, includes, in addition to car rental, the costs of gas, oil, and maintenance for cars utilized by the office of the Sergeant at Arms.

District Office Rent, Maintenance, and Utilities: Each Member is entitled to rent an office within the district he/she represents so that constituents may have direct access to their legislators. In some of the larger districts, two or three offices are sometimes authorized. Accordingly, Members representing districts in high-rent metropolitan areas or Members representing large districts requiring more than one office will be reported with higher expenditures in this category than will other Members. Costs included in this expenditure item are rent, utilities (except telephone), janitorial service, and incidental maintenance costs.

Telephone and Telegraph: All telephone charges (except some equipment installation charges) are reported in this expenditure category. Included are the charges for district office telephones, Capitol telephones, and mobile telephones. Members who will likely have higher charges than many of their colleagues are those representing districts which are either far from the Capitol, or in regions which cover large geographic areas.

Postage: The category includes the total amount expended for postage except for the postage utilized in the mailing of legislative mailings authorized under provisions of Proposition 73 of June 1988.

Communications: The costs included in this expenditure category are primarily for handling and mailing of legislative mailings authorized under provisions of Proposition 73 of June 1988.

Furniture and Equipment: This category includes the purchase, rental, and maintenance of certain furniture and equipment items utilized in the Capitol and district offices of the Members. It does not include the purchase of items which will, during the course of their usefulness, be utilized by a number of Members during succeeding years. Expenditures for items of that description are reported in the Furniture and Equipment category as General Overhead Expenditures.

Office Supplies: Stationery items, other printing costs charged to the Assembly Operating Fund, general office supplies, and related miscellaneous supplies utilized in the Members' Capitol and district offices are reported in this expenditure category.

Subscriptions and Publications: Each Member is authorized to subscribe to the newspapers generally circulated within his/her district and to certain metropolitan daily newspapers. Members representing districts which include many cities and towns will frequently have higher expenditures in this category than will Members representing relatively compact areas. Expenditures for subscriptions and publications incurred by the committees and leadership offices are reported separately. Each committee is authorized to purchase relevant books and to subscribe to periodicals specializing in the subject matter of the committee for which the expenditure is made.

Miscellaneous Services: Most of the expenditures shown in the Miscellaneous Services category for the Members are for services such as telephone answering services in district offices and newspaper clipping services. Included in this category for the committee reports are such items as witness expenses, meeting expenses, data-processing costs, and other miscellaneous services.

A number of operational costs incurred by the Assembly are not directly attributable to any of the Members, committees, leadership offices, or support services. Such expenditures are classified as General Overhead and are reported according to the following categories:

Miscellaneous Salaries: Accrued vacation payments made to terminating employees, and salaries paid to employees on extended sick leave are reported in this category.

Employee Benefits: This expenditure category includes the Assembly's contribution to the OASDI (social security) fund, the Public Employees' Retirement System, various health, dental, vision, and life insurance premiums, the Compensation Insurance Fund, unemployment and disability insurance, and any other benefits approved by the Assembly Rules Committee.

Building, Rent, Maintenance, and Utilities: Reported in this expenditure category are construction and remodeling costs and the rent, maintenance, and utilities for offices (other than Members' individual district offices) utilized and paid for by the Assembly outside the Capitol.

Telephone: This listing is for the cost of telephone equipment installation in all Assembly offices.

Furniture and Equipment: The expenditure indicated in this category is for the purchase, rental, and maintenance of furniture and equipment not reported elsewhere in the report. Most furniture and equipment are considered a capital investment which will be used, through the years, by a number of different Members or other offices and can therefore not be appropriately reported as an expense on behalf of any particular Member or office.

Office Supplies: The amount shown in this expenditure category represents office supplies which were purchased by the Assembly for the use of Members and other offices but which were not distributed to any such offices before the end of this reporting period.

Annotated Codes and Law Books: Each Member's office and certain other Assembly offices are furnished with Annotated California Codes and certain other law books. The cost of these books is considered a capital expenditure in the same manner as many furniture and equipment items, and is therefore reported in this General Overhead category.

Meeting Expenses: This expenditure category includes certain costs incurred by the Assembly relative to the conduct of Assembly Sessions and Joint Sessions of the Legislature which cannot be readily charged to any other expenditure category, rental costs for some meeting rooms, and some conference registration fees.

Freight, Moving, and Delivery: This expenditure category includes costs incurred for the transport of furniture, supplies, and other items which are not chargeable to any particular office.

Other Miscellaneous Services: The major expenditures reported in this category are for the costs of photography services related to official Assembly publications, vehicle liability insurance, and organization memberships.

Study Contracts: From time to time the Assembly finds it practical to contract with individuals, firms, universities, and other governmental agencies in order to expand its research capability with respect to specific projects. The costs reported in this category are for payments made under such contracts during this period.

The next report of Assembly expenditures will be for the period between December 1, 2012, and November 30, 2013.

Sincerely,

NANCY SKINNER
Chair of the Assembly Committee on Rules

PRAYER

Upon invitation of Speaker pro Tempore Campos, the following prayer was offered by Guest Chaplain Rev. Dr. Elizabeth Bingham, Senior Minister of Pilgrim Congregational Church in Pomona:

Eternal God, We come to You with thanks and praise for the women to be honored here this afternoon. These are women, our women, women of California whose accomplishments have reached from the vastness of the cosmos, to the mysteries of the human brain and into the tiniest of our cells. They have kindled our imagination on the stage, on the screen, and in the classroom. They have represented us as elected officials. They have organized and administered. They have studied and they have judged. They have served and they have led. They have seen the future and made it happen. They have changed the world.

And with their bravery, they have broken the glass ceiling. They have shattered the glass ceiling and have scattered shards of promise-colored glass to sparkle upon all women whose dreams are yet to be fulfilled.

We thank You for all they are and all they have meant to so many. We thank Ms. Wyman and Ms. Davis, Dr. Garcia and Ms. Dunning, Dr. Arnold and Judge Todd, Congresswoman Burke and Dr. Rogers, Ms. Butler, Ms. Dai, and Ms. Trosper for what they have meant to all the women who journey alone along unfamiliar paths.

And in the same breath, we thank all of those women whose courage and strength remain unseen. They have sat down so we could stand up. They have spoken when we remained silent. They have acted when we were paralyzed by a world which was not ready to welcome our gifts.

Continue to bless them in all they are and all they do, even as we cherish their gifts—gifts which have enriched their communities, our Great State and the Nation we call our own.

In Your Holy Name we pray.—AMEN.

Upon request of Speaker pro Tempore Campos, Assembly Member Conway then led the Assembly in the pledge of allegiance to the Flag.

By unanimous consent, the following committee was permitted to meet:

Accountability and Administrative Review, on Wednesday, March 13, 2013, at 9 a.m., in Room 437.

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2012-044
February 28, 2013

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As required by Chapter 21, Statutes of 2012, the California State Auditor (state auditor) presents this audit report concerning the administration of the federally funded migrant education program (migrant program) by the California Department of Education (Education).

This report concludes that, despite recent efforts to improve its oversight of the migrant program, Education has not provided adequate guidance to the regional offices that administer the program's services (regions). While federal law and regulations broadly outline the allowable services migrant children can receive, they depend largely on state educational agencies to set more defined program guidelines. However, Education has not clearly defined what is necessary and reasonable for a variety of expenditure categories. This lack of formal guidance has created disagreements regarding allowable expenses as well as wide variation in how regions classify expenses. Despite the lack of robust guidance, most of the expenditures we reviewed at eight program regions appear allowable. In a review of 320 randomly selected expenditures, we questioned six expenditures, totaling roughly $14,800. The majority of this total relates to excessive food costs, when

compared to federal per diem rates, incurred at a state parent conference sponsored by Education. We estimate that, for the last three annual conferences, the amount spent on food beyond what we would consider reasonable totals $200,000. Additionally, we question $144,000 in janitorial and catering costs at one region because the former director of this region approved contracts with janitorial and catering companies that she or her then-husband owned.

Education's migrant office has experienced frequent changes in leadership and high staff turnover at the same time it has been tasked with a heavy workload in response to federal reviews of the program. Moreover, the data collected on a statewide level about the migrant program are likely insufficient in detail to thoroughly evaluate whether the program is effective in addressing the academic needs of migrant children. These data limitations also prevent Education from effectively evaluating the services it provides through statewide contracts or the regional structure used to carry out the program. Finally, because of a lack of trust, Education has also had difficulty making productive use of a state parent advisory council whose purpose is to advise and assist the program.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Education.

Lord, If we have Your love and Your peace in our heart, it shows, not only in our behavior, but in our appearance. Scripture tells us that when Moses came down from Mount Sinai with the Ten Commandments, "the skin of his face shone because he had been talking with God" (Exodus 34:29). Scripture also tells us that You want us to return to You, and to embrace You with our whole life. Help us do just that Lord, for when we do, it shows.—AMEN.

PRAYER

Upon invitation of Speaker pro Tempore Campos, the following prayer was offered by Guest Chaplain the Very Reverend Michael O'Reilly, Rector of the Blessed Sacrament in Sacramento:

Lord, As we begin our work this day, we pause to celebrate Irish American Heritage Month.

Saint Patrick came to Ireland in the fifth century. It was a pagan country. When he ended his earthly life some 30 years later, the faith in You, Lord, was established in every corner. And so, to honor Saint Patrick this morning, we offer this traditional Irish prayer:

Lord, Give us
For every storm a rainbow,
For every tear, a smile,
For every care, a promise,
And a blessing in each trial.

For every problem that life sends,
A faithful friend to share,
For every sigh, a sweet song,
And an answer for each prayer.
AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Campos, Assembly Member Dahle then led the Assembly in the pledge of allegiance to the Flag.

When our hope is set in You, we'll be empowered to overcome every obstacle and every challenge.—AMEN.

Lord, Scripture tells us that in the beginning, You created the heavens and the earth, but before You did, it was formless and empty. Since You made the world out of nothing, You can take the empty places in *our* life and create something beautiful too! You can speak light into our darkest hour. Lord, take our formless dreams and give them shape. Make our crooked places straight, for we were created in Your image and likeness. Fill us with peace and faith; and a vision for all You have planned for us.—AMEN.

PRAYER

Upon invitation of Speaker Pérez, the following prayer was offered by Guest Chaplain Rabbi Moshe Greenwald, Director of the Jewish Community Center—Chabad of Downtown Los Angeles:

When we say Yizkor, our aim is not only to remember, but also to fill the void of goodness and Godliness left by the passing of our loved ones. This is why we pledge to Tzedakah during Yizkor, so as to immediately act upon our commitment to filling the void with a Mitzvah.

As we gather to remember the lives of six million kedoshim—holy ones, we must commit ourselves to filling the void. My good friend, survivor Joseph Hellen sees each of his grandchildren as an answer to Hitler.

Filling the void . . . Nearly 70 years have passed and we have yet to even replace those that were lost, let alone their Toldot—their generations of offspring.

We must fill the void.

At the same time, there is also the void of the other Toldot, the Mitzvot, Torah and good deeds. We must do our part in filling the void of goodness and spirituality that was left by the Holocaust, one Mitzvah at a time. In doing so, we will bring the world closer to the fulfillment of Isaiah's prophecy, which we read on the last day of Passover, ''They shall not hurt nor destroy in all my holy mountain; for the earth shall be filled with the knowledge of God, as the waters cover the sea.''

May this take place speedily in our days.—AMEN.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker Pérez, Assembly Member Fox then led the Assembly in the pledge of allegiance to the Flag.

PRAYER

Upon invitation of Speaker pro Tempore Campos, the following prayer was offered by Guest Chaplain, His Eminence Archbishop Hovnan Derderian, Primate of the Western Diocese of the Armenian Church of North America:

Almighty God, As we gather to praise Your Holy name, we remember in our prayers with immense gratitude, all the good tidings and divine gifts which You have bestowed upon us. We give thanks to You, especially for the California State Assembly and all the dedicated and honorable members who, year after year, have extended the due respect to the blessed memory of the victims of the Armenian Genocide of 1915. Remembrance is an act of self-education and nobility, which deepens within our spirituality the respect for life.

Almighty God, We ask Your blessings upon all members of this Assembly and the people of the United States of America to observe April 24th as a sacred day when 1.5 million Armenians were led to extermination. Our remembrance of the martyrs who gave their lives for their faith and freedom is certainly an act of prayer. Our remembrance is certainly an act of justice to their memory which sends a clear message to the leaders and nations of the world not to trample the truth but to pursue the recognition of the Genocide for what it truly is —a Genocide.

Almighty God, Enlighten the minds and all the souls of all people to honor and respect the truth, for we firmly believe that the unpunished Genocide of 1915 has triggered Holocausts and Genocides of other nations, thus obliging all with the sense of responsibility for recognition.

We pray to the All Merciful God, the Creator of the Universe, to instill in the hearts of all nations, the vision of peace and the power of Your divine love. We pray to the Almighty God to empower the members of the California State Assembly to be dedicated leaders in guiding the people entrusted to them with the lessons of the past, enriching the present with a deeper sense of responsibility to honor life, and with the vision and the humility to lead us to a brighter tomorrow for the sake of our children.—AMEN.

We conclude with a verse from the Holy Bible where St. Paul the Apostle addresses the Corinthians with the following words, ''God has so composed the body, giving more abundant honor to that member which lacked, so that there may be no division in the body, but that the members may have the same care for one another. If one member suffers, all suffer together; if one member is honored, all rejoice together'' (1 Corinthians 12:24–26).

Lord, This morning, one week after the horrific terrorist bombings at the Boston Marathon, one of the victims is being laid to rest. We pray for her and the other two victims, that You rest their souls in a place of peace. We also ask that You comfort the survivors and all those involved or affected by that senseless bombing attack. Throughout the past week, we have seen acts of bravery and service to others. That attitude is born of love for others, and that love helps us grow and change into something You are looking for, Lord. For if we have inside us what You are looking for, You will accept us and bless us and welcome us to be with You forever.—AMEN.

Lord, So many people today run from anything that's hard. They run from their problems, from responsibility, from people they don't like. Instead of facing the issues and dealing with them, they take the easy way out and go down the path of least resistance. Lord, You have equipped us with Your grace, Your invisible power, to overcome every obstacle. Help us to stand strong and face the challenges in our life. Give us the boldness to stand in faith and to see Your salvation in every corner of our life. (2 Chronicles 20:17)—AMEN.

Lord, At times we wonder if we are doing enough to make You happy. We wonder if You are pleased with us. Yet the answer lies in remembering to do something for You every day. Not necessarily the same thing or a big thing, just something for You, Lord, every day—whether it's a prayer, or offering a positive comment instead of a negative one, or even listening for Your quiet voice. Help us to find some way to show that we are for You and not against You, for Your love is always there waiting for us.—AMEN.

Lord, guide us to run the race of faith in You by being true to what You have put in our heart, not by comparing ourselves or wondering what is going on around us. Help us focus on winning the prize by honoring You in everything we do.—AMEN.

Lord, When we're not sure how something is going to turn out, when we have doubts about something, we usually pull back or we wait to see . . . we hesitate. Many times, doubting and stepping back are the right thing to do. But not when it comes to You, Lord. Help us act on our faith by not hesitating to do something for You. Erase any doubts by guiding us to show love first, to show kindness automatically, and to help others quickly. For that is the best way to live a blessed life in this world and to enjoy eternal blessings in the world to come.—AMEN.
