PRAYER

Upon invitation of Speaker pro Tempore Mullin, the following prayer was offered by Assembly Chaplain Rev. Patti Oshita:

Please join me in a moment of reflection.

As we end the second week of January, I'd like to share the New Year's reflection of the Dalai Lama. His Holiness wished us all a "Happy New Year." Then he added, "A New Year is like a blank book. The pen is in your hands. It is your chance to write a beautiful story for yourself."

As we end this second week of the New Year, 2020, let us give thought about what beautiful story about ourselves we would like to look back on when the year 2020 comes to a close. Let's try to write a story we would be honored to share.

—Namo Amida Butsu, with kindness and gratitude beyond words.

Legislative Intent—Assembly Bill No. 78

June 26, 2020

Sue Parker

*Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Ms. Parker: The Assembly Committee on Budget, which I chair, has authored Assembly Bill 78 that establishes a Climate Catalyst Revolving Loan Fund at the Infrastructure and Economic Development Bank to receive funds from non-state governmental entities and private sources for the purpose of making loans for climate catalyst projects that further the state's climate goals. These moneys are available for expenditure upon appropriation by the Legislature. I submit this letter to the *Assembly Daily Journal* for the purpose of clarifying the intent of the use of these funds.

In the past, the Legislature has limited the expenditure of state funds so that they are not allocated for the purchase of fully automated cargo handling equipment. "Fully automated" means "cargo handling equipment that is remotely operated or remotely monitored with or without the exercise of human intervention or control."

To the extent, it is allowable and consistent with the purposes of any dollars this Climate Catalyst Revolving Loan Fund might receive, the
