**PRAYER**

Upon invitation of Speaker pro Tempore Lowenthal, the following prayer was offered by Reverend Patti Oshita:

There was a time, in old Japan, that after a family experienced a death, they would eat vegetarian for 100 days. In time, this was shortened to 49 days, and later, just one week. Now, that tradition of eating vegetarian is rarely observed at all. The reason this tradition began was because, in simpler times, to prepare a meal with any meat required the act of taking life. The grieving families, knowing the pain and emptiness of loss, felt a deepened awareness that all life is precious. And that feeling, made the taking of any life, even for sustenance, so hard to do. And when families returned to their routine, they did so with a renewed awareness and appreciation for the connectedness of all life.

Nowadays, modern cultures seem focused on individual self-interests and personal well-being. We are sheltered from knowing that oneness of life, felt in days before supermarkets. In a way, to talk of all life being precious and beyond measure, seems just a noble thought.

But the Oneness of all Life is Reality.

And our ability to empathize is part of what makes us human. The Dalai Lama has said that if humankind is to survive, we must nurture “warm-heartedness.” To do this, we must rekindle our awareness that all life is truly precious and beyond measure. We must awaken our empathy, for anger and hate are not the way.

Namo Amida Butsu—Let us live with kindness and gratitude beyond words.
