PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Judge Learned Hand, the presiding judge of the Second Circuit Court of Appeals from 1939 to 1951 gave a speech at the "I Am an American Day" ceremony in New York City towards the end of WWII. He offered these words about the spirit of liberty, he said:

The spirit of liberty is the spirit which is not too sure that it is right; the spirit of liberty is the spirit which seeks to understand the minds of other men and women; the spirit of liberty is the spirit which weighs their interest alongside its own without bias; the spirit of liberty remembers that not even a sparrow falls to earth unheeded.

May it be the will of the Creator that our words and deeds be infused with the spirit of liberty, may we seek to understand those with whom we work, may we treat their interests as being equal to our own, and may we never fail to respond with swiftness and surety when even the smallest and weakest of God's creatures might stumble or fall. May this be God's will.—AMEN.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Upon request of Assembly Member Shelley, Assembly Member Keeley was granted unanimous consent that the following communication be printed in the Journal:

January 26, 2000

Mr. E. Dotson Wilson

*Chief Clerk, California State Assembly
Assembly Desk, State Capitol
Sacramento, California*

RE: SB 996 (Johnston) Workers' Compensation:
Administration and Benefits

Dear Mr. Wilson: As the respective floor manager and author of Senate Bill (SB) 996, and Chair of the Assembly Labor and Employment Committee, we wish to clarify our intent regarding the bill. We amended SB 996 in the Assembly in order to move a bill as soon as possible to a Conference Committee. The contents of this bill nearly mirror SB 320, Senator Solis' workers compensation bill that the Governor vetoed this past year. We intent to place SB 996 in Conference to elicit proposals to increase benefits and improve the efficiency of the workers' compensation system.

Given the complicated nature of the subject, the Legislature has, in the past, successfully employed an extended Conference Committee as the best means of pursuing a consensus bill. We invite persons with an interest and knowledge of the workers' compensation system to put forth their proposals with respect to the changes they would like to see, including the perspectives of workers, the business community, insurers, attorneys, medical providers, and vocational rehabilitation professionals.

We have no intention of submitting SB 996 in its current form to the Governor. The amended version of the bill is being moved without further policy hearing precisely because those issues were debated and voted upon during the first year of the biennium. The earlier this matter can be placed before a Conference Committee, the better able all interested parties will be to place their issues in a public forum. It is our intent that the Conference Committee will provide open discussions and hearings for a full examination of both the issues within this bill and those raised by interested parties, so that these issues may be considered for inclusion in the legislation.

To avoid confusion regarding our intent for SB 996, we respectfully request that this letter be printed in the Assembly Daily Journal.

Sincerely,

FRED KEELEY
Speaker pro Tempore of the Assembly

PATRICK JOHNSTON
Chair, Senate Appropriations Committee

DARRELL STEINBERG
Chair, Assembly Labor &
Employment Committee

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Upon request of Assembly Member Shelley, Assembly Member Strom-Martin was granted unanimous consent that the following statement of legislative intent be printed in the Journal:

January 26, 2000

*E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: This letter is to clarify provisions contained in AB 75 (Chapter 764, Statutes of 1999), that require community service districts offering solid waste handling services or waste diversion programs to provide disposal information to the city, county or regional jurisdiction in which they are located. The language of the bill creates an administrative reporting problem for community service districts due to a question of specificity. In many situations, the solid waste services of community service districts often cross multiple local jurisdictions. The reporting requirements of AB 75 will result in waste disposal information being duplicated in the annual reports of the local jurisdictions.

The intent of AB 75 is to require community service districts to report their waste disposal information to only one jurisdiction under the existing waste management system. This will prevent multiple reporting of the data, thereby ensuring the accuracy of the jurisdictions' annual reports.

Sincerely,

VIRGINIA STROM-MARTIN, Assembly Member
First District

Assembly Member Shelley was granted unanimous consent that the Committee on Health be permitted to hold a special meeting today, off the Floor, or upon adjournment of Floor session, and that Joint Rule 62(a) be waived for the purpose of setting Assembly Bill No. 869 for hearing.

MOTION BY ASSEMBLY MEMBER THOMPSON

Assembly Member Thompson moved that the Assembly reject Tribal-State Gaming Compacts 1 through 17.

Oller Request for Division of the Question

Assembly Member Oller requested that the question be divided as it relates to Tribal-State Gaming Compact 15, Shingle Springs Band of Miwok Indians.

Ruling by Speaker pro Tempore Keeley

Speaker pro Tempore Keeley cited Assembly Rule 102 and further cited Governor Davis' letter to the Members of the Legislature as presented in the Assembly Daily File, that the Compacts were executed on September 10, 1999, and ratified in AB 1385, Chapter 874, Statutes of 1999. Speaker pro Tempore Keeley stated that it was therefore his ruling that the Tribal-State Gaming Compacts are before the Body as a statute and therefore the question is not divisible.

Assembly Members Granlund, Machado, Romero, Kuehl, and Correa demanded the previous question. Demand sustained.
