PRAYER

Upon invitation of Assistant Speaker pro Tempore Bauer-Kahan, the following prayer was offered by Assembly Alternate Chaplain Rev. Bob Oshita:

Please join me in a moment of reflection.

This Sunday, the San Francisco 49ers will face the Kansas City Chiefs in Super Bowl LIV. It will be a game like no other, for amid the jubilation felt before every Super Bowl, this week, we have been awakened again to what is really of value in life. The shared pain and disbelief, of the families devastated by the helicopter crash 5 days ago, has opened our wisdom eyes. And the loss of Kobe Bryant and his daughter, Gianna, have placed this tragedy on an international stage.

Our hearts continue to ache for the grieving families; and shock and grief continues to resonate profoundly beyond just the world of sports.

In an interview before retiring, Kobe said, "I want to be remembered as a player that never wasted a moment; that never wasted a day."

We may not be world-class athletes, but we can always strive to become better human beings. With wisdom eyes open, we know that every day is the 4th quarter, and every moment can be signaling a "two-minute warning." With our wisdom eyes open, we know again that every moment is precious. And we must live, trying to be our best selves, every day.

Even with the smallest of gestures, we can make a positive difference in the world. With just a caring smile, we help to make our world a better, kinder place to live. Just as the teams and players this Sunday will be trying to do their very best, let us strive each day, to become the best people we can be.

—Namo Amida Butsu, with kindness and gratitude beyond words.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Assistant Speaker pro Tempore Bauer-Kahan, Assembly Member Cooper then led the Assembly in the pledge of allegiance to the Flag.

REPORTS

The following letter of transmittal was presented by the Speaker and ordered printed in the Journal:

California State Auditor

2019-601
January 30, 2020

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As required by Chapter 251, Statutes of 2004, my office presents this report about issues and selected state agencies that represent a high risk to the State or its residents. Our work to systematically identify and address such high-risk issues aims to enhance efficiency and effectiveness by focusing the State's resources on improving the delivery of services related to important programs or functions.

In this report, we explain why we have added the State's financial reporting and accountability to the high risk list: the State's project to modernize its financial infrastructure through implementation of the Financial Information System for California (FISCal) has nearly doubled its expected costs since 2012 to more than \$1 billion, and it will

not deliver key features before the project officially concludes its development stage at the end of June 2020. Further, since numerous state entities began implementing FI\$Cal, they have struggled to submit timely data for the State’s annual financial statements, an issue that could ultimately negatively affect the State’s credit rating.

The State continues to face seven high-risk issues that include aspects of water infrastructure, information technology oversight, and information security. We also concluded that four state agencies continue to meet our criteria for high risk: the California Department of Corrections and Rehabilitation, the California Department of Health Care Services, the California Department of Public Health, and the California State Teachers’ Retirement System. Finally, we removed Covered California and the State’s workforce and succession planning from our high risk list because the responsible agencies have demonstrated significant progress toward controlling risk factors.

We will continue to monitor the risks we have identified in this report and the actions the State takes to address them. When the State’s actions result in significant progress toward resolving or mitigating such risks, we will remove the high risk designation based on our professional judgment.

Respectfully submitted,

ELAINE M. HOWLE, CPA
California State Auditor

Above report referred to the Committee on Accountability and Administrative Review.
