#### REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2004-130  
January 26, 2005

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning certain aspects of the operations of the Los Angeles Department of Water and Power (department).

This report concludes that the department followed the requirements of the City Charter of the city of Los Angeles (city) and the terms and conditions of its bond debt when it transferred more than \$82 million from its Water Revenue Fund and almost \$575 million from its Power Revenue Fund to the city's reserve fund since fiscal year 2001-02. However, the department needs some improvement in its oversight of its expenditures, contracts, and personnel activities. For example, we found the department did not award all the contracts we reviewed in compliance with city and department competitive bidding requirements, ensure that only authorized staff signed contracts, and did not always seek required approvals from the Board of Water and Power Commissioners. Further, the department did not ensure that only authorized employees approved invoices for payment. Moreover, the department did not use available information to consistently assess compliance with, or ensure uniform enforcement of, the policies regarding the city's purchasing card program. Additionally, the department's lack of central control over personnel files has reduced its ability to ensure that those files contain the records necessary to support

and explain hiring and promotion decisions. Finally, the individuals who occupy seven of the exempt positions we reviewed carry job titles and perform duties that are different from those approved by the mayor and city council.

Respectfully submitted,

ELAINE M. HOWLE  
State Auditor

Above report referred to the Committee on Local Government.
