In the name of God, the most gracious, the most merciful.

Your creation is characterized by uniqueness which we often overlook. Each individual's talents are unique and his or her contribution to society often indispensable. We sometimes fail to see.

Open our eyes to the goodness in others. Never let us, in our own desire to excel, stifle the initiative of others or close doors on their special contribution to a better world and happier people.

Let us be more concerned about what gets done rather than who does it.—*Ameen*.
