The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2005-123  
January 30, 2007

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the operations of the Department of Corporations (Corporations) to ensure that it is effectively fulfilling its responsibilities.

This report concludes that because Corporations has performed only limited analyses of its fees and assessments during the last six years, it has consistently overcharged for some activities and undercharged for others. The accumulated excess revenues may result in a violation of state law that takes effect on June 30, 2007, which requires Corporations to limit the reserve it maintains in the State Corporations Fund to 25 percent of annual expenditures. In addition, although Corporations has taken important steps in strategic planning for its operations, its efforts are undercut by inaccurate statistical information about its actual performance.

Moreover, we found that Corporations does not always process applications within the time limits set by state law. Although Corporations is responsible for some of the delays in processing applications, other factors outside of its control also contribute to lengthy processing times. Also, although there is no legal requirement dictating the length of time Corporations has to resolve complaints, we found examples of unnecessary delays in a sample of complaints that increased the length of the process. Further, the three primary information systems Corporations uses for complaint-related data are unreliable for determining certain critical information because the systems contain too many blank fields, duplicate records, and errors. Finally, Corporations has not conducted many of its required examinations of certain licensees within the last four years.

Respectfully submitted,

ELAINE M. HOWLE  
State Auditor

Referred by the Speaker to the Committee on Banking and Finance.
