Please join me in a moment of reflection.

It is often that a shared adversity can bring people together. When that adversity is a pandemic, then borders dissolve; and we are made to see again that beyond all the boundaries that may separate us, we are all a part of one humanity. With our wisdom eyes open, we see again that no life can exist in a vacuum. All humanity is interconnected. We are all one in the fabric of life. As we move forward together through this crisis, let us nurture our awareness of truly being one humanity; for kindness flows from our awareness of being one.

—Namo Amida Butsu, with kindness and gratitude beyond words.
