**REPORTS**

The following letter of transmittal was presented by the Speaker and ordered printed in the Journal:

**California State Auditor**

2021-104  
April 21, 2022

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 319  
Sacramento, California*

Members of the Assembly: The Metropolitan Water District of Southern California (MWD) has repeatedly been the subject of allegations of discrimination and harassment in the workplace, and it has failed to comply with state ethics laws and best practices in hiring and personnel matters. Despite clear evidence that its processes are insufficient to detect and prevent conduct that harms its 1,800 employees, MWD has long resisted taking action.

MWD has not dedicated sufficient attention or resources to its equal employment opportunity (EEO) policy or its EEO office, which is responsible for receiving, investigating, and resolving EEO complaints. In some cases we reviewed, it took MWD years to conclude investigations and discipline respondents. During these long delays, complainants may continue to suffer harassment and retaliation, and MWD lacks processes to detect and address the negative treatment of complainants that we observed.

For nearly two decades, MWD's hiring processes have also been problematic: they fail to ensure equitable and reasonable treatment of all applicants, lack transparency, and are unable to prevent discrimination. Although MWD agreed to develop comprehensive hiring procedures nearly 20 years ago in response to our 2004 audit, its hiring process remains decentralized and informal, resulting in inconsistent treatment of applicants. Similarly, the agency's longtime resistance to improving its ethics office has allowed management to interfere with the office's independent investigations.

Because MWD's leadership must fundamentally change the way it approaches many personnel and ethics issues, and because MWD has failed to take appropriate action in the past, we direct several of our recommendations to the Legislature to better ensure that MWD finally improves its practices.

Respectfully submitted,

MICHAEL S. TILDEN, CPA  
Acting California State Auditor

Above report referred to the Committee on Utilities and Energy.
