REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2024-047
April 15, 2025

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 319
Sacramento, California*

Members of the Assembly: As required by Health and Safety Code section 8028, my office conducted its third audit of the University of California's (university) compliance with the federal Native American Graves Protection and Repatriation Act of 1990 (NAGPRA) and its 2001 California counterpart, CalNAGPRA. These acts establish requirements for the repatriation of Native American human remains (remains) and cultural items to tribes by government agencies and museums—which include the university's campuses—that maintain collections of remains and cultural items. This report concludes that the university lacks the accountability and urgency needed to promptly return Native American remains and cultural items.

Despite years of external attention on the university's NAGPRA efforts, the university Office of the President's oversight of campuses has been deficient. Although campuses have continued to discover collections of remains and cultural items since our last audit, the campuses have not yet completed their searches for undiscovered collections, and the Office of the President has not systematically kept track of campuses' search efforts. The Office of the President has also not established explicit standards for the care of all campus collections.

In that absence, one campus has several outstanding loans of potential cultural items and at another campus, some potential cultural items were stolen in 2022. Of additional concern, the Office of the President has not created an oversight environment that ensures accountability for compliance with NAGPRA. For example, the Office of the President did not ensure campuses developed full repatriation timelines. Because the Office of the President did not establish systemwide repatriation goals, campuses have contributed funding to NAGPRA without a clear understanding of whether these amounts were appropriate. We believe that the Legislature should consider directly appropriating funding for NAGPRA activities so that it can direct the university's NAGPRA activities more closely.

Finally, recent changes to the federal regulations governing NAGPRA present challenges to California's repatriation goals. Specifically, NAGPRA's revised regulations no longer allow campuses to transfer certain remains and cultural items to California tribes lacking federal recognition, which has hampered the campuses' ability to meet one of CalNAGPRA's goals. In response, the university should initiate discussions with tribes to determine their preferences for reinterment of the remains and cultural items and then abide by those preferences.

Respectfully submitted,

GRANT PARKS
California State Auditor

Above report referred to the Committee on Higher Education.

PRAYER

Upon invitation of Speaker pro Tempore Lowenthal, the following prayer was offered by Guest Chaplain Archpriest Father Datev, of the St. Andrew Armenian Church of Cupertino:

Almighty God, We lift up our prayers to You with reverence and trust to guide us and strengthen us all in our calling to serve and protect the people of God. We praise You for blessing us with the gift of life, bestowing upon us all bounties of the world and challenging us to become Your good hands in our communities.

Almighty God, we know well that the Honorable members of this Assembly have responded to Your call to bring their wisdom for the well-being of the State of California.

We are here today, with dual responsibilities to guard and cherish their God-given gifts and we are also here as citizens of the United States of America filled with the spirit of the founding fathers of this great nation to become exemplary leaders of our communities. The United States of America has inspired us to cherish the true value of democracy and freedom as well as the universal respect for humanity as the reflection of God's love.

Today, on the 110th anniversary of the Armenian Genocide, we remember the 1.5 million victims who now are martyred saints. This year is especially significant as the Armenian Genocide Martyrs Monument in Montebello was designated as a California State Historic Landmark. The designation is not just an honor but a solemn duty—to remember, to educate, and to ensure that the truth of history is never erased. Standing tall since 1968, the monument serves as a beacon of remembrance for the 1.5 million martyrs who perished in the Armenian Genocide. California's commitment to truth and remembrance affirms that this Great State stands as a beacon of justice, ensuring that history is preserved and honored for generations to come.

We pray for world peace and beseech Your guidance and mercy. Enlighten our hearts with Your love and compassion in order that we may serve with justice and prudence in mind.

Almighty God, Bless this Assembly with their members and their mission. Grant them divine wisdom and love to carry on their duties diligently, to uphold firm justice for the past and be the path of justice for all generations to come—AMEN.
