REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2007-121
April 24, 2008

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Veterans Home of California at Yountville (Veterans Home), with a specific emphasis on the adequacy of health care and accommodations provided for members with disabilities.

This report concludes that the Veterans Home has experienced shortages in key health care positions, such as nursing, that have limited the Veterans Home in serving the veteran community. Some nursing staff have worked substantial amounts of overtime to meet staffing guidelines for providing care to members who live in the skilled nursing and intermediate care facilities. Despite these staffing shortages, the Veterans Home has not had a coordinated and comprehensive strategy for filling chronic staff vacancies in especially important occupational areas. In addition, weak oversight of its medical equipment maintenance contract provides the Veterans Home little confidence that the equipment has received regularly scheduled testing and maintenance, thereby risking not having properly functioning equipment available when needed and making inappropriate payments to its medical equipment contractor. Moreover, the Veterans Home has not assessed its compliance with Americans with Disabilities Act requirements to ensure people with qualifying disabilities have access to the Veterans Home's programs and services, or designated a representative to respond to complaints of inaccessibility from members. Further, state agencies responsible for investigating and resolving complaints by Veterans Home members regarding the Veterans Home's programs and

services, the Veterans Home, the California Veterans Board, the California Department of Veterans Affairs, and the California Department of Public Health, could improve their practices regarding those responsibilities.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor
