**REPORTS**

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2005-129  
May 25, 2006

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Department of Social Services' (department) oversight of licensed child care facilities.

This report concludes that the department has struggled to make required visits to the facilities and carry out its other monitoring responsibilities. For example, the department is not on track to meet its statutory requirement to visit each facility at least once every five years, even though the requirement is one of the least frequent in the nation. It began a three-phase effort in 2005 to rebuild its oversight activities for its licensing programs. Nevertheless, a question for the State's decision makers to consider is whether the level of monitoring required by statute, toward which the department is working with its rebuilding effort, is sufficient. In addition, our review of facility files at four regional offices found that the department usually conducted complaint visits within established deadlines but did not always complete the investigations within deadlines. We also found that the department did not always determine whether child care facilities corrected the deficiencies it identified during its visits to facilities. Further, our review identified that the department could increase its use of civil penalties as a response to health and safety violations. Finally, although it appropriately prioritized and generally ensured that legal cases were processed within expected time frames, its regional offices did not always adequately enforce legal actions against licensed child care facilities.

Respectfully submitted,

ELAINE M. HOWLE  
State Auditor

Above report referred to the Committee on Human Services.

## California State Auditor

2005-136  
June 6, 2006

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the California Military Department (department), including the California National Guard (Guard), and its resource management and recruitment and retention practices.

This report concludes that the department is reviewing its state active duty positions to determine whether they can be converted to other less costly positions and is also reviewing its hiring practices, some of which we found to be questionable. Deficiencies in its management of federal Guard members caused the department to use these personnel in positions and for duties that are not federally authorized. We could not confirm that Guard members who are called to active service are briefed on the benefits available to them, and the department does not provide state active duty members adequate whistleblower protection. In the absence of a strategic planning process, the former adjutant general reorganized the department to meet his perception of the mission, but failed to gain state approval, used federal resources for unauthorized purposes, and subsequently the department failed to ensure all such misused funds were reimbursed. In recent years, the Guard has not met force strength goals, citing a lack of effective state incentives as a partial cause, and does not maintain adequate procedures to demonstrate it accurately reports training attendance or addresses members with excessive absences. Ninety-five of the department's 109 armories are in need of repair or improvement, contributing to a \$32 million backlog.

Respectfully submitted,

ELAINE M. HOWLE  
State Auditor

Above report referred to the Committee on Veterans Affairs.
