REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2006-008
June 8, 2006

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: The Bureau of State Audits presents its audit report of the State Treasurer's Office statement of securities accountability as of December 31, 2005.

The statement of securities accountability presents the securities owned by or pledged to the State directly, or under investment agreements, and those securities held for safekeeping. The State Treasurer's Office is responsible for the safekeeping of all these securities held in the treasury or other depositories. It is not responsible for securities owned by or pledged to the University of California, or for securities in other depositories owned by or pledged to the Public Employees' Retirement System, the State Teachers' Retirement System, the Legislators' Retirement System, or the Judges' Retirement System. For the statement of securities accountability, the State Treasurer's Office assigned dollar amounts to each security for ease of accountability rather than for purposes of valuing securities at cost or market. The dollar amounts assigned represent various values, including the par or face value, the original principal value, the current outstanding principal balance, or a nominal value of \$1 per certificate or note. Therefore, the dollar amounts presented in the statement of securities accountability should not be used to determine the value of investments owned by, or pledged to, the State. We found that the statement presents fairly the securities accountability of the State Treasurer's Office as of December 31, 2005.

We conducted this audit to comply with the California Government Code, Section 13299.1.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor
