REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2013-120
 June 19, 2014

The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the California State Auditor (state auditor) presents this audit report concerning female inmate sterilizations occurring between fiscal years 2005–06 and 2012–13. The California Department of Corrections and Rehabilitation (Corrections) oversees the inmate population of the State's 33 adult prisons, four of which housed substantially all women. However, for much of our audit period, Corrections' role in providing inmates with medical care was not significant. California Correctional Health Care Services (Receiver's

Office) played the more substantial role under the direction of a federal court-appointed receiver who took control of prison medical care in 2006 and will retain control until the court finds Corrections can maintain a constitutionally adequate prison medical care system.

This report concludes that during our eight-year audit period, 144 female inmates were sterilized by a procedure known as bilateral tubal ligation, a surgery generally performed for the sole purpose of sterilization. State regulations impose informed consent requirements that must be met before a woman can be sterilized; however, Corrections and the Receiver's Office sometimes failed to ensure that inmates' consent for sterilization was lawfully obtained. Overall, we noted that 39 inmates were sterilized following deficiencies in the informed consent process. For 27 of the 39 inmates, the physician performing the procedure or an alternate physician failed to sign the inmate's consent form certifying that the inmate appeared mentally competent and understood the lasting effects of the procedure. For 18 of the 39 inmates, we noted potential violations of the waiting period between when the inmate consented to the procedure and when the sterilization surgery actually took place. Finally, among these 39 inmates were six who were sterilized following violations of both these requirements. Although neither Corrections nor the Receiver's Office's employees actually performed the sterilization procedures, we concluded that they had a responsibility to ensure that the informed consent requirements were followed in those instances in which their employees obtained inmates' consent, which was the case for at least 19 of the 39 inmates.

Our audit also noted that prison medical staff infrequently requested approval to sterilize inmates, and when they did so, it was not always clear that these requests were approved. However, since January 2010, medical claims data from the Receiver's Office show that the number of female inmates who have undergone bilateral tubal ligations and other medical procedures that may result in sterilization has greatly decreased.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Public Safety.

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Weber was granted unanimous consent that the following communication relative to Juneteenth Independence Day 2014 be printed in the Journal:

June 19, 2014

*E. Dotson Wilson
Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Mr. Wilson: On June 19, 2014, as a Member of the California State Assembly, I would like to recognize Juneteenth Independence Day in the Assembly Journal.

Juneteenth Independence Day is a national celebration that commemorates the abolishment of slavery in the United States of America. California is one of 44 states to recognize Juneteenth as either a state holiday or special day of observance.

President Abraham Lincoln issued the Emancipation Proclamation on September 22, 1862, which would later go into effect on January 1, 1863. Despite the fact that it declared slaves to be free, many southern states that made up the Confederate States of America would not comply with the proclamation, including Texas, most notably.

Union General Gordon Granger and 2,000 federal troops made it to the island of Galveston, Texas on June 18, 1865, on a mission to take possession of the state and enforce the emancipation of its slaves. On June 19, the General read "General Order No. 3" which further declared that "The people of Texas were informed that, in accordance with the proclamation from the Executive of the United States, all slaves are free." Former slaves rejoiced in the streets and Juneteenth celebrations began in Texas the following year.

The celebration of Juneteenth provides Californians with the opportunity to reflect on our recent history, appreciate the struggles of our ancestors, and honor their labor with our daily efforts as we seek to provide the highest quality of life possible for all Californians.

Sincerely,

SHIRLEY N. WEBER, Assembly Member
Seventy-ninth District

MEMBER PERMITTED TO ADDRESS THE BODY

Assembly Member Weber was granted unanimous consent to address the Body relative to Juneteenth Independence Day 2014.
