REPORTS

The following letter of transmittal was presented by the Speaker and ordered printed in the Journal:

California State Auditor

2021-108
June 23, 2022

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 319
Sacramento, California*

Members of the Assembly: Located in Los Angeles County, the Bellflower Unified School District (Bellflower) has amassed a significant financial reserve—as much as \$83 million in fiscal year 2020–21, which far exceeds the minimum amount the State requires. Bellflower consistently has not spent the amount it and its Board of Education (board) had determined was necessary to provide services to its students. Over the last six years, Bellflower could have used some of its available funding to address students' needs and ensure that it consistently and adequately provided special education services to its students with disabilities.

The imbalance between budgeted and actual spending results, in part, because the district has not clearly communicated its actual spending and available funding to the board, which has reduced the board's ability to provide effective leadership and oversight. Meanwhile, Bellflower's students' math test scores on statewide assessments were below average, and although Bellflower's graduation rate was higher than the state average, many graduating students were not prepared for college or careers.

Bellflower also has not consistently provided required services and support to students with disabilities. According to decisions the Office of Administrative Hearings issued, Bellflower did not assess students who demonstrated indicators of need or did not provide the services that students' Individualized Education Programs called for. By not providing these mandated services, the district deprived students of their rights to access equal education.

Finally, the district did not always comply with laws intended to ensure transparency, such as not responding to requests for public records and not consistently complying with open meeting laws. To address these concerns, we made several recommendations to improve Bellflower's processes.

Respectfully submitted,

MICHAEL S. TILDEN, CPA
Acting California State Auditor

Above report referred to the Committee on Education.

ASSEMBLY RULE 118(a) SUSPENDED—PRIVILEGES OF THE FLOOR

Assembly Member Boerner Horvath was granted unanimous consent that Assembly Rule 118(a) be suspended granting the privileges of the Floor and permitting a guest to sit at her desk.

REQUEST FOR UNANIMOUS CONSENT TO SUSPEND THE RULES

Assembly Member Reyes requested unanimous consent that Assembly Rule 46 be suspended as it pertains to Senate Constitutional Amendment No. 10.

Point of Order

Assembly Member Flora arose to the following point of order:

That a vote to dispense with the constitutional requirement for this Constitutional Amendment to be in print for 30 days requires a $\frac{3}{4}$ vote of this House; a motion to waive the Rules by a majority vote is not sufficient. This House needs to invoke the Constitution; anything less will be subject to litigation and would be unconstitutional.

Ruling by Speaker pro Tempore Mullin

The Speaker pro Tempore ruled the point of order not well-taken; a constitutional amendment is not a bill.

The question being on the motion to suspend Assembly Rule 46 as it pertains to Senate Constitutional Amendment No. 10.

Assembly Member Flora withheld unanimous consent.

Motion to Suspend the Rules

Assembly Member Reyes moved that Assembly Rule 46 be suspended as it pertains to Senate Constitutional Amendment No. 10.

Assembly Member Gipson seconded the motion.

Motion to suspend the Rules carried by the following vote:
