PRAYER

Upon invitation of Speaker pro Tempore Keeley, the following prayer was offered by Assembly Chaplain Rabbi Mona Alfi:

Steve Allen the humorist and observer of American life said: “Sometimes things which at the moment may be perceived as obstacles—and actually be obstacles, difficulties or drawbacks—can in the long run result in some good end which would not have occurred if it had not been for the obstacle.”

The strength of the democratic process lies in the fact that often, very often, all of us do not agree on what is the “right way” to do something. However, it is through the disagreements, and sometimes tense discussions, and by turning the problem over and over again, that a new solution is created. A communal solution, that God willing, is more just and fair to all who are affected by it.

May it be the will of the Creator, that the energies bound within our hearts and minds easily find expression in the just and creative solutions we craft in meeting our highest aspirations.—AMEN.

MESSAGES FROM THE GOVERNOR

The following messages from the Governor were received and ordered printed in the Journal:

Governor's Message—Assembly Bill No. 1285

Governor's Office, Sacramento
June 20, 2002

To the Members of the California Legislature:

I am signing Assembly Bill 1285, which would allow the State Board of Education to authorize a waiver for the Fresno Unified School District (Fresno USD) to provide extended day mathematics and language arts instruction at the Cooper Middle School.

The intent of the bill is to provide Fresno USD the option of implementing this program. The bill does not create a state mandate, since implementation is subject to local discretion. Therefore, the measure will assist the district in enhancing math and language instruction for students at no added cost to the State.

Sincerely,

GRAY DAVIS

Governor's Message—Assembly Bill No. 1433

Governor's Office, Sacramento
June 20, 2002

To the Members of the California Legislature:

I am signing Assembly Bill 1433 which will ensure that California National Guard members and other military reservists who are ordered to military service receive financial protections consistent with the federal *Soldiers and Sailors Civil Relief Act of 1940 (SSCRA)*.

The men and women who serve our state in the National Guard and who are called to active military service must leave their civilian jobs and sometimes experience financial hardships as a result of this service. While existing state and federal law provide some protections to these men and women; there are inconsistencies in these laws. This legislation conforms state law to the SSCRA and will provide similar protections for National Guard members and reservists with respect to, among other things, credit obligations, rental agreements, court proceedings as well as eviction protection for the families of military members.

AB 1433 will ensure that equal protection is provided to all California National Guard members, as well as other reservists, who unselfishly put their civilian lives on hold to serve and protect millions of Californians.

Sincerely,

GRAY DAVIS
