**MESSAGES FROM THE GOVERNOR**

The following item veto message from the Governor was received and ordered printed in the Journal and the items ordered to the unfinished business file:

**Item Veto Message—Assembly Bill No. 93**

Governor's Office, Sacramento  
June 24, 2015

I object to the following appropriations contained in Assembly Bill 93.

**Item 0540-001-3212**—For support of Secretary of the Natural Resources Agency. I reduce this item from \$2,694,000 to \$2,594,000 by reducing:

- (1) 0320-Administration of Natural Resources Agency from \$2,694,000 to \$2,594,000.

I am deleting the \$100,000 augmentation to establish an advisory council to review and oversee Chapter 289, Statutes of 2012 (AB 1492), forest restoration grant programs. The formal creation of a council is unnecessary because the Natural Resources Agency is already establishing an AB 1492 advisory committee utilizing existing resources that will provide guidance for all aspects of the program, not just the forest restoration grants.

**Item 2660-302-0042**—For capital outlay, Department of Transportation. I revise this item by deleting Provision 4.

I am deleting Provision 4 because this appropriation to fund the relinquishment of State Route 275, the Tower Bridge, from the State Highway Account is unnecessary. I support efforts to relinquish portions of the State Highway System that no longer serve an interregional purpose and would be better managed by local government entities, including the Tower Bridge. However, provisions contained in the omnibus transportation trailer bill and existing processes already allow for the relinquishment of the Tower Bridge, if an agreement is reached between the State and applicable cities. I am directing the Department of Transportation to discuss relinquishment with the cities and how to best preserve current and future utility of the bridge. I do not support using the budget process to circumvent this negotiation process.

**Item 3125-001-0140**—For support of California Tahoe Conservancy. I reduce this item from \$3,582,000 to \$3,482,000 by reducing:

- (1) 2340-Tahoe Conservancy from \$4,124,000 to \$4,024,000.

I am reducing the Tahoe Conservancy's California Environmental License Plate Fund appropriation by \$100,000 to address a shortfall in the California Environmental License Plate Fund. While the Budget Act includes several one-time actions to address the shortfall, this action is necessary to support the immediate solvency of the fund until a comprehensive long-term plan is developed.

**Item 3480-001-3025**—For support of Department of Conservation. I reduce this item from \$950,000 to \$850,000 by reducing:

- (1) 2435-Office of Mine Reclamation from \$950,000 to \$850,000, and delete Provision 1.

I am deleting the \$100,000 augmentation for the purchase of mine mapping software. The Office of Mine Reclamation has secured a \$450,000 grant from the Army Corps of Engineers to conduct an analysis on the procurement of a comprehensive data management

system that will cover business processes associated with the regulation of Surface Mining and Reclamation Act mines, as well as legacy abandoned mines. It is premature to allocate \$100,000 for the procurement of a data management system prior to an analysis of the need and scope of the project.

I am deleting Provision 1 to conform to this action.

**Item 3600-101-0200**—For local assistance, Department of Fish and Wildlife. I delete this item.

I am eliminating the \$1,000,000 augmentation which would provide a grant to help restore Clear Lake. The Fish and Game Preservation Fund has a structural deficit and cannot absorb additional expenditures.

There are existing grant programs that are available and appropriate to support the restoration of Clear Lake. I am directing my Administration to provide technical assistance to Lake County to assist them in identifying and applying for ecosystem restoration and drinking water grant funding.

**Item 7100-001-0588**—For support of Employment Development Department. I revise this item by deleting Provision 2.

I am deleting Provision 2 because the appropriation from the Unemployment Compensation Disability Fund is unnecessary. The Department already performs targeted outreach activities for the Paid Family Leave program and is entering the second year of a \$6.5 million, three-year outreach pilot program.

With the above deletions, revisions, and reductions, I hereby approve Assembly Bill 93.

EDMUND G. BROWN JR.
