REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2024-106
June 24, 2025

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 319
Sacramento, California*

Members of the Assembly: As directed by the Joint Legislative Audit Committee, my office conducted an audit of Highlands Community Charter and Technical Schools (Highlands) and Twin Rivers Unified School District (Twin Rivers). Our assessment focused on whether Highlands complied with state law and other applicable requirements and the sufficiency of Twin Rivers' oversight of Highlands, and the following report details the audit's findings and conclusions. In general, we determined that Highlands received more than \$180 million in K–12 funds for which it was not eligible, it engaged in wasteful spending, and it assigned teachers to classes for which they did not hold appropriate credentials. Additionally, we found that Twin Rivers and other oversight agencies did not provide adequate oversight of Highlands.

Highlands, which serves adult students but receives K–12 funding as a result of its partnership with a Workforce Innovation and Opportunity Act (WIOA) organization, collected millions of dollars in K–12 funding for its classroom-based school despite not meeting key conditions of funding. Further, Highlands received more than an estimated \$5 million in overpayments by not complying with state law in calculating its average daily attendance. We also found that Highlands engaged in several questionable financial transactions, including some that violated legal prohibitions against gifts of public funds and conflicts of interest. My office found that Highlands hired and promoted unqualified individuals, and often assigned teachers to classes for which they did not hold appropriate credentials. Highlands also avoided transparency and accountability for its poor student outcomes by not complying with certain reporting requirements and not conducting standardized testing.

In addition, we found that Twin Rivers, the Sacramento County Office of Education, and the California Department of Education took insufficient action to ensure that Highlands addressed findings from a 2018 audit by the Fiscal Crisis and Management Assistance Team that reported multiple serious and deficient internal practices at Highlands. In addition, Twin Rivers conducted only minimal annual oversight of Highlands, and instead relied heavily on annual audits that we found had inaccuracies. If Twin Rivers had conducted more thorough oversight, it could have identified some of the violations we identified as part of our audit and taken action to address them earlier.

Respectfully submitted,

GRANT PARKS
California State Auditor

Above report referred to the Committee on Higher Education.
