June 19, 2001

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As required by the California Welfare and Institutions Code, Section 19640.5, the Bureau of State Audits presents its audit report concerning its fiscal audit of the Department of Rehabilitation's (department) Business Enterprises Program for the Blind (program).

This report concludes that the financial condition of the program is sound, however, the program has not reached its potential. Specifically, the department could improve its fiscal management of the program by developing a comprehensive business plan that shows whether its proposed uses for its fund surplus are appropriate and feasible. Additionally, the department can do more to pursue the vending machine commissions that it is mandated to collect. For example, it could establish vending machines at additional state and federal locations and could more actively pursue commissions from vending machine operators or agencies that have failed to remit these commissions.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Human Services.
