PRAYER

Upon invitation of Assistant Speaker pro Tempore Bauer-Kahan, the following prayer was offered by Assembly Chaplain Rev. Patti Oshita:

Please join me in a moment of reflection.

It was only 6 months ago, in January that we grieved the loss of rookie Davis Police Officer Natalie Corona.

This morning, at 10 a.m., there will be a service for Sacramento Police Officer Tara O'Sullivan in Roseville. She was only 26 years old and one graduating class behind Officer Corona. She was gunned down while assisting in a domestic violence dispute.

I think we've all quietly wondered, again, "Why?" But we know there is no acceptable explanation. And there are no words that can truly ease the pain and give comfort to those who knew and loved her.

Once again, I found myself wondering, "Is there really hope for humanity?"

Again, I wondered, are we, as a species, by nature, senselessly violent and lacking in empathy?

But my momentary despair passes as I recall the caring-kindness I've experienced in people everywhere we've traveled to in the world. I remember, again, the warm friendship of so many good and caring people that give meaning to my life.

Lao Tzu would say, "From being loved deeply comes strength; from loving deeply comes courage." Sensing this to be true, it is clear that Officer O'Sullivan's young life was one nurtured by deep love, for she was strong; and her life was full of hope and purpose, for she lived choosing a path of courage.

Although at times we may despair, we must never stop believing in the goodness of humanity. Let us open our Floor Session today with loving gratitude for all who dedicate themselves to making our world a better place; especially Officer Tara O'Sullivan and her family.

—*Namo Amida Butsu*, with kindness and gratitude beyond words.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Assistant Speaker pro Tempore Bauer-Kahan, Assembly Member Fong then led the Assembly in the pledge of allegiance to the Flag.

REPORTS

The following letter of transmittal was presented by the Speaker and ordered printed in the Journal:

California State Auditor

2018-119
June 27, 2019

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As directed by the Joint Legislative Audit Committee, the California State Auditor performed an audit of the California Department of Fish and Wildlife's (department) duties and activities related to the California Environmental Quality Act (CEQA). The following report concludes that the department has failed to meet its responsibilities under CEQA.

As the highest state authority overseeing California's fish and wildlife resources, the department's input on CEQA documents, such as environmental impact reports, is critical. However, in recent years, the department has reviewed less than half of the CEQA documents it

received. The department frequently does not respond to consultation requests and rarely provides comments on draft CEQA documents. In 2018 the department provided formal comments on just 8 percent of draft CEQA documents it received. Because it lacks policies for prioritizing and reviewing CEQA documents, the department cannot ensure that its staff are consistently reviewing projects with potentially significant impacts on the environment.

Further, the department has not ensured that it spends the filing fee paid by project applicants and public agencies subject to CEQA exclusively on its CEQA activities. Although state law restricts the use of the filing fee revenue to fund only activities related to its CEQA responsibilities, the department keeps this revenue in a shared account with revenues for other functions, and it does not track the CEQA revenue and expenditures separately from the other functions. In fact, we determined that from fiscal years 2012–13 through 2016–17, the department spent \$5.7 million in CEQA filing fee revenue to subsidize non-CEQA programs.

Similarly, the department's current timekeeping practices do not differentiate between staff time spent on CEQA activities and staff time spent on other departmental work. Even though the department has frequently cited insufficient staff resources as the cause for its inability to meet its CEQA responsibilities, without accurately capturing the amount of time staff spend working on CEQA activities, it cannot correctly determine either its necessary staff resources or the amount it should charge for filing fees.

Respectfully submitted,

ELAINE M. HOWLE, CPA
California State Auditor

Above report referred to the Committee on Water, Parks, and Wildlife.

FIRST READING OF SENATE BILLS

The following resolution was read:

SENATE CONCURRENT RESOLUTION NO. 60—Relative to Bebe Moore Campbell National Minority Mental Health Awareness Month.

MESSAGES FROM THE GOVERNOR

The following item veto message from the Governor was received and ordered printed in the Journal, and the items ordered to the unfinished business file:

Item Veto Message—Assembly Bill No. 74

Governor's Office, Sacramento

June 27, 2019

I object to the following appropriations contained in Assembly Bill 74.

Item 0250-301-0001—For capital outlay, Judicial Branch. I delete this item.

I am eliminating the \$2,800,000 appropriation for the El Dorado County Courthouse. While I understand that there is a need to build this new courthouse, this expenditure authority is premature until the Judicial Council completes the statutorily-required statewide facilities needs assessment.

Item 0521-101-0001—For local assistance, Secretary of Transportation. I sustain this item.

Chapter 934, Statutes of 2018, requires the Transportation Agency, in consultation with the Natural Resources Agency, to conduct an assessment of the North Coast Railroad Authority to determine what is needed to dissolve the authority and dispense with its assets and liabilities, and to report on the assessment to the Legislature before July 1, 2020. I am sustaining the \$8,800,000 for expenses related to dissolving the North Coast Railroad Authority; however, these funds will not be released until the required assessment of assets and liabilities is completed. The Administration is committed to the dissolution of the North Coast Railroad Authority.

Item 0650-491—Reappropriation, Office of Planning and Research. I revise this item by deleting Provision 1.

This veto is technical in nature and deletes Provision 1 to conform to the Legislature's intent.

Item 7320-001-0001—For support of Public Employment Relations Board. I revise this item from \$17,251,000 to \$14,751,000 by reducing:

- (1) 6070-Public Employment Relations Board from \$17,371,000 to \$14,871,000;

and by deleting Provision 1.

I am deleting the \$2,500,000 legislative augmentation, which would provide additional resources to the Public Employment Relations Board. The expenditure authority is premature. A recent mission-based review of the Board resulted in adding 18 positions and \$4,300,000. My Administration will continue to monitor and review workload and backlogs and propose any needed changes.

I am also deleting Provision 1 to conform to this action.

With the above deletions, revisions, and reductions, I hereby approve Assembly Bill 74.
