PRAYER

Upon invitation of Speaker pro Tempore Mullin, the following prayer was offered by Assembly Chaplain Rev. Bob Oshita:

Please join me in a moment of reflection.

There can be no deeper or more meaningful bond than between loving parent and child; for such bonds of love are the bonds of life itself. This has been so from the dawn of humankind.

The depth of this bond is expressed in the ancient Dhammapada Scriptures, created over 2,600 years ago. Of the bond of parent and child, it is written, "A loving parent will say to their child, 'It is all right for me to grow old; it is all right for me to become ill; it is all right for me to die, but not you, not you.' But the loving child will say to their parent, 'No, it is all right for me to grow old; it is all right for me to become ill; it is all right for me to die, but not you, not you.'" For such is the deep nature of the love shared by parent and child. It is truly the bond of life itself.

Each of us that has had to know the deep loss of a parent or child, we know this feeling to be undeniably true. We know this bond of life is an immeasurable and unbreakable vow of love. Let us try to live, honoring this deep, universal bond of life and love between all parents and children.

—Namo Amida Butsu, with kindness and gratitude beyond words.

MESSAGES FROM THE GOVERNOR

The following messages from the Governor were received and ordered printed in the Journal:

Signing Message—Assembly Bill No. 807

Governor's Office, Sacramento
June 28, 2018

To the Members of the California State Assembly:

I am signing Assembly Bill 807.

This measure directs the Secretary of State to place a proposition on the statewide ballot enabling voters to repeal the state's Daylight Saving Time Act.

If passed, it will—albeit through a circuitous path—open the door for year-round daylight saving.

Fiat lux!

Sincerely,

EDMUND G. BROWN JR.

Signing Message—Assembly Bill No. 1838

Governor's Office, Sacramento
June 28, 2018

To the Members of the California State Assembly:

This bill establishes a moratorium on imposing new assessments on “groceries” at the local level.

Out of 482 cities in the state of California, a total of 4 cities are considering passing a soda tax to combat the dangerous and ill effects of too much sugar in the diets of children. In response, the beverage industry has circulated a far reaching initiative that would, if passed, raise the approval threshold from 50% to two-thirds on all measures, on all topics in all 482 cities. Mayors from countless cities have called to voice their alarm and to strongly support the compromise which this bill represents.

The initiative also contains language that would restrict the normal regulatory capacity of the state by imposing a two-thirds legislative vote on what is now solely within the competency of state agencies. This would be an abomination.

For these reasons, I believe Assembly Bill 1838 is in the public interest and must be signed.

Sincerely,

EDMUND G. BROWN JR.
