**California State Auditor**

2021-107  
June 28, 2022

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 319  
Sacramento, California*

Members of the Assembly: Through a statewide network of 21 regional centers, California's Department of Developmental Services (DDS) oversees the coordination and delivery of services for more than 380,000 individuals with developmental and intellectual disabilities, whom state law refers to as *consumers*. Our audit of three of these regional centers, which collectively serve more than 65,000 consumers, found that they have neither sufficient staff nor funding. As a result, service coordinators at the regional centers are responsible for assisting more consumers than the maximum set in state law, which limits the total amount of time that service coordinators can spend to assist their consumers. One of the causes we found for the insufficient staffing is that state funding for salaries has generally remained frozen since 1991, so regional centers hire fewer staff members at higher-than-funded salaries.

Furthermore, DDS has not ensured that regional centers properly monitor vendors. As a result, DDS and regional centers cannot be assured of the quality of services that the regional centers' vendors deliver to consumers. DDS has also not provided regional centers with the data systems or processes necessary to track and measure whether consumers have convenient access to services. Finally, DDS has not ensured that regional centers promptly resolve consumers' complaints regarding their rights.

Although DDS has been aware of many of these issues, it has not always taken timely and adequate actions to address them. As a result, it cannot be certain that regional centers are effectively serving Californians with intellectual and developmental disabilities.

Respectfully submitted,

MICHAEL S. TILDEN, CPA  
Acting California State Auditor

Above report referred to the Committee on Human Services.
