California State Auditor

Investigative Report I2010-1

June 29, 2010

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: Pursuant to the California Whistleblower Protection Act, the State Auditor's Office presents its investigative report summarizing investigations of improper governmental activity completed from January 2009 through December 2009.

This report details 11 substantiated allegations in several state departments. Through our investigative methods, we found misuse of state time and resources, improper gifts, and failure to report absences accurately. For example, an inspector with the Department of Industrial Relations, Division of Occupational Safety and Health, misused state resources and engaged in dual employment during her state work hours, for which she received \$70,105 in inappropriate payments.

In addition, this report provides an update on previously reported issues and describes any additional actions taken by state departments to correct the problems we previously identified. For example, the California State University, Office of the Chancellor (Chancellor's Office), collected from a former official \$1,903 in duplicate payments and overpayments made to him during a nearly three-year period. However, the Chancellor's Office has made no effort to recover from the former official the other improper expense reimbursements totaling \$150,607 we identified previously.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Business, Professions and Consumer Protection.
