REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2004-113
July 7, 2005

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As requested by the Joint Legislative Audit Committee, the Bureau of State Audits presents its audit report concerning the Office of Fleet Administration (Fleet) within the Department of General Services.

This report concludes that Fleet has performed analyses of the cost-effectiveness of the vehicles that it rents to state agencies, indicating that Fleet is competitive with commercial rental companies. However, the analyses do not fully demonstrate its cost-effectiveness because Fleet lacks assurance that the commercial rates it used in its comparisons are similar to what state agencies would actually pay. Furthermore, the terms of the current contracts that Fleet has with commercial rental companies and the noncompetitive method it uses to select companies may not be in the State’s best interest. To enhance the competitiveness of its motor pool, Fleet might draw on opportunities that exist to reduce its costs, such as establishing certain requirements and standards related to vehicle use, investigating the costs and benefits of additional garage closures, and determining how much it spends performing repairs and maintenance services at its garages.

Fleet is also required to approve vehicle purchases made by most state agencies after verifying the need for the purchase, but the policy defining minimum usage, which Fleet is supposed to consider when assessing a state agency’s need to purchase vehicles, may be set too low. Therefore, Fleet may allow more purchases than are necessary. Finally Fleet’s actions contributed to a \$1.4 million deficit at June 30, 2004, in the fund that Fleet uses to operate and maintain parking lots for state employees.

Respectfully submitted,

ELAINE M. HOWLE
State Auditor

Above report referred to the Committee on Business and Professions.
