#### MESSAGES FROM THE GOVERNOR

The following veto messages from the Governor were received and ordered printed in the Journal and the bills ordered to the unfinished business file:

#### **Veto Message—Assembly Bill No. 907**

Governor's Office, Sacramento

July 6, 1999

*To the Members of the Assembly:*

I am returning Assembly Bill No. 907 without my signature.

The bill has technical flaws which in the opinion of the Director of the Department of Finance would require the Superintendent of Public Instruction to allocate \$27 million to County Offices of Education in 1999–00. The legislative intent of the measure was to provide approximately one-third of that amount this year.

I would sign legislation that appropriates sufficient funding to assist County Offices of Education in implementing the education reform package the Legislature approved and I signed earlier this year. I would ask the author to work with Secretary Hart to achieve that goal.

For these reasons, I cannot support AB 907.

Sincerely,

GRAY DAVIS

#### RECEIPT

I acknowledge receipt this 6th day of July, 1999 at 9:26 p.m., of Assembly Bill No. 907 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Nancy Miller.

RALPH ROMO

Chief Assistant Clerk

#### **Veto Message—Assembly Bill No. 1112**

Governor's Office, Sacramento

July 6, 1999

*To Members of the Assembly:*

I am returning Assembly Bill No. 1112 without my signature.

This bill would require the Department of Corrections to 1) establish and evaluate New Parole Model pilot projects at two locations to test a revised approach to the supervision, sanction, and control of parolees, and 2) provide authority to establish a "Community Punishment Pilot

Program” within the department to test the effectiveness of intermediate sanctions for low-level offenders who violate parole.

I support efforts to reduce parolee recidivism and the associated state prison incarceration costs, and I look forward to working with Assemblymember Wright towards that end. However, this bill reduces accountability for the conduct of parolees, as no single Department of Corrections employee would be responsible for the activities of an individual parolee. Additionally, authorizing the Community Punishment Pilot Program could result in the implementation of unproven intermediate sanctions for parole violators, potentially posing a danger to public safety.

Although I support programs which assist parolees in transitioning back into the community and succeeding on parole, the changes outlined above pursuant to the enactment of Assembly Bill No. 1112 are unnecessary in light of the \$15.5 million appropriation I have approved in Assembly Bill No. 1535 of the 1999–00 Regular Session for 230 new parole officers.

For the reasons stated above, I cannot support Assembly Bill No. 1112.

Sincerely,

GRAY DAVIS

#### RECEIPT

I acknowledge receipt this 6th day of July, 1999 at 9:28 p.m., of Assembly Bill No. 1112 without the Governor’s signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Nancy Miller.

Chief Assistant Clerk

The following item veto message from the Governor was received and ordered printed in the Journal and the bill ordered to the unfinished business file:

**Item Veto—Assembly Bill No. 1115**

Governor’s Office, Sacramento

July 7, 1999

*To the Members of the Assembly:*

I am signing Assembly Bill No. 1115, however, I am reducing the appropriations made in Sections 65, 66, 70, 72 and 73 by a total of \$15,526,000. These appropriations are being eliminated because I have specific concerns about the projects or to ensure the State maintains a prudent reserve. The specific reductions are as follows:

I am reducing the reappropriation in Section 65 by eliminating subdivision (b) which allocates \$200,000 to the Julian Union School District for kitchen equipment needed for nutrition programs. Although this program may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (c) which allocates \$200,000 to the Grossmont Union High School District for construction of a swimming pool at Steele Canyon

High School. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (d) which allocates \$100,000 on a one-time basis to the San Diego County Office of Education to provide assistance for schools to secure health insurance for uninsured, low-income pupils. Although this program may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by \$25,000 by reducing subdivision (e) from \$27,500 to \$2,500 for the Alta-Dutch Flat Union School District for afternoon school busing service. I am taking this action to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (f) which allocates \$100,000 on a one-time basis to the Los Gatos Union School District to support the expansion of science programs through the Youth Science Institute in the City of Los Gatos. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (g) which allocates \$250,000 on a one-time basis to the Oak Park Unified School District for the purpose of purchasing computer equipment and materials for the library at Oak Park High School. I am taking this action because the budget currently includes \$158.5 million which is allocated to all school districts on the basis of average daily attendance, which districts can use specifically for library materials and equipment.

I am reducing the appropriation in Section 65 by eliminating subdivision (h) which allocates \$175,000 to the Anaheim City School District for an after-school learning safe neighborhoods program. I am eliminating this project because the use of one-time Proposition 98 funding, for what appears to be an ongoing program, is not appropriate. Moreover, there is an existing grant program for this purpose, the After-School Learning and Safe Neighborhoods Partnerships program, which awards renewable grants and is increased by \$35 million in the 1999 Budget Act for the 1999–2000 fiscal year. Local programs may compete for renewable grants for either purpose by applying through the Department of Education.

I am reducing the reappropriation in Section 65 by eliminating subdivision (i) which allocates \$250,000 to the Rio Del Valle Elementary School District for construction of a gymnasium at Rio Del Valle Junior High School. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (k) which allocates \$6,000 on a one-time basis to the San Juan Unified School District for the purchase of a computer, printer, and appropriate software for the Cottage Elementary School library. I am taking this action because the budget currently includes

\$158.5 million which is allocated to all school districts on the basis of average daily attendance, which districts can use specifically for library materials and equipment.

I am reducing the reappropriation in Section 65 by eliminating subdivision (l) which allocates \$250,000 to the Saddleback Valley Unified School District for construction of a gymnasium at Laguna Hills High School. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (m) which allocates \$100,000 to the Woodlake Union High School District for construction of a swimming pool. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the appropriation in Section 65 by eliminating subdivision (n) which allocates \$110,000 to the Sacramento City Unified School District to support the Sacramento START after-school program. I am eliminating this project because the use of one-time Proposition 98 funding, for what appears to be an ongoing program, is not appropriate. Moreover, there is an existing grant program for this purpose, the After-School Learning and Safe Neighborhoods Partnerships program, which awards renewable grants and is increased by \$35 million in the 1999 Budget Act for the 1999–2000 fiscal year. Local programs may compete for renewable grants for either purpose by applying through the Department of Education.

I am reducing the reappropriation in Section 65 by eliminating subdivision (o) which allocates \$30,000 on a one-time basis to the Galt Joint Union Elementary School District to support an educational program using STAR test results to improve teaching. I am deleting this funding because I recently enacted legislation implementing the statewide accountability initiative to hold schools accountable for their performance and to reward high achieving and improving schools, therefore this proposal unnecessary.

I am reducing the reappropriation in Section 65 by eliminating subdivision (p) which allocates \$10,000 to the Oak View Unified School District to repair the school blacktop area. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the appropriation in Section 65 by eliminating subdivision (r) which allocates \$30,000 to the ABC School District for an after school project at Hawaiian Gardens Elementary School. I am eliminating this project because the use of one-time Proposition 98 funding, for what appears to be an ongoing program, is not appropriate. Moreover, there is an existing grant program for this purpose, the After-School Learning and Safe Neighborhoods Partnerships program, which awards renewable grants and is increased by \$35 million in the 1999 Budget Act for the 1999–2000 fiscal year. Local programs may compete for renewable grants for either purpose by applying through the Department of Education.

I am sustaining subdivision (z) of Section 65 which reappropriates \$700,000 to the Superintendent of Public Instruction for allocation to the County Office Fiscal Crisis and Management Assistance Team

(FCMAT) for distribution to the Compton Unified School District. However, I am requesting that these funds be used only for the specific purposes of implementing the school district's recovery plans. I also encourage the Compton Unified School District to fully avail itself of the existing program funding provided, including for summer school programs, after school programs, and the staff development day buy out program as appropriate, to assist the district in funding its reforms.

I am sustaining subdivision (aa) of Section 65 which reappropriates \$1,500,000 to subsidize the costs of low-income children's participation in residential science camps. However, I note that this is a one-time appropriation; this program should develop alternative funding sources for the future.

I am reducing the reappropriation in Section 65 by eliminating subdivision (cc) which allocates \$232,000 on a one-time basis to the Bilingual Foundation of the Arts to develop arts-based literacy skills in school age children. I am deleting the funding because the budget includes \$6 million for Local Arts Education projects which can be used for this purpose.

I am reducing the reappropriation in Section 65 by eliminating subdivision (dd) which allocates \$100,000 to the Los Angeles Unified School District to renovate the San Fernando High School Teen Health Clinic. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the appropriation in Section 65 of this bill by eliminating subdivision (hh) which allocates \$16,900 to replace funding reduced as a result of an audit exception at the North Cow Creek School District. An independent audit of the district's class size reduction funding determined that the district inappropriately claimed \$16,900 of incentive funding during the 1996-97 school year for classes with excess enrollment. Since the purpose of the incentive funding is to reduce enrollment to no more than 20 students per teacher and the program does not permit waiver of the class size requirement, it would be inappropriate, and establish an undesirable precedent, to restore funding to the district.

I am reducing the reappropriation in Section 65 by eliminating subdivision (jj) which allocates \$120,000 to the Golden Valley Unified School District for home-to-school transportation. I am taking this action because this augmentation provides funding on a one-time basis for costs that are ongoing.

I am reducing the reappropriation in Section 65 by eliminating subdivision (mm) which allocates \$288,000 on a one-time basis to the Oxnard Unified School District for the Parent University Project. I am taking this action because this augmentation provides funding on a one-time basis for costs that are ongoing.

I am reducing the appropriation in Section 65 by eliminating subdivision (oo) which allocates \$139,000 on a one-time basis to the Sacramento City Unified School District for the Center for Educational Excellence. This program provides local services and also disseminates the Center's language arts curricula and models statewide. This

augmentation would reimburse the district for additional costs of statewide distribution. It is not clear why this school district is involved in a program that distributes materials on a statewide basis or whether the materials meet the standards established by the State Board of Education. The distribution function described for the Center is currently and appropriately performed by the State Department of Education.

I am sustaining subdivision (pp) of Section 65 which reappropriates \$750,000 to the Superintendent of Public Instruction for allocation to the County Office Fiscal Crisis and Management Assistance Team (FCMAT) for an audit of the Oakland Unified School District. However, I am requesting that FCMAT conduct a comprehensive assessment of the District in its major operational areas and provide recommendations by January 31, 2000. FCMAT and the district, in consultation with the Department of Finance, should enter into a contract specifying the terms of the assessments and the responsibilities of each of the parties prior to allocation of the \$750,000 to FCMAT.

I am reducing the reappropriation in Section 65 by eliminating subdivision (qq) which allocates \$250,000 to the Capistrano Unified School District for a planning grant to develop a teacher training and development facility. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 65 by eliminating subdivision (ss) which allocates \$500,000 to the Los Angeles Unified School District for renovation of the San Fernando Middle School Auditorium. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the appropriation in Section 66 by eliminating subdivision (b) which allocates \$500,000 to the Sacramento County Office of Education for a State Resource Center for the California Reading Initiative. Although this project may be meritorious, I am deleting the funding for it to ensure the State maintains a prudent reserve.

I am reducing the reappropriation in Section 70 by \$2,820,000 by deleting subdivisions (a), (b), (c), (d)(1), (e) and (f), which would have provided for a variety of local projects for Community College districts. While voter registration is an important activity, I am reducing the \$300,000 in schedule (c) for voter registration purposes because it does not appear necessary to provide funding for an activity that could be easily undertaken by campus groups or other civic groups. Although the other deleted projects may be meritorious, I am deleting the funding for them to ensure the state maintains a prudent reserve.

I am reducing the appropriation in Section 72 by eliminating subdivision (a) which appropriates \$2,000,000 to the Department of Education for allocation by the Controller for reimbursement of Sacramento City Unified School District's 1998-99 voluntary desegregation audited claim. The state is not statutorily obligated to pay for any costs incurred for voluntary integration programs above the amount budgeted for that purpose. Desegregation claims are funded in accordance with an existing statutory formula, as limited by funding

appropriated in the Budget Act. Based on these statutory provisions, there is no legal obligation to fund these programs beyond the amount provided in the annual Budget Act.

I am reducing the appropriation in Section 73 by eliminating subdivisions (a), (b), (c) and (d) which allocate a total of \$6,724,100 to reimburse school districts desegregation program deficiencies for fiscal years 1994-95 and 1995-96. Desegregation claims are funded in accordance with an existing statutory formula, as limited by funding appropriated in the Budget Act. Based on these statutory provisions, there is no legal obligation to fund these programs beyond the amount provided in the annual Budget Act. In addition, the Legislature statutorily limited the funding formula for this program in the current year as well as in the past four years in the education trailer bills. The provisions statutorily limit the funding otherwise provided in statute for court-ordered desegregation and voluntary integration programs to the level of funding provided in the appropriation for these programs, consistent with all other programs funded through the mega-item appropriation. Finally, districts are advised of the amounts available for each fiscal year for these programs by the State Department of Education.

Sincerely,

GRAY DAVIS
