Legislative Intent—Senate Bill No. 129

July 13, 2021

Sue Parker

*Chief Clerk of the Assembly
State Capitol, Room 3196
Sacramento, California*

Dear Ms. Parker: The purpose of this letter is to clarify the intent of a funding item within Senate Bill 129 (Budget).

As delineated within the budget request letter dated April 28, 2020, the \$10,000,000 in funding for the Tulelake Irrigation District contained within SB 129 may be spent on items in accordance with the intent of the Legislature, which is further clarified in this letter.

Tulelake Irrigation District may use the funds to cover or reimburse direct or indirect costs incurred by Tulelake Irrigation District or other parties for planting or irrigation of cover crops, supporting migratory birds or other wildlife, environmental protection, public safety response to the state of emergency, operation and maintenance of wells or other infrastructure, repair or improvement of wells or other infrastructure, construction of new wells, or operation and maintenance payments or assessments that have been or will be paid to the district. There are multiple imminent threats to continuing the current water curtailments and delivery cancellations within the service area, including the decline of soil stability, health and safety of migratory waterfowl, environmental and habitat degradation, and the loss of productive farmland. This funding will provide critical support to help combat these challenges.

Thank you for this opportunity to clarify the intent of specific funding expenditures within SB 129.

Sincerely,

MEGAN DAHLE, Assembly Member
First District

MESSAGES FROM THE GOVERNOR

The following message from the Governor was received and ordered printed in the Journal:

Signing Message—Assembly Bill No. 398

Governor's Office, Sacramento

July 16, 2021

To the Members of the California State Assembly:

I am signing Assembly Bill 398 which clarifies that the Department of Motor Vehicles cannot "sell" driver license or vehicle registration records, but instead may recover actual costs associated with making the information accessible pursuant to state and federal law.

The DMV has never sold records for profit and only makes records available as required by law.

This bill, by removing the word "sell," will address any misperception and clarify that the State does not profit from the records they keep.

Sincerely,

GAVIN NEWSOM

REPORTS

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

I2019-0559
July 27, 2021

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: This report details the results of an investigation of the California Prison Industry Authority (CalPIA), which we initiated as the result of multiple whistleblower allegations. As the office that administers the statutory provisions of the California Whistleblower Protection Act, it is the California State Auditor's responsibility to receive, review, and investigate such allegations of state employees committing improper governmental activities within state agencies. When an investigation substantiates improper governmental activities, this office may issue public reports summarizing our investigative work, but we do so only after carefully weighing the interests of the State and our obligation to keep confidential the identities of the whistleblowers and the employees involved.

In this case, we found that, from 2017 through 2018, CalPIA repeatedly violated state laws when it provided other state agencies with nearly \$1.3 million in gifts that did not relate to CalPIA's purpose. Some examples of the improper gifts include more than \$80,000 in artificial turf, \$66,000 in digital cameras, and \$150,000 in furniture.

We also found that, from 2016 through 2019, CalPIA executives improperly directed subordinate staff to hire and promote friends, relatives, and other favored candidates on at least 10 different occasions in violation of the California Constitution, which requires civil service hiring decisions to be based on the principle of merit, not favoritism. In some of these instances, the subordinate staff told us that they followed the executives' directions because they were concerned about possible retaliation.

State agencies such as CalPIA must report to us any corrective or disciplinary action taken in response to our recommendations within 60 days after we notify them of the improper governmental activity and monthly thereafter until corrective action is completed. In June 2021, CalPIA provided its response, which we have summarized herein.

Respectfully submitted,

STEPHANIE RAMIREZ-RIDGEWAY
Chief Counsel

Above report referred to the Committee on Public Safety.
