*Lord, You have given us various talents as gifts from You, talents that we use every day to accomplish the work set before us. Yet, these talents are not essential in our prayer to You. The gift of the talents You bestow upon us is required in order to converse well with other people, but not necessary in order to speak well with You, O God. For that, we only need a sincere desire and nothing more. Strengthen our desire, Lord, to seek You through prayer at this hour and throughout the day.—AMEN.*

**MESSAGES FROM THE GOVERNOR**

The following veto message from the Governor was received and ordered printed in the Journal and the bill ordered to the unfinished business file:

**Veto Message Assembly Bill No. 2556**

Governor's Office, Sacramento

July 21, 1998

*To the Members of the California Assembly:*

I am returning Assembly Bill No. 2556 without my signature.

This bill would express the Legislature's intent that responsibility for regulating health care service plans be vested in an agency that will best ensure quality of care and be responsive to Californians, whether that is an existing agency or a new agency.

This bill is not a serious attempt at managed care reform. It does not change the law. It does not enact any new reforms. It merely states the Legislature's "intent" to enact managed care reform.

The Legislature needs to get serious about reform and approve my "Reorganization Plan No. 1 of 1998." This plan would create the Department of Managed Care to ensure that health care service plans provide quality health care to Californians. The Legislature, on party line votes, has rejected this plan without proposing one of its own. Evidently they see more value in talking about reform, as evidenced by this bill, than actually taking concrete action.

Cordially,

PETE WILSON

**RECEIPT**

I acknowledge receipt this 21st day of July 1998, at 5:33 p.m., of Assembly Bill No. 2556, without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Karen Morgan.
