Dear Mr. Speaker: I am writing to respectfully decline per diem for the period starting July 21, 2003 to August 15, 2003.

July 23, 2003

*The Honorable Herb Wesson**Speaker**California State Assembly**State Capitol Building, Room 219**Sacramento, California*

Dear Speaker Wesson: Soon after the terrorist attacks on September 11, 2001, I made a decision to rejoin the California Army National Guard. Currently, I am assigned to the Headquarters Company, 40th Infantry Division (HHC 40th ID). This service to our country requires me to spend two days a month and two weeks a year participating in military training and drills.

Mr. Speaker, on July 25 I am departing for the Combined Arms Center at Ft. Leavenworth, Kansas to fulfill my military obligation. I will return to California on August 5. The budget delay has produced unpredictable Assembly session schedules, and I fear I might miss several over the next two weeks. I ask to be excused from any legislative sessions between July 25 and August 5.

Thank you for your assistance on this issue. Please do not hesitate to contact me if I can answer any questions.

Sincerely,

KEN MADDOX, Assembly Member
Sixty-eighth District

REQUEST FOR UNANIMOUS CONSENT TO PRINT IN JOURNAL

Assembly Member Leslie was granted unanimous consent that the following statement of legislative intent be printed in the Journal:

Legislative Intent—Assembly Bill No. 1284

July 24, 2003

*The Honorable Herb Wesson, Speaker
California State Assembly
State Capitol, Room 219
Sacramento, California*

Dear Mr. Speaker: I wish to publish this letter of legislative intent in the Assembly Daily Journal relative to my AB 1284.

AB 1284 allows the Public Utilities Commission to defer or waive Cost Responsibility Surcharges (CRS) for a narrow range of economically distressed customers, whose Direct Access energy contracts were involuntarily terminated at the height of the energy crisis. This bill only allows the deferral or waiver in order to mitigate the “certain and imminent closure” of a customer’s plant or facility.

Among other criteria, AB 1284 defines a “qualifying direct transaction customer” as a plant or facility that was involuntarily returned to the investor-owned utility (IOU) for electrical service after February 1, 2001, and the plant or facility entered into a new Direct Access contract and submitted a direct access service request (DASR) within ninety days following involuntary termination.

For purposes of these sections, it is the author’s intent that the date of involuntary termination is based on the end of the contractual relationship between the customer and the electric service provider as evidenced by the termination date in the provider’s notification to the customer that its contractual relationship was terminated. It is the author’s intent that SierraPine’s Rocklin Division meets all criteria set forth in the bill.

Sincerely,

TIM LESLIE, Assembly Member
Fourth District
