As scripture says, "one thing is needed" and that is to sit at Your feet, Lord, and to have You as a priority in our lives. When we do that, everything else in life will fall into place. Give us the wisdom and show us how to manage our time, because You long to be good to those who are looking for Your goodness.—AMEN.

REPORTS

The following letters of transmittal were presented by the Chief Clerk and ordered printed in the Journal:

California State Auditor

2010-008
July 13, 2010

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: The California State Auditor presents this audit report of the State Treasurer's Office statement of securities accountability as of December 31, 2009.

The statement of securities accountability presents the securities owned by or pledged to the State directly, securities under investment agreements, and those securities held for safekeeping. The State Treasurer's Office is responsible for the safekeeping of all securities held in the treasury or other depositories. It is not responsible for securities owned by or pledged to the University of California, or for securities in other depositories owned by or pledged to the Public Employees' Retirement System, the State Teachers' Retirement System, the Legislators' Retirement System, or the Judges' Retirement System. The statement of securities accountability is prepared for purposes of accountability. The dollar amounts represent various values, including the par value or face value, the original principal value, or the current outstanding principal balance. They do not represent cost or market value and should not be used to determine the value of investments owned by, or pledged to, the State. We found that the statement presents fairly the securities accountability of the State Treasurer's Office as of December 31, 2009.

We conducted this audit to comply with the California Government Code, Section 13299.1.

Respectfully submitted,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Governmental Organization.

California State Auditor

2010-103R
July 21, 2010

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly:

Enclosed is a revised copy of the audit report my office recently published regarding the Every Woman Counts Program titled *Department of Public Health: It Faces Significant Fiscal Challenges and Lacks Transparency in Its Administration of the Every Woman Counts Program* (June 2010, Report 2010-103). We have revised the report to adjust the amounts for certain expenditure categories since the Department of Public Health (Public Health) recently informed us that it had incorrectly coded certain expenditures, including more than \$3.4 million of health care payments as consultant and professional services expenditures. Although the effect of these accounting errors reduces the number of women we estimate could have been served had Public Health redirected some of the funding it used for nonclinical services and dedicated those to screening activities, it does not alter our conclusion and recommendation. Specifically, after adjusting the expenditures to correct for the coding errors, we estimate that had Public Health redirected one-half of the amount it spent on nonclinical activities, it could have screened more than 27,500 women during fiscal year 2008–09 rather than the 41,500 we estimated in our initial report.

Despite the fact that the audit team requested Public Health to determine what caused certain expenditures in its accounting records to significantly increase during fiscal year 2008–09, it did not provide my office the new data with an explanation until after the report was issued. Upon receiving this new information, I directed my staff to conduct additional audit work to verify the expenditures that Public Health asserted had been incorrectly coded for fiscal year 2008–09. My staff confirmed that Public Health had incorrectly coded more than \$3.4 million in direct health care payments as consultant and professional expenses. As a result, we have revised the expenditure amounts for fiscal year 2008–09 in Table 3 on page 22 and Table A on page 34. Finally, we have revised the amounts included in our description of how the expenditure categories impact the calculation of the number of additional women that we estimate could have received screening services. These revisions primarily affected the detailed calculation on page 23 of the report.

If you have any questions, please do not hesitate to contact me at (916) 445-0255.

Sincerely,

ELAINE M. HOWLE, CPA
State Auditor

Above report referred to the Committee on Health.

Receipt of Bills

I acknowledge receipt this 23rd day of July at 3:30 p.m., of Assembly Bill 1876 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Giorgos Kazanis.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 1876

Governor's Office, Sacramento
July 23, 2010

To the Members of the California State Assembly:

I am returning Assembly Bill 1876 without my signature.

As a major proponent of After School Education and Safety programs in California, I am thrilled that the voter approved Proposition 49 made funding available that has made it possible for so many schools across the state to have programs serving students from 3 o'clock to 6 o'clock, from Monday through Friday. Currently, over 3,800 after school programs serve an average of approximately 333,700 students a day. These programs have time and time again met their intended purpose of keeping children safe, inspiring student learning, and helping working families.

It is a great testament to all the hard working after school program providers that California can be such a leader in providing educationally enriching activities to its students even after the end of the regular school day. The need is so great for these valuable after school programs that there is still not enough funding to meet the long waiting list of schools and students seeking to have an after school program.

As a result, with so many program applications pending on the waiting list to start offering services during the regular school week, I do not believe it is prudent to expand to weekend hours at this time.

For these reasons, I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Receipt of Bills

I acknowledge receipt this 19th day of July at 4:15 p.m., of Assembly Bill No. 967 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Giorgos Kazanis.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 967

Governor's Office, Sacramento
July 19, 2010

To the Members of the California State Assembly:

I am returning Assembly Bill 967 without my signature.

This measure would add mayors of charter cities to the list of persons authorized to solemnize marriages in the State of California. While I have no objection to allowing mayors to solemnize marriages, this measure draws an unwarranted distinction between mayors of chartered cities and mayors of other incorporated cities. As a result, duly elected mayors within the same county would have different obligations under the law, which, in turn, could create confusion and additional burdens on county clerks' offices. Since there is no reason to make such a distinction between mayors of chartered cities and other cities, I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Receipt of Bills

I acknowledge receipt this 15th day of July at 4:30 p.m., of Assembly Bills No. 1155, 1992, and 2026 without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Jacque Roberts.

SUE PARKER

Assistant Chief Clerk of the Assembly

Veto Message—Assembly Bill No. 1155

Governor's Office, Sacramento

July 15, 2010

To the Members of the California State Assembly:

I am returning Assembly Bill 1155 without my signature.

This bill would expand the list of Vehicle Code sections that can be enforced, by ordinance or resolution, in privately owned off-street parking facilities.

I am concerned this bill could result in law enforcement resources being tied up in private parking facilities when they should be focusing on public roadways. This is the wrong time to place new responsibilities on law enforcement resources which are already overstretched.

For this reason I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 1992

Governor's Office, Sacramento

July 15, 2010

To the Members of the California State Assembly:

I am returning Assembly Bill 1992 without my signature.

Current law requires the California Horse Racing Board (CHRB) to establish safety standards governing the uniformity and content of the track base and racing surface. The type of racing surface is not specified; therefore, current law can be applied to all types of racing surfaces. A change in statute as proposed by this bill is unnecessary.

Further, in 2009–10 the CHRB budget was augmented with one-time funding for a study to establish safety standards for synthetic race track surfaces. This bill is premature as the efforts related to this study are still underway.

For these reasons I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER

Veto Message—Assembly Bill No. 2026

Governor's Office, Sacramento
July 15, 2010

To the Members of the California State Assembly:

I am returning Assembly Bill 2026 without my signature.

Current law already allows individual entities, such as a test sponsor specified in this bill, to accept the Matrícula Consular de Alta Seguridad as a valid form of identification. The State should not have to require any entity to accept it. Testing sponsors should have the freedom to decide whether the Matrícula Consular de Alta Seguridad is a valid form of identification for its purposes.

For this reason, I am unable to sign this bill.

Sincerely,

ARNOLD SCHWARZENEGGER
