**REPORTS**

The following letter of transmittal was presented by the Chief Clerk and ordered printed in the Journal:

**California State Auditor**

2024-032  
July 30, 2024

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 319  
Sacramento, California*

Members of the Assembly: As required by section 67382 of the Education Code, my office conducted an audit of six institutions of higher education (institutions) to determine their compliance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act). We determined that in general the six institutions we reviewed did not fully comply with the Clery Act's requirements for safety policies or the accurate reporting of crime statistics.

The six institutions we reviewed reported crime statistics in their 2023 annual security reports, but five of them did not do so accurately. We also found omissions in four of these institutions' crime logs—public records that are intended to provide timely information about all criminal activity on campus. Because of these errors and omissions, current and prospective students, staff, and other stakeholders may have an inaccurate understanding of campus safety.

Finally, we found that none of the six institutions we reviewed had fully complied with the Clery Act, federal regulations, and certain state law provisions that require institutions to have in place specific security policies and disclose these policies in their annual security reports. If institutions do not disclose all required policies, students and other stakeholders may not have the information necessary to make informed decisions about their personal security, or they may not be aware of resources available to help ensure their safety.

Respectfully submitted,

**GRANT PARKS**  
California State Auditor

Above report referred to the Committee on Higher Education.
