**PRAYER**

Upon invitation of Assistant Speaker pro Tempore Celeste Rodriguez, the following prayer was offered by Reverend Bob Oshita:

I recall being about ten years old when I was given my first key. It was the key to our house, but not to the front door, it opened the garage entrance. I was instructed, “Don’t lose this!” I did not realize it at the time, but that this first key was a symbol of my parents’ growing trust in my ability to be responsible. I wore it carefully around my neck on a chain.

As I grew older, more keys became mine to hold. Before retiring, I had an almost unmanageable ring of temple keys, a separate set of home and car keys, and sets of keys to the homes of our parents, siblings, and even a widowed uncle. Each key represented a trust and a responsibility that I was given . . . and accepted.

Being a member of this Assembly is a responsibility so profound that one must swear an oath to receive it. It is a rare opportunity to be elected to serve, and it is one of life’s most trusted keys to bear.

In the three terms that we have served as chaplains, we have proudly watched our members in action and with some sadness, seen the “changing of the guards.” But as Patti and I feel, to have been a part of our California State Assembly, is an honor that does not diminish with time.

Our members are chosen by the people to serve; they will forever wear an invisible key around their neck; a key that shines with the honor of an oath fulfilled; an honor that will always be theirs.

Wherever life takes us, let us try, as the Roman Philosopher-Emperor, Marcus Aurelius encouraged, “fulfill our purpose with humility and gratitude . . . and leave behind a life worth remembering.”

Namo Amida Butsu—Let us live our lives with kindness and gratitude beyond words.

**PLEDGE OF ALLEGIANCE TO THE FLAG**

Upon request of Assistant Speaker pro Tempore Celeste Rodriguez, Assembly Member Irwin then led the Assembly in the pledge of allegiance to the Flag.

**California State Auditor**

2025-121  
August 18, 2026

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 319  
Sacramento, California*

Members of the Assembly: As directed by the Joint Legislative Audit Committee, my office conducted an audit of Chino Hills State Park's wildfire management. Our assessment focused on the Department of Parks and Recreation's (State Parks) policies and procedures for wildfire resilience. In general, we determined that improved coordination with neighboring entities and documentation of wildfire resilience activities could help increase Chino Hills State Park's wildfire resilience.

We found that few wildfire resilience requirements apply to State Parks. Despite Chino Hills State Park being exempt from certain state defensible space requirements, State Parks' policy still requires maintenance of defensible spaces. State Parks conducted some of the required activities, but State Parks could not provide complete documentation to demonstrate that it consistently completed vegetation management around Chino Hills State Park.

Various state guidance calls on State Parks to coordinate with surrounding cities and fire suppression agencies, which State Parks has planned and agreed to but has not completed. Furthermore, Chino Hills State Park's Wildfire Management Plan could better align with best practices to ensure the wildfire resilience of the park. Finally, we determined that Southern California Edison coordinates with State Parks to complete wildfire resilience activities on the power lines in Chino Hills State Park.

Our report includes recommendations to State Parks to improve documentation practices, increase consistency of coordination, update its wildfire management plan, and determine its workforce needs. We also recommend that the Legislature amend a state grant program that may assist neighboring landowners in completing essential defensible space clearance where private and public lands meet.

Respectfully submitted,

**GRANT PARKS**
