*Lord*, The Psalmist said that You are our shepherd, that You make us lie down in green pastures and lead us beside quiet waters, and that You restore our soul. Nothing is more refreshing than having some crisp, cold water to drink when we're dry, thirsty, and tired. Even better than that, however, is how it feels to refresh our soul and our spirit. Lord, guide us back to You every day so that we can plug ourselves into Your unlimited strength and refresh our souls.—AMEN.

California State Auditor

Investigative Report I2016-2

August 25, 2016

*The Honorable Speaker of the Assembly  
The Honorable Members of the Assembly  
of the Legislature of California  
State Capitol, Room 3196  
Sacramento, California*

Members of the Assembly: Pursuant to the California Whistleblower Protection Act, the California State Auditor (State Auditor) presents this investigative report summarizing investigations concerning allegations of improper governmental activities that were completed between January 2016 and June 2016.

This report details seven substantiated allegations involving several state agencies. Through our investigations, we found conflict of interest, violation of post-employment ethics restrictions, waste of state funds, misuse of state resources, and activities incompatible with state employment. In total, we identified \$397,000 in gifts not disclosed and in wasted funds related to improper travel expenses and mismanagement.

For example, a district engineer for the State Water Resources Control Board (State Water Board) violated state conflict-of-interest law by repeatedly recommending that the State's drinking water program enter into funding agreements and approving claims for

payment involving an engineering firm that employed the district engineer's spouse. Specifically, from 2010 through 2015, when the district engineer first worked at the California Department of Public Health and then at the State Water Board, the engineer participated in a total of 59 decisions that involved the engineering firm, including approving claims for payment that resulted in the engineering firm receiving payments totaling \$3.9 million.

In addition, the California Department of Transportation (Caltrans) failed to properly manage a mobile home park in the San Joaquin Valley that it purchased in late 2010. As a result, the tenants of the mobile home park collectively owed the State almost \$315,000 as of December 31, 2015, an amount composed of overdue rent, late fees, and unpaid utilities. In addition, Caltrans failed to evict two individuals who have illegally occupied mobile homes in the park for the last one to two years.

State agencies must report to the State Auditor any corrective or disciplinary action taken in response to recommendations made by the State Auditor. Their first report is due no later than 60 days after we notify the agency or authority of the improper activity and monthly thereafter until corrective action is completed.

Respectfully submitted,

ELAINE M. HOWLE, CPA  
State Auditor

Above report referred to the Committee on Business and Professions.

Mr. Speaker: I am directed to inform your honorable body that the Senate on this day adopted:

Senate Joint Resolution No. 28

DANIEL ALVAREZ, Secretary of the Senate  
By Bernadette McNulty, Assistant Secretary

**FIRST READING OF SENATE BILLS**

The following resolution was read:

**SENATE JOINT RESOLUTION NO. 28**—Relative to immigrant children.

**MESSAGES FROM THE GOVERNOR**

The following veto message from the Governor was received and ordered printed in the Journal, and Assembly Bill No. 2177 ordered to the unfinished business file:

**Veto Message—Assembly Bill No. 2177**

Governor's Office, Sacramento  
August 26, 2016

*To the Members of the California State Assembly:*

I am returning Assembly Bill 2177 without my signature.

This bill establishes a new 17 member committee to assist the Office of Emergency Services in distributing federal Victims of Crime Act funds.

The federal Victims of Crime Act is a critical source of funding for important programs in California, and transparency when awarding these funds is crucial. I believe this bill, however, is duplicative of existing efforts. The Budget Act made it easier to track these funds by separating them from other programmatic spending. Furthermore, the Office of Emergency Services has already established a Victims of Crime Act Steering Committee with the responsibility of receiving comments and testimony from the public and to provide advice on the distribution of grants.

Together, these actions serve the same purpose as envisioned by this bill, therefore, it is unnecessary.

Sincerely,

EDMUND G. BROWN JR.

Receipt of Bills

I acknowledge receipt this 26th day of August, 2016, at 12:30 p.m., of the following Assembly bill without the Governor's signature, together with a statement of his objections thereto, signed by the Governor, delivered to me personally by Daniel Gutierrez:

Assembly Bill No. 2177.
