Mother Teresa of Calcutta's Daily Prayer

People are often unreasonable, irrational, and self-centered. Forgive them anyway.

If you are kind, people may accuse you of selfish, ulterior motives. Be kind anyway.

If you are successful, you will win some unfaithful friends and some genuine enemies. Succeed anyway.

If you are honest and sincere, people may deceive you. Be honest and sincere anyway.

What you spend years creating, others could destroy overnight. Create anyway.

If you find serenity and happiness, some may be jealous. Be happy anyway.

The good you do today will often be forgotten. Do good anyway.

Give the best you have and it will never be enough. Give your best anyway.

May our actions during these final days of Session reflect our relationship with God based on forgiveness, kindness, success, happiness, good will, and hard work.—AMEN.

REPORTS

The following letter of transmittal was presented by the Speaker and ordered printed in the Journal:

California State Auditor

2021-102
August 25, 2022

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 319
Sacramento, California*

Members of the Assembly: In our office's audit of the management and use of the Indian Gaming Special Distribution Fund (distribution fund) we determined that the State has not effectively managed the distribution fund, and it has allowed the fund to accumulate an excessive reserve. To reach this conclusion, we reviewed records and processes at the California Gambling Control Commission (Gambling Commission), the Department of Finance (Finance), the California Department of Justice (Justice), and the California Department of Public Health (Public Health).

The Gambling Commission and Finance have not determined what constitutes a prudent reserve for the fund and its current reserve would cover nearly four years' expenditures, much more than what a best practice indicates is appropriate. This excessive fund reserve has grown, in part, because the State has not aligned the distribution fund fees that it collects with the State's costs to regulate tribal gaming.

Furthermore, Justice has not reimbursed the distribution fund for more than half of the hours that we identified in a previous audit as having been inappropriately charged to the distribution fund. We also found that Justice continues to improperly charge the distribution fund for nontribal regulatory activities, and Public Health has not

demonstrated that it effectively monitors or evaluates the problem gambling prevention and treatment programs for which the distribution fund pays.

Respectfully submitted,

MICHAEL S. TILDEN, CPA
Acting California State Auditor

Above report referred to the Committee on Governmental Organization.
