PRAYER

Upon invitation of Speaker pro Tempore Lowenthal, the following prayer was offered by Reverend Bob Oshita:

Within our nation and around the world, we are truly living through uncertain times. But, even when facing a future filled with unknowns, there is one thing that remains constant—regardless of circumstances, people throughout the world continue to hope for a better life.

Last month, 60,000 people, in mass movement, attempted to cross over from Morocco into Spain. One young man, Abdulah Buji, said that he rushed to join the collective migration when he heard that the border was breached. Over 50 people died in the attempt. The 21-year-old Abdulah Buji, who is studying to be a teacher said, “I am a talented boy. I just want a chance.” He felt that unlike Morocco, Spain gave him the chance to have a future.

Although the attempt was unsuccessful, he said that he will not give up hope. He is a dreamer; and their dream is timeless and within us all.

Over 100 years ago, Patti and I, our grandparents were dreamers. They immigrated to America; a country they called, Beikoku, meaning the “Land of Rice”—a land where growing rice and growing a better life was possible.

Back then too, dreamers were challenged by those fearing change and diversity; and each generation of our families endured and strived to overcome the barriers that prevented their inclusion.

Although there continues to be antagonism and hostility towards immigrants and the policies of immigration, with the enduring strength of human empathy and kindness, we can embrace our shared humanity and together keep alive that dream to become a “more perfect union.” Knowing that America is not perfect; knowing that America itself is a dream in progress, let us be the dreamers to make America a beacon of hope, for dreamers everywhere.

Namo Amida Butsu—Let us try to live with kindness and gratitude beyond words.

PLEDGE OF ALLEGIANCE TO THE FLAG

Upon request of Speaker pro Tempore Lowenthal, Assembly Member Nguyen then led the Assembly in the pledge of allegiance to the Flag.

Legislative Intent—Assembly Bill No. 1854

August 14, 2026

Sue Parker

*Chief Clerk of the Assembly
State Capitol, Room 319
Sacramento, California*

Dear Ms. Parker: As the author of AB 1854, I write to clarify the intent of this legislation. This bill seeks to expand California's shield laws to protect patients, health care providers and others involved in reproductive health and gender-affirming care that is legal in California.

Following the 2022 U.S. Supreme Court's decision in *Dobbs v. Jackson Women's Health Organization*, states hostile to reproductive health care have enacted laws that criminalize or impose civil liability on individuals who provide, receive, or assist in obtaining abortion care and, increasingly, gender-affirming care. In response, California voters approved Proposition 1 enshrining the right to abortion in the state's constitution, then enacted a series of "shield laws" designed to protect patients, providers, and facilitators of lawful care within the state.

California's shield laws aim to provide protection against out-of-state investigations, prosecutions and civil liability as they relate to reproductive and gender-affirming care. These laws prohibit California agencies and certain companies from helping other states enforce laws that punish this care. Despite these protections, out-of-state actors have continued to pursue aggressive enforcement strategies targeting California-based providers and entities. These efforts include issuing subpoenas, criminal investigations, seeking medical records, initiating civil actions, and attempting extradition of California providers for conduct that is lawful in California. Existing law does not fully account for the evolving tactics used by out-of-state jurisdictions.

AB 1854 makes it clear that a state or local law enforcement agency or officer shall not knowingly arrest or knowingly participate in the arrest of any person for performing, supporting, or aiding in the performance of a legally protected health care activity (as defined in Section 1549.15) regardless of the patient's location. AB 1854 also prohibits a broad range of California businesses and individuals from complying with out-of-state demands for information relating to reproductive healthcare and gender affirming care that falls under California's legal protections. The bill protects the privacy of patients and providers from targeted out-of-state attacks.

The intent of this legislation is not to alter the existing standard for government-owned or government-affiliated health care institutions operated by federal, state, or local entities. Governmental-owned entities are not prevented from engaging in the existing data sharing process that is currently allowable across all hospitals, including state lines. This bill reaffirms what was established under AB 1242 (Bauer-Kahan, 2022) and expands coverage of additional business entities.

Sincerely,

MAGGY KRELL, Assembly Member
Sixth District
