REPORTS

The following letter of transmittal was presented by the Speaker and ordered printed in the Journal:

California State Auditor

2020-804
August 26, 2021

*The Honorable Speaker of the Assembly
The Honorable Members of the Assembly
of the Legislature of California
State Capitol, Room 3196
Sacramento, California*

Members of the Assembly: As directed by the Joint Legislative Audit Committee, my office presents this audit report regarding the city of Lindsay (Lindsay), which we conducted as part of our high-risk local government agency audit program. Our assessment focused on Lindsay's financial and operational risks, and we found that the city is at high risk because of its financial problems and management practices.

Lindsay has improved the condition of its general fund over the past several fiscal years, and it appears to have recently met recommended reserve levels. However, this apparent turnaround was largely because the city forgave more than \$6 million in loans from restricted funds to its general fund, a violation of Proposition 218, which restricts the use of certain local government funds. This unlawful action has exposed the city to possible litigation from taxpayers and utility ratepayers, and it obscures what we estimate to be a general fund deficit of more than \$3 million as of June 30, 2020, instead of its apparent surplus.

Because of both Lindsay's loan forgiveness and the fact that it has not regularly updated the fees and rates it charges for city services and utilities, it lacks resources in some of its utility funds. The city's water fund recently incurred a nearly \$1 million deficit and is unable to pay for necessary infrastructure projects, forcing Lindsay to seek to increase ratepayers' water rates. Not only has Lindsay forgone revenue by not adjusting the majority of its fees and rates for years, its general fund must now cover some of the city's costs to provide utilities and other services. Finally, the city lacks a long-term financial plan to adequately address its financial problems, which include the need to pay for its aging public safety vehicles and retirement obligations, such as its retiree health care costs.

Among the actions we believe the city should take to address our concerns, we recommend that Lindsay develop a plan to fully repay its utility funds for the loans it unlawfully forgave, implement a plan to update its fees and rates, and formally adopt a long-term financial plan that addresses its liabilities and financial stability.

Respectfully submitted,

ELAINE M. HOWLE, CPA
California State Auditor

Above report referred to the Committee on Local Government.
